We always appreciate letters, especially when these letters are encouraging and kind. One of the best such thrills we have received in a long time came this week in a fine well written letter from Mrs. Tommy Weir of Lubbock, Texas. Mrs. Weir is the 19 year old wife of a student preacher, and she tells me that all that we ever say about the liquor problem is right down their way of thinking. We appreciate this all the more coming from these fine dedicated young folks. Anyway, this couple keeps a scrap book of things to remember and she so generously tells me that it contains many things from this column. Thank you Mary Lou and Tommy.

Another of our friends tells us the following experience. It seems that they were visiting in a little church in Colorado while on vacation. Inasmuch as they were only visiting they decided to spend the Sunday School time as guests of the Primary Department. It seemed to be a custom of the eader to call on different boys and girls to lead a song. When one young fellow was called upon to take his turn he gave the following reply: "No, Mam, I can't do it today, you'll have to excuse me this time on account of my zippers broke." As Mr. Linkletter would say "Kids Say The Darndest Things." Really, they do but we all love them to death, don't we? What on earth would this world be without children. It makes us remember the scriptures which says in part; "For of such is the Kingdom of Heaven."

We know a fellow who sometimes makes the following statement; "We have more trouble here in this world than any place I ever lived."

My wife read this from a book she was reading

"Memory is the crust we nibble on after the bread is gone." Isn't that a good thought and one we can keep on and on being thankful for. Little things happen to us, many are good and wonderful little happenings done to us by a friend or a loved one. The deed passes, the day is gone, sometimes the person is no more, but the sweet memories stick with us, and in special moments we can ponder and remember each little part; that way we can nibble on these lasting crusts.

"A nice thing about a dull party is that you get to bed at a decent hour."

It was Henry Clay who once said: "I had rather be right than president." What we need most this day and time is for some one who can be the president or any other officer and still stand for the things that are right.

"The fellow who gets on a highhorse is only riding for a fall."

BRIDAL SHOWER

Miss Barbara McBrayer, bride-elect of Ray Dean Brown of Amarillo, was honor guest at a miscellaneous shower in the home of Mrs. Paul Schull, Thursday afternoon, August 28. Receiving hours were from 3 to 4:30 p. m.

Guests were greeted by Mrs. Schull and presented to Mrs. McBrayer, the honoree, and Mrs. Brown of Amarillo, the groom-elect's mother. Mrs. Jimmy Lee of Borger presided at the register.

The refreshment table was laid with a lace cloth over blue to carry out Barbara's chosen colors of blue and white. A floral arrangement of garden flowers with silver wedding bells and a miniature bride and groom centered the table. Serving alternately were Misses Ann Weatherly, Pauline Mills, Brenda Putman and Robbie Lee Johnson.

Forty-three guests registered and several who were unable to attend sent gifts.

Hostesses were Missdames Polly Schull, Susanna Allen, Mildred Housden, Opal Johnson, Bertha Emmons, A. T. Cole, J. L. Wood, Clarice Hall, Dollie Sain, Louise Fricks, Mary Neal Riskey, Robert Davis, Noel Hewitt, Gladys Turner, and Miss Ruth Richerson.

KIL KARE KNEEDLE KLUB

The Kil Kare Klub met in the home of Mrs. Homer Mulkey Thursday afternoon, August 28. After sewing and much chatting we were served ice cream and cake.

Those to enjoy the lovely party were Mesdames E. H. Noland, R. O. Thomas, Frank Whitlock, Major Hudson, M. C. Rappy, Harry Brumley, Misses Ida and Etta Harned and the hostess, Mrs. Mulkey.

BRIDE-ELECT IS ENTERTAINED

Miss Edith Messer, bride-elect of Billy Hill, was honoree at a miscellaneous shower Thursday, August 28, in the Homemakers Cottage at Quail, Texas.

A pink and white color motif was used in decoration carrying out Miss Messer's selected colors. The refreshment table was laid with a white linen cut-work cloth. Centering the table was a small white tree showered with pink umbrellas shading a miniature bride dressed in white. Pink punch and white cake decorated with pink rosebuds were served.

Approximately thirty-five guests registered and an equal number sent gifts.

Attending from Clarendon were Mrs. R. C. Hill, Mrs. R. R. Riley, Mrs. Jiggs Riley, Miss Ellen Messer, and Mrs. P. C. Messer and daughter.

Land Reunion Held Near Wellington

The Land family began to arrive Saturday morning at the Rosco Land Ranch on Buck Creek near Wellington for their annual reunion. These are the descendants of the late Mr. and Mrs. Zeb Land, numbering 12 in all and eleven were present. Mrs. Hazel Land of Lawton, Okla. was unable to attend due to illness.

Uncle Dick Land of Pampa, 78, was the life of the party. He spent the night and had breakfast in the open like he did when he was a young man.

Entertainment was furnished by the mischievous Land boys. In the wee hours of the night, ghosts came up out of Buck Creek; later a band of Indians in headfeathers, tommy-hawks and blood curdling yells came out of the bushes, then a real live rattlesnake with eight rattlers made its appearance. Many more pranks of childhood days brought back pleasant memories of the past to the adults present.

Barbecued beef and chicken with everything good to eat, as only the Land cooks can prepare, was enjoyed by everyone.

Present were Mr. and Mrs. F. C. Land, Lubbock; Mr. and Mrs. R. L. Meadows, Mr. and Mrs. Ralph Richardson and Augie, Mr. and Mrs. John Land and children, Zeb Land and son, Mr. and Mrs. Dick Land, all of Pampa; Mr. and Mrs. Jack Land, Mr. and Mrs. Jiggs Land, Mr. and Mrs. Mac Stavenhagen, all of Amarillo; Mr. and Mrs. Pete Land, Mr. and Mrs. Billie Jack Land and boys of Clarendon; Mr. and Mrs. Kenneth Whisenant and children of Abilene; Mr. and Mrs. Bill Scales, Mr. and Mrs. Tige Hill, Misses Millie and Ellen Fay Land, all of Hedley; Mr. and Mrs. Clarence Cason, Mr. and Mrs. Rosco Land and Jerry of Wellington.

As Good Bye was said, all promised, if possible to be present next year.

Mr. and Mrs. Forest Helton of Amarillo visited Sunday in the home of Mr. and Mrs. J. H. Helton.

Mrs. L. W. Drew of Oklahoma City visited last week in the home of Mrs. Harry Brumley. Mrs. Drew is a former Clarendon resident having lived here some 40 years ago.

Pvt. Weldon Talley and wife visited homefolks and friends over the weekend. They left Sunday night for Baltimore, Maryland where Weldon will be in school the next 4 months.

Mr. and Mrs. Melvin Vick and children of Panhandle visited Sunday afternoon and Monday morning in the Carl Naylor home.

V. C. Hodges of Senton, Texas visited Sunday, Sunday night and Monday in the home of Mr. and Mrs. W. E. Hodges.

Education Does Not Cost: It Pays

(An Editorial) By W. W. Pinkerton The very best investment that a boy or girl can make is to get an education...

How would you like to live in a community where there were no schools? Have you ever thought what your life would be like if you had not gone to school?

I have counseled with many students who were contemplating quitting school. My stock statement to them is that SOMEDAY they will be sorry...

An education, either high school or college, of course, does not guarantee success. A person still must work for their living. But the education better equips a person to make that living...

while doing so. The superior students acquire the habits and ability to become superior employees. The person who quits school too soon often feels that he has missed something...

A boy or girl who might quit school in the eighth grade could expect to average \$2,533.00 per year during a normal lifetime.

But, let's look further. The college graduate's earning capacity is much greater. He can increase his earnings over the average of that of the high school graduate by about \$1,122.00 per year...

Mrs. Rex Jones and Mrs. Harold Seals of Dallas arrived Wednesday to return Mrs. Jones' parents, Mr. and Mrs. John F. Blocker, home with her to Dallas due to Mrs. Blocker's health.

J. H. Hutto of Houston spent part of last week here visiting his daughter and family, Mr. and Mrs. A. D. Estlack.

Mr. and Mrs. Marvin Williams of Sinton, Texas were guests Monday last in the home of Mr. and Mrs. W. E. Hodges.

General Telephone Co. Of Southwest Purchases Hedley Telephone Co.

The purchase of the Hedley Telephone Company, owned by Mr. C. E. Johnson, and the heirs of the late A. L. Johnson, was announced today by E. H. Danner, President of the General Telephone Company of the Southwest in San Angelo.

The Hedley exchange will become a part of the Memphis district of the northern division of the company. The district manager for this area is Roy Brewer and the division manager is Mills Roberts.

Wilson Brothers Post No. 5399 and its Auxiliary unit will host the meeting in Plainview. They have planned entertainment for Saturday afternoon and evening with the business session scheduled for Sunday morning at 9 o'clock followed by church and a luncheon at noon.

Four of the VFW districts will be represented at the meeting and distinguished guests to be in attendance include E. R. "Hap" Driggers of Fort Worth, the Department Inspector of VFW, and Mrs. Jane Waters, also of Fort Worth, President of the Department of Texas of the Ladies Auxiliary to the organization.

Mr. and Mrs. Bill Pittman of Amarillo visited his parents, Mr. and Mrs. Carl Pittman Labor Day.

100 Years Ago in Texas

August 31 - Sept. 6, 1858 We hear the sickness in the Brazos bottoms, and elsewhere west of us is abating a great deal. In Fort Bend, very fair crops will be made.

A letter from a mercantile house in Lavaca says that there is no yellow fever there; and they thin it too late to have any; but should there be any, the public will be advised.

AUSTIN—Mr. James Baker informs us that on Thursday night of the 19th inst., Indians came to the house of Mr. Keys, on the Colorado, in San Saba county, and stole a number of horses and subsequently they stole fourteen head of horses on Cherokee; and they have also stolen the horses of Mr. Mulky; others have been stolen lower down upon the Colorado river.

A party pursued the Indians north westward. They recovered the horses by jumping them over a bluff, upon the Colorado river; but could not overtake the Indians. They are very troublesome.

In fact," he added, "more room is a big feature of the entire 1959 Oldsmobile line. As a result of requests from our customers we have built more room and more comfort into all our models. There's more shoulder room, more hip room and more leg room."

Many mechanical innovations designed for added comfort, safety and economy of operation were outlined to the press on an off-the-record basis pending first public showing in Oldsmobile dealer showrooms Friday, Oct. 3.

New Motor Vehicle Inspection Period Began Sept. 1st

September 1st marked the beginning of a new motor vehicle inspection period for more than four million vehicle owners in Texas, according to the Texas Department of Public Safety.

Inspection stations throughout the state opened their doors for the inspection period that runs through April 15, 1959. There are more than 4300 stations in the state which have been authorized to check automobiles and trucks.

In announcing the opening date, Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, suggested that Texas residents have their trucks and automobiles inspected at the beginning of the period. This, he said, would save motorists considerable time and inconvenience annually accompanying long waiting lines at the inspection deadline.

Congressman Walter Rogers

THE MAD RUSH

The last two weeks of Congress have been like outside rows of corn—should never be planted. No one has been able to solve the problem to do away with the outside rows of corn for the last two weeks of Congress. The only way that I can think of to be to pass a resolution the thing before final adjournment, cancelling and voiding anything which had been done the previous two weeks. This probably would work for one or two years until someone conceiving the idea of recessing two weeks before final adjournment. Each constructive legislation passed in the last two weeks of session of Congress, but so much attention must be paid to major bills with all of their complexities that it is an opportunity for innocent looking bills to be pushed through without sufficient debate. Many of these measures have money appropriations included that can be a rather stupendous amount of money. On one day during the last two weeks, the Senate passed 123 bills, treating matters all the way from the Virgin Islands to the Hawaiian Islands, Alaska and Hawaii, territorially speaking, and the way from a bill dealing with a church to another bill dealing with jail-type content, spiritually speaking. The House of Representatives had almost similar bills. The committees grind to a halt during the early part of these last two weeks, because it is obvious that it would be futile to report bills that would have little chance of coming before the Congress. When a committee reports a bill, it is necessary to take it before the Committee on Rules in order to get clearance for consideration of the bill by the full House of Representatives. The Rules Committee acts as somewhat of a traffic cop with regard to legislative matters, saying what may come before the Congress and what may not. Even without the bills which are reported by the committees during the last days, there is always a log jam of bills that have been reported earlier in the session which have not been acted on by the Rules Committee. Therefore, the pressure on the Rules Committee during the last few days becomes tremendous. It would be humanly impossible for that committee to so much as consider a small part of the requests made for hearings. Several highly controversial measures had not been reported out of their respective committees in time for the Rules Committee to act upon them prior to the final drive for adjournment. The chairmen of these committees were, therefore, expecting to get authorization to present the bills to the Congress for a vote during this last two weeks period. However, chaos seemed to be the order of the day when the Chairman of the Rules Committee turned up missing.

He is the only one who can call a meeting of that committee and, therefore, his presence was highly essential. There was much conjecture concerning his whereabouts. One member suggested he might be on the submarine, Skate, underneath the North Pole. However, he turned up in good shape on Thursday morning and matters began to proceed in order. These several bills that were in controversy were the Housing Bill, the TVA Bill, the Minerals Stabilization Bill, and the Distressed Areas Redevelopment Bill. All of these involved big sums of money, and each of them

All of these involved big sums of money, and each of them

should have been thoroughly and completely debated before the House. It is my fond hope that some day measures of this magnitude can be reached early in the session so that ample time may be had for full development of all of the problems involved. A full-dress debate in both the House and the Senate of such measures would certainly provide much better laws and, in my opinion, open the door to a better solution of some of the problems under consideration.

The farm bill that was passed hurriedly on last Thursday was a compromise bill. It will answer only a few of the problems that I think should be in the agricultural segment of our economy. Until we do face up to our problem and begin to provide solutions to the agricultural difficulties, we can expect the continued migration of farm families into the cities and the resulting increase in unemployment and social problems. I feel that the 86th Congress, which convenes in January, should go into this problem immediately and work out fair and sound legislation as early as possible so that ample time will be available within which to act.

Birth Day Celebration

Mrs. W. I. Rains was honored Sunday by her family with a birthday dinner in her home. Her three children Ike, Mabel and Chas. were home for Saturday night. The grand children and great grand children came Sunday. The only grandson Bill Bridges could not be present due to his wife suffering a heart attack and was in an Amarillo hospital. Banks Jeffreys was unable to be present.

All the family was seated at the long dining table. Chas. Rains expressed thanks. The meal consisted of fried chicken, ham, and all the trimmings prepared by all the girls.

A beautiful birthday cake, prepared by Mary Jeffreys with Happy Birthday Dear Grandmother—everyone singing Happy Birthday as Mrs. Rains cut the cake.

Present were: Mr. and Mrs. Chas. Rains, Amarillo; Mrs. Banks Jeffreys, Beverly, Carol and Sherri, Amarillo; Mr. and Mrs. Johnny Everett, Charlotte and Nancy, Amarillo; Ella Kirkpatrick of Amarillo, Mr. and Mrs. Walter McCracken, Ike Rains and Mabel Duncan.

All good things must end so this happy day came to an end as the family left for their homes, all wishing Grandmother many more Happy Birthdays!

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

We purchased "Around the World With Auntie Mame" by Patrick Dennis. You will likely have a hilarious time reading it as she does such ridiculous things. The books of the month from Literary Guild are: "Swear by Apollo", written by Shirley Barker, and C. S. Forester's new book "Admiral Hornblower In the West Indies." The first mentioned is the second selection of Shirley Barkers books to be selected by the Literary Guild.

Mel Ryan brought us some books for the Library that seem very good. These are: "Bethel Among the Oaks" by Marion Timothy Plyer; "Diana" by Montayne Perry; "The Boys From Sharon" by Louise Field Cooper and "Of Men and of Angels" by Lon Woodrum. These will each be useful for our shelves.

Our out standing novelist, Miss Lula Grace Erdman, has published a recent book. It is entitled, "The Short Summer."

The Amarillo Sunday News-Globe published a lengthy discussion of this book, and also discussed Mrs. Wanda Campbell's recent "The Mystery of McClellan Creek." Mrs. Campbell is a Pampa resident. We will probably purchase these this fall when we receive some extra funds.

Come read with us.

Broiler Grower's Goal—A Pound of Meat From A Pound of Food

Fifteen years ago it took about 4½ pounds of feed to grow a pound of poultry. Today, poultry science has reduced that in broiler production to 2¼ pounds of feed for a pound of broiler, and laboratory feeding has dropped below the 1.2 pound mark necessary to obtain a pound of gain. With the constant pressure on the broiler industry through competition at every level, the industry's best hope still lies in research that will improve feed conversion, and the poultry scientists believe a pound for a pound may one day be a reality.

During 1957, 2,539 persons were killed in 2,077 traffic accidents, reports Texas DPS.

Refrigerator-Freezer

and it never needs DEFROSTING it's Frost-Proof

Now—a Freezer Compartment that never needs defrosting. No more dripping, dirty frost water—no more spill or mop-up. No more frost-locked packages and trays—because there will never be any frost to defrost—in this patented Frigidaire Frost-Proof Refrigerator-Freezer.

How does Frigidaire do it? By an entirely new kind of cold that whisks away heat and moisture—out of the freezer forever—so frost can never form: food flavors and vitamins are locked in by perpetual below-zero cold.

And up in the refrigerator compartment, all foods are super-chilled with Frigidaire "Flowing Cold"—yet, here too, there's never any frost to defrost.

In every detail, it's the world's finest food-keeper—from its new Sheer Look styling to its mammoth 133-pound Freezer Chest, with In-a-Door Ice-Ejector that serves you sparkling-dry ice cubes by the score. See Frost-Proof Freezing at your Frigidaire dealer's. So amazing you won't believe it until you see it.

In ordinary freezers, food packages and ice trays are all too soon covered by frost and ice that hide labels—cause sticking.

In Frigidaire Frost-Proof Freezer, after months or even years, packages and trays stay clean and free of frost, are easily removed.

Special prices on all Frigidaires during this month. You will want to see this Frigidaire Refrigerator-Freezer that never needs defrosting. Come in soon!

FARM NEWS

From the County ASC Committee

COUNTY ELECTION OF ASC COMMUNITY COMMITTEEMEN

Don't forget to vote! You should have received your ballots by now. Your ballots must be returned to the ASC Office by September 8, 1958.

SOIL BANK CHECK TO BE CONTINUING

In order to check compliance with the Soil Bank Contract, continuing visits will be made to farms where farmers have put land in the Soil Bank program. Mr. Springer, Chairman, County Agricultural Stabilization and Conservation Committee, has reminded farmers. He advises them to keep a close watch on the land they have in the Soil Bank and make sure that compliance with all terms of their contract is complete. Mr. Springer explains that the visits will be made to determine whether farmers are cropping or grazing any of the land placed in the Soil Bank programs. Checks will also be made to insure that proper cover crops and other Soil Bank practices are being carried out in accordance with the terms of the agreement or contract.

Since the Acreage Reserve agreements run until December 31, 1958, inspections under that program will be made up to that time. The fact that the farmer has already received his Acreage Reserve payment does not relieve him of his obligation to comply with the terms of his 1958 agreement until it expires.

Inspections of Conservation Reserve land will be continuing throughout the life of the individual Conservation Reserve contract covering the farm—from 3 to 10 years.

The Chairman points out that these inspections should not be confused with the earlier reviews made to determine whether the acreage designated was taken out of production, whether the farmer planted within his permitted acreage of Soil Bank base crops, or whether he stayed within his allotments. Visits will also be made by the County ASC Office to any farms where someone reports a possible violation.

Registration To Begin Monday at 7 p. m. For College Night Classes

Clarendon Junior College is offering a full schedule of College courses to be taught at night school for the first time this fall to any adult without any prerequisites or previous college or high school diploma required, if college credit is not desired. Oliver J. Abel, Dean of the College announced this week.

If college credit is desired, then certain limited prerequisites are required; however, the night school has been established as a branch of the college primarily to serve the adults of this area and the limitations are at a very minimum to qualify for full college credit which can be fully transferred to any college or university since Clarendon Junior College is a fully accredited junior college.

Enrollment is not limited to adults, but is open to all persons interested in furthering their education, as is the day school branch of the college.

Courses to be taught at the night school are as follows: Monday, Beginning and Advanced Typewriting, Bible (The Life and Teaching of Jesus), and The Mathematics of Finance; Tuesday night, Business Law, American & State Government, and Bible (The Prophets); Wednesday night, Secretarial Accounting, and Beginning Chemistry; Thursday night, Art (Creative Hobbies), Business Mathematics, and Bible (Survey of the Old Testament); Friday night, American History, and Education (Elementary teaching).

Classes meet for only one night per week from 7:00 o'clock P. M. until 9:40 P. M., with intermissions on the hour.

All courses carry three hours credit except Chemistry and Secretarial Accounting which carry four hours credit, and the cost is \$5.00 per semester hour.

Registration will be held on September 8th, at 7 P. M. in the Administration Building of the College, and further information may be obtained by writing to the Dean, Clarendon Junior College, Clarendon, Texas.

The night school program has been established to offer courses required of those who are seeking a college degree, teacher certification or vocational competency, as well as to offer courses that aid persons who have never had the opportunity to attend college the chance to achieve cultural, social, artistic, and religious desires and goals they have hoped many times they could pursue.

In addition, the vocational courses are designed to improve the individuals ability on the job he or she now holds, and to aid the individual in choosing a field of employment that will be satisfying.

"We hope that many in this area will form car pools and drive over to Clarendon one night each week to attend this night school," Dean Abel said.

In addition to the night school, a full two year course of freshman and sophomore college work which can be fully transferred to the senior college or university of your choice is available during the day school of Clarendon Junior College, the Dean pointed out.

"In the past many recent high school graduates as well as adults have driven to Clarendon daily to attend such classes," he added.

Ex-Students & Teachers Meet At Lelia Lake

The Lelia Lake Ex-Students and Teachers met at the Lelia Lake School Saturday evening. R. E. Drennan, president, presided over the short program and business meeting. Mr. and Mrs. Gene Moore, accompanied by Mrs. Marilyn Hill, sang several songs. Much history of the school and amusing incidents were told by Mr. Drennan and ex-students. In the business meeting, Lester Myers of Amarillo was elected president; Sam King of Austin, Vice-President; and Mrs. Sid Pointer Sec.-Treas. They voted to meet next year on the Saturday night that precedes Labor Day. Punch and cookies were served throughout the evening to over one hundred ex-students, teachers, and their families.

4-H Club Members To Tour Feeding Projects

County Agent H. M. Breedlove says that all 4-H Club steers are coming along fine and that the 4-H clubbers should have a good bunch of steers for the spring shows. There are thirty-two steers on feed by 4-H Club members. These steers were put on feed last January through March and will be fed for a period of eleven to thirteen months before being shown next year.

Breedlove says that all 4-H Club members will meet at his office at 8:00 A. M. on the morning of September 13th, which is Saturday week, and will make a tour of all 4-H Club feeding demonstrations. Club members will bring a sack lunch with them and will eat dinner while making the tour.

Troy Harrison is President of the Donley County 4-H Club. Gene Floyd is Vice President; Beverley Leathers is secretary; Jean Harrison is Treasurer; Betty Harrison is publicity chairman and Gary Longan is Sgt. at Arms.

The last meeting was held with a barbecue at the Country Club, in August. Fifty-seven attended.

The regular meeting dates of the club is the second Thursday night of each month. The meeting for September was changed to Saturday for the feeding tour.

BRONCHO MOTHERS TO OPERATE CONCESSION STAND

Broncho Mothers met Tuesday morning in the home of their president, Mrs. G. W. Bradshaw, to make plans for the operation of the concession stand at the football stadium.

Sandwiches, Hot Dogs, Cup Cakes, Popcorn balls, candy, Hot Chocolate, Coffee and cold drinks will be on sale this year. You are invited to have your evening meal or snack while attending the football games and avoid the cooking and cleaning up at home.

Dues for the year were set at \$3.00.

Leader—Local rate, \$3.00 a year

"and many of these students have gone on from here to become teachers, lawyers, engineers, and even doctors."

"There are many advantages in attending a small college for the first two years, including the possibility of a great saving in money by living at home and attending Clarendon Junior College," the Dean concluded.
