Stilbestrol Implant Demonstration Proves Profitable To Local Rancher

The first demonstration on the use of stilbestrol implants in the ears of steers in Donley County was conducted this summer on the Joe McMurtry Ranch, says County Agent H. M. Breedlove. One hundred steers were used in the test and all steers were weighed on April 15th of this year. The steers were gathered again on May 2nd and ten average steers were cut out of the herd and branded for identification purposes. The ninety other steers were given two stilbestrol implants in the ear. The steers were turned to grass and all one hundred steers grazed on the same pasture and under the same conditions. The steers were delivered and weighed on October 10th and the ninety steers given stilbestrol implants were weighed separately from the ten steers not treated. The ninety steers put on an average of forty-two pounds more weight per head than the untreated steers.

The cost of the implants was eighteen cents per head. It is easy to figure at the present price of cattle how good this demonstration paid off for Mr. McMurtry. Breedlove says that this demonstration in Donley County was the result of the talk by Mr. Paul Marion of the Spur Experiment station in Clarendon last February at the Agriculture Clinic.

Stilbestrol experiments have been conducted at the Spur station for the past two years and have shown good results. Two implants are given in the ears of steers from one hundred and twenty to one hundred and fifty days before marketing if they are on grass; three implants are used if steers are on full feed. After one hundred and fifty days this same implanting can be done again for the person going to the feed lot with the steers.

Any one interested in implanting steers should contact the County Agent before hand and discuss this with him.

L. E. THOMPSON SUFFERS HEART ATTACK

L. E. Thompson, local hardware dealer, suffered a heart attack Wednesday night of last week. At last report he was improving nicely at Adair Hospital here. His many friends wish him a speedy recovery.

Leader—Local rate, \$3.00 a year

Broncho B Squad Takes Lefors In 16 to 6 Battle

The Clarendon Broncho B team journeyed to Lefors last Thursday night and handed the Lefors B team a 16 to 6 licking in a hard fought game.

After a scoreless first half, the young Bronchos broke the ice midway of the third quarter when Eddie Tipton broke through the line and outran the Lefors defenders on a 30 yard scoring run. Neel Carter carried for the conversion to put the lead at 8 to 0. The Clarendon boys put the game safely away early in the fourth quarter when Carter scored on a quarterback-keeper play from six yards out and James Kay added the two points on an off-tackle run. Lefors scored their lone touchdown late in the fourth quarter.

Tipton and Carter led the backs but had good help from Pete Durham and Frank Hermesmeier. The hard fighting Broncho line was led by Butch Emmons, Philip Abel, Bill Hermesmeier, George Mays and Charles Percival.

Welding Short Course Set For March

A weeks intensive instruction in welding has been scheduled for March 16-20th according to J. R. Gillham, local vocational agriculture instructor. The course will be instructed by a welding specialist from the Texas Education Agency and will be held in the new vocational agriculture shop. The course will meet either in the afternoon or at night depending upon the wishes of those desiring to enroll in the program.

The welding course is primarily designed to give farmers already owning or having access to welders, instruction, but will also be open to any others desiring to take the program. There will be a limit of 15 men in the program. This is the first of a series of programs that are being planned for the farmers in this school district now that a suitable place to hold the meetings is available.

Safety has no quitting time.

COTTON MARKETING CARDS

A few have lost their marketing cards so let us ask that everyone be very careful of those marketing cards. Don't leave them with anyone. Keep it in your billfold at all times then when needed, it will be available.

ACREAGE RESERVE 1958

Land in the acreage reserve this year is not to be grazed before January 1, 1958; however, it is permissible to seed small grain any time during the fall.

ACP

Remember, you must get the approval for a practice before you start work in order to be eligible to earn cost-share. A round \$17,000.00 is still available for cost-share assistance on terraces, tanks, winter legumes and other good practices.

MEETING IN KNOX CITY

The Office Manager and Conservation Reserve Clerk are going to a meeting November 3, 1958 to learn about the 1959 Conservation Reserve program.

CONSERVATION RESERVE ANNUAL PAYMENTS

If you have not signed your application for Annual Payment for 1958 Conservation Reserve, please come to this office at your earliest convenience. Payments are being made as quickly as possible after the proper forms are signed.

Water Board Okays Application For Financial Aid

Clifford Johnson, Secretary of the Greenbelt Municipal & Industrial Water Authority, reported Tuesday that the application for financial aid for the Greenbelt Water Authority on our dam project was OKed by the Texas Board of Water Development at their meeting in Austin of Oct. 30th.

Letters have been sent to core drilling contractors throughout the state. Complete instructions were given by the engineers for the core drilling of the river at the dam site. Bids should be in and a contract let at an early date, Johnson stated.

Money Raising Activities For Groom Hospital Announced

Several different money raising activities for the Groom Memorial Hospital Building Fund have been announced for the coming week.

First on the schedule is a Barbecue Dinner Nov. 8th at St. Mary's School Hall in Groom Saturday evening, Nov. 8. Serving will begin at 6 o'clock and tickets will be \$1.50 for adults and 75c for children. Next will be a band concert at 7:30 p. m. November 13th in the Groom High School Auditorium followed by a Dance at the Legion Hall Friday night, November 14th with the admission set at \$1.25 per person.

HOSPITAL NOTES

Patients as of Wednesday, November 5th:

Dennis Love, Mrs. V. L. Smith, L. E. Thompson, W. J. Adams, Johnny Dickson, J. H. Spires, Claude Mann and H. E. Wallin.

Dismissals:

Mrs. B. L. Graham, Cathy Jo Hommel, Tommy Leek, Mrs. H. E. Elliott, Leon Gibbs, Mrs. C. E. Johnson, Kelly Chamberlain and Dwight McAnear.

IMPROVING SLOWLY

Benny Edens who was burned critically in a Butane explosion October 16 near Spearman is still considered on the critical list. He is said to be improving but very slowly. He is in the Hansford County Hospital at Spearman.

F. F. A. Sweetheart

SANDRA PINKERTON

Sandra Pinkerton Named F. F. A. Sweetheart

Members of the Clarendon Future Farmer Chapter elected Sandra Pinkerton, talented young daughter of Mr. and Mrs. W. W. Pinkerton, as their "Chapter Sweetheart" for the 1958-1959 school year. Sandra is president of the junior class, a member of the high school band, a regular member of honor roll, and one of the best all-around students in Clarendon High School. She was one of the more popular candidates for the post in recent years and was elected by a majority on the first ballot by the chapter members.

Sandra will attend such chapter meetings as she desires, will assist the chapter officers and committees in planning chapter socials, will be one of the honored guests at the annual Father-Son-Businessmen's Banquet, and otherwise assist with the activities of the group. She will be the chapter's sweetheart nomination and will participate in this contest at the district banquet.

Lions Club To Sponsor "Bag-O-Bulbs" Sale Thurs., Nov. 13th

The "Bag-O-Bulbs" door to door sales activity has become an annual method of raising funds for the youth of Clarendon. The Clarendon Lions Club will conduct an all-out drive Thursday, November 13th to sell electric light bulbs to residents, according to an announcement made by Club President Spier. Every cent of the proceeds will go to the youth activities sponsored by the Clarendon Lions Club stated the Boss Lion.

The bulbs will be sold in bags, each containing four 100-watt, four 60-watt, and one 150-watt light bulb, at the regular price of \$2.00. Every householder can use light bulbs, and this drive affords an opportunity to buy a good supply, while helping a most worthy cause.

The entire membership of the Clarendon Lions Club has been organized to supply friends and neighbors with bags of Bulbs. The club has had excellent results over a period of years with similar bulb sales and Boss Lion Spier expressed his confidence in the success of this fund-raising campaign which will be handled by the Youth Committee composed of Clyde Price, Jr., J. B. Melton and Billy Goodman.

Hedley Booster Club To Meet Nov. 6

The Hedley Booster Club will hold their annual meeting at the Cotton Bowl Cafe on Highway 287 at Hedley Thursday night, the 6th. Eating will start at 7:30 P. M. with a business meeting following. The Board of directors of the Hedley Lions Club will be their guests for the evening.

Voting Light In General Election

Voting was considered light or less than half the voting strength of the county in the general election Tuesday. A total of 619 votes were cast in the unofficial tabulation.

Over the state and nation, the Democrats were favored with the majority of votes in most instances. Governor Price Daniel received very little opposition. Senator Ralph Yarborough received more opposition from Roy Whittenburg, republican, but won with a good margin. Here in Donley County Yarborough received 408 votes to Whittenburg's 164.

In the county races only one candidate received any opposition. H. L. Riley, who won the 2nd primary election in August, received 352 votes and write-in votes for incumbent Edd Mooring totaled 12. County Judge R. E. Drennan received 619 votes, County Clerk P. C. Messer received 619 votes and Mrs. A. G. Lane, County Treasurer, received 618 votes.

In the amendment election, six of the proposed amendments carried here in Donley County. In the state vote, all amendments other than the two dealing with annual sessions and county pensions, were carrying at last report.

The vote for amendments here in the county was as follows: No. 1—128 for, 313 against; No. 2—143 for, 292 against; No. 3—310 for, 141 against; No. 4—292 for, 146 against; No. 5—194 for, 226 against; No. 6—247 for, 200 against; No. 7—239 for, 183 against; No. 8—301 for, 174 against; No. 9—266 for and 160 against. Amendment No. 1 received the greatest opposition.

W. C. Ragan Home Burns Friday

The home of Mr. and Mrs. W. C. Ragan, located at the northeast edge of the city limits of Clarendon was completely destroyed by fire early Friday morning.

Mr. Ragan, the only one at home, discovered the fire around five o'clock. He attempted to use his phone to report the fire but the line had already been rendered useless by the fire which started in the attic. He went to a neighbors, Connie Dromgoole, to use his phone but it was on the same line and also was out of order due to the fire. He had to come on to town to report the fire and by the time the alarm was sounded, local firemen found the fire out of control when they reached the scene. All personal effects were lost in the blaze outside of a small amount of clothing.

Local Youth To Receive Posthumous Award

Jimmie Dan Lamberth, who died at the age of 21 while trying to save a drowning man May 30, 1957, has been posthumously cited for acts of heroism by the Carnegie Hero Fund Commission at Pittsburgh, Pa.

Jimmie drowned while trying to save Delmar Wayne Graham, 20, of Ashtola when their boat capsized in a storm at Lake McClellan. Lamberth and Graham were among a party of four fishermen at Lake McClellan when a sudden spring storm created waves that overturned their boat. Fred Clifford and Don Landers, both were rescued.

The Carnegie Hero Fund Commission told Jimmie's father, G. A. Lamberth, in a letter this week, that the award was being made up and would be presented within the near future.

Jimmie was born June 9, 1936. He was a graduate of Clarendon High School and a member of the First Christian Church. At the time of his death he was a student at West Texas State College where he played football.

LEADER CLASSIFIEDS GET RESULTS.

Bronchos To Meet Canadian Wildcats In Last Home Game Friday Night

Thieves Leave City Without Official Weather Report

For the first time in a long, long time, Clarendon didn't have an official temperature reading for a day and a night. Tommy Saye, official Weather Observer, reported Wednesday morning that someone stole both thermometers from the weather house at his home here some time during Tuesday night. One of the thermometers recorded the maximum temperature and the other recorded the minimum temperature for a 24 hour period. With the loss of these instruments, Clarendon does not have an official temperature reading for Tuesday or Tuesday night.

Since the thermometers were property of the U. S. Government, the person or persons taking same may be in for considerable trouble as a spokesman at the Amarillo Weather Bureau said the matter may be turned over to the FBI.

Our weather for the month of October as reported by Saye is as follows: high temperature of 95 degrees on the 9th and low temperature of 24 degrees on the 31st. Total moisture was .13 inch. The total moisture for the year so far is 28.70 inches.

Sheriff Reports Orderly Halloween

Sheriff Bill Cornell reported one of the most orderly Halloweens here in recent years with no destruction of property or accidents being reported.

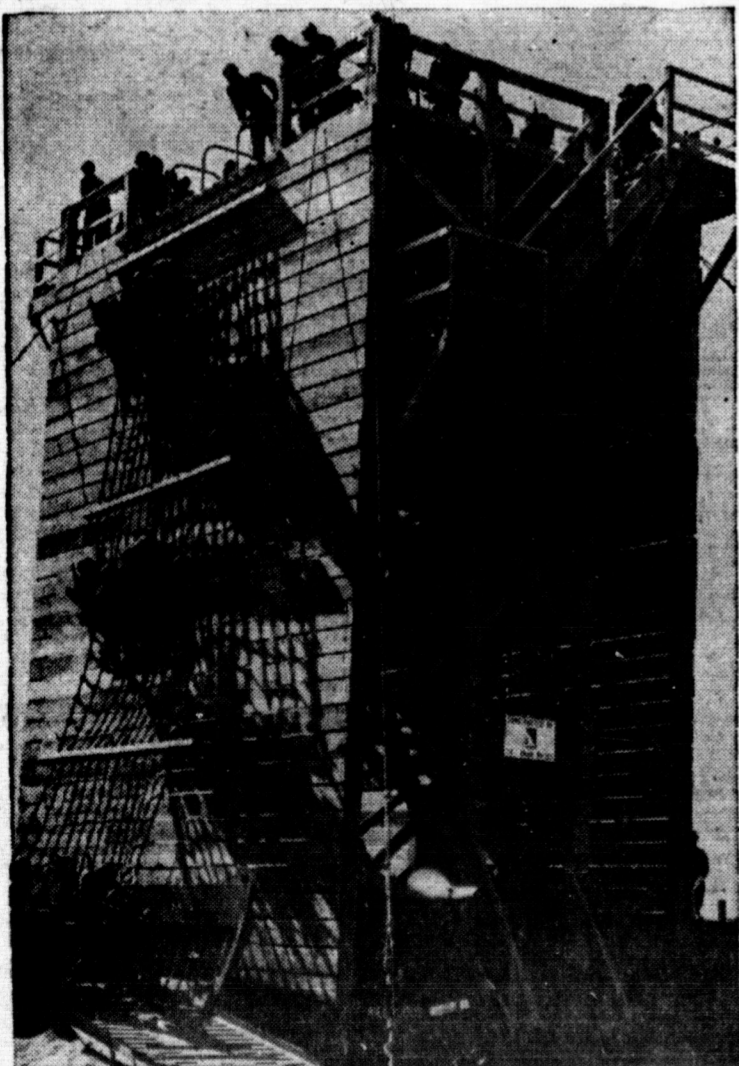

Local youth limited their activities to fun and usual Halloween pranks and we wish to express our sincere appreciation for the cooperation we received, Cornell added. He said our youth are to be commended for their good behavior and we know our entire citizenry appreciates this type of attitude the same as the Sheriff's department, he concluded.

The Clarendon High School Bronchos will wind up their home football schedule Friday night against the strong Canadian Wildcats. Game time is 7:30. The Bronchos will have one more game, that being with the McLean Tigers at McLean on Nov. 14.

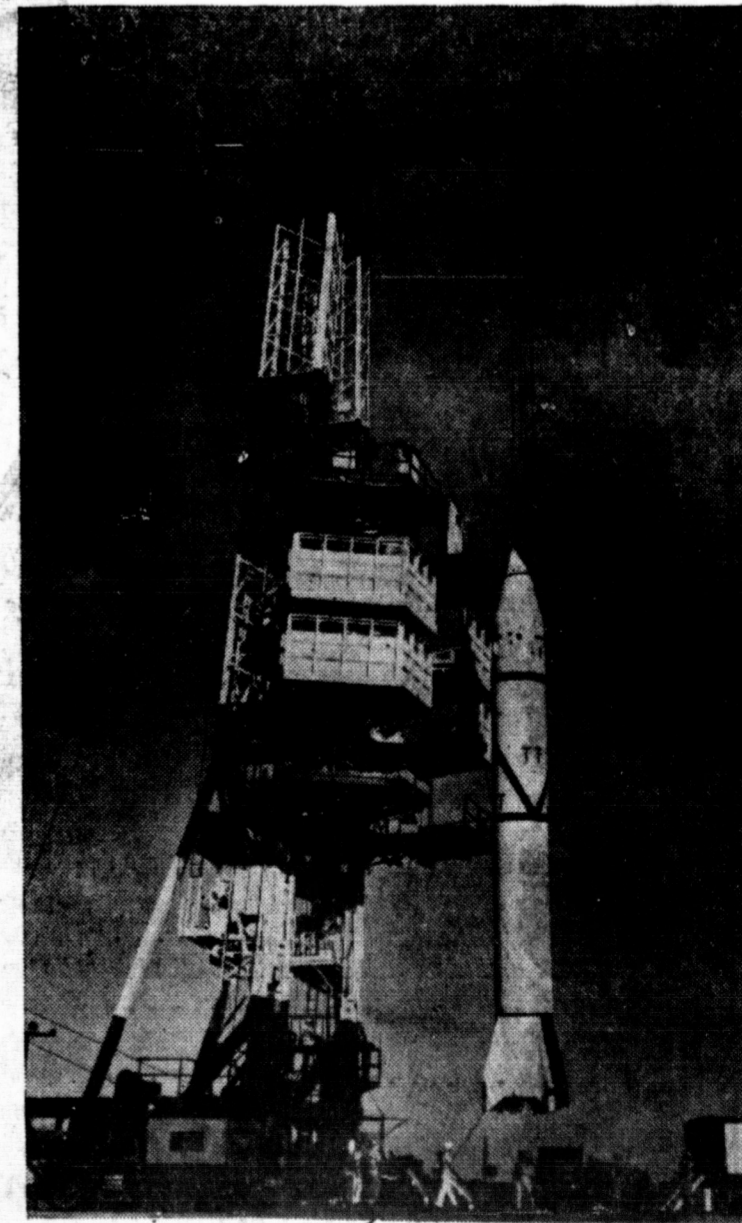

Canadian was one of the pre-season favorites to take the district championship; being rated on par with both White Deer and Lefors. The Wildcats return eight of their starters from a good sound team last season. However, Canadian's season has been a hit and miss affair with the Wildcats looking great in some of their games and not so good in others. They have a season's record of four wins and four losses. They have defeated Lefors and Panhandle and lost to White Deer and McLean in district play, and hold wins over Shamrock and Wheeler and lost to Perryton and Stinnett in non-conference games. Last week, the big Wildcats came to life and soundly trounced the Lefors Pirates, 22 to 6. The Wildcats are perhaps the largest team in the district. Their starters will outweigh the Bronchos about 20 pounds per man. In Kenny Abraham, they have one of the outstanding quarterbacks in the Panhandle area. This is Abraham's third year as the starting quarterback for the Wildcats.

The Bronchos have only one win as compared with seven defeats this season. Their lone victory coming at the expense of a weak Memphis eleven. However, the young, light and inexperienced Clarendon boys have played some good football in their losing efforts. Coach Jinks stated that he believes that his boys will put up a good battle against the invading Wildcats Friday night.

The coach has announced the following probable starting lineup for Friday night's game. Ted Weatherly and Darrell Leffew at ends; Milton Mann and Lynn Spier at tackles; Dennis Bradshaw and Charles Percival at guards; Ronnie Tyra at center; Neel Carter at quarterback; John Morrow and Dewey Wilson at halfbacks and John Richerson at fullback.

DRY RUN—Soldiers of the Strategic Army Corps' Fourth Infantry Division practice amphibious landing techniques by clambering down nets suspended from a 40-foot tower at Fort Lewis, Wash. They'll get their feet wet during Exercise "Rocky Shoals" when they hit a beach early in November.

JAUNTY JUPITER-C—Wearing its protective cap slightly askew, an Army Jupiter-C is maneuvered into place within a gantry crane at Cape Canaveral, Fla. The cap protects the open end of the modified Army Redstone to which is affixed the upper stages which carry the Explorer satellite into orbit.

Mr. and Mrs. Murphy Brock and Mr. and Mrs. Nolie Simmons had business in Pampa Wednesday.

Mr. and Mrs. L. B. Chunn of Plainview spent Sunday night and Monday here with Mr. and Mrs. D. M. Cook and other relatives.

Mr. and Mrs. Alvin Mace and Jimmy of Farwell spent the week end with her parents, Mr. and Mrs. Nolie Simmons and Mr. and Mrs. Will Mace.

Mr. and Mrs. O. L. Hartman of Quail visited Mr. and Mrs. L. V. Hoek Sunday.

Miss Jessie Lee White of Canyon spent the weekend with her parents, Mr. and Mrs. Jess White.

Mr. and Mrs. Andrew Womack of Memphis visited Mr. and Mrs. Luther Butler Sunday.

Mr. and Mrs. J. W. Williams had business in Amarillo Saturday.

Mr. and Mrs. Claude Thomas of Amarillo came Saturday and took her mother, Mrs. Jim Rampey and daughters to Abilene where they visited the mother of Mrs. Rampey.

Mr. and Mrs. Malcolm Carter and son of Pampa visited her father, A. B. Bynum, Sunday. Mr. Bynum accompanied them home for a visit.

Mr. and Mrs. Ford Martin and boys of Borger and Mrs. Knowles of Clarendon visited Mr. and Mrs. Jess White Sunday.

Dale Ayers of Canyon spent the week end with his parents, Mr. and Mrs. Clarence Ayers.

Mrs. J. A. McDonald had business in Amarillo Monday.

Mrs. Luther Butler had business in Canyon Monday.

Mr. and Mrs. Buddy Jones of Farwell spent the weekend with his father Will Mace and Mrs. Mace.

Mr. and Mrs. Johnny Leathers moved to Clarendon over the week end to be nearer his school.

Mr. and Mrs. Bertie Leathers and Mrs. D. E. Leathers shopped in Amarillo Wednesday, then went to Hale Center to attend the funeral service for F. N. Allen.

Mr. and Mrs. Kinch Leathers and Mr. and Mrs. Lamar Aten also attended the service. Bro. Allen was a former pastor for the Baptist Church here.

Out of town guests to attend the Perry-Noble wedding were: Miss Betty Frye, Charles Bartley, both of Altus, Okla.; Mr. and Mrs. J. W. Angel, Mrs. Ruby Denton and Frances, all of Groom.

Mr. and Mrs. Theo Perry and children of Dalhart, Joe David, Gary Don McWhorter and Dorothy Moore, all of Memphis, Chester Mann, Mrs. M. D. Buchanan, Suel and Dora Buchanan, Judy Anderson and Maude Hartley, all of Clarendon.

In 1922, the first balloon tires were introduced on U. S. cars.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

SWITCHBLADE KNIVES

This is a subject with which I hope very few of you are familiar. Unfortunately, this is not the case in some sections of the United States.

A switchblade knife is defined as one whose blade opens automatically, either by hand pressure applied to a button or other device, or by the operation of inertia or gravity. These instruments have been the subject of considerable concern in the Congress for several years, but legislation affecting their distribution was not enacted until this past session. Public Law 85-623 passed the Congress in July and was signed by the President on August 12, 1958. This law prohibits the introduction, or manufacture for introduction, into interstate commerce, or the transportation or distribution in interstate commerce, with certain exceptions, of such knives. The hearings on this legislation, conducted by the Committee on Interstate and Foreign Commerce, of which I am a member, revealed some appalling facts. Over one million switchblade knives are distributed and sold each year in this country and of these some twenty thousand are imported. Over five million of these knives have been sold in the past five years, principally to juveniles, and a large portion of them are sold at a price within the reach of teenagers. It was discovered that this situation, particularly in the cities of the nation, created an urgent need for action in this field. It is not uncommon to read daily in the press of the country reports of numerous muggings and attacks, many of them involving knives. It was brought out in the committee hearings that the abolition of switchblade knives would not be a cure-all for any crime wave, but it would remove one of the favorite weapons of the juvenile delinquent and criminal element. It will afford the public some measure of added protection and give valuable assistance to our hard-pressed local law enforcement agencies.

It was felt that Federal legislation to prohibit switchblade knives was necessary since only a limited number of the states have any laws relating to such knives. As a result, these weapons are bootlegged into these States from other States which have no prohibitory statutes, or they are sent through the mails. Elsewhere, they are sold openly. It was reported that city ordinances are somewhat of a deterrent, but they are by no means sufficiently effective. It appeared the only solution to the switchblade and gravity knife menace was to pass Federal legislation, therefore, to prohibit the introduction or manufacture for introduction of these instruments into interstate commerce; to close the mails to them, and ban their importation.

A Senate Judiciary Subcommittee investigating juvenile delinquency in the United States recently conducted an investigation into the use of dangerous weapons by juveniles, with special emphasis on the interstate traffic and importation of switchblade knives and, in an effort to determine the severity of the problem on a community level, sent questionnaires to the major police departments of the United States and others. This investigation disclosed that many of these knives were manufactured abroad and distributed by firms in this country which handle numerous items in addition to switchblade knives. It was established that these items were being widely distributed through the mails by manufacturers in the various States which had local laws prohibiting possession, sale, or distribution of switchblade knives. It was felt that this pointed to the need for Federal control of the interstate shipment of these knives, since local legislation was being systematically circumvented through the mail-order device. In the United States two manufacturers have a combined production of over one million switchblade knives each year. Both concerns are prominent cutlery manufacturers so switchblade knives represent only a small portion of their business. The questionnaires returned by police chiefs throughout the country indicated that many switchblade knives have been confiscated from juveniles, and these authorities, almost without exception, indicated that these

vicious weapons are on many occasions used by juveniles in the commission of robberies and assaults. Of the robberies committed in 1956, 43.2 per cent were by persons under 21 years of age, and a switchblade knife is frequently part of the perpetrator's equipment in this type of crime. This, therefore, is one Federal control which, I believe, necessary and I earnestly hope it will provide a curb in this ugly situation.

Mrs. John Luther gives us the following saying:
"Always strive to do the right thing and the honest thing. You will please some people and astonish the rest." Ain't that the gospel truth?
Mrs. Ray Smith of Plainview ends us the following:
"The tongue has no bones, yet it crushes."
"Courtesy and service today

will bring more friends tomorrow."
"The glow of your torch, if held high will benefit your neighbor too."
"A friend is a person who knows all your faults and loves you still."
Mrs. Smith also makes the following suggestion which we think might be a wonderful idea. That is, for you the reader to write us your opinion as to whether folks were happier in the so-called "Good Old Days" or not. What do you think?
Okay, now you have your own ideas. Jot them down in a paragraph not more than 50 words in length and mail them to us. Mail your ideas % this paper.
Grandpa had lived to be 100 years young and someone asked if he thought that he might be good for another 100.
"Can't never tell," said grand-

pa. "One thing for certain I'm a lot stronger now than when I started the first 100."
Not long ago Sheriff Roy Brunson handed us something; not a ticket thank goodness but just his calling card or something to that effect. Anyhow, on the back of the card was the following quote from Arthur T. Toole. It is called A Driver's Prayer. We think it is well worth repeating and remembering. It goes;
"Our Heavenly Father, we ask this day a particular blessing as we take the wheel of our car. Grant us safe passage through all the perils of travel; shelter those who accompany us and protect us from harm by Thy mercy; steady our hands and quicken our eye that we may never take another's life; guide us to our destination safely, confident in the knowledge that Thy blessings will go with us through darkness and light, sunshine and shower, forever and ever - Amen."
As more and more of the people own bigger and faster cars and continue to travel farther and more often than ever any man has done before us. We need to repeat and repeat a prayer that we

will somehow and someday not only miss hitting our fellowman but also miss meeting up with death and tragedy with our own life.
Down the road we go. Pre-occupied in our mind - hurried and frustrated with our problems - complicated by the fact that we may meet someone in equally the same condition.
Even without mentioning booze, and those that go to sleep at the wheel, we still have a terrible killer of lives left in the form of just plain thoughtlessness and carelessness. Let's be careful.

CHAMBERLAIN NEWS

Mrs. A. O. Hott

Mr. and Mrs. A. O. Hott went to Claude Tuesday with Mr. and Mrs. W. D. Higgins to attend the funeral of Mr. Oscar O. Cobb, brother of Mrs. Clyde Gilbert and Mrs. Mont Wolford.

**NEW FORM
NEW GRACE
NEW FEEL
NEW SPACE**

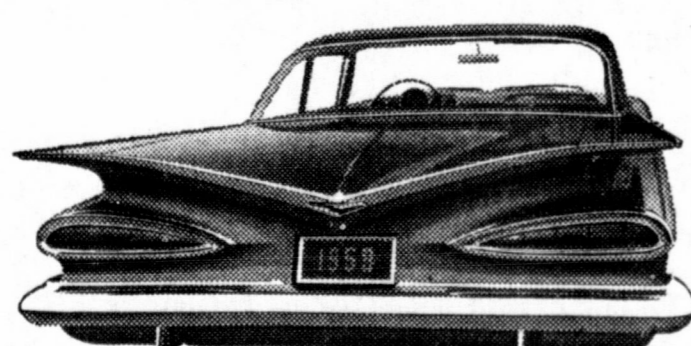

One look shows you Chevrolet's all new all over again. And the longer you look, the more you find to like. Chevy's Slimline design, for example, with new and roomier Body by Fisher, makes for more comfortable seating and surrounds you with vastly increased visibility area. Chevrolet's remarkable new Magic-Mirror finish keeps its shine without waxing or polishing for up to three years!
And there's new feel, new efficiency beneath that beauty. Smoother-

than-ever suspensions. Bigger brakes for safer stops. A new Hi-Thrift 6 that delivers up to 10% greater gas economy along with more usable horsepower at the speeds you drive most. Everything you want in a car is wrapped up beautifully in the '59 Chevrolet. It's new right down to its easier riding, easier rolling Tyrex cord tires-but strong as ever in those traditional Chevrolet qualities of economy and dependability. Drive it at your Chevrolet dealer's now.

Band Concert Planned For Groom Memorial Hospital, Nov. 13th

The Groom School Band will present a concert at the High School Auditorium in Groom, Thursday night, Nov. 13th, for the benefit of the Groom Memorial Hospital Building Fund.

The concert, under direction of Bennie Valentine, band instructor, will begin at 7:30 p. m.

Admission prices will be \$1.00 for adults and 50 cents for children.

Advance ticket sales are planned and members of the Groom Band will visit surrounding towns to offer tickets for sale on Saturday, Nov. 8. Everyone is invited to attend the band concert.

C. L. Culyer, member of the planning board for the proposed Groom Memorial Hospital has offered the following report giving details of the planned hospital in brief:

The 16-bed hospital will be built at a cost of \$200,000.00.

The federal government will make a grant of \$100,000.00 if we can raise \$100,000.00.

To date, approximately \$40,000 has been donated or pledged.

A loan of \$30,000.00 on a 30-year repayment term has been promised.

We need to secure about \$30,000 more in cash and pledges before the December meeting of the State Hospital Board which will approve our application for a federal grant of \$100,000.00.

Any family or person donating \$2,500 will "buy" a room in the proposed new hospital and the name of the donor will be inscribed on a plaque to be placed above the door of the room.

Any person desiring to make a pledge in lieu of a cash donation may pay it off on a monthly basis over a period of two years, or on terms to suit the giver.

Sprinkler irrigation systems are well adapted to the coarse textured soils in the Donley County Soil Conservation District and vicinity where the topography is rolling. There is practically no expense to land preparation. This method of irrigation enables the operator to apply water to the soil at rates needed to adequately meet crop needs. William R. Christal who lives at Lelia Lake plans to apply a small amount of water to a new alfalfa seeding in order to obtain a stand. L. O. Christie of Clarendon has already planted alfalfa and watered with sprinkler system to obtain a stand. George Bulman, Edwin Eanes, and Clyde Slavin have used this practice of applying small amounts of water frequently to newly seeded alfalfa planting. The surface of the soil is kept wet without washing or puddling.

Mr. Eanes and Mr. Slavin have irrigation permits and water from Lake Creek with their irrigation systems. However, most of this irrigation is done from wells. They and many others water rye and other winter cover crops in order to obtain early grazing for their livestock. Mr. Slavin says that he has benefited from this in reduced feed costs to more than pay the cost of two applications of water applied.

Initial and operating costs for sprinkler irrigation systems are high and there are many factors that may cause the system to prove inefficient. Therefore, operators who are planning to install a sprinkler irrigation system may need to contact a Soil Conservation Service technician before the installation is made. Operators who have a system now in operation may also want to contact their local representative and check to see if the system is operating in the most efficient manner in applying proper amounts of water to crops when needed.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 8.997 miles of Flex. Base & Hot Mix Asph. Conc. Pavt. from US 287 in Clarendon to 9.0 MI. South on Highway No. SH 70, covered by S 53(12), in Donley County, will be received at the Highway Department, Austin, until 9:00 A. M., November 12, 1958, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of C. B. Hudson, Resident Engineer, Clarendon, Texas, and Texas Highway Department, Austin. Usual rights reserved. (39-2c)

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Our novel of the month from Literary Guild is "Parrish" by Mildred Savage. This is her first novel, and the discussion as written in "Wings" has a fascinating attraction. Our fiction shelf has several new books of interest.

We have Eleanor Roosevelt's "On My Own." She writes for several publications, and her replies to questions in McCall's are excellent. My admiration for her unlimited energy and ability is unsurpassed when I compared her with other women her age.

"Round The World With Famous Authors" with an Introduction by Lowell Thomas was given in memory of Mr. William Cooke II. It is a beautiful edition you will certainly enjoy reading and studying the lovely photographs of the various parts of the world.

A friend from Hedley gave us two books that were quite appreciated. "I Believe" by J. Winston Pearce will be an asset to our Devotional Shelf, and "Field & Stream Treasury" will be thoroughly enjoyed by our sportsmen patrons. The fact is, that the Library has some excellent friends in Hedley, Goodnight and Claude. We would appreciate your patronage and any contribution as our funds are insufficient for adequate material for the High School and College requests, but they work in here practically every day with our meager reference material.

LEADER CLASSIFIEDS GET RESULTS

SOCIAL SECURITY

John R. Sanderson, Manager of the Amarillo Social Security Office for the past 13 years, has resigned from that position effective October 31.

Sanderson, with B.A. and M.A. degrees from Texas Technological College, was principal of the high school at Tulia when he was employed by the Social Security Board in January, 1939. Before returning to Amarillo as Manager of the local office following World War II, in which he served as a naval lieutenant on the staff of the 7th Fleet in the Southwest Pacific area, Sanderson was Assistant Manager of the Social Security Offices at Albuquerque, Ft. Worth, and Manager of the office at Paris.

A Certified Public Accountant and an Attorney, Sanderson opening offices in Amarillo the practice of public accountancy and tax law.

Succeeding Sanderson as Manager of the Amarillo Social Security Office at Lafayette, Prior to that assignment Assistant Manager at Clarendon.

The tire and tube industry in 1957 increased its investment in newspaper advertising over the previous year.

Esso Extra Out-performs many gasolines selling for 1¢ more!

Esso Extra sells for premium—not super-premium—price, but it out-performs many gasolines selling for 1c to 2c more.

Out-performs them in clean-burning characteristics: it burns so clean that spark-plugs last up to 50% longer.

Out-performs them in anti-knock operation: its octane rating is high—higher, in fact, than the octane rating of many gasolines for which motorists pay a super-premium price.

Out-performs them in quick starting . . . in sizooth, safe acceleration . . . in mileage.

Esso Extra is the No. 1 premium in Texas . . . first in premium sales . . . first in premium performance.

Use this great gasoline in your car: prefer its performance, you'll like its m and most of all, you'll be pleased w economy.

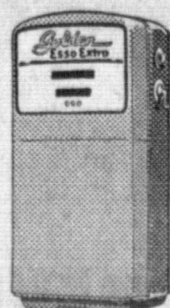

Fill up under the Humble sign in neighborhood. Every time!

HUMBLE OIL & REFINING CO.

HUMBLE

Golden Esso Extra in a quality class by itself

This superior gasoline stands out as the best gasoline to use in any car in any price class. It is the only gasoline that will give you all the performance you paid for when you bought your modern car. It has highest octane rating; it eliminates engine "bucking" as you start, engine "rumble" as you drive, and engine knock as you accelerate. A must for cars with air-conditioning, power brakes and power steering. It's the gasoline for the 1959 models.

Dependable Quality at Regular Price

If your car performs well on regular gasoline, Humble Motor Fuel is your gasoline. Every gallon is made to exacting quality specifications.

You get three distinct advantages: (1) continuous improvement; (2) uniform quality wherever you fill up; and (3) a patented solvent oil that keeps engines clean.

Among the regulars, Humble Motor Fuel is second to none.

1926 BOOK CLUB

Mrs. Charles Bairfield and Mrs. Homer Bones were hostesses to the Book Club Tuesday at 4 p. m. in the Patching Club House. Refreshments of sour cream cake, coffee and tea were served.

The president, Mrs. John Gillham presided. Mrs. Elba Ballew gave the opening prayer.

The membership chairman, Mrs. Frank White Jr. read the slate of officers selected for the ensuing year. They were accepted unanimously. President, Miss Inez Blankenship; vice-president, Mrs. J. R. Brandon; Recording secretary, Mrs. W. C. Thornberry; Corresponding secretary, Mrs. C. E. Bairfield; Treasurer, Mrs. Otis Naylor; Parliamentarian, Mrs. J. N. Weaver; Federation counselor, Mrs. John Gillham.

It was decided to have a "Dish Shower" at the next meeting for anyone who might wish to give a cup and saucer or plate to the club house. The selected pattern is at Henson's Gift Shop.

Mrs. Barcus Antrobus gave a short story, "Trip by Train" by Val Teal. It was a clever and entertaining story told by an eight year old boy and written in a child's language.

Members present were Mesdames John Gillham, C. B. Morris, Barcus Antrobus, W. C. Thornberry, Walter Clifford, Elba Ballew, J. R. Brandon, Frank White Jr., Loyd Johnson, Alvin Landers, Otis Naylor, Charles Bairfield, Homer Bones and Miss Inez Blankenship.

Leader—Local rate, \$3.00 a year

WIN ONE S. S. CLASS

The Methodist Win One Sunday School Class held its monthly meeting Monday afternoon in the home of Mrs. Bertha Benson. Assistant hostess was Mrs. C. R. Cross. The meeting was opened with an interesting devotional service given by Miss Emma Sheffield. This was followed by the usual business session.

Lovely refreshments were then served by the hostesses to the following members: Mesdames Mary M. Cook, C. C. Powell, J. R. Bartlett, Glen Williams, Eva Rhode, Walter Taylor, Jno. Goldston, J. L. McMurtry, Frank Bourland, T. F. Connally, G. D. Hillis, J. P. Pool, Wm. Payne, and Misses Emma Sheffield and Mary H. Howren. —Reporter.

SCIENCE CLUB MEETS

The Clarendon Junior High Science Club met Monday night, November 3rd.

The meeting was called to order by President Danny Ray. Answering to roll call were 53 members. Reports were then given by the club's officers, followed by old and new business. Larry Neece, secretary, read the minutes of the last meeting.

Presentations of membership certificates were made, and a committee was appointed for the next meeting's program.

We were adjourned.

—Sharon Williams.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Bill Weatherly of Clarendon, Texas announce the engagement and forthcoming marriage of their daughter, Ann, to Richard McCarty, son of Mr. and Mrs. Paul McCarty of Clarendon and formerly of Hedley, Texas.

Vows will be exchanged December 21.

MIDWAY CLUB

Club met with Katie Bell Wells as hostess Nov. 4th. A sack lunch was enjoyed by Josie Simmons, Eddie Williams, Jewel Myers, Ellen Moreland, Marjorie Hensley, Loyd Hillis and one guest, Eula Butler. There was a Stanley party held in the afternoon with Mrs. Harris as representative, Allie Quattlebaum, Lillie Mae Carmichael and one guest Lois Hight attending. One quilt was quilted on. Next meeting will be held in the home of Lillie Mae Carmichael Nov. 18th. A covered dish lunch will be served. There will be a 42 party for the entire club Friday night, Nov. 7th at Josie Simmons. Pie and coffee will be served. —Reporter.

CHAMBERLAIN COMMUNITY CENTER—NEXT SOCIAL

The next social at the Chamberlain Community Center will be Friday night, Nov. 14. Mrs. Lee Muse and Mrs. Hawley Harrison will be hostesses. We will bring sandwiches. Everyone come and enjoy an evening of fun.

At this social final plans will be made for the annual Thanksgiving Supper. This supper will be Nov. 28. We are inviting and expecting all our neighbors and friends to come and enjoy the evening with us. —Reporter.

MYSTIC WEAVERS CLUB

The Mystic Weavers Club of Lelia Lake met recently with Mrs. Earl Myers as hostess. Ten members were present and finished a quilt for the hostess.

Sack lunches brought by the ladies was supplemented by fresh tomatoes, fruit salad and cobler pie.

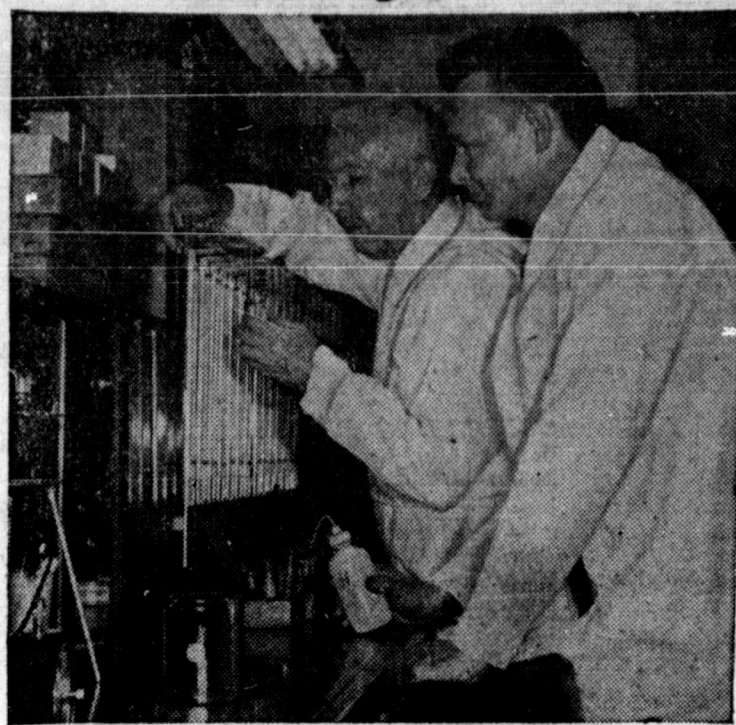

The next meeting will be with Mrs. Nollie Simmons on Nov. 12. —Reporter.

CHAMBERLAIN CLUB

All Chamberlain Club members please note this: the next club meeting will be Thursday, Nov. 13, instead of Nov. 6. Mary Myers will be hostess and everyone come and help us quilt and enjoy an afternoon of visiting. —Reporter.

Mr. and Mrs. John N. Plaster and children of Pampa had supper in the Clyde Gilbert home one day last week.

Science Against TB

With the help of Christmas Seal contributions, scientists are working to unlock the secrets of tuberculosis. In this Northwestern University laboratory, Dr. Guy P. Youmans and his associates developed a blood test which may prove valuable for the detection of TB.

LELIA LAKE SCHOOL NEWS

The Carnival on Thursday evening was a great success.

Many booths were sponsored and a number of them were well patronized. High School Hallowsen Queen was Jean Fox, a senior who was secretary last year of the student council, and is a forward on the basketball team. Jean is well known as a saleslady who has great success, and has been particularly helpful in annual ads with her tactful and persistent work. A hard-working sophomore was crowned high school king, as Jerry Spires saw the culmination of a number of days of effort. A number of others took part in the colorful ceremony, emceed by vocational agriculture instructor Frank Claborn, and it is planned to tell more of them later. From the proceeds should come a number of good projects for the school.

Faculty members were planning on self-improvement thru study groups, utilizing teaching aids from many sources and geared to specific local needs. —M. R. Mathis

CARD OF THANKS

We would like to express our deepest appreciation and gratitude to all our friends for the kindness and concern shown us during our recent bereavement. The lovely flowers, the food, the many visits and expressions of sympathy meant more than words can tell. May God bless each of you.

Mrs. Austin Rhoades and family.

CARD OF THANKS

We are sincerely grateful to our many friends and neighbors for their many kind words of sympathy, beautiful flowers and cards, which helped to lighten our sorrow in the loss of our dear son and brother. May God bless each of you is our prayer.

Mrs. A. L. Cobb and daughters.

100 Years Ago In Texas

November 2-8, 1858
PARTICULARS OF THE WICHITA BATTLE
Austin, Nov. 2, 1858—On the 29th of September, as we were encamped on Otter Creek, near the Wichita Mountains, our Indian spies brought word that a large body of the Comanches, under the noted chief, "Buffalo Hump," were camped near the Wichita Village. In an instant our camp was the scene of preparation for the march, orders were issued and obeyed with a rapidity only found among those well accustomed to command and obey. In an hour after the news arrived our little band was in the saddle; and under the command of our tried and gallant leader, Brevet Major Earl Van Dorn, we took up our march. The force, consisting of four companies of the second Cavalry, and about one hundred Indians from the Brazos Reserve, under the command of Capt. L. S. Ross, numbered in all about three hundred.

As the exact position of the Indian Camp was not known, we moved forward at an easy gait, until the camp was seen by the two companies on the left who gave a loud shout and dashed forward at the charge, followed by the right companies. The prairie was burning and the ground broken by deep and swampy ravines, notwithstanding these, they swept down upon the denoted camp like a terrific avalanche, cheering as they dashed along; officers and men exerting themselves to their utmost to gain the camp. The Indians stood fast and received us with a tremendous rally of arrows and balls, which was answered by a close fire of rifles and carbines, the fight then became general, and the Indians, being closely pursued, took refuge in a deep ravine, sheltered by a thick growth of brush wood.

Lieut. Van Camp while cheer-

ing the men to the attack, was shot through the heart and fell dead on the spot. The Indians at last were forced from the ravine and Major Van Dorn observing them retreating up the hill beyond, called on his men to follow and dashed forward in pursuit, when he received a severe wound in the arm, but by a well aimed shot he stretched the savage on the ground and continued on to the top of the hill, and when his men came up he was contending with three Indians, by one of whom he was shot through the body with an arrow, he fell from his horse; having nobly sustained the reputation gained on other fields.

Judging from the size of the camp, there must have been at least five hundred Indians, sixty of whom were found dead on the field; these were counted. The number wounded is not known, but must have been very considerable; not more than twenty or thirty could have escaped untouched.

There were three hundred animals (horses and mules) taken, besides many Buffalo Robes and a great deal of corn and other provisions. It was a great fight and a complete one.

One of the wounded has since died. Major Van Dorn and the other wounded are doing well. Lieut. Van Camp and the soldiers killed in the battle were buried on the field with the honors of war, regretted by all.

TWO DAYS ONLY!
H. BUCKLEY & CO'S.
GREAT NATIONAL CIRCUS
Will exhibit at Austin on Friday and Saturday, November 12th and 13th, 1858.

Now, as hereofore, the management will endeavor to deserve success by giving the public a full equivalent for their money, and performing even more than

they promise; thinking a well deserved popularity, honestly gained by fair proceedings, much more desirable in the end than any mere temporary advantage which may be obtained by resort to clap-trap and humbug.

75-Day Season On Waterfowl Set For Texas

AUSTIN—There will be a 75-day hunting season for ducks and geese in Texas this year for all species except Canadas and white-fronts. This is the information brought back from Washington by the Executive Secretary of the Game and Fish Commission. The dates approved by the U. S. Fish and Wildlife Service were those asked for not only by the Texas Commission, but the Central Flyways Council. This group met in Corpus Christi two weeks ago and heard technicians who had been making duck and goose counts.

The duck and goose season will open in Texas Nov. 1, and continue through Jan. 14, both days inclusive. Shooting will be permitted from one-half hour before sunrise until sunset.

The open season on Canadas and white-fronts (species) will be

from Nov. 16 to Jan. 14, inclusive. This reduction of 15 days is the result of a decreased population of the birds, according to the biologists.

Hunters may take five ducks and/or five geese a day. The possession limit on ducks is 10, while the possession of geese is limited to one day's kill. On geese, only two Canadas or their sub-species may be taken, or one Canada and one white-front. On snows and blues five of either or in the aggregate may be taken.

Rail and gallinule season has been set for Sept. 1, through Nov. 9, with a bag possession of 15.

The coot season is the same as the duck season, with a bag and possession limit of 10.

Wilson snipe and jacksnipe may be taken from Dec. 16 through Jan. 14, with a bag and possession limit of eight.

The woodcock season is Dec. 8, through Jan. 16, with four for the day or eight in possession.

Mr. and Mrs. E. T. Ballew of Ennis, Texas visited from Tuesday to Friday in the home of her sister and husband, Mr. and Mrs. J. I. Spurgeon.

Recent visitors in the home of Mr. and Mrs. Roy Crutchfield and Jeanette were Mrs. Crutchfield's parents, Mr. and Mrs. O. L. Usrey of Broken Bow, Okla.

Digging For Peruvian Artifacts Also Proved Politically Educational

LUBBOCK — Digging for Peruvian artifacts also proved to be politically educational for a Texas Tech anthropologist who recently completed a year in South America on a Fulbright research scholarship.

Dr. David H. Kelley, new assistant professor of anthropology at Tech, was associated with the University of San Marcos' Institute of Ethnology in a survey project encompassing archaeological sites throughout Peru.

But he also found that San Marcos University students in Lima are intensely interested in politics—as Vice-President Richard Nixon learned when he visited there last spring.

"San Marcos students tolerate among themselves great extremes of political views," Kelley remarked. "They are able to separate their personal reactions from their political reactions, more so than students in the United States."

Kelley said he found that students who participated in the riots during Nixon's visit had nothing against the U. S. Vice-President as a person. They were

angry with the United States' policy toward South America and with the help of agitators expressed their anger.

"Of course, the riots in Peru backfired, somewhat," Kelley added. "But they did serve to focus attention on South America and cause the U. S. to reappraise its policies."

Kelley, who earned a B. A. in anthropology at Harvard University in 1949 and a Ph.D. there in 1957, spent much of his time on the northern coast of Peru near Piura picking out spots for future archaeological excavations.

Mrs. John L. Davis is in Alamogordo, N. Mex. this week with her daughter.

Mr. and Mrs. J. A. Reed of Flomont spent a few hours in the Clyde Gilbert home last Wed.

HEDLEY NEWS

Mrs. Paul Duncan

NORRELL-DEBORD

Nuptial vows were solemnized

for Miss Ellen Arlene Norrell, daughter of Mr. and Mrs. W. D. Norrell of Sunray and Dewey DeBord, son of Mr. and Mrs. Conally DeBord Sr. of Hedley, Saturday, Oct. 25 at 6 o'clock in the Baptist Church at Sunray. The pastor read the service. The only attendants were Miss Amy Nor-

rell, sister of the bride and Jerry DeBord of Hedley, brother of the groom. Following the ceremony a reception was given in the home of the bride's parents. The couple will make their home in Sunray where the groom is employed by Shamrock Oil and Gas Co. Attending from Hedley were Mr. and Mrs. Connie DeBord Sr. and Mr. and Mrs. Connie DeBord Jr.

Mr. and Mrs. James Baggett announce the arrival of a fine little son, born Oct. 31 in a Groom hospital. He weighed 7 lbs. 7 oz. Congratulations.

Mrs. Elnore Stucky returned home Sunday after a two weeks visit in Bridgeport.

Mrs. Ella Evans had some ladies call on her last week. They were Mrs. Della Barker, Mrs. Mollie Wheeler, Mrs. Reed and Mrs. Pitterman.

Our sympathy goes out to the family of Mr. Austin Rhoades. He

AUSTIN—As Texas' "Battle of the Budget" roars on toward its 1959 climax, almost every week brings a new statement on the probable size of the state deficit. Usually worse than the last one.

State Comptroller Robert S. Calvert and Legislative Budget Director Vernon A. McGee combined to present a frankly pessimistic picture for the Texas Research League meeting in Austin.

McGee said the general revenue fund will need \$279,000,000 during the next two years to keep things going as they are. Calvert estimated that the present tax structure would put \$125,000,000 into general revenue during this period.

This leaves a gap of \$154,000,000 between estimated income and outgo. In addition, Calvert estimated the general revenue fund will be \$55,600,000 in arrears by the end of the present fiscal year in August, 1959.

Research League is composed

of several hundred leaders in Texas business and professions whose private contributions support research in the interest of governmental efficiency. Much of the League staff's time during the past year has been devoted to assisting the State Tax Study Commission in a mammoth survey of Texas' revenue and tax problems.

CAN DO

Gov. Price Daniel took a "we can lick this thing" attitude in a press conference on taxes.

Daniel said he felt the deficit could be erased and new revenue needs met without a general sales tax or income tax. Taxes we have presently could be raised to the maximum level used in other states, said the governor. And other taxes—not sales or income—could be added.

Daniel also indicated that he was not fully convinced that the gap between income and needs would be as large as the \$154,000,000 mentioned by the comptroller.

He would not definitely say now, said the governor, that he would or would not veto sales or income tax bills if passed by the Legislature. But he made it clear that he did not favor them, and that he thought there were better possibilities.

Daniel praised state agencies who reduced their budget requests a total of \$1,490,631. Overall, the budget requests had run \$272,000,000 higher than for the present biennium.

HOSPITAL SPENDING AXED

Possibility of more drastic cutting loomed when the Legislative Budget Board voted to reject some of the appropriations being sought by the State Hospital System.

It voted to lop \$8,000,000 off the system's requested operating fund and disapprove spending \$5,500,000 for a new mental hospital in the Gulf Coast area. Budget Board recommended a slight increase in money for the Texas Youth Council. But it voiced a "thumbs down" attitude toward setting up a state-supported paid parole system for juvenile delinquents.

Legislative Budget Board is made up of 5 members from the House and 5 from the Senate who, with staff assistance, screen appropriation requests in advance and make recommendations to the Legislature.

PULLING UP

Two state agencies who've gotten black marks in past years got basically good report cards in the summaries given by analysts for the Texas Research League meeting.

State Insurance Department has made many improvements in the year since its reorganization, said one researcher. He predicted that an area of better regulation would result in saving to policyholders and fewer company failures.

State Welfare Department was described as "basically well-administered" in comparison to some years ago when it was the source of dissatisfaction.

In the welfare field, the League was told, Texas can expect increased spending in the future. Texas now spends 18 per cent of its tax money or \$173,000,000 a year on welfare. But other states are "more generous," observed the researcher.

SALARY FORMULA

Budget Board also is giving attention to drawing up a bill setting up a salary schedule for state employees.

Its purpose would be to guarantee "like pay for like work" throughout state departments. It would be based on a job classification study recently made by the Texas Employment Commission.

Public school and college teachers and persons in executive positions would not be included.

Budget Board members commented that in some departments a person doing stenographic work may be called an "administrative assistant" and get much more money than a person doing stenographic work in another department.

He who hesitates to speed is not lost.

4-H'ers to Parade Again During Chicago Congress

The 4-H parade pictured above is one of the exciting demonstrations that will be repeated in the amphitheater of the International Livestock Exposition during the 37th National 4-H Club Congress in Chicago. Thanksgiving weekend will usher in 1,300 champion 4-H Club members, several hundred state and national 4-H officials and many friends of 4-H who help to make the annual Congress possible. They arrive by train and plane from every state in the nation, and will be joined by delegates from Alaska, Hawaii, Puerto Rico, Canada and other foreign countries as well.

The Congress opens officially on Sunday morning Nov. 30, at the Conrad Hilton hotel and closes with a banquet for about 2,000 on Thursday night Dec. 4, when more than 200 national 4-H champions will be saluted.

This unique delegation of 1953 national, sectional, and state 4-H winners represent the best of 2,500,000 Club members. By diligent and successful application of 4-H principals and techniques to project work these ambitious boys and girls have climaxed their 4-H career by attaining state honors. They have participated in one or more of some 50 different 4-H award programs conducted by the Cooperative Extension Service and arranged by the National Committee on Boys and Girls Club Work.

Among the wide range of projects and activities carried on in nearly 91,000 clubs are field crops, clothing, poultry, achievement, entomology, health, safety, leadership, foods, soil and water conservation, swine, and tractor. To be eligible for a state or national award, the 4-H'er must be over 14 years, and must have completed three years of club work.

Awards include \$400 college scholarships and all-expense trips to the National Club Congress. They are provided each year by half a hundred business firms, educational foundations

and private citizens. Some of these 4-H benefactors are: Ford Motor Co., International Harvester Co., Kerr Glass Mfg. Corp., Coats and Clark, Inc., Oliver Corporation, Carnation Company, Simplicity Pattern Co., Westinghouse Educational Foundation, Hercules Powder Co., Arcadian Products Department of Allied Chemical Corporation, Betty Crocker of General Mills, Whirlpool Corporation, Allis-Chalmers Mfg. Co., Montgomery Ward, Eli Lilly and Company, Sears-Roebuck Foundation, Edward Foss Wilson, General Motors, Firestone Tire & Rubber Company, and Moorman Manufacturing Company.

THE LIONS DEN or The Roar of the Lions

By the Liontamer

Another good luncheon meeting was held by the Clarendon Lions Club Tuesday noon. Mike McCully entertained Bob Baker of Amarillo as his guest and Bill Swindle had Jack Douglas, of Amarillo, Agronomist for the Soil Conservation Service as his guest. Due to the early date of November 13 set for the annual Bag-O-Bulbs sale (which in the past has realized sufficient income to carry on our youth welfare program) the Program Chairman gave time for discussion, planning and suggesting of ways and means to give every business and household, an opportunity to stock up replacements for their lighting needs. At the same time, continue in full force the youth program, which has been one of the highlights of the Lions civic improvement endeavors.

The people of Clarendon are deeply concerned about adequate leisure time recreation for their children and the operation of the Canteen has been unusually successful in affording clean, wholesome, properly conducted meetings for the youth. Last year more than 3000 attended the regular sessions at the canteen, and the number who have participated to this date this year is well ahead of last years program. In view of the increased potential of the program it should be a challenge to every member to not only aid personally in the Bag-O-Bulbs sale but to recruit every available teen-ager, scout, Ag Boy, wife, business man or others that can give their time and abilities to make this the biggest and best Bag-O-Bulbs sale ever promoted in Clarendon.

The Bulbs are not an out-of-town company's price raising scheme but a local concerns cooperation at a regular price and a profitable contract to the Lions Club.

We urge again that every citizen of Clarendon and Clarendon's trade territory take pride in the successful youth program of the Lions Club, that has meant so much to the well being of our junior citizens and join forces with the Lions Club to make this an outstanding success.

John Howard Gilbert of Claude visited his parents, Mr. and Mrs. Clyde Gilbert, Saturday.
