Mr. and Mrs. Wesley Boyd of Belfast, Ireland

Irish Musicians Lead Methodist Revival

Mr. and Mrs. Wesley Boyd of Belfast, Ireland will be in charge of the music at the Revival to be held this coming week at the First United Methodist Church. Mr. Boyd, an Irish Baritone, has had the distinction of winning many outstanding awards in the field of music in Ireland. Through the influence of Rev. Joe Blinco, an English minister and member of the Billy Graham team, he entered the Christian service in the field of Evangelistic music taking part in many crusades in various parts of the world. Since coming to the United States in 1959, Oklahoma City has been his permanent home. Mrs. Margaret Boyd is an outstanding pianist, having been the official accompanist for most of the Music Festivals in Northern Ireland. She has accompanied many leading concert artists and is a graduate of the Royal Academy of Music in London, England. Mrs. Boyd is also an accomplished violinist. She and Wesley Boyd were married in 1961.

Methodist Revival September 28 Thru October 5

Revival services will begin Sunday, September 28 and continue thru Sunday, October 5 at the First United Methodist Church. Methodists, midway in a week of prayer, are making final preparations for what they believe will be the largest and most successful revival ever held in the Clarendon church. Dr. Hubert Thompson of Canyon will be the evangelist. He will be assisted by Mr. and Mrs. Wesley Boyd, natives of Belfast, Ireland, who will be in charge of the music. Morning services will be held at 7 a. m. Evening services, preceded by short prayer sessions, at 7 p. m., will start at 7:30 p. m. All who live in this area are invited to attend these services, stated the Rev. Carl Nunn, pastor. Cottage prayer meetings are being held this week in numerous homes. A continuous prayer vigil is planned for Friday and Saturday at the church.

SCHOOL CAFETERIA MENU

THURSDAY—Roast with Gravy, Steamed Rice, Fruit, Hot Rolls, Jello, Butter, Milk.
FRIDAY—Hamburger on Bun, Lettuce, Pickles, Onions, Potato Chips, Fruit Pie, Milk.

SMITH SCORES IN McMURRY GAME SAT.

Archie Smith of Clarendon, junior tailback with the McMurry Indians of Abilene, played an outstanding game in the season opener with Tarleton State College at Abilene last Saturday. Final score was 38-15. Smith caught two passes of 24 and 53 yards for touchdowns and tallied a third time on a five yard run. Smith also ran for 84 yards on the ground on 21 carries to lead the Indians in that department. The McMurry Indians will entertain Angelo State in P. E. Shotwell Stadium at Abilene Saturday night, September 27. Game time is 7:30 p. m.

EVANGELIST

Dr. Hubert Thomson, who will be the Evangelist during a revival this next week at the United Methodist Church, served churches at Wildorado, Tolbert Circuit, Tenth Ave. in Amarillo, Canyon, San Jacinto Amarillo, First Methodist in Abilene, First Methodist in Borger and also was District Superintendent of the Abilene District prior to entering evangelistic work. He attended Clarendon College Academy, two years at Clarendon College, and holds a B.A. and M.A. degree from West Texas State University. The Doctor of Divinity was conferred on him by McMurry College.

Annual RPRBC Bull Sale Set For Nov. 19 In Clarendon

Flip Breedlove, secretary and manager of the Rolling Plains Registered Beef Cattle Association announced that the Board of Directors met at 8 p. m. the evening of September 22 at the Farmers State Bank & Trust Company conference room with Bob Newton, president presiding. The date of the annual Bull Sale for 1969 was set for November 19 at 12:30 p. m. at the Fairgrounds in Clarendon. Entries will start October 1.

Officers elected for the coming year were: Robert L. Newton, re-elected president; James Cope of Claude, vice-president; Flip Breedlove, secretary and manager; John Knorpp, sales manager; Ronald Gooch and Fred Bourland, assistant sales managers; H. A. Green, Jake Hess of McLean, Fred Watt of Hedley, Bill Bradley of Memphis, Bill G. Thornberry of Brice, Joe Hales of Claude, Wayne Maddox of Miami, Tommie Potts of Memphis and T. W. McAnear, directors. The advisory committee of commercial breeders is Joe Robinson, Forrest Sawyer, and Bill Cushing.

Breedlove stated that Walter Britten will be the auctioneer for the sale and that the board of directors have set up everything necessary for the sale. All cowmen are asked to remember the date of November 19 at 12:30 p. m. when the big Registered Bull Sale will be held in Clarendon. Three breeds of bulls will be sold: Herefords, Galloway and Angus. Most bulls will be ready for service with some good herd bull prospects in the offering.

First Christian Church Revival Set For Sept. 29-Oct. 5

Rev. Paul Hancock, pastor of the First Christian Church has announced that a revival will be held at the church beginning September 29 and continuing through October 5. Services will be held each evening at 7:30 p. m.

Evangelist for these services will be Jack Cox, Minister of the University Heights Christian Church, Borger, Texas. He is a noted minister in the Christian Church. Assisting him in these services as song leader will be Jay Lamberth and the Youth Choir of the church. Bob Leathers will be pianist. Special music will be presented each evening. Rev. Hancock and members of the church extend a cordial invitation to join with them in these services.

REBEKAH LODGE TO SERVE TURKEY DINNER

The Rebekah Lodge will serve a turkey dinner with all the trimmings at 12 o'clock noon Thursday, October 2. Charge per person is \$1.50 for adults and 75c for children. The dinner will be held at the Lodge Hall north of the Post Office. The public is invited to come and eat with the Rebekahs. This is the first dinner of the season and no more needs to be said for those of you who have eaten their famous dinners for some time. For those of you who have never eaten with the Rebekahs you will find a wide variety of foods, delicious turkey, prepared in an excellent manner, and far more than you can eat for your money. At the same time you will be helping a worthy cause as proceeds are for the Children's Home.

DPS OFFICIAL DIES HERE TUES.

Lowell Nelse Lindgren, 47, of Austin, a Texas Highway Department official, died Tuesday afternoon in Adair Hospital shortly after suffering a heart attack. Lindgren was working with license and weights officers of the Department of Public Safety in Clarendon when stricken. Services are pending in Austin.

Plans For Hedley Cotton Festival Show Progress

Work is in full swing toward a bigger and better than ever Cotton Festival October 10-11. All committees are working on their assignments and floats are being planned. As is found yearly, Hedley has one of the finest parades to be seen in the area with many hours being spent in preparation of outstanding floats. Tickets are being sold for the bale of cotton with everyone in the area being given an opportunity to participate.

Six lovely Hedley High School girls are competing for the title of next year's Cotton Festival Queen. This year's queen, Miss Nancy Saunders, will present the crown to the new queen at the conclusion of her reign. Candidates this year include Kitty Cooke, Jane Floyd, Carole Hill, Angela Messer, Cindy Saunders, and Sandra Winn. And as you may have guessed, these young ladies are also selling tickets for the bale of cotton.

This year's TV preview of the festival will be on the KGNC Farm and Home Show October 4.

LIONS CLUB TO SPONSOR STAGE REVUE OCT. 6

The Clarendon Lions Club will sponsor the presentation of "20th Century Fantasies," a stage revue featuring a full evening of entertainment of magic, mirth and mystery the evening of Monday, October 6, at 8 p. m. in the College Auditorium. Fred Story is owner and manager of the show.

General admission prices will be \$2 for adults and 75c for children. Advance tickets can be bought from members of the Lions Club for \$1.50 each thus saving 50c by buying early. Proceeds from this project will be used for a Clarendon College Scholarship.

BUSINESS LAW TO BE ADDED TO CURRICULA AT CLARENDON COLLEGE

Clarendon College has announced the appointment of Attorney Bob Montgomery of Memphis, Texas to teach a course in Business Law on Thursday evenings. This course will consist of fields of law dealing with agencies, contracts, insurance, criminal law, negotiable instruments, probate and trusts, sales, and real estate loans.

Any resident within this area may sign up for this course. Classes will begin Thursday night, September 25, 1969 at 6:30 p. m. For further information contact the business office at the College.

College Enrollment Hits Highest Figure

George C. Bourns, Public Relations Director for Clarendon College announced today that enrollment figures at the College is at an all time high, with a record enrollment.

As of September 22, 1969 the enrollment has reached 338 students, with final enrollment date set on September 30, 1969. This figure constitutes an all-time high registration for Clarendon College, and represents an 80 percent increase over the past five years. The 1964 enrollment shows only 189 students and records of enrollment have been broken constantly since that time. Records also show that men students have always bested the women students but the trend this year is almost even, with students enrolling from some fifty Texas high schools as well as students from several out of state high schools and foreign countries.

All students have expressed much praise and admiration at the "Oldest New College in the Panhandle" with its new facilities and such great atmosphere.

SAFE CRACKERS FAIL IN ATTEMPT HERE SUNDAY NIGHT

Burglars failed in their attempt to open the safe at Landers & Ray Super Save Sunday night. They had drilled two big holes in the safe in an attempt to cut through the locking pins leaving a big pile of steel shavings and apparently finally gave up. The job appeared to be the work of professionals as they knew where to drill the holes.

Entry was gained thru the refrigeration motor room on the west side of the building and they left the same way. They were careful not to leave any finger prints anywhere. They apparently were in the building quite some time as they had prepared sandwiches and enjoyed several drinks while there. No other items were missed.

DODGE AUTO SHOWING THIS WEEK HERE

Bartlett Motor Co. is showing the new 1970 model Dodge cars in their showroom this week.

Dodge's featured car this year is the Challenger. "We feel the Challenger is the most versatile and attractive car in its field," stated J. R. Bartlett, owner of the Bartlett Motor Co.

Others included in the Dodge line are the Dart, Polara-Monaco, Coronet, Charger and Dodge trucks. Bartlett is inviting the public to come by and look over the new 1970 line of Dodges any time this week.

Paducah Dragons Invade Broncho Stadium Friday Night - 8 P. M.

Broncs Blank Bucks 19-0 At White Deer

A strong defense and speed in the Clarendon backfield were the deciding factors in the defeat of the White Deer Bucks 19-0 at White Deer Friday night.

Quarterback Jim Moore and tailback Charles Louis sparked the Broncs with their running ability with Moore picking up 151 yards rushing and Louis 97 yards rushing and pass interception of 95 yards. Outstanding on defense was James Hall, Ted Tyler, Charles Louis and Willie Craft.

The Broncs opened the scoring in the first quarter with Louis plunging over from the 2 yard line after a sustained drive. Larry Longan's try for the extra was blocked. Louis added another 6 points in the second quarter after intercepting a Buck pass on the five yard line and racing 95 yards for the goal line. Excellent downfield blocking helped pave the corridor for Louis to the goal line. Longan's kick was good for the extra point.

A Buck punt late in the fourth quarter put the Broncs on their own 11 yard line. It was from this point that Jim Moore broke loose and with shifty running, outran the bucks for 89 yards and crossed the goal line to bring the final score to 19-0 as the try for 2 points failed.

The Broncs had an excellent following at the game which was appreciated very much by the boys and the coaches.

In the Junior Varsity game here Thursday night with Wellington, the local boys were victorious also, winning 14-6. Joe Shadle ran 25 yards for the first score and the extra failed. Steve Stavenhagen went 10 yards for the next 6 and a quarterback sneak was good for the 2 points. Wellington scored their 6 points on the last play before the half.

Rain More Plentiful As Sunshine Needed

Following over 60 days of hot, dry weather, the rains finally broke loose and like the hot weather, are about to become a poor piece of conversation as insects are heavily damaging both cotton and grain crops and maturity has been slowed down considerably.

Most ranchers and wheat farmers welcome the rain as it has given winter grass prospects a much better outlook along with winter grain crops. Greenbelt Lake has picked up 5 inches in surface depth this week which brings the lake level to 2637.35 feet above sea level. The lake will be 2664.10 when full. This five inches helps the water situation at the lake as the long hot spell and heavy usage of water drew the lake level down considerably. In fact the lake is now 64 ft. under the highest level of the lake on June 25th when the reading was 2677.99.

Here in town we received .83 Sunday and .49 Monday to bring our total for the month to 3.38 and the year's total to 18.98 inches. The downpour Monday was much heavier to the south of town with Mrs. Walter Lowe reporting 5 inches and the area south of the cemetery receiving over three inches. Dan True was advising everyone to get ready for a hard, cold winter in his weathercast Tuesday.

S. S. Coleman of Wellington underwent major surgery in a Lubbock hospital last week. Mr. Coleman is the father of Mrs. Harvey Jones of Clarendon. He is reported doing as well as could be expected at this time. The Jones family visited him over the week end.

The Paducah Dragons will be the visiting team for the Bronchos in Broncho Stadium Friday night with the game time set at 8 p. m. This will be the third non-district game for both teams.

In previous play the Dragons have been defeated by Matador 16-12 and by Childress 52-8. Childress is in class AA and has one of their stronger teams in recent years. On the other hand, the Bronchos have won their first two games, the first over Memphis 41-20 and this past week 19-0 over White Deer.

The Dragons are big and capable of giving us a tough ball game, stated Coach Clyde Noonkester.

The Broncs are a lighter but faster team and should be able to hold their own Friday night, Noonkester added.

The probable starting lineup offensively for the Bronchos will be as follows:

Center, Jay Lamberth; Guards, Frankie Ellis and Willie Craft; Tackles, Ronnie Hasty and Jerry Green; Ends, Bobby Leeper and James Hall; Quarterback, Jim Moore; Fullback, Bennie Reese; Tailback, Charles Louis, and Wingback, Ike O'Neal. Defensively, the Bronchos will probably be represented by defensive linemen Craft, Hall, Green, Hasty, and Larry Longan, with Louis, Moore and O'Neal in the secondary.

Be out Friday night and give the Broncs your support. Knowing everyone is behind them one hundred percent means a lot to both the team and the coaches.

Larry J. Noble Rites Held Monday

Funeral services for Larry Joe Noble of Amarillo were held Monday afternoon in Boxwell Brothers Ivy Chapel with Rev. C. N. Rue, pastor of Paramount Baptist Church of Amarillo officiating.

Graveside rites were held at 4:30 p. m. in Citizens Cemetery in Clarendon.

Larry, 17, son of Mr. and Mrs. Theo (Shug) Noble of Amarillo was dead on arrival early Sunday morning at Northwest Texas Hospital. Death was due to a cerebral hemorrhage.

The young man was born in Lubbock and was a junior student at Tascosa High School. He was a member of the Paramount Baptist Church in Amarillo.

Surviving are his parents, a sister, Debra, and brothers; Tommy, Mark, Gary, and Neal of the home; a sister, Mrs. Theola Leeper of Clarendon; a brother, Ronnie Noble of Amarillo; and his grandparents, Mr. and Mrs. L. O. Christie of Clarendon.

Buffs Host NIU Sat. Night, Sept. 27

The Buffaloes of West Texas State University will host the Huskies of Northern Illinois University in Buffalo Bowl Saturday night, September 27. Game time is 8 p. m.

The Buffs lost last week's game to Northern Arizona by a score of 21-20 and this week have been working to correct flaws in the club's offensive and defensive units.

Northern Illinois is expected to have a potent offense. The Huskies boast 21 returning lettermen. Previously the Buffs defeated the Huskies 17-10 at DeKalb, Illinois in 1967.

Saturday night will be Amarillo Night featuring a half-time show with over 2,000 Kids Incorporated football players participating.

Buy your tickets at the Farmers State Bank or at the gate at Buffalo Bowl in Canyon.

Owen Romine of Elmore City, Okla. visited in the Hinkle home Sunday.

Jim Moore, number 12, carried the pigskin for 151 yards in the game against White Deer. Shown making a key block is Bennie Reese and at extreme left is Ronnie Hasty. —Photo by Saye's.

Mr. and Mrs. Darden of Borger visited Mr. and Mrs. Frank Hardin Friday afternoon.

Mr. and Mrs. Frank Hardin visited Mr. and Mrs. F. R. Fields in Groom Sunday.

TRAFFIC LAW QUESTIONS AND ANSWERS

Q. Can you legally operate a motor vehicle while under the influence of drugs that were prescribed by a doctor?

A. It is illegal to drive a motor vehicle while under the

influence of drugs. The fact that drugs were prescribed by a doctor is not a defense for driving under the influence of drugs.

Q. What should a person do to drop from a commercial operators license to a regular operators license?

A. When you go into a drivers license office to re-new your license just tell the clerk or drivers license patrolman that you wish to drop to an operators license.

Q. How far may you legally allow objects or load to extend beyond the left and right fenders, or sides, of your car?

A. Three (3) inches beyond the left side. Six (6) inches beyond the right side.

Q. The law requires you to have your car reinspected if you loose the MVI sticker. What other situation would require the re-inspection of your car?

A. If your car is involved in an accident where there is damage to your vehicle it must be re-inspected.

Q. What does a double yellow line in the center of a roadway prohibit?

A. A double yellow line in the center of a roadway prohibits driving on the left side of a roadway or crossing over the double yellow line to pass another vehicle.

Q. What does the law require you to do when being overtaken and passed on the left?

A. The law requires you to give way to the right in favor of the overtaking vehicle and not to increase your speed until the other vehicle is completely passed.

prohibit?

TEXAS NUTRITION CONFERENCE

The latest advances and problems in livestock and poultry nutrition and feed manufacturing are major topics for consideration at the Texas Nutrition Conference, Oct. 15-16 at the Ramada Inn, College Station. Feed formulations and current practices for cattle feedlots will get special attention, said Dr. J. R. Couch of A&M's Poultry Science Department and program chairman. He expects more than 200 persons for the conference.

UNCLE ZEB

There is a purpose to our life
A cause for which to fight;
The Bible tells us what it is—
Our conscience what is right.

Something happened the other day that made us think of this old saying: "He that sticketh his neck out by the foot will get it cut off by the yard."

We liked this one from a neighbors scrapbook: "Hope is like the sun. If we travel toward it the shadows of our burdens will fall behind us."

Also: "Hope is like an angel, soaring up to heaven bearing our prayers to the throne of God."—Taylor.

"The greatest architect and the one most needed is hope."—Beecher.

"Take hope from the heart of man and you make him a beast of prey."—Quida.

All these sayings on hope are from a scrapbook of a neighbor and a friend. What can be more wonderful than hope—When it is gone even the joy of having has lost its reward . . .

More on hope. "Hope will make thee young, for hope and youth are children of one mother."—Shelley.

"Hope awakens courage. He who can implant courage in the human soul is the best physician."—Van Kniebe.

Our lives are like an open book. So many views it pages. They pass us by take one good look—

Remember thru the ages.

Walk in, America.

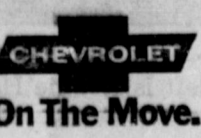

Top of the line Kingswood Estate Walk-in.

You'll have a hard time finding a wagon as easy to get into as a 1970 Chevrolet.

Try it sometime. Climb into any other wagon, then climb into one of ours. Chevrolet wins in a walk: With a dual-action door that swings open without any jutting hinges.

With a rubbered stair built right into the bumper. With a roof that slants thoughtfully forward so you won't hit your head. Look into a walk-in at your Chevrolet dealer's. Putting you first, keeps us first.

CHEERLEADERS

"Cheer, Cheer for Old Clarendon High . . ." or rather "Cheer, Cheer for Old Clarendon's Cheerleaders." These young ladies deserve much praise for the role they play in building the spirit of our school. Besides being peppy and radiant at all games, each cheerleader has a long list of other accomplishments.

Candy Skelton, head cheerleader, has been very active in school activities since becoming a Bronchette nearly four years ago. Candy has been in school plays, an FHA officer, and worked in many other clubs and organizations since coming to high school.

Jayne Martin, well known throughout the community, is liked by all. Cheerleading is nothing new to her. She's been leading since Junior High.

Another of the cheerleading crew, Dianne Cornell, has also

GO BRONCHOS—Brian Tucker, Drum Major, leads the CHS Band in boosting the Bronchos to victory. Photo by Saye's

been active during her first high school years. She is there when the halls echo with our yells, to lead us on. At every game her smiling face can be seen to cheer the boys onward and upward.

Annette Alexander, one of our Junior Cheerleaders, is easy going and always there to add a little extra flare.

Sheliah McAnear was elected to our group last year. She is a delightful person and always seen with a smile and a hello for everyone. We're glad to have her with us.

Carrie Neal is the last but not least of our six. She is a small, slender girl, loved by all. With her spirit we can't lose.

The Bronchos have a fine group of girls to lead us in yells, whether in the halls at pep rally, or at a game. Let's show these girls how much we think of them by being at every game to back the Bronchos all the way.

F. T. A. NEWS

The Clarendon High School Future Teachers organization Executive Committee met Friday,

September 12, to discuss plans for the 1969-70 school year. Members present were Beth Waldrop, Myrtis King, Lee Ann Palmer, Geneva Molder, Benny Maxey, and Cindy Lowe.

Saturday, September 13, 1969, the F. T. A. officers and their sponsor, Mrs. Dema Justice, went to Claude for the District XI Workshop. Following the workshop, lunch was served by the Claude F. F. A. chapter in the School Cafeteria.

September 17 the F. T. A. met to appoint committees for the school year. These included the Yearbook Committee, Financial Committee, Projects Committee, and Program Committee.

Reports of workshops were given by the officers and Mrs. Justice. Members attending were Beth Waldrop, Lee Ann Palmer, Myrtis King, Cindy Lowe, Penny Maxey, Geneva Molder, Sharon Grady, Mike Lceper, Rusty Williams, Elizabeth Bramblett, Carl Bramblett, Kay Molder, and Mrs. Justice.

SUPPORT THE BRONCHOS

This is the year for the 1969

Bronchos. We're expecting to see a bigger and even better year this year.

The Bronchos have put on a fine display of team work so far against their opponents. With the hard work and determination the Bronchos have shown, they are going to be hard to defeat.

Don't miss this season for it is going to be filled with thrills and spills. These boys need your moral support. Come to every game and let the Bronchos know you are behind them 100 per cent.

HELP THE SENIORS

The Senior Class is selling Mums for the Broncho Homecoming Dance. The dance is to be held at the school cafeteria immediately after the football game. The dance will be for high school students and their dates. Help the Seniors out and buy a Mum for your wife, mother or favorite girl.

OUR BEFORE AND AFTER

Clarendon High School is more than just a daily 9 a. m. to 4 p. m. routine. For example, Band

begins at 8 o'clock. (We always have music to start the day.) Regular classes start at 9 o'clock and there is never a dull moment until 4 p. m. when school is over . . . or is it?

No, C. H. S. has Cheerleaders who meet to work out skits, yells, and pom-pom routines. Parts of

the band also stay late. Our Twirlers work hard on their routine after hours. Last but not least are the Bronchos! Never fail to think about their hard workouts.

CHS extra-curricula activities are a very important asset to our school. We at C. H. S. are con-

stantly striving for betterment. — CHS —

BEWARE

Beware CHS'ers, the annual staff has started taking their pictures for the yearbook. Watch for Candid Cameras . . .

Home Demonstration Club Meets In Watson Home

The Home Demonstration Club met in the home of Mrs. O. C. Watson Friday afternoon September 19, for the first fall meeting.

The president, Mrs. C. H. Darling, called the meeting to order and Mrs. A. G. Lane read Club Collect. The usual order of business and the Penny Parade followed. Roll call was answered with current events.

Mrs. Watson displayed her doll collection. Mrs. Watson has many beautiful dolls in this collection and has added several, some from foreign countries.

Officers were elected for the year: Mrs. Roy Brock, president; Mrs. C. H. Darling, vice-president; Mrs. J. H. Helton, secretary-treasurer; and Mrs. O. C. Watson, reporter.

Mrs. Watson served refreshments of strawberry fruit jello topped with whipped cream, date nut cake, tea and coffee to Mesdames J. H. Helton, William Payne, A. G. Lane, Roy Brock, C. H. Darling, and Virgil Poole. The next meeting will be with Mrs. A. G. Lane Friday, October 17.

ASHTOLA CENTER

There will be a 42 party at the Ashtola Community Center Saturday night, September 27, at 8 p. m. Bring a salad. Hostesses will be Mrs. Clara Finley and Mrs. Hubert Rhoades.

NEW AND USED TYPEWRITERS & ADDERS AT THE LEADER

Xi Lambda Xi, Beta Sigma Phi

Xi Lambda Xi Chapter of Beta Sigma Phi met in the home of Jane Bownds Monday night, September 22. Genella Eads presented the program titled "The Sense of Touch."

Members present were Frankie Henson, Sandra Mooring, Beth Walker, Nova Mooring, Cherry Shadle and the hostess, Bert Garland.

BETA SIGMA PHI AREA MEET OCTOBER 4-5

Beta Sigma Phi Area convention will be held in Pampa October 4-5 with the six Pampa chapters serving as hosts. Some 55 chapters from Texas, New Mexico, and Oklahoma are expected to be represented.

Highlight of the convention this year will be attendance of Mr. Bill Ross, president of Beta Sigma Phi International of Kansas City, Missouri, as a speaker. Mr. Ross is the son of the founder of Beta Sigma Phi, Mr. Walter W. Ross.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met in the club room September 18, Thursday. The hostess served cake, cheese crackers, mints, coffee, and hot tea to the following members: Mesdames Clara Finley, Irene Vinson, Lillie Knox, Iressie Hughes, Veda Mahaffey, and Sue Rhoades.

The next meeting will be October 4 when the hostess will be Lillie Knox and the leader will be Nell Gray.

Leader Out-of-County Rate \$5.00

BRONCHO BOOSTERS

Broncho Boosters Club met Monday night at the High School Cafeteria with the president, E. W. Barbee, presiding. It was decided to sell membership cards at the gate at the football game Friday night. Membership has now grown to 50.

All who have not joined are invited to do so Friday night at the gate.

Coach Irlbeck reported on the fine job done by the Junior Varsity in the game with Wellington Thursday night.

Coach Lemons reported on the Paducah team to be played by the Bronchos Friday night of this week.

A film of the second half of the Junior Varsity-Wellington game was shown and the film of the Clarendon-White Deer game was shown with comments by Coach Noonkester.

BRONCHO MOTHERS

The 'Broncho Mothers' Club met September 18th in the high school cafeteria. Officers for this year are: Mrs. Bill Craft, president; Mrs. Jack Lambirth, vice-president; Mrs. R. L. Gilkey, secretary; Mrs. Jack Lewis, treasurer; and Mrs. Lloyd Leeper, reporter.

Since there is no concession stand open during the Junior Varsity games the Broncho Mothers' Club plans to set up a small one on the east side of the press box for all of their home games. There will also be tickets sold for cake at each of the home games of the Senior Varsity team. Proceeds from the sales will go to help defray expenses for the annual football banquet. The next meeting of the club will be October 30th.

CHAMBERLAIN CLUB

Chamberlain Club will meet Thursday, October 2, at the Community Center. Mrs. Bradis Ballew will be hostess.

NEW ARRIVAL

Chief Petty Officer 2/c and Mrs. Sam Jacobs announce the arrival of a son, Bryan Dale, September 11, 1969 at Wewoka, Oklahoma. The young man weighed 9 lbs, 6 oz. and is the grandson of Mr. and Mrs. James Gouldy of Hereford and Mr. and Mrs. Burton Burris of Wewoka. Great grandmothers are Mrs. Sam Spradlin of Clarendon, Mrs. Burris and Mrs. Davis of Wewoka.

Jacobs is on sea duty with the U. S. Navy and will return to the States the last of October. He and his family will again be based at San Diego.

Schooled In Cotton

CHECKMATES—Apple-polishing's in order for the back-to-school set, and checked cotton gingham is equally in order for brother-sister wear. Bright red apple appliques adorn the front of the little boy's button-on suit and the girl's back-belted apron. By Lil Filly Originals, both have contrasting collars of white cotton pique.

43 Texans Died Needlessly Last Year

Forty-three Texans died needlessly last year of five diseases which could have been prevented by immunizations.

In addition, more than 6,000 others suffered from the illnesses, which are preventable, reports the Texas State Department of Health.

What are these five selected diseases? Diphtheria, pertussis (whooping cough), tetanus, measles and polio.

The breakdown of deaths in 1968 show 11 from diphtheria's 121 reported cases; seven deaths from 802 reported cases of pertussis; 13 deaths from tetanus, which showed 17 cases reported; five deaths from 5,204 reported cases of measles; and seven deaths among the 22 reported cases of polio.

During the past five years these same diseases have cost the lives of 408 persons in Texas.

Biggest killer during this period has been measles, which has accounted for 170 victims in the past five years. A thorough statewide campaign against measles has cut the death total from 68 in 1964 to five in 1968 and 71,629 reported cases in 1964 to 5,204 last year, dramatically showing the success of immunization efforts. Complete eradication of measles appears possible.

Total reported diphtheria cases in the past five years was 294 with 41 deaths. During the same period 3,693 cases of pertussis were reported with 39 deaths.

Polio cases reported in the five-year span totaled 136 with a death count at seven. Tragically, the very young child has been most susceptible to polio.

Health authorities report a great upsurge in the number of immunizations when school age is reached among the six-year-olds, but they note that parents shouldn't wait until their children reach school age before having them immunized against diseases.

Deaths from tetanus fell below 30 last year for the first time in the five-year period. Thirty-two fatalities were reported in 1964 while 30 deaths were reported in 1966 and 34 in 1967. The 13 deaths last year brought the five-year total to 141.

These deaths, State Health Department authorities say, indicate the continuing need for intensified efforts by private physicians, public health personnel and civic leaders to insure attainment of adequate immunization levels against these diseases in Texas.

Mr. and Mrs. Lee Muse spent the week end with Mr. and Mrs. Sidney Muse and family in Joplin, Missouri.

Parents of firstgraders beware. Entering school costs may be higher than you expect. Jennie Kitching, Extension family life education specialist, suggests to plan ahead and prepare now for these school expenses.

weather there is a double yellow stripe or not.

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said still another new law provides for the adoption of a "slow-moving vehicle emblem" for display on certain types of vehicles.

Speir said the measure requires that all machinery, tractors, or other vehicles which operate at a maximum speed of 25 miles per hour or less must display a triangular emblem approved by the DPS on the rear of the vehicle.

Operators of such vehicles will have until January 1, 1970 to obtain emblems approved by the DPS and mount them as prescribed by law. Use of the emblem on other type of vehicles, or on fixed objects, is prohibited by law.

Ant Control At Home And In Lawns

There is no need to turn the home and lawn over to ants this summer. These pests can be effectively controlled, advises County Agent Ronald Gooch.

Chlordane and dieldrin are among the most effective insecticides for use against ants. They should be applied along window and door sills, foundation cracks, baseboards and other runways used by ants, says Gooch. Find and destroy the nests. They may be behind walls, in closets, in furniture and other dark undisturbed places.

Inside the home ants can be controlled by applying 2.3 percent chlordane or .5 percent dieldrin sprays. These materials may also be applied with a brush. Repeat the application if needed, suggests the county agent.

Outside the home apply a band of insecticidal dust or spray around the foundation wall and treat all nests in the yard. A 10 percent chlordane, 2 percent dieldrin or 5 percent heptachlor dust is effective. Granular formulations of these materials are also available and are convenient to use.

The county agent says to be sure and follow the directions given on the label of the insecticide container because pets and humans can be affected. Detailed information on controlling household insects is available for the asking at the offices of local county agents, says Gooch.

ON THE PLUS SIDE—It's the year for pants plus longer, shaped and flared tops. Kollita fashions twill-woven plaid cotton into a jumper dress/pants ensemble (right) and a shorts suit with long fitted jacket.

DON'T DROWN YOUR HOUSE PLANTS

Do your house plants die? You may not be watering them right.

This is especially true during the winter months when plant growth is very slow because of the low light intensities, says Everette Janne, Extension landscape horticulturist.

We frequently get impatient and apply additional water and fertilizer hoping to make the plant grow large and healthy. Actually during winter periods the plant is producing very little food and cannot grow rapidly.

Overwatering is the worst of offense during periods of slow growth, emphasizes the Texas A&M horticulturist.

Plant roots must have air as well as water. If the soil stays saturated with water, little or no oxygen can reach the roots. This results in loss of the small feeder roots and eventually death of the plant.

Never water plants by rule of thumb such as every other day or twice a week, Janne cautions. Once the soil is thoroughly

moist, water them only when they need it.

In watering houseplants supply water so that it runs through the potting soil into the saucer below. Always discard the excess water that drains through the pot into the saucer to prevent the accumulation of soluble salts in the potting soil.

Plants in a cold room need less water than those in a warm dry atmosphere. Flowering plants and those with much foliage require more water than those without blooms or with very little foliage, he adds.

There are about 325,800 gallons of water on one acre-foot of water.

Capital NEWS

Legislators closed out 44 days of special session conferences over taxes and finance.

Texas' \$348.6 million tax bill, which takes effect October 1, includes:

*An increase from 3 to 3.25 per cent in the general sales tax rate and includes beer and liquor in the tax base for the first time.

*A boost in the cigarette taxes from 11 cents to 15.5 cents a pack.

*Increase in corporation franchise tax from \$2.75 to \$3.25 per \$1,000.

*Change in corporate franchise tax allocation formula to include out-of-state concerns which sell products in Texas (food and drugs exempt).

*Raise in natural gas tax from seven to 7.5 per cent of value.

*Levy of five cents a drink on alcoholic beverages sold in private clubs.

A record \$5.8 billion biennial appropriations bill — \$13.8 million above the present general spending level — would provide a \$205.6 million increase for education, \$58 million more for health, hospitals and youth corrections, \$62.2 million increase for medical aid to the needy and a 10.4 per cent increase in state employees' pay.

When the major business of the session was over, legislature turned to other matters submitted by Gov. Preston Smith which included:

*Creation of 28 new districts over the state.

*Establishment of an antiquities code, setting state policies for historic and scientific explorations on state-owned lands.

*Removal of the statutory interest rate limits on state and local government bonds.

*A variety of "clean beach" legislation.

*Authority for creation of a non-profit corporation to provide

deposit insurance for state banks and savings and loan associations in the \$15,000 to \$100,000 range.

Lawmakers Raise Allowance
Before departing for the hinterlands, legislators voted themselves increases in their contingency funds.

House raised its allowance for each representative from \$450 to \$875 monthly during the interim between legislative sessions. Senators raised their expense maximum from \$1,000 a month to \$1,700.

Legislators in both houses are paid a salary of only \$4,800 a year.

Insurance Probe Ends
Governor's committee studying a proposed 11.4 per cent auto insurance rate increase recommended that the State Board of Insurance reduce insurance companies' expense allowance for acquisition of physical damage insurance from 25 per cent to 22.5 per cent of the premium dollar. This would scale down the proposed \$43 million overall increase by about 6.6 million.

Committee found an increase in premiums "inevitable primarily because of the large increase in automobile accidents and costs of repairs in 1968."

Otherwise, said former Gov. Price Daniel, chairman of the nine-member committee, the increase is "conservative compared with rates in other states, lower than most states."

Committee also recommended that investment income derived from auto insurance premiums and loss revenues be considered directly by the Board in determining allowance for profits and contingencies.

Governor Smith said he would make no statement on the report until he has studied it with his staff.

New Court Created
Total of 28 new courts will be

gin functioning over the state as soon as Governor Smith appoints judges to fill the benches. Twenty-seven were created in a package bill and another in a single-shot measure.

Big cities will get the bulk of the courts. Harris County alone will have six, Dallas five, Bexar and Tarrant two each. One new court each will serve the counties of Nueces-McCulloch, Potter and Randall, Bell, Jefferson, Brazoria, Denton, Angelina, El Paso, Gregg and Hunt.

AG Opinions
A person whose driver's license has been suspended must furnish proof of a valid policy of auto liability insurance or other proof of financial responsibility to get an occupational license. Atty. Gen. Crawford Martin has held.

In other recent opinions, Martin concluded that:

*All dredging of bay bottoms requires a permit from the Texas Parks and Wildlife Department since they are owned by the state. Burden of proof of private ownership is on the claimant. No permit is required for land owned under fresh water.

*Banking Commissioner has no power to force national banks to stop accepting deposits on Saturdays or other days they elect not to close. He can permit state banks to accept deposits on days they designate to be closed for general banking purposes but they would lose some protection against liability by having available only limited banking services.

*Texas Aeronautics Commission has jurisdiction to regulate for-hire air transportation (i.e. helicopters) wholly confined within the limits of any city or town. Agency also has power to seek injunctive relief against violators of its orders.

*Though the personal representative of an estate is not required to give security for costs, he is required to pay specified costs set out in law at the time of filing a proceeding in probate.

*Office of the ex-officio member of the Texas Air Control Board has been abolished by the Texas Clean Air Act which became effective September 1st.

*Psychologist licensing act is not in violation of the constitution, but proposed terms of the new board members—three years—are not in conformity with the constitution which prescribes six, four or two year terms.

Appointments
Governor Smith named Dr. El-Baum of Austin, state Democratic chairman, to a two-year term on the State Banking Board, succeeding Robert S. Strauss of Dallas.

Smith named Field Schovell of Dallas to the Board of Regents of Texas Tech University, replacing Charles D. Mathews who moved to the State Insurance Board. Senate promptly confirmed the appointments.

Governor named to the Board of Regents of Texas State Technological Institute Harold Glen Tate of Austin, Francis Verle Wallace of Amarillo, Russell Breckenridge Watson Jr. of Tyler, Joe J. Garza of Harlingen, Henry Clyde Schulte of Teague, Richard Lanier Thomas of Dallas, John Henry Kullgen of Waco, John W. Nigilazzo of Hearne and James Yancey Price of Lubbock.

Richard S. Robertson has been named to the job of state classification officer. He succeeds Everett L. Anschutz who joined the state employees retirement system.

October Draft Quota Set
Texas' October draft call is 1,461, reports Colonel Morris Schwartz, state Selective Service Director. This is 237 less than September.

National quota is 29,000 of which 27,600 will go to the Army and 1,400 to the Marine Corps. Called for State induction in August and July were 1,548 and 1,178. Total of 8,906 is scheduled to be forwarded for armed forces pre-induction physical and mental examinations next month in preparation for future calls.

Short Snorts
Newly-elected Rep. E. L. Short of Tahoka was assigned to the House committees on Labor, Liquor Regulation, Urban Affairs and Criminal Jurisprudence—the same spots filled by Rep. Randy Pendleton before he left for Washington.

Texas services to handicapped persons other than the blind will be consolidated under a new Commission for Rehabilitation, governed by a six-member board, beginning Sept. 1, as authorized by the 61st Legislature.

Governor Smith has received notification of a \$62,336 federal grant to establish a manpower planning staff in his office.

House resolution proposed study of using atomic energy to de-salt ocean water and transport it to dry West Texas and Rio Grande Valley.

Lubbock-Amarillo service proposes new air taxi and cargo routes over most of Texas.

Agriculture Department has given Rio Grande Valley cotton farmers in Cameron, Willacy and southern parts of Hidalgo and Starr counties until September 15 to clear fields of stalks under the pink bollworm control program.

Attorney General Martin says he will go to Washington to oppose that section of tax bill now being considered by a U. S. Senate committee that would remove the exempt status of municipal bonds.

Texas A&M's Texas Transportation Institute got a \$70,000 grant from the Governor's Office to make an air transportation study of Texas.

Lt. Gov. Ben Barnes will hire a fulltime staff of tax experts to guide the Senate.

Sen. J. P. Word of Meridian will be governor for a day September 20, and will be succeeded on September 22 as senate president protempore by Sen. Criss Cole of Houston.

Texas cities levying local option sales tax will get an additional \$5 million a year (rough estimate) from the new tax on beer and liquor.

Citizens Bank and Trust of Iowa Park (Wichita County) and First State Bank of Pottshoro seek charter from the State Banking Department.

Consumers can expect to see more disguised plastics in furniture, says Jane Berry, Extension home furnishings specialist. The increasing scarcity of furniture woods is prompting the use of plastics for shelves, drawers, decorative details and pieces molded entirely of plastic. And many of them look like wood so read labels and ask questions to determine construction materials when buying furniture, she says.

Mr. and Mrs. Lloyd Risley, Mr. and Mrs. Bob Cole and family, Mr. and Mrs. Steve Reynolds, Mr. and Mrs. Eldon Lyles and

Department of Justice. Q. I know that normal progress in school is necessary for a II-S student deferment. When I transferred from junior college to the state university some credits I had earned were not accepted. Will this loss of credits affect my classification?

A. Your draft board will have to decide this. It can grant a II-S deferment to you for the first year after your transfer, despite the loss of credits. Further deferment would depend upon the progress made at the new institution.

Q. How can I estimate the amount of my social security payments?

A. Your social security office has a pamphlet which shows the amount and gives examples of monthly payments to a worker and members of his family. This booklet is available without charge.

Q. I am a school teacher and signed up for social security. I do not work in the summer months of June and July. Can I receive payments for these months?

A. If you do not earn over \$140 a month as an employee, or render substantial services in self-employment in a month, you may receive payment for that month.

Q. My husband is under social security, but I teach school and do not work under social security. Can I pay in on my salary anyway?

A. Yes, but it is not required to do so.

Q. Does the Selective Service System prosecute persons for violation of the Selective Service law?

A. No, this is done by the

Questions & Answers On Selective Service

Editor's Note: Below are questions now being asked at draft boards. The answers are by Colonel Morris S. Schwartz, State Selective Service Director, 209 W. Ninth Street, Austin, Texas 78701. He will welcome your questions.

Q. I am a graduate student who has not been deferred. If I am ordered to report for induction in the midst of my studies, can my induction be delayed until I get my degree?

A. No, but you may request your draft board for a postponement until the end of the quarter, trimester, or semester. Boards have authority to grant such postponements.

Q. If I go into VISTA or the Peace Corps, can my local board give me an occupational deferment?

A. Yes, but it is not required to do so.

Q. Does the Selective Service System prosecute persons for violation of the Selective Service law?

A. No, this is done by the

COMMERCIAL GAME BIRD CONFERENCE

The first Texas Commercial Game Bird Management Conference will be held at Texas A&M University on September 19. Ben Wormeli, Extension poultry specialist, says the increasing interest in raising quail and other game birds in confinement on a commercial basis for meat production and also for stocking hunting preserves is the basis for the conference. It will be held in the Memorial Student Center, beginning at 9:30 a.m. Any person interested in this field is invited to attend, Wormeli said.

Enzyme laundry products fall into two classes, according to Extension Home Management Specialist Doris Myers. Some are complete detergents which can be used in the washer just like conventional laundry detergents. Other are enzyme pre-soak products that are designed primarily to be used for soaking before the regular wash detergent.

BOAT OPERATORS MUST RENDER AID

The Texas Water Safety Act requires boat operators involved in a collision with other boats to assist each other and to file a report of the accident if the amount of damage exceeds \$50, according to J. B. Phillips, law enforcement coordinator for the Parks and Wildlife Department.
Phillips said so far, only one accident report has been submitted for the Labor Day Weekend, indicating a relatively safe boating holiday enjoyed by Texans.

them from or minimize any danger caused by the collision, accident or casualty.

The accident report must be filed with the Texas Parks and Wildlife Department, the enforcement arm of the Water Safety Act, within 30 days after the accident. The reports are confidential and are not admissible as court evidence.

Phillips said so far, only one accident report has been submitted for the Labor Day Weekend, indicating a relatively safe boating holiday enjoyed by Texans.

Cornell Texaco SERVICE STATION

The 1970 light-your-fire Buicks are here.

They're just for you. The cars you've been asking for. From Buick 1970. This one is the GS 455. Sleek, sporty, exciting. Its engine? 455 cubic-inches. 350 horses strong. With a four-barrel carburetor that breathes through real air-scoops. Four on the floor? A finely tuned 3-speed automatic? Both are available. Power disc brakes. Positive traction differential. High performance rear axle ratios, too. And lots more. Wide-tread fiberglass belted tires that are standard on all 1970 Buicks give improved traction during braking, cornering and acceleration; significant increases in tread life, and substantially superior resistance to road hazards. Side guard beam construction for added protection. Body by Fisher. There's luxury, too. Bucket seats, if you want them. Full carpeting. Obviously the most exciting car we've ever made. And one that you've been asking for. See it. See all the 1970 Light-Your-Fire Cars. The Gran Sports and Skylark Sport Coupes and Convertibles.

Wouldn't you really rather have a Buick? GM logo.

Pending Tax Reform May Be Hoax

Texas homeowners, particularly those of modest means or small incomes, will be forced to pay higher city, school, county and state property taxes if legislation now being considered in Congress is enacted, Texas Attorney General Crawford Martin, said this week.

A "Tax Reform Bill" which has passed the House and is now being considered by U. S. Senators is not "tax reform" at all, but a cruel hoax to mislead the American people into believing the legislation will help the "little man," Martin said.

Provisions in the bill would remove the tax exempt status of municipal bonds and state bonds. This, Martin said, will result in higher interest rates and shift the additional cost to local taxpayers in the form of higher property taxes and increased costs for water, hospital rooms and college tuition fees and many other public services.

Martin said his office was well aware of the impact the removing of the tax exemption on municipal bonds will have on the public, since his office is charged with the responsibility of approving all bonds issued in the

State.

"Last year, I approved one billion dollars in bonds," Martin said. "If the same amount of bonds is issued next year, and the proposed legislation is enacted, it will cost the citizens of Texas \$450,000,000 more interest during the life of the bonds. This will be the equivalent of a head tax of \$45 for every man, woman and child in this State. This cost will reoccur year after year, and the figure increases as the State grows in population."

Martin noted that the mere threat of this adverse legislation has caused a substantial rise in interest rates on bonds that in recent weeks have come across his desk for approval.

The Attorney General termed the legislation "catastrophic" and said the tax-weary people of Texas cannot afford to pay 20 to 30 per cent more, and the corresponding increase in taxes, for desperately needed public improvements such as school houses, water and sewer systems and hospitals.

Martin has filed a formal statement of opposition with the U. S. Senate Finance Committee which is now considering the legislation.

H Community—Don Crockett, Joe Leonard, and Joe Glass.

These men served as delegates to the county convention held Wednesday to elect the county committee for the next term.

Texas Prison Rodeo Set For Month Of Oct.

The annual Texas Prison Rodeo will be held this year each Sunday through the month of October at Huntsville. The proceeds from ticket sales go to support a full rehabilitation program for the 12,000 inmates of the Texas Department of Corrections.

Reserved seat tickets are priced at \$3, \$4, \$5, and \$5.50 and may be obtained by writing Texas Rodeo, Box 99, Huntsville, Texas 77340 enclosing your check or money order.

Outstanding entertainers appearing on the program for each Sunday in the following order will be Wanda Jackson, Merle Haggard, Buck Owens, and Hank Snow.

Mrs. G. W. Estlack visited Thursday afternoon with Mrs. Nettie Curry in Palo Duro Convalescent Home in Claude.

Mr. and Mrs. Darrell Brogdon and children of Amarillo visited Saturday in the home of their parents, Mr. and Mrs. J. H. Helton.

DPS Recruiting Men For Patrolmen

Col. Wilson E. Speir, director of the Texas Department of Public Safety, announced today that the DPS is actively recruiting men to train for the post of patrolman.

The State Legislature, in the recently passed appropriations bill, authorized the Department to increase the strength of the Highway Patrol from 1,222 to 1,259 men. Those selected to enter training will fill these vacancies plus others created by promotions to other DPS services.

Speir said the next training school will begin October 21 at the DPS Law Enforcement Academy in Austin. The course lasts 18 weeks, and includes some 800 hours of intensive classroom work and supervised study.

Student patrolmen live in the Academy and are paid \$525 monthly. Upon graduation, their pay increases to \$630 per month, with all uniforms and equipment furnished. Patrolmen also receive an allowance for meals and cleaning.

Prospective applicants must be between the ages of 20 and 35; must be high school graduates or equivalent; of good moral

character; must be in excellent physical condition; and must have visual acuity no worse than 20/40, correctable to 20/20.

Speir said men interested should contact any DPS office or patrolman for an application. The completed applications should then be taken to the nearest regional, district, or sub-district DPS headquarters where the written examination will be given.

Applicants who qualify for further consideration will be given an agility test, and arrangements will be made for physical examination. Those selected for the Academy will be notified prior to the date for classes to begin.

New & Used Typewriters & Adders At The Leader Office

HOSPITAL NOTES

Patients as of Wednesday, September 24: Mrs. Emmett Bryson, Miss Emma Ashcraft, Mrs. Ida Mace, Mrs. Jimmie Frye, Mrs. Florence Harp, Mrs. J. C. Estlack.

COLTS SWAMPED BY WELLINGTON THURS.

The Clarendon Junior High Colts were swamped by the Junior High boys of Wellington in their game at Wellington Thursday night of last week. Wellington defeated the Colts by a score of 44-16.

Clarendon's only score came on a 34 yard pass from Hicks to Kenneth Reese with Hicks converting and a 20 yard run by Hicks for a TD with Michael Gardner converting. The Colts failed to score in the second half.

In commenting Coach Bromley reported the defense was terrible.

Cheerleaders presented a nice skit and led a fine pep rally Thursday afternoon.

The Colts will travel to White Deer tonight, Thursday, for their last non-conference game. Game time is 6 p. m.

SOCIAL SECURITY HOURS CHANGED

The hours for the Social Security office in Amarillo have been changed and the public is asked to please take note. The Amarillo office at 1006 Adams Street will be open from 8:15 a. m. to 4:30 p. m. each week day. The office will no longer be open later than 4:30 p. m. on Thursdays.

The regular schedule followed by the representative serving Clarendon will remain the same.

E. E. FOX FARM SALE OCT. 4

Mr. and Mrs. E. E. Fox will hold a Public Auction of farm items at their farm southeast of Lelia Lake at 10:30 a. m. October 4th. Cleatus Calloway of Frederick, Okla. will be the auctioneer. A list of items featured will appear in the Leader next week.

Mr. and Mrs. Guy C. Andis of Pampa have spent the past three weeks at their headquarters on the Griffin ranch.

Mr. and Mrs. John Just and family visited Mr. and Mrs. Ron Hefley and family in Amarillo Sunday.
