Donley County represented at "Main Street Project" session

Main Street Project introductory session was held Thursday, January 30th at 7:00 p.m. at the DeVille Restaurant in Memphis. This session was sponsored by the Chambers of Commerce of Memphis, Childress and Donley County. The meeting was for persons interested in the ideas and suggestions supplied by the Texas Historical Commission for the Main Street Project. Mr. Harold Kitchens, manager of the Childress Chamber of Commerce, presided over the topic discussion, assisted by Jeff Reed, of the City of Childress offices.

The Texas Main Street Project has been spreading the word about downtown revitalization for over five years. Since its beginning in 1981, the project has designated and provided technical assistance to 25 official Texas Main Street cities.

As the number of official Main Street Cities has grown, many other communities across the state have been inspired to become involved in downtown revitalization. Several communities have actually implemented comprehensive Main Street programs. These Texas com-

munities have become known as Self-Initiated Main Street cities, a term that is now used by "Main Street" Programs in other states.

Local members attending were Mark Winsor, Patsy Leffew, Jim Sharrar, Terry Floyd, David Davidson, Sandra Sliger, J.C. Woody and Helen Woody.

This was only an introductory session. A more detailed slide presentation will be held at a later date. Anyone interested should contact the Chamber of Commerce office at 874-2421.

7th Grade Colts wins district

By CRYSTAL HAVENS

We're going to beat Memphis, and put the Colts on top and you can count that we will never stop.

We'll work all day, and work all night and then we'll give it all our might.

It's Monday afternoon now, and almost five o'clock. The fans will be cheering, and the school will rock.

The score is 12 to 8, and the fans are all aglow. The know that we've got pride, yes they know.

The Colts, they won that district game and they put them in the school Hall of Fame.

The game is over, and the seasons gone, and the Mighty Colts only made one groan.

The groan that came on that day was because the season had gone away.

Crocket files for Commissioner Precinct 4

Don E. Crockett, farmer and rancher in the northeast part of Donley County, announced that he is seeking the office of County Commissioner Precinct 4. He stated "I would like to encourage people to speak their desires to the Commissioners Court. I will listen to each person with respect, courtesy, and concern. It is my desire to serve the people in Precinct 4 and the County in the best interest of all."

Don attended Oklahoma University and Tyler Jr. College and played football at both schools. After college, he served in the U.S. Marine Corp from 1957-1960. Don is married and has four children.

He said, "I look forward to visiting with all the people in the Precinct and would appreciate their consideration and support in the May election."

You have succeeded greatly in unifying the community and making our people become aware of crucial problems needing immediate attention. Let's not stop now. We must continue to take a proactive approach to solving these problems.

This year let's begin by asking our members to bring a guest and attend our second annual community meeting. We will review our progress and define our "Community" goals for this coming year. Don't begin the year by thinking that your presence at this meeting is not important. Look at last year and you will agree everyone's participation is needed for us to be a success. This is your town, your future...Take part in it.

Mike Wants To Be Your Pharmacist

Mike Butts

DO NOT USE AFTER...

Companies that manufacture drug products are required to provide the government with information about the life expectancy of their products. We commonly think of drug life expectancy in terms of the last day the product will have its labeled potency when stored under recommended conditions. The expiration date usually appears on the product container or wrapper in which the container is packaged. If the product has been repackaged by the pharmacist, the expiration may not be shown, except when the product has a rapidly approaching expiration date.

How long should medicines be kept and used when there is no expiration date? Generally speaking, oral tablets and capsules are stable for several months if properly stored away from moisture, heat, and light. Yet every product is different, so it is important to ask your pharmacist whenever you have doubts or questions.

More than loss of potency may be at stake. During the 1960's, patients who took old tetracycline preparations experienced a specific type of kidney damage. Although this problem has not been reported since that time, it serves as a warning that outdated medicines should not be used.

Fire and EMS personnel complete extrication training

Many of the Clarendon Volunteer Fire Department and Emergency Medical Services personnel recently completed a 15 hour training class in crash extrication. The class was held at the Clarendon Fire Station on January 6, 7, 9, 13, and 14 from 7:00 to 10:00 p.m. each night. Instructors for the class were Paul Taylor and Steve Davis, both paramedics from Amarillo Medical Services. Paul is also with the Potter County Fire Department and Steve is with the Canyon Volunteer Fire Department. Both men are on the rescue squads of their respective departments. Also observing part of the class was Mike Lindsley, paramedic and regional coordinator from the Texas Department of Health, Bureau of Emergency Medical Services out of Canyon. He is responsible for quality assurance where all ECAs, EMTs, and paramedics from Clarendon are concerned.

During the class, students participated in several areas of extrication which is the means by which a person is disentangled from a vehicle or from machinery using various tools and various pieces of medical

equipment. Students received visual instruction as well as hands on use of different types of stretchers, splints, ropes, belts, bandages, etc. as well as using the Jaws of Life and all of its attachments as well as hand tools. On the final night of the class, the students were divided into two groups with one group acting as victims and the other group as rescuers. Each group then switched roles and the exercise was circled by the instructors. Both instructors stated that they were very impressed by the quality of equipment and the abilities of the students who participated in the exercise. There were very few mistakes made with no major problems or mistakes made. They agreed that Donley County would be a good place to be involved in an accident as opposed to some other areas of the Panhandle because

of the knowledge and readiness of emergency personnel here.

Completing the class were Connie McAnear, JoDee Mincey, Edie Robertson, Faylon Watson, Wade Olsen, Duane Garman, Gary Thomas, Buster Gray, Donny Garman, James Thomas, Delbert Robertson, Mutt Graham, Lloyd McCord, Aris Thomas, Steve Smith, David Pitts, Bill Spier, Benny Osburn, Larry Taylor, Phillip Vargas, Jim Sharrar, Carol Thompson, Becky Lane, Nancy Watson, Fay Vargas, Mark Winsor, and Pat Robertson. Also completing part of the class were Terry Ashcraft, Danny Askew, and Jerry Morris.

The class was sponsored by the Clarendon Fire Department and EMS and offered through Amarillo College and Panhandle EMS System, Inc.

The fire and EMS personnel would like to thank everyone who donated materials for the class and who came by and observed the exercises. A special thanks goes to Eddie Floyd for all of his help in getting the class arranged and providing several of the cars which were used.

CHECK YOUR FILTER

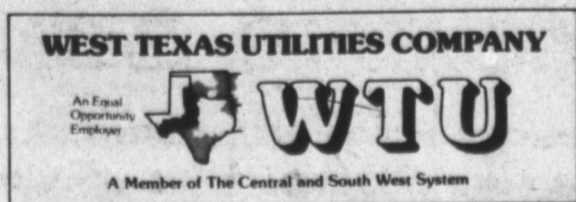

A Clean Filter Will Help You To Save Money In Home Energy Bills.

The purpose of a filter in your heating or air conditioning air blower is to help catch dust and dirt before it can enter your unit. In time, the filter will accumulate dust and dirt. If it gets clogged, your filter won't be able to do the cleaning job it is supposed to and your unit will use more electricity.

To avoid damage to your unit and to save energy and money, be sure your filter is clean. Permanent types can be cleaned according to manufacturer's instructions. Non-permanent filters should be replaced.

West Texas Utilities recommends checking the filter in your heating unit once every 30 days to help keep your system in top operating condition.

Watt's Happening in Hedley

by Peggy Watt

Fred and I joined Su-San at Collingsworth General Hospital last Tuesday when Mother had a gastro-scope. The doctor had told us that she might have cancer, but when they saw the scope picture, it was an ulcer. She came home that evening and is doing well. She attended the last home game of the boys basketball team Friday night. Keith and Steve Mullins are members of the team and she told them if they didn't play 'nice' and well, she would come out on the court and whip them. She should have been going with them all season. They played the best game of the season even though they lost.

Leroy and Opal Hartwell and James and Nonie Hartwell of Amarillo spent Sunday with their mother, Mrs. Nora Hartwell. When I talked to her, she told me she had been to the doctor and got a shot for her arthritis and was feeling better.

Tracy Sanders of the U.S. Navy is visiting his parents, Sam and Flora Sanders and sisters Helen Lindsey, Joyce Woodars and Orea Ott and their fam families.

Clyde and Mildred Hoggard visited with their daughter, Cecilia Lemons in Hall County Hospital last week. She went home Saturday and is doing better.

Betty Hix of Amarillo came Friday and spent Friday night with J.T. and Helen Lamberson. She and Helen went to Pampa to see Helen's great granddaughters, Mikala and Ashley Lamberson compete in a baby beauty pageant. Helen told me the judges were biased. Her little girls didn't win. They returned home and Betty accompanied Helen to church Sunday morning. Helen told me she talked to Pie Adamson and Pie told her she was getting adjusted in her new home in Canadian.

Bill and Tena Powell and Opal James visited with L.D. and Darlene Ball Sunday afternoon. I saw Bill at the Hill Goden Wedding reception, but didn't see the ladies. I'm sure they were there.

I did visit with Velva and Arthell Gibson of Pampa at the reception. I don't know how she does it, but Velva stays as pretty as she was when she was a girl.

Mahdeene Debord spent a few days last week in Amarillo visiting with her mother Mrs. Allie Barrington and children, Troy and Connie Lee Wilson, Cory and Brad.

Woodrow and Ora Pearl Farris spent the last weekend in Wichita Falls with their daughter and family, Don and Erma Lee Young. Orea Pearl told me they had been planning to go down, but couldn't seem to make it until now.

Etta Mae Cherry went to Amarillo to the doctor last week. She told me she is doing well. Her niece, Jerry and Billie Williams of Bartlesville, Oklahoma stopped by for a while last week. Lynn and Gennie Cherry of Amarillo came Sunday and brought her great grandson, Jason Cherry, to see her.

Pick Cox spent the weekend at home with Laqueta. He attended a funeral in Paducah Sunday.

Leon brought his friends Mike and Kathy Dudley up to visit Sunday. Mike has a pet snake and he needed to catch some mice to feed it. I'm glad I wasn't at home. I don't like snakes or mice, either. I like Mike and Kathy just fine though. They found some mice under the hay stack.

Murrell and Dorothy Whitaker are still in Houston. They are taking advantage of the good weather to visit with their children, I guess.

The weather has certainly been pretty. I saw a peach tree in full bloom in Mrs. Ogren's backyard Sunday. I'm afraid she'll lose all those pretty pink flowers.

It tried to rain Sunday. We got what I think is referred to as a trace. The ground was wet and there were little puddles standing in the low places. Gerald Bland's mother used

to say we'd all feel better if we could get a good rain. I know exactly what she was talking about.

I saw and heard Helen Solomon at the ballgame Friday night. I don't know who was the loudest she or Nancy Mullins. I couldn't keep them over my own noise. I think I held my breath for the entire last quarter of the girls game.

Steve and Jear Stafford and Robert of Carlsbad, New Mexico spent the weekend with her mother, Mrs. Flossie Wood. They were here for the Hill's goden wedding celebration.

J.B. and Yvonne Belle McDaniel attended the birthday party for Roy Brown Saturday.

Pete and Leveta Matthews of Hereford visited with his sister, Juanita Brown, over the weekend. They attended Roy's birthday party.

Jody and Vera Ray of Mabank, Texas attended Roy's birthday party. Vera is Juanita's sister.

Jim and Sharon Boliver and Angie of Amarillo spent Sunday with his mother, Mrs. Joyce Boliver.

Cherry Nell Hernandez of Wichita Falls stopped and visited with her grandmother Mrs. Etta Mae Cherry Saturday enroute to Dumas to see her father Troy Brown.

T. and Nancy Mullins took Mother to Collingsworth General Hospital Friday night. When I was over there Saturday evening, she thought she might get to come home Sunday, but didn't.

Red and Dean Hill were both in Amarillo last week for them to see their doctors.

I made a mistake in the article last week about Murrell Whitaker. I stated that his birthday was June 28, 1918. That was wrong. It is June 29, 1918. Sorry Murrell. I know that for some of us, every day counts!

Carl Cox spent the weekend with his mother, Laqueta Cox.

J.T. and Helen Lamberson have been enjoying the company of their son and daughter in law, J.T., Jr., and Colleen Lamberson of Houston. Sonny commutes from Houston to his job in Alaska. Saturday they all went to Mountain View, Oklahoma to the horse sale. I understand J.T. bought some much needed tack. They got home just in time for Helen to make it to church.

Beaulah Hall had her son Radell Sanders of Tulsa with her at lunch at the Senior Citizens one day last week.

Don Blanks is home after accompanying his sister Patsy Spier home to Burleson where he spent a few days. We've been missing him at church.

Tode Hill had been under the weather. He missed being in town all last week. When I talked to Mattie Laura she told me she thought he'd be able to start tending to business again before too long. It's a good thing. Things are about to go to rack and ruin without him.

Clyde and Mildred Hoggard attended the musical at the Clarendon Senior Citizens Friday evening. Their granddaughter Candi Hoggard returned home with them for the weekend.

Mrs. Nora Hartwell and Mrs. Ray went to Memphis to the doctor Saturday. When I talked to Mrs. Hartwell, she told me they were both better.

Evelyn Messer is in Northwest Texas Hospital where she had surgery last week. I talked to Lyndon Sunday and he told me she hoped to be home in a few days and that she was improving.

Dorothy Crawford and Pauline Kaufman sent the weekend in Amarillo with their children. Dorothy visited with her daughter Ronnie and Carolyn Blackwell, Scott, Steve, and Shanda, and Pauline visited with Iman and Martha Crawford, Iman, Jr., and Jerrod, Bobby and Jeanine Celey, Mike and Robert, Carrie Jackson, Jarron and Ryan Brandon, and Ronnie and Wanda Knightstep.

Heather and Chip.

Bobby Roland spent the weekend with his parents, Bob and Jessie Roland. Pat was in San Antonio on school business.

Ethel Favor and her daughter Alice Paschall of Amarillo returned home from spending several days in Tulsa, Oklahoma where Ethel's other daughter, Barbara Owens had surgery. Ed took her back Monday. He returned home but Ethel stayed for a while.

Eloise Spalding has the flu. That stuff strokes in a hurry. Just last week she told me she was healthy.

Dave McKay of Amarillo stopped by and left us some venison sausage. It was the first I'd ever tried. It wasn't too bad. He hunts doves on our ranch during dove season.

Don and Doris Rieken and Rachel spent the weekend in Dalhart with their son, Shane and Kathy Reiken, Michelle and Joshua. Shane is on the police force there.

Terry and Barbara Collins were in Farwell part of last week for the memorial services for his great aunt and uncle, Frank and May Belle Edwards. Mrs. Edwards was the sister of Terry's grandmother, Mrs. J.J. Terry.

Lynn and Gennie Cherry of Amarillo and Howardwick visited with his mother Mrs. Etta Mae Cherry Sunday.

Red Hill, Guy, Keith, and Fred treated Dean and me to dinner at the Branding Iron Restaurant Sunday evening. It was for no special reason and Dean and I were a little suspicious about the cause. They went to Wellington on what they called 'business' Thursday. We wondered what the business was all about, but since both of us were at work we couldn't go with them. Actually they went to buy some pigs and we were celebrating Keith's birthday. He was 17 years old Monday.

Murrell and Dorothy Whitaker left for Houston where he has an appointment to see his doctor. The day they left the wind was blowing straight out of the north at 30 miles an hour, so they should have made good time.

If you've seen the January issue of 'Reader's Digest,' you probably noticed the section called 'Cowboys'. It is a series of candid snapshots of cowboys going about their usual day to day routine. One shot showed an elderly cowboy sitting in the sun taking a break. Seated next to him is a small cowboy possibly 4 years old. I don't have any idea who the little cowboy is, but the elderly one is the late Joe Waddell. He was the brother of Bill and John Waddell. The picture is easily recognizable as Joe. John stopped by the Senior Citizens Center Monday to show it to me.

I read in the newspaper that Mrs. Jessie Lee McMurtry had died. She taught home economics here when I was in high school, many long years ago.

I talked to Kendra Martin last night, and she told me that her brother Matt had left home. Seems he had a disagreement with Sis and moved in with Walter. I think his 'Pa' lets him do just about as he pleases and his mother expects him to behave. Matt told Sis of Walter got busy, she could be his babysitter.

The Hedley basketball teams had a little trouble last week. They traveled to Silverton on January 21. The Owls lost 51-61. High scorer was Keith Watt with 18 points followed by Terry Moore with 16.

On January 24, they hosted the Valley Patriots on the home court. Again, they lost, 42-95. Top scorer was Kelly Harmon with 15 followed

by Keith Watt with 12. Keith had a little foul trouble! The Valley Patriots are currently rated 10th in the state.

The Owls traveled to Lakeview Tuesday night and will host Silverton Friday night.

I didn't get the girls scores so don't know how they played. Mr. Hill was busy with something else and didn't have time to get the information to me.

I talked to Miss Springer and she told me that the University Scholastic League Literary events were scheduled for March. The elementary contests will be held at Hedley on March 25. There seems to be greater interest in the events this year than there have been in several years. I talked to several children and they are excited about taking part in the contest. I'll try to have a run down on the events and those who have entered them. Kevin Johnson told me he was working on his spelling and maybe a poem.

The high school events will be held in Clarendon on March 21 and 22, I think. Miss Springer told me they would be picking out the one-act play sometime this week. She has several high school students taking drama this year. She told me that Shawn Bright was going to be outstanding.

The Hedley basketball teams traveled to Lakeview Tuesday, January 28.

The boys lost 31-52. Kelly Harmon scored 9 points. He was followed by Terry Moore with 6.

On January 31, the Owls hosted the Silverton team. Again they lost. The score was 51-54. Keith Watt led the scoring with 23 points. Kelly Harmon and Tony Monroe each had ten points.

They will travel to Valley on February 4th for the final game of the season.

The girls have won all their games except one. They lost to Valley High. They will play next week for bi-district. Mr. Hill didn't get me the information about the scores, but I do know that the girls have done a good job this year. They are a small team, both in size and number. At no time have they had more than six girls in suit. There have been games when they played with only five players.

The Hedley CISD Board of Trustees met in regular session in the school library. The following business was conducted:

*A discipline management plan was approved. Committee members working on the plan were Glyndol Holland, Ricky Springer, Stephanie Holland, Carole Ward, Kay Talley, Sharon Wheatly, Hoss Pickard, and Shauna Monroe.

*A board election was called for April 5, 1986. Two positions will be open for three year terms, and one position will be open for an unexpired term. Applications for a place on the ballot will be accepted through March 5.

*Mr. Holland reported that as of January 7, 1986, Donley County taxes showed a collection rate of 64% and Collingsworth taxes had a collection rate of 58%. Charles SoRelle reported that this figure was ahead of last years collection rate.

*The Board decided to allow the Public Utility Commission to do a direct on site evaluation of energy usage by the school. The service would be provided at no charge.

*The Board accepted the resignation of Bob White as a Board member. Bob has moved to Granbury where he is beginning work for Farm Bureau Insurance Company.

The contract of Superintendent Glyndol Holland was extended for one year.

*The petty cash report was re-

viewed.
*Mr. Holland gave the superintendent's report.
*Current bills were paid.

MR. & MRS. F.L. (TIGE) HILL

Hills celebrate fifty years of marriage

F.L. (Tige) and Jonnie Hill celebrated fifty years of wedding bliss Sunday with a celebration that began with a touching and moving ceremony in the First Baptist Church when they renewed the vows they exchanged fifty years ago.

Barbara sang 'The Way We Were'. She was accompanied by Mrs. Pat Knowles.

Rev. Bryan Knowles read the vows which they reaffirmed.

Many of their relatives were present to witness the renewal of their vows. Many more friends were present.

At the reception in the Hedley Lions Den later in the day, guests

were served cake, punch, nuts, and mints by several nieces.

Almost everyone in town registered during the afternoon. Visitors from as far away as California were present to help Tige and Jonnie celebrate. Approximately 175 friends and relatives attended.

Everyone who saw it, enjoyed their car which was painted like any newlyweds.

Tige and Jonnie are both natives of Hedley. They traveled during their younger years in Tige's work, but they returned to Hedley when they retired.

A number of beautiful gifts were on display.

ROY AND JUANITA BROWN at Roy's birthday party. Standing are

Grace Burkhalter, Marie Norton, Kay Miller, Johnny Brown, Roy Brown, Jr., Helen Crump.

Roy Brown celebrates 75th birthday

Someone once said that the success of a man is judged by those he calls friends and the children who love him. If that's the case, Roy Brown is one of the most successful men in Donley County.

Roy celebrated his 75th birthday with a party hosted by his children in the Hedley Lions Den Saturday, February 1.

The guests were registered by his granddaughter Sherrie Linley of Oklahoma City.

The birthday cake featured a windmill and pond with evergreens and 75 candles. It took him a while to blow all of them out, but he finally got them all out. Roy spent most of the afternoon greeting his guests seated in a beautiful recliner, a gift from his children.

Roy and his wife Juanita are the parents of six children. Grace Burkhalter lives in Dell City, Oklahoma with her husband Jesse. They

are the parents of five children.

Johnny lives at San Marcos with his wife Kay and their four sons.

Kay Miller lives in Amarillo with her husband Jimmy.

Marie is married to R.L. Norton and lives in Memphis.

Helen Crump lives at Hedley with her daughters.

Roy Jr. lives here also with his wife Sue and their children.

All the children were present to help him celebrate.

Among the grandchildren and great grandchildren were Rhonda Weibel, Shanna and Joseph De-wayne, Wade, Donnie, and Jesse Brown of San Marcos, Doug and Debbie and April of Amarillo, Sidney Ketchum and Sarah Chitwood, Jennifer and Heather, Lesley, Susan and Cindy.

Approximately 100 family and friends called during the afternoon. Roy Brown is a successful man.

4TH GRADE CLASSES in front of Church. They rang this bell in tribute to the crew of the shuttle. 4th graders pay tribute to shuttle crew

The fourth grade classes and their teachers from Clarendon Elementary School participated in the bell ringing tribute to the crew of the Space Shuttle Wednesday, January 29, at 10:38 a.m. The boys and girls and their teachers, Mrs. Tena Moor-ing and Mrs. Bonnie Gooch, walked from the school to First United Methodist Church in Clarendon where the children took turns, two-by-two, ringing the bell until it had

been rung for seven minutes. The children, of course, knew the reason for the tribute. Some of them mentioned their sadness for the families of the crew members who were lost. Others encouraged continued support of the Shuttle program and its use of civilians. Thank you to these teachers and boys girls and to Mr. Guinn for allowing this special tribute to take place at the Church.

Firebelles to sponsor volleyball tournament

The Clarendon Firebelles will sponsor a volleyball tournament on February 20, 21, 22, at the old college gym. Admission will be \$1.00 for adults and 50c for children under age 12.

Proceeds from the team entry fees and admissions will be used to benefit the Firebelles. The primary functions of the Firebelles are to provide for burned out families and support the Clarendon Fire Depart-

ment with refreshments at fires and assisting financially with the purchase of new fire equipment.

The public is urged to attend this tournament and to support this cause.

Hedley girls play bi-district

The Hedley girls basketball team will meet Nazareth in a bi-district basketball game Friday, February 14, 1986 at Clarendon College gym. The game will start at 7:00 p.m.

Chamber members attend Collingsworth County Banquet

Patsy Leffew and Helen Woody represented the Clarendon-Donley County Chamber of Commerce at the Collingsworth County Chamber banquet Saturday, February 1 at the Handy Community Center.

A Sesquicentennial theme was chosen and those attending came dressed in pioneer clothes -- dresses of yesteryear and overalls or early Texas trousers. Prizes were given to those whose costumes were judged most appropriate. Entertainment was furnished by Jay McAlister's Theater Arts Class of Wellington High School. "The Saga of Sagebrush Sal" is a 30 minute production recommended to Mrs. McAlister for this Sesquicentennial year. The audience joined in by hissing the villain and cheering the hero and heroine. Jamie Johnson played his guitar and sang the moving theme song adopted by the State Texas Sesquicentennial Committee. Awards given were Community Service Award, Sales and Service Award and Presidential Award. Several clubs and organizations also presented awards or recognized recipients.

A delicious barbeque dinner was catered by Country Cuisine Catering of Wellington.

Chamber giving away Sesquicentennial Carbine

The Clarendon Donley County Chamber of Commerce will be taking \$1.00 donations on this Texas Sesquicentennial Winchester Carbine. The carbine is to be given away May 22, 1986 when the Texas Wagon Train arrives in Clarendon. You do not have to be present to win. The carbine is presently on display in the lobby of the First Bank & Trust of Clarendon. Please go by and see this beautiful rifle. The display case was designed and handcrafted by Mike McCully, Lelia Lake, and will be given away with the gun. Donation tickets are available at the Chamber of Commerce office in The Clarendon Press building, phone 874-2421.

This Model 94 Winchester Carbine in 38-55 caliber has an 18 1/2" barrel with gold plated barrel bands and receiver. The receiver is roll engraved with scenes from Texas history and from the present with original engraving done by Genovelli of Italy, master engraver known worldwide for his unique skill. The rear sight is patridge and the front sight is post. The Carbine style stock and fore-end are satin finished select walnut checkered with a unique spade pattern.

This Texas Sesquicentennial Winchester Commemorative Carbine is

the first ever made in this caliber and barrel length even though the 38-55 was one of the original 94 calibers. The gold plated medallion embedded in the butstock shows the Winchester Wagon being pulled four-up by mules and has 1836-TEXAS-1986 and SESQUICENTENNIAL outlined along with the Texas Sesquicentennial and The Texas Wagon Train logos.

Etched in gold on the barrel near the receiver is "1936-TEXAS-1986" adding to the collectability and value of this rifle.

The Texas Sesquicentennial Winchester Commemorative Carbine comes packaged in an art "sleeve" surrounding protective styrofoam. The art "sleeve" is reproduced from an original oil painting by Mr. B. Herd of Dallas, Texas and depicts events from Texas rich history and heritage.

Serial Numbers of the Texas Sesquicentennial Carbine are TEX-1 through TEX-15,000. A number of this issue have been reserved for presentation to various mayors, museums and public officials as part of the Texas Sesquicentennial Celebration. Serial Number for this carbine is TEX-1547.

Sesquicentennial Quilting Bee to be held Feb. 21, 22, 23

The Texas 1986 Sesquicentennial Quilting Bee will be held February 21, 22, and 23 in Canyon at the Panhandle-Plains Historical Museum. The Quilting Bee is co-sponsored by the Museum and the Texas Agricultural Extension Service, according to Museum curator JoAnne Aram.

The Quilting Bee is the final event in the 1985-1986 Panhandle-wide Sesquicentennial Quilting Project. Quilt block competitions have been held in the top 26 counties, with local quilters entering their own special quilt blocks designed to represent a specific characteristic of each quilter's own county.

The top blocks were chosen in each county by panels of judges. Entries were evaluated on overall appearance, workmanship, originality of design, adherence to theme, appropriateness of material, and use of color.

The first-place blocks will arrive in Canyon at the Museum on February

1, where on February 21, 22, and 23 they will become part of a queen-size Sesquicentennial Quilt. Each county will have a block, and the remaining four blocks will represent the Museum, the Extension Service, the Sesquicentennial, and the Panhandle.

"During the Quilting Bee, area quilters will come to the Museum to actually finish the quilt. We'll set up a quilting frame in the Museum's front hall, and the public can watch as the quilt actually takes shape," she said.

Anyone with quilting experience is eligible to participate in the quilting bee, Aram said. Each quilter will be assigned a 20 minute session. Reservations must be made in advance, and each quilter may have only one 20-minute slot. The Quilting Bee will take place three days in February, she added. The days and times are: Friday, February 21, from 12 to 5 p.m.; Saturday, February 22, from 8 to 12 p.m.; and Sunday, February 23, from 2 to 6 p.m.

"We hope that quilters will join us from all of the top 26 counties of the Panhandle, because the Panhandle Quilt is the only Panhandle-wide activity celebrating the Sesquicen-

tennial. All the names of the Quilters will be entered in a special book to document the occasion for posterity. Also, the Panhandle's Quilting Bee is the only activity of its type this year in the entire state of Texas," Aram noted.

Advance reservations may be made by calling JoAnne Aram at the Museum at 806-655-7191. Additional information on the project is available from each county's extension agent.

On January 24th, we had thirteen musicians and thirty guests. Musicians were Jerry Chambliss, Clyde Hoggard, Hugh Neuhaus, Bailey Estes, Truett Behrens, Creed and Jake Smith, Ray Anderson, Carol Thompson, Lucille Smith, O.C. Edwards, Bill Meador (visiting from Pasadena, Texas) and I thumped along.

The following enjoyed an Arts & Crafts outing on Thursday, January 23rd: Alma Bingham, Verdie Tipton, Ann Bunyan, Norma Corgill, Cennet Rhode, Lucille Jenkins, Ruth Mandrofsky, Fannie Wilson and Ama Res Hamblen.

Had four birthdays and no anniversaries present at the January Birthday/Anniversary salad supper on Tuesday, January 28, 1986. Birthday people present were Frank Barbee, Truett Behrens, Marie Sides and Jake Smith. After the happy birthday song and picture taking, everyone enjoyed a delicious meal. A lot of visiting goes on while we are eating. Numbers 4, 30, 36, and 38 were drawn for the auto beverage holders given as door prizes. Those numbers were Marie Sides, Fred Russell, Veda Elliott and Jake Smith. After supper, we were entertained with music by Creed and Jake Smith, Ray Anderson, Hugh Neuhaus, Jack Davidson Truett Behrens, Dee Williams, Wally Sides and Lucille Smith.

On Wednesday, January 29th, Arts & Crafts took a tour at one of our local gift shops, the Treasure Chest. They gained lots of ideas in stenciling, basket decorating and other hand work. Nova Neuhaus, Chairman, encourages you all to come join their group and share your favorite craft with them.

Been having good crowds at game night on Thursdays of each week.

Our musical jam sessions on Fridays are super fun times. January 31st, thirty-three enjoyed the music by Creed and Jake Smith, Ray Anderson, Hugh Neuhaus, Dee Williams, Truett Behrens, Bailey Estes, O.C. Edwards, Jack Davidson, Fred Fortenberry and me. A big thanks to our new employee, Eda Wallin, for helping with the jam session and the birthday party. Also thanks to Brack and Billie at the Bronco Sweet Shop for the donuts. I don't know who to thank for the dip and chips, but we did enjoy them.

Fun After Fifty had a good day Saturday, February 1, 1986. Played games a while, then were entertained by the Senior Citizens Singers Odie Moss, Rose Lee Watson, Fred Fortenberry and Norma Corgill. Had a short business meeting, enjoyed a really good dinner and played games again.

Lady Broncos beat Wellington; lose to Memphis

The Clarendon Lady Broncos romped past Wellington last Tuesday by a score of 60-47. The Rockettes were 5-0 for the first half of district play. Friday night Memphis came out the winner in overtime by a score of 37-33. Memphis is now 3-0 for the second half of district play.

In the game against Wellington, the Lady Broncos played the finest game, offensively and defensively, that they have played this year. This is a tribute to the character of the team, since most teams having a difficult year usually do not play inspired ball late in the season. Against Wellington, the Lady Broncos shot a torrid 60% from the floor as they converted 9 of 15 in the opening stanza. The field goal percentage was good throughout the game as the Lady Broncos converted 28 of 62 for a very respectable 45%. According to Coach Bob Howell, another key factor in the Wellington game was Clarendon's ability to dominate the boards both offensively and defensively throughout the contest. The most noticeable improvement in the varsity girls was their

ability to handle the Wellington full court press for 32 minutes.

The Lady Broncos co-captains, Janet Risley and Tammie Chambliss, had their most effective scoring night of the year as they tossed in 19 and 17 points respectively. Risley garnered 7 caroms and Chambliss added 6.

Against the Rockettes, Kristin Couch scored 12 points; Kami May 4; Shanna Cole 2; and Gwen Bohanon 2. Couch led all rebounders with 10; Cole had 4; Bohanon 2; Brigett Spier 1 and 2 assists.

Friday night the Lady Broncos lost a close one to Memphis in overtime 33-37. Once again the full court press was not a factor, but the Lady Broncos old nemesis - turnovers haunted them the second half. Couch led all scorers with 12 points; Risley and May contributed 6; Spier 4; and Bohanon 5. In the rebounding department Couch had 11; Risley 9; Chambliss 5; May 3; Cole 1; and Christi Knorpp 2.

The Lady Broncos finish the 1985-86 season this Friday night in Shamrock.
