A friend to the farmer, his home and his family. A champion of his rights and a willing promoter of his interests.

Volume 13 Number 5

CLARENDON, DONLEY COUNTY, TEXAS, MARCH 26, 1942

A Common Paper for Common People

Ballew Named Vice-President Texas State Swine Breeders Association

E. S. Ballew, well known Donley county Hampshire breeder, was signally honored at Ft. Worth last week when he was elected vice-president of the Texas State Swine Breeders Association, composed of all the leading swine breeders, packing house men, county agents, and vocational agriculture instructors, and extension service specialists in the entire state.

Ballew's Hampshire herd, recognized as one of the largest, and of the highest quality in the state if not in the southwest, has furnished more prize winning barrows for club boys work than any other several herds in the state during the past five years.

Mrs. Willie Goldston Dies Monday

Mrs. Willie Goldston, 53 years old, died at her home, 1607 South Polk St., Amarillo, Texas, following a lengthy illness. She was born February 22, 1889, and died March 23, at 6:15 p. m.

Four children were born to them, who also grew up and received their education here. Mrs. Goldston had lived in Amarillo since 1928, and was a member of the First Christian Church there.

Funeral services were held in the Boxwell Brothers Funeral Chapel in Amarillo at 10 o'clock this morning.

Services were concluded at the cemetery here in Clarendon where she was buried in the Goldston family plot.

Funeral services were held in the Boxwell Brothers Funeral Chapel in Amarillo at 10 o'clock this morning.

Funeral services were held in the Boxwell Brothers Funeral Chapel in Amarillo at 10 o'clock this morning.

Judge Moss Is Making Time

Making it a rule to save the county every expense possible, Judge A. S. Moss arranges the docket that he may clear the non-jury cases at one time.

Most of Tuesday was taken up in hearing the divorce cases of David Turner vs Pearl Turner, granted; Lois Aleta Foster Arcey vs Ullis Charal Arcey, granted.

Frank Coleman, who lives near Quail, was painfully injured Tuesday afternoon, March 24, when he was pinned between a tractor and the windmill at his home.

GRANDJURY RETURNS EIGHT INDICTMENTS

Results of investigations by the present body of grand jurors this term of court shows eight indictments during the first session. Robert C. Looper, charged with theft over \$50 and burglary of the homes of Watt Hardin and J. L. Dale was indicted four times, two times for each place.

Prairie Fire Destroys Grass on Ranch

Prairie Fire! A sweeping menace to the West Texas cattlemen and scourge of the Plains country, means hours of toil and the danger of life and property to the ranchers of our community.

One fire alone, on the Word Ranch, fifteen miles south of town was fought several hours by local firemen and volunteers Saturday night before it was brought under control.

I wish to thank each individual who assisted in extinguishing the recent grass fire on the Word Ranch," stated J. L. McMurtry to one of the Leader force Wednesday.

Neighbors spirit still plays an important part when someone is in trouble, such as this recent fire. Everyone can be of great assistance, not by fighting fires but by helping to prevent them.

CHURCH OF CHRIST TO CONDUCT REVIVAL

M. F. Manchester, local minister, announces that H. P. Cooper of Hereford, Texas will begin a revival meeting at the Church of Christ Friday evening, April 3rd.

Soil Building Is Encouraged

County agent H. M. Breedlove announced this morning that information from the state office was that 35¢ per acre would be paid for the leaving of stalks on the land in 1942.

Strip cropping used in combination with contouring will pay \$1.00 per acre, and this also comes out of the soil building allowance.

Any farmers wishing information as to whether he is earning all of his soil building allowance or not should get this information from the county agent's office.

MOVE BUSINESS

Mr. and Mrs. Mauldin, who have operated a cafe and grocery business for some time up near the tourist court in east part of town, have leased the V. W. Carpenter building where they will continue their business down town.

FRANK COLEMAN INJURED

Frank Coleman, who lives near Quail, was painfully injured Tuesday afternoon, March 24, when he was pinned between a tractor and the windmill at his home.

The tractor was being used for pulling pipe from the well, when it rolled backward against Mr. Coleman.

He was rushed to Wellington for treatment, and later taken to St. Joseph's Hospital, where he is now confined.

Clarendon Clinic Hospital Notes

Medical patients: Mrs. Roscoe Land, Hedley; Mrs. Claude Eastertling; Mrs. J. C. Stogner; Mrs. Charlie Johnson.

GRADUATES FROM FLYING SCHOOL

Word has been received that Randal Acord, son of Mr. and Mrs. J. M. Acord, has been graduated from the Air Corps school at Luke Field, Phoenix, Ariz.

SAFE IN AUSTRALIA

Mr. and Mrs. W. K. Davis of the Sunnyview community were in receipt of a telegram Monday from their son, Clarence (Skeeter) Davis, who reports that he has arrived in Australia safe and sound.

FROM HOT SPRINGS

Mrs. C. W. Galloway is visiting her parents, Mr. and Mrs. C. E. Griggs this week. She was accompanied by Mr. and Mrs. L. T. Gum of Meade, Kansas, who have been visiting the Galloways at Hot Springs. They left Wednesday for their home in Kansas.

CENSUS ENUMERATORS FINISH WORK

School census enumerators finished making the rounds this week, but there is a possibility that some new child or someone that is of age has been missed.

Hedley Man Stabbed Over Fence Dispute

A quarrel over the exact location of a fence Monday morning sent John Koeniger of Hedley to the Clarendon Clinic with a slash over the abdomen; and Hedley people are stunned over the regrettable assault involving two men whose standing is rated high in the Hedley district.

The altercation is said to have arisen between De Franklin and Koeniger over the location of a fence east of Hedley about nine o'clock Monday morning.

Charges against Franklin are pending the action of the grand jury which is now in session.

BALLEW'S HAMPSHIRE WIN RECOGNITION AT FT. WORTH

FOOTBALL TRAINING TO START MONDAY

Approximately 25 boys will answer the call for the annual Spring training period next Monday, assistant coach L. B. Penick stated today.

This is the time of year when the coaches round up the boys and start figuring out the possibilities for the coming fall season.

VISIT PARENTS

Artis and Billy Patman of Canyon spent the week end with their parents, Mr. and Mrs. W. M. Patman. They were accompanied by Dr. Lloyd Smith, also of Canyon.

VISIT HOMEFOLKS

Frances Grady, Jean Taylor, Estelle Thornberry, Phoebe Ann Buntin, Ethelyn Drennan spent from Friday until Monday with their home folks.

Barrows and Gilts Available for New Club Members

J. R. Gillham, Clarendon F.F.A. Adviser, announced today that there were a number of Berkshire, Poland China, Hampshire, Duroc, and Chester White, and Spotted Poland China gilt and barrow pigs available for new club members.

The F.F.A. boys have for service outstanding Poland China, Duroc, Chester White, and Berkshire boars. These boars are used for club boys work and are open for public service at a fee of \$2.50 per breeding service.

The local club youths have built up a most outstanding record in pig club work, and any youth interested in joining the work should contact Gillham at an early date.

Full Acreage Allotments Urged

County agent H. M. Breedlove is urging that all farmers in Donley county plant as near to their cotton allotments as possible for 1942.

Three lovely quilts have been turned in this week. Two were turned in by the Clarendon Home Demonstration Club under the direction of Mrs. O. C. Watson.

NEW TEACHERS AT ASHTOLA

The Ashtola school has two new teachers this week. Mrs. Mary Sue Longan has accepted the position of principal and Miss Mattie Rhodes the intermediate grades.

Mr. and Mrs. Garland Clemons resigned to accept similar positions in Childress county.

CAR BURNS

A 1935 Chevrolet, belonging to Noel Hewitt caught fire Sunday night as he was driving home, destroying the car with the exception of the tires, which were not damaged by the fire at all.

RED CROSS VOLUNTEER SERVICE

To the American public, few people are more important today than the Red Cross First Aid instructor.

Faced with the ever present threat that enemy bombers may engage in destructive forays over American cities, the public has been quick to sense the necessity of learning what to do should it suddenly be confronted with the ticklish task of stopping blood from a spurting artery or giving the next door neighbor emergency care for traumatic shock.

W. A. Riney, chairman of the first aid in this county, finished Wednesday evening his second class bringing the total to receive first aid training to 153 since December. Other classes will follow soon and shortly he expects to begin his advanced courses.

A part of the Red Cross that is little known and little acclaimed is the Home Service Branch. Mrs. C. A. Burton, secretary of this branch in this county, has rendered countless services in case of emergency furloughs and needy families.

Back to the knitting and sewing—The Methodist ladies, under the direction of Mrs. Lee Holland, Red Cross chairman in that church, have taken out fifteen pairs of hospital pajamas and the Episcopal ladies under the direction of Mrs. George Ryan have also taken out eighteen pairs of pajamas.

Three lovely quilts have been turned in this week. Two were turned in by the Clarendon Home Demonstration Club under the direction of Mrs. O. C. Watson. And our thanks to this club for their donation of material for the linings of these quilts.

Several inquiries have been made concerning the time when the sweaters should be turned in. Mrs. Riney, chairman of the knitting, has asked that all sweaters be turned in by the first week in April so that, in case of an emergency call, that a shipment could be made.

Sweaters were turned in this week by Mrs. Frank Phelan, Mrs. Sella Gentry, Mrs. Frank Brown, Mrs. R. M. Morris, and Mrs. C. E. Griggs. Several squares for afagans were also turned in this week.

Our thanks and appreciation to the Junior Red Cross in Hedley, the only junior branch in the county. This group, under the direction of Mrs. Clifford Johnson and Mrs. Clyde Bridges, have purchased the yarn and needles themselves and have started on an afagan.

Several interesting facts have come to us in various Red Cross news this week. The Red Cross War Fund, originally set at \$50,000,000 immediately after Pearl Harbor, has now passed the \$50,000,000 mark.

A release of March 5 has announced the safe arrival of ten Red Cross workers accompanying American armed forces to North Ireland.

The National Convention scheduled for April in Philadelphia, has been cancelled for the following reasons: Pressure of work in chapters and the national organization; expense; the increasingly limited transportation facilities; unforeseen contingencies incident to the war.

FATHER IS DEAD Some two weeks ago Mrs. Elmer G. Hayes was called to Cooper, Texas where her father, Mr. R. J. Acton, was critically ill. He died Wednesday morning following a major operation in an effort to save his life.

VISIT MOTHER Dinner guests in the home of Mrs. J. T. Sims Sunday were her children, Mr. and Mrs. John Sims Jr. and family of Pampa, Mrs. J. H. Morris, Memphis, and Mr. and Mrs. L. B. Merrill, Memphis.

ON JOB AGAIN Mrs. Norma Rhode Chamberlain again resumed her position as assistant postmaster here Monday after an absence on sick leave since November 5th.

Donley County Club Boys Pigs Bring Premium Prices at Fort Worth

ATTEND LAST RITES FOR PAMPA YOUTHS

Funeral services were held Sunday for Bill White, James Boston and Billy Thompson at the First Methodist church of Pampa. The tragic and untimely death of these boys came from exposure and drowning after their sail boat capsized in the icy waters of Lake McClellan Friday afternoon.

Those attending the services from here were Mr. and Mrs. U. J. Boston, Mr. and Mrs. John Bass, Jr., Mr. Ed Dishman, W. T. Hayter, Mrs. Van Kennedy and daughter Dorothy Ann, Mrs. Rosalyn Sasser, M. R. Allensworth, Bert Smith and Mr. and Mrs. Gordon Bain.

DONLEY COTTON GINNED SHOWS INCREASE

According to Van Kennedy, special agent here, the Census report shows that 12,746 bales of cotton were ginned in Donley county for the crop of 1941 as compared with 10,246 for the crop of 1940.

VISIT IN NEW MEXICO

Judge and Mrs. R. Y. King and daughters, Rebecca Jean and Ruth Ann and Clea Fern Phillips who visited the Judge's sister, Mrs. Ben Hall at Taiban, New Mexico, returned home Sunday night.

Something New All Candidates Should Know!

All candidates are now required to fill out a new affidavit form and file it at the office of the Secretary of State. It was learned this week in a letter from that office to Miss Helen Wiedman, county clerk.

These forms will not be furnished, so it will be necessary to go to the County Clerk's office and copy the form. The filing date was not mentioned, so it will be wise to write the Secretary of State for this information.

All candidates for county offices are also required to make application for their name to be placed on the ticket not later than June 13, and State and District candidates are required to make application by June 1st. These applications are to be made to the County Chairman.

April 1st Is Car Tag Deadline

Car and truck drivers were reminded this week that midnight of April 1st is the deadline for purchasing 1942 tags if the vehicle is to be used on a highway.

Through Wednesday of this week, 671 licenses, or approximately one-half of the number sold last year, had been sold.

Glenn Churchman, assistant assessor-collector, also reminded vehicle owners at the time of purchase of the tags, to bring with them the certificate of title on their car, since it is impossible to register a car without the title. He also stated that it would save time for you and that office too, if you brought along your last year's receipt.

VISIT FT. SILL

Mr. and Mrs. R. E. Duncan, accompanied by Mr. and Mrs. J. B. Lamb and daughter of Wellington, Mr. and Mrs. J. W. Vallance, Mrs. Herman Vallance of Memphis and Mr. Richard Vallance of Hedley, visited Mr. Herman Vallance at Ft. Sill Sunday. Herman is a nephew of Mrs. Duncan and has recently been inducted into the service.

SELDON BAGBY HOME DESTROYED BY FIRE

The country home of Mr. and Mrs. Seldon Bagby, a few miles west of Ashtola, was consumed by fire late Tuesday afternoon. Mr. Bagby was in the field and Mrs. Bagby at one of the neighbors when the fire was discovered. There was nothing saved, the fire consuming all household effects and keepsakes, among which was their wedding silver that was prized very highly.

Fifty-two head of fat barrows exhibited at Fort Worth Fat Stock Show and Exposition by Clarendon F.F.A. members won \$352 premium money and topped the group sales with a \$14.75 bid on a regular \$13.00 market. The sales and premium money from the pigs made a cash return to the club boy owners of over \$2,300.

Lightweight Durocs—J. F. White, fourth. Heavyweight Poland Chinas—3rd and 4th, Billy Jack Green. Lightweight Hampshires—2nd, Frank Mahaffey. Middleweight Hampshires—4th Jack Ballew, 5th C. G. Kirkland.

Lightweight Berkshires—1st H. A. Harrison, 2nd Gene Bulman, 3rd C. G. Kirkland, 4th Jack Ballew. Lightweight Chester Whites—1st J. F. White, 2nd Douglas Jarrell, 4th C. G. Kirkland, 6th Ralph Morrow.

Middleweight Chester Whites—1st Billy Jack Land, 2nd Ralph Morrow, 3rd J. R. Bulma, 5th Douglas Jarrell, 6th Gene Bulman. Heavyweight Chester Whites—1st Bobbie Harold Smith, 2nd Billy Jack Land. Champion Chester—J. F. White.

War Department Needs Scrap Iron

According to county agent H. M. Breedlove, the Donley county USDA war board is requesting that all farmers and ranchmen bring all of their scrap iron in to the dealers in Hedley and Clarendon and sell it as soon as possible.

The war department is urging that all war boards take this matter up with the farmers and request that they bring in this old iron at once. It is badly needed for the war department in the making of war materials.

"There is a lot of old iron on the farms in this county," Breedlove said, "if the people would only take time to bring it to town the first time they come in and sell it to the scrap iron dealer. Let's do this at once."

The war board is also urging that farmers and ranchmen and all people in the county to not burn old rubber tires. There will be a campaign in the future to collect all of this old material to be sent in to the factory to be made into new material.

All metals should be saved around the place, Breedlove said, and this even includes paper because in the near future there will be programs to collect all of this old material from all parts of the county.

Now is the time to save on all materials, new and old, and there will be less chance for a shortage in the future.

APPOINTED

Jean McDonald has received a Civil Service appointment. She is now employed in the Federal Employment office at Kilgore.

Victory Gardens Are Urged

According to county agent H. M. Breedlove, all persons in Donley county are asked to plant a garden this year. The victory garden program is sweeping the state of Texas, and the people of Donley county will be among those to have outstanding gardens.

The war department is asking that all persons have a garden adequate for the family, and in this way more food will be insured for the armed forces.

"Helpful hints will be mailed from the office of the county agent on gardening," Breedlove said. "These bulletins will be mailed out during the next few days. Let's make this a big year for the home garden, and do our part in supplying food for the boys by living at home, and let all of the other food be sent to the army."

MEMBER OF
Panhandle Press Association

Sen. Tom Connally Favors Suspension 40-Hour Week

WASHINGTON, D. C. — "For the duration of the war, I favor the suspension of the 40-hour week. The lives of our men on the sea and in the air and on the land must not depend on a factory closing down at the end of 40 hours. We must work every plant and factory that is producing war materials or supplies twenty-four hours per day, with three or four shifts if necessary. If we have not sufficient trained labor, we must secure that trained labor by putting men in the plants and teaching them the job under competent instruction.

"This is no time for strikes either by the employer or labor or by labor itself. On November 17, 1941, I introduced in the Senate S-2054, with respect to strikes in national defense plants. It provided that wherever production of defense munitions or supplies is delayed or held up by a strike or labor dispute, the government may take charge of such plant and operate it to preserve the life of this nation. The bill provided for the freezing of labor relations as they existed before the strike and provided a Wage Board to mediate wage disputes. There could be no strike on open or closed shop or jurisdictional strikes.

"My bill has been endorsed by the Navy Department, the War Department and the Maritime Commission, the three great government departments which deal with production of war materials. It has been reported favorably by the Judiciary Committee of the

Senate by a vote of 12 to 2. I hope to secure early consideration of the bill by the Senate.

"An earlier bill which I introduced to stop strikes was adopted by the Senate by a vote of 67 to 8 on June 12, 1941, but the House failed to accept it.

"This is no time for employers to secure special privileges by taking advantage of the nation's necessity. Neither is this any time for labor to take advantage of the government's danger to extort special privileges. Therefore my bill provides for freezing these relationships just as they were prior to the labor dispute.

"Employers and contractors must not be allowed to secure inordinate or unreasonable profits on government contracts. In the coming tax bill, the government must tax war profits adequately and fairly. No one must be permitted to profiteer. No corporation, no partnership, no group, no industry shall be permitted to coin the nation's distresses and the sacrifices of our people into unearned gains and indefensible profits.

"Our task is gigantic. We must utilize every resource. We must convert plants and factories from peace-time production to war production. We must see that small plants and small concerns secure contracts and sub-contracts to produce the articles of which they are capable. We must bend every effort and exert every power. Every citizen—capital and labor and tax-payers and the vast amount of our people who belong neither to the capitalistic class nor to the organized labor class—must perform their patriotic duty.

"The United States is faced by

grim and terrible war. This is no time to expend our energies in quarreling among ourselves. We need every ounce and atom of energy, of resources and of patriotism to combat the enemy. We need production in the factories and plants. That means that we need the unselfish, the patriotic and devoted services of the owners of the plants and the unselfish, the patriotic and devoted services of the men who work in the plants and of men who are not yet working in the plants, but who may be needed in the plants later.

"For the life of me, I can't see how any group or class of our people in the dark hour of the nation's trial would want to segregate itself from the general public, from the great masses of our people and claim or demand a special privilege or a special profit when men are shedding their blood to preserve the nation's life."

UNITED STATES CIVIL SERVICE EXAMINATION

The United States Civil Service Commission announces open competitive examination for the position of Mechanic Learner. The register resulting from this examination will be used in filling vacancies in the following positions: Navy Department, War Department, Air Corps; War Department, Ordnance Department and War Department, Signal Corps, throughout the States of Louisiana and Texas:

Mechanic Learner, Navy Department—\$4.00 per day. For all work in excess of 40 hours per week, employees will be paid the overtime rate of time and a half.

Mechanic Learner, Signal Corps Equipment—\$1020 per annum.

Mechanic Learner (Air Corps)—\$900 per annum.

Minor Engineering Air (Trainee-Inspector)—\$1020 per annum.

The age limits for this examination are 16 to 50. The maximum age limit does not apply to persons granted military preference because of military or naval service.

Competitors will be notified when and where to report for the written examination.

Application Card Form 4000 ABC may be filed with the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, Louisiana, until further notice.

Further information and application forms may be secured from the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, Louisiana, or from any first or second-class post office in the States of Louisiana and Texas.

Miss Martha Riemer spent the week end with homefolks in McLean.

Grants of Assistance Vary According to Personal Needs

"Why doesn't every aged person draw \$30 per month Old Age Assistance?" This is a question that is frequently asked.

In the first place, there is the practical problem of financing such a program. The 1940 census reveals that Texas has 345,120 aged persons over 65. If each of these were paid \$30 per month, without any allowance for administrative costs, it would require \$10,353,600 each month, or \$124,243,200 per year. The 47th legislature appropriated \$1,750,000 per month. With federal matching funds, this makes possible a maximum expenditure of \$3,500,000 for Old Age Assistance. This month \$3,262,083 was distributed to 168,262 recipients and the rolls are now gaining, above all losses due to death and inability, slightly in excess of 2,000 recipients per month.

In the second place, if the state should pass a law to pay every aged person \$30 per month, Texas would lose federal grants-in-aid by which it is now paying one-half of this expense. A fundamental requirement of the federal government is that all grants shall vary according to the individual needs of an applicant.

Since the needs and available resources of each human being are different, it is natural that there should be a corresponding difference in the amount of money which each needy person receives. Some persons who receive public assistance require medical attention while others do not. Some needy men and women have small incomes or receive help from their families while others do not. Other needy persons live in household situations where their requirements may be either more or less than those of other needy persons who live alone. In some cases, relatives may contribute toward the support of the applicant; in other cases, not.

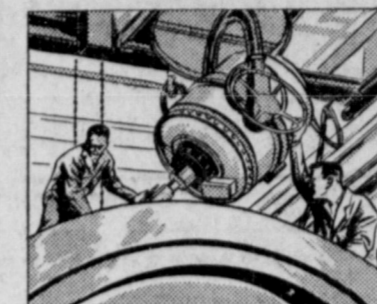

Under Texas' system of determining the amount of payment in accordance with each individual's need, a budget is used as a guide in figuring the amount of an adequate allowance. This budget is similar to that which any family might work out in making plans to live within its means. The local welfare office helps each recipient work out a budget. It includes necessary expenses such as shelter, food, clothing, fuel, light, medicine and the like. Consideration is given to the varying cost of such items from community to community.

FOUNDATION ITEMS HIT

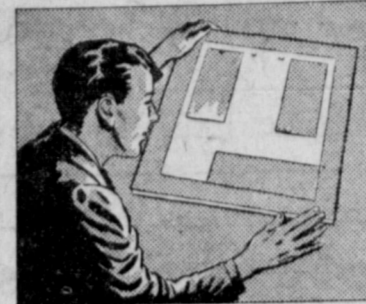

The acute rubber situation has necessitated still another cut in the civilian usage of this vital material. No more rubber will be available for rubber thread used in the manufacture of corsets, girdles, brassieres and foundation garments for general use. Provision will be made for surgical-type garments in this category, the WPB said, and every effort will be made to supply the foundation garment industry with other materials to provide for essential items.

Steel-Piercing Eye

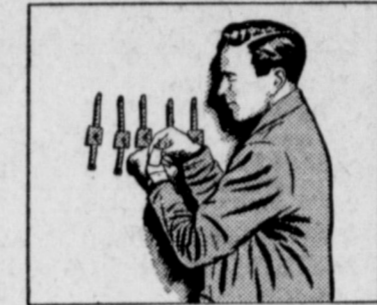

Steel used in vital parts for war machines—planes, tanks, ships, guns—must be flawless, because America's fighting men must have weapons that are both accurate and tough.

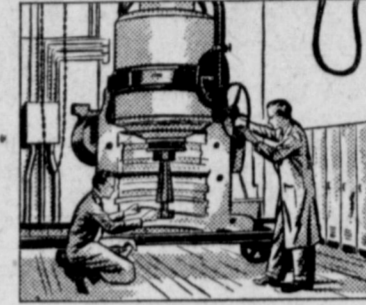

1. The new million volt X-ray built by General Electric saves precious hours in finding flaws. It is so powerful that its rays can pierce thick steel castings.

2. Defects in the steel show up on X-ray film. Therefore faulty materials are tossed aside before costly hours of machining have been spent on them.

3. A regular check-up on pieces of X-ray film worn on workers' wrists helps guard against prolonged exposure to the rays given off by the X-ray tube.

4. X-ray exposure needed for 5-inch-thick steel is now 2 minutes instead of previous 3½ hours! Whole days are saved in examination of even thicker castings.

General Electric believes that its first duty as a good citizen is to be a good soldier.
General Electric Company, Schenectady, N. Y.

GENERAL ELECTRIC

Students May Help In Farm Work

High school and college students may be provided with an opportunity this summer to "do their bit" in the war by helping in the Government's "Food for Victory" program, according to J. H. Bond, Director of the United States Employment Service for Texas.

Cooperating in the Government's program, Texas farmers during this year expect to produce the greatest food crops in history. Because many farm workers have gone into the armed services and war production factories, shortages of workers are expected in some localities during the growing and harvest season. Students may be called upon to make up for these shortages.

Students always have done a fine job in bringing in crops when their help was needed. In States suffering farm labor shortages, students last year joined the Employment Service in the drive to find workers to save the crops. In fact, in many rural areas without student help there would have been a considerable loss of food. Not since 1917 has there been such a demand for farm workers. The battle for food on the home front must be won. It is a battle that we must win if we are to win the war. The production of food is as important as the production of planes, tanks, guns and ships.

So, in the months to come, United States Employment Service offices may call for young men and women to fill jobs in agriculture. Those wishing to do their part to aid their country should apply at the employment office nearest to their home.

The local office of the Employment Service is located at 125 Commerce Street, Childress, Texas. Local office is second floor of courthouse, Clarendon, each Friday from 9:30 until 11:30.

Mary Smith of McLean visited in Clarendon over the weekend.

THE TEMPLE OF TRUTH
By the Apostle
IMAGINATION.
Americans, in the main, have had an abundance of everything so long that it gives many of them the jitters to even hear that they

are going to be denied something that they have been accustomed to having a hard time paying for.
COMMON SENSE.
It is refreshing to hear a common sense expression from a swivel chair czar in a key position when our beloved nation is imperiled. The best news in a long time is that there will be no restrictions on the sales of tin cans for home canning, but the War

Production Board urges the home canner to double the output of last season. As a matter of fact tin cans contain only about two percent of tin. They are simply sheet iron. That is why tin cans are not gathered up to reduce the shortage of tin for national war use.
THE MOOCHERS.
The editors of country weeklies are bombarded with a lot of propaganda, and they often wish that

they might see the men behind it with their own eyes, and handle them with their own hands, etc. etc.
INDUSTRY.
Handicaps are few when one takes a real inventory of the actual situation. Did you know that Miss Carrie Leona Davis, head of the "intelligence department" and bookkeeper in the West Texas Utilities office here has a fine

crop of English peas growing right now? That young lady is a most efficient and important personage in her position at her office, and yet finds time to grow a garden. And you will pardon the pride of the old Apostle when he says that Miss Davis took advantage of his suggestion as to how to grow peas, and planted them in February as he suggested in January in plenty of time for them to be planted. The Apostle got the idea from a Chinese truck gardener at Toyah, Texas years ago. That Chink made a fortune growing vegetables and selling them to the railroad employees on the T & P, Toyah being a division point. He had to irrigate, the place being west of Pecos some 70 miles. A sweat spring was on the lease and the drip was caught in buckets and poured on his plants that grew in troughs in which he had the best soil obtainable. What a lesson for an American!

a very unpretentious manner. As one old timer, thanks a lot Mike, and hundreds of others have the same idea. If a fellow goes wrong, no one but Mike Stricklin, game warden, is more likely to happen upon him at the critical moment. It's embarrassing all-round, too. Obey the law. That is the easiest plan to follow, and by far the safest. If you are caught, blame your judgment. It is Mike Stricklin's duty to arrest game law violators, not that he finds any pleasure in it at all. In fact he doesn't. He's your best friend if you will stand for it.
GOLDSTON
Beatrice Smith
The usual crowd attended Sunday school Sunday evening. A small crowd attended singing Sunday night. Mr. and Mrs. Rattan and daughter Anness visited Mrs. Lawson of Clarendon Wednesday. Velma Lee Cleveland of Quail is visiting with Mr. and Mrs. Howard and son and Katherin Allen the first of this week. Bryant Tucker is visiting in Amarillo. Mr. and Mrs. Carl Tucker and Jimmy visited in the W. C. Higdon home Sunday. Hollis Roberson of Clarendon spent the week end in the Roy Roberson home. Mrs. Roy Roberson and children visited in the M. F. Roberson home Saturday evening while Mr. Roberson made a business trip to Memphis. Wilma and Beatrice Smith spent Sunday afternoon with Mr. and Mrs. Roy Roberson and family. Clyde and Owen White of Lelia Lake visited in the H. C. Smith home Sunday evening. Lloyd Littlefield visited in the Bill Littlefield home Sunday. Mr. and Mrs. Fred Johnson of Quail visited Mr. and Mrs. Jim Peggram and daughter Sunday. Mr. and Mrs. Vick and children of Memphis moved to this community last week. We gladly welcome them.

Mr. and Mrs. Rattan and family visited Mr. and Mrs. Kerbow Sunday night. The Rattan twins spent Monday night with Betty Fern Higdon. Mr. and Mrs. Roy Roberson visited in the Ben Anderson home Monday evening. Arlis Mooring is missing school with an attack of the mumps. Vilas Ann Ziegler is back in school now after being absent a few days with the mumps. Mrs. Inez Bill visited her parents, Mr. and Mrs. Oliver Patterson Monday evening. Thelma Lee Holcomb spent the week end in Lakeview. Daphne Roberson spent Monday night with Jimmaline Anderson. Mr. and Mrs. J. H. Hurn visited his brother, Mr. and Mrs. Frank Hurn at Henrietta Friday night. Mrs. Rosalyn Sasser is visiting her parents this week, Mr. and Mrs. John Bass Sr.

BEDTIME STORY.
Ozzie, youngest son of old Has-ton Yazzie down at Hogjaw arose on Monday morning and came into his mother's bedroom to start a fire. He felt the injustice of arising at such an hour and expressed himself: "Ma, that dad blamed moon is still a shinin'." "Naw, Ozzie, thet haint the moon, thet's yistiday's sun a goin' down," his Ma replied.
REMINDER.
Get your car tags right now if you haven't already. April 1st will be one day too late to escape a penalty.
PEN—OLOGY.
Did you ever see a woman throw a brick at a chicken? That's about all the amusement a chicken has.
COURAGEOUS.
H. R. Courage, who had a flat roof on his stucco residence in Panhandle, is raising the roof and adding three rooms to the second floor, states the Panhandle Herald. The bats are really disturbed in Panhandle. "Panhandle has had the most active week in real estate since the boom days," the Herald states. All of this is due to the brave little city being in the defense area. Cong. Gene Worley secured a large defense plant for the Texas Panhandle, and it will be located near the town of Panhandle. More power to the folks who stuck it out through the dark years of the depression!
HOLY SMOKE!
Fifty million Frenchmen could be wrong—and wens.
SCOTCH AGAIN.
The only reason a Scotchman has a fine sense of humor, is that the sense is a gift.
EPITAPH.
He walked on the suicide of the highway.
CONCLUSION.
The peacock is a beautiful bird, but it takes the stork to deliver the goods.
YOUR WARDEN.
This column seldom indulges in personalities—locally. When he "makes" this column, there must be real merit behind that individual. Comes now one Mike Stricklin, home reared, who really gets the job done as game warden. Educated, trained to the range by cowpuncher experience, diplomatic, courteous, firm and intensely loyal to his high sense of duty, the Panhandle has just pride in having Mike Stricklin on the job. Our game must be protected. Mike does just that, and in

HAY ASTHMA—HAY FEVER
THIS IS A VERY TROUBLE-SOME COMPLAINT, WHICH SEEMS TO COMBINE the peculiarities both of asthma and of influenza. Fortunately, it attacks but few persons, and those only at particular seasons of the year,—namely, while hay is in blossom, and during hay-making. CAUSE.—This disorder appears to have but one cause,—namely, some sort of emanations from the grasses, flowers, etc., while in blossom; which emanations come in contact with the mucous lining of the eyes, nose, and throat, producing very great and teasing irritation. Chiropractic effectively reaches the root of this disorder by changing the condition of the mucous membrane by removing the cause of its congestion. Spinal adjustments remove disturbances to nerve fibers supplying the blood vessels and membranes of the sinuses and bring about quick relief and permanent cure. Dr. B. B. Harris Chiropractor Clarendon, Texas (Adv.)

RECENT BRIDE IS HONORED

Mrs. Walker Lane was honored with a miscellaneous shower Thursday evening at the home of Mrs. R. Y. King, with Mrs. Margaret Thompson, Mrs. Vernon Reid, Miss Helen Wiedman and Miss Ethel Harvey as co-hostesses.

The guests registered in a handsome guest book designed by the honoree. After a Doctor I. Q. quiz game, Mrs. John Knorpp gave two readings. Then each guest took a package from the ivy covered Wishing Well and presented it, with a wish, to the bride who opened the gifts and graciously expressed her thanks.

Refreshments were served to Mes. Cap Lane, C. A. Burton, McDonald, Hugh Riley, E. M. Ozier, John Knorpp, Truett Behrens, C. P. Messer, Misses Myrtle Hall, Lucile Polk, Grace Harvey, Zoy Fronabarger, the honoree and the hostesses.

Those sending gifts were Mes. Tom Kirby, G. G. Reeves, Hunt, W. A. Davis, Clyde Price, R. C. Weatherly, W. W. Crawford, and Miss Maude Crawford and Misses Ruth Donnell and Mona Churchman.

H. D. CLUB

Mrs. A. L. Chase entertained the Home Demonstration Club in her home Fri. afternoon, March 20. The president, Mrs. O. C. Watson, presided over the business meeting. Members answered roll call with "March Sayings" and Red Cross work. This Club having completed one large comforter and six baby quilts, several suits of pajamas and several sweaters.

Mrs. Antrobus and Mrs. Chase had charge of the program demonstrating how to make thimble cases.

Mrs. Chase the hostess served a dainty salad course to Mes. G. W. Antrobus, C. L. Benson, J. C. Estlack, M. A. Hahn, Karl Adams, C. D. McDowell, W. D. Van Eaton, Henry Williams, Matie Hudson, Misses Etta and Ida Harned.

Club adjourned to meet with Mrs. G. A. Anderson, April 3.

1937 BRIDGE CLUB

Mr. and Mrs. Harry Hart entertained members of this Club Tuesday night. The Easter motif was carried out in tallies and favors.

Defense stamps were awarded to Mr. and Mrs. Geo. W. Estlack, high score and Mr. and Mrs. L. T. Whitlock, low.

Refreshments were served to guests, Mr. and Mrs. McHenry Lane, Mr. and Mrs. L. T. Whitlock, and members, Mr. and Mrs. L. B. Penick, Mr. and Mrs. L. L. Wallace, Mr. and Mrs. Geo. W. Estlack and the hosts, Mr. and Mrs. Harry Hart.

NELDA SUE BURTON PRESENTS PIANO RECITAL

Saturday afternoon, March 21, the pupils of Nelda Sue Burton gave a piano recital in the H. T. Burton home.

The program was as follows:
Sing Lee China Boy Lively
Joyous Waltz Mac Lancklan
Lovoria Moree
Peasant Dance Mac Lancklan
Jolly Jugglers Kern
Lama V. Tatum
March of the Wee Folks (Duet)—Gaylor
Lovoria Moree
Ann Beth Combest
Dutch Twins Ward
The Band is Playing Dixie
Ann Beth Combest
The Dance of the Rosebuds: Keats
Helen Peden
Happy Farmer Shumann
The Banjo Serenader Van Nort
Country Gardens (Duet) Bains
Helen Peden and
Nelda Sue Burton
Melody of Love Egleman
Anna Beth Combest
Summer Days Williams
Lovoria Moree
Valse in E Flat Durand
Helen Peden

At the close of the program, refreshments were served by Mrs. Burton, assisted by Annie Ree Porter, to more than twenty people.

FRIENDSHIP CLUB

Mrs. G. J. Teel entertained this club at her home Tuesday afternoon. Mrs. Skinner opened the club with prayer. Several readings were given by the ladies.

The ladies visited until a lovely plate refreshment was served to Mes. J. D. Stocking, J. L. Allison, L. Ballew, H. Tyree, W. J. Morrison, C. R. Skinner.

The club will meet March 14 at the home of Mrs. J. D. Stocking.

GOOD NEIGHBOR CLUB

Met Tuesday, March 17 with Mrs. D. C. Williams at her home. The afternoon was spent in piecing a quilt for the hostess.

The next meeting will be April 5 with Mrs. Donald Ballew.

Refreshments were served to one guest, Mrs. Harry Williams; and to members, Mes. C. E. Lindsey, J. C. Butler, J. C. Heathington, Donald Ballew, H. F. Russell, Roy Stewart, W. H. Corbin, F. L. Bullington, a new member Mrs. Owin Pyeatt.

1912 NEEDLE CLUB

Mrs. A. L. Chase entertained this club at her home Thursday. The afternoon was spent in needle work and visiting. Mrs. Chase, hostess, served a delicious plate refreshment to the following:
Members, Mes. J. T. Patman, Ed Dishman, J. W. Evans, Sella Gentry, B. L. Jenkins, Homer Glascoe, J. T. Sims.

WOMENS SOCIETY OF CHRISTIAN SERVICE

Circle No. 1 met at the home of Mrs. Carrie SoRelle Wednesday afternoon with twenty members and two visitors present. Mrs. L. T. Whitlock gave the devotional. Bible lesson by Mrs. R. Y. King.

Circle No. 2 met in the home of Mrs. Charles Lowry. Ten members and one guest present. Mrs. Lena Antrobus was program leader on the subject of Red Cross work. Mrs. Florence Lea gave Red Cross article.

Circle No. 3 met in the home of Mrs. C. D. McDowell with nine members present. Mrs. Lee Holland gave devotional and Mrs. Homer Bones was program leader.

Church News

ASSEMBLY OF GOD CHURCH
Alma Wisdom, Pastor.
Church services every Thursday, Saturday and Sunday night. Sunday school, 10 a. m.

CHURCH OF CHRIST
M. F. Manchester, Minister.
Morning services begin at 10:30 war time.
Evening services begin at 8:30.

We speak where the Bible speaks and remain silent where it is silent. Therefore we take pleasure in inviting the public to come and hear God's word preached.

FIRST METHODIST CHURCH
J. O. Quattlebaum, Jr., Minister
Church school 10:45 a. m.
Preaching services 12 M. and 8 p. m.
Sunday morning Palm Sunday subject, Sunday evening the Clarendon Junior College choir will furnish the music for the services. We expect a greater attendance each service.

SAINT JOHN BAPTIST (Episcopal)
Sunday, March 29—Palm Sunday.
11 a. m.—Morning prayer and sermon. Service by Mr. Knorpp.
Holy Week Services:
Wednesday, April 1—Litany and Meditation at 4:15 p. m.
Thursday, April 2 (Maundy Thursday)—Holy Communion at 10 a. m.
Friday, April 3 (Good Friday)—Three-Hour Service at 12 noon.

PRESBYTERIAN CHURCH
There will be no 11 o'clock service.
School at 10 a. m.
8 p. m. Evening service.
The Womens Auxiliary will observe Holy Week Monday through Friday at 3 p. m. each day. A program will be given. Lesson topic, The gospel according to St. Luke will be given by Mrs. D. F. Wadsworth.
Thursday, March 2nd, 8:15, Holy Communion will be observed.

Mr. W. T. Lowe who has been confined to his bed with rheumatism is doing quite better.

Mrs. Robert Linders and baby of Floydada visited her parents, Mr. and Mrs. C. C. Powell last week.

Cotton Formal

For formal dances this spring and summer, frocks like this one made of fluffy white organdy will be high styles, the National Cotton Council and Cotton-Textile Institute reports. A narrow black velvet ribbon is run through eyelet lace at the neckline, wrists and waist to add a touch of color. Cool sheer cottons, such as this worn by Gail Patrick, RKO film star, promises to be very popular during the coming warm months.

Mr. and Mrs. Chester Williams of Amarillo visited his parents, Mr. and Mrs. Henry Williams over the week end.

MEN OF THE HOUR

This war has produced three military leaders of the first rank—General MacArthur of the United States, Marshal Timoshenko of the Soviet Union, and Generalissimo Chiang Kai Chek of China. The last has a particular distinction, in that he is head of his government, as well as its active commander in military affairs.

It is significant that all these commanders believe in the offensive, and pursue the offensive. MacArthur, of course, is carrying on what is essentially a defensive action—but he continually takes the battle to the enemy. Timoshenko has won immense victories, which have cost the Germans millions of men, by use of the most daring offensive tactics. And Chiang Kai Chek, for five years, has flung his superbly brave, ill-equipped armies against the Jap and kept him out of the heart of China.

It is for that reason that recent changes in the commands of the United States Army and Navy should encourage the country. Some "super conservatives" have been eased out. And younger, aggressive men are coming in to top positions.

Mrs. Henry Green, remembered here as Miss La Verne Lott, is again making her home at Childress. Mr. Green was recently called to the armed forces.

Mrs. S. T. Cox of Marlo, Okla. spent the week end with her brother-in-law, Mr. and Mrs. L. N. Cox and family, and Mr. and Mrs. R. T. Brown.

Mrs. R. M. Morris and son Marshall and Mrs. Pearl Terry visited in the Jack Cage home at Childress, Sunday.

Mrs. Small and nephew, Sonny Boy Morris of Amarillo visited her mother, Mrs. R. M. Morris the week end.

Mrs. Lester Schull visited her parents in Amarillo Sunday.

BLOOD MONEY

Despite all the talk to the effect that the labor problem has been generally settled for the duration, the fact remains that no man can get a job in most industries unless he belongs to a union, pays dues to a union, and accepts dictation from a union.

The closed shop amounts to a labor monopoly of the worst kind—a monopoly exercised by labor leaders who are responsible to no one, not even the government.

If the 100 per cent closed shop goal is reached, labor dictators will be more powerful than government itself. They will have an

absolute stranglehold over all instruments of production and distribution.

Witness use of such power in slowing up war production to enforce demands. Refusal of thousands to work in defense industries on Washington's birthday except as unpatriotic or disloyal action hard to equal. Our soldiers are dying on many fronts because such actions have held up vital supplies. Double time for overtime should be called "blood money" today.

Miss Mayme Smallwood and mother of Brice, were Clarendon visitors Tuesday afternoon.

BEAUTY IS A DUTY

BEAUTY dispels many shadows in a war-tense world - - - it is like the serene stars above disaster.

The path ahead will demand many duties of the nation's women. You will find your role easier in the satisfaction that your coiffure is bright and charming - - - stay as beautiful as you are.

James Swift of Canyon spent the week end with homefolks.

B. C. Antrobus and his mother, Mrs. Lena Antrobus were buying shrubbery in Plainview Monday.

Texas Dairy Cows Show Increase

COLLEGE STATION — Texas dairy cows produced 182,487,000 more pounds of milk in 1941 than during the previous year, E. R. Eudaly and G. G. Gibson, dairymen of the A&M College Extension Service, report in their annual survey.

The 1,400,000 cows of producing age in the state at the beginning of the year yielded 1,286,377,000 pounds of milk for manufacturing purposes. From present indications the dairymen predict "that Texas will exceed the milk production goal set for the 1942 Food for Victory program."

Indicating a further improvement, the specialists say that the closest estimate indicates that 50,000 Texas farms had no milk cow in 1941, compared with 75,000 in 1939 and about 60,000 in 1940.

Most of the work of the dairymen during the year was on better feeding and management. At the end of 1940, approximately 40,000 silos of all types, including 37,811 of the trench variety, had been filled, but at the corresponding time in 1941, the number stood at 38,054, of which 35,466 were the trench variety.

Data assembled from reports of county agricultural agents show 2,628 Club boys enrolled in dairy work in 1941 with 1,456, or 55 per cent, completing their projects. The completions involved 1,851 animals. Agents reported assisting 1,039 farmers to obtain purebred sires and 2,141 to obtain purebred females.

Mrs. Frank White Sr. and Mrs. Lloyd Benson were Amarillo visitors Monday. They were met by Mrs. Hubert Campbell of California who has come to Clarendon to make her home.

The New Roll of Honor

Condensed from April Cosmopolitan

SECOND LIEUTENANT GEORGE S. WELCH
U. S. Army (Air Corps)

MAJOR EMMETT O'DONNELL, JR.
U. S. Army (Air Corps)

Even before that fateful December seventh, Lieutenant George Welch liked guns. He was practicing ground gunnery early that morning. When the first Jap bomb blasted Wheeler Field. It was ten miles to Haleiwa, where his own squadron was stationed. With Ken Taylor, another Army pilot, he drove it in six minutes, with Jap planes strafing their ear.

At Haleiwa, he took off with Taylor zooming behind him. Twelve enemy dive-bombers swept in over Oahu, a thousand feet below Welch and his comrade. Welch dived, Jap tracers all but boxing him in. His heavier guns were dead, but he cut in the .30 caliber, swung onto the nearest dive-bomber. In a single burst, he killed the gunner, dropped the plane out of control.

With one gun jammed, he pulled into the clouds. Reversing his course, he dived back, shot a fleeing Jap plane down into the sea. By now his gun belt was empty and he raced back to reload at Haleiwa.

As he took off again, fifteen Jap planes came after them. Seeing Taylor trapped, Welch charged into the Jap formation. Taylor's attacker went down in flames. Another dive-bomber was fleeing seaward when Welch caught it with the last of his bullets.

There were fourteen Japs above Legaspi in the Philippines—until they met "Rosie" O'Donnell. When the big Air Corps bomber came out of the clouds, O'Donnell was at the controls. Twelve miles ahead, offshore, lay the target—four Jap transports. Twelve miles—and fighters swarming in, guns blazing.

With pursuit-pilot skill, he banked the big ship, splitting the nearest Jap flight. Two of his gunners converged their fire, and a fighter spun down in flames. Five more fighters cut in, and bullets tore through sides of the bomber. Again O'Donnell reversed his turn, barely avoiding collision. His wounded gunners clung to their weapons—and two more Jap planes went down.

The remaining Japs sheered off. O'Donnell swung back to his target through a storm of antiaircraft fire. The bombs flashed down. Two direct hits on crowded transports, then back through another attack. A fourth fighter fell to pilot-crew teamwork, before a perilous landing on bullet-gashed tires.

9-Year-Old Produces Food For Victory

GOLIAD—Nine-year old Raymond Toerck, a Goliad county farm boy, is making a double contribution toward helping his country win the war—raising pork to feed a fighting nation and investing his profits in defense bonds.

Raymond's profit from feeding two pigs came to \$26.40, enough to buy an \$18.75 defense bond and another pig.

On August 17, he borrowed \$9 from the Farm Security Administration, an agency of the U. S. Department of Agriculture, and bought two pigs, weighing 45 pounds, for \$4.50 each. The day before Christmas he sold them, then grown into 187-pound hogs, for ten and a quarter cents a pound. He took the proceeds, repaid his loan to Farm Security, bought the defense bond and another pig with which to start all over.

Raymond is not yet old enough to be a 4-H club member, but he is looking forward to the time when he can join.

State Farm Security headquarters report that loans are available to other farm boys and girls, whether or not their parents are FSA borrowers, to finance food-producing projects in 4-H and Future Farmer of America organizations.

BASS AND CRAPPIE SAFE FOR AWHILE

AUSTIN—If you haven't already stored that rod and reel, your artificial bait, your seines and nets, you'd better do it now. Just forget 'em for a couple of months. For March and April constitute the closed season on bass and crappie fishing in Texas, the Executive Secretary of the Game, Fish and Oyster Commission warned today.

The March and April closed season on these two kinds of fish, and the prohibition of use of artificial bait, seines and nets are, of course general laws that apply to all Counties.

Mrs. B. F. Kirtley returned home the latter part of last week after a few days visit with Mrs. Ed Teer at Vernon.

Mr. and Mrs. Bill McKinley of Thalia spent the week end with her parents, Mr. and Mrs. W. T. Link.

Miss Fannie McGowan, teacher at Tell, spent the week end with her parents, Mr. and Mrs. Bob McGowan.

Mr. and Mrs. Earl Butler of Borger visited in the Clyde Butler home Sunday.

Mrs. Chas. Dean and daughter Evelyn of Plainview visited her sister, Miss Lottie Lane Friday night.

Mr. and Mrs. McHenry Lane attended the teachers meeting at Amarillo Friday and Saturday.

\$515,000 Worth Of Food

AUSTIN—The creation of additional farm markets in Texas by distribution of food valued at approximately \$515,000 to needy families and school children thru direct distribution activities and community school lunch programs during January, was announced recently by Emmett A. McBryde, Assistant District Supervisor, Surplus Marketing Administration and member of the Texas USDA War Board.

Receiving direct benefits under these programs were 358,000 undernourished school children and 91,000 needy families, representing 296,000 persons.

Additional markets for Texas farm products also were created locally by the issuance of \$589,000 in blue food stamps to 69,000 cases representing 262,000 persons, it was pointed out. Orange stamps which clients were required, to buy amounted to \$822,000, bringing the total of state purchases with food stamps for the month to \$1,411,000.

Traffic Fatalities On Decrease

AUSTIN—Traffic fatalities in Texas decreased 19 per cent during the first two months of 1942 as compared with the same period of last year, State Police Director Homer Garrison reported recently.

As of March 18 for the respective years, 294 persons were reported killed in January and February of 1941 and 239 were reported killed in January and February of 1942, a reduction of 55 fatalities.

Although the Highway Planning Survey found a 6.4 per cent decrease in highway traffic at 28 points in the state in January and February, the Comptroller's Department reported a 10.6 increase in gasoline consumption. This divergence, Garrison explained, probably is due to the enormous amount of defense traffic not on principal highways where traffic counters are kept.

Speeds have been reduced noticeably, drivers are exercising more care, and local and Highway Patrol officers are bearing down a little harder on violators as a result of the recent emergency traffic control conference in Dallas.

BANKING JOB WELL DONE

The superb work being done by the banks in these unpredictable days deserves nation-wide attention. No industry has more swiftly or efficiently adapted itself to the unprecedented demands imposed by this war.

The banks have literally placed all of their resources at the disposal of defense industries. It has been said on high authority that no needed defense work has been delayed for lack of bank financing.

The banks have done an extremely effective job—and a job which produces them no profit whatsoever—in selling Defense Bonds and Stamps to the public.

The banks have taken on and discharged many new tasks—such as cashing checks and providing bank accounts for troops at cantonments and forts.

The banks have cooperated fully with the Treasury Department in the exceedingly intricate work of freezing the financial resources of industries and individuals of enemy nations.

A full list of bank achievements would be a long one. Banking has proved its ability to gear itself to the needs of war no less than to the needs of peace.

Mr. and Mrs. Dee Lowery visited his parents at Canyon over the week end.

Miss Lottie Lane visited her sister, Mrs. Arthur Nunn at Amarillo the week end.

Personals

Mrs. J. H. Howze left today for Lubbock where she will attend the 7th district Federation meeting this week as delegate from the Pathfinder Club.

Mrs. Ralph Summers and four children of Amarillo spent the week end with her parents, Mr. and Mrs. C. T. McClenny.

Mrs. Glen Hoggett of Lakeview is here at home with her parents, Mr. and Mrs. Ralph Grady. Her husband in the armed forces.

Mrs. Russ Daniel left Saturday for her home at Beaumont, Texas after a three weeks visit in the home of her cousin, Mrs. J. D. Swift.

Mr. and Mrs. Nolie Simmons and Mrs. Ed Speed visited Mr. and Mrs. Harry Tyler at Memphis.

The many friends of Mrs. A. H. Baker will be glad to learn that she stood the clinic examinations well, at the Harris Hospital at Ft. Worth.

Mr. and Mrs. Andrew Watkins and children of McLean visited her parents, Mr. and Mrs. M. A. Hahn, Sunday.

Mr. and Mrs. John McMahan and Mr. and Mrs. Geo. Wayne Estlack visited in the lovely home of Mr. and Mrs. Ollie Hommel at Alanreed, Sunday.

Mr. and Mrs. Joe Bownds and children of Lakeview visited her parents, Mr. and Mrs. Jack Kilough, Sunday.

Mrs. J. M. Acord and Mr. and Mrs. C. L. Goin were visiting in Hedley Sunday.

Mrs. Billy Weatherly and small son spent the week end with her parents, Mr. and Mrs. Earl Porter at Hedley.

Mr. and Mrs. Lonnie Wood were Amarillo visitors Monday.

Mrs. C. A. Burton attended the Library meeting at Amarillo Friday.

Freight carloadings in Texas were approximately 20 per cent higher in January than in the same month for 1941.

National and International Problems Inseparable From Local Welfare

In a recent issue, Life spoke of "America's chronic and catastrophic complacency." That memorable phrase accurately illustrates what has been wrong with this country. We were told that we could lick the Japanese in a matter of weeks, and we believed it. We were told that the potential enemy was short on raw materials and natural resources and so was incapable of an extended offensive, and we believed that too. We were told that the oceans were, in effect, fortifications which were certain to protect our shores in any extremity, and we also believed that. And so the inevitable happened. We and our government terribly underestimated the material strength and striking power of the foe. We thought in terms of "national defense" instead of in terms of "war." We turned our faces away from the unpleasant facts, and dreamed happy dreams of victory. Only lately have the American people and their government come to realize how hard it will be to win this war—how much work we must do if we are to escape the fate of France and the other subjugated countries, which the conquerors are literally using as slave markets.

It does not serve the national interest to minimize the disasters which have befallen the United Nations. In less than four months, Japan has attained mastery of the Pacific and is moving on Australia. She may turn at any minute on India, which is populated with 29 per cent of the entire world's manpower; is rich in resources of many kinds, and is torn with internal dissension. Some authorities expect that Hitler may soon attempt to drive across the Middle East. If that drive were successful, he would make physical contact with Japan, and the Axis would be in a position to destroy vital United Nations' communication lines. It is clear that the Vichy Government, possessor of a large fleet, is coming closer and closer to all-out "collaboration" with the Nazis. There is a distinct possibility that the Axis may gain preponderance of the world's resources, human and material alike. In short, the whole picture of the world has changed fatefully since Dec. 7.

There can be no question but what Japan and her partners counted heavily on that "catastrophic complacency" of which Life spoke. And so, the job of this country and the other United Nations is simply that of revolutionizing our outlook toward war—and of producing and shipping the instruments of war necessary to make such a revolution possible. Every military operation

based on defensive strategy has failed—and failed with terrible losses of men and equipment and key positions. If we are to win, the war must be carried to the enemy, and carried to him at the earliest possible time.

We could attack Japan's concentrated industrial areas from Alaskan or Chinese bases—if we had enough planes of the right kind. We could crack her long-extended supply line—if we had sufficient equipment at the right place. These and similar "ifs" are today's great bottlenecks to the waging of successful war. They are not simply industrial problems. They are problems which were largely created by inefficiency in government and by work stoppage on the part of labor groups.

Production chief Donald Nelson has called for an immensely extended effort all along the producing line. If that effort is made, it means that there must be an end to bickering between rival unions, and an end to work-weeks which were fought for an achieved in an era whose end began when Hitler became Chancellor of the Reich. There must be an end to waste, delay and red tape in the government. We have no time or energy for reform for reform's sake. Those are the cold facts.

The American people clearly have a choice. They will work harder than they ever worked in their lives—or they will lose a war whose loss can have no other conclusion but the death of freedom everywhere. None of the nations which are united with us in this epic struggle have the production capacity to turn the scales. The tools of war will come from us, and in ever-increasing quantity—or they will not come at all. We must supply the bulk of the ships, the tanks, the planes, the guns, the shells and the bullets. And we must supply them now, not in years to come.

BLUE-BACKED SPELLER SHOULD BE USED SAYS EDUCATOR

AUSTIN—The father of the 12-grade system for Texas schools believes the "blue-backed speller" should be an accompaniment for school children from the second through the eighth grades.

Dr. Fred C. Ayer, professor of educational administration at the University of Texas, who was one of the earliest advocates of a 12-grade system, declares organized spelling classes should be a part of school work through the eighth grade. His opinions are carried in a current issue of The Texas Outlook, publication of the Texas State Teachers Association.

ASHTOLA

Mrs. W. B. Miller

Rev. R. L. Self filled his regular appointment for the Baptist church Sunday morning and evening.

There are several cases of German measles in the community and Mr. Ben Lovell, his son James Reid and Gene White all have mumps.

Miss Mary Charlotte Word from W.T.S.C. spent the weekend in the home of her parents, Mr. and Mrs. M. R. Word.

Mr. and Mrs. Garland Clemons and Miss Nancy Miller attended Teachers meeting at Amarillo last Friday.

Mr. and Mrs. Clemons resigned as teachers of Ashtola school to take a similar position in Childress county. They left Sunday for the latter place.

Mrs. Mary Sue Longan and Miss Mattie Rhodes have been employed to teach at Ashtola.

Mrs. Molly Scoggins returned to her home here Thursday of last week after spending some time in the home of Mrs. John Potter at Sunnyview.

Miss Nancy Miller spent from Friday night until Sunday afternoon at Canyon and attended the Plains B.S.U. Conference. While there she was a guest in the home of Misses Connie and Bobby Watts.

NAVY NEEDS INBOARD MOTOR BOATS FOR COASTAL PATROL

The Navy is in urgent need of inboard motor boats for coastal harbor patrol work in the Eighth Naval District, in which the state of Texas is included, Navy recruiting officers at Dallas announced today.

Boats located on inland waters, with the consent of owners, will be shipped to points required at

government expense. Owners who volunteer their boats will not be reimbursed but the vessels will be returned at the end of the period for which they are offered in the same condition in which they were received.

Those desiring to offer their

boats for naval service under the above conditions should write to the Navy Recruiting Station, Dallas, listing size and other facts about their craft.

Mrs. Mattie Hudson is visiting her daughter, Mrs. Cross at Brice.

Cattlemen's V For Victory

Every pound of meat saved for home use releases that much Food-for-Freedom to help feed America and her armed forces, so Texas County agents are brushing up on their meat butchering. In one school on the Caldwell Ranch, Taylor County, Roy Snyder, animal industries specialist of the Texas Extension Service, wielding the saw, shows his "students" how to make a perfect beef cattle "V for Victory."

TWO CIVIL SERVICE COMMISSION JOBS NOW AVAILABLE

The United States Civil Service Commission announces open competitive examination for the positions of Junior Stenographer \$1440 a Year and Junior Typist \$1260 a Year. The register resulting from this examination will be used in filling vacancies in these positions in Various Federal Government Agencies in the States of Louisiana and Texas.

The age limits for this examination are 18 to 53. The maximum age limit does not apply to persons granted military preference because of military or naval service.

Competitors will be notified when and where to report for the written examination.

Application Card Form 4000 ABC may be filed with the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, Louisiana, until further notice.

Further information and application forms may be secured from the Manager, Tenth U. S. Civil Service District, Customhouse, New Orleans, Louisiana, or from any first or second-class post office in the States of Louisiana and Texas.

Miss Marjorie Harlan of Keller-ville spent the week end with homefolks.

Mrs. Clyde Douglas and Mrs. Ralph Keys were Amarillo visitors Monday.

IT TAKES CO-OPERATION...

Fifty years ago nobody thought of trying to stimulate the industrial growth of a whole region. The American pioneer spirit took care of everything.

Today, with our country largely settled, it is not enough to leave our industrial future to nature. Realizing this, our Company is telling the nation about the splendid opportunities for war and peacetime production that are available here in the Gulf South.

The program is designed to co-operate with all other groups interested in building a greater Gulf South

—to work with you, and your local organizations—and to help build your community and the rest of the Gulf South area.

But the job is big—it takes co-operative pulling power—the co-operation of everyone working shoulder to shoulder in the interest of the whole country's defense and its peacetime progress after war. All of us in the Gulf South know that only through close co-operation and unified action can victory be assured. We deeply appreciate our responsibilities in this great crisis.

Mrs. S. M. Harp

A few more came out for Sunday school Sunday and we hope for more next Sunday.

Mr. and Mrs. L. O. Christie and Nelson of Martin visited in this community Monday.

Alton Webb and Bud Roy were among the ones to visit in the J. L. Talley home Sunday.

Bill Perdue took Sunday dinner with Sidney Harp.

Mr. and Mrs. Wayne Ewing and children visited awhile Sunday evening with Mr. and Mrs. Jake LaGrome and family.

Mrs. McGlone and Grandma Harrison called on Mrs. Harp.

Mr. and Mrs. Virgil Yates and son of Amarillo, Mr. and Mrs. Emory Talley and children of Hedley visited in the J. L. Talley home Sunday.

Mrs. D. L. Jacobs of Dumas spent Monday night with Mr. and Mrs. O. L. Jacobs.

Mr. and Mrs. N. C. Hudson and children and N. M. McGlone visited until bed time with Mr. and Mrs. Harp Saturday.

Miss Marjorie Willard of Clar-

endon spent Saturday night and Sunday with Miss Floree Talley. Mr. and Mrs. V. D. Roy and Miss Essie visited in the T. J. Talley home Sunday.

Mr. and Mrs. L. C. Tims and children spent Sunday with Mr. and Mrs. John Perdue and family. N. M. McGlone and S. M. Harp called in the O. D. Meador home Sunday afternoon.

Geraldine Perdue spent Saturday night with Velma Tims.

Those to attend the quilting in Mrs. Harp's home Tuesday of last week were Mrs. O. L. Jacobs, Mrs. M. M. McCracken, Mrs. M. L. Putman, Mrs. L. M. Putman, Mrs. Lucy Noble, Mrs. W. W. Raney, Mrs. N. C. Hudson, Mrs. John Perdue and Mrs. John Fowlkes. We are to meet with Mrs. John Perdue on March 31.

We invite all to come out to our Bible Study on Friday night.

BEDDING PRICES SET

A temporary price ceiling on mattresses, springs, studio couches and metal beds and cots, effective March 4, has been set by the Office of Price Administration. The maximums are the prices prevailing on February 23. Only manufacturers' prices are affected.

WPA Workers Will Accept Prevailing Farm Wages

SAN ANTONIO—WPA workers who are qualified for farm work must accept offers of agricultural employment at prevailing farm wages, whether or not this pay equals the WPA wage scale, State Administrator H. P. Drought declared today.

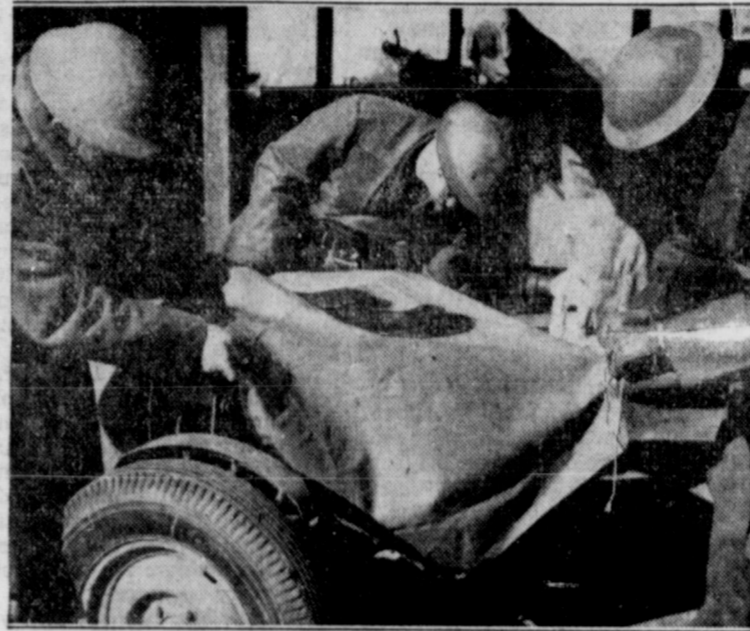

Reporting that misunderstanding of this phase of WPA policy has arisen in some areas, Drought said that WPA will not keep on the payroll any worker who refuses any reasonable private employment offer at prevailing wages.

"Just so farmers are paying the same amount of wages which other farmers are offering for comparable work in the same locality, WPA will make available all qualified workers on its rolls at their request," he declared. "Although it is believed that most farm labor prices this year are at least equal to the bare subsistence wage paid by WPA, it is not necessary that any farmer's wage be any higher than those paid by other farmers in the community for his offer to be considered a 'reasonable' one."

Policy of the Work Projects Administration, since its inception, Drought pointed out, is that no person who can find private employment may be retained on the WPA payroll. Congress has placed in the WPA appropriations bill, he added, a provision strictly denying WPA employment to any project worker who refuses a reasonable offer of other employment.

Mr. and Mrs. J. F. Anthony of Lubbock spent the week end with her sisters, Mrs. Van Kennedy and Mrs. John Bass and families.

Canvas Covers Protect Guns

Men of the 14th Field Artillery of the Second Armored Division, Fort Benning, Ga., are shown adjusting the cotton cover of a 37mm. antitank gun. These sturdy cotton canvas covers protect the guns from dirt and rain, keeping them ready for instant use.

Gerald C. Mann To Head Texas Navy Relief Society

Gerald C. Mann, attorney general for Texas and former Southwest conference football star, has been appointed chairman of the Navy Relief Society Texas State Citizens Committee. The announcement was made Tuesday from the Society's headquarters in New York City.

A quota of \$210,000 in the \$5,000,000 fund-raising campaign for the Navy Relief Society has been set for Texas.

The Society is the official organization which cares for mem-

ber of the families of Navy men who are prevented from sending prompt remittances home through remoteness of their stations or the fortunes of war.

"The Navy Relief Society is a very vital part of our national war effort," the youthful attorney general said. "The men who man the guns can man them better when they know that their loved ones back home are not going to suffer. The fund is devoted exclusively to the aid and support of Navy families in need."

Civil Service Examination Closes March 31st

The Civil Service Commission has just announced that March 31, 1942 will be the closing date for receipt of applications for positions as Regional Agent, Trade and Industrial Education, \$4,600 a year, and Special Agent, Trade and Industrial Education, \$3,800 a year. Applications must be filed with the U. S. Civil Service Commission, Washington, D. C., on or before that date.

Full information on this examination, and application forms, may be obtained from Elmer G. Hayes, secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners, at any first or second-class post office.

War Department Personnel Placement Service Changed

The recent publicity given to the War Department Personnel Placement Service has resulted in a flood of applications and questionnaires which have been appreciated and welcomed by the War Department.

However, until further notice, and to expedite the securing of Officers, the Personnel Placement Agency of the War Department at the West Texas Recruiting and Induction Station, Lubbock, Texas, has been advised to route applications for civilian jobs through civil service channels rather than military channels.

Accordingly, people who feel that they would like to be a part of the war effort in a civilian capacity are urged to write to Civil Service District, New Orleans, La., stating their age, qualifications, type of work desired and asking to be notified when and where the next civil service examination for this area will be held.

Men who have had commissions in the army or navy and have let them lapse; men who have unusually valuable training such as electrical engineering, radio, chemistry, and the like, are encouraged to contact the Personnel Placement Officer at Headquarters West Texas Recruiting & Induction District, Lubbock, Texas, so that their qualifications may be quickly brought to the attention of the proper officials in the War Department.

J. M. Acord made a business trip to Panhandle Thursday.

WPA Victory Garden To Be Increased

SAN ANTONIO—Production of victory gardens, operated by WPA workers in connection with the Texas school lunch program, will be six times as great this year as in 1941, it was reported today by Mrs. M. K. Taylor, state director of WPA service programs.

Currently expanded to 2,500 acres under cultivation, the garden program ranges from 10-acre plots to gardens of 60 acres, depending on the number of children in the participating schools.

Approximately 250,000 Texas school children are benefiting from this year's school lunch program, Mrs. Taylor said. Much of the produce now under cultivation will be canned and preserved for use in the future.

Fresh vegetables raised in the gardens supplement items supplied through the Surplus Marketing Administration and locally-contributed food. Gardens are operated by WPA workers, often with the assistance of volunteer workers, and are sponsored by school and county authorities. The Texas Food Standard prepared by the Texas State Nutrition Committee guides WPA supervisors in determining the types of vegetables to be grown.

The garden program is operating in 125 Texas counties.

WAR!

... after 10 years of perpetual e-motion

WASHINGTON officials complain that the public does not realize that the nation is engaged in war. A critical war. An all-out war. . . . Washington chides the citizenry for its lethargy, its complacency.

"Where does the blame, if any, lie?"

This read the opening lines of an editorial in the official magazine of the United States Chamber of Commerce suggesting that the average citizen feels that the bureaucrats in Washington "are not taking the war seriously."

The average man, it is said, "has become impervious to 'emergency.' He has been exposed for ten years to perpetual emotion. It is natural that he ask his leaders for something more

than words. . . . He needs examples, actions, in high places."

But, it continues, "As far as the citizen can see, not one of the 150-odd peace-time bureaus, commissions and authorities has made any sacrifice. Not one. Rather, not a one but has found the war an excuse for expanding its personnel and 'services'."

The average man knows that wars are not won with words, piddling policies, or boondoggling. Wars are won with deeds, with production, and with the full cooperation of government, labor, industry, and of ALL the people.

He knows that to win the war there must be an end to petty politics while the battle rages. He knows that his

country has no need for bogus reformers, hampering and reviling industry at a time when our greatest need is planes, tanks, ships—not ideologies.

The practical business men who built up and manage America's electric companies today are providing electric power where it's needed, when it's needed!

Despite the millions on millions of dollars spent for political power projects, business-operated companies are furnishing over 90 per cent of the nation's electric supply in the present emergency. Last year, they installed over 2½ million more horsepower! We now have in the U. S. more electric power than all the enemy nations together.

Careful, efficient and economical production of electric power will continue, lighting air fields, army camps, industries, your home and business. The war will be won, not with words of abuse but by wholehearted cooperation!

West Texas Utilities Company

Old Homes ARE TURNED INTO Beautiful..Convenient..Modern Homes

Through the magic of modernization, old homes are changed into beautiful, comfortable, work-saving modern homes. New conveniences are added, and wasted space is utilized to provide maximum enjoyment of the home.

Your home, too, can be converted into a cheerful, well arranged, more comfortable home through modernization. Both interior and exterior can be made to rival the newest and most modern home in your neighborhood.

Don't Delay! MODERNIZE Your Home NOW!
 • No Down Payment
 • No Mortgage
 • Easy Monthly Payments

IT'S A WISE INVESTMENT

Aside from the added convenience, work-saving features, and increased comfort which is imparted to your home, modernization is a wise investment. Reliable statistics show that approximately \$3.00 added value comes from every \$1.00 spent on modernizing a home. In some phases of modernization, insulation and weatherstripping for instance, the cost is offset in a few years by the savings they bring about. Upkeep cost is also cut to the minimum. In the case of rent property, increased income is usually an immediate result.

SEND FOR THIS VALUABLE BOOK

The "Home Planning Department" of Wm. Cameron & Company has prepared two elaborate books, beautifully colored and illustrated. One covers Modernization, the other New Homes. These books simplify the problems of home modernization and home building for our customers. Written in everyday language, they are crammed full of valuable and practical building ideas and suggestions. If you contemplate building a new home or modernizing an old one, you will find these books of great assistance. You can get the one you need, absolutely free and without obligation, by mailing the coupon below.

Brumley to Make Race for Judge

Your Donley County Leader is authorized at this time to announce the candidacy of Harry C. Brumley for the office of county judge. Mr. Brumley, a resident of Donley county since 1898, in announcing his decision to make the race said: "If I'm elected, I shall use plain old horse sense in conducting the affairs of the office."

VISITS RELATIVES

Mr. and Mrs. W. R. Griswell of Canyon visited her mother, Mrs. W. D. Martin Friday night. Mrs. Martin accompanied her home Saturday where she visited. She also visited her sister and husband, Mr. and Mrs. J. H. Harris at Hereford.

RETURN HOME

Mr. and Mrs. J. L. McMurtry and daughter, Laverne, returned home Sunday night from Mineral Wells where they had spent the past month for medical treatment for Mr. McMurtry. They also visited the Fat Stock show at Fort Worth.

VISIT AT SNYDER

Frank Bourland went to Snyder Saturday after Mrs. Bourland who had been visiting their daughter and family. Mr. and Mrs. Robt. Dillard. Mr. and Mrs. Dillard are moving from Snyder to Corsicana where he has been elected secretary of the C. of C.

J. A. Warren is in Amarillo this week, taking a little vacation after the strenuous Income Tax work is over, and also for medical attention.

MIDWAY

Mrs. John Goldston

Mr. and Mrs. W. K. Davis received a telegram from their son, Clarence who is now in Australia. He stated he was getting along fine. They had not heard from him since Jan. 26.

Mr. and Mrs. LaVern Goldston and boys of McLean visited their parents, the Goldstons and McMahans of Clarendon Sunday.

Jane Williams of Groom school spent the week end with her parents.

Mrs. Ernest Jones and son Bobby came up Monday for a visit with Mr. and Mrs. Jones.

Mr. and Mrs. John Chamberlain and Ben, Miss Mattie Rhodes and Betty Jo Rhodes spent Sunday with the Gene Chamberlain's in Memphis.

Mrs. A. B. Stephens and baby left Tuesday night for Matador to join her husband.

Mrs. Stephens of Clarendon visited in the Longan home.

Mrs. Edith Longan, Mrs. Elizabeth Evilsizer and Mrs. A. B. Stephens and baby spent Sunday in the Nelee Robinson home at Ashtola.

Mrs. Fanny Rector and son of Clarendon visited in the Dick Tomlinson home the past Tuesday evening.

Mr. and Mrs. H. Ward and Mr. and Mrs. Fred Easterling visited the lady's parents Sunday afternoon. They also called in the Longan home.

Tom Corder is in Ft. Worth this week.

John Goldston and Mr. and Mrs. Joe Goldston of Clarendon visited Tom, their brother, in St. Anthony's hospital Sunday.

Mr. Meaders has rented his farm land in Midway to Mr. Nichols of Clarendon. The Nichols family will live in a rent house on the Meaders farm.

The Midway Quilting Club met Thursday of last week with Mrs. Loyd Moreland. One quilt was quilted. Ten members were present. The Club will meet with Mrs. Edith Longan next Thursday.

Mr. and Mrs. J. L. Lamberson were supper guests in the Longan home Sunday.

Mrs. Harold Longan and children visited Mrs. Longan Monday evening.

Mr. and Mrs. Gene Chamberlain of Memphis visited in the Goldston home last Friday evening.

The Luttrell children have been ill with measles. They are improving now.

Chester Seaton has been ill for the past two weeks.

Mrs. Hefner went to Amarillo the past week for a check-up.

Mr. W. M. Pickering went to Ft. Worth on business Monday.

DIVORCE QUESTION

The Annonis Star discusses home wrecking:

"Who's responsible for most divorces, the husband or the wife?" That's a question that has brought on innumerable arguments, but in Alabama at least we know who is the most likely to become dissatisfied with marriage—the woman.

"The State Health Department has just completed a study of 1940 divorces which showed that of the 4,417 divorces granted in that year 3,046 were granted to complaining wives. One was granted in which both husband and wife were complainants, and 15 in which no information was available as to whether the complainants were husbands or wives.

"We already envisage the barrage of ridicule which the good ladies are going to hurl at the above figures. Their argument will be: 'Certainly the women brought most of the divorce suits, but it was the men who forced them to do it, the brutes!' and so on, far into the night.

"But the men can rest their case on the figures. Figures don't lie. Or do they?"

DOWN IN TEXAS

By Edmunds Travis

If Congress reverses itself on the short week and takes effective action to end wartime strikes and racketeering by so-called labor leaders, Texas public opinion will be largely responsible. The people and press of the Lone Star State have condemned congressional dillydallying with the labor situation even more strongly than they condemned congressional pensions. Telegrams and letters have poured into the offices of all members of the Texas delegation urging anti-strike legislation and suspension of the 40 hour week for the duration of the war. Still stronger suggestions have been made in newspaper articles and resolutions of various citizens' organizations.

Denunciation of wartime industrial strikes was an outstanding feature of the Southwestern Cattle Raisers convention at El Paso recently. On the other side of the state, the Alice Chamber of Commerce, Alice Lions Club, and other South Texas organizations signed communications to Congress demanding that it "stop bickering and get something done." In Dallas, the Texas A&M Club resolved: "We are tired of the lack of action toward abolishing the 40 hour week in essential defense industries and want our representatives at Washington to get busy." At Hamilton a Victory Committee adopted a creed containing, among others, these declarations: "Pressure groups must go. Waste must go. Duplication must go. Excess profits must go. Slowdowns and strikes must cease."

Said the Shamrock Texan editorially: "The production of bombers in 1941 was delayed more than three months by strikes in defense factories. If we lose Java the blame can be placed squarely on Congress for refusing to outlaw strikes in 1941."

Said the Polk County Enterprise: "To the average patriotic man or woman one of the most disgusting aspects of our part in the present war is the attitude of a small percentage of organized labor and racketeering labor leaders who are taking advantage of the present emergency to enforce their demands for higher wages, a closed shop and shorter working hours. . . . The situation reeks with rank injustice, but at Washington vital matters such as this are settled by politics and not by common sense."

In an open letter to Senators Tom Connally and Lee O'Daniel and Congressman Charles South, the Lometa Reporter called for better pay for soldiers and more work by those building camps. "We admit," said the letter, "that you are smarter than we, or else a better salesman; or you would be down here running this old Fire-side Friend and we would be up there. But we are smart enough to think that sauce for the goose is sauce for the gander, and if the cream of the country can be drafted for \$21 a month and slung-gallon-pallet to sleep on if they happen to get a chance, why can't the camps be built with selective labor?"

Mr. and Mrs. Jack Gilbert and family of Pampa visited his parents, Mr. and Mrs. C. C. Gilbert.

Mr. and Mrs. Ed Kinslow of Hedley were visiting in Clarendon Monday.

To The Voters Of Clarendon:

Mr. Frank L. Bourland having declined to ask re-election to a place on the City Commission, though urged to do so by many, I hereby announce my candidacy for such place. In doing so I am fully conscious of the responsibilities the office of City Commissioner entails. But I feel that I can, if elected, render constructive service, as such, to the citizens of this city.

With that in mind I now promise, if such responsibility be placed in my keeping to give, without stint of my time, my best thought and energy to not only maintain the present high standard of a progressive town, but will strive to raise such in so far as consistent with economical administration of city finances.

Asking your support and your votes I am,

Very truly, B. L. Jenkins.

Mr. and Mrs. Chester Williams of Amarillo spent the week end with their parents, Mr. and Mrs. Henry Williams.

Vestal Mosley was over from Pampa Saturday attending business and visiting his folks near Hedley.

Wilma Jean Warren spent from Thursday over till Monday visiting her sisters in Amarillo.

Mr. and Mrs. J. T. Hoy were in Pampa Sunday assisting Mrs. Hoy's parents, Mr. and Mrs. Knight, florists, in the several funerals there.

Mr. and Mrs. P. C. Messer visited Mr. and Mrs. Pete Messer and family at McKnight Sunday.

Mr. and Mrs. Arnold Reed of Lelia Lake left here Sunday for Dallas where he will join the navy. After a brief stay Mrs. Reed will return home.

Mrs. Walter Moss of McKnight is in the Clarendon Clinic where she underwent an operation.

Miss Ann Bobo was taken to Adair Hospital Wednesday.

TEXAS HENFRUIT

Shipments of eggs from Texas stations continued to zoom in February, the University of Texas Bureau of Business Research reported.

Total shell equivalent shipped from Texas loading stations during the month was 803 cars, as compared with 120 in the same month of 1941. Of the total shipment, 204 cars were for Texas consumption, while 599 cars were sent to interstate points.

Poultry shipments dropped, however, only 24.5 cars of chickens leaving Texas loading stations in February as compared with 57 cars in the same month last year.

Farm Families Pile Up Food Reserve

COLLEGE STATION — Texas home demonstration club women and 4-H Club girls canned, brined or preserved approximately eight and one quarter million quarts of surplus foods in 1941. Announcing this total, Grace I. Neely, specialist in food preservation of the A&M College Extension Service, points out that it covers the period from January 1 through November.

In the eleven months these homemakers also stored fresh, dried or cured 6,521,946 pounds of edibles, and preserved in frozen form 1,618,568 pounds of meats and 257,471 pounds of fruits and vegetables. In this food conservation work, 6,097 families in 108 counties had the service of freezer lockers and 24,234 families in 179 counties owned and used pressure cookers.

Mr. and Mrs. L. B. Penick spent the week end visiting his parents, Mr. and Mrs. Penick at Canyon.

Mr. and Mrs. Chester Williams of Amarillo spent the week end with homefolks.

Pig Production On The Up

COLLEGE STATION — Fourteen percent more pigs were produced in Texas in the fall of 1941 than in the same period of the previous year, reports E. M. Regenbrecht, swine husbandman of the A&M College Extension Service, and 47 percent more sows were bred for 1942 spring farrowing than farrowed in the spring of 1941.

Thus prepared, Texas farmers found themselves at the year end "in splendid position to produce any desired number of hogs called for in the 1942 Food For Victory campaign," the specialist predicts. "The Texas Extension Service through its specialists and county agricultural agents has kept the farmers prepared for any emergency. Texas farms are well stocked with breeding stock of good quality and barns are filled with grain feed."

Regenbrecht explains that thru planned demonstrations with adult farmers and 4-H Club boys, Texas farmers are trained to produce intelligently and profitably.

an ever-increasing number of hogs as the need may arise. Texas now ranks seventh among the states in the number of swine produced. "Advantages of climate and soil permit producing them as cheaply as in other states and cheaper than in most areas," he adds, but expansion of the industry will depend upon more convenient spacing of packing plants and markets in order to reduce existing long hauls.

Mr. and Mrs. Houston Miller of Canadian were visiting friends here Monday.

Mr. and Mrs. Clyde Martin and Mr. and Mrs. Cecil Killough and son Billy were Lubbock visitors Tuesday. They were joined by Mrs. W. D. Martin at Canyon and she came home with them.

Mrs. Will Johnson and daughter Mable spent the week end in Amarillo with Mrs. Johnson's sister, Mrs. Clark. Mable remained in Amarillo where she will be employed at a Beauty shop.

Mrs. O'Neal and husband of Amarillo visited her sister, Mrs. C. C. Gilbert Tuesday.

RUSSELL AYERS MARKET IN PIGGLY WIGGLY (Clarendon's Quality Beef for 18 years.) We Still Have CLUB CALF BEEF Yes! . . . We have plenty of this good beef left so come in and select your choice cut and enjoy the best in Quality beef . . . Also ask for details about FREE MEAT to be given away Saturday, March 28th.
