Clarendon to have a museum

oldest towns in the Panhandle is to have a museum. The board of directors of the Saint's Roost Museum are very pleased at last to be able to announce they have found a permanent museum location. Some twelve to fifteen years ago the museum board began a search for a proper museum site. Through the

perseverance and determination of some very dedicated individuals the search for a museum site has at long last

Only a few weeks ago legalities were finalized and the Adair Hospital building property was transferred to the Saint's Roost Museum. The Adari Hospital, a landmark itself, holds promise of

becoming a very outstanding small town museum. Clarendon, with its rich heritage and prominent historical background, can have a museum of which anyone should be proud to boast.

The board of directors invites and encourages interested persons to join in this new community project. Your ideas, time, support, and donations will be welcome. There will be special projects, committees, and an array of areas where you can become actively involved.

An escapee captured by an alert deputy sheriff

An escapee from Kountce County Jail, a small town located north of Beaumont, was apprehended in Clarendon this weekend. Steven Collins serving a 35 year sentence was testifying at a murder trial on a bench warrant prior to his escape from Kountce, Texas.

Collins' cellmate in the state pen at Huntsville has a girlfriend supposedly living in Clarendon. After his

escape he allegedly stole three vehicles and a change of clothing before deciding to come to Clarendon. Collins and a hitchhiker

from Atlanta, Ga. arrived in Clarendon Friday, April 20, driving a customized Volkswagon with an estimated worth of \$4,500. This fancy vehicle was noticed by Deputy Sheriff Butch Blackburn, who had the dispatchers run a license plate

The check revealed that

the car was reported stolen. Deputy Blackburn and reserve officer, Kyle Hill, apprehended Collins, who surrendered peacefully. This makes two cars and a

motorcycle allegedly stolen, recovered by alert deputies this past week. "I am very proud of the deputies and reserve officers. Each has conducted themselves in a

professional manner which is evident in regards to the arrest and recovery of the allegedly stolen property," stated Sheriff Jimmy Thomp-

Sheriff Thompson stated, "Our office in 1983 found \$84,000 worth of stolen property. We recovered \$96,000 worth of stolen property which means this includes property not stolen in Donley County."

Thursday, April 19, an informant instructed Deputy Sheriff Faylon Watson, that an individual had a motorcycle in his possession, parked at a local motel, which had allegedly been stolen from a Dumas resident.

Deputy Watson and Brand Inspector Kelly Rushing apprehended the suspect. After checking they found the motorcycle had been reported stolen and that the suspect was an escaped prisoner from the Rocky Mountain Correction Center at Pueblo, Colorado.

The suspect and the motorcycle were returned to Dumas, where the prisoner is awaiting extradiction back to Colorado.

In medieval times, church bells were rung in an attempt to stop storms

Sheriff Jimmy Thompson, and District Attorney Special Investigator Doug Wright have had the suspect under surveilance. "Our main concern is removing dope dealers and users from Donley County," stated Sheriff Thompson. This is exactly what the sheriff's office, narcotic agents, Texas High-

way Patrol, and the District Attorneys office have been doing.

Moore allegedly had a drug ring stretching from Wichita Falls to Clarendon. He was arraigned in Clarendon for "delivery of narcotics". Moore is in the Childress jail in lieu of \$50,000 bond.

From the Pen of **Pastor Pinion**

By GARY L. PINION

One of the greatest thrills of my life took place last week as my wife and I had the wonderful privilege of seeing in person the President of the United States. Words cannot describe the emotion that I felt as the announcer boldly introduced, "The President of the United States."

As he made his entrance from behind a curtain and on to the platform tears filled my eyes and pride engulfed my heart as I was overtaken by the wonderful privilege of being an American.

Yet through all the pomp and excitement, I couldn't help but to think of what my response will be like when I see the face of my saviour the Lord Jesus Christ.

I remembered the response of the Apostle John on the idle of Patmos. He said, "And when I saw him, I fell at His feet as dead" (Rev. 1:17.). The song writer put it this way: It will be worth it all when we see Jesus, Life's trials will seem so small when we see Christ; One

Hancock named Award winner in Speech and Drama

The United States Achievement Academy announced today that Amy Ruth Hancock has been named a 1984 United States National Award winner in Speech and Drama. This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Amy Ruth Hancock, who attends Clarendon High School, was nominated for this National Award by Mrs. Fuzz Mooring, a Speech and Drama teacher at the school. Amy Ruth Hancock will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Amy Ruth Hancock is the daughter of Mrs. Ruth Hancock. The grandparents are Mr. and Mrs. J.M. Justiss of Claude, Texas.

Protect fruit trees

from insects

Homeowners hoping to harvest good fruit from their trees this year need to start work now to assure healthy trees and quality yield, advises Ronald Gooch, Donley County Extension Agent.

"The first step in producing quality fruit is to insure that the tree is in a healthy, vigorous state,' Gooch said.

Various insects attack fruit trees and often the use of insecticides is the only means of control, the county agent said. Cultural practices such as proper pruning, fertilizing and watering also play important roles in preventing insect damage, he noted.

"Insect losses can be reduced with a spray program and by diligently following good cultural practices,' Gooch said.

"But this should begin right away for peach and trees and in the next few days for apple trees," he stressed.

The most important insects which damage fruit in this area are the codling moth in apples and pears and the peach twig borer in peaches and apricots. Other damaging insects include the

The first cover spray to prevent insects from damaging fruit should be applied to peach and apricot trees when 75 percent of the blossom petals have fallen, and to apple trees when 90 percent of the petal have dropped. Subsequent applications should be made every 10 days to assure undamaged fruit.

"Five or six applications will be needed for apricot and peach trees, and up to 14 applications for apples and pears. Thorough coverage of the tree is important." Gooch emphasized.

Several insecticides. including diazinon, malathion, and zolone provide good control of damaging insect pests, he said. Sevin will thin apples and shouldn't be days after full bloom. A fungicide can also be applied with the insecticide to help prevent diseases in peaches and apricots.

Always read and follow label instructions for the pesticide you are using, Gooch said,

Two Chapters of Beta Sigma Phi host coke party for Senior girls

The 2 chapters of Beta Sigma Phi - Alpha Upsilon Epsilon and Xi Lambda Xi hosted a Coke party for the senior girls of Clarendon High School on Tuesday, April 10th at 4:00 p.m. in the new home economics facilities at the high school. The purpose of this meeting was to acquaint the girls with our scholarship that is awarded to a senior to Clarendon Junior college. The scholarship is for \$100 per semester. If the girls were interested, they filled out an application for the scholarship and it was handed in at this meeting.

The girls and sisters of sorority present were served chips, dips and Cokes prepared by sorority sisters. After refreshments, Frankie Henson of Xi Lambda Xi told a little about the scholarship and who was eligible to

Sorority News

The 108th meeting of Xi Lambda Xi met April 9th at Charlene Mays' home with Gloria Gage as co-hostess.

Everyone was served a delicious strawberry beverage before the meeting. President Peggy Anderson brought the meeting to order

with all sisters repeating the Opening Ritual together. The minutes of the previous meeting were read by Recording Secretary Betty

Veach and they were ap-

proved. President Peggy reported that she had received all the Founders Day programs and other things from International, and they will be ready for Founders Day on April 28th at Carol Hinton's home.

There was some correspondence from International headquarters concerning the State Convention to be held at Houston on June 22-24, 1984. The theme will be "Carousel of Merriment".

Frankie Henson was asked about the April 23rd meeting. The sorority is suppose to go to the Country Squire Dinner Theatre for our program. The theatre is not open on Monday so we were asked to select another night. The date of April 27 (Friday) was selected as the date to attend the Country Squire Dinner Theatre.

acknowledged. They were expressing their thanks to us for helping with expenses for the candidate in the Miss Irish Rose Contest in Shamrock.

President Peggy reported that a letter from the Chamber of Commerce was received, concerning the July 4th parade. We were asked to have a float in the parade and after some discussion, it was decided to enter a float in the parade.

Susan Henson, the treasurer, reported on our cash disbursements.

Pat McCombs reported on the City Council meeting and the council will meet again April 10th after the Coke party for the senior girls of C.H.S. to discuss applicants for the scholarship.

A slate of officers for 1984-85 were presented from the nominating committee. President-They are: Maurine Butts, Vice-President-Beck Hill, Recording Secretary-Betty Veach, Financial Secretary-Dee Cox, Historian-Pat McCombs, Parliamentarian-Gloria

Gage, Extension Officer-Dona Goss, Sponsor-Frankie Henson.

Being no other nomination from the floor, this slate of officers was voted in by The Coke party for the senior girls of C.H.S. will be April 10th and all plans have been finalized.

The business meeting was adjourned.

The program was pre-sented by Dee Cox who in turn introduced her husband, Don. Mr. Cox gave an excellent prepared slide pre-sentation on SCS (Soil Conservation Service). He explained parts about the Soil Conservation Service program, how do you protect the soil and water for future generations. He also talked about the capability of the land for crops, range, etc. as well as ways for preventing erosion. We thank Mr. Don Cox for an interesting and

very informative program.

The Closing Ritu-1 was repeated in unison by all sisters present and all joined hands for the Mizpah. Gloria Gage won the raffle.

Charlene and Gloria served delicious Mexican salad, sandwiches, chips, dips and strawberry cake from a beautifully decorated table in spring colors. Attending were Susan Henson, Roxanne Strickland, Dee Cox, Maurine Butts, Pat McCombs, Gloria Gage, Betty Veach, Charlene Mays, Peggy Anderson and Frankie

Newhouse named to Texas Leaders

Round Table

Bright Newhouse has once again been named to the membership of the Texas Leaders Round Table, an elite organization composed of the life insurance industry's most successful underwriters in Texas. This year a total of 730 were named to this organization.

President William E. Zinsmayer stated the membership list this year includes 87 new members, 16-20 year members, 274 renewal members and 318 life members. Agents listed represent 108 life insurance com-

Broncho track team

Bronchos place 2nd at District 2AA meet

The Clarendon Broncho Varsity boys track team traveled to Shamrock on Tuesday, April 17th to compete in the District 2-AA meet. The Bronchos and Panhandle staged an exciting battle throughout the day in all 15 events. At the conclusion of the meet the Bronchos were nudged out of the title by two points as Panhandle held a 139 to 137 margin of victory. Despite the fact that the Bronchos did not capture the team title there were many performances by the local thinclads that were truly outstanding. These young men once again competed to the maximum of their abilities and exhibited the spirit of true champions.

qualified for the regional meet to be held in Lubbock on May 4-5. They earned this honor by finishing either first or second in their event. This was the last regular season meet for the Bronchos and the season record shows 3 meet championships and four runner-up finishes. It was a fine season because of the efforts of an outstanding

group of young men. The regional qualifiers will continue to work hard in expectations of fine performances at the Lubbock meet. This Saturday, April 28th, they will travel to Panhandle for a regional qualifiers meet. This will be their final tune-up for the Region 1-AA meet. First and second place finishers at Lubbock will qualify for the state meet to be held in
