"Because the program has once again shown such strength in the financial market place, it is possible for us to continue offering \$20,000 home loans to Texas veterans at 9.97 percent," Texas Land Commissioner Gary Mauro said. Mauro, who serves as

Chairman of the Veterans Land Board, said, "With the Federal Reserve discount rate and private conventional mortgage rates on the rise again, I think it is remarkable that the results of our second trip to the bond market have again enabled us to continue offering VHAP loans below ten percent."

Mauro said that the bid was particularly encouraging because of the track record AAA municipal bonds have had over the past few months in the financial market.

"This is an outstanding bid in a bond market weakened by rising interest rates. It shows the faith the financial community places in the VHAP and the strength and success of this new program," Mauro said.

Mauro said the newlycrated program, which offers \$20,000 loans to eligible Texas veterans to apply toward the purchase of a

home, has received over 2800 applications for home loans since the program began accepting them January 29.

Texas veterans are currently paying 9.97 percent interest on loans financed through the initial sale of \$85 million in bonds to fund the

Mauro said the number of approved lenders for the program is now over 125 with more than 400 locations across the state where veterans can apply for loans. Mauro said he believes the availability of lenders, VA participation in the program which enables veterans to get loans with no down payment, and the excellent interest rate "make the Veterans Housing Assistance Program the most attractive home loan program in the country."

1926 Book **Club holds President's** Dinner

On May 2 at 6:00 p.m., the 1926 Book Club closed the year with the President's Dinner, held in the beautiful home of Mrs. Rachael Butler. The evening began with an elaborate meal consisting of dishes brought by members, turkey and dressing, hot rolls and other fixings furnished by Mrs. Butler and the Social Committee, Frieda Tucker, Hazel Brandon, and Susie Shields. The invocation was given by Oressa Delaney.

At the close of the social hour, the Patio Room was cleared for a business meeting, which began with the

reading of the Club collect. After hearing a report from the treasurer, Pauline Morris, that the club finances were definitely in the black, the club voted a donation to the Burton Library. They considered several options for a suitable memorial for the late member, Molly Ritter. A lovely silver-plated coffee server was chosen and will be placed at the Club House in loving memory of Mrs. Ritter.
