CC to direct LVN program at Shamrock

The Licensed Vocational Nursing Program at the Shamrock General Hospital will soon have a change in the college sponsorship of the school. Frank Phillips College has been in charge of the administration and supervision of the school in recent years, however due to other commitments has requested that Clarendon College assume the job of sponsoring the post-secondary institution. Officials from Clarendon College, Frank Phillips College, and the Shamrock General Hospital Board met last week to make preparation for the transition.

Dr. Bob Riley, Dean of Instruction at Clarendon College stated, "Clarendon College is looking forward to assuming the

administration and supervision of the LVN school at the Shamrock General Hospital. We do not anticipate any problems with this transition and we want to assure the residents of Shamrock and the surrounding area that we intend for the school to continue in its present organizational structure and to graduate the best possible Licensed Vocational Nurses to help meet the health needs in the area.

The State Board of Vocational Nurse Examiners and the Texas Education Agency has been notified of the change of sponsorship which becomes effective February 17, 1979. Mrs. Paula Parker, R.N. will continue to be the LVN instructor at Shamrock General Hospital.

Licensed Vocational Nursing applicants sought

The Shamrock General Hospital has announced that applications to the Licensed Vocational Nursing School will be accepted through December 22, 1978. Applicants will be considered for the next class which begins on February 19, 1979. Prospective students are requested to contact Mrs. Paula Parker, R.N. at Shamrock General Hospital, Shamrock,

Texas 806-256-2114. Students that are accepted into the LVN program may apply for student grants and student loans through the Clarendon College Financial Aids Office. All persons interested in a rewarding, professional career of helping others are urged to contact Mrs. Parker before December 22nd.

RUFFLED OUT IN full splendor is the turkey which was one of those given away at Bylow Food Store in time for Thanksgiving. Visibly impressed by this live symbol of the first Thanksgiving are (left to right) Chad Ellis, Jody Kidd and Clint McConnell. Winners of the two turkeys (Tom and Clyde) at the turkey drawing Saturday afternoon were James Swearingen and Jewell Judd.

A HAPPY THANKSGIVING TO ALL!

Spacious skies, abundant grain, majestic mountains and the fruit of plains and valleys are still part of America the Beautiful and this is the season to pause and reflect on the bountiful life we enjoy and what each of us can contribute to the preservation of a land made ours by the agony of an oppressed people who had enough faith to sustain their progeny even today.

Our Pilgrim forefathers did not wait for

someone else to make things better or easier, but bolstered by the courage of their individual convictions they acted collectively for a better life in all respects.

As this grand American holiday is observed across the land in 1978, the free people of this great nation worship as they choose, get recompense for industry and are legally entitled to claim, as Americans, the best of homelands.

Let us all give thanks.

ASCS Report

County Committee Elections

Don't forget to return your voted ballot on the County Committee election no later than December 4, 1978.

Wheat Deficiency Payments

Wheat deficiency payments should be ready to mail to producers in December. The exact per bushel amount has not yet been determined.

Crop and Livestock Reports needed from farms and ranches

From Mid-November to early January, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. Accurate estimates have always been of great importance to producers and are even more important in light of the supply-demand situation facing agriculture today.

Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas. Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for state and county estimates. Not only do the accurately completed surveys provide a more realistic projection of Texas agriculture, but the surveys are used in establishing county program check yields.

Bee Indemnity Program

Anyone having bees and suffering a death loss due to pesticide poisoning may be eligible for assistance.

Farm changes

In order for us to keep our records up to date, you should report any farm operator or owner change as it occurs.

Holiday

The office will be closed all day Thursday, November 23 for Thanksgiving.

Singing Payne family at Calvary Baptist

The Singing Payne Family from Abilene will be appearing at the Calvary Baptist Church for both the 10:00 and 11:00 a.m. services on Sunday morning, November 26th.

The Payne Family is one of the best singing groups in this part of Texas and you will receive a great blessing by being present at both services.

Press offers greetings again this year

For the second year the Clarendon Press is offering a choice of Seasons Greetings for selection by those who do not plan to send individual greetings.

Some offices to close Friday

City and County offices, the school tax office and the College offices will be closed on Friday after Thanksgiving. Also to be closed is the business and tax office for the hospital.

Community Thanksgiving service to be held First Baptist Church Wednesday

Thanksgiving 1978 will be celebrated with a community service held at the First Baptist Church in Clarendon this year at 7 p.m. on Wednesday, November 22.

The Rev. Owen McGarity, of the Presbyterian Church, will give the invocation and the responsive reading will be led by the Rev. Bob Brown of the United Methodist Church.

Terry Scoggin, Minister of Music at the First Baptist Church, will have charge of the music at the service.

The Rev. Pettigrew Hamilton,

of St. John Baptist Episcopal Church, will give the welcome and the Rev. Paul Heil, minister of the First Baptist Church, will give the prayer of Thanksgiving. Special music will be provided by Jennifer Scoggin.

Delivering the Thanksgiving message will be Bill Hodges, pastor of the Church of the Nazarene.

In conclusion will be the benediction by Wilbert Bernabe, pastor of the First Christian Church.

Everyone is invited to attend these services.

Mrs. Loyd Hillis rites held Nov. 16th

Funeral services for Mrs. Loyd Foreman Hillis, age 76, a resident of Donley County for the past 28 years, were held at 3:00 p.m. on Thursday, November 16, 1978 in the First United Methodist Church with Rev. Robert Brown Sr., pastor, officiating. Interment was in Citizens Cemetery with the arrangements under the direction of Robertson Funeral Directors.

Mrs. Hillis died at 5:30 p.m. on Tuesday, November 14, 1978 in Hall County Hospital in Memphis, Texas after a lengthy illness. She was born November 16, 1901 in Saint Joe, Texas. She married George Dewey Hillis on December 24, 1919 in Wellington. She had been a resident of

Hall County for 43 years before moving to Donley County 28 years ago. She was a member of the First United Methodist Church in Clarendon.

Survivors include one daughter, Mrs. Euba Fae Carrick of Borger; three sons, Edward Hillis of Rupert, Idaho, Tommie Hillis of Vienna, Virginia, Don Hillis of Clarendon; one sister, Mrs. Mary Vaughan of Big Spring; one brother, Cloyd Foreman of Warrensburg, Missouri; ten grandchildren; and nine great grandchildren.

Casket bearers were Joe Robert Leathers, Marvin Jones, J.H. Spier Jr., James Albert Montgomery, F.O. Hodge, Bernice Paul Watson, Perry Lambert, and Ted Shaller.

Country Club to have dance

Members and their guests of the Clarendon Country Club will be enjoying a dance at the club Saturday, November 25, from 9 p.m. until 1 a.m.

Music will be provided by Disc Jockeys from KIXZ radio station in Amarillo, known as 293. This is a popular group which emphasized Western-Country-Rock music in their record selections.

Come out for an evening of

pleasure and support your club.

A Mexican Buffet will be served for members and their guests before the dance with serving to begin at 7:30 and ending at 9:30. Cost of the buffet dinner and the dance will be \$12.00 per couple.

There will be no Thanksgiving dinner at the Country Club, due to lack of reservations, and the club will be closed for Thanksgiving.

Varsity Broncettes blitz Valley 44-36

By Rick Hayes

Led by two Freshmen scoring each in double figures, the Clarendon Varsity Broncettes drubbed an old nemesis - the Valley Patriettes - in a game which saw the Broncettes running more, passing more, and taking more chances. Coach Dean Overcast advises: "Don't look for a change." The Clarendon girls wore out the team that has given trouble to all Clarendon Basketball teams since Valley's inception in 1972. Fast breaking up and down the court "got them tired," said Overcast. Angela Gardner's 12 points led the Broncettes while a red-hot Karla Meyer kept the Pats close.

The Broncettes, from the opening tip, came out running and looked impressive. Overcast alternated the first and second teams, constantly substituting and tiring the Patriettes out. That, along with a stingy defense, kept the Broncs ahead. The Valley club played at Clarendon's pace all night long. With the frustrated Valley

Tax officers report October tax collections

Local tax offices have reported their taxes paid in through October in the following amounts: hospital taxes are 54% collected; school and college 45% collected; City of Clarendon 50% paid and Donley County 56% paid. Tax offices will be closed Thursday and Friday of this week.

Clarendon received \$2,140.27 for their share of city sales and use tax for this past quarter bringing the total for 1978 to \$42,215.72.

Chamber of Commerce elects four new directors

Clarendon Chamber of Commerce members have just completed the selection of four new members to the board of directors for a three year term.

Named to the board are Trey Chamberlain, from Chamberlain Motor Company; Troy Skinner, of Skinner Enterprises Inc.; Jack Daniel, for Bylow Food Store and Helen Woody, of the Clarendon Press.

Farms Farm and rural develop financing record

The Farmers Home Administration (FmHA), the main credit agency of the U.S. Department of Agriculture, reported that its loans and grants for rural development in Texas during fiscal year (FY) 1978 reached a record high of \$525 million—43 percent above the FY 1977 level, according to W.H. Pieratt, State Director.

Of the \$525 million, 96 percent of which are loans repayable with interest, over \$345 million are farm loans. Housing loans accounted for almost \$96 million, over \$50 million went for community facilities improvements and more than \$33 million were used for business-industrial financing.

Pieratt cited these highlights: —Farm credit. FmHA in Texas made 10,299 farm loans,

including more than 5,000 emergency loans to farmers and ranchers hit by natural disasters or economic emergency. Emergency loans totaled more than \$223.2 million. Other services included over \$121 million to individual family farmers for ownership, operation and improvement of their farms. A new economic emergency farm loan program, enacted in August, began with \$920 thousand of loan approvals in September. Under this program FmHA nationwide is authorized to carry up to \$4 billion in loans through May 15, 1980.

—Housing. FmHA made 3,268 loans totaling \$63.2 million to families of low and moderate income for home ownership or improvement, and over \$32 million in loans for 79 multi-family apartment projects in rural areas, towns of up to 10,000 population, and in non-metropolitan areas of up to 20,000 population where other credit is not available.

—Community facilities. FmHA provided more than \$42.4 million in FY 1978 to build or improve water and sewer systems in approximately 123 towns and rural areas in Texas. Loans for other types of community facilities, such as medical and community centers and fire departments, added over \$7 million to the agency's community facility programs. Facility projects may serve countryside and towns of up to 10,000 population.

—Grants for comprehensive planning in rural areas were

issued to 8 state, local and area planning bodies during FY 1978.

—Business and Industry. FmHA's guarantee of commercial lenders' loans to businesses and industries employing rural people rose from \$15.8 million in FY 1977 to over \$33.4 million in FY '78. A loan level of \$45.1 million is budgeted for the current fiscal year. Grants totaling \$415 thousand were made last year to local public bodies for improvement of rural industrial sites. During that time, the program provided an estimated 2,144 new jobs in rural areas and saved an estimated 2,160 existing jobs.

Pieratt said, "a state re-organization will be completed this year. Under the plan, new district offices will serve all community, multiple-family housing and organization project loans and grants. County FmHA offices will concentrate on improved service to families applying for farm and individual housing loans. To make FmHA more responsive to local needs and plans, and to avoid duplication of facilities in an area, groups of counties served by FmHA district offices will generally have the same boundaries as sub-state planning districts."

Hunter influences deer meat quality

Deer hunting provides many hours of outdoor recreation for Texas sportsmen each year. Besides providing recreation, deer harvested also yield a huge resource in terms of table venison.

The potential yield runs in the neighborhood of 11 million pounds of boneless deer meat annually, points out Dr. Milo Shult, area wildlife specialist with the Texas Agricultural Extension Service.

Quality of venison is not determined solely by the culinary talents of the homemaker. The entire process of handling the carcass from field to table

can add or detract from the desirability of the final product. The hunter plays an important role in determining whether a deer steak is tender and tasty or tough and bad-flavored.

In January of 1976, a group of specialists with the Texas Agricultural Extension Service conducted a result demonstration emphasizing the effects of handling on deer meat quality. Thirty-six deer were collected on a permit obtained from the Texas Parks and Wildlife Department. These deer were treated in several ways with each group of six deer receiving the same treatment.

"Since the hunter cannot control all factors which affect deer meat quality—for example, age of the animal harvested and the like—the treatments were designed to look at only those things which the hunter can control," notes Shult.

Variables considered in the result demonstration were these:

1. Sex—whether or not a difference exists between male and female animals with respect to meat quality.
2. Delayed skinning—the animals were not skinned for 12 to 16 hours after harvest.
3. Delayed field dressing—if an animal is not found right away, can delayed field dressing cause decreased quality in the meat? These animals were not field dressed for four to 11 hours after harvest.
4. Stress—will shot placement which causes immediate death provide higher quality venison than one in which the animal runs off before dying?
5. Aging—does aging a carcass in a locker for one week enhance the flavor?

Of the tests run on the carcasses, one of the most interesting was the taste panel test. A panel, consisting of five to eight people, was trained to evaluate meat quality, then given samples of venison from the various treatment groups.

"Only ham and backstrap muscles were used for testing, and each sample was cooked to uniform internal temperature. At no time did panel members know what sample or samples they were evaluating. The panel rated each sample on the basis of flavor intensity, flavor desirability, juiciness, tenderness and overall satisfaction," Shult points out.

Based on evaluations by the panel, the following general recommendations can be made for Texas conditions:

1. Whenever a choice is available, select a female animal for less flavor intensity (gaminess). This does not mean that male animals provide undesirable meat, but rather that most consumers may prefer the less intense flavor of the female.
 2. Whenever possible, place the shot in the neck or head to insure a clean, rapid kill. This prevents post-shot stress and also reduces tissue damage considerably.
 3. Field dress the animal as soon as possible. If contents of the intestine or paunch have been spilled, the carcass should be rinsed with water.
 4. If weather permits, leaving the skin on the carcass will help conserve moisture. However, a little common sense dictates that carcasses should be skinned and covered with a fly proof bag in hot weather if a cooler is not accessible. Also, a male in the rut may have a strong urine odor on the hind legs and probably should be skinned prior to storage.
 5. If the family prefers a somewhat more intense flavor which is similar to aged beef, the carcass may be hung in a locker for about a week before final processing. Again, common sense dictates storage in a clean locker which eliminates contamination of odors from poorly handled carcasses.
- "These recommendations are not the only way to handle carcasses," Shult emphasizes. "For the hunter who has a preferred method which differs somewhat from these recommendations but whose family is satisfied with the venison brought home, change is unnecessary."
- "If a hunter has no experience in handling deer carcasses or has had a bad experience with deer meat,

Colts Corral

Hi, welcome to Colt Country again. We would like to congratulate the eighth grade with their win over Panhandle. The score was 38 to 22. David W. made 3 touchdowns and one interception. Keith D. made two extra points, Chuck B. made one extra point, Jay B. made one interception and Kelly H. made two touchdowns from the passes quarterback Gary Lewis threw to him.

The linemen did an outstanding job stopping Panhandle's runs.

In the first half the Colts scored 24 points and Panhandle scored 14 points. In the second half the Colts scored 14 more points. The Colts won with a score of 38 to 22.

Postal service will have new standards in 1979

Implementation of new minimum-size mail standards will take place next March or April, the U.S. Postal Service said today.

The same effective date will be used to implement a surcharge for oversized mail -- a matter now pending before the Postal Rate Commission.

The Postal Service's Board of Governors established the timetable for the common implementation date at its regular monthly meeting today in Washington. The Postal Service had previously stated that the minimum-size standard would become effective "not before Nov. 30, 1978."

The Board decided, at the recommendation of the Postmaster General William F. Bolger, to defer the minimum-size standards to avoid any unnecessary complication during the Christmas mailing season and to allow major mailers a final opportunity to prepare for the change.

Rather than have separate implementation dates occurring around the same time for the minimum-size standards and the oversize surcharge, the Board decided to consolidate the actions.

Currently, the independent Postal Rate Commission is considering the Postal Service's proposal for a 13-cent surcharge for oversized mail and has until February 25 to act on it. Assuming PRC action around that date, the Board of Governors would consider setting the specific implementation date at its March meeting.

The Commission approved the minimum-size criteria and the principle of a surcharge for oversized or nonstandard mail pieces in April, 1976. The Postal Service announced its intention to put them into effect in 1978 in order to permit customers to use up existing supplies and prepare new inventories.

The minimum-size standards, which apply to all classes of mail, establish that envelopes and cards measuring less than 3 1/2 inches high or 5 inches long and certain other items that can jam machinery and damage other mail will not be accepted. Also, the new requirements call for a thickness of at least .007 of an inch. Postal cards have a thickness of .009 of an inch.

The new standards for oversized or nonstandard mail allow that mail to be accepted, but to be subject to the surcharge under consideration by the Postal Rate Commission.

In discussing the decision to put the implementation date off until early 1979, Bolger noted there have been a number of appeals for extensions of the minimum-size standards from utility companies in order for them to have more time to change their billing systems to a format which produces bills of a mailable size. He said deferral of the effective date would provide "one final warning."

Late Edition Home Demonstration Club plans party

The Late Edition Home Demonstration Club met for its regular monthly meeting on Thursday, November 16, at 7:30 p.m. in the Hospitality Room of the Farmers State Bank.

Our annual Christmas Party is being planned and a definite time and place will be set in a few days. Members and their husbands always enjoy this very much.

We elected officers to serve for the coming year and they are: Carol Grady - President; Georgia Guinn - Vice President; Frieda Tucker - Secretary-Treasurer; and Connie Robinson - Council Delegate.

There being no further business, we adjourned and Cynthia Manning presented our program. Cynthia had many items on display that were hand made to give to persons on the holiday gift list that you can make yourself. Some of the items she had made were macrame towel racks, pillows, Christmas tree ornaments, candle holders, monogrammed towels, silk roses, book covers, wreaths, and memo pad made from carpet scraps, yarn and felt. All of these would make nice gifts and it helped all club members want to get busy for the holidays.

Members present were Judy Bland, Carol Grady, Georgia Guinn, Pearl Hermesmeier, Nena Hunt, Evelyn Mann, Connie Robinson and Frieda Tucker.

Cynthia Manning, who gave our program, also furnished refreshments, spiced tea and coke were sent to the meeting by Cula Jo Trout who was unable to attend.

School board has regular meeting

At the November meeting of the Board of Trustees for the Clarendon Independent Schools business transacted included the approval of the 1977-1978 audit and the passing of a resolution for the application for Public Law #81874.

Appointment was made of a textbook committee for the 1979-1980 period.

Barney Horton presented the highest bid on two lots in the Grants addition.

Bids were refused on two lots in Blk. 184, original town of Clarendon.

A bid was accepted from C.I. Casteel on one lot in Blk. 12 of Clarendon Heights Addition.

The board tabled bids on Blk. 87 in the original town of Clarendon and approved some charge-offs of listed items by error.

Erskine to present Lone Star Gas program to business students

Mr. Dick Erskine of Dallas will present the award winning program, TO KISS A FROG to the business majors and members of Phi Beta Lambda of Clarendon College on Wednesday, November 22, 1978.

The program was designed and presented in cooperation with the Consumer Communications Division and the local Lone Star Gas Company.

TO KISS A FROG is a comical flannel board presentation of how the energy crisis is developed and what the future holds for us in regards to energy demands. The program is followed by a series of questions and answers.

Mr. Erskine is a Consumer Communications Specialist for Lone Star Gas Company where he has developed a career from working from the bottom up. He started his career with Lone Star Gas as a part-time employee serving as a service technician while earning his B.B.A. from North Texas State University. Following graduation, Erskine was selected to enter Lone Star's Management Training Program. He was then assigned as District Manager in Honey Grove, Texas. From this position he was promoted to his present assignment as a full time public speaker for the gas company.

Although born in Illinois, Erskine long ago became a confirmed, naturalized Texan. He has spent most of his life in Dallas where he now lives with his new bride. In his spare time, he likes to jog and play softball.

The Lions Tale

By Gene Alderson

The Clarendon Lions Club held its regular meeting at noon on Tuesday at the Lions Hall with 25 members and two guests present.
 Our birthday lady for the month of November is Ruby Dell Estlack, wife of Lion G.W. Estlack.

Lion Drennan opened the singing with 'Happy Birthday' in her honor. Boss Lion McGarity led us in the Pledge of Allegiance and Lion Brown led us in prayer. Lion Allen Estlack gave a report on the Chili Supper.

Our extemporaneous program was brought by Lion Bob Riley who is Dean of Instruction at Clarendon College. Lion Riley said that the fall enrollment at the college of 537 was an increase over last year. He also told us that plans were moving along fine for the Pampa campus. It will be known as Clarendon College - Pampa Center. It will initially be staffed completely with part-time instructors, many of which live in Pampa. It will be entirely self-supporting. Another step forward for the college will occur on Feb. 15, 1979 when Clarendon College, in accordance with an agreement worked out with Frank Phillips College in Borger, will assume sponsorship of the Licensed Vocational Nursing School at the Shamrock Hospital. This will be an expansion of the current L.V.N. program at the college and will bring additional funding to the college.

Aaron Shawn Moore celebrated his 2nd birthday

Aaron Shawn Moore, son of Terry and Sherry Moore of Spearman, formerly of Clarendon, celebrated his 2nd birthday Sunday Nov. 19th. Helping him celebrate with a party in his home in Spearman were his parents, sister Billie Jo and several of their little friends, also his Aunt Carrie Shaw from Amarillo.
 Those sending gifts were his grandparents H.C. Shaw Jr. of Clarendon; Bud Moore and Peggy Anderson and girls of Clarendon; his great aunts, Jane Hillman of Clarendon, Irene Holbrook of Arkansas and Margaret Hillman of California.

His grandmother Mrs. Ronald Roberts of Conroe; his aunt, Teresa Moore, of Dallas; his Godparents, the Alfred Ridgeways of Montana. He had a beautiful decorated cake made by one of Sherry's sorority sisters in Spearman. It was two characters out of Sesame Street.

ZENITH Allegro SPEAKER SYSTEMS

Exclusive Design... High Performance... Outstanding Sound Reproduction

\$158⁹⁵

Here's How The Allegro High-Efficiency Tuned-Port Speakers Work:

The Woofer. This high-excursion low-frequency driver reproduces bass and midrange tones with a clean, distinct response. It has a 2-inch high-temperature phenolic voice coil for high power-handling capability.

The Tuned Port. Air set in motion by the Woofer and air moving through the Tuned Port are in phase within the useful operating range. This eliminates wave cancellation. The Tuned Port reinforces deep bass tones—tones other speaker systems can trap inside. The result: a deep, rich sound.

The Midrange Driver. (On Allegro 4000) This driver produces a smooth response in the critical mid-frequency range, where important musical content occurs.

The Tweeter. This wide-dispersion, high-frequency driver with phasing plug reproduces the crisp, high frequencies with uniform response. It helps give life-like presence and adds to the excellent transient response of the Allegro system.

Sound Controls. Allegro 4000 Speakers have continually-variable, calibrated Treble and Midrange Controls. They provide sound adjustment to suit room acoustics. Allegro 3000 Speakers have Treble Control. Allegro 2000 Speakers have a 2-position Brilliance Switch.

School Facts

by Dr. T. W. Booker

Good Grades Could Mean Big Adventure

Q: This year we had an exchange student in our high school. I think it would be fun to live in another country for a year. Does the USA do this? If so, how could I apply?

A: Yes, there are many students from our country who live and attend school in far off places as part of exchange programs. In order to do this, you need to have good grades and to start contacting one of the sponsoring organizations about one year in advance. There are several groups. Ask at your church or synagogue for religious exchange programs, and also check your school to see if it participates in the American Field Service program. As an individual, you can contact Youth For Understanding, 13608 Midway Road, Suite 137, Dallas, Texas 76240. They will be glad to give you more details concerning their program.

Q: I think my school taxes are way too high due to an incorrect assessment of my house. What can I do about getting it lowered?

A: If you disagree with the assessed value placed on your property, you can tell your story to the local Board of Equalization for the school district. This board is made up of local citizens who will have a good understanding of the property values in the area. If you are not satisfied with their ruling, you could file suit in the District Court, but that could get very expensive and lengthy.

Q: During the past school year, my child has gone on several field trips with her class. One of the outings did not seem to be related to what she was studying. Is it required that she go on all of these with her class?

A: These trips are carefully planned and thought out by teachers and school officials long before you or the children are notified. If you do not see the value of the outing, I suggest you talk with the teacher or principal about it in advance.

Your child is never "required" to participate in anything that takes place off the school campus. In order for the child to leave the school grounds on a field trip, she must have your permission. But, before you turn thumbs down on any school activity, I suggest that you look into the situation carefully.

Q: I have often heard the term "special education" in connection with teaching handicapped children. Is there any other group that is covered by this term?

A: Yes, this term would apply to students that are receiving extra instruction due to learning problems and situations with unusual circumstances. As a result of the last legislature, special education also could apply to the extra training programs that are being put into effect and aimed toward the gifted or talented students across the state.

Q: During the past school year, my child has

Texas Food and Fiber

by Reagan V. Brown, Commissioner
Texas Department of Agriculture

LIVESTOCK RECEIPTS nationwide are predicted to increase \$5 billion for the first half of 1978, but unfortunately this will not mean a big jump in profits for our producers.

Even though prices have shown definite improvement, notably for cattle and lambs, inflation continues to push production costs higher and higher. In fact, preliminary indications show costs to farmers and ranchers may be up 4 to 5 percent in the first 6 months of this year.

Higher interest charges, increased feeding and rising costs on everything from machinery to veterinary services mean that adequate profits for our farmers and ranchers may remain out of reach for awhile.

DOMESTIC BEEF PRODUCTION is expected to be down this year as a result of a nationwide thinning of cattle herds.

This will come as good news to Texas producers, who have suffered low prices for several years because of overproduction. However, it also means that under our present import policies, over 20 million additional pounds of foreign meat will be allowed to enter the U.S. this year before quota restraints are triggered.

The "yo-yo" effect of current U.S. meat import policies is playing havoc with our cattle industry, just as it is pulling out of one of the most vicious cattle cycles in years.

Bills have been introduced in both the U.S. House and U.S. Senate that would correct the situation, and I urge full support of legislation to remedy this inequality. Our cattle industry thrives on competition, but we must ensure that this competition is fair.

THE ADMINISTRATIVE BOARD which will oversee the new Produce Recovery Fund held its initial meeting in Austin recently.

After meeting with the three-member board, I feel certain there could not have been better qualified people selected for the job. These members, who represent produce growers, packers and the general public, are extremely knowledgeable about the produce business. Any decisions they make concerning the Fund will be based on years of experience.

Texas Keeps Solid Position Among Top Exporting States

AUSTIN--Texas' place among the top five exporting states for agricultural commodities remained secure in 1977, Agriculture Commissioner Reagan V. Brown announced today.

In statistics released by the U.S. Department of Agriculture, this state's share of the U.S. total of \$23.7 billion for exports was \$1.71 billion. Illinois was the major exporter with a total of \$2.44 billion, followed by Iowa with \$2.0 billion; California with \$1.77 billion; Texas, and Indiana with \$1.31 billion.

The volume of U.S. farm exports decreased from 111 million metric tons to 107 million metric tons in 1977, mainly due to lower wheat and feedgrain shipments.

The value of the nation's exports increased by three per cent; however, the higher coffee, tea, and cocoa prices offset an appreciable rise in the surplus in world trade

beyond the actual cash returns for farmers and ranchers. The thousands of employees engaged in transportation, handling, inspection, and other services all benefit from exports," Brown pointed out.

Cotton brought in the major share of Texas exports. The fiber was valued at \$474.7 million, almost double the export income for 1976, Brown reported.

BRONCHO JUNIOR VARSITY closed the season Thursday, Nov. 16, with 9 wins and 1 tie game to their credit this year.

Bronc Buster

Happy Thanksgiving everyone! Today is the day for giving thanks, watching football and "Chowing Down"! Everyone in high school seemed ready to have a small vacation from school for a while. Football is over for 1978-79. It seems especially sad for the seniors (but on to bigger and better things) and under classman always have next year!

The Varsity Bronchos lost their last game, last week at Panhandle. The J.V. played Panhandle here Thursday night and tied 0-0, which made their record 9-0-1. We are all very proud of these two teams.

Monday night something very spectacular happened. For the first time in over ten years the Varsity Girls Basketball team beat Valley by the score of 44-36. The scores by quarters

were Valley 8, 16, 28, 36. Clarendon was 6, 22, 32, 44! Angela Gardner was high point with 12 points. The J.V. girls didn't have such a good game they lost to Valley - J.V. Lana Davis was high point with 5 points. The Bronchos start their season Friday night 6:30 at Boys Ranch. Tuesday the A & B Girls and A Boys play Lefors here at 5:00. I hope everyone will support these magnificent teams on to victory.

Everyone should be proud of the AG Leadership teams. The Senior Farm Skills Team won 6th place. The Greenhand Chapter Conducting team won 1st and will advance to the State meet on Saturday, December 2, in Huntsville.

Spanish Club "Mr. Ugly" contest has been going for a week now, and so far Lance

Thornberry is ahead. Everyone needs to vote for their class's candidate. Senior candidates are Gary McClellan and Kelly Choate. Jr. candidates are Brian Murray and Mickey McGuire. Soph. candidates are Lance Thornberry and Rick Hayes. Fish candidates are Spencer Hayes and Tommy Lane. Votes are 1c!

How about a little gossip?... Adenia M.: "Here comes an exciting party!" Lana D.: "Grow up?" Pete H.: "Knocking headlights out?" Oh... not those kind... Stan L.: You would be surprised! Kathy W.: "You might as well sing Pass it On!" David L. and Kelly T.: In show biz they say "break a leg!" but... I don't know if that's the kind of luck you all need? Cynthia H.: Variety?... Never guess what food is good for a baby... or what amount should be served. Always ask your doctor or health professionals at a clinic and follow the advice carefully.

During the first year, it's important that a baby experience and enjoy a wide range of foods, in addition to milk or formula. This is a gradual process, following a broad pattern that should eventually include daily servings of foods from each of the four Basic Food Groups. These are Milk, Meat, Vegetable-Fruit, and Bread-Cereal.

With the convenient line of Gerber baby foods, you can select menus from all these groups. The wide variety will help your baby form lifetime good eating habits.

Bronchos lose finale at Panhandle 29-21

The Clarendon Bronchos closed their season at Panhandle with a hard fought loss to the Panhandle Panthers Friday night. The Bronchos spotted the Panthers 14 1st quarter points and then rallied to tie the score 14-14 by halftime. The Bronchos came out the second half obviously fired up and ready to play. With about 2:30 having elapsed Billy Gardner excited the Broncho fans with a 48 yd. punt return to put the Bronchos in front 21-14. However, the Panthers tied the score near the end of the 3rd quarter. The 4th quarter was filled with excitement as both teams challenged each other's goal line. The Bronchos made an outstanding goal line stand from the 6 inch line to keep the score tied. Then, it was the Panthers' turn to stop the Bronchos on 4th and 7 from the 8 yd. line with a pass interception... This coming with 1:52 in the game. The Panthers completed a miraculous 30 yd. pass play for a TD with 21 seconds remaining in the game. But the Bronchos weren't through as they moved the ball to the 8 yd. line with 9 seconds remaining. A pass to the end zone brought an interference call and the Bronchos had one more play from the 1 yd. line with 0:00 on the clock. But, luck seemed to turn its back on the Bronchos as it has done all year, as Gary McClellan fumbled the final snap.

The first time 21-14 with 9:08 left in the 3rd quarter.

On the Panthers next possession they ran two plays and fumbled with Tim Brown recovering for the Bronchos. Thompson hit Tim Brown again this time for a 14 yd. gain. But two incomplete passes and a 5 yd. gain by Gardner put the Bronchos in a 4th down situation at the 30 yd. line. The Bronchos elected to go for the 5 yds. and Thompson was tackled behind the line. The Panthers began the drive from their own 30 yd. line and seemed to find the Broncho defense a little flat and moved the ball down field with #11 Chandler Pruitt scoring from the 2 yd. line. The kick was good and the score was tied 21-21 with 1:46 left in the 3rd quarter.

The Bronchos made a magnificent goal line stand from the 1 ft. line in the 4th quarter. The Panthers made dives 4 times at the Broncho goal only to be denied. The Bronchos were to challenge the Panther goal two times before the game ended. A Tim Brown interception set up the first drive. Thompson gained 5. Thompson to Brown passes picked up 6 and 16 on two plays. Thompson added 8 more and Gardner scooted for 16. With the Bronchos facing 3rd and 11, Thompson found Gary McClellan in a crowd and somehow hung on after being hit by at least 3 Panthers for a 15 yd. gain. Another pass to Tim Brown put the ball at the 9 yd. line. However, 3 plays later the Bronchos were in a 4th and 7 situation at the 8 yd. line. The Bronchos took to the air to Billy Gardner only to have it intercepted by #12 Clay Wright with 1:52 remaining in the game. Two pass plays later, the Panthers were on the Broncho 30 yd. line. Kelly Choate knocked down one pass near the goal line. 2 passes were incomplete, and the Panthers faced 4th and 10. It was unbelievable what happened next if you were there. The QB lofted a pass to #33 Monte Daniel who caught the ball at the 10 yd. line and ran untouched into the end zone. It was total disbelief for the Broncho fans. The Panthers

added the two points and had the lead 29-21 with 21 seconds remaining in the game. By all rights the Bronchos should have been through, but a screen pass from Gary McClellan to Billy Gardner picked up 47 yds. to the Panther 8 yd. line. With .01 second on the clock a pass to Gardner in the end zone brought an interference call against the Panthers. With no time on the clock, the Bronchos had one more shot from the 1 yd. line. However, it was not to be as McClellan fumbled the snap to end the Bronchos season.

It was a heartbreaking loss for the Bronchos. They had rallied from behind to tie the score and then to go ahead. There has to be some luck involved in winning football games, and Panhandle seemed to get their fair share. The Bronchos played well enough to win the game but could not swing Lady Luck to their side. Coach Allen sighted Tim Brown as having an outstanding game offensively and defensively. "He had 6 catches for 87 yds., 1 interception, recovered 1 fumble, and was in

on numerous tackles. He was really impressive."

CC Bulldogs play in

tournament

The Clarendon College Bulldogs traveled to Altus, Oklahoma on November 17 and 18 to play in the Western Oklahoma State Festival Tournament. The Bulldogs played two close games but found themselves losing against both opponents.

Clarendon College played in the first round of the tournament against Western Oklahoma State College and lost by the score of 90-82. James Poarch led the Bulldog attack with 22 points, followed by Kenny Williams, 19 points; Anthony Lott, 14 points; and Wayne Martin 11 points. The Oklahoma team led 47-40 at half time and was paced by Joe Mitchell's 24 points and three other players scoring in the

double figures at the games end.

The Bulldogs lost their second round game against TSTU-Waco. The final score was TSTU 69 and Clarendon College 68. The Saturday game saw Anthony Lott scoring 20 points with Kenny Williams and James Poarch adding 14 and 13 respectively.

The CC Bulldogs play at Seward County Community College in Liberal, Kansas on November 27th followed by their next home game against the Amarillo College Badgers on Thursday, November 30. Everyone is invited to come to the college to watch the Bulldog team play.

Broncetto J.V. falls to Valley 39-14

By Rick Hayes

A lack of scoring punch coupled with what was termed as "first game jitters" spelled out the downfall of the Clarendon Junior Varsity girls in the first game of the season against Valley High. The Broncettes dropped the game 39-14. Lana Davis, a reserve forward pumped in 5 points to lead the losers. While the maroon and white clad J.V.'ers of Coach Greg Slover had trouble scoring, their opponents ran a precision offense.

Slover commented that this was a tough game for such a young bunch of girls and that "With a few personnel changes and one game under their belts, they could be a different team." An inability to capitalize on the big plays was also a thorn in the

side of the Broncs as they could not score on big breaks. "That was our biggest problem," conceded Slover.

Led by Delane Proctor, Mary McNary, and Lana Fuston, the blue clad visitors from the south were able to capitalize on Bronc mistakes. "We'll get better," said Slover. They will in time.

Queen Bees win game

The Wayland Baptist College Queen Bees won a hardfought victory over the Clarendon College Lady Bulldogs last Thursday night by a score of 63 to 55. Kelly Braisher led the Queen Bees with 13 points followed by Jamie Horucek's 12 points. Clarendon was paced by Sandra Tischler and Teresa Wright with 14 and 13 points respectively. The half-time score was Wayland Baptist College 29 and Clarendon 27.

The Lady Bulldogs suffered a big loss in the game when Cindy Stork injured her right knee. Cindy was named the Most Valuable Player in the NJCAA Region V Basketball Tournament last Spring. The extent of the injury has not yet been determined.

The next opponent on the schedule for the Lady Bulldogs will be Seward County Community College on November 27 followed by a home game against Amarillo College on Thursday, November 30th beginning at 6:00 p.m.

SILVER WEDDING ANNIVERSARY—Mr. and Mrs. Harold L. White of Hedley will be honored with a reception on Sunday afternoon, November 26, in observance of their 25th wedding anniversary. Hosts for the social will be the couple's children. The social will be held at the Lion's Den in Hedley from 2:00 to 4:00 p.m. Sunday afternoon, and a cordial invitation is extended all their friends to attend. They have requested no gifts, please. Mr. and Mrs. White were married Nov. 22, 1953, at the First United Methodist Church in Memphis and have lived in Hedley for many years.

Hedley news

By Lois Lair

The children of Mrs. Marshall Stone are honoring her with a family reunion at the Lions Den in Hedley on November 25. We invite all her friends and former neighbors to come visit with us and eat lunch.

Rev. Ellis and wife had a nice day last Monday week ago and plenty of help to move to their new home at 1044 Sumner in Pampa. He will pastor the Hobert Baptist Church. They will be missed here in Hedley.

The 1919 Study Club met in the Lions Den on Wednesday 15. They had 10 members present and two guests, Mrs. Bill Powell and Rhea Ketchum. Mrs. Betty Williams gave a book report. They are sending a contribution to the Girls Town Memorial. Also, they are preparing a Christmas box for the patients at the Vernon State Hospital. This box will be left in the Senior Citizens building and everyone is invited to add a gift to this box. This is a worthy cause so lets help these unfortunate people have a Merry Christmas.

Tommy Hill of Lubbock, son of Mr. and Mrs. Homer Hill, was involved in a car accident on Wednesday the 15th. His car was completely demolished but we hope that Tommy is not seriously injured.

Wendell Hansard from Houston has been visiting his mother, Eva Hansard and visited his grandmother Mrs. V.A. Hansard who was in the hospital.

The Senior Citizens of Hedley had a nice crowd for their regular Friday luncheon. The food was enjoyed by all. We will have a Thanksgiving Dinner on Friday the 24th and expect a

large group. Mrs. Stella Jeffers of Dundee visited with her son and his wife, Mr. and Mrs. N.W. Jeffers last week.

Mr. and Mrs. Buster Hines visited Mr. and Mrs. Marvin Hall and Shelly in Jayton over the weekend.

Mable Bridges had to go back to Amarillo on Friday to see her eye doctor. She came home Sunday afternoon. Glad she is feeling better.

The Ex-students of Hedley School will have the Annual Banquet on November 25 at the Hedley School building. Time is 7:30 p.m., \$4.50 per plate. We are looking for a large crowd.

Augusta Latimer was able to come home on Sunday from High Plains Hospital in Amarillo. She had a dislocated hip.

Mr. Ben Spear of Memphis has been in the hospital there and is now in the nursing home there. His children, Betty Morgan of Hedley, Benny Spear of Fort Worth, Peggy Stevens of Tulsa, Jean Bailey of Tahoka have all been with him.

Curtis (Moon) Mullins has been in the Hall Co. Hospital about three weeks. We are glad to hear he is coming home on Monday.

Mrs. Laura Peabody of Memphis spent Sunday with Louise Long.

Basketball games last week with Silverton our boys won 70-50. The girls won 51-40 on Monday night. The girls played Motley County Friday night. They won 33-31. I hope to have more school news next week.

We now have a Constable here in Hedley, Frank Lindsey. Happy to have him.

County Commissioners met

In a regularly scheduled meeting the Donley County Commissioners Court with all members present on November 13, 1978 transacted the following business:

• Approved the minutes of the previous meeting.

• Allowed current bills.

• On a motion by Gene White seconded by Jess Finley allowed the Home Demonstration Agent to attend two weeks school January 2-15, 1979 inclusive. Motion carried.

• Motion was made by Gene White, seconded by Buford Holland to approve the presented bond of Frank Lindsey Jr. Motion carried.

• Commissioners Court canvassed the General Election held on Nov. 7 and declared the results as shown on the Election Docket.

• Motion was made by Jess Finley and seconded by Gene White to approve telephone easements presented to the court. Motion carried.

• Motion was made by Jess Finley to advertise for a new automobile for the Sheriff's Department. No second was made to the motion.

• Motion was made by Gene White and seconded by Olace Hicks to place all operating monies on C.D. until needed. Motion carried.

Adjournment because of time to be continued on Wednesday, November 14.

• Motion was made by Gene White and seconded by Jess Finley to put a new sidewalk in front of the county building across the street from the old courthouse and add a ramp at a later date if it is needed. Motion carried.

• On a motion by Buford Holland and seconded by Gene White the commissioners approved the October reports of the County Judge, Clerk, Treasurer, Tax office, Agent and Justices of the Peace, Precs. #1 and 3. No report was filed by the Sheriff's office.

• Motion was made by Buford Holland and seconded by Olace Hicks to request the resignation of County Tax Assessor-Collector, Chauncey Hommel, due to the extensive absence from his office, effective November

14. Motion carried.

• A motion was made by Jess Finley for the county to employ extra help for Mrs. Nina Dale. No second was made to the motion.

• A motion was made by Jess Finley to have an opening made in the wall in front of the county clerk's office or have it completely removed. There was no second to the motion.

• A motion was made by Gene White and seconded by Jess Finley to renew the contract with Mike Sanders to collect delinquent taxes. On call Commissioners White, Hicks and Jess Finley voted for with Holland voting against. Motion carried by majority.

Business completed they adjourned.

College Board of Regents has meeting

In a brief regularly scheduled business meeting on Tuesday, November 14, members of the College Board of Regents handled routine items on the agenda and set tuition fees for Pampa Center.

A change was made in the December meeting date due to the planned absence of President Kenneth Vaughn on the regular date. That meeting will be held on December 8, instead of December 12 as scheduled.

All members were present with the exception of M.L. Todd, W.R. Christal, and Chauncey Hommel.

You may talk about your vases, And how beautiful they are, But to me there's nothing nicer Than a well-filled Cookie Jar. Ginger cookies, raisen bars, Some with walnut, some with spice, Orange cookies, chocolate bars, Why I think they all are nice.

Yes, I've seen some hapdome vases Brought from year or brought from far, But there's nothing that is prettier, Than a well filled Cookie Jar.

Recipe for a Good Day
Take 2 parts of Unselfishness and one part of patience, and mix well together. Add plenty of Industry, (nowadays we might say Busy-ness.) Lighten with a good sweet spirit, and sweeten with kindness. Put in Smiles as thick as raisins in a plum pudding, and bake by the warmth which streams from a loving heart. If the recipe fails it is not it, but the fault of the cook.
