

Senator Lloyd Bentsen reports

Senator Lloyd Bentsen on Saturday said Senate defeat of the Danforth amendment to the oil excise or "windfall profit" tax will mean \$800 million for the education of Texas school-children over the next 11 years.

The Senate on Saturday voted 65 to 28 to table an amendment by Senator John Danforth (R-Mo.) that would have repealed an exemption to the tax for oil from land owned by state or local governments.

Income on virtually all such publicly owned oil in Texas is dedicated to education. The Danforth amendment would have subjected the Texas Permanent School Fund and the Texas Permanent University Fund to the federal tax at a cost of some \$800 million between now and the end of 1990.

"We can see that the Danforth amendment is rooted in regionalism. The Senator from Missouri says that states such as Texas, Alaska, Louisiana, and California will use these revenues -- if I may use his own words -- to conduct

CLARENDON PRESS and the Donley County Leader, published every Thursday at Clarendon, Texas, 79226, Box 110, at Hwy 287 and Jefferson Street and entered as Second Class Mail at the post office at Clarendon, Texas. Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

economic warfare against the rest of the country," Bentsen said during Senate debate on the amendment.

"It is fashionable these days to talk about how the states of the Sunbelt are robbing the prosperity of the Frostbelt. The fact of the matter is that ever since the Civil War the states of the Sunbelt have been the economic orphans of America. For generations we have sent our young people, our jobs and industry to the Northeast and Midwest -- to areas where per capita income is today still the highest in the nation."

"The State of Louisiana, that great economic colossus of the future that is allegedly going to ravage the nation's industrial base, has a per capita income substantially lower than the State of Missouri," Bentsen said.

"I have great respect for the people of Louisiana. They are neighbors and I know them well. But Louisiana is one of the least economically advantaged states in the Union. Is that to be their lot for eternity? Are these people permitted no hope for the future?"

"My own state, the State of Texas, has prospered recently and as a result we are right about at the average for per capita income. We've still got a long way to go before we catch up to Connecticut, I can assure you. The poorest regions of this country are not in the ghettos of the Northeast, but in the South of Texas."

The Senate Finance Committee in September adopted an amendment by Bentsen to exempt from the "windfall profit" tax oil income dedicated to public education. The committee later expanded that

amendment to include all oil income from state or locally owned lands.

The Saturday vote to table the Danforth amendment effectively kills efforts to repeal that exemption.

"The Danforth amendment had its origins in the dark regions of regionalism. The Senator conjured up a phony vision of a future Sunbelt assault on the industrial base of the Northeast and Central states and called for a preemptive strike to deprive certain areas of resources that lawfully belong to them, resources they have no intention of using as he suggests," Bentsen said.

"I am pleased that the Senate has rejected this ill-considered effort," Senator Bentsen said.

1919 Club had meeting and party

The 1919 Club of Hedley celebrated Christmas 1979 with its usual Christmas dinner at 12 noon on Wednesday, December 19th, at the Senior Citizens Lunch Room.

The table for twelve was covered with a pink cloth and centered with a holly wreath and big red candle.

Gaily wrapped packages underneath the Christmas tree were distributed to the members by the gift committee. Every member got a present and all seemed pleased with their gifts.

After the luncheon the president, Mrs. Hinds, conducted a short business meeting. She named the nominating committee for the next year. Mrs. Royce Williams, Mrs. Cullen Taylor, and Mrs. Nell Land.

The committee will meet after the holidays and make its report at the January meeting. It was reported that the package for the Mental Hospital at Wichita Falls had been sent on schedule. Members present were: Mrs. W.W. Wiggins, Mrs. Nell Land, Mrs. Omie Simmons, Mrs. Cullen Taylor, Mrs. Vera Mae Petty, Mrs. Tom Wilson, Mrs. Dannie Bernardin, Mrs. Myrtella Deahl, Mrs. Ethel Kinslow, Mrs. Clifford Johnson, Mrs. John Hinds, and Mrs. Royce Williams.

The next meeting will be Wednesday, January 23, 1980, at the Lions Den.

Medical Center had Christmas party

The Donley County Hospital District employees had their annual Christmas Party Friday, December 14th at 7:00 p.m. at the Lions Club Hall. Sixty attended, including as special guests: the Hospital Board Members and their wives, Dr. and Mrs. Richard L. Gilkey, Onita and Claude Thomas, and Patrick Robertson. A barbeque dinner was catered by Dyers of Pampa with entertainment by Randy Woodard, Mark McGuire and Gregg Ellis of Hedley. Award pins were then given and gifts exchanged. Afterwards, several remained to play Bingo and visit.

The Bookworm

In this last column of the year we wish to tell you about the part of Lay Representative Mrs. Nancy Shelton plays in the Library scheme of things. She attends all the system meetings and numerous workshops covering various aspects of library work. The Lay Reps for all the System members elect the Advisory Council. This Council, working with Alice Green, Director of the System, makes the final decisions on programs, budget matters, etc. which apply to all System members for the Fiscal year. Mrs. Shelton with Shirley Clifford visits area libraries to gather information and ideas regarding their plant and operation.

Another person of most importance to the library staff is our liaison with the governmental entities (City of Clarendon and Donley County) which support the library. Shirley Clifford has worked in this capacity for several years. When we need a light bulb, window pane replaced or repairs of any description, we call Shirley and drop the matter in her hands. She finds storage

Friendship Quilting Club met

Yvonne Belle McDaniel entertained the Friendship Quilting Club in her home in Lelia Lake, Wed. afternoon Dec. 12, with the traditional Christmas Party.

Vada Morrison and Lily May Carmichael greeted members and placed the gift packages under the lighted Christmas tree.

The program was presented by the entertainment committee. Mary Lee Noble gave the devotion and prayer, Ruby Blackman read two poems that she had written: "The Gift" and "What is Christmas?". Vada Morrison gave a beautiful prayer. Christmas songs were also sung by the group, games of Bingo and a Bible quiz were played with gifts being given to the winners, Irene Jones, Florene Bennett, Annie Thomason and Ruby Blackman. Odie Moss received the door prize. Much fun was displayed as the gift exchange took place.

Refreshments were served in traditional fashion from tables decorated in the Christmas Motif. The coffee and punch table was laid with a red taffeta cloth overlaid with red net, accented with red bows and tinsel. The center piece of silver foliage was highlighted with tinsel and colored Christmas balls. Silver and crystal table appointments were used.

Irene Jones attended the silver coffee service while Carmen Wright served punch. Finger sandwiches, cheese, ham kabobs with olives and pickles and other Christmas goodies brought by members were placed on a decorated table and served buffet style.

The festivity was enjoyed by 12 members and 3 visitors. They were Ora Aten, Louise Aten, Florene Bennett, Lily May

space for us and does many other chores which save us hours and miles of leg-work. If we have a critical need for a purchase and must have an approval of the expenditure, we call Shirley. She takes it from there and always reports back to us. She has spent with Nancy Shelton many days visiting area libraries, attending workshops, and preparing grant applications for funds. She is truly our "Woman of the Year".

Recently the Pathfinder Club and the 1926 Book Club made contributions without stipulations. We are critically in need of more book ends and will use this money toward that purchase. We thank these clubs.

NOTE: The G.B. Burton Library will be closed Jan. 1, for the holiday.

NOTE: We request that our members who have had books overdue for a long time, please search out the books and return to the Library. We will make a New Years Resolution to give better service if you will. Resolve to return books and not lose any.

Carmichael, Irene Jones, Vada Morrison, Mary Lee Noble, Leona Quattlebaum, Annie Thomason, Odie Moss, Carmen Wright, and visitors Ruby Blackman, Rachael Butler, and Elnie Shields and the hostess Yvonne Belle McDaniel.

*** That litter is a people problem, and only people can stop it by disposing of trash properly?

PUBLIC NOTICE
Notice is hereby given that on the 7th day of November 1979 a petition to consolidate the Hedley Independent School District #065902 in Donley County with the Quail Independent School District in Collinsworth County was presented to the Donley County Judge, W.R. Christal. On the 4th day of December above said election was duly called to be held on the 19th day of January 1980 in the Hedley Lions Club, Hedley Texas. Absentee voting will be in the Hedley Independent School Tax Office at the school building.

4 - H a development program for youths

4-H is a development program to help youth ages 9-19 through the involvement of parents, other adults and volunteers who organize and conduct learning experiences in a community setting. 4-H members can grow in knowledge, skills, citizenship, and leadership. 4-H members work with adult volunteer leaders and make new friends through 4-H meetings and activities.

As the New Year begins, new projects will be offered. Rifle, Consumer Decision Making, Dog, Horse, Electricity, and Clothing are just a few of the projects to be offered.

For more information call Roanld Gooch or Lesli Garnett at the County Extension Office - 874-2141. These programs serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Martin Quilting Club news

The Martin Quilting Club had a Christmas party at the home of Della Moffett on December 13. Homemade candies and cookies were served and gifts were exchanged. Those present

included Carmen Wright, Jo Hardin, Flossie Reynolds, Melba Risley, Dell Moffett, and Hazel Edens. Children who attended were Andrea Hardin and Lana and Brendan Moffett.

FTA met Dec. 12th

The FTA had a meeting Wednesday December 12, in Miss Veach's room. The discussion was based on money-raising projects. Rosie Arias presided over the meeting and Stella Robinson kept minutes.

Members present were: Stella Nance, Rick Hayes, Earline

Bourque, Stella Robinson, Rosie Arias, Taffie Williams, Pat Ritchie, Dianne Havens, Stephanie Johnson, and Miss Betty Veach, sponsor.

SKI YOU CAN DO IT

FIND THE SWEET SPOT

Anyone who's ever played tennis knows what it feels like when racquet and ball make contact "just right," when the ball meets the racquet's "sweet spot." Your skis have a sweet spot too, but it's sometimes elusive. Lots of people continue to ski year

after year without ever experiencing it. Yet good skiers are seeking it all the time and when they miss it during a turn, that turn feels "off." On skis, the point about which your ski should be turned is the sweet spot. To help locate it, try the following:

- 1) Unbuckle your boots completely. Without anything to lean against fore or aft, you'll soon locate a secure balance point along the bottom of your feet.
- 2) Make turns without letting your feet touch each other. Your feet pick up signals best when they operate independently.

3) Make several turns in which you feel your shin exerting pressure against your boot. Next try a couple of turns in which you feel the back of your ankle exert pressure against your boot. Now try the complete range of positions in between.

Practice this exercise and you'll find that your ski's sweet spot isn't hard to find after all.

Mary Elizabeth Hodges

Mary Elizabeth Hodges arrived Thursday, December 20, in Amarillo to make her home as the newest member of the Rev. Bill Hodges family of Clarendon.

The young lady weighed 5 lbs 8 ozs. and measured 18 inches in length.

Myers - Bell wedding solemnized

Vanessa Joan Myers and Daniel Stephen Bell were married recently in a candlelight ceremony at the home of the brides parents.

Vows were read by the Rev. Billy Wilson of Darrouzett in the presence of family and friends.

Given in marriage by her father the bride wore a floor length dress of white velvet trimmed with seed pearls and lace. She carried a bridal bouquet of blue and white silk roses centered with baby's breath.

Mrs. Randy Shaw of Hedley attended as maid of honor. James Brown of Amarillo served as best man. Kendra Drum, niece of the bride was candlelighter and Pam Drum and Barbara Myers served at the reception table. Sheri Mills registered the wedding guests.

The bride is the daughter of Mr. and Mrs. John C. Hill of Amarillo. The groom is the son of Mr. and Mrs. Billy V. Bell of Houston.

The couple will reside in Amarillo where both are employed.

REV. AND MRS. O.C. EDWARDS, of Goodnight celebrate their Golden Wedding Anniversary.

Xi Lambda Xi meets

December 10 Xi Lambda Xi met in regular session at Frankie Henson's home. This was our Christmas party meeting.

The house was decorated so pretty with a beautiful tree. The opening ritual was repeated in unison by all members present.

The business meeting was brought to order by President Susan Henson.

Genella Eads, chairman of Ways & Means Committee reported that the pecan sale did very well.

The Christmas party at Ruby Bromley's on December 3 was reported on. The Mu Gamma Chapter hosted Xi Lambda Xi. Everything was so nice. Xi Lambda Xi expresses their thanks to Ruby Bromley for the superb food and to Mu Gamma for a super time.

The Social Committee brought before the Club a social being planned with Turkey and Groom clubs. Arrangements were being worked out. The

business meeting was adjourned.

The program was presented by Sandra Mooring on India and Southwest Asia.

She reported on the clothing, customs and traditions and economic welfare of Pakistan, India, Iran, Iraq, Lebanon, Syria, Saudi Arabia, Jordan, and Israel. The program was very interesting and informative.

Charlene Mays played Santa Claus and passed out the gifts. Following the opening of gifts.

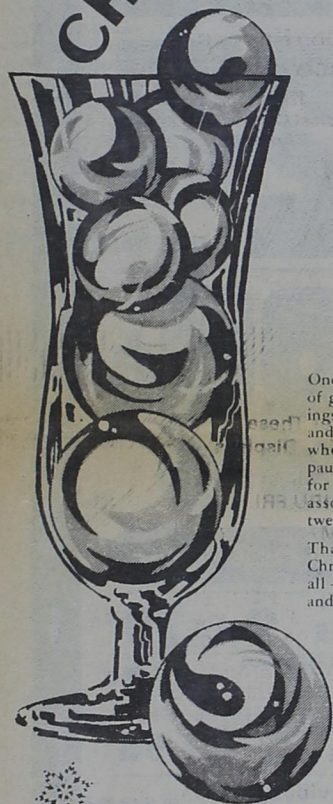

The members were served delicious refreshments- finger sandwiches, chips, dips, Spiced Wassail Punch, brownies and cake topped with whipped cream. Everyone enjoyed the great fellowship and refreshments.

In attendance were Peggy Anderson, Donna Mann, Gloria Gage, Susan Henson, Sandra Mooring, Genella Eads, Francis Johnson, Charlene Mays, Carol Bryant, Betty Veach, and Frankie Henson, hostess.

GOODMAN FURNITURE

WILL BE CLOSED
UNTIL MONDAY,
DEC. 31st.

CHRISTMAS

JOY

Once more we come to the day of greetings and family gatherings, the day of Peace and Joy and good will. It is the Season when we especially want to pause and say "Thanks" to you for our pleasant and friendly association during the past twelve months.

That this may be the finest Christmas observance of them all — our sincerest wish for you and yours.

Deanne Penney, Sec.

West Texas Utilities examined possibilities of using solar energy

The possibility of using solar energy to generate electricity at one or more of West Texas Utilities Company's powerplants will be examined in a study being conducted by the Company's Plant Operation Department in cooperation with the Energy Systems Group of Rockwell International.

The study will take nine months and will be completed in June or July, 1980.

Targeted for the study is Unit Number Four at WTU's Paint Creek Power Station, which is located on Lake Stamford, between Haskell and Stamford. The unit was completed in 1971 and is the largest and newest of Paint Creek's four generating units. All are presently powered by natural gas, with oil used as a back-up fuel.

If results of the study are favorable, a proposal will be submitted to the Department of

Energy for a grant to aid in constructing the equipment needed to repower the unit with solar energy. WTU officials, however, emphasized that the program in its current stage is strictly a research project.

"At best, the project is several steps away from becoming a reality," said Randal Meador, WTU Vice President and Director of Engineering.

Meador said six similar studies are being made with United States Department of Energy funding and support, and that only two projects will be granted funds to aid in construction. The cost of constructing the two projects will be shared by DOE and the winning utilities.

By funding these demonstration plants, the DOE hopes to lower the cost of the solar equipment by mass production to make solar electric generation economically feasible in the near future. The selection of the projects to be granted construction funds will be based on the percentage of the cost to be shared by the utility and the engineering quality of the repowering system.

Paint Creek Unit Number

Four has a generating capacity rated at 110,000 kilowatts. For purposes of the study, the unit would be converted to allow 60,000 kilowatts to be generated at full load on solar power, with the remaining 50,000 kilowatts generated with natural gas or fuel oils. This would allow about 55 percent of the electrical output of the unit to be generated on solar power during the day.

The solar system developed by the Energy Systems Group of Rockwell International consists of a solar collection system, a solar receiver, and a heat exchanger system. The solar collection system consists of more than 9,000 mirrors, or heliostats, which would be installed in an area of 385 acres surrounding a 410-foot solar receiver tower.

The heliostats would be computer controlled to track the

sun and reflect the rays of the solar receiver located at the top of the 410-foot tower. The

Q-- How long after the death of a veteran does a survivor have to request a burial allowance from the Veterans Administration?

A-- The claim must be filed within two years after the veteran's permanent burial or cremation. This may be done at the nearest VA benefits office.

About 40 percent, or 163,000, of the people employed by U.S. newspapers are production workers.

Chamberlain news

By MRS. HAWLEY HARRISON

Chamberlain Community Center held their Christmas Party and gift exchange Friday night December 21st. All enjoyed one more happy time together. We wish all a Merry Christmas and a Happy New Year.

Mr. and Mrs. G.H. Hickman of Dallas will be spending the Christmas holidays with Mr. and Mrs. W.R. Chaney and they will spend Christmas Eve in Amarillo with Mr. and Mrs. Dean Chaney.

Clifford and Doris Jacobs of DeWitt, Arkansas visited her uncle Mr. and Mrs. Hawley Harrison Thursday evening, and will be with the others at the 60th anniversary celebration.

Martin Baptist Church will have their Christmas program Sunday night December 23rd.

Mr. and Mrs. Roy Blackman, Mr. and Mrs. Gilbert White and boys of Fritch and Mr. and Mrs. Monte Blackman and girls of Sperman had their Christmas dinner in the home of Mr. and Mrs. Bill Blackman Sunday December 23.

Mr. and Mrs. Gary Rogers

and Keri of Albuquerque, Mr. and Mrs. James Morgan and family of Wichita Falls, Mr. and Mrs. Roy Lee Helms and family and Mr. and Mrs. Jerry Kooztz and family spent the Christmas holidays with Mr. and Mrs. D.R. Kooztz.

Ron and Carol Dolman and Robbie of Austin are spending the holidays with the Harrisons.

Mr. and Mrs. W.T. Elliott, Shane and Shauna and Mr. and Mrs. Don Tims of Claude, and Mr. and Mrs. Mike Forbes of Arlington, Mr. and Mrs. Dood Cornell, Bill and Cara and Mr. and Mrs. Glen Reeves, Terri and Steven of Amarillo spent the Christmas holidays with Mr. and Mrs. Otto Elliott.

Hawley A. Harrison Jr. of Heyburn, Idaho, and Lee Harrison of Tempe, Arizona are spending the Christmas holidays with the Hawley and Dennis Harrisons.

Mr. and Mrs. Richard Dingler spent Sunday Dec. 23rd with Mr. and Mrs. Gene Grimland of Amarillo.

Dennis and Loretta Harrison attended the Martin Baptist adult Sunday School Class Christmas party at Branding

Iron Cafe in Memphis Friday night.

Mrs. Paula Berg, Becky, Beth and Anna Corrine of Stavengie, Norway are visiting June and David Chase of Odessa and will visit the Harrisons during the holidays.

Mr. and Mrs. Richard Dingler spent Christmas day with Mr. and Mrs. Billy Cowan of Tulia.

Mr. and Mrs. Abe Turner, Sharon and April, and Teresa and Mike Turner of Haskell, Mr. and Mrs. Garth Carter of Dumas, Johnny and Becky Carter of Dumas, and Jiggs, Evelyn and Mark Mann were Christmas dinner guests of Mr. and Mrs. Henry Mann Sunday.

Sally and Bennie Adams of Camarillo, Calif., and Bob and Win Johnson of Sylmar, Calif. came Friday night for the Christmas holidays and the 60th wedding celebration of Mr. and Mrs. Hawley A. Harrison.

We wish Mr. and Mrs. R.A. Hay many more happy years. Hope everyone has a happy holiday season.

Chamberlain community will have their Christmas party Friday night December 21st.

Bring sandwiches and Christmas goodies. There'll be a gift exchange. Ladies bring gifts for ladies and men for men. Come and enjoy the fun and games.

Mrs. Bradis Ballew and Mrs. Clara Mae Carter visited Mr. and Mrs. Nuford Dill in the Memphis Convalescent Home last Monday.

Mrs. Ruth Lindley attended the Hudgins Quilting Club Christmas party last Tuesday in the home of Mrs. Frankie McAnear.

Dennie and Pat Harrison visited last Tuesday night with Sam and Mary McAnear, Connie and Stuart.

Mr. Wayne Lowe visited Mrs. Lila Lowe at High Plains Hospital last Friday.

Mrs. Jerry Kooztz and children had lunch Thursday with Mr. and Mrs. D.R. Kooztz.

Mr. and Mrs. Richard Dingler Jr. of Kermit and daughter Mrs. Robbie Estarda of Monohans visited Saturday and Sunday with Mr. and Mrs. Richard Dingler Sr.

Mrs. Bradis Ballew and Nell Corbin visited Mrs. Bartlett Friday afternoon.

We were so sorry to learn of the death of Mrs. Emma May Saye. Our sympathy goes to the loved ones and friends in their loss.

Mr. and Mrs. Richard Dingler Sr. and Mr. and Mrs. Richard Dingler Jr. and daughter Mrs. Robbie Estarda were supper guests of Warren and Ruby Jewel Hardin Saturday night.

Rod and Rick Mullins were supper guests of Mr. and Mrs. Ernest Barbee Saturday night.

Mrs. Sybil Cash and daughter Marie Seeks of Dallas visited Mr. and Mrs. Richard Dingler while Sunday afternoon.

Mr. and Mrs. W. R. Chaney visited Mr. and Mrs. Claude Tankersley of Amarillo Saturday.

Mrs. Carmen Wright attended the Friendship Club Christmas party in the home of Mrs. Bonna Bell McDaniel Wednesday.

Mrs. Sybil Cash and daughter Marie Seeks spent Sunday night with Mr. and Mrs. Dennis Lindley.

Mrs. Pauline Koontz and Mrs. Barbara Helms visited Mrs. Flossie Reynolds Friday afternoon.

Mrs. Loretta Harrison took Pat Harrison to Amarillo Air Port to return home to Idaho. We sure miss him.

Mr. and Mrs. Otto Elliott visited Dood and Wanda Cornell Friday afternoon.

Mrs. Carmen Wright attended the Martin Quilting Club Christmas party in the home of Mrs. Dell Moffett Thursday.

Mr. and Mrs. W.R. Chaney were in Amarillo on business Monday.

Ron and Carol Dolman and Robbie are visiting the Hawley and Dennis Harrisons this week.

Mr. and Mrs. Otto Elliott visited Mr. and Mrs. Othel Elliott Saturday afternoon.

Mr. and Mrs. Tom Barbee of Quitaque visited Mr. and Mrs. Ernest Barbee Monday.

Mr. Wayne Lowe of Amarillo visited his mother Mrs. Genoah Lowe Saturday.

Ron and Carol Dolman and Robbie visited Kerry Cannon of Oklahoma City Saturday and Sunday.

Nelda Jones of Dalhart and Mary Cannon and Debbie Morris and little Joshua are spending the week with the Dennis and Hawley Harrisons.

Mrs. Gladys Blackburn was in Amarillo Tuesday and had lunch with Mrs. Marie Risley.

We wish everyone a happy holiday season.

The Bronco Buster

by COLLEEN COCKERHAM & DEBBIE JOHNSTON

Even small reductions in heating and water losses add up to big savings.

Water pressure regulators such as those from Watts, America's oldest valve company can reduce the flow of water into your wastewater system and possibly provide you savings on your sewer tax bills, too.

Cutting back water pressure, also limits water hammer shock in your pipes, caused by quick-closing valves. This protects appliances as well as piping, helping them operate better and go without repairs longer.

Conservationists point out that water-pressure regulators, which can pay for themselves in six to 12 months, save between 30,000 and 40,000 gallons of water a year in the average home. If these savings were multiplied by a million such homes, impact on national conservation goals would be tremendous.

"Opinion is ultimately determined by the feelings, and not by the intellect," Herbert Spencer

Fireplace safety

From LESLI GARNETT CEA

Neglect and careless fireplace use often result in injury or a serious fire hazard. Use the following "tips" to reduce the threat of accidental burns and fires.

Never use flammable liquids to start the fire.

Avoid excessive amounts of newspaper to build roaring fires in the fireplace. It's possible to ignite soot deposits inside the chimney by over-building fire.

Charcoal is great for steaks, but never burn it in a fireplace. Burning charcoal gives off deadly amounts of carbon monoxide, so use it outdoors -- never in a fireplace.

Keep a metal or glass screen in front of the fireplace to catch flying embers. Flying embers can easily ignite carpet, furniture and other combustible items in the room.

Make sure no flammable materials hang down from or decorate the mantel. A spark from the fireplace can ignite such materials and cause a fire.

Always make sure the fireplace fire is out before retiring at night. And, never, never close the damper with hot ashes in the fireplace. With the damper closed, hot ashes build up heat and may flare up and ignite the room while the family sleeps.

Use man-made logs according to directions on the package. Never break apart a man-made log as a means of quickening a fire.

Check both the chimney and the fireplace for defects and potential problems every couple of years, especially if the fireplace receives constant use during the winter.

Loose or fallen brick, cracked or broken flue lining, excessive soot accumulation and obstructions in or near the chimney are among the defects commonly found.

The Spirit of Christmas is really showing throughout the halls of CHS. The Spanish Club held their annual door decorating contest. Any class or organization could decorate a door with a Christmas idea. Each door was judged and doors were awarded first prize and most original. First place went to the Sophomores, and most original went to the Spanish Club.

The seniors also provided a Christmas tree for the hall.

FHA has changed their Christmas party to the 19th due to previously scheduled basketball games.

Maranatha had a meeting last Thursday night at Stacey Mooring's house. They discussed a bake sale to be held December 22, Christmas projects, and the upcoming Spring banquet.

The Broncos and Bronchettos hosted the Claude Mustangs Tuesday night. The Hedley Owls come to Clarendon Thursday night. Games start at 4:00.

School will be dismissed Thursday afternoon, at 2:15. Classes will resume January 2nd.

We would like to take this opportunity to wish everyone a Merry Christmas and a Happy New Year. May the spirit of Christmas be with each of you all year long.

Now for the Gossip Column. Pam J. "Burp" Everyone heard you!

Adrienne Y. - I want to be loved by you, boo-Boop-b-do Dean H. - Just call her stumpy. Jenny D. - She ain't gonna work no more, kidnapped

Brenda D. - I'll have a blue Christmas without you! Kathy W. - Get on the road!! Medina M., Kathy W., Brenda D., Adrienne Y., Colleen C. - 12 lords a leaping, 11 fiddlers fiddling...

Blake B. - Basketball when it's 12 degrees outside?

Dean H. - dear Santa letters in Civics?

NEWS OF ENERGY

New Way To Save

Since much water you use at home is heated, you can reduce the amount of water heated -- and the water wasted -- by reducing water supply pressure.

This savings in the cost of energy will reduce your fuel bills while it saves on water bills. A pressure reduction of just 50 pounds can save up to 30 percent on water waste.

THERE'S A LOT TO CONSIDER...

in choosing a source of agricultural credit.

Rolling Plains Production Credit:

- Understands agriculture, your needs and your problems.
- Provides a line of credit adapted to fit your operation.
- Has adequate loan funds from the nation's money markets.
- Is currently making loans from \$20 to \$2 million to qualified borrowers.
- Has capital structure to finance any size operation.
- Treats every operator with the same sincere courtesy.
- Has been pacesetter for agricultural credit for more than 45 years.
- Is owned 100 percent by its farmer-rancher borrowers.
- Uses all profits in building financial strength and lowering your interest cost.

Facts For You

Interest rates

On November 23, 1979, Facts For You quoted an article from Doane's Agricultural Report to the effect that state usury laws limiting interest rates charged by state banks in Arkansas, Texas, and California had been pre-empted until July 1981 by a law signed by President Carter on November 5. However, it appears from studying the text of the law that it would apply only in Arkansas.

This is because the law pertains only to states having a constitutional provision that all contracts for a greater annual rate of interest than 10 percent shall be void. Arkansas is the only state with such a provision. The Texas Constitution specifies in Article 16, Section 11 that the legislature shall fix maximum interest rates, with the 10 percent annual limit applying only where the legislature is silent. Therefore, Texas interest rate ceilings on agricultural loans are not affected by the new federal law. (Interview with Finance Commission of Texas, December 11, 1979)

Farm program costs

Printed on pages 292-293 is the Agricultural Stabilization and Conservation Service Commodity Credit Corporation's annual report for the fiscal year ending on August 31, 1979. The purpose of this article is to provide information to county Farm Bureau members as to the reported cost of agricultural programs. There is a similar statement for the fiscal year ending on August 31, 1978, on pages 292 and 293, of Facts For You, 1978.

The reported cost of all the programs for the fiscal year ending on August 31, 1979, was \$4,727,975,980 which is 97.69% of the \$4,840,016,103 reported for the fiscal year ending on August 31, 1978. These figures include storage, handling, transportation and sales expense.

Net inventory loss for the current fiscal year was \$333,360,099 including \$119,096,845 donated commod-

ities. Losses related to the total dairy products inventory operation at \$204,721,332 is by far the largest loss of any single commodity reported which is 61.4% of all inventory losses. Dried milk product inventory handling cost \$139,619,563 accounting for 65% of total dairy production inventory loss.

Total payments made to producers in the cotton, feed grains, rice, sugar and wheat programs for the current fiscal year, are \$1,928,178,157. Of this total, feed grains account for 48.16% of all payments for the current fiscal year at \$929,115,904.

In summary, the net realized loss reported for the price-support and related programs amounted to \$3,299,887,425 for the current fiscal year which is 69.79% of all reported losses. In other words, 30.21% of the 1979 loss was sustained in programs operated under specific statutory authority and export credit sales program -- programs other than support and related programs.

Cumulative credit sale to 9-30-79 is reported at \$8,577,283,121; principal repayments and other credit, \$5,985,677,370 (includes \$25,666,389 for interest capitalized which resulted from debt rescheduling); principal outstanding 9-30-79 \$2,612,554,376 plus rescheduled credits of \$4,717,764 (includes \$25,666,389 for interest capitalized which resulted from debt rescheduling. This amount not identified by commodity).

Export credit sales for fiscal 1979 were \$1,527,356,033 of which \$1,114,590,597 in principal was repaid.

Farm foods cost

The 1979 Fall edition of the National Food Review reports that the farm foods and marketing bill cost are divided as follows: labor, 32%; farm value, 32%; transportation, 5%; profits, 5%; packaging, 8%; and all other costs 18%.

Exports Communist nations

Exports to Red China are

reported as follows: wheat (June 1 to December 2, 1979) 1,055.2 thousand metric tons; corn (October 1 to December 2, 1979), 412.6 thousand metric tons; soybeans (September 1 to December 2, 1979) 367.2 thousand metric tons; cotton (August 1 through December 2, 1979) 222.2 thousand bales.

Agricultural commodities shipped to Russia are as follows: wheat (June 1 through December 2, 1979), 3,181.8 thousand metric tons; corn (October 1-December 2, 1979), 1,690.5 metric tons; barley (June 1-December 2, 1979), 182.7 thousand metric tons; rice (August 1-December 2, 1979), 11.6 thousand metric tons; soybeans (Sept. 1 - Dec. 2, 1979), 380.3 thousand metric tons.

Fertilizer consumption

The July-September 1979 total fertilizer consumption for 18 states reporting indicated 1% increase, compared with the same period a year earlier. Nitrogen materials for direct application were up 11%. Phosphates were down 24%. Potash consumption was 16% below last year.

Iranian Heroin flow

The U.S. may be able to cut off Iranian oil, but the Iranian heroin flow into this country is going from a trickle to a flood.

In the poppy fields away from the turmoil, Iranians are producing about 600 tons of opium gum a year. The gum is converted to heroin in Turkey.

The heroin goes to Europe, selling in Frankfurt at 10 times the Istanbul price. Then, on the New York. The Big Apple price: 225 times cost in Turkey.

What can the U.S. do? Not much. But agents now fighting a losing battle against marijuana and cocaine smuggling are being diverted to the heroin flow. (U.S. News and World Report, Dec. 17, 1979)

Parity ratio

Agricultural prices, November 30, 1979 reports preliminary parity ratio based on 1967 at 93%. Parity ratio based on the formula used to figure price support program levels is 68 and the adjusted parity ratio, including government payments, 69.

Tax refunds

The state legislature, meeting in 1979, approved legislation which authorizes taxpayers to receive refunds for overpayment or erroneous payments of property taxes to cities, schools, or special districts. Similar legislation was effective on September 1, 1975 with regard to county property taxes.

Any taxpayer is authorized to apply for these refunds within three years of the date paid. (Vernon's Texas Civil Statutes, Art. 7057h, Sec. 1, 2 and 3; Art. 7261, Sec. 7)

Milk Markets

Federal Milk Order Market Statistics, for August 1979, reported the following interesting facts: (1) 51% of producer deliveries during the month of August 1979 were used as fluid milk (Class 1); (2) produced deliveries were up 2.7% in August 1979; and (3) the minimum fluid milk price (Class

1) was reported at \$12.86 per cwt. and the blend price \$12.13 per cwt.

Meat imports

Meat imported, subject to U.S. meat import law during the period of January-October 1979, is reported at 1,264,879,000 pounds which is 3.69% above the 1,220,786,000 pounds imported during the same period of 1978. Most of this meat comes from Australia, 714,124,000 pounds or 56.1% of the total. New Zealand exported to U.S. 281,271,000 pounds or 22.22% of the total for the period. The two countries, Australia and New Zealand, accounted for 78.68% of all meat monitored under the legislation during the January-October 1979 period.

Energy standards for buildings

The U.S. Department of Energy has proposed building standards designed to encourage energy conservation in new commercial and residential buildings. The agency intends the standards to be effective in mid 1980 after public comments are submitted.

The Consumer Energy Council of America has received an award from the U.S. Department of Energy to provide

information and technical assistance and limited financial resources to assure consumer participation in the public hearing.

USDA surveys-farm women

USDA is conducting a survey by way of a cooperative agreement with the National Opinion Research Center of Chicago at a cost of \$305,000 of which USDA's share is \$280,000. The idea seems to be the collecting of the information from farm women with regard to their participation in agriculture and farm programs. Legal rights of farm women is also to be a part of the review.

Seasonal Agri. turck licenses

Texas Railroad Commission has released the rules and regulations governing those who hold seasonal agricultural licenses. In effect, truckers who hold seasonal agricultural licenses are required to furnish proof of insurance. The minimum rate to be charged by the seasonal hauler of agricultural products cannot be less than the lowest rate or charge prescribed by the Railroad Commission for the commodity in question.

Howardwick Partyline

Hi party liners, I'm sorry, but the time slipped by me last week until it was to late to get the new in.

Word has been received of the death of John Howell, who lived just west of Speck Coles. At this time our sympathy goes out to his wife Pat.

Sympathy and Gods Blessings go out to the Cecil Mathew and Lynn Cherry families in the loss of their Mother and Grandmother, Grace Burton of Amarillo.

The Howardwick Lions had their Christmas supper Sat. night with a very good attendance, and lots of good eats. The senior citizen quartett brought a program of gospel songs.

H.H. and Bea Rodgers visited in Amarillo Sunday with their children and grandchildren.

The Lakers Home Makers had their Christmas party on Monday night with 19 present, a Christmas skit was presented by Margaret Wells, which everyone enjoyed.

Norma Corgill, spent Friday night and Saturday with her daughter Louise Garvin in Turkey.

Visiting with Mr. and Mrs. John Raines over the weekend was their grandson Dicky Don of Pampa.

Henry and Cora Bland had visitors over this weekend. Their children Kelly and Cherry Bland and Children of Pampa, Donald, Judy, Nugget and Bridgett of Clarendon.

Visiting in the home of the Carroll Rippitoe's this weekend were their children, Ronnie and Jan of Hedley, Debbie, David, and Dusty of Pampa, Eric of Pampa, Reggie Sharon of

Summerfield. Judy, Earl, Pam and David, Amarillo. They are here for the funeral of Ivan Dee McCrary, Monday.

John and Loice McVickers are happy grand parents again. John and Laquita McVickers of Amarillo have a new son, born Friday Dec 14th. Joshua Jonathan is the little ones name, and he is John and Loice's second grandson.

Albert and Trula Moore spent Sunday with their son of Amarillo Jack and Pat Moore.

Al and Evelyn Burleson had their Christmas get together with their children in Amarillo Sunday Dec 16. In the home of Tom and Patricia Burleson. Others present were James and Betty Burleson and children, Ron and Laina Nelson and children. Sunday night they attended church at San Jacinto Baptist Church. The choir presented their Christmas program.

Wayne Naylor, Pastor

Evening 6:00 p.m.
Wednesday
Night Service 6:30 p.m.

DO YOU KNOW?

That many major fast food chains are now offering drinks in pint and quart size foam cups?

That "big" drinks mean you pay less per ounce for your favorite beverage and you can finish your meal before you finish your "big drink"?

That foam cups keep your drink, no matter what the size, at the right temperature?

According to the Foam Cup and Container Division of the Society of the Plastics Industry, foam cups keep hot drinks hotter and cold drinks colder than any other kind of disposable cup.

That foam cups are sanitary because they are used only once.
