

UNION SERVICE IS PLEASING EVENT

WELL FILLED HOUSE HEARS REV. SHEPHERD IN FIRST APPEARANCE

The Presbyterian Church auditorium was well filled on last Wednesday evening when Rev. B. N. Shepherd presented his initial sermon to the public of Clarendon. The sermon was prefaced by the remark that he had come to Clarendon with no other idea in view other than to be of service to the community in which he made his home.

Special music for the occasion had been worked out by a successful combination of the singers from the various choirs of the city under the direction of Sam M. Braswell of the Methodist Church. A special Thanksgiving anthem had been prepared and was one of the most pleasing portions of the entire evening's service.

TO AVOID ANY MIS-UNDERSTANDINGS

In last week's issue of The Clarendon News on page one, under heading of "New Road Plan in Given Plans," the story failed to state that in his prefatory remarks Judge Alexander specified that in any remarks he might make relative to the bunglesome and wasteful present system of working county roads in Texas he had no thought or present county commissioner or county judge confining his talk to the lack of system under the old plan and outlining the benefits of the proposed plan now before the Donley County commissioners.

Medical attention was given immediately and Mr. McCrary indicated that he would be back on the job very soon.

Local Talent In WDAG Broadcast

Saturday afternoon from 7:30 to 8:00 o'clock the Clarendon Chamber of Commerce broadcasted over radio station W. D. A. G. in Amarillo. The program consisted of a male quartet made of T. D. Nored, R. S. Cope, Sam Braswell, and G. L. Boykin rendered three selections. Miss Fray Stallings played two piano solos. Gus Stevenson, director of the Clarendon band played two saxophone solos, and five minute talks were made by each of the following: T. D. Nored, Sam Braswell, and G. L. Boykin.

The above talks were explanatory of the advantages of Clarendon and its surrounding territory, of the advantages that many happy families enjoy in this prosperous thriving little city at the foot of the caprock. The above program is only one of the several broadcasts to be attempted by the local Chamber of Commerce under the able direction of Secretary G. L. Boykin.

Mr. Ziegler states that he will continue to operate the business as in the past and that he plans to make the service even more interesting to those who desire anything in his line.

Red Cross Roll Call Incomplete

The report of the Red Cross roll call as made by Homer Mulkey, Donley County Chairman, shows in the neighborhood \$100.00 collected toward a goal of \$360.

The chairman states that lots of the territory in Donley County has as yet not been worked, but will be in the near future, or at least before the year is up. Although the drive was to have come to a close Thanksgiving Day, the above amount is their goal before the final report is made to headquarters.

Messrs. Trent Are Home From Hunt

Messrs. James and Charles Trent returned Wednesday evening of last week from a month's vacation trip that included a fine hunting trip into the interior of New Mexico, two days journey by pack train from the point where they left their automobiles. They drove from here in their car to El Paso, where the party was joined by Frank Collinson, long time friend of the Trent family, who makes this annual pilgrimage with the hunting party. Approximately ten days were spent at the camp site, it being the coldest trip they have yet taken to this particular spot. As proof of their prowess, they returned to Clarendon with two of the finest sets of horns yet seen in this part of the State. One of these is ten point head and is almost perfectly balanced. The other shows to have come from a large animal although it is not so perfectly formed as is the other set. Reports were given that any number of turkey were to be found, but due to the cold, these were not hunted at all.

Mr. James Trent told a representative of the News that he and his son, the ten point head, is almost perfectly balanced. The other shows to have come from a large animal although it is not so perfectly formed as is the other set. Reports were given that any number of turkey were to be found, but due to the cold, these were not hunted at all.

Postmaster Bugbee Asks Mail Early

Postmaster Bugbee states that although the daily papers are calling attention to the fact that there are only a few days until the Christmas rush is ended, that they are not asking too much when they ask for parcels for Christmas delivery to be mailed early. Mr. Bugbee also stated that the custom was established some few years past of giving the employees of the postoffice their Christmas holiday would be continued this year, no mail being put up on that date. Additional assistance has been placed in the local office to help care for the holiday rush, and everything humanly possible will be done to care for the great influx of mail that is certain to arrive here during these next three weeks. In order to secure delivery of parcels before the Christmas holidays are closed, mail them now.

POTTER POULTRYMAN TO DONLEY COUNTY

Mr. J. E. Ware of Amarillo, together with his wife and son, will move to Donley County in the near future. Mr. Ware has been a resident of Potter county for some years, and is a poultryman of note in this part of the world. He has made a great success in the poultry business near Amarillo. Mr. Ware also judged the Donley County Poultry show last year. He has still other accomplishments, one of which he is a fiddler of talent and is interested in the old fiddlers contest sponsored each year.

Mr. Ware has bought the Martin property, that lies four and one half miles north of Goldston. The property consists of 800 acres, much of which is in cultivation. CLARENDON HI-Y TO BE WELL REPRESENTED AT CONFERENCE ON 6, 7, 8.

Between five and seven hundred boys of outstanding character in their respective towns and schools of all north and West Texas will gather in Amarillo, December 6, 7, and 8 in the Polk Street Senior High School to thrash out the high lights of a problem that is of a great importance to every young man of high school age, or at least ought to be. The subject at which they will aim their discussions will be "The Older Boy and His Vocation."

As for the speakers who will deal with this all important subject a more capable group of men could not be found. The three outstanding speakers of the occasion are: Dean H. C. Gossard, Nebraska Wesleyan College, Lincoln; Dr. Umpire Lee, of S. M. U. and Highland Park Methodist Church, Dallas and Dr. P. W. Horn, President of Texas Technological College.

Dean Gossard interviews many people daily on their life work, and he is a P. H. D. from John Hopkins University. Dr. Lee is a P. H. D. from Columbia University and is recognized as a great speaker to boys. Dr. Horn is also a man that has studied the American boy and is recognized as an authority in this line and there fore will be a speaker of great worth.

Doing things as usual in a great way, Clarendon will have seventeen high class young men in attendance at this wonderful convention, under the able leadership of Mr. Batton and Rev. R. S. McKee.

The Hi-Y in Clarendon under the able leadership of Mr. Batton is doing a great work and is growing in leaps and bounds, not in membership, but is causing the boys to realize that in order to attain the top they must create, maintain and extend.

The boys who will be in attendance are: George Bourland, Woodrow Bain, Carrol Holtzclaw, John Harlan, Bill Word, Bill Wood, Bill Montgomery, Edwin Eanes, Loyd Johnson, Fred Branlan, Thomas Clayton, James Smith, John Ziegler, Henry Wilder, Ancil Barton, John Henry Crawford.

BAND PLANS FOR HOLIDAY SEASON

JOINT COMMITTEE FROM C. OF C. BAND TO ASSUME LEAD.

The Clarendon Municipal Band under the direction of Gus B. Stevenson, are making great strides in a musical way. They are hard at work on the holiday program, and are already planning to take the band to the Musical Festival to be held in Amarillo early in March.

In handling the plans of the band for the coming year a new plan has been worked out, in which a committee made up of business men of Clarendon will work in harmony with a committee made up of the personnel of five members of the band. The committee named from the business men are: Homer Mulkey, as chairman, of a group of O. C. Watson, C. L. Benson, Jack B. Jones, Frank Whitlock, and A. L. Chase. The committee named from the band consists of Jack Killough, Rayburn Smith, T. D. Nored, Bill Wilder and Homer Taylor.

The formation of this new plan by which a joint committee works together is expected to stimulate new interest, and get a greater return for the amount of time, money and energy invested in the band work.

Mr. J. W. Watts and daughter, Ola Mae, were in Amarillo on a business trip Friday of last week.

MAIL SANTA CLAUS LETTERS TO NEWS

Chamberlain Box Supper Nets \$278

One of the most successful benefit affairs ever staged in Donley County was the box supper held last Friday evening at the Chamberlain school house. The proceeds amounted to \$278, or over \$2.00 per minute for the duration of the program of about two hours length.

A. L. Millsap of the Chamberlain community was the very efficient auctioneer and the liberal bidding is a great credit to his ability in that role. The patrons and teachers of the school are jubilant over the success of the box supper and feel under lasting obligations to the Clarendon firms and individuals who attended and took part in the buying. A partial list of those from Clarendon were: Messrs. U. J. Boston, Mitchell, Huffman, Wood, & Lowe, Armstrong, Douglas, Skenton, Sanford, Johnston, McMahan, Paul Schulz, Payne, Thad Rogers, Kimbriel and Mosley. A cake furnished by Messrs. Mitchell and Hoffman drew a bid of \$70 and was won by Miss Ruth Hardin, popular young lady of Chamberlain.

The net amount realized in the supper will finish paying for the lighting plant at the school and provide other furnishings.

Miss Pauline Shelton spent Thanksgiving in Dallas visiting her grand parents, Mr. and Mrs. Garrison.

McDowells Work On Christmas Cantata

Only two members of the McDowell Choral Club were absent from the regular weekly rehearsal held Tuesday evening in the ladies' parlor of the Methodist Church, which shows how much interest is being shown in the work of the club this year.

Under the direction of Mr. Cope a nice interpretation of "The Adoration" will be presented to the public on Sunday, Dec. 15th at the Methodist Church. This cantata is being thoroughly worked out—even to the minutest detail of expression by the well balanced chorus, with Miss Anna Moore, Mrs. Frank Heals and Mrs. O. T. Smith as soloists and a splendid evening of entertainment is provided to those who compose the audience on that evening.

CLARENDON REPRESENTATIVES ATTEND MEETING

Messrs. W. H. Patrick and M. T. Howard were in Amarillo Tuesday of this week to attend the first meeting of the Options Committee meeting of the Paloduro Park Board. This committee had planned a short trip through the canyon on horseback and were to have started Sunday but weather interfered with the work in hand and the examination will of needs be postponed until some date in the future, when a more comprehensive trip will probably be made to determine the sort of proposition that faces the board in securing options on the land that is to be included in the bounds of the park. Both the men from Clarendon are well acquainted with the terrain of the park and will almost be able to find the possible bounds by studying the maps of the canyon.

PAULINE GILLESPIE HAS PAINFUL ACCIDENT SUNDAY

Miss Pauline Gillespie, who makes her home in the L. A. Harley home of this city, happened in a painful accident last Sunday while visiting her grandparents, Mr. and Mrs. D. P. Gillespie of Brice. One of these familiar "Goat Head" stickers caught her ankle and was removed by her hand, sticking to her glove. When an attempt was made to take the offender from the glove, it was sucked into her windpipe, where it lodged. The young lady was rushed to Clarendon where it was learned that the offending briar could not be reached and a rush trip was made to Amarillo, where relief was secured immediately. No ill effects are to be expected as everything was doing nicely the fore part of this week.

Mr. and Mrs. E. P. Shenton and Miss Edith went to Vega Tuesday of this week and returned the same day, bringing his mother, Mrs. J. A. Shelton, home with them. Mrs. Shelton had been visiting in the home of a son in that city.

W. A. Massie, who underwent covering his strength rapidly and arillo hospital, is reported as recovering his strength rapidly and hopes to be discharged about the week-end. His many friends here wish for him a speedy return home and to complete health.

Mrs. W. C. Breining and son of LeFors, spent the last week-end here in the home of her mother, Mrs. Georgia Burrell.

Miss Bernice Rowland, teaching in the Shamrock schools, spent the past holidays here in the home of her parents, Mr. and Mrs. J. M. Rowland.

Mr. J. G. Martin born in Alabama, April 20, 1860, died at his home in Clarendon, at 1:30 p. m. Dec. 1, 1929. Mr. Martin was married in 1881 to Miss Ruth Deaton, he joined the Methodist Church at the age of 24 years and has been an active worker in that body since that date. Mr. Martin is well known in Clarendon and Donley County, having been a resident of this part of the state for several years.

Adams of Lakeview; Miss Jim Punder of Memphis; J. C. Martin of Cress; Dewey Martin of Lakeview; Miss Lola Martin of Clarendon and Mrs. P. F. Wiedeman of Clarendon, all of which were present except Mr. Jim Punder of Memphis.

PASTIME COMPLIMENTED ON SOUND PICTURES

Mr. and Mrs. Johnny O'Hearne of Lockney, among the pioneer picture operators in this section of the state, were visitors in Clarendon on Thursday of last week and while here they incidentally visited the Pastime Theater and heard the new equipment that has recently been put into operation here. Mr. O'Hearne stated that he had heard many of the sets in Dallas, Fort Worth and Amarillo and the greater part of the new sets that have been put in the Panhandle section of the state. He also told Mr. Mulkey that the equipment in the Pastime was second to none that he had heard and that there was only one set in this section that would compare with the one here. Both the quality of the pictures shown and the quality of the reproduction were complimented very highly.

NEW PLAN OF PROCEDURE FOR LIONS

YOUNGER MEMBERS OF CLUB TO TAKE TURNS AT HANDLING MEETINGS.

Lion G. L. Boykin, presided at the Lions Club Tuesday of this week in the new line of effort to make the younger members of the body feel that they were having a full part in the proceedings of the luncheons each week. Lion J. E. Tear was active in the place of Lion Tame and other of the younger ones in the club had been placed in positions that led to their assuming greater responsibilities.

Lion Douglas made report of the directors' meeting stating that no luncheon would be held on Tuesday, December 24th, this being the day before Christmas and the merchants of the city being too busily engaged to take the time off to attend the luncheon. Some remarks were made in connection with membership work and the plan of the International office for one new member for each month during the year.

Guests of the Lions Club for the day were: Messrs. J. H. Hurn and Edwin Baley. Various members of the Club took this occasion to make their comments on the road situation in the county at this time, passing compliments on the work of Messrs. Hurn and Baley as they recalled the work done by these men during their respective terms of office. Those speaking to this question will include: Lions Braswell, Porter, Rathjen, Watson, Chase, Douglas, Alexander, Stewart and Noble and Messrs. Hurn and Baley.

Lion Connally followed up the suggestion made by Lion Wilder some weeks past as to the possibility of planting pecan trees. A catalog was secured and once if they are to be planted this year, the matter was taken in hand by the activities committee.

Lion Chase stated that the final work had been done on connection with the gifts of the citizens of the city to the Home Economics Department of the Clarendon High School. He adds that letters had been written to everyone who had taken a hand in this matter and that all these had been extended a special invitation to look over the department when they were at the school. Lion Douglas also called attention to the cards that had been mailed out by the members of the department and asked that the Lions take advantage of the opportunity offered if they had never been inside the rooms.

Lion McKee made announcement of the Older Boys' Conference that is to be held in Amarillo Friday, Saturday and Sunday of this week and suggested that there might be need for fur-

BOOK SHOWER FOR LIBRARY DEC. 7TH

PLANS COMPLETE FOR BIRTHDAY RECEPTION—HOURS THREE TO FIVE O'CLOCK.

Saturday afternoon from three to five o'clock the newly acquired city library will hold open house in a Birthday Party and book shower, according to plans made by the governing board of the library, with Mrs. C. A. Burton, librarian in charge of the event. Punch will be served to the guests between these hours and every effort will be made to bring sharply to the attention of the citizenship the advantages of the library. It is hoped by the board that the book shower will bring to the shelves of the library many hundreds new books of fiction, history and travel, as well as many reference works, which will add to the efficiency of the institution. It is planned to have the presidents of the several clubs of the community in the receiving line as joint hosts with the board and the librarian.

The city library, formerly the Pathfinder library, has at present some eleven hundred volumes on its shelves and has several years creditable record in its short history. Membership for families is one dollar per year.

BAPTIST LADIES HONOR PASTOR WITH RECEPTION

The ladies of the First Baptist Church are giving a reception, honoring the new pastor, Rev. B. N. Shepherd and family. The pastors and their wives from the other churches in town and Rev. E. T. Miller and wife of Memphis, are also to be honor guests.

NOVEMBER CREAM BRINGS YEAR'S TOTAL HIGHER

November cream receipts are still on the decline, falling short of October which was the shortest month with the exception of January and February which are the lowest months of the year. It would be unfair to expect the month of November to come up to a level with the earlier and warmer fall months. Clarendon shipped 195 ten gallon cans to out of town markets this last thirty days.

For the year the cream receipts have amounted to the almost unbelievable total of 3,689 ten gallon cans of cream. In dollars and cents the above amounts approximately to the sum of \$4,268.00. And the above answers the question why so many people have gone into the dairy business in the last few years.

LITTLE THEATRE BOARD MET ON MONDAY EVENING

The board of directors of the Clarendon Little Theatre met Monday evening in the Women's Club Rooms at the Municipal building and heard the report of the constitution and by-laws committee. Mrs. A. T. Cole, chairman of the committee read the proposed constitution and by-laws which were adopted with minor changes. The active membership in the organization is limited to fifty with no limit on the associate membership. Associate members are eligible for the active list on a seniority basis when vacancies occur.

Active membership was first tendered to the members of the Pathfinder, 1926 Book and Lions Clubs, sponsoring organizations, but this privilege expired Monday, Dec. 2, and now the membership committee composed of Messames Goldston and Boston and Mr. G. L. Boykin may submit names from the citizenship at large until the limit of fifty is reached.

HOMER PARSONS NAMED DELEGATE TO MEETING

Homer Parsons was named last week as delegate from the Clarendon chapter A. E. & A. M. to the Grand Chapter meeting to be held this week in Waco. Homer left Tuesday evening of this week and will attend the sessions of this body that are held this week. This honor is ordinarily conferred on the Worshipful Master, but due to business matters coming up at this time, the honor was conferred on Homer Parsons instead.

ther transportation to Amarillo. Any one who had a car and who was willing to make the trip should see either Lion McKee or Lion Kemp immediately following the luncheon and offer their cars for use in carrying a part of the boys to the meeting.

In the absence of Lion Patrick, Lion Braswell announced the birthday party for the City Library and urged the Lions to attend and bring whatever books they might have that would be acceptable for such a place.

PANHANDLE PRESS ASSOCIATION

Next week the annual Home Town Edition of The Clarendon News will be issued according to our usual custom. This issue will be mailed to all families in the trade territory whether or not they are regular subscribers, and will contain many pages of special stories, clean, crisp news and holiday suggestions from Clarendon merchants. Next week is our busy week.

Came to our desk last week Volume One, Number One of the Memphis News, a new publication for our neighbor town to the East. The news is published by Messrs. Landers & Pool, with Tom Durham as editor. Mr. Pool has been in Memphis for some time, while Mr. Landers is the editor and publisher of the Estelline News. Our good friend, Thomas Durham is no stranger in this section having conducted papers at Hedley and Wellington before going to Merkel and later to Albany. Two papers is a pretty heavy load for any city under five or six thousand population to carry, but Memphis is getting up in that class and may be able to "carry double." We hope the News serves the community well and its owners profit thereby.

Clarendon is the trade center of the country for twenty-five miles in all directions and more in some, for the Christmas holidays. Our merchants here have bought heavily and intelligently for the season, and are displaying their stocks to splendid advantage and at prices in line with best quality and style. A concerted effort in city decoration is being carried on and Clarendon will present a spectacle worth going many miles to see two weeks or ten days before Christmas. Buying your holiday merchandise in Clarendon this year will be an added guarantee of the economy and style of the article, the freshness and goodness of the groceries and the utility and suitability of the toys. Join your friends in Clarendon as the shopping days become busier.

Answering President Hoover's request for estimates from the states of the union as to probable sums to be expended in building projects in 1930, Governor Dan Moody wires that Texas will build to the tune of three hundred and fifty million dollars next year. This, the governor remarks, is a conservative estimate and will probably lack a hundred and fifty million dollars reaching the actual totals for 1930. This means that Texas may build five hundred million dollars worth of all classes of construction next year. This huge sum spent for building means employment for thousands and the general stimulation of business in every line. Texas may be depended on to carry on in a creditable manner.

Pressure down at Quanah from the business and professional men of that city has brought about an elimination of all medicine shows, carnivals and the like from the city limits of that progressive city. In the early fall Quanah was plagued with a continuous presence of such demoralizers of legitimate business and the business men got riled up to the point that they brought sufficient pressure to bear to cause the shows to be outlawed. Quanah business men realized that such forms of entertainment do not add to the culture or relaxation of their citizenship. They realized that medicine shows and the like were taking hundreds of dollars from the taxpaying, resident merchants who support every movement for the community good as well as the churches and schools. They realized that such shows usually bring to their town the riff-raff of society who usually spread disease and crime in their wake. They realized that such traveling organizations contribute nothing to their community, but on the other hand took much from it. Accordingly they banded together to be rid of such nuisances. They succeeded and Quanah is a better, richer and happier city by the riddance. Hats off to Quanah!

"OUR COUNTY ROADS"

The Clarendon News says that "There is a movement on foot in Donley county which will do away with an evil fifty years old" etc., referring to "the move to centralize the road work of the four commissioners precincts under a road superintendent, placing all road machinery and crews under his directions and holding him responsible for the working and maintenance of all county roads."

This editor wants good roads, and we must have them, but he doesn't like so much of this centralized business. It may be all right for those in the center but not so good on the outer edges. And how are you going to maintain something that doesn't exist. The idea will be a good one, probably, when and if we get some roads. At present we have a long series of country lanes—hogwallows, or what have you—that need working and lots of it. A short crop, both in quantity and quality, has made it imperative that many of our citizens earn some extra money next spring and summer. Why not put all the money we can spare into the project, hire all the honest men who want to work, under honest, working road foremen, and have one more county wide "country road working"—to last until it's done. And keep all that 90-ton machinery locked up in jail or some other place; it has no business on the kind of roads we've got. To furnish work for men who want to work is even more important than good roads.

If The News will help do this, then when we get some roads we'll help 'em centralize.—Hedley Informer.

One of the side-lights on the character of Manager Bandeen of the West Texas Chamber of Commerce was discovered in the fact that on his election to that important office a few weeks ago, when the daily newspaper boys asked for a cut or picture to run in the daily press with the announcement of his election, he had to admit that he had no cut and no picture, none having been taken since the world war. With no reflections on any of the worthy fraternity, a member of the executive board remarked that this was the first instance known to modern life where a commercial secretary was without a cut or at least a fairly recent picture. Mr. Bandeen has been so busy doing things on his job as secretary-manager of the El Paso chamber of commerce that he has had no thought of personal publicity. This is just an indication of the type man who now guides the destiny of the great regional organization, which means so much to the life of this section of Texas.

MAKE CLARENDON LOOK GOOD

If you don't think the looks of things is important, try selling an automobile without any paint on it. Think how silly you would feel trying to sell someone on the idea that a dress with mutton leg sleeves and sloop-in-the-mud hobble skirts is just as good as a buy as present day styles.

In the next few weeks every merchant in Clarendon will "dress up"—make their windows and their store as neat, bright, attractive, inviting and cheerful as possible. Why? Because you and everybody like you avoid dark, gloomy, depressing, messy and ugly places, and these merchants want you to come to—not to be driven away from—their stores.

If dressing up a store is conducive to cheerfulness and more business, why won't it do the same for the community? It will, and here are a few suggestions:

Civic organizations arrange with owners to allow cleaning up and trimming windows of all vacant store rooms. In each window see that there is neat card giving "reason why" for doing things in and for Clarendon. Merchants would do well to use these windows for display of their merchandise.

Check up on all signboards, especially at highway entrances and around depots. Make it your personal business to do this, and then speak, phone or write to those whose signs are old, dilapidated and unsightly, asking them to remove, or at least repair them.

As you walk down your business streets, check up on the "location" signs in front of stores, and to those whose signs are old, unpainted, rusty, bedraggled and otherwise unsightly, write a note and say, "Please remove, repair or clean up the sign in front of your place, because it is hurting Clarendon, and therefore costing both of us money."

Write, speak to, or otherwise ask the owners of vacant lots and buildings to clean up, cut the weeds, rake the leaves, remove the rubbish, and on vacant lots place a small, neat sign reading, "This vacant lot will be a lawn next year."

Step across the street and take a good look at your store, your house and yard, your factory and say to yourself, "Does it look as good as it can be made to look?" If it doesn't, get busy and make it so. Every hour of time and every dollar you spend to make YOUR corner of Clarendon more attractive, will pay you a big dividend.

Do it yourself and influence others to ask the officials of Clarendon to keep the streets clean, remove the leaves, wash the street lamps, repair sidewalks and curbs and all other things to make Clarendon "look good."

As "it pays to look well" personally, as a product often is only as "good as it looks," as "good dress does give one a sense of self-respect and poise," just so a community must have an atmosphere of cleanliness, attractiveness and cheerfulness in order that it grow, progress and prosper.

Mountains are moved by the shoveful, an ant hill is made grain at a time, and so by everybody doing a little something, big things are accomplished. Start today to do your something to make Clarendon "look good"—it costs you nothing and will pay you big.

OUR CHRISTMAS ISSUE

The News will add a Christmas section to its special issue of Dec. 12. One of the sweetest stories in this issue is entitled: "Teddy's Search for the Christmas Spirit."

Another good feature will be "Christmas Reflections," by J. H. (Jim) Lowry.

Joe Sappington, clever writer and humorist, has a story under the title: "A Long Delayed Letter to Santa Claus."

On the Woman's Page Mrs. Margaret Stute tells of ways to make Christmas more practical and attractive.

On the Boys and Girls Page Aunt Marv does not forget her dear children. She has a wonderful story on the Christ Child.

Our Christmas issue will contain other good reading matter—something to interest every member of the family. Also there will be many bargains advertised for Christmas shoppers.

Watch and wait for the News' Home Town Edition.

Just One Minute

You can read this Ad in one minute. By the time you reach the last line, property worth \$950.00 will have been destroyed by fire somewhere in the United States. Minute after minute, day after day, this astounding pace keeps up to an annual total of fifty million dollars.

That at least has been the record of the past several years. What the showing will be this year and in the years to come depends in a large measure on our attitude towards prevention. Over 60 per cent of the fires take place in homes.

Take a look in the cellar, the attic and the closet and clean out all rubbish. Dry grass, weeds and trash piles are common sources of fire.

Examine all your Gas connections and see that there are no leaks. Light connections should be looked after when they become loose.

A minute's thought and action now may save the patient accumulation of a lifetime from the flames. To be absolutely safe, have us write you a Policy on your possessions.

ONLY MEMORY OF TROUBLES LEFT

"ORGATONE IS A WONDERFUL MEDICINE AND HAS RESTORED MY HUSBAND TO STRENGTH AND HEALTH," SAYS AMARILLO WOMAN.

"About all that is left of my husband's five years of suffering is the memory of it," said Mrs. J. H. Holdston, of 305 N. E. Fourth, Amarillo, Texas, Mr. Holdston is a butcher.

"My husband would have been a different man today, if he had gotten hold of Orgatone five

Adults Contract Children's Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults—White's Cream Vermifuge, which you can get at Douglas & Goldston Drug Co.

years ago," she continued, "and it would have saved him a world of suffering. He had a chronic case of stomach trouble, and nothing he took seemed to be helping him. He would have frequent attacks of acute indigestion, which would leave him weak and worn out for several hours. He could hardly eat anything without a sour gas forming on his stomach and caused the sharpest kind of pains all through his chest. He often had dizzy spells, and he was very restless and hardly got a real good night's rest. He always had a very sore, tender spot in the pit of his stomach. He would get up in the morning feeling just as tired as when he went to bed."

"We read so much about Orgatone in the local papers, where it had helped so many people here, he began taking it. We have just taken three bottles for I have taken it too, for a general condition, and find it to be very good in my case. My husband eats anything and everything he wants without the slightest disagreement whatever. He is feeling better and stronger, and has more strength than he has had for the past four years. We both think Orgatone is just a wonderful medicine, and are very thankful that we started using it."

Genuine Orgatone is sold in Clarendon by Stocking's Drug Store who are direct laboratory agents.

SOCIETY

Morris-Holloway

Miss Elizabeth Morris and Mr. Louis E. Holloway were married Wednesday evening, Nov. 27th, at eight p. m. at St. John's Episcopal Church, with only immediate relatives and intimate friends present.

Beautiful white lillies decorated the altar and gorgeous yellow and white chrysanthemums were used on the chancel. Long tapers shed a soft glow over the scene.

Miss Mantle Graves played the bridal chorus from Lohengrin as the wedding march and played, "To a Wild Rose," by McDowell, during the ceremony.

The bride entered on the arm of her brother, Mr. John Morris, of Amarillo, who gave her in marriage, and were preceded by the bridesmaid, Miss Katherine Patrick. The groom and best man, Mr. John Bugbee, met the bride at the altar where they were awaited by the pastor, Rev. L. L. Swan, who united them in marriage, using the ring ceremony.

The bride was gowned in a beautiful black transparent velvet ensemble, with peach blouse, hat and accessories to match. She carried a white prayer book.

After the wedding an informal buffet supper was served to the wedding party and guests at the home of the bride's parents, Mr. and Mrs. Wylie Morris. A lace cloth covered the dining table and a beautiful bunch of sweet peas formed the center piece and long tapers completed the decorative scheme.

They left immediately on a trip through Southern New Mexico and Southern Texas, returning Sunday evening and will reside in Clarendon.

"Life Insurance"

It could not have a better name, because it is indeed Life Insurance! It is for you, when your working days are done. It is for you, if accident or disease takes away your earning power. It is for you, while you are paying for your home, and educating your children. It is for you, when there comes to you any one of the financial vicissitudes or emergencies which, at one time or another, assail every life. It is for you, because it builds—and conserves—for you and your successors an estate more surely and securely than any other financial plan can. It is for you, because it creates capital for your corporation or partnership, and safeguards both from loss. It is for you, because it supplies a perfect instrument for your philanthropies.

It takes fear from your life, and your home, and your business, and in place it gives courage, peace of mind, and that joy in life and work which is possessed only by those who are protected against fortune's mischances.

Life Insurance is the magic of modern finance made available to every man and organization and institution.

Bronchos Stage Comeback In Turkey Day Game Take Long End 13-0 Score Defeating Canyon

The Bronchos won a hard fought grid battle over the Canyon Eagles, neither team scored until the last quarter, when Dillard broke loose with a thirty yard end run for the first touchdown. The second touchdown came only a few plays later when a pass from Dillard to Tucker scored on the unsuspecting Eagles. On the tries for extra points Dillard failed to complete a pass to Tucker, but on the second Dillard kicked a perfect placement. After the Bronchos' first touchdown the Eagles uncorked a threatening aerial attack they carried the ball from their 20 yard line to the 50 yard marker only to have Estlack to intercept a pass and return it 25 yards this put the Bronchos in scoring distance. One of the biggest features of the game was the punting duel between Williams and Dillard with Dillard having a slight edge on the Canyon ace, at one time Dillard got off a punt for 75 yards this is much better than the average college punter does. Dillard led on running with the ball as he gained 106 yards in 10 tries. Cross of Canyon came next with 80 yards in 13 tries, with Nichols next making 72 yards in 14 tries. Williams gained 68 yards in 16 tries. Ralph Cabe gained 37 yards in seven tries, with Noble trailing with 35 yards gain in 6 tries. Estlack gained 20 yards on one pass and 25 yards on another he intercepted. Tucker netted 60 yards on two passes one of them for a touchdown.

The Bronchos were outweighed by about 10 pounds to the man. In the Eagle backfield they had two men who weighed 190 pounds. Canyon was beaten worse Thanksgiving than she has been all the season as Herford only beat her 2 returns and Pampa beat Canyon 6 points. Canyon won over Memphis by two touchdowns at Memphis so you can see that they have played a fairly representative amount of games all over the district and the Bronchos may be justly proud of their victory over the strong Eagle team.

FIRST QUARTER: Captain James Cabe wins the flip and chooses to defend the east goal. Captain Noble elects to receive. Williams kicks off 30 yards to Watson who returns five. Noble hit line at tackle for 6 yards. Clarendon's backfield is in motion and is penalized five yards. Nichols hits the line for four yards. Dillard punts 40 yards out of bounds. R. A Doctor's Prescription

PLEASANT TO TAKE QUICK ACTION

Douglas & Goldston Drug Co.

When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

PHILLIPS Milk of Magnesia

We are all subject to colds. But they need not cause us suffering. Bayer Aspirin breaks a cold in a hurry. Or taken in time, heads it off entirely. You can avoid other suffering the same way. Headache, and even the pain from neuralgia, neuritis or rheumatism, yields to Bayer Aspirin. It always helps; never harms; does not affect the heart. Genuine Bayer Aspirin has Bayer on the box and on each tablet.

FAMILY DOCTOR MADE MILLIONS OF FRIENDS

Fifteen years after his graduation, Dr. Caldwell became famous for a single prescription, which now, after forty years, is still making friends.

Today Dr. Caldwell's Syrup Pepsin is the world's most popular laxative. Millions of people never think of using anything else when they're constipated, headachy, bilious, feverish or weak; when breath is bad, tongue coated, or they're suffering from nausea, gas, or lack of appetite or energy.

Dr. Caldwell's Syrup Pepsin is made today according to the original formula, from herbs and other pure ingredients. It is pleasant-tasting; thorough in the most obstinate cases; gently effective for women and children. Above all, it represents a doctor's choice of what is safe for the bowels.

Imagine your Motor

Constantly immersed in Oil

That, in effect, is what happens when you fill your crank case with Conoco Germ Processed Motor Oil—none of its hundreds of moving parts are ever without lubrication.

A MOTOR OIL, to do a 100% job, must lubricate all the time. That means that it should provide a lubricating film at every stage of motor operation including starting when the engine's cold. In other words, the motor should have a perpetual oil bath.

And that's exactly what happens when you use Conoco Germ Processed Motor Oil for the very good reason that this super-lubricant because of the patented germ process by which it is produced, actually combines with the bearing surfaces to form a film which adheres indefinitely. It never leaves the bearings—and that means constant lubrication.

Think of the saving this means to the motoring public! Automotive engineers estimate that from 40% to 60% of the destructive wear and tear on a motor is caused in the starting operation because, with ordinary oil in the crankcase, the moving parts have no lubricating film when the engine is cold—and the oil is not distributed until 5 or 10 minutes after starting. Imagine the abuse to the engine during these periods of running with absolutely no lubrication! No wonder Conoco Germ Processed Oil is hailed as the revolutionizing motor lubricant. Its "carry-over" film has solved the greatest lubrication problem of the day. It assures longer life and smoother operation in any motor where it is used.

And never forget that to produce Conoco Germ Processed Oils the exclusive germ essence principle is applied to only carefully selected paraffin base crudes, resulting in a lubricant with greater film strength, greater adhesiveness, greater tenacity, greater stamina and lower friction than any other oil on the American market.

Draw up to the Conoco Red Triangle and give your motor a perpetual oil bath. Ask for Conoco Germ Processed Motor Oil.

NAYLOR

Since the pioneer days has Naylor had her Thanksgiving spread and this the 1929 was not an exception, so on Thanksgiving every one dressed in their Sunday's best gathered at the new and beautiful home of Mrs. M. L. Wood. There we met a welcome that surely belongs to the Thanksgiving Day. Every one enjoyed being together, exchanging news and tales "of long ago" then there was a hush, why? Supper had been announced, so around the festive board, friends met once more to do justice to the Thanksgiving bird and all the trimmings that go with it. At that table were represented, Pampa, Hedley, Amarillo, Stratford, Wichita Falls, Clarendon and Naylor, the home of the spread.

All went merry as a marriage ball until the late hour told us that we should be homeward bound, so after many good byes, and many expressions of good wishes and declaring Mrs. Wood a real Thanksgiving hostess, all departed for their homes, feeling full and thankful.

LEADER WINDOW BROKEN AS CAR RUNS RAMPANT

When R. W. Talley came to town early last Friday morning and started to park his car in front of the Leader Store, the machine evidently got from his control, climbed the sidewalk and would have entered the store except for the fact that a partition stopped the progress of the car.

The small show window in the central part of the entrance to the store was smashed, two of the glasses being demolished by the impact. No other damage was incurred and the car was removed from the scene of the accident under its own power. The damage will be repaired at once.

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria was never more popular than with mothers than it is today. Every druggist has it.

Pastor's Leaving Greatly Regretted

The following account, clipped from the last issue of the Lynn County News, shows the esteem in which the city of Tahoka holds Rev. B. N. Shepherd, formerly pastor of the Baptist Church in that city. The account of the pastor's last Sunday services is shown here:

Closing a pastorate here of more than five years, Rev. B. N. Shepherd, left with his family Tuesday for Clarendon, where he has accepted the call of the First Baptist Church of that city.

At both the morning and the evening services here Sunday, which marked the close of his pastorate, the house was filled almost to its capacity. Realizing that it would be their last opportunity to hear the good man who has served this church so faithfully and so well, many attended these services who are not regular in their church attendance.

At the evening service many members of the Methodist Church and of other churches were present. At the morning service, resolutions were adopted expressing the love and esteem in which Brother Shepherd is held by the church and commending him to the care and to people of Clarendon.

General regret at Brother Shepherd's removal is felt, for he has been a valuable, public-spirited citizen and has done much for Tahoka, morally, spiritually and otherwise. In fact, many think that he is too generous and unselfish at times for his own good. He will not soon be forgotten here.

RESOLUTIONS

Whereas our beloved pastor, Rev. B. N. Shepherd, has accepted the call of the First Baptist Church of Clarendon and is voluntarily terminating his service with us; and Whereas, during the five years and three months that he has served as our pastor, this church has made remarkable progress, both in numbers and in efficiency, as evidenced by the fact that at the beginning of his pastorate the church had 150 resident members, while it now has about 435 members; that the average Sunday School attendance at that time was about 75, while it is now about 225; that the church then had one B. Y. P. U. organization of 15 and 20 members, while it now has six B. Y. P. U. organizations with almost 200 members; that it then had a Woman's Missionary Society of 12 or 15 members, while it now has a W. M. S. of three circles with 40 or 50 members; and that Y. W. A. G. A., and R. A. organizations have been perfected and are functioning in a fine way; and

Whereas, during this time and under his leadership, the basement of a new church building has been constructed at a cost of 16,000, most of which has been paid, and a better and more valuable pastor's home has been acquired; and

Whereas, the church has grown from a small, rather inactive and somewhat discouraged body into an active, efficient and militant working organization, and has come to be, as we believe, a vital spiritual force in this community and section.

Now, therefore, be it resolved

by the First Baptist Church of Tahoka now assembled:

1. That we highly appreciate the devotion, fidelity, consecration, patience, wisdom, and ability with which Brother Shepherd has led this church in all its activities and keenly feel our loss in his removal from us; and that we likewise greatly appreciate the fine Christian character and splendid services of Mrs. Shepherd and their daughter, Miss Gertrude.

2. That we commend Brother Shepherd to the church and the people of Clarendon as a faithful preacher, wise pastor, and unselfish servant, an unfailing friend, a noble, Christian gentleman, and an invaluable, public-spirited citizen.

3. That one copy of these resolutions be spread on the minutes of this church, one copy furnished Brother Shepherd, and one copy sent to the church at Clarendon.

Done by order of the church on this the 24th day of November A. D. 1924.

Taylor White, Moderator Pres. Tem. K. R. Durham, Church Clerk.

Monthly Report

The Donley County Federation of Women's Clubs met Saturday, November 30th, in the ladies club room in the basement of the City Hall. Mrs. J. A. Thompson of Lelia Lake presiding. The following clubs were all well represented: Book Club, McDowell Club, Mother's Club, Les Beaux Art Club, and Pathfinder Club. Mrs. Guy Taylor and Mrs. A. B. Bynum of Lelia Lake were present they petitioned for membership and were received.

Mrs. L. L. Swan, the secretary, was present and the regular order of business was resumed. All clubs answered the roll call with the finest reports of the year, with their plans for 1929 complete and all plans laid for 1930.

Under the head of new business, Mrs. Thompson suggested that the City Library be made into a County Library, and a Committee was appointed to look into the above affair. All delegates pledged themselves to take an active part in the book shower of this coming Saturday commemorating the birthday of the city li-

brary. A motion was made that they appoint a representative to serve on the Paloduro Park Board, but the motion was tabled due to the fact that it was a new thing and the members would like more time to study the question. Resolution was passed to the effect that the present committee that is working on a milk ordinance for Clarendon be retained. All clubs were urged to send delegates to the January meeting, in which officers will be elected for the coming year.
