DONLEY COUNTY RED CROSS CONTRIBUTIONS NOW \$3,200

By Wednesday of this week, \$3,200 had been reported collected in Donley County for the Annual Red Cross War Fund Drive. Reports are far from complete, but many workers have already canvassed their areas. With the continued assistance of every person, we will be able to reach our goal of \$4,800 soon, said Lee Bell, chairman for Donley County.

"Although two-thirds of our quota has been raised," Mr. Bell added, "we must not let down for a second until the job is completely finished as Donley County would like to repeat again as in the War Loan Drive, of raising our quota before the deadline."

When you give to the Red Cross, you are contributing toward the comfort and aid of a loved one, relative or friend, whichever it might be, in the armed forces. Also to those who have suffered misfortune through disaster and otherwise.

If you have not given already, you can contact the committee leader in your locality or take your donation to the Red Cross headquarters at the Pastime Theatre.

Vegetables Which Grow Best In Texas Gardens

County Agent Chas. Reed has received the following information: Garden making in Texas, which already has started in the southern part of the state and will spread northward with the sun, prompts J. F. Rosborough to suggest some of "the little tricks" to get vegetables to grow best.

For the small gardener, green bush beans such as Kentucky Wonder are more desirable than the pole type because the bush variety matures quickly and does not occupy excessive space. The Stringless Green Pod, Refugee or Bountiful varieties are well suited to growing conditions in the southern half of the state.

If there is room, pole butter beans or even pole green beans can be grown on the garden fence. A good pole type of butter bean is Sieva, a medium size white bean of good quality, and Florida Speckled is very hardy and prolific. A row of green pole beans, which will mature after the bush beans are gone, might be planted on another part of the garden fence, Rosborough suggests. The old Kentucky Wonder, or a newer variety known as McCaslan, are both adapted to south and east Texas. He cautions not to plant pinto beans to use for fresh or green beans, or for canning because it is inclined to be stringy and lacks quality. But if planted for dried beans they should be allowed to mature on the vines.

Rosborough, who is horticulturist for the A&M College Extension Service, recommends treating bean seed with inoculating dust just before planting. The material is obtainable at seed stores.

Fordhook and Acorn varieties of squash are good to eat even after maturity. As they incline to rank growth, each plant should be allowed at least six feet. Harvested in June or July, they may be used throughout the summer and fall. Twenty-five good okra plants produce enough for an average family. White Velvet and Green Prolific are varieties of good quality. Allowing at least two feet between plants, bell peppers will grow all summer and fall in most parts of Texas. But don't plant green and hot peppers in adjacent rows. Crossing will give the greens a strong flavor of the hots.

Celebrates 97th Birthday

Mrs. L. W. Chase celebrated her 97th birthday Sat. March 11 at her home. She is a native of Maine and moved to Clarendon in 1920. She is very independent, lives by herself, does her own house work and cooks what ever she wants to eat, and is admired and loved by a legion of friends.

SUPERVISORS DUE COMPLIMENTS

The Leader force wishes to take this little space this week to add a compliment to the compliments that have already been extended to our F.F.A. and 4-H Club boys over the county.

We are really proud of the work and the winning of these boys, but we have never mentioned much about their supervisors. They are the ones who started the boys on their projects, helped them with selecting their stock, helped them with their feeding problems and lastly, taught them how to groom and show their stock. J. R. Gillham, F.F.A. Supervisor, and Chas. Reed, County Agent, are to be complimented on their fine work with the boys and their stock. They have put in a large number of hours in order that our boys could learn the way to raise their stock and show them.

We don't want to forget H. M. (Flip) Breedlove, former county agent, for he is due a percentage of the credit in helping his 4-H boys in the selection of their stock last spring and getting them along the way before entering the Army last November. He is now attached to a tank destroyer division at North Camp Hood, Texas.

All and all, we want these men and these boys to know how much we all appreciate their efforts and hard work, and believe they have done a wonderful job of putting and keeping Donley County on the map as a top-notch in stock raising of the prize variety.

WORTH WHILE COMMENTS

BY COUNTY AGENT
Charles O. Reed

TERRACES

If your farm needs terracing this is the time to make the decision and contact the County Agent or AAA Office at Clarendon for additional details.

A contractor with large equipment is now building terraces on Wes Knorpp's farm, west of Clarendon. The 1944 AAA program sets up terrace construction as an extra and unlimited practice. The rate of payment is sufficient that contractor will build terraces for 1944 AAA terrace construction practice, provided these are not too many fills to be made in terraces.

There are two types of terraces set up for crop land, but we recommend the broad type, 2' high and 20 foot wide (settled) terrace. It is possible in many cases to run the lines now, and by leaving 6 or 8 rows for terrace, building of terraces can be continued thru-out planting season and into the summer months.

To keep down long hauls for tractor, we want farmers around Clarendon to make applications for terraces now, at AAA Office.

SCHOOL CENSUS REPORTS SHOULD BE MADE BEFORE APRIL 1

Supt. H. T. Burton announced this week that the annual school census was being taken over the entire county and wishes to remind that all reports must be in before April 1st. Each child or student reported means \$25 in state aid and it is necessary to have everyone reported in order to keep schools running in good order. If you should be missed in the census and have a child that will be 6 before Sept. 1, 1944 or not 18 before Sept. 1, you are asked to contact Mr. Burton or any one of the school officials before the end of the month. In the latter age group, he pointed out that even though you are married and still under 18, you are still eligible to be counted in the census.

SGT. FOSTER GREGG WOUNDED IN ITALY

John White, who is a resident of the Ashtola community, received a letter the past week from Sgt. Foster (Slick) Gregg, former resident of that community, stating that he had been wounded about three weeks ago and was in a hospital and was getting along fine. He received a wound in an arm, under the eye and in one knee.

VISIT PARENTS

Mrs. A. J. Hicks and son Billie Mack and Mrs. Norris Spurgeon and daughter Pat of Sweetwater Company also made this bid, which was 20 cents above the bid for the reserve champion last year.

Attend Lion Zone Meeting At Memphis

Those from the local Lions Club attending the Zone meeting at Memphis Wednesday evening were Lee Bell, Dr. Keith Lowell, Dr. Watson, R. E. Drennan, Gordon Bain, Olin Bain, Jack Shelley, Carl Allmond, George Trout, Wendell Smith.

The program was under the direction of Zone Chairman Ray Moreman of Hedley. The main speaker for the occasion was Roy Keating, State Secretary of Lions International of Austin whose address was on Lionism. Jack Griffith, Dist. Governor, was also in attendance. Hedley was well represented at the meeting with about 18 members of the Hedley club present.

RATIONING AT A GLANCE

By PEPPY BLOCKER

Now that the time has been extended on our sugar stamps, perhaps the grocers will not be swamped with sugar orders around March 30th.

Certificates for specific used 1942 cars, though not issued on a quota basis, can be granted only to those people who meet the eligibility requirements stipulated for new 1942 cars, according to an announcement by J. Doyle Settle, District Rationing Executive.

Mr. Settle pointed out that eligibility requirements have not been changed because the reduced quota of new cars available makes it urgent to put the used 1942 cars in the hands of only those who can show an essential need for them.

Applicants for used 1942 cars must submit a written statement to their local board giving the make, body type, serial number, engine number, license number, and state of registration of the specified car he wished to purchase, and only under these conditions can a certificate be issued.

Rationing officials in Wichita across some humorous incidents, but the heartiest guffaws of the past several months were heard recently when a man who was seeking a new tire made the statement—"The tire is so nearly worn out that the air shows through."

Beginning yesterday, March 15, a National Emergency Price Survey will be made. This means that every grocery store in these United States will be checked to see that prices are within the ceiling. Stores will be checked by local price panel assistants just as has been done before.

Mr. and Mrs. Ollie Hommel and daughters Vendell and Patsy of Alareed visited in Clarendon Tuesday.

A record price of \$1.25 per pound was paid by the Pinkney Packing Company for the grand champion calf in the Amarillo Fat Stock Show which closed last Thursday. The sale netted the owner of the grand champion, H. C. Shaw, \$1,025, the calf weighing in at 820 pounds. \$1.10 per pound was paid for the champion last year.

The reserve champion, which was also the Best Panhandle Calf, entered by Pete Bromley, brought 60 cents a pound which netted the owner \$546, the calf weighing in at 910 pounds. Pinkney Packing Company also made this bid, which was 20 cents above the bid for the reserve champion last year.

The grand champion pig, entered by Joe Smith, sold to the Pinkney Packing Co. for an even \$1 a pound, which was 40 cents a pound above last year's top price. Prices paid to other Donley county boys are listed below with price per pound.

Club Calf:
H. C. Shaw; \$1.25, 22 and 24½; Pete Bromley 60; Jack Lewis 22.

Lamb:
Jimmy Howze, 22; Sam Lowry, 20, 15½, 17; H. C. Shaw, 19; Gene Adams 18; Billy Ray Armstrong, 17. Pens of Lambs, John Miller Morris, Sam Lowry, Jimmy Howze, Jerry Morgan, 15½.

Pigs:
Joe Smith; \$1.00; J. L. Williams, 20; Junior Wilkinson 18; Earl Hay, 15½; J. B. Knight 16; Billy Joe Marshall 16, 17; J. G. Crofford, 16; B. J. Green, 18; Charles Davis, 16.

Group of 5: B. J. Green 14; group of six: J. M. Morris, 14; group of seven: Don Thornberry, 13½; J. B. Knight 14½; group of nine: H. C. Shaw, 13½.

J. H. Sargent To Be Buried Here Saturday

The body of J. H. Sargent, age 30 years, will arrive here Friday morning for burial.

Mr. Sargent has been employed on a construction job in Arizona since 1942 and was killed in a car accident March 13th.

Funeral services will be held Saturday but complete arrangements are not known at this time.

He is survived by two children, Stanley, age 6, Tricia, age 5; his parents Mr. and Mrs. C. J. Sargent of Clarendon. Also five brothers, Frank of Winnsboro; Joe of Borger; Buck of Calif.; Cpl. J. C. of Childress and Luther of Weatherford, Okla. Five sisters, Lula Mae Smith of Brookings, Texas; Pearl Annie Rasco of Greenville; Pearl Gibson of Clarendon and Mrs. Alace Melton of Clarendon.

Buntin Funeral Home will be in charge of arrangements.

1942 Farm Stored Wheat Loans

Loans secured by 1942 farm stored wheat mature April 30, 1944 and must be liquidated either by repayment of the loan plus interest and storage advance, if applicable or by delivery of the grain collateral to Commodity Credit Corporation as provided in the chattel mortgage.

1943 Farm Stored Loans

1943 farm stored wheat loans mature on demand on April 30, 1945. However upon request by the producer and with the approval of the county committee farm stored wheat collateral may be delivered to the Corporation at any time prior to July 1, 1944. Deliveries made prior to April 30, 1944 must be into Commodity Credit Corporation owned bins.

Dairy Feed Payments

The payment rates for February:
6c per lb. for Butterfat.
50c per hundred weight for milk.

The payment rates announced for March and April Production will be sixty cents (60c) per hundred weight on whole milk and eight (8c) cents per pound on butter fat.

Terraces and Tanks

This week there are two sets of Terracing machinery moving into Donley County. Anyone wishing to take advantage of the 1944 Unlimited Practice Provisions of the AAA Program for building Terraces should come to the county office at once to make arrangements to have these machines moved to his farm.

One 2000 yard tank can be built on each farm or ranch this year and can be paid for above the limited allowance for the farm or ranch. Each farmer or rancher who needs a tank should do his best to have it built this year.

Farm Plan Sheets

The AAA Community Committees met in the county office on March 14th for complete instructions on the 1944 Farm Plan Sheets. Community Committees will have the responsibility for making the farm contact to see that these Sheets are signed. This work is of vital importance in the 1944 War Food Program.

The accomplishments of agriculture in 1942 and 1943 are unequalled. The job ahead for 1944 exceeds, in most proportions, the 1943 undertaking which was so admirably performed. Farmers are asked to cooperate in every way possible with the Committees in getting the information on the Farm Plan Sheets. Let's make the Farm Plan sign-up in Donley County 100%. Our National leaders need this information for the future planning of our food supplies both at home and in the War Zone.

CLARENDON BOYS TAKE SWINE SHOW PRIZES AT FT. WORTH

Musical Instrument Drive Now On

City-wide collection of musical instruments for the soldiers at the front began here this week. A part of a nation-wide campaign to provide our fighting men with the means of making their own music, the drive is directed at rounding up the hundreds of saxophones, banjos, and other instruments that lie forgotten in closets and attics throughout the city.

Sponsored by the Army as a means of building the morale of our fighting men, collection of musical instruments will make it possible for soldiers all over the world to form orchestras in their camps or posts, or to gather around in the evening and "make music."

The Army has requested "Coca-Cola" Bottlers all over the country to act as agents for this campaign. Anybody having any unused musical instruments may take them to any grocery store, filling station, drug store or other place that sells bottled Coca-Cola. The trucks of the Memphis Coca-Cola Bottling Company have agreed to pick the instruments up at these places and ship them off to the Army which in turn will distribute them to the soldiers.

Any instruments except pianos, bull fiddles, or phonographs are urgently needed, according to F. Phelan, president of the local Coca-Cola Bottling Company. He points out that because of war production demands, it has not been possible to manufacture as many musical instruments as are needed in our Army camps. The drive will last through March 27.

Last Rites Held For L. R. Bates

Funeral services were conducted this afternoon at 2 p. m. for L. R. Bates who died Tuesday morning after being rushed from Lelia Lake for medical attention. The services were conducted by Rev. R. L. Self of Lelia Lake, assisted by Rev. Hal Upchurch of Clarendon.

Luther R. Bates, a resident of this section for some nineteen years, was found at his home critically wounded by members of his family after hearing a shotgun report. The gun lay near the wounded man. He expired about two hours after being brought to Clarendon.

After residing here for a number of years, the family moved to Arkansas last year, returning to Lelia Lake recently where a home was purchased.

Surviving are the widow, a son, Hartley Bates of Crosbyton, two daughters, Miss Eugenia Bates of Wichita Falls, and Mrs. Mary Bell Riley of Corpus Christi. A brother is Jim Bates and Mrs. Della Ferguson of Ennis is a sister.

The deceased was a native of Wilson county, Texas where he was born July 25th, 1884.

Flower bearers were Mmes. Hollis Banister, A. O. Hott, Anne Leathers, Sudie Whitsell.

Attending the casket were R. W. Moore, G. G. Reeves, H. M. Reid, J. S. Short, L. C. Johnston and A. O. Hott.

Burial was in Citizens Cemetery with Womack Funeral Home in charge of arrangements.

NEW FARM GASOLINE RULES GIVEN

To aid in the drive against the Black Market in gasoline, the Office of Price Administration announced that after April 1 the five-gallon "R" coupon will be invalid at filling stations and may be used only by those who buy gasoline at bulk plants or who have it delivered into storage tanks on their premises. Farmers buying most of their gasoline at filling stations have until April 1 to exchange at local boards their "R" coupons for "E" coupons, which will be accepted at filling stations.

Clarendon's youthful hog breeders walked off with the ribbons and prize money to the tune of \$359 in the 1944 Southwestern Exposition and Fat Stock Show Boys Club Swine Show at the North Side Coliseum at Ft. Worth, Monday.

Mike Smith exhibited the boy's grand champion barrow; Joe Smith, his brother, the reserve champion, and other winners of this section made up the first prize carload lot.

The boys placed as follows as to respective breeds:

Durocs: Mediumweights, Marvin Jordan 1st place and also won champion of the breed.

Poland China: Lightweights, Ralph Morrow, 2. Heavyweights, William Jacobs 1st; Junior Bulman, 2nd and 3rd.

Hampshire: Med. weights, Mike Smith 1st. Heavyweights, Billy Jack Jordan 1st. Mike Smith had champion of the breed.

Berkshire: Lightweights, Chas. Sullivan 1st and 2nd. Med. weight, Joe T. Lovell 1st; Jim Lovell 2nd. Heavyweights, Jim Lovell 1st. Charlie Sullivan had champion of the breed.

Any Breed: Lightweights, Joe T. Smith 1st and 2nd; Gene White 3rd. Heavyweights, Gene Bulman 2nd, Dwight Nowling 3rd. Joe Smith had champion of the class. Carload Lot: Clarendon 1st.

THREE CLARENDON MEN AWARDED MEDALS AT LUBBOCK

Three Clarendon men stationed at the LAAF twin-engine field at Lubbock were recently awarded medals for qualification in firing the Carbine M1 Rifle. Sgt. Marvin K. Jones, with a score of 172, qualified as expert, while Cpl. Bernice D. Martin scored as sharpshooter and Pfc. William E. Barker as marksman.

LARD REMOVED FROM RATION LIST

Announcement from Washington that lard has been removed from the list of ration foods has caused a great deal of confusion as to other fats and oils. J. Doyle Settle, District OPA Rationing Executive, has announced that lard is the only item reduced to zero point value since publication of March point value lists. "Shortening, cooking oils, and other fats remain at their previously announced point value," he stated.

AMMUNITION SAVED FOR FARMERS

While it is possible that by fall there will be sufficient rifle and shotgun ammunition for game shooting, the WPB said that for the time being none can be spared from supplies needed by farmers to protect crops and livestock. No ammunition will be made available for amusement purposes.

Koeniegar Rites Held Tuesday

Funeral services for Mrs. Ora Koeniegar were held Tuesday afternoon at the Methodist church at Hedley with Rev. C. R. LeMond of Turkey officiating and assisted by Rev. A. B. Crockrel of Hedley.

Mrs. Koeniegar, a resident of Donley County for 20 years, passed away Sunday in a Memphis hospital.

She is survived by her husband J. H. Koeniegar and one daughter, Lucille of Hedley. Two brothers, Bryan Armstrong of Clarendon and Albert Armstrong of Amarillo. Three half-sisters, Mrs. Myrtle Baldwin, Amarillo; Minnie Lee Armstrong of Denver, Colo., and Mrs. Ruby Fortney of Fort Worth. Her father will be remembered as the late W. A. Armstrong, formerly of this city.

Flowerbearers were Raymond Everett, Hobart Moffitt, Earl Tollett, Leon Reeves, Charles Rains and Brownie Quisenberry.

Burial was in Llano Cemetery at Amarillo with Womack Funeral Home in charge of arrangements.

LIBRARY NOTES

By Mrs. C. A. Burton

The reading world is the poorer this week because of the death of three men who have left their impress on the literary world. First was Irvin S. Cobb, the popular humorist who died in New York Friday. I think he will be best remembered by his "Judge Priest" stories. Hendrik Willem van Loon, historian, biographer and artist died in Old Greenwich, Connecticut, on Sunday. Born in Holland, an American by choice

these many years, he will live long in our literature.

But the one whose death will mean most to our readers is Joseph C. Lincoln, who died in Winter Park, Florida on Friday. His stories were practically all Cape Cod stories with their salty flavor of the sea that surrounds his beloved New England. The quaint humor, and the homely philosophy of his stories made for him a place in the hearts of the people. Few authors have been more popular among our readers than Joseph C. Lincoln. And yet the daily press, as well as the minds of the people, is so full of war news that only a brief paragraph was given to each of these writers.

War correspondent Richard Tregaskis, author of "Gundalcanal Diary," was seriously wounded in Italy, but he has recovered sufficiently to return to this country, and will work on his new book,

MILL IRON BUYS PRIZE BULLS AT NATIONAL WESTERN SHOW

Still building on his great herd of registered Hereford cattle, Lafayette M. Hughes recently paid \$32,500 for the reserve grand champions and the first prize junior bulls shown at the famous National Western Stock show in Denver. These bulls will be delivered to the Mill Iron Ranch early in April.

It is another evidence of the fact that the Mill Iron intends to spare no expense in building a herd that will appeal to commercial cattlemen by providing quality, quick maturing and uniform herd bulls that will sell at a reasonable price.

This consistent type-breeding program has already brought credit to Mill Iron. Following the trail set by Colorado Domino 697, whose offsprings have already brought fame to Mill Iron breeding, there have gone hundreds of daughters of "Colorado Type" bloodlines established by Dominator, Dandy Domino 2, Mischief Mixer 28, and developed by their great descendants. On the Cottonwood, and other units of the Mill Iron located in Collingsworth, Hall and Cottle Counties, they have acclimated themselves, carried their 'blocky' usable cattleman's type of cattle into their adopted country.

Twelve out of the 15 Reserve

Grand Champions and first prize junior bulls at the 1944 Denver show were sired by Colorado Domino E 10; but the significant fact that cattlemen are noting is that several of the herd bulls now in service on the Mill Iron were sired by this same outstanding bull.

The Mill Iron breeding is a skillful mating and crossing of two great cattle families—the Domino Family and the Beau Mischief family. The combination has given far better results than if the line had been confined to Domino and Beau Mischief alone. But the proof of the pudding is in the eating and Mill Iron bulls have lived up to their reputation even when used on commercial herds; for their get has been remarkably uniform—producing a Hereford that was sturdy on the range and smooth and fast maturing in the feedlot.

Many cattlemen believe that Mr. Hughes' decision to sell these quality bulls at prices that would appeal to commercial cattlemen is one that will eventually make the southeastern section of the Panhandle one that is known for its superior beef cattle and one that will have a constant market from mid-western feeders.

Associations International Relations Board is sponsoring a China Book Week, March 25-31. Every effort is being made to know China better.

Our Boys Need Musical Instruments on the Battlefield and in Camp

You can help send them this easy way:

That forgotten musical instrument in your storeroom is wanted! Some boy in uniform, halfway 'round the world, is asking for it now. Harmonicas, accordions, ocarinas, flutes; bazookas. In cooperation with the United States Government we have worked out a plan to speed these gifts on to their destinations without trouble or expense to you. All you have to do is deliver them to your neighborhood Coca-Cola dealer. We'll do the rest. Here's how it works:

2 The Coca-Cola truck picks it up and sends it to the U. S. Government.

1 You take your instrument to your nearest Coca-Cola dealer.

3 They send it to the boys in camp and overseas.

4 Your gift brings some lonely soldier joy. Thank you.

Don't delay. Dig out all your old musical instruments today and start them on their journeys to our homesick fighting men.

MEN'S WEAR

THE TEMPLE OF TRUTH
By the Apostle

DOMESTIC.
Love is said to make the world go round. So does a swallow of tobacco juice. And a swig of corn may have the same effect.

EGOTIST.
Bragging may not bring happiness, but who ever saw a man who had caught a big fish come sneaking up the alley to get home with it?

PICTORIAL.
It takes an income of six figures to get a man's picture in the rotogravure section of your daily. Bone figure will get a girl there.

EVOLUTION.
Our grandmothers seemed to think that there was a destiny that shaped our ends, but the modern girls place more faith in girdles.

ADVICE:
"Dear Miss Dix: Should a man of fifty marry again. Answer: No. A man with that many kids should retire!"

WINDY WEATHER.
A hat just passed the window that looked like it had made a forced landing on a woman's head.

CONSIDERATION.
A gentleman is a fellow who can play a saxophone but doesn't.

THE GOSSIPER.
Never chase a lie. Let it alone and it will chase itself to death.

MODERN IDEA.
"One's her hubby and the other is her hobby."

PATHFINDER CLUB

Friday afternoon, the Pathfinder Club met in the home of Mrs. J. W. Evans. Early spring flowers decorated the rooms. Mrs. Oscar Thomas and Mrs. J. R. Porter were co-hostesses.

The meeting was called to order by the president, Mrs. Van Kennedy. The club Collect was read in unison.

Mrs. C. D. McDowell, the leader for the program, gave five interesting current events. Mrs. Ernest Hunt gave an interesting and informative paper on "Greenland's Relations to Allied Nations." This paper stressed the outstanding bravery of our soldiers in the far northland in spite of the extremely cold weather. Emily Post is considered the best authority on etiquette. Things what Not to Do were brought out in a very entertaining way by Mrs. Pete Kunz.

Tempting refreshments were served by the hostesses to 28 members and one guest, an ex-member, Mrs. Joe Cluck from Dalhart.

KILL KARE KNEEDLE KLUB

This Club held a special meeting Thursday, March 9, in honor of Mrs. Joe Cluck of Dalhart, a former member of the club. The meeting was in the home of Mrs. J. R. Bartlett with Mrs. Bartlett and Mrs. S. W. Lowe as co-hostesses.

The afternoon was spent in the usual club manner of sewing and conversation.

Refreshments were served to honoree, Mrs. Joe Cluck, guest, Mrs. Joe Goldston and members, Misses Ida and Etta Harned and Mmes. H. C. Brumley, Eva Draffin, R. A. Hay, W. A. Land, Homer Mulkey, W. A. Massie, Buel Sanford, W. B. Sims, E. H. Noland, R. R. Dawkins, Frank White Sr. and hostesses.

BISHOP-LACY

Miss Alice Bishop became the wife of Elmo Lacy Saturday evening, March 11, at the Church of Christ parsonage in Quanah. T. L. Campbell, minister of the church, officiated at the ring ceremony.

The bride chose her wedding suit of soft blue wool with navy and white accessories. The couple stood before a table arranged with fresh flowers and tall white candles while exchanging vows.

Mrs. Lacy was a teacher in the public school of Hedley, her family home, for several years. Recently she has been employed by the Pantex company in Amarillo. Mr. Lacy is an employee of the Quanah Postoffice.

Mr. and Mrs. Lacy are at home at 1010 West 3rd St., Quanah.

HARMONY CLASS

The Harmony class met last Thursday in the home of Mrs. M. L. Thornberry with Mrs. D. Lowry as co-hostess.

The meeting was opened by President Mrs. B. G. Watson and all repeated the Lords Prayer. Mrs. Chas. Lowry gave the devotional.

A short program was enjoyed by all members taking part.

A plate luncheon was served with the proceeds going to the Red Cross fund.

Those present were guests, Mrs. H. L. McElvany, Mrs. Clyde Hudson, Mrs. C. W. Smith and members, Mesdames B. G. Watson, B. C. Antrobus, Chas. Lowry, O. C. Watson, Otis Naylor, Lee Holland, Walter Hutchins, Victor Smith, A. B. Turner, Frank White Jr., Miss Carrie Davis and the hostesses, Mrs. Thornberry and Mrs. D. Lowry.

Mr. and Mrs. John McMahan and family have moved to Panhandle.

DORCAS ALATHEAN CLASS

The Dorcas Alathean Class held their regular meeting in the home of Mrs. Bob Head, Thursday afternoon, March 9th. The meeting was opened with the group singing songs, followed by a prayer, then the business meeting was held. Meeting closed with a prayer.

An afghan was completed, then a social hour was enjoyed, followed by delicious refreshments to the following: Mmes. Ralph Decker, C. L. Thomas, Chester Talley, Arlie Wood, Oscar Thomas, H. T. Burton, Bert Smith, W. C. Gunter, Wallace Rainey, G. G. Ayers, Bob Head, C. Huffman, L. T. Shelton, Robt. Hampton. Small daughters attending were Misses Harlene Smith, Carol Wood and Sandie Hampton.

Hostesses for the afternoon were Mrs. Arlie Wood, Mrs. Bob Head, Mrs. Donald Ballew, Mrs. Bill Bromley.

Note: To those members of class absent, we express our apology for enjoying the afternoon to the fullest extent, including your share. This latter we would be only too glad to have you enjoy yourself at our next meeting, the 2nd Thursday in April. Will you not come?

A woman who has married since she secured her Social Security account number should call at the Social Security Board field office and have the name on the card changed to correspond with her married name. This is regarded as important because wages will be posted to the number on the card bearing the maiden name of the woman unless it is changed. Confusion may be avoided when the time comes for paying benefits to the particular individual if the change is made.

Two Peruvian statesmen fought a duel in which shots were exchanged without harm to either— which just about clinches the opinion that it would be wise to let the statesmen fight the wars.

Navy Yards Need More Workmen

Shortage of skilled workmen handicaps the efforts of our West Coast and Hawaiian Navy yards now when maintenance of the U. S. Navy at top fighting strength is of vital importance in shaping the course of the war in the Pacific, Lt. Comdr. N. N. Dahl, construction officer at Mare Island Navy Yard, pointed out today. The accelerated pace of warfare in South Pacific waters has brought additional demands for repair and overhaul of battle-damaged vessels which must be returned to the fighting fronts as rapidly as possible.

Navy Department and Civil Service Commission representatives are conducting an intensive recruiting drive throughout the Southwest to enlist electricians, machinists, sheetmetal workers, and other types of workers, both skilled and unskilled. Persons not now engaged in essential industry are urged to apply for these positions.

Information may be obtained at Navy Recruiting stations, U. S. Employment offices, or first or second class postoffices. A representative is available in most localities to offer immediate appointment to qualified applicants. All appointments are made in conformance with War Manpower Commission regulations.

More Milk From Texas Cows

Reminding that the 1944 milk production goal for Texas is somewhat larger than the one set for 1943, E. R. Eudaly, dairyman for the A&M College Extension Service, says that it will have to come from fewer cows than were milked last year.

Texas' goal this year is 4,659,000 pounds or an average production of 3,233 pounds for the 1,441,000 milkers in the state. This goal includes milk for home use. It is estimated that at least 50 per cent of Texas farmers do not have an adequate supply because their cows are dry, or nearly so, about half the time, Eudaly says. He believes that if farm families are to have an adequate supply and the year's over-all production goal attained "we shall have to feed and take care of the cows in a way to maintain a good yield for at least 10 months out of 12."

To assist dairymen in obtaining more efficient production from fewer cows, the specialist proposes the following program:

- Grow more hay—legume if possible—and more pasture, silage and grain.
- Fertilize where fertilizers are adapted in order to increase quantity and quality of feed. Barnyard manure is adapted anywhere in Texas.
- Feed to avoid summer milk slump, and also feed cows liberally during their dry period.

Keep only as many cows as feed and labor permit, and breed for better herd replacements.
Produce good quality milk and avoid waste, and market whole milk whenever possible.
Eudaly emphasizes the benefit of culling inefficient and unprofitable cows. By doing this and making every pound of feed and available labor contribute in getting increased yield from efficiently producing cows through this program, Texas dairymen will help themselves and also help to meet the wartime needs for milk.

Thomas Perkins of McLean was in Clarendon this week.

Mrs. Marian Cox of Panhandle spent the week end with her mother, Mrs. A. H. Baker.

Mrs. Roy Beverly of Seymour is visiting homefolks this week.

Thousands of children under the age of 18 are being cared for by their mothers in their own home through old-age and survivors insurance which has been made possible by the father having been protected under this Federal insurance system. That means, in many cases, the children are being given the guiding care of the mother instead of being separated from her.

Home for Sale

This is not just a house—it is a real home, fully modernized for the conveniences of light, heat and water. The home is completely wired for the use of electric lights; natural gas connections make possible a modern floor furnace, and a windmill and tank assures plenty of water within the home at all times. This home is a six-room stucco, mouse and rat proof, with bath, spacious front hall, large roomy closets and a large back porch with a portion screened in. The building is closely constructed making possible the fact that water pipes have never frozen although the water is never cut off during freezing weather. The house is so built that during the hot days of summer that a coolness prevails which is seldom found in the average home. The three bedrooms fill the requirement of any family. One bed room adjoins the bath room and has its own clothes closet. The other bed rooms share a large hall-closet which would delight any family. The front room and dining room are both large, yet not too large to be comfortable. The dining room has a bay window for flowers and pot plants. The kitchen has a large pantry with built in cabinets at each end. There is also a small pantry for canned goods and groceries.

Besides the home proper, there is a stucco double garage and a moderate sized garden space. The windmill furnishes plenty of water, so there is no worry about water expenses. The water tank has small stucco room underneath which his gas connection to keep water flowing even at low temperature. The small room could be used for wash house. In the back yard is a large cellar lined with brick with cement floor - - spacious for canned goods as well as a place of refuge in time of cyclonic weather.

This home is for sale at a sacrifice price due to the fact that the owner is well in the sunset of life and wishes to sell and go to where her children live in a distant city. Yes, the home is a steal at \$2500. Seldom does such a bargain come along to the home-seeker. Cash is desired, but a portion in good bankable notes might be considered. The home is located in the East central part of town. MRS. C. R. SKINNER, Owner Clarendon, Texas (4-c)

Clarendon, well we did! Don't take it too seriously.
We have been wondering why Lester has been so blue for the last month. It couldn't be because a certain blonde moved to Channing, is it Lester?
Nova Lee, who was that boy you was with Thurs. night? You kinda go for these Lewis boys, don't you?
The Lelia Lake girls were very proud of themselves last Thursday night. They defeated the Clarendon girls two out of three games in volley ball. But the Clarendon boys defeated the Lelia Boys. That's OK boys, you will beat them the next time. (we hope) We will return their games Thursday night.
Lelia Lake and Clarendon girls were arguing as to which side "Pop" Reed would play ball for. Warren said, "He has on Clarendon's shoes, and Usrey said, "But he has on a Lelia suit, and we'd much rather see him barefooted." Quite logical, don't you think?
Everyone enjoyed the show Wednesday night, although we did ride in the back of a pickup. Neil are you robbing the cradle? Lois Marie, who did you see and talk to Thurs. night? As if we couldn't see!
Nova Lee, why didn't you go with that Clarendon boy Thursday night.
Clyde maybe some day you will learn not to holler at a few certain people.
Say Lois Marie, do you think you will ever ask for the keys to a certain blue pickup again? You had better not, for driving around town after night without drivers license isn't the proper thing to do.
Why is Williams and White always so enthused to come skating every Friday night? Girls, it isn't because a few certain people come, is it?

Catherine isn't conceited, is she? Not much!
How did Earnestine and Lois Marie get home after the show Thursday night? It couldn't have been in a black model A could it girls?
It looks like a few certain Clarendon bunch was really having a good time skating Friday night.
Nova Lee and her soldier friend Foy Langford were seen at the show Sunday afternoon.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. Listen GULF SOUTH!

First, let me introduce myself. I am "Miss American Red Cross." I am speaking to you frankly, sincerely, as a representative of every Red Cross worker at home and throughout the combat zones.

Red Cross has a big job, a tremendous job. And it needs your help. Red Cross' job is to help fight this war by making easier the hardships of the millions who have taken up arms to defend our freedom.

What does Red Cross do?

- It helps save lives. By providing blood plasma and serum albumin. By making bandages and surgical dressings. By delivery of food, clothing, medical supplies to prisoners of war.
- It helps maintain and build morale. By advice and assistance to disabled servicemen. By providing recreation facilities and comforts. By financial assistance to men in uniform and their families.
- It helps with health, education and safety programs. By recruiting nurses, by training in first aid and accident prevention, home nursing and nutrition. By Volunteer Special Services such as nurse's aides, canteen corps and motor corps.

Yes, Red Cross does these things and many more. Our big job is growing even bigger. Until Victory is won demands for Red Cross aid will be unlimited. Your generous contribution will help us do the job that must be done.

Thousands of Red Cross workers are giving unselfishly of their time, money and energies. They are doing a big job, and they need our help. Let's all give generously to the Red Cross War Fund.

CLARENDON vs. LELIA LAKE

Last Thursday night, March 9, the Clarendon Volley Ball and Basket Ball teams traveled all of the way to Lelia to play their first match of games. The girls played two out of three games, our home team losing two to one. Scores for the games are as follows: first game, Lelia 15, Clarendon 13; second game Clarendon 15, Lelia 10; third game Lelia 15, Clarendon 13. The greatest handicap to the girls was due to inexperience. Their coach, Miss Berry, said that she had the best teams that she has had in years. Starting line up was Mary Alice Allison, Capt., Mary Dean Williams, Klyda Wilson, Mary Ellen Pipes, Katherine May and Kathleen Grady. The Clarendon basketball team made up for the small loss for the girls by beating one of Lelia Lakes best teams by a large margin of 35-24. Lelia Lake is due for a return engagement for both teams next

Thursday night at 8:20, March 16, at Clarendon gym.

Lelia Lake is having a volley ball and basketball tournament April 7-8. Clarendon is expecting its teams to bring home the top honors. Our teams have done very well for the length of time they have been playing. We all want to wish them good luck, and hope that they continue to do as good as they have been doing.

ALPHA DELTA KAPPA

The Alpha Delta Kappa Fraternity met March 8 with James Wesley Palmer. Games were played after which a short business session was held.

Refreshments were served to Max Keys, Manly Bryan, Tom Goodner, Bob Bentley, Jimmy Douglas, Dick Reeves, and the host, James Wesley Palmer.

CORRIDOR COMMENTS

We wonder if Edith Jo had fun Friday night. I know there is someone who didn't seem to be enjoying herself. We wonder what the matter was?

What were Jack, Beverly, and J. R. fighting about in the drug store Thursday? Could it be that one of them has done something? Dorothy Ann seems to be in "High Heaven," but yet—can you blame her? Doesn't she have a reason?

Why is Barbara so anxious to get a date with other people's boy friends?

Lizzie got a very pretty locket pen for her birthday. I wonder who gave it to her—it couldn't have been Dub—or could it? Could be!

"Hester" and "Sylvester" should be more careful with their "love letters" from now on. They are dynamite—and I don't mean maybe!

We wonder whom the little blonde from Lelia Lake J. R. is dating regularly is? And it ISN'T his sister!!

The "spring fever" has really hit Ted and Drothy in a big way, hasn't it? And we still can't see why a certain little Sophomore should care.

Well, the Thompson "fleet" sails again tonight. We hope we'll be seeing him again soon. Don't we Edith??

CHAPEL

Last Friday the Seniors had a chapel program that was very different. It was composed mainly of group singing, led by Mr. Drennan and Mr. Kidd. Cora Lee Muse sang "Besame Mucho" and "When They Ask About You" as an encore, as another encore she sang the chorus to "Shoo-Shoo Baby." When she sang the last a boy even swooned. Johnnie Johnson gave a darling reading entitled "Symptoms of the Heart" and "I Wish" as an encore. Lucille Wallace played a piano solo "At Last." It was very pretty. And last, but not least Mr. Drennan, Mr. Kidd and Jack Shelley sang some songs. Everyone enjoyed the chapel songs. Everyone enjoyed the chapel program very much.

Mike Smith and Miller Morris attended the Fat Stock Show at Amarillo this week. Mike won grand prize on his Chester White

NEUTRAL DANCE

A neutral dance was held at the gym Friday night. It was sponsored by the Sophomores and the chaperones were: Mrs. Lumpkin, Mrs. Norwood, Mrs. Rolle Brumley, Mrs. Cox, Mr. Drennan and Miss Howren. A big crowd attended and most of the students reported having a swell time. It seemed like old times having "Thompson" around Jack Shelley evidently didn't like the records, for he went home and got some more. However, the rest of the gang enjoyed them and everyone is looking forward as usual to the next one.

RED CROSS VOLUNTEER SERVICE

The Red Cross seeks funds with which to carry on its humanitarian work. The whole month of March has been set aside for this purpose. Yet it is not the Red Cross that seeks our aid; for it is we ourselves who are the Red Cross. Those who seek our aid are the sick and the suffering, the hungry, the wounded, and the imprisoned, throughout the world. The organization is but the means by which we ourselves relieve their need. Surely, as Christians, we cannot refuse to minister to

these needs to the limit of our ability. Mrs. W. L. Jordan from the Martin Community has turned in 33 pairs of pillow cases, 6 sheets, 10 pairs of overalls and 4 pairs of rompers made by the following ladies: Mrs. Robert Davis, Mrs. Floyd Crofford, Mrs. Pool, Mrs. W. H. Morrow, Mrs. Watts, Mrs. John Helton, Mrs. Guy Sibley, Mrs. J. T. Easterling, Mrs. Lewis Marshall, Mrs. L. O. Christie, Mrs. Jack Eddings, Mrs. J. C. Gibbs, Mrs. Paul Talley, Mrs. J. D. Wood, Mrs. Geo. Bulman, Mrs. Pete Land, Mrs. Claude Easterling, Mrs. Richard Cannon, and Mrs. Jordan. Mrs. Harvey Shaw turned in a quilt made by the following ladies

of the Windy Valley Community: Mrs. Cap Anderson, Mrs. John Hutson, Mrs. Carl Barker, and Mrs. Shaw. Miss Maurice Berry made the buttonholes for 30 pairs of overalls. The following articles were received for our Emergency Chest: used boy's clothing by Mrs. B. Carl Adams, used child's clothes by Mrs. Alfred McMurtry, coffee pot, dishes and cup towels by Mrs. Joe Horn. Mrs. U. J. Boston, Cutting Chairman, has received material for garments which will be issued the first part of April. Those cutting are: Mrs. Sam Dyer, Mrs. C. C. Powell, Mrs. John Potts, Mrs. Ed Dishman, Mrs. Luther Skelton, Mrs. Eva Rhode, Mrs. Rolle Brumley, Mrs. M. R. Allensworth, Mrs. Chas. Lowry, Mrs. Gilbert Bryan, Mrs. T. T. Allred, Mrs. H. G. Bobbitt, Mrs. Cal Merchant, and Mrs. J. T. Patman. Mrs. Geo. Norwood, Knitting Chairman, has received an invoice for yarn. She will announce thru this column when the yarn arrives. We are in urgent need of more pocket editions of this year's "Reader's Digests" and other magazines for our Soldier's Kits. The Red Cross Room is open each Monday and Friday afternoons from 3:00 until 5:00 o'clock.

HOME SERVICE Mrs. C. A. Burton Home Service, disaster relief, hospital service in military establishments and other work on the home front is carried on through 3720 chapters, usually county-wide, and 6585 branches of these chapters. Each chapter has its corps of volunteer workers, in fact, nearly all of the workers are volunteers, just as all of them are in the Donley County Chapter. A new plan of the government for men reported missing is that a report will be sent the next of kin every 90 days, giving the status of the case. Arrangements have been made through the International Red Cross Committee to make a film of American prisoners of war in some of the German camps. When the film reaches this country, every effort will be made by the Red Cross to arrange for its nation-wide exhibition. From the German prison camps come reports that sanitary conditions are good, rooms clean, well lighted, well ventilated and heated, the beds are good and comfortable. Red Cross packages of food are received once each week, and there are stoves reserved for the use of the prisoners where this food may be cooked. The men spend much time playing games and equipment wears out rapidly. American games are growing increasingly popular, especially football, baseball, and basketball. It seems the British and American men are together in these prison camps, and that they get along well together. And from all these camps, come reports that the men are studying, along various lines, principally language. At Stalag Luft III particularly the men are reported as being anxious to take examinations and are eager for the chance at high school and university programs. The greatest complaint seems to be the slowness with which mail reaches them, sometimes as much as seven or eight months. The International Red Cross Committee has been informed that the Japanese authorities have created a central post-office for prisoners of war at the main Tokio camp. The staff at this postoffice is composed of American and British officers who are charged with the distribution and forwarding of mail to prisoners held in Japan. These officers complain of insufficient addresses and urge care along this line. Letters from prisoners as given in the Prisoner of War Bulletin are very interesting. One says after being cooped up like that he surely will be law abiding when he gets home. Another says he is studying Spanish and shorthand. The Red Cross News is being sent to all prison camps. Mrs. Earl Butler of Borger underwent a major operation here Monday morning. Her husband, Earl Butler, is visiting his parents, Mr. and Mrs. Clyde Butler here this week. Mrs. Butler is reported doing nicely at this time. Mrs. J. M. Looper and daughters Coy and Mary Esther went to Amarillo Wed. to visit Clovis Usery who will leave for the Navy in a few days. Pvt. and Mrs. Harry Tyler of Lawton, Okla. visited her parents, Mr. and Mrs. Ed Speed last week. They left Tuesday for Ft. Sam Houston, San Antonio.
