## CLARENDON COLLEGE ENDS 20TH SESSION

Clarendon College has just closed the most successful year in its history and commencement week, with all of the good things that it always brings, was the most elaborate, and well attended in many years.

The class contained 42 members, also the largest number in the history of the school. There were many visitors from out of town, who were indeed, very welcome among us—come again!

The exercises opened with a reception given by the departments of Domestic Science and Art, on Friday night. The rooms which were given over to the reception, were so well fitted out and so tastily arranged, that there was no question as to the work being displayed to the greatest advantage, both for the departments and public, and the keen interest which was evidenced by the latter, left no doubt as to the success of the former. The orchestra under the direction of Miss Loeffler, added a little spice to the occasion by rendering some perfectly delightful selections.

The young ladies' contest, staged on Saturday morning was one of unusual interest. The judges gave one the impression that it was more or less difficult to pick the winner and there was much enthusiasm displayed when Miss Bethany Jones received the coveted medal.

The debate between the two literary societies "Cabinet vs. Congressional Government," was a fitting culmination to a delightful Saturday. College spirit, "pep" enthusiasm, chaos, noise and merry-making in general, was rampant during this annual event. Since it is not possible to announce that both sides won, the public is given the information that it was the "Pans" and after the decision was handed down by the judges, one would have to abandon the foregoing nouns for they would not suffice.

The commencement sermon was preached on Sunday morning by the Rev. S. A. Barnes of Wichita Falls. He presented a most masterful sermon on "Prepare Thyself," which was very effective and fitting. The church was beautifully decorated with the species of flowers that are so profuse in Clarendon at this time and altogether, the scene was one long to be retained in one's memory, for the scholarly appearance of "Senior" was not lacking as the class marched down the aisle in cap and gown. Mr. Shure was presented with a beautiful mahogany music stand at the beginning of the service.

The Rev. Mr. Barnes preached again at night to the undergraduates and his sermon was another product which comes only from the minds of great men. The church was well filled on this occasion.

Monday was Music-day and who can say that Clarendon College has not upheld her state-wide reputation for music? This was an all-round big day. We were especially glad to note that there were so many here from abroad. The morning was given over to the seniors, the afternoon to the artists and the night concert was given at the church. A fuller announcement of this concert appears elsewhere in this issue.

The boys' Oratorical contest took place on Tuesday morning as was announced and surely it was as close as that of the girls'. The fortunate one of this contest was Harper Scoggins, and a fine specimen of art it certainly was. All of the orations showed careful treatment and these boys are much the wiser for their effort and much the broader for this attempt, even though they were not successful in carrying off the medal. "Green Stockings"! We now understand why this play ran for so many weeks in New York City without a pause. It is a wonderful play and as staged by Miss Chism and her troupe, it crossed over the border line between amateurishness and pro-

## FEATURES OPTIGRAM OF CLARENDON BANKER

Very frequently the effete and astute east calls upon prominent men of the southland for their opinions upon the varied commercial activities of the nation. The New York Commercial, a publication devoted to national business has been running a series of what they term "Commercial Optigrams" and in its first issue of Friday May 10, in a box spread on their first page they quote W. H. Patrick, President of the First National Bank of Clarendon as follows:

"By every individual in the nation doing his dead level best to co-operate with the administration: By co-ordinating every industry and enterprise, with the single purpose of winning the war, we shall not only win it, but after it is over find that we have a stronger and better citizenship: A commanding commercial and financial position and the respect and good will of all of the Democratic nations of the world."

## COMMENCEMENT RECITAL

The Commencement Recital of the Marquis Conservatory of Music will be held in Recital Hall next Tuesday evening, May 28, at 8:30 o'clock. Admission free and a cordial invitation is extended to all to attend.

## W. M. S. NOTES

Next Wednesday afternoon at four o'clock will be held a social meeting with Sister Story. There will be the second barrel opening, and every lady of the church is cordially invited to be present.

Miss Vida Turner from near Channing is the guest of Miss Jewel Kerbow.

Professionalism, entering into the realm of the latter. It is not possible to make special mention of any individual, anyway, this would be difficult as the feature which most appealed to all of us was the unity of action and the brilliancy of the performers collectively. Everyone in the entire Panhandle should have heard and seen this capable body of seniors stage "Green Stockings" on Tuesday night.

The regular commencement exercises were held at the college chapel on Wednesday morning when the 42 members of the class received their diplomas. Dr. Slover gave the class a very splendid farewell talk and the address was given by the Rev. G. W. Shearer. His theme was "Christian Education," and he handled it as only those who have had many years of training and experience can handle so difficult a subject. Everyone who heard him is wiser and a better individual for every word rang true and lofty, noble and clear. Mr. Shearer was explicit and authoritative which made the impression more durable and helpful.

Thus, after the presentation of diplomas, Clarendon College closed a year's work which will go down in history as being a most eventful one.

## JUNE 5th IS SET AS NEW REGISTRATION DAY

Washington, May 20.—Upon approving today the act of Congress bringing under the army draft law all men attaining the age of 21 since first registration day, June 5, 1917, President Wilson issued a proclamation formally fixing next June 5 as the date for new eligibles to appear before their local boards.

Male persons, whether citizens or not, are required to register. Exemptions apply to men already in the military service, and to ministerial and medical students.

Alaska, Hawaii and Porto Rico are not named in today's proclamation. A registration day for them will be set later.

Miss Modena Anthony returned home Monday from Childress.

## NOBLES HAS BEEN GRANTED NEW TRIAL

Leslie Nobles was granted a new trial yesterday at Amarillo. Judges Humphries, Joiner and Ewing heard the case. Nobles was granted bond in the sum of \$7,500. The case was transferred to Donley county and is set for June 15th. This trial will attract a very large crowd of people.

Rev. G. E. Burton, pastor of the Clarendon Baptist Church returned Tuesday morning from Big Cabin, Oklahoma, where he visited his brother, John M. Burton, who is pastor of the Baptist Church at that place. Bro. Burton assisted his brother in a revival while there and reports forty conversions during the series.

Don Grady has been quite ill the past week.

## MEN CALLED FOR ENTRAINMENT FOR MAY 25, 1918

Jas. H. Roberts, Jr., Chas. Heber Surguy, William Herman Burns, R. P. Billingsley, Fred A. Buntin, Thomas E. Perdue, Welcome May Robbins, L. A. Warnecke, William Howard Hoy, Arthur Ashmead, Frank Orville Doherty, Edgar Kimberlin Burton, E. E. Morgan, Roy Moore, ALTERNATES.—

Tom David Stewart, Wm. Maxwell Heisler, Wm. Moody Boston, Victor A. Crisler, Lee M. Harrah, Phillips Brooks Gentry, Claude Allen Goodson.

The first men named are the men sent to camp and the alternates are named to take the places of any men who for any reason do not appear or are excused for the time.

## RED CROSS VICTORY

Donley County has gone over the top and is still going. The second Red Cross drive is a success for two reasons and more. First, the citizenship of the county are red-blooded Americans and whenever the call to duty comes they respond to the last notch. Second, the campaign has been very efficiently managed by the central committee.

In next week's issue a full statement will be made of the amount raised in the drive, giving the names of men and women who have given amounts varying from one hundred dollars to twenty-five dollars.

A list of all the school districts and towns in the county will also be printed showing the standing of the district in the drive. The smallest district in the county will have a chance to be first in the list because this list will be headed by the school district that has given the most according to scholastic census and population. Watch this list and see who is first. No town or district can afford to give less than its quota. In the future new settlers are going to ask this question before moving into a community. "Did they do their part in the war with the Red Cross, with the Liberty Bonds? If not I do not care to live there."

The drive is a success, but Mr. Man ask yourself this question, "have you done your part, have you fought your best or have you not?"

Editor M. L. Moody of McLean was in Clarendon Monday visiting friends.

Jack Zurich just completed an up-to-date bath room at his already well-improved and beautiful ranch home, 35 miles south of Clayton. Mr. Zurich also recently built an immense flood ditch to irrigate his vegs.—Clayton Citizen.

Miss Jessie Zurich leaves tonight for Denver, where she will spend a number of weeks, as the guest of her sister, Mrs. Frank Tupper Smith. Miss Zurich also goes to attend the annual convention of the Beta Sigma Omicron Sorority of Colorado Woman's College to be held in Denver in July.—Clayton's Citizen.

## HIGH SCHOOL CLOSSES A SUCCESSFUL YEAR

Nothing like a detailed account of the splendid closing exercises of the public school was given last week but from the first entertainment at the church to the graduating exercises at the high school auditorium. Large crowds attended and were much pleased with the performance of the children. These it is but fair to say, were fully up to the excellent standards set by Clarendon public schools in all of its undertakings.

To Miss Merta Hauk, teacher of music and expression in the public school is the success of these entertainments due.

The entertainment at the church was patriotic in general and drew a full house. The speaking, singing, waving of flags and the happy faces of over 300 small children made an inspiring scene and ripples of applause would occasionally break forth from the audience although an effort was made to suppress it.

The Commencement sermon Sunday morning was delivered by Dr. C. S. Iover, president of Clarendon College at the Methodist church to a large congregation. The music by the choir was excellent and the sermon a very able one.

The concert Monday evening presented some unique features. The readings were many and unusually meritorious and the operetta contained some beautiful choruses for small children, besides marches and folk dances that were much enjoyed by the audience.

It is from the seventh grade that the high school receives the greatest part of its members each year. The class this year contained about 50 pupils. Tuesday evening an operetta was given by the class entitled "Four Leaf Clover." The costumes were of the 15th century product and very becoming to the pupils. Many of the girls under the influence of paint and long dresses became young ladies, and the boys in wigs, whiskers and costumes of the times, reminded one much of the age of chivalry. Not only was the singing and acting good, but the play itself entertaining. The fact that the lights were turned off at the plant for about 15 minutes during this performance was unsatisfactory to the large audience which sat in the dark. The Senior play entitled "The Claim Allowed," drew a large audience Thursday night. The play has for its moral teaching the love of country. If there were any slackers present, they must have felt a little uncomfortable under the strong spirit of loyalty that dominated the performance. The entire senior class with some little boys additional took part. Some of the hospital scenes and the departure of the young men to the war, the separation of friend, and relatives were so true to present conditions as to make a strong impression on those who heard it. It would be difficult to say which member of the class was the best actor, but the principal parts were given by Carolyn McLean, Beatrice Drew, Alpha Kemp, Floyd Spitzer, Van Alan Kent, Rosalee Egger, Chas. Bill, Winnie Weatherley, Frank Stocking and Gwynn Silvey.

Thursday afternoon at 2:30 there was a medal contest among juniors and senior declaimers. These declaimers were so closely matched as to make it difficult for the judges to decide as to the winners. At this time certificates of promotion were presented to pupils of the seventh grade to the high school. Certificates of perfect attendance were also given to pupils who had been neither absent nor tardy during the year.

The stormy appearance of the weather Thursday night caused some uneasiness among the graduating class for fear the weather would prevent parents from coming, but such was not the case, for at about 8:30

## Another Good Investment

We paid out some Red Cross money a while back. Paid it out—and forgot it. That's how much it hurt. Might not be a bad idea to have a look at what that money has been doing.

That money went, dollar for dollar, where it did a full day's work, wherever it was.

Three cents of it may have had the honor of disinfecting with iodine the three torn wounds of an American soldier on the French front. Or it may have had the less noble responsibility of pinning a warm flannel belly-band around six-year-old Antoine out back of Noyon.

No use,—we can't figure this Red Cross task in cents worth.

There's the whole path of ruin from Belgium to Switzerland, just to visualize one thing at a time. If your Red Cross money went there it very likely provided pots and pans, food and clothes beds and blankets, for the repatriated people.

Three years ago these people were prosperous and contented—self-respecting, steady, saving, hard-working, everyday, small-town citizens.

Now they have the "earth under them and the sky over them"—not one thing else.

It's for you to say whether this great work of mercy shall stop.

The Red Cross is yours, just as our Army and Navy are yours; yours to support with the same fervor and loyalty that leads you to the bottom of your purse for Liberty Bonds.

It's for your voice to say whether your Red Cross shall falter now or sweep onward, greater and more helpful than ever before.

And it's your dollars that must answer.

Out of the bleeding heart of Europe there comes a cry heard above the moan of the broken body racked with pain. The Soul of Freedom, at bay with Death, cries out to save Liberty for the race of men.

It is your Liberty, your nation's freedom, your children's birth-right, that is fighting for its life.

All that life holds for you as an American is at stake in this war, and you must fight for it to the utmost limits of your power.

We cannot all be in the trenches, but every one of us can—and must—sustain those who are.

Not as an act of mercy, but as an act of war—as a Soldier of the Nation—help the Red Cross heal, support, cheer our Soldiers and Sailors of Liberty that they may fight the sooner, the harder, the longer in this Holy War.

## How Was the Last War Fund Spent?

IT is a fair question—and it is fairly answered in the detailed and itemized reports that have been published in the newspapers of every town and city of the land.

You never saw it? Then ask at the nearest Red Cross Chapter, or write, for the Red Cross wants you to know where your money went.

They say that Red Cross supplies have a way of coming through on time.

Italy surely has found us not wanting in promptness when her great trial came.

And Roumania—they said no allied nation could get through to help her dire need.

But the Red Cross found a way.

It's not always a cheap way—"Needs must" costs money. But did you give that money to be saved—or to save lives? Are you not willing to pay five dollars or fifty to bring something of comfort to a war racked, tortured mortal who but for you would surely die?

And of one thing you may be sure. *Not one penny of that Hundred Million has gone for anything but War Relief.*

In the Red Cross there is no high salaried bureaucracy, no extravagant administration expense. All of the higher officials and nine-tenths of the workers are unpaid volunteers.

The cost of raising and collecting the last War Fund was about one-half of one per cent., more than covered by the banking interest on the money.

Your Red Cross needs another hundred million to lighten just a little of the awful load of misery "over there." Your share is all that you can give—and then a little more.

*Will you hold up your end?*

### ATTENTION! JUNIORS AND RED CROSS MEMBERS

The Donley County Chapter A. R. C. has just received a letter from Fort Worth Chapter asking cooperation in the collecting of salvage and offering to dispose of all salvage shipped to them.

This Chapter hopes to organize a Salvage Department as soon as possible and in the meantime asks all members to systematically conserve all magazines, newspapers, books, old clothes, rags, carpets, automobile tires, garden hose, etc.

The Juniors can do their part by collecting salvage during the holidays whereby having a nice sum of money to begin their work when the Junior Auxiliaries reorganize with the opening of the schools in September.

This is essentially boys' work and they can feel they are doing their part truly in thus providing the funds for the girls to buy materials to make up into refugee garments and hospital supplies.

The following is a suggested list of salvage articles for which there is a ready market:

Aluminum pans, etc.  
Auto tires.  
Machinery.  
Auto radiators.  
Books, (any kind.)  
Barrels, (any kind.)  
Bottles (pints and quarts) Bevo, beer, catsup, blueing, pickles and mustard.

Brass, (any kind).  
Bicycle tires.  
Carpets and rugs.  
Cotton and quilts, etc.  
Canvas (any kind).  
Clothes, (any kind).  
Clocks, bric-a-brac.  
Collars, ties, etc.  
Copper, wire, kettles, etc.  
Copper, (any condition).  
Hats, felt.  
Iron.  
Iron fences (not wire).  
Iron stoves or castings.  
Jars, fruit or salve, cosmetic.  
Jugs and demijohns.  
Leather, hides, etc.  
Lead, any form.  
Magazines, (bundled).  
Movie posters.  
Mattresses.  
Mixed rags.  
Metals (any kind).  
Paint and paste tubes.  
Pewter.  
Pipe, plumbing fixtures or parts.  
Rags (all kinds).  
Rope and string.  
Rubber boots and shoes.  
Rubber articles, any kind.  
Sacks and burlap.  
Shoes, uppers, must be sound.  
Tinfoil any kind.  
Tools and machinery.  
Zinc.

ALSO—Coins, precious stones, gold, gold plate, silver, silver plate, platinum, trinkets of value.

### COLLEGE PLAY SCORES SUCCESS

The Clarendon College Seniors delighted a large audience at the Pastime Theatre on Friday evening of last week with their production of "Green Stockings," a comedy of English society life, which is the class play this year.

The students acted their parts better, perhaps, than any group of amateurs ever seen on a stage in McLean. The players had been drilled for several weeks and Miss Chism, the director, is to be congratulated.

The gross ticket sales amounted to \$109.05, and after the expenses something like \$25.00 were paid, the remaining \$84.00 was divided between the Clarendon and McLean Red Cross Chapters.

When the performance was over,

the players left for Shamrock, where they played Saturday night, but on account of the rain, only a small crowd was in attendance.

They were accompanied to McLean by Miss Loeffler, teacher of Music; Miss McLean, English teacher; Miss Lane, a student; S. H. Condon, dean of Clarendon college, and W. T. Hayter a prominent merchant, all of whom returned to Clarendon Friday night.—McLean News.

## INSTRUCTION CLASSES

The Donley County Chapter, A. R. C. is now organizing the Nursing Service Department and hopes at an early date to have the three courses of instruction for all who desire to take them.

This Chapter has adopted Plan A, which consists of (a) First Aid Committee and (b) Committee on Instruction of women.

The committee on First Aid has not been secured as yet.

The committee on Instruction of women is as follows and is known as the Chapter Committee on Instruction of women:

Miss Lila McClelland, Chairman; Miss Maude Glenn, Secretary; Mrs. Geo. Bugbee, Mrs. Jim McMurtry, Miss Edythe Bryan.

Persons desiring to take the course of instruction in Elementary Hygiene and Home Nursing, also in Dietetics will please apply to this committee who will furnish all information necessary; make arrangements with instructors, secure necessary literature, etc. The course will be given by a registered Red Cross Nurse recommended by our Division Headquarters Director.

Groups of persons, clubs, societies, etc., as well as individuals banded together, providing the number is not to exceed twenty or is not less than ten, may take the courses as such. Each course consists of fifteen lessons of approximately two hours each. The cost of each course to each person will not exceed \$5.00 and may be less according to arrangements made with instructor and also the number of classes taking the course. \$3.00 for instruction 55c or 75c for text books (which in Elementary Hygiene and Home Nursing as well as in the Dietetics course is obligatory) and 50c registration fee which entitles the person to the examination and certificate; the remainder goes for incidentals, stationery, pens, ink, etc.

The time necessary for this course is four weeks—in an intensive course it could be taken in three weeks but instructors advise the four weeks. The enrolled Red Cross nurse who gives these courses has had both the theory and hospital training for the work as well as post-graduate work along various branches of nursing and study.

These courses of instruction for women take in most of the subjects of the first year of a student nurse's training which added to the knowledge and practical experience many women have of household management and practical home nursing, will be a great help and a most valuable preparation for the time when our men may return to us wounded or with lingering or chronic diseases.

We are called upon by existing conditions to prepare ourselves to meet the inevitable needs and conditions coming to us in the near future. Every woman, therefore, who can possibly do so, is urged to equip herself along these lines so she may help in time of need, young women, married or single, especially, are urged to do so. No one under sixteen years of age can take the course.

Students passing required marks in examinations may qualify for service with the Base Hospital units. The students are not required to take the examinations, nor is the certificate any obligation to give service, it being only proof of ability to serve if the necessity exists and one wishes to volunteer one's service. Students holding these certificates are not certified Red Cross nurses and are only qualified and designated to be volunteer nurse's aids after 240 hours of practical training in a base hospital in addition to these courses. Volunteer nurse's aids serve without pay except board and transportation.

Hours of instruction will be arranged to suit the convenience of the majority.

Please register early as the register with registration fee (50c per student) must be sent to headquarters before the classes start.

The Red Cross nurse (enrolled) will be here about July first for these courses of instruction.

## SCHOOL OF MUSIC ITEMS

The Senior class gave a theatre party to the music faculty on Thursday night. They were taken to the Pastime in cars, and witnessed a very beautiful production of the "Seven Swans," played by the incomparable Marguerite Clark, after which, the class invited the faculty to the Palace where they were given a most palatable two-course luncheon. The event was a very pleasurable one and shall long be remembered by those present.

The Shure family left on Wednesday night for points East. They will first visit Mr. Shure's people in Lykens, Pennsylvania. From there they will go to Silver Creek, N. Y., the home of Mrs. Shure. After a brief visit in that city, Mr. Shure will go to Chautauqua, N. Y., where he will be engaged for the summer as music reporter on the staff of The Chautauqua Daily.

Mr. Luther Williams and Mr. Bomberger, the soloists who did such wonderful work on Music Day, were entertained in the Shure home while in our city.

## GIRL'S NATIONAL HOME GUARD

The Girl's National Home Guard will hold an important meeting at the Woodman Hall Friday afternoon at five o'clock. A full attendance is requested as it is desired to make a list of all members wishing to take the Red Cross course in Home care of the sick to be given here in July. Members are requested to bring their annual dues of 25c.

## Uncle Sam Says Americans, Get Your Coal NOW!

BECAUSE, Our cars will be busy later on delivering lead to the Huns.

D. O. STALLINGS, Has the Coal  
Phone 316

"A great net of mercy drawn through an ocean of unspeakable pain"

## "I'm afraid that's all I can spare"

You're a regular, red-blooded, true-blue American. You love your country. You love that flapping, snapping old flag. Your heart thumps hard when the troops tramp by. You're loyal---100%!

You intend to---you want to---help win the war in a hurry.

"Sacrifice? Sure," you've been thinking. "Just you wait till they really need it." And you've honestly thought you meant that too.

But---look yourself in the eye, now, and search up and down inside of your heart---did you mean it? Did you really mean "sacrifice"?

Listen: You feel poor. This third Liberty Loan, the high prices, the Income Tax---you've done your bit. You feel that you've given all you can spare.

What? Then what did you mean? What's that you said about loving your country? What did you think the word "sacrifice" means?

Surely you didn't mean, did you, to give only what you can spare?

What about our boys who are giving their lives in the trenches? Are they giving only what they can "spare"?

How about those mothers and little "kiddies" in the shell-wrecked towns of that war-swept hell:---hungry---ragged---sobbing---alone? Giving up their homes, their husbands, their fathers.

While we---over here with our fun and our comforts---we hold up our heads and feel patriotic because we have given---what? Some loose bills off the top of our roll. "We've given all we can spare!"

Come, come! Let's quit fooling ourselves. Let us learn what "sacrifice" means. Let us give more than we can spare---let us "give till the heart says stop."

## Every cent of every dollar received for the Red Cross War Fund goes for War Relief.

The American Red Cross is the largest and most efficient organization for the relief of suffering that the world has ever seen.

It is made up almost entirely of volunteer workers, the higher executives being without exception men accustomed to large affairs, who are in almost all cases giving their services without pay.

It is supported entirely by its membership fees and by voluntary contributions.

It is today bringing relief to suffering humanity, both military and civil, in every War torn allied country.

It plans tomorrow to help in the work of restoration throughout the world.

It feeds and clothes entire populations in times of great calamity.

It is there to help your soldier boy in his time of need.

With its thousands of workers, its tremendous stores and smooth running transportation facilities, it is serving as America's advance guard---and thus helping to win the war.

Congress authorizes it. President Wilson heads it. The War Department audits its accounts.

Your Army, your Navy and your Allies enthusiastically endorse it.

Twenty-two million Americans have joined it.

The southern half of the United States will experience a total or partial eclipse of the sun on Saturday, June 8th. It will be almost total in this latitude. Get your smoked glass ready for the observation.

If every county had such men at the head of their Red Cross campaign as Donley county had in Messrs. Bourland and Van Eaton, the announcement of their appointment would be equivalent to saying the county had gone "over the top." No one can doubt it who looks at the result of our campaign.

Sam P. Harben, much loved secretary of The Texas Press Association sent the News editor a handsome gold-mounted fountain pen the first of the week, in token, as he expressed it, of this writer's services as assistant secretary of the Association during the recent meeting at Fort Worth. Thank you, Sam, the pen is all profit and the pleasure in working with such a chief is over-worth the labor.

The Allies suffered a severe loss when Major Raoul Lufberry, the great American aviator, was killed in combat with a German airplane on the French front last week. Major Lufberry was one of the most daring pilots of the allied forces, and his brilliant handling of his machine and his dashing attacks made him loved by his brother fliers and held in fearful respect by the Huns.

After hearing the matter discussed pro and con for several months it will be a positive relief for the American public to read what the Scientific American has to say in reference to the efficiency of the much praised, much disparaged Liberty Motor. The great scientific journal says that after this motor has been subjected to more rigid tests than other governments require. The Liberty Motor has been dependable and successful in every respect. A further statement adds that these motors are now being turned out in ever-increasing volume.

Panhandle Newspapers and Panhandle editors were honored at the recent Texas Press Association. The Mergenthaler Linotype Co. offered \$100, to be divided in three prizes for the best composed paper assisted by the linotype. The Vernon Record won first prize and the Clarendon News won the third prize. Editor Harry Koch of Quannah Tribune, Chief was elected president of the Association. The merits were well deserved for Panhandle papers lead the State in general make-up news matter.

"There's a reason."—the Panhandle is the garden spot of Texas.—Lakeview Promoter.

There is a crying need for more residences in Clarendon. There is little question that the town could easily increase her population by five hundred if proper dwellings could be offered to those who desire to come here for school and business. Our business men ought to see to it that there are sufficient homes here to house all comers. Rent houses are not bad investments and the increase in population will greatly augment the receipts of every business in Clarendon.

Every young man under the draft age should continue his education and not for one moment let the adventure of war draw him from his studies. To prepare himself well before he comes into the draft age is his patriotic duty. The writer was talking with a mechanic in the aviation division at Fort Worth last week, a bright young man with the fires of ambition lighting his face. The young fellow spoke of his desires to become a flier, but sadly said that he hadn't the college education and therefore could not expect to be ranked as a flier unless some unexpected accident should bring about the opportunity. Young men, get the education. Uncle Sam needs educated men.

## HIGH SCHOOL COMMENCEMENT ENDS GREATEST YEAR

(Continued from Page one)

The storm cloud passed and the high school auditorium was soon filled to its capacity. At about 8:45 long lines of pupils, teachers, trustees and speakers, for the occasion filed up the aisles to the rostrum both junior and senior classes being seated on the rostrum.

The parts given by the pupils, were short and appropriate. The class address was delivered by the Rev. J. W. Story; subject: "Our Unfinished Tasks." In well chosen words the speaker in a very impressive manner showed the importance of attempting to do great things in this life.

As the president of the board of trustees was unavoidably absent, superintendent W. R. Silvey, delivered the diplomas to the class. Scholarships were presented to first honor graduates, Alpha Kemp and Floyd Spitzer; also to second honor graduates who were Jessamine Collinson and John Cross.

### CLASS ROLL

Floyd D. Spitzer, Rosalie Egerer, John B. Cross, Van Allan Kent, Beatrice Drew, Alpha Kemp, Jessie Morrison, Dewey L. Mitcham, Carolyn McLean, Frank A. Stocking, Jessamine Collinson, Winnifred Weatherly, Della Zell Mann, Ioma W. Andrews, Chas. M. Bell.

### NOTICE TO VOICE PUPILS

During the summer months I will teach a small number of pupils in voice culture at my home in Clarendon. Work will begin the first week in June. Those who desire to study will communicate with Miss Gipsy Ted Sullivan, Texas Womans' College, Fort Worth, Texas. 21c

Panhandle papers rank with the best of the Texas papers. At the Press Association last week the Vernon Record received the first prize as being the best weekly in Texas, and the Clarendon News third prize. Several more Panhandle papers received special attention.—Wellington Leader.

## CLARENDON MEN ARE PROMINENT FIGURES IN GRAIN CONVENTION

Although the attendance was not as large as expected the Fourth Annual Convention of the Panhandle Grain Dealers at Amarillo Monday was a good one according to all who attended.

From all reports there seems to be a surplus of planting seeds on hand over the Panhandle this year. On account of high prices the farmers have held a large amount of planting seed and have also been very economical in planting.

The wheat crop in the Panhandle this year will be an almost failure according to all who attended the convention. Some of the delegates in speaking of the situation yesterday declared that there will not be enough wheat this year for planting purposes next year.

Monday night the delegates were entertained with a banquet at the W. O. W. Hall given by the Amarillo grain dealers. The banquet was served by ladies of the Amarillo Navy League.

R. L. Cobb of Plainview was elected president for the next term; L. C. McMurtry of Pampa, first vice-president; J. N. Beasley of Amarillo, secretary.

The executive committee consists of E. W. Harrison, Hereford, Albert G. Hinn, Plainview, E. S. Blaisdell of Amarillo and C. W. Bennett of Clarendon. The arbitration committee consists of J. D. Quick of Lubbock, C. R. Sleigh of Groom and E. R. Bryant of Lockney. The following men constitute the committee on constitution and by-laws and trade rules: H. L. Kearns of Amarillo, W. A. Porter of Kress and Tom F. Connally of Clarendon.

Mr. and Mrs. Arthur Ligertwood and daughter, Mary, left Tuesday morning for Canada, where they will spend the summer.

Messrs. O. D. Liesburg and D. O. Stallings attended the Coal Dealers' Convention in Amarillo the first of the week.

**ALPHA CLASS REPORTS**

On Thursday, April 11, a jolly crowd of two cars-full, gathered at the Methodist church. Miss Beula Baird, with the Buick led the way to "the river," Miss Edith Peabody, with the Ford, following. After a very short ride we found ourselves at our journey's end.  
 Everyone made a run for the river and enjoyed nature's unadulterated oil rocks and river sand, to their hearts content for more than an hour. Finding supper time near at hand, everyone began their return to the camping grounds—only to find their possessions scattered everywhere. However, everything was soon adjusted and a suitable supper ground located. Then began a feast that thoroughly satisfied our appetites.  
 After supper a camp fire was built and marshmallows toasted. At a very late hour we returned home, each declaring they had not had such a good time in ages.  
 Those of the party were: Mrs. L. E. Gribble, Misses Beatrice Story, Beula Baird, Olive Martin, Mattie Eva Lane, Ethel Hudgins, Mary Gordon, Oressa Teague, Edith Peabody, Evadne Hurn, Mary Fair, and Gertrude Wilson.  
 Friday April 19, Miss Mary Gordon was the delightful hostess to the Knitting Club from six o'clock until 7:00 o'clock. A most enjoyable afternoon was spent after which delicious refreshments were served, by the hostess.  
 On Wednesday the 24th the club met with Miss Pearl Miller. Doing Red Cross work, making 108 abdominal bandages in an hour.  
 Those attending were: Mrs. L. E. Gribble, Mrs. Fred Tucker and Miss Gertrude Miller (visitors) Misses Pearl Miller, Ethel Hudgins, Mary Gordon, Olive Martin, Mary Fair, Evadne Hurn, Oressa Teague and Ethel Riley.  
 The club met again Friday, May 3, with Miss Miller and continued the Red Cross work, making 135 that afternoon. Reporter.

**REGISTERED BULLS TO TEXAS**

**L. F. Gregory Pays \$8,400 for 28 Head of Two-Year-Olds.**

"Paying \$8,400 for a string of 28 head of registered 2-year-old bulls, looks like a considerable amount of money to pay out for that number of young stock," said L. F. Gregory of Clarendon, Texas. Mr. Gregory is foreman on the Rowe ranch east of that place. These bulls were bought from herds of the best breeders in the vicinity of Kansas City, and were received at the stock yards yesterday for government tests before shipment to Texas.  
 "When we look back a few years when pure bred breeding stock was unknown in our country, and then consider prices paid now for such stock, it becomes very interesting. But in no spot on the map can better beef cattle be found than in our Panhandle territory. And this fine stock has been produced under high expenses for breeding stock, till we have raised the standard to the highest point it ever reached."—Kansas City Journal.

**FOR SALE**—I will sell on terms to suit the buyer a reliable all purpose horse, weighs about thirteen hundred pounds, will work single or double at any work. Also a second-hand cab- buggy, and harness. These will be sold at a bargain price. Inquire of Doctor Stocking.

The summer session of Clarendon College will open Thursday, May 23, and continue for six weeks. Courses are offered in mathematics (plane and solid geometry, and trigonometry), science (chemistry and general science), and latin. Address: L. E. Gribble. 20-2t.

Mrs. H. C. Kerbow left this morning for Nogales, Arizona, to visit her son, Lieutenant Ralph Kerbow and wife.

**The Representative of Miltonite Sales Co., Inc. of El Paso, Texas**

will arrive in a few days to arrange for a live agent in this territory. Miltonite is a scientific Puncture Preventive. Every car owner in this vicinity should use it, as it saves time, worry and expense and gives 100 per cent more mileage for tires.  
 The U. S. Army at El Paso and Camp Cody, N. M., besides the largest business firms in El Paso are using Miltonite, which is proof of its quality and economy.

**LINEN SPECIAL**

**Next Saturday, May 25th, and Monday, May 27th, will be Linen Days at Baldwin Brothers. TWO DAYS ONLY**

No doubt you have been laboring under the impression that pure linen was scarce, and it is true that it is very scarce in the American wholesale market, but we foresaw the coming scarcity of quite a number of articles in our line and purchased large stocks in order to protect our trade.

In these two days you will have an opportunity of purchasing Pure Linens and Mercerized Cottons at a great saving in price. Take an inventory of your table linens, ascertain your needs and wants, then take advantage of this money-saving sale. We cannot afford to charge linens at the reduced prices. Come to the store that never misrepresents or disappoints in their ads.

## What Holds You Spellbound Before a Great Singer?

Is it simply the musical sounds coming from between her lips? No, it is the artist's emotions, finding expression through her voice, and to which your emotions respond. Music without emotion is like a body without a soul.

### The NEW EDISON

"The Phonograph with a Soul"

Official Laboratory Model

(and only the New Edison) Re-Creates the delicate emotional impulses of the human voice and brings them to you in all their natural purity and richness. That is why the music of the New Edison is real music—music that thrills and inspires.

Come to our store and hear the New Edison. You will find it a fountain of mental refreshment.

### CLARENDON'S BRILLIANT AND PATRIOTIC CHAUTAUQUA IN BRIEF

**ALTHEA PLAYERS.**—Opening the Chautauqua with a sparkling, brilliant program, The Althea Players and Electra Platt give a hint of the many good things in store during the week. Four of the girls play the violin. Miss Platt is an entertainer of established reputation in the East.

**GRANVILLE JONES.**—Is appearing with Russell Conwell, of "Acres of Diamonds" fame Brooks Fletcher, Edw. Amherst Ott, and other famous lecturers on the seven-day Chautauqua last season, the newspapers insisted that Granville Jones was the best of all, which is some remarkable testimonial. You'll like both Jones and his lecture.

**DR. FRANK LOVELAND.**—Gave up a \$5,000 pulpit to respond to his nation's call for men to mobilize American sentiment to win the war. Traveled extensively in countries at war. Endorsed by such men as Fairbanks, Beveridge and Hon Arthur Capper.

**SERGEANT TURLEY AND THE TRENCH MUSICIANS.**—In Canada, there is no one more popular among the soldiers than Sergeant Turley. He is a brilliant newspaper writer and a speaker of unusual ability. He has had many very thrilling war experiences and no matter where you will go you will find no one better qualified to talk on the war than this man. He is bringing with him another musician also with a war record and they will make one of the biggest days the Chautauqua has ever seen.

**VICTORIA'S COLUMBIA BAND.**—The famous Victor "Stunt" Band—spectacular, brilliant. Attraction extraordinary. Lots of music. Lots of fun. Lots of novelty selections.

**ETHEL HINTON.**—Here is the "Joy Girl." No reader is superior to Miss Hinton in dialect work. You simply fall in love with her, the minute she steps on the platform and you go home pronouncing her entertainment the finest you ever heard.

**THE AMERICAN ARTISTS.**—Brilliant features. Patriotic. Popular and Classical.

**DR. DEAN C. DUTTON.**—He has been in Washington attending a conference securing material and preparing a message which the Government desires him to bring to his audiences. A lecture for the betterment of the community, as well as a message from our government.

**BERYL BUCKLEY.**—She spent several months visiting the scene of "The Shepherd of the Hills" and spent an hour each day last winter at the cobler shop of a typical Italian in the east side, New York, to secure the proper dialect and "atmosphere" for "Mister Antonio." Both readings are masterpieces. Miss Buckley's exceptional personality permits her to give them better than they were ever given before.

**OLD HOME SINGERS.**—This is the unique company which captivated New York audiences for week after week on Broadway, because of the particular appeal of their program. Fine singers. A great program.

Through the entire program there is genuine patriotism. Never before was there such a need for the Chautauqua and never before has the demand been met in a more effective manner.

### LOCAL RED CROSS NEWS

The Chapter shipped in April six boxes of Surgical Dressings, two boxes of knitted articles, three boxes of hospital garments and one box of refugee garments making a total of twelve boxes.

Muslin bandages made by the Local Chapter 1,689; Muslin bandages made by Giles Auxiliary 60; Muslin bandages made by Clarendon College 44; Total 1,793.

Gauze dressing made by the Local Chapter 4,263; Gauze dressings made by Lelia Lake Auxiliary 1,050; Gauze dressings made by Giles Auxiliary 619; Gauze dressing made by Clarendon College 844; Total 6,776.

There were 387 finished garments brought in during April, including several layettes and special allotments.

The Purchasing Committee is glad to report that a large shipment of Gauze has arrived. These gauze dressings are needed very badly in the hospitals and workers are urged to come to the rooms and help work.

The Chapter has made arrangements to have a school of instruction in Home Nursing sometime in June. This school will be very helpful and it is hoped that a large number will register for it.

A recent social event at the JA ranch Mr. M. K. Brown of Pampa, and Mr. W. P. Peter of Dallas, sold a cake for \$160.50, which sum they donated to the Local Red Cross. The ladies tender their thanks to these two gentlemen as well as to the others who so generously contributed to the success of the sale.

The Saturday Booth's for April brought in \$97.54.

The monthly income from pre-dated checks up to the present amount to \$405.00

Those who have signed checks since last week are:

### W. D. MITCHELL ONE OF PROUDEST MEN IN TEXAS HE SAYS

"I'm Certainly Grateful For the Happiness Tanlac Has Brought to My Home."

"I'm one of the proudest men in Texas today and I just want to tell the people it's all because of what this Tanlac has done for my wife," said W. D. Mitchell of 1808 Warren Street, Dallas, Texas, a few days ago.

"She suffered so much during the past year," he continued, "with stomach trouble that she had almost given up hope. Her appetite left her entirely and what she did eat would just stay in her stomach and make gas and misery for her. Her nerves went all to pieces and she got so weak and all run-down she would have to lie down and rest during the day while trying to do her work. She was so nervous and restless she could hardly sleep, lost weight and felt despondent and downhearted all the time."

"She was under treatment several times and tried any number of different medicines but everything failed to help her until she began on Tanlac. She began picking up right off when she began taking Tanlac and her despondent feelings soon disappeared. She has such a big appetite now that she can hardly get enough to eat and her digestion is fine. She has already gained eight and a half pounds and says she never felt better. She sleeps good every night and does all her work with ease and is bright and cheerful all the time. I'm certainly grateful for the happiness Tanlac has brought to my home by restoring my wife's health. I honestly believe it will help anybody."

Tanlac is sold in Clarendon by Dr. J. D. Stocking, in Hedley by J. F. Tomlinson Drug Co., and in Jericho by O. C. Brown.

### THE CREATION

The Creation, which was given at the Methodist church on Monday night as the culmination concert on Music-Day was without doubt the greatest musical event ever produced in our city.

The chorus under the direction of Mr. Shure, was in fine spirits and sang as they have never sang before. Such fine shading and precision in attack, is rarely heard in towns the size of Clarendon. The accompaniments, both piano and orchestra, added the final touch which helped make the ensemble perfect, as it surely was. Our visiting artists Mr. Williams and Mr. Bomberger, were both in splendid voice and to have heard this beautiful work sung as was done by these wonderful artists is a privilege which was thoroughly appreciated by the crowded house. Wonderful breath control, beautiful tone color, superb coloratura singing, combined with intelligence of interpretation made a combination of solos which left nothing to be desired.

Our home artists, Mrs. Ulm and Mrs. Adams, sang with their usual clearness, smooth voice, proper placement and in fact, all that goes to make up the masterful artist.

During some of the climaxes in the beautiful work, when the chorus together with the artists, reached their loftiest pinnacles, the vast audience was deeply stirred and a spell cast over them which was awe-inspiring, so sublime and profoundly stirring was the effect.

An evidence of the fact that Clarendon and Donley county is growing to appreciate more and better music, is found in the fact that the throngs which gather to hear these annual musical events, are ever increasing, both in numbers and interest.

At the conclusion of the concert, the choir was tendered a fine "Hoover banquet" at the Palace, a much appreciated gift of the Home Missionary Society.

The chorus and artists were admirably supported by the skillful accompaniments of Mrs. R. G. Boger, Miss Mattie Eva Lane and the orchestra, consisting of Miss Evangeline Loeffler, Miss Beatrice Stone and Mr. Bugbee.

#### CITATION BY PUBLICATION

THE STATE OF TEXAS,  
To the Sheriff or any Constable of Donley County GREETING:

You are hereby commanded, That by making Publication of this Citation in some newspaper published in the County of Donley, if there be a newspaper published in said County, for four weeks previous to the return day hereof, you summon Harvey Adams whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be held in the County of Donley at the Court House thereof, in Clarendon on the Third Monday in July, same being the 15th day of July, A. D. 1918. File number being 1001, then and there to answer the Petition of Mrs. Jonnie Adams, filed in said Court, on the 8th day of May, A. D. 1918, against the said Harvey Adams, and alleging in substance as follows, to-wit:

That she and defendant were lawfully married in the State of Oklahoma on February 24th, 1914 that they lived together as man and wife until October 1916, at which time the defendant was indicted and convicted for felony theft, and sentenced to a term of five years in the penitentiary of the State of Oklahoma, that immediately after his said conviction he began the service of said term in said penitentiary, and up to the filing of said petition he has served twelve months and more of said term that he has never been pardoned out of said penitentiary by the Governor of said State or proper pardoning power; that during the time plaintiff and defendant lived together there was born to them a child, a boy named Doyle, age three years January last; that the defendant is not, and will not be a suitable person to have the custody and control of said child, and that she is able to undertake its custody, care and control. She prays for judgement in all things dissolving the marriage vows between herself and defendant, and for absolute custody and control of said child.

Herein fail not, but have you then and there before said Court this Writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, in Clarendon, this 8th day of May, A. D. 1918.

#### NEW SAND FOUND NEAR CLARENDON MEN'S LEASE IN BROWNWOOD FIELD

Joe M. Warren, president of the Clarendon Oil & Gas Company now operating in the Brownwood field has furnished The News with an excerpt from the Brownwood Bulletin which tells of the finding of a new sand on Chapel Hill, which property is within a few hundred feet of the lease held by the Clarendon company. Following is the paragraph:

On Chapel Hill, five miles west of town, the test of Miller and others, which struck a new sand at 480 feet, is making at the rate of 100 barrels daily and is the best well yet completed in the shallow-sand locality. The initial test on this farm struck the sand at 430 feet, where the new well was barren, and this may be a fore-runner of a new sand for that district, which is just one mile east of Coyle, and others found production in the 600-foot stratum. This is the most interesting well that has been found in the pool for over a month.

#### CAMP SAM LANHAM

Monday, May 13th, the members of the Sam Lanham Camp met at Kerbow & Son with Capt. R. S. Kimberlain presiding.

After the general preliminary work was dispensed with a resolution was passed with unanimous vote that the members of Camp Sam Lanham, No. 1383, U. C. V's. offer their services to the government in any way that they are able to perform.

At this meeting there was held the election of officers for the coming year. Capt. Kimberlain refused to serve any longer and W. G. Smith was made Captain; E. A. Gattis, 1st Lieutenant; A. J. Barnett, 2nd Lieutenant; T. N. Naylor, Adjutant; S. E. Burkhead, Chaplain.

The regular meetings are to be the first Saturday afternoons of each month, at 3:00 p. m. sharp.

The above ordered by the camp. T. N. Naylor, Adjutant and Treas.

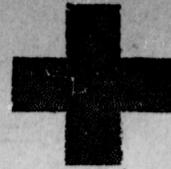

#### TREES! TREES!!

As I will continue in the nursery business, have contracted with one of the largest nurseries in the north to grow my trees. Therefore I will be able to furnish anything in shades or fruit. Fall or spring deliveries to suit purchaser. If contemplating planting see me or phone 229 3R. All orders appreciated and will endeavor to please my customers.

"A great net of mercy drawn through  
an ocean of unspeakable pain"

THERE is only one way to give to the Red Cross—give till your heart says stop. A little contribution is only a salve to pride.

This is not to say that contributions of only one dollar, or even of only one nickel, are not desired—and needed.

For you to give \$5 when you can give \$25—for you to give \$25 when you can give \$100, or to give \$100 when you can give \$500—is to dodge the heaviest obligation that this war has laid upon you.

For remember, this is *not* a charity:—this is a duty.

This is not a time to give because others give. This is a time to give because *others need*.

No man can tell you how much you ought to give. Except this: that "Over There" the *need* is so great that only by cutting to the quick, only by giving all that you think you can give and then *more*—only by giving not a little of your excess but much of it—only by taking from your own children and from your wife and from yourself, can the *needs* of the men who are fighting for you and the *needs* of the children of the men who have died for you be met.

Ask your own soul how much it should be!

## Dr. Stocking

#### Mysterious Pains and Aches

Makes Life Hard to Bear for Many Clarendon Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read a Clarendon case:

Mrs. Ellen Andreas, E. Fourth St., says: "I have used Doan's Kidney Pills with good results, getting them at Dr. Stocking's Drug Store. I advise anyone troubled by a weak or lame back or by the kidneys not acting regularly to use Doan's Kidney Pills. They proved perfectly satisfactory to me and I don't think there is a better kidney medicine."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Andreas had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

#### YEP, OLD GROUCH HAS HELPED

We had been looking for it, and we would not be disappointed. "Now the Red Cross is after money. I have been deviled nearly to death with those Liberty Bonds peddlers, and now that that storm is over, here comes the Red Cross wanting money." The language of old Grouch. With his hundreds of dollars lying up in the vaults doing nothing for himself or suffering humanity. We expected to hear of this carbuncle breaking and polluting the air with rottenness. This same old wart would rob a widow and starve his family for the sake of a few pennies. He and his kind will make up the warmest regions of hell, and that is the only place for him. The government has protected his kind; permitted him to prosper, gave him the benefit of all the privileges of a citizen, and now in return he will do nothing but pull back. He will not lend the Government the worth of a Liberty Bond, nor will he donate a red cent to the cause of the Red Cross work. Grouch is his only characteristic. Lubbock has but few of this specimen of buzzards, and a good big dose of social ostracism would be good for them. "Slacker" is putting it mildly, but in the eyes of patriotic citizens and the government, that is his name.—Lubbock Avalanche.

#### J. E. WALKER BUYS G. O. WALKER'S INTEREST IN THE GROCERY BUSINESS

The grocery business bought recently from Hastings Bros. by Walker & Walker, a firm composed of J. E. and G. O. Walker, is now known as the J. E. Walker Grocery. Last week J. E. Walker having bought the interest of G. O. Walker and becoming thereby the sole owner. Mr. Walker has moved his family to Clarendon from Canyon and will devote his entire time to the management of the business. They are living in the N. A. Steed home.

An example of resourcefulness was demonstrated Monday night by Manager Kemp of the local light plant, when the transformer on the line carrying the residence district of west end including the Methodist church blew out, leaving the church dark just as the crowd was gathering for the rendition of "The Creation," by the Methodist choir. It requires hours to rewire a transformer and it seemed that no program could be rendered. However, Mr. Kemp bethought himself of his demonstrating outfit of the Delco Lighting System advertised regularly in The News, so he hurried up to the side door of the church in an automobile and in short order had a string of lights burning brightly across the platform, thereby saving the situation. This quick-witted action is worthy of mention and Mr. Kemp has the thanks of the large attendance for his enterprise.

## DELCO-LIGHT Increases Farm Efficiency

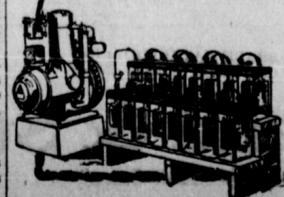

- Saves time and labor**—Work formerly done under poor light and by hand can be done better and in less time with the aid of electric light and power.
- Labor is attracted to the farm**—The "back to the farm" movement is made practical when the conveniences afforded by electric light and power can be had in the country.
- Keeps the boys and girls on the farm**—Electric service on the farm offsets city attractions. Valuable labor and valuable young manhood and womanhood are saved to the country community.
- Solves the retired farmer problem**—Electric light and power make the farm home so attractive and comfortable that the farmer and his wife remain on the farm where their advice, experience, and immediate interests are of great practical value.
- Lightens burden of the housewife**—Increased farm work in war times means increased labor for the housewife. Electricity offers the only practical means of taking the drudgery of household tasks from her shoulders.

Delco-Light is a compact electric plant for farms or country homes. Self-venting. Air-cooled. Thick plates, long-lived battery. Ball bearings. No belts.

This is the plow that revolutionized Cultivator Manufacturing, the original Seat Guide Cultivator.

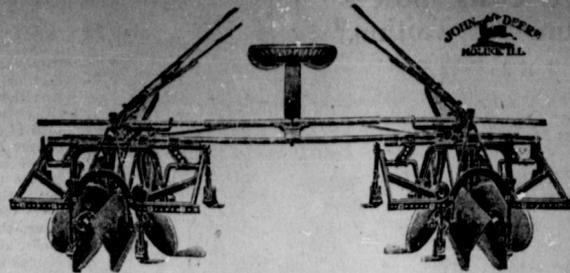

Out of the hundreds we have sold, we have our first dissatisfied customer to find yet. The Ball Bearing shift and the floating beams governed by adjustable springs makes it so easy in operation that a small boy can do the work equally as well as a man. The Quick-Frame balance entirely eliminates all neck weight when the plows are in or out of the ground.

## The Greatest Mother in the World

STRETCHING forth her hands to all in need; to Jew or Gentile, black or white; knowing no favorite, yet favoring all.

Ready and eager to comfort at a time when comfort is most needed. Helping the little home that's crushed beneath an iron hand, by showing mercy in a healthy, human way; re-building it, in fact, with stone on stone; replenishing empty bins and empty cupboards; bringing warmth to hearts and hearths too long neglected.

Seeing all things with a mother's seventh sense that's blind to jealousy and meanness; seeing men in their true light as naughty children—snatching, biting, bitter—but with a hidden side that's quickest touched by mercy.

Reaching out her hands across the sea to No Man's Land to cheer with warmer comforts thousands who must stand and wait in stench and crawling holes and watersoaked entrenchments where cold and wet bite deeper, so they write, than Boche steel or lead.

She's warming thousands, feeding thousands, healing thousands from her store; the Greatest Mother in the World—the Red Cross.

Your help is needed—give till the heart says stop.

Every cent of every dollar received for the Red Cross War Fund goes for War Relief.

The American Red Cross is the largest and most efficient organization for the relief of suffering that the World has ever seen.

It is made up almost entirely of volunteer workers, the higher executives being without exception men accustomed to large affairs, who are in almost all cases giving their services without pay.

It is supported entirely by its membership fees and by voluntary contributions.

It is today bringing relief to suffering humanity, both military and civil, in every War torn allied country.

It plans tomorrow to help in the work of restoration throughout the world.

It feeds and clothes entire populations in times of great calamity.

It is there to help your soldier boy in his time of need.

With its thousands of workers, its tremendous stores and smooth running transportation facilities it is serving as America's advance guard—and thus helping to win the war.

Congress authorizes it. President Wilson heads it.

The War Department audits its accounts. Your Army, your Navy and your Allies enthusiastically endorse it.

Twenty-two million Americans have joined it.
