## CLARENDON SHRINE CLUB PUTS CITY ON MAP AT CEREMONIAL IN AMARILLO LAST THURSDAY

### INSTITUTION OF KHIVA TEMPLE, A. A. O. N. M. S., AT AMARILLO LAST THURSDAY WAS THE GREATEST MASONIC DAY THE PANHANDLE EVER WITNESSED, CLARENDON GOES STRONG.

Last Thursday, Sept. 2nd, was without doubt the greatest day in the history of the Panhandle, speaking Masonically, and the city of Amarillo entertained royally some five thousand Nobles, ladies, and other visitors.

Since the very first inception of the movement to secure a Shrine temple at Amarillo, there has been no more enthusiastic supporters of the movement than the Shrine of Clarendon, and when the Imperial Council granted a dispensation for the institution of Khiva Temple, the local Nobles at once perfected organization of the Clarendon Shrine Club. This club with Noble John Blocker as president and W. F. Massey, secretary has performed feats of labor in behalf of the first ceremonial which was held last Thursday and in consequence some eight or ten novices were escorted to Amarillo, to be turned over to the tender mercies of the combined patrons of Khiva temple, Amarillo, and Moshlah Temple, Fort Worth.

Moshlah Temple, Fort Worth, being the mother temple of Khiva, kindly consented to bring her patrol band and divan to Amarillo for the first ceremonial and accordingly a special train of pullmans was run out of Fort Worth Wednesday night arriving at Amarillo early Thursday morning. The first plans of the Clarendon Shrine Club was to make the trip in automobiles, but the combined patrons of Khiva temple, Amarillo, and Moshlah Temple, Fort Worth, immediately into the spirit of the occasion, and if dull care pressed heavily upon the friends of the party it was not noticeable. The first big laugh of the morning came when Noble Tom Connally climbed breathlessly aboard, only partly dressed and without his wife. When he appeared a few minutes later with a tie and collar on his shoulders, the party felt stealthily for their own neckwear to see if no marauding hand had relieved them. The members were provided with klaxon noise makers and from the very jump go noise reduced conversation to smiles and the sign language.

Just before rolling into Amarillo, the Children and Memphis Nobles in the next car joined the Clarendonites and after much fraternizing the Denver delegations unloaded together and stormed Amarillo, a city which had all the appearance of just having been invaded.

Breakfast had not been accomplished before the patrol began to make inroads upon the luckless Novices and the day's fun was really on.

Fun—clean fun—lots of fun and all day long!

The motto for everybody, from the oldest and most ancient Noble to the latest acquisition to the ranks of Shrinedom. Every Noble was wearing his red fez, which proclaimed his temple membership and the names of Khiva, Moshlah, El Madia, Ben Hur, Makat, etc., proved to all who knew the wide scope of territory covered by these Temples that the entire southwest had turned out to do honor to the institution of Khiva.

What happened to what occurred from Clarendon to all points of the compass. Novice Sheriff Rutherford was chained and handcuffed to an iron post on Polk street and required to take up a collection in a tin cup amounting to a certain sum before he was released. Novice Sam Dyer was chained to a hand car on the street car track, along with others and forced to propel the vehicle up the street and then back again. Seemingly no place for that hand car was the right place. Novice Dean S. H. Condon was snatched from his dignified posture and carriage and forced to wear his coat wrong side out and bear other marks of low-life. Novice Tax Assessor-elect Harry Warren was drafted from the infantry and made into a cavalryman under the command of Col. Thompson of Amarillo and rode a tricky and bronchial-like stock horse right down Polk street. Novice Editor of the Clarendon News was the first thrown in prison, then chained to certain other Nobles of a certain character and paraded up and down Polk street bearing a vessel of ancient rintage and reckoned as a landmark of babyhood days. Stunts of all kinds were done and one big Novice was chained to a barrel of wood and told when he had dipped it dry with a spoon he might be released. He, having dismally failed in the attempt, was succeeded by another Novice who was furnished a thimble with which to complete the allotted task.

People who never knew before the Shrine stood for joyed the day even more than circus day and hundreds who have heard of the performances declare that the next ceremonial at Amarillo by Khiva

will find them on the side lines for the fun.

The ceremonial was held at the Deandi theatre immediately following the parade of all the nobles. First Imperial Potentate Ellis Lewis Garretson of Tacoma, Wash., duly installed the divan of Khiva Temple and declared the new temple ready for work. He was assisted in this by Imperial Grand Marshal Frank C. Jones of Houston.

Potentate George Stapleton of Amarillo is a past potentate having last year served as Potentate of Moshlah Temple, Fort Worth.

The following is a list of the members of the Khiva Divan as installed:

Potentate—George Stapleton, Amarillo.

Chief Rabban—O. T. Nicholson, Shamrock.

Assistant Rabban—F. R. Jamison, Amarillo.

High Priest and Prophet—Roy W. Thompson, Dalhart.

Oriental Guide—Dr. A. J. Caldwell, Amarillo.

First Ceremonial Master—W. H. Bledsoe, Lubbock.

Second Ceremonial Master—F. S. Davis, Amarillo.

Marshal—Pink L. Parish, Crosbyton.

Capt. of the Guard—A. W. Ball, Amarillo.

Outer Guard—D. H. Arnold, Memphis.

Assistant Outer Guard—Lee Shropshire, Plainview.

Treasurer—S. J. Brown, Amarillo.

Recorder—D. R. Swift, Amarillo.

Four names of ceremonies of initiation put on by the Moshlah patrol, assisted by the Khiva patrol. Masens won't tell, you know, but Nobles and Novices alike are unanimous in declaring that the cash register clicked off seventy-five dollars worth of fun every few minutes today.

The ladies of the Nobles and Novices were taken in charge by a competent committee on their arrival in Amarillo and were royally entertained. They were driven over the city, were dined sumptuously and today Moshlah Suffice it to say that from the Clarendon point of view every candidate won even though he didn't get the ring.

Khiva's first ceremonial was a great success and Clarendon Shrine Club made a great impression there by the live-wire delegation which took part in the ceremonies, receiving the special commendation of Potentate George Stapleton. Another ceremonial is planned for November and the Clarendon Nobles are already making plans for a large delegation of Novices and hope to present another candidate for the ring, hoping for better luck in the next contest.

The Red Fez is the insignia of clean fun and to be a Shriner is to laugh.

### TRADES DAY SECOND MONDAY

The following prizes will be offered in Clarendon on trades day, next Monday:

\$12.50 riding bridle for the best saddle horse.

\$12.50 pair of work bridles for the best matched team.

\$5.00 cash for the worst mismatched team.

Sack of flour for the biggest family displayed.

\$5.00 cash for the winner of the fat man's race (must weigh 190 pounds).

\$2.00 cash for the winner of the boys sack race, not over 16 years of age.

\$5.00 cash for winners of men's tug-of-war, must be 5 men in each team. Will be five try-outs.

The auction sale is to begin at 2.30 in the afternoon.

The prizes will be awarded about four o'clock on Main street by judges selected from the crowd present at the time.

A BIG DAY.

Roy B. Mefferd, Sec'y, Chamber of Commerce.

### RUNAWAY CAR BURNS UP IN CANYON SOUTH OF TOWN

While out hunting Friday afternoon, Duke Connally left his Stutz touring car on the side hill near a canyon near the J. A. ranch headquarters. Soon after he heard a noise and spied his car making for the cliff, the brakes having given way. Run as he might, he just got near enough to see it land head on over fifty feet below. The gas tank exploded and the wreck took five. All that now remains of the artistic product of the car producer's skill is a frame and one wheel. We understand that some four thousand insurance will help to relieve the loss.

## Clarendon College Opens Next Tuesday Morning

Clarendon College will begin its twenty-fourth annual session Sept. 14th with the brightest prospects. Already the enrollment is larger than ever before. Conservative estimates place the total at five hundred.

To care for this student body, which represents the cream of the high schools of the Panhandle, time and expense has not been spared to provide a faculty to give the very best instruction. Men and women of national and state wide reputation are represented in the following list of teachers. The instruction open to students this year will be superior to that offered in most any of the larger colleges. The simple fact that the student will come into a personal contact which seldom happens in the larger schools.

President G. S. Slover, who for years has steered the fortunes of the college through the stormy waters of adversity until it today rides upon the calm sea of prosperity and wide recognition will have the following men to aid him in the work of the school:

S. H. Condon, Dean and Professor of History; H. T. Burton, Science; Miss Mamie McLean, English; Mr. R. E. White, Modern Languages;

Miss Mamie Howren, Latin and Dean of Women; Mr. Justin Anderson, Bible and Education; Mr. J. W. Taylor, Mathematics; Mr. H. C. Taylor, Director of Music; Miss Radie Britain, Piano and Organ; Miss Mabel Betts, Piano; Miss Eva Lee Gailey, Expression; Miss Mabel Koozt, Physical Culture; Mrs. S. Schulze, Voice; Miss Ornise Walker, Intermediate Department; Miss Watie Yauger, Primaries; Miss Moena Lane, Registrar and Secretary to Faculty; Miss Ruby Fincher, Domestic Science and Art.

This is the largest faculty the College has ever had and every member is a recognized authority in his or her special field. Miss Watie Yauger, who has just been selected that only a short time will lapse before the college will be given the ranking of Class A degree giving institution. To Clarendon this will mean more than oil wells or anything else.

Everything in the faculty has spent the summer in advanced study. Mr. Burton in the University of Texas doing special work in science. Miss McLean in the University of Chicago doing advance work in English. Miss Ruby Fincher in Colorado, Miss Taylor who will teach

mathematics, has summered in the mountains of Tennessee.

Mr. Howard Taylor the new music director, arrived this week and will live in the home previously occupied by Dr. Slover. Mr. Taylor is enthusiastic over the prospects and already we can predict the greatest year in Clarendon in a music way.

All members of the faculty will be here in time for the opening, September 14. The Committee on Classification and Examination will, of course, be in their places on the 11th and 13th. Miss Lane and Dean Condon have office hours every day from 9:00 to 11:00 and will be glad to see any student who desires to matriculate or arrange in any way for entrance.

If there are new students in town who come from unaffiliated schools, it would be well for them to see the above parties at their earliest convenience.

Everything is indicative of this being the greatest year in the history of Clarendon College. With the support that the town usually gives this success will be assured. Help make it so.

S. H. Condon, Dean.

## CLARENDON PUBLIC SCHOOL ANTICIPATES GREAT SESSION

In keeping with former announcements Clarendon Public Schools will open Monday, September 13th, with all vacancies filled and with bright prospects for the most successful year in the history of the school. The fact that we shall be able to start the new year with a full corps of competent teachers is a source of pride and congratulation when we consider that there is a shortage of teachers in this state running into the thousands, that a considerable number of small schools may not be able to open at all, and that even some of the largest schools in the state are reported as having from forty to sixty vacancies at this time.

The following is a list of the teachers for the coming year, together with the assignments that have been decided upon to date:

**High School**  
J. E. Nelson, Supt., Mathematics and Physics.  
K. C. East, Principal, Mathematics and General Science.  
Miss Lorine Scott, History.  
Miss Stella D. Warren, Latin.  
Miss Eula Jackson, Spanish.  
Miss Ruby Louise Harrison, Home Economics.

**Grades in High School Building**  
Mrs. K. C. East, History.  
Miss Nancy Chrisman, Science.  
Miss Ince Read, English.  
Miss Nancy Potter, Mathematics. These assignments are tentative and may be changed at the discretion of the superintendent and the Board. All of the assignments for teachers of Central Ward have not yet been decided upon. The teachers assigned to this building are as follows:

Miss Elizabeth Stevens, principal, Miss May Lumpkin, Miss Clara Chrisman, Miss Maud Shaw, Miss Mary Cooke, Miss Frances Cooke, Miss Foy Rogers.

Elsewhere in this issue will be found a statement giving information about our new teachers, where

they are from and who they are. On account of the fact that the auditorium of our high school is undergoing repairs and may not be ready for use when school opens a formal opening program may have to be dispensed with or postponed to a later date. However, there will be ample room and a warm welcome to all school patrons and citizens of Clarendon who will take the time to be present next Monday.

The addition to the high school faculty has enabled us to broaden and enrich the high school course of study so as to better meet the needs of the students. For instance, we will have, beginning this year, a four year course in Spanish, as well as a full science course. The Home Economics department will be open to all girls who want to take it unless it should be found that there are too many teachers. In case any must be barred from the course it will be those of the freshman class who will still have three years of their high school career in which to take work in this department. The courses in Home Economics given this year will consist of a course in domestic conditions. The following is a brief outline of the courses offered in the high school for the following school year:

The Classical or Latin Course: Prescribed—English 4 courses; History 3 courses; Mathematics 3 courses; Latin 4 courses; Electives 2 courses.  
The Spanish or Modern Language Course: Prescribed—English 4 courses; History 3 courses; Mathematics 3 courses; Spanish 4 courses; Electives—2 courses.  
Science Course: Prescribed—English 4 courses; History 3 courses; Mathematics 3 courses; Science 4 courses; Elective 2 courses.  
In any event sixteen full courses is required for graduation, and many

will be able to do two or three courses more than the number required. Freshmen should choose carefully, after advising with their parents and teachers, the course they expect to take. Changing from one course to another without good cause will be discouraged.

As has been previously announced the State Department of Education has recently granted us three additional units of affiliation, one in General Science, one in Biology, and the fourth unit in English. This gives the Clarendon high school eighteen units of affiliation with every first class university in the South.

The aim of the course in Domestic Art is to develop an appreciation of the artistic, hygienic and economic aspects of textiles and clothing, and to encourage the pupils to look out and beyond their own immediate desires for a wardrobe to their larger place in society as the consumers or investors of the family income.

The scope of work in Domestic Art is from the standpoint of selection and construction and involves the actual handling of the various textile fabrics.

The problems in this course will consist of the making:  
First—Simple undergarments, emphasizing simplicity in design, appropriateness in material and decoration.  
Second—Repair problems (mending, patching and darning).  
Third—A simple school dress of cotton material. A study will be made of the Art and Ethics of dress with special stress on appropriate clothes for the high school girl.

The course in Domestic Science will consist of the planning, cooking and serving of simple meals, with special reference to setting of table, care of dishes and silver and laundering of table linen.

Some time will be given to canning and other food preservation.

### Lad Is Seriously Injured on Main Street Tuesday

While crossing the street opposite the Cash & Carry grocery Tuesday afternoon, Claude, the twelve-year old son of Mr. and Mrs. A. D. Price who reside on the Bennett & Sims farm north of town, was run down by a car driven by R. S. Moss. The lad was dragged several feet over the brick pavement badly tearing the scalp loose from one side of his skull even to a portion of the ear. He was otherwise lacerated and bruised about the body. Hair and blood was strewn for several feet. The little fellow was picked up by bystanders and rushed to a surgeon after which he was taken to the Adair hospital for examination. Today he is reported as progressing very slowly, owing to the serious injury received to his head.

The injured boy was game when placed in the hands of the surgeon, he stopped crying and asked that some one phone his mother. He has kept up the same nerve all the time to the delight of his relatives, nurses, physician and others directly interested in him.

A collection was taken on the street by the city marshal soon after the accident to defray expenses as the parents are poor people. The public was glad to assist in every way possible and a neat sum was collected in a few minutes.

Mr. Moss was later arrested and placed under a five hundred dollar bond. No definite charge has been made owing to the absence of the county attorney. Mr. Moss is manager of the Clarendon battery and electric company, and with his fam-

### POND NEAR DEPOT WILL SOON BE NO MORE

Due to the persistent efforts of the mayor by threats of injunction and devious other methods covering a long period, the Denver road began to fill up the historic old lake bed south of the depot today. Barring the action with extreme alarm. Several carloads of cinders have already been dumped into the old eyecore already and more is on the road. When this nuisance is dispensed with some one may start a campaign to fill the general clean-up campaign may be started. If we are to come to the worse, the sooner we get over the final spasm the better. Some one has already announced that the school grounds are to be cleaned up during the first week of school, which is next week—after which the younger generation may expect the elders to take a hand in the matter and look after health conditions over the entire town.

### FIRST BAPTIST CHURCH

Preaching at the Baptist church Sunday morning, baptizing at 3 p. m. No services Sunday night on account of the revival at the tabernacle.

J. A. Smith, Pastor.

ily, has resided here about a year. Those who saw the accident differ as to the cause. Some claim the autoist was going too fast to stop. Others claim that he could not avoid the accident. Mr. Moss, we understand, states that his brakes would not work, otherwise he could have stopped in time to avoid the accident. At any rate, speeding by those habitually inclined, has stopped on the principal street at least.

### Constant Light Service Is Very Greatly Appreciated

There is always a reward to the long-suffering. That reward came to the citizens of Clarendon the past week when the local light plant put into operation the new engine. We now enjoy a full twenty-four hour light service for the first time in many, many months. No more will sleepy heads guide erring feet into furniture in the dark hours of midnight while on a still hunt for the old-fashioned candle. No more will the family cat elude the head of the house in his last efforts to perform his nightly chores by hiding in dark corners where the rays of a bygone relic do not penetrate. No more will the respectable citizen be forced to stay at home nights for fear of falling into the gaping mouth of an open ditch covered with a mantle of darkness. Verily great things happen once in a while to cheer the weary journey of finicky men even though they may have spent much of his life in darkness.

Seriously speaking, the service is getting in good shape. P. T. Sealey, general manager for the company and S. R. Bertron, receiver for the company, were here Friday on a tour of inspection. Both men are favorably impressed with the situation. Further improvements will be made as material arrives. District manager Frank Houston of Memphis, has been here several days to assist local manager C. C. Cope and his force in getting matters in shape.

The Presbyterian Ladies' Aid will meet next Wednesday at the home of Mrs. R. S. Morris at 3 p. m.

## DONLEY COUNTY LIVESTOCK AND AGRICULTURAL EXHIBIT BEGINS FRIDAY, SEPT. 17--CLOSES 18

### ONE WEEK UNTIL DONLEY COUNTY'S BIG FAIR OPENS IN THIS CITY—ALL PLANS SHAPING UP NICELY FOR MOST SUCCESSFUL EVENT AND EXHIBITS UNSURPASSED IN TEXAS.

### OUR NEW TEACHERS WHERE THEY ARE FROM AND WHO THEY ARE

The Clarendon public schools are fortunate in being able to fill the vacancies caused by resignations in last year's teaching force with teachers of experience and scholarship. In the high school faculty for the coming year every teacher has not less than three years of university training, and five have degrees from a first class university or the equivalent of a degree.

Miss Stella D. Warren of Dublin, Texas, our Latin teacher, is a graduate of the Dublin high school and has a B. A. degree from the university of Texas. An examination of her record in the university shows that she was far above the average in scholarship, her grades being practically all A's and B's with the former predominating. Her record in Latin is especially brilliant, and her record in home economics being scarcely less so.

Miss Eula Jackson, of Houston, Texas, our Spanish teacher, is a graduate of the Houston high school and has had three years of training in Baylor university at Waco, in which institution she ranks as a senior. Miss Jackson has credit for eight courses in Spanish in Baylor, speaks the language fluently, and is reported by her Spanish teacher as being "the best in the class."

Miss Jackson has taught during the last two years in the Houston high school, where she secured three units of affiliation in Spanish. We are fortunate in securing a teacher for the Spanish with Miss Jackson's training in the subject coupled with the ability to speak the language fluently.

Miss Ruby Louise Harrison, of Franklin, Texas, our home economics teacher, is a graduate of a first class high school and received her training in home economics in Southwest Texas State Normal at San Marcos, Texas. The San Marcos Normal is rated by the State department of education as being one of the strongest schools in the state in this line of work, eclipsing even our College of Industrial Arts at Denton. Miss Harrison was recommended to us as being the strongest student in the entire department this summer, and enjoys the distinction of making the only excellent grade in her class in practice teaching.

Miss Clara Vance Chrisman is a graduate of a good high school, holds a first grade teacher's certificate, and has had two years' training in North Texas State Normal at Denton. Miss Chrisman has had four years' experience as a teacher, two of which were spent in the Childrens public schools under Mr. B. M. Harrison as superintendent, who speaks very highly of her work.

Miss Ince Read of Blum, Texas, is a graduate of Cleburne high school also of North Texas State Normal at Denton, and holds a permanent certificate. Miss Read has had several years of successful experience in graded city schools, having taught in one of our adjoining counties, having been rated by the county superintendent of the county as one of his very best teachers.

Miss Nan Chrisman, of Blum, Texas, holds a first grade teacher's certificate, has had successful experience, having taught in our neighboring town of Wellington, and the past year in Victoria public school. Miss Chrisman comes highly recommended by Judge C. O. Small, of Wellington, Mr. L. F. Sheffy of West Texas Normal, and Mr. V. L. Griffin, superintendent of Victoria city schools.

Miss Nancy Mary Potter of Clarendon, Texas, is a graduate of Tulsa high school, has attended Northwest Texas State Normal at Canyon, and has had successful experience as a teacher. Last year Miss Potter taught in an accredited high school in Oklahoma, and was inducted to teach in our intermediate grades largely because she can do very best teachers.

Miss Foy Rogers of Memphis, Tex. is a graduate of a first class high school, also of the Northwest Texas State Normal, and holds a permanent teacher's certificate. Miss Rogers even the teaching record mentioned in the Normal which teaching given under expert supervision is rated as being worth three times the same experience without the supervision.

All in all, we believe we have a faculty that will compare favorably with that of any other school in this part of the State, and we are looking forward to the coming year's proving the most successful in the history of Clarendon public schools.

Mrs. Katherine Lively who has been in California this summer with relatives, will stop a few days in Clarendon on her way to Houston to visit with Mrs. W. A. Allen and Mrs. Tom Carhart.

Things are being put in shape rapidly now for the Fair on the 17th and 18th of September, which is next Friday and Saturday.

E. W. Grogan is superintendent of the agricultural department.

The agricultural exhibits will be held in the new Buick Garage instead of in the new tabernacle like we thought last week. When it became known that the Fair department would not get the tabernacle without conflicting with the progress of the Methodist meeting which started Tuesday night, it became necessary for the department to find another location for this department.

Several places were considered and the new Buick Garage was selected as the most suitable for the purpose. Mr. Caraway very accommodatingly told us that he would move his cars out and let us have a part of his show rooms for some of the exhibits and Mr. Albert O. Walker, who owns and operates the Highway Filling Station in the front end of the garage, told us that he would move all of his complete line of accessories, tubes, tires, oils, etc., so that we could have the most of that space.

This settles the location of the agricultural department. You are urged to come in and get entry blanks and fill them out immediately so that you will be assured of space for your exhibit. There have been several exhibits already entered and space reserved for them, in the bunch there are four county exhibits, each competing for first prize. Get busy in your community and get your community exhibit ready and by so doing you can at the same time enter each article as an individual exhibit if you care to do so. We are very anxious to have several good entries from single farms.

Bring in anything that you have grown on the farm. It makes no difference what it is just so it is good stuff. Bring it in and help to make the Fair a credit to you and Donley county. The Fair is for the development of Donley county and if you don't do your part you will not be helping any and will deprive some of the people of Donley county from seeing the things that grow in your section.

The boys feed clubs will also be shown in this department and Mr. Bert Ayers will have charge.

**Livestock Department**  
W. T. McBride—Hog Department.  
Will Lott—Horse and Cattle Department.

Paul Shelton—Poultry Dept.  
J. C. Finley—Pet Stock Department.

W. L. Butler—Pig Clubs.  
T. L. Naylor—Poultry Clubs.

All of these departments will be shown in the new Will Lott barn and yards. Each man will have charge of the department above indicated and if you have anything to show in any of these departments you are requested to take the matter up directly with the superintendent indicated or come directly to the secretary of the Chamber of Commerce. All live stock should be brought in Thursday evening and no later than 9 o'clock Friday morning. Remember that you are to look after your own stock and that you are to prepare the pens, etc., for them. A big part of the space is being reserved and it is expected to have it all reserved by Monday night, so if you want to show your stuff you had better get busy and get your application in for space. We will provide space alright for anything that you may want to bring in but it will not be in the barn and will not be protected from the weather.

**Woman's Department**  
Mrs. W. H. Martin—Superintendent-in-charge.  
Mrs. John T. Sims—Cooking and Household Department.  
Mrs. Odos Caraway—Textile Department.  
Mrs. Joe E. Humphreys—Canning and Preserving Department.  
Miss Myrtle Houk—Fine Arts Department.  
Mrs. E. D. Martin—Baby Show.  
Mr. W. E. Bray—Old Relic Department.

The exhibits in this department will probably be shown in the Y. M. C. A. building (if it is near enough completed by that time) and you are urged to get busy on these exhibits and get ready for them.

In the household and cooking department will be shown all classes of cooking, all special household features, such as iceless refrigerators, fireless cookers, special milk coolers, home made articles that are useful in making up the fixtures of a modern home.

In the textile department will be all kinds of sewing, quilting, patching and all kinds of fancy work.

In the canning and preserving department there will be all kinds of canned products, preserves, pickles, etc., that have been canned by women of any age.

Get this in shape so that you can bring them in Thursday evening or Friday morning, not later than 9 o'clock.

Any information in the canning club line can be secured from Mrs. Ida Childwood, phone 51-5 rings and if you have any question along this line you are invited to take it up with her immediately.

## Delicious Drinks

Our pure ice cream and real fruit flavors make the refreshments that you get at our fountain really nourishing food. And we try to keep our serving dishes and receptacles as clean and wholesome as the best housewife in this town keeps her kitchen.

STOP IN HERE

And get a thirst-quencher; then take a pail of cream home to the family.

Foreign Advertising Representative THE AMERICAN PRESS ASSOCIATION

Those who were in Amarillo last Thursday whether as participants or spectators, of the Khiva Shrine's initial ceremonial, will agree that the installation of the new temple in Amarillo is without doubt an epoch in the progress of the entire Panhandle. One hundred years from 1920 historians will be able in some measure to calculate the mighty advantages of the Shrine Temple for the Panhandle, but not until the end of time and the scrolls are opened will the full effects for good be known. Khiva Temple is not merely an Amarillo institution, but belongs to every part of the Panhandle and every part of the Panhandle has had worthy part in her making. May Khiva Temple prosper beyond all expectations and may thousands of weary sons of the desert find rest and recreation in her hospitable precincts.

With no view whatever of anything except returning thanks where thanks are certainly due, The News editor makes mention of a quite unexpected pleasure which was his at the last meeting of the Clarendon Shrine Club when he was pre-

sented with a diamond set Shrine pin by that body of splendid citizens and trustworthy friends. While the gift itself is worth pointed mention, yet, the spirit that prompted it comes over us with such power that we can never quite command just the words in which to express suitable response of gratitude. Thanks, Nobles, and when the editor of The News can serve you only a breath of the desire will be necessary to bring it to pass.

School-time is here again, and parents are beginning to witness the joy with which the little folks hail the first few days of the fall session. Clarendon has been fortunate in her schools of former days, but as her institutions are going forward this year with such strides of progress it is well that we consider what the charge means and that we gird ourselves to make the most of the additional facilities and advantages that we now have offered us. Let us remember that the best results can only come by a full co-operation with the authorities of the schools and that we are personally responsible for our part of the total co-operation of the town. Schools and churches of the last bulwarks of liberty and civilization not to mention righteousness. When we fail in them we fail utterly.

The primary has come and gone and again the state is settling down to the easy job of returning the greatest Democratic majority ever polled in Texas in the fall elections. Mr. Neff was elected by so large a majority that few will have the temerity or spleen to try in any manner to rob him of the full fruits of his victory. The News did not believe that he was the best man for the chief executive of Texas but our judgment has been so outweighed that we unhesitatingly accept the verdict and will support Mr. Neff with the true Democratic spirit. There is no bitterness left from the campaign insofar as we know and the best interests of the party and good government are served only by a united support for the nominees. The News hopes Mr. Neff will surprise his most unrelenting critics by making the best governor Texas has had since Jim Hogg.

Several days ago the daily press reports carried announcement of Ex-Senator Bailey's plans to move to Dallas, where he will open offices for the practice of law. He will have associated with himself and his son, Hon. Luther Nichols, who managed his recent campaign for the governorship. This move on the part of Mr. Bailey is not to the liking of his enemies who predicted that he would quit Texas, but the unbiased will agree that his coming to Texas permanently is no common acquisition from a legal standpoint. Many of the opponents of Candidate Bailey will have lots of use for Hon. Jos. Bailey, attorney-at-law.

The News is placed in a peculiar position. We have always tried to support our newspaper brethren for whatever political preferment they sought, even though we derided their judgment in being thus beguiled by the gods of fame. Now comes Bro. L. P. Loomis of the Canadian Record, who has been nominated as Republican candidate for congress from this district, and for the first time in our history we find that we cannot support a brother Panhandle pen pusher. The silver lining to this cloud is that Bro. Loomis does not expect our support and does not expect to be elected. The Republicans showed good judgment at that.

The election is over, and Pat M. Neff is governor by possibly a 100,000 majority. The campaign in the run-off was a lively one, with the victory on the side of the Waco man. The writer was not a Neff man, on the other hand we voted for Bailey. Neff is our governor. Neff will be elected this fall. The writer is a democrat, we are all democrats. We will gladly vote for Mr. Neff in the general election. In addition to this we will as a writer and a citizen assist Mr. Neff in making a good governor. We hope and see no reason why he should not have a creditable administration. This is and has always been our course in politics. When an election is over we are for the nominee. Some of our warmest personal and political friends are those today who we opposed the hardest in their first election. We point to Congressman Marvin Jones. Our actions in the future in aiding Mr. Neff in making a good governor will be without hope of reward or favor. We are not in politics so far as asking political favors from this or that man. So in conclusion let us all forget past political differences, make a few more dollars for ourselves, and aid in building Lockney and Floyd county.—Lockney Beacon.

### A PARODY

The following parody by the New York Sun, although probably inspired as a piece of sarcasm, has the sordid ring of pessimism and carries with it a tinge of the modern psychological trend of thought: "Strike and the world strikes with you work and you work alone; our souls are ablaze with a Bolshevik craze, the wildest that ever was known. Groan and there'll be a chorus, smile and you make no hit; for we've grown long hair and we preach despair, and show you a daily fit. Spend and the gang will cheer you, give and you have no friend; for we throw our bucks to the birds and ducks, and borrow from all who'll lend. Knock and you'll be a winner, boost and you'll be a frost; for the old ways of the pre-war days are now from the program lost. Strike and the world strikes with you, work and you work alone; for we'd rather yell and raise blue hell than strive for an honest bone. Rant and you are a leader, toil and you are a nut; 'twas a bitter day when we pulled away from the old-time work-day rut. Wait and there'll be a blow-up, watch and you'll see a slump, and the fads and crimes of these crazy times will go to the nation's dump."

### A BIG DOUGHNUT

Many Graham people and visitors saw the largest doughnut Tuesday that was ever seen in Graham. Mention is made elsewhere in The Leader of the doughnut being pushed around the square Tuesday by Messrs. Goldwater and Joe Johnson as a result of having lost a wager on the recent governor's race. Both of these gentlemen were Bailey supporters and as Bailey lost they pushed the doughnut around the square in a wheel barrow that had been artistically decorated by the management of the Mecca Cafe. The doughnut was made by the Mecca Cafe and was almost three feet in circumference. They have an experienced baker who can make anything in the baking line as was demonstrated by the doughnut. The Leader does not know what became of the monstrous doughnut but it is reported that some of Neff's supporters secured possession of it and used it the following day with "Neff sauce" as a desert.—Graham Leader.

### CHAMBERLAIN NEWS

Several from this place attended the baptizing at Clarendon Sunday. Mr. Schur's father, mother and sister of Vernon have been visiting him. Mr. A. V. Neely and wife leave Tuesday night for Erath county. Mr. Niemschick and family returned Friday from Lee county where they have been visiting relatives for the last six weeks. Mrs. Huffstutler's sister from east Texas is visiting her. School will not start here till the first of November. Mr. Joe Rackley and wife left Wednesday night for Dublin, Tex., where they will make their home.

### IS IT NECESSARY TO KEEP DRUG STORES OPEN ON SUNDAY?

J. W. Collins, proprietor of the Collins Drug Store, Fifth and Polk Streets, thinks it pays to close his drug store on Sundays. His volume of business would indicate to the casual observer, that he is getting his share, to say the least.

When Mr. Collins was asked about his reasons for closing his store on Sunday when practically every other drug store in the United States is open, he said he did not care to advertise the matter, but he admitted that during the six years he has owned the store here and has enforced this rule, he has not regretted it.

He said he was not prepared to say whether his Sunday closing rule paid him in dollars and cents, but he was apparently little concerned about that. He declared he thought dry goods stores or any other store had as much right to remain open as he did. The reason he closes is because of the Biblical injunction, "Remember the Sabbath day to keep it Holy."

"I find that my soda fountain men and clerks are more efficient when they have one day of rest," said Mr. Collins. He declared one of the main reasons of his belief in Sunday closing was because his employees needed a day of rest, "and my clerks appreciate their day off," he added.

Three prescription clerks work in shifts of four hours each on Sunday, as medicine sales are necessary at all times and can not be delayed, the proprietor said. The shift system avoids working a hardship on any one man.—Amarillo Tribune.

### TWO SOBBING GIRLS CHARGE AN ATTEMPT AT KIDNAPING

Two girls Monday night came sobbing to the police station and still unable to speak coherently from their fright stammered out that they had been taken out on a country road by four young men, in an automobile and had escaped by the appearance of two other automobiles.

The police account of the affair was that the two girls, starting home from the circus, saw a car standing near, and asked if it were a service car. When they received an affirmative answer, they got into the automobile, but instead of driving them home, the chauffeur drove the car out toward the country. Four men were in the automobile.

When the girls saw that they were being deceived, they jumped out of the machine at a point near the city limits. They hailed a passing automobile, according to the police story, and the rescue car was about to drive off with the girls, when some of the men, two of them were alleged to have been armed, ran in front of it and began shooting. Another automobile approached, and the two girls sought refuge in it, when part of the four men are alleged to have held this machine up. The last car, however, escaped and brought the girls to the police station, where they told their story.

Police hurried to the scene of the alleged hold-up of the automobiles and arrested the four men. Two of them, on whom no guns were found, were fined in police court Tuesday morning when they pleaded guilty to a charge of disturbing the peace. The two, who were alleged by the officers to have had guns, were turned over to the county.—Amarillo Tribune.

### ASHTOLA LOCALS

The Baptist revival began here last Wednesday night with a large attendance. Rev. Baker, the missionary, is doing the preaching. Mrs. Love and children of Lovington, N. M., are visiting her sister, Mrs. J. F. Scarborough, of this place. Mr. and Mrs. Willard Doome of Hedley are assisting in the singing during the Baptist meeting. Jean Hester and wife of Sunny View visited the latter's parents, Mr. and Mrs. N. L. Jones, Saturday night and Sunday.

Mrs. N. L. Jones returned home Wednesday of last week from an extended visit in Chattanooga, Tenn. Tom Majors made a business visit to Amarillo Monday. Miss Jessie O'Neil was the guest of Miss Floy Johnson Sunday. Mr. and Mrs. Delbert, Sam and Miss Ruth Majors of Goodnight visited with A. D. Majors and family Saturday night and Sunday. Dick O'Neil and wife visited with Mr. and Mrs. Frank O'Neil of Goodnight Sunday. Mrs. Jack Hutson was operated on for appendicitis Friday night at the Adair Hospital and is improving rapidly.

### MARTIN NEWS

Mr. T. A. Pool and son, Buster, went to Amarillo Thursday to see about Buster's eye. Joe Cannon spent the day with Oswald and Lee Jones Friday. Mrs. S. J. May and children visited relatives in Chamberlain and Lelia from Friday until Monday. There was a social at Mr. J. T. Bain Saturday night and everybody reported a nice time. Mr. and Mrs. Lloyd Moreland and Willie Moreland visited in the home of J. F. Cannon Monday. Mr. and Mrs. Conda Jones is visiting their daughter, Mrs. Claud Primrose. Another big rain Saturday night and Sunday. No Sunday school Sunday on account of so many attending the services at Clarendon Sunday afternoon. Mr. and Mrs. Robert Rondel, and Mr. and Mrs. Sam Billingsby, Lee and Oswald Jones, visited in the home of J. F. Cannon Sunday afternoon. Mr. and Mrs. M. W. Mosley and children visited in Hedley from last Wednesday until Saturday.

### BOX FOR ORPHANAGE

In sorting over your clothing, kindly remember that we are to send a box of clothing to Buckner's orphanage. Anything you know suitable, should be left at either Baldwin's dry goods store or at Taylor's hardware store. Please give this matter your prompt attention. —Baptist Ladies Auxiliary. 39c

## Insurance and Farm Loans

—Our insurance facilities are adequate and our service is of the best. We insure everything and in reliable Old Line Companies.

—We can also get that Farm Loan for you just as quickly, and on as good terms, as anyone. Let us serve you in this business.

A big day

### ARTIST SERIES AND LYCEUM

It is time for Clarendon to begin thinking of important dates. Besides the Indoor Chautauqua to be held this winter, there will be nine artist numbers held this winter in Clarendon. This means an expenditure of \$2200. The very best talent in music that can be obtained has been secured. The first number comes September 20th. Season tickets for both Lyceum and Artist courses will be on sale soon. No one can afford to miss these because men and women of national and international reputation and fame will perform for us. Clarendon will indeed become and serve the title music center of the Panhandle. Watch for the dates!

Some good farms to trade for city property. J. C. Harris. 361f

### YOUNG MAN

### YOUNG WOMAN

Are you going to College this Fall?

Then you will be interested in a school that offers the following advantages:

1. A standard four years' college curriculum leading to a Bachelor's degree, and specially equipped to offer advanced instruction in Agriculture, Art, Expression, and Music in addition to the usual college courses.
2. A faculty of fifty "hand picked" specialists in the various fields of learning.
3. A department of Music unexcelled in the whole Southwest, giving private instruction in voice, piano, string instruments, band and orchestra besides instruction in public school music.
4. A department of Expression that takes rank with the best in the country.
5. A Department of Agriculture equipped with splendid laboratories and sufficient land for work in horticulture and stock farming. We have a herd of high bred dairy cows, a few fine hogs, and a poultry yard.
6. A school plant that represents the last word in school architecture, consisting of an Administration Building, a Dormitory for Girls, an Infirmary, a metal shop for Manual Training, and heating plant, conservatively valued at \$1,250,000 and easily surpassing all other institutions with in three hundred miles.
7. A Dormitory for women that has every modern convenience at a minimum of expense, under the directions of as fine Christian influence as can be found anywhere.
8. A Kindergarten in charge of trained experts, used as a demonstration school for kindergarten teachers.
9. A common school of nine grades under expert instructors used as a demonstration school for grade and high school teachers.
10. A Manual Training Department that offers courses in all forms of wood and metal work and printing.
11. A Director of Athletics and Physical Education for both men and women and the very best equipment for these departments including a beautiful indoor swimming pool, shower baths, an unexcelled gymnasium, six tennis courts, a base ball and football field, a race track, etc.
12. A library of 10,000 volumes unexcelled in quality, administered by trained librarians.
13. The religious life of the school is distinctly invigorating. Devotional exercises are held daily for the entire student body. The Y. W. C. A. maintains a paid secretary who gives general direction to Christian activities. In addition, the Baptist and Methodist Churches will have paid secretaries here during the coming session.
14. Expenses very low—no tuition (except for private instruction) free text books, cheap board.

There is no need for the young people in the Panhandle and Plains to go away from this section for college advantages, when all of the above unexcelled facilities are to be found in The West Texas State Normal College, Canyon, Texas.

J. A. Hill, President.

We offer you—

## QUALITY GROCERIES

—all the time.

It means economy, satisfaction, good living for you to buy such goods.

In making our purchases our immediate profit is not considered—it is your welfare and, as a result, your permanent trade.

We are consistent, therefore, in requesting your business.

## Since We Are Using a Little More Effort To Serve You

It is perfectly natural that we should use a little more space to call your attention to it.

The Bon Ton Confectionery has always been regarded as the best of its kind in Clarendon and measuring way up on the standard for the entire Panhandle.

That didn't just happen so—it is because we seriously try to make it so.

Trade with us and enjoy giving up your money—for you get value, quality and service.

## Bon Ton Confectionery

THE STATE OF TEXAS: County of Donley:—

In the District Court of Donley County, Texas.—N. C. Duggins, plaintiff vs. Earl Fuller et al., defendants.

Whereas, by virtue of an execution and order of sale issued out of the District Court of Donley County, Texas, on a judgment rendered in said court on the 28th day of July, A. D. 1920, in favor of the said N. C. Duggins, and against the said Earl Fuller, H. R. King, E. F. Lyle and W. C. Lyle, No. 10888 on the docket of said court, I did on the 7th day of September, 1920, at 10 o'clock A. M., levy upon and parcel of land situated in the county of Donley, State of Texas, belonging to the said H. R. King, to-wit: All the Northwest one-fourth of section 65 block 21 certificate number 11-2186, abstract number 1147 H. & G. N. Ry. Co., and on the 5th day of October, 1920, being the first Tuesday in said month, between the hours of 10 o'clock A. M. and four o'clock P. M. on said day at the court house door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said B. F. Lyle, H. R. King, B. F. Lyle and W. C. Lyle in and to said property.

Dated at Clarendon, Texas, this 7th day of September, 1920.

J. H. Rutherford, Sheriff Donley County, Texas.

## Little Life Lines

We said once: "Give the kids a chance; let them feel some responsibility around home."

But the idea now is this: Do you feel any responsibility toward the all round development of the child in your home?

Do you think it means anything to the boy to teach him how to work? Will it mean anything to him later in life? Aren't you just allowing him to grow up to think that the world owes him a living and the world will come to him to serve him? If so, you are not meeting your responsibility.

We saw a boy the other day cleaning a small part of a yard in which to play. The next day, that boy's mother was cutting weeds in the rest of the yard to clean it up.

Law and order in the home, means law and order in the state when the child becomes actively engaged in citizenship.

And the reverse is true.

What does it mean to you?

### NO TRAPPING

Positively no trapping in any of the JA pastures. If you want to avoid prosecution, observe the above J. W. Kent, Superintendent.

## LOCAL & PERSONAL

T. J. Allen spent the past week at Texico on a business mission.

Mrs. Bettie Shaw visited relatives in Canyon the last of the week.

R. F. Smith of Claude was in town Wednesday on personal business.

Rev. L. A. Reavis has moved his folks to town for the benefit of the schools.

Whit Carhart and family visited in town the first of the week from the JA ranch.

Mrs. R. C. Bills of Jacksonville, Florida, is a guest of Mrs. J. D. Baird of this city.

Homer Ellis of Lelia Lake has accepted a position with the Farmers State bank in this city.

Ben Lovell of Honey Grove is visiting the family of his uncle, S. H. Lovell in this city.

J. M. Erwin is relief operator at the Pertico station up the Denver beginning his labors Monday.

Oran Speer of Alvord, Texas, was here for a couple of days the fore part of the week looking around a bit.

B. H. Ellison of Altoona, Alabama, spent a few days in the city the past week a guest of J. Cobb Harris.

Mrs. C. H. Hill of Aspermont, Texas, is a guest in the home of her brother, P. O. McEwing, for a few days.

I. S. Mullins and family, formerly a merchant of Alvord, has moved to Clarendon and will enter business here.

H. G. Bailey of Denver, Colorado, interested in local property in our city, visited friends here the first of the week.

L. McMillan returned from a trip to the Sudan country the first of the week reporting plenty of rain all the way down.

Miss Grace Tyree will have charge of the 7th grade in the Quannah public school this term. She left for that place the last of the week.

Cleveland Hayter, formerly a merchant of Conway, has moved to this city and formed a partnership with Dubbs brothers realty company.

W. W. Crawford made a trip to Seagraves the last of the week being forced to leave his car and return by rail owing to a deluge that fell in the Lubbock country.

H. F. Fite of Wellington, H. V. Walls of near Shamrock and U. V. Dudley of Texola, came over in a jitney—nothing else would have made it over the mud—Monday looking around for a number of farms to supply their needs.

J. F. Fish, E. F. Cotrell, H. N. Marr and F. C. Smith, all of near Chickasha, Oklahoma, were numbered among the new men in our town the first of the week. All were looking for a location and seemed well pleased with the way the country and crops looked.

Hugh Ross and mother returned to their home at Dalhart the last of the week after a visit with the lady's parents and Lee Morrison's family here.

Fred Lowe, who makes his home in Chicago, is here for a visit with his parents, Mr. and Mrs. W. T. Lowe, and other relatives, he having arrived Monday.

Mrs. A. A. Tufts who has been visiting with Mrs. I. W. Carhart at the JA ranch for the past several days, returned Saturday to her home at Camden, Arkansas.

Mr. and Mrs. J. E. Nelson and babe returned home Friday. They spent the summer in Austin where the parents were doing special school work in the state university.

Mrs. W. O. Bower and three children returned to Arlington, Texas, this week after spending several days at the home of the lady's parents, Mr. and Mrs. W. T. Lowe in this city.

W. S. Hearne, prominent farmer of the Brice country reports entirely too much rain down his way. Crops are being damaged and roads destroyed by the constant repetition of deluges.

The folks are invited to an all-day singing at the Goldston school house the 4th Sunday in this month. There will be plenty to eat and plenty of singing as they never do things by halves out there.

Work on the public road west of town has been somewhat delayed by the many big rains of the past week. The work is being done by the citizens of the community under the direction of A. J. Sibley.

Miss Hollie Bryan and sister, Mrs. Edith Cameron, left Saturday for a visit with friends and relatives at Dallas. Later Mrs. Cameron will go on to Boston for a musical course while Miss Hollie will enter some school in Dallas.

Misses Novie and Roberta Robinson of Farmer, Texas, were guests at the McDonald home Saturday and Sunday, going on to Canyon for the institute Monday. The young ladies will teach at Sudan during the next term.

The boiler for the twenty thousand dollar heating plant of the college arrived Saturday. Work is being rushed with all possible speed that everything may be in readiness before the arrival of cold weather.

The largest enrollment in the history of the college is the result of patient effort for the year 1920.

Miss Christine Chitwood returned home the last of the week from a lengthy visit with an aunt at Merced, California. While there the aunt planned many interesting trips for the young lady among those were included a trip to the Yosemite valley and its many interesting places in particular Bridal Veil falls, also trips to Los Angeles, San Francisco and a steamer trip. The visit was indeed valuable both from an educational and health standpoint.

Like all the folks young and old, she was loath to return home and a multitude of studies awaiting her attention.

## CHURCH HIGHLY PLEASED WITH REVIVAL

The First Church of Christ closed their revival Thursday night, Sept. 2. Everyone is of one mind that this was the greatest revival in the history of the church. 37 were added to the church. This is not the largest number of additions in any meeting, but the unity and spirit of the church is the best in its history. And, with the new building finished and their new wide awake pastor they are happy and contemplating great things for the future.

Their building when finished, with its large basement full size of upper floor will furnish ample room for Sunday school and other class work and will be the most modern and up-to-date church building in Donley county.

Evangelist Strong and Miss Wofford have but few equals in their line of work in the ministry. Miss Wofford's songs are spiritual and inspiring. You seldom find a preacher of any rank, or faith that has as broad and deep knowledge of the Bible as Bro. Strong, or one who can tell it more lovingly.

The church by a standing vote gave them a call for a meeting next August, which was accepted.

## THE PRESBYTERIAN CHURCH "This May Be Your Church"

You members of the church are urged as hosts to be present at all services of the church.

Others are invited as guests to attend the hours of worship and work, when they think well to do so.

Services next Sabbath morning and evening hours:

At 9:45 the Sunday School meets. At 11 o'clock, the morning worship. Subject of sermon by the pastor: "Service More Than Necessity."

At 7 o'clock, the evening service.

Henry Ward Beecher once said: "I tell you the inside is larger than the outside. The loom is more than the fabric. The thinker is more than the building."

### NOTICE!

School books are sold for cash only. Please do not ask us to vary from this rule, for the margin of profit on text books is so small that we can not afford to carry book accounts.

Stocking's Drug Store.

The business of one of Clarendon's citizens is moving him to another place and he will have to sell his new bungalow, plastered, five rooms, bath, breakfast room, nice shade, sidewalks to town, and conveniently located to schools, churches, and business part of town. N. N. Martin & Son considers this their best bargain, priced at \$5,800, on reasonable terms.

## Groceries and Feed

If that is what you want we have it in great variety. Can sell you hay cheaper than anybody. We try to keep a better variety of good things to eat than the other fellow and it is generally supposed that if you cannot find what you want here that it is almost useless to look for it elsewhere. It is our aim to keep the nicest cleanest and most up-to-date place possible, and how well we are doing this we would like for you to come in and see.

### FOR SALE

4000 acres land in Cottle county, 20 miles from Paducah and about 25 miles from Childress, on Pease River.

325 acres in cultivation; a house and some other improvements besides good fences.

The river valley land would raise alfalfa, is worth \$100 per acre, the grazing land is worth \$15. Inquire of Robert Turner, Clarendon, Texas.

Tung-Sol vacuum electric light globes are the best for the home or office. They give more light for less money and are guaranteed for an average life of 1000 burning hours. For sale at Stocking's Drug Store.

If you want to buy plains land, we have it. Our Mr. Hayter comes from the Plains with some of the best bargains to be had in unimproved land, farms and ranches. See us before you buy. DUBBS-HAYTER LAND COMPANY.

### FINAL MAJORITY

FOR NEFF 79,373

Dallas, Sept. 6.—A final majority of 79,373 votes for Neff over Bailey in the Democratic run-off primary Aug. 28 is indicated by a combination of official returns received by the state Democratic executive committee from 173 counties and the unofficial returns received by the Texas election bureau on all but four of the remaining seventy-two counties. Four counties held no elections and neither the state committee nor the bureau has heard from four counties: Crockett, Jeff Davis, McMullen and Starr. These probably held no elections.

Totals of the state committee compiled by A. S. Moody of Houston, its secretary, show the following results in the three state races: Governor, Neff 202,696, Bailey 142,377; Lieutenant governor, Davidson 170,727, Johnson 147,880; supreme court Pierson 179,882, Hawkins 132,561.

Use Tung-Sol electric light globes. They give more light for less money. Stocking's Store sells them.

# The Most Complete Stock

Of "the better class" of dry goods and ladies' ready-to-wear we have ever shown. We wish we had time to tell you all the good things we have here ready for your inspection and purchase. Our buyer visited the wonderful style show at St. Louis, said to be thirty-five thousand people in attendance, and in this was shown the pretty Fall and Winter styles, materials and colors. It was a great show. When you purchase a garment of us you may be sure the style is correct—and experience has taught you the material is right and last but not least the is always right.

Call on us for School Dresses, Sweaters, Middies, Suits, and Shoes for the Girls.

Call on us for Boys' Clothing. The right posture kind approved of by the right posture league of America.

Our stock of men and boys' caps are unsurpassed. To see them means to buy them.

Men's Clothing and Furnishings. The greatest we have ever shown.

The most complete stock of shoes ever shown—

STACY ADAMS  
M. N. ARNOLD  
ROBERTS, JOHNSON & RAND

With each pair school shoes sold we give good rubberized school boy tablet and pencil. Start to school properly shod with Roberts, Johnson & Rand all-leather shoes. They cost less per month, fit better and appear neater and wear MUCH longer.

We are so busy receiving, marking and placing goods we can't tell you more this time. Yours for a fair deal.

## AN OLD-TIME REVIVAL OF RELIGION

We closed last Sunday night one of the best revival meetings with the First Baptist church in Clarendon, Texas, that it has been my privilege to attend in a long time.

We had some of the very best singing to be had at all. Both Prof. Davis, and the home talent, were at their best. One could feel the presence of the spirit of God with the first song. Those who prayed, seem to talk face to face with God. The Spirit came in great measure upon the people. Sinners were deeply convicted. Church members who had grown cold were stirred. There seemed to be a general uplift all through the meeting. The rainy weather hindered greatly. But in spite of the rain, the people came. In the three weeks we never lost one service. They came in the rain, they came through the mud, they came. All seem to have had a mind to work. We all felt the need of a revival. We worked, we prayed, and God heard us and gave us a great meeting. 37 were received for baptism, 23 by letter. We closed out Sunday night. During the service an awful looking cloud came up, many left, but many stayed, and we had a bright young girl to surrender to Christ and united with the church.

We had one of the most beautiful baptizings Sunday afternoon that I ever saw. It was my pleasure to bury with Christ 29 converts. The best behavior I most ever saw. Perfect quiet prevailed. It was indeed a solemn scene. Our church is on higher ground. We are profoundly grateful to Almighty God for His power upon us. We are grateful to the Christian people of other faiths for their hearty co-operation in the meeting.

The people did the right thing in a financial way for Bro. Davis. I was delighted with the offering, \$350, that was fine. It puts the people of our city on the map as they ought to be. We are a great people in many ways. The brethren slipped up on the blind side of the pastor and started a free will offering Sunday night. I did not know that it was coming. I feel that I do not merit it. I owed it to my church and the community to do my best. I know and my Father knows, that I did that. The joy that was mine as I witnessed seeing the lost saved said me for all that I did. I have not the words to express my heart's deepest gratitude to the good people of this community for their loyalty to me and the cause of my Master. I am not prepared to say just what the free will offering will be, but I know that it will be far above what I merit.

I feel as did Paul. I thank God and take courage. I hope to be able to give better service in the days to come.

I am praying for a better city religiously. Let's all put ourselves to the wheel religiously and by God's help make Clarendon what she ought to be.

Your friend and brother,  
J. A. SMITH.

## ERROR IN REPORT

Through some mistake in reporting that the Chamber of Commerce would soon move to the Y. M. C. building "for an indefinite period," it was the intention of the report to read so that it would be clear that the Chamber of Commerce office would remain in the Y. M. C. A. temporarily and only until the regular Y. M. C. A. secretary can be secured.

A ranch-sized home in town is going to be sold at once. We are striving to advertise our real bargains, and we are certain that this satisfies those specifications. Six 1/2 rooms, bath, two large porches, shade, and fruit trees, well, windmill, tank, barn, and other improvements, and then 12 lots with all that. The owner has plans directed elsewhere and is placing this on sale at \$6,500.  
—N. N. Martin & Son.

Mr. and Mrs. T. L. Smith and little tot, Nelva Ree, are perfecting plans to leave Saturday for Washington, D. C., via Hupmobile by way of St. Louis, Indianapolis, and Washington, Pa., if they can succeed in convincing the weather man into closing the sky's flood-gates before that date.

Come in and look over the list of new Columbia records and hear them played.

Peoples Pharmacy. Come to Clarendon next Friday and Saturday.

## METHODIST REVIVAL AT TABERNACLE BEGAN TUES- DAY NIGHT—GOOD CROWDS

As previously announced the Methodist revival began Tuesday night at the tabernacle near the grammar school, with Evangelist A. C. Fisher in charge. According to the pastor, Rev. C. N. N. Ferguson, Rev. Fisher is one of the most successful evangelists in the southwest and his work is of the sort that scorps clap-trap methods and demands old-time conversion in the old time way. Rev. Fisher is accompanied by his wife, who is pianist for his meetings and who is also a very fine singer. His leader in song is Mr. McClasky, whose leadership and solo ability has already won him the respect of those who have been in attendance.

Two services are held daily. The morning service is held at eight o'clock, while the evening hour is seven o'clock.

Already large interest is being manifested and the pastor and officials of the church express themselves as being optimistic over the prospects of a community-wide revival which will help every Christian and bring salvation to hundreds of the unsaved.

# Smart Ready-to-Wear for Fall Wear

Our showing of Fall Garments for school is unsurpassed. We are showing all that is new in dresses, suits, coats, sweaters, petticoats, waists, gloves, corsets and underwear. Before purchasing be sure and see our line. Our low prices will be an agreeable surprise to you.

## LOCAL & PERSONAL

Bob Lynch of Claude was in town Wednesday visiting relatives.

J. G. Wears of King's Mill was in town on a business mission Wednesday.

C. E. Parsley of King's Mill was in town over Wednesday on personal business.

Robert Mooney of Hereford visited with Jack Hutson here the first of the week.

Miss Exa Harvey left Tuesday to spend the winter with relatives at Gilmer, Texas.

Mrs. Bob Lynch of Claude, is visiting with her parents, Mr. and Mrs. O. D. Leisberg.

Newt Whipple joined his family here the first of the week for a visit with his parents.

R. H. Beville, county attorney, is attending the state democratic convention at Dallas this week.

Tom Connally, Jr., left Monday to matriculate at the New Mexico military institute at Roswell.

T. M. Little, who has been spending a vacation in Batsie Creek for several days, is expected home the last of the week.

Mrs. Jack Hutson was operated on for appendicitis the last of the week at the local hospital and is now doing nicely.

Jim Harris of McLean has purchased the home of Rev. H. G. Finley and has already moved his family over for the benefit of our good schools.

A. J. Sibley raised a fine crop of a new variety of water melons this season. They have the sun, moon and stars on the rind and the quality is said to be first-class.

Bunk Ozier will become a student at the Wentworth military academy at Lexington, Missouri, he having laid his plans to leave here Saturday of this week.

Durwood Skelton suffered a mishap at the ball game last week that kept him in the bed for several days due to the ball striking him over the right eye. He is able to be up and around again.

Joe Kelley of Cleburne came in Wednesday for a visit with relatives and friends here. Joe moved away from here seven years ago and of course, hardly knew the old burg when he got back.

R. J. Crow, general auditor for the Shamburger lumber interests, who has been in charge of the local yard during the absence of Mr. Wilson, returned to headquarters at Wichita Falls Wednesday.

Mrs. J. H. Watta is visiting her son, H. Bascom, at Lockney, expecting to be away for several days. She has been having some trouble with her teeth for some time and is not as well as usual.

Robert Wilson, local manager for the Shamburger lumber company of this city, returned from Vernon Wednesday. Mrs. Wilson accompanied him on the return trip. They will begin housekeeping now to be numbered among our best citizens.

Bob Baird, who punches cattle on the J. A's, happened to a series of accidents during the week. While branding calves he had a finger almost jerked off by a rope, later was badly bitten by a calf. Nor was this all. He now has a large carbuncle on his face to keep the other miseries company.

Charley Speed is home again after being detained at Ft. Worth for nearly a month due to the illness of his wife, who underwent a successful operation at that place some three weeks ago. Her many friends will be glad to know that she is able to be out of the hospital and on the road to a rapid recovery at this time. She will not be brought home for several days yet.

J. Ray Hollen, formerly of this city and who has been making his home at Amarillo for the past several weeks, has returned here with his family to make this his home. He has accepted a position with the T. M. Little boot shop. Mr. Hollen, in co-operation with a Mr. Walker of Amarillo, recently established the first home for homeless children in that city. After the matter was well under way and working successfully, Mr. Hollen turned the work over to his co-laborer. The home is now in a thrifty condition and is a home to many waifs on the plains.

### IS YOUR CAR INSURED?

The new Stutz car belonging to Mr. Duke Connally was insured by us when purchased some two months ago. Thursday, September 2nd, this car went off an embankment and caught fire and burned and on Sept. 7th, just five days after his loss was adjusted and he was paid \$3,800.00.

This accident could just as easily have happened to your car and what would be your financial embarrassment if you had no protection in the way of insurance. We write all branches of insurance upon every kind of property, everywhere. May we serve you with similar service? Very truly,  
A. M. Beville & Sons.

Use Tung-Sol electric light globes. They give more light for less money. Stocking's Store sells them.

## Don't Miss the Donley County Fair

Make your plans now to come to the Donley County Fair at Clarendon on September 17 and 18. It's going to be a great show. You can count on that. While the farmers and stockmen are showing their exhibits, we merchants will be "doing our bit." There will be lots going on here and something that will interest everyone of you.

We will have on display one of the best stocks of fine clothes and high grade merchandise in the Panhandle. These goods were manufactured expressly for us by the best manufacturers in America and you'll surely want to see them. Plenty of "thoroughbreds" in every department.

See our windows this week for the new Fall Styles in Men's Fine Shoes, Edwin Clapp's, Bion F. Reynolds and Walk-overs, \$5.00 to \$20.00.

### GOLDSTON ITEMS

We are having rain and more rain and the heaviest rain of the season fell Monday night.

Sunday school was well attended Sunday evening, but had no prayer meeting Sunday night on account of the rain.

Neely Hudson, who has been working on the Ward ranch for several weeks, returned home last week.

Mrs. Grant and daughter, Nina, who have been visiting at Bowie and Montague for the past two weeks, returned home last Saturday.

We are to have an all-day singing here the fourth Sunday of this month.

Mr. Skelton who is putting in a wheat crop on the plains near Groom, came home Sunday.

J. M. Shannon who is building a house at Jericho for Frank Hermes-meyer, was visiting home folks Saturday and Sunday.

Bob Surgery of Happy is visiting his sister, Mrs. Neely Veagy and family. Mrs. Veagy will return home with him.

Rev. Oller the new keeper of Clarendon Country Club, moved in last week.

Tung-Sol vacuum electric light globes are the best for the home or office. They give more light for less money and are guaranteed for an average life of 1000 burning hours. For sale at Stocking's Drug Store.

### FROM THE PEACE OFFICERS' VIEWPOINT

Our last grand jury romped on the peace officers of Donley county and says they are not doing their duty.

I want to say in justice to the peace officers that they are ready and willing at all times to enforce the law. But they cannot be everywhere at all times. They also say that gambling has reached its climax in Donley county, but I contend that we have one of the cleanest counties in Northwest Texas.

I find by talking to other peace officers that conditions are a great deal worse with them than with us. I think the late war is responsible for the present moral condition and we should all co-operate with each other to better conditions.

Dr. Slover says every good citizen should co-operate with the officers. We appreciate the sentiment of the Doctor very much, but what we want is co-operation and not talk after the guilty parties are gone. We are at your service day or night. Command us.

Very truly,  
J. H. RUTHERFORD,  
Sheriff Donley County.

My lands in Briscoe county, known as Sink Lake and Timber Lake pastures are posted according to law and any hunting or trespassing will be vigorously prosecuted. M. E. Bell

### WILD WEST STUFF WILL BE PULLED ON FAIR DAY

Arrangements have been made for some old time bronc peeling during the Fair that will remind old timers of their boyhood days and the younger generation of the days of real sport. Boys will be on hand to ride who can stay on anything with hair on it without pulling leather. In fact, to ride a Mexican lion and whip it with a rattlesnake will be tame as compared to what will be pulled off in this particular line. In addition to the broncho exhibit, there will be many races of cow ponies that have a record on their home ranch. There is always one best on each ranch and that one best from the several ranches will be on hand for this grand occasion. Don't fail to see this part of the program.

### MISS HOUK'S STUDIO OPENS NEXT MONDAY

This is to notify all old patrons and prospective patrons that I will open my studio in the basement of the high school building next Monday for the teaching of music and expression. Music will also include stringed instruments. My class will be overflowing so you are urged to enroll early if you intend to study with me.

Sincerely,  
Miss Myrta Houk. 37c

## Make Money

We have an expert car painter with us now. Make more money by having your car repainted before selling it. Have it repainted for your own pleasure.

We build tops and do upholstering of the same quality to be had in any city. Call and inspect our work and see for yourself. Shop east side of court house, Clarendon.

**Jack Rutherford**

## The Vogue

### How Many Miles From a Cord Tire?

Men are everywhere telling remarkable tales about mileage from Miller Cords.

But remember that mileage varies with conditions. Size and load, road and care affect it.

One man who has sold and watched many thousand Miller Tires says this:

"I find that Millers excel other tires in service from 50 per cent to 75 per cent."

The Hudson Taxi Co. of Detroit reports a 15,000-mile average on rather heavy taxis.

**Tread Patented**  
Center tread smooth with suction cup, for firm hold on wet asphalt. Geared to the road side tread mesh like cogs in dirt.

### Let's settle this right now!

No man ever smoked a better cigarette than Camel!

You'll find Camels unequalled by any cigarette in the world at any price because Camels combine every feature that can make a cigarette supreme!

Camels expert blend of choice Turkish and choice Domestic tobaccos puts Camels in a class by themselves. Their smoothness will appeal to you, and permit you to smoke liberally without tiring your taste!

Camels leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

You'll prefer Camels blend to either kind of tobacco smoked straight!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes for 20 cents, or ten packages of 100 cigarettes in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply when you travel.

R. J. Reynolds Tobacco Co., Winston-Salem, N. C.

### GLOWING WORDS SPOKEN FOR DONLEY COUNTY AND CLARENDON BY JOHN COOKE

John Esten Cooke, editor of the Rockdale Reporter, who visited here a few days ago, comes out in his paper with some reminiscences and words of praise for Donley County and Clarendon, which The News is glad to present to our readers. John is one of those fellows who are always blind to the faults of his friends and open in his advocacy of those whom he holds in the inner circle of friendship. Therefore we may overlook his all too-kind reference to the News editor.

Read the article:  
The Editor Abroad  
The editor of the Reporter returned last Friday from a ten-days vacation spent with friends and relatives in our old home town of the Texas Panhandle—Clarendon. Ordinarily our comings and goings are not considered of sufficient importance to be brought into prominence, but conditions as we found them in that portion of the state are so unusually fine and the country so prosperous that we deem it worthy of mention.

We were a citizen of Clarendon for the ten year period of 1899-1909, publishing a paper continuously, and attempting to do our bit for the advancement of Clarendon, Donley county and the Panhandle in general. We located there when land was selling for \$1 per acre, and when we left there we sold a section of land eight miles from Clarendon for \$80 per acre. We were informed that that same section had since been sold for \$80 per acre. That indicates better than we can tell it how Donley county has developed during the twelve years since we left there. Where the white faced Hereford cattle roamed now are broad fields of cotton, kafir and maize, while the cowboy's camp and the "nestler's" shack have given way to comfortable farm homes, surrounded by shade trees, orchards, gardens and fields. The transition from pastures to field has been wonderful in its completeness, and the success of the farmer has been just as wonderful and just as complete. Donley county lies right at the foot of the plains and claims (justly, we believe) the most regular seasons of any county in the state. During all these years that farming has been under way the county has never known a crop failure and we talked to one old time friend, who told us that he had been farming there for twenty-nine years and had never had to borrow a dollar of money or a "turn" of cotton. Crop conditions this year are even finer than usual and the biggest cotton crop in the history of the county is to be gathered. Crops are later out there, of course, and cotton picking will not start for several weeks yet. The boll weevil and other pests are unknown to that climate, and the only drawback to cotton farming is the shortness of the season, only frost generally catching many bolls unopened. However, these unopened bolls are gathered and ginned, the cotton so secured being called "bollies," and selling, of course, for a lower price.

Of course there is a lot of rough land, unsuited for farming, so the country will always have its cattle industry as well as its farms. The cattle are not all gone, by any means, and certain sections of the county will always be valuable chiefly for pasturage. But generally speaking, the day of the cattelman has passed and the day of the farmer has arrived.

The city of Clarendon has kept pace with the growing and development of its surrounding territory. Had we been transported suddenly into the center of the town we would have had difficulty in recognizing it. It has apparently doubled in both population and business interests since we left there. The business district has discarded its beautiful trees, once the pride of the Panhandle, and in lieu thereof now points with pride to its modern paved thoroughfares. Probably no town in the Panhandle has made such progress in home building as Clarendon, and it is inspiring to see the hundreds of new and beautiful residences and to note the pride and care that is devoted to beautifying same. We were sorry to note that the town has not kept pace with its development, as evidenced by the wretched condition of the streets in the residence sections of the city. However, a two-bit tax cannot be made to cover all the expenses of a Panhandle city any more than it can be done down here in Central Texas.

Clarendon is the home of Clarendon College, a junior college under the jurisdiction of the M. E. church. During our citizenship there this college was struggling for life. It is now recognized as one of the best schools in the state, with handsome and commodious buildings the pride of not only Clarendon but the entire Panhandle country. Clarendon has also erected a new high school building in recent years—probably the handsomest building of its kind between Wichita Falls and Amarillo.

Among its other improvements we should not fail to mention Clarendon's newspaper—The Clarendon News. This paper is a successor to the paper we published there twelve years ago, and we are free to admit that it is a worthy successor in every respect. Editor Sam M. Braswell fits into the general scheme of things in the city just as an editor should fit. He has one of the best equipped printing plants in the state for towns of his class—much better than the average—and is publishing a paper head and shoulders above the average. His paper is appreciated, too, and that he is making money is evidenced by the fact that he has been able to take two vacations this summer. We are glad to note that he is appreciative of his patronage and is working hard to show appreciation. He is a young man of unusual energy and ability, and is so recognized by the craft all over the State, being prominent in the affairs of the State Press Association. Clarendon is fortunate in having Sam Braswell, and is doing well to give him a handsome support.

We enjoyed every hour of our ten-day visit in the old home town, and we were made to realize as

### HOGS AND LAMBS HIGHER; CATTLE STEADY

Kansas City Stock Yards, Sept. 8th, 1920.—Cattle receipts today were about the same as a week ago, and the advance that occurred late last week put grass steers in about the same position as a week ago, and fed steers highly higher. Today's market was steady at that level. Hog prices came in for a quarter advance, top \$15.60, pigs sold up to \$13.90, or 15 cents above the extreme top paid last week.

Today's Receipts  
Receipts today were 24,000 cattle, 6000 hogs, and 12,000 sheep, compared with 24,000 cattle, 8000 hogs, and 8000 sheep a week ago, and 28,500 cattle, 10,300 hogs, and 25,000 sheep a year ago.

Beef Cattle  
Good to choice cattle held fully steady today at the advance reported late last week, and the medium to common kinds were weak. Chicago quoted a 35 to 50 cent decline, on all classes, except grain fed steers. Here fed cattle were lacking and killers are using best grasses and wintered steers to meet the demand for beef. Some short fed steers sold up to \$15.50, and wintered steers up to \$14.75. The best heavy grassers brought \$13.75 and bulk of grass fat steers \$9.00 to \$12.25. Cows and heifers were stronger in spots, though most sales were no more than steady. Veal calves were fully steady.

Stockers and Feeders  
Demand for stockers and feeders was fairly active at steady to strong prices. The better grades showed most of the strength. Receipts were liberal. Last week more than 19,000 cattle went back to country points and indications are that shipments this week will be larger than last week.

Hogs  
Hog prices today came in for a 25 cent advance and the market is 60 to 70 cents above the low point last Wednesday. The top price today was \$15.60, and bulk of sales \$14.00 to \$15.50. Pigs were 15 cents higher, top \$15.25. Stock and feeding grades were in active demand.

Sheep and Lambs  
Lambs in some cases today were 15 cents higher, and sheep generally steady. Trade ruled active. Fat Western lambs sold up to \$13.90, or 15 cents above last week's top, and the highest price paid in August. Ewes sold up to \$7.00, and wethers \$25.25. Feeding lambs are quoted at \$9.00 to \$12.50.

Horses and Mules  
Demand for horses and mules is increasing and likewise the supply. Prices are holding steady. Buyers want fat grades. Thin out of condition grades should be held off the market.

CHARLES M. PIPKIN,  
Market Correspondent.

### FURTHER INFORMATION ON ADVANCED RATES

Referring to our item in last issue having reference to the general advances in rates in and between the various territories, including the 33-1-3 per cent advance allowed by the Railroad Commission of Texas on local Texas traffic, effective August 26th.

On this intrastate traffic the Railroad Commission of Texas has authorized a general advance of 33-1-3 per cent in the rates on all classes and commodities, without prejudice of course to any shipper's right to bring before the Commission the question of readjusting his rates upon any particular commodity which might be entitled to a lower rate.

The railroads will apply this 33-1-3 per cent advance made by the State Commission on such commodities as they admit the Texas Commission has jurisdiction over, only, on all classes and on all those commodities which were involved in the Shreveport case. (In Texas Lines' Tariff 2-E) the railroads will apply between Texas points the 35 per cent advance allowed by the Interstate Commerce Commission on traffic between Shreveport and Texas because they claim that, as a practical matter, the Interstate Commerce Commission has jurisdiction over those rates.

The Texas lines have already appealed to the Interstate Commerce Commission for authority to advance some commodities 35 per cent instead of 33-1-3 per cent on the ground of discrimination. It may be several months before the Interstate Commerce Commission decides the question but until it is decided the railroads will apply the 33-1-3 per cent advance made by the Texas Commission as stated above on those particular commodities which were left out of the Interstate Commerce Commission's Shreveport order.

The Texas Railroad Commission claims that the carriers have no right under the law to apply a greater advance than 33-1-3 per cent on any class or commodity traffic moving wholly within Texas. We are not advised as to just what steps the State authorities will take to prevent the Texas Railroads from adding more than 33-1-3 per cent to the rates on any traffic moving between Texas points.

We will be glad to secure full information for our members as to the advances which have been duly authorized and as to the advances which will be applied upon any specific commodities.

Roy B. Mefford,  
Sec'y. Chamber of Commerce

FOR SALE  
Registered Big Bone Poland China hogs. Pure blood, good type. Both sexes. Weight about one hundred pounds. H. A. Ferguson, Amarillo, Texas, R. I. Box 37A.

Rhode Island Red eggs for fall hatching. No better blood in America. Phone 113.

never before that we indeed had some strong friends there. Our money was "counterfeit" on every occasion where we attempted to spend it, and we were given to understand that we were a guest in every sense of the word. We will treasure forever the friendships made in Clarendon and Donley county during our residence there. Some of the best people on God's green footstool live there and we are proud to have once been a citizen with them and will ever cherish their memory.

## You Must

Buy groceries. The next question is, where shall I buy them? There must be a reason for our constantly growing business. We try to merit the trade given us by buying at the right time and at the right price to meet the demands of our trade.

Some groceries are cheaper now than in the past. Many of them are no higher. We buy in large quantities so that we can make a price that will please you and at the same time help reduce the high cost of living.

If you are not now a customer, give us a trial and find out for yourself.

BUSIEST and BIGGEST

## Fall Time is Here

Take a tumble this fall time to look at the many beautiful samples in our fall style books.

We are proud to show you the many new styles and weaves shown by America's leading spinners. The time to look at them is now before some of the patterns are sold out.

The well groomed man always takes precedence over the other fellow. The successful business men of this or any other town are neatest dressed fellows you happen to meet. Think it over.

Our cleaning and pressing department is better equipped than ever to serve you on short notice. We have added new machinery this week and more is to follow next week.

Let us know your wants. We have the only real tailor in the Panhandle of Texas. Alterations made as well as suits made to order right here.

## The Peltzel Tailoring Co.

Phone No. 372

Located To The Rear of Y. M. C. A. Building

Would you be interested in immediate possession of a new five-room bungalow, breakfast, and bath, garage, nicely located for college and public schools, and only three blocks from downtown? Priced at \$6,000.  
—N. N. Martin & Son. tf

# Opportunity

Your greatest opportunity is now. Never in history were farm products so valuable. So valuable that Bankers, Lawyers, Doctors, Merchants and every business man wants a farm. That is easy—when farms can be bought with small cash payments and long deferred payments with low rate of interest, they pay for themselves, and land is the safest investment to be made, and yet, enhancing in value every day.

We say to the man with small means as well as to the man with dollars: Don't delay in buying land, buy more land, the sure and safe way of prosperity and happiness.

We have some splendid bargains in both small and large tracts of land and can arrange the cash payment to suit and the balance will be easy.

If you want a home in Clarendon, we can please you. It is always a pleasure for us to show you.

## Dubbs-Hayter Land Company

W. F. Dubbs      S. S. Dubbs      Cleveland Hayter

Gasoline—In California 27 Cents; In Texas 37 Cents—Why?

The shortage of gasoline, that great moving force of modern civilization, from which California has been suffering, these many months, has been heralded far and wide by the newspaper press of the country. The public has been told, too, of the shipping of great quantities of gasoline from Texas and Oklahoma to the Pacific coast state in order that trucks and automobiles might be operated.

What is not so generally known is that the gasoline shipped from Texas and Oklahoma is selling in Los Angeles and other California cities at from 23 to 27 cents a gallon, while at the same time gasoline is selling in Texas at from 33 to 37 cents a gallon.

The question arises: "How is it possible to pay the freight on gasoline from Fort Worth or Tulsa to the gasoline users of the Pacific coast and sell it to them at 10 cents a gallon less than is charged the consumers of gasoline in the state where the valuable and necessary volatile is produced in such quantities that it forms one of the great factors in the export trade of the state?"

Are the producers or dealers in gasoline charging the retailers doing business in the state of Texas more for their supplies than they charge the retailers of California or is the very evident profiteering being done by the Texas refiners and retailers?

That the charge for gasoline in cities like El Paso, Fort Worth, Dallas or Amarillo might be higher than in the rural district could be attributable to the cost of maintaining the very ornate and very expensive filling stations found in those cities. But, that has nothing to do with the subject under discussion. Elaborate and expensive filling stations are maintained in California cities also.

The big fact is that there seems to be a differential of 10 cents a gallon on gasoline in favor of California which imports its gasoline as against Texas which produces it.

It has been suggested that the Clarendon Chamber of Commerce set on foot an inquiry as to the seeming discrimination against Texas users of gasoline and that the West Texas Chamber of Commerce with its well organized machinery, be asked to join with Clarendon in arranging for the probe which will determine whether Texas users of gasoline are being gouged or California dealers in the commodity are selling at a loss.

Roy B. Mefford, Sec'y.

### WHAT ABOUT YOUR INSURANCE

What about the insurance which you buy and pay for and carry up on your property?

Do you look at your policies and see if they cover upon the property just as you want it to do, is the total concurrent amount right, the location, the expiration, and many other details that might be vital to you if you had a loss?

We try to make our insurance contracts clear and definite between the company and the assured before the loss so that there will be no question after the loss.

In 31 years in Clarendon this agency has paid out a HALF MILLION dollars in losses and never a policy contested or compromised. At the present prices of materials, labor, merchandise, and fixtures could you any way near replace with your present insurance? May we serve you?

Beville & Sons.  
—A. M. Beville & Sons.

### NOTICE!

Stocking's Drug Store.

### NEFF IS GRATEFUL FOR FRIENDS' AID IN LATE CAMPAIGN

Waco, Aug. 31.—Pat M. Neff, who spent Sunday with his family and with his mother, near McGregor, was in his office early yesterday morning and late in the afternoon dictated the following statement for the press:

"I return from Saturday's primary as now sufficient to insure my nomination as a candidate for Governor of Texas on the Democratic ticket. Words are inadequate to express my sincere appreciation for the confidence reposed on and in the high honor bestowed upon me by my friends and fellow Democrats.

"In the files of my office are the names of more than 3,300 personal friends who have been untiring workers in my behalf and with whom I have had many correspondence during the campaign. There is perhaps a greater number than this who have been equally as active for me with whom I have not had the pleasure of a personal acquaintance and with a number of women I have had no correspondence.

"Never has anyone had truer or more loyal personal and political friends than mine have proven themselves to be in this campaign. To them I give credit for the success of this campaign for, indeed, no man in a political battle ever had better or truer friends than those who won this victory. As the ocean shell holds forever the ocean song it gathered during its habitat in the sea, so the pulsing chamber of my heart would be resonant forever with a song of gratitude and appreciation for my friends who during all this campaign have aided me with their counsel and backed me with untiring work. I wish that I might take each friend by the hand today and express personally, as best I could, my appreciation for their faithfulness and to them I represent. I have received since Saturday night nearly a thousand telegrams and letters of congratulations and good wishes. I cannot just now personally answer all these and, therefore, I desire through the press not only to acknowledge receipt of these messages of congratulations and good will, but to thank sincerely my host of friends throughout the State for their kind words, their counsel, their help and their confidence. To each and all who stood by me and for me during this historic campaign I am and shall forever be debtor in the coin of sincerest appreciation."

NOTICE OF SHERIFF'S SALE OF REAL ESTATE

By virtue of a certain order of sale issued out of the Honorable District Court of Donley County, Texas, on the 7th day of September, 1920, directed and delivered to me, I have levied upon the following described real estate in Donley County, Texas, and will offer the same for public outcry in front of the Court House door in Donley County, Texas, on the first Tuesday in October, 1920, same being the 5th day of October, 1920, between the hours of ten o'clock A. M. and four o'clock P. M., to the highest bidder for cash for the purpose of paying the amount of a certain judgment and costs of suit rendered and entered on the 27th day of July, 1920, in the District Court of Donley County, Texas, in Cause No. 1653, in favor of Western Cattle Loan Company to L. F. Gregory, for the principal sum of \$2709.49, with interest thereon at the rate of eight per cent per annum from July 27, 1920, and costs of suit, said real estate being described as follows, to-wit:

The West half and the Southeast quarter (W. 1-2 and S. E. 1-4) of survey No. 14, Block C-7, Abstract No. 1489, Certificate 2-248, containing 480 acres of land, more or less; said judgment being the foreclosure of an attachment lien dated December, 1919.

Witness my hand this 7th day of September, 1920.

J. H. Rutherford, Sheriff, Donley County, Tex.

AMARILLO MAN IS REFEREE IN HARD BADGER BATTLE

R. L. O'Brien, of Amarillo, traveling salesman for the Certainteed Products Co., is receiving the congratulations of his numerous friends in this community for the cool and business-like way in which he handled a difficult situation at Hereford Wednesday afternoon.

Mr. O'Brien for the first time acted as "third man in the ring" in the fiercest badger fight ever pulled off here, and acquitted himself in a manner that speaks volumes for his presence of mind and resourcefulness. The fight was staged at the Rockwell Bros. & Co. lumber yard in the presence of a large and appreciative audience. The badger, an unusually big and ferocious brute, offered a problem that would have stumped a less versatile man than Mr. O'Brien, but the man who sells goods on the road is usually equal to any emergency and Mr. O'Brien expertly and safely cajoled the animal from his cage. The dog was simply massacred.

Mr. O'Brien's workman-like and efficient services were the wonder and delight of the crowd.—Hereford Brand.

### ONE OF CLARENDON'S VERY BEST HOMES TO BE SOLD AT SACRIFICE

House has five large rooms, hall extra nice bath, and a large screened back porch.

Place has abundant shade and fruit trees, fine well, good windmill and large tank, barn and chicken house. The improvements alone can not be built for \$10,000.00. The owner has interest elsewhere. Place will be sold at a sacrifice. A rare bargain at \$7,500.00.

Joe M. Warren & Son.

### DONLEY COUNTY EXHIBIT AT FAIRS

Under the auspices of the Clarendon Chamber of Commerce Donley county will have exhibits at the different State Fairs over the United States.

Exhibits have already been sent to the Illinois State Fair at Springfield, Ill., where it was shown from August 20th to 28th.

Exhibits have been sent to the Ohio State Fair at Columbus, Ohio, to be shown from August 30th to September 4th.

The exhibit will be shown in the Indiana State Fair at Indianapolis, Indiana, from September 6th to 11th.

We will also have exhibits at the following places:

Tennessee State Fair, Nashville, Tenn., September 20th to 25th.  
Chattanooga Interstate Fair, Chattanooga, Tenn., Oct. 2nd to 9th.

Southeastern Fair Association, Atlanta, Ga., Oct. 16th to 26th.  
Mississippi State Fair Association, Jackson, Miss., Oct. 18th to 23rd.

Louisiana State Fair, Shreveport, La., Oct. 28th to Nov. 7th.  
The Dallas State Fair, Dallas, Texas, Oct. 9th to 24th.

The Cotton Palace, Waco, Texas, Oct. 30th to Nov. 14th.

The exhibits will be made up of representative products of Donley county and will consist of a great variety of farm, garden and orchard products.

You are asked to lend your influence in getting these exhibits.  
Roy B. Mefferd, Sec'y.

### J. P. MANLY

J. P. Manly was born at Bellville, Austin County, Texas, in 1862, and was married to Miss Elizabeth A. Lee in 1883, and resided there until 1895. At that time with his family, he moved to Abilene, Texas, where he lived nine years. From there he moved to Donley county, where he resided until his death, Aug. 18. There were born to this union seven children, six of whom are living. Claude C. Manly, of Milwaukee, Wis., J. P. Manly, Jr., of Post, Texas, W. J. Manly, of Ft. Worth, Mrs. C. Daughtry of Fort Worth, Mrs. H. K. Leathers of Lelia Lake and Virginia Manly. Mr. Manly was seriously sick several days before he died. All that loving hands and medical skill could do was done but God saw best to take him home where there is no parting and the weary ones are at rest. His friends were numbered by all that knew him.

### RED CROSS NEWS

The Executive Committee of the local chapter met in a called session on Monday afternoon to make plans for the coming of the public health nurse on the 15th of the month. The directors of the new "Y" building have very generously agreed that her office may be in the building for the present. This will be a splendid location for her to begin her work. For the present at least, she will be located in the B. B. Hudgins' home where we hope our people may learn to know her. A Ford coupe has been ordered for her use and ere long we trust she may be in touch with every community in the county. A wonderful field of usefulness is open to a public health nurse and we bespeak for her the heartiest co-operation of our people.

### SATURDAY MARKET

The Methodist ladies are having a Saturday market at Kerbow's store each Saturday afternoon. They are selling all sorts of delectable things to eat—nice young chickens just ready to put in the frying pan, lovely home-made bread, pies that will make you hungry to look at them, and cakes so toothsome that an epicure would be pleased. In addition to these, delightful chow chow, pickles, canned fruits, vegetables and melons may be found—a real feast of good things. Remember all these things in making your Sunday dinner plans. Come early and avoid the rush.

FOR SALE—Lots 6 and 7 in block 67. Write or phone Mrs. Tom Carhart, Denver Hotel. 37p

BOARD AND ROOMS—At first house east of Baptist church. Phone 255. 37tfc

Where are you going Sept. 17th and 18th?

Come to Clarendon, Sept. 17th and 18th.

List your crops, city property and farms with J. C. Harris if you want them sold. 36tf

For sale, some good crops with chance to rent good farm another year. J. C. Harris. 36tf

Miss Lucile Martin has been visiting with friends and acquaintances in Amarillo this week.

Miss Maude Shaw and brother, Leslie Shaw, arrived home from a trip to California the last of the week. Both report a delightful trip and much sight seeing.

Dick Beatte, late of Woodward, Oklahoma, and a painter for over thirty years, is now painting cars at the Jack Rutherford car top shop. They turn out some nifty jobs over there these days, too.

Tung-Sol vacuum electric light globes are the best for the home or office. They give more light for less money and are guaranteed for an average life of 1000 burning hours. For sale at Stocking's Drug Store.

The Santa Fe has granted special low rates to the Northwest Texas Fair to be held in Plainview Sept. 27 to October 1, inclusive. Clarendon people may get the benefit of these low rates from Amarillo and attend the fair at but little cost as all exhibits and attractions will be free.

Eight hundred dollars in cash prizes are being offered in the wheat show alone and it is expected that many Donley county wheat raisers for the best bushel of winter wheat, will enter for the \$200.00 cash prize the \$100.00 first prize for the best winter wheat combined with the best yield per acre and the \$100.00 for the best bushel of winter wheat. The total of \$8,000.00 offered in the agricultural department should bring many good farm exhibits from Donley and surrounding counties.

It is expected that several of the prominent Donley county hog raisers will enter in the official Poland China and Duroc Jersey shows.

The Northwest Texas Fair will spend \$17,000.00 for free attractions, automobile races, and the wild west round-up and race meet. The F. M. Barnes headline attractions will furnish fifteen free acts daily. These attractions go direct from Plainview to the Dallas Fair.

There will be a tractor show covering three blocks, a big automobile show, a better baby conference and exhibits by the army and navy, the Red Cross, A. and M. College and dozens of factories.

A representative of the fair will be in Clarendon next week. Premium lists may now be secured from E. B. Miller, Secretary, Plainview, Texas.

## Attention Please

We wish to call your attention to the fact that theres never been a good invention but what has had a bunch of knockers. They said the auto an dfflyng machine would never be a success. And numerous other good things that are a blessing to the world today. We have had this class of wise guys and they will be here until the end of the world. The Lord only knows where they will go then. We are offering you a cushion that takes the place of air in your auto casing. Has been thoroughly tested and proven to be a success. Rides as easy as air and not rim cut or blow out. Doubles the wear of your casings. Yet there are knockers. We ask that you be fair with us nnd find out if they are not selling inner tubes or repairing and patching your blowed out tubes and casings. There is not a man in Clarendon or Donley County that has ever used this tube or one like it until we placed it here. When they tell you that they have used them and they are not a success, they are very much mistaken in the tube and they are trying to do us an injustice and are just plain ordinary liars. We ask you to try our cushions at our risk. If they are not what we claim, come back and we will take them back and refund your money.
