

TEXAS GRAIN PRODUCTS COMPANY SECURE LOCATION FOR MILL AND ELEVATOR IN CLARENDON

FEEB CRUSHING AND CORN MILL TO BE BUILT HERE WILL HAVE DAILY CAPACITY OF ONE HUNDRED TONS. LOCATED NEAR STOCK PENS IN EAST SECTION OF CLARENDON

Farmers of this section are rejoicing over the prospects of a better market for their feed stuff. Through the efforts of the local Chamber of Commerce, the Texas Grain Products Company has been induced to locate a plant at this point.

PRESIDENT A. L. CHASE AND SECRETARY MEFFERD OFF FOR VERNON TODAY

President A. L. Chase of the Colorado-to-Gulf Highway Association, accompanied by Secretary Roy B. Mefferd, left this morning for a tour of inspection of the Highway between this point and Vernon where a meeting will be held this afternoon and tomorrow with the county directors along the route looking to the betterment of the route and making preliminary arrangements for the annual meeting of all the directors which will be held in Dalhart on December 6th.

LAD SERIOUSLY HURT BY FORD COUPE TUESDAY

The little son of D. N. Garner was seriously injured late Tuesday afternoon on the principal street in front of the Recall store when he was run over by a Ford coupe driven by Miss Mary Cook. The wheel passed over the lad's chest after knocking him down. He was immediately taken to the Adair hospital where a careful examination by a physician disclosed the fact that his principal injury was in the lungs. He is slowly improving and buttrng complications, will recover. The accident is said to be purely accidental as the little fellow darted out from behind another car just as the coupe started. The driver of the coupe had little time to prevent the injury. The accident has caused a petition to be circulated asking that the present method of parking cars be changed to the curb system.

AMERICAN LEGION PLANS FOR WINTER ACTIVITIES

At a meeting of the executive committee of the Aubyn E. Clark Post, No. 126, American Legion, Monday evening a number of activities for the coming winter were definitely decided on. Plans were laid for the immediate formation of an Auxiliary to the Legion at this place. An auxiliary is made up of the wives, sisters, mothers and daughters of American Legion members, and is calculated to greatly enhance the social work of the organization.

Another move to keep "pep" in the local post was the plan for forming three clubs in the body of the club. The first will be a basketball club and those wanting to learn the game. Much interest can be aroused by the playing of inter-club games and from the best players developed will be chosen the representative Legion team which will defend the local post's colors against foreign and domestic foes.

The next regular meeting of the Aubyn E. Clark Post will be held Wednesday night, December 8th, at the Y. M. C. A. building, at which time officers for the coming year will be elected and other important matters settled.

The executive committee composed of Messrs. Joe Holland, Jim Adams, Ralph Kerbow, Byron Blevins, Ellen Hunt, Eugene Wimberly, Allen Beville, and Roy B. Mefferd, are pleased over the prospects for the new year and expect to prosecute the plans of the post with renewed vigor.

J. Cobb Harris looked after business interests in Claude the middle part of the week.

The heating plant of the new Christian church is being installed this week in ample time to be in operation for Sunday services.

TUESDAY LUNCHEON ATTENDED BY VISITING POULTRYMAN

The regular Tuesday luncheon for this week was not attended as well as expected by the local membership on one account and another, chief of which was the fact that many were preparing to attend the funeral of Nelse Nelson, which occurred in the early afternoon.

As Mr. Kazmeier, poultry expert of the A. & M. College extension department, with his assistant, Miss Hazel, was in the city for a poultry school, there were a number of home demonstration agents of the neighboring counties present, the entire attendance of specialists being the guests of the Chamber of Commerce with Mrs. Chitwood as special host.

Before the serving of the most excellent menu began Mrs. Chitwood introduced the visitors, most of whom responded in cheering and complimentary vein. On account of the poultry meeting being scheduled for one o'clock there were no after-dinner speeches nor business transacted except that Mr. Edmonds, district director of the Farm Demonstration work for this district announced to the luncheon attendants that there were now two men available for employment as farm agents for Donley County. It is expected by the progressive farmers and business men of Donley County that one of these available men will be on the job in a few weeks.

NEW COUNTY OFFICIAL FAMILY ASSUMES DUTIES

The inauguration of Donley county's official family took place on schedule Wednesday of this week. Very few changes are noted due to excellent records and pleasing personalities and ability to win votes. W. T. Link continues as county judge and ex-officio superintendent of county schools by re-election. Mrs. Willie Goldston, by reason of her re-election, will continue to safeguard the funds of the county, she having given a good account of her official duties as treasurer the past term. Had no opponent in the race for that office this year. County and district clerk, W. E. Bray, had no opponent, easily corralled a big vote due to efficient services and courteous demeanor in the discharge of his duties the past term, therefore continues in the employ of the county. The office of county assessor takes on a new man in the personage of Harry Warren, a young man of sterling worth and who grew to manhood here. He scored over his popular opponent and former assessor, Frank Naylor, by a narrow margin. Mr. Naylor will turn his attention to looking after his farming and other interests. J. H. Rutherford had no opponent in the race hence was re-elected, the returns attesting his popularity all over the county. The sheriff's office also carries with it the duties of tax collector along with a multitude of other duties. F. L. Goldston was re-elected to represent the first district in the commissioner's court. The second district will be represented by W. P. Cagle, a known business farmer and a man of more than ordinary ability to manage the affairs of his office. G. A. Anderson, former commissioner from the second district was not a candidate for re-election. The third district will be represented by J. B. Pickett, J. G. McDougald choosing not to be a candidate for re-election. Mr. Pickett is considered among the most enterprising citizens of his section and like other members of the new board, is a progressive man favoring every improvement for the betterment of the public so far as the means at hand will permit. Although his name did not appear on the ticket at the time of the last election due to the manipulations of dame fortune, his fellow voters would not permit T. L. Naylor to discontinue his services as commissioner from the fourth district. It is generally conceded by the general public that with the present official family at the helm, Donley county will make even better progress during the next two years than during the past two which bodes well for the progress and prosperity of Donley county.

POULTRY SCHOOL HERE TUESDAY WELL ATTENDED

ONE DAY POULTRY SCHOOL HELD HERE TUESDAY WAS WELL ATTENDED—CONDUCTED BY F. W. KAZMEIER OF A. & M. COLLEGE

The one day Poultry School which was held here Tuesday was a success from beginning to end. This school was conducted by F. W. Kazmeier, State Poultry Specialist of the Extension Department of the A. & M. College, and his assistant, Miss Mamie Hazel. While the school was a huge success from every standpoint very few people in this county know the cost of time, money and worry on the part of a few to make this affair possible. No doubt some could see that a hinge had been broken some time ago, yet there had been no action. The school had been planned and at the last minute the decision was made by the Extension Department of the A. & M. College in favor of Clarendon, and, naturally under the circumstances, systematic arrangements could not be made, but in spite of the thorny path to success, the specialists arrived in the District Court room. This session was more especially for the benefit of the poultrymen and a number of other people attended. Mr. Kazmeier delivered a wonderful lecture on Poultry Extension Activities and Miss Hazel on Poultry Club Work. She made clear that it was very necessary to interest the girls and boys in poultry club breeds and staking up with better breeds of poultry, as so many of the parents of today are so "set in their old non-progressive ways" that no change can be made in their minds and the good work must be started by the girls and boys.

The visiting people were guests of the Chamber of Commerce at the Business Men's Luncheon which was served in the Y. M. C. A. building by the Christian Aid Society. After each taking their place at the table Mrs. Chitwood introduced the guests one by one. First Miss Beas Edwards, District Home Demonstration Agent for the Panhandle; Mr. F. W. Kazmeier, State Poultry Specialist, and his assistant, Miss Mamie Hazel; Mr. John Edmonds, District Farm Demonstration Agent; then the county Home Demonstration Agents, Miss Harbert, of Childress County; Miss Goodwin of Foard County; Miss Ware and Miss Lucy of Wilbarger County. Each responded with a few words of appreciation of the cordial reception they had received in our town.

The afternoon session was held in the High School auditorium as the seating capacity in the District Court Room was not sufficient to take care of our audience. Many expressions of appreciation for Superintendent Nelson's kindness in arranging the hour at the school building were heard.

Miss Mamie McLain and Dean S. H. Condon of the College were in attendance at the State Teachers Convention at Fort Worth last week. They report a great convention and much constructive work was in evidence. Texas will, in view of what was done and planned at this meeting, rise in rank from the 39th state in Education to a point near the top among the states of the Union.

Concerning Clarendon College and other Junior Colleges of the state a most important organization was established. A constitution and by laws was agreed upon governing all intercollegiate activities among Junior Colleges. The state was divided into districts. Clarendon is in district No. four, including Midland, Plainview and Clarendon. Since Canyon will want to engage these schools in athletics, she will be given an opportunity to participate in athletics with these schools, provided she so desires. A digest of these regulations will appear soon.

Another meeting of College representatives will be held in the near future. At this meeting new standards will be adopted by the Colleges of the state for admission, graduation, etc. In every way an impetus to the cause of higher education was given at this Fort Worth meeting.

LOCAL SHRINERS ENJOY KHIVA CEREMONIAL

Wednesday of last week nearly every Clarendon Shriner journeyed to Amarillo where they enjoyed the occasion of the second ceremonial of Khiva Temple, U. D., A. A. O. N. M. S. A number of the ladies also attended and were accorded splendid entertainment by the Amarillo committee.

Messrs. Bennett Kerbow, John Hunt, O. C. Hawk, Fred Buntin, John Potts and Henry Parker of this city were in the novice class and furnished sport for the gods during their meanderings.

Nobles Allan Beville and T. Eustace Allen are members of the Khiva Patrol and distinguished themselves in their hard-boiled attitude toward the luckless novices who came their way.

Nobles C. H. Bugbee and Sam M. Braswell are members of Khiva Shrine Band, going up the afternoon before for the first rehearsal of that organization. From the first performance of the band, Shriners of long standing say it is certain to fare well in the eyes of the community. From the able direction of Noble E. R. Humphrey.

Most of the Clarendon nobility will also attend the "bob-tailed" ceremonial in Amarillo on December 29th, at which time some ninety or one hundred novices will cross the lurid sands.

POULTRY SCHOOL HERE TUESDAY WELL ATTENDED

ONE DAY POULTRY SCHOOL HELD HERE TUESDAY WAS WELL ATTENDED—CONDUCTED BY F. W. KAZMEIER OF A. & M. COLLEGE

The children of the lower grades took more interest in the contest than did those of the higher grades. And we have enjoyed the essays set in. It was hard to make a selection of the best. As they came in, each was numbered and grouped and those of similar class and name separated from the paper. Then later they were read and passed on their merits as to neatness, thought, correctness of grammar according to grade. When the best two were selected we then looked up the names to be attached according to number.

The first prize was won by a boy in the lower grade and school mentioned and consequently could not be passed upon. And all that could be determined upon were in the lower seven grades. Consequently there were no prizes awarded for the higher grades. And, too, there were three papers that were so well worked up according to grade that we decided to add an additional prize of fifty cents for a third prize. They followed:

First prize: Ethel Crane, third grade; \$1.50. Essay: "Why I Should Join the Red Cross." "Some people don't believe in joining the Red Cross but I do. I believe in it because it helps the poor people, and the soldiers that haven't come from the hospital; and the Red Cross nurse is examining the school children and sends them home if they are not well. The Red Cross nurse also goes to homes and nurses the sick ones. The soldiers would have suffered worse if it hadn't been for the Red Cross. The Red Cross takes the sick people to the hospital and gives them medicine until they get well. There are many soldiers in the hospital that I hope the Red Cross can help. Some are crippled and some are wounded bad."

Second prize: Zell Rodgers, third grade; \$1.00. Essay: "Why I Should Join the Red Cross." "I should join the Red Cross because it helps where help is most needed. The money I give goes to the homes of the poor to buy things for their comfort and medicine and bandages for the sick little children. It also sends a Red Cross nurse into the homes of the poor where mother and father are sick, to give them the best of care until they are well. It takes those without a home to the hospital. The Red Cross will go in thousands of poor homes this winter to care for the sick. I should join the Red Cross because it is the greatest blessing on earth to the poor suffering people."

Additional third prize: Lodi Green, second grade, \$0.50. Essay: "Why I Should Join the Red Cross." "There are several reasons why I should join the Red Cross. The Red Cross was a great help during the war. They help take care of the homeless orphans, the wounded and sick soldiers. The schools now have the Red Cross nurse to teach them how to take care of their bodies so they will make strong men and women. We should all join the Red Cross and help in this great work. They help in this country and other countries too."

May the spirit of Red Cross go on. W. H. FOSTER, Director Donley County Chapter, Roll Call 1921.

KILL KARE CLUB

The next meeting of the Kill Kare Club will be held at the home of Mrs. E. L. Adams on December 8th. The last meeting was held at the home of Mrs. Odos Caraway instead of at Mrs. Claud McCallister's as we erroneously stated in our last issue.

Miss Louise Bell spent the last of the week visiting with Mrs. C. A. Cadwalder of Amarillo.

RED CROSS ROLL CALL 1921 A COMPARATIVE SUCCESS

The Red Cross Roll Call in Donley County has been made.

The success of it for the year of 1921 has been dependent upon the interest of the people of Donley County, both from the standpoint of willingness to work for the good of this great cause, and to enroll one's name and those of his family on the books of this organization.

That it has not been a greater success is due to the fact that we have forgotten. Nothing else. If many of us will look deeply into our hearts, we will know that the present financial condition is not to blame and what I mean is this: A man doesn't look deep enough, when he refuses to enroll in this great work, on account of finances, and that same day spends sixty cents or a dollar on his own pleasure. Get me? However, on the other hand, it is true that many just did not have the money to join; well enough.

There have been enrolled for the year, about five hundred members in the county. All reports have not come in as yet and therefore no definite statement can be made at this time.

The Director wishes to express herein his thanks for the co-operation of all those who have assisted in the Roll Call. The organization as named in the paper some weeks ago, was the proper thing, and the interest and work of those in it, is highly appreciated. There were some changes made, one of which was the appointment of Rev. L. B. Hankins, as Director at Hedley. Mr. Hankins and assistants worked hard and faithfully, as the results show. The folks in around Hedley responded splendidly, as have all the communities in the county, considering the present conditions, which have affected them first.

The Essay Contest

The children of the lower grades took more interest in the contest than did those of the higher grades. And we have enjoyed the essays set in. It was hard to make a selection of the best. As they came in, each was numbered and grouped and those of similar class and name separated from the paper. Then later they were read and passed on their merits as to neatness, thought, correctness of grammar according to grade. When the best two were selected we then looked up the names to be attached according to number.

The first prize was won by a boy in the lower grade and school mentioned and consequently could not be passed upon. And all that could be determined upon were in the lower seven grades. Consequently there were no prizes awarded for the higher grades. And, too, there were three papers that were so well worked up according to grade that we decided to add an additional prize of fifty cents for a third prize. They followed:

First prize: Ethel Crane, third grade; \$1.50. Essay: "Why I Should Join the Red Cross." "Some people don't believe in joining the Red Cross but I do. I believe in it because it helps the poor people, and the soldiers that haven't come from the hospital; and the Red Cross nurse is examining the school children and sends them home if they are not well. The Red Cross nurse also goes to homes and nurses the sick ones. The soldiers would have suffered worse if it hadn't been for the Red Cross. The Red Cross takes the sick people to the hospital and gives them medicine until they get well. There are many soldiers in the hospital that I hope the Red Cross can help. Some are crippled and some are wounded bad."

Second prize: Zell Rodgers, third grade; \$1.00. Essay: "Why I Should Join the Red Cross." "I should join the Red Cross because it helps where help is most needed. The money I give goes to the homes of the poor to buy things for their comfort and medicine and bandages for the sick little children. INDUSTRIOUS HENS RESCUE OWNER IN TIME OF CRISIS EGGS SELL AT A DOLLAR

FROM CROWDING OF COCK IN ANCIENT TIMES TO PRESENT DAY THE POULTRY TRIBE HAS EVER PLAYED AN IMPORTANT ROLE IN CIVILIZATION—DONLEY COUNTY FARMERS ARE AWAKENING TO THIS FACT

CHRISTMAS PACKAGES FOR AMERICAN SOLDIERS OVERSEAS

The War Department announces that packages for American Troops in Germany must reach Hoboken, New Jersey by December 5th to insure delivery before Christmas. They should be sent in care of "General Superintendent, Army Transport Service, Hoboken, New Jersey."

Parcels for men stationed in Hawaii and the Philippines should be sent to "Depot Quartermaster, Fort Mason, San Francisco" and should reach this address not later than December 5th.

Parcels for men in the Panama Canal Zone and Porto Rico should be sent to "General Superintendent, Army Transport Service, Pier 3, Army Supply Base, South Brooklyn, New York." Packages should reach this address by November 30th.

Parcels for Germany must not exceed seven pounds in weight, and seventy-two inches combined length and girth. Those to men on duty in the Canal Zone and insular possessions are limited to twenty pounds in weight, and two cubic feet in volume. Senders should, of course, be very careful to address the packages very plainly, giving the man's all military designation, and destination of package.

WELL KNOWN RANCHMAN PASSED AWAY MONDAY

Nels J. Nelson, one of Donley county's oldest resident ranchmen and respected citizen for more than thirty years, passed away at his ranch home seven miles west of town early Monday morning. His death was caused from kidney trouble with which he had been afflicted for many years. Mr. Nelson was born in Stockholm, Sweden more than fifty-seven years ago, emigrating to this section with his parents, he being the only boy in the family of several children. The sisters living here at this time are Mesdames John Grady, M. E. Bell, Chas. Murphey and Harry Weatherly. Of his immediate family, three children and a widow remain.

Nels J. Nelson came to the big southwest when just entering manhood's estate. His early association with the pioneers of this section gave him that fullness of heart peculiar to the men of the southwest who were brave and true. His kindly disposition and genial nature followed him down to life's closing period; his actions gladdened the hearts of those with whom he came in contact; no adversity ever forced from him the magic key which opens the gates of the upper world, and the fire of love within him was never extinguished. The spirit which impelled men ever forward and upward never failed him. His friends were legion and when the hoary hand of time had placed her mark upon his head, his spirit still smiled on.

The pulse of his inner life remained fresh up to the closing hours of a life that was eventful, worthy and honored by many good deeds that will live on. Nels J. Nelson has heard the final call and has gone to the last roundup, the work in the fall of his life is over and the camp has been reached where his soul will be protected from the winters of life. May his soul rest in peace.

The Masonic order, of which the deceased was an honored member, had charge of the burial service. Joe Horn, T. M. Pyle, Tom Gattin, Bob Weatherly, James Trent, and M. T. Crabtree acting as pallbearers. W. H. Patrick acted as master of ceremonies. W. H. Foster, pastor of the Presbyterian church, preaching the funeral. Interment was made in the City cemetery.

Whenever the producer of foodstuffs or cotton gets away from the row, sow and hen proposition as a valuable adjunct to his base of operations, he always gets into trouble—financial trouble to be sure—but that is serious enough. Now back to the subject. We have an energetic bunch of citizens. The prize winning agricultural county and that won on grains alone. Our climate for poultry production is unsurpassed. We have everything that is necessary to achieve success. The only question that remains is this: Will the producers who, like thousands of others, got caught chasing a phantom of gold by way of the cotton route now adapt themselves to an era of diversification and give the hens a chance to pull them out of a tight place?

When the Red Flag Ruled Antwerp

The Socialist parade in Antwerp preceding the convention of the Socialist party of Belgium. The red flag was seen throughout the city and the Socialists were accorded a great reception.

Bargaining Across the Frontier

On the frontier between their countries, German and Russian merchants have been allowed only ten minutes each day to do their trading. The only money the Germans would accept was American dollars.

CHEERFUL NEWS

From the Pastime Confectionery

—We are very glad to announce that we have on hand some of the prettiest and niftiest designs in box candies that have ever been shown in Clarendon.

—Don't forget that Christmas Time is almost here. Hurry around and let us reserve a box of this candy for a Xmas Gift.

Clarendon and Donley County people have made what money they have made right in the confines of this city and this county. Then it is only just and right that they spend their money with the people who have made their living largely possible. Close up with the old year by buying at home. Begin 1921 by standing firm with those business interests whose taxes and donations make this a civilized section of the country.

The following creed which governs the conduct of President-elect Harding's paper published at Marion, Ohio, is worthy of note, in that it puts into succinct terms the policy that animates every newspaper of worth in the nation. No paper of any character has a standard of less fair and honorable standards:

"Remember there are two sides to every question. Get both. Get the facts. Mistakes are inevitable, but strive for accuracy. I would rather have one story exactly right than a hundred half wrong. Tell the story

as it is, not as you would like to have it. Be truthful, generous, fair, decent; don't knock; boost. Treat all parties alike. There is good in everybody. Bring out the good. I want this paper so conducted so that it can go into every home without destroying the innocence of any child. Above all, be clean."

Now comes an enterprising firm of printers at Houston with "divorce announcements" which are printed in a reverse form to the usual wedding cards. Some class, that. Society—so-called—has long tried to devise some means which would render the putting away of a wife or husband entirely respectable, and this "highbrow" manner of announcing it seems to have hit a responsive chord among the ranks of the "400." The News job department has always done any kind of respectable printing but right here and now, we want to say that we will have to change our beliefs and standards to a much lower level before we will ever issue "divorce announcements" at so much per hundred. Divorces that are justifiable are never to be blatantly heralded. The other sort cannot be made respectable enough to deserve the cloak of decency.

Say, why be so scared about the money shortage. Some people are almost scared stiff because they think money is short. Possibly it is, but isn't people going to live on just the same. Why if we had no such thing as money, everybody must live. There is not such a shortage of money as there is a plenty of production. But why be so scared about the money shortage? Can't the cowman trade a beef for some corn and wheat? Can't the miller take a toll instead of cash for grinding? And the blacksmith swap work for some hogs, and a hundred other ways, people will get by even if money does get short. The world has got to go on, business will go on and people will live just the same, eat, wear clothes and enjoy life. Main thing is, don't worry.—Miami Chief.

Clarendon bids fair to see in some measure the return of the old "toll system" of milling. A concern announces the establishment of a "feed

crushing and corn mill here in the course of the next few weeks. They propose to pay more for kafir, maize and corn than is now being paid and their mill is to have a capacity of a hundred tons a day. One of the most prosperous eras of American history was seen under the "toll system" when the farmer took his "turn" of corn to the mill for grinding into meal and the miller took out "toll" for doing the grinding. Then it was that people generally lived at home in the truest sense. They lived on what they actually raised under this system and the nation's wealth more than doubled. Men learned to understand that independence of life lived in such a manner. Running accounts, at the store was unknown and the butter, eggs and chickens of the farm were bartered at the general store for what sugar, coffee, and calico the family needed. There has never been such a demand for a return to safe and sane standards of living and The News doesn't think it is too far behind the times in advocating in a large measure a return to the good old American days of the "toll system."

Out of a total number of fifty-three indictments returned last week by a Potter county grand jury, eighty per cent of the number were against boys and young men between the ages of seventeen and twenty-five, according to the Amarillo Daily Tribune. The Herald editor is reminded that there is entirely too much open gambling on the part of the boys and young men, not only in Panhandle, but in numerous other communities where we have had occasion to observe. For the past year or so it has been no uncommon occurrence in Panhandle for boys, ranging in age from twelve years up, to engage in "matching money in a win or lose contest," right out on the sidewalk, in the barber shops and other places where boys are in the habit of collecting in crowds. Matching money in a win or lose contest is just as much a violation of the anti-gambling laws of the State as it is to engage in a game of draw poker, where there is a money value at stake. The Herald is simply calling attention to this matter because we know that the gambling habit has caused more bright and promising boys to go wrong than any other vice. The open habit of gambling now so much practiced all over the country is causing so many of the little fellows to take up the habit that it ought to be prohibited for the sake of the little fellows, if nothing more.—Panhandle Herald.

NO RELIEF IN SIGHT FOR PAPER PRICES

Judging from the information given below, we may not expect any immediate reduction in the prices of printed supplies. In fact we have received advance notice that prices on supplies will advance after the first of the year.

Ben F. Durr, Secretary of the Washington, D. C. Typothetae, in a recent letter to his members "hits the nail on the head" as follows— "Prices are tumbling. Wheat has broken almost a dollar, cotton and woolen goods are on the toboggan, automobile manufacturers have lopped off a couple of hundred dollars, and so on down the line; but how about printing, binding, photo-engraving, etc? Any evidence here of reductions? NO, NOR SHOULD THERE BE, until labor, paper and supplies come down. Read recent surveys conducted by the U. T. A. What do they show? Anywhere from nothing to five and six per cent profit on sales. Any room here for cutting prices? Did you ever hear of printers being in the profiteer class? We all want to see prices come down, and we want to help bring them down, but remember it is one thing to wear patched pants from principle and quite another thing to wear them from force of circumstances."

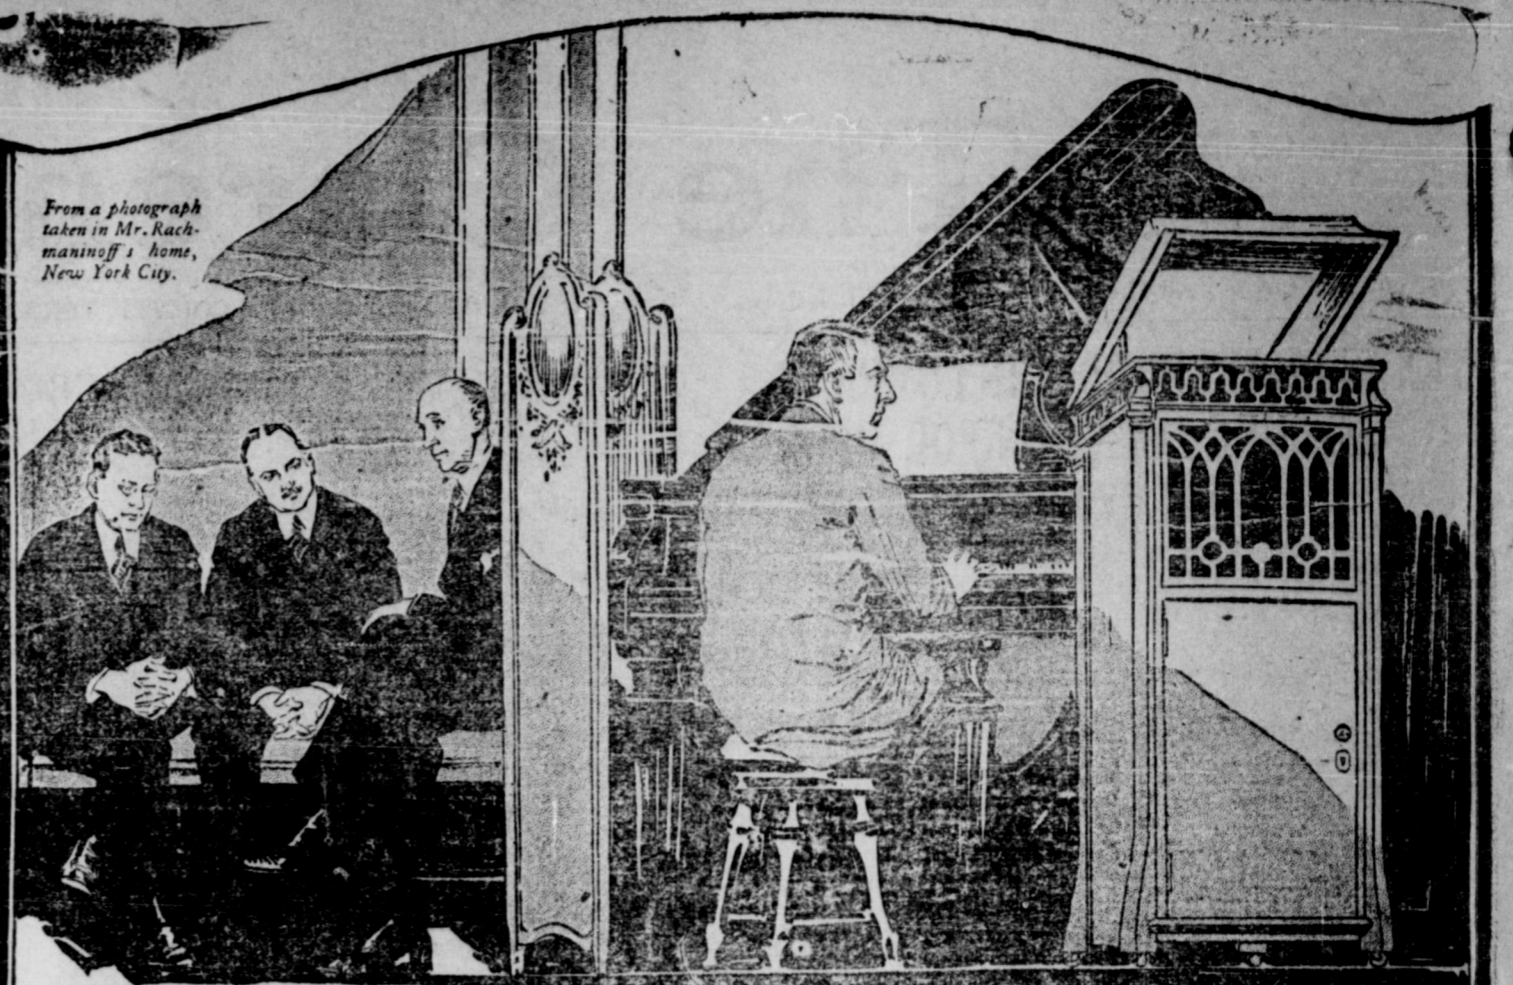

The Seattle Composing-Stick, a little publication issued by the Seattle Typothetae for October, has the following excellent resume of the situation as it affects the printing industry—

"There has been announced price reductions of several commodities recently and the printer along with others is pleased with these reductions. These reductions, however, should not lead the printer into the belief that his product can be sold for less than it costs him to produce it.

"Paper, ink and wages in our line have not come down, nor is there likelihood that they will be reduced in the immediate future. Paper stocks on hand in the warehouses and printing offices of the country are only about 50 per cent of normal; with an increased demand for paper for 1921 there is every reason to believe that the prices will increase rather than decrease.

"The payroll of the printing plant is an item entering into the manufacture of our commodity that must be reckoned with, for employees must be paid and they have no thought of asking for a reduction of wages or an increase of working hours.

"Machinery and material for the printing industry has not been reduced in price. Rent, heat, light, taxes and all other overhead expenses entering into the operation of a manufacturing industry are either stationary or on the upward trend, so that it is readily seen by the average business man that the price of printing cannot be reduced at

From a photograph taken in Mr. Rachmaninoff's home, New York City.

Before buying that Xmas phonograph

Come-hear Rachmaninoff on the New Edison

RACHMANINOFF has not only made RE-CREATIONS for the New Edison. He has also made recordings for one of the standard talking-machines.

We are glad to announce that these talking-machine recordings may now be heard. We want you to hear them—and compare! Determine for yourself which gives you the real Rachmaninoff.

Let us play Rachmaninoff's Edison RE-CREATIONS for you. Mark how clear, how true the piano tone. See how every note in his runs, every accent in his interpretation, every shade in his pedalling is perfectly RE-CREATED.

This was proved by a test made at Mr. Rachmaninoff's home in New York City. He played the Second Hungarian Rhapsodie (Liszt) in direct comparison with the RE-CREATION of his perform-

ance by the New Edison. The absolute fidelity of the RE-CREATION to the artist's original performance astounded the listeners.

Make the Rachmaninoff comparison. It will guide you right in selecting your Christmas phonograph.

Ask also about our Budget Plan

It brings your New Edison for Christmas without squeezing your pocketbook. Remember, too, that, in buying a New Edison now, you are virtually buying a before-the-war-value with an after-the-war-dollar. The price of the New Edison has increased less than 15% since 1914, and a portion of this increase is war tax. "Edison stood the gaff" to keep his favorite invention within the reach of every one who loves beautiful music.

Stocking's Drug Store

The NEW EDISON "The Phonograph with a Soul"

We Have Moved

—We are now located at the Ozier stand and are busy as we can be. The stocks have been combined thus affording our patrons a much larger stock from which to make selections.

—The same courtesies will be extended you. The best prices will be made and the best quality of goods sold that money can buy. At the same time we all know that the best is the cheapest in the long run.

—We will meet all competition in our new place of business and invite you to inspect our bigger, better stock.

—We appreciate your business.

the present time and it would simply be commercial suicide for any printer to attempt to lower the price of his product at the present time.

If every printer actually knew what his hour costs were there would be less complaint of cut prices and unfair competition. Keep up your cost systems—there never was a time in the history of the industry when knowledge of costs in your plant was as important."

JIM LOWERY BEMOANS APOSTASY OF TENNESSEE.

James H. Lowery of the Honey Grove Signal thus expresses his sorrow over the loss of Tennessee from the "Solid South": "The Solid South is no more. For more than a century the old southern states stood as true to Democracy as the big dipper to the north star. For many years no state warmed by the southern sun and kissed by the southern breeze gave ear to the vapors for the wicked Republicans and 'evning would have blushed to own a star sooner than a member of this noble confederation would have turned her back upon the Democratic party. But the Solid South is broken, and it was broken by the grand old Volunteer state, the state of Andrew Jackson, James K. Polk and David Crockett. It was in Tennessee that this writer first saw the light of day. All the tender memories of childhood's happy days cluster around the hills and hollows, the forests and meadows of Old Tennessee, and the very name of the old commonwealth has been music to our ears. But Tennessee has fallen from her high estate and not only has she departed from the house of her fathers, but she has shattered the Solid South. What must be her punishment? Surely the wrath of the Lord must fall heavily upon poor old Tennes-

see. Every chestnut crop will be wormy, the persimmons will lose their golden glow and honied taste, the crystal waters of the Watauga will turn to mud and slush, and the lustre of the muscadine and grape will fade. For Tennessee there will be no southern zephyrs bearing the breath of th magnolia and the jasmine and for Tennessee the mocking birds and cardinals will not sing. The glory of the South has departed from the old Volunteer state and never again

will the rapture that wells up from the Democratic soul light up the faces of her sons and daughters. Dear old state of legends, songs and hallowed memories, though we were nurtured at your breast, we do say you ought to be ashamed of yourself."

POSTED NOTICE
Positively no trapping in any of the JA pastures. If you want to avoid prosecution, observe the above J. W. Kent, Superintendent.

VETERINARY.

Dr. G. W. Shoffit will practice his profession in Clarendon and Donley County till the people can do better, he holds no diploma, his certificate by limitation. Do not call him unless you mean business. He's a busy man; has quit practicing for fun. His charges are always high, and his services the best than can be had. Residence phone 464 or Peoples Pharmacy Drug Store. (481f)

The Modern

Declaration of Independence

—IS HOME OWNERSHIP.

—It is the best evidence of our appreciation of those American ideals of Freedom and Thrift.

—The practice of renting is an infringement on the spirit of Americanism and a misfit in our national life.

—Resolve now to become a real American by owning part of America—A HOME.

BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT
Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if you head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel: Who you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a sourish twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.

LOCAL & PERSONAL

Miss Dess Hood visited homefolks in Claude Saturday.

Zack Shepherd made a business trip to Amarillo Tuesday.

Miss Hazel McCubbins of Claude visited friends in this city Tuesday and Wednesday.

Mr. and Mrs. John Broadstreet of Oklahoma visited with the family of J. R. Cox the last of the week.

Frank White, claim agent for the Denver, spent Sunday in town with his family.

Mayor O. C. Watson attended to private business in Amarillo Tuesday making the round trip the same day.

E. H. Kennedy and sister, Miss Moody Kennedy of Lelia, were shopping in Clarendon Saturday.

Mrs. Ida Moore of Fort Worth is a guest at the home of Mrs. J. D. Jeffrey this week.

Ed Morrow, proprietor of the City grocery, had business in Hedley Tuesday.

John McClinty and Miss Myrtle Stephens of the Chamberlain community were married Thursday. Congratulations.

Tom Zeigler is moving his base of operations this week from the J A flat to the south plains country.

C. M. Lane, who underwent an operation last week, is steadily improving much to the gratification of his many friends.

F. R. Reedy spent the fore part of the week in Wichita Falls looking after his business interests in the oil town.

Oliver Norris, formerly an employee on the News force, is now employed in a job printing plant at Fort Worth.

Mr. and Mrs. J. M. Stubblefield of Groom visited over Sunday with their son who is attending college here.

Mrs. Nichols, aunt of Mrs. J. T. Warren, passed away at the family home in Memphis Saturday. The body was taken back to the old home in Tennessee for burial.

Mrs. Bob McGowan is visiting friends and relatives in Abilene, Winters, and other nearby places this week. She will visit for a short time in Lockney before returning next week.

Jim Thompson, who purchased the Sanders farm in Windy Valley last week, returned to Healdton, Oklahoma, the last of the week. He will move his family here in the spring.

Miss Galey was called home last Tuesday night, on account of the sudden death of her brother. The faculty and student body extend their heart felt sympathy to her in her bereavement, and hope that she will soon return.

Editor Ed C. Bolivar and family of Hedley were in the metropolis Tuesday of this week tending business, visiting with friends and camping on Santa Claus's trail. Ed says the present financial condition reminds him of the saying "Starving in the midst of plenty."

Mr. and Mrs. J. F. Harp who make their home in Johnson county, returned home Friday night after spending a month with their son, C. B. Harp of Ashtola. Both visitors were well pleased with the winter climate of Donley and expect to return here next year to remain permanently.

A. B. Bynum and family were Lelia visitors in town Saturday to shop and attend to other matters of interest as well as look at the improvements going on in a real live town. Miss Hazel Bynum came along to get her prize as a winner in the canning club contest the past season.

The Sunday school class of Leon O. Lewis enjoyed a hearty luncheon in the church basement Thanksgiving night. They had a business session at the same time. Among the many important matters passed upon, was a vote of all those present for a feed every three months.

J. A. Dixon, of the Dixon chain of dry goods stores of which the local

Mercantile store is one of them, was up from his Vernon headquarters the first of the week and is well pleased with the situation considering conditions at this time.

Mrs. W. O. Woody and children left over the Denver Tuesday night bound for Los Angeles, California to which place they were preceded by the husband and father a short time ago. A letter from Mr. Woody was published in our issue of last week.

Miss Hazel Bynum of Lelia won first prize in the individual canning club exhibit, at the Donley county fair thus getting a free trip to the state fair at Dallas. She reports a fine time and many interesting sights on that trip. The young lady was here Saturday informing her questioners that she was in the race for next year.

C. B. Harp of Ashtola was in town Saturday looking after business matters and making necessary purchases. C. B. is of the more progressive type of farmers and he and his family have plenty put away for the winter and are too busy to cry about hard times. With about a hundred gallons of fruit, peas, beans, corn, fat hogs, cows, chickens and other catables on his farm, it is any wonder that this family is satisfied and glad that they live in old Donley county?

Mr. and Mrs. Oscar Smith of the Alameda country were over Tuesday attending the chicken school held at the courthouse that day. Oscar is one of the liveliest men of his section, knows all that is going on and is as optimistic as ever.

Mrs. Carroll of Dallas is visiting her son here, Dr. T. W. Carroll.

T. R. Adams of Oklahoma City was in town the middle of the week looking up our business men.

Mr. and Mrs. J. B. McClelland arrive home during the week after being away since May. During their absence, they visited a married daughter, Mrs. Dodge, in Norway, places of interest in both England and France. On the journey home they stopped off for some time at Washington for a visit with relatives and friends, later visiting at Oklahoma before returning here for the winter.

LOCAL INVENTOR TESTS OUT OIL LOCATING DEVICE

On Saturday last Dr. G. W. Shoffit, accompanied by his friend, J. B. Center of Burkburnett, prospected over the country northwest of town. They visited the test hole of the Crane company being put down by Ed Martin. The doctor was sorry to say that the test was located on land just within the edge of what appeared to be a large individual lake of oil. He stated that his instruments showed that some oil would be found but not a flowing well as the main portion of the lake lay just a short distance away. His instruments showed the probable depth to be from 1700 to 2500 feet to the flowing oil sand. The doctor located another pool on the Sawyer lands northwest of the Crane well. He stated that these so inclined may ensure him now, but that his predictions will be verified in the near future. Being of a philosophical disposition of mind, he finds only the humorous side of life in nature study alone caring little what others think and say. With the recent tests going down in Donley county at present, it will be but a short time until his contentions are either verified or disproved.

Dalion
With the Triple Guarantee

YOUR Dalion phonograph comes to you with a sweeping written guarantee. And this guarantee to you is not backed by a far-away factory alone. It is assured not by one but by three different organizations. First comes the responsible local dealer of whom you buy the instrument. He in turn is backed by some established wholesaler who is well known to the business men in your community. And behind both of these stands the factory.

Each of the three has passed his written covenant along with the instrument you get. You are protected against spring breakage, mechanical imperfection and all dissatisfaction that a maker could possibly be blamed for.

You can't go wrong when you buy a Dalion, the phonograph that plays all makes of records. Five models, \$27.50 to \$300.00.

Write for the name of the nearest Dalion dealer. Our handbook will let you find an expert, with time to find a phonograph dealer.

OFFICIAL BOARD OF METHODIST CHURCH IS GETTING ON JOB

Since the beginning of the conference year the official board, greatly increased in numbers, has organized with M. M. Noble, as chairman, and C. C. Powell as secretary, with J. B. Annis as incidental secretary, and every department of the church work is being thoroughly planned for. A finance committee has been wrestling with the annual budget of church expenses and most of the assessments have been made and the members are being asked to ratify the amounts asked for.

A plan which has been agreed on is for the finance committee to notify every member as to the financial condition of the church and to give them monthly statements, when their personal pledges have not been paid.

A deficit of some eleven hundred dollars which has been carried for the past two years, in the finances of the church has been reduced to around eight hundred dollars and plans are under way for the wiping out of this amount.

Rev. C. N. N. Ferguson, the pastor, has a number of plans on foot which is expected to greatly strengthen the work of the church and all in all, a great year's work is expected.

MATTRESSES—Forty pound pure staple cotton mattresses with standard ticking for only \$12.50. Whipple Produce Company. Phone 19.

NEWS FORCE NOW IN MUCH BETTER TRIM

Like many another newspaper, The Clarendon News has been suffering from the serious handicap of labor shortage for the past sixty days. In addition to this there has been a sudden departure of one of our most trusted employees and a subsequent change of two other men. This condition has brought about a sad ball-up in the inner workings of our usually well-ordered plant which has woefully delayed job work and a few times has kept The News from preserving its usual standards of content and make-up.

But like every lane, this condition finally turned and now we are pretty well lined up and the wheels are beginning to revolve with regularity again. We are fortunate to have associated with us now, Mr. Jas. C. (Jim) Sharp, as plant superintendent. This will relieve the editor and local editor from much of the detail of inside work. Then we have secured at least temporarily, Mr. H. H. Weimhold, of Shamrock who is a classy printer and newspaper man of much experience. These with the few standbys we have kept together, puts us on firm footing again.

Mr. Sharp with The News until September 1st when he entered the law school at Austin, and he comes back again to take up his new duties better fitted than ever on account of his association at Austin with the University print shop.

Regardless of any temporary depression The News intends to improve its service to the community and its patrons.

CLARENDON NEWS WILL PUBLISH CHILDREN'S SANTA CLAUS LETTERS

That very old and interesting custom of the local paper printing children's letters to Santa Claus will be followed by The Clarendon News this year. Beginning next week all children who wish to get their letters to The News office and we guarantee that Santa Claus will read every one of the letters sent in.

Just mail the letter to "Santa Claus Editor," Clarendon News, Clarendon, Texas, or bring them in to the office. If enough letters come in we will print part of them next week and the balance the following week, if not all will be held for the following week.

All right, Kiddies, write those letters now and let's tell old Santa Claus just what we want.

HOGS PAY BIG MONEY

Mr. Pete Wing of Hawk Point, Mo., made a lot of money out of his hogs. He says: "I fed them Dr. LeGear's Hog Prescription. It has given wonderful results in putting gains on them with less feed. They were on heavy feed for only a month; averaged a gain of 2 1-2 pounds daily, and were only 7 months, 10 days old, when sold."

Mr. Wing profited by the advice of Dr. LeGear's Hog Prescription will put weight on your hogs also, because it expels worms, purifies the blood and conditions them so that they gain flesh on less feed. It makes no difference what ailment is prevalent among your stock or poultry, it is money in your pocket

to get the proper Dr. LeGear Remedy from your dealer, on a satisfaction or money back offer.

DEAD WRONG, BRO. BRASWELL

The following erroneous item was published on the front page of the Clarendon News last week, with the caption "McLean":

"McLean is located on the Rock Island road some sixty miles east of Amarillo and is the largest town in Gray county. In addition to an excellent working board of county commissioners who are constantly road building, the town has a large trade territory. In order to get that trade, the roads are kept in good condition at all times. The firm of Coffey Bros. are putting in a new mercantile stock. The town has a live secretary who never let anything get by that is worth stopping. Crops in general are prosperous."

The above article was no doubt sent in to the Clarendon News by some over-zealous citizen of McLean, who had not heard of the United States taken at the beginning of the present year, as it gives Pampa as the largest town in Gray County, with a population of 987, as compared with 741 at McLean.

Another statement contained therein is not very tasteful to the citizenry of Pampa, the county's metropolis and that is that "the roads are kept in good condition at all times." Pampa and its precinct, No. 2, pays considerably more taxes into the county treasury than any of the other precincts, also much more auto taxes, and everyone who has ever been over the roads in this precinct will not testify that they are kept in good condition at all times. The above publicity is certainly a pipe dream, or the metropolis of the county is not getting her share of road work. We believe the article in question is all warm ozone.

McLean is located on the Rock Island road some sixty miles east of Amarillo and is the largest town in Gray county. In addition to an excellent working board of county commissioners who are constantly road building, the town has a large trade territory. In order to get that trade, the roads are kept in good condition at all times. The firm of Coffey Brothers is putting in a new mercantile stock. The town has a live chamber of commerce with a live secretary who never let anything get by that is worth stopping. Crops are good this year and the people in general are prosperous.—Clarendon News.

The above paragraph appeared in last week's Clarendon News in an article on the Pampa's progress. Our Clarendon contemporary did not sell all the good things that might be said of McLean, but he did err in overstating the case in one instance. McLean, while not our notion the best town in Gray county, is not the largest, the census having given Pampa the edge on us by a hundred or two. This is not as it should be, but the Chamber of Commerce will attend to that in due time.

CHAMBER OF COMMERCE GRAMS

Mrs. W. W. Morelan came in Saturday to collect premiums won at the Donley County Fair. Mrs. Morelan is a very prominent citizen of the Martin community and is very proud of the fact that they won first prize in the Community Exhibits—First in the Girls' Poultry Club, and Second in the Girls' Canning Club. She said that they are going to win first in everything next year. We predict some lively competition.

Our offices have been moved from Ryan Bros. office to the News office and we may be found "at home" now in the office formerly occupied by Dubbs Bros.

Willie Mae Morelan, daughter of Mr. and Mrs. W. W. Morelan of the Martin community, is going to try for the individual first prize in canning at the Fair next Fall and she has recently bought a new canning outfit. Willie is just 15 years old and has been winning prizes for the last four years. Last year she won the Poultry Sweepstakes at the Dallas Fair, and this year won a trip to the Dallas Fair with the chickens she showed at the County Fair in September. She has White Minorca chickens and is one of the first to introduce them in this section of the country.

E. F. Ballard of Dallas has been in our city for the last few days making preparations to install a complete Feed Crushing Mill of at least 100 tons capacity. Mr. Ballard is representing the Texas Grain Products Company and has secured a location for his mill near the Stock Yards at Clarendon.

The people in the Martin community are very anxious to have the Clarendon Chamber of Commerce to enlarge its scope of activities so that it may take in the entire county and so that they may have a voice in its activities. We believe that this would be a good move for everybody in the county. The present Chamber of Commerce is vitally interested in things that are of interest to each citizen of the county and its activities have not been confined to the mere city limits of Clarendon.

EXPRESS COMPANY HAS RAISED HEAVY EMBARGO

Last May the American railway express shipments in excess of 200 pounds. That embargo was removed on the 17th of this month. Their actions were made necessary when the oil men of Breckenridge began the shipment of boilers, truck timbers and casing by express, regardless of the cost. Since the embargo kept the more thrifty to begin the heavy shipments again, or else get has been removed now, we may expect through on a respectable freight schedule.

TURN HAIR DARK WITH SAGE TEA

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug-stores sell the ready-to-use product, improved by the addition of other ingredients, "Wyeth's Sage and Sulphur Compound." It is very popular, because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it, and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

EXCHANGE—Will exchange a truck made from a Ford that is in fine condition, for a wagon and team. D. L. Wilson, Clarendon, Texas. (48p)

MATTRESSES—Forty pound pure staple cotton mattresses with standard ticking for only \$12.50. Whipple Produce Company. Phone 19.

A MERE MAN'S PRAYER

Backward, turn backward, O Time in your flight, give us a maiden with skirts not so tight! Give us a girl whose charms, many or few, are not exposed by much peck-ahoo; give us a maiden, no matter what age, who won't use the street for a vaudeville stage; give us a girl not so sharply in view, dress her in skirts that the sun won't shine through; then give us the dances of long gone by, with plenty of clothes and steps not so high; can the turkey trot capers and butter milk glides, the hard kurd twist and wiggle tail slide; then let us feast our tired optics once more on a genuine woman as sweet as of yore. Yes Time, please turn backward and grant our request for God's richest blessing—but not one undressed.—Etawah Enterprise.

CITIZENS CALLED TO MEET ON LIGHT RATES

Citizens of Clarendon are invited to attend a mass meeting Friday night, December 3rd, at the court house, for the purpose of considering the high rates now being charged by the Texas Gas & Electric Co., for lights and power, and seeking to find a remedy therefor. A. T. Cole. 49c.

HOUSE—For rent. City water, lights and sewerage. Joe M. Warren. Phone 306. 43c.

The Greatest "One-Day-Only" Special Ever Offered

When we started our first "DAILY SPECIALS" two weeks ago, we believed they would do just what we meant them to do—advertise this great sale in a convincing way.

We have not been disappointed. We have had an unusually steady volume of sales ever since the opening day—proof beyond a doubt that those who come to the sale leave our doors boosting for us. There can be but one reason:

—HONEST-TO-GOODNESS VALUES OFFERED IN DEPENDABLE AND HIGH-CLASS MERCHANDISE AT PRICES RIDICULOUSLY LOW.

We have not befooled anybody. Every special offered has been a bona-fide reduction to an almost undreamed-of figure on two to four different articles or kinds of merchandise. But we are going to beat ourselves at our own game, and we are going to do it because we need both the money it will bring to our cash drawer, and the advertising we will reap from it. And it will bring the money, too, and don't you forget it.

—SUCH A "ONE-DAY-ONLY" SPECIAL HAS NOT BEEN OFFERED IN DONLEY COUNTY SINCE THE GREAT WAR BEGAN. MARK WELL THE DAY AND DATE.

And the other fellow and his family will be here to pick out his needs, because he is going to save big money on that day. What are we talking about? Here it is:

—FOR ONE DAY ONLY, SATURDAY, DECEMBER 4th—WE OFFER EVERY SUIT, MENS', LADIES' OR BOYS'—EVERY COAT OR OVERCOAT—EVERY DRESS—EVERY PAIR OF SHOES, ANY KIND

AT ONE HALF PRICE

By half-price we mean one-half of the regular selling price. For instance: a \$60 suit for \$30; a boy's \$18 suit for \$9; a \$79.50 dress for \$39.75; a \$24.75 dress for \$12.38; a \$6 pair of Red Goose shoes for \$3; a pair of \$16.50 Mens' Packard shoes for \$8.25; a pair of \$15 Drew shoes for \$7.50.

—WE WILL LOSE MONEY ON EVERY SALE MADE ON THAT DAY. REMEMBER, THOUGH, THAT THESE PRICES WILL BE MADE FOR ONE DAY ONLY, SATURDAY, DECEMBER 4th.

YOU CANNOT AFFORD TO MISS THE GREATEST ONE DAY SPECIAL SALE EVER STAGED IN DONLEY COUNTY.

DAILY SPECIALS FOR NEXT WEEK

As a hint to you of the things in store for you next week, we give below a few of the specials for each day that have already been decided on. Read them over. You are sure to see something that you ought to buy on its special day.

—THERE WILL BE OTHER SPECIALS FOR EACH DAY

—that are not yet decided on. They will be necessary and useful things. Cut this "program" out for reference.

MONDAY, DECEMBER 6th

Underwear, all styles.
Suit Cases
Trunks and bags

TUESDAY, DECEMBER 7th

We will have another "DOLLAR DAY"—a day of extra special \$1.00 bargains.

THURSDAY, DECEMBER 9th

Piece Goods in cotton staples of many kinds will be offered at marvelous special reductions.

WEDNESDAY, DECEMBER 8th

"Silk Day." All kinds of Silk wearables, including Shirts, Blouses, Hose, etc., for Men Women and Boys. Some event!

FRIDAY, DECEMBER 10th

Silk and woolen piece goods Day, with many extraordinary price cuts for the day only. Leather Vests of all kinds at unbelievable reductions for the day only.

"Look At This" Half Price Sale

Ladies Coats, Suits and Dresses at exactly Half Price. We have the famous "Bischoff" and "Printzess" lines of Ladies Ready-to-Wear. These good were priced as low as possible to begin with and are now cut to Half Price. Every number is a splendid value. Don't fail to see them.

Mens Suits

Our entire stock of Mens' Suits now on Half Price. "Collegian" Brand clothes. Every suit guaranteed. Get that new suit now while you can save exactly half. Overcoats at Half Price. Real bargains for you.

MEMORIAL SERVICES AT PANHANDLE FOR HESSLER

A beautiful tribute to the worth of the man was shown Sunday two weeks ago in the memorial service held at the Methodist church in Panhandle in honor of E. F. Hessler, former superintendent of the Sunday school of that church. Mr. Hessler passed away at the new home at Gurdon, Arkansas on the first day of this month.

FARM HOME BURNS AT JERICHO SATURDAY

The substantial farm home of O. C. Brown burned Saturday near Jericho. Not only was the home consumed, but the chicken house with all its contents as well. The piano and a few effects were saved from the burning building. The neighbors took matters in charge befriending their fellow neighbor by seeing that the owner and motherless children were well cared for. The home will be rebuilt.

RELATIVE OF LOCAL WOMAN DIES AT 109

Mrs. A. O. Bauer is in receipt of information from relatives in California stating that her aunt Mrs. Davidson, passed away recently at the age of 109 years. Mrs. Davidson was always a great friend of the newspaper fraternity, she having entertained the staff of a San Francisco paper with a dinner in 1914, cooking the dinner all by her own efforts.

STATE FIRE LOSSES DURING YEAR STARTLING SUM.

Austin, Texas, Nov. 19.—More than \$47,000,000 was involved in fires in eight of the largest Texas cities during 1919, according to a compilation of figures recently made public by the State fire marshal and the total insurance carried on this property was approximately \$30,500,000 and the total insurance loss was \$609,607. As an indication of the efficiency of the fire departments of

the cities included, the fire marshal pointed out the fact, that \$1,851,502 of the loss mentioned above was in building where the fire originated, while only \$41,864 losses were caused by fire spreading from the building of its origin. Cities included in the tabulation were: Austin, Beaumont, El Paso, Dallas, Ft. Worth, Galveston, Houston, and San Antonio. Figures were taken from reports to the National Board of Fire Underwriters.

COLLEGE MEETING AT WICHITA FALLS

President G. S. Slover and Dean S. H. Condon attended a meeting at Wichita Falls last Wednesday to organize the Northwest Texas Conference for the coming Educational Campaign. The meeting was held at the First Methodist Church and Dr. Dalmage, the Texas secretary presided. An inspiring address was made by Judge McCullough of Waco, Texas, after which a business session was held. Plans were agreed upon to hold from one to three conferences in each presiding elders

district for the purpose of bringing together all Methodist students who have attended college in this state. At these conferences the cause of christian education will be given special attention, and especially the needs of the Methodist schools of Texas will be presented. Dean Condon was named as secretary for the conference and will keep in touch with each of these local conferences and see that speakers and publicity is given them. As far as practical, working under the General Commission, he will attend these meetings and thereby Clarendon College will be insured of a hearing at each. However special speakers have in every case been named from among the ex-students of the College and Clarendon will in the next few months receive a great deal of publicity. Other schools that will likewise be represented are S. M. U., S. U., Kidd Key, Texas Woman's College. Rev. P. R. Huckleberry arrived home the first of the week. He is to move his family to Childress the last of the week.

20%

Reductions In Shoes

20%

Here is what you have asked us about so often, a big reduction in price on your footwear. We know our customers are being forced to assume a heavy Burden, one that we feel is unnecessary. In view of this fact, we have adopted a sacrifice also in order to lighten that Burden as much as possible.

- We are doing this despite the fact that the wholesale price of Shoes has declined very little, and the tendencies of the market is firm.
- Twenty per cent means a good saving for you and you should take advantage of it.
- Besides this general Reduction, we have special Bargain tables on which you will find values you have not seen in many a day.
- We have one lot of Ladies' Button Shoes at \$2.95 you should see.
- Nothing will be charged at these reduced prices.

Carver, deceased, all known heirs and unknown claimants, or owners of lands described below, all the above named parties being defendants, the nature of plaintiff's demand being as follows: Suit upon two notes, for the sum of \$800.00 and \$1200.00, principal, together with interest and attorney's fees, being Real Estate First Mortgage Coupon Notes, dated at Kansas City, Mo., of date February 1st,

1915, and due on February 1st, 1920, payable to Walter Darlington or order, with interest at 6 per cent per annum, and signed by Austin Carver and Kate I. Carver, deceased, and the unknown heirs and claimants to certain lands described below, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be no newspaper published therein, but if not, then in any newspaper published in the Forty-Eighth Judicial District; to appear at the next regular term of the District Court of Donley County, Texas, to be held at the Court House thereof, in Clarendon, Texas, on the third Monday in January, A. D. 1921, then and there to answer a petition filed in said Court on the 23rd day of November, A. D. 1920, in a suit numbered on the docket of said Court, No. 1112, wherein Walter Darlington is Plaintiff, and Mattie L. Means, Della Means, E. W. Carver, Mrs. H. A. Carver, and Leora and Virgil Carver, Minors, children of H. A. Carver, deceased, all known heirs of Austin Carver, and Kate I. Carver, deceased and the unknown heirs and unknown claimants, or owners of lands described below, all the above named parties being defendants, the nature of plaintiff's demand being as follows: Suit upon said sum, together with foreclosure of his mortgage lien described in said Deeds of Trust above referred to, and which are of record in the Deed Records, of Donley County, Texas.

Herein Fail Not, But have you before said Court, on the first day of the Next term thereof, this writ, of your return thereon, showing how you have executed the same. Witness my hand and Official Seal at my office in Clarendon, Texas, this 23rd day of November, A. D. 1920. W. E. BRAY, Clerk District Court Donley Co., Texas. (Seal) (51c)

New Fords on Hand

We are receiving and delivering cars right along—one car load Tuesday and three more loads on the way. It has been proven long ago that the Ford Car is the most economical car made, both in first cost and upkeep. In these days when products are low and money is scarce, it is good judgment to economize in every way possible. We now have in stock Ford cars of all models. Touring or 5 passenger, Roadsters, Trucks, and both the Sedan and Coupe in closed models for these cold windy days. All are equipped with starters at pre-war prices. If you want a car, see us at once and have one reserved. After December 1st we are going on a Cash Basis to All. The amount saved from bookkeeping and bad accounts will enable us to save you quite a bit on everything we sell. Come to see us for anything you may need for your car. Big reductions on all casings and tubes.

News of Interest From The Clarco

BULL-DOGS BEAT TEACHERS 12-0

West Texas State Normal was defeated by Clarendon College on Turkey Day, by a score of 12-0.

The game was hard-fought throughout and marked by many interruptions for penalties. A light rain which started in the third quarter made the ball slick and caused much fumbling. In the first quarter the Bull-dogs worked the ball up to the Normal's 20-yard line and Meads stepped back and drop-kicked a field-goal. Again in the second Meads dropped one from the Teachers' 16-yard line.

No scoring was done in the third quarter but in the fourth Meads pushed over for touch-down after a series of line bucks and end runs. He failed at the kick. The game ended 12-0 in Clarendon's favor.

In the fourth quarter Close and Thompson, of C. C., collided in an attempt to intercept a pass. Both were knocked down but Thompson sustained the greatest injury. After a few minutes he was able to continue with the game. Meads' kicking was easily the star feature of the game. He successfully kicked two out of three attempts at the drop. Close and Creighton played with their old form. Peoples, although slow, did good work at left half. Exceptional playing in the line was done by Young, Mounts, Smalley and Keen. Thompson played a sure game at center.

The teams were started as follows:

Positions	C. C.	Normal
Right End	W. T. S. N. C.	C. C.
Nobles (Capt.)	Bivens	
Right Tackle	Trombridge	Holt
Left Guard	Sanders	Mounts
Center	F. Golden	Thompson
Left Guard	R. Golden	Young
Left Tackle	O'Keefe	Green
Left End	Wallace	Smalley
Quarterback	Jenkins	Craighton
Fullback	Akers	Meads
Right Half	Terry	Close
Left Half	Durham	Walker

Golden, Scott for Durham. Substitutes: Normal: Tucker for Wallace, Hazelwood for R. Clarendon: Peoples for Walker, Skeen for Mounts.

POLLYANNA SOCIAL ENJOYED

A great treat was missed by any league member who failed to be present at the opera house last Monday night. It will be an occasion long remembered by every one who went, and it was enjoyed to the utmost by all.

The form of entertainment was unique and entirely different from that hitherto employed in one socials. The house was cleverly decorated in league colors and divided into three main sections labeled as Gladtown, Happyville and Pleasantville. Everyone lived in one place or another, except a crowd of the boys who furnished a great deal of amusement by occupying one corner of the room and very exclusively naming it "Bachelor Quarters." Each town yielded with the others in yelling, stunts, poetry writing, etc. Happyville was awarded first prize for putting on the best stunt, much to the chagrin of her neighbors.

Interesting games consisted of an entirely new kind were enjoyed throughout the evening and, finally just before that fatal hour when all "Dump" girls must return to their time honored abode, refreshments, consisting of coffee cake and candy, were brought on much to the satisfaction of every one, after which we all returned home—a gladder bunch and boosters all for Clarendon's thriving Epworth League.

AN OLD TIME CANDY MAKING

The members of the "Lucky Thirteen" Club met in the studios of the Girls home Thanksgiving night for an old time candy making. They each invited a young gentleman

MR. TAYLOR SE- LECTS GLEE CLUB

According to plans, the try-out for the Glee Club was held last Tuesday night, and the members selected from the applicants. Measures were taken to immediately start the work of the organization.

There were about twenty-five applicants for the sixteen positions. A number of the boys, who failed to win a place have excellent voices. For this reason it may become necessary to increase the membership from sixteen to twenty.

After the tryout, the officers of the organization and of the latter and selected those whose voices will be heard in the C. C. Glee Club this year. Albert Cunningham, John Thompson, William Craig and Thomasson will utter the melodious sounds of first tenor. The second tenor section, is composed of Roy Bates, Glenn Brashear, P. W. Walker and Harley Campbell. D. M. Beights, Earl Clemmens, James Stubberfield and Luther Lowery will sing baritone. The second base section includes Leigh Bones, Jeff McMurry, Alvin Osborn and Cecil Peoples. Mr. Sorelle will be the pianist. We are indeed fortunate in having Mr. Taylor who previously directed the Vanderbilt University glee club, as director of our organization.

Mr. Taylor instructed the president to wire to Boston, Mass., for sample copies of fifty of the best glee club songs. Some of these songs will be ordered immediately; and regular practice will begin as soon as the examinations are over.

THAT THANKS- GIVING DINNER

When? Thanksgiving evening at 5:30 o'clock. Where? At the Girls Home. Who for? The Faculty, the visiting football boys and the inmates of the two dormitories.

Such a Thanksgiving dinner as it was! Real turkey, cranberry sauce, celery and everything good to eat that goes with Thanksgiving dinners. If we have nothing else to be thankful for we certainly have one thing and that is we have Mrs. Saegman and her faithful kitchen boys to prepare such good eats for us.

Coach Burton was toast master for the evening but as the Canyon boys had so short a time before time for their train Mr. Burton did not give his speech so Matt Nobles gave the first toast to the Canyon team. After consuming a few more bites of turkey we were again stopped by Coach announcing that Miss Alice Mulkey would toast our football boys. Mr. David Beights gave a toast in which he portrayed in a flowery speech its leadership. Jesse Hiram Campbell toasted the coming senior class—the Junior.

Miss Ella Conner gave a toast to our president, Dr. Slover, in which she expressed our sentiments that he would be president of our little College for years to come. Glenn Lewis gave a toast to our dear old Alma Mater. Miss Jessie Bryant toasted the Labor Union and last but not least of the toasts was the toast given by Miss Naomi Allison to Mrs. Stegman in which she used the seven letters of her name to portray some strong trait of her character. Thanks to Mrs. Stegman for making it possible for us to have such a delightful time. Dr. Slover made a short talk on the future of C. C. and the things that are planned for the betterment of the institution. May we all be together next year in our dear old Alma Mater.

friend over to help make the candy and as is the custom of this crowd of girls they had a delightful time. Playing "42" listening to good music, making new discoveries in the girls "Dump", and eating good candy were the main features of the evening.

It is beyond ones ability to imagine the good times the "Lucky Thirteen" club has planned for the ensuing year and soon one will certainly count herself lucky if she is a member of this lively organization.

CAPITAL OF TEXAS MOVED ITS LOCATION FIVE TIMES

(By Septima C. Smith)

Notice of the appeal to the court of civil appeals of the case of the State of Texas vs. The Capitol Freehold Land and Investment syndicate for the title to 55,000 acres of alleged excess land in the XIT ranch, a portion of the 3,000,000 acre tract which was awarded to that company for the construction of the state capitol in 1885, brings to mind the early negotiations for this massive structure, the story of how it was built and of the temporary buildings that preceded it. The State contended that the syndicate received the above tract of land in excess of the 3,000,000 acres granted as payment for the construction of the capitol, the contention being based upon a survey of the lands held by the syndicate.

Almost fifty years before the beautiful structure that now adorns Capitol Hill was built, the first capitol of the Republic of Texas was located at "Old Washington" on the Brazos river. This was a most unpretentious frame house, built flat on the ground with two doors and only one window in the front. It was in this building, destroyed many years ago by fire, that in March 1836, the Declaration of Texas' independence was signed.

Building Destroyed.

Located at Columbia was the second capitol, where the first congress of Texas met on Oct. 3, 1836. This was destroyed by the terrible flood of 1900.

A more spacious frame structure with three stories, porches and colonial pillars, was the third capitol, located in Houston on Main and Texas avenues. Built by the Al- lens in 1837, this was used until 1840. On this spot now stands the Rice Hotel, eighteen stories high.

The fourth capitol of the Republic of Texas was located in Austin, on the corner of Fifth and Colorado streets, facing Congress avenue. A long, low rambling structure, built in November, 1839, this was abandoned in 1851.

In limestone, located on Capitol Hill in Austin, a substantial, three-story building was the fifth capitol of the State of Texas, built in 1851. For thirty-five years this, the best constructed of all preceding capitols, was used as the seat of government until destroyed by fire November 6, 1881. It was then that the State, realizing the need of building permanently and for the future, constructed the great granite capitol now adorning Capitol Hill which is one of the chief attractions of Austin.

By act of the Sixteenth Legislature of Feb. 20, 1979, the State of

Texas set aside and appropriated for the building of the State Capitol all vacant public lands in the counties of Deaf Smith, Parker, Castro, Lamb, Bailey, Hockley, Dallam, Cochran, and Oldham, an amount equal to three and one-half million acres of land. This reservation was afterward protected in dispositions of the public domains, and was finally disposed of in a body to a syndicate composed of Chicago and English capitalists, which interests contracted to build the capitol for the land.

The result was to obtain one of the finest public edifices on the continent, although the sale of so large a body of land to one corporation was very harshly criticized at the time, and is still considered by many to have been a very imprudent act on the part of the State.

Twenty Bids.

Twenty bids for surveying the land were received, but the task was finally awarded to J. T. Munsen of Denison, June 14, 1879, for the sum of \$7,440. N. L. Norton of Salado was appointed the commissioner to superintend the survey which was stopped by the drought in the fall of 1879 to be resumed in the spring of the next year.

To meet the expense of locating and surveying the whole reservation the law provided for the sale of 50,000 acres of these lands. Proceeds of sale amounted to \$27,750, one half of this sum being required by law to be placed to the credit of the common school fund, and \$12,000 of the balance appropriated to carry out the provisions of the act under which the survey was made.

Work was begun on the new capitol in 1883. On March 2, 1885, the corner-stone was laid with impressive ceremonies under the auspices of the Grand Lodge of Masons. The building was dedicated on May 15, 1888, and Texas was the proud possessor of a capitol that was second only to that of New York in construction, second in size to that of the nation at Washington, and the seventh largest building in the world at the time of its construction.

Granite Donated.

Built of red granite quarried from Granite mountain, a few miles west of Austin, all the material was contributed free of cost to the State by G. W. Lacey, W. H. Littlefield, and N. L. Norton, who owned the mountain. The building is 566 feet six inches in length 288 feet 10 inches in width; and 311 feet in height. It covers three acres of ground, contains 259 rooms, all opening on the outside, 900 windows, 500 doors, and covers

eighteen acres of floor space. The wainscoting if placed in a straight line, would be seven miles in length. A broad concrete walk one-third of a mile in length, surrounds the building and another leads from the main entrance to Congress Avenue. Rising three stories above the basement, the capitol is heated by steam, lighted by electricity and provided with every kind of modern convenience. The Legislature of 1888 appropriated a large sum of money sufficient to furnish the building as the pride of Texas demanded. With a solid rock foundation the walls are six feet eight inches thick, while those for the dome are seven feet four inches thick, and are made of solid white limestone rock, laid in cement taken from the quarries at Oak Hill in Travis County.

Fascinating, indeed is the story of the quarrying of the granite from a huge solid granite mountain in Burnet County. Each mountain was measured and holes were filed every eight or ten inches, a wedge forced in, and the stones cut in just the shape and size needed for the building. A little extension road from Marble Falls carried the stones straight from the mountain into the middle of the capitol where they were hoisted to the appointed place. Convicts did the work of quarrying.

In outline, the capitol approximates a Greek cross with a grand dome.

OLD SOLDIERS WILL MEET HERE FRIDAY

All U. C. V. members are requested to meet at the Kerbow hardware store Friday afternoon at 2 p. m., for the transaction of important business. This is a matter that vitally concerns ex-Confederates, and all those who can

possibly do so, should be present. Fire Friday night badly damaged the old Bauer paint shop owned by J. T. Warren and occupied by Jack Rutherford. The fire originated it is claimed, from a defective flue. The fire boys made quick work stopping the blaze when the water was turned on. The building will be repaired for future use.

Orders Taken At This Office

The \$2.50 per year weekly newspaper has made its appearance in the Panhandle. The Clarendon News is raising its rate to that price. Those people outside a newspaper office may marvel at the nerve when other lines are seemingly on a great decline. The fact is that everything going into the making of a newspaper is steadily increasing every month. Newsprint has advanced 3 cents per pound since the first of August. Before the war it sold at 2 3/4 cents per pound. The price today

is nearly 17 cents per pound delivered in Canyon. The subscription price of a \$2.00 per year weekly will not pay for the blank paper, say nothing of the work connected with the publishing of a weekly paper.—Randall County News.

CARE OF FARM IMPLEMENTS SAVES REPAIR BILLS

Leaving implements to the Mercy of the Weather Expensive Practice for the Farmer—Mower Needs to Be Put Under Shelter—Should Store Plow in Dry Place.

In this day of complicated machinery most farmers probably give little thought to the care of so simple an implement as a plow. But more effort has been expended in the slow process of developing this seemingly simple tool than in that of any other implement on the farm. It is the basic tillage tool, the fundamental farm implement, and it is richly entitled to be properly cared for when not in use.

When laid by, say the implement experts, the plow should, if possible, be stored in a dry place, away from contact with the ground. In any case, the bright parts should always be coated with grease to prevent rust. Once the mold board and harrow have become pitted with rust, an efficient job of plowing can not be done until the corroded parts again have acquired a polish by use. The United States Department of Agriculture, of course, does not stop with the plow in its admonition in this regard. Harrows, also relatively simple but tremendously important implements, are, next to plows, most generally neglected. Many farmers who would not neglect an expensive harvesting machine, say the experts, are careless as to harrows and other implements of this type. But these, also, represent capital invested, and a larger return is possible if they are properly cared for at the end of the season.

If harrows are stored under a shed, the teeth should be supported by blocks or boards, so that they will not become embedded in the ground. All accumulations of earth and trash should be removed. This is especially applicable to wooden-frame harrows. The earthy accumulations retain moisture and accelerate decay. When the wooden parts have dried out sufficiently they should be painted, to prevent season checking and splitting. As the harrow works in wet earth and close to the ground, deterioration is rapid once checking has started.

If the disk harrow is stored in a shed or other floorless building, the disk gangs should be run upon boards, so the disks will not become embedded in the ground. Whether housed or not, the implement should be carefully cleaned of all accumulations of soil, and the disks should be greased with a heavy grease to prevent rust. The paint, particularly on the wooden parts, should be renewed frequently.

Mowers, more generally than plows and harrows, are put under shelter, but many of them spend the winter at the edge of the meadow where

the last cutting of hay was made, and in most cases they are not properly greased, even when sheltered. Get the mower under shelter, if possible. In any case, clean the knife bar, wipe it with a greasy rag, and store in a dry place. Place a block of wood or other support under the midpoint of the tongue, so that it will not acquire a permanent sag. If the mower is stored with the cutter bar in a vertical position, place a block of wood under the shoe to take the weight off the frame. All accumulations of vegetable matter and dirt should be removed and all bearings and other bright parts of the machine oiled or greased. Much the same rules apply to reapers and binders.

The time to care for each implement is when its work is finished. Pressure of other work, however, frequently makes this inconvenient, but nothing should be allowed to interfere with getting all machinery greased, and, if possible, under cover before the beginning of winter. Then, as early in the winter as you can find time for it, go over every piece and see what repairs are needed. If new parts have to be ordered, order them at once. A great deal of valuable time is lost every spring waiting for repair parts to arrive from the city.

The best possible use should be made of such housing space as is available, and grease and paint should be used without stint. Any farm implement with bearings and bright parts well protected with heavy grease is better off out in the weather than standing in a shed without any protection by grease or oil.

The United States Department of Agriculture has two bulletins—Farmers' Bulletin 946 and Farmers' Bulletin 947—devoted to the repair and adjustment of farm implements. With all implements safely sheltered for the winter, you have time to write for these bulletins and to use the information they contain in putting your implements and machines in the best possible condition for next crop season.

STOCK SHOW "HUNCH" ROAD TO BIG PROFITS

The National Western Stock Show at Denver which is to be held this year, January 15 to 22, is rightly considered one of the leading educational institutions of the West. For fifteen years this Show has been educating the stockmen of this locality to the value of improved live stock. The large numbers of new purebred breeding herds established and the improvement made in those already established is evidence of the success it is achieving in the educational field.

Among those whose newly established herds are testimonials to the value of the Show as an educational institution is C. E. Eddleblute of Strasburg, Colo. Mr. Eddleblute attended the Stock Show of two years ago with only a passing interest in improved stock. He knew in a gen-

eral way that good breeding pays, but he had no first hand knowledge of this fact. He attended the auction sale of purebred Duroc-Jersey hogs and saw the splendid animals go through the ring at prices which looked high in comparison with those he had been receiving for grade stock. Finally the desire to own one of these good hogs became so strong that Mr. Eddleblute began bidding. Almost before he was aware of the fact, a fine young sow from the Brauer herd at Colorado Springs had been knocked down to him at a good stiff price.

"I had never paid such a price for a hog before," said Mr. Eddleblute, "and I wondered all the way home if I had made a mistake in buying her. It did not take long, however, for me to decide that I had made a good buy. After two years of experience with this sow I can say that she was the cheapest animal I ever purchased and today she is bringing me pigs I can sell for more money than I paid for the sow."

Mr. Eddleblute's experience with pure-bred hogs has led him to go further, and recently he purchased the foundation stock for a herd of registered milking Shorthorn cattle which he is establishing on his ranch near Strasburg.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at first Sign of Bladder Irritation or Backache.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out. They weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and

Good Value Victorious

In the beginning Dodge Brothers determined to build a car on honest principles giving the best value possible. They were sure that no matter what happened there would always be an inexhaustible market for the particular kind of car they hoped and planned to build. They were right. Good value is victorious. Today while other factories are either running at minimum speed or closed, Dodge Brothers are running at full capacity and are building a big addition to the factory. Many Dodge Brothers Dealers are now oversold because at this time people are paying more attention to good value.

Assist the Moulting winter eggs

At this season your hens should get elements for both feathers and eggs. Feathers are mostly protein. A high percentage protein feed supplies a surplus of feather-making materials, thereby assisting the moult, reducing the severe strain of feather growing and advancing winter eggs.

Purina Chicken Chowder Helps Hens Moulting

because it runs high in protein that is available for feathers. It is not a tonic but a wholesome scientific feed, made of granulated meat, linseed meal, alfalfa flour, etc., balanced to be fed in equal weight with Purina Scratch Feed. These two feeds form the perfect ration for moulting and laying hens.

Grain Feeds Not Suitable For Moulting

They do not furnish elements for feathers, so hens moult slowly and are in poor condition for winter laying. Feed an abundance of Purina Chicken Chowder now if you want eggs next winter.

JOHNSON FEED & PRODUCE CO.
Clarendon, Texas

CITATION BY PUBLICATION.

The State of Texas. In the District Court, Donley County, Texas, January Term, A. D. 1921.

To the Sheriff or any Constable of Donley County, Greeting:

You are hereby commanded, That, by making publication of this Citation in some newspaper published in the County of Donley four weeks previous to the return day thereof, you summon: Mary Waller Rea and husband B. M. Rea and Charles Molter who are alleged to be non-residents of the State of Texas to be and appear before the District Court, to be held in and for the County of Donley, at the Court House thereof, in the City of Clarendon, on the Second Monday in January A. D. 1921, the same being the 10th day of said month, then and there to answer the petition of Kimbrough, Underwood & Jackson, a partnership firm composed of W. H. Kimbrough, R. E. Underwood and M. J. R. Jackson, plaintiffs, filed in said Court on the 29th day of October A. D. 1920, against Mary Waller Rea and husband B. M. Rea, John A. Rea, Henry Holmes, T. M. Dickey, Mrs. P. L. Luce and husband R. G. Luce, A. F. Luce and Charles Molter, defendants, said suit being numbered 1106, the nature of which demand is as follows, to-wit: Suit on promissory note for \$1500.00, dated October 30, 1917, executed by Mary Waller Rea and B. M. Rea, payable to the order of Kimbrough, Underwood & Jackson one day after date, and to foreclose deed of trust on Lots Nos. 1, 2, 3, 4, 5, and 6, Block 19, and Lot 7, Block 18, Original town of Shamrock, Wheeler County, Texas, and Lots Nos. 5, 6, 7 and 8, Block 1, Grant Addition to Original Town of Clarendon, Donley County, Texas, securing said note; that on September 14, 1917, Mary Waller Rea and B. M. Rea executed a deed to John A. Rea conveying the property in Wheeler County, Texas, to him for the sole and only purpose of placing same beyond the reach of their creditors; that in Suit No. 1094 in District Court of Deaf Smith County, Texas, Mrs. P. L. Luce, R. G. Luce and A. F. Luce, plaintiffs vs. Mary Waller Rea and B. M. Rea, et al defendants a writ of attachment issued and returned to the hands of the sheriffs of Wheeler and Donley counties, Texas, and was served on the property above described; that when said cause went to trial it resulted in judgment for the defendants Mary Waller Rea and B. M. Rea; that in Cause No. 2956 in District Court of Potter County, Texas, defendant Charles Molter secured judgment against Mary Waller Rea and B. M. Rea for \$527.85; that writ of attachment issued out of said cause to the sheriffs of Donley and Wheeler counties, Texas, and was levied upon the property above described except that no levy was made on Lot No. 7, in Block No. 18, in Shamrock, Wheeler county, Texas; that in the County Court of Potter County F. R. Carl secured judgment against Mary Waller Rea and B. M. Rea for \$205.68; that writ of attachment issued to the Sheriff of Wheeler county and was by him levied upon all of the property in Wheeler county above described.

Plaintiffs pray for judgment against defendants for their debt, principal, interest at the rate of 3 per cent from October 30, 1917, to date of payment of same, and attorney's fees, for foreclosure of their deed of trust lien against the above described property; that said property be decreed to be sold in satisfaction of said debt, principal, interest and attorney's fees; that the deed to John A. Rea be cancelled and held for naught; that the writs of attachment lien in favor of Mrs. P. L. Luce, R. G. Luce, A. F. Luce, and F. R. Carl be cancelled, set aside and held for naught, and where all the said writs of attachment lien; that the deed to the defendant Henry Holmes be declared void and of no effect; that the sheriffs deed and attachment lien in favor of Charles Molter be declared void, and no effect, cancelled, and set aside; that the claim of T. M. Dickey (who is asserted some sort of claim to said property, in Wheeler County) be declared to be inferior to their deed of trust lien; that the claims of all the defendants be declared to be inferior to their deed of trust lien; that said lien be declared to be a first and valid lien against said property; that in case the court may determine plaintiff's mistaken saying that the sheriff's deed to Charles Molter and Henry Holmes are void, then plaintiffs say they have a right to have their deeds of trust lien foreclosed and tender to Charles Molter and Henry Holmes the amount which they paid for said property, and offer to redeem said property from the claims of Molter and Holmes, for costs of suit and general relief.

Herein fail not, but have you then and there before said Court, this writ, with your return thereon, showing how you have executed the same.

Witness W. E. Bray, Clerk of the District Court of Donley County, Texas.

Given under my hand and seal of said Court in Clarendon, Texas, this 29th day of October, 1920.

(Seal) W. E. BRAY
Clerk District Court, Donley County, Texas.

awfully seized and possessed of the following described land in Donley county, Texas, to-wit: all of Lots eleven and twelve in Block five in Grant's Addition to the city of Clarendon, according to the map of said Addition recorded in Vol. 13, page 336 deed records of Donley county, Texas, that plaintiff under and through whom he claims title and possession of said described property have had peaceable and adverse possession of same, occupying, using, enjoying and paying taxes thereon and claiming title and shadow of title to same under properly executed and recorded deeds for more than ten years, to-wit: deeds recorded in Vol. 19 page 585, Vol. 34 page 157, Vol. 45 page 212 and Vol. 45 page 214 of the deed records of Donley county, Texas; that on the day and date last aforesaid defendants unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withholds him from possession thereof to plaintiff's damage \$2750.00. Plaintiff prays for judgment of the court, that defendants be cited to appear and answer to this petition, that he have judgment for possession of the above described land and premises, that writ of restitution for said premises issue and he prays for damages, costs of suit and for other relief special and general to which he may be entitled.

Herein fail not, but have you then and there before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Clarendon, Texas this 22nd day of October, A. D. 1920.

W. E. BRAY, Clerk.
District Court, Donley County, Texas.

(Seal) By S. HIGHTOWER, Dep.

Thomas A. Edison

From Edison To YOU!

EDISON'S NEW DIAMOND AMBEROLA

The World's Greatest Phonograph Value

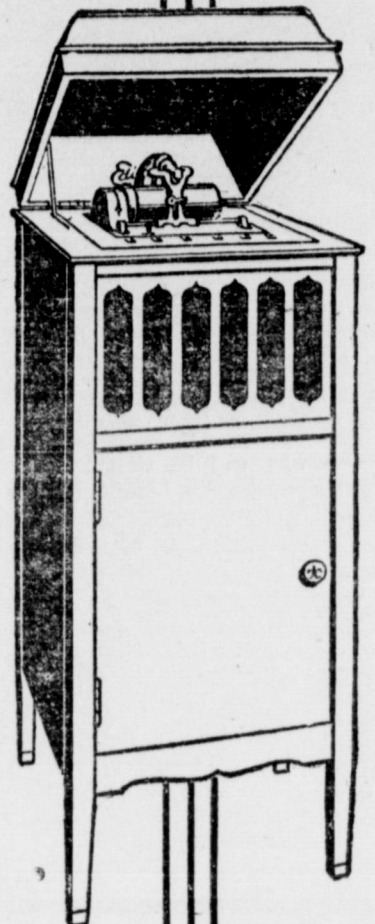

THINK of the vast difference between Edison's Amberola and ordinary phonographs or "talking machines". The Amberola is the product of matchless inventive genius—of inspiration. Other phonographs are plain, factory-made machines, devoid of inspiration.

Thomas A. Edison's master mind conceived the Amberola to entertain mankind. Commercial phonographs are put together with just one object in view—to sell at so much profit.

No wonder the Amberola has demonstrated its superiority time and again in public comparative tests with "talking machines" and commercial phonographs.

The marvelous tone of the Amberola—the permanent, genuine Diamond Point Reproducer (no needles to change)—the practically unbreakable, everlasting Amberol Records—all reveal the genius of Edison. And the surprising, low cost of the Amberola puts high-priced "talking machines" and commercial phonographs to shame.

Let us show you how easy it is for anyone to own an Amberola. Call at our store or write to us in the next few days. Even if you are convinced you cannot afford an Amberola, put it up to us to make it possible. So remember—call or write—soon.

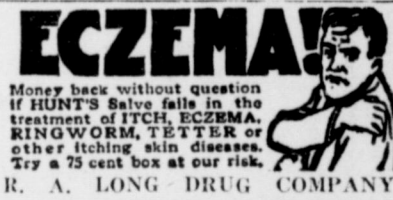

STOCKING'S DRUG STORE

AN APPRECIATION

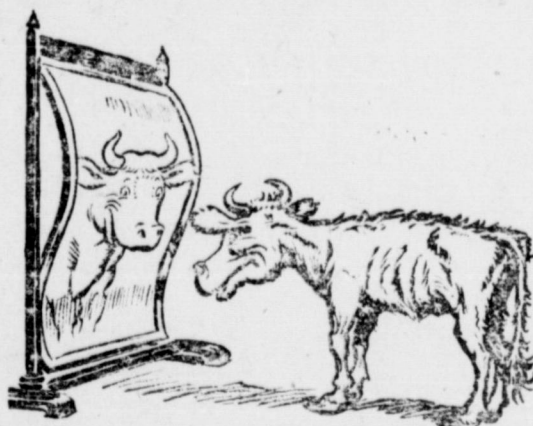

After being in business here for the past twelve years, I desire to thank all my customers for their patronage and kindness shown me. It is now time for me to retire to devote my attention to other business and I want the public to know

that I have always appreciated the business given me. I have tried to treat every customer right. My actions must have met with the approval of a large majority for the business has grown immensely. I hope that they will prosper despite present conditions, as they deserve.

E. M. Ozier.

R. A. LONG DRUG COMPANY

Fooling Himself!

This skinny critter is busy at making himself believe he is a fat steer! But his delusion is no more complete

than that of the farmer who thinks he saves money by raising cheap scrubs. These days, when the margin between feed cost and selling price on the hoof is uncertain, there is on y one economical kind of steer—the pure-bred. His superiority over the scrub can be measured in size, in quality, in pounds of beef for pounds of feed consumed—and finally in dollars on the credit side of the farm ledger.

In a series of advertisements in this newspaper, we shall demonstrate that pure-breds make the beef for which the packer pays the highest price. They are your big money-makers when the market is up, your surest source of profit when it drops.

For this publicity in the interest of pure-bred beef cattle, we are indebted to THE COUNTRY GENTLEMAN. If you are now a reader you know its frequent helpful

articles on better beef cattle, and its many fact-stories of successful farmers who have prospered from the steadily increasing demand for pure-bred breeding stock.

If you are not a subscriber, let THE COUNTRY GENTLEMAN enroll you along with the rest of its progressive farmer subscribers. Fifty-two issues of a year's subscription come for just \$1.00. Yes, your check is good.

TEXAS HEREFORD BREEDERS ASSOCIATION

John Lee, Secretary San Angelo, Texas

THE COUNTRY GENTLEMAN, Philadelphia, Pa. I'm glad to see you pushing our organization with good advertising. And here's my dollar for a subscription for one year, fifty-two issues. The two go well together.

KHIVA WILL STAGE THIRD CEREMONIAL LATE IN DECEMBER

At a special meeting of Khiva Shrine Tuesday night it was decided that in order to give the Novices who have been elected, and others who will be elected during next month, the benefit of the present initiatory price, that a short ceremonial will be held Wednesday, December 29.

Something like eighty applications have been acted upon, but unless applicants appear for the work at the next ceremonial it will be necessary for them to pay an additional twenty-five dollars.

Fred Story and wife attended the marriage of the former's sister in Amarillo Wednesday.

"Satan's a Liar and Conjuror, Too"..... Guion.
Oscar Seagle.
Mr. Hector Dansecau at the Piano.

**Oscar Seagle, Baritone
A Singer From Youth**

Like many other American singers whose first public experience began in a church, it might be said that Oscar Seagle, the now well known baritone, could go any of 'em one better. Seagle is a Southerner. He comes from the eastern part of Tennessee—right in the heart of the Blue Ridge Mountains. In his section of the south "moonshine" and fuels run hand and hand with religion and his father being a minister of the gospel and a man of prohibition, he felt it his duty to devote his life hitting the demon rum a solar plexus blow, that would lay him low for time immortal. It was the duty of young Oscar, on these big revival and camp meeting occasions to get the victim ready to come out so his father or whoever was the Lord's chosen on that occasion could land a left shaft or a right cross that would knock the sin, rum and badness for evermore.

As to getting a sinner's goat Oscar, as a boy was a wonder. His beautiful high soprano voice could fuel the heart of the most fiend like wrong doer and backslider. He would stand up in front of the congregation and sing "Come Sinners Come Home" or "When the Roll is Called Up Yonder" that none could resist. Time and time again he sang as many as six and eight solos during a meeting. It did not take long before the young singer from the Mountains of Tennessee became known in other parts of Dixie, and when the famous Sam P. Jones, the evangelist happened to hear him, the evgy witty Georgian and beloved minister would have none other than Seagle as his assistant. For years he toured the country with Jones until he was besieged by theatrical managers of all kinds.

At the age of 20 he entered the light opera field. He made excellent progress. Then his wife came to the conclusion that he should go to Europe and study. She had lived in Paris and had become acquainted with the musical life in that city. Leaving for Paris with just about enough money to carry him through for a period of 6 months, Seagle placed himself under the wing of Jean De Reszke the famous French tenor and teacher. Under De Reszke Seagle immediately found favor in the great tenor's graces who finding out his financial condition, did everything possible to aid him so he could remain in Paris and continue his studies. Seagle's progress was so rapid and in short time he was much in demand in the concert field. He also had a big class of students and in this way was able to live in comfort.

Of all American singers who ever came to Paris, it is doubtful if any

one was ever more popular than the Baritone who hailed from the Mountains of Tennessee. His concerts in Paris, were generally sold out days in advance, and the French songs and musical public were delighted in the manner in which he sang his French songs. Not only did he sing them in a manner that delighted his hearers, but he seemed to possess the true French spirit in them. Since Seagle sings his French numbers at all his concerts in New York one finds a wonderful gathering of French people. They know that when Seagle sings the songs of their beloved France, he does it in a manner and spirit that brings joy to their hearts.

Mr. Seagle appears in this city on the evening of Friday, December 3rd, under the auspices of the Artists' Course Committee.

The many friends of Chas. Baldwin will be glad to learn that he and son, Jasper will return home this week. Jasper is improving nicely and will be dismissed from the sanitarium the last of the week.

A. M. King, pharmacist of the Stocking drug store, returned from a vacation trip to central Texas the first of the week. Mr. King states that comparing our conditions here with those of central Texas, we have much to be thankful for and that we are in much better condition than we think.

T. N. Clayton and family of Memphis and his son and family of the same place, became residents of the City Beautiful by home purchase this week. T. N. and H. E. Clayton are father and brother respectively of S. T. Clayton, our local merchant.

Frank Houston, district manager of the Texas Gas & Electric company's interests, spent the most of the week here on his regular tour of inspection.

J. Ray of Amarillo and an extensive property owner of this city,
