## DONLEY COUNTY PIG CLUBS

### WILL BECOME VALUABLE ASSET AT AN EARLY DATE

**PIG CLUB MOVEMENT GETS BACKING OF BANKERS, CHAMBER OF COMMERCE AND OTHERS. DUE TO BECOME ONE OF OUR MOST VALUABLE ASSETS IN THE NEAR FUTURE**

Judging from the experience of citizens of other counties in making the hog industry through the pig clubs one of the most valuable assets in the matter of paying off mortgages and kindred financial ailments, Donley county is now in a fair way of coming to the front in the same manner. From nowhere in the state—or south or elsewhere as for that matter—do we get pessimistic reports of pig club industry. The idea of pig clubs has been dragging along for the past few years in this county with varying success. During the time of high priced feed, the hog famine was greatly reduced. Farmers have been made to see the error of their way and are anxious to get back to normal standards of living. While the pig clubs are being pushed among the school boys, industrious farmers will also be encouraged to take hold of the matter.

The industry right now is being fostered principally by the local Chamber of Commerce, their secretary, Roy B. Mefferd, and Mrs. Ida Chitwood, county demonstration agent. Since Donley county will not have a county agent during the coming year, this work will be carried forward by Mrs. Chitwood assisted by the Chamber of Commerce.

A meeting was held here a short time ago at which time all the pure-bred swine breeders and bankers were invited for the purpose of working out a plan whereby all our good hogs might be kept in this county thus enabling the farmers to more quickly secure a stock of good hogs.

The Chamber of Commerce has worked out five plans whereby responsible men or boys may obtain one or more pure-bred hogs. Purchasers of these hogs may pay all cash as a first plan. Or they may pay part cash and give their note for the balance. The third plan is one that should appeal to many and that is the proposition of trading feed for the entire price of the hog. If that plan does not suit, feed will be accepted for part payment and note accepted for the balance. The fifth plan is to accept a note for the price of the hog. Either one of the five plans gives every boy an excellent opportunity to become the owner of a pure-bred gilt already bred and coming from some of the most noted breeders to be found in the entire south.

The herds from which these hogs can be furnished include Silver Crest farm of Hedley; Mann's herd of Hedley; Franklin's herd of Hedley; Butler's herd of Lelia Lake; McBride & Friar's herd of Lelia Lake and Ballard's herd at Lelia Lake, all of which contain prize winning stock. The hogs will be sold at a reasonable price.

The work of organizing these clubs will begin the first week in January and will continue until each school of the county has a pig club. Each club member will be required to render regular reports on the progress of the gilt or pig. Each member will be advised to get a bred gilt in order to realize a quick return on the investment.

A special prize will be awarded to the club member winning the first prize in an open contest during the season, such contest to be held at the county fair in the fall.

This movement means the establishment of at least one hundred more herds of pure-bred, big bone Poland-China hogs a Donley County, rightly termed the "hog heaven" of the southwest.

## REAVIS WILL DO MIS-ARY WORK IN OIL FIELDS

Spending several days in the oil section near Wichita Falls, A. Reavis returned home the first of the week to make his arrangements to take charge of missionary work there. The family will here to be after the farm, which is enclosed with ability a happy family backed by a without action, will on this is to accomplish much good in this section has resulted in much good in the oil fields. His church in the country is regarding his man G. W. Shoff and the

## MEMPHIS MINISTER GOES TO PENNSYLVANIA CHARGE

Rev. Wm. T. Swain, pastor of the Presbyterian church at Memphis has accepted a call from the Central Presbyterian church at Brownsville, Pennsylvania and will begin his labors in his new field the first of February.

## LADIES AID TO MEET

The Ladies Aid Society of the Presbyterian church will meet next Wednesday at the home of Mrs. R. E. Strickland at 2:30 p. m. All members are urged to attend as important business will be transacted.

## G. W. SHOFF

are on the Veterinary Surgeon or their Res. Phone 464

## MAYOR'S MOTHER PASSED AWAY AT SANGER MONDAY

A veil of gloom was cast over Clarendon early Tuesday morning when it became known that the mother of our esteemed citizen, Mayor O. C. Watson, had passed away at the family home at Sanger, Texas at 6:20 p. m. Monday evening. Messages of condolence were sent immediately and floral wreaths of beautiful design were sent by the officials of the Baptist church, another by the City Commission and still another by the Chamber of Commerce truly attesting the high esteem in which Mr. Watson is held by his fellow townsmen and the great sympathy they have for him and his family in this hour of sorrow. The father passed away suddenly during the past summer and this comes as the second great sorrow within the year.

Mayor Watson moved to Clarendon in 1912 and became associated with his father-in-law, G. W. Antrobus in the hardware business. Owing to failing health, Mr. Antrobus transferred the business entirely over to Mr. Watson and Barcus Antrobus in 1916. Mr. Watson being the elder, he naturally took the lead in the management of the business. How well he has conducted himself since becoming a citizen here is best attested by the fact that his friends have honored him with the highest office within their gift. Not only that, his relations in the conduct of his hardware business has been both pleasant and profitable. He has ever taken a bold stand for the right and takes a pride in contributing his help at all times for the betterment of the people of the town who are glad to number him among our leading citizens.

At the time of the death of Mrs. Catherine Watson, her son, Mayor Watson and his family, were there to spend the holidays little thinking that this would be their last journey back to the old home to add to the pleasure of the sainted old mother whose most enduring monument will be the fact that she left behind a family of children whose actions will ever be an honor to her name and of the father whom she has joined in the eternal home where sorrows are never known.

## LOYAL BOOSTERS HAVE ENJOYABLE MEETING

The regular meeting of the Loyal Boosters bible class held at the John Beverly home Tuesday night was pronounced by many to be the best yet. The attendance was the best so far and there was not lack of interest and enthusiasm. After the regular routine of business the study period was entered into heartily by the whole class. Rev. White, the pastor, gave two impersonations both of which created a wholesome lot of amusement. After the close of the meeting, Mrs. Beverly, assisted by Mrs. Jerden, served delicious refreshments to the class. Elder Emanuel Dubbs was honor guest of the class and was the recipient of many honors. The class will meet with Mr. Tucker two weeks hence. There will be a joint meeting of the Gleaners and Boosters at the Christian church next Tuesday night.

## TURKEY STATE BANK CLOSES

The Turkey State Bank of Turkey, Texas, failed to open for business on Monday and as a result Bank Examiner Howard came here Tuesday and proceeded to Turkey where he took charge of the institution. It seems that J. H. Fry, the cashier, had left there on Thursday before to endeavor to arrange for some money and had not returned up to Monday, so the assistant cashier, a lady, who was in charge, failed to open the bank. The deposits at the last statement made on November 15, were \$55,767.40. The bank being a member of the State Guaranty Fund will be able to pay depositors in full within a few days, just as soon as the affairs may be checked up. It is most certain that no one will lose anything unless it be the stockholders. The loans of the bank were \$76,972.25, and as the depositors were checking freely it was hard to realize on the loans to meet the demands for cash. The principal stockholders are supposed to be R. F. Meacham, J. H. Fry, J. L. Bolten, A. H. Payne, T. R. Fuston and several non-residents. The bank had been cramped for some months on account of the slump in cotton. It is believed that with a meeting of the interested parties the indebtedness can be liquidated and the bank may arrange to re-open in the near future. It is hoped this may be done. The closing has nothing at all to do with any other bank in this section and all others are in fine shape.—Hall County Herald.

## LAKEVIEW WAS SWEEPED BY FIRE LAST MONDAY

A fire believed of incendiary origin swept away all of the west side of the business district of Lakeview early Monday morning. The fire was first discovered about 2 o'clock in the basement of the Davenport building. Broken windows in the back of the store gave rise to the belief that burglars had raided the place and then set fire to the stock to cover up the crime. Being without fire fighting equipment the blaze soon made great headway consuming valuable property within a very short time.

The property consumed included the best business houses of the town and some among the best in the Panhandle. Lakeview is located in one of the best agricultural belts with every evidence of a steady growth. It is reported that the necessary work of repairs and rebuilding will begin at once and the places of business restored.

The biggest losses were sustained by D. H. Davenport of \$25,000 with no insurance; C. D. Erwin, \$25,000 partially covered by insurance; Mecham Drug Company, \$12,000 with \$3,000 insurance; J. H. Middleton, \$6,000 with small insurance; C. Gosdin, \$5,000 with no insurance. Other property of a minor value was also destroyed with no insurance.

The many friends of the grief-stricken relatives tender to them their sincerest sympathies in this hour of sorrow and in the evening the entire family spent a couple hours enjoying a good picnic at the Pastime. On Sunday the entire family were the guests of Mr. and Mrs. Mulkey. Taking picnic was one of the pastimes of the day and in the evening Mr. and Mrs. Mulkey took their guests to the Christian Church where a good sermon by the pastor was enjoyed.

## LAKEVIEW WAS SWEEPED BY FIRE LAST MONDAY

**LOSS RUNS INTO THOUSANDS WITH VERY LITTLE INSURANCE. THE TOWN WILL BE REBUILT.**

A fire believed of incendiary origin swept away all of the west side of the business district of Lakeview early Monday morning. The fire was first discovered about 2 o'clock in the basement of the Davenport building. Broken windows in the back of the store gave rise to the belief that burglars had raided the place and then set fire to the stock to cover up the crime. Being without fire fighting equipment the blaze soon made great headway consuming valuable property within a very short time.

The property consumed included the best business houses of the town and some among the best in the Panhandle. Lakeview is located in one of the best agricultural belts with every evidence of a steady growth. It is reported that the necessary work of repairs and rebuilding will begin at once and the places of business restored.

The biggest losses were sustained by D. H. Davenport of \$25,000 with no insurance; C. D. Erwin, \$25,000 partially covered by insurance; Mecham Drug Company, \$12,000 with \$3,000 insurance; J. H. Middleton, \$6,000 with small insurance; C. Gosdin, \$5,000 with no insurance. Other property of a minor value was also destroyed with no insurance.

The many friends of the grief-stricken relatives tender to them their sincerest sympathies in this hour of sorrow and in the evening the entire family spent a couple hours enjoying a good picnic at the Pastime. On Sunday the entire family were the guests of Mr. and Mrs. Mulkey. Taking picnic was one of the pastimes of the day and in the evening Mr. and Mrs. Mulkey took their guests to the Christian Church where a good sermon by the pastor was enjoyed.

## WRESTLING MATCH STAGED BY LOCAL LEGIONISTS

The wrestling match staged at the drawing card of a program put on by local Legionists Christmas day drew out a large crowd of fans from other towns as well as local enthusiasts. J. L. Freeman and Jack Luten acted as principals. The first fell after 23 minutes of skillful struggling, Freeman winning. The second fall came to an end within 12 minutes Jack Luten being victor this time. Third fall came after 15 minutes time during which each man put forth his very best efforts knowing that this fall meant victory, the other two making a tie. Freeman won again making the best two out of three. J. L. Freeman thus became victor over twenty contests.

The other portion of the program brought forth much enthusiastic applause and consisted of five black boys in a ring every fellow for himself.

This program was given for the benefit of the local Post. One such program will be given each month until the quarters are fitted up to their liking. The crowd was orderly and respectful at all times according to the behavior of real sports.

## FAMILY REUNION

A family reunion was enjoyed this Christmas at the home of Mr. and Mrs. J. M. Williams—all of her children being here to spend Christmas. They were Mr. and Mrs. W. B. Ponder and Mr. and Mrs. J. E. Richey of Amarillo, C. M. Duke of Wichita Falls, Mrs. J. D. Bailey of Marshall, Mo., and Mr. and Mrs. Mulkey of this place—also a grand-daughter Mrs. W. A. Evehart from Parsons, Kansas.

A lovely turkey dinner with all the good things that go to make up a good dinner, was enjoyed and in the evening the entire family spent a couple hours enjoying a good picnic at the Pastime. On Sunday the entire family were the guests of Mr. and Mrs. Mulkey. Taking picnic was one of the pastimes of the day and in the evening Mr. and Mrs. Mulkey took their guests to the Christian Church where a good sermon by the pastor was enjoyed.

## RECORDS SHOW DONLEY COUNTY FARMERS ARE PROSPEROUS DESPITE SLUMP IN PRICES

**STATISTICS GATHERED MAKE INTERESTING READING AND GIVE FOOD FOR THOUGHT. OTHERS MAY GAIN VALUABLE EXPERIENCE FROM THE RESULTS AND PROFIT BY THE OBSERVATION**

Fortunately, the hard time cry does not always find lodgment. At this time it is even more necessary to keep right on the job—keep trying. More people rust out than wear out. In this article we wish to give the reader a sketch of a very few of the successful farmers of Donley county. There are many others just as good but we did not take the time to look them all up just now.

A farmer was heard to remark this week on the street that he would have enough to sell at prevailing prices to pay all of his debts and have a snug sum in the bank left over for the proverbial rainy day. He has plenty at home to run him another year. He raises most of his living at home and does not depend upon the contents of a paper sack as do some of the more unfortunate. His name is A. T. Tolbert and he lives in the Ashtola community.

Another good farmer resides across the river north of town. He and his family are just selling enough to pay up and will hold the bulk of the crop. J. R. Dale landed here thirteen years ago earning far less of this year's goods than he now does. He emigrated from Dallas county and has never had the least inclination to return to the "black waxy" belt. This year the family has gathered fourteen bales of cotton with possibly eight or ten more in the patch which they will gather as the weather permits, using the home force. Forty tons of feed was produced. They own over forty head of good hogs and never think of buying meat or lard but sell both instead. Chickens, turkeys and milk cows play an important role on the Dale farm. Turkeys will be raised on a large scale the coming year. The stalk cutter and a gang plow is now running on this farm preparing for the next crop with a greatly reduced cotton acreage. The family is numbered among the most highly respected in this county, have a nice home, own a good car and the family takes an active interest in all enterprises for the upbuilding of the community.

H. M. Reed lives near town and made a good showing all-round this season. From 29 acres of cotton he has gathered with his own force 17 bales which were sold for \$1523.66. The seed brought him \$156.80 and hail insurance amounted to \$160.00 bringing the gross income up to a total of \$1840.76. After deducting the expenses of ginning the crop netted the owner \$1722.96. There will be at least two bales of bolls yet to gather and these are estimated to be worth \$50.00. Thus the net income from the twenty acres of cotton alone this season amounts to \$1772.96. Considering the fact that a dollar now is worth almost two at the time cotton was selling at forty cents, this is not a bad crop report by any means. The Reed farm is a business institution and the family is too busy to be howling hard times. Other sensible provisions were made for raising their living at home. This is one more example of what may be done farming in Donley county under a low price pressure.

M. W. Mosley is another of Donley's practical farmers. His base of operations is located about two miles northwest of Clarendon where he carries on a diversified business system and manages to coax from mother earth a bounteous yield that always places him beyond want and plenty to spare. This season from sixty acres there was harvested seventy tons of maize and kaffir. Forty tons were sold at \$13.00 per ton. The remainder will be held and, if the price does not go up, will be fed out at home. The cotton crop claimed one hundred and twenty acres of the farm. From this patch has been gathered eighty three bales with about six in the patch yet which will be picked out as the weather permits. Forty-six bales were sold at twenty cents and eleven brought the owner twelve cents. After having marketed the above, the owner was relieved from any pressing debts and the remainder of the cotton crop is being held for a higher price. During the year milk, butter and egg sales ran considerably over three hundred dollars. Mr. Mosley is a strong believer in diversification and makes each product produce to the utmost, wasting nothing, and is thus enabled to reap from many different avenues.

Forty acres of oats were cut and baled was found to have made at the rate of one-half ton to the acre. This was sold for \$25.00 per ton.

Twelve acres planted to bundle stuff produced at the rate of four tons to the acre all of which will be reserved for home consumption.

In addition to the above, cows and chickens are kept and this, with the family larder replenished by the usual folk from garden and orchard, enables the family to enjoy the best in the land and with most of that produced right at home.

Hogs play an important role on the Bowers farm. Eight sows constituted the herd on the first day of Jan. '21 this year. From that nucleus the owner has realized 57 pigs, nineteen of which sold for \$177.00, six were killed for home consumption and the remainder of the herd has an estimated valuation of \$710.00.

Prices may be low, but the farmer who has raised plenty can rest at ease defying the world to starve him with bulging granaries at his own door, a comfortable home, and that is more than thousands of others can say. Verily Donley county is the farmer's paradise despite hard times, low prices or any other old calamity that may befall man.

## FIRST CHRISTIAN CHURCH

Bible School 9:45 a. m. J. R. Tucker, Superintendent. Preaching 10:50 a. m. Subject "Going Forward." Preaching 6 p. m. Subject "The Dry Church Member."

Every one welcome to all services. No meeting long. Strangers are always welcome and will be extended a glad hand. All members of the church are urged to attend Sunday as it is the first in the year and each one should want to get the habit.

SAM J. WHITE, Pastor.

Miss Ruth Pittman of Quanah is a guest of Mrs. Dr. Strickland for the week.

## A New Year's Greeting To Our Readers

As we approach New Year's Day, The News wishes for every citizen of Clarendon and Donley County the very best in life from every angle during 1921. The News hopes that every issue during 1921 will bring some pleasure, some good, some brightness to every reader. It hopes that on December 31st, 1921, it has fulfilled the mission for which it was established. It hopes that no word has appeared in its columns that has wounded the feelings of the most sensitive, that no mistake has appeared that has thrown an unjust suspicion upon any person or movement. On the other hand The News hopes that every issue has breathed the progress and optimism of the great Panhandle of which this county and city are the best examples. It hopes that something will be said in its columns that will make for better, happier, and fuller living; that it shall not fail to stand firmly fixed on the firing line of progress and good citizenship; that it shall not fail in its duty to home, country and righteousness. Such a program is one of stupendous magnitude, but any program in the concept of the human mind may be attempted—and we pledge ourselves to the effort. If we fall short, it shall not be said that we did not make the attempt. For such a program we solicit your aid and assistance.

In China they have such a thing as professional mourners. These people are hired to wail and mourn at funerals.

But we don't go in for that stuff in America. We detest "calamity howlers." We're strong for Optimism with a big O. That's how we've gotten where we are today among the nations of the earth.

We look upon the pessimist as a traitor. We don't want the guy who is always seeing "ruin for the country." He may think he's with us but he's thinking against us. The word "unrest" doesn't scare us. Nor the word "red" or bolshevist.

We're Americans. We believe in our strength, in our people, in our government, in our future.

And we greet 1921 with the faith that conquers.

## The New Year

—With the beginning of the New Year of 1921 the Pastime Confectionery desires to express appreciation to the people of Donley County for the generous patronage given us during the year just passed.

—The Pastime has always tried to please its customers—that we have succeeded in no small measure is proven to us by your patronage.

—Pledging our renewed efforts in this direction, we send you our Best Wishes for the New Year.

It's time now to forget about "bad luck," or to believe that there is no such thing. Men should not live with the impression that the world owes them something that it won't pay. The world owes nobody anything only a chance to work. If harder times are ahead we should all begin to exercise—harder up for real service.—Pampa News.

Governor Hobby has returned from Mexico where he and his party were royally entertained for ten days. No doubt the exchange of visits by Mexico and Texas officials was one of the most important events of a half century in the restoring of a cordial commercial relation between the two countries. In case order is brought about in Mexico there is no doubt but it will be a great field for investment and commercial activity during the next decade. Texas people will be the first to benefit by this condition.—Hall County Herald.

## BIGGER and BETTER

—We have a bigger and better stock from which to make your selections. Buying in larger quantities enables us to make you a better price, the stock is kept fresh and the service better.

—In keeping with the policy of other grocers all over the country, we will go on a cash basis after the first of the coming year as announced last week. This will enable us to render even better service than we ever have in the past.

—Remember that no order is too large for our capacity or too small to receive the same prompt attention given others.

—We thank all our customers for their trade in the past and assure them of our appreciation of a continuance of same.

## BETTER TIMES COMING VIEW OF SEC. JAMISON

Rippling with a homely philosophy, a sunny cheer and an abiding optimism Frank R. Jamison, manager of the Panhandle-Plains Chamber of Commerce deserves enrollment among the charter members of the Gloom Killers' Club. In testimony of the foregoing assertion, is offered the following letter dispatched to an almost countless array of friends throughout the Panhandle-Plains country.

"Panhandle-Plains Chamber of Commerce, Amarillo, Texas.  
December 15, 1920.

"Dear Friend:  
"The Christmas season of 1920 is upon us and confronts the population with that kaleidoscopic view which lends variety which a famous author has declared is the spice of life. The vision thus presented is not one of calamity and distress but once the eye is adjusted to the position and coloring there will be brought to view the influence of the Prince of Peace proclaiming good news and glad tidings of great joy.  
"In the uncertain hour of this readjustment, let us remind you that God is in the heavens and prosperity still rides upon the foaming substance of the wave.

"Money which has become mentally obscured still exists in the same generous abundance. It has not been consumed, nor engulfed by the hurrying currents of the sea. Soon there will arise the warm sun of a new season bringing with it the dawn of a brighter day in the affairs of the world.

"If it should be that your wealth has been reduced, for instance, 25 per cent, be consoled by the fact that the remaining 75 per cent will be worth more than the 100 per cent was ninety days ago. The purchasing power of a dollar has been around 43 per cent and on its way back to normal conditions we will encounter a little rough sea. But be assured we shall reach that harbor safely and be able to smile back upon the voyage which, after all, was one of pleasure and great delight.

"So far there has been no tragedy visited upon the Panhandle this winter. Last year and the one previous influenza was taking its terrible toll in human life. We are advised by physicians that there may not be a recurrence of that dreaded malady. Let us hope such may be true and be thankful for property that may, perhaps, depreciate in value; and for life that shall be sustained.  
"We want to avail ourselves of this opportunity to thank you for your support and co-operation through the months we have labored together. A real advancement has been made toward unification of interests and friendships and we are on our way toward a habitable in the world's most favored region right here in the Panhandle, so recognized and acknowledged by the world.

"Our wish for a happy Christmas and a prosperous and contented New Year to you and yours is a very sincere and personal one.

"Yours very truly,  
F. R. JAMISON,  
"Secretary-Manager."

## MODESTY—HAIN'T NO SUCH THING

A friend cuts out a recent editorial, entitled "Modesty's Lost Art," and sends it back to us in a letter with pertinent comment. We had alluded to a picture on the cover of a recent Saturday Evening Post of a young girl, half naked in evening dress and in tears and presumed she was crying because she was ashamed. Our friend says we are mistaken; that she has had her hair cut off and is crying about that. Then he goes on to state that modesty is merely a matter of habit and custom; that Turkish women will pull up their dresses to cover their faces, being too modest to show their faces but caring nothing about showing limbs or shape generally. He holds, also, that girls can wear the prevailing styles of evening dress and still be perfectly modest.

Well, maybe they can, but if that logic is followed out to its conclusion, then they could also wear only the diaper of the South Sea Island lady, or the fig leaf of Mother Eve and still be as modest as the little violet that pokes its head up out of the dead leaves. Just the same, any time a daughter of ours parades her nakedness before the general public, which she wouldn't do because she has had some proper bringing up, there would be an application of a shingle to that part of the anatomy not yet bared except for that special occasion.

According to our friend, modesty is merely a state of mind, and has nothing to do with covering or uncovering, but our old mother did not teach it to us that way. If our deduction that partial nakedness by high society ladies is for sex lure, the same as it is with the demi-monde of Paris, that sets the styles, is not right, then we can think of only one other reason—they've got the itch and it's handy to scratch—exchange.

## PUBLICITY DEPARTMENT TEXAS FARM BUREAU

According to a recent statement of W. Hopwood, Chairman of the Board of Directors of a large number of the cotton spinning industries of Lancashire, England, every one of the cotton cotton spinning industries of that district, composed of two hundred and thirty-six spinning companies, paid in the last three months an average of 26 per cent dividend. This dividend varied for the individual industries from 10 per cent to 600 per cent, but not a single industry failed to pay a dividend.

E. F. Shropshire, manager of the Cotton Division of the Texas Farm Bureau Federation suggests a comparison of these profits with those of the cotton of the South, this year, recalling that at the World's Cotton Conference in New Orleans last winter, the English spinners urged the production of a capacity crop in the South with the statement that a production of anything under 15,000,000 bales would be a calamity.

The mills, through practical agreement he says have stayed out of the market, as far as possible, reducing production to three days a week, but not at the expense of a handsome profit to the stock-holders.  
"A casual view of this condition would indicate," says Shropshire, "that it is about time for the Southern farmer to use some business judgment of his own to meet organization with organization.

"If controlled production is a proper economic basis for the operation of spinning industries, why is not controlled production an economic solution for the southern cotton grower's problem? In other words—would he not be better off to practice diversification, reduce his cotton acreage, raise a sufficient supply of food and feed crops for man and beast on each farm, bring his cotton market as a surplus or profit crop; thereby enabling him to place it upon the market over a period of months in an intelligent way?"

Secretary Shropshire states that authentic figures indicate that the world's production of cotton is much larger than has been expected by the most careful observer and that with the present rate of world's consumption, for the fiscal year ending June first there will be on hand in world's stock 11,000,000 to 13,000,000 bales, or an average American crop.

"If, as indicated, these figures are correct, under world wide deflation and disturbed trade conditions, the southern farmer would be far from using good judgment in the planting of another normal acreage in cotton. While we yet have sufficient time for the planting of winter grain every effort should be put forth for the intelligent diversification of next year's crop and the making of each and every farm throughout this State and the Southland self-supporting." Mr. Shropshire said in commenting upon the figures.

The Reduction in Cotton Acreage Campaign is progressing satisfactorily according to the Farm Bureau officials. Reports from many countries indicate that the reduction will be in excess of that requested, i. e. 33 1-3 per cent.

The other cotton producing states east of the Mississippi at their recent meeting, launched an aggressive campaign in each of these States to do as Texas is doing and a letter received today from Mr. Thomas B. King of Memphis, campaign manager indicates that farmers are entering whole heartedly and earnestly in this effort for cotton acreage reduction of next year's crop. "This is the South's salvation from present prices" says Mr. Shropshire.

Miss Annie Bell Cagle began her work as teacher of the Pleasant Hill school in Collinsworth county Monday of this week.

## THE STATE OF TEXAS

To the Sheriff or any Constable of Donley County—Greeting:

You are hereby commanded to summon L. Means, Plaintiff, and Mrs. Della Means, W. F. Means, Hobart I. Carver, Grace Mackey, E. W. Carver, Mrs. H. A. Carver, and Leora and Virgil Carver, minors, children of H. A. Carver, deceased, and one Means, husband of Della W. Means, whose given name or initials are unknown to plaintiff, and all known heirs of Austin Carver and Kate I. Carver, deceased, and the unknown heirs of Austin Carver and Kate I. Carver, deceased, and the unknown heirs and claimants to certain lands described below, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the Forty-Seventh Judicial District to appear at the next regular term of the District Court of Donley County, Texas, to be held at the Court House thereof, in Clarendon, Texas, on the second Monday in January, A. D. 1921, then and there to answer the petition filed in said Court on the 23rd day of November, A. D. 1920, in a suit numbered on the docket of said Court, No. 1112, wherein Walter Darlington is Plaintiff, and Mattie L. Means, Della Means, Hobart I. Carver, Grace Mackey, E. W. Carver, Mrs. H. A. Carver, and Leora and Virgil Carver, Mi-

## Had You Ever Thought About It.

On June 22nd, the sun rises at 4:36 a. m. and sets at 7:27 p. m. Sun Time.

Each month later in the year the nights get longer, the days get shorter

UNTIL DECEMBER 22—THE SUN RISES AT 7:15 A. M. AND SETS AT 4:42 P. M. SUN-TIME

In the warmer months we get up and dress, cook and eat our breakfast after daylight. We eat our supper while it is still daylight. Often we sit out on our porches or go driving, and so use very little light.

In the fall, winter and spring, when the weather is cold, we stay by the fire. If some members of the family do happen to go to church, prayer meeting, the picture show or some other place of gathering, there is usually some one left at home who is reading or studying.

When children are going to school and study at night, the lights are burned later than if such was not the case. Not only this but we have to have a light to cook and eat our breakfast by in the mornings, and to cook and eat our supper by at night.

We used to consider Electric Irons, Toasters, Vacuum Cleaners, Electric Washing Machines, etc., a luxury, and indeed they were, and they are today, but they are more than this—they are almost a necessity. They don't only save time and labor for the house wife, but it is real economy to use them. When you think about how much the price of coal has advanced within the last few years, then think about the small advance in the price of electricity, you can readily see that there is a greater economy in using these devices than there was one year ago, or ever has been before.

All these devices use current and the meter will register all the current that was used. It costs money to use these devices. But if you use them you get value received for all the money you spend.

When you think about your light bill, remember how much you have used all these devices. When you turn on your light tonight look at the clock and remember that a few months ago at that same hour the sun was still shining.

## Receiver Texas Gas and Electric Company

FRANK HOUSTON, Division Manager

sons, children of H. A. Carver, deceased, all known heirs of Austin Carver, and Kate I. Carver, deceased, and the unknown heirs and unknown claimants, or owners of lands described below, all the above named parties being defendants, the nature of plaintiff's demand being as follows: Suit upon two notes, for the sum of \$800.00 and \$1200.00, principal, together with interest and attorney's fees, being Real Estate First Mortgage Coupon Notes, dated at Kansas City, Mo., of date February 1st, 1915, and due on February 1st, 1920, payable to Walter Darlington 1920, with interest at 6 per cent per annum, and signed by Austin Carver and Kate I. Carver, both of said notes having the same description as above stated, except in amount of \$300.00 and \$1200.00, and secured by Deeds of Trust, follows: The South one-half and the North-west one-fourth of Section No. 31, in Block No. 1, and lettered C2, and containing 120 Acres; the \$1200.00 note being se-

curved by Deed of Trust on The North-east one-fourth of Section No. 31 in Block numbered and lettered C2, and containing 160 acres of land, in Donley County, Texas, to J. S. Uim as Trustee in both Deeds of Trust. Amount due upon property described being a total sum of \$2416.93, including principal, interest and attorney's fees, plaintiff asking for judgment of said sum, together with foreclosure of his mortgage lien described in said Deeds of Trust above referred to, and which are of record in the Deed Records of Donley County, Texas.

Herein said Not. But have you before said Court, on the first day of the Next term thereof, this writ, with your return thereon, showing how you have executed the same.  
Witness my hand and Official Seal at my office in Clarendon, Texas, this 23rd day of November, A. D. 1920.

Calls answered promptly.

The basement of the Christian church was finished up this week. All of the labor and skill was contributed by the various members of the church even to the hauling of gravel and cement.

#### TEXAS CONFERENCE OF SOCIAL WELFARE

Miss Ella Yeager has been appointed membership secretary for Clarendon of the Texas Conference of Social Welfare, according to news received here this morning from the headquarters at Dallas.

The Texas Conference of Social Welfare is an organization devoted to co-operation and efficiency in social work, and its membership is open to all persons interested in social progress, whether or not they are actively engaged in social service work. The Conference aims to be of service to every community in Texas through its services to agencies and organizations doing work of a social and civic nature in that community, and through its services to individuals in the community.

Besides its annual inspirational and educational meetings, the tenth of which was held in San Antonio November 19-23, 1920, the Texas Conference of Social Welfare has added to its functions a year-round program of enlarged activities. In order to carry out this program, the Conference has engaged a full-time secretary, Miss Ruby A. Black, formerly of the University of Texas, who took up the work September 1st. This enlargement of activity has necessitated an increased budget, and in order to meet this budget and in order to extend the interest in the Texas Conference of Social Welfare, which represents all kinds of social work, the present membership drive has been inaugurated, with chairman working in some 280 Texas towns and cities.

Among the definite methods of service which the Conference offers to any individual or any organization in the state are: The establishment of relationships throughout the state of all social agencies, either private or public, in order to bring about team work and to prevent overlapping and neglect; the provision of library reference along lines of social, health and civic subjects, and the supplying of literature and bibliographies; the encouragement of local social solidarity through community councils; the assistance of communities in solving their social problems; the creation of a central information bureau available for everybody; the maintenance of a speakers' bureau which will be able to supply speakers on social, health, and civic problems to any community desiring such speakers; the keeping of a registration bureau for social workers so that the worker and the organization needing workers may be brought together; the study and encouragement of social legislation, both in its enactment and in its enforcement; the making of contacts with all national agencies; visits and conferences with communities.

The Civic Federation of Dallas furnishes offices for the Conference so that the budget this year is at a minimum. The Conference hopes to enroll between two and three thousand people who are interested in the social progress of Texas, by January 31, 1921.

The officers of the Conference are: Elmer Scott, Pres.; Mrs. Maggie W. Barry, Dr. Oscar Davis, Vice Pres.; Miss Ruby A. Black, Sec.; J. K. Hexter, Treas.; Miss Mabel Ferguson, Prof. Max S. Handman, Dr. J. Elliott Ross, H. Wirt Steele, Directors.

#### MARTIN NEWS

Christmas has come and gone and everybody seemed to have a good time.

Sunday School wasn't very well attended Sunday afternoon.

A social at Mr. Eddi Hodges on Christmas night was enjoyed by a large crowd of young people.

A singing Sunday night at J. F. Cannon's was enjoyed by old and young.

Mr. and Mrs. W. W. Moreland and family and Mr. Thomas and George Bain and Miss Clarice Hodges took dinner Christmas day with Mr. and Mrs. J. A. Pool and Miss Minnie Pool.

Mr. Milton Cannon and family from Ralls, Texas, are spending the holidays with his parents, Mr. and Mrs. J. F. Cannon.

Mrs. J. F. Canthen and children of Clarendon spent Christmas day and Sunday with home folks.

Several of Martin's youngsters took dinner Christmas day with Vestal and Ruby Moseley.

Mr. and Mrs. Bain and children visited in Hedley Saturday and Sunday.

Mr. and Mrs. Claud Primrose of Brice and little son are spending the holidays with the latter's parents Mr. and Mrs. Conda Jones.

Mr. and Mrs. Sam Billingsley is spending the holidays with Mrs. Billingsley's parents Mr. and Mrs. Conda Jones.

J. F. Cannon and family and Milton Cannon and family of Ralls, Texas. Mrs. J. F. Canthen and children took dinner with their daughter and sister Mrs. Loyd Moreland and husband, Monday.

Mr. and Mrs. J. A. Pool and family and several of Martin's young people took dinner with Mr. and Mrs. W. W. Moreland and family Sunday.

Mrs. Acheson, the principal teacher of Martin, is spending the holidays with home folks at Decatur, Texas.

Miss Reavis of Bray is visiting with Gertrude Bain.

Mr. and Mrs. Frank Mace of Clarendon took dinner with Mr. and Mrs. C. J. Talley Christmas day.

(Too late for last week)

There was preaching Sunday evening.

Mr. and Mrs. J. A. Pool took dinner with Mr. and Mrs. Loyd Moreland Sunday. The children took dinner with Mr. and Mrs. W. W. Moreland.

Mr. and Mrs. M. W. Moseley and family visited Saturday and Sunday in Hedley.

Singing was held Sunday night at Mr. J. A. Pool's. Everybody reported a nice time.

Gertrude and Thelma Bain spent Sunday with Kate and Ruth Talley.

Buster Pool spent Saturday night and Sunday with Lee and Oswald Jones.

Miss Ocie May and Mrs. Acheson left Sunday morning for Wellington to attend the institute.

Everybody reported a nice time at the social Saturday night at Mr. Conda Jones.

A family reunion and old time Christmas dinner was held at the Joe Holland home in this city, most all of the children of the aged couple being present. Those present were: Mr. and Mrs. W. W. Bady of Memphis, Mr. and Mrs. Marvin Whitfield and son, Ewell, of Hedley, Mrs. C. R. Piercy of Estelline, and children, Dora Lucile and Charlotte Jean, Mr. and Mrs. B. J. Leathers of Lelia Lake. All of the visitors remaining over until Monday except Mrs. Piercy who will remain for several days.

Miss Grace Helen Tyree left Tuesday night to assume her duties on the teaching faculty of the Quantah high school.

#### NOTES FROM THE CHURCH OF CHRIST

We have a splendid Bible drill organized. All of the wonders of God's revelation will be pleased, and welcomed in the class. We are using the "G. Dallas Smith Outlines." Our first lesson will be about the "Birth of the Bible." Come and begin with us.

#### Lelia Lake

Had a house full Sunday morning. Splendid singing, deep devotional service. We like the good people of Lelia Lake. At the close of the service, on going to his car, the minister and his family begin to think they would have to walk back to Clarendon, as their car was loaded with the good things of this life. Well, yes, it was. I guess you would call it that—an old fashioned Methodist "pounding." We thank you good people.

#### Hedley

At 3 p. m. we spoke to a splendid little audience at the little town of Hedley. Here Professor Tillet S. Teddie, author and teacher of vocal music, rendered splendid service. We promised to return.

#### Clarendon

We will make Clarendon our permanent home—at least for a while. As a citizen, I wish to live in peace with all men, and in obedience to the laws and customs, so far as they do not contravene the laws of the Lord. As a Christian, I wish to live with a conscience "void of offense toward man and God." Though a peculiar people, perhaps misunderstood by many, and misrepresented—I hope by a few, a very few, I feel that fairness and candor demands that we be heard before we are condemned. We do not want to be misunderstood as making war on those who may differ with us. There are differences. Let's have them in friendliness. The Lord will adjust them later in Righteousness.

Thos. E. Milholland.

### Jump from Bed in Morning and Drink Hot Water

Tells why everyone should drink hot water each morning before breakfast.

Why is man and woman, half the time, feeling nervous, dependent, worried; some days headachy, dull and unstrung; some days really incapacitated by illness.

If we all would practice inside-bathing, what a gratifying change would take place. Instead of thousands of half-sick, anemic-looking souls with pasty, muddy complexions we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste which it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons which are absorbed into the blood.

Just as necessary as it is to clean the ashes from the furnace each day, before the fire will burn bright and hot, so we must each morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins. Men and women, whether sick or well, are advised to drink each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Millions of people who had their turn at constipation, bilious attacks, acid stomach, nervous days and sleepless nights have become real cranks about the morning inside-bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone, its cleansing, sweetening and freshening effect upon the system.

## Make Today's Business Line Up With The Future

These are days of action—but days when action must be guided with a definite object in view. This requires thought and plan. Your plans for the big future ahead should include this reliable bank. If you are not a depositor, call upon our officers—open an account and get acquainted.

## BIBLE CLASS ENTERTAINS AT GIRLS' DORMITORY

The members of the Business Men's bible class royally entertained their ladies and their teacher, Dr. G. S. Slover at the dormitory of the college Tuesday night. The program included select musical numbers rendered by Howard C. Taylor, Miss Read, Miss Mattie Eva Lane and others. Excellent and timely addresses were made by A. M. Beville, Dr. Wilder, Rev. John Henson, Rev. Ferguson and Dr. Slover. Each

speaker selected an appropriate subject bringing out important facts in each case that means much for the betterment of the city and her institutions.

As the guests entered, each was served with delicious punch at the door by Mrs. Slover assisted by Miss Elizabeth Stegman. After the timely talks were concluded, delicious refreshments were served to the guests. The meeting resulted in much good and such meetings will likely become more frequent in the future.

## LELIA LAKE NEWS

Good dinners and parties seem to be the way every one is enjoying Christmas with a ball game on the side.

A good game of basket ball was enjoyed on the school ground Christmas between our town boys and the Hedley town boys, Lelia carrying off the victory, the score being 12 and 4 in favor of our boys.

Miss May Palma who is taking a business course in Fort Worth came in last Wednesday to spend Christmas with her parents, Mr. and Mrs. J. J. Palmer.

Miss Dewie Mitcham of Clarendon was visiting here Christmas day.

Miss Bess Adams, a nurse from the Baptist Hospital of Dallas, is spending the holidays with her parents Mr. and Mrs. G. F. Adams.

The Christmas tree at the Methodist church Friday night under the Sunday School was quite a success.

Mr. and Mrs. Jim Adams of Clarendon spent Saturday in Lelia.

Quite a nice time was enjoyed in the home of Mr. and Mrs. R. E. Conner by the older set Christmas night, the time being spent in listening to good music on both piano and Victrola. At a late hour dainty refreshments of hot chocolate and cake was served to the following guests: Mr. Walter Cothran and wife, Mr. Buster and wife, also Mr. June Taylor and wife.

Miss Mary Roberts, who is taking piano and voice in Amarillo, is visiting home folks.

Mr. and Mrs. Patman visited in the June Taylor home Sunday afternoon.

Mr. and Mrs. Bryant Jones of Clarendon spent Christmas day with the ladies parents, Mr. and Mrs. Guy Taylor.

A. V. Clark and wife were down from Clarendon Saturday.

Mr. Frank Pyrhams and wife, Homer Ellis and wife, Miss Edna Bullar and Dora Ellis and Miss Mary Roberts and Mr. Warner motored to Amarillo Saturday.

Mrs. Frank Pyrhams has as her guest a brother from her home town near Fort Worth.

Mr. and Mrs. Homer Ellis and brother Eldridge of Clarendon taken dinner Christmas day with their parents, C. H. Ellis.

Walter Creamer and family were shopping in Clarendon Thursday.

Mr. and Mrs. E. B. Mace had business in Clarendon Thursday.

Warren Kennedy is spending the holidays with his parents Mr. and Mrs. Will Kennedy.

## FRESH SWEET MILK

Delivered morning and evening. Rumble & Greer. Phone 450. 2c.

Uncle Bill Parsons was unable to attend the wedding of his granddaughter due to a previous invitation to eat corned beef and cabbage with John Beverly on the same date.

Arthur Cross returned the first of the week from a business trip taking him to Brown county and central Texas points.

## LOCAL & PERSONAL

Robert Patton is in Lamesa this week on a business mission.

The infant of Mr. and Mrs. J. R. Bulls is quite ill this week.

C. H. Dean is in Frederick, Oklahoma on a business mission.

W. L. Flake is in El Paso this week on a business mission.

Geo. Ryan and family visited his mother over Sunday in Amarillo.

W. H. Foster made a business trip up into Gray county the front end of the week.

Jas. C. Sharp of the News force spent Christmas with home folks at Cyril, Oklahoma.

H. C. Kerbow is taking a vacation in the San Benito, Texas country in the Rio Grande valley.

Misses Noble and Chloe Hansen of Ashtola spent the week end with Mrs. Eugene Nolan in this city.

Mrs. W. F. Sims and daughter Miss Glenna, are visiting the family of Geo. Sims at Canyon this week.

John McClelland of Pampa visited locally with his mother, brother and other relatives during the week.

Chas. H. Dean, now a student of the law department, of the state university, spent the holidays with home folks.

Messrs. Ernest and Lee Pope of the Mercantile company spent their holiday period with home folks at Vernon.

W. M. Formwalt and family, ranch people of near Alanreed, visited relatives and friends here during the holidays.

Mr. and Mrs. Jess Fortenberry of Amarillo spent the holidays here with the lady's parents, Mr. and Mrs. Fortenberry.

S. A. Andrews, who has had a tussle with pneumonia and kindred ailments the past several days, is now able to sit up.

Mrs. W. J. Atteberry and daughters, Misses Billie and Adrain, of Amarillo, are spending the week here with relatives.

The Lake R. Watson home burned southeast of town Monday with no insurance. The fire is said to have started from a defective flue.

F. M. Jones of Big Springs spent several days here the past week visiting with his brother, T. N. Jones, and other relatives.

Mrs. A. L. Luxa and daughter, Miss Mary Jane, returned from Verdun, Oklahoma, Wednesday where they spent the holidays with the lady's parents.

J. D. Harvey returned from Davidson, Oklahoma where he visited relatives. Mr. Harvey states that the little burg is on the eve of an oil boom, one well being ready to be shot this week.

Mr. and Mrs. G. D. Thorp will leave next week to make their home in Sentinel, Oklahoma. Mr. Thorp has been in the employ of the Rathjen store here since late summer and has made many friends.

A protracted meeting will be held by the second Baptist church at Lelia Lake beginning Friday night before the third Sunday in August, and will continue indefinitely. Rev. Smallwood will conduct the meeting.

F. C. Quarles this week purchased the interest of W. L. Flake in the City Drug Store. Mr. Flake will make his home in the future at Electra where he will be engaged in the same line of business.

W. D. Shelton, local live wire and a native of this section, spent the holidays with home folks at Hedley eating Christmas dinner with his mother. W. D.'s father was one of the first settlers at Hedley locating there on a homestead in the long ago.

Little Clark Stewart, son of Mr. and Mrs. W. C. Stewart, who has been quite ill for several days, is showing some improvement. This little boy is one among the number to have a letter to old Santa appear in the News recently. He got all that he asked for and then some more too.

George H. McCormick, carpenter of our town, recently went to California. He stayed about two weeks and returned. His principal complaint is that though the flowers stand the cold, damp climate, a Texan cannot put up with it with any degree of comfort.

Mr. and Mrs. H. B. Benedict of St. Louis arrived Thursday to spend the holidays with their daughter, Mrs. Louis F. Alt and Mr. Alt, of 2228 West Eighteenth street, who also will have as their guest for a part of the holiday week, Miss Myrtle Benedict, of Clarendon, Texas.—Daily Oklahoman.

Miss Ima Bailey of Wellington spent the holidays at the home of her uncle, W. P. Cagle in this city.

Geo. W. Medley and wife of Fort Worth were up during the Christmas holidays, mingling pleasure with business, and visiting with their daughter, Mrs. Fenn Bourland.

John Blankenship of Hedley was in town Tuesday for the purpose of acquiring ownership of some Clarendon real estate. While he found that realty values had not declined as much as he had thought, he is yet determined to own something in a good town and we hope he will find something to his liking.

# We Thank You

- At the close of the year, all of us will think more or less of the year about to close. We will take mental inventory of our success or failure. We will appreciate our success and will profit by our failure.
- We are thankful of what we have achieved, we acknowledge that our success has been due to our friends and customers and we want to thank all of those that have helped us to do it.
- We appreciate the support you have given us both as friends and customers and we hope that our relation in the coming year will be of the same friendly spirit as it has been in the past.
- We will endeavor to serve you even more faithfully in the future than we have in the past and through this we hope to merit your patronage in the New Year.
- With the best wishes of a Happy, Prosperous New Year to all of you.

"THE STORE THAT VALUES BUILT"

#### BIG ADVANCE IN HOG PRICES LAMBS HIGH; CATTLE STRONG

An advance of 25 to 40 cents today returned the 10 dollar quotation in the hog market for the first time in nearly four weeks. The top price was \$10.25. Packers cleared the pens in a snappy trade. Cattle prices were stronger. Demand was active. In Chicago, the market was lower, and trade slow. Lambs were up another 25 cents, and \$1.75 above the low point ten days ago.

Receipts today were 7000 cattle, 3500 hogs, and 6000 sheep, compared with 10,000 cattle, 8500 hogs, and 3800 sheep a week ago, and 16,000 cattle, 13,500 hogs, and 10,600 sheep a year ago.

Prices for fat cattle were steady to strong with a close clearance. Lower prices in Chicago prevented a general advance here as local receipts were not above the requirements. Packers at the outset bid lower and finally took the bulk of the supply at a steady to strong price. Killing demand seems to be showing increased volume. Fat steers sold up to \$11.75 and medium to fair classes at \$9.00 to \$10.50. Fat cows brought \$5.50 to \$7.50 and heifers \$6.00 to \$9.00 with some

prime heifers \$10.50. Veal calves were 50 cents higher, top \$11.00. Few bulls were offered. Prices were steady.

Thin cattle were in moderate supply. The best stockers and feeders brought strong prices, and the plain to common kinds sold slowly, offerings were cleaned up closely. There was a fairly good demand for stock cows.

Hog prices advanced 25 to 40 cents today, and the trade was active. The top price was \$10.25, and the bulk of the offerings brought \$9.85 to \$10.20, more at \$10.00, and above than below the \$10.00 level. Compared with the low point ten days ago the market is \$1.50 higher. Receipts continue below requirements, and much smaller than had been expected at that season of the year. Pigs are selling at \$8.75 to \$10.00.

Light receipts brought an active demand in the sheep division. Sheep were 25 cents higher, and lambs up 25 to 40 cents. Western fed lambs sold up to \$11.40, and ewes brought \$4.25 to \$4.50. Trade in half fat kinds was dull. There was small inquiry for stockers and feeders.

No fresh arrivals were reported in the horse and mule division. Deal-

#### FUTURE OUTLOOK FOR THE FARMER IS VERY BRIGHT

Col. T. S. Bugbee was in Amarillo Tuesday en route from his home in Clarendon to California in which latter state he will spend the winter visiting with his daughters. The visitor is one of the pioneer citizens of Clarendon and engaged in farming and livestock breeding, feeding and finishing. When asked relative to present conditions and his estimate on the future outlook, Col. Bugbee replied:

"We have a superabundance of feed-stuffs for our livestock and the animals are in excellent condition. It is true that prevailing prices on both grain and cattle are not satisfactory, but it is at the same time evident to any man of a forward looking vision that there are ahead of us times replete with good for all of us. I am not at all discouraged by reason of the drop in prices, even though such change has curtailed our present revenues from farms and

ers are expecting some inquiry next week.  
Chas. M. Pipkin, Correspondent.

all other enterprises. "None of us could have sincerely hoped for a continuation of the exaggerated conditions next following the world war. We who passed through the war between the states and the times immediately following that terrible disruption, were in measure prepared for the period through which we are at this time passing. To the man who has power to reason any proposition through to the end this season of reaction is as the proper kind of medicine to one whose bodily machinery fails to function as a result of too high tension and other phases of neglect. It may be objectionable, but highly necessary. This is the way I feel about the present remedial agencies being applied to the business of agriculture, merchandising and finance, with a reflected relation to all other classes of endeavor.

"Yes, I am getting away for a little season in California, but with the return of spring, I'm back to the Panhandle of Texas, the greatest country in all the world. Some casual visitors to the Panhandle of Texas, hearing for the first time statements of this character, might accuse us

of being extravagant with our words, but such estimate is incorrect. Our high, pure air, our fertile lands, our glorious sun shine and above all the best people on earth gathered from every part of the globe, entitle this entire section to our love for it.

"The spirit of the people, the climatic conditions, the richness of our broad virgin acres combine to assure us that within a very short while, all suggested undesirability of the present will have vanished as a vague gloomy vision of things failing to materialize. Throughout all of my long residence in this country I have had a steadily expanding faith in it, and I know now of a certainty that we cannot fail of the highest and best results, and that prosperity of all the people is assured."

Mrs. Bugbee is not accompanying her husband to the Golden State this time, but is visiting with another daughter in South America for the winter. Amarillo News.

#### CHRISTIAN LADIES AID

The Christian Ladies Aid met with Mrs. Cline December 15 with twelve members and 2 visitors. We had an interesting lesson from Corinthians. Bro. White being there to give us a talk on the lesson. Christmas being so near at hand motion was made and carried not

to meet until January 5, 1921, which will be at Mrs. Walter Dubbs and members requested to be present as we elect new officers. We would like for ever member of the First Christian Church to be present.

### NOTICE OF STOCK-HOLDERS MEETING

The stockholders of the Farmers State Bank of Clarendon, Donley County, Texas, are hereby notified that the annual meeting of said stockholders will be held in the offices of the above named bank on the second Tuesday in January, the same being the 11th day thereof, for the purpose of electing a Board of Directors for the ensuing year, and for the transaction of such other lawful business as may be brought before said meeting.

J. D. SWIFT, Cashier. 53c.

### OLD RESIDENT PASSED AWAY SUNDAY LAST

The death of James Manuel Strickland occurred Sunday night at the home of his daughter, Mrs. W. F. Page, near Brice. Heart trouble was the direct cause of his death, his wife having died from the same malady some time ago. The deceased

was an honored citizen of Donley county and for some time resided in Clarendon where he enjoyed a wide circle of friends who will regret to learn of his passing to the better world though they realize that their loss is his gain. Interment was made in the Citizens' cemetery Monday.

The local editor and family spent the week end with relatives at Sham-ady some time ago. The deceased rock returning Sunday.

## An Appreciation

- Before another issue of the Clarendon News the Old Year will have passed and another chapter in the history of Stocking's Drug Store closed.
- We therefore avail ourselves of the opportunity to thank the public and our customers for the very generous patronage accorded us in 1920.
- We are truly grateful for the splendid comparison that the year's business allows with any of the 34 intervening years since we opened our doors to the trade. Each year of our 35 year's business in Clarendon has offered encouragement when compared with the preceding year, and despite the recent embarrassment to the trade 1920 has been no exception.
- For this we are especially grateful. We wish that we might thank each patron individually and by personal contact express an appreciation that would require no written statement.
- Of the small number of customers who began trading with us in 1885 there are a few whose faces are yet familiar and their long and continued patronage is ever a source of pride.
- Of those who traded with us for a period of 10 to 20 years there is no inconsiderable number, every one of whom is a highly valued customer.
- There are many who have traded with us for a period of 5 to 10 years, and the past year has added a goodly number of substantial patrons.
- To the old ones—to the new ones—to all—we say thank you!
- May the Old Year's end warrant an expression of good wishes for every one.

Sincerely,

## Stocking's Drug Store

(Established in 1885)

Signed JEROME D. STOCKING

### CITATION BY PUBLICATION

THE STATE OF TEXAS.  
To the Sheriff or any Constable of Donley County—GREETING:  
You are hereby commanded to summon the unknown heirs of Mrs. Essie Warlick, Mrs. L. C. Warlick and Mrs. Essie Hart, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, to appear at the next regular term of the District Court of Donley County, Texas, to be held at the Court House thereof, in Clarendon, on the second Monday in January, A. D. 1921, the same being the 10th day of Jan. 1921, then and there to answer petition filed in said Court on the 4th day of December, A. D. 1920, in a suit numbered on the docket of said Court, No. 1118, wherein George W. Kemp and C. D. McDowell are plaintiffs and the unknown heirs of Mrs. Essie Warlick, Mrs. L. C. Warlick and Mrs. Essie Hart are defendants. The said Mrs. Essie Warlick, Mrs. L. C. Warlick and Mrs. Essie Hart are plaintiffs alleging in substance as follows: That Mrs. Essie Warlick, Mrs. L. C. Warlick, Mrs. Essie Hart is one and the same person and was a widow, under the name of Mrs. L. C. Warlick (otherwise Mrs. Essie Warlick), at the time of acquiring title to all of lots numbers one (1), two (2), and three (3), and the East half of lot Number four (4) in Block Number Sixty-two (62) in the original town of Clarendon, Donley County, Texas; that she afterward intermarried with Martin L. Hart; that she, joined by said Martin L. Hart, by general warranty deed, conveyed said premises to plaintiff McDowell, who in turn, by general warranty deed, conveyed to plaintiff Kemp said property; that a cloud rests upon the title and praying for its removal.  
Herein Fail Not, but have you before said Court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.  
Witness my hand and official seal at my office in Clarendon, Texas, this 4th day of December, A. D. 1920.  
W. E. BRAY, Clerk,  
District Court, Donley County, Texas.  
By S. Hightower, Deputy. 1c.

## 3,500,000 CHILDREN FACING STARVATION

### Vast Relief Effort Launched by Eight Leading American Organizations to Avert Tragedy.

The most spontaneous as well as the largest consolidation of effort in the history of American relief and charitable organizations has grown out of the disaster which threatens 3,500,000 European children this winter. To the headquarters of every agency that dispenses American mercy overseas has come one steady cry for months past; the children, most helpless and blameless sufferers in the track of war, will perish by the thousands before next harvest unless America saves them!  
When Dr. Livingston Farrand, chairman of the Central Committee of the American Red Cross, returned from a recent trip abroad, his report throbbled with the need of the children. From the feeding-stations of the American Relief Administration throughout eastern and central Europe came letters, cables, pleas of every sort. The Protestant churches sent investigators into after-war conditions and every report breathed the impending tragedy of starving and diseased children. Protestant, Catholic and Jewish, the child life of Europe is threatened with heartrending misery.  
The European Relief Council, with Herbert Hoover as chairman and the whole power of American charitable thought and effort behind it, has been formed. It consists of Edgar Rickard, representing the American Relief Administration; Dr. Livingston Farrand, representing the American Red Cross; Felix Warburg, representing the Jewish Joint Distribution Committee; Wilbur K. Thomas, representing the American Friends' Service Committee; James A. Flaherty, representing the Knights of Columbus; Dr. C. V. Hubbard, representing the Young Men's Christian Association; Miss Sarah S. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches.

It is the purpose of the Council to raise \$33,000,000, in an appeal centering at the Christmas holidays, to the end that the situation regarding child life may be met. In every town and community of the nation, it is hoped, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds. Of the amount sought, \$23,000,000 will be used for basic food. For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously under-nourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.  
The European Relief Council will do much more than effect economies in the raising of the child-saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift, in order that there shall be no waste and no tendency toward pauperization.

### SHERIFF'S ORDER OF SALE

THE STATE OF TEXAS,  
COUNTY OF DONLEY  
In the District Court of Potter County, Texas, J. H. Pritchard, Plaintiff vs. E. W. Carver et al, defendants.  
WHEREAS, by virtue of an order of sale issued out of the District Court of Potter County, Texas, on November 20, 1920, on a judgment rendered in said court on the 18th day of October, A. D. 1920, in favor of the said J. H. Pritchard and against the said E. W. Carver, for the sum of Five Thousand Three Hundred Seven and 37/100 Dollars, with interest thereon from the date of said judgment at the rate of ten per cent per annum, and costs of suit, with a foreclosure of a deed of trust lien on the property hereinafter described as it existed on the 14th day of June, 1918, No. 3108 on the docket of said court, I did, on the 20th day of December, 1920 at 10 o'clock, a. m. levy upon the following described tract or parcel of land, situated in Donley County, Texas, and described as follows, to-wit: All the right, title, and interest of E. W. Carver, the same being an undivided six-thirty-fifths (6-35) interest, in and to the North one-half (1-2) of Section No. 31, in Block C-2, Certificate 1-167, issued to G. C. & S. F. Ry. Co., situated in Donley County, Texas and containing 320 acres of land, more or less; and belonging to the said defendant E. W. Carver; and on the first day of February, A. D. 1921, being the first Tuesday of said month, between the hours of 10 o'clock, a. m. and four o'clock, p. m., on said day, at the Court House door of said Donley County, I will offer for sale and sell at public auction, to the highest bidder, for cash, all the right, title and interest of the said E. W. Carver, the same being an undivided six-thirty-fifths (6-35) interest, in and to said described property.  
Dated at Clarendon, Texas, this 20th day of December, A. D. 1920.  
J. H. RUTHERFORD,  
Sheriff of Donley County, Texas.

To my friends and old customers I will open my Filling Station in the new Allen Building on Saturday, January 1st, 1921, and will be glad to furnish you with gas, oil and accessories—also storage by the day or month. I will assure you the same good service that it was my pleasure to give when I was with Dick Allen two years ago. Hoping to see you often I am yours to please.

A. Jasper.

## Why hens go on a strike!

The feed elements that make white eggs are entirely different from those that make yolks. When hens aren't fed both the white and yolk-making elements, they can't lay.

Missouri Experiment Station test prove that 100 lbs. of wheat, corn, oats, barley and kafir corn make (above bodily maintenance) an average of 224 yolks to 154 whites. Based on data from the same experiments, Purina formulas produce, (above bodily maintenance), as follows:

Purina Scratch Feed	247.43 yolks	142.11 whites
Purina Chicken Chowder	182.05 yolks	282.55 whites
Combined Ration	429.54 yolks	424.66 whites

These Purina feeds not only make a practically equal number of whites and yolks but more of both than ordinary feeds.

Note that Purina Chicken Chowder contains the necessary white-forming elements to balance up the yolk-making grain ration. That's why it makes hens lay so heavily. Instead of the yolks being absorbed by the hen's system, Purina Chicken Chowder makes the whites to complete the eggs and they are laid. Thus we can absolutely guarantee

more eggs or money back

on Purina Chicken Chowder if fed with Purina Scratch Feed as directed. You take no risk.

SOLD BY

JOHNSON FEED & PRODUCE CO.  
Clarendon, Texas

### CITATION BY PUBLICATION

#### THE STATE OF TEXAS,

To the Sheriff or any Constable of Donley County—GREETING:

You are hereby commanded to summon Mrs. P. L. Luce by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 47th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 47th Judicial District, to appear at the next regular term of the District Court of Donley County, to be held at the Court House thereof, in Clarendon on the 2nd Monday of January, 1921, the same being the 10th day of January, 1921, then and there to answer a petition filed in said Court on the 29th day of October, 1920, in a suit, numbered on the docket of said Court No. 1106, wherein Kimbrough, Underwood and Jackson are plaintiffs, and Mary Waller Rea and husband B. M. Rea, John A. Rea, Henry Holmes, T. M. Dickey, Mrs. P. L. Luce and husband, R. G. Luce, A. F. Luce, F. R. Carl and Charles Molter are defendants and said petition alleging that on the 30th day of October, 1917, the defendant's Mary Waller Rea and her husband B. M. Rea executed and delivered to them a promissory note dated the date last written for \$1500.00, payable to plaintiffs at Amarillo, Texas, one day after date and providing for 10 per cent attorney's fees on the principal and interest, so that plaintiffs say the defendants last named are bound to them for said sum. Plaintiffs further allege that on the same date the two defendants last named for the purpose of securing the payment of said note executed and delivered to plaintiffs a deed of trust dated the same date and covering Lots Nos. 1, 2, 3, 4, 5, and 6 in Block No. 19 and Lot No. 7 in Block No. 18 of the original town of Shamrock, Wheeler County, Texas, as shown by the map or plat of the town of record in the office of the County Clerk of Wheeler County, Texas; and also covering Lots Nos. 5, 6, 7, and 8 in Block No. 1 of the Grant Addition to the original town of Clarendon, Donley County, Texas, as shown by the recorded map or plat of said addition of record in the Deed Records of Donley County, Texas. That said deed of trust was recorded on the 10th day of November, 1917, in the Deed Records of Donley County, Texas and was filed for record with the County Clerk of Wheeler County, Texas on the 27th day of November, 1917, and recorded in the Deed Records of said county; so that plaintiffs have ever since said date and now have a valid and subsisting deed of trust lien against the property above mentioned.

Plaintiffs allege that about the 14th of September, 1917, and before the execution and delivery to them of the deed of trust above mentioned the defendant's Mary Waller Rea and her husband, B. M. Rea executed and delivered to defendant John A. Rea, a warranty deed dated on the date last written by which they attempted to convey to the defendant John A. Rea the property above described as being in Shamrock, Texas; but said John A. Rea was without consideration and was a voluntary conveyance upon the part of Mary Waller Rea and her husband B. M. Rea to John A. Rea for the purpose of defrauding creditors, so that plaintiffs say the title to said property did not pass to the said John A. Rea and that their deed of trust against the same is valid.

Plaintiffs further allege that during the early part of the year 1917, suit was pending in the District Court of Deaf Smith County, Texas, being cause number 1094 wherein Mrs. P. L. Luce, joined pro forma by her husband R. G. Luce, and A. F. Luce were plaintiffs and the defendant Mary Waller Rea and her husband B. M. Rea were defendants; that on filing this suit, Mrs. P. L. Luce sued out some sort of a writ of attachment and said writ of attachment was issued and placed in the hands of the Sheriff of Wheeler County and in the hands of the Sheriff of Donley County, and the Sheriff of Wheeler County levied the writ so issued upon Lots 1, 2, 3, 4, 5 and 6 in Block No. 19 and Lot No. 7 in Block No. 18 of the original town of Shamrock, Wheeler County, Texas, on the 30th day of August, 1917; and the Sheriff of Donley County, Texas, levied said writ of attachment on Lots 5, 6, 7 and 8 in Block No. 1 of the Grant Addition to the town of Clarendon, Texas, on the 23rd of August 1917, so that by virtue of said writ of said writs Mrs. P. L. Luce and A. F. Luce have heretofore been claiming and are now claiming and asserting some sort of claim against said property. But plaintiffs allege that after the issuance and levy of said writs of attachment said cause number 1094 in the District Court of Deaf Smith County, Texas, went to trial and the plaintiffs therein, Mrs. P. L. Luce and her husband A. F. Luce, were denied any sort of judgment against Mary Waller Rea and her husband B. M. Rea and in truth and in fact the said Mary Waller Rea and her husband B. M. Rea in said cause 1094 on a cross action secured a judgment against Mrs. P. L. Luce and her husband R. G. Luce and A. F. Luce, so that these plaintiffs say that Mrs. P. L. Luce and her husband R. G. Luce, and A. F. Luce's right to the writ of attachment levied and levied of said writs, as above set out became void and no lien in favor of the said Luce's above named was created by virtue of the levy of same and no such lien now exists; that plaintiffs are entitled to have the said writs of attachment and the pretended lien against the above described property canceled and set aside.

Plaintiffs further allege that in cause number 2656 pending in the District Court of Potter County, Texas, during the month of October, 1917, the defendant Charles Molter secured a judgment for the amount of \$527.85 against Mary Waller Rea and her husband B. M. Rea and the said Molter caused writs of attachment in said cause to be issued and placed in the hands of the Sheriff

## CHAMBER OF COMMERCE GRAMS

The Chamber of Commerce Office is in the News Office.

Some of the poor of Donley County have been helped during the holidays. The most of this help has been in the form of food and clothing. The worthy poor always deserve help and it is the policy of the Chamber of Commerce to do all in its power to offer this assistance.

The following have contributed to the Chamber of Commerce Goodwill Fund, which will be used for helping the needy:

Donley County State Bank	\$25.00
Epworth League	12.92
Farmers State Bank	10.00
Ryan Brothers	5.00
Wm. Cameron Lbr. Co.	5.00

### CITATION BY PUBLICATION

#### THE STATE OF TEXAS

To the Sheriff or any Constable of Donley County—GREETING:

You are hereby commanded to summon the unknown heirs of Nona Ramsey (a female and deceased), if any there be, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein; to appear at the next regular term of the District Court of Donley County, Texas, to be held at the Court House thereof, in Clarendon on the second Monday of January, A. D. 1921, the same being the 10th day of January, A. D. 1921, then and there to answer a petition filed in said Court on the 7th day of December, A. D. 1920, in a suit numbered on the docket of said Court, No. 1093, wherein J. B. King is plaintiff and Effie L. Dunn and the unknown heirs of Nona Ramsey (a female sole), deceased, if any there be, are defendants; the plaintiff alleging that he and his mesne grantors have holden the exclusive possession and use of all of Lot No. twenty-one (21) in Block No. two (2), in the original town of Hedley, in Donley County, Texas, since December 23rd, 1907; that by reason of certain co-partnership conveyances it is not made clear that Nona Ramsey, a female sole, did not have an interest in the said premises, except as they may be barred by the Statute of Limitation; that the said Nona Ramsey died about the first day of July, 1920; and vouching the statute of ten-years limitation.

Herein I fail Not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness My Hand and Seal At my office in Clarendon, Texas, this 7th day of December, A. D. 1920.

W. E. BRAY, Clerk,  
District Court, Donley County, Texas.  
By S. Hightower, Deputy.

of Donley County, Texas, and the Sheriff of Wheeler County, Texas, and said writs were levied by the said Sheriffs upon the property above described and thereforwards the said Molter caused said property to be sold under his said writs of attachment and on the 7th of February 1920 the said Molter caused Lots 1, 2, 3, 4, 5 and 6 in Block No. 19 of the original town of Shamrock, Texas, to be sold under a foreclosure of said writ of attachment lien, said sale being made by the Sheriff of Wheeler County, Texas, and said property was bought in by defendant Henry Holmes; and plaintiffs allege that defendant T. M. Dickey also claims some sort of a title to the property last above described. And the said Clarendon property was sold in the same manner and bought in by the defendant, Charles Molter; but plaintiffs allege that said sales were void and of no effect and did not pass title to the said Molter, nor the said Holmes or Dickey, because the writs of attachment of same were void and the levy of same were void, because no proper notices of said sale were given, so that plaintiffs are entitled to have said deeds canceled.

Plaintiffs further allege that the defendant P. R. Carl secured a judgment against Mary Waller Rea and her husband B. M. Rea in the County Court of Potter County, Texas, on the 20th day of April, 1918, for \$205.68 and caused a writ of attachment upon all of the Wheeler County property above described to be levied on the 20th day of April, 1918; but plaintiffs allege that said levy was made long after their deed of trust was given and recorded, so that it cannot affect their deed of trust lien.

Plaintiffs pray for judgment against Mary Waller Rea and her husband B. M. Rea for the amount of the said \$1500.00 note with all interest and attorney's fees; for a foreclosure of their deed of trust lien against all of the property above mentioned; for a cancellation of all of the claims of the above mentioned defendants against said property, and for a sale of same in satisfaction of their debt, and for costs of suit.

Herein I fail Not, but have you before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given Under My Hand and the Seal of said Court, at office in Clarendon, Texas this 4th day of December, 1920.

W. E. BRAY, Clerk,  
District Court, Donley County, Texas.

### SCHOOL LAND OWNERS GET FURTHER EXTENSION

Letters are being mailed out this week from the office of the State Land Commissioner notifying owners of state school land that the state will not require payments of interest at this time owing to a stringency in monetary affairs. The letter bears the statement that lands advertised as forfeited and offered for sale the first of January will not be sold even if the interest is not paid. Further statement is made that time of forfeiture has not been definitely decided, but that the state does not feel that lands should be taken away from the owners during this crucial period and that they will be given ample time in which to make payments.

### HIGHWAY ASSOCIATION PERFECTS ORGANIZATION

The new organization of the Colorado to Gulf highway association completed their program for the coming year at their meeting at Dalt last week. Plans for road improvement were made to cover the trail from Denver to Galveston so far as their means will permit. The trail will be marked the entire length and road maps gotten out for the benefit of the tourists. Scenic portions will be graphically described and other directions given to make the trip both pleasant and profitable. The highway proved to be one of the most traveled the past season and as a result of that travel, many new citizens were added along the route. A. L. Chase is president and Roy B. Mefford secretary of the association, both of whom take an active interest in the business life of the Panhandle of Texas.

### ST. JOHN'S BAPTIST EPISCOPAL CHURCH

Second Sunday after Christmas January 2, 1921.  
Sunday School promptly at 10:00 o'clock celebration of the Holy Communion and Sermon at 11 o'clock.  
G. C. RAFTER, Rector.

## It's dollars to doughnuts—

no man ever smoked a better cigarette at any price!

CAMELS quality, and their expert blend of choice Turkish and choice Domestic tobaccos hand you a cigarette that will satisfy every smoke desire you ever expressed. You will prefer this Camel blend to either kind smoked straight!

Camels mellow-mildness will certainly appeal to you. The "body" is all there, and that smoothness! It's a delight!

Go the limit with Camels! They will not tire your taste. And, they leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

Just compare Camels with any cigarette in the world at any price!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes for 20 cents, or ten packages (200 cigarettes) in a glassine paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.  
R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

## BEAT IT!

There's a real menace to the farmer of this country in cheap South American beef. Our packers are building more and more big plants in Argentina, Brazil, Uruguay; refrigerator ships are dumping the frozen and canned beef on the markets of the United States and the rest of the meat-buying world. How can this dangerous competition be met?

In pure-breds lies the answer. The pure-bred farmer can produce prime carcasses at an economy that challenges competition or, better, he can sell breeding stock to a steadily growing market.

From every point of view pure-bred cattle give security. The farmer who raises them has fewer worries over high feeds, increasing freight rates, decreasing soil fertility and poor bank credits. Because his business is on a more economical basis his margin of profit is greater than that of a scrub raiser. Because his margin of profit is greater he can weather a market slump that crushes other beef raisers. There is more demand for his superior kind of cattle—right now foreign markets are clamoring for his breeding stock. Don't you want to enroll in the ranks of safe farmers who make more money and have better homes? Don't you want to help make this community a better place to live? THE COUNTRY GENTLEMAN, the great National Weekly of Profitable Farming, will point the way. In the 52 big issues that come every Thursday for just \$1.00 it offers a uniquely valuable national farm service.

### TEXAS HEREFORD BREEDERS ASSOCIATION John Lee, Secretary San Angelo, Texas

THE COUNTRY GENTLEMAN, Philadelphia, Pa.  
I'm glad to see you pushing our organization with good advertising. And here's my dollar for a subscription for one year, fifty-two issues. The two go well together.

1889 **Thirty-Second Year** 1921

—We want to thank our Friends and the Patronizing Public for their Business Favours and Courtesies accorded us for the more than 31 years of continuous Business Service in Clarendon.

**A HALF MILLION OF LOSSES**

—And "Never a Policy Contested."  
—We write all lines of Insurance with "Service" as our Slogan, with better facilities for service now than ever before.  
—In addition to the Business Favours, which have increased from year to year and for which we are humbly thankful, we are doubly appreciative of the seeming measure of confidence which has been continuously accorded us, and to everyone who has ever accorded us a business favor or measure of confidence we sincerely THANK YOU and wish for you and yours the VERY BEST of this Life for 1921.  
—Sincerely appreciative, we are

**GOLDSTON NOTES**

The Goldston Sunday School class for the last quarter of 1920. The young folks learned just how many books there is in the bible and chapters and verses. The winners in my class: Mr. Bonner Skelton, Mr. Sam Dale, Miss Lela Shannon, Miss Vera Grant, Miss Mable Morgan, Miss March Scott, Miss Martha Scott.

Books in the Bible, 66; chapters 1189; verses 31092; words 773,922; letters 3,586,489. The shortest verse in the Bible, 11th chapter of St. John, 35. The longest verse is in the 8th chapter of Esther, IV. The middle verse is the 118 Psalms and 8th verse in the Book of Ezra contains all the letters of the alphabet except j. The 8-15-21-31 of the 10 chapters are a like. Every verse of the 136 Psalm has the same ending. The longest chapter in the Bible is the 119 Psalm. The shortest chapter is the 117 Psalm. Lord is mentioned some 4,370 times. Boy and boys is wack. Beautiful work so simple a mentioned 3 times. Girl or girls is little child can do it. This week mentioned twice. God is mentioned only.

in the Book of Esther and the Psalm of Solomon the 19th chapter of 2nd Kings and he 37th of Isaiah are practically alike.  
Miss Vera B. Goldston and Mr. Jess Shannon are winners also.

**LETTER OF APPRECIATION**

I wish to thank the good people of Clarendon for their kindly consideration of my efforts the past several months while serving them in the capacity of night watchman. With but very few exceptions, the public behavior has been very creditable indeed and I appreciate the fact that we have an unusually good, law-abiding citizenship.

M. P. WHITE, (1c).

See the Art Embroidery Needle, demonstrated at Little's Store this some 4,370 times. Boy and boys is wack. Beautiful work so simple a mentioned 3 times. Girl or girls is little child can do it. This week mentioned twice. God is mentioned only.

**Increase in Production**

—Every legitimate business should increase its volume, every farmer his production, every worker his productivity, to insure national prosperity and good working conditions.  
—If advice is needed, if additional financing is necessary, come to us freely. We solicit you calls.  
—We stand ready to aid every legitimate endeavor towards increase in production.

**RED CROSS NOTES**

The annual meeting of the Donley County Chapter of the American Red Cross will be held at the Presbyterian Church at 3 o'clock on Thursday, January 13th. The election of members of the executive committee and a reading of the report of the annual expenditure of money will take place at this meeting. A general report of the whole year's activities is expected to be given at that time. All those living in Donley County who have paid \$1.00 membership in the Red Cross are entitled to a vote at this meeting. The Red Cross is not an organization controlled by a certain few. Every member is urged to attend, and take part in the meeting. The present activities of our chapters are of a character which touch more and more intimately the life of the community and should appeal to the personal interest of each citizen within the chapter jurisdiction. It is, therefore, of increasing importance that the work of the chapter be made expressive of the wishes of the entire membership and that meetings such as this annual meeting gather in for helpful comment and criticism the entire membership of the county.

A nominating committee was appointed by the executive committee

and they have submitted the following names to be voted on at the election.

- W. H. Patrick
- Tom F. Connally
- J. D. Swift
- J. T. Patman
- W. D. Van Eaton
- F. A. Story
- C. N. N. Ferguson
- Mrs. B. L. Jenkins
- Mrs. C. M. Lane
- Mrs. C. A. Burton
- Mrs. R. W. Talley
- Mrs. Molly Gray
- Mrs. W. D. Van Eaton
- Mrs. T. H. Ellis
- Mrs. J. B. McClelland
- Miss Mamie McLean
- Mrs. J. B. Baird
- Mrs. J. N. Eddins
- Rev. W. H. Foster
- Ernest Pone
- Richard Walker
- E. L. Lewis
- Mrs. Ed Dishman
- J. G. McDougal
- Mrs. W. H. Martin
- Mrs. James Frent
- Mrs. A. Long
- Paul Shelton
- Chas. Baldwin
- Bennett Kerbow.

If any one desires to make additional nominations the names must be submitted in writing to the chapter secretary, signed by three members of the Red Cross by noon of the day preceding the annual meeting. An interesting program has been arranged for this meeting. No booth was held at the Post

Office on last Saturday because of the fact that it was Christmas Day, but the booth will be held next Saturday as usual. Seventy three memberships were secured on the last day. This is most encouraging.

Miss McBride, District Supervisor of Public Health Nursing Service, was in Clarendon to visit Miss Yeager a few days ago. She was much pleased with the progress of the work.

**NOSE CLOGGED FROM A COLD OR CATARRH**

Apply Cream in Nostrils To Open Up Air Passages.

Al! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hauking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

**As Edison's Electric Light Outshines The Candle, So Edison's AMBEROLA Phonograph Outsings "Talking Machines"**

THE complete list of Edison's Inventions, that have helped mankind to live better and to better enjoy living, reads like the Arabian Nights. Isn't it easy to understand why the inventor of the phonograph can produce the world's greatest phonograph value, the Amberola? Isn't it difficult to understand why anybody ever buys a talking machine, when they can own

**EDISON'S NEW DIAMOND AMBEROLA**

The World's Greatest Phonograph Value

Are you familiar with the shrillness and metallic sound of "talking machines" and ordinary phonographs? Then come to our store and listen to the pure, musical tone of the Amberola! The difference is startling.

Do you know the cost and bother of constantly changing phonograph needles? Let us show you the permanent Diamond Point Reproducer of the Amberola that does away with needles!

Have you seen how easily "talking machine" records

crack and break? Amberol Records can be accidentally dropped without damage—they are practically unbreakable and everlasting!

Would you like to own an Amberola, but feel you cannot afford one? Let us prove to you that Edison's wish to bring music into every home makes it possible for you to possess an Amberola almost on your own terms!

Come in and talk it over with us. If you cannot come soon, write us—today.

**Paramount Pictures**

FRIDAY, DECEMBER 31 OUR SERIAL NIGHT  
6th Episode of "BRIDE 13" and any time you don't think she is having a time you are wrong—also two reel comedy and Pathe News.

SATURDAY, JANUARY 1 TRIANGLE AND FOX  
Matinee: Charles Ray in "SUDDEN JIM" and a good one—also "BRIDE 13".  
Night: Shirley Mason in "THE GIRL OF MY HEART" and you know she can't be beat—also one reel comedy.

MONDAY, JANUARY 3 SELECT PICTURES  
Eugene O'Brien in "A WONDERFUL CHASE". He is fast becoming one of the leading men stars—also Mutt and Jeff.

TUESDAY, JANUARY 4 PARAMOUNT PICTURE  
Thomas H. Ince presents Hobert Boworth in "BEHIND THE DOOR". Ince makes some of our very best productions and this is one of them—also Ford's Weekly.

WEDNESDAY, JANUARY 5 FIRST NATIONAL  
Katherine McDonald in "THE TURNING POINT". This is a Society drama of great merit and one you should see.

THURSDAY, JANUARY 6 ARTCRAFT SPECIAL  
One we have been waiting for "EVERY WOMAN" with Violet Heming, Theodore Roberts and Wanda Hawley—three stars that would make any picture go over.

—Cut This Out Now and Save For Future Use.

—SPECIAL ATTENTION IS CALLED TO MUSIC PROGRAM

**Pastime Theatre**

MEMBER CLARENDON CHAMBER OF COMMERCE

**SPECIAL TO FARMERS**

You will remember that during March and April of last year, we were somewhat behind in giving you prompt service in the free examining of planting seed for purity and testing the same for germination.

You can assist yourself and all concerned in obviating this overcrowded condition in the spring when everybody wants results at once. Now I urge that you collect your samples and get them into my office some time during the month of January. Of course tests will be handled after this date but as I have mentioned above, we are anxious to be first served. As you will remember that Donley County is in the lead of every move in the state agriculturally and we want to keep the good work going.

Samples submitted should be a fair average representative of the bulk or lot. A good representative sample may be secured by taking seed from different parts of the bulk and mixing thoroughly before drawing the sample to be sent. One pint of seed will be sufficient in all cases; for grasses and smaller seed, one half pint will be sufficient. Label the sample, giving the name and address of the sender, the name of the seed, what ever purity or germination test is desired, or both, and in case more than one sample is sent, some distinguishing mark designating them. Bring samples in bags or other containers that will not break or spill seed.

The Texas Branch Seed Laboratory is conducted co-operatively by the United States Department of Agriculture and the Texas Agricultural Experiment Station and serves six southern states including Texas and we must take advantage of the great opportunity while it is our

reach. Get your seeds to me at once.  
MRS. IDA CHITWOOD,  
County Home Demonstration Agt.
