Established in 1878.

New Series Vol. 39. NO. 33

County Fair Meet Called September 7th

TO DISCUSS FAIR ON LARGE SCALE

BUSINESS MEN AND INTERESTED PERSONS CALLED TO BE IN MEETING

A meeting of the Fair Committee of the Clarendon Chamber of Commerce held the fore part of this week set Friday, September 7th as the date for a community meeting, at which time a Donley County Fair will be discussed. The meeting is called for 4:30 in the afternoon in the offices of the Chamber of Commerce in the City Hall and all business firms in Clarendon are invited to have a representative present to take a part in the discussions.

It is not the intent of the Fair committee to organize an association at this meeting, but the major part of the time will be given to the discussion of the plans that confront the present fair as to publicity and advertising over the county. Should sentiment arise that would indicate the need for an Association, then this will be taken up and thoroughly discussed. The committee asks that all other towns in the county have their representatives here that they may have some idea as to what is taking place and that they might know that the plans are for the entire county and not for Clarendon and the surrounding territory alone.

A booster trip has been set for September 12th, at which time a large part of the county will be visited with the band to further advertise the fair to be held this year.

All arrangements for the fair for 1928 are going forward nicely. The tent has been arranged and will be placed on the Grammar School grounds to house the agricultural and poultry exhibits. The school building will be turned to the women for their use and to the merchants of the city for the displays they may care to have in connection with the Fair. Other places will be secured to show the livestock that will be added to the Fair for the first time this year. This location will be announced later.

DOUBLE REUNION IS HELD AT HANCOCK LAKE SUNDAY

One of the most enjoyable occasions of the past few days was that which was held at Hancock Lake in the Brice community, bringing together the Hancock and Hart families for a day of unalloyed joy making. 105 relatives, near and distant made up the gathering with many other connections. A bountiful supply of excellent food, good water and lemonade completed the event insofar as this part of the day was concerned. Music was furnished by Homer Ratcliff, Buck Holligan, Jessie Hancock, Bron Lybrand and many others to make this feature of the event one long to be remembered.

Mr. and Mrs. W. L. Ball left Saturday evening of last week for Denver, Colorado, where they will spend their vacation.

YARD CONTEST TO END FRIDAY

JUDGES ARE NAMED AND WILL ATTEND TO JUDGING FRIDAY

The Clarendon Chamber of Commerce announces that the judges have been named for the 1928 yard contest for Clarendon and that the original plans will be carried out to close the event on Friday, August 17th as was originally announced. As was the case in the contest of 1927, the judges will be sent to Clarendon from the city of Memphis. A different set of judges will be used this year from those who officiated in the 1927 contest.

Prizes for the contest have been selected for some time and are on display in the North window of the H. C. Kerbow & Sons store. The list includes a folding porch chair as first prize in the large yard contest, a fern stand for second prize in the same class, a fifty foot section of garden hose as the first prize in the small yard, a pot plant stand for second prize in the small yards, a lawn stool as first prize in the back yard contest and a hammock for the second prize in the back yards.

Prize awards will be made immediately following the announcement of the winners and the entire list will be published in the next issue of the News.

PAMPA LOSES TO HILLCROFTERS

CLARENDON PLAYER SETS NEW RECORD IN PLAY SUNDAY

By way of demonstrating that the members of the Hillcroft Golf Club are well versed in the playing of the royal game, the Pampa Club was swamped in the tournament Sunday when the Clarendon men took seventeen of twenty matches. One match was played to extra holes, Meredith Gentry losing to his opponent on the nineteenth when a drive was out of bounds.

Robert Weatherly, Junior, set a new course record for match play when he hung up a score of 81 for the eighteen holes. The remarkable low score of 38 was written on the first round of nine holes, the last round scoring a 43 for a big win.

The three Clarendon men who lost their matches are: Ira Merchant, Meredith Gentry and C. J. Douglas. Others who won their matches in the tourney are: T. F. Connally, Carl Parsons, Homer Parsons, Bennett Kerbow, Ralph Kerbow, Holman Kennedy, W. S. Bagby, J. T. Fatman, Fred Buntin, Phillip Gentry, W. A. Wilson, Robert Weatherly, Jr., Kenny Lane, Rex Reeves, G. L. Boykin, Lee Casey and A. N. Wood. T. M. Shaver was also in Pampa but could not secure a match and was not listed.

There is no tournament with out of town teams scheduled for next Sunday as the club will be in the midst of the club tournament at that time.

KIMBELL GIN ERECTING FEED HOUSE AT ONCE

One of the signs of optimism seen in Clarendon is the erection of a feed house of five carload capacity by the Kimbell Gin on their property in the Northeastern part of the city. Construction has been started on the structure, which will be completed at an early date. It is of quite large dimensions and will accommodate sufficient feed to care for the needs of the county for a considerable time when the demand for feedstuff becomes acute.

MASONIC SCHOOL IS FINE SUCCESS

W. S. TATE GIVES EXAMINATION TO THIRTEEN FOR CERTIFICATES

W. S. Tate, member of the Committee or Works of the Masonic Lodge, was in the city as scheduled and had a great gathering from this particular part of the Panhandle who took a part in the examination Saturday evening. As a part of the program, two men were given their first taste in the Masonic work, the labor being attended by the visitors who were here from widely scattered lodges.

The examinations were given, and thirteen candidates were here to take a part in the work. They will not receive notification of their grades until the latter part of this year. A good attendance was registered from those who came here merely to be in the room and to hear the work as it was given. Many were here who had no intention of taking the examinations and they cannot be listed here.

The following took the examination: T. D. Gee and A. M. Shelton, Estelline; J. M. Strong, I. M. Fulcher and H. E. Sherwood, Wellington; J. D. Newton, Memphis, Kinch Leathers, Lelia Lake; C. B. Tribble, White Deer; C. C. Lewis, Childress; J. R. Cowan, Hedley and H. B. Kerbow, Elmer Palmer and Doss Palmer of Clarendon.

Certificate men who were present but not for examination will include the following: John Fraser, Boydston; P. B. Farley, Groom; A. J. Powell, Memphis and M. T. Howard and Homer Mulkey of Clarendon.

ELDER HUKEL TO BE PASTOR OF CHURCH OF CHRIST HERE

Elder and Mrs. D. L. Hukel of Crosbyton, Texas, arrived in Clarendon Monday evening of this week to make their home here. Elder Hukel will have charge of the Church of Christ in this city as pastor from this time forward. Mr. Hukel brings two students here to enter the college and plans to make his home here until they shall have completed the college courses.

BAGBY BROTHERS OPEN NEW INSURANCE BUSINESS

This issue of the News carries the announcement of the opening of the Bagby Brothers insurance agency with quarters in the rear of the Donley County State Bank. The newly formed company plans to handle all standard lines of insurance possible, covering risks of all natures. The two brothers to be connected with the business need no introduction to the people of Clarendon, since they have been here for a number of years. Up to a short time past they were connected with the Pastime Confectionery, having disposed of this business shortly after the first of this year. George plans to devote the major part of his time to the Life Insurance end of the business, while Selden will handle fire and automobile business for the firm. They will be located in the office with Tom F. Connally.

COMMITTEES OF LIONS WORKING

MANY PHASES OF ACTIVITY UNDER CONSIDERATION BY ORGANIZATION HERE

The regular luncheon of the Lions in the Antro Hotel Tuesday of this week was marked by the return to the club of some members who had been out of the city for the entire summer. The attendance is picking up regularly and it will not be many weeks before the entire club will again be meeting for the weekly get-together.

Special emphasis was laid on two things that are before the Lions in the next two weeks, these being the entertainment of the Pease-Red River Valley Association and the assistance in the entertainment of Andy Bourland of the West Texas Chamber of Commerce. The meeting next week will be with the Pease-Red River Valley Association, while that of the following week will be the first entertainment extended president Bourland on the Denver road since his election to the office he now holds.

Lion Harwood Beville as a member of the Boy's work committee suggested that the club might be in a position to do something worthwhile while in connection with the Boy Scout camp that is to be held nine miles from Clarendon starting Sunday evening, August 19th. It has been the custom in the past to assist in as many ways as possible in this work and it will not be amiss for the Lions to assist this season.

The Quikette charter presentation has been set for Thursday evening, August 23rd. The matter of the program has been turned to the Program committee and they will make their report later.

At the recent meeting of the Panhandle group at Dalhart, Clarendon was chosen as the next meeting place for the group. After the day's work had been completed, a telegram from the Clarendon Club was delivered to Lion McBride, asking that Memphis be given the meeting. A number of the delegates met and decided to allow the two clubs to decide which of the two would be host to the gathering. A unanimous vote Tuesday gave the meeting to Memphis. The date set was the first Monday in October and plans are already well under way for a fine meeting to be held there at that time with a number of new clubs having representation there.

C. G. Stidham was guest of the day, expressing his pleasure at being allowed to meet with the Lions.

Lions Cooper and Edington had returned to the club for their first luncheon after they had ended their vacation time, each reporting that they were glad to be at home after travels of many hundreds of miles. Lion Cooper expressed the hope that Clarendon Junior College would have a large attendance this year and that the Clarendon men would do all possible to put the school over as largely as possible.

Adjournment as usual.

COMMISSIONERS COURT ISSUES RETURNS ON ELECTION

Final returns were given the fore part of this week on the bond election held in Precincts 3 and 4 on July 28th. These returns give 246 votes cast for the bonds and 539 against. The greatest majority was given in Precinct 4, where 30 votes were cast for the bonds and 100 were cast against them. Precinct 3 cast 216 votes for the bonds and 439 against them. The bonds were to be voted for the lateral roads in the two precincts mentioned above and would have amounted to \$250,000 had they carried.

REVIVAL STARTS ON NEXT TUESDAY

GRAHAM McMURRAY OF FT. WORTH TO PREACH IN FIRST CHRISTIAN CHURCH

Beginning Tuesday, August 21st, the First Christian Church of this city will be the scene of a series of revival services held by Graham McMurray of Fort Worth. The first service will be held on the evening of the date set for the start, and other services will be announced at that time.

Rev. McMurray has been recommended to the First Christian Church of this city as one of the

GRAHAM McMURRAY

strongest pastors in the State of Texas and comes here with a fine field ahead of him. He is a man who spares no words in the preaching of the straight gospel and as such has won great recognition wherever he has gone in the past.

The length of time that the services will be held has not yet been determined, but will come as one of the later announcements of the series. The public is cordially invited to attend and take a part in any or all of the meetings.

ROAD MEETING CALLED AT PAMPA ON AUGUST 23RD

Pointing toward a unified system of roads for the Panhandle section of the state, a meeting has been called in Pampa at 2:00 P. M. Thursday, August 23rd for a serious and thorough discussion of the problems ahead. The Clarendon Chamber of Commerce has stated that a good representation will be present from Clarendon to take part in the meeting. F. P. Reid, premier hard surfaced road believer of the Panhandle will be in the meeting and will have a great deal to do with the final destinies of the roads in this section.

Mrs. J. J. Thurman and son, Jack, returned to their home in Temple, Oklahoma, after a two week's visit in the home of her sister, Mrs. Flem Caraway and other relatives.

BAND SCHEDULED TO PLAY TONIGHT

MEMPHIS GOLD MEDAL BAND TO BE HERE FOR BIG JOINT CONCERT

The concert of the Clarendon Municipal Band that was held last Thursday evening on the Court-house lawn was well attended and greatly appreciated by the audience that gathered on the streets nearest the scene of the concert. Under the direction of Mr. Lindsey, the band is making great progress and is showing that much can be done although many of the boys are out of the city for their vacations.

This evening, the Memphis Gold Medal Band will be in the city for a concert with the Clarendon aggregation. Under the direction of Paul James, this organization has become famed over the entire state of Texas and needs no further introduction to the people of Clarendon to secure their attendance on the concert.

The playing is scheduled to start as nearly 8:00 o'clock and a program of considerable length is planned for the evening. The bands will play jointly a part of the time and individual numbers will be given by each of the bands to make the entertainment more varied and pleasing to the audience.

EDINGTON RETURNS FROM COLORADO VACATION TRIP

Mr. and Mrs. H. J. Edington returned the fore part of this week from a two months vacation trip to Colorado and California. Mr. Edington reports many things to be fine in the country he saw while on the road. One thing quite peculiar to the trip was the fact that they traveled more than 3,500 miles while they were away from the city, escaping anything more than a light shower while on the road. When they reached Claude Monday evening of this week, they were so badly muddled up that they were forced to spend the night there before continuing the trip to their home here. Mr. Edington brought the News a nice box of Bartlett Pears as proof that he had been in the pear raising section of the state near Grand Junction.

CHECKER MEET IS TO BE PERMANENT

MORRIS NAMED PRESIDENT AND CLARENDON NAMED AS HOME FOR MEET

The meeting of the Panhandle Checker players held in Clarendon beginning Tuesday of this week was a success insofar as the local men and the visitors were concerned. The business men of the town had been more than generous in their assistance in the manner of prizes offered and more than \$40.00 worth of merchandise prizes, \$12.00 in cash and the Panhandle cup were awarded the winners of the playing.

In the election of officers held at 10:00 o'clock Tuesday morning, J. H. Morris was chosen president of the Association and A. N. Wood was named Secretary-Treasurer. Clarendon was selected as the meeting place for the Association next year and the second Tuesday in August was the time set for the next meeting.

Fourteen players started in the initial play, later being placed in two classes, there being none left in the third class. In the semi-finals, the four men to qualify for the Class A players were: J. H. Morris, H. G. Horn, J. L. Mullinax and E. M. Lindsey. Morris and Horn played the finals, Horn losing in the ten game match play by five straight losses and five draws. Lindsey finished third and Mullinax was fourth in the first class.

In the second class, the finals are yet to be played with R. F. Morris and J. H. Spier playing these with a tie that is to be played off. Entrants qualifying in the second class are: J. W. Williamson, Wichita Falls; T. L. Rich, Memphis; J. H. Spier, Goldston; H. W. Adams, Naylor; J. S. Cook, Lelia Lake; Guy Stidham, Memphis; R. F. Morris, Clarendon; A. N. Wood, Clarendon; C. A. Wilson, Antelope Flat and H. C. Brumley, Clarendon. Semi-finals in this class narrowed to J. H. Spier, R. F. Morris, J. S. Cook, H. W. Adams and A. N. Wood.

J. H. Morris made a record that is seldom seen in a tournament of this nature since he lost no games to any of the entrants, playing each man at least one game and some of them more than that number.

CHARLES LOWRY TO MANAGE HEDLEY-LELIA LAKE OFFICES

Effective August 15th, the management of the Hedley and Lelia Lake systems of the West Texas Utilities Company will be held by Charles Lowry of this city. The uses of electric power has grown to such an extent in these two towns in the past months that the company has seen fit to place a manager separate and apart from the Clarendon office. The plant has been managed from the Clarendon office. Mr. and Mrs. Lowry plan to move to Hedley in the immediate future, leaving her not later than September 1st.

WORKERS HERE IN INTEREST OF TRI-CITY Y. M. C. A.

Jack Thomas and Mr. Webb were in Clarendon Sunday from Memphis, talking to representative business men of the city concerning the organization of a tri-city Y. M. C. A. organization. The organization as planned will include Clarendon, Memphis and Wellington with a director over all three of the towns. Each town is expected to care for the overhead in the towns and all of them will join in bearing the expenses of the director. A group has been organized in Memphis and prospects are good for the organization in Wellington.

Mrs. B. G. Smith is visiting with her parents in Hope, Arkansas.

EXTENSIVE WORK PROMISED HIWAY

MACHINERY AND CREWS EXPECTED MOMENTARILY TO BUILD GOOD ROAD

According to T. M. Couch, District Highway Foreman, the machinery and crews for their operation in connection with Highway 88 are expected to arrive almost any day to start work on the stretches of road that need the attention most. There are a number of places on this road that are low and hold water following heavy rainfalls. It is this sort of work that will be attended by the workmen when they arrive in the city, together with some maintenance work that needs attending.

The County machinery has been working on the Groom road for the past few days and are making some radical changes a short distance west of the Goldston schoolhouse. Blind corners are being removed and other improvements effected to make the road safe for the volume of traffic that is hauled over this particular stretch of road. The lateral roads in this part of the county are also receiving attention to put them in condition to handle the heavy work that will fall on them during the harvest season.

NEWS IS PRESENTED WITH GIFT OF FINE PEACHES

J. E. Mongole demonstrated the fact that good fruit can be grown in Donley County the latter part of last week when he brought a gallon of splendid elberta peaches into the office and left them as a gift to the News. The fruit was grown on the Mongole place in Clarendon. Mr. Mongole stated that one tree was all that had the quality and quantity of fruit shown. A small branch from the tree bore seven fine peaches in less than twelve inches of space. The flavor of the fruit was fine and the texture of the peaches was excellent.

Hood Berryman and son, Whatley Hood, of Kemp, Texas, left Wednesday afternoon after a few days visit in the home of his sister, Mrs. Georgia Burrell.

NINE COUNTIES TO MEET HERE AUG. 21

PEASE-RED RIVER VALLEY ASSOCIATION TO ASSEMBLE HERE NEXT TUES.

Representatives from the nine counties forming the Pease-Red River Valley Association will meet in Clarendon Tuesday, August 21st for the purpose of making further plans whereby the organization might expect to function more smoothly. The organization has one idea in mind at the present time, that being the simultaneous showing at the State Fair in Dallas, combining the efforts of the nine counties into one large exhibit yet retaining the individual entries from the counties concerned.

Representatives are expected from Wilbarger, Foard, Hardeman, Cottle, Motley, Childress, Hall, Collingsworth and Donley. The visitors will be entertained at luncheon in the Lions Club, later retiring to the offices of the Chamber of Commerce where they will attend to all the business that was not completed during the morning session.

The meetings of the association are open to anyone who wishes to attend. Matters of importance to all counties involved will be discussed and as large an attendance as possible is urged.

PARSONS MOVING TO NEW LOCATION EAST OF KEARNEY

The News will carry an item this week concerning the removal of the Parsons Produce Company to its new offices in the sheet metal building just North of the Laundry. Mr. Parsons purchased this building from Messrs H. C. Brumley and Will Lott and has made a number of changes to make it one of the most up-to-date stations of the sort in this section of the state. It is of sufficient size to care for many shipments of cream and other produce and is so situated that carloads of produce may be loaded from the rear of the building.

Miss Sallie Voris King left Tuesday morning of this week for her home in Albany after a three week's visit here in the homes of Dr. and Mrs. H. L. Wilder and Mr. and Mrs. F. L. Stallings.

LOCAL TOURNEY IS WELL UNDER WAY

TOURNAMENT COMMITTEE MAKES PLANS FOR EVENT. PRIZES TO BE GIVEN

The tournament to determine the best golfer of the Hillcroft Golf Club will be well under way with many of the players having their qualification rounds out of the way by the time the paper comes from the press. In addition to their usual duties of planning the tournament, the committee has named the order in which the qualification rounds are to be played, setting a foursome as the medium which is used to determine the score of those taking a part in the play. All qualifications must be in the hands of the committee not later than Sunday evening.

Prizes are to be offered for the low medalist in the qualification rounds, for the winner of the first flight, for the runner-up in the first flight and for the first and second places in the second and third flights. The prize selected for the winner of the first flight is a loving cup that is to remain in the possession of the winner for one year, or until he shall have won it three years in succession.

The club is to be divided into three classes with the low eight players in the first flight, the second eight low in the second flight and the remainder of those qualifying in the third flight. The tournament is to be ended as soon as possible that the prizes may be distributed.

The order of play is given here-with:

Homer Mulkey, C. J. Douglas, P. B. Gentry and Geo. McClesky, A. N. Wood, W. A. Wilson, V. A. Kent and Forrest Taylor, J. T. Fatman, Clarence Miller, J. D. Swift and Rex Reeves, W. S. Bagby, Kenny Lane, Ira Merchant and Carl Parsons, G. L. Boykin, Robert Weatherly, Junior, M. P. Gentry and H. B. Kerbow.

Fred Buntin, Lee Casey, Holman Kennedy and Homer Parsons, T. F. Connally, Lenode Goldston, Jimmie Miller and Sam Braswell, Junior.

FIRST METHODIST CHURCH

Sam E. Allison, Pastor. Sunday School meets in all its departments at 9:30 A. M., J. R. Porter, general superintendent. Layman's service at 10:45 A. M. with J. R. Porter delivering the address. The evening service at 7:45 P. M. will be under the direction of Rev. F. T. Charlton of the Presbyterian Church, both congregations uniting for the service in the Methodist Church.

Rev. Allison is conducting a revival meeting at Brice and will be out of the city over Sunday. He reports good interest and fine attendance on the services held.

William Green returned Wednesday morning from Dallas, where he has been working during the summer.

LEGION MEMBERS REPORT GOOD MEET

DISTRICT GROUP AT PAMPA PREPARES FOR STATE AND NATIONAL MEET

When the Fifth Division American Legion met for the district group meeting at Pampa Saturday and Sunday, there was a noticeable air of interest and enthusiasm shown in the entire sessions of the meeting. The local members of the Legion who attended the meet found that the Legion is doing many things that would have been left to other organizations in the years past.

Special emphasis was placed on the work of sending delegates to the State meeting of the Legion in Texarkana the latter part of this month and on having a full representation at the National meet at San Antonio during October. In either case, the Clarendon post is well in line, since two reservations are made for the state meet and plans are well in hand for a full attendance on the National meeting.

The Legion will meet next Tuesday evening in the Legion Hall, and all members are urged to be present as some matters of importance will be discussed at that time.

Loran Naylor and Robert Dillard were Amarillo visitors Sunday.

THE CLARENDON NEWS

NATIONAL EDITORIAL ASSOCIATION — PANHANDLE PRESS ASSOCIATION

Congratulations are in order to the Wells interests in general and to Editor Claude Wells of Memphis Democrat in particular for their purchase of the Hall County Herald in Memphis. The change in ownership creates a special field for the Democrat in Memphis, which is to publish the Herald on Tuesday and the Democrat on their usual publication date. Our felicitations are extended to Editor Earl Johnson and to Mrs. W. A. Johnson. Mrs. Johnson will make her home in Memphis among her friends while Earl is to be connected with his chosen work of airplanes in California. Our best wishes go with each of them.

WE HAVE COME ON STRANGE THINGS

Some peculiar alignments are taking place this year. Down here in Texas we see an effort to keep Tom Love off the Democratic ticket because he says he will not support the presidential nominee, and at the same time we see a man who boasted that he bolted the presidential ticket four different times, appointed by the National Democratic chairman as regional committeeman to raise funds for the party. We refer to Col John Henry Kirby, who voted against Bryan three times and was a booster for the Bull Moose party when Wilson was elected the first time.

Then there is the race question. Texas Democrats refuse to allow negroes to vote in their primaries, while Jimmy Walker leads a negro Tammany political parade in New York. A negro can't even vote the Democratic ticket in Texas and yet Tammany which is just now running the Democratic party, elects a negro year after year to the State Legislature, has two negro aldermen and had negro delegates to the National Democratic Convention that assembled in Madison Square Garden.

The Republicans nominate a negro for Congress in Chicago and Goosenek McDonald proposes to deliver 250,000 negro voters to Al Smith in the November election.

Senator Bruce, a Protestant Democrat from Maryland, commends the Catholic church for encouraging the worship of the two races together in the rural sections of his state, and Tammany permits dance halls galore in New York where the races whirl together in the glories of the waltz.

Raskob and Lehman, members of the Union Republican Club, are respectively chairman and vice-chairman of the Democratic Committee, while Alvin Moody, Cato Sells, Marshall Hicks, Frank C. Davis, leading Democrats of Texas, declare they will vote for Hoover.

Big Bill Thompson of Chicago deserts the Republican party and goes over to Smith, while seven Southern Methodist bishops declare they will not vote for the Democratic nominee.

We have certainly come upon strange times.—Marshall News.

BENEFITS OF GOOD ROADS

In good roads, as in so many other ways, the United States leads the world. The splendid, same highways that are common to us, would in many other countries be considered miracles. We can cross entire states, and go from coast to coast, without encountering dangerous roads.

No public investment pays better. A city with good streets is an attraction to industry and home-seekers; our mountain and country highways aside from their more practical uses, are a constant invitation to investigate new parts. We have come to depend on these good roads and they are now necessities of business and pleasure.

Plans are being made for a highway from this country to South America, to be the longest in the world. The possibilities of such a connection are enormous in building international good will, in making it easy for foreigners to see and understand the United States, and for us to do the same.

Good roads bear the same relation to a nation as the arteries do to the human body; they give us life and national health, industrially and physically.

TRIBUTE TO COUN TRY NEWSPAPERS

"The smaller newspapers of the country are the most important newspapers, and incidentally, in proportion to their circulation, their advertising results are the biggest and best and their advertising rates are the smallest in the country. They are read through from end to end. Every copy of circulation means an entire family, not a family that lives in one room with a can opener, but a family that owns its own house, and land around it, at least ninety times out of a hundred; a family that buys everything, from the hat on mother's head to the shoes on the boys' feet. The service that their publishers rendered by any class of citizens in the United States. The country editors are distributors of information; they reach the minds of the boys that leave the farms, and they are the nation's mental police force," says Arthur Brisbane.

After half a century in the publication of newspapers daily and weekly, the writer can indorse the opinion of Arthur Brisbane that the country paper is read from end to end, and the advertisements are of special interest. Where a hundred read all that is in the home weekly, only one in that one hundred pursues all that is in the big daily paper that comes to them. Large foreign advertisers are also becoming cognizant of the fact that space in country weekly and smaller city daily papers is of real value to them; that they can gain more at less cost, at the same time securing as much advertisements will be read by all.—Woodburn, Ore., Weekly Independent, April 12.

WHAT ARE YOU INTERESTED IN —HONEST VALUES OR CHANCES?

Forty business firms of Shamrock have united again in launching a Trades Day. They are putting on a free picture show, hiring an auctioneer to conduct a farm sale without cost to buyer or seller and are giving a band concert. In place of raising the price of merchandise to take care of expenses, they are drastically lowering the selling cost as an added inducement to bring shoppers to this city on that day.

Shamrock merchants are doing this to see if the public is more interested in honest-to-goodness merchandise values than lottery schemes; to see if the buying public appreciates a co-operative effort to lower the price of commodities. Larger volume enables them to operate on a smaller margin of profit.

Besides aiming to get people started trading here who have been buying elsewhere the idea behind Trades Day is to get shoppers acquainted with all of Shamrock's stores. It is not egotism that causes the belief that causes the belief that grocery, dry goods and furniture stores in this city are better stocked and more modern than others within a radius of 50 miles. It is facts. It is not home town pride or narrow-mindedness that leads one to the conclusion that prices as a whole are lower here than in any one of a half dozen towns within reach of shoppers. It is the truth.

And people of Shamrock and trade territory can be shown. They can be sold on this city as their shopping center. And so merchants are putting on Trades Day. Read the 2-page advertisement in this paper, giving some of the Trades Day bargains. Better yet, come to town, visit the stores and see for yourself why you should buy in Shamrock.—Shamrock Texan.

THEY

"THEY" ought to do something about the grade crossings where the whole family was wiped out yesterday.

"THEY" ought to stop those bootleggers from selling denatured alcohol to our young folks to make them blind and crazy.

"THEY" ought to prevent corruption in high places which destroys the public confidence in a popular form of government.

"THEY" ought to do something about educating the foreign-born radicals in our country.

"THEY" ought not to leave politics in the hands of gangsters and criminals who elect only those they can control.

"THEY" ought to clean up the streets and alleys of this town.

"THEY" ought to see about paving the streets and building sidewalks.

"THEY" ought to plant trees and beautify the town.

"THEY" ought to look after the moral conditions existing in this town.

"THEY" ought to get more factories and industries located here.

"THEY" ought to be doing something toward improving living conditions in this town.

"THEY" ought to provide better fire protection, and obtain reduction in insurance rates.

"THEY" ought to get the people to paint up their property, plant more shrubbery and beautify their places.

"THEY" ought to be doing something towards obtaining a better and larger water supply for future demands.

Do you know why "THEY" are not doing all these worthwhile things?

"THEY" are waiting for you to do something; waiting for YOU to use a little of YOUR time and energy; waiting for YOU to loosen the strings of your pocket book a little and aid in the civic enterprises of the community.

YOU are one of the representative men in your community. What have YOU done?—Exchange.

OWEN BUTLER SERIOUSLY INJURED IN AUTO WRECK

Mrs. W. L. Butler of Lelia Lake was called to Denver last Saturday evening by the news that her son, Owen, had been seriously injured in an automobile wreck in that city some day earlier in the week. Details are lacking as to the cause of the wreck, but Owen was carried to a hospital in a very serious condition. His right ankle was crushed, his leg was broken between the knee and ankle and again between the hip and knee, some ligaments were torn loose in his back and three fingers on his right hand were torn off. Mr. Butler was in the office the fore part of this week and stated that no word had been received and that he feared that some complications had arisen that were not for the best.

SANDWICH SHOP TO OPEN SAT.—NEW MANAGEMENT

Carl Hays of Seattle, Washington has taken charge of the Sandwich Shop formerly operated by Fred Hardie of this city and plans to run the business in its old location under the name of the Cottage Inn Sandwich Shop. Mr. Hays comes to Clarendon with lots of pep and energy and is planning to set the pace for this eating house. A few changes will be made in the plan of operating the business in that a regular meal will be served instead of having the short order business that was formerly had with Mr. Hardie as manager and owner. The little place of business will be opened Saturday of this week.

A. M. King, pharmacist for the Stocking Drug Co., left overland Sunday for a two weeks vacation to be spent in El Paso and Juarez.

Why take a chance?

Thousands of cars are stolen every year.

Then there are the other possibilities of loss or damage. Fire, Collision, Property Damage and Liability. Play Safe. Insure Completely.

One of the easiest emergency desserts for a "company" menu in summer is shortcake, made with any fresh fruit, whipped cream, and either sponge cake or biscuit dough. Peaches, raspberries and bananas all make good shortcakes.

It isn't Congoleum if it hasn't the gold seal

Plan Your Fall Replacements

NOW

While you have a little leisure time to spend after your crops have laid by, there are items that need replacing on every farm and in every home. There is more time to be given to these things during the late summer than at any other time of the year.

We have plans and can give you much assistance along these lines as to the possible cost of the repairs and new work you will want to do. We will be glad to figure with you on anything you want to do.

DO IT NOW!

MYSTERY DURANT TO BE SHOWN HERE THREE DAYS

The City Garage, Durant Dealers, have completed arrangements with the Durant factory for the appearance in Clarendon of the famous "Mystery Durant," which will be exhibited here for three days starting Thursday, August 16, by Billy Van Duzen and F. N. Payne, factory representatives, at the salesroom of the City Garage.

This exhibition is admitted by both press and public to be the funniest and most uncanny show of the age and was referred to by the New York Times as the eighth wonder of the world.

The Mystery Durant actually talks in the human voice, sings, answers questions, puts on its lights and blows its horn at word of command and although millions of people have listened to it and marveled at its seemingly supernatural powers, it has, despite the most rigid examinations, managed to retain its secret.

The Mystery Durant has been shown at almost all of the automobile shows in the larger cities and at many of the state fairs throughout the United States and Canada and has been the outstanding feature wherever shown.

The performance here will be conducted by "Billy Van Duzen, a well known vaudeville and musical comedy comedian, who according to reports, keeps his audience in gales of laughter.

During the local engagement, which starts Thursday and continues throughout the week, there will be two performances daily. The performances are free and the City Garage extends a cordial invitation to all to visit the salesroom during the engagement of the Mystery Durant.

ST. JOHN BAPTIST CHURCH
Rev. L. L. Swan, Rector

Services for "The Eleventh Sunday after Trinity"—August 19th. Celebration of the Holy Communion, 9:15 A. M. (prompt) Church School and Bible Class, 9:45 A. M.

All are cordially invited to attend. In the future the regular eleven o'clock service will be resumed.

AN OLD TIME AUTOMOBILE

In 1903, Silas Malterner, of the village of Massena, New York, built a "horseless carriage." The machine was small and high and its wheels were pneumatic tires and steel spokes, resembling somewhat an oversized bicycle wheel. It is a far cry from these "bike" wheels to the handsome all-steel disc automobile wheels seen on the majority of motor cars today.

BANDITS' REWARD

Bad men of Sutter County, California, had better take warning. The Sheriff of that thriving Pacific Coast community is now riding forth seeking bandits in an all-steel automobile, bullet proof even to the glass in wind shield and the two front doors. The body is constructed of steel plates which afford absolute protection to the bandit chasers within.

Misses Leila Bell and Edna Butler left Saturday night for Colorado Springs, where they will spend a vacation of ten days or more.

Roaches live in colonies. If you see one you know there are many. Roaches are loathsome vermin. Prolific breeders. There are medical authorities who declare seventeen different diseases are transmitted by roaches. Roaches must be killed. Spray FLY-TOX into cracks, crevices, around water pipes, faucets and other plumbing. Simple instructions on each bottle (blue label) for killing roaches and ALL household insects. INSIST on FLY-TOX. It is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. FLY-TOX is safe, stainless, fragrant, sure. Easy to use.—Adv. (33c)

It isn't Congoleum if it hasn't the gold seal

5 reasons why STEEL ECLIPSE WINDMILLS run in lightest breeze

Why does the Steel Eclipse run when other mills are motionless? The answer is, scientific design and fine workmanship. Note these five reasons—

- (1) Wheel is tilted to take advantage of lightest breeze. (2) All working parts run in oil. (3) All wearing parts are made of the right materials and surfaces are machined. (4) Mill starts on two-thirds load—not full load; quick downstroke and slow upstroke means less effort required on the lift or pumping stroke. (5) All bearing surfaces are in line, reducing internal strain and power loss.

Ask us to show you!

To All Owners of
DODGE BROTHERS MOTOR CARS
PAST, PRESENT AND FUTURE
by
WALTER P. CHRYSLER

You, more than anyone else, are entitled to know the purpose behind our recent acquisition of the assets and facilities of Dodge Brothers, Inc.

For upon that purpose depends the security of your investment in Dodge Brothers products.

In acquiring Dodge Brothers, Inc. for the Chrysler Corporation, we have secured one of the largest and most modern automobile factories in the world and with it an organization of exceptional ability.

We intend that these facilities shall be utilized to increase the value and quality in Dodge Brothers cars and Graham Brothers Trucks and Motor Coaches.

We have secured, in addition, a dealer organization that has always been recognized as one of the finest in the industry.

It is our intention to deserve the continued loyalty of this group of substantial, progressive merchants by making it possible for them to enjoy increasing prosperity through the sale of Dodge Brothers products.

We have secured, moreover, that which transcends in importance either Dodge Brothers superb plant equipment or Dodge Brothers splendid dealer organization. For we have become the lawful heritors of Dodge Brothers Good Name, with all the solemn obligation which that inheritance implies.

We have become the trustees of Dodge Brothers good faith to their customers, and it is our purpose to execute that trust with fidelity.

The priceless identity of all Dodge Brothers products will be preserved—as well as the sound policies that have made the words Dodge Brothers synonymous with Honest Value and Dependability.

Dodge Brothers Works will continue to produce Dodge Brothers Motor Cars and Graham Brothers commercial vehicles. Dodge Brothers dealers will continue to sell and service them.

The men to whose capable support the success of the Chrysler Corporation is due, unite with me in pledging perpetuation of Dodge Brothers ideals, to the end that a Good Name may be made still better.

W. P. Chrysler
President Dodge Brothers Corporation
Division of Chrysler Corporation

Society

Fraser-McDowell

Mr. and Mrs. C. D. McDowell announce the marriage of their daughter, Ruth to

Mr. Walter Knorrp Fraser, Wednesday, August fifteenth nineteen hundred twenty-eight Clarendon, Texas.

AT Home After August 26th Boydston, Texas. The ceremony uniting this young couple was performed in the Presbyterian manse by Rev. F. T. Charlton in the presence of a very few close friends and relatives. Immediately following the ceremony, the young people left for a honeymoon trip in Colorado and New Mexico.

Goodwin-Swinburn

Miss Oleta Swinburn, attractive daughter of Mr. and Mrs. J. L. Swinburn of Ashtola and J. L. Goodwin of Amarillo were quietly married at the Methodist parsonage of Ashtola, August 7th, by Rev. C. T. Williams. Miss Swinburn is a former student of Clarendon High School and is well known among the younger group of which she was very popular.

Mr. Goodwin is the son of Mrs. Goodwin of Ashtola where he has made his home until recently. He attended Clarendon College for a time before becoming associated with the Rock Island Railroad. The happy couple left immediately following the ceremony for Amarillo where they will make their home.

An Announcement Party

Julia Elizabeth Dean—William Mason Bradley, August 28, 1928, was the surprise announcement made at the home of Mrs. C. H. Dean by her talented daughter, Miss Julia Dean, Saturday afternoon when she entertained with a 42 party, in rooms profusely decorated with cut flowers.

At the close of the games of 42, Mrs. G. L. Boykin in her charming manner, pleased the guests with a beautiful violin solo which was followed by a piano solo beautifully played by Miss Fray Stallings.

An ice course was served by the hostess, assisted by Mrs. C. H. Dean, Jr., with the announcement concealed beneath the plate favors, pink and orchid sweet peas.

Those present: Mrs. G. L. Boykin, Mrs. H. C. Brumley, Mrs. F. L. Stallings, Mrs. R. Wilkerson and Mrs. Charles H. Dean, Jr., Miss Lottie Lane, Miss Lummie Joy Lane, Miss Fray Stallings, Miss Lynn La Fon and Miss Kathleen Nunn of Amarillo.

Former Clarendon Residents Wed

News has been received in Clarendon of the marriage of Miss Marjorie Turner on June 23rd, also that of Mr. Wilson Turner to Miss Mary Thelma Lindsey on July 19th.

Miss Marjorie and Wilson Turner are formerly of Clarendon being children of the late Robert E. Turner and Mrs. Turner, but now of Los Angeles, California, where they will continue to make their home.

Mrs. Turner is now in the home of her daughter, Mrs. Joekel of Austin.

W. M. S. Elects Officers

The W. M. S., First Baptist Church met in the church Wednesday afternoon for their regular weekly business and study meeting.

An interesting mission study was followed by the election of officers for the coming year and are as follows: President, Mrs. W. C. Stewart, Vice-President, Mrs. J. T. Warren, Secretary and Treasurer, Mrs. E. A. Thompson, corresponding secretary, Mrs. W. Z. Borron, Young Peoples Leader, Mrs. Joe Goldston.

Wednesday, August 22nd is circle day. The East Circle will meet with Mrs. Geo. McClesky; West circle with Mrs. T. M.

Couch. Come help us to make these our most interesting meetings.

Mrs. John Clark Entertains For Young Visitors Monday

A thoroughly enjoyable birthday party was tendered the Misses Winslow of Fort Worth in the home of their grandmother, Mrs. J. H. Clark, Monday of this week. The little guests gathered at 4:30 and two hours of games and frolic resulted until 6:30, when refreshments of ice cream and cake were served the fourteen guests. The guest list included: John Morris Ryan, Cassandra Morris, Muffett Merrell, Rayburn and Viola Smith, Billie Joe Tones, the two Misses Carlile, Aline Gibbs, Master and Miss May, Jack Rolf of Little Rock, Arkansas and the honorees, Betty Jane and Addie Louise Winslow of Fort Worth.

Ladies Aid Meets Wednesday

The Ladies Aid Society, First Christian Church, met in the home of Mrs. S. B. Arnold Wednesday afternoon in their weekly business and study meeting, which was opened by an earnest prayer by Mrs. F. A. White. Mrs. W. T. Hayter, president, presided during the business meeting which was followed by the lesson with Mrs. Eva Humphrey as leader.

Mrs. Arnold served dainty refreshments during the social hour to 11 members and one visitor. On Wednesday, August 22nd the society will meet in the home of Mrs. John Beverly.

Girls Enjoy Outing

The members of the Old Maid's Club spent Friday in the Lelia Lake Camp, leaving the city early they were able to have breakfast at the camp, as well as the other two meals of the day.

Some fished during the day, some played bridge, while others explored the grounds surrounding the lake, but all kept busy during the entire day and returned home much refreshed from the day's outing.

Those participating: Misses Davilla Kelly, Gwyn Youngblood, Latrice Benson, Wylfa Lee Alexander, Lois Alexander, Florence Fink, Betty Walker, Jane Killough, Dorothy McCann and the chaperone, Mrs. Jim Haile.

Recent Bride Given Shower

Miss Mozelle Ayer entertained with a lovely miscellaneous shower Friday evening in honor of Mrs. Clyde Holtzclaw, at the hospitable home of Misses Olive and Bertha Saunders, 819 Tennessee Avenue.

The bridal colors used at the time of the wedding ceremony were chosen by the hostess for Friday evening and lovely flowers carried out the wedding motif of orchid and pink adorned the entire entertaining suite. These were also the keynote in the dainty refreshments which were served at the close of the evening.

The evening hours were informally spent and many pretty gifts were received by the charming honor guest, who until quite recently was Miss Betty B. Haile.

Those present were: Mrs. Clyde Holtzclaw, Mesdames Robert C. Jones, Dewey T. Heath, and Misses Jessie Mae Andrews, Pearl Mason, Faye Harris, Bertha Handke, Novell Ayer, Bertha and Olive Saunders.

Miss Beville Gives Novel Party

The cleverest affair of the week was the Spanish party given by Miss D'Laurel Beville at her home Friday evening.

The piazza, on which the tables had been arranged, had been converted into a bower of loveliness by the use of pot plants, cut flowers and shaded bridge lamps.

The tables, true to Spanish custom, were attractive in cloths of red and green with an oblong strip of figured red oil cloth marking the center for the glasses which held paper napkins and forks. Dainty red baskets contained tasty green mints. Clever place cards were decorated with birds in natural plumage and the favors were miniature water jugs, reed baskets and other curios characteristic of Mexico.

A Spanish menu of: tamales, sopo de arroz, frijoles, chill, pan

and pop was served, after which bridge was enjoyed until a late hour with Miss Nettie Sims winning high score, Miss Anna Moores low and Miss Fannie Florence Sims game in no trump. They together with four others, who drew table consultations were presented with lovely favors.

The personnel of this clever party were: Misses Winnie Weatherly, Dewey Mitcham, Opal Pyle, Norma Rhode, Fannie Florence Sims, Beulah Baird, Nettie Sims, Anna Moores, Willie Davis, Evelyn Patman, Herlois Burrell, Catherine Patrick, Lorraine Patrick and Mildred Martin.

Mesdames C. W. Galloway, Charles Trent and L. B. Merrill.

Miss Alexander Given Shower

Miss Elizabeth Alexander, bride-elect and charming daughter of Mr. and Mrs. R. H. Alexander, was honored with a miscellaneous shower Tuesday afternoon by Mrs. Clyde Price and Miss Mary Stocking at the beautiful C. W. Bennett home.

After the guests arrived and were seated each in turn wished the bride something adding her wish to those preceding hers and at the end a wish for many gifts was made, at which time the hostesses presented Miss Alexander with "the many gifts" which were opened by the honoree who in her most charming manner thanked each giver.

Those present: Mesdames Richard Bell, Earl Alexander, Charles Trent, R. L. Bigger, A. T. Cole, W. H. Patrick, Allen Bryan, O. L. Jenkins and Misses Mary Cooke, Annie Bourland, Ineva Headrick, Maye Lumpkin, Katherine and Lorraine Patrick.

Bob Donnell of Odessa is visiting with his mother, Mrs. A. C. Donnell.

Mrs. L. A. Reavis and daughter, Margaret are visiting in Crosbyton.

Miss Willette Cole of Pampa spent the week-end with her parents, Mr. and Mrs. A. T. Cole.

Mrs. U. J. Boston, Miss Pauline Sanford, Miss Pauline Shelton, Ilegene Moss, Josephine Murfee and Eunice Johnson spent a few days of last week at the Methodist Encampment at Palo Duro canyon.

W. Z. Barrow spent last week in Groom.

Billy Van and his Mystery Durant at City Garage.

It isn't Congoleum if it hasn't the gold seal

Mr. and Mrs. Houston Miller and sons, Elton and Fred left Sunday afternoon for Colorado where they will spend their vacation.

Misses Ruth and Sara Thompson motored to Ft. Worth Thursday returning Saturday.

Miss Genevieve Blackburn of Vernon returned to her home Monday after spending some time in the home of Mr. and Mrs. G. G. Kemp.

Mrs. Matthew Lane and son are guests in the C. M. Lane home.

10 Big Reasons why Chevrolet is -

First Choice of the Nation for 1928!

With over 750,000 new Chevrolets on the road since January 1st, today's Chevrolet is first choice of the Nation for 1928. Come in and see how completely this sensational automobile provides the ten great factors which automobile buyers everywhere are now demanding.

The COACH
\$585
f.o.b.

Sims-Bennett Chevrolet Company

- DESIGN**
Today's Chevrolet is modern to the minute in every detail of design.
- APPEARANCE**
Today's Chevrolet provides the marvellous beauty of design and proportion for which Fisher Bodies are everywhere famous.
- FEATURES**
Possessing quality features typical of the finest cars, today's Chevrolet is everywhere regarded as the world's most luxurious low-priced automobile.
- PERFORMANCE**
Chevrolet's amazing performance is the result of a valve-in-head motor whose power is a matter of worldwide fame and whose snap and smoothness are assured by alloy invar-strut pistons, large valves with mushroom type tappets and accurately counter-balanced reciprocating parts.
- COMFORT**
The Bigger and Better Chevrolet is built on a 107" wheelbase, equipped with four long semi-elliptic springs set parallel to the frame and with seat cushions provided with deep, resilient springs.
- HANDLING EASE**
For ease of control Chevrolet design incorporates a full ball bearing steering gear, smooth shifting transmission, light pedal action, clutch and big non-locking four-wheel brakes.
- ECONOMY**
Chevrolet owners enjoy the greatest economy of operation.
- MAINTENANCE**
Chevrolet enjoys a worldwide reputation for low maintenance costs.
- RESALE VALUE**
Chevrolet's resale value is unusually high because Chevrolet's rugged construction assures many thousands of miles of dependable transportation.
- PRICE**
Chevrolet offers these beautiful modern cars at these amazing low prices:

The Touring or Roadster \$495 The Convertible Sport Cabriolet... \$695
The Coach... \$585 The Imperial... \$715
The Coupe... \$595 Utility Truck... \$520
The 4-Door Sedan... \$675 Light Delivery... \$375

All prices f.o.b. Flint, Michigan. Check Chevrolet Delivered Prices. They include the lowest handling and financing charges available.

CARD OF THANKS

To the many friends who so nobly stood by us in the saddest hours of our lives and helped us so tenderly lay our Darling away to be disturbed no more until the last bugle calls us to the home beyond the sunsets' lovely glow. We thank you, and pray that when your sad hour arrives that we may be able to render you such sympathy and service.

Mr. and Mrs. W. V. McCauley and family,
Mr. Clayton Morrison. (33c)

The Studebaker franchise is now open in this territory to the party who can give it the proper representation. Full information can be obtained by writing T. S. Dygart, McCarty Motor Company, Amarillo, Texas. (35c)

The Mystery Durant is showing in Clarendon, Thursday, Friday and Saturday.

MOVED

From my old location on Sully Street to my new warehouse on the Denver right-of-way near Stallings Coal Office, just North of the laundry. The new place is cool, clean and is large enough to care for your cream, eggs, hides and produce. I invite all my old friends (and a thousand new ones) to visit me in my new place.

Mr. and Mrs. Glenn White of San Angelo, are here for a visit in the home of Mr. and Mrs. F. A. White.

David Johnson returned the latter part of last week from Tenaha, Texas, where he had been for a visit with relatives and old friends.

Miss Maude Clark was in Clarendon over the past week-end visiting in the home of her parents, Mr. and Mrs. J. H. Clark.

Miss Wanda Vinson of the city of Amarillo is here for a visit in the home of Mr. and Mrs. Fred Hardie.

Mr. and Mrs. O. C. Watson and children left Thursday afternoon for a vacation trip in Wichita Falls, Dallas and Fort Worth.

Mrs. R. T. Darnell and Mrs. O. T. Smith left overland Saturday for Tyler, Texas, where they will visit for a time with their father, Mr. Enochs.

Rev. and Mrs. W. M. Murrell left Tuesday afternoon for a vacation trip to Ruidoso and other points in New Mexico and Colorado.

Rufus White, Jack Bourland, Kenneth Fink and Byron Skelton returned the latter part of last week from a vacation trip in Colorado.

Irl Smith returned the latter part of last week from the harvest regions, where he has been working during the summer months. Irl will be connected in the future with the Alderson's Studio.

Mr. and Mrs. R. W. Moore and children and Mrs. Hattie E. Moore, left this morning for a visit to Dalhart, Albuquerque, Taos and other parts of the state of New Mexico. During their absence from the city they will visit the mother of Mrs. Moore.

The News is in receipt of a letter from the Hawthorn Hotel of Salem, Massachusetts, stating that Mr. and Mrs. George A. Ryan and daughter, Miss Berkeley, and Mrs. A. Gentry, were registered in that establishment on August 8th.

Mr. and Mrs. L. B. Cooper returned to their home here Monday afternoon of this week after a vacation in Midland and other points in New Mexico and Colorado. They will go to Wichita Falls for a short visit before returning here to take up the school work of the year.

Mr. and Mrs. C. E. Lindsey are visiting in Bowie, Texas, and will motor through the most interesting parts of Oklahoma before returning.

Mr. and Mrs. Lindsey Taylor spent last week end in Amarillo.

TERRACING GREAT AID TO CONSERVATION OF SOIL

Any system of farming that continues to check out soil fertility will eventually destroy the comforts and lower the stability of the farm home and will also destroy business in the cities and towns. A. K. Short, terracing and soil conservation agent, Federal Land Bank of Houston, declared in an address on "The Necessity of Soil Conservation" before the crops and farm engineering group of the nineteenth annual Farmers Short Course in session here.

"In the recent circular (No 39) the United States Department of Agriculture gives us the startling information that over the entire country the plant food loss by leaching and erosion amounts to twenty times as much as is being used by crops," Mr. Short said.

"In speaking of soil conservation, in this section our minds are immediately focused upon terracing," the speaker continued. "This is true, of course, because of our enormous waste from soil erosion, yet we must bear in mind that, while this is the first step and the fundamental basis, there is more to soil conservation than from the mere stopping of soil washing. A study of this problem involves data that has been accumulated and what is actually happening under farm conditions. Also a study of the situation must be centered around our chief farm crop, cotton.

"A study of the cotton yield over a period of 28 years, from 1900 to 1927 inclusive, shows that from 1900 to 1909, the ten year period, average was 171.3 pounds of lint to the acre. The next 1910 to 1919, the average yield was 157.5 pounds to the acre, while for the lint cotton to the acre, during the twenty-seven years there was decrease of approximately 30 per cent. In the acre yields, or around 1 per cent, a year average decreases.

At the Texas Agricultural College at Spur, on land with 2 per cent, grade the land planted to cotton in 1926 lost its soil at the rate of 6 cents in 32 years. "Soil conservation and diversification are inseparable. We cannot build nor maintain soil fertility with out diversification will build up soil fertility. If we are to conserve or build soil fertility we must terrace to hold the soil, practice a system of crop rotation to build soil fertility and produce or feed livestock to consume the surplus crops produced in crop rotation."

Miss Lorena Stegall spent last week visiting in Claude and Canyon, returning to her home Saturday evening.

Mr. and Mrs. Lindsey Taylor spent last week end in Amarillo.

"Just plain wonderful" say all who have seen it

Amid all the fanfare of new car announcements, one fact stands out with shining clarity: Owners of cars in every price field are turning to the Silver Anniversary Buick with an eagerness which proves that they regard it as the greatest value ever offered in the motor world!

This radically new and different automobile is rolling up the biggest demand ever won by any new quality car. It is drawing more people to the showrooms, day after day, than any other automobile ever drew before. It is focusing the attention of America by quality-standards so new, so advanced and so epochal as to preclude any thought of comparison.

New Masterpiece Bodies by Fisher marking the

highest degree of dashing, daring, debonaire beauty—thrilling new abilities as unmatched as they were unknown a few weeks ago—new appointments of luxury and convenience never before known to motor car practice!

America has seen plenty of automobiles. But America has never seen an automobile like this. "Just plain Wonderful" is the country's verdict on the Silver Anniversary Buick!

same published as required by the Constitution and laws of this State. And the sum of five thousand (\$5,000.00) dollars, or so much thereof as may be necessary is hereby appropriated from any funds in the State Treasury not otherwise appropriated to defray the expenses of printing said proclamation and of holding said election. Approved by Governor, March 25, 1928.

PROPOSED CONSTITUTIONAL AMENDMENT—AUTHORIZING LEGISLATURE TO GRANT CONFEDERATE PENSIONS REGARDLESS OF DATE PENSIONER CAME TO TEXAS OR WHEN WIDOW MARRIED PENSIONER OR WHEN SHE WAS BORN

H. J. R. NO. 15. HOUSE JOINT RESOLUTION. Proposing an amendment to Section 51, Article 3, of the Constitution of the State of Texas, authorizing a tax levy for Confederate soldiers and sailors and their widows and providing for submission of same to the qualified electors of this State at any election to be held on the first Tuesday after the first Monday in November, A. D. 1928, and providing the necessary proclamation and appropriation of the expenses of publication and election.

Section 1. That Section 51, of Article 3, of the Constitution of the State of Texas be amended so as to read as follows:

The Legislature shall have no power to make any grant or authorize the making of any grant of public moneys to any individual, association of individuals, municipal or other corporations whatsoever, provided, however, the Legislature may grant aid and interest on such aid to Confederate soldiers and sailors under regulations and limitations as may be deemed by the Legislature as expedient, and to their widows in indigent circumstances under such regulations and limitations as may be deemed by the Legislature as expedient; in indigent and disabled soldiers, who, under special laws of the State, served in organizations for the protection of the frontier against Indian raids or Mexican marauders, and to indigent and disabled soldiers of the militia who were in active service during the war between the States and to the widows of such soldiers who are in indigent circumstances, and who are or may be deemed by the Legislature as expedient; and also grant for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy, under such regulations and limitations as may be provided for by law; provided the Legislature may hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas, a State ad valorem tax on property of seven (\$7) cents on the one hundred (\$100) dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provide further, that the provisions of this section shall not be construed so as to prevent the levy of aid in cases of public calamity.

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held on the first Tuesday after the first Monday in November, A. D. 1928, at which all ballots shall have printed thereon the following:

(1) "For the amendment to Article 7, adding Section 16, providing that school officers, including boards of institutions of higher education, shall serve for a term not exceeding six years." (2) "For the amendment to Section 8 of Article 7 of the Constitution, providing for the appointment of a State Board of Education." (3) "Against the amendment to Section 2 of Article 7 of the Constitution, providing for the appointment of a State Board of Education." (4) "Against the amendment to Section 2 of Article 7 of the Constitution, providing for the appointment of a State Board of Education."

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

WHAT'S DOING IN WEST TEXAS

By West Texas Chamber of Commerce

Eastland—H. O. Tatum, for 3 years secretary of the Baird Chamber of Commerce, is soon to be Eastland's City Manager.

Estelline—Installation of gas mains is under way here.

Big Lake—This town has just completed the laying of a new sewer system.

Fort Stockton—The executive board of the Sheep and Goat Raisers' Association will meet here October 13.

Marfa—Mexican laborers are available in this section as a result of efforts of WTCC to have an American Consul stationed temporarily at Ojinaga, Mexico.

Spur—Spur's first three story store building is under construction at this time by W. S. Campbell.

Alvord—Up to August 1, fourteen carloads of wormelons had been shipped from here this season.

Shamrock—The 45th block of Shamrock's paving program has just been completed.

Lampasas—Plans are being completed for the W. T. C. C. heart of Texas District Convention in September.

Tulia—Tulia High School has recently acquired two additional affiliated credits, making a total of 31.

El Dorado—Directors of the Scheicher County Fair are now planning for the event which takes place September 11 and 12.

Munday—A credit in general science, and one in fourth year English have been awarded the high school here.

De Leon—J. C. Patterson, county farm agent of Eastland County made an instructive talk on the sweet cream industry here August 11.

Truscott—The opening of the new hotel here was celebrated by a free barbecue and costume concert August 8.

Rising Star—A vocational teacher has been secured for this community through the efforts of the Chamber of Commerce.

Channing—Improvements are being made on the Fort Worth & Denver depot here.

Roswell, N. M.—Roswell has voted 1929 host to the WTCC Intermountain district convention at Carlsbad.

Plainview—Plainview will enter a carload of Jersey pure bred cattle at the dairy show of the Dallas Fair this fall.

State. The sum of \$5,000.00 or so much thereof as may be needed is hereby appropriated from any funds in the State Treasury not otherwise appropriated to defray the expenses of publication of said Amendment.

PROPOSED CONSTITUTIONAL AMENDMENT—AUTHORIZING LEGISLATURE TO GRANT CONFEDERATE PENSIONS REGARDLESS OF DATE PENSIONER CAME TO TEXAS OR WHEN WIDOW MARRIED PENSIONER OR WHEN SHE WAS BORN

H. J. R. NO. 29. HOUSE JOINT RESOLUTION. Proposing an amendment to Section 2, Article 8 of the Constitution of the State of Texas, so as to authorize the Legislature to exempt from taxation any property owned by a church or by a strictly religious society for the exclusive use as a dwelling place for the ministry of such church or religious society, and which yields no revenue whatever to such church or religious society, provided that such exemption shall not extend to more property than is reasonably necessary for a dwelling place and in no event more than one acre of land; places for burial not held for private or corporate profit; all buildings used exclusively and owned by persons or associations of persons for school purposes and the needed furniture of all schools and property used exclusively and reasonably necessary in conducting any association engaged in promoting the religious, educational and physical development of boys, girls, young men, or young women operating under a State or National organization of like character; also the endowment funds of such institutions of learning and religion not used with view to profit and when the same are invested in bonds or mortgages, or in land or other property which has been and shall hereafter be bought in by such institutions under foreclosure sales made to satisfy or protect such bonds or mortgages, that such exemption of such land and property shall continue only for two years after the purchase of the same at such sale by such institutions and no longer; and all laws exempting property from taxation other than the property above mentioned shall be null and void.

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of the State on the first Tuesday after the first Monday in November, 1928, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words "For the Amendment to the Constitution of the State of Texas, exempting from taxes property owned by churches or strictly religious societies for the exclusive use as dwellings for the ministry"; and all those opposed shall write or have printed on their ballots the words "Against the Amendment to the Constitution of the State of Texas, exempting from taxes property owned by churches or strictly religious societies for the exclusive use as dwellings for the ministry".

Section 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and have same published as required by the constitution and existing laws of the State.

Section 4. The sum of Two Thousand Dollars (\$2,000.00) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of said publication and election.

Approved by the Governor, March 29, 1927.

OAKLAND AND PONTIAC CARS SET SALES RECORD IN JULY

Continuing the record setting pace which has resulted in new high sales figures every month since the first of the year, the Oakland Motor Car Company sold a total of 22,704 Oakland and Pontiac Sixes during July, W. R. Tracy, vice-president in charge of sales, announces.

This compares with 16,752 units sold in July, 1927, or a gain of 35 1-2 percent; and brings the total of new Oakland and Pontiacs shipped since January 1st to 184,252 cars, Mr. Tracy said. The corresponding performance for the first seven months of 1927 was 112,888 units, or a gain of 63 percent this year over last.

In view of the unusual record of the company to date, Mr. Tracy declared that this year promises to be by a wide margin the most successful in the 22-year existence of the Oakland Motor Car Company.

"Our combined output of Oakland and Pontiac cars was 192,966 units," he said. By the end of July of this year our sales had amounted to 184,252 new cars, leaving less than 9,000 units to go until we surpass the entire output of last year, which in turn was forty percent better than in 1926.

"Extensive plans laid for the late Summer and the Fall of 1928 indicate that we will top last year's performance easily by another forty percent or more. Sales of Pontiac Sixes will take on an added spurt by reason of numerous refinements in the line announced recently.

"Our plans for the Oakland All-American Six for the coming months also are extensive. The car should soon to record sales figures never before attained by this line during the latter part of the year.

"There is every indication that our 1928 production and sales not only will reach the total units we announced on January 1st as our program for the year, but that the demand for the Oakland and Pontiac lines will make possible an even better showing.

"The national economic picture is better than we might normally have expected several months ago. Political issues are too vague to cause industrial uneasiness. Unemployment, where it was in evidence, has subsided to normal as a result of seasonal occupations. The trade horizon is fair, indeed.

"It is significant that our July sales were especially good in the farming localities. The farming industry is the recognized pulse of our national well-being. With the farmer prosperous now and confident of the future outlook other lines of industry will go forward at an accelerated pace that should make the third and fourth quarters of the year decidedly better than in 1927."

NEW HIGHWAY PLANNED TO LEAD TO SOUTH PLAINS

A meeting of interested people from Sterling, Mitchell, Scurry, Dickens, Motley, Hall, Collingsworth and Wheeler counties met last Wednesday in Colorado, Texas and organized a new road association to be named the Panhandle-Rio Grande. This body has for its objects the formation of a new highway through Wellington, Memphis, Turkey and other points to open the South Plains country by a newer and different route than that now in operation. Judge A. C. Hoffman of Memphis was named as one of the Vice Presidents of the organization and it is predicted that a thorough campaign will be waged in the very near future to secure designation of the highway as mapped out.

WHY does CONOCO AMALIE have such Expert Endorsement

It must be an unusually good oil to have the unqualified endorsement of the designers and builders of engines used in 207 automotive vehicles.

But no wonder these experts favor Conoco Amalie! Made from Pennsylvania Crude and made a better way, Conoco Amalie does a 100% lubricating job.

It retains its viscosity under practically all operating conditions—thus sealing the pistons and greatly reducing crankcase dilution—the cause of so much costly wear and tear on the motor.

If you really want your motor correctly lubricated, Conoco Amalie will do the job.

Get it at the Conoco sign.

Wouldn't you prefer a car built in the

World's Most Modern Automobile Plant?

Today you demand infinitely more in your automobile than you did five years ago. In order to satisfy you, Oakland now builds the All-American Six and the Pontiac Six with greater care than ever before.

Oakland and Pontiac Sixes are built in factories constructed almost entirely within the past two years.

Oakland is constantly discarding and replacing equipment, content to use only the very newest, most accurate designs. Oakland inspection standards are second to none.

Wouldn't you prefer a car built in the world's most modern automobile plant with standards of precision such as Oakland employs? Drive an All-American Six or a Pontiac Six, and you'll find the answer in superior performance, stamina and reliability.

Oakland All-American Six, \$1045 to \$1265. Pontiac Six, \$745 to \$875. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

GOVERNMENT COTTON ESTIMATE RAISED OVER 1927

The condition of the cotton crop on August 1 was 87.9 per cent of normal, indicating a production of 14,291,000 bales, compared with 12,955,000 bales last year, the agriculture department announced last week.

The increased yield of lint October per acre was placed at 152.2 pounds compared with 154.5 pounds in 1927.

Census bureau reports made public simultaneously showed 87,888 running bales, counting round as half bales, ginned from the 1928 crop prior to August 1,

compared with 162,283 bales for 1927.

The department said that because of the dominant role played by the boll weevil in determining the final yield per acre of cotton, allowance for probable weevil damage had been allowed in the estimate.

The department announced that if percentage of cotton area abandoned during this season equaled the average of the past 10 years, the area remaining to be harvested in the United States this year would be 44,953,000 acres.

LINDBERGH TO ATTEND NATIONAL LEGION MEET

SAN ANTONIO, Tex.—Appointment of a special Lindbergh committee for the tenth national convention of the American Legion, to be held at San Antonio October 8 to 12, was announced here today by Department Commander Walton D. Hood.

The committee will have in charge the reception and entertainment of the great flier, who has accepted an invitation to be one of the distinguished guests of the Legion at its San Antonio gathering. An unusually brilliant array of American and foreign personages is expected to be in attendance at this convention marking the tenth anniversary of the close of the war.

Colonel William E. Easterwood Jr., of Dallas, is chairman of the committee to receive Lindbergh. Lawrence Hoskins, of Harlingen, grand chef de gare of the Forty and Eight in Texas, is vice chairman. Eugene Sanders, of Austin, is secretary.

Other members of the committee are: Roy D. McMillan, Paris; Gary M. Eaves, Lufkin; H. H. Wellborn, Henderson; S. V. Earnest, Denison; Dr. F. A. McKenna, Waxahachie; Ballard E. George, Corsicana; H. W. Morrow, Palestine; Y. D. Mathes, Houston; Arnold Reber, El Campo; E. H. Roach, Taylor; Jesse Martin, Ft. Worth; W. E. George, Wichita Falls; Dewitt McGee, Corpus Christi; Capt. J. Middleton, Uvalde; Emmett Cox, San Angelo; C. Lee Williamson, Coleman; Walter Irvin, Amarillo.

TEXAS TECH SCHEDULE HEAVIEST IN HISTORY

Nine football games, two with leading teams of the Southwest conference, are on the schedule for Texas Technological College for the coming season, a completion of the card shows.

The Matadors will meet the University of Texas for the first time this year. The game is to be played in Austin on October 6. T. C. U. will be the other Southwestern team which the Matadors will meet October 27 will be their third encounter.

The schedule follows:

Sept. 29—Schriner Institute at Lubbock.

Oct. 6—University of Texas at Austin.

Oct. 13—St. Edwards University at Lubbock.

Oct. 20—McMurray College at Lubbock.

Oct. 27—Texas Christian University at Fort Worth.

Nov. 3—Daniel Baker College at Brownwood.

Nov. 10—Abilene Christian College at Lubbock.

Nov. 17—Simmons University at Lubbock.

Nov. 29—W. T. S. T. C. at Canyon.

SCOUT CAMP TO START AUGUST 19

LAMBERSON PLACE NEAR CLARENDON TO BE SCENE OF CAMP FOR GROUP

The Southeast Pahandle Group of Boy Scouts will hold their annual Summer camp on the Lamberson place nine miles northeast of Clarendon beginning Sunday evening, August 19th and closing Monday morning, August 27th. W. J. Lewis, owner of the ranch on which the camp is to be located, has willingly granted the use of the place and has added materially to the growth of Boy Scout work in this section by his generosity.

That the parents of the boys who attend this camp may have no fears as to the safety of the boys while they are in camp, leaders will be provided from the group listed below. A part of these will be in the camp at all times, it being the policy of the head of the work to have one leader for at least ten boys who are in camp. A revised list will be published next week, giving the names of those who are certain to be in the camp. The present list follows: J. C. Wells, C. E. Jameson, Jim W. Martindale and Dave M. Price of Memphis; C. W. Foote of Shamrock; Emanuel Dubbs and Raymond McClure of Wellington; H. B. Lusk, Clarendon; J. C. Moore and W. B. Andrews of McLean and H. B. Yates.

Meals will start Sunday evening August 19th and will end Monday morning, August 27th. Boys may enter the camp Sunday afternoon or Monday morning and may leave Sunday afternoon, August 26th or stay until Monday morning, August 27th, suiting the convenience of the boys and their parents. An experienced camp cook will prepare the meals and it is guaranteed that the meals will all be good. Tents will be provided for the use of the boys on the camp.

Precautions of all natures will be taken to keep the boys in the very best of condition throughout the entire camp. The heart of each boy will be examined by a doctor on the first day to make certain that no harm will come from this direction. While swimming, an accredited Red Cross Life Saver will be on guard in addition to using the "Buddy System" which means that the boys will enter the water in pairs, each pair to check on his buddy at stated intervals to see that all is going well. An effort will be made to teach all non-swimmers the knack of swimming during the duration of the camp. An added precaution will be that no boy will be allowed to leave the camp without permission.

Sunday, August 26th will be visitors day at the camp, it being urged that the parents and all others interested in the work visit the camp to see what the boys are doing. A service will be held in the morning of Sunday, August 26th. Those planning to eat Sunday dinner in the camp will be asked to pay for the privilege unless they should bring their meals with them. One day's notice is asked that the cook will have sufficient time to make the needed preparation.

Prizes will be awarded to the best swimmer, the best camper and the best entertainer. These will be given at the Camp Court of Honor on the last Sunday afternoon, where Second Class, First Class and Merit Badge Certificates will be awarded. A pennant will also be given the troop bringing the greatest number to the camp.

Equipment required of each Scout in the camp is as follows: Canvas cot, 2 or 3 blankets, uniform if owned by the scout, two complete changes of clothing, handkerchiefs, towels, tooth brush and paste, comb, bathing suit, soap, Scout Handbook, note book and pencil, mess kit or tin plate, knife, fork, spoon, cup. Equipment should be brought in small box, suit case or clothes bag. Equipment not required will include camera, signal flags, knife, scout ax, boxing gloves, musical instruments, baseball equipment, fishing tackle, canteen and pup tents.

Daily schedule calls for each hour of the day to be filled that the boys will not have time to plan a great deal of mischief. The program follows:

- 6:00 A. M., First Call, Exercise and wash up.
- 7:00, Breakfast.
- 8:40, Inspection.
- 9:00, Scout Work, Instruction and Tests.
- 11:00, Swimming.
- 12:00, Dinner.
- 2:00 P. M., Hikes, games, Merit Badge Tests.
- 4:30, Swimming.
- 5:45, Retreat.
- 6:00, Supper.
- 8:00, Camp Fire Programs.
- 9:30, Taps.

TO DONLEY COUNTY VOTERS

At this late hour, I take this means of expressing my thanks to the many voters of the county for their vote in the Primary on July 28th. Although I had no opponent in the race, I feel that some word is due those who have seen fit to place me in an office of public trust. I pledge my efforts to carrying out the duties of my office as they fall on me. (33c) Mrs. Linnie Cauthen.

Rankin—The Commission form of government has been adopted at Rankin, and R. C. Harlan elected first mayor.

Tatum, N. M.—Members of the Home-Civic Improvement Club are sponsoring a move toward a community park.

CROP CONDITIONS RISE DURING MONTH OF JULY

Cotton in most sections of the State has largely overcome the late start it experienced, according to Bernard Nichols, editor of the Texas Business Review issued monthly by the Bureau of Business Research at the University of Texas.

"Production prospects of most of the major field crops in Texas improved during July," he said. The rice crop is doing nicely. Considerable tame hay has already been cut and the harvest is expected to be larger than that of a year ago. Cotton plants are blooming heavily and bolls are developing rapidly. Harvesting is making good headway in Southern counties. Root rot is causing some concern, but weevil damage is rather light so far.

"Shipments of fruits and vegetables declined sharply in line with the usual seasonal trend. Watermelons, onions and tomatoes account for the greater part of the loadings. The farm situation is a little less cheerful than it was a year ago. Cotton, oats and wheat declined as did most fruits and vegetables. On the other hand, corn advanced several cents a bushel in sympathy with a firm spot market in Chicago. The general farm price index declined."

NEW EDITOR-MANAGER AT SILVERTON AUG. 1ST

Ralph L. Buell, for the past 8 years owner and publisher of the Mercedes, Texas, Tribune, has taken over the management of the Briscoe County News, effective August 1st, succeeding R. M. Carter, who has resigned to give all of his time to the grain business. Mrs. Buell and seven year old son will join Mr. Buell about the first of September—Briscoe County News.

PRESBYTERIAN CHURCH

Services may be expected at the Presbyterian Church on next Sabbath as follows: Sabbath School at 10 A. M. Congregational worship at 11 A. M. and 8 P. M.

It is the duty of all members to be present, unless the Lord excuses them; and others are cordially invited to worship with us.

The best time of the year to introduce new queens into bee colonies is just in time for them to mate and begin laying early in the month of August. Every colony should have a young, vigorous queen. In addition to this, the most important requirement for the beekeeper to keep in mind is the leaving of abundant stores for the bees during the critical fall brood-rearing period, particularly in the clover region and in apiaries where extracted honey is produced, as in this case the brood chamber is usually short of adequate stores.

All important varieties of foreign cheese can be made in this country, investigations by the Department of Agriculture in the recent

years have indicated. In 1926, in Wisconsin alone, more than 17,000,000 pounds of wheel and block Swiss cheese and more than 5,000,000 pounds of Limburg cheese were made. Camembert and Roquefort, two popular European varieties, have been made successfully in the United States. However, the sale of homemade cheese of European varieties is handicapped by the partiality of consumers for foreign labels.

Our First Year

Of service to the trade territory of Clarendon has been pleasant.

WE ARE CELEBRATING

Our first birthday Friday of this week with a promise that we shall endeavor to better serve our clientele in the years to come than we have in the past.

WE PLEDGE OURSELVES

To handle the better lines of merchandise to the exclusion of all others, believing that we can give your money's worth in every piece of merchandise that leaves our place of business.

WE INVITE YOU

To visit our store more often in the future than you have done in the past and learn that we are always ready and willing to serve you at any time you may call.

New Fall merchandise is arriving daily and we should be glad to celebrate our birthday by showing you what is newest and best for this coming Fall season.

MEN'S FURNISHINGS

SECRETARIAL SCREENINGS

Clarendon Chamber of Commerce
G. L. BOYKIN, Secretary

The yard contest closes this week. Here's luck to the winner. Clarendon yards are in good shape.

Help entertain President Andy on the 28th. The Chamber of Commerce would like to see 100 men and women present for the luncheon given in his honor at the Antro on noon Tuesday the 28th. Tickets are 75 cents regular price for the Lions luncheon which will be turned over to the Chamber of Commerce on that hour. No collections will be taken or questions asked. We want to show President Andy a real Clarendon welcome, buy your ticket and be there. They will be on sale down town, the place to be announced later.

Any farmer having something for exhibit for the fairs this fall please let us know as soon as you know you have it. We hope to get Donley county up in the running at Amarillo and Dallas this year. Also don't forget our own fair on the 21st and 22nd. The individual farm exhibits should be a feature of this year's fair. Three good prizes are offered of cash money. W. P. Howard of Lelia Lake had the only real exhibit in this class last year. He showed 22 products from his farm. There should be ten entries in this class this year.

The Clarendon Chamber of Commerce will take steps to improve the stretch of Hall county road in the Brice community should Hall county fail to do anything with the road. Those people certainly deserve better roads than they have from the county in which they pay taxes.

Clarendon awaits only the placing of street names to be eligible for free mail delivery. We believe we will get these markers at an early date. The City Commission has promised that they will attend to this matter as soon as a number of other matters that confront them are out of the way. We are ready to file a petition with Marvin Jones to the Post Office Department for this service as soon as this last requirement has been met.

BRICE FARMER TRYING AN EXPERIMENT WITH COTTON

Z. J. Adduddell of the Brice community is trying a new sort of cotton to be produced in Donley County that should prove quite an aid to the people of this section.

The new product is known as "wool cotton", bearing all the earmarks of wool in the color and staple. The breed was started in Southern Siberia and it was first thought to be impossible to grow it here, but the experiment has proven to be highly satisfactory from all standpoints. Mr. Adduddell started with twelve seed, paying one dollar per seed for them, planting them last year and reaping a sufficient quantity of seed to have 180 hills this year. According to Mr. Adduddell, the plant grows as ordinary cotton, bearing the same stalks, bolls and standing the same sort of cultivation. The yield is said to be enormous, taking only seven hundred pounds of seed cotton to make a bale, yielding at times as many as three bales of cotton to the acre. The experiment is being watched with interest, especially since the price of the staple is said to range near \$1.00 per pound with a corresponding price for the seed.

Mr. and Mrs. J. W. Watts and Mr. and Mrs. D. O. ... spent last Sunday in Childers visiting old friends, and the J. T. Griswold family in particular.

A 1146—CITATION ON APPLI-CATION FOR LETTERS OF GUARDIANSHIP—BY PUBLI-CATION

No. 543 THE STATE OF TEXAS

To the Sheriff or any Constable of Donley County Greeting: YOU ARE HEREBY COM-MANDED to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been con-tinuously and regularly published for a period of not less than one year in said Donley County, Tex-as, a copy of the following notice: THE STATE OF TEXAS To all Persons Interested in the Welfare of Marjorie McKillop and Neil McKillop, Minors: Joe Gold-ston has filed in the County Court of Donley County, Texas, an application for Letters of Guardianship upon the persons and estate of said Minors, which said application will be heard at the next term of said Court, com-mencing on the first Monday in September, A. D. 1928, the same being the 3rd day of September A. D. 1928, at the Court House thereof, in Clarendon, at which time all persons interested in the welfare of said Minors, may ap-pear and contest said application, if they see proper to do so. HEREIN FAIL NOT, but have you before said Court on the said first day of the next term thereof this Writ, with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Clarendon, Texas, this 8th day of August, A. D. 1928. Lottie E. Lane, Clerk, County Court, Donley County, Texas. (33c.)

PANHANDLE EXHIBIT TO TOUR NORTHERN STATES

AMARILLO, Texas—Three composite exhibits of products of the Panhandle section of Texas will be assembled here August 15 for a tour of Kansas, Iowa and Nebraska. The first of the exhibits will be shown at Broken Bow, Nebras-

ka, August 21 to 24. The first exhibit in Iowa will be shown at Des Moines from August 22 to 31. The first Kansas exhibit will be shown at Topeka, August 27 to 31.

Material for the exhibits has been gathered from 32 counties by Panhandle-Plains of Texas, Inc., an organization formed to advertise the resources of this section. The exhibit to be sent to Iowa will be shown at six fairs for a total of 45 days. There will be 31 exhibition days in Nebraska at five fairs. The exhibit in Kansas will be shown at four fairs for a total of 25 days.

Miss Leta Verne Martin is spending a few days with friends in Childers.

Mrs. Earl Ryan and children, who have spent the past two weeks with relatives in Oklahoma City, returned to their home Saturday.

Mr. and Mrs. Earl Johnson of Memphis passed through Clarendon Tuesday morning enroute to California, where they will make their home in the future. Earl recently completed the sale of his interest in the Hall County Herald to the Wells interests of Memphis and Wellington and will be connected with the Aero Corporation of California as publicity man.

Last year 30,200 domestic customers were added to electric lines in Texas making a total of 491,900.

THOSE AMENDMENTS

At the general election to be held November 6, there will be submitted to the voters of Texas the proposition of amending three sections of the Texas Constitution, this action having been ordered by the last Legislature.

The three proposed amendments are now being published, that the voters may familiarize themselves with their several purposes. The publications for Milam county are being made in the Rockdale Reporter and the Cameron Enterprise.

The amendment found in The Reporter, if passed, would exempt from taxation, parsonages and certain other properties belonging to churches and religious societies, when used for religious, educational or physical development purposes. The voters may familiarize themselves by reading it in full elsewhere in this issue.

The two amendments being published by the Cameron Enterprise would amend the Confederate Pension Act, making it possible for pensions to be granted regardless of date on which pensioner came into Texas citizenship, and would create a State Board of Education on the basis of six-year terms for members thereof, so arranged as that one-third of the membership would be changed each two years.

Any amendment to the State Constitution should be given close study by the voters that an intelligent decision may be arrived at. In times past it has become somewhat of a habit in Texas to "swat the amendments," the voters sometimes actually killing a really meritorious measure just on "general principles." Let the voters study the purport of all amendments and decide the issue carefully.—Rockdale Reporter.

CHILDREN'S HEALTH CODE

Sunshine—Sun yourselves, your clothes and your rooms; it will stop the growth of the germs of sickness.

Milk—This is the best food for growing children. Drink at least three cups a day.

Clothing—Dress lightly; keep warm by exercise, play and deep breathing and not so many clothes.

Dirt and Dust—These are the cars and rails that carry disease. Avoid them if you would keep well.

Sleep—Sleep with all windows open, top and bottom. Go to bed early. Get at least nine hours' sleep.

Bathing—Bathe at least twice a week, better once a day.

Air—Be in the open air every minute that you can. No inside

PERSONALS

Clayton C. Heare, attorney of Shamrock, was a business visitor in Clarendon Friday of last week.

Miss Elizabeth Stevens left Saturday for Roswell, New Mexico, for a short vacation.

Mr. and Mrs. O. L. Fink and family attended to business matters in Wellington Monday of this week.

Mr. and Mrs. Sam M. Braswell and Miss Claire Marie left last Thursday for Canyon, where they were joined by Rev. and Mrs. J. H. Braswell for a vacation trip of ten days at Ruidoso, New Mexico.

Mr. and Mrs. A. A. Mayes left overland Friday for Coolidge, Texas, where they will visit with relatives.

Miss Kathleen Nunn, of Amarillo, is visiting in the home of her grandparents, Mr. and Mrs. C. M. Lane.

Mrs. J. L. Allison and family returned last Saturday from a vacation spent in Carlsbad and other points in New Mexico.

Mrs. J. Frank Heath returned Monday evening of this week from an extended vacation trip to Hico and other points in that section of the state.
