CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, AUG. 26, 1926

Established in 1878

New Series Vol. 37 NO. 34

DISTRICT C. of C. MEET HERE MONDAY

STAGE ALL SET FOR DISTRICT MEET WEST TEXAS CHAMBER OF COMMERCE IN CLARENDON, MONDAY, AUGUST 30

LARGE DELEGATIONS FROM PANHANDLE TOWNS TO INVAD CLARENDON NEXT MONDAY WITH HEREFORD, WELLINGTON AND PANHANDLE STAGING THREE-CORNERED FIGHT FOR 1927 CONVENTION. NOTED SPEAKERS COMING.

Next Monday, August 30th, the leading men of the Panhandle will convene in Clarendon in the 1926 North Panhandle-Plains District Convention of the West Texas Chamber of Commerce.

From all the leading towns of this section some reports of preparation for impressive delegations all keyed-up to assist in the "capture of Clarendon" on this annual occasion, second only to the annual convention of the parent-organization such as was staged at Amarillo in June.

Arrangements have been perfected for the entertainment of the guests and the programs of the day, as also the great barbecue at the noon hour. Secretary Holcomb and assistants will be in charge of the registration booths, Pres. Homer Mulkey of the Chamber of Commerce has general supervision of the barbecue, and other committees are in charge of other details of the occasion.

The programs will be held in the Pastime Theatre, beginning at 9:30 in the morning and as follows:

Band Concert, 9:30 A. M.—Clarendon Band.

Morning Session—10:00 A. M. Presiding Officer—W. W. Fleniken, Amarillo.

Musie—Assembled Bands. Invocation—Dr. R. E. L. Morgan, Pres. Clarendon College.

Addresses of Welcome—Mayor Taylor, Clarendon; H. Mulkey, Pres. Clarendon C. of C.

Responses—Carl Guin, Dalhart. Solo—Miss Anna Moores.

Committee Appointments. Object of District Conventions—B. Frank Bennett, Ass't Mgr. W. T. C. of C.

Hog Importing Campaign—C. C. French, Extension Agent Fort Worth Stockyards.

Motion Pictures—Amarillo Convention-Diversified Farming. Barbecue 12:30.

Toastmaster—Homer D. Wade, Mgr. W. T. C. of C.

Song "America"—Guy Hill, Shamrock, Song Leader.

"Publicity vs. Propaganda"—J. M. North, Jr., Star Telegram.

"Duty of Press to the Public"—Gene Howe, Amarillo News-Globe.

Entertainment Features—One Minute Addresses—Representatives from Visiting Towns.

Afternoon Session. Violin Solo—Mrs. G. L. Boykin.

"Problems of West Texas"—Arthur P. Duggan, Pres. W. T. C. of C.

"More Feed on Fewer Acres and Proper Disposition of Same"—A. K. (Dad) Short, Dallas.

"Farm Problems"—M. B. Oates, Ft. Worth & Denver Ry.; B. M. Whiteker, Agricultural Mgr. W. T. C. of C.

Report of committees. Selection of next meeting place.

Unless unforeseen delay comes about the barbecue will be held in the Latson building just being completed, the center building of the three being finished in the postoffice block. This arrangement will greatly simplify the work of the committee, rather than the open-air affair as first planned. Mr. Mulkey is laying plans for one of the best feeds a Panhandle convention ever enjoyed and is assisted by the best cooks in this country.

Clarendon people are asked by the local organization to register early and be on hand to greet the city's guests as they arrive, and to see to it that no item for their comfort is overlooked. A committee on local registration will be active the latter part of this week in order to relieve the congestion on Monday morning, and Secretary Holcomb is asking that every Clarendon citizen who will participate make his registration before Saturday evening.

The registration fee is one dollar, which covers admission to the big barbecue, and the registration committee hopes to register several hundred Clarendon people before Monday morning.

Clarendon's municipal band and the Boy Scouts will contribute their assistance in making the convention a success and every agency of the city is urged to be of every assistance possible.

SENATOR McFARLANE SPEAKS FOR MOODY WEDNESDAY EVE

A few more than one hundred voters of Clarendon and the surrounding terrain heard Senator McFarlane speak last evening in the court room of the court house, Senator McFarlane reviewing the campaign since its beginning and made a very interesting talk to those who had gathered to hear him. Especial emphasis was placed on the fact that more races and games have been lost from over confidence than for any other reason known to man. Every man was urged to exercise his rights as a voter. The speaker of the evening was introduced by W. P. Cagle of this city.

Frank Stocking returned Monday from Clovis.

BENEFIT PAGEANT SCORES SUCCESS

THREE PARENT-TEACHERS ASSOCIATIONS NET A NEAT SUM FROM PERFORMANCES

Like most things which the Parent-Teachers' Associations of this city sponsor, the Merchants Pageant and Trades Display given at Clarendon College auditorium this week was a success from the standpoint of production and financial result. The pageant-display was given in two performances, one Monday evening, with an almost complete change in program.

The three Parent-Teachers' Associations of the public schools of the city jointly staged the performance. They had the co-operation of about ninety merchants and tradesmen of Clarendon and a large number of the young ladies of the city. The services of Mr. Graves, a professional director, were secured, in order that novel programs and finished performance might be assured.

In the pageant, nearly every business in town was represented by a young lady, who was appropriately and cleverly costumed for the part. Even the barbers, blacksmiths and men's clothes were represented by girls. Catchy little songs, clever remarks and comical costumes kept the audience laughing from start to finish of the program both nights.

The Clarendon Municipal Band furnished music for both occasions, and Mrs. Allen Bryan played accompaniment to a number of vocal selections and for the drill by fifty children that opened each program. There were also a number of amusing entre acts. The mock wedding on the second night's program was perhaps the single appearance that attracted most attention. Costumes, gifts, flowers and the food at the reception advertised different business firms.

Attendance was good both nights and the net financial gain to the Associations was something over one hundred dollars. The money will, of course, be used for the benefit of the three public schools of Clarendon.

CLAMPITT FAMILY RETURNS FROM MOUNTAIN TRIP

Mr. and Mrs. D. W. Clampitt, W. L. Clampitt and Mr. and Mrs. Will Martin and babies returned the fore part of this week from a vacation trip in the Hondo River valley, eighty miles west of Roswell. They stopped at the Ruidoso Springs Camp and Mr. Clampitt stated that they had a most enjoyable vacation and that they were ready for work again. Crops were fine all the way to the vacation spot and roads were excellent, especially in the region near the camp in New Mexico.

CITY TAX RATE IS SET AT \$1.04

ORDINANCE IN THIS WEEK'S NEWS LEVIES TAXES AND SETS NEW RATE.

Due to the continued program of improvement that has been the order of the day for the past few months in Clarendon and to improvements that have been made in the past year, the new tax rate for the city of Clarendon has been set at \$1.04. This rate is the highest that has been had for Clarendon since her organization and it seems that more permanent improvements have been added to the city and that there are others that would be added to make the town a better place in which to make a home.

In the past two years, a great deal has been done that makes Clarendon one of the best kept towns in the Panhandle section of the state of Texas. The streets have been kept in better condition than ever before and a number of new lanes of traffic have been opened to the public to make the traffic burden lighter than heretofore. Permanent improvements have been made in the form of small bridges and culverts on many of the side streets of the town and as a whole, the condition of the most traveled ways in Clarendon is far above that of ways found a number of years past.

In other lines, a noted improvement is to be seen. The sewerage disposal system of the city has been completely overhauled and is now in the very best condition possible. The water system of Clarendon is supplying the residents with a plentiful supply at all times that has not been seriously threatened with a shortage this summer as is sometimes the case. To prevent a recurrence of the condition seen a number of years back, the City officials are planning to drill other wells and make Clarendon a place that will be assured of plenty of water at all times.

The fire fighting equipment of Clarendon is in good condition and is being kept in tip-top shape in case it should be needed.

FIRST BALE IS GINNED AT HEDLEY BY BRUMLEY.

The News was informed early this morning that the first Donley County bale of cotton was taken to the gin in Hedley Wednesday of this week. The cotton was grown on the H. C. Brumley farm to the north of Hedley, the farming operations being conducted by Rolle Brumley. The bale was one day earlier this year than last, the same farm producing the cotton two years in succession.

CLARENDON BANKERS ATTEND FOUR COUNTY MEET

The regular meeting of the Four County Bankers Association was held Tuesday evening of this week in the city of Memphis with the Memphis banking houses as hosts to the proceedings. The association is one of the first that has been organized in a district as small as four counties and the men who are backing the organization state that they feel confident of its benefits. Clarendon representatives were: Mr. and Mrs. J. D. Swift, Van Kennedy and Miss Elizabeth Morris, all of the Farmers State Bank. The Donley County State Bank was represented by Holman Kennedy, Roy Clayton and Misses Mantie Graves and Ethel Harvey. The First National Bank representatives were Mr. and Mrs. Walter Taylor and Lenode Goldston, W. H. Patrick and Howard Stewart. The banquet tendered the visitors of the county, which will account for the splendid condition of the roads as a whole.

LIGHT COMPANY MAKES SURVEY TO REBUILD LINE

For the past week, the Central Power & Light Company has had a man in the business section of the city taking each piece of electrical equipment that they might know what size lines to use in their program of extension in that part of the town. The company plans to make twenty-five blocks of entirely new equipment here in the next few weeks, using nothing old except the transformers. All poles and wire will be replaced and the service is expected to be better than ever before when the new lines have been completed.

COUNTY RATE IS SET AT 75c

NO CHANGE MADE IN RATE OF PAST FIVE YEARS STANDING.

The rate for taxes for Donley County will remain what they have been for the past five years for the current year of 1926. The rate was set and assessed at 75c when the commissioners met the fore part of this month in their regular meeting in the court house. No increase has been seen in the expenditures of the county and the valuations will be found to be approximately the same as they were last year.

The state taxes have taken a severe drop, coming from the rate of 77 cents for 1925 down to the level of 65 cents for the current year of 1926. Curtailment of expenditures was given as the reason for the cut in this part of the income of the state.

The county has kept the roads in fine shape during the past year and it is entirely possible that they will be kept in the same manner from this time forward. The release of the highways to the state has helped to some extent in the working of laterals and feeder roads to the main thoroughfares of the county, which will account for the splendid condition of the roads as a whole.

Other improvements have been made that are in keeping with the status of the county in general. Expenses have been curtailed here in so far as possible and the whole thing has been quite a success for the past year.

NEWS TO RECEIVE RETURNS FROM SECOND PRIMARY

The returns from the run-off primary Saturday will be posted on the street Saturday night. Reports will be received by telephone at frequent intervals and will be posted as they are received. The place for the bulletin board has not been selected, but will be easy to find when the crowds visit the city late Saturday.

ADDITIONAL PAVING PROGRAM CALLS FOR OUTLAY OF SUM IN EXCESS OF \$85,000 AT ONCE

FIRST ANNOUNCEMENT OF CONTINUATION OF PAVING PROGRAM IS FOUND IN THIS ISSUE OF THE NEWS. WILL MAKE A LOOP THROUGH RESIDENTIAL SECTION OF CLARENDON. CURB AND GUTTER FOR PRESENT PROGRAM IS ALMOST COMPLETED.

CLARENDON MEN ATTEND WELLINGTON LUNCHEON.

Wednesday of this week Mayor H. W. Taylor, Secretary A. T. Holcomb, President Mulkey of the Chamber of Commerce and Messrs. O. C. Watson and Sam M. Braswell motored to Wellington, where they attended the regular weekly luncheon of the Wellington Chamber of Commerce and delivered Clarendon's invitation for Wellington to send a large delegation here next Monday to attend the district convention of the West Texas Chamber of Commerce.

These men report a most pleasant trip, a royal reception and a promise of fine attendance from the Collingsworth capital.

Mr. and Mrs. J. B. Deaton of Claude stopped here Friday.

FARMERS MEETING HELD SATURDAY

GOOD ATTENDANCE MARKS INTEREST IN PICKING PROBLEM OF YEAR.

About seventy-five farmers were present at a meeting in the courthouse last Saturday at which time several problems dealing with the gathering of the cotton this fall were discussed.

Jess Davis and Secretary Holcomb sent more than two hundred letters urging the farmers to come in and settle some of the questions that had been sent to the secretary's office by Mr. C. W. Woodman of Ft. Worth who has charge of the Federal Farm Labor Division of the U. S. Dept. of Labor.

It was the consensus of opinion that the crop will be ready about the last of September and that a dollar a hundred with board and a dollar and a quarter without board would be a tentative price to expect to pay for the first picking.

Mr. Woodman of Ft. Worth is urging the Chamber of Commerce everywhere to not publish the immense calls for laborers but to handle the calls through his office so that the pickers will not get confused. Whenever different farmers from the same county go to Ft. Worth and offer different prices and inducements it causes the laborers to wait thinking that prices will be better soon.

The farmers of the county are asked to send their names, telephone numbers, distance and direction of the farms from Clarendon, kind of pickers whether single hands, negroes, mexicans or white families can be used. As soon as this information is in the hands of the secretary of the Chamber of Commerce he can place the pickers as fast as they are brought into Clarendon.

All the secretaries along the route from Ft. Worth are planning to cooperate with each other to see that the pickers do not congest at any point but are gradually distributed as the season for picking comes in along the route.

Every farmer who expects to get pickers of any description from outside the county is urged to call see or write the secretary giving the information asked that no one will be left out in the distribution of pickers.

Edward L. Ratcliffe, son of R. W. Ratcliffe of this city, was here for a few days visit this week. Edward is connected with the Houston-Post-Dispatch in the advertising department and is making good in his chosen profession.

Mrs. Homer Adams and children of Fort Worth were guests of Mrs. J. D. Stocking and family last weekend. Mrs. Adams is Mrs. Stocking's niece.

An announcement that will mean more than any late move of the city of Clarendon is to be found in this issue of the News calls for an additional amount of paving of sixteen blocks. One block is to be widened by a margin of eight feet and is in this ordinance at this time. This brings the total to be paved at this time to seventeen blocks.

The paving as proposed will start at the western boundary of the Galbraith-Foxworth Lumber Company and will extend to Kearney Street on the east. In this part of the city the paving will run in a continuous line from the intersection with Front Street to the intersection with the Railroad.

Another part of the paving will extend from the intersection of Second and Jefferson Streets at the western edge of the Courthouse to the intersection of this same street with Fourth Street at the Methodist Church corner. From this corner, the paving will extend to Wiza Street, which is the street in front of the Administration building of the college and from there back to the intersection of Second Street at the foot of this same hill.

Another section will extend from the western side of the courthouse square to the east side of the courthouse square and from there to Fourth Street on the western side of the Grammar School building.

On the eastern side of the city, the new paving will start at the intersection of Second Street with the ditch east of Kearney Street and from there to the block east of the Baptist Church. Another section in this part of town extends from the intersection of Gorst and Second Streets to the midway line of the street to the east of the First Christian Church.

At no place in the city are the specifications different from the paving that is now in progress of construction. The contract calls for a four inch base with a three inch fibre brick on top of the whole. The curb and gutter as made will be approximately the same as that now under construction in the city. With the exception of the paving on Winne Street and the strip along the Right of Way on Front Street, the paving that will run to the college will have a twelve foot parkway in the center of the street. Otherwise, the streets will be uniform in their finish.

This proposed extension to the paving will make a total of thirty-nine blocks of paving under way and will add materially to the beauty of the city.

BAPTIST REVIVAL INCREASED INTEREST

Members of the First Baptist Church of this city and their pastor, the Reverend S. R. McClung, have reason to be gratified over the results already to be seen of the evangelistic meeting now in progress at the church. The excellent preaching that is being done by Reverend McClung, excellent instrumental and vocal music, and the keen interest of the members are attracting large crowds to the services. The church is well filled for both morning and evening services, with somewhat larger crowds present in the evening.

Mr. Frank Cheek, special director of the vocal music, has some of the best singers of the city in his choir, and with them is adding much to the effectiveness of the services. Congregational singing is also exceptionally good, and the church orchestra is doing a good part in making the music one of the most attractive parts of the services. Mr. Cheek's vocal solos and Mrs. Allen Bryan's piano accompaniments are also much appreciated. According to all who have heard him, Reverend McClung is a forceful and interesting speaker, who holds the attention of his hearers.

All forces of the church are combining to bring about the desired results—an increase in the membership of the church and conversions. More than two score have been added up to this time.

DONLEY COUNTY FREE AGRICULTURAL FAIR WILL BE HELD IN CLARENDON SEPT. 10 AND 11

FIRST DONLEY COUNTY FAIR SINCE WORLD WAR WILL BE STAGED IN CLARENDON FRIDAY AND SATURDAY, SEPTEMBER 10TH AND 11TH. CASH PRIZES OFFERED FOR COMMUNITY AND INDIVIDUAL EXHIBITS. COMMITTEES BUSY ON DETAILS TO ENLIST ENTIRE COUNTY. NO ADMISSION OR ENTRY FEE AND CITY STREETS WILL BE PRE-EMPTED.

As announced in these columns some weeks ago, the Donley County Free Agricultural Fair will be held in September and the dates have been set as Friday and Saturday, the 10th and 11th. Cash prizes are being arranged for the individual and community exhibits and every detail of the re-opening of Donley County's fair is being worked out.

One of the new store buildings will be pressed into service for the main part of the exhibits and the others will be made in temporary shelters erected on the city streets, pre-empted for the two days.

Secretary Holcomb's committees have worked out the following score card for the individual exhibits with the cash prizes as indicated in each single exhibit:

1. Corn. Best exhibit of 10 samples of ten ears each and four samples of 50 ears each of not less than two varieties and not more than four varieties. First prize, \$5.00; second, \$2.00; third, \$1.00.
2. Grain Sorghums. Best exhibit of 10 samples of ten heads each and four samples of 50 heads each of not less than two varieties and not more than four varieties. First prize, \$3.00; second, \$2.00; third, \$1.00.
3. Best exhibit of five samples of ten ears each and two samples of fifty ears each of not less than two varieties and not more than four varieties of corn and five samples of ten heads each and two samples of fifty heads each of not less than two varieties and not more than four varieties of grain sorghums. First prize, \$3.00; second, \$2.00; third, \$1.00.
4. Cotton. Four samples of 20 open bolls each first prize, \$2.00; second, \$1.00; third, 50c.
5. Wheat. 4 bundles and 4 gal-

lon samples of wheat any variety or varieties. First prize, \$2.00; second, \$1.00; third, 50c.

6. Two samples of 20 open bolls each and 2 bundles and 2 gallon samples of wheat. First prize, \$2.00; second, \$1.00; third, 50c.

7. 2 bundles and 2 gallon samples of oats. First prize, \$2.00; second, \$1.00; third, 50c.

8. 2 bundles and 2 gallon samples of barley. First prize, \$2.00; second, \$1.00; third, 50c.

9. Best 20 stalks of ribbon cane. First, \$1.00; second, 50c; third, Ribbon.

10. 1 bundle and 1 gallon sample of oats and 1 bundle and 1 gallon sample of barley. First, \$1.00; second, 50c; third, Ribbon.

11. Best 4 bundles of alfalfa. First, \$1.00; second, 50c; third, Ribbon.

12. Best 4 bundles of sweet clover. First, \$1.00; second, 50c; third, Ribbon.

13. Best 4 vines of velvet beans. First, \$1.00; second, 50c; third, Ribbon.

14. Best 4 pecks of sweet potatoes. First \$2.00; second, \$1.00; third, 50c.

15. Best exhibit of 2 bundles of alfalfa and 2 bundles of sweet clover. First \$1.00; second, 50c; third, Ribbon.

16. Best exhibit of pecks sweet potatoes and 2 bundles alfalfa. First, \$1.00; second, 50c; third, Ribbon.

17. Best exhibit of 2 pecks sweet potatoes and 2 vines of sweet clover. First, \$1.00; second, 50c; third, Ribbon.

18. Best exhibit of 2 gallon samples and 2 vines of peanuts. First, \$1.00; second, 50c; third, Ribbon.

19. Best exhibit of 2 gallon samples and 2 vines of cowpeas. First,

\$1.00; second, 50c; third, Ribbon.

20. Best exhibit of 1 gallon and vine of peanuts and 1 gallon and 1 vine cowpeas. First, \$1.00; second, 50c; third, Ribbon.

21. Best exhibit of 5 bundles of different varieties of sweet sorghums (Darso may be shown in this class). First, \$1.00; second, 50c; third, Ribbon.

22. Fruits—5 plates of 5 specimens each of different varieties or kinds and 5 quart jars of different varieties or kinds. First, \$2.00; second, \$1.00; third, 50c.

23. Best 10 quart jars of not less than 5 kinds. First, \$2.00; second, \$1.00; third, 50c.

24. Best 10 plates of 5 specimens each of not less than five varieties or kinds. First \$2.00; second, \$1.00; third, 50c.

(All fruits under one inch in diameter and grapes not canned must be shown in three pound baskets.)

25. Any ten exhibits of the following:

- Irish potatoes (peck.)
- Onions (peck.)
- Turnips (peck.)
- Beets (12.)
- Carrots (12.)
- Parsnips (12.)
- Radishes (12.)
- Tomatoes (12.)
- Green corn (12.)
- Eggplant (6.)
- Cabbage (3.)
- Cauliflower (3.)
- Dry beans (gallon.)
- Celery (4 bunches.)
- Garlic (4 bunches 12 each.)
- Summer squash (3.)
- Winter squash (3.)
- Cashew.
- Pumpkin, bes., and largest.

NOTICE—Any erroneous reflections upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

It seems that Jim and Ma, can't quite take the advice, Jim's older brother gives about not running for office again.

Our society editor says she don't see how we can expect her to work this week, after reading of the death of Valentino. Condiments and condolences!

The News is strong for Dan Moody in this heat, but we do wish he hadn't sent that money back. It's poor business policy, and gives every noble son of Scotland the shivers.

One thing the governor's run-off will do for Texas. It will bring out a strong vote in all the county and district run-offs, thereby eliminating all alibis said candidates might have had about "I'd have won if my friends had voted."

The present generation of business almost universally throughout its responsible organization and management has shown every disposition to correct its own abuses with as little intervention of the Government as possible.—President Coolidge.

Every time we turn down a shirt peddler or a hosiery peddler, we wonder if our merchants use the same finished politeness in "kissing-off" the numerous printing peddlers who come this way. If not, why not?

Weedcutting has been progressing with increased vigor in recent days, and now Clarendon is beginning to assume her usual "spic and span" appearance. It is well. Company is coming and the fall influx of students and new residents is at hand.

After following the Fort Worth Panthers to state-wide victory and all-Southern glory from year to year, we find ourselves again backing that wonder team in 1926. It looks like a "Gar-rison finish" for Atz's Cats in the next few weeks. Then, "all aboard for New Orleans."

This editor has a batting average of a thousand percent. in Texas politics this year. We voted for the best man in the first primary and we are going to vote for the best man next Saturday. Like the little boy said, "that ain't pretty good; that's perfect."

With the glorious taste of Donley County watermelons in our mouths it is plain to all that the campaign issues of the "run-off" doesn't get us all "het-up" like the first campaign. There's too much satisfaction in life in Donley County to suit the professional politician, anyway.

Furthermore, after the summer of 1926, we predict that it will be considered quite bad form for any politician in Texas to ever refer to the good Baptist people as "monkey-faced Baptists."

Donley County people didn't pay much attention to the advice The News gave in the first primary, so we are going to advise 'em again. We want all of you to vote with us for Dan Moody. Dan's more the man now than he ever was, and he is going to be elected by the largest majority ever given a Texas governor.

There are two correctives that Texas needs. First, the state tax rate should be set at some other period than just before the July primary. Secondly, the school apportionment should be set at some other period than just before the August primary. Neither should be subjected to the cross-currents of state politics. The law should change the time of these decisions.

It's downright funny to see these tourists, many of them from the cities, park in the downtown district here, get out and go "jaywalking" only to be called to time by the city marshal. Their expression is worth studying. They can't get the slant that "jaywalking" isn't the vogue in cities no larger than Clarendon. Some get mad, others accept the situation with calm dignity and others laugh it off in good faith.

Clarendon's new and enlarged paving campaign is going to increase our already large building program. There is nothing that gives more impetus to residence building and overhauling than does street paving, and the increased paving program here means that building and improving in Clarendon will stretch ahead for more than a year at the present rapid rate. There is a note of irrepresive optimism in Clarendon on these days, and every line of business is preparing to handle a greater volume than ever before.

The News is glad to see the Denver towns to the east of us, refuse to grant franchises to the Lone Star Gas Co., after having given franchises to the Upham people. The Lone Star people were in this section of the state first, they have had every opportunity to make known their willingness to serve the towns up this way, and it comes with poor grace now, that they want to "horn in" on the business that the Upham people have developed. We only hope that Clarendon can meet the requirements so that she can be served by the Upham concern. They have a reputation of good-will in all the towns they serve.

"OUR FAIR," SEPTEMBER 10th-11th

Friday and Saturday, Sept., 10th and 11th, are the dates of the Donley County Free Agricultural Fair. There is a widespread county interest in this revival of the fair, and The News hopes Donley County people will enter into all plans for making the fair a success, so that 1926 will mark the beginning of what will become the greatest county fair in West Texas. Donley County has the agricultural resources in advance of most of our neighboring counties. We have produced prize-winning products in years past, and there is no reason why we should not again assume that leadership to which we are entitled. Clarendon business and professional men are urged to put their interest and financial support behind the fair. Donley County farmers are invited to select and enter their best and finest field products in this OUR fair. If all of us will enter into the projected plans the 1926 Donley County Free Agricultural Fair is already an assured success. Mark down the dates!

"WELCOME TO OUR CITY"

"Welcome to Our City," is an old and time-honored greeting in West Texas, and yet there is no more sincere greeting in the English language, for it bespeaks the feeling that fills the heart of every patriotic citizen when neighbors and strangers come within our gates.

Next Monday Clarendon people will be using such welcome terms as they greet the hundreds of guests who come among us in attendance on the 1926 District Convention of the West Texas Chamber of Commerce, and they will use it with a greater amount of pride and satisfaction than ever before, because there has never been a period in Clarendon's history when her citizenship had as much to be proud of as at the present time.

Clarendon has long been rated as one of the prettiest towns of the Panhandle, populated by the most intelligent and refined people of the state—and we appreciate that rating—but it is also good to have this section of the country, open its eyes and rate us also among the most aggressive and progressive towns of a section that stands out as the greatest building area in the nation.

It is a wonderful thing to have men and women, such as compose the membership of the West Texas Chamber of Commerce, as guests within our gates. Their spirit is the same spirit that causes Clarendon to grow, and their presence is as an inspiration to all of us.

Their program is always constructive, so arrayed in our best "bib and tuck" we say "Welcome to Our City."

Your Tailor Work

Will be greatly appreciated by the only real merchant tailor in Clarendon. We know that we can please you, as we have pleased many others in Clarendon and Panhandle in years and months past.

Cleaning that is the best the word affords and tailoring that has no equal in the Panhandle.

Service that measures up to the best.

Dad's Tailor Shop

EDWARD PELTZEL, Proprietor.

Phone 110

KNOW TEXAS

Texas statisticians have figured that the value of Texas manufactured products in 1926 will be almost as great as the value of Texas farm products.

There are about 440,000 farms and more than 4,000 manufacturing establishments in Texas.

Exports through the port of Galveston in 1925 were valued at 465,358,451.

The value of railroads in Texas is more than \$706,000,000.

The capital of Texas has been at Austin since 1845. Prior to that time it had been at Washington, Harrisburg, Galveston, Velasco, Quitana, Columbia and Houston.

FINDING PLACE TO PARK IS DAY'S BIGGEST JOB

One of the comedians and humorists now in popular favor has been discussing the problem of parking automobiles. Here is a part of one of his lines that always gets a laugh. It is about something within the general experience:

"Have your car parked where there is no restriction as to the time it can stay there? If so, don't move it, leave it there. You may never find another place. If you feel that you have to use your car, why, buy another one. Don't move this one out of its parking place. There are thousands just waiting to get in."

"Policemen are doing nothing but marking cars. A policeman used to carry a stick or billy, now he carries a piece of chalk."

"There are more people looking for parking places, than there are for jobs. You live out, say fifteen blocks, from the main part of town. You drive down in the morning. After driving around looking for a place to park for a couple of hours you finally find one, and walk by your own house on the way to town."

"Modern ads are reading nowadays, 'Car for sale or trade, been parked three times. Will trade and give difference for 'Once parked car.' 'Have brand new car, will trade for any car already parked.'"

TYPHOID FEVER WARNING FROM THE HEALTH BOARD

In order that the number of typhoid fever cases in Texas may be kept at a minimum, the state board of health advises citizens of the state to use every precaution possible in preventing this disease. "During the late summer and early fall months," stated Dr. H. O. Sappington, state health officer, typhoid is most prevalent, and as this is a preventable disease, there is no need of any person falling a victim to this dread malady.

"Typhoid fever is most commonly caused by the use of contaminated water, milk, food or the typhoid germs may be transmitted by flies and human carriers. Heat kills typhoid germs, and water and milk of unknown quality should be boiled before it is used. Campers are especially warned against using water from springs and shallow wells without first boiling it."

"Food offered for sale should be

protected against exposure to flies and dust. The same care should also be used in the home to protect food from flies, and all homes should be screened to keep them out. Flies are a health menace and premises should be kept clean to prevent their breeding.

"Typhoid carriers are people who have had typhoid fever and have recovered, but typhoid germs are retained in the body and are expelled in the body wastes. A number of typhoid epidemics in the United States have been traced to carriers."

Vaccination Urged

"Vaccination against typhoid is the best preventive against this disease known to medical science, and doctors of the state are urged to do everything possible towards having the people of their respective communities given this immunization. Especially should this be done in localities where typhoid has already appeared."

"According to reports received by the state board of health, the incidence of typhoid is not so great this year as it was in 1925, and by the use of preventive measures, this good record may be maintained."

TEXAS MINERAL RESOURCES IS STUDIED AT UNIVERSITY

Austin, Texas, Aug. 24.—Confidence in the future development of Texas mineral resources was expressed by Dr. E. H. Sellards, associate director of the Bureau of

Economic Geology of the University of Texas, on his return from three months spent in studying methods of mineral production in Europe. Dr. Sellards visited mines of copper, lead, zinc, salt, lignite, oil and potash in Germany, France and other European countries. Dr. Sellards study was made with the view of aiding in the exploration of potash deposits in West Texas on land belonging to the University.

With regard to the potash deposits, Dr. Sellards stated that conditions of occurrence in the extensive fields in Germany are in many respects similar to the occurrence of potash in Texas. In both regions the potash is associated with extensive salt deposits.

Development of Texas mineral resources, Dr. Sellards believes, should continue along the lines of additional studies of the deposits, distribution of information through publications, and through the economic development of these resources.

John W. Ryan, wife and baby of Amarillo spent the week-end here with Mrs. Ryan's parents, Mr. and Mrs. R. F. Morris.

Mr. F. A. White was returned to her home here the latter part of last week from Amarillo, where she has been confined for some time. She is reported to be a great deal improved although she is not able to be up all the time yet. Her many friends will be very glad to learn of her continued improvement.

Styles that Paris Dictates for Fall

We announce a showing of Gage models that reproduce and interpret the last word of the famous French authorities.

The hat illustrated and posed by Judith Anderson, stage star famous for exquisite taste in costume. Of black antelope skin and satin, with a graceful, slim silver quill.

Other designs of this collection no less smart and distinctive.

IV. A hearing shall be given by and before the governing body of the City of Clarendon, Texas, on the 17th day of September, 1926, at 2 o'clock p. m., in the City Hall in Clarendon, Texas, in the regular commission meeting room, to the owners of the respective parcels of property, and to all others in anywise interested, whether they be named herein or not, all of whom are hereby notified to be and appear at the time and place herein named and fixed, and said hearing shall be continued from time to time and from day to day, if necessary, until all desiring and presenting themselves to be heard shall have been fully and fairly heard, and at which hearing any mistakes, irregularities, or invalidities in any of the proceedings with reference to the making of said improvements or assessments therefor may be corrected, and the benefits by means of the said improvements, and the amounts of the assessments, and the apportionment of the cost of the said improvements, and all other matters, and things shall be determined, and the real and true owners of the property abutting upon the said street to be improved, and any and all others in anywise interested, their agents and attorneys, shall be and appear at said hearing at said time and place and present and make any protests or objections which they, or any of them, may have as to the said improvements, as to the benefits therefrom, as to the cost thereof, as to the amounts of such assessments, or as to any mistake, irregularity, or invalidity in any proceedings with reference to said assessments, such improvements, or to the contract therefor, and as to any other matter or thing in anywise connected, either with the said improvements, contract, or proceedings, and after all desiring and presenting themselves to be heard, either in person or by agents, attorneys, or representatives, have been fully and fairly heard, the said hearing shall be closed and assessments will, by ordinance and in accordance with law and the proceedings of the city, be levied against the respective parcels of abutting property and the

owners thereof, whether such owners be named herein or not, and whether the property be correctly described herein or not. At such hearing anyone in anywise interested or affected may subpoena witnesses and introduce evidence, and has the right to appear and to be heard.

V. Assessments against abutting property and the owners thereof shall be a personal liability of the owners of such property and a first and prior lien on the property against which assessments are levied, and shall be due and payable in eight equal installments, due respectively on or before ten days, 1, 2, 3, 4, 5, 6, and 7, years after completion and acceptance of the improvements upon which the particular property abuts, and said assessments shall bear interest from the date of such completion and acceptance and until paid at the rate of 8 per cent per annum, payable annually, provided, any owner shall have the right to pay any installment at any time before maturity by paying principal and interest accrued to date of payment; provided, further, that if default be made in the payment of any installment promptly as the same matures, then the entire assessment upon which such default is made shall, at the option of the contractor, or his assigns, be and become immediately due and payable and shall be collectible together with reasonable attorney's fees and costs of collection, if incurred.

VI. The improvements in each said district or unit constitute an entirely separate, distinct and independent unit, and the proposed assessments for the improvements in each unit are in no wise affected by any fact or circumstance in connection with any other unit, all to the same extent and as fully as if entirely separate and independent contracts had been made for each unit and separate proceedings had, separate hearings and separate notices thereof ordered.

VII. The City Secretary of the City of Clarendon is directed to give notice to the owners of property abutting upon the said portions of streets named to be improved, and to all others interested, of the time, place, and purpose of such hearing, and of all matters and things, by causing a substantial copy of this ordinance to be published at least three times in a newspaper published in and of general circulation in the city of Clarendon, Texas, the first of which publication shall be made at least ten days before the date for such hearing, and by such publication all owners of property abutting upon said portions of said streets, whether named herein or not, and whether the property be correctly described herein or not, as well as all others in anywise interested therein, or to be affected thereby, shall be and are duly notified, and no error or mistake in the name of any property owner, in the description of any property, in the amount of any proposed assessment, shall in anywise affect or invalidate such notice or any assessment levied pursuant thereto, and the real and true owners of such abutting property shall be and are by such notice duly and fully notified. The City Secretary is further directed, but not required, to give further notice of such hearing by causing a substantial copy of such published notice to be mailed to each owner of property abutting upon such portions of said streets, but all such notices by mail shall be only cumulative of such notice by advertisement, and publication, and said notice by advertisement and publication shall in all cases be sufficient and binding, whether or not any other kind or character of notice be given.

VIII. The present condition of said portions of said streets endangers health and public safety, and it is necessary that the improvement thereof be proceeded with at once, and while the weather will permit, and such facts constitute and create an emergency and an urgent public necessity requiring that the rules and by-laws providing for ordinances to be read more than one time or at more than one meeting, and for reference to committee, be suspended, and that this ordinance be passed and take effect as an emergency measure, and such rules and by-laws are suspended and this ordinance is passed as and shall take effect as an emergency measure, and shall be in full force and effect immediately from and after its passage.

Passed and approved this 21st day of August, 1926. H. W. TAYLOR, Mayor. MAUDE CLARK-NELSON, City Secretary.

TEXAS TALKS

THE PARANOIAC

(By Wesley Peacock, Ph. B.) The paranoiac doesn't get much sympathy from the public or a petit jury in a court trial for murder. As a matter of fact, he does not expect sympathy, and doesn't ask sympathy. In his own mental process, as he alone is right; he has done his duty; he would kill the same man under the same circumstances again. It is difficult for the average layman to analyze the mental state of the paranoiac, and thence, like Mark Twain's cat, he becomes the victim of circumstantial evidence; when, as an act of mercy, as well as for the protection of society, he should be committed to an institution for the treatment of the insane.

This Company Must Grow Fast to Keep Up With Clarendon

Use of electricity in homes and shops is increasing. And the number of homes and shops is increasing. The biggest job of this company is to keep its plant facilities ahead of the growth in demand and in population. No community can grow faster than its public utility service. Communities like Clarendon that are reaching out successfully for more business, more industries, and consequently growing larger all the time place a heavy demand on their public services and especially when it is recognized that each new customer represents a need for a considerable capital investment in plant facilities. The mutual interests of this community and the people of the community it serves are the best reason in the world for the continued growth of both.

breakfast, there is one cat that never fails to purr and to rub her sides against my trousers, and to mew for her meed of milk.

CITATION BY PUBLICATION

THE STATE OF TEXAS: To the Sheriff or any Constable of Donley County, Greeting: YOU ARE HEREBY COMMANDED to summon All persons interested in the estate of Eva Britsch (commonly called and known in Clarendon, Texas where she lived as "Old Aunt Lucy") by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Donley County, to be held at the Court House thereof, in Clarendon, Texas, on the third Monday in October, A. D. 1926, then and there to answer a petition filed in said Court on the 21st day of August, A. D. 1926, in a suit, numbered on the docket of said Court as No. 1489, wherein The State of Texas acting by and through the County Attorney of Donley County, Texas is Plaintiff, and all persons in anywise interested in the estate of Eva Britsch, deceased, such as unknown claimants and heirs to said estate, are Defendants, and said petition alleging that Mrs. Eva Britsch (commonly called "Old Aunt Lucy") died intestate and without heirs at law in the month of March, A. D. 1925; that at the time of her death Old Aunt Lucy (Mrs. Eva Britsch) was seized and possessed in fee simple of the following described real estate located and situated in the town of Clarendon in Donley County, Texas, to-wit: Lots No's. 11 and 12 in Block No. 76 of the original town of Clarendon, according to the recorded map or plat of said town of record in the Deed Records of Donley County, Texas.

THE STRAY CAT

(By Wesley Peacock, Ph. B.) The other morning when I opened the kitchen door for the bottle of frozen milk somebody's rejected cat slipped into the house. She was unafraid, for her back was bowed, her tail erect and she was purring in recognition of a generous welcome out of the cold.

When she had lapped her meal of milk, she rubbed her side against my trousers before seeking a warm place where she coiled up and lay forgiving and forgetting; forgiving the cruel master through whose superstition she had been cast into our alley by the kitchen door, rather than into the nearest pond, and forgetting the heartless manner of her abandonment, but not forgetting the tender heart of the baby girl mistress whose life had been saddened by the enforced separation from her only pet and friend.

We christened this little intruder the "brat," and as such our children knew her and called her; merely a cast-away left on the steps of the back door, not even wrapped in swaddling clothes.

When the neighbors' children came to play they learned the story of the "brat," and they all wondered if we were going to let it stay in our house, and if our nice cats in the front room would be allowed to stay with it; and the bad news spread quickly in the neighborhood. Our nice cats resented this intrusion, and bowed their backs and looked askance when they entered the kitchen for breakfast. And our cats also told the neighbors' cats, and all agreed that it was a scandal and a shame and that the strange cat should be stoned, steadfastly refusing to accept her as their equal in a social way.

But all agreed to put up with the alley cat, and to call her "brat," if she would only stay in the kitchen and work, and chase cock-roaches away at night, but she must eat in the kitchen, too, and not go out of nights without a chaperone.

So the life of the foundling was doomed to sadness and to work, and to the ways of the kitchen for the rest of her days. But when I enter the kitchen to make the fire for

breakfast, there is one cat that never fails to purr and to rub her sides against my trousers, and to mew for her meed of milk.

CITATION BY PUBLICATION

THE STATE OF TEXAS: To the Sheriff or any Constable of Donley County, Greeting: YOU ARE HEREBY COMMANDED to summon All persons interested in the estate of Eva Britsch (commonly called and known in Clarendon, Texas where she lived as "Old Aunt Lucy") by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Donley County, to be held at the Court House thereof, in Clarendon, Texas, on the third Monday in October, A. D. 1926, then and there to answer a petition filed in said Court on the 21st day of August, A. D. 1926, in a suit, numbered on the docket of said Court as No. 1489, wherein The State of Texas acting by and through the County Attorney of Donley County, Texas is Plaintiff, and all persons in anywise interested in the estate of Eva Britsch, deceased, such as unknown claimants and heirs to said estate, are Defendants, and said petition alleging that Mrs. Eva Britsch (commonly called "Old Aunt Lucy") died intestate and without heirs at law in the month of March, A. D. 1925; that at the time of her death Old Aunt Lucy (Mrs. Eva Britsch) was seized and possessed in fee simple of the following described real estate located and situated in the town of Clarendon in Donley County, Texas, to-wit: Lots No's. 11 and 12 in Block No. 76 of the original town of Clarendon, according to the recorded map or plat of said town of record in the Deed Records of Donley County, Texas.

Said petition further alleges that Old Aunt Lucy (Mrs. Eva Britsch) was twice married, and that no issue was born to either of said marriages; that the name of Mrs. Eva Britsch's first husband was Louis Lesse, who died prior to her marriage with Britsch, and that Britsch is now deceased.

Plaintiff further alleges that for more than twenty years next preceding the date of her death in the month of March, A. D. 1925, Old Aunt Lucy actually used and occupied said Lots No's. 11 and 12 above described as her home, and held open, adverse and notorious possession of the same as against all the world; that on the 30th day of Sept., 1899, her husband Louis Lesse by a deed duly recorded in the Deed

PAVING EQUIPMENTS ARE READY FOR ACTION NOW

The latter part of last week saw the final work done in preparing the the mixer and other paving equipment to be used in the city. The mixer has been set on the east side of the park near the depot and a pit has been poured to receive the trucks that will be used to haul the wet mixture from the mixer to the streets that are to be paved. The great roller has been overhauled and is now ready to go to work. All worn pieces have been replaced and the machinery is in good condition to receive the long and hard task that is ahead of it.

Mr. and Mrs. Kelly Hamblen of near Miami, Texas, spent the last week-end here with their parents.

Ernest Pope returned the latter part of last week from the markets of the east and north, reporting heavy buying and plenty of optimism for the fall season that opens in the next few weeks.

Run-Down gave out easily

"My health wasn't any account at all," says Mrs. H. L. Clayton, of Washington, N. C. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength, and if I did the least thing it seemed to tax me so I could not finish. I was run-down sure enough. Several of my friends had taken Cardui and they said to me, 'Why don't you try it?' I knew I needed something to build up my general health and to increase my strength. 'Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better. Two years ago I decided to take it again. It built me up and made me feel like a different person. It is the greatest medicine for women that I know anything about."

CARDUI For Female Troubles

NOTICE

By making publication of the hereinafter set out ordinance notice is given of all matters and facts therein contained which said ordinance is as follows, to-wit:

ORDINANCE DETERMINING TO ASSESS A PART OF THE COST OF IMPROVING PORTIONS OF FOURTH STREET AND SUNDRY OTHER STREETS IN THE CITY OF CLARENDON, TEXAS, AGAINST ABUTTING PROPERTY AND THE OWNERS THEREOF, AND ADOPTING ENGINEER'S ROLLS AND PROVIDING FOR NOTICE AND HEARING, AND DECLARING AN EMERGENCY:

WHEREAS, by ordinance passed on the 21 day of August, 1926, the Board of Commissioners of the City of Clarendon, Texas, ordered that sundry streets in the said City be improved by raising, grading and filling same, and installing concrete curbs and gutters and by paving with 3 inch Vertical Fibre Brick on 4 inch Concrete Base, and all appurtenances, the said streets so ordered improved being as follows, to-wit:

SOUTH FRONT STREET, from its intersection with the west line of Sully Street, to its intersection with the east line of Jefferson Street, known and designated as Unit or District No. 22, to be paved approximately 50 feet wide between curbs.

SULLY STREET, from its intersection with the North line of South Front Street, to a line 126 feet north thereof, known and designated as Unit or District No. 23.

SECOND STREET, from its intersection with the East line of Alley in Blocks 6 and 20, to its intersection with the west line of Gorst Street, known and designated as Unit or District No. 24.

SECOND STREET, from the East line of Gorst Street to the West line of Carhart Street, known and designated as Unit or District No. 25.

GORST STREET, from the South line of Second Street to the South line of Lot 20, Block 19, and South line of Lot 5, Block 20, known and designated as Unit or District No. 26.

JEFFERSON STREET, from the South line of Second Street to the North line of Fourth Street, known and designated as Unit or District No. 27.

FOURTH STREET, from the East line of Jefferson Street to the East line of Parks Street, known and designated as Unit or District No. 28.

FOURTH STREET, from the East line of Taylor Street to the East line of Ellerbe Street, known and designated as Unit or District No. 29.

FOURTH STREET, from the East line of Taylor Street to the East line of Ellerbe Street, known and designated as Unit or District No. 30.

SOUTH FRONT STREET, from its intersection with the West line of Sully Street, to its intersection with the West line of Kearney Street, known and designated as Unit or District No. 35.

THIRD STREET, from the East line of Jefferson Street to the East line of Sully Street, known and designated as Unit or District No. 36.

SULLY STREET, from the South line of Third Street to the South line of Fourth Street, known and designated as Unit or District No. 37.

and,

WHEREAS, contract was let and entered into with Panhandle Construction Company for the making and construction of such improvements, and the City Engineer has prepared and filed rolls or statements concerning the improvements and assessments therefor in each unit, and same have been examined and all errors found therein by the Board of Commissioners corrected; and,

WHEREAS, the Board of Commissioners has determined to assess a portion of the cost of such improvements against the owners of the property abutting thereon and against such abutting property:

THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF CLARENDON, TEXAS; THAT,

I. The Board of Commissioners of the City of Clarendon, Texas, does hereby determine to assess a portion of the cost of said improvements on said portions of streets against abutting property thereon and against the owners of such property, said assessments to be levied in exercise of the powers granted by Articles 1096 to 1099, inclusive, and Articles 1104 and 1105 of the Revised Civil Statutes of the State of Texas, 1925, heretofore adopted by this city, being Chapter 11 of Title 22, Revised Statutes of 1911.

II. Said rolls or statements, as corrected, be and the same are hereby adopted and approved.

III. The proportion of the cost in each district or unit to be assessed against abutting property and the owners thereof shall, in accordance with the proceedings concerning such improvements, be apportioned among the respective parcels of property abutting upon the improvements, in accordance with the front foot plan or rule, provided, that if the application of this rule shall, in the opinion of the Board of Commissioners, result in particular cases in injustice or inequality or in assessments in excess of special benefits to the property in the enhanced value thereof by means of improvements in the particular district or unit upon which the property abuts, then the Board of Commissioners shall adopt such rule in each district or unit as shall effect a substantial equality between the parcels of property abutting upon such district or unit and the owners thereof, considering benefits received and burdens imposed, and provided further that in no case shall any assessments be levied against any abutting property, or the owners thereof, for any part of the cost of improvements in excess of the special benefits in the enhanced value of such property by means of the improvements in the district or unit upon which such property abuts as ascertained at the hearing herein provided for, each district or unit being considered as a separate or independent unit of improvement, and the omission of any improvements in any district or unit shall in nowise affect or impair assessments levied, and the omission of improvements in front of any property exempt by law from the lien of special assessments shall in nowise affect or impair the validity of assessments. Assessments, when levied, shall be and constitute the first enforceable lien and claim on the property against which such assessments are levied, superior to all other liens and claims, except state, county and municipal taxes, and shall also be a personal liability, and charge against the real and true owners thereof. The description of the parcels and tracts of the abutting property, the several amounts proposed to be assessed against such parcels of property, and the owners thereof, the total estimated cost of the improvements in each district, the total amount proposed to be assessed against each parcel of property, and other matters and things as shown on said rolls or statements being as follows, to-wit:

CLARENDON, TEXAS

CIVIC COMMITTEE PLANS MORE CURBS AND SIDEWALKS

The Civic Improvement committee of the Clarendon Chamber of Commerce met Tuesday of this week at the secretary's office for the purpose of discussing plans to bring about the laying of new curb and sidewalks on cross streets between Second and Fourth from the courthouse to the College.

While the Panhandle Construction Co., is doing the paving on these two streets, the plan is to interest property owners between these two main streets running west, in filling in all gaps in curb and sidewalk according to the grade lines set by the city engineer. The construction people are offering to do the work at an especially low contract price—much lower than could be had at any other time—and the committee will prosecute a vigorous campaign to line up these improvements to the value and appearance of all property not now so improved.

The committee having this work in charge is Dr. R. E. L. Morgan, J. T. Sims, F. W. Rathjen and J. R. Bartlett.

W. T. C. OF C. CONVENTION AT CLARENDON

A district convention of the West Texas Chamber of Commerce will be held at Clarendon, August 30. Elaborate arrangements are being made for this convention, and it is thought the attendance will be large. Last year a district convention was held in Dalhart, and it will be recalled that a large delegation attended from Clarendon. Dalhart business men are inclined to reciprocate and it is probable that several auto loads will make the trip on the 30th.—Dalhart Texan.

CLARENDON LIONS INVITED TO PORT OF CORPUS CHRISTI

The members of the Lions Club of Clarendon have received an invitation from the "growlers" at Corpus Christi, urging their attendance at the Port opening celebration to be held there September 14. The local Lions are also urged to sponsor an entry in the beauty contest and bathing revue offering \$2,500 in cash prizes, the capital award to be \$1,000.

"To usher in the new Port \$50,000 is being raised for the monster jubilee," the invitation read.

"We, as co-members of a worthy organization, invite you, your family, and your friends, to come to Corpus Christi next month and participate in the celebration. We are particularly anxious that you send some young lady to represent your city in the beauty contest." A member of the Corpus Christi Lions club, Dewitt Reed, is in charge of this event.

"Corpus Christi is your port as well as ours, and we are anxious that the people of your city take an active part in the celebration of its completion and opening."

Other entertainment features, according to information received here, will be a combined Army, Navy and Civic parade; a regatta offering \$2,500 in prizes; a historical pageant, and a \$5,000 fireworks display.

As far as navigation is concerned the Port of Corpus Christi can now be entered by the sea going vessels. A small amount of work is yet to be done on the wharves and terminals. Everything will be in readiness by the opening day, it is said.

HEREFORD IS COMING FOR NEXT DISTRICT MEETING

(Special to the Clarendon News.) Hereford, Aug. 26, 1926.—Hereford business men voted unanimously at the luncheon to postpone the regular Chamber of Commerce luncheon next Monday, and all go to the District Convention of the West Texas Chamber of Commerce at Clarendon. The local delegation will probably take the Merchant's Band or Hereford's Original Jazz Orchestra, and will stage a fight for the 1927 Convention. Mr. E. W. Harrison made the motion to postpone next Monday's meeting; it was seconded by L. Baskin. Hereford was the first City in this section to make a bid for the 1927 meeting. Last year at Dalhart when Clarendon won the 1926 Convention, the local delegation served notice that a fight would be made for next year's meeting.

CLARENDON STREETS TO BE IN GALA ATTIRE AUG. 30TH.

Arrangements were completed the latter part of last week by the Chamber of Commerce whereby a decorating company will have charge of the beautification of the streets of the city for the District Convention of the West Texas Chamber of Commerce here August 30th. The decorations will be placed the latter part of this week and are scheduled to be complete in every detail. Welcome banners and other insignia of a like nature will be among those displayed on the streets by the company. This decoration, together with the flags now in the possession of

the merchants will give the town a gala appearance and will greatly assist in keeping the welcome spirit abroad in the town.

NEWS IS COMPLIMENTED BY CLOVIS MERCHANT

Mr. M. A. Dewell, located in the city of Clovis, New Mexico, was a visitor in Clarendon the latter part of last week. Mr. Dewell stated that he had recently closed an advertising contract with one of the papers in that city and that the News was to be highly complimented on the cut service we are rendering. It has been the custom of these people to use a large number of cuts in their advertising and Mr. Dewell stated that we were much better able to serve their needs than any paper he had met in a town the size of Clarendon.

FORMER CLARENDON MAN WEDS CANYON INSTRUCTOR

A. M. Smith of Plainview, and a former citizen of Clarendon some eight or ten years ago, was married Wednesday of the past week to Miss Emma McClesky of Canyon. Mr. Smith will be remembered as one of Clarendon's leading citizens of a decade ago, and his many friends here wish him well in his recent marriage. He is the father of O. T. Smith of this city. The following account of the wedding was taken from the Randall Co. News of Canyon for last week:

"Miss Emma Jean McClesky and A. M. Smith of Plainview were married last Wednesday night at Plainview, Dr. E. E. Robinson officiating. The bride has been a teacher in the training school of the College for the past twelve years. She is the daughter of Mr. and Mrs. J. M. McClesky of Blackwell and has been spending the summer at the home of her parents.

"The groom is well known in Canyon, having visited here often at the home of his daughter, Mrs. L. F. Sheffy.

"Mr. and Mrs. Smith will make their home at Plainview."

PLEASANT VALLEY

Mrs. Hugh Riley left Thursday for a visit with her mother and brother at Mineral Wells.

Sherman Clayton of McLean visited in the Y. M. Potter home Sunday night.

Mr. and Mrs. Ernest Crossnoe of Crowell came Saturday for a visit with her sister, Mrs. W. W. Meaders, and family. They left Monday afternoon for McLean for a visit with her parents.

Mr. and Mrs. Longan and children and Misses Dollie and Lizzie Corder spent Sunday with Mr. and Mrs. Charlie Franabarger in Clarendon.

Miss Dollie Corder spent Monday night with Miss Nan Potter.

Mrs. Will Darden and son, Clyde, of Girard are visiting her parents, Mr. and Mrs. Will Darden.

Mrs. Ben Andis and children visited in the Longan home Monday.

Ethel Rutherford's Shoppe

Says—

IT PAYS TO PAY FOR STYLE AND QUALITY!

Poor Richard's basic rule for thrift was not saving, but wise spending. "Learn first to spend wisely, and thrift will follow" was his counsel.

A woman never spends wisely when she buys because a price is low. Wise Spending lies in getting something worth having—a garment of enduring quality and lasting style, for instance, instead of one offered at a low price, that may be the vogue one day and passe the next"

Only The Best Is Good Enough

SOCIETY NOTES

Former Residents Here to Visit.
Mrs. A. G. Ligertwood and her daughters, Miss Jessie and Miss Mary, of Victoria, British Columbia, are here to spend a few weeks, and are occupying the home of Mr. and Mrs. J. B. McClelland. Mrs. Ligertwood and the Misses Ligertwood lived here several years ago; and their presence in the city is a matter of interest in social circles. They have with them a guest, Miss Doris James, also of Victoria.

Country Club Picnic For Visitors.

An outstanding social event of the week was the picnic at the Country Club Wednesday afternoon, honoring Mrs. A. G. Ligertwood, Miss Jessie Ligertwood, Miss Mary Ligertwood and Miss Doris James, and given by the Women's Auxiliary of Saint John Baptist Church, Episcopal. About thirty members of the Auxiliary and friends of the honorees enjoyed the swim and the picnic supper that followed.

Bride-Elect Honored.

Miss Lena V. Griswold gave one of the smartest parties of the summer, Thursday afternoon, when she entertained in honor of Miss Carrie Wilder, whose engagement to Mr. Loyd Stallings was announced last week. The affair took the form of a cleverly planned "treasure hunt" which carried the guests to several

widely separated places in the city. The first stop was at the florist's, where each guest received a lovely corsage in the colors chosen by the bride for the wedding decoration scheme—pink and orchid. The party then went to the Pastime Confectionery and had drinks. Directions received there led Miss Griswold and her guests to the home of Miss Fray Stallings, where they received favors of tiny green paper parasols. The party then returned to Miss Griswold's home. There little Miss Mary Jo Hundley presented the honoree with a parasol containing a shower of exquisite handkerchiefs. Punch was served. The guest list for the party includes: Miss Wilder, Mrs. G. L. Boykin, Mrs. Raymond Ayles of Mineral Wells, Mrs. Lee Nowlin, Miss Fray Stallings, Miss Louise Mullino, Miss Ruby Lee Landers, Miss Oberia Hamblen and Miss Winnie Weatherly.

Mrs. James Trent, Hostess, Monday.

Mrs. James Trent was a charming hostess, when she entertained the members of her bridge club and a number of other friends Monday afternoon. Her guests were Mrs. A. G. Ligertwood, Miss Jessie Ligertwood, Miss Doris James, all of Victoria, British Columbia; Mrs. Allen Jeffries, Mrs. Kate B. Carroll, Mrs. Charles Bugbee, Mrs. L. L. Swan, Mrs. G. B. Bagby, Mrs. W. H. Martin, Mrs. Charles Trent, Mrs. J. T. Sims, Mrs. W. H. Cooke, Mrs. Sella Gentry, and Mrs. J. D. Browder of Ft. Worth. Bridge was played at two tables, with high-score prize going to Mrs. Swan and the consolation favor to Mrs. Gentry. Refreshments

in two courses were served after the games.

Afternoon Club Entertained.

Mrs. Oscar Jenkins was hostess to the afternoon club Thursday, entertaining three tables at bridge. Her special guests were Mrs. C. B. Martin of San Antonio, Mrs. Phillips Gentry, Miss Anna Moores and Miss Elizabeth Alexander. Club members present were as follows: Mrs. James H. Morris, Mrs. Charles Trent, Mrs. Sam Dyer, Mrs. Meredith Gentry, Mrs. Selden Bagby, Mrs. Dorr Ellis, Miss Mildred Martin and Miss Mary Cooke. Miss Cooke made high score and was given a pretty favor, while Miss Martin was fortunate in the cut for consolation. After the games salad and ice courses were served.

Miss Lorraine Patrick Entertains.

Miss Lorraine Patrick entertained Miss Lucille Goldston, Miss Ella Lee Jackson, and Miss Sanford Young with a slumber party at her home Tuesday night. The party attended the pageant at the College in the evening, and the following morning, went to Salt Fork for a sunrise breakfast.

NOTICE TO KINDER-GARDEN PATRONS

I will begin my kindergarden classes on Monday, September 6th at nine o'clock and will be glad to meet all who have children to enter in this work. The Clarendon school accepts first grade work done in my department and I solicit those who are under age for free school. Terms, \$5.00 per scholastic month, in advance.

Respectfully,

Mr. and Mrs. Sam Dyer entertain. Mr. and Mrs. Sam Dyer were hosts to the Thursday Night Club this week, entertaining at dinner and bridge. Mr. and Mrs. Horace E. Westmoreland of Amarillo were guests, and the members present were: Mrs. Charles Trent, Mr. and Mrs. P. B. Gentry, Mr. and Mrs. Meredith Gentry, Dr. and Mrs. Oscar Jenkins, Mr. and Mrs. Selden Bagby, and Mr. Holman Kennedy. Mrs. Bagby made high score for ladies, while Mr. Kennedy played high for

gentlemen. They were given appropriate favors, and Mr. Meredith Gentry drew the consolation. * * * * * Miss Bennett Gives Small Party. Honoring Miss Elizabeth Alexander, who returns to College Station today, Miss Anne Myra Bennett gave a small slumber party Monday night. Bridge and a midnight supper were enjoyable features of the party. Her guests were Miss Alexander, Miss Willette Cole, Miss Catherine Cole and Miss Mary Stocking.

Master James Potts Lumpkin Celebrates Birthday. The second birthday of James Potts Lumpkin was honored Tuesday with a party at the home of his grand-mother, Mrs. J. A. Potts. Those present besides his mother, Mrs. Floyd Lumpkin, and Mrs. Potts, to celebrate the important occasion were: his grand-parents, Mr. and Mrs. T. B. Lumpkin, Andrea and Leonora Kelly, Maralyn Sawyer, Bobbie Jo Skelton, Clyde Benton Douglas, and Clarence Pipes. After a frolic with balloons furnished by Master Douglas, the guests were taken to the dining room for refreshments. A color scheme of pink and white was prettily developed in the decoration of the room. Pink paper streamers hung from the electric light to the corners of the table, which was laid with lace over pink satin. The cake was, of course, the center of attraction. It was pink and white and had on it two white candles. When Master James had blown the two candles with one vigorous puff, the cake was cut and served with pink ice cream cones.

Mrs. W. J. Atteberry of Amarillo is the guest of Mrs. Sella Gentry this week. She came Sunday. Mrs. F. T. Charlton spent this week in Amarillo with her daughter, Mrs. J. M. Wise. Dr. Will Horn of Ft. Worth was the guest of Dr. and Mrs. Oscar Jenkins this week. Mrs. Frank White, who has been seriously ill in Saint Anthony's hospital, Amarillo, returned to her home here Friday. Mr. and Mrs. D. P. Ross have as guests Mr. and Mrs. Wade Willis of Amarillo. Mrs. Joe Briglio and little daughter, Flavia, of New York City. Mrs. Willis is their daughter and Mrs. Briglio is their granddaughter. Mr. and Mrs. R. B. Henry and children of Greensboro, North Carolina, are the guests of Mrs. Henry's parents, Dr. and Mrs. R. E. L. Morgan. Mr. and Mrs. Duff Dean and little son left Wednesday for California, where they will make their home. They are making the trip in their car. Mrs. Joe Shelton and her daughters, Miss Elaine and Miss Helen, of Shamrock, are visiting Mr. and Mrs. E. M. Ozier and Mr. and Mrs. Paul Shelton this week. A daughter was born Friday, August 20, to Mr. and Mrs. W. V. Winslow of Temple, who are spending the summer with Mrs. Winslow's parents, Mr. and Mrs. John Clark. The young lady is to be called Betty Jeanne. Born, to Mr. and Mrs. A. T. Holcomb, a daughter, Thursday, August 26.

Left to right—MISS ROSA MICHAELIS, New Orleans; MRS. SARAH TYSON RORER, Philadelphia; MISS LUCY G. ALLEN, Boston; MRS. BELLE DEGRAFF, San Francisco; MISS MARGARET ALLEN HALL, Battle Creek; and MRS. KATE B. VAUGHN, Los Angeles

Six famous cooking experts agree

Pacific Coast, Gulf of Mexico, New England, and Lake Michigan! Six of the country's foremost cooking experts have just completed a rigorous test of the Perfection Stove.

THEY used every method of cooking from frying to baking, and were enthusiastic about the Perfection. Read what they say.

"Whether I broiled steak or French-fried potatoes, the results were fine," says Mrs. Rorer, famous Philadelphia cooking teacher.

Crisp Waffles

"My waffles were light and beautifully brown," says Miss Allen, director of The Boston School of Cookery. "They cooked on a hot flame, with yellow tips 1 1/2 inches high above the blue area."

"I found the Perfection so dependable," reports Mrs. DeGraff, home economics counsellor. "I left a roast lamb in the oven for hours. The flame never wavered."

No Scouring Needed

"Eggs a la King and broiled tomatoes are delicious enough in themselves," affirms Miss Hall, nutrition expert, "but twice as delicious to the cook whose kettle bottoms need no scouring. Perfection's long chimneys burn every drop of oil before the heat reaches the cooking. No soot or odor."

"Using a Perfection is like cooking with gas," remarks Mrs. Vaughn, domestic science expert, Los Angeles Express. And Miss Rosa Michaelis is of the same opinion.

Tested Cooking Ability

These are just a few comments made by the six experts, satisfied with only the best cooking equipment. They find the 1926 Perfection fulfills every cooking requirement.

What does it mean to you?—That when you buy a Perfection you get a stove with cooking ability tested and proved by experts.

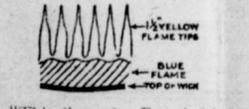

See Perfections Today

See the 1926 Perfections at any dealer's. All sizes, from a one-burner model at \$7.25 to a five-burner range at \$130.00. You will add your word of praise to that of the experts when you cook on the newest Perfection.

PERFECTION STOVE COMPANY
Dallas Branch—425 Trunk Avenue

"Perfection's long chimneys insure clean kettle bottoms," says Miss Hall of Battle Creek. "They burn every drop of oil before the heat reaches the cooking."

"This flame for French-fried potatoes," says Mrs. Rorer. "It has yellow tips, 1 1/2 inches high above the blue area."

Is Your \$40 Better Than the Other Fellow's?

It emphatically is, if invested in a Michaels-Stern 2 trouser suit—against the casual 1 trouser suit at \$40 that is no better in style, tailoring or material.

In this case we are saying "Extra Value with Extra Trousers" whereas we really should call notice to the extra style of the coat and vest.

S. E. ATTEBERRY IN PANHANDLE FORTY YEARS

One of the oldest settlers of the city of Clarendon, S. E. Atteberry, was one who attended the meeting of the Old Settlers of the Panhandle in Canyon the latter part of last week. The meeting was held under the auspices of the Panhandle Historical Association and was one of the most successful ever held in this section of the state. Messrs. Tom Turner and Walker Hall of Amarillo and Col. C. C. French of Amarillo were among the speakers on the program who made the program one of entire enjoyment. One of the old trail songs was presented by a singer of national repute and was more than enjoyed by the gathering.

The day was more than a success, according to the word of Mr. Atteberry, especially since the dinner was as grand as could be. Cakes and pies and other dainties had been prepared by the women members of the community and the barbecue and other eatables was such that it fairly melted in ones mouth. More than 200 were in attendance on the meet, all of them being in the Panhandle for more than forty years, this being the only prerequisite for membership. Clarendon was represented by Messrs. S. E. Atteberry, M. E. Bell, Cal Merchant and Wiley Morris. These were accompanied by Ira Merchant and Richard Bell.

Milton E. Price of the city of Wichita Falls, was a visitor in the home of his parents, Mr. and Mrs. E. Price, over the last week-end. He was met here by L. E. Breckenridge of Amarillo for a short visit.

Office supplies at the News office.

AN ORDINANCE PROVIDING FOR THE LEVYING, ASSESSING AND COLLECTING OF AN ANNUAL AD-VALOREM TAX, IN THE SUM OF ONE DOLLAR AND FOUR CENTS ON THE ONE HUNDRED DOLLARS VALUATION OF THE TAXABLE PROPERTY OF THE CITY OF CLARENDON, DONLEY COUNTY, TEXAS, AND THE LEVYING AND COLLECTING OF A POLL TAX, OF ONE DOLLAR OF EVERY MALE INHABITANT OF SAID CITY OVER THE AGE OF TWENTY-ONE AND UNDER SIXTY YEARS, AND DECLARING AN EMERGENCY.

Be it ordained by the City Commission of the City of Clarendon, Donley County, Texas:

Whereas, an ad valorem tax is necessary for the proper conducting of said city's business, and for the proper upkeep of the sinking fund and interest on certain bonded and warranted indebtedness of said City and the upkeep, repair, maintenance and construction of the streets, roads, alleys and bridges of said city; therefore:

Be it ordained and enacted by the City Commission of the City of Clarendon, Donley County, Texas, under and by virtue of the acts of the 37th Legislature of the State of Texas, at its regular session, and by virtue of the Constitution and Laws of the State of Texas, that an annual ad valorem tax, in the sum of one dollar and four cents on the one hundred dollars valuation of the taxable property of said city within its corporate limits, to be divided as follows, to-wit: Twenty-five cents of said one dollar and four cents ad valorem tax to be for the general fund of said city; and twenty-five cents of said one dollar and four cents ad valorem tax to be for the construction and improvement of the roads, bridges and streets and alleys of said city within its corporate limits; and fifty-four cents of said one dollar and four cents ad valorem tax to be for the sinking fund and interest on all bonded and warranted indebtedness of said City of Clarendon, Donley County, Texas, be and the same is hereby levied, and provisions be and the same are hereby made for the assessing and collecting of same; and:

Be it further ordained and enacted by the City Commission of the City of Clarendon, Donley County, Texas, under and by virtue of the provisions of Article 1639 Revised Civil Statutes of Texas, 1925, and the Constitution of the State of Texas, that an annual poll tax, in the sum of one dollar, be and the same is hereby levied against every male inhabitant of said City over the age of twenty-one and under sixty years, who is a resident thereof at the time of such annual assessment, and provisions are hereby made for collecting same; and:

Be it ordained and enacted by the City Commission of the City of Clarendon, Donley County, Texas, under and by virtue of the authority vested in said City Commission by Chapter 9 of the Acts of the 37th Legislature of the State of Texas at its regular session and by virtue of the Constitution and Laws of the State of Texas, that said annual ad valorem and annual poll tax levied in this ordinance be collected and that the date of collection of same be from and including the 1st day of October, 1926 to and including the last day of January A. D., 1927, and that same shall be payable at the city Hall in the City of Clarendon.

FORMER PASTOR HERE BURIED AT CROWELL

Rev. P. R. Huckleberry, former pastor of the First Christian Church of Clarendon, died last Friday at his home in Vernon, after an illness of many months. Rev. Huckleberry was a very popular preacher when he served the Clarendon congregation, and has a host of friends here who will be saddened by his going. The following is an account of his death as taken from the Vernon Record:

"Rev. Paul R. Huckleberry, died at his home on Bowie street at 4:15 o'clock Friday afternoon after an illness of eighteen months.

"Funeral services will be held at Crowell at 3 o'clock Sunday afternoon from the First Methodist Church by Rev. L. P. Kolp, Christian minister and former pastor of the Vernon Central Christian Church.

"Rev. Mr. Huckleberry was a native of Iowa and moved here with his family nine years ago. He was state district evangelist of the Christian Missionary Society of Fort Worth.

"He is survived by his widow and four sons, and one daughter, and one grandchild. The children are Paul, of La Junta, Colorado, and Harold, Clifford, Floyd and Robert and Edna Mae of Vernon. A daughter, Miss Mildred, died at Crowell two years ago.

"A brother, Albert H. Huckleberry, of Snyder, Texas, has arrived for the funeral."

FIRST BIT OF NATURAL GAS EQUIPMENT RECEIVED

The News received the first bit of natural gas equipment the fore part of the week. The equipment in question is a burner for use on the casting box in the office and we believe is the very first that has been received for use in the city of Clarendon. The burner will be used to melt the metal in casting the cuts that appear in the paper from time to time.

Donley County Texas, in the City office.

Whereas, because of unavoidable delays in assessing and equalizing taxable property within the corporate limits of the City of Clarendon, there is an emergency creating an imperative public necessity that the rule requiring ordinances to be read on three separate days before final passage, be suspended; and such rule is hereby suspended and it is ordained and enacted, that this ordinance shall take effect and be enforced immediately upon its passage and approval.

Passed and approved this 12th day of August A. D., 1926.

H. W. TAYLOR,
Mayor, City of Clarendon, Donley County, Texas.

ATTESTED:
Maude Clark-Nelson,
City Clerk,
Commissioners of the City of Clarendon, Donley County, Texas.

PIERCE PETROLEUM CORPORATION

J. H. CUDD, AGENT

A CITATION TO NONRESIDENTS OF THIS STATE BY PUBLICATION.

THE STATE OF TEXAS.
TO THE SHERIFF OR ANY CONSTABLE OF DONLEY COUNTY, GREETINGS:

You are hereby commanded to summon Cuba Blackwell and his wife, Mrs. Cuba Blackwell, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof in some newspaper published in the county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, at the next regular term of the Justice Court of Justice Precinct No. 2 in Donley County, Texas, to be held at the office of the Honorable Leon O. Lewis, Justice of the Peace in and for said precinct, in the town of Clarendon, Donley County, Texas, on the 5th Monday in August, 1926, the same then and there being the 30th day of August, A. D. 1926, then and there to answer a petition filed in said court on the 3rd day of August, 1926, in a suit numbered on the Civil Docket of said court No. 1420, wherein O. D. Liesberg is plaintiff and Cuba Blackwell and his wife, Mrs. Cuba Blackwell are defendants.

Plaintiff alleges that during the years 1921, 1922 and 1923, prior to April 6, 1923, that he sold and delivered to the defendants at their special instance and request coal, the reasonable market price of which was \$127.00; that the defendants, Cuba Blackwell and Mrs. Cuba Blackwell are husband and wife and were throughout the years 1921, 1922 and 1923; that such coal so furnished by the plaintiff to the defendants at their special instance and request was used by the defendants for heat in their home and for fuel and was in law and in fact a necessity; that on or about the 6th day of April, A. D. 1923, in payment for the coal furnished, as aforesaid, the defendant, Mrs. Cuba Blackwell, made, executed and delivered to the plaintiff her certain promissory note in writing in the principal sum of \$127.00, dated April 6, 1923, due October 6, 1923, payable to O. D. Liesberg, or order, and containing the usual additional 10 per cent attorney's fee clause, and being signed "Mrs. Cuba Blackwell." Plaintiff further alleges that said note is long past due and wholly unpaid, except the sum of \$12.00, which is endorsed on the back of the note, the same having been paid on July 30, 1925; that the plaintiff, O. D. Liesberg, is now the owner and holder of said note, and has placed the same in the hands of an attorney for collection, and that suit is here and now and here-by had thereon.

Plaintiff says that there is now due and unpaid on said note the sum of \$172.82, and asks for citation, judgment for his debt, interest and attorney's fees, for the foreclosure of his attachment lien on the east half of Block No. 12, in Grant's Addition to the town of Clarendon in Donley County, and for relief, general and special.

Herein fail not, but have you before said court on the said first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

Given under my hand at my office in the town of Clarendon, Texas,

this the 3rd day of August, A. D. 1926.

LEON O. LEWIS,
J. P., Precinct No. 2, Donley County, Texas.

POSTED NOTICE

The public is hereby warned that hunting and wood hauling is forbidden in the R. O. pasture. All trespassers will be vigorously prosecuted.

LAUNDRY ADDS BUILDING TO CARE FOR MARKING

With their original building over-run with the volume of business that has come to them during the past few months, the Clarendon Steam Laundry has been forced to add a building to the side of their old place of business. The new structure is made of tile and brick and is fourteen by thirty feet in size. The new room was added to the

building and will be used as a receiving and marking room for the place of business. As was mentioned some time ago, the laundry is one place of business in Clarendon that is running twenty-four hours of the day to keep abreast of the business that has come to them. In addition to the new addition to the place of business, they have installed a new pump that will furnish them with all the water they use in their business.

EXPERT WATCH REPAIRING

Watches repaired at Stocking's Drug Store are turned out with the skill of a factory expert. Every pivot is polished, every plate is trued, every pinion is perfectly adjusted and the balanced wheel is timed just as it was when leaving the factory. Hugh E. Skiles, formerly a railroad watch inspector does the work in such a manner that the watch owner may rely on his timepiece.

STOCKING'S DRUG STORE

The one hundred and fiftieth anniversary of the adoption of the Declaration of Independence will be observed by the Sesquicentennial International Exposition, which opens at Philadelphia, June 1, 1926.

OLIVER WOLCOTT, SIGNER

In the same year that he was graduated by Yale University, Oliver Wolcott, Connecticut signer of the Declaration of Independence, received a captain's commission in the army from Governor Clinton of New York. The Sesqui-Centennial International Exposition, in Philadelphia, is commemorating the one hundred and fiftieth anniversary of the signing of the document.

The young American raised a company at the head of which he marched to defend the northern frontiers. In consequence of the peace of Aix-la-Chapelle, the unit disbanded, and Wolcott returned to Connecticut to study medicine under the direction of Alexander Wolcott, a distinguished practitioner. He abandoned the profession on being appointed the first sheriff of Litchfield County.

He served in the militia in every rank from captain to major-general. In July, 1775, Congress appointed him a member of the Commission of Indian Affairs for the Northern Department, which had as its important object the inducing of the Indian nations to remain neutral during the war.

Wolcott's influence was used to settle the boundary disputes between Connecticut and Pennsylvania, and Vermont and New York, as well as to unite the New England settlers in support of the American cause.

After the Declaration was adopted and signed he returned to his native state and was appointed by Governor Trumbull and the Council of Safety to command fourteen regiments of the Connecticut militia ordered for the defense of New York.

For a time Wolcott divided his services between Congress and commanding the militia. He was a Commissioner of Indian Affairs in 1784-85, helping to prescribe the terms of peace to the Six Nations of Indians. After serving for ten years as Lieutenant-Governor of Connecticut, he was elected Governor of the State.

Had it not been for his wife Wolcott could not have served his country thus without sacrificing his family. To her must go the credit for managing the small farm and caring for the children with all of the frugality, fortitude and intelligence of a Roman matron, and for making their home the seat of comfort and hospitality. It is in large measure because of her character that his name is recorded in connection with many of the most important events of Revolutionary times.

CLAUDE POLLARD TO BE IN RUN-OFF PRIMARY

Claude Pollard, high man in the first Democratic Primary for Attorney General, has a long record in state service and in the interests of education in Texas.

His first service was as a country school teacher in Panola County. Later he became President of the School Board at Kingsville. While a resident of Kingsville, he became instrumental in having the State Teachers Normal School established there.

At present he is vice-president of the Houston School Board, and has been actively engaged in the building of \$4,000,000 worth of new school buildings for Houston.

He served as county attorney for Panola County for three years, and for four years as District Attorney for Panola, Rusk, Harrison and Gregg Counties. His prosecution of a number of famous bootlegger cases in this district earned him a noted reputation as a prosecutor in East Texas.

Probably his best known service for the State was while he was Assistant Attorney General for four years under R. V. Davidson. It was during this period that the State sued and collected more than \$2,000,000 from the Waters Pierce Oil Company in penalties for violation of the anti-trust laws. The collection of this fine enabled Gov. Campbell to reduce the state tax rate four cents, the lowest in the history of the State.

While Assistant Attorney General for the State he carried through the courts the legislation which has given the state the Gross Receipts Tax Law and the Intangible Assets Law. He represented the Railroad Commission in securing an adjustment of freight rates throughout the Southwest. Pollard is 52 years of age and has had 25 years experience as a lawyer.

ELECTRICAL ADVANCEMENT IMPRESSES SESQUI GUEST

The privilege of comparing expositions a half century apart belongs to Mrs. James E. Garretson, widow of Dr. Garretson of Lansdowne, who gave her impressions of the Sesqui-Centennial International Exposition, as she was being conducted about the grounds in a rolling chair. "Philadelphia should make out a Sesqui schedule and follow it until they have seen every worthwhile exhibit on the grounds," Mrs. Garretson is 91 years old, but her interest in the world is as keen as when she wore bustles, flounces and a chignon.

"The size of the grounds and the color of the lights and buildings, place the Sesqui-Centennial in a class by itself," she said. They thought they had wonderful things at the Centennial, but what are commonplace at the Sesqui, would have been miracles at the Centennial. Here I have seen an aeroplane 'take off'; and I have talked with a friend by automatic phone. These things were not even dreams when I walked about the Centennial grounds. The telephone was introduced, but was looked upon more with scorn than with respect."

The Sesqui-Centennial enthusiast was impressed particularly with the electrical advancement that has been made. She sat silent for several minutes before the living picture of Niagara Falls in the Palace of Liberal Arts and Manufactures. She was taken on a tour of the Palace of Fine Arts, where she expressed delight at the excellence of the display. "This is one of the beauty spots of the grounds. I should like to come back here many, many times," she declared.

Her reaction to the modernistic paintings in one gallery was just as instant. She threw up her hands. "This is one respect in which I am old fashioned." She left the room at once.

Glimpsing the delights of Treasure Island through the blue and yellow paling fence, she stopped and looked longingly through as if afraid that such juvenile pleasures were not for her. Other adults were wandering about inside, so she plucked up courage and went in. Seeing the tiny engine and cars which carry patrons on a trip through the Rocky Mountains, she stopped again for a long moment then, picking up her skirts, entered a car, saying, "I am not too old."

VITAL FACTS ON WEDDING ANNIVERSARIES

At the end of the first year comes the cotton wedding anniversary. The wife realizes that her silk hose won't jibe with husband's income, so she gets some cotton hose. But does she?

The second year is the paper wedding. Husband's paper is overdue at the bank, so he pays it off by giving more paper.

The third year is the leather anniversary. Father gets a nice leather strap (any old belt or razor strop will do) with which to impress Junior that he is to mind. Father starts early.

The tenth year is the tin wedding. They trade in their tin lizzie for a new one.

The fifteenth year is the chystal wedding, so they get a crystal radio set with four sets of ear-phones.

The twentieth year is the china wedding, so they see China. Mother declares she never wants to miss any of those travelogue films.

The twenty-fifth year is the silver wedding. Along with silver in their hair, they realize that they have more silverware than silver.

The thirtieth year is the pearl wedding. Pearl spends Thanksgiving at home, and brings along a string of little Pearls.

Peppers, bell (6).
Okra (12).
Rhubarb (12).
Collards (3).
Kohlrabi (12).
Horse radish (6).
Cucumbers, green.
Mangles (6).
Beans, lima (gallon).
Beans, pinto (gallon).
First, \$3.00; second, \$2.00; third, \$1.00.

26. Best display of eight exhibits of one each of bermuda grass or other tame grasses, broom corn, rye, speltz, edible nuts, buckwheat, emmer, popcorn, three lbs., honey or any other crops not included in above classifications. First, \$3.00; second, \$2.00; third, \$1.00.

Corn and Grain Sorghums.
Only one of the three following is to be exhibited, and will be scored on a basis of 250 points. Grain and sorghums shall include black hull kaffir, red and white milo, fetterita, hegari, reed and shock kaffir. Darson shall not be considered a grain sorghum. Black hull and white hull kaffir and red and white milo shall be considered different varieties.

Either May be Shown.
1. Corn: Eight samples of 10 ears each, and two samples of 50 ears each, of not less than two nor more than four varieties; or
2. Grain Sorghums: Three samples of 10 heads each, and two samples of 50 heads each, of not less than two nor more than four varieties; or
Both May be Shown
3. Four samples of 10 ears each and two samples of 50 ears each, of not less than two nor more than four varieties.

Cotton and Wheat.
Only one of the three following is to be exhibited and will be scored on a basis of 250 points:
Either May be Shown.
1. Cotton: Four samples of 50 open bolls each, any variety or varieties, and two stalks of cotton; or
2. Wheat: Four bundles and four gallon samples, any variety or varieties; or
Both May be Shown.
3. Cotton: Two samples of 20 open bolls each, any variety or varieties, and two stalks of cotton.
Wheat: Two bundles and 2 gallon samples, any variety or varieties.

Oats and Barley.
2 bundles and 2 gallon samples of either, or 1 and 1 gallon sample of each.
Alfalfa, Sweet Clover and

Velvet Beans.
4 bundles of either, or 2 bundles of each of any 2.

Peanuts and Cow Peas.
2 gallons samples and 2 vines of either, or 1 gallon sample and 1 vine of each.

Annual Forage Crops.
5 bundles of different varieties of sweet sorghums or Darson, or other annual crops grown for forage. (Darson may be shown only as a forage crop. The fodder shall not be removed from the stalk.)

Fruits.
Characteristic of the country, native or cultivated.

Either May be Shown.
1. 5 plates of 5 specimens each of different varieties or kinds; or
2. 10 quart jars of not less than 5 kinds. (Not more than two varieties of any kind of fruit may be exhibited where only canned fruit is shown.) All fruits under 1 inch in diameter and grapes not canned must be shown in 3-pound baskets.

Vegetables.
10 exhibits of different varieties or kinds in quantities as designated and included in classes.

Other crops not included under the above classification: 5 exhibits only of one each of Bermuda grass, or any tame grasses, broom corn, rye, speltz, edible nuts, buckwheat, emmer, popcorn; 3 pounds honey, 1 dozen hen eggs; or any other crop not included in above classifications.

The relative agricultural value, as well as the quality of the product shown, will be considered in judging this class. The quantity of such exhibit is to be the same as specified in the general exhibit classes. Attractiveness, arrangement and neatness of the exhibit will be judged on a basis of 150 points. Total points 1,000.

Three cash prizes are offered in the best community exhibit for the county. The first prize is \$25.00; second prize, \$12.50; third prize, \$7.50. A very pretty contest is expected in this division.

NEW FIRM OF CONTRACTORS ARRIVE HERE THIS WEEK

Messrs. Lewis and Todd, recently of the city of Pampa, but originally from Oklahoma, arrived in Clarendon the fore part of this week and will make this their headquarters. In conversation with the gentlemen Tuesday, they stated that there was plenty of work in Pampa, but that they had moved to Clarendon to take advantage of the school situation here. They are both men of wide experience.

J. H. Hurn and wife returned Tuesday evening from a trip to Dallas, Houston, Galveston, and other points down state. At Dallas Miss Mary Hazel underwent a minor operation and she is there for a rapid recovery, which she is now enjoying. Mr. Hurn reports very poor crop conditions over the central and southern part of the state, and says he looks for a pretty fair price for our cotton here in the Panhandle.

REPAINT YOUR CAR with

Steelcote
RUBBER AUTO ENAMEL

PAINT TODAY—DRIVE TOMORROW

Steelcote dries overnight and one coat does the work. It is ideal for the man who wants to paint his own car. Flows on smoothly, is self-leveling and leaves no brush marks. Never peels, cracks or blisters and is not affected by sun, wind, ice or snow. Looks like a baked enamel job and has a permanent glossy appearance. Is attractive colors at your dealer's.

Made by STEELCOTE MFG. CO., St. Louis, Mo.
