\$850 CITY QUOTA MEMORIAL COINS

CHAIRMAN MORRIS MAKES STRONG APPEAL TO SONS—DAUGHTERS OF SOUTH

Clarendon's quota on the sale of Stone Mountain Memorial half-dollars is \$850. R. F. Morris has accepted the chairmanship in this campaign and has written the following stirring appeal to the News...

I have been appointed chairman of the Confederate Memorial Coin Sales for Clarendon, and requested to bring this matter to the attention of the good people of this city...

The News presents herewith a clipping from the Amarillo News of Tuesday of this week telling of the life and death of another of the pioneers of the Panhandle country. Col. Woodburn was a one time worker on the J. A. Ranch to the west of this city...

Col. E. T. Woodburn, 83 years old, Confederate veteran and prominent pioneer of the Panhandle, died at his home in Hereford at 9:20 o'clock last night.

Perhaps some of your Sires sleep beneath the dust of the storm carved hills of Vicksburg. Perhaps some of them lie beneath the waves of Mobile Harbor where the Tennessee fought the entire Federal fleet and was overwhelmed at last by sheer weight of metal.

Col. Woodburn was associated with his son, Chas. P. Woodburn, in the drug business many years. He also owned extensive ranch lands. In the early days he and Mrs. Woodburn ran the famous Woodburn house in Silverton, known far and wide by the pioneer...

Doctor G. S. Slover left Saturday morning for Ft. Worth to enter the Harris Sanatorium where he will receive medical treatment. Dr. Slover stood the trip much better than was expected.

BAND CONCERT SET FOR SUNDAY

PASTIME THEATER TO BE SCENE OF HIS CONCERT SUNDAY AFTERNOON.

The first concert of the Clarendon Municipal Band that has been given to the public for the past two months will be held in the Pastime Theater on Sunday afternoon, February 21 at 4 p. m.

Director Raymond Riggs states that the band will be in first class condition for the concert. Practices will be held every available evening this week and a full attendance from all the members is urged.

Former J. A. Worker Dies at Hereford

Col. E. T. Woodburn, 83 years old, Confederate veteran and prominent pioneer of the Panhandle, died at his home in Hereford at 9:20 o'clock last night.

Perhaps some of your Sires sleep beneath the dust of the storm carved hills of Vicksburg. Perhaps some of them lie beneath the waves of Mobile Harbor where the Tennessee fought the entire Federal fleet and was overwhelmed at last by sheer weight of metal.

Col. Woodburn was associated with his son, Chas. P. Woodburn, in the drug business many years. He also owned extensive ranch lands. In the early days he and Mrs. Woodburn ran the famous Woodburn house in Silverton, known far and wide by the pioneer...

LIONS HOLD A MERRY LUNCHEON

SPLENDID ATTENDANCE REGISTERED IN SPITE OF MUCH SICKNESS.

The attendance on the Lions Luncheon Tuesday of this week was very good, in spite of the great deal of sickness that is extant over the community at the present time.

Lion Holcomb stated that the matter of the city delivery was in the hands of the local postmaster and that all efforts in that direction must be placed through the local office.

PLAINS HISTORY GROUP NAMES NEW CHIEF

Canyon, Feb. 13.—Pioneer comrades gathered here Friday night at the annual banquet of the Panhandle Plains Historical Society.

Judge Nelson gave the Texas Rangers credit for furthering the march of civilization by a 20 year period. The Rangers, Judge Nelson said, made law and order possible and enabled the Panhandle region to develop.

CLARENDON RECEIVES ADDITIONAL RATE REDUCTION

The News is glad to announce that Clarendon has been awarded a reduction of three per cent on their fire rates for the present year. The reduction was given the city on the splendid fire record for the past three years.

Miss Willette Cole, former society editor of the News and for the past two months teacher in the school near Baileyboro, Texas was a very pleasant visitor in the News office Wednesday afternoon of this week.

LOCAL MAN GETS FOREIGN STATION ON RECENT DATE

During the International Test Week of Radios over the United States and the countries outside of States, W. C. McDonald, proprietor of the Auto Service Station of this city and agent for a popular make of receiving set was one of the few men of the city who were able to hear anything outside of the States.

BOY SCOUTS DO FINE CLEANING

REVELATION TO CITY TO KNOW HOW MANY NAILS WERE ON MAIN STREET.

One of the requisites of Boy Scout Anniversary Week was that the boys observe last Thursday as Service Day. The local troops observed the day with the necessary ceremony with the net result that more than two-hundred pounds of nails, wire and glass were removed from the streets of the city.

HI-Y BOYS RETURN FROM AUSTIN TRIP TUESDAY

The six boys who represented the Hi-Y Club of the Clarendon Schools in the Older Boys' Conference held at Austin the latter part of last week returned Tuesday night of this week from their trip.

L. L. Moreland, one of the hustling young farmers of the Naylor Route dropped in at the News office Monday to leave a small card and to enroll as a new reader of the News.

DEPOT CHANGES ARE EXPECTED

INSPECTION TOUR OF OFFICIALS MAY MEAN MUCH TO CLARENDON.

Last week, a party of officials of the Denver Road made a visit to the city of Clarendon on the persistent invitation of a group of the citizens of the city, the Chamber of Commerce and other Civic Clubs of the city.

MRS. BRYAN TO PRESENT STUDENTS IN RECITAL

Mrs. Virginia Manley Bryan, teacher in Piano for the past two years in the Clarendon Public Schools will present her students in a public recital Monday evening of next week at the First Baptist Church.

FT. WORTH & DENVER SURVEY RUNNING BY PAMPA

The Fort Worth & Denver Railway surveying crew is reported camped seven miles north of town, near the C. L. Thomas residence.

REV. JEWEL M. SIBLEY TO GRADUATE IN JUNE

The News is informed that Rev. Jewel M. Sibley, son of Mr. and Mrs. A. J. Sibley of the Martin community, will finish the four-year course at Simmons University at Abilene, in June of this year.

QUARTER MILLION FOR THE COLLEGE

COMMISSION LAYS PLANS FOR CAMPAIGN TO ENDOW CLARENDON COLLEGE

Clarendon College of this city and McMurphy College of Abilene are to be endowed with a quarter of a million dollars each, if the plans laid by the Educational Endowment Commission of the Northwest Texas Conference Methodist Episcopal Church, South, work out as projected at a meeting held in Abilene last week.

Beginning at the present time, a period of cultivation and information will be carried forward in every church in the conference, closing on April 18th, with a sermon or address in every church setting out the claims of Clarendon and McMurphy Colleges on the Methodists of this section.

COUNTY SUPERINTENDENT VISITING COUNTY SCHOOLS

Judge Porter is making the rounds of the rural schools of the county this week in his available time and reports that all of them are in excellent condition. This trip round the county is in a measure a preparation for the annual inspection of the State Aid Inspector and the trip is to make all plans and get everything in readiness for the inspector when he may arrive here.

EXECUTIVE SECRETARY OF COIN DRIVE HERE

Mrs. John Claybrook of the city of Austin, Executive Secretary of the sale of the Stone Mountain Memorial Coins for the state of Texas was in Clarendon the latter part of last week in the interest of the work.

NOTICE—Any erroneous reflections upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

If we can just manage to be strong willed enough to give up this "flu" during Lent we will consider it one of the most successful lenten seasons we have ever experienced—and that isn't any joke either.

There are new residences going up over the city and many overhauling jobs under prosecution and contemplation. Paving, natural gas, new hotel, community auditorium and other proposed projects are doing much to stimulate activity in Clarendon.

What differences of opinion that may exist as to the management of the Community Auditorium should be ironed out in advance of the subscription solicitation. It is to be expected that there will be some differences, but they are not serious and can easily be adjusted before-hand by citizens who want to do the best thing for their town and community. The News repeats that the differences are petty and can easily be ironed out. Getting the auditorium is the main thing.

Prospects were never more favorable than at the present for the paving of the Highway through Clarendon. Nearly all the property owners have fallen in with the plan and it seems almost assured that in the next few weeks we may witness the beginning of construction on a fifteen or twenty block program in Clarendon. There are none today who are not openly proud of the paving our city already has, and we are sure that the proposed paving will prove just as worthy of our pride as the first few blocks. The News hopes to make definite announcement in another issue or two. 1926 is to be a great year for Clarendon.

April 9-10 of this year are the dates set for the annual meeting of the Panhandle Press Association. With the oil boom engulfing Amarillo so completely this spring the fraternity expect to hold a most interesting and helpful convention without the creating of any great ripple in the city life of Queen City of the Panhandle. Police protection to the country boys has been promised and positively no oil stock is to be offered to any member wearing a badge. Any promotor having the temerity to approach a visiting editor with an oil lease proposition may expect to be hung, quartered and drawn as an horrible example of what happens to a person who refuses to live up to the game laws of the land.

An engineer representing one of the great gas concerns will be in Clarendon in the next ten days or two weeks to make a preliminary survey as to the laying of mains and other cost.

of distribution to the six hundred odd homes and business concerns of our city who recently signed up as prospective gas customers. There is very little doubt now that Clarendon will have natural gas by fall and that we will be served, not by a small tap line, but by a great trunk line from the Panhandle field to Fort Worth. Residence property is increasing in value here and there is more activity than at any time in recent years, which shows which way the wind is blowing. It will pay investors to put their money in Clarendon real estate and in Clarendon enterprises. No boom—just natural growth.

The Clarendon News feels that the Amarillo News-Globe management is due the congratulations of the law abiding element of the Panhandle on their cancellation of an advertising contract of a certain product that very ostensibly set forth its merits as an aid to the man who wants to manufacture illicit "home-brew". The contract was sent in through the regular agency channels and one issue was carried before the true nature of the copy was discovered, then the management of the Amarillo papers cancelled the advertisement and made a statement of their position which every right-thinking man and woman should applaud. We are happy to point to this incident as another proof that as a class there is no set of people who so generally uphold and obey the law as Texas newspapers, and though within their rights as to the acceptance of this advertising, refused it on the ground of its appeal to the lawless, of whom we have by far too many. Upright citizenship will save this nation from all its perils. Nothing else will.

### THE NIGGER IN THE WOODPILE

When it was announced that the big Eastern railroads had agreed with the railroad brotherhoods upon a law which would force Congress to pass, we had our suspicions. When that law was presented to Congress for its rubber stamp, we found we were right. For some reason the brotherhoods have induced the railroads to accept the Howell-Barkley Bill which Congress repudiated last session upon the almost unanimous demand of an outraged public.

When Congress passes this Watson-Parker Bill, thereby approving the conspiracy between the railroads and their employes, the public will lose all protection in the matter of keeping down railroad wages to a reasonable or fair level.

The Railroad Labor Board is the only government body which ever had the nerve to make the big Eastern railroads to understand who was IT, or the guts to make the railroads brotherhoods accept a reduction in wages, therefore these railroads and their men are forcing Congress to kick it out.

Instead of a courageous, independent board representing the public and having a responsibility to the public to keep expenditures within reasonable and just limits, we are now going to get a temporary, pusillanimous outfit selected by politicians for politicians only. Whenever a strike is actually threatened their sole business will be to settle the strike on conditions that will most likely keep the politicians in power. In other words, we are going to get a political instead of a judicial board of arbitrators.

So certain are the brotherhoods that they are going to stuff this measure down the throat of Congress that they are not trying to hide their hand. Part of them are already demanding an increase in wages which will amount to \$500,000,000 per year. Even if none of the other brotherhoods should make similar demands, this would mean an increase of 10 per cent in freight rates since the railroads would certainly immediately claim confiscation and compel the commissions to increase their rates.

If any congressman feels that he owes a duty to anyone outside the railroads or the brotherhood, he will never vote for the Watson-Parker Bill, until it is amended so that the President's so-called fact-finding board is made a permanent affair composed of high-class men representing only the public interest, with all the power that the Railroad Labor Board now has to compel witnesses to testify and open up their books and records, and whose findings and decisions will be made public and not concealed as they will be under the star chamber proceedings proposed in the present bill, and above all things one to whom anybody, including the public, can go without anybody's consent.

It sure looks like the farmer gets it in the neck in any sort of deal.—Jeffersonian Tribune, Little Rock, Ark.

### MISSIONARY WOMEN OF ALL CHURCHES IN JOINT SERVICE

Friday, Feb. 19th, at ten o'clock, will be held a service in which the women of the Missionary societies of every Church in Clarendon will take part. The service will be held in the First Christian Church and Mrs. W. T. Hayter is the leader of the program. This is in line with a movement all over America sponsored by the Federation of Woman's Boards of Foreign Missions of North America and the Council of Women for Home Missions.

A special devotional program has been adopted by the Federation and the service here will be largely in accord with the outline adopted. Women from the Christian, Baptist, Presbyterian, Episcopal and Methodist Churches will take part in the devotional program, and all are invited to participate in the social hour and luncheon to be served in the basement of the church at the noon hour. There will be no charge for the lunch and the ladies are to bring in one or more dishes, thus obviating the necessity to hurry home and prepare lunch after the program of the morning. A most interesting and helpful few hours is promised.

Misses Frances Noel and Dorothy Cousins of McLean were the week end guests of Miss Hazel Bourland.

 CLARENDON, TEXAS

Visiting hours:  
 9:30 to 11:30 A. M. 3:00 to 5:00 P. M. 7:00 to 9:00 P. M.

Fear the Lord, and serve Him in truth with all your heart; for consider how great things He hath done for you.—1 Samuel 12:24.

Withhold not thou thy tender mercies from me, O Lord: Let thy lovingkindness and thy truth continually preserve me.—Psalm 40:11.

## Electricity For Cooking

Electricity is as far ahead of other fuels for cooking as it is for lighting. The average cost for cooking and lighting, where the average was 4.2 persons in the family, is only .06 cents per person per day on our present cooking and lighting rate.

The best advertising for electric cooking is the fact that we do not have a dis-satisfied user.

## TEXAS CENTRAL POWER CO.

## WHAT IS SAFE FARMING?

We would say that the surest method of safe farming would be:

Plant 50 per cent of cultivated land in the food and feed. In addition, keep a few purebred cows, hogs and chickens, and a home garden to supply the family needs.

We want to talk with our farm customers about safe farming. It may mean the difference between success and failure this year. And it will mean assured prosperity for the farmers of this state in 1926.

TEXAS EXES MAKE FURTHER PLANS FOR MARCH 2

The Clarendon members of the University of Texas Ex-Student's Association met in the office of Dr. H. L. Wilder Tuesday afternoon of this week to further discuss plans for the carrying out of their annual banquet of March 2. Committees were named and other details were arranged to make the day quite complete for everyone in question. The speaker of the evening will be in all probability be the Hon. R. L. Templeton of Wellington, District Judge of the 100th Judicial District. The honor graduates of the Clarendon High School and the College will be the invited guests of the evening and will have places assigned them at the table that will give them a full view of the occasion. Miss Mary Beall McGee was selected as Chairman of the Decoration Committee; G. L. Boykin will see that all exes of A. & M. College are invited in proper style; C. J. Douglas will attend to the financial end of the evening; Professor Paul Morgan will attend to the details of the program and Loyd Stallings has been named head of the committee on arrangements. The exes of the greatest rival school will be asked to be present and will be entertained as though Thanksgiving Day never existed in the calendar. Cards have been mailed to all available exes in the four counties of Childress, Collingsworth, Donley and Hall but if anyone should have been overlooked, they will do well to notify Stuart H. Condon of this city or Jerome D. Stocking, also of this city. A great time is expected and it is hoped that the expectations may not fall below their normal state.

BOY SCOUT CORNER

S. H. CONDRON, Conductor

SIGNIFICANCE OF SCOUTING

Last week was Boy Scout Week throughout the nation. Eighteen years ago the Scout Movement was initiated in England and sixteen years ago the movement was introduced into the United States. It caught the imagination of the forward looking men and women and appealed to the ambitious boy. Today around one million boys are enrolled in scout troops. Texas has in the neighborhood of 20,000 scouts. Texas ranks ninth in the union in membership. This is good but there are enough boys out of the scout movement who should be in to make Texas lead the nation in membership. Let very scout select a boy who would make a good scout and introduce him to the troop. Help him to be a good scout and in doing so you will be a better scout yourself. There are eight million boys in the United States of Scout age who are not members. Clarendon has a few but suppose we set out to enroll every boy in this district. We can lead the nation if we will try.

The Scout law provides that the scout must be trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, brave, clean and reverent. Every boy who lives up to such a standard will be a better boy and his community will benefit from having such a fine life in its midst.

Scout law teaches boys the elements of real manhood, makes them more self reliant, gives them clearer ideas of how to live a healthier happier life. It also provides a useful way to spend leisure hours. Any organization that seeks to do the above things for boys deserves the unstinted co-operation of a town or community. If it costs money—it is a good investment.

Speaking of leadership and how to enjoy leisure this department aims to keep constantly before the scouts and boys of Scout age the best literature and reading program. A boy can be a good scout and not read much but he can be a more intelligent scout and accomplish a little more if he will read literature that appeals to the best ambitions of his life. The following books will fill any evening. Buy one for your next month's spar. hours. Haworth, Trail Makers of the Northwest. Altzinger, The Horsemen of the Plains. Eastman, Indian Heroes and the Great Chieftains. Wyss, Swiss Family Robinson. Wallace, Gr. t a plenty. Twain, Huckleberry Finn. Seton, Biography of a Grizzly. Ernest, What Shall I Be. Eaton, Boy Scouts at Crater Lake. Borgess, Boy Scouts of Woodcraft Camp. Quirk, Boy Scouts of the Black Eagle Patrol.

Note: I shall be glad to order any of the above books for Boy Scouts with the permission of the Scout master, at cost.

THOU SHALT LOVE THE LORD thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself. This do and thou shalt live.—Luke 10: 27-28.

THE WOLF ALSO shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them.—Isaiah 11:6.

INTERESTING LETTER COMES FROM STUDENT AT S. M. U.

The following letter was written the latter part of last week by Leigh Bones of this city, student in S. M. U., for the past three years and now a candidate for his Master's degree at the close of this term. This is the first direct information that has come from any of the boys that were in the fire and we feel that our readers will be interested to know the full details of the conflagration at Dallas. The letter follows:

Dallas, Texas February 13, 1926.

Dear Folk: This being Saturday night and having arranged my left-overs from the fire, I shall attempt to account for myself to the best of my ability.

My present location is at 3500 Roberts Avenue, Dallas, Texas. If you should mail a letter to me that would arrive either Saturday or Sunday, send it to this address for we do not get mail at the University Saturday afternoon or Sunday. I am with my fellow sufferer, William Craig, and we have paid the rent on this room for a month. It is located one block from the campus, so we are not so bad off after all. The room is large and nice.

What did I lose? A lot of things that I know of and a lot that I keep learning about. For instance, since beginning this letter, I find that I have lost an eraser with which I was at one time wont to cover my mistakes. Now I can't, so I have decided that I don't want to. Lost the two honors, a lot of pictures suit case, stationary, raincoat, umbrella, a lot of valuable notes and papers, my shaving apparatus, save the mug and brush, electric iron, light fixtures that I had paid a goodly sum for, towels, electric fan, kodak, a lot of ink of various sorts, all I had in the way of New Testaments or Bibles, everything on the walls, about everything on the dresser and a lot in it, all my shoes save an old pair that I had on, tennis trousers, tennis balls, pencil sharpener, hat to be worn in the summer, a fresh supply of toilet, laundry, and shaving soap that I had bought for our use some time ago that I can't exactly figure up, some hose, a shirt, all the suit hangers, bookcase a lot of pamphlets and bibliographies, especially the one relating to my thesis, pliers, receipts, discharge from the Army, financial data, and a lot of hres and theres that I would hate to have to replace on short notice. In fact about all I got out was books, some writing materials, two suits, an overcoat, bathrobe, and a dresser drawer full of this and that. Have one complete change of clothes with the exception of shoes, so I guess that I will make out for the rest of term in some manner. All our bedding was saved.

I have bought the things that I will need for the present and will get others as we have to have them. Some of the things can never be replaced by the means of money, but I was fortunate as very few of the boys saved more than I. A lot of them had nothing save what they didn't have that for they were out in track suits when the fire broke out and they couldn't even save underclothing. Had we been one mile from the fire we wouldn't have saved a thing. Some returned from town to find that they had nothing but a heap of ashes to cry in. However I saw no one doing that, but it was a serious business. The buildings burned like straw piles, and the wind was blowing a young gale. The fire started on the south of the group of three boys dormitories and in less than an hour they and one of the fire trucks were in ruins, with almost nothing saved.

Several fire companies were on the grounds but the fire was so fast that nothing could be done. They are all lightly built and we have been wondering how they have escaped fire so long. I have been uneasy all the time and it is no surprise that it came. All the other buildings on the campus are fire proof.

People took care of the boys at once and a lot of clothing was sent out the next morning by various parties and most of the boys have clothes sufficient to wear for a while. All or nearly all have gotten rooms in which to stay. Cecil Peoples P. W. Walker and P. K. Yu lost all they had. The two blind boys lost all. The Osborne boys lost heavily and didn't have a change. They bought over a hundred dollars worth of stuff to-day and still don't have all they need. Craig and I were together through all of it and we saw about the same things. Several of the boys were sick in the infirmary and had only time to get out. A lot of the boys had to jump from windows and a few were blistered and burned about the head and face. One boy had both ears burned.

My school work has not been interfered with seriously so next week I shall get down to business again and let the future take care of itself or go neglected. My throat will not be well for a few days yet, but I am beginning to feel better all the time. Have been able to eat and be about my classes, and my work in the kitchen since last Wednesday. The eating is slow, but I eat quite a variety of stuff, and have since the day following the operation. Have had no trouble at all with it and it is getting along as well as it is possible for a throat to get along.

Let me hear all the news, if you have not already written it. Yours, Leigh.

TRUST IN THE LORD with all thine heart; and lean unto thine own understanding.—Proverbs 3:6.

Zero - Water

Not temperature, but grains of hardness. Our new water softener does the work and assures you of whiter clothes than ever before.

PIES AND PASTRY OUR SPECIALTY Saturday is our Chicken Dinner day.

TAKE NO THOUGHT saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? But seek ye first the Kingdom of God, and His righteousness; and all these things shall be added unto you.—Matthew 6:31-33.

A NEW COMMANDMENT I give unto you, That ye love one another. By this shall all men know that ye are my disciples, if ye have love one to another.—John 13:34-35.

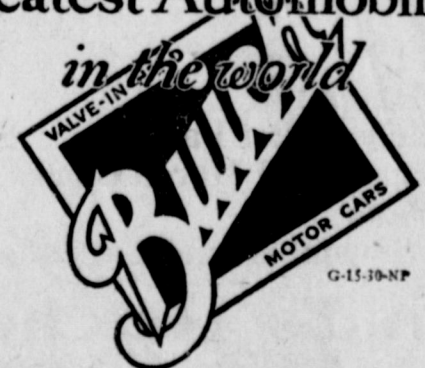

I AM THE WAY, THE TRUTH, AND THE LIFE.—John 14:6. He that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile.—I Peter 3:10.

HOW EXCELLENT is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings. They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures.—Psalm 36:7, 8.

At Present Prices

THE BETTER BUICK

is the Greatest Automobile Value

No other car offers so much of quality and luxury, such fine performance, such durability and such distinction, at any comparable cost.

Comparison will convince you. You will find Better Buick 4-door and 2-door Sedans, on the finer Buick chassis, with Fisher-built bodies, offered at prices asked elsewhere for coaches.

You will find, as standard equipment, the finest braking system ever designed for a motor car—Buick mechanical 4-wheel brakes.

You will find easier starting, easier clutch action, easier steering and the most economical engine on earth. The most dependable, as well—the famous Buick Valve-in-Head.

You will find Controllable Beam Headlights, exclusive with Buick, which make night driving a pleasure. And the "Sealed Chassis" and "Triple Sealed Engine," two more exclusive Buick features, which protect performance and reduce operating costs.

You will find a finer motor car for a very moderate amount of money when you examine the Better Buick. We urge you to do it today. Your next car should be a Buick!

Pathfinder Club Meets  
at Mrs. M. M. Nobles

The Pathfinder Club met on Friday afternoon at the home of Mrs. M. M. Nobles with Mrs. Nobles and Mrs. J. Ralph Porter as hostesses. Miss Sara Thompson conducted a very interesting program on the plays of Katherine Mansfield. The club Librarian, Mrs. C. A. Burton gave a thorough report on the condition of the library and the new books to be ordered. A delicious plate lunch was served to about twenty-five guests and members by

the hostesses.

Miss Mary Jo Chamberlain  
Honored by Birthday Dinner

On Tuesday evening Miss Mary Jo Chamberlain was honored by a birthday dinner given by her mother. An excellent lunch was served to the delighted honoree and the guests. Those present were; Betty Weatherly, Geraldine Kelly, Edna Butler, Lillian Murphy, Lelia Mae Kerbow and Willie Mae Stewart.

## LENT BEGAN WITH ASH WEDNESDAY

Ash Wednesday, February 17, this year, began the Lenten season which embraces forty days, not including Sundays, before Easter. The period of forty days was adopted in commemoration of the fasting of Christ, but the length has varied at different times and places.

There has been much controversy over the date of Easter Day which has never been a fixed one. It was finally decided that Easter should always be the first Sunday after the full moon which appears about March 21. When Easter Day is determined, the date of Ash Wednesday may be found by counting back forty days, not including Sundays.

The Lenten season is one of prayer, fasting, and alms-giving, to commemorate the suffering of the death of Christ. The fasting of Lent is now more nominal than real. The primary idea of this season is penitence. The fasting idea is merely incidental.

The Catholic, Episcopal, and Lutheran churches observe Lent with special prayer services. Their members will obtain from certain pleasure and will devote a great deal of their time to charity work.

## DENVER ROAD ANNOUNCES TWO RATE REDUCTIONS

For events that will take place in towns away from this city, the Denver road makes announcement of cut rates for a time preceding and after the events have taken place. The first that will come to the attention of the purchaser will be that of the Amarillo Livestock Exposition that will be held in Amarillo the latter part of this month. Tickets will be sold from February 27 to March 3 inclusive and may be purchased for one and one-half fare, or \$3.15. The return date on these tickets will be March 10. The other of the events that will be of more interest to the purchasers of the city will be that of the Fat Stock Show in Fort Worth in the early part of March. Tickets will be on sale for this event from March 5 to March 12, inclusive, with a return date limit of March 15. The rate for this trip will be much better than for the other, and will amount to \$12.05 for the round trip rate.

Mrs. Leo Erady of Amarillo and her mother, Mrs. L. Solomon of Melrose, N. M., visited here Sunday a week ago with Mr. and Mrs. R. I. McGowan. Sunday afternoon Mr. and Mrs. McGowan and little daughter returned to Amarillo with their guests and spent the night there returning here Monday morning.

Aluminum, the new shade of grey hosiery. Ethel Rutherford's Shoppe.

## POLITICAL CALENDAR

### WHICH ASPIRING OFFICE SEEKERS SHOULD CUT OUT AND PAST IN THEIR SOMBREROS

Following is a political calendar for the present election year, tracing each step of the selection by probably over 1,000,000 qualified voters of Texas' officers for the two years ensuing:

June 7. Last day for filing by candidates for state offices of applications for place on the ballot. Candidates file applications with chairman of state executive committees.

June 14. State executive committees meet and certify names of candidates for nomination to county clerks.

June 19. Last day in which candidates for county or precinct office may file applications with county chairman, and pay their assessment and election cost.

June 21. County executive committees meet at county seat and determine by lot order in which names each office shall appear on the ballot.

July 12. Primary committee of each county executive committee and chairman, shall meet and make up ballot in accordance with the list prepared June 21.

July 24. Primary election day.

July 29. Last day for election officers to make returns.

July 21. County conventions to certify returns and elect delegates to state conventions. One delegate for each 300 voters. Delegates, also to be elected to district conventions.

August 9. State executive committee shall meet and canvass the returns for all state offices and announce nominees. In cases where no nominees are secured, names of two highest in each race shall be certified for the ballot of the August primary.

August 24. Second primary.

August 29. Last day for returns by election officers.

August 30. State executive committee shall meet and certify nominees of second primary.

September 7. State convention shall be held to declare the nominees for state offices, and to certify nominees to secretary of state. Date of convention is: "Tuesday after the second Monday after the fourth Saturday in August."

November 2. General election.

November 8. County Commissioners shall open returns and declare results and certify to secretary of state.

December 13. Secretary of state

shall count returns and the governor shall deliver certificates of election to persons receiving the highest number of votes. This applies to all elections except governors and lieutenant governor. For these offices the secretary of state hands the returns over to the house of representatives, which canvasses the returns and declares the results.

Mr. and Mrs. John Ryan and baby left the fore part of this week for Amarillo, where they will make their future home. John will be the manager of the Amarillo branch of Ryan Brothers Loan and Insurance office.

Jack Craig of Okla. Oklahoma arrived in Clarendon the fore part of this week to take over the management of the Wm. Cameron & Co., Lumber yard in this city. Mrs. Craig and the remainder of his family are expected to be here the latter part of this week.

### LOCAL HAPPENINGS

Mrs. Clarence Miller visited in Quannah last week.

Mr. and Mrs. Ira Merchant were in Tulla the last of last week.

Rev. J. H. Hamblen returned from Abilene Thursday night.

Miss Enoree Hodges spent Sunday in Memphis with friends.

Miss Lelia Burrell of Amarillo spent the week end with her mother, Mrs. Burrell.

Miss Ruby Lee Robertson of Sanger is visiting her sister, Mrs. Hugh Lusk, here this week.

W. B. Haile was in P. handle on business relative to his property in Hutchinson county.

Mr. and Mrs. M. E. Cox of P. handle were in town last week visiting relatives.

Mr. and Mrs. Rayburn Smith announce the birth of a boy Friday morning.

Mr. and Mrs. Chas. Hodges of Hereford spent Sunday in this city visiting their son Leroy in the College.

Will Scott of the city of Los Angeles, California was a visitor the fore part of this week in the home of Mrs. Mollie Hodges.

Mr. and Mrs. O. C. Hartzog and daughters spent last Sunday in Amarillo visiting in the home of their daughter in that city.

C. W. Bennett left Sunday for Fort Worth where he will attend a meeting of the Parina Dealers of this district. He will return the latter part of this week.

Office supplies at the News office.

Mr. and Mrs. D. A. Davis of the city of Mobeetie were visitors in Clarendon over Sunday with Miss Opal and Mr. Marvin.

R. E. Mann, formerly of this city, but lately of Plainview, was in Clarendon the latter part of last week attending to business matters.

Miss Julia Gammon was operated on for appendicitis last week. She is doing well as could be expected at present.

Mrs. Homer Ellis returned Sunday from Littlefield where she has been visiting her mother who is quite ill. At the last report she was much better.

Martin Whitehurst of Hedley spent Sunday in this city visiting with friends. He was accompanied by Mr. and Mrs. Hafry Whitehurst of Shamrock.

Jerome Price received a letter the fore part of this week from his sister in New York and states that he is the proud owner of a new brother-in-law. He said that they had no winter up there and that they were having a great time.

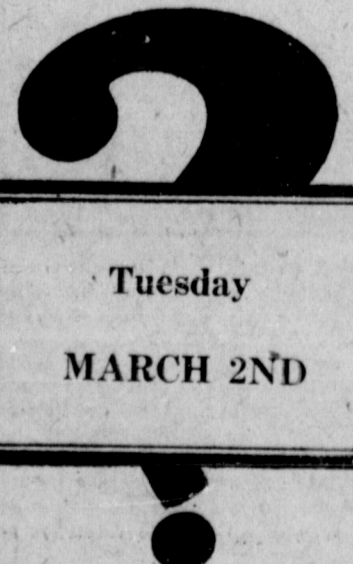

#### WHAT SHOULD BE SPENT FOR ADVERTISING?

The ten best retail advertising men in the country give the following figures as the proper amount of gross business to be set aside for Advertising:

- Department stores 31-2 per cent.
- Women's specialty Shops 51-2 per cent.
- Millinery stores, 4 per cent.
- Shoe stores, 4 per cent.
- Music stores, 51-2 per cent.
- Furniture stores 51-2 per cent.
- Electrical stores, 6 per cent.
- Men's clothing and furnishing stores, 5 per cent.
- Miscellaneous, 4 per cent.

PHONE 264

Chicago, Ill., Feb. 15.—It requires a total of 67 varieties of meat concocted into 115 different dishes to

Tuesday

MARCH 2ND

WATSON & ANTROBUS

CLARENDON, TEXAS

meet the appetite demands of a fastidious traveling public. These and other interesting facts were revealed by an extensive survey of dining-car services just completed by the National Live Stock and Meat Board. The survey embraced 45 leading railroads of the United States and Canada. It was conducted to obtain data relative to consumers' demand for meat and meat products, according to the Board statement.

While a recent national study of meat consumption in the home, conducted by the U. S. Department of Agriculture, showed a preference for beef, the Board's survey of dining-cars indicated that the traveler relies more generally on the old stand-by "ham and..." The figures showed that every one of the forty-five roads serve ham. Of the pork items, bacon comes next to ham.

In the beef division, the roast is apparently the most in favor. It is served on 84 per cent of the roads, which is a larger number than for any other beef dish. Sirloin steak is a close second however, being offered by approximately 82 per cent of the roads listed.

As for the lamb dishes, chops head the list. Eighty-two per cent of the roads were shown as serving lamb chops. Roast lamb also was quite popular. Fifty-seven per cent of the roads serve it.

That there is wide variety in meats on the dining-cars of the country is indicated by the dishes shown in the Board's survey such as ox joints, veal kidneys, calf's brains, rump steak, pig's feet, lamb

pie, liver and bacon, frankfurters, head cheese, bologna, and meat loaf. In commenting on the survey, R. C. Pollock, General Manager of the Board, pointed out that the Board found more meat and meat products served on dining-cars than any other one food.

"This fact appears to explode the theory of food faddists and vegetarians that the sedentary worker is turning away from meat," said Mr. Pollock. "The only explanation for the larger variety of meats served is that the public demands it; and the public which patronizes the diners is largely made up of sedentary workers."

Chicago, Ill., Feb. 15.—University scholarships are the goal of high school girls who will compete in the Third National Meat Story Contest, now getting under way throughout the United States. Headquarters of the National Live Stock and Meat Board has sent out formal announcement of the contest's opening to high school home economics instructors in every state. The contest is conducted annually as an aid to class-room study of meat, according to information obtained from the Board. Dr. Louise Stanley, chief of the Bureau of Home Economics, U. S. Department of Agriculture, and other authorities in this field, have co-operated in making the project a success in the past, it said.

High-school girls who competed in the contest are required to write a story on some phase of the meat subject which is to their liking. The story must not exceed 1,500 words. With this story a contestant also must submit three meat recipes which she has tested.

The plan as made public by the Board provides for prizes, totaling \$2,140. A portion of this amount will be in cash awards, but it is pointed out that the scholarships constitute the major prizes. Awarding of prizes has been arranged so that girls in every state will share in them, it was said.

"Approximately 30,000 girls, representing every state, have competed in the past," said R. C. Pollock, general manager of the National Live Stock and Meat Board. "A large number of instructors believe that the contest is a splendid idea and have urged that it be continued year after year. This wide-spread interest prompted the plans for the third contest. April 15 has been set as the closing date."

### HOMES SHOULD HAVE MORE GAS OUTLETS

Special attention to the basement, the kitchen and the subject of adequate house insulation is recommended by the American Gas Association, to architects and particularly to the man who is planning to build his own home next spring.

"The whole secret of home comfort," says an association bulletin, "is that of planning installation and piping of gas equipment well in advance. This obviates the necessity of tearing out walls and flooring after the house is up."

"With the many new purposes to which gas is being applied in the home today, such as incineration, water heating, refrigeration and house heating, the wise home builder will provide for as many gas outlets as he thinks he will need."

### TO REGULATE MOTORIZED INTERSTATE CARRIERS

A bill designated to regulate motor vehicles engaged in interstate commerce as common carriers has been introduced in the U. S. Senate by Senator Cummins, of Iowa, who is a member of the Senate Committee on Interstate Commerce.

The measure which is known as S. 1734, was drawn by a committee from the National Association of Railroad and Utilities Commissioners. It is approved in the main by the steam and electric railways and the bus division of the American automobile association.

The bill is the direct outcome of recent decisions by the U. S. Supreme Court, and, broadly, would give State boards the same general control over interstate carriers as they now have over carriers engaged in interstate commerce. It will provide for regulation of motor vehicles by state commissions through power delegated by Congress.

No motor vehicle now engaged in interstate commerce would be deprived by the bill of its right to operate, but all operators would be compelled to make application, within ninety days of the bill's enactment, for certificates of convenience and necessity. Certificates would then be granted or denied as the regulatory authority saw fit.

### Man Sleeps Like Log, Eats Anything

"After taking Adlerika I can eat anything and sleep like a log. I had gas on the stomach and couldn't keep food down nor sleep," (signed) R. C. Miller. ONE spoonful Adlerika removes GAS and often brings surprising relief to the stomach. Often brings out old waste-matter you never thought was in your system. Excellent for chronic constipation. Douglas-Goldston Drug Co.

### TELEPHONE'S TOLL LIST BOOSTS STORE'S SALES

A department store in Kansas has adopted a unique, highly practical method to keep in touch with their out-of-town customers, says the Texas Public Service Information Bureau.

Following an investigation, the store management discovered that not a single toll telephone charge was over thirty cents for towns within a radius of fifty miles, and that many were much lower. Accordingly, the store, in its advertising, has been printing a list of the neighboring towns and the toll charges from each, and has been stressing the advantage of doing business by telephone. As a result, not only have telephone orders increased remarkably, but the mail business is also steadily growing, for many customers who ordered first by telephone in an emergency, have continued to buy through the mails when time was not a factor.

### CARD OF THANKS

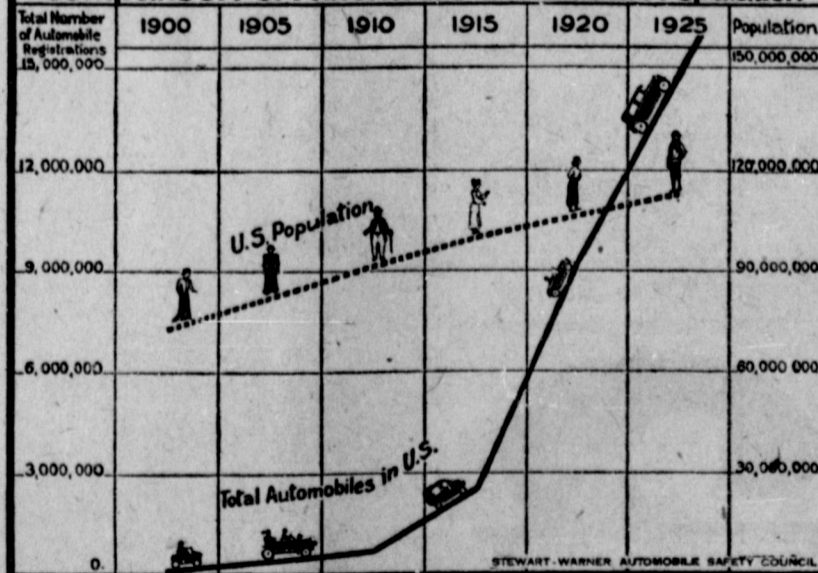

In this dark hour of our grief, we cannot but pause to express our deep thanks and appreciation of the many neighbors and friends who ministered so faithfully and lovingly in the last illness and death of our dear husband and father, J. C. Wood. To those ad the good doctor, so loyal in the long hours of suffering and to those who remembered us so tenderly in the floral offerings, we say "thank you" and breathe a prayer for your happiness and good fortune. May God bless you all.

Mrs. J. C. Wood and children.

THOU ART MY LAMP, O Lord: and the Lord will lighten my darkness. For by thee I have run through a troop: by my God have I leaped over a wall.—2 Samuel 22:29-30.

### Auto Hosts One-Sixth as Great as U. S. Population

#### Comparison of Automobile and Human Population

IT'S a far cry from the full skirts, wasp waists and leg o' mutton sleeves of twenty-five years ago, but we have traveled also a long way from the two-cylinder gas wagon of 1900 to the high-powered motors speeding over our highways today, declares the Stewart-Warner Safety Council.

A quarter of a century ago there was one automobile for every 9,500 people in the United States. Ten years ago there was one automobile for every 38 people, while today the motor population is one-sixth as large as the human population, or one car to every six people. This rapid growth has put the automobile as foremost among American industries, but it has also produced a fearful menace to the public, points out the Safety Council which has for its purpose the prevention of automobile accidents. A vigorous campaign of public education must be pushed if annual rate of automobile fatalities is to be reduced from 22,000.

### COFFEE HOUSE CHANGES TO PANHANDLE CAFE

Under the new management, the Coffee House on Main Street has been changed to the Panhandle Cafe. Messrs E. D. Usery and J. M. Stephens of Clarendon, who bought the Coffee House from Mrs. Ed Hill and Mr. Barnett have taken charge and are making a number of improvements. More tables will be installed and a large waiting force taken on in order to accommodate the customers.—Panhandle Herald.

### CLARENDON FOLK ATTEND CHILDRESS THEATER

Manager Homer Mulkey of this city and Frank White, motored to Childress Monday evening of this week to attend the opening of the new Palace Theater in that city. They were joined in Memphis by the owners of the two theaters in that city and made quite a merry party as they helped to open the new place of business. Manager Mulkey stated to a member of the News force that the Palace was one of the nicest little places of business in west Texas and that the city of Childress should certainly be proud of such an institution in their midst.

### How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

### SOCIETY NOTES

#### Surprise Birthday Dinner For Secretary A. T. Holcomb

Honoring the twenty-ninth birthday of her husband A. T. Holcomb, secretary of the Clarendon Chamber of Commerce, Mrs. Holcomb arranged a surprise dinner and forty-two party at her home Tuesday evening of this week. The old and new directors of the chamber of commerce were invited with their wives, together with a few friends of the family.

The Valentine idea was carried out in the decorations and favors and a most enjoyable time was had from the surprise entrance into the home until the last "goodnight" was said. A most delicious buffet dinner was served and four tables of progressive forty-two enlivened the activities of the evening. Just before the party broke up, O. C. Watson, representing the members of the board, in a very happy speech presented Secretary Holcomb with a little token of regard and remembrance of the day. Mr. Holcomb made suitable response and received the congratulations of the guests, who wished him many happy returns of the day.

Those present were: Messrs. and Mesdames J. T. Patman, C. C.

Powell, H. Mulkey, W. C. Stewart, S. M. Braswell, A. A. Mayes, O. C. Watson, Mrs. G. B. Bagby and Miss Wood.

#### Mrs. G. B. Bagby Entertains Needle Club Thursday

The Thursday Needle Club met with Mrs. G. B. Bagby last Thursday afternoon. After a most enjoyable social hour an excellent plate lunch was served to the members and guests.

#### Miss Hazel Bourland Entertains with Valentines

Miss Hazel Bourland entertained a number of the younger set Friday evening with a valentine party. The first part of the evening was spent most enjoyably in playing forty-two. The couple who made the highest score presented the prize, a beautiful heart shaped box of chocolates to the guests of honor. The remainder of the evening was spent in playing various games. At a late hour delicious refreshments were served to the following:

Misses Frances Noel, Dorothy Cousins, Verma Latson, Susie Lee Cooper, Lois Alexander, Edith Speed, Florence Fink and Hazel Bourland and Messrs Meade Halle, Virgil Merchant, Alfred Estlack, Houston Bell, William Wilder, Jack and Joe Bourland and J. L. Bain.

Office supplies at News Office.

### HIGH SCHOOL NOTES

Thursday's chapel period was devoted to the singing of patriotic songs. Friday morning during chapel period Rev. Hamblen of the Methodist church, using the text, "Shun all Appearance of Evil and Cling to that Which is Good." He spoke of the evil influence of the wrong kind of leadership and evil companionship. He advised us to fill life so full of good things that there will be no room for evil.

The High School basketball girls and boys played a double header in Panhandle last Friday. The game was peppy and interesting. Our girls won by 28 to 23 but the boys lost by 10 to 13. After the game the Panhandle girls served the teams hot soup in the Home Economic room. It was real good and seemed to hit the spot.

The fifth period Friday afternoon was devoted to the Literary Society. We had a Washington-Lincoln program besides musical numbers by the girls' chorus.

During the chapel period Monday morning, we sang sacred songs. After the game with Goodnight the basketball boys were seen in the barber shops getting shaves as they won the game 13-10.

The work on the contest subjects began Monday. Each pupil enters the type of work for which he

seems most talented. Contestants are training in debate declamation, essay writing spelling extemporaneous speaking, tennis, volleyball and various phrases of track work.

The South Ward Parent-Teachers' Association received over \$60 at the gymnasium. Forty-two was the entertainment of the evening. The High School band and chorus furnished music.

The work on the annual is progressing rapidly. Part of the printing is now in the hands of the printer and the second installment is to be sent this week.

Friday was hike day for the scouts. They went out to the river and took their supper, after which they told stories and each patrol performed some stunt. A number of the High School boys are scouts.

Monday night there was a regular meeting of the H-Y at the High School building. There was a smaller attendance than usual due to the fact that several members had not returned from the H-Y conference at Austin.

#### CITATION BY PUBLICATION

THE STATE OF TEXAS  
To the Sheriff or any Constable of Donley County, Greeting:

YOU ARE HEREBY COMMANDED to summon unknown heirs of Helen R. Tabor, deceased, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof,

in some newspaper published in your County, if there be a newspaper published therein, but if not then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Donley County, to be holden at the Court House thereof, in Clarendon, on the Fourth Monday in March A. D. 1926, the same being the 22nd day of March A. D. 1926, then and there to answer a petition filed in said Court on the 17th day of February A. D. 1926, in a suit, numbered on the docket of said Court as No. 1478, wherein G. E. Allen, is Plaintiff, and unknown heirs of Helen R. Tabor, deceased are Defendants, and said petition alleging that at some date unknown to the plaintiff between May 16th, 1903, and January 20th, 1914, Helen R. Tabor, a widow, by her deed of general warranty conveyed Lot No. 5 in Block No. 40 of the original town of Clarendon, in Donley County, Texas, according to the recorded map or plat thereof to W. I. Lane and Bessie Lane; that such deed was never recorded in the dead Records of Donley County, Texas, by the said W. I. Lane and that such deed is now lost and cannot be found by this plaintiff; that on January 20th, 1914, W. I. Lane, and his wife, Bessie Lane, deeded said Lot No. 5, in Block No. 40 to the plaintiff G. E. Allen; that the plaintiff G. E. Allen has continuously been in the possession of said lot since the date last mentioned above and has used and occupied the same as his home since said date.

Plaintiff alleges that the failure to record said deed from Helen R. Tabor to W. I. Lane constitutes a

### OUR SEC. SAYS

The announcements sent out last week as to the meeting of the farmers who were interested in getting young gilts for their farms; seems to have failed in its purpose for the present time at least. To date there are about fifteen who have come in and spoken for a gilt. It seems that there is a misunderstanding about the manner of securing the hogs for the farmers of the county. As far as the chamber of commerce is concerned, they are only helping to place the order and to aid in seeing that the best grade of stock possible for the price paid, is secured. The farmer who does not have the ready cash may see his banker and make the necessary arrangements for the money. An advance of money is expected which is the case in any other business transaction. The very best stock available at regular meat prices is bought by the Ft. Worth Stock Yards Company and shipped to the farmers here, vaccinated and in a disinfected car, there being no chance for a diseased hog to enter the Panhandle. A hog can be bought at Sioux City Iowa, vaccinated, dipped, and shipped to Clarendon for almost as much as a young gilt would cost here in the county at the prevailing meat prices in Texas.

At least one-fourth of the farmers of Donley County do not have any hogs of any description on their farms and it seems that at least two carloads of seventy gilts each ought to be bought and placed in this county but if something is not done soon it will be too late to bring them in this spring for any young pigs by March.

All farmers who have nice gilts which they should like to place here in the county ought to see the secretary so in case there is not a full carload of hogs spoken for, then those who have gilts in the county may dispose of their surplus at an advantage to their neighbors in the county. The secretary would, however, like to go ahead and help the farmers get up at least one carload of good gilts as the present supply in Donley County cannot begin to satisfy the need.

In an effort to improve school attendance in Spokane, Wash., 43 principals of schools are taking a special course in child-accounting methods conducted by the city superintendent of schools, following the introduction of a new system of child accounting in the public schools of the city. College extension credits of the State College of Washington will be given to those who complete the course.

Mr. and Mrs. R. I. McGowan and little daughter spent Sunday in Windy Valley with Mr. McGowan's brother.

cloud upon his title to said lot and makes what is known as a hiatus in the record title to said lot.

Plaintiff also pleads the three, five and ten year statutes of limitations, and asks that the Unknown Heirs of Helen R. Tabor, whom he alleges is now deceased, be cited to appear and answer this petition and asks that on a final hearing hereof he have judgment removing the cloud cast upon his record title to said Lot No. 5 in Block No. 40 by said hiatus and asks for relief, general and special, legal and equitable, such as he may be found to be entitled to, either at law or in equity. Herein Full Not. and have before said Court at its aforesaid next regular term this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and Seal of said Court, at office in Clarendon, Texas, this 17th day of February, A. D. 1926.

F. G. WHITE, Clerk,  
District Court, Donley County, Texas.

## CITY WINS IN FIRST ROUND

COURT FIGHT ON PHONE RATE STARTED HERE LAST THURSDAY.

The citizens of the city of Clarendon have won the first round in the telephone rate case in the District Court of Donley County. On last Thursday, Judge Templeton, acting for the District Court in vacation called the court to order and made ready for the preliminary trial to be held here.

The attorneys for the defendant, Messrs A. T. Cole and E. A. Simpson, presented their side of the matter in a motion to dissolve the temporary injunction granted the city the early part of this month. Attorney W. T. Link for the plaintiff made the reply to the motion and the motion for dissolution was overruled by the judge of the court. Immediately after the motion was overruled, an appeal was filed by the defendant in the case and the case will be carried to the Court of Civil Appeal in Amarillo.

The case will be tried in the Court of Civil Appeals in Amarillo on either March 16th or 17th.

## How Could We Do Without Modern Communication

It has been only since the telephone became generally employed that what we know as modern business and modern conveniences have become general.

Within the past forty years the people of the United States have come to use the telephone for neighborhood and for distance communications to an extent that no other people understand.

And the standard of living in this country is correspondingly higher, and comforts and conveniences are greater here because of this and other public utility services.

The telephone service is an essential public service and as such it is operated at the lowest possible cost to users.

This industry seeks greater efficiency and fuller cooperation with the people it serves. To that end it wants the people of every community to become fully acquainted with how it works, its objects in community builders and in individual service.

Mr. and Mrs. J. H. Goldston and

## Wanta Indian Feast Of The Red-Corn Coming Soon At PASTIME

The annual feast of 'The Red Corn', a prominent festival of the Wanta Indians will be staged by these Indian artists Friday evening the 26th. This feast-dance is rendered especially effective and interesting by the gorgeous costumes and wild grace of the various participants and all are assured of an evening of rare entertainment. The public is asked to watch the columns of the local paper for other announcements. Don't forget the date.

February 26, At The Pastime

#### BAPTIST CHURCH NOTES

The Baptist Church since Monday, Feb. 8th, has been the scene of several happy occasions. On this evening, the Junior B. Y. P. U. under the leadership of Misses Lotta Bourland and Mabel Stapp, enjoyed a Valentine Party. Decorations of hearts and cupids made the church parlors very pretty. Refreshments of cream and cake were served to twenty-eight youngsters.

On Tuesday evening, the officers and teachers of the Sunday School met in their regular monthly workers' council. Lunch was served by the Junior Department. The special topic of discussion was the music of the Sunday School. Miss Annie Bourland, who is so ably directing the music and building up this department of the school, gave an especially interesting discussion of the subject.

The Senior B. Y. P. U. came together Thursday evening for a Valentine Party. Those who attended reported the best time of many parties and declared that the special Valentine decorations had no small part in making the party a success. About thirty persons were served refreshments which carried out the Valentine idea.

The Y. W. A. observed the "week of prayer for home missions" Sunday. A three course lunch was served in the dining room of the church at the noon hour by the girls of the organization. Special guests were Mrs. W. M. Gray, Rev. Jones of Amarillo, Mr. and Mrs. W. Z. Barron and Mrs. Roscoe Stapp, the sponsor. In the afternoon the girls gave an interesting program featuring the work of Southern Baptists among the girls of Japan and the work among the negroes, Jews, deaf mutes, soldiers, sailors, foreigners, Indians and the mountaineers. The observance of this day in the "Week of Prayer" was the last point necessary to make this Y. W. A. a standard organization.

The pulpit was occupied Sunday morning and evening by Rev. Jones, pastor of the Glenwood Baptist Church, Amarillo, in the absence of Bro. Stapp.

Regular services are announced for Sunday, both morning and evening. Members are urged to be present. Visitors are invited to attend.

#### LELIA LAKE

Mrs. C. L. Lewis was hostess Wednesday to members of the Blue Bonnet Club. An enjoyable afternoon was spent. March 10th will be the next time of meeting. Having decided to meet once a month. Refreshments of sandwiches, hot chocolate and pie was served to ten members and one visitor Mr. E. L. Lewis.

Mr. and Mrs. W. R. Palmer and children of Amarillo spent Sunday with their son, W. E. Palmer and family.

Mrs. J. O. Howard left Saturday for Amarillo to visit with her sister who has sickness in her family.

G. Leathers made a business trip to Claude Tuesday.

Mrs. W. A. Tomlinson is real sick this week.

Misses Lorene and Alta Lewis spent last week end with Lome folks. Hazel Bynum visited home last week end.

Some of the High School pupils enjoyed a marshmallow toast Friday evening. They played various games and were chaperoned by Miss Ragle.

Fay Bynum left last Monday for Las Vegas, N. M.

Mrs. Tom Mayo is suffering from a severe case of tonsillitis this week.

Mr. and Mrs. D. M. Cook and children spent Sunday at Goodnight as the guests of his brother John Cook. John and Mrs. Cook are entertaining a new son.

#### CHAMBERLAIN

Another nice sand storm Saturday which reminds us Spring is not here.

Mr. and Mrs. Clarence May spent Sunday afternoon with Mr. and Mrs. Minard.

Zula Bain spent Saturday night with Vera Blackman.

Mr. and Mrs. Taylor of Groom spent Sunday in the Minard home. The many friends of Julia Gammans are glad to know she is slowly improving from her recent operation.

Mr. and Mrs. Zeno Edwards and daughters were Hedley visitors Sunday.

When it was wet, catching one fish at a time was satisfactory sport. Now some of us expect to pull up a quart. To be in something strong, insure in the companies of
