Keep sweet—don't argue politics or religion. Did you ever see anybody convinced by a lot of "rag-chewing"?

Hundreds of beautiful and attractive lawns are in process in Clarendon. The City Beautiful will be even more beautiful this season.

Fifty additional dairy cows for Donley County last week, means financial independence for several more families. Modern methods always win.

Closing exercises of our college and high school brings the crying need of a municipal auditorium more forcibly to mind. We can't get away from it.

It is doubtful if funds to cover the expenses of the Clarendon Municipal Band can be secured through any other channel than public subscription. It is worth the money to Clarendon people for our band to go to Fort Worth and compete for still further honors, and we believe our people are willing to pay the bill. Our band should be the Gold Medal Band of West Texas for the coming year. Let's back the boys.

New businesses are coming to Clarendon—and with reason. It is said by those who claim to know that Clarendon is better off financially today than many of her neighboring towns. The reason is that Donley County farmers are not depending wholly on farm products for their living, but are turning more and more to the dairy cow and the poultry yard.

In Wise County the annual income from dairy products has already reached the million dollar mark. Donley County is experiencing great growth and development in the dairying and poultry business, and with a much superior soil than Wise County, it shouldn't take many years for us to enjoy a million dollar income every year from milk, cream, chickens, etc. Wise County is wise. Donley County intelligence is alive to the lessons of the day.

Summer school bulletins and the Clarendon Municipal College catalogs for the 1928-29 term are being broadcast over the country now. Clarendon affords an ideal location for summer school work, and the second year of the Junior College promises to be beyond the fond expectations of the school board and the faculty. Clarendon's Junior College is already one of our chiefest assets, and bids fair to be one of the outstanding junior colleges of Texas.

Throckmorton, an inland village all these years, thrilled last Friday with the arrival of its first railway train, and thousands of West Texans thrilled with Throckmorton. Great events are taking place all about us and we'll have many things to tell when the evening shades of life gather.

Not many Southerners know that Decoration Day originated in the South, and that the national holiday with its sombre loftiness was first made a national order by General Logan, Commander of the Grand Army of the Republic, in 1868. According to history, Mrs. Logan had been to Richmond on a visit and while there viewed the desolation of the nearby country, with its thousands of Confederate graves, and was deeply moved by the fresh and faded decorations of flowers—a tribute from the survivors of the great civil war and its attendant ravages. Mrs. Logan vividly detailed these scenes of mute eloquence with the result that General Logan issued an order calling on the communities throughout the jurisdiction of the G. A. R., to set aside May 30th, 1868, for the purpose of visiting the cemeteries of the land and laying a tribute of flowers to those who had passed to the Great Beyond. Since that time May 30th has been annually proclaimed Decoration Day in the United States. It is a beautiful custom and is complimentary of the civilization of this nation.

### UNIVERSAL AGREEMENT

A trip to Clarendon last week revealed the fact that the business men of that city are highly in favor of voting bonds to pave Donley County. These men realize that with paving to the northwest, northeast and southwest, they are placed in a position which could very easily prove embarrassing if at a date not so very far in the future, the citizens of Donley refuse to vote bonds.

What is true of Donley county is entirely true of Collingsworth county. It appears to those who have given the matter serious consideration that the opportune time to vote the bonds is this summer. If the voting is postponed longer than this summer it may be and likely will be, that our county will be unable to secure as much aid as it will now.

The paving of our county highways has ceased to be matter of convenience—it is a business question. It is not a question of can we afford to pave but a question of can we afford not to pave? We believe this county cannot afford to vote negatively on this improvement.

Fortunately the sentiment in favor of paving in this county is growing. Every day one hears the opinion expressed that Collingsworth county will vote the road bonds when the opportunity is presented. The Standard hopes the election is called soon and that it passes well over the required two-thirds majority when the time does arrive.—Collingsworth Standard.

### JERICO FARMER HEADS HERD WITH FINE ANIMAL

One of the best indications of awakening interest in the dairying industry in Donley County is the continued purchase of high grade thoroughbred animals for a starter for the herds of the future. The latest addition to the herds of this county was made some time past when G. A. Shoop of Jericho purchased one of the finest Guernsey Bulls in the country. This animal comes to Texas from Wisconsin, where he was raised and has taken his rightful place among the stock on the farm of Mr. Shoop. The animal is the grandson of Longwater Foremost, world champion Bull owned by J. C. Penny. Mr. Shoop is to be congratulated on this addition to his herd and the News feels that the part of the county near Jericho will be benefitted much by the incoming thoroughbred stock.

### FLOYDADA ORDERS INTERSECTION STREET MARKERS

Street markers for 119 street intersections in Floydada have been contracted for by the city council, which adopted a plan submitted by the street committee composed of Lon M. Davis and B. K. Barker, and probabilities are that delivery will be made during the month of May, as will also delivery of nine-foot two-inch black pipe on which they will be mounted. The posts will be painted with an aluminum paint and set in two feet of concrete according to the plan made. Street markers to be used will be white raised letters on a blue enameled plate 22 inches in length by four inches wide. They will be mounted on an ornamental plate attachment. If delivery of the new markers

C. E. Killough attended a meeting of the Secretaries of the Federal Land Banks in Wichita Falls last week, reporting a very excellent meeting with a fine attendance from all parts of the district covered. One point was stressed in this meeting more than any other and that was the advisability of terracing land where it is needed to prevent loss.

## Always... Buick

# a square USED CAR deal from the Buick Dealer

The Buick dealer is in business to stay. His future reputation depends upon his treating used car buyers fairly.

He wants to please used car purchasers because he knows that satisfied used car customers are prospective new Buick buyers.

The man who buys a good used car—honestly represented—at a fair price—receives splendid value in transportation.

In his enthusiasm for the car he has bought, and the value he has received, it is only natural for him to look upon the dealer as his friend.

The Buick dealer has many such friends because he represents the true condition of the used cars he offers for sale.

And that is good business—for the Buick dealer, as well as the used car buyer.

**School Activities**

Now that the school year is nearing a close, the students are busying themselves with out-door pleasures, more or less, before their parting of ways for another much earned vacation and perhaps forever as some will be entering other schools in the fall while others will launch out upon a business career, but there is no sadness in their young hearts now and happiness reigns supreme.

Following is an account of some of their activities:

Gunboat mountain proved to be a popular outing place for the students last week.

The students of the sixth grade under the care of Miss Carrie Owens and Miss Lorena Stegall enjoyed a picnic there on Wednesday afternoon with a delightful spread of good things to eat in the late afternoon.

The seventh graders also enjoyed an outing at the same place under the direction of Miss Goerner and a number of mothers.

Then on Thursday evening a group of jolly young people under the chaperonage of Mrs. B. G. Smith journeyed to Gunboat mountain and cooked their supper over a huge bon fire. This feature was greatly enjoyed.

But the most important of all was the activities of Senior Day, Friday, May 4th, which began the night before when the boys of the Junior class spent the greater part of the night placing their placards and colors throughout the administration building and campus. Naturally the Seniors were a surprised crowd, when they arrived on the scene about 8:30 Friday morning and the only legitimate thing, (to their way of thinking) a fight, ensued with the Seniors claiming themselves victor, however the Juniors tell a different story.

Immediately after the Seniors left for the Grogan Ranch, north of Jericho, for their annual picnic. At noon a most sumptuous lunch was spread and an exploring expedition followed which ended at the camp about 3:30 and the happy Seniors returned to their homes.

In the evening a number of parties were indulged in at different homes until midnight, when the festivities ceased.

The Juniors had to spend their day in the class room but shortly after being dismissed they together with the Sophomores motored to the McAdams Ranch for a picnic.

Games were indulged in and their supper was prepared over the smoldering flames of a bon fire. This lively bunch found their way home in the beautiful moonlight of early evening.

Thus another Senior Class Day passed into history.

Class night of the Eighth Grade will be observed Wednesday evening, May 16th, 8:15 o'clock with the following program:

Invocation

various playthings with which to amuse themselves during the long, lonely hours spent away from their mothers, however the hostesses proved to be real entertainers and the children soon forgot their mother and entered into the games of "Drop the Handkerchief" etc., with real enthusiasm.

Later dainty refreshments were served to the following kids: Katherine Speed, Viola Jones, Glen-erie Halsey, Ruth Nichols, Addie Mae Owens, Lucille Andis, Willie Vineyard, Mary Lowe, Margaret Jones, Edith Pierce, and Ouita and Lena Towles.

MRS. BOYKIN PRESENTS LOUIS WILDER IN RECITAL

Mrs. G. L. Boykin announces the presentation of one of her students in recital in the Methodist Church on next Wednesday evening.

The young man to be thus presented to the public is Louis Wilder, violin student of some two years time. Master Louis will be assisted in the program by Mrs. Rolle Brumley, Soprano and the Carl Venth Quintette, composed of Mmes. Boykin and Loyd Stallings and Misses Verna Latson, Ruth Haning and Fray Stallings.

The following program has been arranged:

Redowa de Wallenstein, Dancela. Serenade, Haydn; The Mill; La Sevillana, Yradier; Carl Venth Quintette.

Ave Maria, Bach-Gounod; Minuet in G, Beethoven.

Felice, Lieurance; My Lover, He Comes on the Skye, Clough-Leigh-ter; Fiddle and I (Violin Obligato) Mrs. Rolle Brumley, McDowell; To a Wild Rose, McDowell; Slumber Song, Weitzel.

The public is cordially invited to this premier appearance of the young man and the Methodist Church will be opened for the appearance in plenty of time to allow for seats before the opening of the program.

CLARENDON GIRL DESIGNS DRESS FOR CLUB WOMEN

Miss Mary Hazel Hurn was honored the past week at the meeting of the Seventh District Federation of Women's Clubs when she was asked to model a dress before that organization.

Mrs. Collins, President of the Association called on Miss Hurn as a member of the Home Economic Club of Texas Technological College of Lubbock. Miss Hurn is the daughter of Mr. and Mrs. J. H. Hurn of this city and she is to be highly complimented on her presentation before this organization of the women of the Panhandle of Texas.

You Can't Be Well When Kidneys Act Sluggishly.

Do you find yourself running down—always tired, nervous and depressed? Are you stiff and achy, subject to nagging backache, drowsy headaches and dizzy spells? Are kidney excretions scanty, too frequent or burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected.

Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Doan's are endorsed everywhere. Ask your neighbor!

#### TWO FIRES CALL BOYS IN TWELVE HOURS TIME

Two minor fires called the boys  
 of the Clarendon Fire Department  
 from their various tasks twice in  
 the twelve hours between Tuesday  
 morning and Tuesday noon. The  
 first of these was in the Tomb  
 Motor Company and was caused  
 by a motor on the air system run-

ning with hot bearings and stick-  
 ing with the result that the motor  
 was burned out with no ill results  
 other than this. The interior of  
 the place was filled with smoke  
 and the fire boys found nothing  
 they could do when they arrived.  
 They first went to the Clarendon  
 Monument Works and were re-  
 turning to their homes when one  
 of the boys found the fire and

caused the company to turn on  
 their homeward way and investi-  
 gate. The second fire was in the  
 home of Mr. and Mrs. A. E. Benson  
 to the south of the city and was  
 caused by the flare up of an oil  
 stove. Again the boys were mis-  
 directed and lost considerable time  
 on the road. The fire was out and  
 no damage had been done when the  
 trucks reached the scene of the  
 would-be disaster.

# Buy with Confidence!

During the last ninety days more new Che-  
 vrolet cars were delivered in this community  
 than in any similar period in Chevrolet his-  
 tory—and most of these new car sales involved  
 the trade-in of the purchaser's previous car. As  
 a result, we have at this time a wide selection  
 of used cars that have been thoroughly recon-  
 ditioned—and which may be identified by  
 the red "O. K. that counts" tag. Come in  
 and make your selection while our used car

### Busy Women Spend Busy Afternoon in Quilting Work

Quilting was the pleasant diversion of the afternoon for the members of the Busy Women's Club of the Methodist Sunday School, in the basement of the church, Friday afternoon. Mrs. Accord and Mrs. Hodgins were hostesses and served a delicious plate lunch to the working party late in the afternoon. Two quilts were completed and are now ready for sale. The money from which will be used in their local relief work.

### Past Matrons and Past Patrons Preside at Meeting of Eastern Star

On Thursday evening the meeting of the order of the Eastern Star was presided over by the past Matrons and past patrons, at the invitation of the worthy Matron, Mrs. George S. Bagby. This was an unusual meeting due to the fact that the Past Matrons and Pastrons are seldom asked to preside on an initiation evening. A large crowd was present and a social hour, during which dainty refreshments were served, was enjoyed.

### Wes. Cline Business in Home Economics Club

"Child Dues" was the subject brought to the members of the Home Economics Club by Miss Elna Kees at the home of Mrs. R. E. Cline, Friday afternoon. This vital and important subject was thoroughly enjoyed by those present and no doubt will prove a great benefit to the younger generation. The most delicious refreshments were served, the outstanding dainty being a marvelous buttermilk pie which delighted even the best trained palates until enlightened on the subject by the hostess.

### Mrs. Carroll in Hostess To Evening Bridge Club

A beautiful party of last week was that of Mrs. Kate B. Carroll's at her lovely home near the outskirts of the city, when she entertained with a dinner bridge.

After a most sumptuous three course dinner served at the dining table which was attractively decorated in a yellow and white color scheme, with beautiful yellow roses forming the centerpiece, bridge was enjoyed until a late hour. Mrs. James Trent received high score favor and Mrs. L. S. Bagby consolation.

Those present included: Mrs. James Trent, Mrs. W. H. Martin, Mrs. Sella Gentry, Mrs. W. H. Cooke, Mrs. W. H. Patrick, Mrs. L. S. Bagby and Miss Mary Howren.

### Mrs. F. C. Baldwin is Honored

The artistic Letts home was a happy scene Thursday afternoon when Mrs. A. R. Letts entertained with a most enjoyable party in honor of her daughter, Mrs. F. C. Baldwin of Louisville, Ky., who is a guest of Mr. and Mrs. Letts. Bridge was the game for the afternoon and score favors were awarded to Mrs. McClelland and Mrs. Rhoads.

Later table covers were spread. An attractive color scheme of yellow and white with corresponding touches in the dainty three course luncheon was carried out.

The guest list included: Messrs. George R. Bagby, R. L. Sager, Dorr Ellis, Charles Bugbee, Odor Caraway, Kate B. Carroll, Fred Chamberlain, A. L. Chasse, W. H. Cooke, T. H. Ellis, Sella Gentry, Homer Glascoe, R. L. Jenkins, W. H. Martin, J. E. McClelland, W. C. McDonald, J. L. McHenry, W. E. Patrick, M. R. Rhoads, George Ryan, J. T. Sims, L. L. Swan, James Trent, John Fleming, F. E. McCrory, Mrs. J.

R. Letts, Philip Gentry, F. C. Baldwin of Louisville, Ky., and Miss Rose Muir of Amarillo, house guest of Mr. and Mrs. Letts.

### Forty-Two Benefit Great Success

Under the supervision of the Parent Teachers Association, Junior High School, the forty-two benefit was a great success financially as well as socially.

The candy booth and nook in which delicious punch was served were tastefully decorated in purple and gold, colors of the P. T. A. Clever tallies had been made by the pupils of the art department under the supervision of Miss Lorena Stegall.

The Junior High School orchestra furnished pleasing music during the evening hours and a pleasant time was had by all present.

### Mothers Club in Interesting Meet

Mrs. J. R. Porter was the genial hostess to the members of the Mother's Club at her home, Friday afternoon.

During the business session presided over by Mrs. J. D. Swift, the president, officers for the new year elected were as follows: Mrs. W. W. Taylor, President; Mrs. J. R. Porter, vice-president; and Mrs. Will Bromley, secretary and treasurer.

The lesson "The Value of Nature Study and the Uses of Geography" was ably presented by Mrs. H. T. Burton, Mrs. Clyde Douglas, Mrs. Eva Draffen and Mrs. W. C. McDaniel. Later a lovely salad course was served.

The next meeting will be with Mrs. George Ryan, May 18th, 3:00 o'clock.

### Friday Bridge Club Members Guests of Mrs. P. B. Gentry

On Friday afternoon, May 4th, 3:00 o'clock, Mrs. P. B. Gentry very charmingly entertained the members of the Friday afternoon bridge club and a number of invited guests at her lovely apartments on College Heights.

A number of games were played at the close of which Mrs. James H. Morris scored high and received the lovely club favor. Miss Rose Muir scored high for guests and was awarded a lovely favor. Five consolation favors were given. Later covers were laid for a tempting plate luncheon.

Those enjoying this lovely hospitality were: Mrs. Nat Perrine, Mrs. Sam Dyer, Mrs. Charles Trent, Mrs. Dorr Ellis, Mrs. Homer Ellis, Mrs. Forest Taylor, Mrs. M. L. Gentry, Mrs. Selden Bagby, Mrs. Holman Kennedy, Mrs. James H. Morris, Mrs. P. L. Chamberlain, Mrs. Ira Merchant, Mrs. Clarence Miller, Mrs. Jimmy Miller, Mrs. Don Grady, Mrs. Richard Bell, Mrs. F. C. Baldwin, Miss Mary Cooke, Miss Beulah Baird and Miss Rose Muir of Amarillo.

### ANNUAL MAY PAGEANT AT TEXAS TECH SATURDAY

The third annual May pageant of Texas Technological College will be presented on the athletic field the evening of May 12, at 8 o'clock. Approximately 600 students of the college will take

part in the affair which is under the direction of Miss Eunice Cox, expression instructor.

The pageant, which is entitled "Within Reach of the Plains People", is to be divided into three divisions: Division one, featuring men of American and Texas History who have exemplified in their lives characteristics worthy of every Tech student and every citizen of the United States; Division two, portraying every department of the four schools of the college; Division three, dealing with the seven educational products which Texas Technological College is endeavoring to inculcate in the lives of those who come under its influence.

The opening event of the pageant will be the crowning of the queen, Miss Merle Williams of Lubbock, who is to reign over the activities of the evening. She is to be attended by a Spanish Court of the 17th Century. Costumes and settings to typify the idea to be presented.

Mr. Aron G. Carter, president of the Fort Worth Star-Telegram, and former member of the board of directors of Texas Technological College, is sending out equipment for amplifying the speaking parts of the program.

Mr. and Mrs. W. H. Rodgers returned Sunday from Lubbock, where they had been for some time at the bedside of R. E. Burnett, a brother of Mrs. Rodgers. Mr. Burnett died in Lubbock Thursday of last week, the funeral services being held Friday. Mr. Burnett made his home at Rotan, and was in Lubbock for treatment at the time of his death.

Rev. and Mrs. C. B. Ingram and family returned Thursday evening of this week from an extended trip to California. They have been away from Clarendon a year and their many friends here are glad to welcome them back for a visit although they state that they may return to California to make their home.

### A SUCCESSFUL SON MAKES EVERY DAY "MOTHER'S DAY" FOR MOTHER

WHEN WE SEE—that a farmer is continually banking cream checks each week or month we know that he has found the secret of making farming pay. A good manager with a few heavy producing cows and the necessary equipment soon has money in the bank to pay off mortgages and improve his farm. Dairy farming brings returns on the smallest farm.

#### POULTRY SUCCESS STORIES

By F. W. Kazmeier, Bryan, Texas.

There is no question, but that a very bright future is ahead for the poultry raisers. Feed is discouragingly high now, but soon another crop will change that. This coming Fall and Winter we will again see very high prices for eggs. Eggs are this year going into storage at a price of about 5 cents per dozen, over that last year. These eggs are coming out of storage at an increase in price.

In Iowa, farmers have found, the little hen their best friend. The Iowa State College made a canvas of 318 flocks. Of these 103 had a net profit above feed cost of \$1000.00 or over, 24 had profits exceeding \$2000.00 while five had profits in excess of \$4000.00. Cleve Erhardt, owner of the largest flock reported, also had acquired the largest net returns. Mr. Erhardt had a gross return from all sources of \$7750.00, while the feed bill was \$1486.00 leaving more than \$6000.00 above feed cost. There were but 712 Single Comb White Leghorns in Mr. Erhardt's flock making a profit above feed cost of approximately \$8.50 per hen.

Mrs. Edward's Chickens Pay She keeps 160 hens, housed in a well constructed building. According to the daily record which is kept from January first till July first, she gathered 15,958 eggs which brought her \$443.16. She has paid \$111.40 for feed for the entire flock, leaving her \$331.76 for profit and also a fine flock of young chicks.

Mr. Langley Makes 450 Hens Pay His records show that in 1926 he got 55,012 eggs for a total value of \$1,384.70. Last year with the same number of birds, he got 58,000 eggs for a total value of \$1,691.77 or a difference of \$300.00. He keeps records, feeds well and culls closely. Such records should help indicate the wonderful possibilities in farm poultry keeping.

Mrs. Morris Makes \$4.00 Per Hen A flock of 137 hens, in two years makes a profit of over \$1200.00 for one farm woman, who in addition does all her house

work. Her record for the past two years is as follows: Average of 137 hens; total of 39,283 eggs; average of 146.6 eggs per hen; expenses \$186.45; total income \$1,492.20; total profit \$1,205.75.

#### WHAT TO SAY WHEN SHOWN A NEW BABY

A reporter for the paper has had knowledge of what he will endeavor to explain in the following for some time, but it never occurred to him to put it in print until just recently, when he discovered for himself how nicely it fills the bill. Here it is:

A certain married lady of his acquaintance said for a long time she was at a loss as to just what to say when first shown a new baby by any of her friends. She usually made the customary remarks about the young hopeful such as "what a fine baby", and "how cute", and such "lovely eyes", etc., but always felt relieved when the ordeal was over.

Finally she hit upon an idea, which she says never fails to cause the proud mother or father, or both to swell with pride. After being introduced to the new arrival, and after giving it the once over, she puts all the animation possible in the comprehensive expression—"Some Baby!"

She affirms that all parents without a single exception, take this as the greatest compliment that could be paid dear darling child. She says they seem to assume that their baby is a wonderful child in so many ways that no visitor could be expected to do it

justice, and that they are so struck with its many outstanding qualities of excellence that all the

grand things they would like to say find culmination in the two words—"Some Baby!"—Ex.

# Protect Your Investment in Your Model T Ford

THE Ford Motor Company is making a new car, but it is still proud of the Model T. It wants every owner of one of these cars to run it as long as possible at a minimum of expense.

Because of this policy and because of the investment that millions of motorists have in Model T cars, the Ford Motor Company will continue to make parts until, as Henry Ford himself says, "the last Model T is off the road."

More than eight million Model T Fords are still in active service, and many of them can be driven for two, three and five years and even longer.

So that you may get the greatest use over the longest period of time at the lowest cost, we suggest that you take your Model T Ford to the nearest Ford dealer and have him give you an estimate on the cost of any replacement parts that may be necessary.

You will find this the economical thing to do because a small expenditure may enable you to maintain or increase the value of the car and give you thousands of miles of additional service.

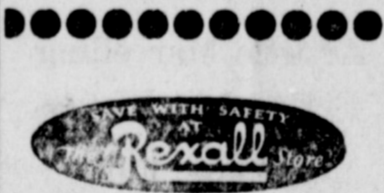

No matter where you live you can get these Ford parts at the same low prices as formerly and know they are made in the same way and of the same materials as those from which your car was originally assembled.

Labor cost is reasonable and a standard rate is charged for each operation so that you may know in advance exactly how much the complete job will cost.

**BRYAN-MILLER COMPANY**

**PIONEER RAILROAD MAN DIES AT LELIA LAKE**

One of the old time railroad men of the Fort Worth and Denver Railroad and of the Orient lines passed to his reward at his home one mile East of Lelia Lake on last Wednesday morning. Mr. Boles was one of the most respected and prominent farmers of the Lelia Lake community, having made his home in that place for the past four years. Death came suddenly due to heart disease as he had been in apparently excellent health to the time of his death. He had arisen early as was his custom, and had returned to the house from watering the chickens. Complaining from feeling tired, he sat down and died almost instantly. Assistance was summoned, but to no avail.

Mr. Boles is well known in this part of the state, having worked on the Denver road for twenty years. Later he lived at Odell, where he was a pumper for the Orient lines through that city. He moved to Lelia Lake some four years past and purchased a home about one mile east of that city and has made his home there since that time. He was born in Milam County, Texas January 27th, 1854 and was 74 years, 3 months and 5 days old at the time of his death. Besides his wife, Mr. Boles is survived by three children; Mrs. June Taylor of Lelia Lake, Mrs. J. E. Kerbow of White Deer and E. E. Boles of Happy, Texas. Two other children preceded him in death.

**MOODY MEN CONTROL PRECINCT CONVENTION**

Democrats favoring instructions for principle rather than the man were in complete control of the Clarendon precinct convention Saturday afternoon, when Chairman Tom F. Connally declared the meeting open for the election of delegates and the passage of resolutions.

The so-called Moody resolutions were adopted and all the Democrats present were named as delegates to the County convention Tuesday of this week. There was no opposition to the resolutions, but Mr. Brewer made a fiery appeal for harmony at the county convention with all Democrats prepared to get on the Al Smith band wagon which would "lead on to victory", as he expressed it. There was little enthusiasm evoked by Mr. Brewer's views. Short speeches were made by Mess. A. M. Beville, W. T. Link and Y. O. McAdams. Chairman Connally and Mr. Link engaged in a little tilt over the "good citizenship" of Gov. Al Smith, the chairman contending that Mr. Smith was not a good citizen of the United States, since he saw fit to nullify the eighteenth amendment insofar as New York state was concerned. Mr. Link argued that New York state had a better record for law enforcement and a smaller per cent of crimes than our own state, and sought to prove that that condition defended the citizenship of Smith.

Judge J. R. Porter headed the resolutions committee with Wint Bairfield and W. K. Davis.

Hon. Harwood Beville was chairman of the nominations committee with O. H. Brewer and Y. O. McAdams.

The resolutions as passed were as follows:

1. We denounce the Republican party for bribery, graft and corruption in high office, which has characterized and condemned its administration during the last eight years; for corruption in election of members of the United States senate; for its receipt of dishonorable money used in electing a president of the United States.
2. We favor a plank in the national Democratic platform to be adopted at Houston, Texas, unequivocally indorsing prohibition as written into the constitution of the United States and declaring relentless opposition to any attempt to repeal it or destroy the prohibition laws. Demanding the faithful, strict and efficient enforcement by the national government of this and all laws, including the eighteenth amendment; and advocating adequate means of enforcement. We instruct our delegates to vote for resolutions favoring such a plank.
3. We favor the state Democratic convention at Beaumont instructing the delegation at the national convention to vote as a unit at all times and upon all questions and for candidates for president and vice-president who each favor and support the foregoing plank.
4. We ask that the precinct conventions pass the foregoing resolutions and send delegates to the county conventions pledged that only those attend the state convention as delegates who will support this resolution.
5. We believe that an absolute obligation of party loyalty arises from participation in party affairs and we appeal to all Democrats to recognize this principle and remain loyal to the party and unite to sweep corruption out of the national capitol at Washington.

Funeral services were conducted from the home at Lelia Lake by Rev. J. A. Laney, Pastor of the Methodist Church in that city. From there, the body was taken in charge by the masons of Clarendon and many of the members here remember his work with pride. Interment was held in the Citizen's Cemetery.
