NOTICE—Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The News will be gladly corrected upon its being brought to the attention of the publisher.

Some people grow old gracefully; others attempt the new dances.—Life.

One of the healthy signs of Clarendon's growth is the fact that there are no unemployed carpenters in town. All are busy with work weeks ahead.

Happiness in this world, when it comes, comes incidentally. Make it the object of pursuit, and it is never attained. Follow some other object, and very possibly we may find that we have caught happiness without dreaming of it; but likely enough it is gone the moment we say to ourselves, "Here it is!"
 —Nathaniel Hawthorne.

With the accelerated building boom in Clarendon, we may look for more sidewalk building and other general improvements. While this is going on let us not forget that there is a great need for paving the highway through the city. It is pleasing to every lover of Clarendon to see the substantial improvements that are coming our way just now, and the paving of the highway would be a fitting capstone on all the other progress we are enjoying.

Next Sunday afternoon the Clarendon Municipal Band will render its first formal concert in Clarendon. The auditorium of the First Baptist Church has been secured for the concert, and no admission will be charged. Really, the band is better known abroad than at home, so the Sunday afternoon concerts are being presented with a view of serving the public and letting the people know just what sort of organization they have, at home. To many people, Sunday afternoons are the hardest periods of the week to pass, and this sort of wholesome entertainment will make our community a happier and better place in which to live. No community life is complete without a taste for good music.

It seems that there are some irregularities in the handling of the highway funds of Texas. The truth of the matter is that there are irregularities in the handling of most of the large funds of the state, so the condition in the highway department is nothing new to be alarmed over. Even with that as an accepted fact, the state is getting more for its money collected for highway purposes than ever before. Every Donley County citizen has evidence of the good points of the present system ever time he gets out on our highways. There is very little wrong about the system—there is probably a number of men in the system that need removing, just like in the penitentiary system. If some men would stop their howling against the system and use their energies in putting out the rascals, the state would be better off.

CLARENDON,

TEXAS

While district court is in session is another fine time for juries to prove their belief in law enforcement. The stronger the hand of the law, the less problem is enforcement.

Thursday, Dec. 17th, the Clarendon News will issue its annual Home Town Edition. Preparations to make this the best this office has ever issued are already under way, and we expect to turn out a paper that every reader will treasure among the keepsakes of the home.

There is still agitation over the matter of showing the Denver how important it is that Clarendon have a new depot. The fact is the officials of the road are expecting us to go on with the same depot equipment we have had for the past fifteen years, when the town has grown far ahead of the accommodations, for both freight and passengers. What we really need and ought to have, is the present depot converted into a station for freight only, with a new building erected for passenger use. Local employees of the road say that all records for business are being broken in 1925, even over the flush war years. We certainly need the new stations.

WHEN THE DOOR BELL RINGS YOU EXPECT TO GREET THE SMILING FACES OF YOUR FRIENDLY NEIGHBORS

"My home used to be my castle. When the front door bell rang, I could expect a friend or neighbor" said Mrs. Prudent Shopper, discussing the house-to-house nuisance. "But that isn't so any more, with all kinds of solicitors ringing my door bells at all hours of the day, using all sorts of smart stories to gain admittance to my home.

"They tell me what I need for my home. What I need to wear, and why I should buy these things from them. I'm tired of being bothered and I'm a lot wiser than I was a year ago", she continued.

"Some of my girl friends told me about buying from agents, how cheap it was and all that sort of thing. Before that I never even answered the door-bell for agents. Well as I said I tried it for a year now. These agents for different out-of-town companies must tell each other of "good customers" because I have been bothered nearly to death.

"Then I got to investigating these stories about buying cheaper at the door, and found that the most of the agents were not telling the truth about their quality or service. I found that I could match most anything they had for sale, buying one at a time, and charging it instead of having to pay two or three weeks in advance of delivery. It was cheaper at the local store, too.

"One big mistake the agent makes, one which I resent most, is the way he will force a sale. Many times I was foolish enough to become interested in the goods the peddler brought to the door. Invited him in—only to find that I had really obligated myself to buy. Some of the agents said so. In the store I can look and compare quality and price at the counter and go away feeling perfectly free to buy wherever I please.

"No more agents for me", Mrs. Prudent Shopper concluded. To tell the truth I like to shop around. I like to compare styles and prices and buy to the best advantage. For a whole year now I have missed the fun of shopping. I like to go shopping."
 —The National Clothier.

Help build up the business of Clarendon, Your Home Town by patronizing the local merchants for your needs.

The Electrical Industry--- The Leading Industry Of Today

All other industries are more or less dependent on good electric service. The mighty wheels of our industrial plants are operated by electricity, because it can be done more practical and economical than with any other source of power.

In our homes the most dependable servant we can have is electricity. The housewife can shift the drudgery and the more important tasks to the electric servant.

It will do her cooking, washing, ironing, sweeping, churning, sewing, it will even make your ice for you in your own home, in fact the things it will do are innumerable.

Let us prove to you that electricity will do these things, and do them better and cheaper than it can be done any other way.

OUR SEC. SAYS

The trip to the eastern parts after pickers seemed to be almost a failure in as much as bringing back a large crowd of pickers was concerned.

The pickers there had not, on account of two weeks rains and bad weather, been able to pick any cotton and consequently had gotten back in debt to their landlords. It will now take all the cotton in those parts for the pickers to get even again.

More than 6,000 pickers have been sent west to pick cotton but interventions by Oklahoma farmers offering the service car drivers bonuses and with every kind of promise imaginable have caused many hundreds of the pickers to go to Oklahoma, only to find that the fields were crowded in some places and that there had been a misrepresentation in other ways. The secretary talked with one Oklahoma farmer who did not know that a man was hired by the U. S. Government in Oklahoma to do the same kind of work as is done by C. W. Woodman of Ft. Worth. This has caused Mr. Woodman to have to do double duty in trying to place pickers for the Panhandle farmers.

The days are perfect now but little hope is held out for a long continuation of good weather. If the farmers still want the services of the secretary in a second trip for pickers, he is available and ready to go.

In trying to answer a question that has come to the office lately the secretary wishes to say to those who have alfalfa, corn, hay, kafir, milo, oats, sweet potatoes, chickens or turkeys in any quantities to sell or needs to buy any of the above, he will appreciate very much a call either by telephone or in person as a good service may be rendered without cost to the farmers of the county in this matter.

CERTIFIED COTTON SEED

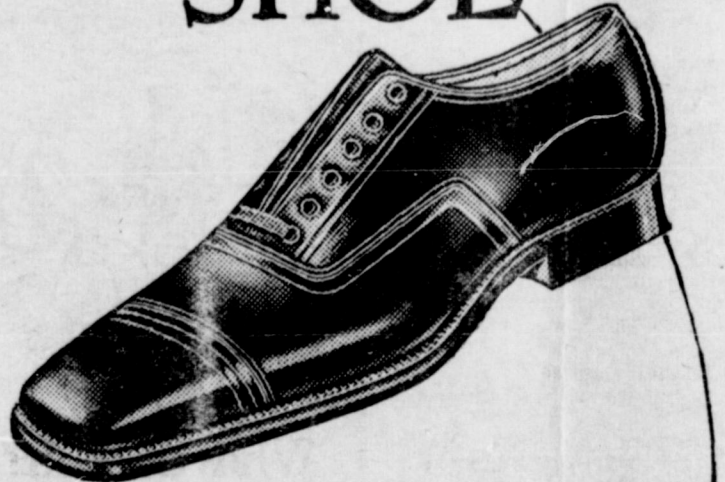

Plant good staple cotton for larger profits. Place order now for my Certified Allen Farm Acala Cotton Seed. Quickest to mature at heavy yield of easily picked premium staple. Seed offered are from cotton making three quarters bale per acre, and selling for premium \$12.50 to \$30.00 per bale because of splendid staple.

"Shoes that Wear"

HIGH SCHOOL NOTES

By Wade Youngblood
 The football game between the Clarendon High School Bronchos and the Panhandle High School team was called off last Friday afternoon, due to the fact that the Panhandle boys were unable to get here. Word was not received here until a large part of the crowd had gathered and were waiting anxiously to see the game.

Last Friday afternoon the student body of the High School elected a staff for the 1925-'26 Annual. The High School has not edited an annual for the past several years due to the fact that they did not get to work on it in time or that they did not get the co-operation necessary to edit an annual. But this year the senior class woke up and got on the job early and with the already promised co-operation of the entire faculty the rest of the school and the business men of the town they are going to edit an annual that not only the students of the school will be proud of, but the town as a whole.

The students of the public schools enjoyed a holiday last Thursday. The Lions Club planned to entertain the teachers with the annual McGee picnic, but due to weather conditions they postponed the picnic and entertained them with a banquet Tuesday night of this week.

The High School Bronchos will meet the Childress High School team on the local grid iron Friday afternoon. From all reports, Childress High has a snappy team so it is important that you be there.

PRESBYTERIAN CHURCH

Regular services are announced for next Sabbath at the Presbyterian Church. Our evening services now begin at 7 o'clock.

Morning subject: "Our Indebtedness to the Protestant Churches on the Continent of Europe, and our Obligation to the Same in View of their Present Distress."

By appointment of our General Assembly, next Sabbath is to be observed as "Reformation Day." Protestant churches throughout the world are greatly indebted to the Reformation of the sixteenth century; and it is fitting that it should be commemorated by them all in suitable ways. Our church, and some others, observe "Reformation Day", and the General Assembly requests that addresses on the subject given above be made in all of our churches next Sabbath.

On account of the World War, and conditions following that war, the Protestant Churches of Europe are in great destitution and distress; and our General Assembly earnestly calls upon all of our churches and people to make liberal offerings for their relief. The Assembly, in the committee report adopted, says in part: "We cannot lay too much emphasis upon the story of the need of our brethren of the Reformed Churches upon the Continent of Europe as set forth in the report of the committee, and in urgent

telegrams from Drs. Keller and MacFarland. The dire condition of ministers, churches and institutions beggars description and almost passes belief if it did not come with testimony of competent eye witnesses.

No public collection for this cause will be taken next Sabbath; but any time next week voluntary offerings will be received and forwarded. This is not a Presbyterian affair alone. All, or nearly all, of the leading Protestant Churches of the United States are co-operating in the movement to aid these suffering churches.

MARVIN JONES TO MARRY CANADIAN GIRL ON DEC. 30

A friendship that began in an Amarillo bank will result in the wedding on Wednesday, Dec. 30, of Congressman Marvin Jones of the 18th Texas Congressional District and Miss Rebecca Stickle of Canadian. Miss Stickle formerly was with the Amarillo Bank & Trust Co., and it was there that she met the Panhandle-Plains Congressman. That was how the romance began, according to a statement from Miss Stickle's mother at Canadian last night.

Mrs. Vas Stickle, the mother, confirmed last night the rumor of the marriage of her daughter to the Amarillo congressman. She said the wedding would take place at the First Baptist Church of Canadian with Rev. E. T. Miller, pastor, officiating. Mrs. Stickle said that it was not the plan to announce the engagement at present.

Mr. Jones is in his fifth term in congress. Miss Stickle is the daughter of Mr. and Mrs. Vas Stickle,

Panhandle pioneers. She was a candidate in the recent Tri-State Fair popularity contest. She has a wide acquaintance in Amarillo and the Panhandle.—Amarillo News.

Texas electric power plants use one million thousands cubic feet of natural gas as fuel in generating electricity each month, which is one-fourth of all the gas used in the United States.

Frances Graham and Pauline Montgomery spent the week-end in Chillicothe with their parents.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calostat, the purified and refined calostat compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calostats at bed-time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

FAIRBANKS-MORSE Steel Eclipse Windmill

Runs in the Highest

All parts are carefully machined and run in a bath of oil. No rough cast gears as in most windmills. Working parts are entirely enclosed and protected from dirt, rain and snow. Lubrication is necessary only once a year. Crankshaft is a drop forging with turned, ground and polished surfaces. Worm gear and pinion have machine-cut teeth. All-metal construction throughout. Built for a lifetime. Quick down-stroke, slow lift, means pumping two-thirds of the time. Sizes 8 feet and larger.

Come in and see this remarkably efficient windmill at our showrooms.

Office supplies at the News office.

SOUTH WARD P. T. A.

The South Ward Parent-Teachers Association meeting has been postponed from the date October 22 to October 27, the following Tuesday.

Dr. G. S. Slover went to Wichita Falls Thursday morning.

Society

Mrs. P. L. Chamberlain is Hostess to Small Party

Mrs. P. L. Chamberlain was hostess last Saturday evening giving a small, but lovely dinner party in celebration of Mr. Chamberlain's birthday anniversary. A center piece of dahlias and a large birthday cake adorned the dinner table. The guests were Dr. and Mrs. C. G. Stricklin, Miss Mae Bennett and Lee Pope.

Thursday Evening Club

The Thursday Evening Bridge Club was entertained this week in the home of Mr. and Mrs. Holman Kennedy. The following members and guests were present: Mrs. M. M. Camp of San Gabriel, who was the house guest of Mrs. Oscar Jenkins, Miss Anne Bourland, Mr. and Mrs. Oscar Jenkins, Mr. and Mrs. Nat Perrine, Mr. and Mrs. Selma Bagby, Mr. and Mrs. Meredith Gentry, Mr. and Mrs. Phillips Gentry, Mr. and Mrs. Sam Dyer, Mr. and Mrs. Homer Ellis, and Mr. and Mrs. Forest Taylor. High score favor was presented to Dr. and Mrs. Jenkins, while consolation was drawn by Mrs. Perrine.

W. M. U. Meets

The West Circle of the Women's Missionary Union of the First Baptist Church met in the home of Mrs. Sam Lowe last Wednesday afternoon. The meeting was marked by an unusually good attendance.

Misses Rena and Jewell Rutherford Entertain

The Rutherford home was the scene of something like twelve hours of almost uninterupted hilarity when Misses Rena and Jewell Rutherford entertained with a slumber party Saturday evening. The guests arrived early in the evening and the party went to the show. A picnic supper was served at twelve o'clock, and was enjoyed by the following: Misses Katie and Bessie Butler, Ada and Ida Benson, Lummie Joy Lane, Nadine Barnes, Lotta Bourland, Willie Mae Hartzog, Thelma Parson, Nancy Cole, Agnes Caraway, Dorothy White, Josephine Crabtree, Lucille Murphy, Thelma Weatherly, Lucille Goldston, Nettie Mullino, Clarice Fuller and Mable Stapp, and the hostesses. The party ended after a very late breakfast Sunday.

College Faculty Entertained

Dr. and Mrs. G. S. Slover and Mr. and Mrs. H. T. Burton entertained Tuesday evening for the faculty of the College, in the home of Dr. and Mrs. Slover. The rooms

in which the guests were received were beautifully decorated with baskets of yellow chrysanthemums, and carnations were given as favors. The guests, all of whom are connected with the faculty, were as follows: Mr. and Mrs. S. H. Condon, Mr. and Mrs. Grover Morris, Mr. and Mrs. R. E. White, Mr. and Mrs. Arlie Carpenter, Mr. and Mrs. Major Garrett, Mr. and Mrs. A. C. Haynes, Mr. and Mrs. Isaac W. Wade, Mr. and Mrs. T. M. Mims, Misses Mary Howren, Zetta Moon, Ineva Headrick, Frankie Longbottom, Lena V. Griswold and Ella Marie Ross.

The affair was entirely informal and most pleasant one. Games and contest were enjoyed for several hours. Punch was served during the evening by Miss Howren, and at a late hour, a dainty ice course was served.

Mrs. M. M. Camp and her small daughter Dorothy Nell, left Monday morning for their home in San Gabriel, after a most delightful visit with Mrs. Oscar Jenkins.

Organizations of First Baptist Church Have Social Meeting

The members of the Euzelian Sunday School Class of the Baptist Church and the teachers of the intermediate department of the Sunday school met in the parlors of the Baptist Church for a social meeting Tuesday afternoon. The members of the Class spent the afternoon in making curtains for the parlors, while the teachers hung curtains in the rooms of their department. Tea was served in the afternoon to the ladies present.

Girls Class of Baptist Sunday School Entertains

The members of Miss Martha Ratcliff's class in the Baptist Sunday School gave a party in the church parlors last Saturday evening, inviting many other young ladies of the city and an equal number of young gentlemen. Games and contests made the hours fly for the youngsters, and the delicious refreshments served late in the evening, brought the party to a pleasant close. Mrs. C. C. Cope and Miss Martha Ratcliff were chaperone.

Reception for Public School Teachers Friday Evening

An outstanding social event of the week was the reception given the public school teachers of the city by the Women's Missionary Union and other members of the First Baptist Church. The reception was held in the parlors of the church Friday evening. The receiving line, made up of Mrs. William Gray, Mrs. Crockett Taylor, the Reverend Roscoe Stapp and Mr. O. C. Watson, met about seventy-five guests during the evening. The honor guests of the occasion, the teachers of the public schools, were as follows: Mrs. Helen

Parsons Pierle, Mrs. B. G. Smith, Superintendent and Mrs. Paul Morgan, Mr. and Mrs. B. F. Hardy, Mr. and Mrs. G. Lester Boykin, Misses Mae Lumpkin, Orene Hudgens, Sara Thompson, Sue Brown Anderson, Lorena Stegall, Maud Shaw, Naomi Allison, Norma L. Stewart, Lillian Abbott, Temple Harris, Mary Beall McGee, Sibyl Smallwood and Mr. J. P. Cooper. The Reverend Stapp spoke a few words of welcome, to which Superintendent Morgan responded. The guests were then entertained by a short program of music and readings. Mrs. Joe Goldston and Mrs. Chester Martin gave readings; Mrs. Lester Boykin, accompanied by Mrs. Allen J. Bryan, played a violin solo; Mrs. Rolly Brumley, also accompanied by Mrs. Bryan, sang; and Miss Evelyn Ingham played a piano solo. The suggestions of Hallowe'en, seen in the decoration of the rooms, were also carried out in the dainty refreshments. The occasion was a most delightful one for the teachers and other guests.

Saint Agnes Altar Guild to Meet With Sponsor

Saint Agnes Altar Guild will meet Friday the twenty-third with Mrs. T. H. Ellis. All members are urged to be present at four o'clock.

T. E. L. Meets With Mrs. W. A. Land

The T. E. L. Class of the Baptist Sunday School held its regular weekly business and social meeting in the home of Mrs. W. A. Land, Tuesday afternoon. Four new members were received into the class, and in all, there were seventeen members present.

Cecil Reavis, Jr., returned Thursday evening from Childress after a week's visit there with his grandparents, Mr. and Mrs. I. S. Heath.

Mrs. W. T. Hayter came home Wednesday morning from Rochester, Minnesota, where she has been with her sister, Mrs. C. G. Spencer of Amarillo.

Mrs. Belle Smith was here Monday to attend the meeting of Confederate Veterans, widows and daughters of Confederate soldiers. She was the guest of her grandson, Nat Perrine.

KEARNEY STREET PICK-UPS

A. Clarendon Gump asks if it is still swearing to swear-off from swearing? Huh? *

"I'm off of macadam roads, for keeps. They won't stand modern traffic and must have constant upkeep to be kept in condition, at all. I also believe brick roads are a failure unless they are put down on a concrete base"—A. L. Chase. **

T. H. Peebles—"Would the News give a fellow a little space to answer its stand on the placing of Lincoln's bust in the halls of Texas Tech?" Sure, the columns are open to the Dear Peepul. ***

Bennett Kerbow—"Did you hear the story of John Hunt being caught in a heavy shower on his way to the Postoffice?" We'll bet it is a wet yarn. ****

"I'll soon be on my feet again," is the way Chas. Trent expressed it as he went down Kearney with a pair of military shoes, with holes in the soles. He'll be down to earth, anyway. *****

"There are only isolated cases of real distress in the forty-one drouth stricken counties in the lower part of the state," says W. H. Patrick, who has just returned from a session of the directorate of the Federal Reserve Bank at Dallas. "Conditions are much better than it first appeared," he continued. *****

Miss Oebra Hamblen wondered out loud how long it would be until her name would appear in the Pick-up column, and one of the long eared members of the News force heard her. Now we'll bet he has to square it with her, in a round-about way, as it were. *****

If everybody believed in the motto, "silence is golden", this column couldn't run. *****

On the first of October the News office had occasion to mail a bill to the Dillard-Jacobs Advertising Agency at Atlanta, Ga. 'Bout that time the Fort Worth baseball team had annexed another Dixie Series from the Southern League with Atlanta the victim, so we made notation on the statement asking their opinion on our Panther Cats. Statement was returned with check attached this week with a laconic "All O. K." answering our short arm jab. They couldn't have said much more, could they? *****

Judge Templeton—"Donley County has less grand jury investigations than any other county in the district." We're better or we're smarter. *****

W. H. Grounds: "I hear some people saying they had rather use white labor for picking cotton than the negroes, but when I want to get cotton out, I had rather have negroes than any other help in the world. Mexicans are pretty good, but they can't pick as much as the Texas buck negro." *****

Rev. Williams of Ashtola held the eleven o'clock service. Let's not forget Sunday School at the regular hour, 10:40 a. m. next Sunday.

Z. E. Davis returned Tuesday from Morton where he has been on business.

Mr. and Mrs. Harry Blair and son, and Miss Edythe Bandy were guests in the home of Mr. and Mrs. Frank Rose Sunday.

Roy Brown and Leslie Clayton were in Alandred Saturday evening. Herbert Bural and his two sisters, Evelyn and Alice, are spending this week near Groom.

Little Morris Lamb, six years old son of Mr. and Mrs. Ernest Lamb has been quite ill and has been absent from school the past two weeks. However he is slowly improving at this time.

Cleo Yandals and J. N. McBrewer of Memphis are visiting in the Z. R. Davis home.

Herbert Bural and Miss Edythe Bandy were visiting in the J. W. Bandy home in Clarendon Sunday afternoon. They attended Epworth League there Sunday evening.

The many friends of Misses Rissie and Isabelle Davis spent a very enjoyable evening in their home on Saturday evening. The time passed quickly while forty-two and various other games were played. The hour for parting came all too soon, and the guests congratulated the hostesses for their splendid entertainment and bade them a hearty good-night.

Mrs. I. E. Osborne came in Wednesday from Amarillo to spend a few days here.

Elmer Ashmead of Amarillo spent the week-end here with relatives. V. J. Glazener and Frank Rose were in Clarendon Saturday afternoon.

Mrs. Carl Schaffer went to Clarendon Sunday to spend two weeks with relatives.

N. A. Chasteen and Clay Endman were in Clarendon Sunday.

Misses Thelma Glazener and Valentine and Louise Clayton were guests of Misses Daisy and Clarice Schaffer Sunday.

R. T. Darnell shipped two loads of cattle to Oklahoma City Wednesday night.

Mrs. J. W. Helm returned to Clifton Saturday night. She will spend the winter there visiting her aunt. A. I. Chase of Clarendon was here Wednesday morning looking after business matters.

IN MEMORIAM

Mrs. I. W. Carhart Sr., entered into rest at the Bates Hotel in Greenville, Texas, where she was sojourning with her son and family. Born in Camden, Arkansas, Dec. 23, 1849, she grew into charming young womanhood and was married to Capt. I. W. Carhart Dec. 29th, 1868. Of fine revolutionary ancestry, she inherited choice gifts of mind and heart which gave to her a charming personality. Gifted in musical and literary lines she gave of her best to her family and friends.

Coming to West Texas in 1887 she bore a noble part in the work of the upbuilding of Clarendon.

To the church of St. John Baptist she was indeed a "Mother of Israel" in those early days when life was hard for the pioneer women, there was always in her home a "Prophet's Chamber," where Missionaries could find a welcome and rest, and in due time she became one of the most faithful and loyal workers in the establishment of the Mission. In 1919 she was left a widow and though she made a brave fight upheld by the unflinching devotion of her son and his family, still life was never the same and as her health gradually failed she was often weary of the struggle. Her last illness was of short duration, but grave suffering, borne with remarkable patience and sweet submission and at the last, peace and rest in the everlasting arms of the Saviour in whom she had trusted since her earliest childhood.

"So long Thy power has blest me, O'er moor and fen, o'er crag and torrent till the night is gone And with the morn those angel faces smile Which I have loved long since and lost awhile."

Mr. and Mrs. Penn Bourland and son, Lawrence Penn, of McLean, spent the week-end here, visiting relatives.

Mr. and Mrs. T. L. Terrell of Kircland were here Sunday to visit their son Royal at the Boys' Dormitory.

Friends:—
The day of October 23rd will be designated in this store as our first anniversary.

Gladness shines on every face. Never before have we been so well prepared to serve our customers.

As the star of Bethlehem guided the three wise men from the east, so this store wisely guides you in the selection of your many wants and needs.

We extend to you our hearty thanks in helping us reach our first mile-stone and in the following years we will continue to render the same faithful service. We invite you to come and make this your store.

Yours sincerely,

Ball Drug Co.

W. L. BALL, Mgr.

THE ANGLERS' ORGANIZED SUNDAY

A club for the young married people of Clarendon was organized last Sunday evening at the First Baptist Church. The organization will be called "The Anglers" and while it is a B. P. O. E. the membership is by no means limited to those belonging to or preferring the Baptist Church. "The Anglers" are planning to take the lead in much of the future social activity of the town, having decided already upon parties to be given in the next few weeks. The leaders of the organization extend a most cordial invitation to all the young married people who will take part in the work and the social affairs of the club. The following were elected to offices Sunday evening: Homer Mann, president; Mrs. Homer Mann, secretary and treasurer; Mrs. Clyde Douglas, reporter, and Mrs. Allen J. Bryan, pianist. "The Anglers" will meet every Sunday evening, from 6:30 to 7:30.

Edith Dane and Eula Mae Snodgrass of Harold went to their homes for the week-end. They are students in Clarendon College.

Mrs. Cecil Reavis, Mrs. A. M. Taylor and the latter's father, T. M. Little, made a hurried business trip to Hedley, Tuesday morning.

Mrs. S. M. Debord of Hedley returned home Monday evening after spending the week here with her son, J. W. Bebord.

CITY SCHOOLS SUBJECT OF TALK

SPEECH PREPARED BY SUPERINTENDENT MORGAN SHOWING WORK DONE IN SCHOOLS HERE.

The Clarendon system of public schools has made and is making a strong effort to keep pace with the best that can be had in matters of public education. This is true both in the elementary grades and in the high school work. This applies in matters pertaining to the curricula, the physical conditions—both buildings, and equipment, teaching force, organizations, athletics and spirit in general.

As to the curricula: We are giving due stress to the elementary fundamentals—reading, phonics, language, "number combinations", spelling, hygiene, geography, arithmetic, history, supervised play, civics, music and art. A strong effort is being made to teach music appreciation through the use of the Silver-Burdett series, the Victrola, and standard records suggested by that division of the Interscholastic League. Health and Art are being given regular periods of the day's schedule. The plans outlined by the "Health and Happiness League" of the Extension Department of State University are to be used throughout the elementary grades. Supervised play under the care of the teachers of respective ages and grades is also carried on through out the elementary grades. Regular short periods are given to calisthenics, and to the development of such health habits as brushing the teeth daily.

In the high school work, (28) twenty-eight affiliated credits are being carried. They are: four in English, four in history (Ancient, Modern, English, American, Civics), 3 in Science (General Science, Biology and Physics), 4 in Mathematics including two in Algebra, one in Plane Geometry and one in Solid Geometry and Trigonometry combined, 3 in Latin, 3 in Spanish, 3 in Home Economics and one in Home Nursing, 3 in Vocational Agriculture, Higher Arithmetic, Public Speaking, Economics and Music are subjects that will receive our attention next.

In regard to the physical conditions: There are three large brick buildings—two of which are modern in construction. The lighting, heating and plans meet with the state regulations. The newest of these buildings contains a gymnasium equipped for basket-ball playing and with gymnasium apparatus of the regulation type. Two rooms well supplied with tables, working tools, charts, library and file are used by the vocational agriculture. The home economics and nursing have on the first floor of the High School, well supplied sewing room, dining room, kitchen and nursing room. Each of these is equipped with the necessary cabinets and materials for carrying on four credits, affiliated with both State and National organizations. A special room in the High School is equipped with tables for General Science and Biology. A special room in the basement is used for physics only. This room is supplied with the best laboratory apparatus. The High School library occupies a single room and is supplied with modern encyclopedias, dictionaries, classics and supplementary books sufficient to carry on the proper work in the social sciences. This library is at present being reorganized and catalogued according to State regulations for High Schools. New volumes will be added from time to time.

Feeling the sentiment expressed by President Coolidge that "it is not too much to say that the need of civilization is the need of teachers," a strong effort has been made to secure teachers of professional training and successful experience. All twenty-five of the white teachers are recommended to fill these requirements.

There are in the High School the following student organizations: A Spanish Club, a Latin Club, a Mathematics Club, a Boys' Debating Club, a Girls' Debating Club, a Home Economics Club, a Vocational Agriculture Club, a Music Club, a Hi-Y Club, a band and a Literary Society of which every student is a member.

The Interscholastic League work has been stressed in all its phases. Clarendon has a good football team, a boys' and girls' basketball team, track and baseball. An equal interest has been taken in declamations, debating, essays, spelling and extemporaneous speaking. The spirit in general is cooperative and progressive. The three parent-teacher organizations are each working on a definite problem—one asked to buy a piano, another a Victrola and set of music memory records, and a third is beautifying the interior of the High School. The Lions Club has assisted in equipping the play grounds with good steel apparatus. The pastors of the different churches are co-operating in a religious way. The teachers have been and are being entertained, and the spirit of the patrons and citizens in general is cooperative. We believe that the public school is the greatest means of carrying on our American Democracy.

THE DRIFTERS

There are many drifters in this world going with the current, wherever it may happen to carry them. They stick to a job simply because it is easy and if it becomes hard they leave it and go on their way looking for some other job that is soft.

Honestly, deep down in their hearts they intend some day to do something big—but they live only in yesterday and tomorrow. Today, alive with opportunity, has no meaning to them.

The way of the drifters is always

down stream—so that opportunity is always moving away from them. Unless you know where you're going and are really rowing as hard as you can to that point—you are drifting.

Unless you are willing to accept responsibility and really work—you are drifting. Unless you can actually see each day's work moving you ahead in force, strength, and efficiency—you are drifting.

The drifter always goes down—never up. And he finally either goes over the falls of failure or lands in some still pool of mediocrity, where he remains all the rest of his life.

Don't be a drifter! Ambition doesn't mean thinking wonderful dreams, while you float with the tide.

It means taking off your coat, rolling up your sleeves, and pulling your boat upstream.—Selected.

CLARENDON, TEXAS

An Increase In Our Rate Is Necessary

For some time there has been a movement on foot to state that an increase in the rates of telephone service in Clarendon was necessary. This increase is absolutely necessary for a number of reasons.

FIRST: To uphold the standards of service that have been set in the past, the operators must receive more than they have in the past. We have lost two of the best operators we have ever had on account of them being able to receive more pay elsewhere.

SECOND: The cost of installation of extension lines has grown almost out of the reach of the small operator. An increase is necessary to keep the outside service up to the standard of the past.

THIRD: To give the owners of the company a fair return for their investment.

A special course for junior high-school instructors and administrators was a feature of the 1925 summer session of the University of Rochester, New York State furnished the major part of the students for the six-weeks intensive course, and 16 States were represented in the enrollment of 605. In connection with this course a "laboratory" junior high school was maintained in which 550 children registered.

HAIL DAMAGE IS GREAT IN HALL COUNTY

Wednesday afternoon Hall and other counties were visited by a destructive hail storm that did destructive damage to crops in many communities, in more or less amounts. Reports are to the effect that the storm reached from Oklahoma City to Plainview, spotted it is true, but disastrous in many sections of country.

From reports being brought into Memphis this Thursday it seems that Friendship, Plaska, Lakeview, Leslie, Deep Lake, Turkey, Quitaque, and Salisbury were the greatest sufferers. The reports are from small damage to some crops and total losses to others, in the same neighborhood.

Some sections report hail six inches deep on the ground after the hail and rain passed over. The hail stones were from the size of large sleet to as large as hen eggs, and beat out cotton and feed, battered the green bolls and injured the stalks, making it a hard matter to get a satisfactory idea of the total damage. Suffice it to say that it

will run from ten to twenty per cent loss of the entire cotton crop of the county. One banker estimates a ten thousand bale loss, or one million dollars worth.

The cotton that was knocked out was beaten into the ground so that it is possible that but very little of that will be saved. Green bolls were bruised and it is likely will not fully open. Stalks were cut down in some instances, and feed damaged or ruined.

The Deep Lake community seems to have been the heaviest losers, coupled with the hail of some weeks ago.

It is reported that northwest of Turkey and on to Quitaque the loss was enormous.

The hail was accompanied by a rainfall. In Memphis a good shower fell, but very little hail. The clouds came from the northeast and were very threatening in appearance.

A number of farmers had their cotton insured and will likely collect on damages in many instances. The insurance, we are told does not cover open cotton, but does cover green growing cotton. Another feature about the insurance is that all policies expired this Thursday at noon.

The hail certainly put a crimp in prospects of many farmers, and it is hoped that the losses are not as great as the first impressions seem to bear out.

This is the latest that cotton has been hailed out in this country, some of the old timers here state.—Memphis Democrat.

ADVERTISING LOTTERIES IN THE NEWSPAPERS

The following abstract from the provisions of Section 218 of the Criminal Code (U. S.) is called to the attention of newspaper publishers and the promoters of gift enterprises who seek to use the mails in advertising same:

"No newspaper, circular, pamphlet or publication of any kind containing any advertisement of any lottery, gift enterprise or scheme of any kind, offering prizes dependent in whole or in part upon lot or chance, or containing any list of the prizes drawn or awarded by means of any such lottery, gift enterprise of scheme, whether such list contains any part or all of such prizes, shall be deposited in or carried by the mails of the United States, or be delivered by any postmaster or letter carrier. Whoever shall knowingly deposit or cause to be deposited, or shall knowingly send or cause to be sent, anything to be conveyed or delivered by mail in violation of the provisions of this section, shall be fined not more than \$1,000 or imprisoned not more than two years, or both."

THE ETHERAL INVESTMENT

Roger W. Babson in discussing the purchasing power and returns from a dollar bill enumerates the following things that one dollar will do—

\$1 spent for lunches lasts five

hours.

\$1 spent for a necktie lasts five weeks.

\$1 spent for a cap lasts five months.

\$1 spent for an automobile lasts five years.

\$1 spent for waterpower or a railroad grade lasts five generations.

\$1 spent in the service of God, lasts for eternity.

A French, German or Spanish luncheon is served each week in the model apartment of the domestic science building of the Pasadena (Calif.) Junior College, under the leadership of the teachers, for pupils studying those languages. The idea is carried out in the menu and table decorations, and as far as possible the language of the country is spoken.

ALL MEN'S FURNISHINGS

All men's Suits on sale at cost, plus \$3.00 for the next 10 days. Men you are invited to visit this great overstock sale—stock adjustment sale. We emphasize the price of these Suits—we emphasize the style and quality, Hart Schaffner & Marx, a line of men and young men's finely tailored, single and double breasted suits, fashioned and fabriced to bring new glory to the Little Mercantile Co.

A STORE FOR ALL THE PEOPLE ALL THE TIME

We particularly urge you to read the following lines: T. M. Little's store is and always has been a store of popular prices—a store where the greatest number of people are daily meeting the greatest number of needs. Quality for quality, it is a positive fact that you will not find lower prices elsewhere and in most all instances you will not find articles of standard merchandise priced nearly so low. This is a matter of general experience, and not a mere unsubstantiated statement—our aim to serve you well and faithfully always. So trade at the Little's store where savings are the greatest every day throughout the year. Adhering to these principles isn't it natural that we can offer you the merchandise you want at somewhat less cost than you can buy elsewhere.

Remember our rapid turnover sale includes everything in men's wear except John B. Stetson's Hats. They are restricted goods.

Concrete Streets in TEXAS

Breckenridge is one of the fastest growing little cities in Texas. This rapid growth brought her face to face with a difficult problem—that of providing paved streets that would stand the immense increase in swiftly moving automobiles and pounding motor trucks.

When the city's present paving program was launched in 1924, the city officials wanted to build paving that would reflect credit on their administration and give the property owners full value for every dollar spent. After careful investigation they chose portland cement concrete.

The initial contract was for only 16,000 square yards but property owners were so well pleased with this pavement that additional contracts have been let totaling more than 60,000 square yards.

A well planned street paving program is a gilt-edged investment. A concrete street means continuous dividends—not perpetual expense.

Our booklet R-4 tells many interesting things about concrete streets. Write for your copy
