Donley's Dairy Caravan Moves April 3rd

New Club Members Forge Ahead In Latest Count Today

PLANS ARE LAID FOR DAIRY TRIP

CHAMBER COMMERCE ASKS INTERESTED PERSONS TO REGISTER HERE.

The Clarendon Chamber of Commerce announced the latter part of last week that the cavalcade to the Panhandle-Plains Dairy Show at Plainview would be held on Wednesday, April 3rd.

Secretary Boykin is asking that all men now operating dairies, or those interested in the purchase of stock for a dairy register at the office of the Chamber of Commerce.

Make your plans now to attend the meeting and register with the

Many Residences Improving Hedley

The late issue of The Hedley Informer presents a glowing note in the fact that many homes are being built in and near that city.

The erection of a compress will probably head the list of new matters for the town. This is being built a short distance west of the depot and construction is now well under way.

Homes are being erected in Hedley to the number of nine, all of them being of the latest and most modern type of construction.

In addition to this, there is being some talk circulated on the condition of the streets of our neighbor town.

CAMP FIRE PLAY WELL ATTENDED WEDNESDAY

The weather considered, the Camp Fire play Wednesday in the College Auditorium was fairly well attended. The play, "How Beth Won the Campfire Honor," was presented by the Sacajawea troop of the Campfire Girls in an effort to maintain themselves in good standing with the national organization with which they are affiliated.

There are two troops of Campfire Girls in Clarendon with Miss Steagall at their head. They are doing a good work and their activities are always well read by those interested.

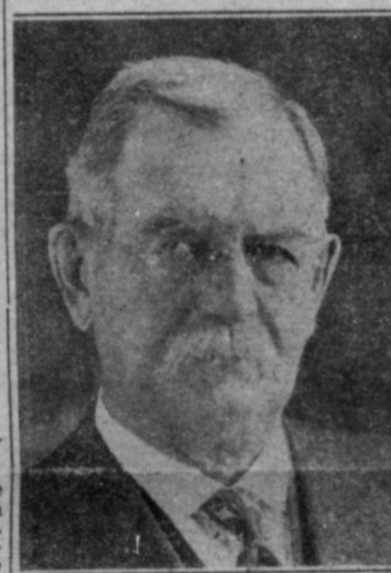

The Devil's Sink Hole is a cavern in Edwards County. From the edge of the entrance there is a sheer drop of more than 200 feet.

PAMPA MAN IS CATTLE HEAD

T. D. HOBART NAMED PRESIDENT OF SOUTHWESTERN ASSOCIATION.

The Panhandle section of the state was again honored last week when T. D. Hobart was named president of the Southwestern Cattle Raisers Association in their fifty-third meeting held at Houston last week.

For the past fourteen years, Mr. Hobart has been closely connected with the J. A. Ranch properties near here, being named

T. D. HOBART

manager by Mrs. Cornelia Adair before her death and later being named with Henry C. Coke as joint executor for the estate.

Since 1891, Mr. Hobart has been operating a ranch of his own and has long been known as one of the foremost cattlemen of this section of the state.

A. Combest says he is one Donley County farmer anxious to make the trip to Plainview to attend the Dairy Show.

The Mollusc Is Outstanding Play

Presenting a cast of no former stage experience to speak of, "The Mollusc," was one of the outstanding hits for many years last Friday evening in the College auditorium.

The play itself is one of the great plays of the year, having been produced in many of the Little Theaters of the United States and meeting with a splendid reception wherever it was shown.

A great deal of attention had been given to the details of the play, Miss Foster's direction bringing a ray of hope to those of Clarendon who have been looking forward to the organization of a Little Theater here.

The furniture of the evening was furnished by the H. C. Kerbow & Sons Hardware Store; the brio-a-brac by Aldersons Art Studio and Gift Shop.

Work on the new water well for the city of Clarendon is progressing at a nice rate of speed.

CITY WELL TO START DEVELOPMENT NEAR 1ST

The state capitol of Texas at Austin was burned in 1881.

The population per square mile in Texas is about 20.9, as compared with 40.4 for the entire United States.

STYLE SHOW NETS FINE SUM FOR FUND

MERCHANTS AND AUDIENCE PLEASED WITH SHOWING OF MODELS.

The first Style Show staged in Clarendon by the Lions Club proved to be quite a success, both from a financial standpoint for the Crippled Children's Fund and for the merchants who made the affair possible.

Dr. James W. Hendrick and Dr. J. R. Lemmon each spoke a short time on the work being done for the crippled children of this section, giving some of the basis for the crippled that need rehabilitation.

The three-way Extra Credit offer is now in force and will be up until 9 p. m. on Saturday, April 6th.

Then there is the Extra Gold Prize of \$25.00 which will go to the Club Member who turns in the greatest total of New yearly subscription sales by 9 p. m. Saturday, April 6th.

where the children could be cared for after they returned from Oklahoma City.

Models presented are as follows: Harned Sisters; Verna Latson, Thelma Youngblood, Edna Mae LaFon, Pauline Lane, Willie Mae Stewart, Dorothy White, Mrs. Manley Ozier and Miss Esther Morrison.

REAL, LIVE, WIDE-AWAKE FOLKS ARE BECOMING MEMBERS OF THE NEWS' OPPORTUNITY CLUB. ARE YOU ONE?

FIRST LIST OF ENTRIES IS PUBLISHED TODAY; PLENTY OF ROOM FOR A FEW MORE REAL HUSTLERS AT THE TOP OF THE LIST. NOW IS THE TIME TO START AND HAVE YOUR NAME IN THE NEXT LIST.

For the first time is published the list of those folks who have been nominated as members of The News' Opportunity Club, some of whom have made an active start in this profitable and interesting race.

There are several folks who've been hanging back waiting to see just who is in the race and who they will have as competition, now is the time for them to come forward and get in, stay in, and win.

More Club Members Wanted There is plenty of room in the list of more real live, wide-awake folks, who know an opportunity when they see one, as the present situation as we go to press is, that to date there are more prizes to be awarded than there are real ACTIVE club members and there is no one who has already entered that has any kind of a lead case in just a few hours' work.

Remember, that there will be no losers in this race, as all active club members who do not win any of the prizes will be more than well paid for their time as they will be paid 20 per cent cash commission according to the rules and regulations.

Mr. and Mrs. Hubert Seale of Denver, Colorado, announce the birth of Hubert James, on March 20th. Mrs. Seale will be remembered in Clarendon as Miss Lena V. Griswold.

Opportunity is knocking, ringing and calling at your door. Once during each of our lives, we are told that OPPORTUNITY knocks at our door and by answering, we come face to face with SUCCESS.

OPPORTUNITY KNOCKS NOW!

There is plenty of room for more live-wire, active candidates. By looking over the list below, it will be seen that while the big credit period is in effect, an entirely new candidate could easily enter and by this time next week lead the entire field.

Listed below, in ALPHABETICAL order are those entered to date with the number of credits cast and counted for publication for each:

Table with 2 columns: Name and Credits. Includes Mrs. Earl Alexander (24,800), Mrs. Josephine Crabtree Ball (25,500), Mrs. Joe Cannon (24,900), Miss Ruby Duckett (25,000), Miss Coye Latson (12,000), Miss Eula Naylor (18,000), Miss Edna Montgomery (12,000), Mrs. R. H. Roberts (24,000), Miss Kitty Speed (12,000).

More entries are invited, especially from the country, for this is your opportunity and

Your Name

Belongs in this list. Don't hesitate any longer. Get in—stay in—and win. If you start now under the big triple extra credit offer no doubt next week's totals will tell an entirely different story. Watch and see.

BACK YOUR FAVORITE WATCH WHILE THE CREDITS ARE BIG. GET FIVE-YEAR SUBSCRIPTIONS NOW! TODAY!

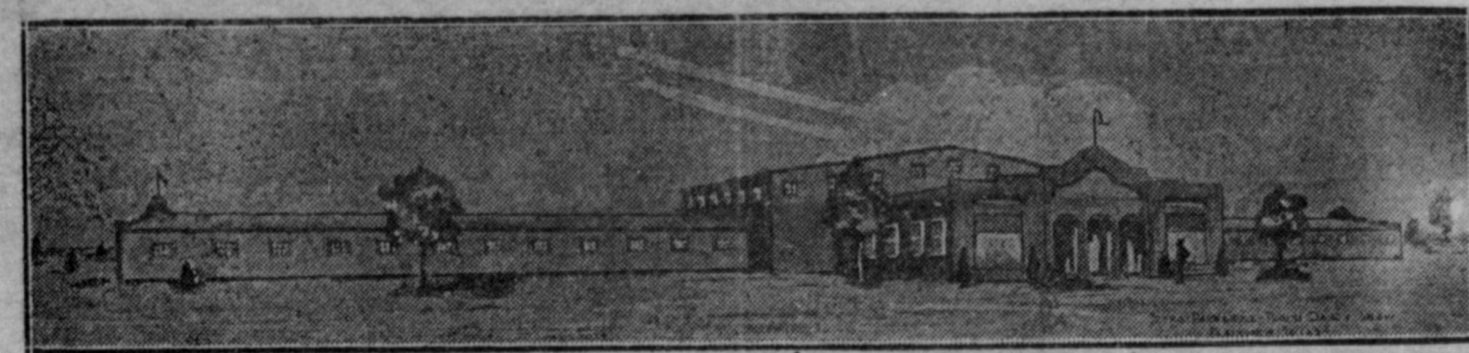

RAY MOWERY Supt. Dairy Cattle Judging Contests

Chamber of Commerce and arrangements will be made to care for transporting those who have no other means of getting to the show.

The Jersey Department of The Second Annual Texas Panhandle-

Exhibit Building, Panhandle-Plains Dairy Show, Plainview, April 2-5

Plains Dairy Show at Plainview, April 2-5, will be the biggest department of the entire show because the Panhandle Plains of Texas has more Jersey pure bred cattle in it than any other breed.

For this reason, major premiums are being offered for Jerseys. The total premiums on Jerseys this year are \$1,850.00. The first premium in each class will be \$20 and seven are offered scaled down to \$5.00.

R. B. Davis of Brownfield, County Agent of Terry County, is the Superintendent of the Jersey Department. Davis was Superintendent of the Production Contest at the show last year.

He estimates that the number of Jersey exhibits this year will far exceed those of last year, and

COUNTY MEET IS POSTPONED WEEK

BAD WEATHER CAUSES POSTPONEMENT OF MEET TO NEXT WEEK-END.

The News has been informed that the County Interscholastic meet would be called off for this week-end and that the event would be held Friday and Saturday of the coming week.

A complete program of the event will appear in the forthcoming issue of the News, giving the place and time for all the events that make up the meet.

WHITLOCK ADDS NEW MACHINE FOR PERMANENTS

A machine of the very latest type, capable of giving at least five different sorts of permanent waves was added to the equipment of the Whitlock Barber and Beauty Shop. This machine is known as the Duart and is one of the latest machines of the sort on the American market today.

The population of Texas has been increased about 17.6 per cent since 1920, being estimated at more than 5,490,000.

School Census is Standing at 932

According to H. T. Burton, in charge of the taking of the scholastic census for the present year, the figures now stand at 932, an increase of 23 students over the last report handed in to this office near the first of the month.

The census of 1928 showed a total of 777 students, the first time a loss had been shown in the history of the Clarendon Independent School District.

CONTINUED ON PAGE THREE

WHAT IN THE WORLD

Is Keeping You Out Of This Campaign?

IS IT BECAUSE—

You haven't the ambition to get in and carry on a successful campaign and make as much as \$658.90 in your spare time these few weeks.

or BECAUSE—

You have kidded yourself into thinking that you haven't time to win \$658.90 in the spare moments of the next few weeks that will not be used for any other purpose.

There Must Be
REASON?
What Is Yours?

or BECAUSE—

You are so well fixed with the coin of the realm that such an amount as this really doesn't appeal to you, when sitting around holding your hands is so much easier.

or BECAUSE—

You really have a good legitimate reason, that would stand the test if put under a strong light, for not entering?

IF— It is the First Reason or the Second Reason, then the fault is all with you and your loss will be somebody else's gain—IF it is the Third Reason, why then you are to be congratulated on being so well off, and—IF it is the Fourth Reason, then you are entitled to sincere sympathy, for you are being deprived of the greatest OPPORTUNITY for money-making that has ever been offered to you. CHECK UP ON YOURSELF AND SEE WHICH ONE OF THESE REASONS IS RESPONSIBLE FOR YOU NOT HAVING ENTERED YOUR NAME.

PANHANDLE PRESS ASSOCIATION

EXTRA SERVICE FROM YOUR HOME TOWN PAPER

As announced across the title page of Thursday's regular issue of The Clarendon News, this extra edition comes to you today as an extra service to our large and growing list of readers.

So here is a Clarendon News Extra, at no profit to the business office, but for the service of our readers and our patrons. Extra service!

Our old friend Tack has gone and done it again up at Amarillo. This time he has criticised the performance of a great artist and her company who presented the grand opera "Thais" in Amarillo, and has brought down upon himself the accomplished gnashing of teeth of Mary Garden, and with it the condemnation of hundreds of opera attendants in the Panhandle.

March twentieth marked the passing of Marshal Ferdinand Foch, one of the greatest genius the world ever knew, and one whom the Allied nations put in command of the greatest army any general ever marshalled.

We heard the other day of a citizen saying that he disliked a certain other Donley County man. It develops that he doesn't know the object of his dislike, has never been in his company five minutes. Many of us have dislikes like that. It's a weakness.

LETTER WRITING GETS BIG REPLY

NEW PLAN BEING ADOPTED TO FURTHER ADVERTISE PANHANDLE SECTION.

When the Panhandle-Plains, Inc., started their work of having school children write letters to students in the states visited last Fall by the exhibits from the Panhandle, they did not realize what they were starting. Replies from these letters written have reached as high a percentage as 66 2-3 in many cases and in other instances no record has been kept of the percent, but the letters have reached over the hundred mark with sometimes two letters being passed between the writers to this date.

Miss Hazel Bulls, Groom High School, "From some of the letters that were sent pupils in the central states, answers have been received. This is proving both interesting and educational."

PARENTS RECEIVE LETTER FROM SON ON DISC RECORD

Yes, we have the talking pictures, but talking letters have been an unknown method of personal correspondence until this week, when Mr. and Mrs. A. L. Chase received a "talking letter" from their son, Rhodin, who is an engineering student at the University of Texas.

The "letter" came to them through the mails on a steel disc which with a soft needle may be reproduced on any phonographic machine. Mrs. Chase had the disc record on the machine and when Mr. Chase came in for lunch she invited him to start the machine and listen to the record received from Rhodin. Imagine Mr. Chase's surprise when Rhodin's voice began the usual filial address, acknowledged receipt of certain financial items, and couched a neat invitation to his parents to attend the Dad's and Mothers' Day at the University on April 13th.

children of the Panhandle will be employed. Names have been secured of some scholar in the seventh class in city and rural schools in about 125 communities in the states of Ohio, Vermont, New Hampshire and Maine. Boxes are being prepared that contain samples of the various grains and other agricultural products of the Panhandle and one of these boxes is sent to one of the children whose names have been secured from the states named, this box being forwarded by some seventh grade class in a Panhandle school.

The Ashtola H. D. Club girls met at school in the forenoon of March 21 with 14 present. The girls are getting gardens underway now and those who have poultry brought up special problems in regard to the care and feeding of poultry.

There was a Home Demonstration meeting for the girls and women of the McKnight community on March 21. The school was the place of meeting and after the Home Demonstration work had been outlined thoroughly for them two clubs were formed.

PALO DURO TOWNS WORK FOR PARK

TRANSFORMATION OF CANYON TO PLAYGROUND AND REFUGE IS GOAL.

For many years Panhandle people have dreamed of making a park, playground and game preserve out of Palo Duro Canyon but the obstructions to overcome have been many and great.

The Board of City Development of Amarillo, which has of late months been in correspondence with both State and National officials having such matters in charge, has called a conference to meet in Amarillo April 15th, for the purpose of discussing the advisability of making an effort to put the long deferred plan into effect.

It is not contemplated that the present effort will attempt to complete the proposal in the immediate future but that at this time plans will be made to merely inaugurate the effort in a conservative fashion and within the financial limits of the State, Nation and communities more directly interested.

TEXAS MARINE IS DEAD SHOT

Though many medals for marksmanship adorn the breast of Sergeant C. J. Cagle, U. S. Marine from Texas, he is likely to win more decorations soon. The sharpshooting Texan has been selected to take part in the International Rifle Team try-outs to be held at Quantico, Va., early in April.

Dr. H. L. Wilder and Henry Lawler made a rush trip to Austin, returning Monday afternoon. Dr. Wilder made the trip in response to a call from the Texas Medical Association, wherein he holds the position of councillor for this district.

Miss Cora Avery, former Dean of Women of Clarendon College, and new librarian of the Amarillo High School, spent the latter part of last week here visiting Miss Mary Howren. Miss Howren took Miss Avery home last Sunday afternoon.

The Girls' Home Demonstration Club, but election of officers was postponed until next meeting. The organization of these clubs makes the total number of active Home Demonstration Clubs in the county nineteen.

Mrs. O. R. Culwell, Mrs. D. Miller, Mrs. Edd Grimsley, Mrs. J. C. Estlack, Mrs. Melvin Rapp, Mrs. E. V. Quattlebaum and Mrs. Melvin Cook have been visited during this week in regard to their Living Room Contest work and great improvements are being made by all of these contestants.

1928 COTTON IS OVER 2 MILLION

THE PRELIMINARY REPORT SHOWS GREATEST CROP IN COUNTY'S HISTORY.

Bearing out the predictions made in the early part of the season by cotton men of wide experience, the Donley County cotton crop has run well over the thirty thousand bale mark for the present year. This crop is the largest ever recorded for the county, the record being held to this date by the year 1926 when a crop near 25,000 bales was registered.

Clarendon gins report the largest ginning season they have yet enjoyed, running on Saturday of each week at this time to care for the last end of the crop. The Clarendon yard has handled almost 9,000 bales for the season, being topped by the Hedley yard that has handled an excess of 12,000 bales of the county's yield.

Donley Countys crop is a little less than doubled and will be more than doubled when the final reports are made. The present report stands at 30,255 bales for 1928 and the last year's report held up at 15,198 bales.

In all cases, the number of bales is figured in running bales and will amount to more when the weights are figured in five hundred pound bales. The totals for the state are 4,937,455 for 1928 and 4,229,367 for 1927.

A. M. BEVILLE HOME FROM SAN ANTONIO

A. M. Beville returned Wednesday night from San Antonio, where he has spent the winter months and is on the streets today expressing his pleasure at being home again, and rejoicing with Clarendon people on the wonderful rain of this week.

Mr. Beville was accompanied home by his daughter, Miss D'Laurel, who is teaching at Southwestern University at Georgetown, and who drove them as far as Quanah, where the heavy rains forced them to abandon the car and complete the trip on the train. She will return to Georgetown in a few days.

Rev. W. M. Murrell is holding a series of meetings in Groom this week. He was in Abilene the fore part of last week for a meeting of the Cabinet, called there by Bishop Moore. Mrs. Murrell is visiting daughters in Byers and Seymour.

Miss Cora Avery, former Dean of Women of Clarendon College, and new librarian of the Amarillo High School, spent the latter part of last week here visiting Miss Mary Howren. Miss Howren took Miss Avery home last Sunday afternoon.

making a good outlook as well as more light possible by adding glass panels to doors or putting in more windows. Special attention is being given to suitable curtains and drapes for windows, but one of the most important things being done is the improvement of artificial lights. Suitability to the needs of the particular family for rest, work, music, reading, writing and game centers is the chief consideration in co-ordination with comfort and general attractiveness of the living room. This contest work will close for county judging April 15th.

The Woman's Home Demonstration Council met at the Club Room Saturday, March 3, 1929, at 2 p. m. The second chapter of "Your Money's Worth" was studied and after the reading of the rules governing C. H. D. Council it was decided that the Council would have its meetings each

CLAUDE GROUP VISIT LIONS

SCENIC HIGHWAY THROUGH CANYON ATTRACTS MAJOR ATTENTION.

Eight Claude Lions, headed by their president, invaded the Clarendon Lions territory Tuesday for a return visit. They spoke of the youth of their organization and came to Clarendon seeking assistance in a matter that is as vitally important to Clarendon as it is to Claude.

Dr. Warner as spokesman for the Claude delegation gave the general idea that was to be held in the matter of the new route through the canyon. A proposal was read from D. E. Colp, head of the State Park Board, suggesting that the work be done immediately and that pressure be brought to bear on the representatives and senators from this section of the state that action might be secured at the coming special session of the legislature.

The plan pleased the Lions and the action will be handled at the director's meeting Monday evening of next week and the Claude Lions will be notified of the action taken. The committee reported on the Bonham child and stated that Dr. Strite was ready to do the work this week if the child could be carried to Amarillo. Volunteers were asked to carry the youngster to Amarillo, but the trip will be cared for if no volunteers are secured.

The Camp Fire play was announced by Misses Caraway and

month in Miss Thompson's office or in the Club Room, in the same building. It was announced at this meeting that Lelia Lake won the dollar for the attendance on the county-wide meet held March 20. Lelia Lake had 89 per cent of her club membership present at the meeting.

The meeting adjourned at 3:45 to meet again the fourth Saturday in April.

The Jericho-Boydston Home Demonstration Club met at the Jericho school Monday afternoon. The demonstration on strawberry culture was given and the Garden Contest, which is to be participated in by all Home Demonstration Clubs in Donley County, was explained and planned with this club. The next meeting will be held in a Boydston community home April 10th.

The Goldston Girls' Club met Tuesday with thirteen members present. The introductory work for the Girls' Clothing Contest

was given. The selection of color and material with laundering possibilities was demonstrated with samples. The demonstration also proved to the girls that to be altogether good looking one must have health and be able to do things. Her pep and zeal for gardening work and poultry work and other club work came to light in a well developed healthy body which makes a very beautiful clothes rack when time for the judging of the Clothing Contest comes. Each girl is going to take a "health and looks" inventory of herself along with the inventory she takes of her clothing and she is going to eat vegetables and drink milk and work some in the open air to improve her complexion. She is also going to wear the kind of shoes that will allow her comfort and graceful posture because they voted to do these things in this club meeting.

The Navlor Woman's Home Demonstration Club called its meeting off owing to the rain March 27th.

FORMER CLARENDON BOY IS TEACHER AT S. M. U.

A recent issue of the Semi-Weekly Campus, published at the Southern Methodist University at Dallas, is to hand. The special edition mentioned contains an item concerning the appearance of six professors of the University at a meeting of the North Texas Biological Society at Denton. Among the professors appearing on the program was J. K. G. Silvey, better known to Clarendon people as Gwynn. This young man was a resident of this city some years past and has been living in Dallas for quite a time. He is a member of the Biological staff of the school.

McCamme and tickets were sold after the luncheon in the lobby.

Lion Braswell reported on the success of the Style Show, giving much credit to the individual work of the Lions and to the co-operation lent by the merchants of the city in planning for the event and securing models for display on that occasion. The purpose of the work was explained that the visitors might know what the object was.

Lion Patman explained that Lion Cooper backed out of the event at the last minute and that his actions reminded him of nothing so much as a window shade suddenly released and rolling to the top of the window. Lion Caraway made the financial report and stated that \$246.00 would be sent in to bring the total to \$300 for this year.

Guests for the day are: L. V. Nelson, Art McIntyre, H. D. Robin, J. A. Best, W. A. Warner, Hugh Doak, Edgar Betts and Tom Davis. Adjournment followed in the usual manner.

PLANS ARE LAID FOR DAIRY TRIP

CONTINUED FROM 1ST PAGE

that the quality of the animals will be of the very best. He points out that not better Jersey blood can be found than that in the Panhandle Plains of Texas. With a large number of importations from Ohio, and from the older sections of the United States in the past into this territory, and with the work done by S. A. Guy at Crosbyton five or six years ago in bringing in pure bred Jerseys, a large number of the best breed Jersey cattle to be found exist in the Plains section today.

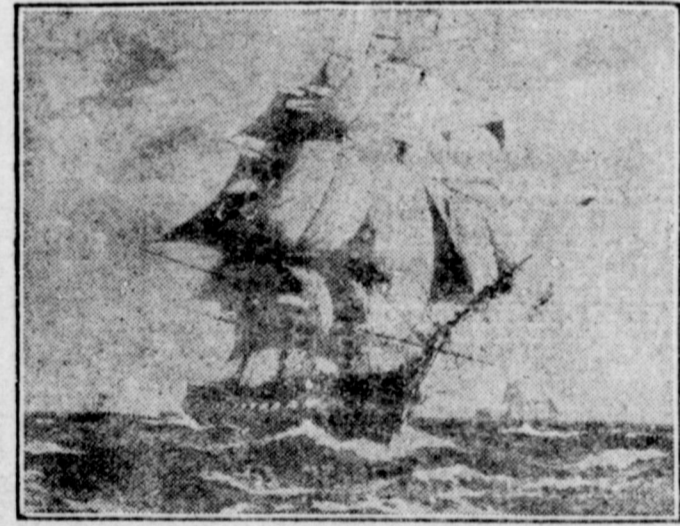

The boys of the Panhandle-Plains area will have their own departments at the Second Annual Texas Panhandle-Plains Show at Plainview, April 2-5.

The Dairy Calf Club Show has been added this year for their benefit, as well as the 4-H club boys judging contest. The show also has a department for vocational agricultural classes in judging.

R. C. Mowery of the Texas Technological College, long prominent in cattle judging contest work, is superintendent of the departments. Mowery is conducting the judging contest with the same rules of the State contests. Premiums totaling five hundred dollars are being offered in the three departments this year. The dairy calf club show will be open to club boys and vocational students of the Panhandle Plains area who have dairy calves as one of their projects.

SAVE OLD IRONSIDES

The only S. O. S. she ever knew!

THE SHIP THAT WAS A NAVY

THE frigate CONSTITUTION, most famous ship in the world, a shrine of the American Navy, is being rebuilt at the Navy Yard in Boston, Massachusetts. In the very same dry dock that she christened, in 1833, having been the first ship to enter it, she is taking a new lease on life. Thanks to popular subscription, restoration is now 50 per cent completed.

Over \$630,000 has been raised towards rebuilding of the CONSTITUTION; approximately \$190,000 is required to complete the Fund. This money is being raised through the sale of beautiful ten color lithographs of the ship, measuring 18 3/4 inches x 22 3/4 inches, at 50 cents each.

Restoration should be completed within a year. Once again equipped as she looked at the height of her brilliant career, the CONSTITUTION will put to sea, this time on a cruise of peace, carrying her historic message to Americans in every principal port in the country.

If you have not contributed to help save this, America's foremost naval relic, just clip off the attached coupon and mail it in today. Act promptly; OLD IRONSIDES always did.

Mail This Order Blank Now

DEPOSIT 50 CENTS IN THE NATIONAL BANK OF PATRIOTISM "OLD IRONSIDES" Navy Yard 431, Boston, Massachusetts:

I want to help save the CONSTITUTION. Enclosed you will find ... in stamps, check, money order, for which please send me immediately ... copies of Gordon Grant's beautiful ten color painting of the famous ship, with a complimentary history of her deeds and adventures.
