The government estimate over the week knocked the price of cotton, but the growers of Texas are going to get several millions dollars more for the crop despite anything a government estimator can do.

ROUTINE MATTERS CLAIM ATTENTION OF COUNTY BOARD

Several Bills Are Allowed And Reductions Made In Telephone Assessment

The Board of County Commissioners spent a busy two-day session Monday and Tuesday attending to routine matters and paying bills.

A large number of ladies interested in demonstration clubs and friends of the work now being done in the county, conferred with the Board in an effort to secure a raise in salary for the County Home Demonstration agent, her salary having been reduced \$500 recently. The Board very readily heard a number of speakers and later in the session agreed to pay \$1200 a year on the salary of the H. D. agent.

An expense account of Judge Alexander to the amount of \$34.65 was allowed for his trip to San Antonio in behalf of Donley county in a case in the 73rd District court in which Bexar and Harris counties were seeking to prevent small counties from retaining auto license fees.

The property of the State Telephone company having been rendered at \$29904, and later raised to \$37000 by the Board of Equalization, was changed to \$35000.

Sixty day warrants were authorized chargeable to Precinct No. 3 for \$306.35 in favor of the Continental Oil company; \$175 to Dan Latimer; \$125 to Jack Peabody.

The Board allowed payment of \$40 to the City under protest, this being the payment requested for the use of office room for four months in the City Hall used by both county agents.

The application of Paul C. Fyle of Hedley to operate a light testing station was granted and his bond fixed at \$500.

Armistice Day is Observed In Fitting Manner

Mayor Cagle having issued a proclamation asking citizens to properly observe the Day, most of the business houses were closed in the morning, and all of them closed after the noon hour in time to take a part as onlookers in the parade.

Schools were dismissed and the pupils and teachers joined the big crowd at the old school building at the south end of Kearney street where the parade started about one o'clock.

The Clarendon Band headed the procession followed by Legion men and ex-service men of the nation. The ladies of the Auxiliary were next in line followed by four ladies dressed as Red Cross nurses. College students, pupils from the High School and others down to the first graders were in line with two small lads beating time on snare drums. Following the march up Kearney and back, the Band furnished war time music until time for the Memphis-Clarendon football game.

AMERICAN LEGION WAS ORGANIZED IN PARIS, FRANCE

Bit of Interesting History Taken From "The Arrow Head" Dated in 1919

In looking over an issue of The Arrow Head, Volume 1, No. 8 and dated April 18, 1919, published by the 36th Division at Yonne, France, some interesting bits of history is obtained. The issue referred to above has been loaned to the Leader by M. A. Wisdom of Lelia who saw service in Co. K, 144th Infantry of the famous 36th Division.

Armistice Day being celebrated this week brings to mind forcibly the American Legion. Just where, when and how the Legion had its birth is given in the Arrow Head as follows:

"The Arrow Head is in receipt of the following communication from Col. Nimon of the 11th Tr. in regard to the American Legion, whose organization machinery, was started in Paris last month.

"Representatives of every unit of the American E. F. met in Paris on March 15th, 16 and 17 for the purpose of creating the necessary machinery for organizing an Association of all the American forces in this war in order to perpetuate the principles of Justice, Freedom and Democracy for which we fought; to inculcate the duty and

AN EXPLANATION OF LAW COVERING PAYMENT TAXES

Information is Based on Tax Law Recently Passed Under Senate Bill No. 311

Taxpayers are asked to study this information that they may avail themselves of the plan most suited to their needs.

"1931 taxes may be paid by either one of two methods. If the half-payment is adopted, then the first half of your property taxes, plus half of your poll taxes, must be paid not later than November 30. The last half of the property tax can then be paid on any date before July 1, 1932. If this last half is not paid by June 30, 1932, then it becomes delinquent July 1, 1932, and a penalty of 10 per cent attaches and the tax draws 6 per cent interest until paid.

"If you do not wish to pay half or cannot pay half of your taxes by the end of November, then you may adopt the usual plan of paying not later than January 31, 1932. No penalty or interest will be added if paid by that date. February 1, 1932 all property taxes and poll taxes become delinquent and a penalty of 10 per cent attaches to each and the tax bears 6 per cent interest until paid.

"1930 taxes became delinquent October 16, 1931, and cannot be divided in halves. House Bill No. 80, which is now being considered by the Supreme Court, provides that a taxpayer may pay his taxes without penalty and without interest if paid any day between Oct. 16 and Jan. 31, 1932. However, it should be noted that the Attorney General has ruled that that particular part of the interest accrued from Feb. 1, 1931 until Oct. 15, 1931 must be paid. This is the matter the court is asked to decide.

"All who can manage to do so will save money by paying their 1930 taxes before the end of next January, as all interest and all penalties left off by the Bill are added February 1, 1932, and on the 1930 taxes from Oct. 16, 1931 until paid. The penalty here is 5 per cent of the tax and the interest is 6 per cent per annum.

"Automobile licenses for 1932 will probably be ready on December 1. Please note that a motor vehicle which has not been registered for 1931 cannot be registered for in DECEMBER for 1932. It would either have to be registered for the month of December first before securing the 1932 tag, or wait until January 1 and then get the license."—C. B. Anderson, Tax Collector, Collingsworth county.

Mrs. Frank Whitlock, Mrs. W. A. Wilson and Jo Veta and Price Whitlock and Billie Weatherly were in Amarillo Saturday.

Mrs. Jack Killough, Mrs. Joe Bownds, Mrs. W. A. Massie and Miss Edna Montgomery were Amarillo visitors Monday.

BRONCHOS FIGHT WAY TO VICTORY IN "D" DISTRICT

Cyclones Lose to Bronchos First Time in History Except Forfeit Game

Before a crowd of 1800 Armistice Day spectators the Clarendon Bronchos downed the Memphis Cyclones 12 to 0 at the College Park. It was a battle from the first whistle to the last gun shot. Both teams played hard, clean football. The Cyclones met defeat at the hands of a superior team. The breaks of the game were about even and the weather was perfect for a football game. This was the first time in 4 years that the Bronchos have been victorious. By virtue of this victory, the Bronchos are champions of District D.

In the first half Clarendon made 6 first downs to 8 for Memphis and in the last half Clarendon made 5 to 3 for Memphis.

Clarendon's first score came late in the first period after Andis had passed to Captain Nichols a nice long pass of 25 yards placing the ball on Memphis' six yard line. After three attempts Nichols put the ball across for the first touchdown. Reid failed to kick from placement for the extra point.

In the second period Reid circled right end behind a perfect interference and broke into the open. Leslie overtook him after he had raced 63 yards. The ball was placed on Memphis' 7 yard line. It looked like another touchdown, but Nichols fumbled and Shepherd recovered for Memphis. The Cyclones carried the ball down the field making three first downs but were forced to punt. After an exchange of punts, Andis shot a long pass to Martin for 40 yards for the second touchdown. Andis failed to drop-kick for the extra point.

The second half was a battle in the air and on the ground. Passes were thrown and intercepted by both teams. Clarendon threatened again late in the third period when Andis punted and Morris grounded the ball on Memphis' 1 yard line. Steward punted out 29 yards and on the next play Clarendon was penalized 15 yards.

In the last quarter both teams opened up with all they had in an effort to score. Memphis' threatened the last of the period when Norman, substitute for Flannery, shot a 20 yard pass to Stargel which placed the ball in Clarendon territory. The Bronchos held and Memphis was forced to give the ball up on failure to make yardage.

The game ended with the ball in Clarendon's possession on their own 26 yard line.

Starting line-up for Clarendon: Ends, Martin and Behrens; tackles, Morris and Easterling; guards, T. Watson and Benson; center, McMahon; backs, Reid, Nichols, Andis and E. Watson. Substitutes: Greene for Easterling; Watters for McMahon.

Starting line up for Memphis: West and Saunders, ends; Melton and Stewart, tackles; Shepherd and Bagwell, guards; Bourland, center; Flannery, Leslie, Stargel and May, backs. Substitutes: Oren, Norman, Walker, Greene.

Officials: Vaughn, Simmons, umpire; Scheid, Baylor, referee; Walker, T. C. U., headslineman.

Mrs. Theda Ellexson, mother of Mrs. Henry Williams, left Sunday for Lake City, Iowa but will stop off at Dalhart for a visit with a daughter before visiting relatives in Iowa.

Russell Family on Extended Visit With Relatives

Mr. and Mrs. O. F. Russell and children returned home the middle of the week from an extended visit with his sister and family at Cisco, his aunt at Cross Cut, his uncle at Cleburne and another uncle at Gainesville.

Mr. Russell attended to business in Ft. Worth in connection with his several meat markets and their source of supply. He informed a Leader representative that he looked over a lot of country but saw nothing to compare with this section and was made glad that he lived in the Panhandle.

COMMITTEES ARE APPOINTED FROM ROTARY MEMBERS

Dr. Oscar L. Jenkins Was Principal Speaker With Timely Subject

Following the luncheon period Friday, Rotarians were entertained for several minutes by one of Clarendon's most talented young tap dancers in the person of Miss Mary Travis Dyer. This gifted young lady has appeared before the Club on several occasions and her art is always highly appreciated.

Dr. Oscar L. Jenkins as the principal speaker of the program period, spoke on the subject of "botulism", a bacillus that sometimes is found in canned goods. The doctor explained that victims of this poison were rare indeed, and would not have been brought out at this time had it not been reported that two people had died of such in the Panhandle. He expressed his doubts about botulism being the cause of these two deaths above referred to.

The speaker explained the best methods of selecting canned products calling special attention to the fact that the cans should not protrude at either end, and should not contain much gas when opened, etc. He also advised that all canned products be heated before eaten. This advice was prompted because of the large amount of products canned in Donley county this season.

Carl Throop of the Memphis Rotary club was present and spoke of the excellent programs of his club and offered samples of what they considered the best mental food.

A committee consisting of Rotarians G. H. McCleskey, Dr. B. L. Jenkins, Dr. J. W. Evans was appointed on the Washington Bicentennial matter to confer with the committee appointed by Mayor Cagle. It developed at this time that President Hoover had appointed Dr. Jenkins on the State Committee some time ago and had slipped his mind.

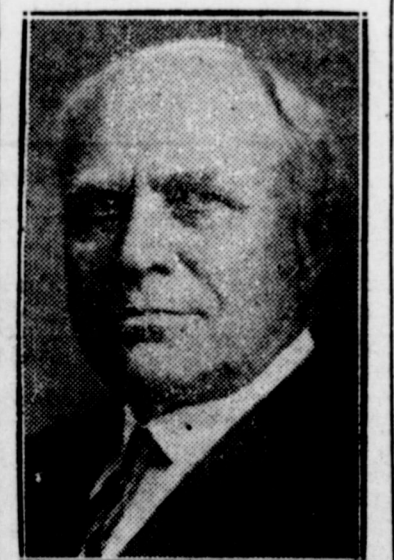

Rotarians Denzel Davis, Cecil Alexander, Arch Dyer and C. C. Powell were appointed on a committee to assist with the ticket sales of the Father-Son banquet to be held here on the evening of the 16th.

Pie Auction at Goldston Friday Night

The school folks of the Goldston school propose to show the public what a real pie looks and tastes like out their way Friday night. The auction begins at 8:30 and the proceeds is for the benefit of the basketball team.

If you have a hankering for custards, pumpkin, sweet potato and other pies spiced up and cooked by some of the very best cooks in Donley county, they invite you out and will prove it every bit.

S. M. N. MARRS

State Superintendent of Schools, S. M. N. Marrs, Austin, will introduce Commissioner William John Cooper who has agreed to appear on the program of the fourth general session, Texas State Teachers Association convention at Amarillo, November 26 to 28. Mr. Marrs will give a brief address on Saturday morning's session of the general program.

THREE MEMBERS OF LEGION SPEAK TO LIONS CLUB

Commander Nathan Cox Tells Interesting Details Of Work Accomplished

Members of the Lions club were accorded the privilege of hearing three men of the local Legion Post speak at their luncheon hour Tuesday noon.

Nathan Cox as Commander of the Post, gave an interesting account of the accomplishments of the Post over the year, and stated that the present membership had grown to one hundred and eleven. This number being more than the Post's quota and qualifying them to receive the citation for the third successive time.

Clarence E. Miller rather humorously described a part of his experiences in France while in the service, but declined to relate other things which he did not deem necessary since they had nothing to do with the World War.

Chas. B. Trent assured the Club that the Legion members were glad to cooperate in any manner with civic clubs for the betterment of the community. He also stated that the Legion was organized primarily to care for the sick and disabled ex-soldiers.

Mr. Tinney of the state blind institute of Austin explained the work of the institution in which he

WIFADASOS CLUB OF HEDLEY ELECTS NEW SET OFFICERS

Will Sponsor a Meat Canning Demonstration November 24 At John Autil Home

The Wifadasos H. D. club of Hedley held a business session for the purpose of electing officers Tuesday at the home of Mrs. J. W. Swinney, president of the Club.

As a result of this selection, Mrs. John Autil becomes president of the Club for the ensuing year. Mrs. Joe Crawford was the choice for vice president and Mrs. W. E. Grimsley is to serve as secretary-treasurer. Appointments to be made by the new president will be announced later.

The Club will sponsor a meat canning demonstration at the home of Mrs. John Autil beginning at 8 a. m. on the morning of November 24th. This demonstration will be under the supervision of Miss Martha Buttrill, county H. D. agent. Seven different recipes are to be used.

The Club invites all those interested in meat canning, whether club members or not, to attend this all-day session. Coffee and sandwiches will be served by the members of the Club.

CONFIDENCE IS COMING BACK

There was a buoyancy about the big crowd of buyers in town Saturday that lent further evidence to the oft repeated statement these days that "confidence is coming back."

Clarendon saw her biggest crowd of buyers Saturday that she has seen in many, many months. While the purchases in the main consisted of life's necessities, many of the so-called luxuries were purchased.

And why not? Wheat has advanced more than a quarter of a dollar and cotton has gone up from seven to ten dollars a bale from the extreme low level this year. Cotton seed has about doubled in price over a sixty day period. When the farmer becomes more prosperous, we all prosper. If he is down and out, we are all down and out.

Nationally speaking, there is more building being done right now than for the same period of the past two years. Factories long idle are again humming—there is a demand for factory products.

Along with the upward trend of prices, oil and gasoline and food commodities are steadily advancing. Real estate, always the last to feel the effects of a rising market in recovering from a crash, will soon begin to advance and many will regret not having purchased at present low levels.

The old economic ship is righting herself for another era of smooth sailing until the Almighty again becomes disgusted and takes us all to a mighty shakedown. Many fortunes have been lost and men past middle age will find it hard to again climb the ladder. With confidence in himself and humanity, this is possible.

SPECIAL SUBSCRIPTION RATE CLOSES

Saturday, November 14th is the last day on which you can buy the Donley County Leader for one dollar a year. This is fair warning. Look at the date on your paper, and if the last figures do not read "32", get busy and make a saving by paying up right now.

Remember, that if your name is dropped from the list, it is your fault. We have extended every opportunity possible during these trying times to help every reader stay on the honor roll.

We had an egg campaign and that enabled a lot of folks to square up. Then the wheat campaign helped our wheat growing friends. Those who did not have either of the above, were given an opportunity when the canning season was at its best. This present rate is to help the cotton growers.

Of course you don't have to be a cotton grower to take advantage of this offer—it applies to every one alike, both new and renewals. It is our intention to give every one a fair, square deal if we know how.

Your county paper is one of the family necessities. You owe it to yourself and your family to spend a dollar for something that the whole family can and will enjoy. The Leader brings you "all the news that's fit to print" every week.

We avoid giving offense so far as possible and there is nothing in the Leader that will offend. Risque stories and other trash that would be a detriment to any one is refused space. It is our idea to provide the family with clean, wholesome reading matter from which pleasure and profit may be derived.

Next year county, state and national politics will be hot. Keep informed through the Leader. Bring or send that dollar in now—today.

MISS FLORENCE HALE

Miss Florence Hale, president of the National Education Association and state rural school supervisor, Augusta, Maine, will address the second general session of the Texas State Teachers Association convention in Amarillo, Thursday afternoon, November 26. Miss Hale will speak also to several sectional meetings on the following day.

THE NEXT CONGRESS

By Marvin Jones The next session of Congress promises to be an interesting one. The House is almost evenly divided between the two parties.

If the Democrats should organize the House, John N. Garner will be elected Speaker. He has served in Congress for thirty years, knows all of the ins and outs and is the dean of the Texas delegation.

Texas has been in the Union since 1845 and has never had the speakership. It would be a rare pleasure to address a Texas man as speaker for the first time.

Many important questions will be presented. One of the chief of these will be the money question. A little group of men have perverted the Federal Reserve System from its original purpose, and have again centered the money control in the hands of a few men in the East.

There are a number of contributing causes to present day conditions, but the chief one is the contraction of the currency.

TEMPLE OF TRUTH
 By the Apostle

By golly! The Apostle is doing some tall studyin' these days. With the Smith and Roosevelt sham battle going on, and the Japs and Chinks getting mixed up, it looks like a hard winter ahead.

In his younger days, the Apostle remembers one time that while hunting with his muzzle loading shotgun, he ran out of shot. This forced him to ram down the powder, carefully place a cap and use his ramrod instead of shot. There was a big bunch of duck on the tank and we raised old "Betsy" and pulled the trigger. Well sir, that gun kicked us into the tank but when we crawled out, we found fish in both of our boots, and later found that we had "rung up" ten ducks on the ramrod, having shot them all through the head. Not a bad day at that.

That dern billygoat has scrambled our turnip patch again. Our boyhood friend, Ed F. Bulls, had to spill the beans in the Bellevue Times last week by relating an ancient panther hunt. Here it is just as Ed tells it:

"Apostle, have you forgotten that time when we were out on a big hunt one dark night and got lost in the jungles of the West Fork river, and the dogs had gone out of hearing and we were attacked by a huge panther? The panther first began scenting us a mile behind us and we could hear him hollering louder and louder as he would come closer until finally he stopped and we thought he had lost our trail until he gave an earthy yell right in 20 feet of us in a deep hollow with straight-up mountains on each side. We did not have a thing to defend ourselves with but the rocks that were all about us and Apostle was so frightened that he began to pray, for it looked like something had to be done and we had to have some help other than those stones. Scared as bad as we were we still remember the prayer Apostle sent up very fervently, and it was something like this: "Lord help us, for we need help. But Lord, if you won't help us, don't help that big cat and you will see the darndest cat fight ever seen since creation."

That's what Ed has to say about it, but he does not relate the whole story. When the Apostle got tired of waitin' on the Lord to act, he got down on all fours and faced that cat like he had faced the Goodwoman in many a pitched battle. He had just been telling Ed all the way up the creek how he used to ride Mexican lions and whip them with rattlesnakes.

Well, we faced the cat. When his mouth opened it looked like Carlsbad cavern with rows of icebergs for teeth. Our eyes got big as saucers and bugged out until you could rope 'em with a grapevine. All the time we could hear Ed aggin' on the panther from the rear and at the same time remind-

ing us that we had whipped lions with rattlesnakes. Ed wasn't tryin' to keep peace in the family—not a bit. He was hungry for a scrap.

At this moment we heard Ed say "We're lost shouted the captain as he staggered down the stairs" and Ed skinned up a sapoak. The Apostle's reputation as a fighter was at stake—and also his life. Something had to be done and that done right now. We made a lunge in under that blamed cat and grabbed him by both hind legs and took his tail in our teeth. Swinging him clear round a few times we wrapped the blamed cat around a hackberry that practically ruined the cat.

The dogs landed about this time and took charge of the cat while we backed off and spit out tail hair. Looking safer, Ed climbed down out of that tree and said: "Well, 'we' killed a panther if 'we' don't get anything else." All we got to say now is, that we made our promise good to put on the "dangdest catfight since creation."

We claim no special honors for whipping a panther. It was due to two things: Ed's naggin', and the training received at home. Ever since, all important events of Jack county are dated so many years before or after the cat fight—not years.

And another thing, Ed claims that he lives in Clay instead of Jack county. Heck! Out here it is an honor to claim Jack county as the old home place. If a man out here lived within ten miles of the Jack county line, he claims citizenship. We can't say anything against old Clay because we found the Goodwoman there, but when that red mud is wet and they have to put the turkeys on stilts, we don't see that the "Bard of Newport" has very much to brag about. Come out Ed, visit the brother, and we will show you a country that the Lord made when he was really doing his dead, level best.

As a neighbor, Ed F. Bulls ranks A-plus, as the moderns would say. When we had the itch and Ed found out we were scratching with corncobs, he loaned us a curry-comb—the first we had ever seen.

A lot of folks are paying for the Leader now to be sent as a Christmas present to some one else. Mighty good idea. A present for the whole family for a dollar. If you don't want to let 'em know who sent it, we will mail them a postal for that purpose and tell them that you are remembering them 52 times during the year.

W. J. Heim is the lucky man to get the free washing, greasing and polishing job at the Clarendon Motor Company this week.

"You needn't tell me
 —I know Camel is
 the fresh cigarette!"

Never parched, never toasted
CAMELS are FRESH
in nature's own mild way!

EVERYONE knows now that Camels are the *fresh* cigarette.

If inquiry went deeper, it would reveal that Camels are the *natural* moisture cigarette.

That's important, because in handling fine tobaccos, when you process out natural moisture, you sacrifice freshness and flavor too.

Camel smokers needn't worry about that, because Camels are blended of fine Turkish and mild Domestic tobaccos that are never subjected to violent processing. They need no parching or toasting to make them smooth, palatable, cool.

That's why the Camel Humidor Pack is such a boon to Camel smokers—it preserves the *freshness*, flavor, natural moisture, fragrance that are in this fine cigarette to start with.

Camels are *fresh* in nature's own mild way, and if you want to see what that means in unalloyed smoke-enjoyment, switch to them for just one day—then leave them, if you can!

MOTHERS' CLUB
Mrs. Clyde J. Douglas was hostess to the Mothers' Club when the members met in the Club Room Friday afternoon.
Mrs. J. R. Porter as leader read a paper on "Characteristics of Drama Today."
Mrs. Fred Buntin gave the 3rd and 4th Chapter on Character Training.

Mrs. W. W. Taylor spoke on the subject of "Our Stage of Today."
Mrs. Richard Wilkerson sang a solo with Mrs. John M. Bass as accompanist.
A delicious salad course was served at the close of the program period.
Visitors were Mrs. A. L. Chase, Mrs. Keith Steagall and Mrs. Joe Goldston.

FRIENDSHIP CLUB
Members of this club were entertained by Mrs. J. H. Harris at her home Tuesday afternoon with Mrs. Royce Hall assisting.
The main feature of the afternoon was the miscellaneous shower given Mrs. M. E. Thornton as a token of appreciation of the service she has rendered the Club as secretary. She received many practical and useful presents.

Late in the afternoon an appetizing plate luncheon was served to the twelve members and guests who were Mrs. Victor Smith and Mrs. Harry Ruddell.

NEWLYWEDS SHOWERED
The young people's Sunday school classes of the Baptist church gave a party and shower Friday night complimentary to Mr. and Mrs. U. Z. Patterson, who recently married.
Mrs. G. G. Kemp graciously opened her home to these young folks. The rooms were decorated with yard flowers.
As the guests arrived, each was given a printed joke to read starting the atmosphere of merriment.

Misses Pauline Shelton and Jonnie De Latson were first on the musical program in a piano duet. Mrs. Joe Goldston gave a reading and Miss Gertrude Shepherd a piano solo. Miss Eunice Johnson delighted with a reading after which a vocal trio composed of Misses Elizabeth Kemp, Carol Holder and Jean Bourland added further enjoyment.
An appropriate reading by Mrs. W. C. Stewart was a pleasing number as was also the "ukelady" duet by Miss Elizabeth Kemp and Eunice Johnson.

Dressed as bride and groom, Dewey Tom Heath and Iretta Cannon, little tots, appeared in a covered wagon bearing the gifts while Miss Pauline Shelton played the wedding march. O. C. Watson gave a toast to the newlyweds after which a delightful salad plate was served to about sixty guests. The bride and groom are very appreciative of the large number of beautiful and useful gifts received from their friends.

KONGENIAL KARD KLUB
Mr. and Mrs. Chas. B. Trent entertained the members of the Kongenial Kard Klub at their home Wednesday evening.
Mrs. C. E. Miller received high for ladies, and Mr. Miller high for men.

Those playing were Messrs. and Mesdames Forest Sawyer, P. L. Chamberlain, Chas. M. Bell, C. I. Price, C. E. Miller, Ira Merchant.
A lovely refreshment was served at the close of the games.

DANCE and BRIDGE PARTY

CHILDREN CRY FOR IT—
CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. And this pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.
When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.
Castoria is sold in every drugstore; the genuine always bears Chas. H. Fletcher's signature.

PHIL JACKSON

The subject of this sketch first saw day in Polk county, Arkansas the 8th day of June, 1851. A pioneer by nature, he migrated to Central Texas while yet a boy in his early teens.

At the age of fourteen he suffered his first great sorrow, that of being orphaned. At about the same time his second misfortune robbed him of his left leg. These sore handicaps were overcome by the tenacious lad a pioneer "after the manner born" and with sheer grit and a strong will to succeed in life, he set about educating himself without means and with little opportunity.

His education came largely from the school of experience, and with close study after work hours, his efforts were finally crowned with success when he became a school teacher, a profession or avocation which he followed successfully for ten years.

A character of this type was not without warm friends from his youth up, and next we find him entering politics in Hood county, being elected to the office of county clerk where he served his neighbors and friends with satisfaction for a period of eight years. So well did he perform the duties of the office of clerk, that he acceded to the wishes of the large majority and was elected to the office of county judge presiding over the county's judicial affairs for the next four years.

As a man of broad vision, industry and studious habits, he was called by his people to serve them in a large capacity by being elected to the Legislature during the administration of Governor Lanham. Stumping about the corridors of the Capitol, this man of jovial disposition became a favorite with his co-legislators and many a tedious situation was made smooth by the diplomatic maneuvers of this man who never recognized defeat in any of his undertakings. Some of the more meritorious legislation of this session is directly traceable to the patriotic devotion of this man who never forgot the welfare of his constituents.

With a family of children whose welfare was ever his first consideration, we next find our subject seeking a section of larger opportunities for them and the beginning of another pioneer existence bringing him to the Panhandle in 1905. Again his better judgment was exercised when he established the family home in Clarendon for the first year until he "could get his bearings" in a section of country new and untried.

The following year opportunity beckoned him to Lelia Lake where he built the first home and established the first mercantile business in the new town. Here he prospered and made friends but again the welfare of his children caused him to move the family home to Canyon in 1916 for better school advantages.

Canyon was home to the Jackson family until in 1922 when this man of iron courage moved to California and again assumed the responsibility of becoming acquainted with a new country. Retaining property

interests in Texas, visits were made at intervals, and visits called him to Lelia where his daughter and family continued to make their home.

Making his last visit to Lelia in the company of his son Lanham in October, he fell ill the next day after his arrival and passed to the Great Beyond October 21, 1931 at the home of his daughter, Mrs. L. B. Noble. By fate's strange decree, this noble character passed his last hour under the loving care of his only child living nearer to California. Friends bore the body of this nobleman to Canyon where was laid to rest the mortal remains of a friend to the needy, a citizen who gave unstintingly of his time and means for the good of his country, and whose every thought was for the pleasure, happiness and comfort of his family.

Mrs. Ethel Rutherford Hays

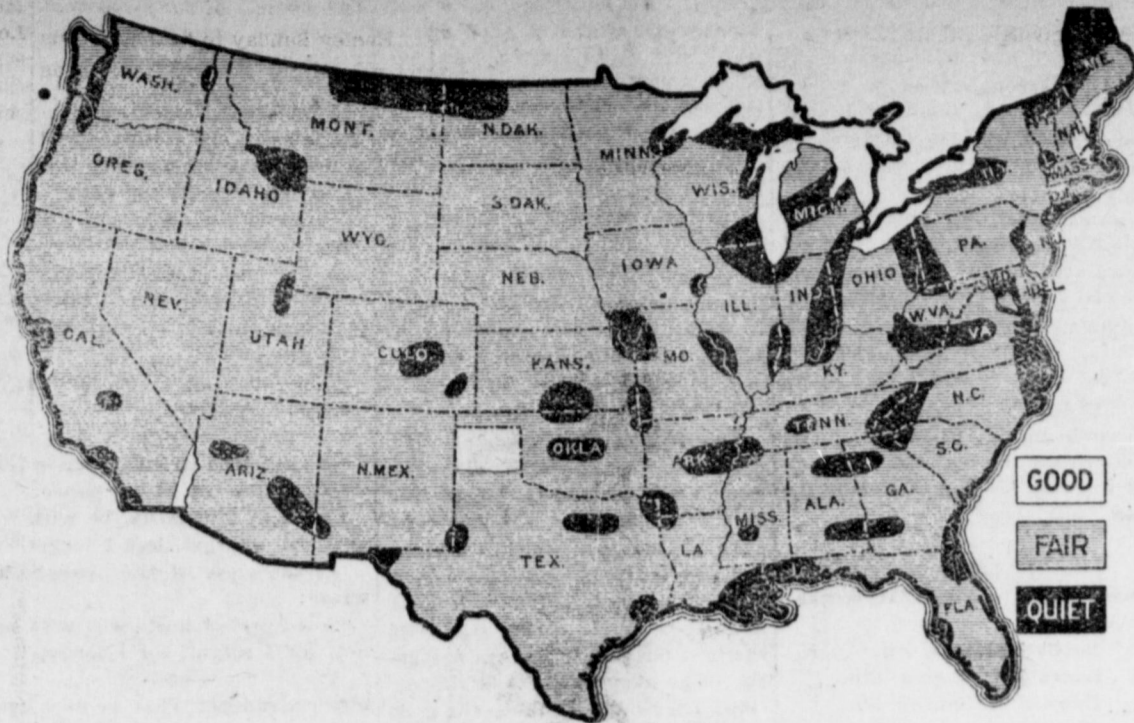

Mrs. Hays is the daughter of J. H. and Alice Rutherford being born at Graham, Texas, May 13, 1895. The family home was moved to Clarendon in 1899 and Ethel Rutherford became a school girl steadily advancing until graduating with honors in the class of 1912. She attended a summer session at old Clarendon College and taught school for a term.

Because of her wide acquaintance and genial disposition, she was prevailed upon to abandon her chosen profession of teaching and enter the business world by accepting a position with the D. P. Ross store. She later filled positions with credit to herself as a saleslady in the firms of Baldwin Bros., Strickland-Story. Her counsel was sought and advice readily accepted and appreciated by her employers.

In 1923 she again entered upon a new career by embarking in a business all her own. She conducted her millinery and ladies ready-to-wear store with every success until failing health compelled her to dispose of this business.

She sought a climate more beneficial for tuberculosis treatment and chose El Paso. Contrary to her hopes and the wishes of sincere friends, her health did not improve as expected and she became a patient in Homan Sanitarium of that city.

In November of 1930 she became the wife of B. L. Hays of El Paso. From that time on the two of them

This map represents business conditions in every state in the Union as set forth in the November number of Nation's Business, official publication of the Chamber of Commerce of the United States

sought to fight against the dread malady and traveled much over the western states. The heroic battle to regain her health came to a close on the evening of November the third and her body was laid to rest in Rest Lawn cemetery at El Paso at sundown the next day in the presence of a large number of sorrowing relatives and friends.

Ethel, as she was known in Clarendon where her friends were legion, gave the best years of her life to the service of others. No call for assistance went unheeded and many are those today who will shed a tear in kindly remembrance of the frail girl who gave freely of her means and time that others might be made happy. There was no more loyal friend than she, and to prove it was her natural inclination and pleasure. Ethel has gone to dwell with the angels and mother, and the world is much better that she has lived.

Father of Mrs. Parker Dies At Home in Newport

W. T. Cleveland, father of Mrs. Presley Parker of Clarendon died last week at Newport, Clay county and was buried Wednesday.

Mr. Cleveland had been a resident there for over 40 years and most of that time had conducted

a blacksmith shop in Newport. He made hundreds of friends in that section, and these and many Donley county people who formerly lived down there, will regret to hear of his passing. He is said to have died as a result of the second apoplectic stroke.

PLEASANT VALLEY

Mr. and Mrs. Whitt and daughters motored to Baileyboro and Littlefield Saturday to inspect their land holdings, returning home Sunday.

Mr. and Mrs. J. J. Goldston of Clarendon were callers in the John Goldston home Sunday.

Quite a number from this community saw the football game at Clarendon Wednesday.

Mr. and Mrs. Aubrey Thompson of Clarendon visited his brother P.

O. and family Friday night. Mr. and Mrs. Lee Singleterry are spending the week in the Sid Morris home.

Eldon Mitchell, formerly of this community and now living at Panhandle, was seriously injured in a football game between Wayland College, where he is attending school, and the Roswell Military Institute. His skull was fractured and for some hours it was thought he could not recover. At last reports he is slowly improving.

The Mitchell family lived in this community for years and their many friends here regret the misfortune that has befallen Eldon.

Mrs. Hall Riley spent Monday with her parents, Mr. and Mrs. Stock Lambertson.

Mrs. Nelce Robinson and father, H. Beach, recently visited his mother on the occasion of her 86th birthday at Sadle, Texas.

Mrs. Terry and Mrs. Clyde Os-

burn of Clarendon spent Tuesday with Mrs. Romeo Derrick.

Mrs. Finis Harp Passed Away Early This Afternoon

After suffering for more than two weeks, Mrs. Harp died about two p. m. today. Death had been expected for several days.

She leaves a husband, seven children and a number of other close relatives to mourn her passing. No funeral arrangements have been announced up to the time of going to press.

Mrs. Henry Tice of Wellington is spending the week with her parents, Mr. and Mrs. A. H. Baker.

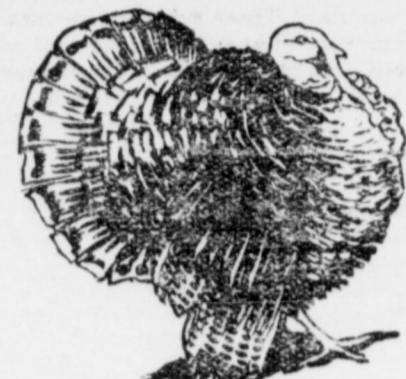

Mr. and Mrs. Longley and little Doris Jean returned home Sunday after a visit with relatives at Seymour.

Mayo Family Makes a Good Record Pulling Bolls

Youngsters of the Mayo family living on the C. H. Bugbee farm have made some fine records gathering cotton this season. Considering the ages of these young folks, the record is thought to be extra good.

Snapping cotton on the Tom Kennedy farm, Orbie Mayo, aged 21, gathers around 1100 a day. Orbie in addition to being a good hand in the field, did just as well in school making an excellent record in his studies.

Chester and Milton Mayo each get around 835 pounds of snapped cotton a day. Chester is 16 and Milton 14. Drucilla, the small sister aged 11, is also some cotton snapper herself and has gotten around 400 by her efforts in a single day.

I am now ready for your turkeys. The Thanksgiving market will be open only for a few days. Bring in all your No. 1 Turkeys. Would advise holding underweights for later market.

Our New Name

Say folks! You've heard of "Footprints on the sands of time"—well, here goes our first "Footprints"—at least our first printed footprints—however paradoxical that may sound.

You citizens of Donley county have heard for many years of the Lelia Lake Zebras that roamed the plains of Basketball and Interscholastic League meets. But how many of you know just where we have hoisted in the Fields of Literature, History and other school subjects? Now if you will just follow our "Footprints" as found here each week, we hope you may trace our progress through literary, athletic and social fields.

Rotary Club Donates Books

On last Friday at Chapel, we received a very pleasant surprise. While we were busily engaged in turning some new yells, we noticed the appearance of two visitors, Dr. E. L. Jenkins and Mr. J. C. Estlack, editor of the Donley County Leader at Clarendon. Mr. Thomasson called the school to order and we waited to see what would happen next. Mr. Estlack stepped to the platform carrying a mysterious looking package.

He made a very interesting talk, and a very encouraging one. Instead of making us wish for the "good old school days" about which we've heard so much, he made us glad that our "Three R's" now are "Rah, Rah, Rah!" His words of encouragement to teachers and pupils were appreciated.

And then he opened that box which had been quietly "eying", and in behalf of the Rotary Club, presented a beautiful gift to help make our work more interesting—a spic and span new set of books, "The Outline of Knowledge."

We are indeed grateful to the Rotary Club for this set of books.

We realize that a mere "Thank you" is not a really fitting response. So we content ourselves with merely an oral response for the present; but we hope to see the books that the members of the Rotary Club will realize we have appreciated the privilege of using them. We plan to care for them and use them to such an extent that we will be better informed, more intelligent and more useful citizens.

To Dr. Jenkins, we would like to say we are always glad to have you visit us. We enjoyed your talk on "What the Rotary Club Stands For." We are beginning to see what the club stands for. So come again; our latch string is on the outside.

—Oleta Camp.

Scandal! Seniors in Court

What an air of mystery surrounded the Lelia Lake school last Monday! Not a Senior or Junior in sight! Of course the younger pupils were alarmed; but when they heard the cause they learned the Seniors were in court!

But it was nothing serious. Mr. Thomasson, the school superintendent, took the civics class to court last Monday to hear the trial of Henry Mer who killed Bryan Noll at Ell, east of Memphis. They all enjoyed it very much. They said they would like to go every day, for it beat having lessons.

More New Library Books

We are very grateful to Miss Potter, one of the high school teachers, who has made quite a contribution to our library.

Our library, tho not as large as those of larger schools, is a well chosen one. We are proud of it. But we are always in need of good books and appreciate donations and loan of new books.

Miss Potter has lent a dozen or so of Spanish books to the library and has donated the following:

After the elections, each officer was called on to make a talk. The officers expressed their appreciation for the elections. Miss Hill gave a very interesting talk on clean sportsmanship. She urged that the pep-squad be ready to yell for a team, regardless of who it was. We wish to say that we are clean sportsmen.

The purpose of the pep-squad is to teach the student body to be friendly and not sarcastic.

Boy's Athletic Report

The boys have not made as much progress in basketball, as we would like to have due to the absence of several active players. However, we have a small but faithful group working out each day and these boys assure us that they will do all in their power to make our team the best possible. The boys are going to go over this season if possible. They intend to keep the good spirit of fine sportsmanship and reach a wonderful goal they have in view.

The Ex-Zebras are going to play the school team Thursday afternoon. Look for the score in next weeks issue.

Girl's Athletic Report

The basketball girls are practicing steadily and enjoying their work. We have a pretty good team but Mrs. Thomasson says we have room for much improvement, yet. Mr. Weatherly has assisted us quite a bit by refereeing while Mrs. Thomasson watched from the side lines.

Friday at noon the first team played the boys. The girls were defeated but we still have plenty of hopes for winning some games. We shall not be allowed to play with the boys very often, because it would cause us to be too rough. It is good practice though.

Miss Othel Walling has been elected business manager. She will have charge making matches for our games. Mildred Tunnel was elected team captain.

The Junior girls under the direction of Miss Garland are playing volleyball, and are showing much interest.

Miss Hill has charge of the smaller girls who are playing baseball.

Humor

Ruby Jewel— "Oh, that monkey looks so like Noble."
Oleta— "Shame on you for making such a remark."
Ruby Jewel— "That's alright, the monkey dosen't understand."

Teacher— "Why do we use soap?"
Bobbie— (Feelingly) "That's what I would like to know!"

Effie Dean

Effie Dean, after reading the questions propounded in an examination on mathematics, wrote across the face of her paper, "The Lord knows the answers to these questions; I don't 'Merry Christmas

A few days later the paper was returned to her and scrawled in blue pencil below her own notation were the words:
"The Lord gets 100; you get 0.
Happy New Year."

C. A. who was writing a civic test

At the close of the paper he wrote:
"Lord God of hosts was with me not, for I forgot, for I forgot."

Superintendent: What we need here in this school system is brains.
Mr. Weatherly: Yes, one dosen't have to be here long to understand your difficulty.

Mr. Waldron: "And so we find that heat expands things, and cold contracts them. Can anyone give me an example of this?"
Gerald: Yes sir, the days are longer in the summer.

Pauline: "Father, I've a notion to settle down and go in for raising chickens."
Father: Better try owls. Their hours suit you better.

Harold: "I believe this school is haunted."
D. W.: "Why?"
Harold: "They'er always talking about 'school spirit'."

Locals

Mr. and Mrs. Thomasson spent Sunday in the home of her parents. Miss Inez Wood spent Sunday with Miss Edna Putman.

Miss Lorene Howard visited in the Darnell home Sunday.

Miss Othel Walling spent Sunday in Hedley.

The Senior class will be glad when the Humberd girls can return to school, as they are missed very much.

Pauline Darnell has not been to school this week. We hope she will be able to return Monday.

Oleta Camp was ill Tuesday and was unable to come to school.

The Freshman class was very glad to have Billy Howard return to school Monday.

There has been a great disappointment for some of the pupils this week, but most of them have survived.
Friday afternoon the basketball girls played against the boys. The score was—guess what—in favor of the boys. This made the boys think they were about 'it', but the girls didn't think any more of them.

Fourth Grade Doings
This week we have been making Christmas gifts. Please do not ask any questions.
We had a spelling match Friday afternoon—the boys against the girls. The boys won.

We are all playing baseball now. We find it lots of fun.

Good Citizenship in Lelia Lake School—An Editorial
Good citizenship means we are established in making a better government. On the school grounds of Lelia Lake we have many chances to show whether we are making good or bad citizens. If we help make the people around us angry when we lose in an athletic event we are making ourselves bad citizens; but if we cheer and help others not to get angry, whether we win or lose, we are making good citizens of ourselves and others. No matter what we do on the school ground we are either making of

ourselves and others good or bad citizens. If we are prompt in our school ground duties, and prompt in following instructions we are learning one of the important principles of citizenship.

In the class rooms we should be polite to others, wait until our turn to do things, and try to keep the rooms and equipment clean and unscarred or torn. We should try to make the class room pleasant to ourselves and others. We should try to have all our lessons prepared when they are supposed to be. In this way we put into practice some of the things we have learned that are necessary for success.

In our social duties in school, we should plan not to have our social affairs when they will interfere with our school duties or other pupils' duties. If we do, we will be showing poor citizenship. We should be polite and friendly to all our classmates and teachers. In this way we will make better school citizens of our selves and others.

Leory Leathers

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.

obligation of the citizen to the state; to preserve the history and incidents of our participation in the war, and to cement the ties of comradeship formed in service. A similar meeting is to be held in the States during April and later this fall or winter it is contemplated that a permanent organization will be effected in the States.

"This association has the approval of the representatives of the entire A. E. F. and we intend to keep it free of all politics and policies except as outlined above.

"We, the members of the executive committee from the 36th Div. would like the names of all members of the Division who are interested, with your organization address, and also your permanent home address, in order that we may send you literature from time to time and keep you posted as to the aims and progress of the Association.

"Send your name to either of the undersigned:

"C. W. Nimon, Colonel, Infantry, U. S. A., 111th Trn. Hd. Home Address, Gainesville, Texas.

"L. H. Everidge, Reg. Sgt. Maj. Div. Judge Adv. Office, Home Address, Blue Ridge, Texas."

Among other items in the paper is the usual apology for a "short issue" of less than eight pages because of the plant being in process

of moving to Le Mans. The reader is no doubt pacified by a further statement that "mail will be waiting for you at Le Mans."

Other bits of interesting history will be published in the Leader next week. Those who have papers published during the war under similar circumstances, are requested to lend them to the Leader. The papers will be carefully guarded and returned in good condition.

Three Members—

was employed as an instructor. He also gave an account of the two youngsters sent there by the Lions club, and complimented them for the meritorious service toward relieving distressed humanity.

Lion McGogons of Dallas made a splendid talk on the organization and its work. He spoke of the accomplishments of his club in Dallas and offered suggestions that were appreciated.

Frank A. Stocking and John G. Hutton were present and there was quite a bit of discussion about the football game to be played the following day.

Mr. and Mrs. Reagan Bryan of Turkey visited relatives in Clarendon Sunday.

Mrs. M. W. Mosley and Mrs. Vestal Mosley and small son J. E. were Amarillo visitors Monday.

County Superintendent Urges Convention Attendance

In speaking of the State Teachers' Convention that will convene at Amarillo for a three-day period November 26-27-28th, Mrs. Nora McMurry, county superintendent of schools urges all teachers to attend this Convention.

A number of leading educators are to appear on the program and much may be gained by attending the Convention according to Mrs. McMurry. Another attraction will be the celebrated Simmons Cowboy band under the direction of, D. O. Wiley.

She also states that the school tax situation is distressing and urges all who can possibly do so, to pay school taxes as early as possible.

Marue Trostle is Captain Of T. W. C. Basketball Team

A photo reprint in the Star-Telegram of November 12th pictures Miss Marue Trostle of this city with five other young lady captains of the various basketball teams of Texas Women's College of Fort Worth.

Miss Trostle, daughter of Mr. and Mrs. T. E. Trostle, is captain of the Juniors. She played excellent ball in the local High School and College of Clarendon and was one of the most proficient players on both teams.

Unique Service Sunday Night At Methodist Church

Rev. E. B. Bowen, pastor of the First Methodist church held a very interesting service Sunday evening and unique in that the subject was discussed by several and was based on a football version applied to every day life.

The young folks were in charge of this special service James Smith speaking on the subject of "The Kick Off."

Thomas Clayton had assigned him the subject of "Two Yard Line."

Benton Smith was assigned the subject of "Dirty Players."

Phifer Estlack spoke on the subject of "Team Work."

Rev. Bowen based his talk on "The Game of Life."

The music was supplied by a mixed octette composed of Helen Martin, Carol Holder, Frances McMurry, Jean Bourland, Bill Word, Sam Cauthen, James Smith, Elbert Bowen, directed by Miss Anna Moores with Miss Fray Stallings at the organ.

Mrs. Clarence Whitlock is visiting relatives in Spearman.

Lelia Lake Public School Sponsors School Paper

The first effort of the pupils of the Lelia Lake school to show the public what they can do in the matter of a first-class school paper, appears in this issue of the Leader under the title of "Zebra Footprints", a selection of the pupils.

Mrs. W. V. Thomasson has accepted the responsible position of faculty advisor. Effie Dean Bullard is Editor in Chief and Le Roy Leathers is her assistant. Eight other pupils are also on the editorial staff, all of whose names appear under their Masthead.

The efforts this week is up to the standard, in fact better than many will expect for beginners exploring a new field, and sponsored by those having no previous experience. The Leader appreciates the fact that it has been selected voluntarily to supply these school folks a medium of expressing their talents, and to tell all Donley county what Lelia schools are doing.

Mrs. W. T. Hayter and Mrs. Eula Cox visited friends in Amarillo Tuesday.

Legionists Hold Interesting Session Monday Night

Members of Aubyn E. Clark Post started in to fill their quota of 110 members, finishing up the job Monday night with 111.

This is the third time the Post has gone over the top and again entitles them to a national citation by the National Commander. The Post has the largest membership list in history at this time.

Plans were made at this meeting for the parade Armistice Day.

Mrs. O. T. Smith is attending the state convention of federated clubs.

Mr. and Mrs. G. L. Boykin and children visited relatives in Spur returning home Sunday.

Jim Warren, formerly in the insurance business here, is moving back from Amarillo this week. He has rented the residence of Mrs. Huntsman near the Rowland place.

Mr. and Mrs. Marion Cox and children of Panhandle and Mr. and Mrs. Henry Tice of Wellington spent Sunday with the ladies' parents, Mr. and Mrs. A. H. Baker.
