Minister and Wife Visit Parents Here

Rev. and Mrs. Carroll Holtzclaw were here over the week visiting his parents, Mr. and Mrs. W. B. Holtzclaw, other relatives and friends.

Rev. Holtzclaw is full time pastor of the new Immanuel Baptist church in Abilene. A pastor's home is to be constructed soon completing the church unit. This young couple is well known here where the minister grew to manhood, and his wife was formerly Gertrude Shepherd, daughter of a popular pastor of the Baptist church here some years ago.

Old Time Resident Visits In Clarendon

S. N. Pool of near Houston, old time Clarendon and Donley County citizen, visited relatives and his many friends in Clarendon this week. Mr. Pool was for a number of years employed by the city, and tended the streets and operated the street sprinkler here in the old days. This is his first visit in 22 years. He is a brother of the late J. A. Pool of the Martin community.

Mrs. Hefner Returns Home

Mr. and Mrs. A. O. Hefner returned home early Monday from Ruidoso where Mrs. Hefner has spent a portion of each year for several years for health benefits. Mr. Hefner tells of floods in the alleged desert, a tourist trailer being washed over in a dip west of Roswell.

Civil War Veteran Returns To Hedley

Nonagenarian Will Celebrate 100th Birthday In March

T. L. Lovelace, 99-year old civil war veteran, returned to his home in Hedley recently after an extended visit near Floydada.

The nonagenarian, with a brother, saw service with the Union army during the civil war while his father and another brother fought with the Confederate forces.

Born in Tennessee in 1838, Lovelace will celebrate his 100th birthday next March. He moved to Texas in 1886 and came to Donley County in 1901.

Lovelace devotes most of his time visiting relatives and this summer hoed cotton to show the young ones his youthful spirit. He walks five miles a day to keep in good physical condition, he says.

Methodists To Have Sermon Series Next Week

A very unique series of special services are to be held by the Methodist Church next week, with services each night and a sermon by a visiting minister. The speakers for the services are announced as follows: Monday evening, Rev. Ansil Lynn, pastor at Estelline and for some years missionary to Africa, who will speak on missions. He will be accompanied by his twelve year old son who is a musical genius and will play a short program of organ music before the sermon.

Tuesday night, Rev. O. W. Carter, pastor at Memphis. Wednesday night, Rev. Lloyd H. Jones, pastor at Lefors. Thursday night, Rev. Hubert Thompson, pastor Tenth Street Church, Amarillo. Friday night, Rev. Lance Webb, pastor at Shamrock. This is a fine group of young ministers. Their messages will be fresh and inspirational. We expect good congregations to hear them. The services will be at 7:30 each evening.

This series of special services is in connection with Benevolence Week, Sept. 19-26, during which the church will raise the Benevolent Budget of \$1380.00. Committees will canvass the entire membership for subscriptions and contributions. The Clarendon Methodist Church has built up a reputation as a missionary minded congregation, carrying a total missionary and benevolent budget of approximately \$2000 annually, which is perhaps the largest of any Methodist congregation in this section.

The general public is very cordially invited to attend and participate in the series of services.

The pastor will preach at both services Sunday, 10:45 a. m. and 7:00 p. m. Note the change in the evening service to 7 o'clock.

Stanley Conner Returned Home Monday

For days no hope was held for the recovery of Stanley Conner who was taken to an Amarillo hospital. Complications followed an appendix operation. He was returned to his home at Hedley Monday by his brother-in-law, G. C. Heath, much improved.

F.F.A. Boys To Have Soil Erosion Exhibit At Tri-State Fair

Soil conservation and its importance will be featured by the Donley County F.F.A. Club in an exhibit at the Tri-State Fair which opens Monday.

The exhibit points out forcibly the amount of soil erosion in the United States, and lists the practices that may be followed in saving soil that is eligible for trials. J. R. Gillham, advisor, said.

In addition to the educational exhibit, the local chapters will show a number of agricultural specimens, including grains, heads, watermelons, cantaloupes and fresh vegetables.

TRI-STATE FAIR OFFERS BIGGER BETTER ENTERTAINMENT THIS YEAR

Donley County Will Be Represented With Her Best Agricultural Exhibits In Many Years. \$25,000 Is Being Offered In Cash Premiums

Monday, September 20, marks the beginning of a week's holiday for the Panhandle of Texas, eastern New Mexico and western Oklahoma.

The crystal celebration of The Tri-State Fair begins on that date in Amarillo and will continue through Saturday, September 25.

More major attractions than ever before presented at one time in this area will be at the exposition.

In front of the enclosed grandstand on an elaborate stage, with special scenery and lighting effects, "Passing Parade," a musical comedy and revue will be presented every night.

World-famous, the Hardin-Simmons University Cowboy Band will be on the exposition grounds throughout the week, giving concerts in front of the grandstand afternoon and night.

HIGHWAY CAPTAIN URGES SAFETY IN TALK TO SCHOOLS

38,500 Lives Lost In U. S. Patrolman Says; Sheriff Guy Pierce Also Speaks

Automobiles have claimed the lives of 38,500 persons in the United States, Captain M. L. Berry of the State Highway Patrol told students of Clarendon College and Clarendon High School in an address Tuesday morning.

In comparison, Berry said cars had claimed more lives than wars and stressed the fact that automobile safety must be accomplished at home. He said people were staggered by the New London school explosion, but were reconciled to car deaths.

He also said, rather than take up arms for Americans in China who are there on their own accord, citizens should practice policies to save the many more lives lost in traffic accidents at home.

The pioneer had only Indians after their scalps while cars are much greater in numbers, the captain said.

Guy Pierce, sheriff, also talked to the assembly. Pierce said he had received several complaints on the driving of school children, and unless they were more careful he would be forced to file charges.

Presiding Elder Is Painfully Injured In Fall

The vacation of Rev. and Mrs. T. S. Barcus was suddenly terminated at their summer home near Ruidoso, N. M. Saturday. The minister in making repairs in the attic fell when his foot slipped. He dropped through the ceiling to the kitchen where he came in contact with a stove. Two teeth were dislodged, his face lacerated and his glasses broken.

First aid by a physician in camp permitted Rev. and Mrs. Barcus to make a hasty trip to their home in Clarendon where the family physician dressed the wounds. Though quite painful, the patient is recovering nicely from this regrettable accident.

Leave Monday for Temple For Medical Treatment

Expecting to be there several days taking advantage of the clinic, T. M. Pyle and G. A. Anderson left Monday for Temple. They were accompanied by Miss Opal Pyle.

Donley County's Museum Expands

Volume and Value of Exhibits Second Only to State Museum at Canyon

The Donley County Museum, sponsored by the Beaux Arts Club, has recently been moved from the college building to the basement of the former college dormitory. Here it is housed in more commodious quarters, and presents a much more attractive and artistic appearance.

To those persons first visiting the Museum, it is a matter of surprise and wonder at the varied exhibits, some of them priceless in value, all of worth--old books, manuscripts, rare old costumes, branding-irons of pioneer cattle brands, fossils of prehistoric monsters dug from the earth of our own county, kitchen utensils of pioneer days--and many other relics of intense interest.

A new loan has been made by Misses Mildred and Helen Martin, daughters of the late J. W. Martin who had contributed liberally to the Museum. This loan consists, first, of a group of articles from the Holy Land, such as a new Testament made of olive wood with a cross on the cover, a penholder of olive wood, a mother-of-pearl necklace, an exquisite piece of lace made in Nazareth, and some embroidery for a dress. The second group is an exhibit from Egypt, consisting of a Mosque lamp, a water jar, Egyptian bracelets and necklace, scarabs which are the Egyptian sacred bug, a hand-made purse, a baton of solid ivory made to represent a lotus reed and blossom, a fly-switch, tent work, and a drum made from an Egyptian water bottle and used in derishes. In addition, are a walking stick from Switzerland, a Turkish harem scarf, a Turkish hashish pipe, a purse from Athens, and a desk-pad presented to Miss Helen Martin by her pupils at Cairo. Chosen from the effects of their father, the Misses Martin presented a pair of spurs made by him from iron from a Pullman car, a pearl-handled pistol, and some Water-Buttalo horns from South America belonging at one time to Col. Charles Goodnight.

Two other gifts have been made recently to the Museum, an old-time gun with bayonet attached, given by Mr. McHenry Lane, and a Temple, Texas, newspaper containing an account of the Armistice, a gift from Mr. Bob Land.

The public is cordially invited to visit the Museum, which is open each Monday afternoon from three to five o'clock. Entrance is gained by the east door of what is known as the Girl's Dormitory.

Many Clarendon Students Attend College

Completing the course at the Clarendon Municipal Junior College, a large number are to attend the higher schools every year. A number of those named below have been attending college away from home from one to three years. A partial list:

J. R. Bartlett, Jr., Reba and Robert Nichols, Geo. McCleskey will be in the State University this term. Nickey Stewart and Eloise Hill are at Tech at Lubbock. Flora Katherine Westmoreland, Lowell Lafon, Arthur Chase, Ardis Patman will attend West Texas College at Canyon. Jesse Cornell is at A&M. Anna Moores Swift and Frank Holtzclaw are in Baylor University at Waco.

PANHANDLE OLD SETTLERS TO MEET NEXT WEDNESDAY AT TRI-STATE FAIR

General Public Is Invited to Hear Gov. James V. Allred Deliver Principal Address Before Grandstand at 10 a.m.

If You Don't Need It, Sell It!

A want ad will find a buyer. The Leader's vast number of readers makes a want ad the most economical means of finding a buyer for your surplus. The Classified Column of the Leader is the "clearing house" for our rural friends all over the trade territory. The rate is within the reach of any one. The Leader's Classified Column is patronized by more people than any other weekly in West Texas. The large circulation gets results. Many are patrons who repeat their advertising covering a big selection of articles which they convert into cash.

Mrs. Bagby Spends Summer In South Carolina

Many of the interesting accounts related by Mrs. L. S. Bagby, mother of Seldon and George Bagby, upon her return from Columbia, S. C. where she spent the past four months.

Naturally, Mrs. Bagby spent much time in historical sections and in visiting the several museums. Some time was spent in Charleston where are situated the famed Brook-Greens gardens. Jackson and Weldon, N. C. were among the other places of interest visited.

Williamsburg and Yorktown afforded thrills of historical interest, and not the least by any means was old Jamestown where the English settled in 1607. Mrs. Bagby secured a gavel made from an ancient tree at Jamestown which is to grace the exhibit of the Donley County Museum.

Richmond, Va., hallowed in memories of Civil War times has a most wonderful museum, and it was there that Mrs. Bagby spent many happy hours, she being "of the south after a manner born."

Sheriff Stops Gambling At Circus Grounds

A party connected with the circus showing here Wednesday talked with Sheriff Pierce before the show was established on the ground. Pierce says the man stated that "their certain games were permitted in Berger, and that he wanted the sheriff to inspect them. If any were found unlawful, call his attention to them, and they would be stopped."

Sheriff Pierce called, inspected and stopped all three of the games of chance instanter. The Sheriff stated Wednesday afternoon that one operator when given the wink by a fellow henchman, threw a blanket over the gaming device and announced to his intended victims that "it was his time to act his part in the play in the main tent."

A. F. Wilkinson Continues Ill Northwest of Town

The many friends of the family will learn with regret of the serious illness of Mr. Wilkinson who resides northwest of Clarendon. While in town recently, Mr. Wilkinson fell on the sidewalk suffering injury to his knee. He has been in declining health for several weeks.

Donley F.F.A. Club To Judge Poultry At Tri-State Fair Monday

The local F.F.A. Club will be represented in the Tri-State Fair poultry judging contests which will be held Monday, Sept. 20, J. R. Gillham said today.

The members have been working since the opening of school in anticipation of the contest. Although most of the experienced members of the class have been lost through graduation, the club hopes to place high, Gillham said.

Because of the importance of Gov. Allred's address next Wednesday, September 22, at 10 a. m., the general public is being invited to be present. This announcement is made by Secretary Floyd V. Studer, secretary of the Old Settlers Association.

This is the one big day of the Tri-State fair. Hundreds of pioneers greet each other at this Old Settlers Day annually. They come from several states and long distances.

This is the sixteenth annual session. Many become members each year. Some become qualified in point of residence, others come back and join simply to enjoy the wholesome, neighborly gathering.

Jim Christian, pioneer rancher of Armstrong county, is president of the Association. Floyd V. Studer, scion of the well known pioneer ranch family near Canadian, prominent business man of Amarillo and scientist of national reputation, has been secretary of the Association several years.

The principal address last year was made by J. C. Estlack, who was president of the Panhandle Press Association, and who publishes the Leader in Clarendon. Gov. James V. Allred is expected to draw thousands to hear a master oration of facts. The Governor is also a native Texan and pioneer of northwest Texas.

Mrs. W. C. Stewart Injured In Collision Near Tulia Sunday

Mr. Stewart and Dorothy Powell Are Bruised And Shaken In Accident

Mrs. W. C. Stewart was painfully injured and her husband and Dorothy Powell were badly bruised and shaken when the car in which they were riding overturned following a collision near Tulia about 8:20 Sunday night.

Mrs. Stewart was taken to a Tulia hospital, but was returned home Sunday night. Her condition was reported favorable this morning.

The Stewarts and Miss Powell had been to Lubbock to take Nickie Stewart who entered Texas Tech, and were returning when the accident happened. They collided with another automobile driven by two men, according to reports. The Stewart car was almost demolished.

Mrs. Stewart received head injuries and her knee was badly cut.

Lee Bell Completes Home And Moves In

No couple could be more proud than Mr. and Mrs. Lee Bell since moving into their beautiful bungalow just east of the Jack Killough home. The interior decorating and built-in features are a product of the skill of Homer Taylor. The floors are of oak and the materials in general in keeping with the expert workmanship evidenced by an artistic arrangement that easily classes this home as among the best in town.

Mr. Bell did much of the painting himself. He is advertising manager for the Pastime Theatre, and also operates the picture machines. The Bells have resided here for more than a year. Their many friends rejoice with them in the acquisition of a home of such rare beauty.

Mr. and Mrs. J. H. Hurn and daughter, Mrs. L. N. Cox and children, left Saturday for Ozona to visit Mrs. C. J. Vanzant, daughter and sister.

Little Miss Shirley Jean McAbee of Childress is a guest of her aunt and uncle, Mr. and Mrs. Lee Bell since Saturday. Shirley Jean is two years old.

"THE REST OF THE RECORD"

BY JAMES V. ALLRED
 Governor of Texas

This past week I met with certain members of the Senate committee which has been studying State expenditures. According to some newspaper articles we don't need any new tax money; also, that the Comptroller and Treasurer have said our deficit was only ten million dollars. The State Auditor has fixed it at fifteen million dollars as of September 1st of this year; at approximately twenty million dollars September 1, 1938; and approximately twenty-four million dollars September 1, 1939, if no new taxes were levied.

When I met with members of the Senate committee we had the State Auditor and a representative of the State Comptroller with us. It developed that the Comptroller's figures and the Treasurer's figures were based on an actual deficit at the time but that they were not taking into consideration appropriations and expenditures that have already been made and not yet charged on the books just because the warrants had not been issued for them.

For instance, they hadn't taken into consideration an appropriation of \$81,000.00 for an insane asylum in West Texas. The Board of Control has already located this hospital at Big Springs, where the people voted a bond issue to furnish the land and water supply; and the Board is preparing to let the contract for the building now. Certainly no one could argue that items of this kind are not chargeable against the State for which money should not be raised. At the end of the conference the representative of the Comptroller's Department agreed with the State Auditor's figures, so there is no actual difference.

Some members of the Senate committee have been quoted as saying that we should cut appropriations down and consolidate departments. I pointed out to them that at the beginning of the Regular Session I recommended department consolidations and stated that I could not recommend increases in appropriations, other than a little over a million dollars for the insane asylums. These recommendations of mine were ignored. Efforts to consolidate certain departments of government were killed in committee, and appropriations were substantially increased without revenues being provided.

The time to cut appropriations was during the Regular Session. The appropriations have now gone into effect. Our schools and colleges, for instance, have acted on these appropriations and entered into contracts with teachers which are binding on the State. The Board of Control has advertised for bids on buildings authorized in these appropriations. Now, it would be manifestly unfair, in fact I think impossible, for the Legislature to make any substantial savings at this late hour. The trouble is if I should submit any of these matters it would prevent passage of revenue measures, which we must have regardless, during the thirty days to which the Legislature is limited.

This past week the State Mineral Board, of which the Governor is Chairman and Judge C. V. Terrell of the Railroad Commission and Land Commissioner McDonald are members, passed a resolution which will result in \$500.00 per day more to the school fund from leases in the Sabine River bed.

These leases were originally made by Governor Sterling, Colonel E. O. Thompson and Land Commissioner J. H. Walker. They provided for a 3-8ths royalty to the State from these river bed leases. Later, during Mrs. Ferguson's administration, the price of oil dropped and she, together with Railroad Commissioner Lon A. Smith and Mr. Walker, former Land Commissioner, lowered the royalty from 3-8ths to 1-4th. Additional wells were drilled, and there are now 148 wells from which the State receives royalties.

Judge Terrell made a motion to restore the royalty from 1-4th to 3-8ths. McDonald and I seconded the motion and it passed unanimously. Judge Terrell and I are quite proud of this additional revenue.

Virginia Cluck left the first of the week for Austin where she will visit relatives.

Tree Produces Second Peach Crop

Two crops of fruit is being produced by an Elberta peach on the J. F. Hill farm north of Lelia Lake. The first crop ripened in July. The tree then set blossoms, and another crop is due to ripen in October, provided the frost line is normal.

Shocks to growth from drouth often cause trees to blossom the

second time in the same season, but they seldom mature the second crop of fruit. Another instance this season is in the orchard of Sam Hodges, seven miles south of Bellevue in Clay county. The seedling bore an early crop of fine peaches, and the second crop is now ripe, though the peaches are smaller than the first.

Memphis Farmers' Calves Earn Nice Profit

MEMPHIS, Sept. 8.—Wade Davis, who operates a farm of 900 acres 120 miles south of Estelline, made a nice profit on 104 coming 1-year old calves bought in the fall of 1936, at a cost of \$17.50 per head.

The calves were wintered on silage from a trench silo in addition to one pound per day of cotton seed meal cake. They were also grazed on wild rye and alfalfa. One half of the herd was marketed May 1, and the remainder August 1, selling for an average price of

the state, few in any town of any size can measure up to the general qualifications of Ed Cox, owner and publisher of the Bellevue News. Ed is a big frog in a little puddle, his town being among the towns sadly affected by highways. The Bellevue News is snappy, well printed, patronized by three towns and has a large paid circulation.

Coy Perry, publisher of the Bowie News, is a brother of Snethen Perry, a fine young man in my employ more than twenty years ago on the Lovington Leader in New Mexico. Coy is putting out a nice looking paper and giving Bowie something they have needed for several years—a real live weekly.

More About Dust Bowl.
 A national magazine under date of Sept. 18th carries a weird bunch of lies covering several pages about the horrors of a dust bowl in the Panhandle. To clarify matters, a Poor Boy back east is a "Plumbers Friend" out here.

Quoting from the article: "While we were working on that Poor Boy and drinking warm beer in the Blue Ribbon, somebody handed us a large dizzily illustrated example of the come-on literature which had bedazzled the Eastern farmer."

The book is said to have invited immigration from the East, but they never came. Fully 90 percent of the Panhandle is settled by southwesterners. The article tells of children dying in piles, elders stricken with pneumonia and the stench from dead cattle reaching to the high heavens. The article has no merit. The alleged dust bowl disappeared three years ago. Today abundant crops and sleek cattle cover the maligned area. Authorship is credited to one Walter Davenport. A sightless albino frog taken from a well 154 feet deep near here by Bill Miller, has been named for the author. The frog is blind to the beauties of the Panhandle, too weak to hop and simply "lies" all the time.

The big Fair opens in Amarillo next Monday. It will be better than ever minus the horse racing graft that plagued our natives when they tried to beat the other fellow at his own game.

1500 Acres of Cotton And No Pickers in Patch

Mr. and Mrs. A. J. Parker spent the last days of the week with Mrs. Parker's brothers, E. V. and Roy Perkins near Quanah.

The Perkins brothers have about 1500 acres of cotton ready to pick and few if any pickers. They expect to import boll pullers from the east. Their wheat crop was fair, some 1200 acres being devoted to that crop.

The SINCLAIR DINOSAUR SYMBOLIZES OLDEST CRUDES, TOUGHER MOTOR OILS

The Sinclair dinosaur stands for the vast age of the crude oils used in refining Sinclair Oplaine and Sinclair Pennsylvania Motor Oils. The oldest crudes make the toughest motor oils.

Grueling tests on the Sinclair Film-Breaking Machines prove that Sinclair Oplaine and Sinclair Pennsylvania each give a lubricating film that will withstand a pressure of more than 3 tons per square inch.

Look for the dinosaur on the Tamper-Proof cans in which Sinclair Oplaine and Sinclair Pennsylvania Motor Oils are sold.

State Wide Tax Survey To Have Booth at Tri-State Fair

Under the direction of Mr. Frank S. Peterson and Mr. James Bowen, officials of the State Wide Tax Survey, Mr. Walter M. Wilkinson, draftsman of this city, is preparing a very unique and interesting account in pictures and figures of the progress, intent and findings of this project, which is figured as the one outstanding worthwhile works in progress. This will all be presented in the booth at the Fair under supervision of Mr. Wilkinson. It should be of interest to every tax payer in the Panhandle and Mr. Wilkinson and the officials extend to the people of West Texas a special invitation to see this work of art.

Groom, 67, To Quit Bride, 11, If \$1.50 Refunded

POPULAR BLUFF, Mo., Sept. 15.—William Henry Grimes, 67, farm laborer, was willing Tuesday to give up his bride, Mary Frances, 11, if he can get back the money he paid for the marriage license.

"It's like paying for a horse and not getting it in return," wailed Grimes after announcing he would not contest an annulment action if his \$1.50 were refunded.

Grimes was sentenced to a year in jail by Circuit Judge R. I. Cope after he pleaded guilty to two misdemeanor charges, falsifying an affidavit to get the license and contributing to the delinquency of a minor.

The child bride, daughter of Mr. and Mrs. William Alexander, became the wife of Grimes July 29. Soon after the marriage, however, the girl's interest waned and she announced she preferred to play with dolls rather than keep house for her husband.

Mrs. J. T. Warren spent over the week end in McLean visiting with friends.

Rev. and Mrs. T. S. Barcus and daughter, Sarah Beth, returned from Ruidoso, N. M. Sunday where they have been vacationing.

DONLEY COUNTY 4-H CLUB CALF TOPS MARKET AT FORT WORTH FRIDAY

Hereford Owned By Leland Lewis of Lelia Lake, And Took Honors In Donley County And Amarillo Fat Stock Shows

FORT WORTH, Sept. 15.—A choice quality fed yearling, one of the winners in the Amarillo 4-H club show last spring, sold on the open market at Fort Worth Friday. The same merits with which it placed second in the junior class, earned a premium price of \$15.75 per 100 pounds. The animal weighed 930 pounds and had been fed and exhibited by Leland Lewis, Donley county 4-H club member who lives near Lelia Lake. The sale was made through the Fifer Livestock Commission company to Swift & Co.

The yearling was the results of approximately 12 months of feeding a ration including chopped corn, ground oats, cottonseed meal and commercial sweet feeds.

The hog market was 10 cents higher. It was the first upturn in prices for about two weeks. The extreme top was \$10.85 to small killers and shippers. Packers paid a top of \$10.75 for most of the best butchers.

Supplies of cattle and calves were light and included fewer good quality offerings than in some time. The full strength of the demand or prices was not tested. Sales were reported fully steady on all classes.

No change was made in the values of sheep and lambs.

Mrs. W. D. Martin is visiting relatives in Shamrock this week.

State Chairman Discusses Cotton Price Adjustment Payment Plan

COLLEGE STATION—Advices from the field indicate that a large majority of eligible cotton farmers in the State plan to take advantage of the government's cotton price adjustment payment plan, George Slaughter, chairman of the Texas Agricultural Conservation Committee, has announced.

The plan was made possible through the authorization by Congress for the use of \$130,000,000 for this purpose, Slaughter said. It is contemplated to make payments on cotton sold by farmers eligible to receive the adjustment

on the basis of the difference between the average market price and 12 cents.

It is understood that payments will be made on 65 per cent of the producer's base as established in the past Triple A programs. Slaughter pointed out that if the 1937 production does not call for the entire appropriation, payments will be made on a larger part of the base production.

"It is especially important that the producer keep receipts which list the gross weight of each bale sold, that the receipts carry the date of sale, and are signed by the purchaser," Slaughter said. The receipts will be necessary in establishing the sale, and as a record of the total number of pounds of cotton sold.

The amount of the payments made to individuals will depend upon the level of cotton prices at the time the producer sells his cotton.

Mr. and Mrs. Sherman Carroll of Los Angeles are visiting relatives and friends here this week.

BRONCHOS OPEN FOOTBALL SEASON TOMORROW NIGHT

Shamrock Swamps Canadian 32 to 0

Season's Opener Loosely Played As Irish Mark Up Five Touchdowns

SHAMROCK, Sept. 15.—(Special) Shamrock's Irishmen started the ball rolling in fine fashion last Friday night when they turned back the Canadian Wildcats, 32-0, in a loosely played battle. The game marked the opening of the season for district 3-B, since it was the only one of three games, scheduled for Friday night, which were played.

The first Irish counter came late in the first quarter and they added one each in the two following frames and two in the final stanza. Dorman, Blake, Sutterfield (2) and Byers reached pay dirt with Brothers kicking for extra points.

PIGSKINS PARAGRAPHS

By DICK COOKE

G. O. Hubbert, Texas Tech, appointed to fill the head coaching vacancy left by the resignation of Chesty Walker last Saturday, looked the Bronchos over Monday and declined to make a statement concerning the ponies' prospects for the coming campaign.

With three lettermen and the rest untried recruits, Hubbert faces the task of shaking off the Claude Mustangs, having only four practice sessions with his charges. Following that he hubs Wellington Wellington; the defending champions, Wheeler, and Shamrock without a breather.

The Bronchos will engage Claude tomorrow night with a handfull of Walker's left-over plays as time will not permit Hubbert working on his own offensive drills.

In a rapid fire scrimmage Tuesday, the horses looked better than most of the rail birds anticipated. Although weak on defense, the driving power should smooth out with hard work.

About 30 hopefuls are now in uniform. Last year's "Horsie" Holtzclaw; Allen Hardin, Bob Kyle, Neal Thompson, Clarence Davis and Jimmie Lumpkin donned harness this week.

One of the best prospects behind the line, Boyd Allison, has been missing since last Monday. It appears he's out for good along with Boyce Pierce, flashy line candidate, who has also failed to report.

Memphis and Coach Frank Hubbert, are expected to end the season in the money with seven returning lettermen. The Cyclones, however, suffered a set back last

week when two ends, scaling 170 and 165 were declared ineligible. They were first and second string wingmen.

James Brothers who held down the center position for the Shamrock Irishmen last year, has been shifted to the backfield. Brothers, Jim Braxton and Roy Holmes were the only lettermen to start against Canadian last Friday.

Left on the sidelines at the opening whistle were Floyd Blake, Mack King and Billy Guynn Sherwood who won their 1936 stripes.

Clint C. Small Jr., 1936 University of Texas eleven captain and recently appointed assistant freshmen coach, gave the A&M cadets the edge in the current Southwest conference race, in a statement here Monday before leaving for Austin. Small favored the Farmers over Arkansas, although he said the Porkers would be tough. He was in Clarendon for a visit on the Word ranch.

Paul Greene, former Clarendon High sparkplug, was listed as one of the most favorable lettermen returning to N.M.M.I. last week.

Baring a tie, Clarendon will take Claude Friday night and the point gives look bad. You may, however, look for many, many penalties and several miscues.

The Clarendon High School band is also in hard training for the coming season. Practice sessions of one hour are held daily and director Ray Robins expects one of the classiest bands in the district.

With the largest pep squad in recent history, a rally will be held Thursday night in preparation for the Broncho-Mustang battle.

Clyde Pittman and Roy Morrow are employed in an Amarillo creamery beginning this week.

Cyclones Doped To Down Mobeetie Tomorrow Nite

MEMPHIS, Sept. 15.—With an easy victory over the Mobeetie Hornets in 1936, the Memphis Cyclones are expecting to repeat tomorrow night in Memphis for their first conference win for the current season.

Indications, however, are that Mobeetie is stronger this year than last with several lettermen returning.

Canyon Buffs Ready For Opener Friday

CANYON, Sept. 15.—Practices pointed toward the season's opening game with the Panhandle Aggies of Goodwell, Okla., next Friday night at 8 o'clock are including night sessions this week in the home of the Buffaloes.

No serious injuries have resulted from the half dozen spirited scrimmages which have been included in the Buffs' workouts. The seventeen lettermen and eighteen other aspirants to football fame apparently will be ready for action Friday. Little is known here of the Panhandle Aggies.

The following scale of prices for the home games this season:

Sept. 17—Panhandle A&M, \$1.10
Sept. 24—Daniel Baker, \$1.10
Oct. 1—Texas Wesleyan, \$1.10
Oct. 15—Hardin-Simmons, \$1.50
Oct. 23—Northwestern Okla. Teachers, \$1.50
Oct. 30—St. Benedict's College, \$1.50
Nov. 13—N.M.M.I., \$1.10.

Birds Essential To Preserve Wild Life

Expert Tells Need For Saving Of Natural Resources In United States

DALLAS, Sept. 15.—Teaching public school children to make friends with the out of doors and to apply the principles of thrift to treatment of natural resources was urged Monday by Dr. Harry C. Oberholser, ornithologist, Washington, D. C., as the most effective means of preserving plant, animal and mineral life of the nation.

Laws for the control of waste and destruction are necessary, he said, but these must be backed by public sentiment. Not only, he added must adults feel the importance of proper efforts to save what is left of the Nation's forests, its birds, wild flowers, insects, reptiles, mineral and soil, but still more necessary is the education of boys and girls.

Dr. Oberholser, senior biologist of the United States Biological Survey, said he favored the appointment of nature study supervisors in the public schools, the teaching of children concerning the habits and purposes and care of the Nation's resources.

In Texas alone, he said, there are more than 700 varieties of birds. Many of these, he explained,

YOUNG MITCHAM WINS MANGUM TOURNAMENT

SHAMROCK, Sept. 15.—Frank Mitcham, Jr., added another laurel to the honors won this season by Cole Creek country club golfers when he defeated Billie Holmes of Sayre, Okla., 3 and 2, last week for the championship of the Mangum, Okla., golf tournament. Holmes is a former Greenbelt champion.

Of ten golfers from Shamrock entered in the tournament, all except one took their first matches. Mitcham's championship is the third for Cole Creek. Lyle Holmes won the Dalhart and Cole Creek Invitation tournaments.

Walker Resigns As Clarendon Broncho Mentor

Harold "Chesty" Walker, recently elected head coach of the Clarendon High School Bronchos, resigned Saturday to accept a position with the Vernon school, G. O. Hubbert, Texas Tech, was appointed to fill the vacancy.

Walker will not be connected with the athletic department of the Vernon schools, authorities said.

could be studied by boys and girls in correlation with other classroom subjects.

The opening whistle for the 1937 football season will blow in Clarendon tomorrow night at 8:15 when the High School Bronchos meet the Claude Mustangs at College Field.

The Bronchos, with two lettermen, are still a big question mark in district 3-B and their debut will give fans a general idea what to expect in this fall's conference wars.

Claude is an unknown quantity as far as pre-game dope is concerned with contradictory reports sifting in as to their power and weakness.

Coach G. O. Hubbert is expecting a hard struggle but the fracas will bring out the greatest flaws. In Wednesday's workout a lot of raggedness was ironed out of the line and the Ponies are expected to show a better defense than in Tuesday's scrimmage.

The probable Broncho starting line-up:

Ends, Warren, Palmer; tackles, Huffman, Green; guards, Mears, Longan; center, Lane; halfbacks, McWhorter, McGowan; fullback, Grady; quarterback, Cooke. Admission will be 50 cents.

Avis Lee McElvany left the first of the week for Columbia, Mo., where she will take a course in Journalism.

Organization Also Wants Special Authority In Dust Bowl Area

DALHART, Sept. 15.—Delegates of the five so-called dust bowl states, meeting in Amarillo yesterday, renewed their May 20 resolutions asking a separate dust bowl authority in event the Norris bill passes.

The Norris bill now provides that for conservation purposes the U. S. will be districted according to the watersheds of major streams. The delegates declared dust bowl problems are so different from general problems confronting the watersheds districts that to include the bowl in various watershed areas would be impractical and ineffective.

The group also asked a \$60,000,000 appropriation to carry a new attack against wind and water erosion for the fiscal year of 1938-'39. From WPA funds \$40,000,000 has been made available for building dams and reservoirs in the 10-state area.

GAYNOR-MARCH IN SELZNICK'S "STAR IS BORN"

First Up-to-Minute Story Filmed in Technicolor

Janet Gaynor and Fredric March come to the Pastime Theatre for two days on Thursday and Friday, September 23-24 in David O. Selznick's technicolor production, "A Star Is Born."

This glamorous story of a little country girl who came to Hollywood, faced the odds of 100,000 to one and scaled the heights of stardom, marks the first up-to-the-minute story to be filmed in technicolor.

Adolphe Menjou, May Robson, Andy Devine and Lionel Stander are featured in the supporting cast, which also includes Owen Moore, Peggy Wood, Elizabeth Jenu, Edgar Kennedy, J. C. Nugent, Guinn Williams and others.

Directed by Wellman
William A. Wellman directed

"A Star Is Born" from a screenplay by Dorothy Parker, Alan Campbell and Robert Carson. The original story was by Wellman and Carson.

The film shows many famous Hollywood landmarks in their natural colors for the first time. Among these are the Tracadero, world-famous night club, Grauman's Chinese Theatre, the Santa Anita race track, the Biltmore Bowl as it looks during the annual banquet of the Academy of Motion Picture Arts and Sciences, the Hollywood Legion Stadium, where the stars see their prize fights, the Hollywood Bowl, the Brown Derby, celebrated eating place, and the

famous intersection of Hollywood boulevard and Vine Street, the center of movieland.

The settings were designed by Lyle Wheeler and the costumes are by Omar Kiam. Lansing Holden is credited as color designer. The photography is the work of W. Howard Greene and the music is by Max Steiner.

"A Star Is Born" is released through United Artists.

Mr. and Mrs. Carroll Khorpp and daughter returned Sunday from California where they spent the summer.

I'M IN EARNEST—MORE MILEAGE FOR YOU IS MY LIVING

It goes right back to my being in business all for myself. I can't afford to take chances on losing any customers. The finest way I've found to hold them, is by having an oil that isn't always making you add another quart, and keeps the engine quiet. That's why I specially want to tell you about my Conoco Germ Processed oil. Nothing mysterious. The big improvement you get is on account of a plain big difference. Now your everyday oil naturally just flows around. It can't stay up through the engine all by itself. But Germ Processed oil absolutely does. The patent Germ Process makes it form the nearest thing to a permanent layer of oil—a real plating of oil all through the engine. There's what they mean by Oil-Plating, which doesn't keep getting all used up. And it can't ever fail to keep real good lubrication on every last part of your engine, all the while you use Conoco Germ Processed oil. No other oil can Oil-Plate your engine. Which gives my station quite an edge with folks wanting to be economical but safe on their oil.

There is Always Worship Fellowship :: Service

It isn't your position but your disposition that makes you happy or unhappy. It isn't what you profess but what you practice that has its weight with the world. People know what you are, you do not have to tell them. Your righteous living will be a light to shine out into the darkness and show them the way to a life of liberty.

"You are writing a poem, my friend, today.
In the things you think and do and say.

You are building each verse out of the things you see;
You are making it joyous, sad or free.
Your will is the pen, your life is the page,
Each day is the ink, and character the wage.

You are the sinner's gospel.
You are the scoffer's creed;
You are the Lord's last message
Given in deed and word:
What if the type is crooked?
What if the print is blurred?"

The call of this age is for a sin-

cere self-sacrificing service to humanity. The demands of this time is life shorn of all sham, shining with the radiance of righteous living. Our great need today is Christianization. Let us all contribute our part to such a movement by being loyal and faithful and true to our church services and doing what we know is right to do.

Regular services Sunday at the Baptist Church. We will be happy to have you.

CARD OF THANKS

Never was our sorrow quite so deep, yet never was friendship quite so sweet, for the manifold words and deeds of kindness we shall ever be grateful. We haven't words to express our appreciation to the many who so kindly aided us in our sad hour. Please believe, dear friends, the tender handclasp, the beautiful flowers, the message of sermon and song were sustaining comfort in the loss of our dear one.

"A precious one from us has gone,
A voice we loved is stilled,
A place is vacant in our lives,
Which never can be filled.

God in his wisdom has recalled,
The one in love he'd given,
Although her body slumbers here,
Her soul is safe in heaven."

WELLINGTON CHOSEN OVER CLARENDON FOR FEDERAL POST OFFICE BUILDING

With the highest postal receipts in the district in 1936, Wellington will supersede Clarendon and Hereford in the choice for a federal building, Congressman Marvin Jones told Clarendon delegates at a hearing in Amarillo Monday.

Clarendon was recently named as listed, with other towns, for an \$85,000 post office building.

J. R. Gillham said the local committee was keenly disappointed over the outcome of the meeting. He cited previous letters from Jones giving Clarendon as favored because of higher receipts from 1932 to 1935 inclusive.

Heading the committee was W.

H. Patrick, W. B. Haile, J. T. Patman, Allen Bryan, George Ryan, Sam Braswell, W. T. Clifford, Joe Goldston, F. E. Chamberlain and L. E. Thompson.

Bransford Bulls and family and Woodrow Bulls of Skellytown, visited their parents, Mr. and Mrs. J. R. Bulls here over the week end.

Mr. and Mrs. Horace Westmoreland and daughters Janice and Louise, who have spent the summer in the home of her parents, Mr. and Mrs. T. F. Connally, left for their home in St. Louis, Mo., Tuesday.

Funeral Rites For Hedley Woman Tues.

Mrs. Bob Duckworth Dies Suddenly Monday

Death came unexpectedly to Mrs. Duckworth about 7 a. m. Monday when she was raised up in bed. She had been ill for several days, but was not believed to be in a serious condition.

Funeral services were conducted at the First Baptist Church in Hedley Tuesday afternoon with the Rev. Tidley of Dallas officiating.

In charge of the flowers were Mesdames Ralph Davis, A. Davis, and Misses Jonimede Pickitt and Verlen McPherson.

Pallbearers were Joe Crawford, T. Bain, C. W. Howard, Ralph Davis, Hodge Anderson and W. B. Lawrence.

The Duckworths moved to the Bray community more than thirty years ago, coming from Jack county. They have always been numbered among the county's leading families. For some time Mr. Duckworth was manager of the farmer equity store at Hedley.

Mrs. Maggie Ellen Duckworth was born in Aurora, Arkansas, January 4, 1886 and was married to R. L. Duckworth on November 15, 1902 and at the time of her death was 51-years old.

She is survived by 8 children: Mrs. Thelma Cavender, Greta Duckworth, Euva Duckworth, Gene Duckworth, Merwin Duckworth, Billie, Doris and James Duckworth; three sisters, Mrs. Ethel Kilpatrick, Mrs. Rosa Dugeson, Carnegie, Okla., Mrs. May Gibbins, New Lima, Oklahoma and two brothers, Lee Upton, California and Jim Upton, Poolville, Tex.

Funeral Services For Mrs. J. Royce Hall Held Monday 3 p.m.

Dies In Stratford After Attending Funeral of Her Aunt

Attending the funeral of her aunt, Mrs. J. R. Kirkwood in Stratford Sat., Mrs. Edith Harris Hall, 25, daughter of Mr. and Mrs. J. H. Harris of Clarendon, was stricken ill and died there Sunday. Funeral services were held here Monday afternoon at 3 o'clock at the First Baptist Church with the Rev. J. Perry King in charge, assisted by the Rev. S. T. Greenwood, Alameda and Rev. M. E. Wells of Hedley.

Mrs. Hall was born at Elmer, Oklahoma, January 26, 1912 and moved with her family to Clarendon in 1920. She was a member of the Baptist church which she joined when eleven years old.

The deceased was graduated from the Clarendon schools and was married to J. R. Hall, December 2, 1928. To this union one child was born, Wanda Joyce. Besides the above mentioned, Mrs. Hall is survived by one brother, Leonard Harris of Big Springs.

Flowers; banked high around the casket in tribute to Mrs. Hall, were in charge of Mrs. Glenn Harris, Plainview; Miss Thelma Ruth Harris, Lubbock; Miss Ona May Bellenger, Altus, Oklahoma; Mrs. M. H. Kenard, Lubbock; Miss Vina Mae Harris, Hess, Okla.; Mrs. Spencer Hill, Mrs. W. B. Harrison, Mrs. Herman Bellenger, all of Altus; Miss Leota Hatton, Elmer, Okla., all cousins of Mrs. Hall and Mrs. John Naylor, Mrs. Glenn Wood, Mrs. E. H. Estlack and Mrs. Edwin Eanes.

Pallbearers were John Naylor, Edwin Eanes, Eugene Estlack, Charles Raines, Harrison Hall and Arthur Arnold.

McGowan Barber Shop Has Further Improvements

With the addition of shower baths providing hot and cold water, Mr. R. I. (Bob) McGowan brings to his patrons further conveniences.

Mr. McGowan owns the barber shop next door to the First National Bank, and first began barbering here some thirty years ago. His shop is better known as "the home of prep shaves," because of the added comfort of shaving produced by a well-known preparation popular with his patrons.

Donley County Leader, \$1.50 a year

Funeral Services For The Rev. L. O. Lewis Held This Morning

Former Pastor Found Dead In Bed Monday Morning

Funeral services for the Rev. Leon O. Lewis, 69, retired Methodist minister, who was found dead in his bed at the Antro Hotel early Monday morning, were held at the First Methodist Church here this morning at 10:30 o'clock. The Rev. E. D. Landreth, local pastor, was in charge.

Rev. Lewis had been in ill health and had received medical attention Sunday, but his condition was not considered serious. He talked to Barcus Antrobus, manager of the hotel, Sunday night.

His body was found by a bell-boy about 8:30 Monday morning.

Besides his pastoral avocation, he was formerly Justice of the Peace in Clarendon, and at the time of his death was in the insurance business.

Born in 1868, Lewis came to Clarendon in 1910, after serving at the Dalhart and New Mexico and Arizona churches. He was a graduate of Emory and Henry colleges in Virginia.

Following his wife's death a few years ago, the Rev. Lewis was made an honorary member of the Win One Sunday School Class of the Methodist Church and the organization acted as flower attendants at the services.

Survivors include Mrs. B. L. Jenkins Jr., Amarillo; Leon O. Lewis, Jr., San Antonio, and Mrs. Nels Osborne of Wyoming.

Mace Grows Ponderous Fruit Near Lelia Lake

Specimens of apples brought to the Leader by W. M. Mace of Lelia would indicate that ponderous apples are not only possible but real in that famed alluvial soil.

Some of the apples measured better than eleven inches around and ten inches over the stem end. The quality is in keeping with Panhandle apples known over a wide section for their similarity to mountain grown fruit.

Mr. Mace is selling apples every day. He has something like a thousand bushels for sale at this time, which he is advertising in the classified column of the Leader.

Collingsworth County Has Parole Board

Gov. James V. Allred announces the appointment of a Parole Board in Collingsworth county, this being the 215th Board so appointed from volunteer citizens to date.

The members of this Board are B. W. Boardman, Wellington; W. A. Bennet, Aberdeen; A. Y. Bell, Wellington; Dave Thomas, Wellington.

Lamb and Hartley are the only counties of the Panhandle's 26 counties without such boards at present, according to Blake Timmons, Governor Allred's assistant in charge of the parole board system.
