TWO ELECTIONS TO HOLD NEXT WEEK

CITY ELECTION TUESDAY—DOUBLE VOTE FOR SATURDAY 5TH.

Ballots have been prepared this week for the election of two commissioners for the City of Clarendon on Tuesday, April 1st. Matters pertaining to the election of three trustees of the Clarendon Independent School District will be brought to a close in the latter part of this week, together with the vote on the tax levy of twenty cents for the purpose of maintaining the Clarendon Junior College as it now stands.

The men mentioned for the offices of the commissioners of the City of Clarendon are those whose terms expire at this time. A. L. Chase and John T. Sims, Sr., have their names on the ballots and will be voted upon at that time. The election will be held in the City Hall and voting will start at 8:00 o'clock.

Citizens of the city are urged to take advantage of this election and vote. If for no other reason than to show the commissioners that they have confidence in them and in the manner they are handling the affairs of the city.

The school election will be held on Saturday and is of double importance. First, the election of three trustees is to be considered. The three men going off the board will in all probability be placed on the ballots, due to a petition presented the school board asking that these names be placed on the ballots. F. E. Chamberlain, W. W. Taylor and J. R. Porter are the three outgoing members of the board.

The second question before the voters of the District on Saturday, April 5th, is the matter of the maintenance tax for the purpose of operating Clarendon Junior College from a common fund rather than by the payment of tuition. This matter has been given wide publicity and is attracting comment from the many residents of the district who have given the matter their attention.

Fair Plans Are Council's Topic

A complete discussion of the plans for the score card for the Donley County Fair this Fall was the main subject for discussion at the meeting of the Woman's Club Federation held last Saturday in the Club Room in the City Hall. All parts of the card were agreed upon with the possible exception of the type of rug to be entered. This was not settled since a part of those present wanted to make three different types of rugs while the score cards would call for only one type of rug. The matter was left open for discussion in the various clubs and will again be brought to the attention of the Council in their next meeting.

The resignation of Miss Harvey Thompson as Home Demonstration Agent was announced to the public for the first time at the meeting last Saturday. Miss Thompson is planning to leave in the immediate future to attend school, attempting to secure her Master's Degree this year and will re-enter the Demonstration work this Fall. Many expressions of regret were voiced at the meeting and statement was made that the presence of Miss Thompson in more than one way.

Other items discussed called for the ordering of ten copies of the song, "Texas, Our Texas", the official song of the clubs of the county. The one-day short course at Canyon on April 22nd was also discussed with the clubs present pledging themselves to have at least one carload from every club at the school. An all-day meeting in the Club room at the City Hall for April 19th was also discussed and approved. Mrs. Barnes will be here to give assistance with children's clothing. A pot-luck lunch will feature the noon meal.

Representatives were present from Hedley Rural, Giles, New Hedley, Lelia Lake, Naylor, Goldston, Chamberlain, Clarendon, Martin and Ashtola. Twenty-six were in attendance.

DR. G. S. SLOVER HERE IN INTERESTS OF HOSPITAL

Dr. Geo. S. Slover of Amarillo, was in Clarendon for the past week-end, speaking in the First Methodist Church at the morning hour on Sunday. Dr. Slover spoke on the Hospital work and later in the morning took an offering that will be used in the Methodist Tubercular Hospital at Tucson, Arizona. Friends of Mrs. Slover will be pleased to learn that she was with Dr. Slover while here, visiting with Mr. and Mrs. H. T. Burton while in the city. The general health of Mrs. Slover is excellent.

Plant Exchange Great Success

The first plant exchange of the year, held last Saturday by Les Beaux Arts Club of this city, was a grand and glorious success. Mrs. C. C. Powell, chairman of this work, reports that not a plant was left on their hands when the day's work had closed. Many hundreds of plants and bulbs that could be distributed at this time were given those who most desired them. Some came bringing other plants, and many came with no plants at all, but to get a start of plants they did not have.

Almost every known plant was given out during the day, few calls being received for plants that were not on hand in abundance. Iris were the most popular plants given out, almost enough if these being on hand to supply the demand. Mrs. Powell was especially well pleased with the great number of people from rural sections who came and secured plants.

Another of these ventures is planned for late in the month of April, when the perennial plants will have come up from the seeds dropped last year. At this time, the exchange will be widely advertised and everyone is urged to make their plans to be ready for the exchange.

ROTARIANS HAVE LIVELY MEETING

FIRST ROTARY ANN ELECTED TO MEMBERSHIP AT MEETING FRIDAY.

The program of the Rotarians in Clarendon was varied somewhat on last Friday when the first of a series of talks by members was inaugurated. Marvin Warren and R. E. Paxson discussed the work of their particular lines. Secretary Powell also added much to the enjoyment of the occasion with his vivid descriptions of a trip through the Ozarks. This part of the program will be concluded at the next meeting of the Rotarians.

Much merriment was infused in the meeting by the report of Rotarian A. T. Cole, who was quite at sea as to what he should report upon. The president of the club finally took pity on the member and stated that the report could be concluded when the speaker had determined the subject upon which he should report.

Miss Christine Stroder, instructor in Public School Music in the Clarendon Public Schools, was elected pianist for the organization. Her election places her in an unique position, she being the first woman in Clarendon to assume that exalted position of Rotary Ann. Miss Stroder will furnish the music for the songs of the club, the lending of which shall be given to R. S. Cope.

Adjournment followed in the usual manner.

BAPTISTS PLAN TO RETAIN BANNER

MEETING AT MEMPHIS TO BE WELL ATTENDED BY CLARENDON FOLK.

A thorough program of entertainment has been planned for the meeting of the Association of B. Y. P. U. and S. S. workers when they meet in the basement of the First Baptist Church at Memphis Friday evening of this week. Started as an experiment, these meetings have become so popular that they have been continued with more than ordinary success.

The program from 8:00 to 10:00:

1. Two get acquainted games—8:00-8:15, directed by Fred Landers.
2. Three circle games 8:15-8:35, directed by Ruth Thompson.
3. Stunts by B. Y. P. U.'s—8:35-9:15, directed by Mary Burks.
4. 9:15-9:20, Hedley quartet—starting a devotional period.
5. 9:20—Address, "The B. Y. P. U. as a builder of character", Rev. B. N. Shepherd.
6. 9:30—Business and election of officers.
7. Refreshments.

Clarendon Baptists are planning to bring back the Attendance Banner as we did at the meeting at Estelline. Meet at the Church at 8:30.

Mmes. O. L. Fink and W. W. Taylor and Miss Florence Fink attended to business matters in Amarillo Tuesday of this week.

Earl Alderson returned to his home here this morning after a visit to Fort Worth where he attended the sessions of the Texas Photographers' Association the first three days of this week.

MEMPHIS PLAYERS WILL SEE 'KEMPY'

MEMPHIS LITTLE THEATRE PLAYERS GUESTS OF LOCAL PLAYERS.

Following a letter of fraternal greetings to the newly formed Little Theatre at Memphis, and the invitation from the Clarendon organization for representatives to attend the presentation of the comedy, "Kempy" here Friday evening of this week, a letter was received here Tuesday by the business manager in acceptance of the invitation and apprising the locals that the entire cast of the Memphis would be here as guests.

By a coincidence, the Memphis organization is presenting "Kempy" in April, as their first play, and the visit here Friday night is the beginning of a custom which will probably be a fixed policy of the two neighboring organizations of sending representatives to witness all productions in the two cities.

Those who will come here from Memphis Friday night headed by Mrs. R. S. Greene, president of the Memphis Little Theatre are: Mrs. John Dever, director; Miss Vernadin Jones, Mrs. Frank Foxhall, Mrs. U. S. Moore, Mess. Lyman Robbins, Harry Delaney and David Fitzgerald, all of whom compose the cast for "Kempy". Tickets are now on sale for the play and since the great success of the first presentation by the locals, every indication points to an overflowing house when the curtain rises Friday evening on the first scene of the hilarious comedy, "Kempy".

A rebuilt stage and the new curtain to be installed today, will add greatly to the accommodations of the production and to the pleasure of the audience of playgoers Friday evening.

Local Boy Named To Hutton's Job

The News has been informed that Charles Bairfield, resident of Donley County for a number of years, has been named to the position of Clarendon High School faculty to succeed John G. Hutton, resigned.

Charles Bairfield is extraordinarily well equipped for the place to which he has been named. He is a graduate from the A. & M. College of Texas, has his Master's degree from that school, taught school at Olton, Texas, for two years and has been in the Clarendon High School faculty for the past two years. He is a graduate from the Clarendon farm southwest of Clarendon.

Mr. Bairfield has the distinction of having coached a stock judging team that won first place in a judging contest at Lubbock, and the same team that won the first place in a like contest at the West Texas State Teachers' College at Canyon. This same team won fourth place in the state contest held at College Station.

The special qualifications of Mr. Bairfield are found in the fact that he is especially well versed in Agricultural pursuits and in Stock Judging. He states that he is planning to have a team ready for entry in the Texas Technological College contests early this year and that they will probably be entered in other contests of like nature in this section of the state.

The duties of Mr. Bairfield will start with the release of Mr. Hutton from the place he now holds.

Mrs. Charles Trent and Mrs. Forest Taylor motored to Amarillo Saturday and visited with Mrs. Nat Perrine.

DISTRICT COURT OPENED MONDAY

District Court for Donley County started off quietly Monday morning of this week with the impending of the Grand Jury and their attack on the duties that first report to Judge Fines this morning, reporting the finding of 18 Felonies.

Other work of the court to this morning will show the granting of four divorce cases and the settlement of the case of Tom Watson et al vs. U. P. and J. S. Upham and others. This latter case was settled in favor of the defendants.

The serious illness of Judge Fines coming on Wednesday night caused the recess of the Grand Jury for the remainder of the week. The real work of the court will start with the opening of next week, a petit jury being called for this purpose.

Mrs. John Craig of Pampa, was here Sunday for a visit in the home of Mr. and Mrs. F. G. Patching.

Presbyterians To Give Easter Event

The choir of the Presbyterian Church, under the direction of Robert S. Cope, is planning to present an Easter Cantata, "The Thorn-Crowned King" by Fred B. Holton, on the evening of April 18th.

Work on this production has been under way for the past several weeks and Mr. Cope states that the production will be ready for presentation on the evening set.

Solo parts will be taken by Mrs. O. T. Smith, Mrs. Frank Heath, Lester Boykin and C. E. Batten. A ladies chorus composed of Mrs. Clark Hemminger, Mrs. J. L. McMurtry and Miss Anne Wiedeman has also received a place on the program. The choir in general is augmented by the addition of members from other choirs of the city and the program date has been so set as not to interfere with the presentation of other features of a like nature.

The entire public is invited to attend the presentation of this musical feature, being assured of a hearty welcome on the evening planned.

Urge Report Scholastics

With time for the close of the 1930 scholastic census drawing to a close, Superintendent H. T. Burton asks that all people help the enumerators by reporting eligible school children to him before Saturday. The census closes Saturday night and it is the hope of the enumerators that they may secure all eligibles since it means quite a sum to the District from the state.

Report to Mr. Burton, all families moving into the community and they will be seen before the close of the census. Don't wait, do it now!

Contest On Bird Houses Ends 26th

The second annual contest sponsored by Les Beaux Arts Club on the building of bird houses will be closed on the afternoon of Saturday, April 26th. A new feature is to be found in the contest, this year, two divisions being provided so as not to make the younger boys compete against the older ones as was the case last year. One division is for boys between the ages of 10 to 14 years and the other is for those under the age of 10. Prizes are offered for both bird houses and feeders.

The seeding exchange of the Les Beaux Arts Club will be held on the same date and at the same place as the bird house contest.

LIONS DISCUSS SCHOOL ELECTION

URGED TO ASSIST IN GETTING MANY VOTES ON COMING ELECTIONS.

The matter of greatest interest to the Lions in their luncheon Tuesday of this week was that which has to do with the coming election for the purpose of electing three trustees and the voting on the proposed addition of taxes for the maintenance of the college as it is at the present time. A number of the Lions took part in the discussion, each one urging that a large vote be cast.

Miss Nova Cook entertained the gathering with a reading as the presentation of the program committee for the day are Elbert Ferguson from Detroit, Michigan, Rev. B. N. Shepherd and H. L. Brady, both of this city.

Announcement was made of the Ladies Night to be held on the evening of April 8th. The Lions were urged to make their plans to attend this event.

Lion Cub Lewis made his cub speech, stacking up a fine of \$6.00 that was later remitted when the Lions realized that he had made quite an excellent address. Lion Burton again called attention of the Lions to the closing date of the school census, asking them again to report any families he had failed to reach. The work on this closes Saturday of this week for 1930.

Lion Braswell announced the appearance of "Kempy", the second production of the Little Theatre on Friday evening of this week. The purchase and installation of the new curtain is promised and the Lions were urged to secure tickets and attend the event.

H. E. Westmoreland of Amarillo visited in the T. F. Connolly home Friday.

DOUGLAS PRESENTS LEGION NEW FLAG

SPLENDID NATIONAL FLAG IS RECEIVED BY ORGANIZATION TUESDAY.

The Aubyn E. Clark Post of the American Legion is now the proud possessor of a fine, new American flag since Tuesday evening of this week. The flag is the gift of Past Commander Clyde J. Douglas and was presented with proper ceremony Tuesday evening of this week. It will be recalled that the original flag of the Legion Post was lost some years ago and that the new flag is to replace one that was stolen from the office of the Adjutant.

In the meeting Tuesday evening of this week, three new members were inducted into the organization with the proper ceremonies, the first to be done in this manner since the reorganization of the Post some years ago.

Report was made by the committee out on the caps, statement being made that the first shipment of caps had been ordered and that they would be here in a short time. Others will be ordered this week and will be here within the next two weeks.

Report on the Childrens convention was made and some matters will be brought to the attention of the regular meeting of the Legion when it is held on Tuesday evening of next week. Announcement was also made of the Auxiliary-Legion party to be held on the evening of April 7th.

Adjournment was had in accordance with the Manual of Ceremonies.

Friends of Mr. and Mrs. Reagan Bryan of Burkey will rejoice with them over the arrival of Donna Rhea on Friday, March 21. The little Miss weighed 5 lbs. when she made her appearance at Wellington on that date.

Hillcrest Loses To Hillcrofters

Starting the day with a bountiful chicken dinner in the Clarendon Hotel at the noon hour, the Hillcrofters of the local golf club continue their hospitality to the visiting rollers of the Hillcrest Golf Club from Amarillo by beating them in eleven of the twenty-one matches played on Sunday. One draw match was played, the contestants being so worn by the time they reached the eighteenth hole that they left the matter stand as it was and started for their various homes in the neighboring city of Amarillo. The visitors were well pleased with the results of the tournament even though they lost to the home players. This is the first tournament enjoyed by the local club during this year.

Results of the tournament by matches is as follows: Al Cooke lost to M. Merriman; M. Merchant won from E. Hatch; Meredith Gentry won from Lee Smith; Bill Cooke and Hay Johnson played a tied match; Phillips Gentry lost to Satterwhite; Robert Weatherly, Jr. lost to Westbrook; Walter Wilson won from Roquemore; A. N. Wood lost to Ladon; Holman Kennedy lost to S. Merriman; Bennett Kerbow won from Mavery; Seldon Bagby lost to Clark; Kenneth Kerbow lost to Reed; J. T. Patman won from Cox; Tom F. Connolly won from Clements; Dick Cooke won from Herring; G. L. Boykin won from Daily; Robert Weatherly, Sr. lost to Henson; Geo. H. McCleskey won from Thompson; Homer Parsons lost to Bartlett; Dr. C. E. Stucklin won from Ames; and Jack Merchant won from McClure.

NORTH SIDE OF DITCH COMPLETE

Pushing the work as fast as possible, the men in charge of construction on the ditch through Clarendon are making great headway with their task. The initial part of the bottom of the ditch was completed last week and the north wall was poured as far as the bottom had been completed. Excavations were left on the wall to receive the bridges when construction shall start on these two structures.

The work of hauling sand and gravel for the project was continuing with no let up this week, this material being placed to the location of the concrete slab that is to form the extension of Gorst Street to the intersection with the ditch. The excavations are being made for the curbing along this street and the center is being packed to receive the slab when sufficient material has been hauled to make the start practical.

Mrs. W. M. Patman and small daughter, Ruth, were in Amarillo Wednesday of last week.

Miss Thompson Resigns Office

Resignation of Miss Harvey Thompson, County Home Demonstration Agent for Donley County, has been received and accepted by the Commissioners Court of Donley County.

Miss Thompson states that she put her resignation in the hands of the Court some time past, but that no action had been taken until recently. The resignation is to take effect immediately, or just as soon as her successor to the office can be secured.

The record made by Miss Thompson has been enviable, she having done a great work with the girls and women of the county. In addition to this, she filled the place of County Agent for a time, organizing and assisting the Boys' Club of Lelia Lake in their start. The successor to Miss Thompson is promised in the very immediate future since she plans to leave about April first for further school work pointing toward the securing of her Master's Degree.

Mr. and Mrs. B. F. Kirtley returned Tuesday from Hubbard, where they have visited for some time with relatives. They were accompanied home by Mr. A. C. Kirtley, father of Mr. Kirtley.

WEATHER HALTS CLEAN-UP WEEK

The weather man evidently does not care whether Clarendon is the cleanest town on the Fort Worth & Denver Railroad. At least his efforts of the past week have pointed out that he is doing his best to prevent the entire cooperation of the people of Clarendon toward this end. Sand storms scattering the gathered trash and adding other trash to the premises of Clarendon folk, light rainfalls and Wednesday a snowstorm have done their part to discourage a great deal of work on the part of Clarendon people.

The city office, however, remains firm in their statement that they will haul away all trash so placed as to be convenient to their wagons. All that is necessary is for the home owner to call the City Hall and state that a load is ready for removal. The city will do the rest.

Mayor Taylor is well pleased with the results already obtained in connection with the clean-up and urges that a little extra effort be put forth to have the town in first class condition by the clean-up week of April 7 to 12. These dates fall one week later than the date set for the entire state and give just that much more time than other towns are allowed.

Let everyone get in and do their part, willingly.

RATHJEN HEADS COUNTRY CLUB

CLARENDON COUNTRY CLUB ELECTS DIRECTORS AND OFFICERS FOR 1930.

At the regular annual meeting of the stockholders of the Clarendon Country Club, held Tuesday evening at the Queen Theatre, a report for the past year was heard from Secretary W. W. Taylor, and usual routine of business was transacted.

Finances of the club were found to be satisfactory and six new members were elected, five from stock transfers and one a purchaser of treasury stock. The club now has forty-seven members in good standing, with three shares in the treasury, unsold.

By vote of the members the guest privileges were continued for 1930 as in the past year, as were the regulations governing fishing in the club lake, which conform to the state and federal laws as to season and size of fish to be caught.

There was no change in the personnel of the board of directors except that in compliance with the specific and insistent request, J. W. Martin, was left off and Dr. H. L. Wilder named in his stead.

At the conclusion of the meeting and after it had been voted to hold the usual annual picnic on July 4th, with details left to the discretion of the board, that body met and elected officers as follows: President, F. W. Rathjen; Vice-president, Dr. H. L. Wilder; Treasurer, Odos Caraway; Secretary, W. W. Taylor. Barcus Antrobus is the other member of the board.

MAINTENANCE TAX GIVEN PUBLICITY

EXACT COST IS MAILED EVERY RESIDENT OF INDEPENDENT DISTRICT.

A further aid in the securing of interest in the coming tax election on the Clarendon Junior College was the fore part of this week when letters were mailed to every taxpayer in the district. This letter gives the renditions as shown on the rolls of the county for the year 1929. The letter also gives the amount it would cost each taxpayer if the maintaining tax is levied.

The voters of the District are asked to keep the fact in mind that this levy applies on the State and County valuation, in many cases lower than the valuation assessed for other purposes in this county. Another item to be taken into consideration is the fact that this tax applies only to the Clarendon Independent School District. An excerpt from the letter is as follows:

"If this issue carries, the present tuition charge of \$100.00 per year will be discontinued for all students who live within the school district. Other districts may vote the 20c tax upon themselves and enjoy the same privilege, otherwise their students will continue to pay the tuition charge. If the issue carries, every boy and girl within the college district will have access to two years of college free of tuition. The college is recognized as one of the best Junior Colleges in the state today."

A plan is being worked out to secure one of the largest votes ever seen at an election of this nature in Clarendon. Backers of the move feel that it is practically assured of passage, but ask that a large vote be cast to show that a large part of the people are for the movement rather than an interested few.

Friends of W. L. H. Fair will be pleased to learn of his marriage on Monday, March 24th to Mrs. Mimmie Tice, of Altus, Oklahoma.

Donley Lagging In Cotton Crop

Total cotton ginning figures for the State of Texas were made public Thursday of last week, the News beating many papers of the state in the issuance of the total ginnings of the nation for the year 1929. It is the pleasure of the News to carry more information on the cotton situation for the past season, with figures from Donley County and adjoining counties showing the losses incurred during the season past. Totals for the state show that a total of 3,802,574 bales were ginned up to the reporting date for 1928 and that the figures for the preceding year amounted to 4,341,545 bales. This represents a loss of more than one million bales of cotton for the season.

In Briscoe County, the bales reported for the year past amounted to 7,709, while for the season of 1928 this same county had reported ginning 11,537 bales. Childress County showed about the same number of bales lost with 25,773 bales for 1929 as against 23,643 bales for 1928. Colingsworth reports 42,928 bales for the 1929 season with a total of 48,698 bales for the preceding year. Donley County shows a loss of little less than 12,000 bales for the two years with 18,723 bales reported ginned to date this year against 30,249 bales for the season of 1928. Hall County has the greatest loss of any of the adjoining counties with 52,249 bales of cotton ginned in the 1929 season against 82,515 bales for the season of 1928.

There remains very little cotton in the fields of the county at this time, the gins have closed for the season and the next report will see all the cotton reported for the year.

Ladies Auxiliary Plans Party 7th

The Ladies Auxiliary of the American Legion announced the fore part of this week that they are planning a party for the members of the local American Legion on the evening of April 7th. The affair is to be held in the Ladies Club room in the City Hall and will be open also to those who are eligible for membership in the Legion as well as to the members.

The ladies have agreed to furnish the eats for the evening if the entertainment committee from the Legion will furnish the entertainment for the occasion. The Legion has this matter under advisement and promise a fine time for the folk who attend this event.

All eligibles for this party are urged to hold a date for the evening of April 7th and plan to attend and take some part in the festivities of the evening.

WHO MAY VOTE IN JUNIOR COLLEGE TAX ELECTION SATURDAY, APRIL 5TH AND WHAT IT MEANS?

To meet the demand for correct information about the Junior College 20 Cent Tax election to be held in the Clarendon Independent School District, Saturday, April 5th, The News prints the following:

1. A voter must be eligible under the Texas laws. In other words, he must be 21 years of age, having lived in the State of Texas one year and in the county six months, in the precinct ten days. Must have poll tax.
2. In addition, he must be a property tax payer in the Clarendon Independent School District. (Wife of a property tax payer is qualified to vote in this election, also). A property tax paying voter doesn't necessarily have to own real estate—any property on which tax is paid makes the voter eligible, if other qualifications are met.
3. Election will be held in the City Hall at Clarendon between the usual hours for Texas elections.
4. The 20 cent tax, if levied by majority vote of the election, will be levied on all property and under the state and county valuations.
5. The tax of 20 cents cannot be increased, as it is the limit under the junior college law. It may be decreased by order of the junior college school board.
6. The junior college school board has no power to raise the valuations for junior college purposes. Any raise of state and county valuations must come from the commissioners court sitting as an equalization board, as always.
7. This is NOT a county-wide election. Only qualified property tax paying voters of the Clarendon Independent School District may vote.
8. Each school district in Donley County will be invited to join the Clarendon Junior College District, if the tax carries April 5th, under the provisions of the junior college law. Any district may join the Clarendon district and receive all the privileges that it does, by simply calling an election and voting the 20 cent tax on state and county valuations in their district limits, under the same voting qualifications as above.

It is pitiful to contemplate the foolhardy extravagance of the Hemphill County voters, who Tuesday of this week voted \$700,000 in bonds for hard surfaced roads. Of course, we will admit that the leading counties of Texas have done the same thing, following the lead of crazy people all over the United States, but Hemphill County is located near enough to Donley County to avoid such temptations to throw their money, and their children's money away. Why did they do it, when nearby the intelligent and progressive citizens of Donley County set such a monumental example of control in these modern days of dizzy extravagance? It is unthinkable, and this early we want to extend our sympathy to the kind-hearted, but blind citizenship of Hemphill, who voted such an awful blunder by a vote of three to one. Hemphill is hopeless.

There is a fear in many quarters that no reduction of cotton acreage need be expected in this section this year. The News is loathe to believe that we will not have a fair percentage of acreage reduction in Donley County, when every indication points to the lowest market for cotton this fall known in years if the acreage and yield are up to past levels. Bankers everywhere are refusing to lend money to farmers who fail to plant enough feed to run them and provide enough to feed out some hogs, calves and dairy stock, as well as chickens and turkeys. It now seems that Donley County will plant a greatly increased acreage to standard staple cotton and for the prosperity and happiness of us all, let us pray that an acreage reduction of fifteen to twenty per cent will also be realized.

Clarendon has gotten some very valuable publicity in the last few weeks through the exhibit of paintings at the Herring Hotel in Amarillo from the talented brush of our fellow-townsmen, Mr. Harold Bugbee. Besides the crowds in attendance on the exhibit, there has been quite considerable newspaper space given over to the artistry of Mr. Bugbee, and an Amarillo radio station has made daily reference to the exhibit. This young artist is gaining quite a reputation for himself and Clarendon is profiting thereby, and it occurs to The News that since so few local people know of the work of Mr. Bugbee that in the next few weeks, we should have an exhibit of his pictures here in our own city. Let us enjoy our own local artist, and let us show him he is appreciated in his own community.

Optimism prevails here in Clarendon. Already the Clarendon Country Club is laying plans for the big annual Fourth of July picnic and celebration.

FREE ADMISSION FOR COUNTY MEET

For many years the Donley County interscholastic meet has been financed by the simple process of charging admission to the literary and athletic events, which has met in a measure the expenses, but it has also acted as a deterrent on the general attendance of our people, all of whom are more or less interested in the progress of schools and pupils in our county.

Last week a mere handful attended the county debates and not so very many were present at the athletic events, which caused some who are in touch with the interscholastic events to question the policy of any admission fee to the annual meet. The cost of financing the events each year will run around one hundred dollars, approximately three-fourths of that amount going for medals and ribbons, and one-fourth going for expenses of the visiting judges.

Seems to The News that Clarendon, Hedley and Lelia Lake, might find it worth while to meet such a demand locally, and throw open all events in the annual meet with no admission fees whatever. The News feels that Clarendon could well afford to take the lead in the matter and offer to be host to a free-admission meet in 1931, and this newspaper will join with the other business institutions of this city in financing the cost. This would bring hundreds of people from all over the county here to take and interest and enjoy the various events, whereas now only a comparative few are in attendance.

The schools of Donley County are the bulwarks of citizenship for the future. Let us encourage them in this manner, as well as in every other way.

Once again the wets of the nation have been faced with the fact that any agitation of the liquor question in America always results in the strengthening of the laws and sentiment against their pet. For many months now we heard much of the expected recommendation of the Hoover Law Enforcement Commission that prohibition be repealed or modified; on every side we have heard thirsty ones predict that Congress would repeal or greatly modify the eighteenth amendment and the Volstead act. Now comes Chairman Wickersham of the commission, a man not committed originally to prohibition, whose testimony shows that the commission has never even considered recommendation of a repeal, and who goes further and says that "2.75 per cent beer will never satisfy a robust appetite." The chairman further says that the prohibition law is as well or better enforced than any other law on the statutes. With the change in prohibition enforcement machinery, liquor paralysis and an awakened public conscience by reason of the agitation in congress, hope is dying in the breasts of the well informed anti-prohibitionist. There is to be no repeal of the eighteenth amendment. There is to be no repeal of the Volstead act. There is to be no modification of the liquor laws. There is to be a steady strengthening of enforcement. Like a worn-out prize fighter, liquor staged one last desperate attempt at a "come-back"—and failed miserably.

Depression, which is very real in some parts of the country, has as little effect in Clarendon as any Panhandle town we know of out of the wheat belt. Business is moving off fairly well and there is every indication of a bettering of conditions as the year progresses. Clarendon is the steadiest business center in this section, and it is being proven again in 1930 in a very conclusive manner.

LITTLE REDUCTION IN COTTON THOMPSON PREDICTS

R. S. Thompson, prominent citizen of the northern part of the county, was a visitor to Clarendon the latter part of the past week. Mr. Thompson has lived in that part of the county for a number of years and formerly sent his children through Clarendon College for their education. He reported that conditions were slightly in need of a rain in his part of the county, but that little was suffering on account of the dry weather. He predicted very little reduction in cotton acreage in his section. A pleasing incident in the visit of Mr. Thompson to the city was the addition of his name to the News subscription list for another twelve months.

More Available Labor

Wherever the electric transmission line extends, there is instantly available an army of servants to shoulder the burden of human labor.

Housework, farm chores, commercial activities and industrial operations are thus speeded and made easier. The productivity of electric servants is greater than human labor on the farm and ranch, in the home and in the factory.

By thus increasing the productive power of its customers, the West Texas Utilities Company is contributing to the prosperity of the area which it serves and adding to the material comfort of the people.

The Hudgins boys went to Windy Valley Friday evening and played ball, but the Windy Valley boys came out victorious this time, the score being 7 to 12 in favor of the Valley boys. Brother Treadwell took supper in the W. E. Christie home Sunday night. It seems like March will not be so quiet after all the way the wind has been blowing the last few days.

ASHTOLA

The Ashtola Home Demonstration Club met with Mrs. A. L. Allen March 19, with 22 members and visitors present which is an unusual good attendance for this club. Miss Thompson was present and gave a demonstration on butter making, dairying being the subject for the evening. Several of the ladies graded the butter and all made fairly good grades. Miss Thompson wasn't with us when we had our lesson on caring for the sick, so she gave us a talk on diet for the sick. Miss Thompson came out Wednesday morning and re-organized the girls club after quitting it several weeks ago. Mr. Brown, the County Agent, was in this community this week and organized the boys 4-H club. The boys are very enthusiastic and it is hoped that they will do some good work. Mr. and Mrs. Pet Holley and son, Earl, left Thursday for a

visit with relatives near Stephenville, Mr. and Mrs. Leo Dockray are staying at the Holley home and caring for their things in their absence. Mrs. A. L. Allen and daughters, Miss Delia and Mrs. Alva Hunsucker, visited their daughter and sister, Mrs. Charley Meaders, at Claude Friday. Mary Francis Meaders returned home with them to spend the week-end. There was no school at Ashtola Friday on the account of several of the pupils entering the different contests at the County meet in Clarendon. Mrs. Susan Ashley has returned to the home of her daughter, Mrs. H. W. Lovell, after spending the winter at Brownwood, San Angelo and Lorenzo. there was a coal of fire in my stomach. "In the past fifteen years I have been to doctor after doctor and have used practically all the medicines recommended for my case but could never get any results until I tried Argotane. I began reading about this Argotane when it first came here and I am just starting on my second bottle and came here this morning not only to buy the second bottle but to tell you just what it has done for me. I began enjoying my meals from the first few doses. My nervousness is gone, and I can sleep like a child and always wake up in the mornings ready for breakfast and feel refreshed. I am very fond of good substantial food, but was almost afraid to eat it and in fact couldn't eat it because it disagreed with me so— but now I am off of that sweet milk diet and am eating regular meals with the family and the food does agree with me perfectly and I feel no bad effects what so ever. I am beginning to feel like a different man and am always going to keep this Argotane on hand. It has done me more good than anything else in the medicine line I have ever taken. I certainly do recommend it to my friends. It is really remarkable." Genuine Argotane is sold in Clarendon by Stocking's Drug Store who are direct laboratory agents. His Treatment Is Remarkable Says Garrison

CLAUDE, TEXAS, FARMER SAYS HIS HEALTH HAD FAILED—RELIEVED BY ARGOTANE.

Nearly everybody in Claude, Texas, especially the farmers of that section know E. Garrison, residing on Route B. On account of general failing health, Mr. Garrison was forced to discontinue eating anything and up until the time he began to take Argotane he was living entirely on a sweet milk diet. The following interesting statement was made by him in person to the Argotane health teacher at Amarillo. "I am 31 years old and have been suffering for the past fifteen years from stomach trouble and indigestion. And my general health gradually failed me. My principle trouble was indigestion and constipation, but my whole system seemed to be out of shape. My condition got so bad I couldn't sleep at night, and always after eating I would suffer so from indigestion that I felt just like

Junior-Senior Banquet Enjoyed Friday Night

On last Friday evening while the lightning flashed and the thunder raged, the cars slipped and the rain poured, the Juniors Seniors and faculty of the Lelia Lake High School gathered in the banquet hall to attend the annual Junior Senior Banquet. The hall was most beautifully decorated in pink and gold paper with tall vases of roses on the table above which the class motto, "Out of the Harbor into the Deep" swayed. After a short time spent in pleasant greetings, the thirty guests found their places around the banquet table. An invocation was given by one of the teachers. The president of the Junior class, Herman Dodson, gave a very appropriate address of welcome. In reply to the address of welcome, Supt. Rex Reeves, made some interesting and appreciated remarks. The cats which were served by the guests of the sophomore class were more than delicious. A number of talks and toasts were given by members of the Junior and Senior classes. The Seniors expressed their appreciation of the high school they were leaving, while the Juniors almost said they would be glad when the Seniors should go so that they might hold that enviable place. But it was Hollis Leathers speaking, as only Hollis can, that brought the crowd to excessive laughter only to be followed by tears. The one regret of all the evening was that the Junior's sponsor, Mr. Kavanaugh, who was to be master of ceremonies, was called away on account of sickness. After an unusually pleasant evening we certainly felt that we were coming "Out of the Harbor" as we stepped "Into the Deep" puddles between us and the cars, but we each carried memories that kept us smiling through.

Unintentional Suicide

Many people are slowly poisoning themselves just as surely as if they drank iodine every morning for breakfast. They are daily absorbing the toxins or poisons, created by accumulated waste matter in their constipated digestive systems. Sooner or later disease will conquer their weakened bodies. If you have dizzy spells, headaches, coated tongue, bad breath, insomnia, no appetite, bilious attacks or pains in the back and limbs, you are probably suffering from self poisoning caused by constipation. The surest and pleasantest relief for this condition is Iperbina, the vegetable cathartic which acts in the natural way. Get a bottle today from Douglas & Goldston Drug Co.

DOCTOR ELLIS TURNS TO FEEDING CATTLE ON SIDE A record that is believed to be unbeaten has recently been set by Dr. T. H. Ellis in feeding a yearling. The calf, a half breed jersey and Hereford, was sold the latter part of last week on Russell's market. When killed, it was exactly thirteen months and 18 days old and tipped the scales at 870 pounds on foot. Dressed, the calf weighed 498 pounds. According to Fred Russell, this is the first time he has ever been privileged to have a record of this sort brought to his attention. The calf was strictly pen-fed, consuming great quantities of feed and finally producing the finished animal as mentioned herewith. PURE SEED DISCUSSION GETS QUICK RESULTS HERE At the instigation if the County Agent, A. W. Simpson has placed an order for a ton of certified seed for planting in Donley and adjoining counties this coming season. In addition to this, Mr. Simpson has a large amount of Hegira seed secured on the South Plains from a crop planted last season to certified seed. This seed tested 95 per cent on thresher run seed that contained cracked and imperfect seeds. Mr. Simpson stated that he plans to run this seed through his cleaner and that it should test almost perfect germination after the imperfect seed had been removed. The seed ordered are kafir and maize. TWO CLARENDON STUDENTS SLATED FOR JUNE CLASS Late reports from the University of Texas indicate that Clarendon will be represented on the roll of graduates with at least two students from this city. One of these is Miss Mary Katherine Headrick, who will receive her Bachelor of Arts Degree specializing in Economics. The second to receive his sheepskin from the school is Kenneth Fink, who will receive his Bachelor of Journalism with the June class. These were listed with the others of the graduating class who will receive their degrees from the University of Texas in June of this year. Adults Contract Children's Diseases Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. What Will you do When your Children Cry for It There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria is never more popular with mothers than it is today. Every druggist has it. FLETCHER'S CASTORIA FAMILY DOCTOR LEARNED THIS ABOUT CONSTIPATION Dr. Caldwell loved people. His years of practice convinced him many were ruining their health by careless selection of laxatives. He determined to write a harmless prescription which would get at the cause of constipation, and correct it. Today, the prescription he wrote in 1885 is the world's most popular laxative! He prescribed a mixture of herbs and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin, in thousands of cases where bad breath, coated tongue, gas, headaches, biliousness and lack of appetite or energy showed the bowels of men, women and children were sluggish. It proved successful in even the most obstinate cases; old folks liked it for it never gripes; children liked its pleasant taste. All druggists today have Dr. Caldwell's Syrup Pepsin in bottles. We are all subject to colds. But they need not cause us suffering. Bayer Aspirin breaks a cold in a hurry. Or taken in time, heads it off entirely. You can avoid other suffering the same way. Headache, and even the pain from neuralgia, neuritis or rheumatism, yields to Bayer Aspirin. It always helps; never harms; does not affect the heart. Genuine Bayer Aspirin has Bayer on the box and on each tablet. ASPIRIN

SOCIETY

Youngblood-Gattis

On Wednesday March 19, at Memphis, Miss Thelma Youngblood became the bride of Mr. Hilburn Gattis, the wedding being solemnized in the Methodist parsonage at 3:00 o'clock. Rev. Robinson reading the marriage vows. The happy couple left immediately for Childress where they will make their home.

Miss Youngblood is the charming daughter of Mr. and Mrs. W. H. Youngblood and has grown to young womanhood in Clarendon. She is a graduate of Clarendon High School and has been a student in Clarendon College, also of Texas Technological School at Lubbock.

Mr. Hilburn Gattis, son of Rev. and Mrs. G. H. Gattis, is also a graduate of our local school and has many friends here who wish him and his young bride much happiness and happiness in their life together.

Miss Youngblood Is Honoree

Miss Thelma Youngblood was the charming honoree of a miscellaneous shower on Wednesday evening, March 12th, at the home of Miss Maurine Wood.

This was a very informal affair and was made more pleasant by beautiful vocal solos by Miss Maurine Wood and Miss Cecil Hukel.

After an unusual amount of fun and laughter, Miss Wood presented the honoree with a shower of miscellaneous gifts. Miss Youngblood in her most charming manner opened and thanked the guests for their gifts, especially the hostess who had been so kind and thoughtful to plan such an affair for her.

Those present to enjoy the gay affair were: Misses Cecil Hukel, Nell Butler, Reatta Thomas, Bernice LaFon, Annie Mae Owens, Thelma Youngblood, the honoree and Mrs. Meade Halle.

Mrs. Stallings Is Hostess

A profusion of blooming potted plants, ferns and cut flowers greeted the guests of Mrs. D. O. Stallings Saturday afternoon as they gathered at her home for an informal afternoon's entertainment.

Tables and cards were ready for the games of bridge which occupied the attention of the guests for the afternoon and from which much pleasure was derived.

The hostess served a salad course late in the afternoon to Mrs. M. M. Noble, Mrs. Eva Rhodes, Mrs. H. B. Kerbow, Mrs. C. E. Killough, Mrs. Harry Ruddle, Mrs. U. J. Boston, Mrs. J. G. Sherman, Mrs. J. R. Porter, Mrs. Loyd Stallings and Miss Fray Stallings.

Picnic Celebrates Holiday Friday

Celebrating the last holiday of the present school year, the Old Maids society of this city took advantage of a spring day and enjoyed the privileges of the Country Club on last Friday. A meal was prepared on the scene of the picnic and consisted in the main of winners, beans, chili and such other delectable edibles found on the bill of fare for an outing of this nature. Taking part in the celebration are: Edna Montgomery, Lois Alexander, Julia Taylor, Wylfa Alexander, Betty Walker, Mrs. Meade Halle and Florence Fink.

Mrs. Chas. Bairfield Hostess

One of the outstanding social events of the week was the lovely bridge party given by Mrs. Chas. Bairfield at her country home, Saturday afternoon.

The entertaining rooms were fragrant with sweet peas which seemed to breathe of spring as well as the pink and green color scheme carried out in the other appointments and refreshment course. All of those together with the bright spring day, the long drive out to her home and the friendliness of the group made this a most happy event.

Miss Helen Beck was the fortunate recipient of high score prize.

To enjoy this party were: Mesdames Fred Buntin, Bill Bromley, Henry Tomb, B. L. Jenkins, Jr. and W. C. Thornberry.

Misses Maye Lumpkin, Helen Beck and Vada Crawley of Memphis.

Thursday Bridge Club Entertained

Mrs. Earl Alexander contributed to the week's social activities with a delightful party Thursday afternoon when she entertained the Thursday Afternoon Bridge Club at her apartment.

The afternoon was spent with the chosen game, auction bridge, with Miss Mary Cooke being high score winner for the club members and Miss Chase for guests.

A lovely salad course was served at the close of the games to: Mrs. Charlie Bell, Mrs. Clyde Price, Mrs. P. L. Chamberlain, Mrs. Chas. Trent, Mrs. Kelly Chamberlain, Mr. Frank Stocking, Mrs. W. L. Ball and Mrs. Forest Sawyer.

Misses Manette Chase, Catherine Cole, Lorraine Patrick, Mary Cooke and Beulah Baird.

Miss Baird Entertains

Miss Beulah Baird very charmingly entertained a number of friends with a contract bridge party at the home of her mother, Mrs. J. B. Baird, Wednesday afternoon.

This game continues to hold the interest of a few, however they are loathe to give up auction bridge altogether.

Mrs. T. H. Ellis was high score winner and was presented with a lovely gift.

A delectable salad course was served to Mrs. Chas. Trent, Mrs. Kelly Chamberlain, Mrs. Earl Alexander, Mrs. T. H. Ellis, Mrs. Clyde Price, Miss Mary Cooke and Miss Lorraine Patrick.

Celebrates First Birthday

The wee young set enjoyed their share of fun the past week and among the happy occasion was the party given by Master Billy Marvin Land, one year old son of Mr. and Mrs. Marvin Land.

A wonderful time was had by his young friends. The birthday cake with one imposing candle and the young hosts' name plainly written on it with colored feasting proved a feature of great interest. This was cut and served with other things that delight the hearts of children to the following: Manley Bryan, Bryan Keener, Dewey Tom Heath, Frankie Arleen Garrison, Montez Downey, Betty Blanche Baker, and Frances Sanford.

Billy Marvin received many exquisite gifts.

Friendship Club Meets

Mrs. G. J. Teel was the genial hostess to the members of the Friendship Club Tuesday afternoon at her home where several hours were spent with light sewing and conversation in rooms laden with the perfume of spring blossoms.

At the close of the afternoon a dainty plate luncheon was served to the following club members and guests:

Mesdames J. L. Allison, L. Ballew, C. E. Lindsey, A. T. Miller, J. W. Rowland, C. L. Skinner, J. D. Stocking, H. Tyree, M. E. Thornton, R. O. Thomas, C. E. Tyree, Miss Beulah Mae Thomas and Mrs. Oscar Kerr and daughter, Barbara Jean, of Amarillo.

The Good Will Club of 1930

This newly founded organization met Monday afternoon in the home of Mrs. Melvin W. Cook, where an enjoyable afternoon was spent in making flowers. Late in the day, refreshments were served by the hostess to the following members: Mrs. Don Martin, Mrs. O. L. Yates, Mrs. Elmer Jones, Mrs. L. D. Carlile, Mrs. C. F. Carlson, Mrs. M. W. Cook, Visitors are: Mrs. Otis Naylor, Mrs. I. O. Noble, Mrs. Green, Mrs. T. D. Nored, Mrs. Mongolie, Mrs. E. Price, Miss Cora Beth Davis, Miss Lucille Yates and Miss Bessie Lee Clayton.

Hi-Y Club

The Hi-Y Club met last Tuesday night at 7:30. Everyone enjoyed playing forty-two and dominoes for about an hour then an interesting program was given. The subjects of the talks in the program was a study of the points that need improving in our life and the things that we can do to promote the right kind of school spirit. Much benefit was derived from the program and the discussions which followed. Talks were given by Carol Holtzclaw, Harold Phelps and George Bourland. There were twelve members present at the meeting and everyone was interested in the work. An interesting program is planned for next Tuesday night which will be very beneficial to those who hear it.

Jr.-Hi P. T. A. News

The Jr.-Hi P. T. A. met in regular session Thursday afternoon with a very small attendance.

The high school Glee Club under the direction of Miss Alta Evers, pleased those present with the rendition of the "Bridal Chorus" from the Rose Maiden.

The program was in charge of Mrs. Robt. McKee, chairman of the Child Welfare Committee, who

together with Mrs. O. T. Smith and Mrs. W. G. Word spent quite a bit of time on the preparation of the program. A number of new phases in this worthy work were brought to the attention of the parents present and were worthy of a larger attendance.

Mrs. McKee is a very earnest and experienced worker and is most interested in the welfare of the child and is an inspiration to all with whom she comes in contact.

The subjects assigned Mrs. Word and Mrs. Smith were worth while and fully and conscientiously covered.

During the business session Mrs. Geo. Ryan was elected as a delegate to the P. T. A. Convention to be held in Childress next month. The association voted to pay for records and music used by Miss Evers during the year.

A nominating committee composed of Mrs. Geo. Reed, Mrs. Steagall and Mrs. G. L. Green was appointed by the president.

Mother's Study Club Meets

"Free cooperation as a Method Learned by Teamwork" was most freely and openly discussed by Mr. H. T. Burton for the members of the Mother's Club Friday afternoon, when they met in the home of Mrs. Ralph Porter.

"Teamwork in Homemaking, Religion, Business, Civics and Safe guarding Personal rights in Teamwork" was the subject assigned Mrs. J. D. Swift and she rendered it beautifully.

Mrs. F. L. Stallings gave some preparatory readings on "Purpose," "Intellect," "Culture in Maturity." Mrs. C. W. Bennett, Jr., followed with talks on "Habit Formation" and "Famous Sayings of Great Americans."

This made a most interesting study for the afternoon and the mother's present found many helpful rules by which to train their children.

A lovely refreshment course was served at the close of the program.

1912 Needle Club

Mrs. H. C. Kerbow was the gracious hostess to the members of the 1912 Needle Club at her lovely home Thursday afternoon.

Needle work, conversation and a lovely plate luncheon filled the afternoon hours to overflow with pleasure.

To enjoy this were: Mrs. J. T. Patman, Mrs. A. L. Chase, Mrs. B. L. Jenkins, Mrs. R. F. Morris, Mrs. Frank McCrary, Mrs. H. Glascoe, Mrs. C. W. Taylor, Mrs. Minnie Dyer and Mrs. A. A. Mayes, club members.

Mrs. Paul Smithy, Mrs. Smithy, Mrs. Ralph Kerbow, Mrs. C. E. Killough, Mrs. Don Grady and Mrs. H. B. Kerbow, invited guests.

Friday Afternoon Bridge Club

Mrs. Charles Trent delightfully entertained the members of the Friday Bridge Club and a few invited guests at her home Friday afternoon.

Some cards suggestive of spring were passed and the games began at 3:00 o'clock at the conclusion of which Mrs. B. L. Jenkins, Jr. was awarded high score prize for club members and Mrs. Ira Merchant for guests. Mrs. O. L. Jenkins cut consolation.

A lovely two course afternoon luncheon was served to the following: Mesdames P. L. Chamberlain, O. L. Jenkins, H. Kennedy, B. L. Jenkins, Jr., Floyd Lumpkin, C. E. Miller, James H. Morris, Forest Taylor, and Miss Mildred Martin, club members.

Mesdames Richard Bell, Ira Merchant, Charlie Bell, H. R. Kerbow, Louie Merrill, C. G. Stricklin and Earl Alexander.

Misses Ineva Headrick, Manette Chase, Leta Verne Martin, Catherine Cole and Mary Cooke, invited guests.

Mr. and Mrs. Sam Dyer Entertain

Mr. and Mrs. Sam Dyer delightfully entertained the Thursday Dinner Bridge Club members at their home Thursday evening.

An elaborate dinner served at the small tables, which were resplendent in white cloths and lovely china was greatly enjoyed by the members as well as the games of auction bridge which followed.

Mrs. O. L. Jenkins won high score prize for ladies. Mr. Holman Kennedy high for gentlemen and Mrs. Kennedy was fortunate in the cut for consolation.

Those enjoying this party were: Dr. and Mrs. O. L. Jenkins, Mr. and Mrs. Forest Taylor, Mr. and Mrs. H. Kennedy, Mr. Meredith Gentry and Mr. Seldon Bagby.

Pathfinder Club To Meet

The Pathfinder Club members attention is called to the fact that the meeting for next Friday will be held in the Ladies Club Room at 3:30 o'clock. Mrs. Paul Shelton and Mrs. Nathan Cox hostesses.

Read the Want Ads regularly.

Mrs. Benson Hostess to Economics Club

The members of the Home Economics Club, who were present at the meeting Friday afternoon were truly inspired to make more cakes if for no other reason than to try out the cake filling, recipes given and discussed by Mesdames J. C. Estlack, J. H. Watts and Jno. Clark during the afternoon.

Mrs. C. L. Benson the gracious hostess served a dainty refreshment course at close of the lesson study.

Present were: Mesdames G. A. Anderson, S. E. Arnold, A. H. Baker, John Clark, M. T. Crabtree, J. C. Estlack, O. L. Fink, Major Hudson, C. E. Lindsey, J. D. Stocking, Tomb W. D. Van Eaton, J. H. Watts, Broun and Grundy.

BOY SCOUT PICTURE HAS SMALL SHOWING IN CITY

A very small crowd was present when the Scouts held their picture show in the Queen Theater last week. Even with the small attendance, the picture paid all their expenses and will leave a small margin for the local treasury of the scouts. The last issue of the News carried an item through misinformation concerning the assistance on the picture.

This was done by individual members of the Rotarians of this city and not by the organization as a Rotary Club. We make this explanation since there is a general misunderstanding in the city as to the sponsorship of the local troop.

FORMER CLARENDON MAN TO DIRECT CHORAL PROGRAM

The Secretary of the Clarendon Lions Club received notice from the La Junta, Colorado, Lions Club that one of their members, Roy L. Beights, would have the direction of a program over radio station KOA on the evening of March 28th. The program will be given by the choir of the First Methodist Church at La Junta, whose director is Roy L. Beights. Mr. Beights will be remembered by many Clarendon people as having attended school here at one time. Since leaving Clarendon he has studied extensively and has made some great strides forward in the line of teaching and directing choral bodies. The program will start at 9:45 a. m. Mountain Standard Time, the same being 8:45 p. m. by our time here. Mr. Beights will render two vocal selections in addition to appearing in the men's quartet. The choir has forty voices.

RUTHERFORD ASKS ASSISTANCE ON FARM REPORTS

J. H. Rutherford, Census enumerator for Precinct 2 outside of Clarendon, was in the office of the News the latter part of last week and was very much interested in the farmers filling out the census blanks mailed them last week by the Chamber of Commerce and the County Agent. This blank is quite complete, having in excess of 200 questions. Of the number on the blank, not more than one-half will apply to the farmers of this section and many of them are to be answered by a simple negative or positive answer. Mr. Rutherford will start taking this census on April 2nd, and asks that the folk of this precinct do all possible to assist him by having their blanks filled out and the questions ready to answer when he makes his first visit.

Miss Angeline Dubbs of Clarendon, will attend the progressive dinner to be given by Los Hidalgo, Spanish Club of Texas Christian University, on March 20. Miss Dubbs will take part in a number of other affairs that have been planned by the club for this spring. These will include a picnic at Lake Worth, a motion picture show of Spain and a banquet at a Spanish cafe.

RECORD IS MADE WITH FARMALL TRACTOR HERE

Information issued the fore part of this week from the Clarendon Implement Company shows that the new method of using tractors will soon pay its own way. A farmer in Douglas County whose name is withheld recently listed 32 acres in 12 hours time with his new Farmall. Rows listed were one quarter mile in length, necessitating frequent turns and the consequent loss of time and the consumption of more fuel. The case being as it was, 19 gallons of kerosene were consumed in the operation, one-half pint of gasoline was used in starting the engine and one-half gallon of oil was consumed. Figuring the kerosene at eleven cents per gallon, the gasoline at 18 cents and the lubricating oil at 55 cents per gallon, the total cost for listing these 32 acres of land amounts to \$2.41. This figures a little more than seven and one-half cents per acre seemingly a very conservative figure for this sort of work.

CONSOLIDATION COMPLETED IN CLARENDON MOTOR CO.

Consolidation of the two plants of the Clarendon Motor Company was completed last week the entire stock of parts, equipment and new cars being moved to the new location of the Chevrolet agency in the old Ford headquarters building. The Chevrolet location will be retained and is at present being used as a used car depot, being used for this purpose to keep the cars out of the weather and provide a better show room than was had originally.

Mr. and Mrs. E. A. Simpson spent Monday in Clarendon. Mr. Simpson attended to legal matters while Mrs. Simpson visited with friends.

Mr. and Mrs. Sayre visited Mr. and Mrs. Jno. Blocker and Mr. and Mrs. Dorr Ellis here the past two weeks, returning Saturday to their home in Mineral Wells.

HATCHERY NOW RUNNING TO MORE THAN CAPACITY

For the first time since the Clarendon Hatchery was opened the first part of 1929, the place of business is now operating to full capacity. Evidences of this are seen when one first enters this place of business. Egg cases are piled high one side of the room, while the chirp of baby chicks comes from the opposite side of the house. Frank White, Jr., stated Tuesday afternoon that the first unit installed was checked Monday night and that they learned that they had a total of 57,000 eggs in this incubator. The other machine has more than enough to carry the total content to more than 104,000 eggs, the total rated capacity for the two machines.

MANY FROM CLARENDON ATTEND HEDLEY MEETING

Working to the renewal of interest in the Christian Church at Hedley, a meeting was held in their church Tuesday evening of this week. Rev. Emanuel Dubbs of Borger, preached to the gathering, delivering a sermon that was much appreciated by his hearers. Present from Clarendon for this event are: Rev. and Mrs. W. E. Ferrell and daughter, Miss Fields; Mr. and Mrs. Frank Johnson, Mr. and Mrs. Frank White, Mrs. A. N. Wood, Mr. and Mrs. Homer Mulkey, Mrs. R. C. Bryan, Mrs. Eva Humphrey, Rev. and Mrs. Emanuel Dubbs, Mr. and Mrs. W. F. Dubbs, Mr. and Mrs. G. A. Anderson, Mr. and Mrs. J. R. Tucker, Homer, Ruth and Ruby Tucker, Mr. and Mrs. W. L. Butler, Mr. and Mrs. G. Cottingham, Mr. and Mrs. C. L. Knight, Miss Shelton.

MEMPHIS ATTORNEY ASKS DISTRICT ATTORNEY JOB

The News is authorized to carry the announcement of W. A. McIntosh, of Memphis, subject to the action of the Democratic Primaries, for the office of District Attorney of the 100th Judicial District. From this issue forward, the announcement will be found in the column of the News set aside for these announcements.

Mr. McIntosh has lived in Hall County since 1915. He has taught school in that county, served two terms as County Judge of Hall County and also filled the position of County Attorney for the same County. Mr. McIntosh states that he will serve the State in the prosecution of cases with his mind open. Invitation is left with the voters of this District to investigate the character, standing and ability of the man, he feeling that they will learn that he is well qualified for the position he desires.

EPISCOPAL GROUNDS ARE RECEIVING IMPROVEMENTS

Among the improvements effected to beautify our city last week we overlooked to mention the work surrounding the Episcopal Church, where a hedge almost encircling the entire property has been planted. A considerable amount of shrubs set out and beds prepared for the seeding of flowers. Other features which will convert the grounds into a "garden of delight."

Mr. and Mrs. W. A. Clark, Jr., visited in Amarillo Saturday.

SCOUT SCHOOL FOR CITY ON WEEK OF MAY 5TH TO 9TH

Scout Executive Jolly was in Clarendon Wednesday, making final arrangements for the holding of a five-days Scouting School for the city of Clarendon. This school will be held May 5th to 9th and is to be open to every person interested in the work of Boy Scouts. It is primarily intended for scoutmasters, troop committeemen, fathers and the like who are most likely to be interested in the movement. The location will be determined later.

Mr. Jolly is to be out of the area for the next two weeks, first going to Fort Worth to attend a two-day meeting of the Regional Conference, later going to Camp Wisdom at Dallas for a ten days Camp Director's School.

Mrs. Jas. Trent and Mrs. C. G. Stricklin, Mr. and Mrs. J. J. Robinson, Mr. Clyde Douglas, Mr. and Mrs. Loyd Stallings, Mr. and Mrs. Rhea Couch, Miss Dale Park, Mr. Joe Holland, Mr. Ralph Andis, R. W. Moore and Mr. B. C. Antrobus attended the meeting of the American Legion held in Childress Sunday. This was the regular meeting of the 18th District.

An accident on the road between Whitedeer and Groom was reported to the News the early part of this week by Rev. C. B. Ingram, who was just completing a sermon nearby when details of the tragedy were made public. Mr. and Mrs. Frank Koeting of Groom together with their children, were driving along the road when a front tire blew out. The car was turned over, pinning the occupants underneath. The two children were killed, but the mother and father were not severely injured. Assistance was secured from nearby houses enabling the car to be removed from the injured persons.

Shall We Vote the Junior College Tax?

JUNIOR COLLEGE STUDENTS DO SUPERIOR WORK AT UNIVERSITY

On June 30, 1928, Professor J. Pearce Mitchell and Walter C. Eells published a study on the junior college transfers to Stanford University. (Faculty Bulletin No. 13, June 30, 1928.) Their summary is quoted verbatim: "During a five-year period 150 students have entered Stanford University by transfer from junior colleges. A study has been made of the records of 317 of this group who entered with full Upper Division or junior-year standing.

Their average age is 20.52 years, two years greater than that of Stanford freshmen. "Their ability as measured by the Thorndike intelligence Test is slightly superior to that of students from the four-year colleges and markedly superior to that of students who were admitted as freshmen. When their ability is measured by their previous academic record, the results are similar.

"In their two years of residence the junior college group after their first quarter show superiority to a comparable group of students who have had their previous academic work in the University; this superiority increases markedly in each successive quarter of residence.

"Eighty-five per cent of the students entering from junior colleges have graduated or are still in residence. "Where normally 15 per cent of seniors receive graduation honors for superior scholastic records, 24 per cent of the latest class to graduate 30 per cent of the junior college group have been thus honored.

"Forty-three per cent of the junior college students who have graduated have gone into graduate work at Stanford; 50 per cent of the comparable class admitted as freshmen."

A similar study is now being made at the University of Texas. The investigator is asking for grades of representative students at the local Junior College some two or three months ago, frankly stated that she expected to reach about the same conclusion that the University of Stanford reached namely; that the junior college students who transfer to Universities do superior work to students who have had their first two years work in the University. The Public Junior Colleges have increased 180 per cent in the United States and territories during the past four years.

The Junior college it seems, will insure our students a better opportunity to do a superior type of work, therefore this reason alone should justify voting the special tax for the Clarendon Junior College. It may mean success for several individuals where failure would be inevitable if they did not have such an advantage.

OUTSTANDING EDUCATORS FAVOR JUNIOR COLLEGES

"The enrollment of too many students to be cared for properly is regarded by some institutions as a dangerous burden, and by others as a matter for boasting. Over crowding is a great obstacle to personal relations such as we of the pioneer class had with our teachers at Cornell. It leads to careless teaching and especially the substitution of information instead of contact. The value of higher education even the possibility of it, lies in close relation to sources. To teach any subject to huge classes, through informing lectures, is a waste of time to both teachers and students." "For the last seventeen years, I have urged the development in California, of the junior college,

to which the freshman and sophomore classes may be relegated. University work begins most naturally with our third or junior year." David Starr Jordan, President Emeritus of Leland-Stanford University.

"This remarkable high school expansion has resulted in turn in a remarkable increase in college attendance. Still more, there has come a strong public demand, that the public school system should be expanded upward, as well as outward, so that at least the first two years of collegiate work might be provided in smaller units and nearer home. As a result of his pressure we have seen the rise of the junior college, covering the freshman and sophomore years of college work. For this form of organization, many excellent psychological and educational reasons may be advanced."—Dr. Elwood P. Cubberley, Dean of the School of Education, Leland-Stanford Junior University.

"Indeed, the outstanding trait of the junior college is that it does employ the methods of higher education, that it even carries them down into the secondary school state. Greater academic freedom is given individuals. Reference work is substituted for the study of school texts. The student is taken beyond the fact and into the realm of the underlying philosophy of the subjects studied. Small sections and good teaching make this possible.

"The glory of the junior college is that it offers boundless opportunity for exploration, both in a variety of institutions embraced by it and in the latitude given within each. Those wise, in the guidance of youth are turning to the junior college as a next step educationally for all save students marked from the beginning with the scholar's seal."—Dr. Marcus Cost, President, Sarah Lawrence College, N. Y.

"Junior colleges have performed the function of democratizing education, of affording higher learning for the many, and have at the same time proved to be of assistance to the standard institutions in so far as they send on their producers. The junior colleges are not therefore a menace but rather a boon, and as such are welcome additions to our educational family."—Dwight C. Baker, University Examiner and Assistant Professor of History, University of California.

The opinions of these very prominent educators may be considered with the same degree of authority that we accept professional advice of any sort. The tax payers of the Clarendon Independent School District will certainly never have another opportunity to get so much for so little as they will have by voting the twenty cent tax on the one hundred dollar valuation (State and County) for the support of Clarendon Junior College on Saturday, April 5, 1930.

CLARENDON WOMEN ATTEND MISSIONARY MEET

Following close on the heels of the sessions of the National Council meeting in Amarillo, the meeting of the Woman's Missionary Society of Clarendon District was held last Thursday in Wellington. Despite the fact that many of the women were quite worked out by the preceding week's work, the following were in attendance from the various branches of the organization in Clarendon: Mmes. U. J. Boston, Y. E. McAdams, C. T. McCleeny, C. E. Griegs, Rolle Brumley, Carrie Wiedman, G. H. Gattis, Rev. W. M. Murrell, Presiding Elder of the Clarendon District was also in attendance from Clarendon.

JUNIOR COLLEGE GETS RECOGNITION

HAS ESTABLISHED ITSELF AS A PART OF EDUCATIONAL STRUCTURE.

Has it? Former Governor George W. Donaghey of Arkansas thinks so. He is so completely sold on it as being the most valuable institution of our educational system that he has recently given to the Little Rock Junior College (established only three years ago) two of Little Rock's largest office buildings valued at \$2,000,000. The income from this property is to be used for the sole benefit of the public junior college. There are colleges and universities, no doubt, which would be willing to change their name to honor any donor who would give them such a sum of money. Mr. Donaghey believed, however, that no greater field for service exists than that of the Municipal Junior College.

The people of Clarendon have a Junior College which has the recognition equal to that of the Little Rock Municipal Junior College. It can be maintained very economically. The tax payers could not make a better and more productive investment than to vote to provide 20 cents on the \$100.00 state and county valuation for the support of the junior college.

If Mr. Donaghey thinks the Little Rock Junior College is worth \$2,000,000, should not the tax payers, the owners of Clarendon Junior College, place at least a \$4,000 a year value on it? A vote for the 20 cent junior college maintenance tax is a vote for progress.

HIS NEURITIS PAIN ENDED BY SARGON

medicine made me feel better and stronger than I have in 20 years.

Our Weekly Church Chat

One way to make the world better is by improving yourself. The most direct way of serving your country is by loyalty to Christ and His Church. A loyal church member is a Christian. A Christian, according to the New Testament, is one who having heard the gospel, believes in Christ, repents of his sins, and obeys the commandments. A Christian occupies a lofty position in Christ. The Apostle Paul calls it, "The High Calling" (Phil. 3: 14). In his soul is being restored the image of God. Before him is the Lord Jesus Christ, his perfect Exemplar, into whose likeness he strives to become moulded. In his hand is the rule of his life, the law of God's word, which is able to make the man of God perfect. A Christian is called upon to refrain from evil, and actively engage himself in service for Christ. Such a life cannot be lived without encountering opposition and experiencing many trials, yet the true Christian is undaunted amid the fiercest conflict. He measures things by the end. He sees the glimmer of the unfolding crown, and presses on "Toward the mark of the high calling of God in Christ Jesus." (Phil. 3:14.)

Perhaps we all have our ideas about certain religious subjects, but in our message, "What is a Christian?" Next Sunday morning we wish to show you what the New Testament says on this subject.

In our evening message we will study, "Paul's Answer to King Agrippa." At this time we hope to show you that Paul was not satisfied with the King being, "Almost Christian." Both of the messages will be filled with great truths and facts to help you live for Christ. Arrange to be with us. W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

"I suffered with neuritis pains in my back and shoulders and many days I could hardly raise my hands above my head. My kidneys were too free acting. I had pains in my back, and suffered a lot with indigestion. My complexion was sallow, and attacks of bilious headaches came over me frequently. I only wish I had found Sargon sooner for all the neuritis pains, pains in my back and headaches have entirely disappeared since I started taking it. I have a good appetite and enjoy my meals without a trace of indigestion. My kidneys seem in good condition, my nerves are steady and I sleep like a log. Sargon fills me with life to work and ended my constipation." J. L. Reneau, 2919 Junius St., Dallas.

ASHTOLA SCHOOL PRESENTS PLAY THREE FRIDAY EVE

A play by the eighth and ninth grades of the Ashtola High School will be presented in the auditorium at that place on Friday evening of this week. "Ruth in a Rush" is the name of the presentation scheduled for this week and will be put on under the direction of Miss Maude Bledsoe, instructor in that school. This three-act comedy drama is filled to overflowing with a lot of fun and the public

ANNUAL MEET IS SPLENDID EVENT

MOST WIDELY ATTENDED OF ANY HELD IN RECENT YEARS IN COUNTY.

The annual interscholastic meet held here last Thursday, Friday and Saturday, was the most successful meeting of its nature for a number of years past. This is the opinion of R. E. Drennan, director of the Interscholastic work of the county. Mr. Drennan has been interested in the work of the organization for a number of years and feels that more rural schools took part this year than has been the case in other years.

is invited to attend and assist in putting this program over with a bang. The following will take part in the play: Geneva Collier, Ruby Reid, Leona Mandrosky, Othella Poovey, Margaret Swinburne, Juanita Boatman, Mary Graham, Lu McClellan, Jr., Glenn Drennan, Horace McClellan, Foster Gregg and H. W. Lovell.

TEAMS OF BROTHERS PLAY LIKE TEAM IN LAKEVIEW

A team of basketball players composed of the members of one family is to play a team composed of a like number of boys from another in Lakeview tonight. The family challenged is that of the Stargel brothers of the Eli com-

munity in Hall County. This group is quite famed for their proclivities as basketball players although they have not been playing so much for the past several years. The oldest member of this family is T. G. Stargel, manager of the Antro Hotel in this city. The youngest member is fifteen years of age. Two of the members are playing this year on the Memphis High School Basketball team. The team recently played the Memphis High School faculty, walloping them by a score of 43 to 13. T. G. plays standing guard. The accompanying photograph gives the entire team which reads from left to right as follows: T. G. Stargel, Roy, Cecil and Earl Stargel.

A further compliment was paid the meet by those who judged the events. Mr. Cook and Misses Anderson and Swain were the judges secured from out of the county and all of them were highly pleased with the manner in which the meeting went over. They stated to Mr. Drennan that his was the most satisfactory meet it had been their privilege to take part in. There was less bickering over the results than has been seen in any meet for quite a few years. Clarendon was quite easy winner of the meet although many first places went to other schools in the county. The total points for the places have not been compiled. A complete return of the meet is given herewith:

ERNEST C. COX IS VISITOR IN CITY

ADDRESSES STUDENTS ON COLLEGE AND LEGION ON PROBLEMS.

State Commander Ernest C. Cox of the American Legion, was a visitor in Clarendon Monday afternoon of this week for a short time. He happened to be in this section of the state to attend the District Convention of the Eighteenth District at Childress on last Sunday, made a visit to Wellington, Clarendon and Memphis and was scheduled to speak in Wichita Falls Tuesday night. On such short notice, little time was available for publicity on the matter and only a few of the citizens of the city took advantage of his presence to meet him and hear him speak.

His first appearance was at the College auditorium, where he addressed the gathering on the Junior College. The co-author of the original bill, he was well versed in the work needed to put the matter over and urged the school children to tell their parents of the opportunities offered in having a school of this nature here and urged them to tell of the advantage to be gained by keeping the school in its present state.

Later in the address delivered at the college, he told of the magnitude of the state and asked that the students take due notice of this and try to live up to the traditions of the greatest state in the union. Their heritage is such that no other state can furnish its children and should be kept eternally alive by a constant effort on their part to make the fires of traditions of history burn brightly always.

At the Legion Hall, a few moments were put in getting acquainted with the various members of the local post and the visitors who were in the hall at the time. Commander Cox first of all urged the Clarendon post to attempt to get a large vote in the coming elections. Not that the Legion is a political body, but that they wanted as many of the qualified voters as possible to exercise the right of the ballot. Examples were given of the average vote needed to elect a governor of Texas. From 77 per cent in the election of Governor Hogg, the percentage has dwindled until the last election of Moody, 44 per cent of the qualified voters of the state exercised their right.

Continued support of the local American Legion as an organization for men who saw service in the late emergency and as American citizens was urged, that the disabled and those in need of assistance might be helped was another item brought to the attention of the folk present. An unselfish organization, the Legion is now working for others with the benefits to the members as a secondary consideration.

State Adjutant Bob Whiteaker then told the gathering of the many things available for the ex-service men of the county, calling attention to the fact that many of the members do not know what they may secure in the matter of immediate attention and relief from the Veteran's Bureau. A man does not have to be

A member of the Legion to receive these services, but should be proud to belong to the body that has done so much in making it possible for the ex-service man to receive the benefits mentioned.

The Clarendon Post was complimented on its hall and on the work done, but was urged to step further and do some of the many things that yet remain to be done.

Major E. A. Simpson of Amarillo was a visitor in the hall, calling the attention of the members to the heritage they have in the memory of the boy for whom the post is named, Aubyn E. Clark. The many qualities of this leader were mentioned, together with the statement that he had reported time and again the statement that he would never again see the shores of the United States. The Post was cautioned to keep alive the fires of patriotism that could be found in this member of the Company "H" and that they always keep in sight the manly devotion shown those with whom Clark came in contact.

After a few more remarks from Adjutant Boykin and Commander Andis, the meeting stood adjourned until Tuesday evening when a number of candidates were to be initiated.

The class meets every Sunday in the auditorium of the church with such programs as given above being presented. Those of the city who are not already in some class are urged to attend these meetings knowing that they will receive a hearty welcome.

W. M. U. Circle Meetings

The Rex Ray Circle met in the home of Mrs. Ralph Andis with Mrs. Ben Hill as assistant hostess. Mrs. C. E. Noland was leader of the devotional. Fifteen members were present to enjoy this meeting and the social hour which followed.

Mrs. W. Z. Barron was hostess to the West Circle. Eight members and three invited guests were present.

Mrs. E. A. Thompson leader of the devotional also contributed to the study of "Things we Should Know."

Woman's Missionary Auxiliary

A business meeting was held at the church by the Women's Missionary Auxiliary. Methodist Episcopal Church South with a good attendance.

During the course of business the women voted to pledge \$1,000.00 for the proposed annex. Reports of the Council and district meetings were given by Mrs. A. Burton, Mrs. Gatt's and Mrs. Carrie Wiedeman.

Ladies Aid

Wednesday, March 26th, Mrs. R. H. Cline was hostess to the Ladies Aid, First Christian Church. Mrs. O. D. Liesberg, president, called the meeting to order. Prayer by Mrs. W. E. Ferrell followed.

After a short business session the ladies entered into the devotional service, 18th chapter of Luke, which was read by Mrs. F. C. Johnson. The members were divided into groups, each group being assigned four verses of the lesson and each lady gave a short talk on what she thought was the meaning of her verses.

At the close of the lesson the opinions were expressed as this having been the most interesting study of the year. Miss Betty Blanche Baker favored the society with a vocal solo.

A lovely plate lunch was served by Mrs. Cline to the 14 members present.

Episcopal Auxiliary

The Episcopal Auxiliary had their regular study, "Roads to the City of God," when they met in the parish house Wednesday afternoon. Services followed.

A handkerchief sale will be held in conjunction with the regular Saturday market.

Presbyterian Auxiliary

This being the closing meeting for the church year of the Presbyterian Auxiliary, yearly reports of the chairman of all departments were given.

The book of Romans will be the course of study for next year, with Rev. McKee as the instructor.

Mrs. G. L. Green was elected as delegate to the Presbytery to be held in Dallas the latter part of April.

Hostesses for the afternoon were: Mrs. T. M. Keener and Mrs. Melvin Cook.

Barn Dance Nets Nice Sum Friday

After all expenses of the matted had been paid, the Barn Dance held on last Friday evening in the Opera House netted a sum in excess of \$40.00. The house was well filled all through the evening's entertainment and a joyous time was reported by those who took part in the old-time dances.

Dave Shelton and Bob Beard called the dances while Lu McClellan acted in the capacity of floor manager for the event. Music for the evening was furnished by a stringed orchestra from Lelia Lake.

The hall was furnished for the event through courtesy of Mr. Trent of the Cold Storage Power Company. The funds derived from the dance will be used to furnish the Ladies Club Room with silverware and other necessary items for the entertainment of clubs when they meet in that place.

Misses Ruth Dunn and Cecil Hukel and Superintendent Burton will be the judges in the literary events at the Armstrong County Interscholastic meet the latter part of this week. Coach Stocking will also have charge of the Athletic events on Saturday.

C. F. Weaver and W. T. Burr, Donley County farmers who live south of McLean were in Clarendon Tuesday and called around at The News office where they enrolled as paid-in-advance subscribers of their county paper. They are progressive citizens of that section and are much interested in every progress and advancement of Old Donley. Read the For Rent Ads.
