ROTARIANS ARE CHARTERED TUES.

DISTRICT GOVERNOR OF OR- GANIZATION PRESENTS CERTIFICATE TO BODY.

The Rotary Club of Clarendon is now an officially recognized part of the International organization. The presentation of the charter to the Clarendon group was made Tuesday evening of this week in the basement of the First Presbyterian Church, before about sixty Rotarians, Rotary Annas and distinguished visitors from out of the city.

In presenting the charter to the organization, it was charged with keeping alive the principles on which the original Rotary Club was founded and to keep forever seeking those projects that go to making the communities a better place in which to live. The motto of the club, "Service Above Self," was stressed at all times during the exercises at all times during the program of the evening, the interest of the Clarendon Lions was mentioned favorably, the spirit shown in welcoming this sister club being one of the items not found in other communities where Rotary Clubs have been formed.

As a special representative of the Lions Club, Rev. Robert S. McKee, Pastor of the First Presbyterian Church, presented the Rotary Club with an American flag, representing the union of spirits that should pervade the two organizations in their work toward making the city of Clarendon a better place in which to live.

The presentation of the charter to the local organization was made by District Governor, Bernard Bryan of Stamford, Allen Early of Amarillo, President of the Rotarians of that city, was here, along with other out-of-town visitors from near by Rotary Clubs.

Program for the evening was prepared and presented through Robert S. Cope, chairman of the program committee and Miss Christine Stroder, the first Rotary Ann of the club.

The Clarendon Rotary organization brings the total number of being the largest Civic Club body in the world at this time.

S. L. Morris, Executive Secretary for Home Missions of the Presbyterian Church, left last Friday evening for his home in Atlanta, Georgia, after a visit here in the home of his brother, R. F. Morris.

Shepherd Named Head of Division

Rev. B. N. Shepherd was honored Friday of last week when he was elected to the office of President of the Sunday School division of the Panhandle District. Rev. Shepherd was in attendance on the sessions of the joint meeting of the E. Y. P. U. and Sunday School at Panhandle and was elected to this office by the votes of those present.

At the same time, Clarendon was asking for the convention meeting for 1931. This was lost to Perryton for the reason that they had never had a meeting of this nature and that they had sufficient reason to ask for it at this time.

ALLISON FAMILY TO VISIT FRIENDS IN COMING WEEK

Mrs. S. E. Allison will leave Saturday for El Paso where she will visit her sister for a few days. Rev. S. E. Allison will leave Sunday evening for Louisville, Ky., where he goes to attend a meeting of the General Board of the Church Extension of the M. E. Church South, of which Board he is a member. On his return he will come back through his old home state, Georgia and visit his brother, R. E. Allison, of Americus, Ga. He also plans to visit his old home, which is North of Atlanta, Ga. Mrs. Allison plans to return to Clarendon about the time that he does which will be in about two weeks. He will be out of his pulpit one Sunday and Rev. W. M. Murrell, the Presiding Elder, will fill it for him, the 27th of April.

AUXILIARY PLANNING FOR SQUARE DANCE FRIDAY 25

The American Legion Auxiliary states that they are planning to hold a square dance in the Opera House on the evening of Friday, April 25th. Mrs. C. G. Wickham is president of the auxiliary. She states that this is to be the largest affair of this sort that has ever been held in Clarendon and that they are looking forward to a large delegation to be in attendance. Keep a date open for the evening of April 25th and assist this organization with their work.

Mrs. F. C. Johnson is in Wichita Falls attending the bed side of her mother, who is quite ill.

Judges Named for Precincts 2 and 18

Completing the list of judges Primary in old precinct 2 and n the new precinct 18, these men were named by the Commissioners Court the fore part of this week.

Completing the list of judges who will hold the Democratic Primary in old precinct 2 and n the new precinct 18, these men were named by the Commissioners Court the fore part of this week. Voters will recall that all persons holding Poll Tax receipts with the number 18 on them will vote in the City Hall and that all those holding a receipt with the number 2 will vote at the Court House as they have done in the past. The precinct was divided for election purposes only, the division not affecting other business that may have to do with Precinct 2 as a whole.

G. J. Teel will act as Presiding Judge of Precinct 2 and will be assisted by A. A. Mayes and G. L. Boykin as Judges.

H. B. Kerbow is the man selected to act as Presiding Judge for the voting in Precinct 18, being assisted by W. A. Land as Judge.

The assistants to these will be named at a later date, it being the policy of the judges to name their assistants. By this division it is hoped that the counting of the votes cast may be done and all figures tabulated by midnight at least. Former years saw this work continued over into the day following when a heavy vote was rolled.

CITY CLEAN-UP TO CONTINUE

TASK OF WAGON YET LARGE AS MORE TRASH IS LO- CATED.

The work of cleaning Clarendon for the Spring and Summer season of 1930 is continuing without a let-up notwithstanding high winds that add to rather than subtract from the appearance of the city. For the past week, the wagons of the city have been busily engaged in hauling the trash that has been accumulated. They are making a thorough canvass of all parts of the city and are taking a likely looking deposits and placing this where it will do the least harm.

This work of hauling will be continued until no more calls are heard, despite the fact that the date set for the clean-up was closed on last Saturday, April 12th. Mayor Taylor stated this work last year and stated that it will be continued so long as the city is in need of such services. Generally speaking, the city is cleaner than it has been for some years, but there are these given their attention at once.

Mrs. Houston Miller and son, Fred, of Canadian, arrived Tuesday for a short visit in the home of Mr. and Mrs. Otis Jackson and Mrs. Eula Cox.

Second Flower Trade April 26

The second of the Plant and Flower trade days is to be held at the Woman's Club Room at the City Hall on next Saturday, April 26th. At this time, it is the plan of Les Beaux Arts Club to trade those plants which were not available when the first of these days was held in the month of March. Perennials that have come up since the first trade was held and shrubs and other plants that could not be removed will be featured in this second day of the year. Those who have plants to offer at this time are asked to pack them in moist dirt or wet sand to keep them from wilting. Some of the plants in the other trade were lost for the reason that they were unprotected and dried out to such an extent that they were lost. Mrs. C. C. Powell is to be chairman of this work again and will appreciate any assistance that may be given this at that time.

RUFUS WHITE TO COMPLETE COURSE AT TEXAS TECH

In looking over the list of graduates from Texas Technological College for the Spring term, it was the misfortune of the News to overlook a Clarendon boy who is to secure his sheepskin at the graduation exercises in June. This boy so overlooked is called Rufus White and his associates and it was for that reason that he was overlooked, for he was listed among the graduates as Robert White. Rufus is to secure his Bachelor's Degree from the School of Business Administration.

Miss Athlyn Taylor of Groom, spent the week-end with her parents, Mr. and Mrs. W. W. Taylor.

Mr. and Mrs. Clyde Naylor of Pampa, spent last Sunday here visiting in the homes of friends and relatives.

ANNUAL STYLE SHOW TONIGHT

LIONS 1930 STYLE SHOW AT PASTIME BIG EVENT OF SEASON.

Tonight brings the big event of the Spring season here in Clarendon, when at eight o'clock the Lions Style Show opens its annual program.

It's a big event because Clarendon merchants, co-operating with the local Lions Club, are showing a big array of street, afternoon and evening ready-to-wear for young ladies and matrons, modeling a bevy of our city's most charming young Misses—a spectacle worth going miles to see.

It's a big event because the profits from the program all go into the fund for aid to crippled children here in the Panhandle, one of the most popular movements ever inaugurated in this section, and one that is now participated in by all the service clubs of the territory.

One of the features of the program will be a group of choral numbers by the McDowell Club, under the direction of Robt. S. Cope. This popular organization will sing the "Barcarolle" from "Tales of Hoffman", and the newly adopted state song, "Texas, Our Texas," by Marsh. This will come early in the evening's program.

An Oriental mystery number is the surprise feature of the season, and is being kept a close secret until its appointed place and time on the program. It is absolutely new and exclusive here in the Panhandle.

In addition to the regular style parade, two new features of latest modes by movie stars will also be shown as a courtesy to the occasion by a Dallas film distributor patronized by the Pastime Theatre, and who entered heartily into the show by reason of its appeal and benefit to humanity.

A. L. Chase is chairman of the committee in charge of the program, and Manager Mulkey of the Pastime, says that in line with last year's overflowing house, it will be well for those desiring good seats to come early, as many had to stand at last year's show. Remember the hour, and be there early—if you want a seat.

High School Is First in Typing

Two places were taken by the typing team taken to Childress last Friday by J. R. Wells, head of the Commercial Department of the Clarendon High School. The other competing team was from Quanah, taking third place in the individual contests and second in the team.

Miss Lois Strawn of the Clarendon High School was the winner of the meet, setting a pace of 65 gross and winning with a score of 55.4 net. Miss Mildred Sparks was the second place winner, making a record of 66 gross and 48 net. The third place winner was Miss Dell Turner of Quanah, with a gross score of 53 and a net record of 46.

The team score for the two Clarendon entries was 65 1-2 gross and 51 1-2 net. Quanah took second place on the team score. Winning this event gives the two young ladies a trip to Austin the first of May to compete with the others of the state in the Annual Interscholastic League Meet.

Half Inch Rain Falls Saturday

A half inch of rain was registered in Clarendon last Saturday, with traces of moisture following during Sunday, but which could not be registered as hundredths of an inch. From reports over the county, the News is able to state that it was a pretty general although it shaded off in the Eastern and southern parts of the county to little more than a shower. From Clarendon west, the rain was heavier, it making more than a half inch in some places.

The heavy wind of Wednesday will do much to offset the benefits of the rainfall although the country in general was not in condition to be needing lot of moisture. Rain was more general north west of Clarendon and will be of great benefit to the wheat that is planted in that section of the county.

Mr. and Mrs. W. T. Hayter returned the latter part of last week from their Winter vacation and recreational trip to Battle Creek, Michigan. Mr. Hayter was there for the benefit of his health, returning to state that he is much improved.

M. E. SERVICES CLOSE SUNDAY

DR. E. E. ROBINSON OF MEM- PHIS DELIVERING SPLEN- DID SERIES.

Those in attendance on the Pre-Easter campaign that has been in progress at the Methodist Church for the past week have been treated to a series of sermons that have been far above the average. Dr. E. E. Robinson, Pastor of the Methodist Church at Memphis, has delivered the sermons and has more than pleased his audiences with them.

The first few days there was no morning service, but for the first few days of this week, these have been held at 10:00 o'clock each day. Evening services have been held at 8:00 p. m.

The series of services have been scheduled to close with the morning hour at the church on next Sunday morning. Dr. Robinson will preach the closing sermon. Two services will be held on Friday and none on Saturday.

PALODURO PARK BODY HAS PLAN

PALODURO GROUP WILL JOIN STATE PARKS BOARD IN STATEWIDE MOVEMENT.

Mess. M. M. Noble, G. L. Boykin and Sam M. Braswell, representing Clarendon and Donley County, attended a meeting of the Paloduro Park Association in Amarillo, Saturday of last week.

Communications from the State Parks Board and from Chairman J. E. Culp of San Antonio were read relative to a newly adopted plan for forwarding the four major state parks movement during the coming political campaign in Texas. A nationally known park specialist and worker will probably be brought to Texas and an effort will be made to commit all candidates for governor and candidates for the legislature and senate, to the program of four parks as adopted by the board.

Chairman Culp has called a meeting of the presidents of the four park associations at the Abilene convention of the West Texas Chamber of Commerce on May 29-30-31, as an executive committee of the movement acting with him, and finances will be raised by the associations to carry out the plans.

Some thing like three thousand dollars is to be raised by the Paloduro Park Association, as its pro-rata of the expense, local and general, and contributions of over three hundred and fifty dollars were laid on the table by representatives of the land owners in the Paloduro Canyon at the Amarillo meeting. Counties contiguous and nearby the canyon will raise funds for this purpose by May 1st, on a quota basis.

Donley County's quota is set at \$200, and effort will be made in a few days to secure that amount.

PENALTY OF FIVE YEARS IS GIVEN

MRS. HELEN BATES IS FOUND GUILTY AND IS GIVEN FIVE YEAR TERM.

The case of the State of Texas vs Helen Bates on a charge of murder drew a great deal of attention to Clarendon the latter part of last week when the courtroom was jammed to capacity with those interested in the possible outcome of this case. A number of times the room was partially cleared of spectators to give a little room, but quickly filled to the suffocating point within a very few minutes.

The case went to the jury at 7:00 p. m. on Saturday evening and they retired to deliberate. They made their report at 5:30 on Sunday afternoon, finding the defendant guilty as charged and letting the penalty at from two to five years. In charging the prisoner, the penalty was set at five years.

It will be remembered that Mrs. Bates is being tried for the murder of H. M. Christianson, she being charged by the Grand Jury in their deliberations here immediately after the opening of the March term of court.

As the News goes to press, no motion has been made for a new trial, and no motion for appeal has been presented, it being inferred that nothing of this matter will be forthcoming.

Mr. and Mrs. A. Turner and son, Owen, of Panhandle, spent the latter part of last week in the home of their friends, Mr. and Mrs. T. E. Trostle.

M. E. CHOIR IN EASTER CANTATA

ANNUAL EASTER EVENING CANTATA READY FOR NEXT SUNDAY NIGHT.

"The most colorful and charming cantata we have ever sung" is the verdict of the oldest and most experienced members of the Methodist choir who will present their annual program next Sunday evening at eight o'clock, at the Methodist Church.

"Life Eternal" is the Easter cantata selected for the program this year, which is a new composition by Fred B. Holton, an American sacred writer of much note. In addition to the impressive choral numbers, there are solo and duets of remarkable beauty and appeal.

The entire hour will be devoted to this program and the public generally is invited to attend. The choir will appear for their first time in vestments and the chancel and choir loft will be decorated for the occasion.

The soprano solo will be sung by Mesdames J. L. McMurtry and R. Wilkerson, while the alto solo will present Mrs. O. T. Smith, Mr. Irl Smith will sing the tenor solo. Duets will be sung by Mesdames Wilkerson and Smith; Mesdames McMurtry and Ralph Kerbow and by Messrs. Braswell and Boykin.

"Life Eternal" is the usual Easter theme of the events leading up to the sorrowful cup in the garden, the betrayal, the crucifixion, the triumphant resurrection of Christ and the adoration and praise of the redeemed.

Miss Fray Stallings is the organist and will play a processional and recessional of unusual charm. Sam M. Braswell is the conductor.

WESLEY KNORPP RETURNS HERE FROM CALIFORNIA

Wesley Knorpp returned to his home in Clarendon Tuesday of this week after an absence of some months in California, where he spent the winter. On returning to Clarendon, Mr. Knorpp visited with his son, Carroll, in Austin.

State Inspector Praises Course

A compliment was passed to the Vocational Agriculture department of the Clarendon High School when Mr. Rutland, inspector for this department of the schools of the state made his report to the School Board here the latter part of last week. The examination was made on April 3rd, and Mr. Rutland returned to Austin before his recommendations were sent back to the local board.

The compliment paid the department was had in connection with the recent Night School for a thorough discussion of poultry problems of the county. The department in itself was complimented on making the plans and carrying them out to completion, and the School Board was complimented on their contribution to the success of the venture.

As a whole, the department was found to be in good condition, some other recommendations being made that are of a personal nature and that have no interest except for the School Board and the person in question.

Knights Templar Service on Easter

Knights Templar of Clarendon and Donley County are invited to attend the annual Easter Sunday sermon and meeting at Memphis next Sunday according to a notification received here the past week.

The Memphis Commandery, K. T. will be hosts to the out of town membership and all Knights are invited to bring their ladies. Assembly will be had at the Masonic Temple in Memphis at ten o'clock. Sunday morning in full uniform except for swords. The Commandery will then march to the Presbyterian Church where at eleven o'clock, Rev. J. H. Terry will deliver the Easter sermon.

Donley County Knights are requested to notify A. G. Powell, Recorder, at Memphis as to how many will be with them on that day.

Listed among the Clarendon visitors to the Panhandle Hardware Dealers Association are found the names of Mr. and Mrs. W. Antrobus. They went on Tuesday and attended the monster banquet tendered these dealers in the evening of that day.

Cantata Plans Well Worked Out

On Friday evening of this week, beginning at 7:30 p. m. the mem- bers of the Presbyterian choir, together with others of the singers of this city, will present the Easter Cantata, "The Thorn-Crowned King," by Fred B. Holt. The au- ditorium of the First Presbyterian Church will be the scene of this presentation. The Cantata relates the Passion of our Saviour from His triumphal entry into Jerusa- lem on Palm Sunday through His trial and crucifixion on Calvary and His glorious resurrection on Easter Sunday. The choir is pre- sented this Cantata under the di- rection of Robert S. Cope.

Those making up this choir are: Mmes. Frank Heath, R. S. Cope, Roberta M. Ryan, J. L. McMurtry, R. F. Morris, A. L. Chase, O. T. Smith, Mary Lou Hemminger and Miss Anne Weideman, Messrs. T. D. Nored, H. W. Batten, G. L. Goykin and Earl Smith. Miss Mary H. Howren will be the organist for this occasion.

Preliminary practices have shown this to be a musical number that is quite enjoyable, and one that will please the most fastidious musical enthusiast. In addition to the chorus work, there are a number of solo that are pleasing, as well as some woman's choruses that are especially pleasing.

The third of a series of Little Theater productions scheduled for presentation to the people of Clarendon is the comedy, "Tons of Money." This play is to be given in the College Auditorium on Friday evening, May 2nd.

The first two of the productions of this organization were received with acclaim by the people of Clarendon and Donley County and this announcement will be received with much joy. The work of Mrs. Stocking in directing the others of the two will possibly be eclipsed by her work in this play. A strict comedy, it will be more popular with the general public than either of the other two plays, since it will furnish a solid evening of entertainment.

'TONS OF MONEY' THIRD PRODUCTION

EVENT PLANNED FOR PRE- SENTATION ON EVENING OF MAY SECOND.

The net proceeds of this production will go toward the paying for the curtain that has been purchased and placed in the College Auditorium. Those of the folk of Clarendon and Donley County who have never seen this addition will be more than pleased when they visit the auditorium for this play and see the difference made in the appearance of the stage.

House Contest Closes on 26th

The contest staged by Les Beaux Arts Club of this city on the building of bird houses and bird feeders will come to a close on Saturday, April 26th, as was announced in the last issue of the News. At this time, prizes will be awarded to the boy under 10 years of age and to the boy between the ages of 10 and 14 who makes the best bird house and the best bird feeder.

A cash prize of \$1.00 each is offered for the best bird house in the groups named and a prize of 50 cents is offered the boy in either of the two classes for the best feeder. Immediately following the awarding of the prizes, the members of the club and as many others as may care may have the opportunity of buying any of the houses that are offered for sale.

The houses and feeders are to be shown at the City Hall at the same time the flower and plant trade of the club is held.

FIVE COUNTY MEDICOS MEET HERE ON FRIDAY

Members of the Five-County Medical Association met in Clarendon for their usual monthly session on Friday of last week. The program for the day had been prepared by local doctors under the guidance of Dr. B. L. Jenkins, program chairman for Donley County. Cases were presented as discussions by the local medicos. A special feature of the day was the luncheon, the visitors being the guests of the Rotary Club for their noon meal.

Present and taking part in the discussions of the day are: Drs. Shattick, Murphy and Norman of Hemrock; Drs. Vardy and Miller of Estelline; Dr. Hemen of Memphis and Dr. Wardlaw of Childress. The local membership of the association was also in attendance.

Quite a distinction was voted upon R. F. Morris of the Clarendon Presbyterian Church this past week at the meeting of the Dallas Presbytery at Sherman. Mr. Morris was elected to the office of Commissioner to the General Assembly of the Presbyterian Church from this branch of the organization. Mr. Morris states that he expects to leave Clarendon about May 15th, going to Atlanta, Georgia, where he will join his brother, Dr. S. L. Morris and proceed to the convention with the Atlanta delegation. The sessions of the convention begin on May 20th.

Quite an interesting story is had in connection with this meeting at Charlottesville, Virginia. This is the town where the death of the father of the two Morris brothers occurred during the Civil War. Mr. Morris was wounded in an engagement near this little city and was carried into one of the buildings of the University of Virginia at Charlottesville, where he was called by death. The University continues to be located at this city and it will be with a great deal of interest that the two brothers are making this trip, for personal as well as for reasons connected with the work of the church.

TASKS COMPLETE GRAND JURY QUILTS

FINAL REPORT IS MADE AND BODY ADJOURNS FOR MARCH TERM.

The Grand Jury of the District Court for the March term asked that they be discharged Wednesday of this week after they had returned four more indictments, all felonies. They had been recessed since the first week of the court and have a record of twenty-two felonies returned for the time they held deliberations.

Work of the court for this week has been light, no cases having been heard. This body will be called into session again Friday morning with Judge Stokes at Vernon. It is probable that Judge Stokes will complete the work of the court here. A jury has been called for Monday, April 21st, this being the last week of court.

The report of the Grand Jury is attached hereto:

The State of Texas, County of Donley, in the District Court of Donley County, Texas, March term, A. D. 1930.

To The Honorable Judge of said Court:

Comes now the Grand jury duly impaneled for the March term, 1930, of the District Court of Donley County, Texas, and submits this its final report.

We have inquired diligently into all violations of the law that have come to our attention, having been in session for five days. We have heretofore returned into court 18 felony indictments, and we herewith return 4 felony indictments.

We have visited the County Jail and find the same in a sanitary condition but in need of minor repairs on the outside and believe that the inside should be refinished, and we recommend to the Commissioners' Court that this be attended to at once. The prisoners seem to be well treated. We wish to commend the officers of the county for their diligence and efficiency in bringing to justice law violators, as we wish to thank the Court, the District Clerk, the Grand Jury Bailiffs, the Sheriff's Department, in fact all officers of the court for their assistance to us during our deliberations.

We have finished our labors and ask that we be finally discharged.

Done at Clarendon, Texas, this 16th day of April, A. D. 1930.

W. I. Raines,
Foreman of the Grand Jury.

Senior Play Is Splendid Event

One of the most thoroughly enjoyed plays of the season was that one presented Tuesday evening of this week in the College auditorium by members of the Senior class of Clarendon High School. The play was had under the direction of Mrs. Rita Foster-Stocking and was a comedy that stood out far above the ordinary run of such productions staged here. The play was well named and was well played, each actor taking his or her part with a finish that bespoke much work on the part of the casting committee and the director.

A splendid attendance greeted the players, making it more easy to stage a production that was a credit to themselves.

CLARENDON MAN ELECTED TO POSITION OF HONOR

Quite a distinction was voted upon R. F. Morris of the Clarendon Presbyterian Church this past week at the meeting of the Dallas Presbytery at Sherman. The University continues to be located at this city and it will be with a great deal of interest that the two brothers are making this trip, for personal as well as for reasons connected with the work of the church.

Mr. and Mrs. Winston Trostle and baby of Gruver, Texas, visited over the week-end with the parents of Mr. Trostle, Mr. and Mrs. T. E. Trostle.

CULTIVATE YOUR BANKER

Just as every human body has its weakest organ, so every business man has his weakest talent. Management talent consists of keeping finance, sales, production in balance. Failure to keep them in balance is reported ultimately by Dun and Bradstreet among the business casualties.

We are told by a banker that money-sense, plain horse-sense in financial matters is so much Greek to thousands of small business men. (And we are told that bankers, as a rule, have no selling-sense.) But your banker will be glad to talk to you on how to get or how to keep your business on a sound financial footing. Cultivate him. "Spinal Colyums."

TRY TO BELIEVE CERTAIN LIES

First it was fairy stories, then Santa Claus, then either the Republican or Democratic party,—we believed in something or somebody. Then, as we grew smarter, one illusion after another disappeared. For a very short time we saw everything just as it was, but for a short time only.

In the place of old illusions we soon began to manufacture our own—subconsciously or unconsciously—until at the age of thirty-five we had built up a set of home-made self-fitted myths that would put any fairy story to shame. After that we believed in nothing but our own lies, and our numblings began to excite normal people's curiosity.

A healthy life must tolerate some of society's thought-habits. There really have been some great men in the world, worthy of our reverence and admiration. There really have been human beings who rose above every conceivable handicap. There really have been noble creatures in human form who held duty and patriotism above purse.—"Spinal Colyums."

WHY NOT PRINT THE BOLOGYNY!

"When I speak to a group of business men I assume they have left their brains at home," said an experienced speaker.

"At any minute during my talk I know they would rather clear the tables out of the room and kneel together in a great crap-game, than listen to an intelligent talk. They would rather spend twenty minutes arguing whether to have filet mignon or broiled chicken at the Annual Dinner than to listen twenty minutes to a man with a message. The way to make business men happy is to pass around the paper hats and wooden hammers and tell them a story about the traveling salesman who stopped overnight at a farmhouse."

While we don't agree for a minute with our good friend, the thought arises that the speaker of the occasion might print his speech and mail it around to the members in advance. That would consume printing and save time.—"Spinal Colyums."

\$15,000,000 FOR HIGHWAY SAFETY

(Editorial from Automotive Daily News.)

Public benefit and sound economics are closely related. The automobile industry's Highway Safety Plan which will scrap 400,000 unfit cars in a year is an example of large-scale benefaction which is solidly grounded on business fundamentals.

Every one knows that the used car falls into two classifications. The first class comprises the serviceable automobiles which are salable by the dealer and of value to the buyer. The second class are the rattle-trap used-up cars which are a menace to all users of the highway and are an economic nuisance. They spell loss to the dealer and loss to those who operate them.

The various companies participating in this program estimate that they will spend a total of \$15,000,000 for sending such cars to the scrap heap.

Those who are concerned with the national problem of accident prevention—and the motor executives are in the forefront of that movement—will greet enthusiastically this activity to clear the roads of unfit vehicles.

Alvan Macauley, president of the National Automobile Chamber of Commerce, which fosters the project, characterizes the effort as "perhaps the greatest single safety move in industrial history."

The fact that the Highway Safety Plan is good business sense strengthens its humanitarian value. Economic soundness is usually essential if any move is to be continuous rather than sporadic. The use of the automobile constitutes a vast democratic transportation system in which the maker, the dealer and the owner have a common interest. The removal of unfit cars will serve to clean up a situation prejudicial to the industry and the trade. It will be a boon to the nation of car-owners by removing from the highways a huge amount of undesirable rolling-stock.

American industry has again proved its ability to deal with major problems by methods which are comprehensive and far-visioned.

MEN, LIKE MACHINES BECOME OBSOLETE

We get it on the doctor's authority that depreciation and obsolescence are human factors as well as mechanical factors. With this difference:

A machine is built to do a certain thing, it is assembled under close vigilance and inspected before being shipped for installation. A man is not built to do a certain thing, is not assembled under close scrutiny, and is not inspected before he goes onto the job.

In fact, says the doctor, the average man presents 150 pounds of miscellaneous bone, gristle and muscle to anyone who will give him a job, and leaves the work of assembling, inspection, lubricating and connecting absolutely up to the boss. "Here I am", he says, "if you can't make anything out of me it's your own fault." And the minute the boss stops molding, obsolescence sets in.—"Spinal Colyums."

WHEN ARE WE WELL OFF?

America is the result of pioneers not knowing when they were well off. Risking their lives on the salty deep, starving and racked by fever, shooting and being shot by Indians, snatching garden patches out of the wilderness, moving west and doing the same thing over and over and over again. Why didn't they stop somewhere? Didn't they know when they were well off?

When are we well off? Who can say? Europeans say the American is crazy, running around and getting nowhere. The American answers that business in America is a game, not a job; it excites the sporting instincts as much as the acquisitive instincts.

If we knew when we were well off, would there be a point system in type, a cost system, a typesetting machine, or anything that seems worth having? We climb and climb; a few of us retire only to find we want to get back into the game; it is the climbing upward that has put America at the top.—"Spinal Colyums."

TWO KINDS OF DOLLARS

There are, roughly, two kinds of dollars—firing-line dollars and reserve dollars, according to Trowbridge Callaway of New York, president of the Investment Bankers Association of America.

"We must have both," Mr. Callaway said. "It is as necessary to progress that we have money in the front-line trenches of speculation as it is that we have reserve dollars less far afield. The firing-line dollars get and deserve the greater reward. They are out in front where the casualties are heavy, under the direct fire of business competition, and facing those enormous hazards that characterize all human enterprise."

"But only those who knew and can hear the risks of the firing-line should speculate. The average man of modest means is unwise to do so. The late stock market deflation, which wiped out more than \$30,000,000,000 in actual savings and paper profits, furnished a striking example of the hazards of that activity."

"The average man will fare better if he puts and keeps his surplus dollars in the reserve corps—in a savings account, insurance, sound bonds and the stocks of well-managed companies that have an investment rating. If he feels, however, that he should seek a long profit in hazardous speculation, he should keep a very substantial part of his surplus in reserves, where the dangers are less and return more certain."

HI-Y WORK TAKING ON ACTIVE LIFE IN CITY

Following the recent visit of Grover C. Good to the city, the work of the Hi-Y in the Clarendon schools has taken an active and continuous turn for the better. The work done by Mr. Good in assisting the boys in the selection of their future careers has shown some fruits and the business men of the town have agreed to assist in the selection if it is within their power to do so. The following business firms have agreed to consult with the boys on the problems they may have. The Donley County State Bank by Fred E. Chamberlain; The West Texas Utilities Company by T. D. Nored; Douglas and Goldston by C. J. Douglas; Hanna-Pope & Co. by E. T. Pope; The Foxworth-Galbraith Lumber Co. by A. A. Mayes, the Bryan-Miller Co., by Allan J. Bryan; Clarendon Furniture Company, T. O. Wood. W. J. Greene, H. J. Boston, Homer Mulkey, Sam M. Braswell, Dr. H. L. Wilder, A. L. Chase and O. C. Watson.

BOYS... Be Careful with YOUR KITES

Kite flying, in close proximity to electric power transmission lines—especially high tension lines, many of which carry 66,000 volts of electric energy—is extremely dangerous to property and to human lives.

A damp string, coming into contact with an electric wire, may result in grave danger, and many boys fly kites with light wire, the most hazardous practice of all. The wise thing is to fly your kites out of range of electric wires—and above all, do not attempt to rescue a kite entangled in the wires. Just notify the office of the West Texas Utilities Company.

Observance of these simple precautions will eliminate the possibility of serious injury.

Amarillo Man says It Is Worth Ten Dollars a Bottle Hemstitching

J. B. BARNES IS SURE ARGOTANE IS THE ONLY MEDICINE THAT HE HAS EVER FOUND TO RELIEVE HIM OF 20 YEARS OF SUFFERING.

J. B. Barnes, well known by everybody in Amarillo says he hasn't the slightest objection to all his friends knowing he took Argotane and that it has relieved him of troubles that have bothered him for twenty years. In a statement to the Argotane health teacher he said:

"I've gained wonderfully on my

first bottle of Argotane and when I say I have gained I mean in weight and strength. Argotane certainly is the thing for this and from what it's done for me I think it would be cheap at \$10 a bottle.

"I suffered from stomach trouble and a sluggish liver," he continued "and I finally got so I felt tired out all the time and didn't seem to have any desire for anything. I wasn't sick enough to go to bed, but I did eat didn't taste right or seem to agree with me and do me any good; so I just dragged around and felt most of the time like I'd stayed up and worked all night.

"I had indigestion all the time and was badly constipated and although I didn't give up entirely I certainly was a sick man when I got to reading about Argotane and noticed that a good many of the well known people recommended it for the very trouble that was bothering me. I hadn't been able to rest at night at all hardly and when I got a bottle of Argotane and started on it the very first improvement I made was good, quiet, restful sleep at night. Then my nerves got better and I could do my work a whole lot better for I have got so shaky I could hardly do it at all.

"To make a long story short, I kept right on taking Argotane until I'd finished the first bottle and was feeling as strong and well as I ever felt a day in my life. There's no use talking this medicine's a daisy and I am glad to tell others about what it's done for me. Just let them call at my place and I'll tell them what it was that made such a great change in me."

Genuine Argotane is sold in Clarendon by Stocking's Drug Store, who are direct laboratory agents.

Amazed! Way Tanlac Relieves Stomach Troubles

For years the remarkable results obtained from Tanlac in the treatment of general rundown conditions have amazed its users, but most surprising of all is the quick relief this remarkable medicine gives in cases of "rheumatism" and stomach ills that yield to nothing else.

Men and women who thought themselves beyond human aid, who suffered for years with pains from stomach and bowel troubles, neuritis, chronic headaches, dizziness, sleeplessness, constipation, who saw themselves daily going down into a sickly early old age have through the amazing stimulating and cleansing action of this REAL MEDICINE, Tanlac, found themselves once more in the possession of a strong healthy stomach and a body free from pain. One user says, "I suffered torments from muscular rheumatism, but after taking Tanlac for a couple of weeks I was over the rheumatism, my kidneys acting fine, my digestion in apple-pie order." Try it—get a bottle from the nearest druggist. Satisfaction guaranteed or money back. Accept no substitute.

AIRBANKS-MORSE Steel Eclipse Windmill

Two windmills stood just across the road from each other. With the first sign of a breeze one started up smoothly and quietly. When the breeze became a wind, the other started with a groan and lumbered away only as long as the wind raised a dust in the road. That is the difference between accurately machined gears and ordinary cast tooth gears; the difference between turned, ground and polished shafts and ordinary shafts; the difference between machined and polished bearings and ordinary bearings; the difference between running in oil and running with dry bearings and gears.

In other words, it is the difference between the Fairbanks-Morse Self-Oiling Steel Eclipse Windmill and just an ordinary windmill.

Let us show you the self-oiling, all-metal Steel Eclipse.

for Economical Transportation

it's wise to choose a SIX!

There is one sure way to get greater value in a low-priced car today—choose a Six! This greater value is instantly obvious when you drive a Chevrolet Six. You notice first of all its greater smoothness. There is no tremor in the steering wheel—no rattle in the floor boards—no rumble or drumming in the body. In addition to the finer performance of its six-cylinder motor, the new Chevrolet gives you truly remarkable economy. Its six-cylinder smoothness saves the entire car from the strain and wear of vibration. This, of course, lowers the cost of maintenance and assures a longer-lasting, longer-satisfying automobile. From the standpoint of operating expense, Chevrolet is equally economical. No other automobile consumes less gasoline and oil. No other shows a lower expense for tires. And no other car costs less for service. Because of its modern engineering, Chevrolet also assures a high resale value. Chevrolet gives you fully-enclosed, weather-proof, 4-wheel brakes; a modern fuel system—with the gasoline tank mounted in the rear; four long semi-elliptic springs, mounted lengthwise in the direction of car travel. It gives you beautiful Fisher bodies built of combination hardwood-and-steel. It gives you a heavy, rigidly-braced channel-steel frame. And it gives you a full ball bearing steering mechanism. Before you decide on any car in the low-price field, see and drive the Chevrolet Six. The more thoroughly you investigate, the more certain you are to conclude that it's wise to choose a Six—for value, for performance . . . and for economical transportation!

SOCIETY

Clifford-Meacham

Of much interest to their many friends was the announcement of the marriage of Miss Dewey Meacham to Mr. Walter Clifford which occurred Sunday, April 13, 1930 at 7:00 p. m. in Clovis, New Mexico. The ring ceremony being used.

The bride is the popular and efficient bookkeeper of Hanna-Pope Co in which capacity she has served faithfully for quite some time and by her affable disposition and ready wit has made friends by the score not only for herself but for the company as well.

Walter Clifford, son of Mrs. W. T. Clifford is well known throughout the Panhandle. He has been a grocery merchant in Clarendon for a number of years, making friends readily and through his straightforwardness and honesty is able to retain these friendships.

The News together with the many friends of this popular couple wish them much success and happiness.

Mrs. Swift is Hostess

Among the many lovely Easter parties of the week is listed that of Mrs. J. D. Swift, who entertained the members of the Kill Kare Kneecle Klub at her home Thursday afternoon.

The entertaining rooms were fragrant and attractive with spring flowers which was an inspiration to the guests and they were able to ply their needles more accurately and rapidly.

The ice course, served late in the afternoon, was molded in the shape of Easter rabbits with mint baskets adding to the attractiveness of the "lites."

Present were: Mesdames Van Kennedy, F. J. Downey, W. A. Land, Geo. McCleskey, W. A. Massie, Eva Draffen, Eugenia Noland, Geo. Reed, W. B. Sims, and W. C. Stewart, club members.

Mesdames John M. Bass, E. M. Ozler, J. W. Evans, John F. Blocker, Earl Ryan, R. E. Drennan, Misses Lorena Steagall, Mamie Price, Mae Lumpkin, invited guests.

Friendship Club Entertain Husbands

Such a pleasant evening was spent Friday by the members of the Friendship Club when they were hostesses to their husbands and a few friends with a dinner at the hospitable home of Mr. and Mrs. H. Tyree.

The rooms of the home were made very attractive by a grouping of ferns and early spring blossoms.

Beautiful cut flowers adorned the table where the elaborate dinner was served and enjoyed.

Pleasant conversation filled the latter part of and concluded the evening's entertainment.

To enjoy this were: Mr. and Mrs. C. R. Skinner, Mr. and Mrs. C. E. Lindsey, Mr. and Mrs. W. Meadow, Mr. and Mrs. J. W. Roland, Mr. and Mrs. G. J. Teal, Mr. and Mrs. R. O. Thomas, Mr. and Mrs. E. A. Miller, Mrs. J. A. Miller, Mrs. J. L. Allison, Mrs. J. D. Stocking, Mrs. M. E. Thornton, Mrs. L. Ballew, Mrs. J. H. Hollis, Mrs. Carl Tyree, Miss Katie Meadow.

Sunday School Classes Entertained

The home of Mrs. C. C. Powell was joyous with laughter and happy voices Friday evening when she was hostess to the members of her Sunday School Class as well as those of Miss Ineva Headrick's, with an automobile party.

Pastimes were found for the evening by putting together various parts of the automobile and then matching of wits begun in real earnest.

Margaret Blackwell and her helpers were winners of the first race. Ardis Patman representing his make of automobile was able

to consume the most gas in the shortest length of time. Then various parts of the automobiles were forced to be sent to the repair shop with the boy's winning over the girls in getting their automobile repaired and in running condition.

All were then invited to the filling station, a trip each enjoyed.

Afterwards other games were played and each departed for their home at 10:00 o'clock declaring this to be one of the clearest parties of the year.

Present were: Misses Jo Ellen Kennedy, Lee Christine Cousins, Vivian Reavis, Myrtle Mae Williams, Nellie Grady, Louise Smith, Rosa Lee Grady, Margaret Blackwell, Mary Francis and Dorothy Powell.

Drew Wilkerson Ardis Patman, Wilson Kutch, Walter Brady, J. W. Moss, George Wayne Estlack, Jack Latson, Wesley Powell and Houston Gattis.

1930 Bridge Club Meets

A delightful afternoon was spent by the members of the 1930 Bridge Club when they were guests of the hospitable Mrs. Meade Halle in her apartment Thursday afternoon.

Miss Maurine Woods was the successful contestant in the games of bridge and was awarded a lovely prize.

Mrs. Halle served a salad course at the close to the following: Mrs. Henry Tatum, Mrs. Frank Simmons, Mrs. Dewey Heath, Mrs. B. F. Kirtlev, Mrs. Marvin Land, Mrs. Paul Smith, Mrs. Layma Taylor and Mrs. Phillip Wright of Wichita Falls.

Miss Nell Butler, Miss Julia Taylor, Miss Maurine Wood and Miss Esther Morrison of Lubbock.

Bridge and Slumber Parties Enjoyed

Society among the younger set has been quite active this week, especially in the way of slumber parties and their affairs have set the pace for others which will follow in the days to come.

The festivities of this crowd began on Friday evening with a bridge party at the apartment of Mr. and Mrs. F. J. Downey with Miss Donna Downey as the gracious hostess.

Decorations suggestive of the Easter season were used profusely about the rooms and in the bridge accessories.

Miss Evelyn Murphy was fortunate in the games and was awarded high score prize. Eugenia Noland received consolation.

A dainty refreshment plate was served to: Misses Berkeley Ryan, Evelyn Murphy, Jo Ella Stewart, Eugenia Noland, Geraldine Pratt, Doris Smith, Vera Noland, Elmer Morris, Laura Clark, Marjorie White and Ruby Armstrong.

Mrs. Forest Sawyer assisted Mrs. Downey with the entertaining.

From the Downey apartment this group of girls went to the home of Mr. and Mrs. W. C.

Stewart where Miss Jo Ella Stewart was hostess with a slumber party. After a number of games and radio music a midnight supper was enjoyed after which they retired but from some cause the sandman was late, not arriving until the wee small hours of morning, then his bag was most empty from the long journey of the night and only a small portion of his sleeping powder was available for each girl and they were all up and ready for an early breakfast.

Again on Saturday evening this same group of girls were guests of Miss Geraldine Pratt, at the home of Mr. and Mrs. R. L. Bigger.

Victrola music, games and delightful conversation made the evening hours pass very rapidly. A delightful lunch was served at midnight and the girls then retired. Again the sandman was late but little did it worry the girls, who found a way to amuse themselves until sleep through exhaustion claimed them.

An early morning breakfast found the following girls as peppy as usual: Berkeley Ryan, Evelyn Murphy, Vera Noland, Eleanor Morris, Jo Ella Stewart, Laura Black, and the hostess, Geraldine Pratt.

Les Beaux Art Club Dedicate Picture

Paying respect to the memory of their departed member, Miss Nora Headrick, the Les Beaux Arts Club being, in the Ladies' Club room, the picture "The Golden Stair" by Sir Edward Burn Jones at their last regular meeting.

This meeting was held in the Ladies Club Room with Mrs. Holman Kennedy and Mrs. Cal Merchant as hostesses, Saturday afternoon.

Mrs. T. H. Peebles gave a beautiful and tender eulogy of Miss Headrick and what she meant to the club as a member and a friend.

The story for the afternoon was "Oriental Rugs" with Mrs. L. L. Swan as leader. Miss Harris gave some interesting facts concerning Persian Rugs. Mrs. T. H. Ellis discussed Chinese Rugs and Mrs. G. B. Bagby told of the prayer rugs of the Orient.

A delightful plate luncheon was served at the close by the hostesses.

Dorothea Watson Is Hostess

A most enjoyable affair of last Saturday was that given by Miss Dorothea Watson for a group of her friends.

The girls gathered at the home of Mr. and Mrs. O. C. Watson about 10:00 o'clock and enjoyed an Easter egg hunt in the spacious yard of this home and left for the river in company with Mrs. Evans about 12:30.

Immediately upon arriving at the river a picnic lunch was spread and enjoyed to the utmost.

Exploring of the hills, wading and such amusements as go with an outdoor party of this kind occupied the attention of the mem-

bers of the party until late afternoon.

Miss Leta Verne Martin Is Hostess

A lovely party of Saturday was that given by Miss Leta Verne Martin at her home. Easter was the predominating note in the house decorations, tallies and refreshment course.

On arriving the guests found the tables in readiness for their favorite game, auction bridge, which furnished diversion and amusement for the afternoon. Mrs.

Bascom White held high score for club members at the close of the game. Miss Nettie Sims high for guests and Mrs. B. F. Kirtley was fortunate in the cut for consolation. Each was presented with a lovely gift.

To enjoy this were: Mrs. Sturgell, Mrs. B. C. Antrobus, Mrs. W. L. Ball, Mrs. Kelly Chamberlain, Mrs. Bascom White, Mrs. Cleo Norwood, Mrs. B. F. Kirtley, Mrs. Roy Ingram, Mrs. Paul Smith, Mrs. Lillian Brady and Miss Manette Chase, club members.

Miss Athlyn Taylor, Mrs. Ira Merchant, Mrs. P. L. Chamberlain, Mrs. C. E. Miller, Miss Altha Evans, Miss Christine Stroder, Miss Nettie Sims, Miss Obie Crabtree and Miss Mary Jo Chamberlain, invited guests.

Pathfinder Club Study Holy Land

An interesting visitor of the Pathfinder Club when they met in the home of Mrs. G. G. Kemp with Mrs. M. M. Noble as associate hostess last Friday afternoon was Miss Annie Bourland, who gave a graphic report of her visit to the Holy Land, the subject for the afternoon.

Mrs. Paul Shelton, leader of the study was assisted by Mrs. U. J. Boston, Mrs. Wm. Gray and Mrs. J. D. Stocking.

During the business session Mrs. A. T. Cole was elected as delegate to the District Federated Club meeting to be held in Pampa soon. Mrs. M. M. Noble is alternate.

Social at Church Is Enjoyed

Circle number one of the Women's Missionary Auxiliary, Methodist Church, met in the basement of the church for an all day meeting, both business and social on Wednesday, April 9, 1930.

The lovely luncheon at noon the reports from the Council meeting recently held in Amarillo, the splendid talks by Rev. and Mrs. S. E. Allison and Mrs. Nathan Cox, president of the local Women's Auxiliary together with the pretty setting of Easter decorations, the happy thoughts of the approaching Easter tide and the congenial spirit which prevailed made this one of the most enjoyable meetings that this circle has ever held.

1930 Needle Club Entertained

Mrs. Marvin Land was the gracious hostess to the members of the 1930 Needle Club at her home Tuesday afternoon. Fancy needle work interspersed with pleasant conversation were the features of the afternoon with an attractive refreshment plate of rabbit nests filled with Easter eggs with other clever Easter ideas worked out with the tasty edibles.

Attending were: Mesdames Harry Guynes, Meade Haile, Carl Tyree, Clarence Whitlock, George Garrison, Ray Couch and Frank Simmons, club members.

Little Theatre Studied by 1926 Book Club

One of the outstanding programs of the year for the 1926 Book Club was that on the Little Theatre movement which was presented in the Ladies Club room Tuesday afternoon, when Mrs. B. L. Jenkins, Jr., and Miss Elton Aiken were hostesses.

CLARENDON GIRL ONE OF HOSTESSES AT DINNER

Denton, April—Miss Clair Marie Braswell, Clarendon, daughter of Sam M. Braswell, was one of the hostesses at a dinner given in the cafeteria of the Texas State College for Women (C. I. A.) last week. The dinner was given by student assistants in the department of biology in honor of the faculty members of that department.

The center piece for the table was a bowl of yellow snap dragons and lavender stock, carrying out a yellow and lavender color scheme. Seven student assistants served as hostesses.

Miss Braswell is a senior student, majoring in biology. She has also taken extensive work in English.

To grow quickly, chicks need high-protein feeds the first few weeks. Chicks will grow rapidly if fed for the first 3 or 4 weeks, feeds that contain 20 per cent good-quality protein, and for the next 5 or 6 weeks, feeds that are from 16 to 20 per cent protein.

Feeding tests show that soybeans are desirable in poultry rations as a source of protein. However, the soybean ration should be supplemented with a good mineral mixture. Many farmers have found that poultry eat the whole beans more readily if soaked or cooked.

LION INVITED TO ROTARIAN EVENT

STYLE SHOW IS OUTSTANDING FEATURE OF WEEK FOR LOCAL LIONS.

A verbal invitation delivered to the Lions Club by the secretary of the Rotary Club of Clarendon was presented to the Lions Tuesday of this week.

The Secretary read a number of letters telling of the make-up of attendance on the part of a number of the Lions who were out of their places at the luncheon the past week.

Some discussion was had on the delegations to the State and International Conventions. Boss Lion Douglas asking what all possible means both these conventions in that they would probably never have the opportunity of seeing an entertainment of this nature so close at hand.

Lion Chase reported that all things were in readiness for the Style Show and that the stage would be ready when the young ladies started their parade down the aisle for the showings of the season's newest and best.

Miss Dorothy White, Lioness, who plays the piano, stated that she was well pleased with the flowers sent by the Lions, indicating that she had found some other who believed that she was going to die and that she was well pleased with the showing made.

Dr. E. E. Robinson of Memphis, here for the purpose of holding a pre-Easter Campaign in the Methodist Church, was one of the guests, he stating that his message, if any, to the Lions was for them to "Let Yourself Go".

Lions M. G. Bentley and O. G. Stokely of the McLean Club were here to make up their attendance. Lion Bentley stated that the meeting date of the McLean club had been changed and that the Clarendon Lions were welcome when they were in McLean.

Tom Elzey of Amarillo, addressed the Lions for a few moments on the need for saying with their boys when they are in time of trouble and need. Grover C. Good was the other guest of the day.

A meeting of the Directors was called for Monday evening of next week at the usual time and place.

TULSA LADY IS ENTHUSIASTIC ABOUT NEW MEDICINE—"BEST IN THE WORLD," SHE SAYS.

"No medicine ever helped me as did Konjola," said Mrs. G. I. Crabaugh, 739 Quaker Street, Tulsa. "For more than nine years I had trouble with my stomach. Gas accumulated after meals and I bloated terribly. The pains and pressure often made me short of breath and dizzy. Constipation was another of my worries and I became an almost daily user of cathartics. I had terrible headaches and found it difficult to sleep. My nerves became badly

ELEVEN STUDENTS TO BE IN CONTESTS THIS WEEK

Eleven of the students of Miss Fray Stallings, instructor for the Amarillo College of Music in this city were entered in the contests starting in Amarillo yesterday. The contestants are found in four of the grades represented, the different ages of the students being used as a guide in their classifications. The students were taken to Amarillo yesterday, all of them appearing in the varied groups. Results are not yet public as to the outcome of the appearance of the girls. Those entering the contests are: Delphia Bones, Margarette Christal, Eloise Hill, Kathleen Oden, Dorothy Jo Ryan, Frances Sanford, Louise Smith, Wilma Mae Smith, Mildred Sparks, Lois Strawn and Dorothea Watson.

affected and my general condition badly run down.

"I am delighted with the results I obtained from Konjola. Before I had finished the second bottle my constipation had been relieved and my stomach greatly improved. As I kept on with this great medicine my general health improved until I am feeling better today than I have in a long time. I have an excellent appetite and eat heartily without distress. Even neuritis which attacked me occasionally has been totally driven from my system. I cannot say too much in praise of this great medicine.

Though Konjola works quickly six to eight bottles are recommended as a fair trial. Although many people are benefited within a few weeks, the longer period is best. Konjola is sold in Clarendon at Douglas & Goldston Drug Co. and by all the best druggists in all towns throughout this entire section.

"An Easter Song for Us All."

"Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy, hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead and to an inheritance incorruptible, an undefiled and that fadeth not away, reserved in heaven for you."

The hope of the Christian is a lively hope. Not a dead hope; not a languid and languishing hope; but a living, vital, active principle, something both to be practically used and also to be gladly gloried in. Its author is God. Its source is mercy. Its medium or channel is through the resurrection of Christ. It brings to us an inheritance which we begin to enjoy here and shall continue to enjoy hereafter. For this inheritance is "Incorruptible," that is imperishable, immutable, incapable of decay. It is "undefiled," not tainted by sin. All its enjoyments are right and good. Holy. It "fadeth not away." It is "reserved in heaven" for all believers. It is "prepared" or "laid up" there, beyond the reach of our enemies. The Easter message is life—freer, fairer, fuller life.

"Now is Christ risen from the dead and become the first fruits of them that slept." (1 Cor. 15: 20). "Because I live ye shall live also." (John 14:19). It has been and is the imperishable faith of the church throughout the Christian era, that our Lord having risen from the dead, entered as our pattern and fore-runner into the mansions of greater glory, prepared for Him and like wise for us. First fruits infer and promise a harvest to follow. We are the harvest, we are the dead that have peopled the tombs of the ages. We the dead shall awake. This is the faith of believers in Christ. This is the great hope of Easter. Are you ready for that General Easter morn, the resurrection Day.

We will tell you more about this great hope Easter Sunday, in the morning our subject will be, "Go Quickly and Tell." It was an important message nineteen hundred years ago it is important now. Sunday night, we hope to deal with another important question, "The Cross and the Throne." We hope to show you that, "The way of the cross leads, not only home, but to the very throne of Christ." Come worship and study with us. Don't forget the Bible Pictures every Wednesday evening. Yours in Christ's name. W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

CONNALLY BUILDING TWO NEW ELEVATORS ON PLAINS

Tom F. Connally left the fore part of this week for the North Plains section of the Panhandle to attend to the erection of two new 325,000 grain elevators. These two new structures are to be built on the route of the new line from Dalhart to Morse and will be rushed to an early completion date to assist in caring for the wheat crop for this season. Mr. Connally states that the wheat crop in that section looks better than it has looked for a number of years and that the prospects for a bumper crop are excellent.

A Great Discovery

When Pasteur discovered, in 1852, that the infection of wounds was caused by malignant bacteria, he performed a service of inestimable value to mankind. Since then medical science has been producing better and better antiseptics to kill these germs that may enter the smallest cut and give us diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to do to be sure that these dreadful germs will not infect a wound, is to wash that wound, however small, thoroughly with Liquid Borosone, the modern antiseptic. You can get Liquid Borosone, in a size to fit your needs and purse, from Douglas & Goldston Drug Co.

LOCAL BAPTISTS ATTEND MEETING AT PANHANDLE

The North Panhandle S. S. and B. Y. P. U. District Convention met in its annual meeting with the Baptist Church of Panhandle, April 9, 10, 11. A very inspirational as well as instructive program was carried out. There were S. S. and B. Y. P. U. Conferences in which ideas were exchanged and problems discussed. The speakers of note were Dr. Campbell, pastor at Lubbock; Dr. Wm. White, State Secretary of Missions; Mr. T. C. Gardner, State B. Y. P. U. Secretary and Mr. Andrew Allen, Assistant S. S. Secretary.

Clarendon was represented by Rev. B. N. Shepherd, Mesdames B. N. Shepherd, A. W. Simpson, L. T. Kimbriel, J. T. Warren, and L. L. Cornelius, Misses Frances Tatum, Mabel Monzola, Bernice Burnett, Thelma Reid and Ruth Thompson.

Miss Mary Jo Chamberlain, a student of Colorado College of Colorado Springs has arrived to spend her Easter vacation with her parents. Mr. and Mrs. F. E. Chamberlain.

Dangerous Business

Our stomach and digestive systems are lined with membrane which is delicate, sensitive and easily injured. It is dangerous business, then, to use medicines containing harsh drugs, salts or minerals, when we are constipated. In addition to the possibility of injuring the linings of our digestive system, these medicines give only temporary relief and may prove habit forming. The safe way to relieve constipation is with Herbine, the cathartic that is made from herbs, and acts in the way nature intended. You can get Herbine at Douglas & Goldston Drug Co.

Over a Billion Deadly Germs in a Single Drop of Water

Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water. And just a few of these tiny germs, if they get into your blood through a cut in your skin, may make you so sick you will be in bed for weeks—may cause the loss of a limb through blood poisoning—may even infect you with that most dreadful and fatal of diseases, lockjaw.

Just because you can see no dirt in a cut does not mean that it is clean. You cannot see germs. The only safe and sane thing to do, is to thoroughly wash every cut, no matter how small, with Liquid Borosone, to kill the germs, and then dust it with Borosone Powder, to hasten the healing. Liquid Borosone costs 30 cents, 60 cents, \$1.20 and \$1.50; Borosone Powder, 20 cents and 60 cents. It can be had at Douglas & Goldston Drug Co.

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use in emergencies, or for everyday ailments. Any hour of the day or night, the baby becomes fretful, or restless. Castoria was never more popular with mothers than it is today. Every druggist has it.

You've learned how promptly Bayer Aspirin breaks a cold or relieves a headache. But you'll never know its full efficiency until you accept its welcome relief from the stubborn pain of neuralgia, or of neuritis; even of rheumatism. The times your very bones ache, then you'll be most grateful for genuine Aspirin. It always helps, and never harms. Identify it by Bayer on the box and on every tablet.

A FAMILY DOCTOR'S LAXATIVE IS BEST

Your health is too important! You cannot afford to experiment with your delicate bowels when coated tongue, bad breath, headache, gas, nausea, feverishness, lack of appetite, no energy, etc., warn of constipation. This applies not only to grown people, but more particularly to children. That's why a family doctor's laxative is always the safe choice. Dr. Caldwell's Syrup Pepsin is prepared today under strict laboratory supervision from fresh laxative herbs and other pure ingredients, and exactly according to Dr. Caldwell's original prescription. Today, millions of families rely on Dr. Caldwell's judgment in the selection of their laxative. For Dr. Caldwell's Syrup Pepsin, in bottles ready for use, sold in all stores, is now the largest selling laxative in the world!

The Red Rocket

a demonstrator of Pontiac's finer performance

BEGINNING today, the New Series Pontiac Big Six marked with a RED ROCKET will be on the streets of this city. Notice its speed, quick getaway, smoothness and easy handling. Ask for a demonstration—anytime, anywhere you see this car.

EASY HANDLING AND RIDING. A new roller bearing steering system and improved four-wheel brakes make the car delightfully easy to handle. And riding ease is increased by comfortable new Fisher bodies and improved Lovejoy Hydraulic Shock Absorbers.

SPEED AND POWER. A 60 horsepower engine, the largest in any six of Pontiac's price, accounts for this car's great power, speed and acceleration.

SMOOTHNESS. The engine is very smooth due to new type rubber mountings and the Harmonic Balancer which counteracts crankshaft vibration.

Ask to drive the car with the RED ROCKET. Or come to our salesroom and arrange to learn what splendid performance Pontiac now is offering at low cost.

Prices are f. o. b. Pontiac, Mich., plus delivery charges. Shock absorbers standard equipment. Bumpers and spring covers at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

BUICK

ACCEPT THIS INVITATION—

Prove BUICK supremacy in traffic, on hills, on the straightaway—choose the car that's winning two-to-one buyer preference in its field.

May we make just one suggestion: Take the wheel of a BUICK and experience the full measure of its abilities before buying any car. Then buy according to results!

Performance! That's what you want... performance plus the exceptional beauty of Body by Fisher... and a ride in any one of the 15 Buick models will prove a revelation of power, flexibility, swiftness, smoothness and stamina.

Fine car owners everywhere are preferring Buick. In fact, so marked is the trend to Buick that America is awarding it from 35 to 50 per cent of the combined sales of the fifteen makes in its price class. But be your own judge of Buick's performance and value. Come, take the wheel!

College Exams To Be Held Here

To care for those students of High Schools who are planning to enter Summer School, a schedule of examinations is to be given in Clarendon College beginning with Tuesday, April 22nd and ending Friday, April 25th. The local school is to receive no financial benefit from these examinations, the entire expense to be paid to the College Entrance Board. Express Money Orders, Postoffice money-orders and Cashier's Checks will be accepted and no others need be proffered as they will be returned and the papers laid aside until payment is made in the correct manner.

The amount of the fees to be paid will be based on the number of examinations taken by each student. A fee of one dollar will be charged for one to four examinations taken by each student; two dollars for four to eight examinations; three dollars for eight to twelve examinations; four dollars for twelve to sixteen examinations. The amount due must be reckoned by the number of examinations taken by each student, not the number taken by a group of students. For instance if a school has three applicants one of whom takes one examination, another takes four examinations and another takes five examinations, the amount due will be four dollars.

Further information on this matter may be obtained by getting in touch with Superintendent H. T. Burton of the Clarendon Public Schools. A detailed schedule of the examinations is found appended hereto:

GOOD-WILL BUSS STOPS HERE FOR TIME THIS WEEK

Business men of the city and others who had occasion to be in the city Monday evening were treated to a sight of a bus loaded with business men stopped at various places in the city. This bus was manned by a number of executives of the Continental Oil Company, who are making an extensive tour in this conveyance for the purpose of meeting their patrons and to more thoroughly sell the Germ Processed Oil to the public at large. In addition to this, they are studying conditions as they pass and are becoming better acquainted with the country served while they are out on this trip. Geo. E. Brothers is in charge of the tour and is accompanied by Messrs Campbell and Bedwell from the marketing department of the company at Wichita Falls and Ponca City. A. K. Synder, superintendent of one district, left the party here and was replaced by W. G. Brown from the Childress district. The driver, who has the care of the bus in hand and is responsible for its safe and span condition, together with his wife and baby, make up the party. They left here to make connections with other points in the Panhandle.

CLARENDON HATCHERY GETS EASTER SPIRIT

Not to be outdone by the Easter scheme of coloring eggs and putting them out for the youngsters to find, the Clarendon Hatchery has evolved a scheme whereby purchasers may secure chicks of any desired color. This fact was demonstrated to the News representative this week when he was shown a tray of chicks and could scarcely believe his eyes. Mixed among the creamy white were to be found pinks, blues, purples and other variations of the colors found in the rainbow. The process for securing these colors was not explained, but it is presumed that patrons of this place of business could secure the exact shade desired if they should communicate with the hatchery.
