## Daylight Robbers Hold Up Bank Monday

### Naylor And Chamberlain Communities Host This Week

#### GOOD WILLERS GO TO NAYLOR

#### FIFTH TRIP BY BUSINESS MEN TO BE MADE TONIGHT TO NAYLOR

The business men of Clarendon with their families will be guests of the Naylor community tonight in the fifth of a series of good will trips to the community centers of the county. The gathering will begin about 8:30 o'clock and a lively program has been arranged to present at this time. It is believed that approximately 125 local citizens will make the trip to Naylor this evening. The Clarendon folk will leave the city about 7:15 o'clock and will have plenty of time to make the trip to the nearby community before the program starts.

There will be quite a different program presented by the good willers in this meeting tonight from the programs previously presented. The Clarendon High School Band will again be on hand as usual to furnish the gathering with lively tunes and special numbers. A new feature of the program will be the appearance of a local magician who will mystify all who come by his slight of hand feats. Musical numbers and readings will also be presented for the enjoyment of the get together audience.

Ice cream and cake will be served by the ladies of the Naylor community. The program will be held in the new hall at Naylor with the weather holder than it has been before this year. But the officials in charge of the sale of the cream state that the supply will be plentiful, and there will be no reason for anyone going away without their fill of the delicious food.

#### FIRST CHRISTIAN CHURCH TO HAVE TRYNDALL FOR REVIVAL

The services of J. W. Tyndall have been secured to hold the revival meeting for the First Christian church beginning July 14. Dr. Tyndall is reputed to be one of the world's foremost authorities on the Bible, and through this knowledge of the great book his sermons are a pleasure and inspiring to hear. Dr. Tyndall has been in the city before, and his many friends here will welcome him back with much enthusiasm.

The revival will be held in a large tent, and will be furnished with comfortable seats, thereby insuring the crowds that gather for the services a comfortable seat. Dr. Tyndall comes to the city direct from a series of revival services at Crockett, Texas.

Merrith Gentry, Ira Merchant, and Phillip Gentry attended the championship wrestling match at Amarillo last Friday night.

Mr. and Mrs. O. T. Smith, Mr. Enoch, Mrs. Ed Enoch and son returned Friday from Tyler and Fort Worth where they had spent a time visiting with relatives.

#### BAND PRESENTS FINE PROGRAM

#### APPRECIATIVE AUDIENCE HEARS HIGH SCHOOL BAND AND ORCHESTRA

Sunday afternoon at the band stand in front of the old grammar school building the Clarendon High School Band, assisted by the orchestra, rendered an enjoyable program to the public. This performance is the last concert by the band before the Fourth of July celebration. The local band will not make another appearance before that holiday in the city, and special numbers will be worked up especially for the occasion. A large appreciative gathering was present to enjoy the program of Sunday as was arranged by Director Gus B. Stephenson.

The program is given below:  
The Joy Riders, March, K. L. King.  
Crown of Jewels, Overture, Louis Panella.  
Midsummer Eve, Serenade, G. E. Holmes.  
Men of the Western World, Louis W. Everson.  
Bands  
Project, March, Harold Bennett.

#### POLITICS AIRE AT CHAMBERLAIN

#### COUNTY CANDIDATES WILL BE HEARD AT SECOND GOOD WILL MEET FRIDAY

This Friday night at 8:30 o'clock at the Chamberlain school house the county candidates and probably some of the district candidates will be on hand to make talks and give the Donley County people some idea of what each stands for. In addition to the speaking the folk will be entertained by the Clarendon High School Band. There is also a possibility that there will be other entertainment furnished by the good willers if there is enough time to permit these entertainers to put on their specialty numbers.

This will be the sixth trip by the Clarendon business men and it is expected that there will be a large crowd attend the political speaking from the city.

Every candidate present will be given time to air his platform and his views of the coming election, and it is hoped that all the county office seekers will be on hand to put forth his own qualifications.

The gathering will be refreshed from the warm political fire with ice cream and cake which will be sold by the ladies of the Chamberlain Home Demonstration Club. Plenty of the cooling food has been promised for the occasion and the people attending need not bring their own.

#### HORSE RACES AND ROPING CONTESTS FEATURE FOURTH

Thrills galore will be afforded the spectators who attend the races and special roping events held in Clarendon the fourth of July. Officials Frank Whitlock, and Clyde Douglas have arranged other than the real horse races, special races for a slow mule race and a saddle pony race for any Donley County boy who owns a pony. Appropriate prizes will be given the winners of each event. The JA ranch employees have made entrants for the horse races and also have several other ranch people. Besides the fast horses from the Donley ranches will be found fast stappers from all over the county, and this event promises to be one of the flashiest features of the entire day.

Calf roping and bronc riding will finish up the performance of the racing program, and any one who wishes to compete for honors and prizes in these events may do so by making their entry to either Clyde Douglas or Frank Whitlock, as soon as possible.

The program will be given at the College Park, and is free to everyone who wishes to attend.

#### RECORD SET ON HARVESTING WHEAT AND REPLANTING

The wheat crop of S. W. Lowe was started to market Tuesday of last week when the combine started its work of cutting and threshing the product. Just one week later to a day, the crop had been sold, the land had been plowed and replanted to a row crop and the crop had come up to a good stand. Mr. Lowe stated that the wheat was volunteer and that it netted him some seventeen bushels to the acre. The amount of wheat was slightly less than one acre.

Mr. and Mrs. Cosby and daughter of Fort Worth have been guests of Mr. and Mrs. Earl Alexander during the past week.

T. W. Carhart former resident of this city and now of Greenville is visiting with relatives here. Mrs. Carhart has been in the city for some time visiting with her mother, Mrs. R. A. Chamberlain. Their son, Whit, arrived in Clarendon Monday evening from Denver, Colo., and after a short visit with relatives the family will return to their home in Greenville.

The Little Grey Church, Serenade, Harold Bennett.  
Mutual, March, Harold Bennett.  
Orchestra.  
Etikisan Caprice, Gene Paul, Gus B. Stephenson, Saxophone Solo.  
My Heart at Thy Sweet Voice, Saint Saens, Cornet Solo, Gus B. Stephenson, Mrs. Allen Bryan accompanist.  
Ambition, Overture, Harold Bennett.  
The Victor March, K. L. King, Band and Orchestra.

#### Ready-to-Wear Store To Open

A new business will open its doors for the first time in Clarendon on or about July First, when a ladies ready-to-wear shop will occupy the building owned by W. E. Davis at the corner of Kearney and Fifth street. The site of the new ladies store occupies the building formerly used by the Amarillo Furniture Store. The building is being remodeled and will present a very pleasing appearance to the customers of the new business. The front of the place is being rebuilt into display windows on either side of the door, and the floor of the building is being laid with a beautiful design of linoleum carpet which will fit in splendidly with the artistic fittings to be used in furnishing the store.

Nick Sawaya, lately from the city of Lubbock, will be the owner of the business. Mr. Sawaya comes to the city with many years of experience in this line of business and plans to give Clarendon a modern Ladies Ready-to-Wear shop which will compare favorably with the stores in the larger places.

#### BRICE PROGRAM INTEREST GREAT

#### LARGE ATTENDANCE GREET CLARENDON VISITORS TO ADJOINING COMMUNITY

With one possible exception, the Clarendon attendance at the program given last Thursday evening at Brice was the largest since this series of events has been planned. Near 150 people from Clarendon were in attendance at the event planned in conjunction with the Chamber of Commerce and the Home Demonstration Club of the Brice community. The attendance from the Brice section was better than has been seen before this time, some visitors having driven in from Antelope Flat, some fifteen miles to the south of this community on the Silverton road.

A general outline of the program has been followed in times past, no changes having been made. The Clarendon High School Band was in its place filling the vacant spots in the program with a varied and entertaining number of musical selections. I. B. Pierce and Wayne Keener strutted their stuff with the steel guitar and ukulele, later adding a harmonica to the instruments played with good effect on the music played. Ames and Andy and their country cousin were present and gave some numbers that were enjoyed by the gathering. Band Director Gus Stephenson showed his musical ear by giving a number of selections of various kinds on the saxophone. His accompanist was Mrs. Allen Bryan.

Rev. Robert S. McKee made one change in the handling of the program in that an intermission was allowed in which the sale of more cream was enjoyed before the conclusion of the event. The manner in which he handles programs of this sort is pleasing to the audience and he is becoming more popular as other programs are handled by him. Another feature was added to the program shortly before the conclusion, this being a response by a member of the Brice Home Demonstration Club for the coming to Brice of the Clarendon visitors.

Adjournment followed the singing of two verses of "America" by the audience.

#### FT. WORTH & DENVER CHANGES SCHEDULE SUN.

The schedule change of the Fort Worth & Denver City railroad went into effect Sunday, June 22 on two day passenger trains. The trains effected by the change are the south bound West Texan which formerly arrived in Clarendon at 7:04 a. m. This train will arrive in the city from this time forward at 7:22 a. m. each day. The second change was made in the schedule of the north bound "Colorado Special," the train which arrived in Clarendon at 11:22. With the change in the time the train will now arrive in the city at 11:38 a. m. The public will please take note of the change.

#### FOURTH PLANS ARE COMPLETE

#### CLARENDON PLANS FOR LARGE T CROWD IN YEARS FOR OCCASION

With the time drawing near for the big county picnic to be held in Clarendon the Fourth of July, plans are rapidly nearing completion and the people of the city are eagerly anticipating a wonderful day with a great crowd from all over the county. Announcement was made early this week that there will be visiting bands from Shamrock, McLean and Estelita here to help make the day a gala occasion. But the music is only one of the minor attractions which the program committee has to offer the people who plan to attend the event. There will be two free baseball games, one between teams representing the east and west sides of the county and the afternoon game will be conducted by teams from Brice and Goldston. Since the scheduling of the Brice-Clarendon game for the Fourth it has occurred to some of the ball officials that perhaps some of the other might like to match games and play them on the holiday. If such be the case the managers of the teams will please get in touch with G. L. Baskin at the Clarendon Chamber of Commerce office in the City Hall building and make arrangements for the park.

The place for the picnic lunch has been cleared of trees just northeast of the Junior High school building. This change will afford the visitors a better place with all the shade one could desire. The place is being cleared of all weeds, and tables will be strung about under the trees to accommodate all who may attend the big picnic dinner. Lemonade and ice water will be furnished free to all.

The horse races will follow the noon meal and immediately after the horse races will be the turtle race. The turtle race is creating much interest throughout the county and a great entry list is expected to participate for the cash prizes offered the winners. All one has to do to get an entry in this race is to capture a turtle, name him and turn his name in to Phifer Estlack, entry chairman of the great race. A band concert and speaking will succeed the program thus far completed at the band stand in front of the grammar school building. Later in the evening the bands will be given a banquet, and at 8:30 o'clock there will be a massed band concert by the McLean, Shamrock, Estelita and Clarendon bands assisted by musicians from Memphis. This will be a feature worth going miles to witness.

#### FOURTH OF JULY COMMITTEES MEET MONDAY AT 10:00

G. G. Kemp, general chairman of the Fourth of July celebration, has called a meeting of all the members of the celebration committee to meet in the office of the Chamber of Commerce, Monday morning at 10 o'clock. This meeting is for the purpose of making final reports and final plans for the big county celebration to be held in Clarendon on the holiday.

It is imperative that every person who is in any way connected with any feature of the day to be present at this meeting and receive final instructions regarding their work.

Be there—Monday morning at 10 a. m. Chamber of Commerce offices in the City Hall building.

#### LOCAL GOLFERS ASKED TO MAKE TRIP TO SHAMROCK

Every Clarendon golfer is earnestly requested to make their plans so they will be able to go with the Hillcroft team to Shamrock Sunday and play against the team of that city. It is hoped that there will be near forty make the trip from here. Entertainment and a big dinner will be furnished the Clarendon players and their ladies who will also make the trip.

Miss Sarah Williamson of Iowa Park and her guest Miss Polly Wilkerson of Nashville, Tenn., are guests of Mr. and Mrs. B. C. Amröbus.

#### Marine Test To Resume Operation

Following the third attempt to cement the casing in the Marine Test some four miles north of Clarendon, drilling operations will be resumed on Monday of next week. This is the information issued by Mr. Downey the driller in charge of the work on the well. The cement was placed to stop caving and to allow them to proceed without further delay.

Further information released states that the hole is dry save for seepage from the water encountered at the 3,200 foot level before operations were stopped some months past. The formation remains the same although little new hole has been made due to constant trouble with caving and consequent cleaning operations necessary.

Mr. Downey stated that he did not anticipate further trouble after the cement had been allowed to set this time and that all plans were well in hand to resume operations immediately and continue until the final depth was reached.

Tot Morris visited with relatives in Amarillo Tuesday.

#### BOYS BASEBALL LEAGUE BEGINS

#### ONLY TWO TEAMS IN NEW LEAGUE AS FEW BOYS ARE FOUND IN CITY

The boys baseball league which was planned to include four teams opened Tuesday afternoon with only two teams entered. There was found to be too few of the boys within the age limits to form the needed four clubs so the two club league was resorted to. The two clubs will play each other two games each week until the end of the season, and the team with the highest percentage at the conclusion of the schedule will be given appropriate prizes. Both teams will be given an outing by the Lions and Rotary clubs at the completion of the season.

The west side boys elected Elery Watson as their leader for the season and Homer Estlack will guide the destinies of the east side team. Last Friday afternoon the two clubs crossed bats in an exhibition game with the west side boys pounding out a 15 to 1 victory. So far this season the west side have been making merry with the offerings of the east's pitchers, their big bats shelling the open spaces with great consistency. This hitting power however has been matched with splendid hurling from the west's sterling left handed pitcher, who has limited the opposition to a small number of hits.

In the opening game of the schedule held at the College park Tuesday afternoon the West side continued their assault on the east pitchers and blasted out a 16 to 2 win. The west team seems to have quite a little more knowledge of the game and a little more experience. But the east team was weakened by the absence of their stars who were unable to be at the game. The west lads displayed a fine defense, making but one error while the east defense was ragged and committed several costly misuses. The east players are confident they will even the percentage when the two teams meet again tomorrow afternoon for the second game of the season. A large crowd should turn out for the contest tomorrow afternoon and give the boys their support.

#### DEPOT HOLD-UP RUMOR IS FALSE—MEAT CAR OPENED

A rumor afloat about Clarendon this morning concerning the hold-up of the local depot Wednesday evening proved to be false upon due investigation. A meat car was broken into and about \$25 in lard and bacon was taken, this giving rise to the robbery. Two sides of dry salt pork were taken from a sack, a case of lard was purloined and a small box of sliced bacon was carried away. Agent Wisdom states that this sort of practice is quite common, the car breakers preferring the meat cars to all others since they most desire a dish flavored with this savory flavoring to others without it.

#### BAPTISTS GO TO LESLIE SUNDAY

#### ASSOCIATIONAL SUNDAY SCHOOL AND B. Y. P. U. MEETING WILL BE HELD

The Clarendon Baptist Sunday school and B. Y. P. U. members will go to Leslie Sunday where they will attend the Associational Sunday School and B. Y. P. U. meeting. The meeting will be held in the Leslie Baptist church and will start at 2:30 o'clock Sunday afternoon. This organization meets every fifth Sunday in a month, and the approaching meeting promises to be one of the most interesting and instructive sessions ever held by the Association.

A large crowd from the local church is expected to make the trip from Clarendon. This is expected and hoped for because in the past the Clarendon delegation has won the attendance banner two successive times, and if the local organization can muster up the largest attendance at this meeting the banner becomes the permanent possession of the Clarendon church. Memphis has always pressed the local delegation for the banner, and have made the boast that Clarendon can not win the prize for the third year.

They are going to be present with a large crowd, and it is up to every member of the Clarendon Baptist Sunday School to make the trip to Leslie Sunday and bring the prized trophy. Let's show what Clarendon can do when she really tries. Two hundred people multiplied by more than twenty-five miles would be a hard combination to beat.

The program follows:  
Subject, "Waiting."  
Song.  
Devotional, Harold Woodson.  
The waiting world, Mabel Sibley.  
Duet, "How Long Must We Wait," Iris Hollis and Sarah Bradshaw.

The Waiting Workers, Ruth Thompson.  
Special song, "Ready"—Inter-mediate B. Y. P. U. of Turkey.  
The Waiting Christ, Melton Evans.  
Song, "Have Thine Own Way."  
Business Meeting.  
Featuring Modern Youth.  
Magnifying Missions.

#### ROTARY CLUB HEARS BANKER

#### CLARENDON BANKER PRE- SENTS THE MAIN FEATURE OF DAY IN TALK

The small attendance at the weekly meeting of the Clarendon Rotary Club's Friday luncheon hour was more than made up by the enthusiasm which prevailed throughout the allotted time for the meeting.

Fred E. Chamberlain, local banker, made the speech of the day, and gave the inside work of the bank. His talk enlightened the majority of the members and gave them a greater knowledge of just what the banking business really was and how the profession was carried out in the methods used. The subject of loans proved to be the main topic and much was learned about the security which was needed for the securing of a loan. Miss Rhoda Wiedman favored the group with two beautiful piano selections, which were enjoyed to the utmost by the members and guests present. The program was cut short by the absence from the city of several Rotarians who were scheduled to appear on the Friday program.

Rotarian Jenkins made a report to the club that congratulatory messages had been sent to six new Rotary clubs which were scattered from Java to Peru, showing the range and magnitude of the growth of the Rotary clubs over the world.  
Rotarian Estlack reported on his attendance at the Rotary Club luncheon in Corpus Christi the previous week, the report being well received.  
Clyde Douglas, local Lion, was the guest of the day and stated that the Lions were behind every move the Rotary club favored and pledged that clubs support and cooperation on community betterment projects.

#### BANK ROBBERS ESCAPE IN CAR

#### NO TRACE OF EVIDENCE LEFT FOR OFFICERS WORK- ING ON CASE

Taking advantage of the noon hour lull when very few people were on the street and none at all were in the bank, other than employees, two young unmasked bandits entered the Donley County State Bank and escaped with slightly less than \$8,250 in cash. The robbers entered the bank from Kearney street and when asked what could be done for them flourished pistols before the employees and ordered the money to be gathered and placed in their hands.

Holman Kennedy, cashier, at first took it as a practical joke, but after several ruthless prods from their guns and stern commands all were convinced that the hold-up men were in earnest. Miss Muriel Graves, Mrs. Elizabeth Holloway, and J. L. McMurtry, employed by the bank, were made to gather near the vault while the money in the cashier's cage was being placed in a sack. Kennedy was then ordered to open the vault, which after a short argument he obeyed. Instead of handing all the money in the vault to the bandits the cashier handed to the robbers the small sacks of money after taking the money all the employees were forced to lie down on the floor until the robbers made their getaway from the side door of the bank into an awaiting automobile. No definite description of the car was obtained, but it was thought to have been a Buick Sport coupe bearing an Oklahoma license number. A woman was thought to have awaited the two robbers in the car, being ready to give them warning if anyone should approach the bank.

The bandits upon entering the bank made known their intentions, and in a polite way told their victims that they were only after the money and they were going to hurt no one if such was not absolutely necessary.

County and state officers have been on the lookout for the past several days, but as yet there has been no trace of the escaped robbers. At the present time local officers hold very little hope of apprehending the fugitives. The loss was fully covered by insurance, and was immediately replaced by the bonding company.

#### KNIGHT DAIRY HERD IS EXAMINED BY HEALTH MAN

Dr. Lewis, state and federal veterinarian from Fort Worth had business in this week in the city inspecting the 130 head of dairy cattle at the C. L. Knight Dairy Farm just southeast of the city. The inspection was held to determine if there was any symptoms among the cows of tuberculosis. The animals showed no positives and were pronounced in the best of condition by the official.

#### NEW OFFICIALS TAKE POSITIONS

#### LOCAL CHAPTER HOLDS IN- STALLATION CEREMONIES FOR NEW OFFICERS

Chapter 216, R. A. M., installed the new officers in their positions for the coming year in the regular meeting of the organization Wednesday evening in the Lodge Hall. The installation services were held to formally place the newly elected officers in active power.

The new office holders and their offices are listed below:  
Homer Parsons, High Priest;  
W. A. Davis, King; Ralph Andes, Scribe; Clifford Allison, Captain of Hosts; Ralph Kenow, Principle Sojourner; Edley Crabtree, Royal Arms Captain; George Green, Master of the First Vale; Homer Mulkey, Master of the Second Vale; Alvin Kennedy, Master of the Third Vale; and C. W. Gallaway, Guard.  
Following the installation ceremonies the members were served refreshments, and an enjoyable time was had during the social hour.

### NATIONAL EDITORIAL ASSOCIATION

PANHANDLE PRESS ASSOCIATION

The duties of the attorney are not difficult of discovery. He must be gentlemanly decent to his client, and to all with whom he deals. He must be fair with the court. He may not deal in sharp practices with either the client the court, or the jury. He may not misstate the law. He may not misrepresent the fact. He may not seek to improperly influence the jury nor color the testimony of the witness. He is compelled to support the Constitution.—Judge Wm. H. Atwell of the United States District Court in Dallas.

#### EVERYBODY CAN HELP

Every thirty seconds somebody gets hurt in an American home. Uncle Sam has given out the figures, and organizations of club women throughout the country are launching a movement to reduce it. Usually it is a woman or child that is injured in the home, generally by slipping on the floor or falling down a stairway. Poor lighting is also said to contribute to the dangers. Brooms and mops and ironing boards standing at the top of a dark stairways, over which someone can easily trip, are also blamed for many broken bones—and numerous deaths. Clarendon housekeepers are due to be asked pretty soon to join in this movement to reduce accidents in the home. We feel sure they will respond readily and heartily for, as in everything else that tends to safety, they are always anxious to do their part.

#### WISELY ADVICE

The best way to get anything done is to go ahead and do it. That applies to safeguarding health the same as anything else. June, according to physicians is the opening month of the most dangerous time of year from a standpoint of illness and epidemics. It is the month when the insect world multiplies fastest, hatching out millions of pests that will in a few weeks be carrying disease germs.

Since every citizen of Quanah knows without being told that weeds are the greatest breeding places of disease-carrying insects, we wonder why anyone tolerates a single weed on his premises. If cut now, the danger is over until along late in the summer. Stamping out breeding places before the pests have a chance to breed in the most deadly way yet found to exterminate them. You seldom hear of an epidemic of sickness in a community whose citizens never permit the weeds to attain their full height, and who keep them down all through the summer. Nothing flourishes like a weed, and nothing needs as prompt attention if you expect to keep them from getting the start of you.

It doesn't cost anything, just a little time and energy, to mow them. But it does cost a lot of money for doctors and drugs if a wave of illness sweeps over the community. And in many instances the expense extends to the undertaker, too. We insure our homes against fire. Why not insure our health against disease-carrying insects by mowing the weeds now and deprive them of breeding places?—Quanah Tribune-Chief.

#### THREE YEARS OF HIGHWAY BUILDING

We expressed a desire, the other day, to know just how the highway commission has spent the \$115,000,000 that has passed through its hands in the last three years. That is a lot of money, and we were curious about what had become of it.

Since then we have seen a statement on the Texas highway situation by Governor Moody, in the United States Daily. He states that from Jan. 1, 1927, to April 1, 1930, three and a fourth years, the highway department has graded, and built drainage structures for, 55,566 miles; built 606 miles of gravel, shell, macadam and iron ore road; laid bituminous surface on 2,503 miles of road; paved with concrete 1,378 miles, and built 301 bridges, over-passes and under-passes. His statement does not say so, but probably much of the graded roads and some of the gravel and macadam roads were included in the mileage that was surfaced or paved. Making allowance for that fact, it appears that between 4,000 and 4,500 miles of hard surfaced roads, permanent or semi-permanent, have been constructed since Jan. 1, 1927. In addition to the actual construction work, the governor adds, "The highway department maintained our state highways in the finest state of maintenance that they have had at any time."

The department has built more roads than the average Texan realizes. For Texas is a big state and much highway building can be done without making much impression on the road building job as a whole. It is encouraging to learn that as respectable a mileage total as that indicated by the governor's figures has been attained.—Wichita Daily Times.

## Southwest Coming Into Its Own In Literary Way As In Other Lines Of Endeavor. Late Publications Good

### SEEMING SLOW DEVELOPMENT IS HINDERED IN RUSH TO AMASS FORTUNES. MANY HISTORICAL CHARACTERS GONE LEAVING NOTHING TO TELL COMING GENERATIONS OF WORK DONE IN BUILDING EMPIRE OF THE SOUTHWEST.

After many years of waiting, the literary efforts of the southwest is being brought more and more to the attention of the residents of this and other sections of the United States. Writers have written and have gathered stories of this part of the United States that seem but fairy stories when read in the older and more thickly settled sections of the nation. Not only in the line of history and biography have the writers worked, but in lines of poetry, fiction and drama are they taking their rightful places among the literary lights of the world. Possibly the foremost of the leaders in writings of this section are J. Frank Dobie, who started the ball to rolling with his collection of the cowboy songs that were famed in the days when the roaming cowboy sang his songs and was gone. This writer has a new book, fresh from the press, "A Vacuero of the Brush Country," that is outstanding both as to contents and to binding. Coming as it does from the southwest where a rattlesnake is supposed to be under every bush, it is just and proper that the book be bound in an imitation rattlesnake skin. It is said that the engravers worked for more than eighteen months before they were able to get just the right sort of a plate for this cover. In addition to the unique cover, the story is one that is pleasing to read and of interest to every person living in this part of the nation.

"Trail Drivers of Texas" is another book that has but recently come from the press, and is a history of the famous cattle trails that once led from near the Rio Grande to Montana and Colorado. A compilation of lives of many of the drivers who led in this work and who combined to make Texas famous for her cattle trails and for the large ranches in the state. J. Marvin Hunter is acknowledged as the man responsible for this book, having compiled the short biographical sketches making up the large volume.

Coming closer home, there is a book of great interest to Panhandle people, since it was written by a woman who knew the hardships and hard work needed to make the Panhandle a livable country. This book is none other than "The Life of Billy Dixon" and is from the pen of his widow, Mrs. Olive K. Dixon of Amarillo. Vivid in all details, this book tells in an interesting manner of the battles fought and deals vitally with the life of one of the Panhandle's foremost pioneers, Billy Dixon.

Two new books concerning the Southwest are to be found in the list. One of these is the collection of the "Best Short Stories From the Southwest" and the other is the "Golden Stallion" an anthology of verse from the same section of the nation. Both these

### COM RAPIDLY TAKING T. C. U. STAPE FOR SEASON

WORTH, June 25.—Approximately \$350,000 worth of material and labor has already gone into the building of the new football stadium now under construction at Texas Christian University. About 170 men are working night and day in order to have the structure completed by September 15, in time for the season next fall.

The steel work on one side of the stadium is completed and the concrete work has begun on that section. At night, huge floodlights are used to light up the excavation and construction work.

Tom Arnett of the 4-6 Ranch in King County, was a visitor in the home of his uncle, R. C. Weatherly over the past week-end. He was also here to visit with his great uncle, J. G. Weatherly, of Birmingham, Alabama.

Mrs. Eula Cox left Sunday for Canadian for a visit with Mr. and Mrs. Houston Miller.

## Electric Cookery Assures Consistent Results

More than likely you have experienced the disappointment of a cooking "failure"—possibly at just the time you wanted an unqualified "success."

An electric range will eliminate all doubt from your mind on this score, for with "controlled" electric heat you can always be sure of the same gratifying results—the same perfection of accomplishment.

Electric Cookery, with the new Hot-point Electric Range, is so easy—so simple—so convenient, and so definite. Merely prepare your meals at any convenient time—set the time and temperature controls—and rest assured that at just the proper moment your deliciously cooked food will be ready to serve.

A salesman will be happy to show you the many advantages of electric cookery. Investigate today.

TEXAS' DECLARATION OF INDEPENDENCE

On March 2, 1836, ninety-four years ago, a band of gallant men—"The Men Who Made Texas Free"—gathered at Washington-on-the-Brazos, near Brenham, Texas, to frame a Declaration of Independence for the people of Texas, then a part of the Mexican Confederacy.

Since that day many honors have been conferred upon these men, whose names have been revered by Texans and by all lovers of freedom, and before many months have passed the bodies of each of them will be interred among the other great Texas patriots in the State Cemetery at Austin.

The above story of the fifty-eight signers of the Texas Declaration of Independence will appear in the Magazine Section of the Clarendon News, July 17.

Miss Wylfa Lee Alexander, Miss Florence Fink and Kenneth Fink motored to Amarillo Tuesday of this week.

pains. Finally I was forced to give up my work and was confined to bed. The pains were so severe that for three months. My nerves were completely gone and I felt at times that I could not bear my suffering another day.

"I sent away for my first treatment of Konjola and was amazed at the results. Within three weeks I was able to get up and around without assistance. Gradually the pain and soreness left me and I began to feel my old self again. My nerves settled, constipation was completely banished, and I do not remember when I have felt as well as I do now. Konjola certainly worked wonders in my case."

Though Konjola works quickly, and many sufferers are greatly benefited in a week, a complete treatment of from six to eight bottles is recommended for thorough results.

Konjola is sold in Clarendon, Texas, at Douglas & Goldston Drug Co., and by all the best druggists in all towns throughout this entire section.

# SOCIETY

## Business and Professional Women's Club

Miss Mantie Graves was hostess to the members of the Business and Professional Women's Club when they met Tuesday evening and entertained in a novel manner.

Places were found by a clever ruse and then much talent was discovered in the stunts that followed.

Miss Rhoda Weikman pleased those present with a number on the piano.

No reports were made from the standing committees. Miss Naomi Allison was elected to membership.

Much discussion was had on the recent bank robbery and many new things brought to light by the two members who were present at the time.

Many expressions of pleasure were expressed over the picnic tendered the members at the Country club last week.

## Mrs. H. Kennedy Is Friday Hostess

A most enjoyable social function of last week was the party given by Mrs. H. Kennedy on Friday at her home which was profusely decorated with garden flowers.

The members of the Friday Bridge club and a number of invited guests were present to enjoy the games of bridge in which Mrs. Forest Sawyer, for club, and Mrs. James Trent, for guests, excelled. Each received a lovely favor together with Mrs. Floyd Lumpkin, who was fortunate in the cut for consolation.

Seated for the games were: Mesdames R. A. Chamberlain, Whitfield Carhart of Greenville, Texas, Edward Forrest of Fort Worth, James Trent, L. S. Bagby, Sam Dyer, P. B. Gentry, Selden Bagby, C. G. Stricklin, Floyd Lumpkin, Forrest Taylor, Forest Sawyer, C. E. Miller, C. B. Trent, B. L. Jenkins, Jr., and Miss Mildred Martin.

## Mrs. C. W. Bennett, Jr. Entertains Friends

Among the many delightful affairs of last week was the bridge party given on Thursday afternoon by Mrs. C. W. Bennett, Jr., at her home.

A profusion of artistically arranged cut garden flowers were used effectively about the rooms where the games were enjoyed.

Miss Altha Evers received high score prize, Miss Lotta Bourland, cut and Mrs. Fred Bunin, low.

Enjoying this were: Mesdames B. F. Kirtley, Cleo Norwood, B. C. Antrobus, Tren Stargell, Roy Ingram, Bascom White, W. L. Ball, Miss Lotta Bourland and Miss Leta Verne Martin, club members.

Mesdames C. E. Miller, Forest Sawyer, Clyde Price, Park Chamberlain, Ira Merchant, Dick Bell, Charlie Bell, Fred Bunin, Y. E. McAdams.

Misses Agnes Caraway, Ione Ball of Albreed, Sarah Williamson of Iowa Park, Miss Polly Wilkerson of Nashville, Tenn., Miss Altha and Elma Evers of Itasca, Texas.

## Home Economics Club

A discussion of the score-cards for the Fair to be held next fall occupied the attention of the members of the Home Economics Club when they met in the home of Mrs. H. J. Eddington, Friday afternoon.

At the conclusion of the business and discussion for the afternoon a delicious plate luncheon was served to:

Mrs. A. H. Barker, Mrs. T. R. Brown, Mrs. Tom Bullock, Mrs. Clark, Mrs. C. E. Lindsey, Mrs. O. D. Liesburg, Mrs. C. D. McDowell, Mrs. R. H. Cline, Mrs. T. M. Crabtree, Mrs. O. L. Fink, Mrs. J. A. Tombs, Mrs. J. C. Estlack, Mrs. W. D. Van Eaton and the hostess.

## Announcement Party

Mrs. T. H. Walters, assisted by Mrs. E. K. Hulsey and Miss Mildred Hulsey, entertained at her home, Tuesday afternoon, with a most charming bridge party, announcing the engagement and approaching marriage of her daughter, Marjorie to Mr. Gordon Bain of Clarendon, Texas. The wedding will take place Monday evening June 30, at 8:30 o'clock at the Presbyterian Church, with Dr. Geo. S. Slover, of Amarillo, Texas, former president of Clarendon College, officiating.

The reception suite of the Walters home, presented a lovely setting for the party. The bride-to-be chosen colors of pink, orchid, green, yellow and white were used in the decorations, and garden flowers in the chosen shades, wedding bells and other appropriate touches were used in artistic profusion.

In the games of bridge, with the tallies and score pads furthering the wedding note, there were five tables in play, score favors going to Mrs. H. B. Hankins for high, Miss Hazel Cantrell, second high and Miss Roberta Hutchinson, cut prize.

Refreshments perfectly carrying out the color motif, were served together with clever little favors of "The Bee in the Bonnet, Look and See What's On it," which contained the announcement.

The guest list included: the honoree, Misses Nell and Virginia Walkers, Mary McClain, Mabel Claire Engleman, Frances Morrow, Estalene Vaughn, Gladys Speer, Madia Cavet, Elizabeth McFarling, Roberta Hutchinson, Mattie Jordan, H. Cantrell, Mildred Hulsey, Frances Croson, Canyon, Mesdames Hazel Anderson, Conner Oden, H. B. Hankins, Frank McGlaun, Claude B. Dyer, W. C. Bangie, R. G. Clemmin, E. K. Hulsey, and Ray Clark, Amarillo, Texas.—Tulia Herald.

Dr. John W. Tyndall Will Begin an Evangelistic Meeting for the First Christian Church Clarendon, Texas JULY 15th

## Appointments for bridge and the two courses of afternoon refreshments furthered and completed the scheme.

Miss Leta Verne Martin played high and was presented with a lovely favor as well as the two honorees, Miss Williamson and Wilkerson.

Present to enjoy this were Mesdames Leta Verne Martin, Lotta Bourland, Sylvia Agnes Caraway, Polly Wilkerson of Nashville, Tenn., and Sarah Williamson of Iowa Park.

Mesdames B. F. Kirtley, Sam Darden, C. W. Bennett Jr., Cleo Norwood, Tren Stargell and Floyd Lumpkin.

## Pathfinder Story Hour

Mrs. B. L. Jenkins, Jr., delighted about thirty-five children with her clever way of telling stories Tuesday afternoon. They were particularly interested in the turtle with the red and white necktie.

Mrs. J. T. Patman and Miss Irma Lewis were sponsors and supervised the games for the afternoon.

Mrs. B. L. Jenkins, Sr., chairman for the story-hour this year is well pleased with the work so far and hopes that even more children will attend this week, Tuesday of each week at 7 o'clock on the lawn directly in front of the girl's dormitory.

## Mrs. Allison Hostess To Friendship Club

The Friendship Club members enjoyed a most pleasant afternoon Tuesday at the home of Mrs. J. L. Allison where several hours of needlework and conversation were enjoyed in rooms made comfortable by use of electric fans.

At the close of the afternoon a lovely ice course was served to the following: Mrs. J. D. Stocking, Mrs. C. R. Skinner, Mrs. C. E. Roland, Mrs. Emma Thornton, Mrs. H. Tyree, Mrs. A. T. Miller, club members.

Mrs. John Clark, Mrs. Julia Beverly Mrs. Van Allen Kent and Miss Naomi Allison, special guests.

## Young Matrons Harmony Class Has Party

In the home of B. F. Kirtley, which was fragrant with lovely garden flowers, Mrs. Kirtley and Mrs. Henry Tombs entertained for the members of the Young Matrons' Harmony Class, Tuesday afternoon.

After the business lesson the game 42 was introduced and enjoyed until late afternoon when a lovely ice course was served.

Attending were Mrs. Paul Shelton, Mrs. Y. E. McAdams, Mrs. Eiba Ballew, Mrs. J. M. Redfern, Mrs. Fred Buntin, Mrs. C. E. Miller, Mrs. Tom Goldstein, Mrs. O. C. Watson, Mrs. C. W. Bennett Jr., Mrs. Joe Ellison and Mrs. F. E. Croto of Tulsa, Okla.

## Good-Will Club

Mrs. R. Y. King was the gracious hostess to members of the Good-Will Club at her home Monday afternoon.

Good-Will regined in the home which was artistically arranged with dahlia blossoms and needlework together with pleasant conversation filled the afternoon hours.

To enjoy this were Mesdames L. M. Bones, L. D. Carlisle, Carlsson, Vodie Carpenter, Melerie Cooke, Don Martin, T. D. Nored and A. O. Yates, club members.

A. D. Blanton and W. W. Garmon, invited guests.

## Miss Berkeley Ryan Is Honored by Friends

As another of the many social favors extended to those who sailed on June 25 for a tour of Europe was the bridge party given for Joe Ella Stewart by her sister, Mrs. Frank Simmons honoring Miss Berkeley Ryan at the apartment of Mrs. Simmons on Thursday of last week.

Garden flowers were arranged about the rooms and appointments cleverly carried out the idea for the afternoon.

In the games Miss Geraldine Pratt played high and Miss Laura Black low. The gifts they received were presented to the honoree who also was given a miniature ship representing the S. S. Cuba on which Miss Ryan is to make her voyage. This was filled with beautiful handkerchiefs and the wish was expressed that she would use them on her journey that she may have a kind thought of her friends at home each day while away.

Making up this party were Misses Evelyn Murphy, Donna

## Mrs. B. C. Antrobus Honors Sister, Friend

It was to compliment her sister, Miss Sarah Williamson, of Iowa Park and her friend, Miss Polly Wilkerson of Nashville, Tenn., that Mrs. B. C. Antrobus entertained with bridge at her home Monday June 23, 1930.

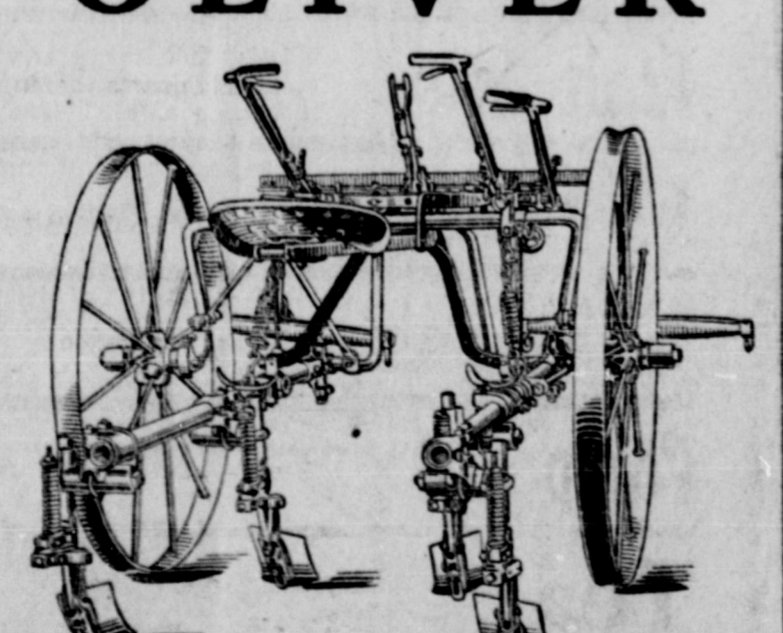

An artistic arrangement of gladiolas, water lilies and chasta daisies was used to home decoration and set the color scheme for the afternoon of orange and white.

## Mrs. B. C. Antrobus Honors Sister, Friend

It was to compliment her sister, Miss Sarah Williamson, of Iowa Park and her friend, Miss Polly Wilkerson of Nashville, Tenn., that Mrs. B. C. Antrobus entertained with bridge at her home Monday June 23, 1930.

An artistic arrangement of gladiolas, water lilies and chasta daisies was used to home decoration and set the color scheme for the afternoon of orange and white.

## ITEMS OF INTEREST IN DONLEY

### GOLDSTON

Sunday school was held at the usual hour Sunday afternoon with very good attendance.

W. H. Gray and sister, Miss Sada, visited at Amarillo last Sunday.

Mrs. Grant's brother of California and her sister of New Mexico who have been here visiting for a few days left for their homes Wednesday morning.

Mrs. Dilli and children visited

Downey, Geraldine Pratt, Vera Nolan, Laura Black, Joe Stewart and Berkeley Ryan, the honoree.

### Old Maid Society

Saturday afternoon the members of the Old Maids society motored to the Country Club where they enjoyed themselves until Sunday morning. Swimming, bridge and eating proved to be very pleasant diversion for the participants and all declare it the best event of the year.

Those attending the occasion were Mrs. Meade Halle, Misses Jane Killough, Elgin Patrick, Lois Alexander, Nadine Halle, Betty Walker, Frances Morris, Wylfa Lee Alexander, and Florence Fink.

### Ladies Aid Meets

Mrs. W. L. Butler of Lelia Lake was hostess to members of the Ladies Aid of the First Christian Church Wednesday at her home.

As had been announced, this was the day for election of officers and all officers were returned to their respective places. This is quite unusual and speaks well for this group of officers who have given such satisfaction. The list follows: Mrs. O. D. Leisburg, president; Mrs. G. A. Anderson, vice president; Mrs. F. C. Johnson, secretary and reporter; Mrs. Eva Humphrey, treasurer; Floral committee, Mrs. W. E. Ferrell and Mrs. R. F. Cline; Social and Fun leader, Mrs. Tom Bullock.

Following the business session Mrs. C. L. Knight presented the lesson, 3rd chapter of St. John. A lovely two course afternoon luncheon was served.

### Woman's Missionary Auxiliary

Mrs. Nathan Cox led the lesson on Wednesday when the members of the Woman's Missionary Auxiliary met at the church for the regular Bible study.

The book of Acts was completed and the women feel that they have a more complete knowledge and better understanding of the teachings of this book.

### Presbyterian Ladies Auxiliary

The woman's Auxiliary of the Presbyterian church had the pleasure of meeting in the country home of Mrs. Joe Horn, Wednesday afternoon.

Twelve members and three invited guests composed the party that enjoyed the inspirational meeting of the month. Mesdames Dorr Ellis, Mackey and W. G. Word presented the lesson.

### First Presbyterian Church

Sunday School, 9:45 a. m. Morning Worship, 11 o'clock. The pastor will preach on "A Nation's Exaltation," a sermon on Christian citizenship. Young People's Meeting, 7:15 p. m. There will be no evening service, the pastor being away at the evening hour.

Mrs. F. A. White left Monday for Rising Star where she will visit for a time with her sister.

### Dr. and Mrs. J. G. Sherman called to Lincoln, Neb., Sunday in response to a message from that city stating that an uncle to Dr. Sherman had passed away. They left immediately and will return to the city shortly. Kenneth remained in the city with friends.

### Dr. and Mrs. C. W. Galloway and Miss Eunice Johnson left Tuesday for a short vacation. They will visit with relatives in Clinton, Enid and Oklahoma City, making short sightseeing trips out from each of these places. Dr. Galloway will attend a home coming of the school of which he is a graduate.

### Mrs. L. Burr Bolden and children of San Bernardino, Calif., are guests of her father W. E. Davis and her sister, Mrs. Forest Sawyer.

### R. W. Harvey, Jr., who made the adjustment of the Donley County State Bank in the interest of the bonding company, was a guest of his friends, Mr. and Mrs. W. M. Patman while in the city.

### Geo. Dilli and family at Skellytown last Sunday. We are having very warm weather these days. W. C. Veazy made a trip to Memphis Tuesday of this week. Mrs. Dyer and children went to Vega Sunday where Mr. Dyer is working in the harvest. Mr. and Mrs. Grant's son and wife of Kansas City came in Monday for a two weeks visit. Mrs. Mantooth and children of McLean attended Sunday school here last Sunday. Mr. and Mrs. Clyde Hudson visited here last Sunday. Mr. Veazy made a business trip up on the Plains last week. J. M. Shannon visited his daughter of the Martin community. Mr. Elmore made a trip to Clarendon Tuesday of this week.

### Mr. and Mrs. H. M. Reid and family and Mrs. Barbee spent Thursday afternoon with Mr. and Mrs. John Aduddell at Hedley. Mr. and Mrs. Morris Millsap are the parents of a baby girl born Thursday June 19, and named Betty Mildred. Those enjoying ice cream in the Edith Aduddell home Thursday evening were Eunice Huffstutler and children, Mrs. Thomas and daughters. Mr. and Mrs. Olen Cook spent Saturday night with their parents Mr. and Mrs. J. S. Cook of Sunview. Mr. and Mrs. J. W. Galewood of McKnight visited their sister Mrs. W. W. Webb Sunday. Mr. and Mrs. Watt Hardin and Misses Leta Ramsey, Melba Johnson and Annie Marie Hardin attended church at Clarendon Sunday. There was a large crowd at singing Sunday night. Mr. Dan Brazille spent the week end with home folks. Mr. and Mrs. Jake Webb and children of Windy Valley, Mrs. Mary Webb, Mrs. Bernice Shofner and son visited Mr. W. W. Webb Tuesday. Mr. Meyers of Fort Worth is visiting his brother, Pat Meyers, Mr. Cliff Johnson is on the sick list this week. Mr. and Mrs. R. L. Brazille and daughter, Pauline, and Don Brazille took dinner in the J. T. Cearley home Sunday. Miss Marie Galewood of McKnight visited her cousin, Mrs. Olen Cook Sunday. Mrs. Olen Cook and Miss Marie Galewood called on Mrs. M. Hughes while Sunday afternoon. Mr. and Mrs. Townsend took dinner with Mr. and Mrs. Cliff Johnson Sunday. There was a large crowd at Sunday school Sunday morning.

Miss Lois Marie Wilkins of Lubbock and Miss Mae Dell Stanley of Shamrock were Sunday visitors in the home of Mr. and Mrs. F. J. Hommel.

**FARMER'S ASSOCIATION ORGANIZE TO SAVE COTTON**

The directors meeting of the Farmers Marketing Association of America, Inc. held last week was attended by members and friends from different sections of the State, determined unanimously to make a vigorous campaign to organize the Texas cotton farmers into the Association for the "purpose of saving Texas from bankrupt cotton prices this fall."

The committee on ways and means recommended that the association ask the Federal Farm Board for a loan of fifty thousand dollars for the purpose of paying the expenses of organizing the farmers. And in case the Farm Board declines the help requested then the board of directors will procure such private funds as are necessary to carry forward the organization work. The earnest hope was expressed by the committee that farmers, bankers and business men would volunteer and organize local associations in every community in Texas.

The ways and means committee is composed of: T. W. Davidson, Dallas; M. H. Wolfe, Dallas; Judge L. Gough, Amarillo; O. P. Norman, Kaufman; J. E. McDonald, Waxahatchie; Joe Buie, Hillsboro; W. B. Yearly, Dallas; Chas. B. Metcalfe, San Angelo; Shapman Thomas, Dallas; W. B. Moore, Dallas; and Gibbons Peet, Rosharon.

M. H. Wolfe, general manager of the association, in outlining the work for the coming cotton season, gave six reasons why the Farmers Marketing Association of America, Inc., is determined to push the organization work of the association, as follows:

1st: Any farmer can get top prices for cotton by following the simple, workable plans of the association, and know in advance what it will cost them to secure the services of some of the best equipped cotton men in the trade. And at the same time help build an association through which the farmers can obtain a price equal to the cost of production and a reasonable profit, and place agriculture on an equal basis with other industries.

2nd: Our contract provides that the grading, marketing and selling charges shall not exceed \$1.00 per bale; storage charges one cent per bale for each day, and the insurance about twenty cents per bale for one year if shipped to a concrete warehouse.

3rd: Our contract provides that the farmers may store and insure their cotton on their own farms or at the interior towns where they reside, and the cotton can be sold by us at the farmers home town when the prices offered are equal to prices that can be obtained in the chief markets of the world.

4th: All cotton will be sold by the farmer and sold when and at such price as he may direct. And if the farmer wants to hold his cotton for higher prices he can borrow money from his home bank, through the Federal Reserve or City banks, or through the Association on reasonable terms without any red tape.

5th: The Farmers Marketing Association of America, Inc. offers to the an association as clean as a hound's tooth, and free from any liabilities or debts of any sort, with the exception of a few hundred dollars recently expended for literature and organization work. Furthermore the contract with farmers prohibits the association from gambling in futures or dealing in hedges which has become one of the most dangerous forms of speculation and brought heavy losses to Cooperative Mar-

**PERSONALS**

Ed Came of Denton visited over the past Sunday in the home of Mr. and Mrs. A. W. Simpson.

Mrs. Byron Simpson of Whitesboro is here for a visit of some length in the home of her sister, Mrs. A. W. Simpson.

Mr. and Mrs. U. J. Boston and sons left the fore part of this week for Fort Worth, where Mrs. Boston and the boys will visit with friends and relatives. U. J. went on to Ardmore, Okla., where he is attending a meeting of Piggly Wiggly store owners and operators.

Messrs Rufus White and Kenneth Kink spent Wednesday in Pampa.

Mrs. Keith Stogall of Sudan, Texas, arrived Tuesday for a short visit with her parents, Mr. and Mrs. A. L. Chase.

Misses Mary Ollie and Sue Parsons from Quitaque visited with Miss Verna Latson Sunday.

Mrs. Leona I. Shawver and son John Bob, are guests in the W. H. Patrick home, on Wednesday Mrs. Shawver and John Bob accompanied by Miss Catherine Patrick, motored to Amarillo where John Bob boarded the train for San Francisco where he will be an intern in the French Hospital at that place. He is a recent graduate of Baylor University. Mrs. Shawver and Miss Catherine will visit the Historical Museum at Canyon before returning to the city.

Miss Lucille Allen returned Saturday from Dallas where she has been visiting friends.

Mr. and Mrs. Mongole and daughters and Miss Irma Lewis returned to Clarendon Monday night from a vacation trip to Kerrville, San Antonio, Houston, Galveston and other interesting points in that section of the state.

C. G. Atteberry of Pampa visited Sunday with his mother, Mrs. S. E. Atteberry and other relatives.

Mr. and Mrs. Clyde W. Naylor spent Sunday in Clarendon with relatives and friends.

Mr. and Mrs. E. T. Naylor and son spent Sunday in the home of the Misses Naylor. They were on their way to their home in Quana after spending their vacation in New Mexico.

A group of young people representing the Intermediate Department of the Baptist Sunday School enjoyed a picnic in the park near the Grammar School Building, Friday evening. The first number on program was the lunch. This feature was thoroughly enjoyed by all. The remainder of the evening passed all too quickly in playing games.

Marketing Associations in recent years.

6th: Our contract provides that it can be cancelled by either party giving the other six months' notice. Our association is founded on the principle of service to others. We are relying on rendering service so valuable that the farmers cannot afford to quit but more will join and keep on joining until the volume will reach such proportions that the price of cotton can be fixed by the farmers themselves. It is hoped enough will join by September 1st, 1930 to reach this goal.

Rev. and Mrs. B. N. Shepherd, Mr. and Mrs. W. A. Simpson, Mrs. T. M. Couch, Miss Francis Tatum and Miss Ruth Thompson motored to Memphis Friday to an Association meeting in regard to the Baylor endowment campaign. Dr. Finney brought a most encouraging report.

Kenneth Kerbow, Sam Braswell, Jr., and Hugh Lusk were among the spectators at the Farley-Reynolds wrestling match in Amarillo last Friday night.

Clyde Douglas, Dr. Harter and Allen Bryan motored to Amarillo Friday for the Farley-Reynolds wrestling match.

Henry Tomb spent Friday evening in Amarillo where he attended the wrestling match.

Mr. and Mrs. V. F. Garrison of Dallas, and Mrs. F. E. Crotto and daughter, Inez, of Tulsa, Okla., are house-guests of Mr. and Mrs. Paul Shelton.

Miss Pauline Bell of Amarillo spent Sunday with her friend, Mrs. Phillip Engle.

Miss Dorothea Watson was a week-end visitor of friends in Wichita Falls.

Rev. Leon O. Lewis attended to business matters in Amarillo last Friday afternoon.

The Federal food and drugs act requires every package of food except those containing one half or less to carry a plain and conspicuous statement of the quantity of the food in the package. Do not be influenced by the apparent size of the package; read the labels. It frequently happens that what appears to be a large container will actually contain less material than one that seems smaller. The first injunction to the housewife, say Federal food officials, is to read the quantity-of-contents statements on labels—that is, the net-weight or net-volume statement, determine whether the quantity received is the same as expected, compare this quantity with the quantity offered by other brands of the same quality, and buy the product which gives the best value for the money.

A mixture of one part of ammonium sulphate and three parts of cottonseed meal makes an excellent fertilizer for lawns, says the U. S. Department of Agriculture. Apply it three times in the growing season, at the rate of 12 or 15 pounds per 1,000 square feet. Cottonseed meal alone is satisfactory, though it does not act as quickly as the mixture of ammonium sulphate and cottonseed meal.

Sonora's first railroad station is under construction. Operation of Santa Fe trains is expected there soon.

### 1930 OFFICERS NAMED BY LIONS

#### REPORT OF NATIONAL COMMITTEE ACCEPTED IN MEETING TUESDAY

The item of major importance for the Lions at their luncheon Tuesday of this week was the election of officers for the coming term of twelve months. It will be recalled that the nomination committee composed of the three immediate past presidents was made at the luncheon of June 10 after nominations had been received from the members two weeks preceding that date. The report was read by Lion Watson to refresh the member's memories and was adopted as read after motion had been made and passed that the secretary cast the ballot of the entire membership for each nominee.

Lion Fred W. Rathjen, who has served the club in the capacity of First Vice President for the past year will serve the club for the year ahead as president. Lion Boykin is elevated one position to First Vice President and Lion Sherman was chosen to fill the place of second Vice President. Holman Kennedy will fill the chair of Third Vice President, his term as Director expiring with the installation of officers next week. Odos Caraway was retained in the chair of Treasurer and the present secretary will again keep the records of the club for the coming year. W. M. Murrell was elected to the office of Lion Tamer over this protest and Walter Wilson was chosen to again fill the place of Tail Twister. Immediately past President Douglas and T. D. Nored were elected to places on the Board of Directors to take the places left vacant by the expiring term of Holman Kennedy and A. L. Chase. The installation of officers will be held at the next meeting of the club on July 1.

A letter from the Business and Professional Women's Club was read to the club in response to a letter mailed them on the organization of the body here. It will be filed along with other papers of the Lion Club.

A letter from Fred Lowery, the blind boy who can whistle two tones, was read to the club, asking for an engagement if a Panhandle tour can be arranged for this fall. This matter was referred to the Board of Directors for their action and more information was asked.

In connection with the recent meeting held at Panchade a letter was read from Bert Curry of that city asking for the number of pass needed to carry out the advertising scheme planned for this section of the state. The secretary was instructed to make reservation of the required number that they might be on hand for any celebration that might be staged.

Lion Kennedy was asked to speak his mind on being robbed, stating that he would not tell the same story any two times in succession inasmuch as he would think of some detail he had not seen in the first time round. In any event, he stated that the proposition as presented was the best certified check he had ever seen presented for payment in his years of banking experience. His only statement in this connection was that if it had to be done again that he would only get the faster.

The trip to Naylor Thursday evening was announced with a complete change in the program. The meeting of the candidates at Chamberlain Friday evening was also mentioned and the Lions were asked to attend. A date for Tuesday evening, July 1 was asked, this being set for the appearance of the folk in Hedley. Further announcement of this will be made later.

Lion Boykin stated that another baseball game was scheduled for presentation on July Fourth, this being between Goldston and Brice. There is planned to be a full day if all events work out as started.

Lion Kemp brought up the question of a landing field for Clarendon asking that some definite reply be given him that he might answer a letter recently received asking the plans of Clarendon in this respect. Further discussion of this matter revealed that the Department of Commerce was seeking information on the progress being made and that they were not looking for immediate development of a field unless some need for this should arise.

The final Zone meeting of the year was announced for July 10th at Claude and the Lions were asked to keep this date open and plan to attend if at all possible. Adjournment as usual.

\*\*\*\*\*  
**ASHTOLA**  
 \*\*\*\*\*

The Home Demonstration Club met with Mrs. Johnie Moss, June 18 with 11 members and several children present. After the program was discussed and all other business was dispensed of a most enjoyable social hour was spent and the hostess served a delicious plate of sandwiches, cake and iced tea, after which they adjourned to meet the first Wednesday in July with Mrs. L. B. Merrill.

There was prayer meeting Wednesday in the Taylor home with several present.

Mrs. Venemcon, Riley and son of Kansas City returned home Friday after spending a week with their mother, and grand-mother, Mrs. H. W. Lovell.

Mrs. Helen Meaders and children visited with her parents, Mr. and Mrs. A. L. Allen Tuesday.

Mrs. Anna Byers and son, Gordon of Amarillo spent Wednesday and Thursday nights with her parents, Mr. and Mrs. Tyler. They returned home with her Friday for a few days visit.

Mr. and Mrs. L. B. Merrill and daughter visited in Clarendon Tuesday night.

J. L. Tims and wife motored to Amarillo Thursday.

Miss Beatrice Randal called on Mrs. L. B. Merrill Wednesday.

Miss Jessie Swinburn visited Miss Onata Hayter in the J. A. Johnson home Thursday.

There was a party Thursday night at Mr. Eddimons.

Oscar Brown of Shamrock is spending several weeks with the Dunning boys.

Weldon Carper is on the Plains working in the harvest.

Mrs. Whit Colcote and daughter of Claude spent last week with her parents, Mr. and Ms. A. L. Wallace. Mr. Colcote came down Saturday night and his wife accompanied him home Sunday evening.

Mrs. B. F. Collier visited Mrs. Reed Friday.

Mr. and Mrs. W. P. Holley took their son and daughter, Miss Gladys and Robert to Amarillo Saturday to a specialist and had a gas bag removed from Miss Gladys' throat and Robert's tonsils removed. We hope these young folks will soon be well.

There was no preaching here Sunday but a very interesting Sunday school Sunday morning and B. Y. P. U. at night.

Mr. and Mrs. Elzie Kidd and children spent Saturday night and Sunday with Mr. and Mrs. Hunucker.

Miss Onata Hayter of Clarendon spent last week with Miss Vera Johnson.

Mr. and Mrs. H. G. Huffman and daughter visited relatives at Memphis Sunday.

Clarence Shores of Goodnight visited Gail Reed and attended Sunday School here Sunday.

Mr. and Mrs. Dixie Dunning and children visited Mr. and Mrs. O. C. Carper Sunday.

There was a party in the Ross DeFries home Saturday night which was enjoyed by the older folks as well as by the younger ones.

Little Alva Mae Meaders is spending the week with her grandparents, Mr. and Mrs. A. L. Allen.

Henry Lovell of Clarendon, W. A. Poovey and wife spent Sunday with H. W. Lovell and family.

Miss Mary Lovell returned home with Henry Lovell for a few days visit.

Messrs Charley Gregg and Elsie Gregg and families are all very sick from being vaccinated for small pox.

J. M. Jordan and Miss Irene Collier visited Miss Glazner at Jericho Sunday.

Mr. and Mrs. H. C. Tims and children visited Mr. and Mrs. Jess Adamson Sunday.

W. A. Lewis and family of Roaring Springs who are visiting the ladies parents, Mr. and Mrs. Sibley in the Martin community visited a while with friends here Sunday evening. Mr. and Mrs. Lewis taught school here several years ago.

Farmers are all real busy this warm weather.

### Just Like Special Cake Flour IN THE RESULTS YOU GET

It's much easier to bake light, fluffy, delicious cakes and rich, crisp, golden brown pie crust when you use Amaryllis. You'll understand why, when you feel its smooth, even texture--when you note its consistent high quality--when you try it yourself!

Bake with confidence.. use AMARYLLIS!

### At Your Grocer's

### Sore Gums—Pyorrhea

Heal your gums and save your teeth. Its simple. Just get a bottle of Leto's Pyorrhea Remedy and follow directions. Leto's is guaranteed. Clarendon Drug Store.

### Reduce the Acid

SICK stomachs, sour stomachs and indigestion usually mean excess acid. The stomach nerves are over-stimulated. Too much acid makes the stomach and intestines sour. Alkali kills acid instantly. The best form is Phillips Milk of Magnesia, because one harmless dose neutralizes many times its volume in acid. For 50 years the standard with physicians everywhere. Take a spoonful in water and your unhappy condition will probably end in five minutes. Then you will always know what to do. Crude and harmful methods will never appeal to you. Go prove this for your own sake. It may save a great many disagreeable hours. Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians in correcting excess acids.

### A FAMILY DOCTOR'S LAXATIVE IS BEST

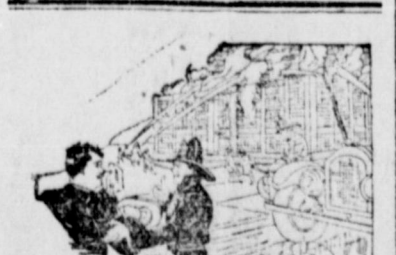

Your health is too important! You cannot afford to experiment with your delicate bowels when coated tongue, bad breath, headache, gas, nausea, feverishness, lack of appetite, no energy, etc., warn of constipation. This applies not only to grown people, but more particularly to children. That's why a family doctor's laxative is always the safe choice.

Dr. Caldwell's Syrup Pepsin is prepared today under strict laboratory supervision from fresh laxative herbs and other pure ingredients, and exactly according to Dr. Caldwell's original prescription.

Today, millions of families rely on Dr. Caldwell's judgment in the selection of their laxative. For Dr. Caldwell's Syrup Pepsin, in bottles ready for use, sold in all drugstores, is now the largest selling laxative in the world!

### Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Revall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, cramping bowels called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Revall Orderlie at night. Next day bright. Get 24 for 15¢ today at the nearest Revall Drug Store. DOUGLAS & GOLDSTON DRUG CO.

You cannot afford to take chances with the property you have acquired. Mr. and Mrs. A. E. Tidrow were guests of Mr. and Mrs. Douglas Arnold Sunday.

READ THE WANT ADS.

BRAY

Sunday school at the regular hour with a very good attendance but would be glad to see a larger crowd next Sunday.

Sunday afternoon Bro. Knoy filled his regular appointment. A good size crowd was present and Sunday night Bro. Hutto of Hedley preached.

A revival will commence here next Tuesday night, July 1. We haven't learned the preachers name but understand it is to be a Methodist revival.

Mrs. Claude Hill had for dinner guests last Sunday Mr. and Mrs. C. P. Cunningham of Groom.

Mr. and Mrs. D. B. Leach and children and Miss Delma Hill of Hedley, Mr. and Mrs. W. O. Hill and Mr. and Mrs. C. N. Hill.

Mr. and Mrs. Martin Banister were visiting friends and relatives at Hedley Saturday.

Miss Ruby Banister spent the week-end with Miss Alma Aulif at Hedley.

Mrs. C. P. Cunningham and Mrs. C. N. Hill spent the day with Mrs. D. B. Leach at Hedley Tuesday.

Mr. F. M. Griffin attended the Ferguson speaking at Childress Tuesday.

Master E. G. and Leslie Christenson who have been visiting their grandparents have returned home at Memphis.

NINE TABLETS MADE ME A NEW MAN SAYS SMELTER MAN

"I've Suffered For Ten Years But Orgatone Has Relieved Me," Says Amarillo Man.

"One day, my sister-in-law, left me nine Orgatone tablets and insisted that I take them, because I had been feeling so badly, but I thought that all patent medicines were alike and refused to take them. Finally I decided to give them a trial and they have given me wonderful results," said Richard Ray Gotsis, of 2440 N. W. 5th Amarillo, Texas, a well known smelter worker.

"I had my wife stop at the drug store and get me a full bottle of Orgatone and, I'm going to get more," he continued. "I was always bothered with stomach trouble, and when I ate would be in misery for several hours afterward, gas always formed on my stomach. I had heart burn and was nervous and worn-out all the time. I was in a very general run-down condition. I was constipated and took strong laxatives most all the time.

"Since taking those few tablets, they have given me more direct relief than all the medicine out together, that I have taken in my ten years of suffering. Orgatone has helped me so much I feel like shouting it from the house tops. I am a new man entirely. Food does not sour on my stomach any more, and I sleep and rest fine every night. In fact, I am just in fine condition in spite of all my troubles. Orgatone has certainly my endorsement. Yes,

Sir, when nine tablets can make a man feel good as I do after so many years of suffering I could not say enough for what it has done for me. It is indeed a very meritorious preparation.

Genuine Orgatone is sold in Clarendon by Stocking's Drug Store who are direct laboratory agents.

### LOCAL GOLFERS WITH MEMPHIS

#### JOIN 10 HILLCROFT GOLFERS MEMPHIS TEAM AT AMARILLO SUNDAY

Ten of Clarendon's golfers motored to Amarillo where they joined the Memphis golf team in an inter-city match between the Hillcrest club of Amarillo and the Memphis Club. If the other members of the Memphis delegation had done as well as the local golfers the score would have been decidedly in favor of the Memphis team. As it was the Hillcresters walked off with a 19 to 13 match decision. The Memphis team, besides the Clarendon team, was strengthened by players from Quaman, Ezelline, and Childress.

In the feature match of the day, Elliott Hatch beat Frank Foxhill 1 up. The Clarendon players won five matches, lost four and tied one. The score of the local players matches are given below.

Al Cooke beat Sara Taylor 2 and 1.

Ira Merchant beat L. A. Swan 6 and 5.

H. B. Kerbow lost to Jim Hagen 1 up.

Bill Cooke lost to W. J. Satterwhite.

A. N. Wood beat M. H. Skidmore 2 up.

K. W. Kerbow beat George Marger 4 and 3.

H. Kennedy lost to J. Merriman 4 up.

Elmer Parsons tied with Geo. Maggard.

J. T. Patman lost to Bill Baker 6 and 5.

J. L. Casey beat Elmer Scott 4 and 3.

**SUNDAY SCHOOL TO GO ON PICNIC**

The Bible school of the First Christian church, plans to go on a picnic next Lord's Day. Plans are to speed up the morning services a few minutes, and then everybody go to the picnic grounds for a real old fashioned spread dinner. The spot selected by the picnic committee, is located on the L. O. McAdams place near Goldston. There under the cottonwood trees dinner will be served, near by in the creek, everybody can wade and enjoy themselves playing in the cool water. Last but not least, flowing from the hill side are several springs of cool water where one can be refreshed. Everybody is looking forward to having a grand and glorious time.

**DONLEY COUNTY BANK LOSS PAID BY INSURANCE CO.**

In less than 67 hours from the time the Donley County State Bank was robbed, the insurance company bonding the bank had made the adjustment and the bank had received their check for \$8,242.20, the exact amount stolen by the bandits last Monday. This proves again the business like methods and the efficient service rendered by the National Surety Company. Other records of quick adjustments are held by the company. W. M. Patman is the local agent for this insurance company.

T. G. Stargel, Earl Alderson, O. C. Watson, Jr., and Roscoe Hill attended the Reynolds-Farley wrestling match in Amarillo Friday night.

Messrs Jerome Stocking and George Bagby left Tuesday for an extended vacation trip to Yellowstone National Park and other points of interest. They are making the trip by automobile.

### MRS. SADIE HARTMAN

Mrs. Sadie Hartman came into this world on Nov. 15, 1845 in the state of Kentucky. About the year 1888 she came to Clarendon from Kansas City, Mo., and opened a millinery shop which she kept several years.

During this time she met Mr. Gus Hartman and the two were joined in holy wedlock on the 23rd of October, 1890. They remained here until 1915 when they removed to Zion City, Ill., where Mr. Hartman died in 1920. Soon after his death she left Zion City and removed to Harrison, Ark., to be near her daughter who lived close by Harrison at that time. Mrs. Hartman continued her residence there until she passed out of this world on June 19th, 1930 at the ripe age of 75 years.

Mrs. Hartman had two children by her first husband, a boy and a girl. Johnny, the son passed away on the 12th of January 1902 and lies buried in the Odd Fellows cemetery here and his wish side. Mrs. Lutz, the daughter, surviving her mother lives in Arkansas. Through certain circumstances she was prevented from being here today. Several brothers and grandchildren mourn her death.

In her early life, Mrs. Hartman joined the Christian church and was a charter member of the Christian church here in Clarendon.

### BRICE CITIZENS THANK CLARENDON FOR VISIT

The News received a letter Wednesday morning from Mrs. G. H. Crews of Brice who expressed the appreciation of the entire community for the visit and entertainment paid them by the Clarendon citizens last Thursday evening. The item which accompanied the letter is printed below:

Last Thursday evening the "Goodwill" club of Clarendon, accompanied by their splendid booster band and burnt cork artists, came to Brice on an entertainment in the school auditorium. They were greeted by a large and appreciative audience, who would be glad to have them repeat their visit.

The Home Demonstration Club of Brice served ice cream and cake, realizing a nice sum amounting to approximately \$28.50.

Everyone enjoyed the occasion and expect to meet again in Clarendon on July 4th.

### CLARENDON GIRL ON TEXAS TECH HONOR ROLL

Miss Gertrude Osborne of Clarendon has the distinction of being placed on the honor roll of the spring term of the Texas Technological College. Miss Osborne won her place on the honor roll with an average of "B" on seventeen hours of work, according to the report from the College registrar's office.

### ESTLACK ATTENDS ROTARY CONVENTION IN CHICAGO

J. C. Estlack is in Chicago this week attending the international meeting of the Rotary Clubs. Mr. Estlack is the representative selected by the local Rotary Club as their delegate to the Rotary International convention. He is expected to return to the city after a short visit in that section of the United States.

### Masons Install New Set Officers

The Masonic officers for the coming year were installed Tuesday evening in the meeting of the organization. The officers installed were elected two weeks ago, the installation ceremony being used in the Tuesday night's session.

The officers with their respective offices installed are given in the following paragraph.

Homer Parsons, Worshipful Master; Elmer Palmer, Senior Warden; Clifford Allison, Junior Warden; A. E. Thompson, secretary; W. H. Patrick, Treasurer; Lennie Hahn, Tiler; Douglas Dozier, Senior Deacon; Nollie Simmons, Junior Deacon; Ray Couch, Senior Steward; Ralph Andis, Junior Steward; and Rev. R. S. McKee, Chaplain.

After the installation program was completed a social hour followed with the members present enjoying the refreshments of ice cream and cake.

### WORLD'S LARGEST TIRE WAS DISPLAYED IN CLARENDON

The largest balloon tire in the world was seen in Clarendon last Friday and Saturday when the Goodyear Rubber Company's giant tire was exhibited here. This massive tire, which has traveled thousands of miles, visited various sections of the United States and Canada, has been an object of wonderment. It measures 12 feet in height and 4 feet in width and the total weight of the tire and yoke is some 3,900 pounds, just slightly under two tons.

The monster tire was completed only after three months of continuous labor by the Goodyear rubber engineers, and it is exactly the same as the Goodyear All-weather Tread Super-tread cord tire, the measurements being in exact ratio to measurements of the regular tire. The tire was built at a cost of \$5,000.

The inner tube for this great tire alone weighs 125 pounds. The tire can be inflated in 45 minutes, as only three pounds pressure is required.

### KINSMAN MAKES VISIT HERE FIRST TIME IN MANY YEARS

Mr. and Mrs. R. C. Weatherly were hosts over last Saturday and Sunday to J. G. Weatherly of Birmingham, Ala. Mr. Weatherly is an uncle to R. C., and had not seen him since the nephew was four years of age. The elderly man is eighty years of age and has a record of having worked for the railroad since 1875. This trip he is taking will take in about eight thousand miles of the western portion of the United States and is being taken that he may see and visit his nieces and nephews in the western half of the nation. A similar trip was taken some years past, carrying him into the homes of like relatives in the eastern part of the United States. It may be stated here that Mr. Weatherly is the last of his generation and that it is his desire to visit all his kinspeople before he passes into the world beyond.

M. M. Noble was a spectator at the wrestling match in Amarillo last Friday night.

### PAMPA DOCTOR MAKES FLYING VISIT—OPERATES

Not to be outdone in the age of speed, Dr. McKean of Pampa has secured an airplane that he uses when there is demand for speed in making trips over the Plains section of the state. He came over to Clarendon last Sunday, arriving there shortly after noon accompanied by two nurses who assisted him in an operation held during the day. He came to assist Dr. Wilder in operating on Mrs. A. T. Russell. The return was made in the late afternoon. It is believed that this is the first time a doctor has made a call to this city using this means of transportation.

### 5000 EXPECTED FOR A. & M. SHORT COURSE

COLLEGE STATION, June 25.—Cooperative marketing, land utilization and reduction of production costs will feature the main daily programs of the twenty-first annual Farmer's Short Course to be held July 23-Aug. 1 at the A. & M. College of Texas. F. W. Schillings, of Minnesota, member of the Federal Farm Board, will take a leading role in the marketing discussions and other speakers announced by H. H. Williamson, vice-director and state agent of the Extension service, include Dr. Gus Dyer, of Vanderbilt University and editor of Southern Agriculturist, and Mrs. E. E. Davis, of Arlington, former head of home demonstration work in Texas.

Attendance this year is expected to be around 5,000. Programs for the various group sessions for women, girls, men and boys are well on the way toward completion. Officials have pointed out that discussions will deal with most phases of live stock and field crop farming and with home making subjects.

Directors of farm cooperatives in Texas are to be extended special invitations to meet with Mr. Schillings on Monday and Tuesday afternoon during the short course in open forum discussion of marketing problems and the work of the Federal Farm Board. Mr. Schillings will deliver two addresses Tuesday, in the morning and at night.

The main morning programs will deal with the three-fold idea of solving the most pressing farm problems through more efficient marketing, eliminating price depressing surpluses by converting sub-marginal land into forests and pastures, and reducing production costs through more efficient methods. Limitations and possibilities of each of these three avenues of solution are to be pointed out and the progress along each in Texas briefly reviewed.

Pine timber is so useful that pine trees make a profitable crop now, according to the Forest Service. Some land on almost every farm, and large acres of cut-over land in the South, are best suited to timber growing and will return more profit from timber than from anything else.

Sheep seldom make profitable use of grain when good grazing is available. One hundred pounds of grain in a year for one ewe and her lambs is usually the maximum that can be fed profitably. Under some conditions, flocks keep in good condition and lambs may be marketed without any grain.

### DETROIT AREA POINTS WAY TO GOOD MOTORING

#### Wayne County Has 254 Miles of Pavement Wider Than Twenty Feet; Costs Little

By E. E. Duffy

There are two schools of thought on traffic congestion. One believes that traffic congestion and attendant motor problems will always be with us; the other, led by Wayne county Michigan, believes that pleasant city motoring is assured in the future. This group offers as proof the broad streets, wide roads and elevated street and road intersections found in increasing quantities in the Detroit area.

Deduced to comprehensive figures, there are, in two superhighway districts in the Detroit region, 93 miles of double concrete pavements, some of them with a combined width of 88 feet. Before this year is ended, 49 miles more will be in service—a total of 142 miles of comfortable and safe motoring.

Within Wayne county alone, in which is Detroit, 252 miles of concrete of a greater width than 20 feet are making it easier for motorists to get about, even on week ends and holidays. In Wayne county wide road building is a continuing process. On the average more than a mile of wider right-of-way is being acquired every single week.

The Detroit group of counties, Wayne, Oakland and Macomb, realized long ago traffic fundamentals which are just occurring to other communities. Perhaps they were somewhat influenced by the location there of the motor industry. Nevertheless Edward N. Hines, chairman of the two superhighway commissions, and a few other men, were largely responsible for they hammered away at the idea that the motoring problem cannot solve itself, that communities which would have safety and comfort must do something about it.

Through careful planning, early acquisition of wide rights-of-way, and systematic construction, the Detroit region has made itself the best equipped motoring area in the world. This was done without excessive costs to taxpayers and motorists, for through judicious financing and expending the Detroit metropolitan region has probably spent little if any more per capita on highway facilities than other communities—but Detroit has gotten more for its money.

**Summer Roots for Winter**

Production of beets, carrots, and turnips for the winter and spring shipment as fresh bunched vegetables has increased greatly in the last decade. Well-graded bunches of beets, carrots and turnips, if carefully handled, may now be shipped safely under refrigeration to all parts of the United States. Methods of harvesting, grading, packing, loading and refrigerating bunched beets, carrots, and turnips are described in Farmers' Bulletin 1594-F, preparation of Bunched Beets, Carrots, and Turnips for Market, which can be secured from the Office of Information, U. S. Department of Agriculture, Washington, D. C.

Manufacture of sweet cream butter, buttermilk powder and skim milk powder soon will be started in Lamesa, construction of the \$250,000 plant having recently been completed.
