Clarendon-Memphis Teams To Meet Here

County Superintendent Authorized By Vote Saturday

SUPT. ELECTION CARRIES 3 TO 1

COMMISSIONERS COURT WILL
APPOINT COUNTY SCHOOL
SUPT. NOVEMBER 10TH

Because of the inclement weather last Saturday the voters of the county cast only a very light vote in assuring Donley county of a full time County Superintendent in the near future by a vote of approximately 3 to 1. The total vote showed 282 for the new measure, and approximately 86 against the proposal.

Due to the time the election was held it is impossible for the election to be held at the time of the general election on November 4th, due to the fact that this election was held too late for the candidates to get their names placed on the ballots. In this case the County Commissioners will be required by law to appoint a temporary superintendent for the first term. This action will be up for the consideration of the court at their next regular session on Monday, November 10.

DRUG WINDOW IS ONE OF MOST INTERESTING

Those of the readers of the News who have had prescriptions filled in the past, and there are very few who have not been called upon to have this work done for them, will find the window of the Douglas-Goldston Drug Store one of particular interest. The medical map of the United States forms the background for a portion of the window, with streamers indicating the product and the location from where it comes.

The most interesting of the contents of the window is probably the number of aged prescriptions that are found on the side of the window next to the door. These date back to the latter part of the last century and are very interesting if for no other reason than the names contained thereon. Some of them are for babies who are now grown and who have children of their own. Others are for men who have had a great part in the development of the city and who have passed to their reward. The smallest numbered prescription is that one with the number 108, dated in 1898. Others prior to this date have been lost. Another interesting part of the window shows the spatulas, the mixing plate and the scales used to weigh out the materials the spatulas was used by the late used in the prescriptions. One of J. A. McKillop for more than twenty years and is still in a usable condition although a little too flexible to be used to a great extent.

The window has caused quite large crowds for the first several days of the week.

STAR GAZING COMING POPULAR PASTIME

A renewed interest is being taken in the scanning of the heavens since the installation of a six-inch telescope on the campus of the college recently. Dean Clark of the college has the instrument and has invited many persons to look at various planets and some stars through the medium presented. The most popular of the planets to this time has been Saturn which has been plainly visible for some nights. Four of the nine moons of this planet were visible the latter part of last week, the atmosphere being in such condition as to make for splendid reception of vision on the planet. The Moon has come in for a due share of the attention, it being impossible to see more than a small part due to the great brilliance of the sun. Crowds surged through the place at all hours during the opening, it being estimated that several thousands of people were in attendance on the opening. Quite a number of carloads of Clarendon people were found among those present.

Friends of Mrs. P. B. Gentry will be pleased to know that she is recovering nicely from a recent operation at the Adair hospital and will be removed to her home the latter part of the week.

Mr. and Mrs. J. T. Patman returned Sunday evening from Kansas where they visited with Mr. and Mrs. Wm. Price and daughter. Mr. and Mrs. Patman were joined in Tulsa, Okla., by Mrs. A. A. Mayes and Mrs. L. S. Barby who had spent a time with Mrs. McDaniel and Mrs. Officer. All members of the party report a most enjoyable trip.

FLOWER SHOW IS BIG SUCCESS

LARGE CROWDS VIEW MAMMOTH
COLLECTION OF
FLOWERS LAST SATURDAY

The first annual Flower show for the city of Clarendon sponsored by the Les Beaux Arts Club in the Club Rooms last Saturday afternoon was a huge success. The rooms were literally crowded with the hundreds of various kinds exhibited before approximately 600 flower lovers which visited the exhibit throughout the afternoon.

The number of different kinds of plants which were exhibited at the show exceeded the fondest expectations of the members of the Les Beaux Arts Club, and will insure the annual showing of the flowers in a like show each year. The ladies of the Les Beaux Arts Club state that they are well pleased with the show and the interest which was manifested among the women of the city and county.

Given below is listed the winners in the various plant contests: Roses—First prize, Mrs. Cal Merchant, second prize, Mrs. C. G. Stricklin; third prize, Mrs. I. O. Noble; fourth prize, Mrs. C. G. Speed.

Dahlias—First prize, Mrs. W. O. Hommel, second, Mrs. M. S. Parson; third Mrs. W. O. Hommel and fourth Mrs. Joe Cluck. Honorable mention, Mrs. J. M. Newlin; Mrs. Walter Hutchins; Mrs. J. M. Pyle; Mrs. C. G. Stricklin.

Mixed Bouquet—First Miss Stegall; second Mrs. S. M. Braswell; third Mrs. Chas. Speed, fourth Mrs. Frank Hommel.

Blooming pot plants—First Mrs. W. R. Holder; second Mrs. Holman Kennedy; third Mrs. Earl Ryan.

Non-blooming pot plants—First Mrs. W. W. Taylor; second Miss Stegall; third Mrs. W. R. Holder; fourth Mrs. Cal Merchant. Zinnas—First prize Mrs. Mongole; second, Mrs. Fred Chamberlain; third Mrs. Cal Merchant.

Cosmos—First Mrs. Earl Ryan; second Mrs. R. A. Chamberlain; third Mrs. Mongole.

Marigold—First Mrs. S. M. Braswell; second Mrs. B. N. Shap-herd; third Mrs. S. M. Braswell.

Asters—First Mrs. Fred Chamberlain; second Mrs. E. M. Ozier. Perennial Asters—First Mrs. J. D. Swift; second Mrs. E. M. Ozier.

Chrysanthemum—First Mrs. J. D. Swift; second Mrs. Alvin Lane. Lantana—First Mrs. Cal Merchant; second Mrs. Cal Merchant.

Feathers—First Mrs. Cal Merchant, second Mrs. S. T. Clayton. Snap Dragon—First Mrs. D. O. Stallings; second Mrs. E. M. Ozier.

Trailing Plant—First Mrs. M. S. Parson. Jackbrans—First Mrs. Alvin Lane. Crimson King Pinks—First Mrs. J. L. McMurry.

Ageratum—First Mrs. Margaret Wilkerson.

CLARENDON FOLK ATTEND HOSPITAL OPENING SUNDAY
Quite a large number of Clarendon folk were in attendance on the formal opening of the McKeen-Kearney and Worley Hospital in Pampa last Sunday. The visitors report that this new place of business is one that any town should be glad to call their own. Complete in all details to make it the handiest and best constructed place in his section, it was welcomed by the folk of Pampa and the surrounding country. Crowds surged through the place at all hours during the opening, it being estimated that several thousands of people were in attendance on the opening. Quite a number of carloads of Clarendon people were found among those present.

BAND IS FACTOR IN LIFE OF CITY

People little realize the worth of a band to a community until such an organization is brought to a sudden stop and the city is left without the services of such a body. Just take for instance the work that has been done in the past months by the band in Clarendon.

This work started really in earnest the early part of the summer, when it became the practice of the Clarendon body to hold two concerts each month. This was carried out until the close of the summer, with a concert being given every two weeks when the weather permitted the playing in the stand erected at the band hall at the head of Kearney street.

In addition to this, the band played for various and sundry political gatherings held in the city during the heat of the campaign and made trips to a number of the nearby towns for political purposes. Two of these were made to Amarillo, one to Plainview, one to Pampa and a day was spent at the Tri-State Fair in Amarillo, during which time the band was heard by a great many people from all sections of the state and in the neighboring states.

Probably the greatest use to which he band was put during the summer was the assistance rendered the Chamber of Commerce in the staging of the gatherings held in eight communities near the city. The band appeared at all of these and helped materially in gathering and holding the crowds so intent on hearing the program.

Future plans include appearances at the football games for the remainder of the season; an appearance at the Armistice Day program and any other events of like nature where a musical organization.

The personnel of the band is composed of school boys, the great part of whom are beginners with a very few years credit in the use of any sort of an instrument. The director is Gus B. Stephenson, who is also director of a number of orchestras. The band is handled by a committee of band members and business men as a separate organization apart from any other civic body in the city.

CITY WILL CLOSE FOR BALL GAME

NEARLY ALL BUSINESS
FIRMS SIGN PETITION TO
CLOSE FOR MEMPHIS GAME

In a petition circulated by ardent football fans among the business houses of the city, it was almost the unanimous decision of the citizens to close their places of business during the football game between the Memphis Cyclones and the Clarendon Bronchos Friday afternoon between the hours of 3:15 to 5:30 o'clock. This will give the employees and the employers a chance to see these two fine teams engage in the contest that will in all probability decide the District Champions of District 2.

The Business men signing the petition are given below:

- Mayor Taylor
- J. T. Patman & Son
- Goldston Bros.

- City Gas Co.

W. A. LEWIS ENDS OWN LIFE SUNDAY

Late Sunday afternoon W. A. Lewis, of Brice, committed suicide by firing two bullets from an automatic pistol into his head, one bullet entering his head through the right eye and the other through his right temple. No one was at home at the time of the fatal shots, and his body was still warm when his wife returned from a visit to a friend's home.

Mr. Lewis left a note to his family stating that he only was to blame for the deed, and had taken his own life because of financial reasons and the grief he had undergone due to the death of a relative. Besides his wife he leaves three sons to mourn his passing.

Mr. Lewis had been a tenant farmer for the past ten years in that section of the county, and was at this time living on the Churchman farm. Reports are to the effect that this year's crop was a total loss due to the severe drought that section had undergone in the early summer.

Mr. Lewis was a good farmer and was well liked, and commanded the respect of all who knew him.

Interment was held at Clarendon where he was buried at the side of his first wife, who passed away several years ago.

Mr. and Mrs. E. P. Shelton and children motored to Pampa Sunday afternoon.

ALLISON MAKES ADDRESS TUESDAY

PASTOR TELLS ORGANIZATION OF APPRECIATION OF FELLOWSHIP

Lion S. E. Allison, pastor of the Methodist Church in Clarendon for the past three years, spoke to the Lions Tuesday of this week for the past time Tuesday after the first of November for his new pastorate in Carlsbad, New Mexico, and will probably not be here for another meeting of the Lions other than the Ladies Night next week.

Lion Allison asked that his credentials be mailed to the Carlsbad club and that they be notified of his coming. A resolution committee was later named to prepare resolutions for the purpose of wishing the Carlsbad club the best in the future.

An expression of the appreciation for the fellowship in the club was given by Lion Allison, he stating that it had been very pleasant to be with the Lions and wishing them the best there was in the work that is before them. His outlook on the future he assured the Lions was bright and he was continuing to climb the hill that was set out before him.

Announcement was made of the make-up in attendance of Lions Nored, Patman, Alderson and Braswell in a various list of places. Lion Patman reported a most enjoyable visit with the group of the Nevada, Missouri, Lions, who offered him every facility of their city and assured him that they would be more than pleased to entertain more Texas visitors when they called on their club. Some new ventures were mentioned in the manner chosen for counting the faces around the luncheon table.

Lion Edgington added something more to the remarks made by Mr. Trent at the last meeting of the Lions, stating that it was possible for the city to receive a further lowering of insurance rates if possible fire traps were investigated and the insurance cost on them to a point where it would be impossible for the owners on the premises at some hour between midnight and dawn.

The committee named to prepare resolutions for Lion Allison are Lions McKee, Patrick and Mulkey. Lion Rathjen stated that the three most important features of the life of the pastor were mentioned in the naming of the committee, the spiritual, the financial and the entertainment.

At this point in the meeting, the time was turned to Lions Kennedy and Mulkey, but they were not let on the floor as Lion Murrell rose and explained that the reason the Lion was leaving Clarendon was that he had been traded to this district for a period of three years on trial, that the time had ended and that he was being sent back.

He further stated that he would allow no pastor in the district to excel him in any manner, and that Lion Allison had repeatedly beaten him in the matter of prevarication and that was the real reason for his leaving. A tribute was paid the departing minister in the statement that he had never worked with a man who he trusted more implicitly and in whom he had more confidence.

Adjournment followed in the usual manner.

THIRD GROUP CAMP FIRE GIRLS IS ORGANIZED

Monday, October 20, was the first meeting and organization of the 3rd group of Camp Fire Girls.

Election of officers with Joellen Kennedy, president; Mary Lois Hayter, vice president; Emma Lee Johnson, secretary; Bobbie Lynch, treasurer; Frances Arnold, reporter. Guardians are Ruth Donnell, Assistant guardian Lodi Green. Members: Anis Lee McElvaney, Johnnie McDonald, Nell Cook, Helen Risley, Lonella Bell, Eloise Hill.

Friday afternoon the girls will sell candy at the football game for which the means will be spent to fix up their meeting room.

Miss Agnes Cole of Washington will be the guest of Mrs. L. S. Bagby over the week end.

MEMPHIS HAS STRONG TEAM

SHOULD CLARENDON WIN
GAME OVER OLD FOES
THEY WIN CHAMPIONSHIP

The age old gridiron feud between the Clarendon High School Bronchos and the Memphis High School Cyclones will be resumed on the local football field tomorrow afternoon at 3:30 o'clock. The Memphis team is the only obstacle standing between the Bronchos and a District championship. The same might be said about the Clarendon entry by the Memphis Boosters. If Clarendon can push over a victory they will win the right to meet the Dalhart eleven, the winner in its division of the District, even should they lose the next game to the Turkey eleven. If the Bronchos win from the Memphis team it will be the first victory in five years registered over the Hall county rivals.

Memphis is decidedly in the running for district honors as yet, and a victory tomorrow will place them on even terms with the Bronchos. So far as "dope" goes the Maroon and White squad is favored to win by a small margin from the Yellow and Black eleven, and the material worth of the "dope" in a football game as you know is worth the tremendous amount of exactly nothing. Especially is this so when the teams are made up of Broncho and Cyclone gridsters. Many has been the time when a game favorite has either been beaten or held to a humiliating tie by an inferior but gallant and fighting band of players. With this all very readily in mind it would be extremely foolish to predict a victory for either team.

So close has been the scores in the past seven years in the contests between the two teams that only three games have been won, Memphis winning two and Clarendon 1. It was in 1926 that Clarendon registered a win over the Hall county team, that being the year that the last great Broncho team was intact and won the District championship, since then Memphis has won two and three have been tied.

While the Bronchos are conceding the team having the best chance to win on the local field, the Memphis boosters are not expecting to go home with a loss, and all that reason a holiday and will attend the game en masse. In a telephone conversation with the sports editor of the Memphis Democrat it would seem to indicate that the general feeling of the Memphis fans were that it would be just another win for the Memphis Cyclones, with enough opposition furnished by the Broncho eleven to make it an interesting game worth traveling 60 miles to witness. The local fans are however of the opinion that the situation has grown enough like the situation at the University of Texas, who have not beaten the SMU Mustangs for a long eight years and are clamoring and expecting a well earned Broncho victory over the tamed Cyclone from Memphis.

Both teams are at the peak of their stride, and will face each other with a complete strength, both teams being free from injuries sustained in previous games. The Bronchos have the weight advantage to a small degree, but the fleet Memphis backs coupled with a deceptive passing attack is expected to provide the hundreds of fans with 60 minutes of football packed with thrill after thrill, as each team's quarterback has been instructed to shoot the works, and open the bag of trick plays in an effort to outscore the opposing team.

The probable starting line-up for the two teams are given in another part of the News, giving also the numbers, weight and position of the players.

Officials which have been selected by the teams are Vaughn, referee; Simmons; Gilbert Jackson umpire; TCU and Clarendon College; Shield, head linesman, Baylor.

The many friends of Hugh Brown, injured some weeks past in an automobile accident, will be glad to learn that he has been removed from the hospital and that he is able to have company. Quite a bit improved, he is as yet unable to sit up, but will be glad to see his friends when they care to call on him.

Can Clarendon Afford To Be Without a Band?

(An Editorial)

By SAM BRASWELL, Jr.

Monday a group of citizens met to discuss the plans for the Clarendon High School Band through the winter. At the beginning of the meeting it was easily discernable that the finances of the organization was at a very low ebb, and that additional money would have to be raised should the band be kept intact. The problem is raised before the citizens of the city of Clarendon and the interested parties residing in the surrounding territory—DO YOU WISH TO BE WITHOUT THE SERVICE AND ADVERTISEMENT OF THE SPLENDID BAND THAT WE NOW HAVE? The answer from the majority of the citizens of the county is "NO," but what are you doing to further the progress of the Clarendon Band and its personnel? Are YOU putting your shoulder to the wheel and doing your part in maintaining this fine musical organization, which is second to none in the entire Panhandle? Perhaps there are some within the range of this message who are letting the other fellow carry all the load, and who are maintaining an attitude of "let George do it." If such there are it is almost certain that they are not fully informed about the situation or have never given the matter a great deal of thought. Clarendon and Donley County people have always done the right thing—and there is no reason to believe they will fail to support such a worthy organization as the Band.

The director of the band is willing to make several sacrifices so the musical talent of the county may have the direction of a capable and conscientious worker, and the people of the city and county should do their part in meeting him half way. The Band is not supported by any civic organization, and is not sponsored by the Chamber of Commerce. That body divorced the band several months ago, and the funds have been raised through public subscriptions, which has fallen to the lot of a few public spirited citizens to pay. Now these men are asking that all you who enjoy the band subscribe the amount you feel capable of paying so the band shall continue under the present director.

Would it be right to the young musicians to discontinue the band and orchestras which are so splendidly organized at this time? The members have bought several hundred dollars worth of instruments, and have paid for instruction, and unless more help is secured from the able citizens of the county all this will be lost. Would this be a just payment of gratitude to an organization which has meant more to the city and county in the way of favorable advertising in the last several months than any other? Where ever a gathering was held in the past summer the Clarendon Band was requested to be present, and it was dubbed as the official Small for Governor campaign band throughout the recent gubernatorial race.

What are we going to do? Support the band, and have an organization of which we all may be proud, or neglect our duty and lose the past years labor which has built the local Band state wide recognition of being one of the best young bands in the country. We must keep our band and our splendid Director, Gus B. Stephenson, so let's all do our part by subscribing to the band fund.

HOW IT WORKS IN OTHER TOWNS

For a number of years The News has advocated the joining of all the churches of this city in union services on Sunday evenings. The past summer for one month two of the leading churches of the city did hold such evening services with fair success, but nothing like what could be expected if all the churches were in the movement. Such a plan is being used with splendid results in some other cities and the following from Editor George Smith of the Scurry County Times-Signal at Snyder is interesting:

"Through the courtesy of Editor Bill Cooper of the Colorado Record, the Velvet Hammer and the Mrs. were permitted to attend the final summer night out-doors session of the Methodist, Presbyterian and Christian churches of Colorado who united this year in a ten weeks co-operative meeting, each Sunday night.

"Laying all creeds aside, they met as one congregation in a wholesome exposition of the things that better the religious and wholesome activities of every community. We found a male chorus of at least a hundred voices with several quartets and an orchestra that were specially attractive from a musical standpoint. These congregations enjoyed the meetings, and particularly were they active last Sunday night when we esteemed it a rare pleasure to be present. The crowd numbered between 500 and 600 persons.

Talbot Wears All Made-in-Texas Clothes

In accordance with Bill Talbot's program, "Texas Products for Texas" and "Keeping Texas Money in Texas," the above picture shows him with a complete outfit of Texas-made garments utilizing Texas cotton. The hat was made by the Florence Hat Company of Dallas, Texas; the suit, shirt, necktie, socks and undergarments were made by the Pool Manufacturing Company of Sherman, Texas. The suit retails for approximately \$15.00 and at the present price of 10c per pound for cotton, there is about 15c worth of cotton in this suit. Had the suit been purchased, as is done by a lot of unthinking people, from mail-order houses, the 15c would have been the net profit to Texas and the \$14.85 would have been contributed to the prosperity of the North and East.

By purchasing these clothes in Texas, the entire amount remains in Texas to be distributed among Texas farmers, Texas laborers, Texas manufacturers and Texas merchants. If we will all buy clothes made of Texas cotton from Texas merchants, the increased consumption of cotton will have a tendency to raise the price of cotton and will also increase the purchasing power of Texas laborers and Texas merchants to where they can buy more of the farmer's other products at a better price.

Texas has been in the position of two men who owned a cow. One claimed the front half of the cow, and the other the milking end. So one of the men fed the cow while the other got the milk. The man who was feeding finally got wise and quit feeding his end. The other end died. This is the position of Texas today. The time has come to quit feeding the cow for the North and East to milk. Let's spend all our money in Texas for Texas-made products where all of us will have a chance to get a portion of it back. Only by doing this will we ever build the state of Texas into a vast empire in which we can all be prosperous and happy.

I wonder what the attraction (besides the fair, of course) is down east. Mary Naylor and Elizabeth Kemp wandered off to Quanah and Vernon; Lena Manley went to Fort Worth, and two instructors in Junior High went on to Dallas. They aren't all going east, however. Bill Word went to Pampa, Raymond Tidwell hiked off to Goodnight and Louise Lewis of Lelia Lake came up here.

Rent that spare room with a News Want Ad.

NAYLOR

Mr. and Mrs. A. E. Tidrow and children spent the week end visiting with Mrs. Tidrow's brother and family, Mr. Carnes at Shamrock.

Misses Rachel and Louise Tidrow returned Wednesday from Paris where they visited friends for the past ten days.

Mr. and Mrs. Waldon Downing also Mrs. Elizabeth Beach and little son visited with friends at Hedley Sunday afternoon.

Mrs. Richmond Bowlin attended the football game at Clarendon Friday afternoon.

Misses Zenith Scott and Hazel Heffner are attending school at Hedley, going from home. This makes three of our girls in school at Hedley.

Bro. Williams filled his appointment here Sunday, preaching at morning and evening hours.

Wet weather has hindered the cotton picking but many of the farmers are busy planting winter pasture.

W. M. Tidrow of Bray is curing his potatoes out in Rich Bowlin's dry plant. He has a good crop.

Rev. and Mrs. Braswell, who had been guests of Mr. and Mrs. Sam M. Braswell, returned to their home Sunday.

Texas tax values for 1930 are \$4,280,498,578, increase of over \$70,000,000 for the year. Real values are more than \$12,500,000,000, increase of \$2,649,000,000, in the past years or more than \$300,000,000 a year.

Mrs. Hank Jones of Amarillo and Mrs. W. H. Patrick left Wednesday morning for Dallas where they will attend the wedding of the son of Mrs. Jones.

Outstanding features of the new Chevrolet 6-cylinder truck

To every man who buys trucks, there are certain features in the new 1 1/2-ton Chevrolet that recommend it especially for modern hauling.

The rear axle is larger, heavier and more durable. The rear brakes are larger, and all four brakes are completely enclosed. Chevrolet's 50-horsepower valve-in-head six-cylinder engine combines modern performance with un-

excelled economy. Dual wheels, along with six truck-type cord tires, are optional equipment at slight extra cost. In addition, the new heavy-duty truck clutch, the 4-speed transmission and the heavier, stronger frame are factors of outstanding importance to the modern truck user.

Come in today and arrange for a demonstration of the new Chevrolet truck!

ITEMS OF INTEREST IN DONLEY

SUNNY VIEW

Mrs. Nelson Riley and family were callers in the home of Mr. and Mrs. Frank Spiers near Clarendon Sunday evening.

The Oddfellows had a get-together meeting on last Monday night despite the rainy weather. A good size crowd of members. Also a number of Rebekahs and their guests who were invited to be present with plenty of good eats as the Rebekahs always have. Rev. Ferrell gave us a fine address and all enjoyed the occasion.

Mr. and Mrs. T. T. Waggoner and family of Claude spent Saturday night and Sunday with Mr. and Mrs. F. L. Behrens. Mr. and Mrs. Roy McKee and family also spent Sunday in the Parental Home. All took Mrs. Behrens on surprise when they came with a large birthday cake and other good eats to help celebrate her birthday.

Mr. and Mrs. L. L. Taylor of Clarendon called on Mr. and Mrs. A. M. Lanham Sunday afternoon.

Mr. and Mrs. Earl Humphrey of Panhandle visited here with her parents, Mr. and Mrs. Oscar Wood Thursday.

Mr. and Mrs. Bill Knowles of Lelia Lake were callers in the J. N. Riley home Sunday afternoon.

F. L. Behrens Jr., George Truett and sister, Miss Nannie Mae, visited with the young folks in the home of Mr. and Mrs. Foster of Chamberlain last Sunday evening.

Mrs. Nelson Riley and Miss Orene called on Mrs. Lennie Wood Saturday morning while in Clarendon.

S. T. Clayton and son, Thomas, drove to Amarillo Thursday with a nice lot of chickens where they found a ready sale at a fancy price.

Mr. and Mrs. Neal Bogard entertained with their 42 club with four couples. Those present were Mr. and Mrs. Luther Butler, Mr. and Mrs. Owen Butler, Mr. and Mrs. Heckle Starks, Miss Wilma Patten and Mr. Thad Rogers and the host and hostess, Mr. and Mrs. Neal Bogard. Lovely refreshments were served at a late hour.

Much sorrow was felt in this community last Tuesday when it became known that Margarette Slaton, 14 year old daughter of Mrs. Patrick, and niece of Mrs. Hence Walters, had passed away. Like a flower born to blush unseen might be likened unto the life of this pure minded little girl. Funeral services were conducted by Rev. Ferrell, pastor of the First Christian church of Clarendon, in the home of Mr. and Mrs. L. B. Noble due to the serious illness of the mother at the Wal-

ters home. Interment was made in the Clarendon cemetery. May health soon be restored to this mother is the prayer of this community.

ASHTOLA

The Ashtola Home Demonstration Club met Oct. 15 with Mrs. C. W. Howard, the following officers being elected: Mrs. P. A. Johnson, president; Mrs. Lu McClellan, vice president; Miss Vera Johnson, secretary and Miss Beatrice Randall reporter. Delicious cake and chocolate were served to the twenty members. Will present a play and sell their quilt Oct. 31 at the school auditorium. Everybody is invited to come out and see the play and get a chance at the quilt.

Mr. and Mrs. Earl Humphries visited Mr. and Mrs. Lee Wood Wednesday.

Mmes. Tyler and Byres were Amarillo visitors Wednesday.

Mrs. A. L. Allen and daughter also Mrs. Byres visited Sam Allen and wife at Hedley Friday.

Mr. Shirl of Electra visited his uncle, Mr. Tyler and family last week.

RELIEF

From Headaches Colds and Sore Throat Neuritis, Neuralgia

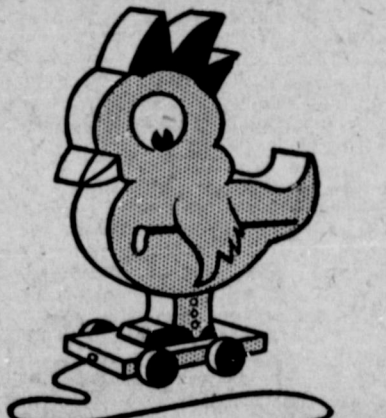

Don't be a chronic sufferer from headaches, or any other pain. There is hardly an ache or pain Bayer Aspirin tablets can't relieve; they are a great comfort to women who suffer periodically. They are always to be relied on for breaking up colds.

It may be only a simple headache, or it may be neuralgia or neuritis; rheumatism. Bayer Aspirin is still the sensible thing to take. Just be certain it's Bayer you're taking; it does not hurt the heart. Get the genuine tablets, in this, familiar package for the pocket.

SAFE

BEWARE OF IMITATIONS

Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria Harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.

That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

Fletcher's CASTORIA

WHEN FOOD SOURS

ABOUT two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians for correcting excess acids. 25c and 50c a bottle—any drugstore. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

"You Can't Afford to Miss Electric Range Conveniences"

"Hundreds of progressive and enthusiastic housewives have told me about the many electric range advantages, and I feel sure that now we've adopted this new, convenient and more economical system of rates, even more of you will profit by the superiorities of electric cookery, and at the same time lower the average rate for any other additional service used."

"You see, an electric range uses about 125 kilowatt-hours a month, and under the new rate system, practically all of this current would come on the lowest rate."

"In the average five-room house, normal use of electric service, without an electric range, water heater or refrigerator, will consume most of the 45 kilowatt-hours of the initial and second rates, after which all service—electric lighting, refrigeration, heating, cooking or any other use, will be figured on the 3c basis, when you use an electric range or water heater—4c when service does not include heating or cooking."

"Under the new one-meter rate an electric range will be appreciated more than ever, and is no longer a luxury."

"I have some more important messages for you, so meet me here next week."

And Remember—You Can Make Your Own Average Rate

Initial rate
12c

2nd rate

BRONCHO PEPPERS

On both Tuesday and Wednesday afternoon of last week, the C. H. S. pep squad met, learned some new songs and yells and practiced a stunt for the game with Wellington, to be played on the following Friday. Meeting again on Thursday night, the entire student body of the high school was invited to participate in the rally. Another new song was learned and all of the old yells and stunts were practiced.

After the pep rally, the pep squad paraded down Main Street several times, coming at last to a stop in front of the Pastime Confectionery. Here they "went into a huddle" and practiced their yells on all of the inhabitants who happened to be down town. Then, with the final admonition as to the practice of songs and yells of the following day's game, the crowd was dismissed.

And oh, that Wellington game. Was it a good one? Listen, it was unanimously declared by the pep squad that "a good game was had by all." You may take that for better or for worse, but you may be assured that the first adjective was the one understood.

At the half, the Wellington girls, having first choice to the field, formed a gigantic "W" and boosted not only their team but the Clarendon team also. Many complimentary comments were made by the pep squad in the pep and enthusiasm of the Wellington pep squad.

After the visitors had withdrawn from the field, the Broncho Peppers took possession of the ground and then the fruits of the labor of the week was shown. Much improvement over the yelling the previous games, and the cheering is expected to reach its highest peak at the Memphis Clarendon game on Friday.

Date-leaf and nut-fudge will be on sale Friday at the football game; it will be made by expert candy makers, at the home of Elizabeth Kemp Thursday night. The returns will be placed in the Pep Squad treasury. Bring your dime and enjoy the game in the same manner that your neighbor will.

Come to the game, see the Bronchos play and the Peppers pep!

SENIORS MAKE TRIBUTE TO 1930 BRONCHO SQUAD

Bronchos, the Seniors are proud of your record. Your achievements have brought Clarendon High School into the limelight and will further do so, if you win the next two games. We do not doubt but that you will defeat these contesting teams.

Bronchos, We know you will not disappoint us; we are depending on you to win the most coveted honor of being district champions. Throughout the football season, you have fought a clean, fair game. We have watched you prove your skill, and we know that you do not depend on the "breaks" to win. How happy our last year in high school would be, if you, the Bronchos were an undefeated team. When the football season is over, we will say, "The Bronchos are still fighting; the Bronchos are undefeated."

VIOLA JONES HOSTESS TO THE FOOTBALL BOYS

Happy almost to the point of hilarity, thrilled by the sixth football victory, several couples adjourned after the game to the home of Viola Jones. Here they enjoyed themselves immensely and after several hours of dancing and other amusements, the following guests departed: Josephine Murphy "Sis" Andis, Aylene Mann, Emma Keener, Ruth Nichols, Jo Veta Wilson, Gladys McCrary, Viola Jones, Carroll Hudson, Glen Allen, James Cornelius, Mike Beard, Clyde Martin, Dick Nichols.

Mr. I. O. Noble is spending the week in Amarillo as a member of the Federal grand jury.

Camp Fire Girls Notes

SACAJAWEA CAMP FIRE

On the afternoon of October 15, the camp fire girls met, attended to the business at hand, and decided upon the work for the next meeting, Wednesday, Oct. 22. This done, it was unanimously voted to adjourn until the said date.

PALO DURO LITERARY SOC

Motto—Push, Pep and Personality!

"Better be late than never!" Reads an old maxim. Last Wednesday night, an interesting "flat" on an interesting automobile (it was a Ford) in a very interesting place caused three-fourths of the members of the Palo Duro Literary Society to arrive late. When they did finally get to the Society room, they found the other fourth had gone to help fix the flat. At last the entire party assembled, giggles gradually ceased, and Mr. President arose.

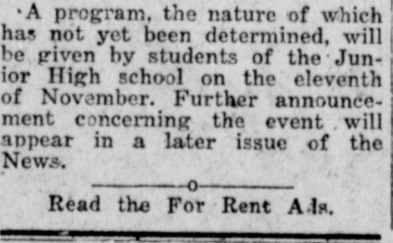

After a few preliminary business remarks, the program was read a very interesting current given. Miss Virginia Wisdow news topic. Joyce Link then gave a violin solo with Ruth Donnell at the piano. The critic praised the program committee for their excellent form and thanked those on the program for their participation. Motion was then made to adjourn.

As the members of the society came out the door, they were invited to "gaze at the stars" through the telescope belonging to the chemistry teacher. The information offered as to the distance of some of the heavenly bodies weighed so heavily on the minds of many that it was decided "time to retire."

PROGRAM PLANNED FOR THE ELEVENTH-OF-NOV.

A program, the nature of which has not yet been determined, will be given by students of the Junior High school on the eleventh of November. Further announcement concerning the event will appear in a later issue of the News.

Read the For Rent A.s.

LIBRARY BOOKS NEEDED

The Junior High School library was opened last week and Mr. Drennon made an announcement to the effect that since there was a decided shortage in books, there would be suggested some plan for the purpose of getting more volumes.

HOME ECONOMICS CLUBS TO MEET IN CLARENDON

The Home Economic Club has been making preparations for a meeting of all the Home Economics Clubs in the Panhandle, which is to be held here at Clarendon, Saturday, Oct. 25. There will be a meeting in the morning at 10 o'clock in the college auditorium, and Saturday afternoon the other clubs are to be entertained with a tea at the H. E. Department. A large crowd is expected to be present.

LOCAL GOLFERS ATTEND BONEBRAKE FUNERAL

Four members of the Hillcroft Golf Club were numbered among those who took part in the funeral rites for Bonebrake at Berger the latter part of last week. It will be recalled that this popular professional player died in Oklahoma City where he had gone for treatment. The professional visited in Clarendon a short time ago and proved to be one of the most popular of the professionals who have been here. Messrs Jack and Ira Merchant, Al Cooke and Meredith Gentry were those who attended the funeral services.

CARD OF THANKS

We wish to take this means of expressing our heart felt thanks and appreciation to our friends and neighbors for the kindness shown us during the illness and death of our beloved daughter, sister and niece, for the beautiful floral offering. We pray God's richest blessings on each one of you.
Mrs. Ethel Patrick, D. L. Slaton, Maxwell Slaton, Mr. and Mrs. Hense Walters and family.

AUTOMOBILISTS CAN'T BURN UP MODERN HIWAYS

By E. E. DUFFY
"Burning up the roads," is a phrase that was coined back in the days when horse hairs rather than gasoline fumes were in the air. The modern traveler, equipped with a powerful motor, would of course make the gallant of other days appear as though he were standing still.

The phrase, "burning up the roads," was concocted as a flippancy, which it still is. Strange, however, a continuous flow of rapidly moving vehicles over a stretch of pavement creates considerable heat, which is noticeable after a rainfall when whirling tires soon dry out the pavement surface.

As for concrete, the accepted paving material, heat created by moving tires or by the sun has no effect on its surface. Recently in Chicago a special fire test of concrete masonry walls, made of much the same material as concrete roads, was held to show city building officials and builders the fire resistance of concrete. A flame of 1,900 degrees Fahrenheit was placed directly against the concrete wall for three hours with very little structural damage to the wall. Nineteen hundred degrees Fahrenheit is almost the temperature of a volcano; what likelihood, then, of motorists or the sun softening the surface of a concrete pavement?

It has been pointed out that portland cement is almost the matter of depth be eliminated. Depth in this instance of course, refers to a hard smooth surface only obtainable through the application of concrete.

The matter of length is of such importance that comment is not necessary. But in the factor of breadth there is much to consider. In and near thickly populated areas it appears that pavements cannot be supplied in too great quantities in widths up to 80 feet. Progressive states have determined that yesteryear's rural road width of 16 and 18 feet is not as desirable as the 20-foot width.

And now we have another width entering the picture. This is the narrow concrete highway of nine and ten-foot widths which very well serves the rural community where there is considerable hauling to be done, but little traffic.

But throughout the road story, runs the thread of economy and smooth riding which is only obtained in the pavement surface despite great volumes of traffic and persistent attacks from weather.

MARY GARDEN TO SING IN AMARILLO

Of the three cities in Texas that Mary Garden will visit this season in concert recital one of the three is Amarillo. The two others are Dallas and Waco.

Wilbur C. Hawk is responsible for the Garden visit to Amarillo. She will sing, in company with a select group of assisting artists that comprise the Garden personnel, on the night of Monday, November 3, at the Municipal Auditorium under the auspices of the Tri-State Fair of which Mr. Hawk is president.

The Auditorium has been sealed by Mr. Hawk for this occasion at popular prices, the charge for tickets being less in Amarillo than elsewhere. From one dollar to three fifty is the scale set and Mr. Hawk is now filling mail orders for seats, if such

of publicity copy she obtained in the newspapers all over the world through an altercation she had with Gene Howe, editor of the Amarillo Globe News. The editor has buried the hatchet as has the singer and the former will lead the welcoming committee when Mary Garden arrives here two days before her concert appearance at the Amarillo Auditorium.

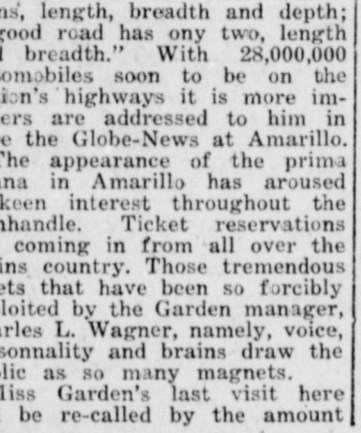

The prima donna expresses interest in three things when she visited the cities of her itinerary. The air port, the zoological gardens and the movies. They are her hobbies on tour. Upon her return from Europe last October 9 on the Steamship Bremen, the diva expressed herself as having never felt better or more youthful than she does now after her summer of rest and relaxation on her estate in France. After the Amarillo recital Miss Garden will go to Hollywood to make a motion picture test.

Plans for additional buildings for the San Antonio State Hospital for the Insane are being drawn in anticipation of a \$300,000 appropriation from the Legislature. The proposed improvements will increase the institution's capacity by 500 patients. Tentative plans for the city-county hospital at El Paso, to cost \$400,000, have been drawn.

Growing needs of that section are responsible for doubling the capacity of the Pampa plant of Southwestern Public Service Co., Amarillo. The 118 towns served by the West Texas Utilities have been recently notified of a 20 per cent reduction in domestic rates, with one meter carrying the entire load. More than 100,000 consumers will benefit from the reduction, according to a dispatch from Ballinger.

With 38 cats, William Adams, a well-known explorer of Boston, has settled down for the rest of his life.

Miss Garden's last visit here will be re-called by the amount

MARY GARDEN

Texas is second among the states in number of airports with 115. Ohio and Pennsylvania with 85 each tie for third place.

The earliest "first bale" in Texas was sold on May 21, 1921, at San Benito. The latest was on August 7, 1930.

Mr. and Mrs. W. L. Bell announce the arrival of a son on Monday, October 20.

Mr. and Mrs. Walter Clifford and Mrs. W. T. Clifford were guests of friends in Amarillo Sunday.

Rev. E. D. Landreth of Hedley was a business visitor in the News office Thursday.

Miss Athlyn Taylor of Groom spent the week end with her parents, Mr. and Mrs. W. W. Taylor.

Robert T. Plum of Cincinnati was presented with a pie containing 102 plums on his 102nd birthday.

To a suggestion that he forgive his wife, Charles Willis of Chicago, replied, "I won't be used as a football again."

Notice Pathfinders
 Members of the Pathfinder Club please note that they are called to meet at the club room Friday afternoon at 3:00 o'clock, for the business session preceding the Reciprocity program which will begin at 3:30 o'clock.

Woman's Missionary Auxiliary
 Rev. L. L. Swann lectured to members of the Woman's Missionary Auxiliary Wednesday afternoon when a large group gathered at the church. This completed the study on India recently begun by this organization. Mr. Swann, a native of Velour a small island south of India, told of his early life there and spoke at length on the conditions existing on the island and the different forms of religion.

Ladies Aid
 Quilting was the order of the day for members of the Ladies Aid, First Christian church, Wednesday when they met in the church basement with Mrs. O. D. Leisburg and Mrs. F. C. Johnson as hostesses. Mrs. Eva Humphrey brought the afternoon's devotional, 12th chapter of St. John's Gospel.

FACTS ON THE UNIVERSITY TAX
 The republic of Texas in 1839 gave for the establishment and endowment of the University of Texas 221,400 acres of land situated in the present counties of Cooke, Fannin, Hunt, Collin, Lamar, McClellan, Shackelford and Callahan. By 1876 practically all this land had been sold and invested in bonds and land notes to the amount of \$634,600. The income from this investment has returned to the University from \$40,000, to \$22,686. (last year) for its available funds. These lands, being disposed of, now pay their part of local taxes.

The present constitution when adopted in 1876 set aside 1,000,000 acres of the public domain for a permanent endowment of the University. These lands were surveyed in 1879 in Tom Green, Crockett, Upton, Reagan, Pecos, Parrell, Schleicher and Teton counties. In 1883, the Legislature added an additional 1,000,000 acres situated in Andrews, Ward, Hudspeh, Martin, Winkler, Crane, Upton, Culberson, Ector and El Paso counties. None of these last 2,000,000 acres have been sold and it is this property and these seventeen counties which the University Land amendment effects.

With the present and the prospective oil and gas development in this territory there is now no prospect of these lands ever being sold. Surface leases of this property for a number of years have provided the University about \$250,000 a year available income and, since oil was discovered, the University permanent fund has grown to \$16,032,650.

Other lands such as penitentiary holdings are taxed for county purposes; county owned school lands pay their prorata part of county taxes and these point only to the fairness for the proposed amendment effecting the university lands.

We find these seventeen counties building court houses, highways, schools and other public improvements, as well as maintaining their county governments. These University lands contribute nothing to the cost of these benefits. The territory getting these free benefits is more than twenty times as large as Rockwall County and is greater than the total land area of the states of Rhode Island and Delaware.

Adoption of the proposed amendment will not effect the University or its income in any way. It is proposed that the State Tax Board shall set the assessed valuation of the University lands and that the resulting taxes shall be paid to the several counties from the state treasury. This will prevent local authorities from placing excessive valuations upon these lands and will enable all of the 253 counties that are served by the University to pay this taxation instead of its being forced on these seventeen West Texas counties.

Rev. Arthur Scoggins visited with his mother, Mrs. Heizer and other relatives and friends on Monday of this week.

Mr. and Mrs. A. J. Bell and son of Wewoka, Okla., are here for a visit in the home of his mother, Mrs. W. L. Bell.

Judge J. R. Porter spent last week in Austin attending to affairs pertaining to the highway Commission.

Mr. and Mrs. Boswell and children, Helen and Genevieve of McLean spent Saturday in the home of Rev. and Mrs. W. M. Murrell.

SOCIETY

Clifford-Burgess

The many friends of Mr. Wm. Clifford in Clarendon will be invited in the following excerpt from the Amarillo News-Globe. Mr. Clifford is the son of Mrs. W. T. Clifford and is well known here, being practically reared here and a graduate of our local schools. "A wedding of statewide interest was that of Miss Bethenia McLemore Burgess and Mr. William I. Clifford which was solemnized Tuesday morning at the home of the bride's parents, Mr. and Mrs. E. S. Burgess, 1420 Tyler Street, at 10 o'clock, Rev. J. A. Bays, pastor of the Polk Street Methodist Church, officiating. The strictest simplicity marked the early morning nuptials. An attractive arrangement of yellow dahlias and greenery made a charming background for the bridal couple. The bride wore a handsome new fall model of tulle and black silk crepe with touches of turquoise blue trimmings. Her hat and accessories were of blue. She carried a bride's bouquet of pale yellow roses and fern. There were no attendants. After the ceremony an elaborate wedding breakfast was served at a beautifully appointed table. Seated were Mr. and Mrs. William I. Clifford, Mr. and Mrs. E. S. Burgess, Mr. and Mrs. Mack Nobles, Mr. and Mrs. Bond, Burgess, Mrs. Gordon Hall of Los Angeles, Calif., who before her marriage Miss Margaret Ann Burgess; Mrs. J. Littleton Taylor, Mrs. Vance Huff, Mrs. Henry D. Taylor, Misses Harriet and Dorothy Hubbell and Miss Elizabeth Boyce. Ms. Clifford is a graduate of the Amarillo High School and the National Park Seminary, Washington, D. C. She is a gifted dramatic reader and has appeared on a number of professional programs. She has been quite active in Little Theatre work. Mr. Clifford is a graduate of Rice Institute at Houston and has been in Amarillo for some time, having come here with the establishment of the local G. M. A. C. officers in the Oliver Eakle Building. The bride and groom are on an extended honeymoon trip and upon their return will be at the Burgess home while the bride's parents are visiting in California."

Mothers' Club Study

With Mrs. Y. E. McAdams as hostess the Mother's Self Culture Club met in regular session in the Ladies' Club room, which had been made attractive by the use of bright hued zinnias and dahlias, Friday afternoon. An unusually interesting program on "American Growth Westward" with special emphasis on the Panhandle was led by Mrs. T. H. Ellis, who read an interesting paper on same. Each member answered roll call with their first impression of the Panhandle. Mrs. Will C. McDonald told of the Romance of Exploration and Settlement of the Panhandle and Mrs. H. T. Burton followed with the Early Life of Mrs. Adair and Mr. and Mrs. Charles Goodnight. Mrs. C. W. Bennett Jr., told of the part the American Woman played as a founder. A number of interesting incidents were volunteered by the members which added to the enjoyableness of the program. A lovely salad course was served following the program.

Home Economic Club Guest Mrs. Leisburg

"Folk Songs of the South and Women of the Bible" was the interesting topics studied by members of the Home Economic Club when they were guests of Mrs. O. D. Leisburg, Friday afternoon, at her home. Mrs. T. R. Brown handled both topics creditably and proved her ability as a historian. A round table discussion followed. A plate lunch was served at the close of the afternoon to: Mrs. A. H. Baker, Mrs. S. B. Arnold, Mrs. O. L. Fink, Mrs. J. C. Estlack, Mrs. J. H. Clark, Mrs. H. J. Eddington, Mrs. G. A. Anderson, Mrs. C. D. McDowell, Mrs. M. T. Crabtree, Mrs. C. E. Lindsey, Mrs. J. A. Tombs, Mrs. L. R. Brown and Mrs. Owen Butler.

Dr. and Mrs. Ellis Entertain

In rooms profusely arranged with dahlias and roses, Dr. and Mrs. T. H. Ellis entertained with a dinner bridge on Saturday evening. Five tables were in the playing with Mrs. M. L. Rhodes and Mr. Will C. McDonald receiving high score favors for club members and Mrs. Charles Bugbee and Mr. Allen Cooke for invited guests. Present were Mr. and Mrs. Will C. McDonald, Mr. and Mrs. A. T. Jeffries, Mr. and Mrs. Louie Merrell, Dr. and Mrs. M. L. Rhodes, Mrs. J. L. McMurtry and Mrs. F. E. Chamberlain, club members. Mr. and Mrs. Louie Holloway, Mr. and Mrs. Charles Bugbee, Mr. and Mrs. John Sims, Jr., Miss Mary Cooke, Mrs. W. H. Cooke, Mr. Allen Cooke and Mr. Wesley Knerrp.

Woman's Auxiliary

The Woman's Auxiliary of the Presbyterian church were guests of Mrs. W. G. Word and Mrs. F. E. Chamberlain at the home of Mrs. Chamberlain, Wednesday afternoon. A missionary program on work

Miss Finley Becomes Bride of Mr. Gentry

Clarendon folk in general will be interested in the following item taken from the Amarillo News. Mr. and Mrs. J. C. Finley and children made their home here for a number of years. A wedding of great interest among a host of friends was that of Miss Hattie Margaret Finley and Mr. Kermit C. Gentry, which took place Sunday afternoon at the home of the bride's parents, Mr. and Mrs. J. C. Finley, 313 Fairmont Street at 5 o'clock, Rev. G. L. Yates pastor of the First Baptist Church officiating. Later a reception was held and the lovely pyramid wedding cake decorated in vello and white was served with iced punch. Mrs. J. H. Greer presided at the punch bowl and Mrs. S. M. Finley served the cake, assisted by Miss Jewel Finley, Miss Lois Black, Miss Gladys Bearden and Mrs. Arthur Osgood. A missionary program on work

to be done for and with Indians was given by Mrs. H. Kennedy and Mrs. Mackey with Mrs. McKee as leader. Special guests for the afternoon were Mrs. W. H. Craig of California, Miss Mary Howren and Miss Grace Mae Sample.

Contract Club with Miss Moores

A clever hollowed idea was carried out in floral decorations, tallies and the menu by Miss Anna Moores Wednesday afternoon when she was hostess to members of the contract Bridge Club. Mrs. Maberry played high for the afternoon and received a lovely favor. Enjoying this were Mesdames John Sims, Jr., Charles Trent, T. H. Ellis, Charlie Bell, Earl Alexander, John F. Blocker, John Maberry of Sayre, Okla. Misses Lorraine Patrick and Mary Cooke.

Sims P. T. A.

Those who have old papers and magazines for disposal please roll in bundles and place on front porch each Monday morning and they will be gathered up by members of the Sims Parent Teachers Association, who have found a market for same and desire a car load in the next few weeks. This work under the supervision of Mrs. T. D. Nored who will be pleased to give you information desired.

1926 Book Club

"Stars and Scissors" by Mary Lawton was the book reviewed by Mrs. Charlie Bairfield for members and the large number of invited guests of the 1926 Book Club. Mrs. Rolfe Brumley and Mrs. W. A. Clark Jr., were hostesses and had the room comfortably arranged in welcome to the guests.

Mrs. G. L. Boykin was leader for the afternoon. A palatable salad course was served at the close of the program.

1922 Bridge Club Meets

Mrs. Charles Bugbee entertained in her usual charming manner for members of the 1922 Bridge Club at her beautiful country home, Tuesday afternoon. In rooms attractively arranged with art flowers embodying all colors of the rainbow auction bridge was played with Mrs. T. H. Ellis receiving high score favor. Mrs. R. A. Chamberlain, consolation, Mrs. W. H. Patrick,

low and Mrs. Dawn, guest. A lovely afternoon luncheon was served at the dining table which was centered with gorgeous dahlias of all colors. Lighted tapers added to the attractiveness of the table.

Mrs. Geo. Garrison Honored

Members of the 1930 Needle club entertained in the home of Mrs. Ray Couch Tuesday afternoon in honor of Mrs. George Garrison, who left Wednesday morning for Yakima, Wash., to join her husband. Regrets over losing their second member in as many weeks was expressed by the members and friends during the course of the afternoon which was spent with fancy needle work and conversation.

A beautiful gift was presented to Mrs. Garrison as a token of the love and high esteem of her friends. A lovely refreshment course was served later to: Mesdames Joe Cannon, Christie Latspn, Marvin Land, W. A. Land, Everett, Barnes, Ralph Keys, Miller, Ernest Hunt, Ralph Decker, Buel Sanford, Floyd Keener, W. A. Wilson, Alvin Landers, Buster Vaughn and Clarence Whitlock. Miss Rebecca Sargent and Master Billy Marvin Land.

Episcopal Auxiliary

The Episcopal auxiliary met in the home of Mrs. J. B. McClellan with nine present. Mrs. McClellan and Mrs. Geo. Ryan discussed interesting topics relative to the subject for the afternoon. During the business meeting the Auxiliary voted to have a tea and market at the Parish house the first Saturday in November. Mrs. Dawn of Louisville, Ky., was a special guest.

HUDGINS

There was a very good crowd present at preaching Sunday evening. There was several from Hudgins attending the singing at Chamberlain Sunday night.

MARTIN

There was a large crowd at Sunday school Sunday morning. Mr. and Mrs. Lee Wood of Ashtola spent Sunday with the lady's parents, Mr. and Mrs. Alvin Pittman.

with Mr. and Mrs. Howell Christie Sunday

Miss Virgie Skinner who is attending school at Clarendon spent the week end with home folks and friends. Mr. Willie Gray Tims and Miss Veta Mae Morgan motored to Hollis, Okla., and was married last Saturday. We wish for them a long and happy life.

GEORGE WASHINGTON BICENTENNIAL

Beginning on February 22, 1932, and continuing until Thanksgiving Day of the same year, there will be observed throughout the United States a commemoration of the Two Hundredth Anniversary of the Birth of George Washington.

evidences of wealth and prosperity there is to be an emphasis upon the spiritual—an appreciative re-awakening in the hearts of all the people of the character and the life of America's greatest citizen.

The Federal Commission is, of course, responsible for the formulation of plans for the proper observance of the Bicentennial of George Washington's birth. However, the aid of each State and territory has been solicited by special action of Congress and it is expected that the Governors and legislative bodies of these units will appoint state bicentennial commissions to outline the work in their respective commonwealths.

The school children of America will have an important part in the celebration according to the program now being effected. It is planned to more thoroughly familiarize these boys and girls with the life and character of George Washington. For this reason a great deal of information is now being gathered and carefully checked for absolute historical accuracy.

Each school-house in the country will be presented with a portrait of Washington, and it is expected that the American Flag will fly from these buildings during the entire span of the celebration in 1932.

some 12,000 words or 30 printed pages in length, will later be combined in a 500 page book to be called "Honor to George Washington."

The organized women of America will also figure prominently in the activities contemplated by the Commission. Under the direction of Mrs. John Dickenson Sherman, special attention is being given to activities particularly appropriate for the participation of the various women's organizations throughout the country.

It may be said of Washington that he left a better record of his life than can be found in any of the numerous biographies written since his death. Washington was a prolific writer. During the war and during peace, he found time to carry on an interesting and instructive correspondence. In order to understand Washington one should go to his writings. Only by studying his diaries, his letters and his journals can one get the true measure of the greatest American citizen of all time.

Details of the plans now being worked out under the supervision of the Associate Directors of the Commission are developing rapidly. These will be given out from time to time as they mature, and through the medium of the press

WHITE HOUSE DOGS

Recent occupants of the White House have been fond of dogs, the Hoovers having the largest assortment of all of which Patrick, an Irish wolf hound, may be said to be the "first dog of the land."

President Harding's favorite was Laddie Boy, an airedale; President Coolidge was partial to Bob Boy, a white collie; President Hoover was greatly attached to King Tut, but he died and has been succeeded by Patrick.

TOLD HE MUST DIE IN CRAZY WATER

DEPUTY SHERIFF WANTS WORLD TO KNOW HIS CRAZY STORY

In the year of 1923 I was living at Altus, Okla. I was confined to my bed with a complication of diseases. It was diagnosed by different ones as Bright's disease, Paralysis, Neuritis, Rheumatism, and a dead liver.

Mark, an English setter; Pat, a German police dog, and a new one of the same breed as yet unnamed.

It may be recalled that the oratorical fame of the late Senator Vest of Missouri rests chiefly upon a speech he once made to a jury in behalf of a client whose dog had been killed by a neighbor. In the course of that speech he said:

"The one absolutely unselfish friend that man can have in this world, the one that never deserts him, the one that never proves ungrateful or treacherous, is his dog."

Mrs. W. H. Craig of Los Angeles, Calif., arrived Tuesday evening to be the house guest of her friend Mrs. R. A. Chamberlain.

Distribution systems of Clarendon, Hamlin, Menard, Hartley and Dumas are being improved and extended by West Texas Utilities.

Work is starting on a \$55,000 state fish hatchery at Jasper. . . . Tyler is expecting work to start soon on a Medical Arts building. . . . Denton County Fair has let contract for a 100x180 livestock pavilion. . . . San Benito Methodists are to build a \$65,000 church. Plans for a Catholic church, bishop's home, etc., at Corpus Christi is to cost between \$600,000 and \$700,000 have been approved.

Heater Time!

Really now, that is the stove that is heating our house this year—It does not cause the walls to sweat and keeps the temperature at an even height. We are greatly pleased with it and wonder how we have done without it for so many years.

The above is a typical conversation heard in the homes where we have installed our circulator heaters this year. You'll hear this in more than one home this year and wonder if you could not have the same comforts in your home.

WE'LL SHOW YOU

Drop in and we will show you how it can be done. We believe you'll like the plan.

Bronchos Meet Memphis Cyclones

When the Bronchos meet the Memphis Cyclones Friday on the local gridiron, it practically determines whether or not Bronchos will represent this district for the district title.

Commercial Library Is Credit to School

It is a well known fact that the Senior High and Junior College library is one of the best in the state and contains numbers of volumes for use in nearly every department of the school.

Bronchos Down Wellington 6 to 0

The Bronchos galloped through their sixth consecutive win of the season when they defeated the Wellington Skyrockets 6-0 last Friday.

The second quarter was featured by a spectacular run of Hudson, the speed king of the Bronchos, for 50 yards and the lone touchdown of the game.

Langford, Behrens, Benson and Morris played an unusually strong defensive game, with Langford wrecking the Skyrocket line.

Photo by Alderson CARROLL HUDSON, RB His 53 yard run spelled defeat for the Skyrockets.

breath, Williams, and Graham starring for the Skyrockets. Line-up—Clarendon: Behrens, right end, Morris right tackle, Benson right guard, Cornelius center, Reid left guard, Langford left tackle, Watson left end, Bourland quarter, Whitlock right half, Andis left half, Nichols (c) full.

Substitutes for Clarendon: Hudson for Whitlock, McMahan for Watson, Baird for Hudson.

AN INTERESTING POTATO

A freak potato, created when mother Nature had a headache or was worried by the lack of rain fall in Collingsworth County, was brought to the Clarendon Junior College last Thursday morning.

Steve Green went to the fair at Dallas and was heard to remark that "the game wasn't any better than some of ours." What a boost for the Bronchos.

ABSENTEES ARE NO PROBLEM NOW

NEW METHOD PROVES GREAT SUCCESS IN KEEPING ABSENTEES TO MINIMUM

The plan of punishment for absentees and tardies that was used several years previous to this year was to keep the ones that were absent and tardy, who did not bring excuses, two hours after school.

For a very few of the pupils this method appeared to be satisfactory, but there were a large number of students who did not mind to stay two hours after school.

Of course this was a great deal of trouble to the teachers. Several hours had to be spent every day in order to keep a record of the ones who were absent and tardy.

The plan of punishment that has been adopted this year is to reduce the department grades of those who are absent or tardy twice and do not bring an excuse.

The pupils seem to realize that it is necessary to keep their department grades with the average. Many who try for exemptions know that they will have to take the examinations if their department is below ninety.

When there are not so many absentees and tardies, it is much easier for the teachers, because so much time is not needed for checking. The new method saves a great deal of time for the teachers, for they have but to check the unexcused absentees and tardies and lower the department of those to whom they belong.

The improvements of the new plan upon the old one is as follows: The pupils try much harder to keep their percent of absen-

tees and tardies lower. They are more careful about bringing their excuses. The teachers do not have to spend so much time with the absentee and tardy list, and it makes the school have a better appearance by reducing the absentee and tardy list.

BROTHER FERRELL ENTERTAINS THE SOUTH WARD

Brother Ferrell pastor of the Christian Church, came Friday to entertain the fourth and fifth grades of the South Ward. The children were exceedingly entertained by his magical tricks, and it was planned that some such entertainment be given each week for the benefit of the children.

THREE PUPILS IN DRAMATICS

WILL APPEAR IN LITTLE THEATRE CAST IN FIRST PLAY OF SEASON HERE

There are three students in school who have been caught yawning regularly at sixty minute intervals for several days. Oh, we will admit that there are more than three yawning over their work—whether they are bored or simply lazy, we do not know, neither do the teachers know; but the major fact is that these special three were using extra energy in their jaw exercise.

As queer and as extraordinary as the fact may seem, these three are going to be in a play. Ruth Price, Eunice Johnson, and Winfield Mosley are the culprits, and though they pretend that their inattentive state of being is caused by their inability to rest comfortably at night with a play book under their pillow.

Because of the aforesaid arguments, we cannot decide whether to allow such strenuous exercise to be carried on outside of Physical Education class or not. The only way we can possibly pass a just sentence is to attend "Peg O' Hy Heart" and see for ourselves if the "industrious three" prove by their lines that they really slept on their books.

ALPHA DELTA PSI LITERARY SOCIETY

The Alpha Delta Psi Literary Society met Wednesday, Oct. 15. After a short business session the following program was rendered:

- Topics of interest—Helen Smith. Piano Solo—Pearl Martin. Jokes—Benton Smith. Are you fond of star gazing? Then you should have been with us for we saw constellations through quite a powerful telescope. Join the "society" that's made of pep!

(More School News on Page 5)

High School Band

The Clarendon High School Band is steadily growing in size and ability. The present band owes much of its success to Gus B. Stephenson. Many of the present members received their start under E. M. Lindsey, former director of the organization; but Mr. Stephenson has boosted the band to its present level.

The band has added color to all of the football games that have been played on the home field this year. Only twelve or thirteen members have attended the games but they have furnished enough music. On next Friday the boys will appear in full uniform at the Clarendon-Memphis game and will play for a while on Kearney Street before the game.

The band has made numerous trips since Mr. Stephenson has been directing it and has made good showings on most of them. When they went to Plainview in April of this year, numerous compliments were received by the director, and the rally for Clint C. Small was held in Pampa, someone was heard to remark that the Clarendon Band was a "real little band."

ON THING THAT SHOULD BE—BUT ARE NOT

There are various things I wish to relate, but perhaps the best thing to do first would be to explain the title. It does sound rather vague, doesn't it? That is because, when I wrote it, I was thinking in regard to my ideas only; and, I regret to say I thought not of the ideas of my readers. My first idea of things which should be and yet are not was of the organization of the Freshman and Sophomore classes in college. Eight weeks have passed, and still there is no organization of the college classes.

SCHOOL SUBJECTS SAVES FIRE RATE

\$1,137.33 SAVED CITIZENS LAST YEAR BECAUSE PREVENTION TAUGHT HERE

Do the people of Clarendon have any idea how much the subject of fire prevention, as taught in our city school, saves them annually on their insurance premiums?

In 1929 the good fire record credit of Clarendon netted the citizens \$3,413 on their premiums carrying fire insurance. One-third of the same amount, (\$1,137.33) was saved by our good credit in our educational system which provides that fire prevention be taught in the schools. In other words, our public schools saved the citizens of Clarendon -1,137.33 in 1929 on their fire insurance premiums within the corporate limits of our city.

Considering that there will be an appreciable gain over the returns of 1929, we might say that our fire insurance premiums which run around \$320,000 yearly will net the people of Clarendon around \$2000 which amount, as has already been stated, is due to the high standard of our educational system in Clarendon.

The second lacking quality in our school life is our socials. Except for one or two meager parties and some such entertainments there has been absolutely nothing given along the social line. Now we, as students, think we are studying; but everyone else knows that, though we may be busy, we could have a candy pulling, or give a picnic (b-r-r-rrr! Chilly feeling—that causes) if we were really interested. Come on students, pep something up besides the football games. It is not for that Broncho team, the whole school would have a fever from studying or sleeping sickness.

Unless the witches wield their brooms to a good advantage, it looks as though we would sleep on until Christmas. So wake up or it will be Hurrah for Santa Claus!

BRONCS OUTFIGHT WELLINGTON 6-0

SKYROCKETS OFFER STUBBORN DEFENSE BUT HUDSON RUNS 55 YDS. FOR WIN

After the smoke of battle had cleared away from the College Park Friday afternoon the Clarendon High School Bronchos were still undefeated and leading in the chase for District honors, and the Wellington High School Skyrockets were just another ball team which had their championship aspirations knocked into memory by the Maroon and White players. However the Bronchos found a worthy foe in the Skyrockets and eked out their 6 to 0 victory after the hardest kind of a game, in which the Wellington gridsters threatened to score throughout the final period on several very pretty executed forward passes.

The Bronchos looked as if they were going to run over the Skyrockets when after receiving a punt on their 40 yard line they marched to a first down on the Wellington 6 yard line in four successive first downs due to the fine work of Captain Nichols and Hudson and Andis. But here the Broncho offense failed to click due to Quarterback Bourland's inability to call for the proper plays. The Wellington line strengthened at this point and the last plunge by Captain Nichols failed by a few inches to negotiate the distance for a touchdown.

A fine punt hurled the Bronchos back to their own 47 yard line. On the first play in this new series of downs Hudson skirted his own right end, shook off two would be tacklers, waited for his interference to form and sidestepped his way down the side line where a vicious stiff arm disposed of the Skyrocket safety man, and ran the remaining 15 yards to the goal line. This 53 yard run by Hudson featured the prettiest and most effective bit of blocking by the Bronchos seen on the local gridiron in a number of years. On the try for extra point a pass to Behrens failed when Behrens let the ball bounce out of his arms while across the goal line.

The Wellington team failed to make a first down in the first period while the Bronchos were registering five. The second period found the Maroon and White players playing on even terms with the Rockets, each making two first downs. The advantage however was with the visitors due to the splendid punting of their kicker who kept the Bronchos well in their own territory. The third quarter was a repetition of the second with the teams about even in all departments of the game, each making a single first down. In the final quarter the Skyrockets appeared to take on new life and roundly outplayed the Bronchos, making three first downs to the locals one. It was in this period that the victory which seemed so certain took on a very precarious position. The Skyrockets took to skyrocketing forward passes all over the local gridiron, and most of them were falling safely into the arms of a waiting teammate, as they advanced the ball on one drive nearly 60 yards, and numerous times did the Bronchos have their backs against their goal line in those last thrilling few minutes of the game.

Lennie Langford, giant tackle, received the lions share of the defense work for the afternoon, and incidentally won the pen and pencil offered by the Clarendon Drug Store for the player making the most tackles. He was ably assisted by Benson, Morris, Nichols and Hudson.

MRS. CHARITY C. ROY PASSED AWAY MONDAY

Friends of Mrs. Charity C. Roy were grieved upon learning of the passing away of this splendid character at the home of her son, sheriff M. W. Mosley, at 4 o'clock Monday afternoon. Death came to the aged woman following an illness of some duration.

Mrs. Roy was 78 years of age, and has resided at Hedley for some 22 years, where she held the respect and love of all who knew her sunny disposition. The funeral services were held at the Baptist Church at Hedley with the Rev. George C. Hutto conducting and the Rev. B. N. Shepherd, pastor of the local Baptist Church, assisting. For 60 years Mrs. Roy has been an active and faithful member of the Baptist Church, and has lived as her Master would have her.

Mrs. Charity C. Roy was born in Surry county, North Carolina on October 30, 1852. She married R. W. Mosley in 1871, to which union one daughter and four sons were born. In 1879 Mr. Mosley passed away, and she moved to Texas where she settled in Delta county in 1900. Mrs. Roy moved her family to Donley County and established the family home near Hedley in 1908. She was united in marriage to Rev. G. A. C. Roy in 1917, who later passed away in 1927 at the family home.

The one daughter, and four sons surviving the mother are: Mrs. Nevia Darnell of Winston-Salem, N. C., and A. C. Mosley of Cooper, J. T. Mosley of Clovis, New Mex., M. W. Mosley of this city, and A. L. Mosley of California. With the exception of A. L. Mosley, who could not be reached, all the children were with their mother during her last hours.

The host of friends of the bereaved family extend their deepest and most sincere sympathy in the dark hours which accompany the passing of this noble character into the keeping of her Master, where trouble and sorrow are unknown.

FERRELL ENTER-TAINS ROTARIANS

GUESTS OF THE DAY 'ARE PRINCIPAL SPEAKERS FOR THE LUNCHEON TUESDAY

When the Rotary Club of the city was called to order last Friday noon at the Clarendon Hotel Rotarian president B. L. Jenkins made announcement that the Ralls Rotary Club had passed their fifty-second consecutive luncheon with one hundred percent attendance record. The local club commented upon the unusual and marvelous record made by the Ralls organization and it was urged that the Rotarians of the city be more careful with their attendance upon the weekly meetings of the club.

A suggestion whereby the local members would be more apt to be present each week was offered by Rotarian Carl Throop, Memphis club visitor, who suggested that the club secure one of the telephone operators to remind each Rotarian every Friday morning of the approaching luncheon at the noon hour. This suggestion by Rotarian Throop was unanimously accepted by the club, and a vote of thanks was made to the visitor for his solution to the problem which has confronted the local group.

Ralph Andis was the next visitor to be called to the floor and after expressing his thanks to the Rotarians for their hospitality and commending the entire club on the work they have done for the city he stated that if the members would get behind and co-operate with the president much good could be accomplished. Mr. Andis, recently retired post commander of the local chapter of the American Legion, is in a position to know the worth of the undivided support from the membership of an organization in an effort to put over any undertaking.

Elder D. L. Hukel also a guest, responded with his thanks for the privilege of being with the local group of Rotarians in their luncheon hour.

Two splendid readings were rendered by Miss Eunice Johnson in her usual pleasing manner which captivated her hearers from the very first.

Rotarian Rev. W. E. Ferrell entertained the gathering with his ever popular and ever mystifying bag of tricks. His Hindu magic is a pleasing number on any program and always meets with instant applause.

Adjournment was held in the usual manner.

UNCLAIMED LETTERS

Unclaimed letters at this office for month ending October 22, 1930 are as follows:

Mrs. Arvella Colter
O. D. Meador
Mrs. A. B. Wilbanks
J. P. Thomason
Eula Walker
Mrs. John Connell
M. W. Miller
Mrs. Dollie McClaine
Charles H. Bugbee, P. M.

Mr. Hank Thornberry of Wichita Falls arrived Friday evening for a visit in the home of his son, W. C. Thornberry.

DEDICATED TO THE MEMORY OF H. C. KERBOW

By MRS. W. H. MARTIN
In Heaven We'll Know Our Own

Thank God for the faith that teaches,
When the struggles of life are o'er,
We shall meet our own, our loved ones,
And shall know them all once more;
What matter though life be dreary,
And we tread its paths alone,
If, when the journey is ended,
In Heaven we'll know our own.

Sometimes, when fate frowns darkest,
And the clouds hide the fair blue sky,
For the tender love of our lost ones
How our souls will vainly cry!
Then sweetly over our spirit,
Hushing the heart's wild moan,
Comes the whisper of faith: Be patient
and in Heaven we'll know our own.

And life and its cares grow brighter,
In the light of this precious thought,
When the conflict at last is over,
And the battle of life is fought;
If we work in faith and submission,
The victory shall be won,
And in Heaven, where rest awaits us,
We shall meet and know our own.

And how shall it be? I wonder
Shall those who are dearest here
Be dearest again in Heaven,
Or think you, when we stand so near
The Throne of a loving Father,
That His children, every one,
Shall seem equally dear to each other,
Can any be like our own?

I wonder. But then, no matter:
This belongs to the great To Be,
And we'll see all things more clearly,
In the light of Eternity;
'Tis enough, too, if we are faithful,
Till the labor of life is done,
In the sweet by-and-by, in Heaven,
We shall meet and know our own.

Our State Mission Aask—Mr. H. J. Wardlow.

"VISION"

Twenty-six centuries ago Solomon wrote: "Where there is no vision, the people perish" (Prov. 29:18). History endorses that utterance. A visionless people are a dying people. Upon the church or Bible school edifices wherein assemble visionless workers, one might truthfully paint, "Ichabod" for they have allied themselves with a dying race. Some visions break up, like castles in the air for they are simply the figments of one's own imagination but not so the visions of the prophets of old, who peered down the vista of time, and saw things that were actually to come. Visions also occupy a large place in New Testament history. When the seventy chosen disciples returned with the joyful tidings that the very devils had been subject to him, Jesus saw a vision and probably thought of that time when Satan and his mighty host shall be utterly vanquished, and He exclaimed: "I beheld Satan fallen as lightning from heaven" (Luke 10:18). When John, on this Isle of Patmos, was spectator of the panoramic view of future triumphs recorded in the book of Revelation, he beheld the countless multitude, clothed in white robes, and with palms in their hands, and heard them singing: "Salvation unto our God which sitteth on the throne, and unto the Lamb" (Rev. 7: 9-10). So, at the back of each great achievement there must be a vision, and both the world and the church owe everything worth while to seers of visions. But mere visions will do nothing. We must not be impractical dreamers. Visions are the means to an end, and not the end itself. Our visions must actualize, or they are useless. Care should be taken that we sing "Not disobedient unto the heavenly vision," (Acts 26:19). We must see and then obey. Beholding a glorious vision of regenerated humanity, we should press forward in the divine work till the vision becomes translated into an actuality.

In our sermon Sunday morning, "A Vision of His Face," we will deal with the story of certain men who "Would see Jesus" and why you should see Him. Shadows! Shadows! are awful things, shadows of deeds done, shadows of sins committed, shadows of a crooked past, shadows of death and coffins and the open graves. What horrors they strike to the soul. Shadows are awful things. Sunday night our subject will be "SHADOWS." Christ pleads that he might turn the awful shadows into the sunlight of a perfect day. Will you be present?

W. E. FERRELL, Minister.
First Christian Church, Clarendon Texas.

METHODIST CHURCH

S. E. Allison, Pastor
Sunday school meets in all departments at 9:45 a. m. J. R. Portner general superintendent. Departments and classes for all ages.

Woman's Auxiliary business meeting and Bible Study, Wednesday, 3 o'clock.
The Fellowship Club of the men of the church will meet tonight at 7:30.

SONS O' GUNS HAS MAMMOTH CAST

DALLAS.—Diverting from the past policy of presenting a light operetta in the State Fair Auditorium, officials secured for presentation at the 1930 State Fair of Texas—"Sons O' Guns," the most successful musical comedy on Broadway in recent years. The productions stupendous cast will be the largest ever presented in Texas. The musical comedy has a total of 130 Broadway stars.

The music of "Sons O' Guns" is snappy, with "Why," and "Cross Your Fingers and Make a Wish," being featured in the production. These are two of the most popular song hits of recent years.

There are sixteen fast moving scenes in the musical comedy. "Sons O' Guns" has more than sixty chorus girls in the 16 scenes. It is said to present the snappiest choruses of any musical comedy presented on Broadway. The musical numbers and the well trained chorus girls have received high praise from every critic in New York.

The musical comedy has recently added Gina Majo to its cast. She swept New York off its feet and added more than two months to the run of nearly 300 performances on Broadway. Majo was brought to America from France Music Halls by Conolly and Swanstrom, producers of the piece. She is young, and fits well in the cast, as the 16 scenes of "Sons O' Guns" are laid in French war fields.

LIEUT. BYRD'S EXHIBIT AT DALLAS

DALLAS.—An exhibit showing paraphernalia, such as cooking utensils, wearing apparel, photographs, sleds and other equipment used by Admiral Byrd over the 22 months in the South Polar regions, will be on display in the Educational Building at the State Fair of Texas, it has been announced here by T. E. Jackson, president of the State Fair.

H. C. Foster, who spent 22 months as supply manager for Admiral Byrd, will be with the exhibit and lecture each day of the fair. Foster will have with him Admiral Byrd's team of husky dogs and the sled the Admiral used in his explorations.

It is planned now to have Captain McKinley, former Dallasite, who flew Admiral Byrd over the South Pole to the State Fair of Texas from New York, and make a personal appearance with the exhibit.

Mr. and Mrs. Dawn of Louisville, Ky., are guests in the home of Mr. and Mrs. A. R. Letts. Mr. Dawn is a sister of Mrs. Letts.

Mr. and Mrs. Fred Wewerka of Pampa spent the week end in the J. W. Martin home. They were accompanied by Miss Agnes Caraway who is teaching near Pampa.

Mr. and Mrs. Fox of Fort Worth visited for a time Saturday with their daughter, Miss Pauline. They were enroute to their home after a stay in New Mexico.
