Wischkaemper To Explain Cotton Co-Op To Farmers

WILL MEET AT 2 P M SATURDAY

HENRY J. WISCHKAEMPER
WILL EXPLAIN FURTHER
THE CO-OP. PLAN

The second Cotton Co-Operative meeting for Donley county will be held in the District court room at Clarendon Saturday afternoon at 2 o'clock. The farmers of the county will be addressed by Henry J. Wischkaemper of Wellington, a man who has been connected with the organization for some time and who is intimate with the workings and the benefits offered by the organization.

The meeting this Saturday will be to try further to explain the purpose of the Texas Cotton Co-Operative Association to the Donley County cotton growers. Some of the growers have an impression that the Association is some sort of a graft and is plotting against the farmers, but such is not the case. Bankers and the Federal Government itself is behind the movement, and if the farmer will let them it will be a great benefit to the cotton growers. Already there are several of the most progressive and best farmers of the county in the organization, and it is hoped that at the Saturday meeting a sufficient number of members will be secured to insure enough cotton for the Association to place a branch office here in Clarendon. If this can be done the farmer can bring in his cotton to the branch office where it will be classified and the money paid to them at the time. 5,000 bales must be guaranteed the Association before this service can be rendered.

S. T. Merritt, local agent for the Association states that the farmers are becoming interested in the movement and that he believes the Saturday meeting will enroll many more of the cotton growers who are anxious for the price of the commodity to again rise to former levels.

M. M. Noble one of the largest growers of the county has signed up for the Association. Hugh Walling is an active member of the organization. Vester Smith has signed up for 100 bales with the Association with C. H. Bugbee and John Sims other prominent members.

Mrs. Cameron and two sons of Clarendon friends as "Dusty" arrived in the city Saturday night from his home a Fort Collins, Colorado. His mother, Mrs. A. E. Taylor returned to the city with him, after having spent her vacation in Colorado.

LOCAL GINNERS GIN 588 BALES

FOUR CITY GINS SHOW AG-
GREGATE TOTAL OF 588
BALES TO WED. MORNING

At a check-up of the ginning totals for the four gins of Clarendon made by the News Wednesday morning it was found that there had been 588 bales of cotton already ginned here with many others in the yards waiting to be ginned. Although this total is some less than last years run to the present date, it is encouraging to the observer when it is found to be many bales over the estimated number which was made several weeks ago. All the gins are humming as the stream of cotton wagons continue to pile up in the yards of the gins.

The Smith Bros. Gin had registered a total of 125 bales Wednesday morning. The Fitzgerald Gin had a total of 186 bales for the same period. The Baker Gin totaled 133 bales of cotton, and the Kimball Gin had run 144 bales to Wednesday morning.

The gingers are optimistic over the outlook, and feel that the farmers of Donley county are much better off than the farmers of a number of counties near Donley.

Miss Mary Hazel Hurn of Post visited with friends over the week end.

BRONCHOS SCORE WIN OVER CLAUDE

CAPTAIN NICHOLS AND HUD-
SON STAR IN 24 TO 0 WIN
FROM MUSTANGS FRIDAY

Flashing a brilliant offense that smashed the Claude High School Mustangs' defense to shreds, the Bronchos hurtled their second objective which hindered their progress to an undefeated season. Led by Captain Nichols, big bruising back of the Bronchos, and Hudson, local speed merchant, the Stacking-Hutton coached machine clicked to perfection Friday afternoon and buried the Claude team under four touchdowns. The Bronchos were an entirely different aggregation from the team which took the field against McLean. The plays were working smoothly, blocking and tackling was most deadly, and the sustained drive which was so lacking in the first contest was plainly in evidence throughout the entire contest. Scarcely did the Bronchos ever get the ball that several first downs were not registered or a touchdown made by long runs.

Hudson started the scoring for the Bronchos with a dash around left end after outwitting several would be tacklers in the first few minutes of the game. This was the only scoring of the first quarter, but soon after the second quarter started Captain Nichols broke loose from a line plunge and weaved his way 20 yards through the Mustangs secondary defense for the second marker. Beard again failed to convert after touchdown via dropkick. Again, a few minutes later, Nichols intercepted a Claude pass and made his way some 60 yards to the 10 yard line where he was dropped from behind. After three attempts had failed, Nichols battled his way across the opposition goal line for the third touchdown. Fry for point again failed.

In the second half the Broncho reserves took up the fight and battled through the third quarter in the enemy territory, but were unable to push over a marker. When the fourth quarter play was resumed several of the regulars were rushed into the game and soon Captain Nichols again plunged across for the Bronchos' final marker. With the game ending with the score 24 to 0.

Several other long runs featured the contest, among them being a 40 yard run by Hudson and a 40 yard return of a punt by Bourland. Clarendon completed one pass for 11 yards, one incomplete and one intercepted. Claude completed two passes for 32 yards, 4 incomplete and one intercepted. Clarendon was penalized 65 yards. Claude was penalized 33 yards on 4 punts, and Claude averaged 27 yards on 7 punts. The Bronchos registered 9 first downs to the Mustangs 4 first downs.

The Bronchos participated in the game were: Behrens, T. Watson Langford, Morris, Benson, Reid, Johnson, Captain Nichols, Hudson, Beard, Bourland, Wood Wilson, Gorman, Tucker, Walters, Marlan, Butler, Trostle, McMahon, Haile, O. C. Watson, Martin, Cornelius, Davis, and Andis.

Mr. and Mrs. Rayburn Smith and children attended the Tri-State Fair on Wednesday.

Miss Clotelle Moreman of Hedley spent the past week end with her sister, Mrs. Rolfe Bromley.

Mr. and Mrs. J. L. McMurtry and Children spent Wednesday in Amarillo, visitors of the Fair.

Mrs. J. W. Johnson of Clovis, New Mex. is a guest in the home of her mother, Mrs. Matt Bennett.

Mr. and Mrs. T. G. Stargell spent Sunday in Memphis as the guest of the parents of Mr. Stargell.

Mrs. Reber of Colorado Springs is a guest of her daughter, Mrs. Kelly Chamberlain and Mr. Chamberlain.

Mrs. Richard Murrell and children of Vernon were guests over the week end of Rev. and Mrs. W. M. Murrell.

Among those who attended the Tri-State Fair at Amarillo on Clarendon day will be found: Mr. and Mrs. Ed Speed and family, Mrs. Earl Ryan and children, Mr. and Mrs. Luma and children, Mr. and Mrs. Wylie Morris and children.

ABILENE WOMAN IS NEW DEMONSTRATOR

Miss Martha Buttrill of Abilene is the new Home Demonstration Agent for Donley County. Miss Buttrill arrived Saturday and will take the position recently vacated by Miss Nora Smith who resigned several months past. The new Demonstrator comes to Donley from Hardeman county, where she has acted in the same capacity for some time. She has had marked success in her former position and comes to take over the work here with the highest of recommendations.

Miss Minnie Mae Grubbs, district home demonstration agent, who has been working with club affairs of the county for some time, states that Donley County is fortunate indeed to secure such a competent, willing and conscientious worker as Miss Buttrill surely is. The two have been working together to better acquaint Miss Buttrill with the club affairs of the county.

Tuesday the two agents met with the County Council at the club rooms. A number of items were discussed after which a social hour was enjoyed with the members getting acquainted with the new demonstrator who will guide the destinies of the clubs from this time forward.

The News joins with the other Donley County citizens in welcoming Miss Buttrill into each community of our county, and assures her of our most thorough cooperation.

LIONS BUSY IN WEEKLY MEETING

RESUMPTION OF YEAR'S
WORK IS SEEN WITH
LUNCHEON TUESDAY

After the easy season of the year has ended, the Lions Club was seen in a very busy session Tuesday of this week as the many items were brought to the attention of the organization in the usual channels. Announcements were made of the Teachers' watermelon feed for Thursday afternoon and evening of this week; of the program to be presented in Amarillo on the first Tuesday night in October, and of the Ladies Night of the Clarendon club which would be held on the evening of October 28th, the eighth birthday of the Clarendon Lions Club.

Report on the success of hauling rocks for the gateway to the city park was made by Lion McKee, who predicted that the work would be done in the near future, or as soon as the workmen could be released to get on the job.

A report on the Zone meeting held last Tuesday in Childress was made by Lion Murrell, who stated that it was a good meeting with a fine representation from the towns of the Panhandle section of the state represented. Lion Rathjen added that only two clubs were not represented at this meeting and that the next one would be held in McLean at some time in January.

Lion Alexander then made report on his recent trip to Austin with regard to the road through the county. It was learned that the department was not only turning down counties asking for immediate assistance, but that they were also turning down some counties who were offering to pay the entire cost of the road and later allow the state to repay them. A promise of work on the local road was not secured, but it is thought that some further action might be expected within the next few weeks.

Nat S. Perrine, one of the charter members of the Clarendon Club was one of the guests of the day, and gave some of his ideas of the necessary steps needed to secure action at once. Concerted action on the part of the towns and counties between Dalhart and Dallas would secure the desired results, he stated, and an effort should be made in the very near future to keep after the commission that something might be done to start the work at once. Mr. Perrine stated that this was his personal manner of thinking of this and that it should be handled as speedily as possible to get action started at once.

T. R. Brown, County Agent was present at the luncheon and stated that the Donley County exhibit at the Tri-State Fair was one which showed the county up in the best possible light. The card was filled according to specification and the showing will be found to be on a par with any

LEGION NAMES NEW OFFICERS

CLARENCE MILLER TO HEAD
BODY COMING TWELVE
MONTHS

In a meeting of the Aubyn E. Clark Post of the American Legion, this body named Clarence E. Miller as Commander for the year 1931. The meeting was held Tuesday evening of this week in the Legion Hall and was well attended as might be expected from a busy time of the year.

A resolution concerning a closer observance of the traffic rules of the state, and city was read and was adopted by the organization without a dissenting vote. It will be recalled in this connection that the Legion was the first body in the city to realize the value of a traffic regulation and was the first to sponsor a good-will movement to carry this work forward.

Post Commander Andis reported on the convention at Austin, stating that the Convention was the most successful ever held by the Legion in the state and that a great deal of work was done during the three day session of the body. The story of the winning of the cup was recounted and the honor was passed to the membership for the manner in which they had assisted in carrying the work to a successful conclusion for the year just closed.

After clearing the work in hand from the desk, the house was opened for nominations for officers for the new year with the result that the following men were elected: Clarence E. Miller, Post Commander; Elba Ballou, first Vice Commander; John Holand, Second Vice Commander; G. L. Boykin, Adjutant; C. J. Douglas, Service Officer; Tom Tucker, Sergeant-at-Arms; H. T. Burton, Historian and R. W. Moore, Chaplain.

The Post was also told that the medical officer for the local post had tendered his resignation and that recommendations were in order for his successor. Dr. C. G. Stricklin was voted the man for the recommendation, his appointment being subject to approval by the department with this matter in charge.

The watermelon feast for Thursday evening was announced, with the request being made that Legionnaires attend if possible and get acquainted with the teachers as they appreciate meeting as many people as possible.

Tuesday evening, October 7th was set as the date for the formal installation of the new officers of the Post, the members being asked to bring some other with them when they came for that meeting.

of the other sixteen counties which are showing at the Fair.

Lion Mulkey asked that other cars be provided for the band and that they notify him of their plans as soon as possible that the program might be carried out outlined. A broadcast of the organization is to be one of the features of the Clarendon Band's appearance at the Fair.

Ralph E. Andis, commander of the Aubyn E. Clark Post of the American Legion, was present at the luncheon and expressed his pleasure at the co-operation received by the Post in the past year which enabled the organization to receive the cup for the eighteenth District as being the most active in the district. Credit was given to the group of members who had worked hard all the year to make this possible.

The football game Friday with the Price Memorial College of Amarillo was announced and the fans were asked to attend if possible.

Lion Patrick was called to the floor and gave a resume of the amount of rainfall received during the growing season of this year and for the same period of 1929. The difference was found to be a little more than eight inches, explaining the smallness of crops in this section.

A finale for the luncheon was found in the recital of the history of the American National anthem. "The Star Spangled Banner." The events leading to the writing of this song were given, as were the facts found in connection with the original draft of the song. The first verse was sung to close the luncheon hour.

Mr. W. H. Patrick and Mrs. Ryan were Tri-State Fair visitors on Wednesday.

FIRE DEPARTMENT MAKES FAST TRIP TO LELIA LAKE

Early Wednesday night fire chief James Trent received an urgent call for help from the Moreman Gin at Lelia Lake which was on fire. Messrs. James and Charles Trent rushed to the station where driver Leonard Reed, who had heard the conversation, had the truck out and ready for the trip to the nearby city. As Mr. Trent left the ice plant he looked at his watch, and it was learned after the run was made to Lelia and the water had been turned on the threatening flames that the time had taken only 12 minutes. This is remarkable when the conditions of the road is taken into consideration, as it is very rough and unfavorable for high speed. The damage to the gin was very slight, most of the loss coming from damage to cotton and water damage. The flame was in the very top of the gin and impossible for the fighters to reach with buckets, but they were extinguished very shortly after the pumper was put into action.

Mrs. John O. Maberry of Sayre, Okla., spent the past week with her friend, Miss Loraine Patrick. Mrs. Maberry was joined Sunday by her husband, Dr. Maberry and their friend, Dr. T. J. McGrath, also of Sayre, Okla., who spent the day in the home of Miss Patrick, returning to their home in late afternoon.

ROTARIAN COLE MAKES SPEECH

VISITORS MAKE INTEREST-
ING TALKS BEFORE ROTA-
RIANS' LUNCHEON FRIDAY

After a brief song service under the direction of Rotarian Robert S. Cope, the program handled by Rotarian Allan J. Bryan was presented to the gathering of Rotarians and their visitors.

To start the ball to rolling, Rotarian B. L. Jenkins, club president was called upon for a speech. He responded in his usual wit and humor, taking a crack at the professions of the preacher, editor and banker in a most clever manner. It was brought out by Rotarian Jenkins the methods each of the afore mentioned business men should conduct his business to secure the maximum of efficiency. His remarks brought forth much laughter, and sold himself even more to the members of the organization.

From the light thought of the first speaker the Rotarians were submerged in the material trend of thought in a speech delivered by Rotarian A. T. Cole. His speech took up international relations and the speakers views on the problems were aired in the discourse which followed. Interesting facts were produced by Rotarian Cole which provided the gathering with excellent material over which to study.

Rotarians E. T. Miller, Carl Throop and Jeff Watson of the Memphis club were present to make up their attendance, and the first two of the group entertained the members with interesting remarks.

A Kansas City banker in the person of Ray Cargill, as the guest of Rotarian Fred Chamberlain, thanked the local group for their hospitality and expressed his appreciation at being able to meet with such a progressive service club.

G. G. Kemp, local Lion and owner of the Clarendon Motor Company was present as a guest of the Rotarian President and spoke briefly on the welfare work in the city of Clarendon. These remarks were headed with no little interest by the Rotarians.

The resolutions adopted by the civic clubs of the city relating to the traffic situation and enforcement was read to the group and adopted unanimously.

Rotarian president, E. L. Jenkins reported that the money promised by the club to be used for school work was in the bank and was ready to be used when it was needed.

Dr. and Mrs. Handmon of Austin, Texas, who have been doing research work in Old Mexico passed through the city one day this week and stopped for a short visit with Jerome Stocking. Mr. Handmon is connected with the State University as instructor of Sociology.

BRONCHOS READY FOR FRIDAY GO

PRICE MEMORIAL COLLEGE
GRIDSTERS UNDER GIB
JACKSON OPPOSE BRONCOS

The first real test of the Bronchos' football ability will be seen at the College Park next Friday afternoon when they entertain the Price Memorial College gridiron artists from Amarillo. One of the big features of the game is the fact that Gilbert Jackson, one time Bulldog star, is coaching the backfield at the Amarillo institution. He will be remembered by all the fans of the Panhandle by his devastating runs against all Bulldog opponents during the years George and Oscar Close were also strutting their wares for the old Green and White. Jackson is backfield coach of the college squad, and it is almost certain that his players have absorbed some of his skill in handling the ball. The line is also coached by a competent mentor in the person of Mays, last years line coach for the Amarillo Golden Sandstorm squad.

Last week the Price Collegians trampled the Tigers of Groop High school all over the gridiron and routed them with a 26 to 0 score, thereby showing that there is plenty of power in their attack. The larger portion of the game with Groop was played by substitutes. The Potter County team has been pointing to this game for several weeks and expect to see the effect that they are primed to meet every attack of the Bronchos with a well balanced defense and have an offense that will give a world of trouble to the Clarendon players.

The Bronchos are in the best of condition, and it has been several years since the local squad has possessed the determination and fight that the team does this season. It will take a mighty good team to beat the Bronchos, and they are not planning to suffer a single defeat this season. The hopes of the fans were brightened considerably with the announcement this week of the return to the squad of Pete Easterling, grant aggressive tackle of last year's team, who has been out of the play thus far this year due to an injury received in the late summer. It is doubtful that he will get into the lineup Friday or not, but he will help the moral of the team no little amount. The return of Tucker to the squad last week added much to the power of the backfield. Others are coming out for the squad each day and at present there are 42 men fighting for places on the team which opens the District play next Friday with the game with Estelline. Never has there been so many candidates for a Broncho team and the coaches are not handicapped by the lack of first class material.

The team Friday will feature a heavy forward wall with the backfield being made up of both light and heavy versatile backs. The line-up for the Friday game will be as follows:
Behren and Watson, ends; Langford and Morris, tackles; Benson and Reid, guards; Johnson, center; Beard and Hudson, half backs; Bourland, quarter; Captain Nichols, full.

Truett McClung of Lawton, Oklahoma, who was a guest of his friend Ben Beck last week returned to his home on Sunday.

Mrs. Harry Allen and son of Childress are spending a time in the home of her parents, Mr. and Mrs. J. A. Potts.

Mr. and Mrs. Durwood Skelton are the proud parents of an 8 1-2 pound boy, the young gentleman having arrived on the evening of September 16th.

Master George Watson, son of Mr. and Mrs. O. C. Watson, left Friday for Dallas where he will receive medical treatment. At last reports it was learned that George will be in that city for some weeks, although nothing serious is reported. He accompanied Mrs. G. W. Antrobus to Dallas.

Additional funds are being raised this week by the club women of the county to pay for the plan which is in the Federated Club Rooms in the Municipal Building. The ladies are selling electric lamps for the West Texas Utilities Company who is giving the ladies a commission for their sales, and have reduced the price of the lamps 10 per cent.

DONLEY EXHIBIT WINS 10TH PLACE

MANY CLARENDON FOLKS
ATTEND FAIR HEADED BY
BAND AND PEP SQUAD

Reports to the News Thursday morning was to the effect that the Donley County agricultural exhibit was declared winner of tenth place and a \$75 in the exhibit judging contest at the Tri-State Fair, in Amarillo. This year's contest was again won by Randall County with a total of 963.4 points. There were 19 counties of Texas, New Mexico, and Oklahoma represented with exhibits at the Tri-State fair this year. The Donley County exhibit under Agent T. R. Brown and Chamber of Commerce Secretary G. L. Boykin totalled 896.1 points which is just 66.3 behind the first place winner. Local authorities are well pleased with the showing made by the exhibit and its completeness is shown by the few points which separated the Donley exhibit from that of Randall county.

The first place winner received a prize of \$250. The exhibit was prepared by W. H. Upchurch, county agent at Canyon.

Second place in the county exhibit went to Hemphill with 940.7 points. The exhibit following closely behind with 940.2 for third place. Hemphill county received \$225 and Hartley \$200.

Other counties won in the exhibit were: Wheeler, \$175.50; Deaf Smith, \$254.50; Cottle, \$221.60; Garza, \$185.00; Collins, \$171.70; Garza, \$142.00; Lamb, \$111.80; Donley, \$97.10; Collingsworth, \$93.40; Sherman, \$88.40; 12th, \$75; Farmer, \$79.10; 8th, \$75; Armstrong, \$75.10; 5th, \$50; Carry, N. M., \$68.20; 15th, \$50.

Due to the fact that the various counties all had complete showings of a high quality, judging was very difficult.

The judges were J. B. Wallace, Plainview; R. E. Dickson, Sour; and W. W. Evans of Dawson County.

Many Clarendon folks attended the Fair Wednesday, designated as Clarendon Day. They left the city about 7:15 a. m. headed by the Clarendon High School Band and pep squad, and a parade was staged upon the arrival at the Panhandle metropolis. Later in the day the delegation was put on the air via radio, and rendered a splendid program advertising the city to the best advantage.

Selections by the band, and songs by the pep squad took up most of the time on the program, with short talks being made about the advantages of Donley county by local citizens.

Mrs. R. L. Bigger accompanied a group of the new squad girls to Amarillo on Wednesday.

PARK GATEWAY IS NEARLY COMPLETED

WORK BEGUN WEDNESDAY—
MOST MATERIALS AND LA-
BOR IS DONATED

As the first permanent construction on the City Park recently projected by the city through a Park Board, appointed to lay out and supervise the work, a gateway is being built this week on the high point corner of the grounds at the head of Kearney Street across from T. M. Little's residence.

The gateway plan made by J. W. Martin and Miss Lorena Steagall consists of two large pillars ten feet wide from outside base to outside base, nine feet high and with an arch connecting. Boulder stones set in concrete is the type of construction and the stone, sand, and concrete were all donated by the work.

City Commissioner J. T. Sims has done valuable work with city machinery in levelling the park grounds and has begun cutting a channel to confine flood waters that occasionally go down the draw.

Other permanent construction will be done with the beginning of the Spring season.

Mr. and Mrs. J. H. Hurn spent the week end at Henrietta and other points in that section of the state. They report conditions very poor.

MEMBER TEXAS PRESS ASSOCIATION PANHANDLE PRESS ASSOCIATION

With the wintry blasts ahead of us, it might be well for our citizens to consider the wisdom of an effort to gather up old, discarded clothing to be distributed to destitute people who may be in our community and county in the next few months. Many will be able to provide food for themselves, but will be without necessary clothing to keep them in comfort. While money is scarce, this is another means of aiding those less fortunate, and a garment provided may mean the margin between life and death in the prevention of colds, influenza and pneumonia.

WITH WORK TO BE DONE STERLING WILL STICK

Ross Sterling has no intention of resigning soon as chairman of the State Highway Commission. There is too much work to be done by the Highway Commission for him to quit now, the gubernatorial nominee says. He'll stay on the job and attend to it.

Ross Sterling is that sort of Highway Commission chairman. He will make that sort of Governor. The Highway Commission post hasn't meant a political assignment for him. It has meant work, an opportunity to serve his State and to contribute to its orderly development. The Governorship will mean for him precisely that, and because it will there is promise in his elevation to that place of greater responsibility of administrative accomplishment for Texas.

There is no good reason why his victory in the Democratic primary should prompt his resignation from the Highway Commission, with the result that the commission would have to be reorganized while unfinished and important work called for attention.

Texas has been well served by the Highway Commission under Mr. Sterling's chairmanship. Texas will be better served by his continuation in that post. The highway chairmanship is a job for a business man. Wishful politicians would do well to bear that in mind now. Ross Sterling will, when, as Governor of Texas, he is called upon to pick a man for the place.—Dallas Journal.

"BUY DURING SLUMP"

(By Herbert Casson, Editor Efficiency Magazine, London, England.)

The San Francisco earthquake, if I may use that forbidden word, cured hundreds of cripples. They jumped up and ran for their lives.

They weren't as badly crippled as they thought they were. They didn't know they could run until their houses began to shake.

The Good Book, too, tells the story of a cripple whose weakness was more in his mind than in his legs. The Master said to him: "Rise take up thy bed and walk." He rose and walked and carried his bed.

So, here is the thought that I would like to send out to the business men of America:

"You are depressed. You think you are crippled. You are afraid of the future. You are full of fears.

"You have half the gold of the world and half of the machinery and most of the automobiles and all the skyscrapers.

"You have the greatest home market in the world and the largest corporations that the world has ever seen.

"You are ruled more by ideas and less by tradition than any other people in the world. You have usually done what you thought you could do.

"How can it be possible that a progressive nation of 120,000,000 people can be wrecked by the speculations of a little handful of fools in Wall Street?

"The prices that were forced too high had to come down. Today all the prices are too low.

"There is now a golden opportunity for every man who has eyes to see it. Dollars are now being sold for thirty cents. Practically every security in the United States is now being sold at less than its value.

"THE WAY TO CREATE A FORTUNE IS TO BUY FROM PESSIMISTS. PAY YOUR MONEY AND TAKE THE RISK.

"Frick started his career by buying coke ovens in the slump of 1873. Carnegie made \$300,000,000 by buying steel plants in slumps.

"Hundreds of fortunes have been made by buying from pessimists. Ye gods what a chance there is at the moment.

"In five years from now, most American business men will belong to the 'I-Wish-I-had Club.'

"Then, it will be too late to buy a dollar for thirty cents. The opportunities will be gone.

"When a horse balks, the balk is in his head, not in his legs. He moves on when he thinks he will.

"And when an American business man is depressed, the slump is in his head. There is nothing serious to prevent him from making money if he thinks he will.

"When fear rules the will, nothing can be done, but when a man casts Fear out of his mind, the world becomes his oyster.

"To lose a bit of money is nothing, but to lose hope—to lose nerve and ambition—that is what makes men cripples.

"This silly depression has gone on long enough. Get rid of it. It is inside of you.

"RISE AND WALK!"

VISITING GOLFERS PAY TRIBUTE TO CLARENDON

In the past week the News has received several communications whereby the city of Clarendon has been lauded for its hospitality extended to visitors during the golf tournament, recently held on the local course. The Tulsa golfers, led by Jim Clayton stated that the tourney was a success in every respect, and Clarendon people sure knew their business when it came to entertaining. J. W. Clonts and O. P. Rutledge from Floydada reported to home folks in the Floydada Hesperian that "Everybody plays golf in Clarendon, and get much pleasure out of their course. In the tournament the prizes were liberal and hospitality of the Clarendon people as usual, was marked." The Shamrock delegation under their leader O. T. Nicholson, declared this the best tournament of the season, and will be back next year. The Amarillo Daily News stated that when it came to entertaining guests, the Clarendon people spared no effort to make the enjoyment complete for everyone. A real golf tournament was staged in the Donley county city that would do credit to a much larger city, and the play is just as fast as the larger state tourneys, with the Clarendon golfers supplying several of the lowest scores. Their entertainments was the high spot in the entire tournament.

MR. AND MRS. DICK ALLEN INJURED IN AUTO CRASH

Mr. and Mrs. Dick Allen suffered cuts and bruises and their automobile was completely demolished Saturday shortly after noon in a collision with another car at Washburn while on their way to Amarillo. The accident occurred at the crossing of the highway between the Washburn general store and the depot. A mail car had left the depot and apparently thought it could cross the road with safety in front of the Allen automobile. As the car reached the highway Mr. Allen saw that it was not going sufficiently fast enough for him to go behind the mail car, and he turned to try to avoid a direct side blow. In his effort to go in front of the mail car the fronts of the cars met throwing the mail car into the right ditch, and the Allen car turned over in the left ditch splintering the door glasses and windshield. The car was a total wreck with injuries sustained by both Mr. and Mrs. Allen. The driver of the mail car was uninjured.

Immediately after the accident the Buntin ambulance was called and made the trip to the scene of the accident and brought the injured parties to their home here in the city. Mr. Allen is suffering from severe cuts and bruises, with Mrs. Allen suffering from severe bruises. No bones were broken, and barring unexpected complications each of the injured parties will soon be out again.

ALDERSON STUDIO OFFERS ITEM OF GREAT INTEREST

An item of interest to the mothers of Donley County is to be found announced in this week's issue of the News. This is an offer to make the portrait of every baby in Donley County up to and including those six years of age. A list of these youngsters is being prepared by the office of the County Clerk and letters are being mailed to the mothers announcing the special. The studio has been working on a plan of some nature all during this past summer that would reach the

greater part of the babies in the county, and this last considered plan is the one which has been adopted as being the most satisfactory for everyone concerned. The opening date for this event has been set at October first and appointments will be taken from the issue date of the paper that the sittings may be taken in the order they are received by the studio. Mr. Alderson states that it is his plan to make at least five hundred sittings of the youngsters in the ages mentioned. A display of the pictures will be made as they are completed. New equipment consisting of lights and fast lenses make it possible for this place of business to take pictures that were impossible a few years past. One trouble experienced in times past has been that found in the movement of the babies when they are in front of the picture machine. This has been ironed out with the addition of special fast lenses and now no matter how much the youngster moves, the picture is still.

The work is being watched with considerable interest and will become even more interesting as the pictures are placed on display.

LIBRARY RECEIVES NEW SHIPMENT OF 32 BOOKS

Saturday of last week the City Library increased its total of books to some 52 volumes when a new shipment of editions was received. The books will be of interest to young and old alike, as each of the groups will find books to their liking. This shipment continues the growth of the library considerably, and it is very seldom that a week passes that there are not a number of books added to the already well filled shelves of the library.

The titles of the new books will be found below: Don Sturdy Captured by Head Hunters, Don Sturdy in Lion Land—Victor Appleton. Ruth Fielding at Lighthouse Point; Ruth Fielding at Snow Camp—Alice B. Emerson. Bunny Brown in the Sunny South; Bunny Brown at Christmas Tree Cove—Laura Lee Hope. The Radio Boys at Mountain Pass; The Radio Boys Trailing a Voice—Alch Chapman. Tom Swift and His Undersea Search; Tom Swift Among the Fire Fighters—Victor Appleton. Mildred's Married Life; Mildred's New Daughter—Martha Finley.

The Outdoor Girls at the Hostess House; The Outdoor Girls in Army Service—Laura Lee Hope. Little Jack Rabbit and the Policeman; Dor; Little Jack Rabbit and Miss Mousie—David Cory. The Bobsey Twins Treasure Hunting; The Bobsey Twins and Their Schoolmates—Laura Lee Hope.

Moon of Madness—Sax Rohmer. The Broad Highway—Jeffery Farnol.

At the Mercy of Tiberius—Augusta Evans-Wilson. A Girl of the Limberlost—Gene Stratton Porter.

The Keeper of the Bees—Gene Stratton Porter. Hangman's House—Donn Byrne. Yesterday's Harvest—Margaret Pedler.

The Desert Thoroughbred—Jack Gregory. Butterfly—Kathleen Norris. Forever Free—Honore Millsie Morrow.

The Quest of Youth—Jeffery Farnol. Sewell and Son—Warwick Deering.

The Man Who Knew—Edgar Wallace.

The Silver Forest—Ben Ames Williams. Trader Horn, 2 volumes—Horn and Lewis. Conrad in Quest of His Youth—Leonard Merrick. Pursuit—Rosita Forbes. Life of Pasteur—Rene Vallery-Radof.

Two Little Fellows' Long Vacation—Josephine Lawrence. Foundations of Method—Kilpatrick.

Edison, the Man and His Work—Bryan. A Book of Operas—Krehbiel. Bird Neighbors—Blanchard.

Lee, the American—Gamaliel Bradford. Men Who Made the Churches—Paul Hutchinson.

"Handy"—a book of games—Social Recreation Union. A Bunch of Everlastings—F. W. Bonham.

Life of Dickens—John Foster. The Riddle Club at Shadybrook—Alice Dale Hardy.

The Oldest of Four—Amy Belle Marlowe. The Girls at Hillcrest Farm—Amy Belle Marlowe.

Life of Lincoln—Brooks. Historic Girlhoods—Holland. Daniel Boone and His Wilderness—Bruce.

Henry Wilford of St. Paul paid a fine of \$25 because he turned in a false alarm of fire to win a \$5 bet.

FORT WORTH LEADS IN BUILDING PERMITS

AUSTIN, Texas.—Building permits in 35 Texas cities during August amounted to 28 per cent more than the figures of July, according to the Bureau of Business at the University of Texas. The increase was practically all in that city being \$2,979,000 greater than in the preceding month. The volume of residential building increased 20 per cent during August; during August, residential construction amounted to 41 per cent of the State's total building permits, as compared with 28 per cent in July.

An increase over July figures was reported in the following cities: Abilene, Beaumont, Brown-

wood, Corpus Christi, Del Rio, El Paso, Fort Worth, Galveston, Jacksonville, McAllen, Paris, Plainview, Port Arthur, Sherman, Temple, Tyler, Waco and Wichita Falls. Cities reporting a loss as compared with the previous month were Amarillo, Austin, Brownsville, Cleburne, Corsicana, Dallas, Denison, Eastland, Houston, Laredo, Lubbock, Marshall, Ranger, San Angelo, San Antonio, Snyder and Sweetwater.

Circuit Judge Byron B. Park of Etlevens Point, Wis., was so disgusted with short skirts worn by jury-women that he ordered a solid enclosure to be built in front of the jury box in the court room.

WE POINT WITH PRIDE TO THIS CERTIFICATE OF AWARD FROM THE AMERICAN AUTOMOBILE ASSOCIATION

Now AMERICA'S NEWEST OIL BECOMES AMERICA'S BEST OIL FOR YOU TO USE... THE PIKE'S PEAK TEST PROVED IT!

BETWEEN SEPTEMBER 6 AND OCTOBER 5, 1929, CONOCO Germ-Processed Motor Oil was tested side by side with three popular nationally known brands of motor oil on Pike's Peak under the supervision of the American Automobile Association Contest Board.

Following a careful checking of more than ten thousand observations made during this grueling test, the Contest Board of the American Automobile Association issued a Certificate of Performance Number 2268 comprising 14 points, with permission to use in connection with the Association Seal pictured above.

The booklet pictured below gives in detail the complete story of the Pike's Peak Tests. You should have these facts... for they will convince you beyond doubt of the Superior Quality of CONOCO Germ-Processed Motor Oil... Sold in the correct grade for your motor at stations displaying the CONOCO Red Triangle.

Mrs. Monterey Stotts and daughter, Eloise, of Memphis spent Saturday night and Sunday here with relatives.

Mr. and Mrs. Lee Nanney were guests of Mr. and Mrs. Walter Bozeman of Lelia Lake Sunday.

Mr. and Mrs. J. R. Bana and daughter, Irene, visited in Chamberlain Saturday.

Miss Mary Lee Foster has accepted a position with Judge W. A. McIntosh of Memphis.

Mr. and Mrs. Sam Robertson, Mrs. W. D. Shelton and son D. C. of the Rowe Ranch visited Mr. and Mrs. Lyle Beckwith a short time Sunday afternoon.

G. T. Foster was a visitor in Memphis Monday.

A woman about 50 years old has ruined the gowns of several young women in the shopping district of Chicago by squirting ink over them.

MISSION STUDY INSTITUTE MET HERE SEPT 22 AND 23

A number of women from the Panhandle Association met with the Baptist Church of Clarendon, Monday and Tuesday of this week, in a Mission Study Institute, directed by Mrs. T. M. Couch, Association chairman of Mission Study.

The following classes were taught: The Why and How, by Mrs. Murray Malone, In the Land of the Southern Cross by Mrs. J. E. Leigh, Livingston, the Pathfinder, by Mrs. D. A. Grundy, The Upward Climb by E. F. Bryan, The Call Drum by Mrs. Pressley Hand.

Besides the classes and the devotionals at the beginning of each session, there were three addresses. Mrs. D. A. Grundy, District W. M. U. President, spoke Monday afternoon on Missions. Mrs. Grundy stressed the personal responsibility of each individual in helping to give the Gospel to the world.

Mrs. Leigh, State W. M. U. Secretary of Texas, spoke Monday night on Stewardship. Mrs. Leigh stressed stewardship especially as it applies to the lives of women, drawing her illustrations from the women of the Bible. She drew the attention of the audience to the stewardship of hospitality, of childhood, of time, of talents, of possessions, of kindness to the living. Stewardship to be effective in the fullest degree must be willing and wholehearted.

Mrs. Leigh spoke Tuesday on Peace. She showed the influence of world friendship in promoting peace, the value of the study of Missions in bringing a better understanding of one another, the work of the missionary as messenger of peace, a vital factor in promoting peace.

After fruit, cowpea, alfalfa and onion stories, it's quite a drop to a grass story, but since grass is the biggest crop in the world and rather fundamental in livestock production, we'll end up in Robt. Gillespie's sudan patch in Colorado county. It was worth \$2.67 per day to him this summer for his 13 cows that grazed its 13 acres.

SUCCESSFUL AFTER TEN YEARS OF SEARCH

Plainview Farmer Had Almost Given Up When He Tried Argotane; Troubles Now Gone

"Honestly, I've been trying for ten years to get the relief two bottles of this Argotane has given me," declares E. F. Felty, a well known farmer residing on Route 1, Plainview, Texas.

"Yes, ten years ago," he continued, "I started having trouble with indigestion and from that time on have certainly had my share of it. I kept taking medicine thinking I would get over the trouble, but I just kept on suffering. My appetite was no good and I had an awful burning and pains in and about my stomach. I got to where I was disgusted with medicine because nothing helped me. I was blue and despondent, had no ambition and was just getting clean down and out as far as health was concerned."

"I was so miserable I just felt like I must get some relief, somehow, and when I saw so much in the papers about Argotane, I decided to see if it would do me any good, and upon the recommendation of the friends who had used it, I bought my first bottle. My appetite is good now, I eat hearty, and sleep like a

FARM LOANS Insurance Of All Kinds BONDS—REAL ESTATE C. C. POWELL Phone 84

log. I may have gained some in that, but I do know that I feel like a new man, and Argotane is the cause of it. If anyone will inquire I certainly will tell them what this medicine will do. I'm satisfied there's nothing to equal it." Genuine Argotane may be bought in Clarendon at the Stocking Drug Store.

CHURCH CHAT

"JUDGEMENT"

Many assume an attitude of superiority over others. They arrogate to them selves work which rightly belongs to God. They love to sit in judgement, heeding not the command: "Judge not, that ye be not judged." (Matt. 7:1). Faultfinding is their forte. They are never happy unless making others miserable. They close their eyes to the good, but never fail to notice inconsistencies, shams, abuses, and so on. This is the carrion upon which vultures feed. Such a censorious spirit is detrimental to the interest of Christ's Kingdom. "The wrath of man worketh not the righteousness of God" (James 1:20). Such a spirit is injurious to self. The hypocritical hurl their anathemas, forgetting that they rebound upon themselves. "With what judgement ye judge, ye shall be judged; and with what measure ye mete it shall be measured unto you" (Matt. 7:2). "God is our Judge, and the judgement, which follows wrong doing as surely as day follows night is coming. "For we shall all stand before the judgement seat of God." (Rom. 14:10). "For the time is come for judgement to begin at the house of God; and if it begin first at us, what shall the end of them be that obey not the gospel of God?" (I Pet. 1:17). "But the heavens that now are, and the earth, by the same word have been stored up for fire, being reserved against the day of judgement and destruction of ungodly men" (II Pet. 3:7). These scriptures teach that judgement is reserved till the day of days. Then "there is nothing covered, that shall not be revealed; and hid, that shall not be known" (Matt. 13:35). In that great day, God's judgement will be no surprise to man. He will be judged, not by some new law, but according to the old statute book—THE BIBLE. "If any man hear my sayings and keep them not, I judge him not; for I come not to judge the world but to save the world. He that rejecteth me and receiveth not my sayings, hath one that judgeth him: the word which I speak the same shall judge him in the last day" (John 12:47-48). "He that believeth not hath been judged already, because he hath not believed on the name of the only begotten Son of God" (John 3:18).

In our Sunday sermons, we hope to help you prepare for the great judgement day. At the morning service our subject will be, "RELIGIOUS VOWS." At the evening service our subject is, "THE GREAT DAY OF GOD'S WRATH."

W. E. FERRELL, Minister, First Christian Church, Clarendon, Texas.

Chief Lyman L. Parkas of Union County, N. J., ordered all policemen on the county park squad to keep their weights less than 145 pounds or face charges of neglect of duty.

Relief From Curse Of Constipation

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuated bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 25 for 25¢ today at the nearest Rexall Drug Store.

SOCIETY

Mother's Self Culture Club Opens for Year

Club activities have started in earnest. One by one the various clubs are entering into their new work for the ensuing year.

Among them is the Mother's Self Culture Club which opened its club year on Friday afternoon at the home of Mrs. J. D. Swift where a large per cent of the membership was present together with a number of invited guests.

Mrs. Paul Shelton, retiring president, opened the meeting which was later turned to the new president, Mrs. Eva Draffen, who appointed her committee and transacted new business before Mrs. John Bass, leader of the afternoon, opened the lesson on "American Principles and Ideals."

In answer to roll call each member told an interesting incident of the summer. Mrs. Boston gave a most interesting talk on "Men of Principle." Mrs. H. T. Burton followed with a discussion of "Efficient Men." Men and Women of Great Moral Force was ably handled by Mrs. Paul Shelton. Interesting facts pertaining to the Hall of Fame was given by Mrs. Fred Buntin.

Mrs. Loyd Stallings favored the club with a beautiful vocal solo. Mrs. J. R. Porter gave the high points in the life of Benjamin Franklin and Mrs. Walter Taylor gave "Two Ideals" with Mrs. W. C. Thornberry giving a summary of the "Value of the Study of Ideals."

This was a splendid program and one could not but help receive inspiration in raising the standards of ideals for our children.

Playlette Given

By far the most interesting program presented by the members of the Women's Missionary Auxiliary of the M. E. Church was that given Wednesday afternoon at the church in the form of a playlette.

The society has been studying India for a time and it was to impress more forcibly the habits of India that this playlette "Larola" was given.

Larola is based upon acts and founded upon a true series of occurrences with only one fictitious part in the plot that of Lela.

The altar had been fittingly decorated and each character was costumed in gowns characteristic of their rank.

Mrs. Loyd Stallings took the part of Elinor Daggett, wife of the missionary, while Mrs. W. C. Thornberry was Mr. Daggett the American missionary in Palinow. Nauak, a servant in the Mission, Mrs. C. W. Galloway. Marna, a Hindu Bible woman was Mrs. C. W. Bennett, Jr., and her friend, Larola, a widow of Chabassa was played by Mrs. Elba Ballow.

Lela, a young Brahman woman was depicted by Mrs. Tom Goldston with Mrs. Charlie Bairfield being Prof. Binder Sen and Mrs. Homer McElvaney the Brahman woman.

Many expressions of pleasure were heard after the program and a plea to reenact the scene again.

The study on India will be completed next week and Rev. L. L. Swann will speak on India the following Wednesday.

1930 Good Will Club

The 1930 Good Will Club says "all work and no play makes Jack a dull boy."

Mrs. Vada Carpenter was their charming hostess Monday afternoon. A new adoption of old time games produced a gala affair.

Delicious refreshments were served. Using an attractive pink and white color scheme.

Guests included Mrs. Don Martin, Mrs. T. D. Nored, Mrs. Lucian Eames, Mrs. L. L. Carlile, Mrs. Charles Carlson, Mrs. Wilmer Reeves, Mrs. Rav Couch, Mrs. Will Johnson, Mrs. Blanton, Mrs. Blanche Oden, Mrs. O. A. Yates, Mrs. A. G. Lane, Mrs. Carl Peabody, Mrs. Fred Russell, Mrs. Alva Vauz'n and Mrs. Melvin W. Cook.

Young Matrons Elect Officers

In the home of Mrs. Homer McElvaney with Mrs. Carl W. Bennett Jr., as assistant hostess members of the young Matrons' Harmony Class gathered Tuesday afternoon for a business and social meeting.

In rooms abloom with lovely Autumn flowers the business session was held with the following being elected to fill offices for the coming year; president, Mrs. C. E. Miller; vice president, Mrs. Charles Bairfield; secretary and treasurer, Mrs. Homer McElvaney.

During the social hour lovely refreshments were served. Participating in this were Mrs. Charles Bairfield, Mrs. B. C. Antrobus, Mrs. B. F. Kirtley, Mrs. Fred Buntin, Mrs. Walter Hutchins, Mrs. John Robinson, Mrs. C. E. Miller, Mrs. Curtis Galloway, Mrs. E. P. Shelton, Mrs. Henry Tombs, Mrs. Tom Goldston, Mrs. O. C. Watson, and Mrs. Elba Ballow.

Invited guests were Mrs. W. C. Thornberry and Mrs. G. H. Simpson.

Juniors Entertained

Various classes of the Junior Department of the Methodist Sunday school have been entertained this week by their teachers.

Friday afternoon Miss Carrie Davis entertained her class by hiking with them out to a grove of trees in the country. Picnic lunch was served to the following:

Avis Lee McElvaney, Mary Ella Barnard, Geraldine Summers, and Misses Aleene Parks and Fannie Perry.

Monday afternoon at 4:30 Mrs. Clyde Hudson and her class enjoyed a party in the basement of the church. Following a program of sandwiches, cookies, fruit and of games, delicious refreshments punch were served to the following girls: Ruby Robinson, Rebekah Welsh, Margaret Reavis, and Mary Ellen Robinson.

Tuesday evening at 7:30 the basement of the church was again the scene of a jolly party for two classes of Junior girls.

Immediately following the arrival of the guests the fun started. Numerous games were played for the enjoyment of all those present after which grape-juice and cookies were served to:

Dorothy Kerbow, Margaret Wilkerson, Zella Ruth Nored, Dorothy Watson, Frances Sanford, Lolar Belle Wilkerson, Lillian Green, Ava Marie Griffin, Vivian Taylor, Margaret Reavis, Ruth Robinson, Mary Elen Robinson, Vivian Reavis, Louise Tuckler, Gladys Hutton, Rebekah Welsh, and Mrs. Clyde Hudson and Miss Perry.

Dinner Bridge

A four-course dinner bridge party opening the club season for members of their dinner bridge club was given by Mr. and Mrs. W. C. McDonald on Saturday evening at their home.

The guests on arriving were

greeted with artificially arranged tables and after the feast games of bridge were played until a late hour.

Mr. and Mrs. T. H. Ellis were winners of high score prizes. Club members present were Dr. and Mrs. T. H. Ellis, Mr. and Mrs. J. L. McMurtry, Mr. and Mrs. F. E. Chamberlain, Dr. and Mrs. M. H. Rhodes, Mr. and Mrs. A. T. Jeffries, Mr. and Mrs. Louie Merrill.

Invited guests included Mr. and Mrs. Louie Holloway, Mr. John Bugbee and Mrs. Ruth Teat.

B. and P. Women's Club Meet

The Business and Professional Women's Club met at the Womans Club Room Tuesday evening at 6:15. Thirteen members were present and after interesting and clever contests the hostess Mrs. Mae Shaver, served most delicious refreshments.

The president, Mrs. Bessie G. Smith, reminded the club of the watermelon supper given for the teachers by the service clubs of Clarendon, at Troublesome canyon Thursday afternoon.

The club voted to sponsor the Little Theatre of Clarendon for the coming year.

Traffic resolutions sponsored by the various chairmen of the civic clubs of our city relative to more rigid enforcement of traffic laws, were read by Miss Lorena Steagill, and met with approval of the club.

Mrs. Louis Holloway, as chairman of the membership committee, presented the names of Miss Betty Walker and Mrs. Nora McMurtry for membership. These two were unanimously elected as members of the B. & P. W. Club.

At 7:30 the club adjourned till next regular meeting, Oct. 14.

New Club Organized

In order to gain closer cooperation among the employees and to promote better public relation the operators of the local Telephone Exchange met at 4:00 p. m. Monday and organized themselves into a club to be known as the Numero Hagame el Favor.

Two meetings are planned for each month. A business meeting to be held on the last Monday afternoon of each month at which time the problems confronting the operator will be discussed.

A social will be held during the first week of the month, each operator entertaining in her turn.

Officers of the club were elected as follows: President—Mrs. Earl Naylor; Secretary—Mrs. Bernice Lafon; Reporter, Fannie Perry; with two standing committees, entertainment committee with Lois Cox chairman and Lela Lamons chairman of the refreshment committee.

Telephone Operators Enjoy Hike

On Thursday afternoon four of the Telephone operators with three other girls from the business houses of town took a sudden longing for the "Wide-Open" spaces and so decided upon a hike after working hours.

Buying two hamburgers and a bottle of cold pop for each; all started off to the country. Just before leaving town one of the dairy wagons came by with the evening delivery of Milk. The wagon stopped and the milkman gave each one of the girls a bottle of milk which was appreciated very much.

Immediately upon arriving at their destination the party, amid much laughter and talking ate their lunch. There followed some story telling until time to return home.

After hiking back to town the party enjoyed some cold watermelon. Those enjoying the hike were: Misses Lela Lamons, Lois Cox, Fannie Perry, Elma Smith, Carrie Davis, Myrtle Armstrong, and Irene McCormick.

Contract Bridge Club Meets

With Miss Mary Cooke as hostess the Contract Bridge Club met on Wednesday for their usual afternoon of playing.

The rooms had been fittingly arranged with cut flowers for the occasion and a congenial group settled for the games at 3 o'clock with Miss Mary Joe Chamberlain holding high score at the close.

Seated for the games were Mrs. Charles Trent, Mrs. T. H. Ellis Mrs. Earl Alexander, Miss Anna Moores, Mrs. Kelly Chamberlain, Miss Catherine Cole, Miss Loraine Patrick, Miss Mar Joe Chamberlain and Mrs. Reber of Colorado Springs, Colo.

Midget Clyde Hendershot of Beck's Grove, Ind., smiled and said that he was 23 years old when an officer told him that children weren't permitted to operate automobiles.

W. W. Taylor and family and Mrs. Charles Murphy visited their daughter and son, Mr. and Mrs. Tom Murphy at Dalhart Sunday.

RADIO

AN EXTRAORDINARY SET for people whose needs are extraordinary!
EXTRAORDINARY in volume and in power to reach out for far-off stations—extraordinary in the ease with which it separates crowded stations in congested areas—extraordinary in its pure, rich, natural tone—made possible through Philco's exclusive engineering achievement—balanced units.

Has automatic volume control which automatically tends to hold distant stations at given volume, and reduces static and other interference noise.

With 4-Tone Control and Balanced Volume Control—
\$127.50.....
Tubes Extra
EASY PAYMENTS

1 Enchanting Philco Tone: clear and true at any volume. Never distorted.
2 Enthralling Distance-ability: Takes you to far-away stations, perhaps even to foreign countries.
3 Extra Sharp Selectivity: Tune in the station you want, and get it as if it were alone on the air.
4 Automatic Volume Control: Holds volume almost constant. Tends to overcome fading and swelling of distant stations, and reduces static and background noises.

 When charged with being drunk Harry Harris, colored, of Paulsboro, N. J., was fined \$5 and sentenced to sing in the church choir for an indefinite time.

SOCIETY

1922 Bridge Club Entertained

Delightful indeed was the party given by Mrs. J. P. Sims in honor of the members of the 1922 Bridge club, Tuesday afternoon, at her home on the out-skirts of the city.

Decorations for the reception rooms where the guests gathered were late summer flowers in all shades.

In the games of Auction bridge Mrs. W. H. Cooke was given high score prize and Mrs. L. S. Bagby consolation.

A lovely afternoon luncheon was served in the dining room where a beautiful and unusual centerpiece of cut flowers adorned the table. A color scheme of yellow and green was developed by the flowers and beautiful service of green crystal ware.

To enjoy this was Mesdames W. H. Martin, James Trent, A. R. Letts, Odos Caraway, R. A. Chamberlain, W. H. Cooke, Sella Gentry, Charles Bugbee, T. H. Ellis, and L. S. Bagby club members.

Invited guests were Mrs. Charles Trent and Miss Mary Howren.

Little Miss Peggy Noble Hostess

Little Miss Peggy Noble, daughter of Mr. and Mrs. M. M. Noble, celebrated her seventh birthday anniversary Monday afternoon at her home, where a small company of her young friends gathered to make the occasion a merry one.

All kinds of games were enjoyed during the hours from 4 to 6 and later when invited into the dining room, which was lovely in cut flowers; they were charmed by the large white frosted birthday cake. After blowing the candles the cake was cut and served with ice cream and lemonade.

The hostess received a number of lovely little gifts from her young friends.

Present on this occasion were: Annie Rhea, Helen Frances and Jean Dale Porter, Nelda Sue Burton, Reezelle and Geraldine Ryan, and Frankie Hommel.

Sunday School Pupils Entertained

Mesdames Clyde Hudson and Lester Schull entertained for members of their Sunday school classes on Tuesday evening at the church.

This group of children, will be promoted soon to other classes and this they were honored by their present teachers.

Each pupil brought a guest and such a gay time was had. Games of varied nature were enjoyed until late when punch and cookies were served in abundance.

Miss Fannie Perry, superintendent of the Junior department assisted in the entertaining.

Miss Mary Cooke Is Hostess

Starting again the Thursday afternoon Bridge Club which has been closed during the warm summer months, Miss Mary Cooke entertained on Thursday afternoon at her home.

Games of Auction Bridge were enjoyed in roomy abloom with garden flowers with Mrs. T. H. Ellis playing high for club members and Mrs. John O. Maberry for invited guests. Each received lovely favors.

A two-course afternoon luncheon was served at the close to: Mesdames Earl Alexander, T. H. Ellis, P. L. Chamberlain, Clyde Price, Frank Stocking, James Trent, Ira Merchant, Charlie Bell, L. S. Bagby, W. H. Martin, Sam Dyer, and John O. Maberry of Sayre, Okla.

Misses Lorraine Patrick, Mildred Martin Anna Moores and Mary Jo Chamberlain.

Miss Eunice Johnson Is Hostess

The coolness of the past several days and the pleasant evenings have given pep to several hostesses who have entertained for the sheer joy and pleasure they receive in doing so.

Among these will be found Miss Eunice Johnson who delighted a group of her friends on Saturday evening with a gay lawn party.

Japanese lanterns had been strung over the yard and tables arranged to the best advantage for games of bridge, which continued until a late hour when a dainty ice-course was served.

Enjoying this were Misses Nora Gordon, Lena Manley, Roberta Lafon, Ruth Price and Elizabeth Kemp.

Messrs Winfield Mosley, Henry Wilder, James Smith, Benton Smith, Fred Bourland and Joe Noble.

Home Economics Club Business Meet

Due to the fact that the study outlined for the afternoon related to the fair and since there will be no county fair this year the members of the Home Economics Club met at the home of Mrs. C. D. McDowell and spent an afternoon in sociality.

A two-course afternoon lunch was served late in the afternoon to: Mesdames Tombs, J. D. Stocking, A. H. Baker, O. L. Fink, H. J. Eddington, Major Hudson, C. E. Lindsey, John Watts, C. L. Benson, T. R. Brown, J. C. Estlack, M. T. Crabtree, Tom Bullock, W. D. Van Eaton and R. H. Cline, club members.

Mrs. Joe Hurn was an invited guest.

Friendship Club Entertained

Mrs. C. E. Lindsey gave the members of the Friendship Club a real treat this week when she invited them to be her guests at her country home.

A pleasant ride out and the ideal weather gave the members unusual working inspiration and much work was accomplished during the afternoon.

Lovely refreshments were served in the late afternoon to: Mesdames J. D. Stocking, J. L. Allison, J. A. Meadow, C. R. Skinner, Flem Caraway, T. M. Pele, Arnold and Miss Katie Meadow.

News has been received of the arrival of a son, born to Mr. and Mrs. Jasper Earl Stephens of Los Angeles on Sept. 23, 1930. Mrs. Stephens will be remembered as Miss Lucile Goldston.

1912 Needle Club

Mrs. R. A. Chamberlain made a very charming hostess to a large gathering of members and special guests of the 1912 Needle club Saturday afternoon at her home.

The rooms were fragrant with garden flowers where the afternoon was spent with needlework and several happy hours of recounting the vacation experiences just closed.

Tasty refreshments were served at the close by the hostess.

Those present included Mesdames W. H. Martin, Sella Gentry, C. W. Taylor, L. S. Bagby, A. R. Letts, A. A. Mayes, Minnie Dyer, A. L. Chase and J. T. Patman, Club members.

Mesdames Fred Chamberlain, Geo. Ryan, James Trent, J. B. Baird, Ann Hall, Ed Bromley, J. T. Sims, R. S. Cope, G. H. Ellis, and Miss Mary Houston.

Ladies Aid In Meeting

The Ladies Aid Society was entertained in the home of Mrs. R. C. Bryan, Wednesday afternoon.

President called the meeting to order at 2:30 and Mrs. Ferrell opened with prayer.

After a short business session Mrs. Arnold took charge and presented the lesson, 9th chapter of St. John.

A delicious plate lunch was served to twelve members and two visitors.

The next meeting, Oct 8th will be in the home of Mrs. Tom Bullock with Mrs. R. C. Bryan as leader of lesson.

WORDROBE CONTEST IS ANNOUNCED

COLLEGE STATION.—So successful in economically planning and maintaining wardrobes were the 195 home demonstration club women who acted as demonstrators in 25 Texas counties last year that the Extension Service announces a state-wide Wordrobe Contest, believed to be the first in the United States, open to home demonstration club women everywhere. It will be supervised by the home agents aided by Mrs. Dora R. Barnes, Extension Clothing Specialist, who explains that last year the wardrobe demonstrators budgeted the clothing for a single individual or for the entire family according to the financial status of the family and the needs and tastes of the individual.

"It's a big job to clothe a family on a small amount of money if the various members are to be adequately and appropriately dressed," says Mrs. Barnes. "In our Extension clothing work we are bringing practical aid to the farm home-maker in this cloth-

ing task, and the contest idea is designed to make the work more interesting. Essential factors in the work are the careful planning of the wardrobe in relation to money available; keeping records of costs and of each garment; the study of line, color and quality in relation to the wearer; and suitable arrangements for storing and caring for clothes, hats, shoes and accessories."

The new contest calls for preliminary exhibits in the counties with the state finals at A. and M. College in July 1932. The five qualifications for entry are: a wardrobe book and records of year's work; adequate storage space; pictures of storage space and after improvement; a good foundation dress pattern and dress made from the pattern; and a narrative of the work done and wardrobe budget showing purchases planned and approximate cost. Scoring will be made on the basis of—record, 30 per cent;

narrative 10 per cent; picture 10 per cent; pattern 10 per cent; and dress 40 per cent.

They're drilling deep for oil on A. Gulden's place in Tom Green county, but it's alfalfa yields he talks about and not oil. From 5 1-2 acres in a demonstration started in April 1929 he has cut and baled 875 bales which he says is worth 50 cents per bale.

When Constable Frank Verbeck of Tucron, Kan., found a shiny padlock on the door of the town jail, he broke through the door and found a still which contained 50 gallons of moonshine.

During the extremely hot weather in Baltimore, Walter P. Montague moved his office to a city bathing beach, where his employees went about their work in swimming suits and in comfort.

LUBBOCK MAKES MANY PLANS FOR PLAINS FAIR

LUBBOCK, Texas, Sept. 25.—Premium lists for the seventeenth annual Panhandle South Plains Fair and Exposition that will be held in Lubbock September 29 to October 4, inclusive, are off the press and are being rapidly distributed over the section.

The lists offer premiums of approximately \$20,000 and six Ford automobiles will likewise be given away as prizes to those who attend the fair.

Good will booster trips to advertise the fair will be operated out of Lubbock within the next three weeks. Practically every town on the South Plains and eastern New Mexico will be included on the itinerary of these trips.

For one gate admission, fair crowds will see a number of complete shows within the grounds free of charge. No additional charge will be made after the visitor is admitted to the grounds. Five free football games

will be offered the crowds. Three act troupes will perform each afternoon and night and free fireworks displays will be given each evening.

Bands will play over the grounds each day and evening and all types of educational exhibits will be open for inspection.

Two of the exhibit buildings have been enlarged and all buildings are expected to be crowded to capacity.

"MY GOITRE Not Felt It for Four Months. A Colorless Liniment Used"

Mrs. H. C. Kiefert, Commerce, Texas, says: "Corbol-Quadruple is worth ten times the price. I think my goitre completely cured. Will be glad to tell or write my experience. Corbol-Quadruple is as pleasant to use as a toilet water."

Sold at all drug stores or write Sorbol Company, Mechanicsburg, Ohio. Locally at Stocking's Drug Store.

FAMILY DOCTOR LEARNED THIS ABOUT CONSTIPATION

Dr. Caldwell loved people. His years of practice convinced him many were ruining their health by careless selection of laxatives. He determined to write a harmless prescription which would get at the cause of constipation, and correct it.

Today, the prescription he wrote in 1885 is the world's most popular laxative! He prescribed a mixture of herbs and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin, in thousands of cases where bad breath, coated tongue, gas, headaches, biliousness and lack of appetite or energy showed the bowels of men, women and children were sluggish. It proved successful in even the most obstinate cases; old folks liked it for it never gripes; children liked its pleasant taste. All drugstores today have Dr. Caldwell's Syrup Pepsin in bottles.

SOUR STOMACH

JUST a tasteless dose of Phillips Milk of Magnesia in water. That is an alkali, effective yet harmless. It has been the standard antacid for 30 years. One spoonful will neutralize at once many times its volume in acid. It's the right way, the quick, pleasant and efficient way to kill all the excess acid. The stomach becomes sweet, the pain departs. You are happy again in five minutes.

Don't depend on crude methods. Employ the best way yet evolved in all the years of searching. That is Phillips Milk of Magnesia. Be sure to get the genuine.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

HEADACHES

here's quick relief

YOU can't always stop work and give-in to a headache, but you can always get relief from such suffering! A tablet or two of Bayer Aspirin will ease an aching head every time. Perfectly harmless; prescribed by thousands of doctors. An effective antidote for pain, taken by millions of men and women whenever they've a cold, headache; neuralgia or neuritis; rheumatism, lumbago, sore joints, etc. Read the proven directions that come with Bayer Aspirin and realize how much suffering these tablets can spare you. Buy Bayer. It is genuine Aspirin. You know what you are taking.

BAYER ASPIRIN

A NEEDFUL SERVICE

Is that one taken care of when you pay your accounts with check. It saves you the time and trouble of cashing checks and of keeping receipts. Your cancelled check is the best receipt you can have. The connection with the bank is worth something too.

WHY WAIT LONGER

FARMERS STATE BANK

"You Can Make Your Own Average Electric Rate"

"The statement that you can make your own average electric rate sounds ambiguous, doesn't it? But it isn't—it's perfectly simple.

"The customer, through his acts—the amount of electricity he elects to use; the time and place at which he chooses to use it, and the duration of such use—governs the cost of service. It is only the law of Supply and Demand. The larger and the longer the demand, the cheaper the supply. Accordingly, the more service you elect to use, the less such service costs you.

"For instance, under the new Home Comfort rate system, you are able to reduce your rate on entire electric consumption, after the first 45 kwh (kilowatt-hours) per month, for a five room house, to 4c per kwh—3c where service is also used for heating or cooking. This means that you can take advantage of the many labor, time and money-saving electrical appliances at but slight cost.

"In the average five room home having complete electric service—lighting, cooking, heating and refrigeration—the new rate makes it possible to obtain service at an average net cost of less than 4c per kwh, so it is not the top step which establishes the average net rate, but the manner in which you use the service available. Expressed in another way, the new rate reduces the average cost per kwh for extra lighting more than 50%, provided you have also used service for other major household electric appliances. During the year 1929, the average rate for all domestic or household service sold by the West Texas Utilities Company was only 6.6c per kwh, or 10.1c per day per domestic customer.

"Other household necessities, far more expensive, do not return half the comfort and enjoyment of complete electric service. The money you thoughtlessly spend daily for any one of the many luxuries of life amounts to more than the daily cost of electric service.

"Investigate today the many new advantages, comforts and conveniences that can be brought to your home through the use of complete electric service. You will be surprised at its extreme economy. And remember—you can make your own average rate."

Initial rate 12c

2nd rate 7c

Low rate 4c 3c

If baby has COLIC

A CRY in the night. Colic! No cause for alarm if Castoria is handy. This pure vegetable preparation brings quick comfort, and can never harm. It is the sensible thing when children are ailing. Whether it's the stomach, or the little bowels; colic or constipation; or diarrhea. When tiny tongues are coated, or the breath is bad. Whenever there's need of gentle regulation. Children love the taste of Castoria, and its mildness makes it safe for frequent use.

And a more liberal dose of Castoria is always better for growing children than strong medicine meant only for adult use.

County News

ASHTOLA

There was no preaching Sunday morning but a large crowd attended Sunday school.

Miss Shook one of the teachers was not able to teach school last Friday and spent the week end at her home in Canyon, but is back teaching this week.

Several from here saw the rodeo at Boydston Sunday afternoon.

Mrs. Susan Ashley visited Mrs. Blackburn Tuesday.

Farmers are most all busy picking cotton and the gin is busy most of the time. The attendance at school is small on account of so many children having to pick cotton.

H. W. Lovell is building a new four room house in Ashtola this week.

Mr. and Mrs. Morris came last week for an indefinite visit with their son, Louie Morris and family they will go from there to make their home with their son and daughter who are teaching at Turkey this term.

FEW ATTEND PARTY OF LEGION THURSDAY

One of the smallest numbers yet seen in attendance on a social affair staged by the local American Legion was that seen last Thursday evening when this organization met to listen in on a program staged by the American Legion to advertise the National Convention of this body in Boston and to furnish entertainment for the evening to those who cared to listen in. A radio had been placed at the disposal of the

Auxiliary and the Legion by Goldston Bros., and was used to a good advantage at all times during the evening.

Refreshments of a likeable nature were prepared by the Auxiliary and were served to the members at a late hour in the evening.

Not so far from here, in Llano county, it's Chinese red cowpeas that get the praise from two crop demonstrators. Early maturity puts them ahead of the summer growth, and their upright growth makes them easy to cut and cure for hay, these men say. One of them declares these peas the best he has ever planted and while he doesn't know the yield, says they'll run more hogs per acre than whippoorwills.

Misses Mammie and Lou Naylor went Tuesday to Amarillo, on a business trip also to attend the fair.

Mr. and Mrs. Kenneth Handcock and children of Wichita Falls were guests of the lady's parents Mr.

SONG HITS FEATURED IN STATE FAIR SHOW

Dallas, Texas, Sept 24—More song hits were registered in "Sons O' Guns," the sensational Broadway musical comedy which is being brought direct to the State Fair of Texas Auditorium from New York, than any other stage hit of recent years, according to T. E. Jackson, president of the State Fair of Texas, who journeyed to New York and contracted for the piece.

"Why," and "Cross Your Fingers and Make a Wish," two of the most popular song hits of the year are two of the best numbers in "Sons O' Guns." Many other songs, almost as popular as these two are included in the musical numbers.

A total of 28 songs were written in the preliminary work on "Sons O' Guns." Of this number of songs, there were 16 hits selected and a majority of these numbers are now the reigning musical sensations of Broadway.

J. Fred Cootes, widely known composer of such popular numbers as "That Precious Little Thing Called Love," "Doin' the Raccoon," "Moonlight Madness," "A Love Tale of Alsace-Lorraine," and many other such popular numbers, assisted Arthur Swanson and Benny Davis in writing the song hits of the show.

The numerous song hits are well executed in the piece by Jack Donahue, the outstanding star on Broadway, who has made "Sons O' Guns," the biggest Broadway hit of recent years. Donahue and Gina Malo, petite French star, who was recently brought to American shores from France to be starred in "Sons O' Guns," are expected to create the same sensation at the State Fair of Texas as they did in the New York production of "Sons O' Guns."

Eros, a tiny planet about 15 miles in diameter, which comes nearer to the earth than any body except the moon, is traveling at the rate of 5,400 miles an hour.

Mr. and Mrs. Wynne Bowlin and children of Hedley were Sunday guests of Mr. and Mrs. Rhea Bowlin.

Texas Football Over the Week

College football in Texas, launched with a few games the past week-end, has a busy week-end ahead. Practically every team in the State will see action.

The Horned Frogs of T. C. U. running up 87 points in two games, take on the Austin College Kangaroos here Saturday. The Frogs leaping over the North Texas Teachers Friday, 47 to 0; then ran up 40 points to none by the East Texas Teachers the next day.

Coach Schmidt saw a lot of future Purple and White stars in action, as he kept 10-letter men in the field in every play against the Lions.

Both of the other Southwest Conference members in action last week, Rice and Texas U., didn't experience any trouble in marching to victory. The Owls, going up against the usually strong Southwestern U. Pirates, won 32 to 6, with Dick Jamerson, spon back, making three touchdowns for the Owls.

The Longhorns, with green men having difficulty guarding against forward passes, won over the San Marcos Teachers, 36 to 6. The Austin College eleven, in its first game, lost to the Durant, Okla., Teachers, 7 to 6, Friday.

Schreiner Institute, always a strong junior team, won over the Kelly Field Flyers, 19 to 9, in a Saturday tilt. The Howard Payne Yellowjackets, 1929 undefeated champs of the Texas Conference stepped out under the arc lights Friday night and downed McMurry Indians, stout T. I. A. A. member, 7-0.

The Wayland College team, also played by artificial light, won its opener Friday night, downing the B. team of Simmons U., 13-0. The Texarkana Juniors took their night life seriously, running up 103 points to 0 by Eldorado Junior. In a day game, Lon Morris lost to Sam Houston, a T. I. A. A. member 25 to 0, Friday.

T. C. U. is not the only Southwest Conference team that plays this week. S. M. U., warming up for its game the following week with Notre Dame, plays Howard Payne in Dallas Saturday; the same day Baylor takes on the North Texas Eagles of Denton in Waco, Arkansas engages College of Ozarks at Fayetteville, Texas. A. & M. meets Southwestern at College Station, the Texas Miners come from El Paso for a go with the Longhorns. Rice and Sam Houston Teachers meet at Houston in the other conference vs. nonconference clash.

T. I. A. A. teams start things Friday. St. Edward's plays Daniel Baker in Brownwood Friday night. The West Texas Teachers meet the Edmund, Okla., Teachers at Canyon, Lon Morris plays the East Texas Lions in Commerce Friday. None of these are association games.

The only association game in the Saturday clash between San Marcos and Stephen F. Austin at Nacogdoches. Other Saturday engagements are Schreiner vs. Texas A. & I. at Kingsville.

Other games slated for the week-end are: John Tarleton vs. Texas Tech at Lubbock, Texas Military vs. North Texas Agricultural at Arlington, Hillsboro Junior vs. Westminster at Tehuana, Wichita Junior vs. Cameron Aggies at Lawton, Okla.

If you want to buy something Advertise for it in the News.

PENNSYLVANIA SPEEDS ROADS

LETS CONTRACTS EARLY AND 26,000 WORKMEN LOSE NO TIME

By E. E. DUFFY

Realizing that delays in carrying through public improvements are costly to the public and contribute to unemployment, the Pennsylvania Highway Department this year pushed highway construction so that by June 1, four-fifths of all 1930 road constructions were awarded.

This action was of tremendous importance to the 26,000 men working for the state and private contractors. Where other states have permitted legalities, technicalities and indifference to slow up letting of road contracts, Pennsylvania has gone ahead and started work. Early completion of contracts carries with it the benefit of early highway usage, which in this age of efficiency and applied economics is highly desirable.

If, for instance, a 50-mile stretch of pavement is thrown open to traffic six months earlier than originally planned, with a traffic volume of 1,000 cars daily that highway will earn \$500 to \$1,000 daily for its users through lower car operating costs.

Through speeded up work, Pennsylvania will this year complete about 1,000 miles of concrete pavements, and may build as much as Iowa's expected mileage of 1,025.

Pavement benefits are so manifold that often important savings are overlooked by the public. For instance, since 1911 Pennsylvania has, through paving projects, shortened main highways by 305 miles through re-locations. This has resulted in annual savings of \$14,670,000 to motorists through unnecessary travel, according to careful estimates. This year alone brought a reduction of 29.5 miles in the state system, at an estimated car operation saving of \$1,150,000.

Not only is speed of letting contracts a part of the Pennsylvania program, but also speed of construction. By August 21, 615 miles of concrete were completed. The week of August 29, two dozen detours were removed and the week of September, 4, 14 were removed. Concrete is being placed at the rate of five miles daily.

Private business cannot get the most out of its money on a post-ponement program; neither can a community.

TIMELY TOPICS

It is unfortunate to lose a limb but fortunate that it can not be lost more than once, as James Bath of Bangor, Me., can testify. Desiring to cross a railroad track, he misjudged the speed of a passenger train, which threw him for no gain and neatly clipped off the end of his wadden leg.

After the Federal Trade Commission had spent several years in nosing into the business of

various industries, its building in Washington burned and a large quantity of its investigation records went up in smoke. So far as the public is concerned, the loss is perhaps not of much consequence, unless the work is to be done all over again at the expense of the tax payers.

Mrs. Buford Bell of Estelline is the house guest of her aunt Mrs. Eula Cox, having arrived on Wednesday.

The New Sweaters Are Here

New in color—New in styling—New in pattern and design. In fact they are about the snappiest line we have ever been privileged to show our patrons.

They're Bradley's, of course and will be found to be of the quality you would expect from a garment of this name.

Coat styles and slip-overs remain the most favorite styles, while the colors are all that could be asked of them.
