## Childress Game Closes Football Season

## Holman Kennedy Placed On World Fair Advisory Board

### BRONCS CLOSE SEASON THURS.

#### CHILDRESS BOBCATS WILL FURNISH OPPOSITION FOR TURKEY DAY GAME.

The Clarendon High School Bronchos will bring their football season to a close tomorrow afternoon when they engage the class A Childress Bobcats at 2:30 o'clock at the College Park. The season approaching its close can well be called a successful one, although it has produced a few disappointments to the local fans. But these have all been forgotten and the Clarendon rooters will have a chance tomorrow to see just what the Bronchos can do against their old rivals, the Childress Bobcats. The Bobcats this year have been playing in Class A company, and for their initial year they have been playing a splendid brand of ball, boasting a conference record of 500 per cent.

The Bronchos have lost only two games this season, and these to the Memphis Cyclones, an inferior team, but one which is always playing to win and always in condition. It is doubtful that the locals will have the services of Captain Nichols in the Turkey Day battle, as his ankles haven't healed sufficiently from the terrific stomping and twisting they received in the last Memphis engagement. It remains to be seen what the Bronchos can offer without the spectacular playing of Nichols. It is expected that the players will furnish the visitors with the stiffest sort of opposition. Nichols' position will be taken by Fred Reid, one of the finest players on the entire squad. The remaining positions will be handled by the usual line-up.

The Childress team is intent on handing the Bronchos a sound spanking in this game, to avenge a licking plastered on them last year by the local eleven. They have a fine smooth attack, featuring a withering fire of passes mixed with a number of deceptive running formations.

A large crowd of Childress fans will follow the Bobcats to Clarendon for the contest, and a record attendance is expected tomorrow.

### Little Theatre Plans Variety

A new departure in the program plans of the Clarendon Little Theatre will be used in the next benefit production just before the Christmas holidays begin. Mrs. Rita Foster Stocking, director, is planning to present three separate one-act plays for this event, one a comedy and two dramas.

It has been the custom of the Little Theatre play selection committee to alternate the programs, using dramas, comedy-dramas, and comedies, and this plan of presenting a varied program in one evening will be watched with interest by the supporters of the Little Theatre movement in Clarendon.

### ROBBERS LOOT THREE SAFES

#### NIGHT WATCHMAN HEARS SAFE ROBBERS WHO ESCAPE BEFORE CAPTURE.

Saturday night was a busy one for both robbers and officers in the city of Clarendon, with the law breakers getting the breaks on three local safes and scoring a win over the night officers. Very little gain was made by the burglars even after taking the breaks, with the result that only about \$25.00 consisted of their winnings.

Bill Robinson was on his regular night watch beat about midnight when approaching Foxworth-Galbraith Lumber Company a tapping was heard as the robbers were trying to knock the knob from the safe. Bill immediately left the scene for Deputy C. M. Peabody and Guy Pierce to help in rounding up the culprits. They were found in the act of lodging a drunken character in the jail.

When the party approached the place of the preceding scene no tapping was to be heard, and on further investigation it was found that the robbers had made their leave in a hasty manner, not even taking time to remove their tools. The safe was still closed, but the knob had been knocked from the door. It is thought that the safe crackers had used some kind of watchman in the case for help, and made their adjournment from the unfinished job.

C. W. Bennett, upon visiting his office Sunday, found his safe turned on end with a large hole in the bottom of the safe. About \$25.00 was taken here. The safe was unblocked at the time of the robbery, but evidently the robbers didn't try to open the door.

The safe in the D. O. Stallings' Coal Office was discovered with its door open and Mr. Stallings was immediately notified and questioned as to what amount he had had in the robbed safe. It was found that he had left 63 pennies and two apples in the safe which was apparently correct when these were found intact, being overlooked by the no doubt disgusted thieves.

Officers are working on finger print clues found at the place of the last job, when through supposed carelessness one of the party evidently removed his glove which he had been wearing. There is evidence that the robbers were no novices at the safe racket.

### KNIGHT HERD STANDS INSPECTION IN FINE STYLE

C. L. Knight, owner and operator of the C. L. Knight Dairy of this city, stated to a member of the News force this week that his herd had stood an inspection this week and that they had come through with flying colors. The test is given at intervals to indicate the presence of tuberculosis bearing cows and the record is one hundred per cent clean for the Knight herd. The tests were given this year by Dr. Steinman of Fort Worth, who is a member of the staff of the State department of Pure Foods.

### Les Beaux Arts Club Exhibit Is Success

The Les Beaux Art Club's exhibit of last Thursday, Friday and Saturday proved to be quite a success with many beautiful unique studies in painting and pottery being shown for the enjoyment of the art loving public. The club women are to be commended for their efforts to further the appreciation of the various kinds of art in this community, and much interest is being manifested by the citizens of Clarendon in these exhibits.

The Japanese paintings failed to arrive in time for this exhibit, but will be exhibited by the club at a later date, as they have been received since the showing last week. The other items making up the Japanese exhibit were shown and included several hand-carved ivory beads and fire stone beads, wood block productions of the highest type of etchings all made from the Japanese wood. These etchings were of Japanese native subjects, water fowls, flowers and landscape scenes.

The pottery exhibits attracted possibly the most attention of those who witnessed the exhibition. The articles from the Niloot pottery works in Arkansas, and those from the Jug Town pottery company of North Carolina, created much interest with their rare originality and beauty. Some of the folk who attended the exhibit purchased a number of the articles.

The total amount of loot secured by a bandit who pried open 11 safes at Denver, Colo., was \$1.

When Sheriff M. W. Palmer, of Cherokee, visited the home of George Hammell, he found liquor concealed in a rubber boot where it had been poured.

### UNION SERVICE AT 7:30 TONIGHT

#### REV. W. R. McPHERSON WILL DELIVER THANKSGIVING ADDRESS.

The Union Thanksgiving Service will be held tonight at 7:30 in the First Baptist Church with the Rev. W. R. McPherson, pastor of the First Methodist church of this city delivering the Thanksgiving sermon.

The entire community has been asked to join in this service in giving thanks for the innumerable blessings each of us have received in the past year. The chimes of the city has been instantaneous, and it is believed that the largest union service ever to be held in this city will be tonight.

Tonight will mark the initial appearance of Rev. McPherson before a union congregation, and the third before a gathering in this city. It is understood that he has prepared a message that will reach the heart strings of all who hear him, and all are certain to receive a great benefit from his words, and grasp a better and finer meaning of the Thanksgiving season.

Robt. S. Cope, choir director of the First Presbyterian Church, will have the music for this service in charge, and those who attend the service will be sure of a musical program second to none ever presented to a Clarendon audience. The plate offering will be given to the local Godfellow's fund to be used to meet the Christmas needs of the local charity work.

### Reception For New Pastor Friday Eve

Friday evening between the hours of 7:30 and 9:30 at the home of Mrs. J. B. Baird the departments of the Methodist church will honor Rev. W. R. McPherson and wife with a reception. This is a consolidated movement on the part of each of the various departments of the church in an effort to become better known to the new pastor, and show their willingness to cooperate together under his leadership.

Every department will have a part on the program, and it is the hope of the church that all those affiliated in the local congregation be present at some time within the above set hours. Due to the minimum of space to be found in the beautiful Baird home the visitors are asked to make their visit in the customary "come and go" manner, characteristic of the large receptions held in conservative places.

### WORK BEGUN ON BRIDGES OVER MULBERRY CREEK

Work was started last week on the construction of the bridges over the Mulberry creek on the road to the J. A. Ranch headquarters, when trucks of the Morrison Bridge Construction Company of Memphis began hauling bridge tiles from Clarendon to the point of construction.

The bridges will be of the same type of construction which has been used on other similar bridges across the Mulberry. Several weeks will be needed to complete the structures and the fill, and after this has been completed a first class road will be the result. The special collection for the local Godfellow's fund has formally encountered the motorists along this route.

### QUATTLEBAUM IS AGAIN CHAIRMAN

#### METHODIST STEWARDS HOLD FIRST MEETING OF CONFERENCE YEAR MONDAY.

At the first meeting of the conference year the new board of stewards of the Methodist Church re-elected E. V. Quattlebaum chairman and also returned Paul Shelton and G. L. Boykin as vice-chairman and secretary-treasurer, respectively.

Greeting the new pastor, Rev. W. R. McPherson, a good attendance was on hand, and one of the first official acts of the board was a raising pledge of support to the new pastor and to the program of the church for the coming year. The salaries of the pastor, presiding elder, organist and care-taker were set at the same figure as last year, and the budget adopted with the exception of the Sunday School department, which will be kept separate and independent in the coming twelve month period.

The budget, allowing for unforeseen claims, amounts to approximately ten thousand dollars and the stewards plan an aggressive campaign to secure monthly pledges from the membership to take care of the items contained in that amount. There will only be two special collections taken in the church during the year, these being the free-will offering for the Orphanage during the holidays, and the special collection for Missions in the spring.

Judge J. R. Porter, G. L. Boykin and Sam M. Braswell were named as a committee to apportion the assessments for the membership and to divide the lists among the stewards, which work is going forward this week. It is the plan of the committee to secure as much of the budget in pre-dated monthly checks as possible, this having been found the most satisfactory way to care for the financial needs of the church.

### CONNALLY ATTENDS FAIR MEET IN AMARILLO TUES.

Tom F. Connally, member of the Board of Directors of the Tri-State Fair Association, was called to Amarillo Tuesday of this week to attend a meeting of this body. The meeting was held primarily to hear a report of the activities of the organization for the past year and to lay plans for the coming Fat Stock Show and Tri-State Fair for the fall of 1931.

### MEMPHIS WILL RUN SPECIAL TRAIN TO DALHART THURS.

In a telephone conversation with the Memphis Democrat Tuesday morning, it was learned that a football special would run from the city of Memphis on Thursday morning to the city of Dalhart where the football elevens of both towns will battle for the championship of District 1. Mr. Odom of the Democrat stated that should any football fans of this city wish to see the title game, and wish to make the trip on the special train, a stop could be arranged at this station.

### LOCAL BANKER RECEIVES HONOR

#### HOLMAN KENNEDY IS APPOINTED TO ADVISORY BOARD.

The announcement was received the latter part of last week by G. L. Boykin, secretary of the local chamber of commerce, with the statement that Holman Kennedy, cashier of the Donley County State Bank, had been named to represent the city of Clarendon on the Advisory Board of the Texas World's Fair Commission.

The creation of this board is for the purpose of enlisting the facilities and interest of the entire state in making the Texas State exhibit the most outstanding attraction of the exposition. The members of the Advisory Board are picked from the leading citizens of the larger towns of the State by the chambers of commerce, and it is of significance that Mr. Kennedy was named to represent this city on the board.

Responses received in San Antonio indicate the wide interest taken in this proposition and the growing determination in all parts of the state that this great opportunity to advertise Texas shall not be neglected.

On November 24th, the ways and means committee of the Commission meets at Dallas to adopt definite plans for action by the Commission. In addition to Chairman J. C. Kennedy of Dallas, this committee includes A. M. Matson of Dallas, Walter Beck of Fort Worth, W. V. Crawford of Waco, and Porter H. Whaley of San Antonio.

Announcement that Texas will not be required to erect a State building as the fair management plans to erect handsome structures in which to house various state exhibits should result in a financial saving for the states exhibiting.

### Regular Legion Meet On Tuesday

The regular stated meeting of the American Legion will be held in the Legion Hall on the evening of Tuesday, December 2nd. At this time some discussion will probably be had on the Christmas plans of the Post and reports had from the various committees which have been named to work outside the Hall.

Some new members have been received into the Post in the past few weeks and an initiation service will be in order in the near future. The membership work of the local post has been mentioned in a number of places during the past few weeks, with Clarendon leading the eighteenth District in the raising of the membership quota for the present year.

Some discussion will probably be had on the convention of the district scheduled to be held in Wellington on December 13 and 14. Quite a delegation is expected to attend from here since the town of meeting is so near.

### Proclamation of Thanksgiving

In view of the manifold benefits that have been the lot of the citizens of Clarendon during the past year and to show our appreciation for these things that come our way, I, H. W. Taylor, Mayor of the City of Clarendon, Texas, do hereby proclaim Thursday, November 27th, a Day of Thanksgiving in Clarendon and ask that each person in the city join in making this day what it should be.

Let each business house be closed and each member of the firm attend the services of Thanksgiving to be held in honor of the day.

Given under my hand and the seal of the City of Clarendon, Texas, this the 22nd day of November, 1930.

H. W. TAYLOR,  
Mayor.

Seal

### Benefit Football Game With Memphis Is Assured

Monday of this week Homer Mulkey and Ralph Andis met with the American Legion officials in the city of Memphis regarding the proposed football games between the city teams representing the two towns, proceeds of which will go to local civic needs. The local representatives state that the Memphis Legion responded very favorably to the proposition and agreed to sponsor the team in that city.

Much interest has been manifested in this city with reports coming in from old Clarendon players stating that they are willing to play. Among this group are listed Lorin Naylor, H. A. Blanton, Marshall Crabtree, Arthur Arnold, Enoch Darnell and Leonard Darnell. Other familiar to all the local fans are Irl Smith, Mutt Ingram, Paul Montgomery, Sam Braswell, Jr., Bill Dillard, Paul Schull, Dick Nichols, Clarence Whitlock, J. P. Rhodes, Gene Chamberlain, Rufus White, Joe Noble, Phifer Estlack, and a number of others. This squad of first class material will be molded under the eye of G. L. Boykin.

The date, and place of the first game will be announced in a later issue of the Clarendon News.

### News Wants Foreign Readers' Letters To Friends In County

As a special feature of the Home Town Edition of the News this year, the News wants to publish as many letters as possible from the readers of the News in far places to those of their friends who continue to make their home in this county. We do not plan to tell our readers how long a letter to write—leaving that to the writer who will cut it as short as he can and tell all that he wants to tell.

In order for the letters to be printed, we must have them in our hands not later than December 4th—one week before the big edition comes off the press. Who will be first with their letter?

ITEMS OF INTEREST IN DONLEY

GILES

Mr. and Mrs. Roy Harding was up from Memphis Sunday visiting friends.
Rollie Kelley and Stanley Cope made a business trip to Tascosa Tuesday of last week.
Miss Arton Seymour left Monday for Amarillo for a stay of some length.

Mrs. Lee Wood and Mrs. Lee Singleberry of Ashtola, spent Tuesday with Mrs. Wood's mother, Mrs. Alice Pittman.
Thanksgiving is almost here.

MARTIN

Relief From Curse Of Constipation
A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."
But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, vacating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.
Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.
DOUGLAS & GOLDSTON DRUG CO.

Everyone ought to be thankful for their good health and the many things we have to comfort our hearts and our soul's desires.
TEXAS LUMBER MILLS SHOW INCREASE IN PRODUCTION
Austin, Texas, Nov. 24—Average production of Texas lumber mills during October was 1,181,000 feet, compared to 1,116,000 feet in September, according to the Bureau of Business Research at the University of Texas. Average shipments from Texas mills were 1,209,000 feet in October, compared to 1,158,000 feet in September. Stocks averaged 6,763,000 feet in October, compared to 6,478,000 feet in September, while average unfilled orders totaled 490,000 feet in October, compared to 471,000 feet in September.

When BABIES are Upset

BABY ill and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea. How would you meet this emergency—tonight? Have you a bottle of Castoria ready?
For the protection of your we one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. It's gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.

ASPIRIN

BEWARE OF IMITATIONS

LOOK for the name Bayer and the word genuine on the package as pictured above when you buy Aspirin. Then you'll know that you are getting the genuine Bayer product that thousands of physicians prescribe.
Bayer Aspirin is SAFE, as millions of users have proved. It does not depress the heart, and no harmful after-effects follow its use.
Bayer Aspirin is the universal antidote for pains of all kinds.
Headaches Neuritis
Colds Neuralgia
Sore Throat Lumbago
Rheumatism Toothache
Genuine Bayer Aspirin is sold at all druggists in boxes of 12 and in bottles of 24 and 100.
Aspirin is the trade-mark of Bayer manufacture of monoaceticacidester of salicylic acid.

YOU HAVE A DOCTOR'S WORD FOR THIS LAXATIVE

In 1875, an earnest young man began to practice medicine. As a family doctor, he saw the harm in harsh purgatives for constipation and began to search for something harmless to the sensitive bowels.
Out of his experience was born a famous prescription. He wrote it thousands of times. It proved an ideal laxative for old and young. As people saw how marvelously the most sluggish bowels are started and bad breath, headaches, feverishness, nausea, gas, poor appetite, and such disorders, are relieved by the prescription, it became necessary to put it up ready for use. Today, Dr. Caldwell's Syrup Pepsin, as it is called, is the world's most popular laxative. It never varies from Dr. Caldwell's original effective and harmless formula. All druggists have it.

Let the Electric Man Survey Your Home
Through the application of the new Home Comfort Domestic Electric rate to your individual problems, it will be possible to work out a plan that will bring you many new advantages without materially increasing your electric bill.
One of the West Texas Utilities Company employees will be pleased to go over your situation, and make his recommendations based on the greatest benefit to you.
The new Home Comfort rate is so scheduled that your normal use should quickly reduce the cost of all service used thereafter to the low 4c per kilowatt-hour rate—3c where service is also used for heating or cooking. Under this new schedule, just a few cents a month will give you untold convenience and comfort.
Call the Electric Man and let him explain in detail the many additional comforts and conveniences that he can give you through the application of Electricity to your home.
And Remember—You Can Make Your Own Average Rate
Initial rate 12c
2nd rate 7c
Low rate 4c for 3c
