Full Programs Greet Students On Return To Classrooms

CITY SCHOOLS OPEN WEDNESDAY

ENROLLMENT CONSIDERABLY LESS THIS YEAR THAN LAST YEAR'S MARK

The Clarendon Public schools opened their doors Wednesday to begin another long term. The enrollment period extended from Wednesday until the present time. This year has noted a decrease of pupils in every school of the city except the Junior College which has shown a nice increase in enrollment. There is a fine feeling existing throughout the schools, with the students all glad to get back to their studies.

The Junior College is still in the act of registration with the prospects promising something like 100 students this year. The authorities are very well pleased with the outlook of the new year at the college, and expect the best year the institution has enjoyed.

The high school enrollment will reach 175 students by the week end. Things are starting off in a splendid manner and everyone is getting down into the spirit of fine hard work. With the outlook good for a winning football team the student body is very enthusiastic with a feeling of harmony prevailing.

The Junior High School is off to a good start with approximately 245 students. This group is smaller than last year's number which was nearly 300, but authorities state that the late registrations will in all likelihood bring the total up to par. The school is running smoothly however with a fine prospect for excellent work.

In the South Ward there are 315 pupils enrolled for work with additional students planning to enter next week. The youngsters are well pleased to again be in school, and are getting down to work the first day of classes.

All schools of the city began actual classwork this morning, and have everything running on schedule.

ROTARIANS HEAR TALKS FRIDAY

REPORT OF ACTIVITIES OF LOCAL CLUB PRESENTED TO MEMBERS AT LUNCH

As the starter for the Friday Rotary Club Luncheon Rotarian C. C. Powell presented the year's report with itemized activities of the club. The number of helpful activities of the club when enumerated were surprising to the members of the organization.

Three Rotarians with perfect attendance records were next alluded to be the speaker. The three being Rotarians B. L. Jenkins, R. S. Cope, and J. C. Estlack.

Rotarian A. T. Cole then entertained the group with several selections from Burns works, with the explanation that at one time he was a school teacher.

The club was then turned over to Rotarian R. S. Cope who raked the various members of the group over the coals with well chosen remarks, much to the enjoyment of the Rotarians not in question.

Community service and the duty of the service clubs came in for a fine discussion in a talk presented by Rotarian Rev. W. E. Ferrell.

E. L. Lewis, guest of the day, expressed his appreciation at being privileged to meet with the Rotarians and had received a great benefit from the Rotary club and its standards.

Mr. C. A. Bryan is spending a time in the home of Mr. and Mrs. Reagan Bryan at Turkey.

Mrs. Homer Powell and son, Clayton, of Amarillo and Mr. and Mrs. Joe Powell were guests of the C. C. Powell and J. R. Porter families over the past week end.

Lion Governors Of Texas Meet

The five District Governors of Texas Lions Clubs met Tuesday of this week at Hillsboro, with Gov. Fred O. Grimes, of District "X" in the first conference of the year with Secretary-General Marvin Jones of Chicago.

The conference was held at the commodious home of Gov. and Mrs. Grimes and a dove dinner, at noon was provided by the sportsmen of the Hillsboro Lions Club. At the morning session the Texas Council of Governors was formed with District Governor R. H. Graham of Wichita Falls as president. State Secretary Stewart of Dallas will continue in charge of secretarial duties with the newly formed council.

District Governor Grimes was named chairman of the "On to Toronto" movement and Texas Night program for the International Convention next July in the Canadian city. District Governor Sam M. Braswell was placed in charge of publicity for Texas Lionism and the delegation at the International Convention.

The five governors of the five Texas districts participating in the conference were Sam M. Braswell, District "T"; Dr. R. H. Graham, District "E"; Fred O. Grimes, District "X"; W. L. Dugger, District "A"; Dr. E. D. Fuller, District "S". Past District Governor Kater of Houston and Erhard of Dallas were also present, as was Julien Hyer, First Vice-President of Lions International.

At six o'clock the Hillsboro Lions Club was host at a picnic in the city park, with a chicken barbecue and novelty program honoring the visiting officials.

PARK LANDSCAPE WORK UNDER WAY

CITY PARK IMPROVEMENTS BEGIN WITH GRADING OF SITE BY COM. SIMS

Within the last week visible progress has been made on the proposed City Park just off Kearney Street and adjoining the school play field at Junior Hi, by the grading and shaping work of Commissioner Sims.

Some leveling has been done on the high point corner across from T. M. Little's residence, old trees have been taken out and the leveling of the lowlands has also been done. A little later Mr. Sims will continue his work of defining the creek channel and changing its course just a little to the westward.

The Park Board appointed by the city commission and headed by Rev. Robt. S. McKee plans to do a little terracing on the North East corner of the park site where fall flowers will be planted by the Camp Fire Girls under the direction of Miss Lorena Steagall, a member of the board.

Some permanent building and development will be done in the early Spring, and Chairman McKee is pleased over the progress of the plans this summer.

APOSTOLIC CHURCH RESUMES SERVICES SUNDAY

Services have been announced by Rev. H. S. Williams, pastor of the Apostolic Church of this city, to be held by the congregation of that church at the District Court Room, Sunday, Sept. 7. The services will begin with the Sunday school at 9:45 a. m. Morning services will begin at 11 o'clock and night services will begin promptly at 8 p. m.

Rev. Williams has been out of the city for six weeks, and is back with a desire to help with the growth of the Apostolic faith in the city of Clarendon. He urges the people of the city and surrounding territory to be present Sunday morning, and worshiping together. A most cordial welcome is extended to all.

Further notice will be given in a later issue of the News concerning the revival campaign to be conducted by the church in the near future.

Mrs. W. T. Clifford and Miss Lelia Clifford returned to their home here Sunday from Canadian where they had spent the past week visiting in the home of Mr. and Mrs. H. B. Spiller.

HILLCROFT CLUB PLANS TOURNEY

SECOND ANNUAL INVITATION TOURNAMENT TO BE HELD HERE SEPT. 14, 15, 16

Plans are rapidly nearing completion for the Second Annual Panhandle Invitation Golf Tournament to be staged on the local course beginning Sunday, Sept. 14 and continuing through the 16th. It is expected that at least 100 of the Panhandle's best golfers will enter the Clarendon meet and try to carry off the bulk of the big prize list which has been worked up for the event.

The prize list this year will run in the excess of \$350.00. Cups for several winners have been ordered, and a fine list of valuable prizes for the minor winners have been secured by the tournament committee, and will be placed on display in the near future. This year's array of prizes are among the finest ever offered to the golfers of the Panhandle, and rank second only to the great Amarillo Tri-State Tournament prize list.

Invitations have been sent to all the leading golf clubs of the Panhandle and West Texas, with the result that much interest is being manifested over the event. Several features will also tend to make the tourney a drawing card over this section of the State. The grounds of the Clarendon Country Club have been secured for Sunday the 14th, and all the visiting golfers will be carried there to enjoy the facilities of this splendid place. Swimming, boating, croquet, miniature golf, tennis or what have you will be enjoyed by the golfers until the mammoth chicken barbecue is ready to serve. Plenty of the delicious chicken is promised everyone who attends this feast with all the trimmings.

Make your plans now to be in Clarendon September 14, 15, and 16, and carry off some of the prizes. Besides the regular tournament of four flights there will be a number of special contests which will carry awards. Let's all be here for the fun, and play over the best golf course in West Texas. We are expecting you.

Club Presidents Form Organization

A quiet luncheon of the heads of five of the service organizations of the city was held last Friday evening in the special dining room of the Clarendon Hotel. The meeting was called by the president of the Lions Club and was stated as being to form a sort of clearing house, particularly for the activities of the various organizations of the city to secure closer co-operation and remedy duplication of effort.

An organization of the heads of the five bodies was effected with Fred W. Rathjen as president and G. Lester Boykin as Secretary. Meetings will be held on the evening of the second Thursday in the month. The first regular meeting of the body will be held as scheduled on September 11th, 6:30 being set as the date for the meeting.

Those present were: Fred W. Rathjen, President Lions Club; Mrs. B. G. Smith, President Business and Professional Women's Club; Dr. B. L. Jenkins, President Rotary Club; G. L. Boykin, Secretary Clarendon Chamber of Commerce and F. L. Stallings, Vice Commander the American Legion.

CREAM PRICES ADVANCE IS DUE BUT WILL BE SLOW

Contrary to reports received here the early part of this week the advance in the price of cream will not be sudden. The price paid on the local market Wednesday was 34 cents per pound of butter fat, this having been paid for some weeks prior to this date. Neighboring towns had reported an advance from 33 to 40 cents per pound, but this has proven unfounded as local dealers have no notice of any such advance. One dealer stated that the butter market would set the price of cream and that he looked for an advance in the near future, but that he rather suspected that the rise would be slow rather than a six to seven cent advance at one time.

Cotton Co-Op. Meet Here On Saturday 2 P. M.

Donley County farmers are invited here to a mass meeting Saturday at 2 p. m., at the Court House, to discuss the Texas Cotton Co-operative Association and other plans offered for aid to the cotton grower. Vernon Association men will be here and all Donley farmers are asked to be on hand, by the farmers and bankers interested in the meeting.

LIONS HEAR OF 1930 CONTESTS

FULL DETAILS OF CONTESTS ON ATTENDANCE GIVEN NEXT WEEK

In the absence of the chairman of the Attendance Committee, Boss Lion Rathjen announced some of the details of the contest for this year and urged that all the Lions do their share to get into the prize winning classes. The major prize of a trip to Toronto, Canada with transportation and pullman fares paid is a first consideration, with a prize of a trip to the District Convention as the other held out. The committee will be back in its place next week and will make full announcement at that time.

The meeting of the presidents of the clubs of the city and the formation of a group of that sort was announced and the request made that Lions confer with the Boss Lion on proposed projects that could have some effect on the entire city. The receipt of new directories was announced and members asked to make their plans to attend luncheons whenever possible, asking of the secretary or Boss Lion of the meeting of a group of the various clubs that their attendance records might be kept clear.

Miss Dorothy White, pianist of the club, was in her place after an absence of some months, being received with favor by the Lions. She mentioned visiting some of the more famed places on the West coast and complimented the club in the statement that she missed them on Tuesday.

Guests for the day were Messrs. W. H. Richardson of Dallas, Stuart H. Condon of Canyon and Nevin E. Trostle of Lubbock. Each of them expressed his pleasure at being with the Lions and hoped to be able to return at some date in the future.

Lion Walton Wilson, Tail Twister, stated that he had recently received some suggestions from Lions International as to the fines possible for him to assess. Failure to pay a fine resulted in the payment of one month's dues of the Tail Twister by the defaulting Lion. He stated further that there was absolutely no recourse from the fine of the Tail Twister, his instructions stating that if necessary, the defaulted member be taken outside and the funds taken from him by force if necessary.

Lion Ira Merchant was introduced to the club as the City champion in the game of golf. He took his honors rather lightly and stated that he had nothing to say.

Lion Burton announced the opening of the High School and College Wednesday morning at 9:00 a. m. and the opening of the Junior High school at 10:30 on the same morning. Lion Ralph Porter was to make the address at the opening of the college. Some discussion was had at this point on the identity of the speaker for the opening of the colored school, this finally being delegated to the secretary of the School Board.

Adjournment was had in the usual manner.

Mr. and Mrs. B. C. Antrobus, Mr. and Mrs. T. G. Stargell, Mrs. G. W. Antrobus and Miss Sarah Williamson of Iowa Park composed a party who visited Captain Caven on Thursday of last week.

MERCHANT IS CITY CHAMPION

WINS TITLE AFTER DEFEATING COOKE, BRASWELL, KERBOW IN MATCHES

The third annual city golf tournament came to a close Sunday afternoon with the championship cup going to Ira Merchant, who played sensational golf from the start. Merchant's brand of golf was so steady and perfect that his three opponents were swept away with ease as he breezed through to win the city crown.

A. N. Wood went to the finals with Fred Buntin to determine the winner of the second flight. After an interesting round Wood proved to be the most consistent and was declared the second flight champion.

Geo. McCleskey and G. L. Boykin met in the final match of the Third Flight, with the result that McCleskey defeated the local Chamber of Commerce Secretary after a hard battle.

In the Fourth Flight Meade Haile, a new golfer swept through the field of favorites to cop the honors in this event when his opponent, Clarence Miller, forfeited when it became imperative that he should be out of town at the time of the playoff.

Merchant's victory came after a gruelling match with Al Cooke, last year's city champion. This match was followed with a contest between Merchant and Sam Braswell, Jr. The first nine holes of this match was the most interesting and spectacular of the entire tournament. Merchant started off with a birdie 3 on the first hole. Braswell scored a birdie in the long number 2 to even the match. Merchant scored his second birdie on the number 3 hole to again go one up. The match was again halved on the number 4 hole when Braswell ran down a par three while Merchant was having trouble with his approach. On the fifth Braswell scored another birdie to go one up. The short number 6 was halved with a par 3, and Merchant secured the fifth birdie of the match on the seventh hole to again bring the match to even terms. The eighth hole was halved, and Merchant went one up when both he and Braswell got into trouble on their tee shots on the last hole. The last nine holes found Merchant hotter than before with him three under par when the match was ended on the fifteenth hole.

Merchant next encountered Pinky Kerbow, who played a fine game of golf but was not the equal of Merchant, as the champion was continuing to play the sensational game he played in his previous matches. Kerbow found his trouble in running down his puts, losing hole after hole by this method. His long shots were fine, but the short game found him off form.

ARRANGE PLAYOFF IN TEXAS LEAGUE

FORT WORTH AND WICHITA WILL PLAY OUT FINAL FOUR GAMES

Wichita Falls, Sept. 3.—Arrangements for a playoff for the Texas League championship will be made at a meeting of officials of the Wichita Falls and Fort Worth clubs here Thursday, President Alvin Gardner announced Wednesday. Wichita Falls won the first half and Fort Worth the second.

The Cats will play out their concluding four-game series with the Spudders here, President Gardner said. It had been suggested the series be cancelled in view of the impending playoff between the two clubs. The playoff probably will start next Wednesday.

Mr. J. D. Quattlebaum is on a business trip to New Mexico.

Mr. and Mrs. Sam P. Harben of Richardson spent a few hours in the home of Editor and Mrs. Sam M. Braswell Sunday afternoon enroute to their home after spending their vacation in Colorado. Mr. Harben is Secretary of the Texas Press Association and a former business partner of Mr. Braswell.

Institute Proves A Great Success

The Donley County Teacher's Institute held Monday and Tuesday at the College Auditorium was a huge success with over one hundred of the Donley County teachers being present for the sessions. The program was carried out as was published in last week's issue of the News.

Each year the local institute is growing in popularity with the instructors of the county schools, and this, the second Donley County Institute, shows a big increase over the first sessions held in this city last year. The authorities are finding it much more beneficial to the needs of the local teachers than the District Institute where there are too many teachers with as many different problems to get efficient results.

Stuart H. Condon of the West Texas State Teachers College at Canyon was on hand to guide the course of work, and also delivered two very instructive and enjoyable addresses to the gathering. These dealt with the problems of the present school systems and the best methods in which the desired results might be obtained.

The material from which the Broncho mentors have to pick their backfield has caused many to predict that this year's backfield will be one of the most powerful to ever represent the local school. The men are fast and heavy, and the department of passing and kicking will be adequately taken care of. The line too seems to have no weak places which have caused the coaches much worry. The most worry which the High school coaches are having at present is the problem of picking the best eleven from the large number of excellent prospects.

BOSTON GARAGE DAMAGED IN FIRE WEDNESDAY EVE.

Fire originated from a trash fire started near the corner of the Boston garage called the fire department out a little after eight o'clock Wednesday evening. The garage was damaged to some extent but the contents were unharmed due to the quick work of the fire company. The building was partially covered by insurance.

BAPTIST REVIVAL CLOSES SUNDAY

REV. LITTLETON SECURES FINE RESULTS WITH APPEALING SERMONS HERE

The evangelistic revival campaign conducted by the members of the First Baptist Church, under the leadership of Rev. J. H. Littleton, evangelist, and Rev. C. B. Stevenson, song director, came to a close Sunday night with a baptismal service. The evangelist and his messengers proved to be a real blessing to the city as a whole as well as to the local church. He is very conscientious and his appeals reach directly to the hearts of all who hear him. Rev. Littleton was assisted by Rev. Stevenson, who brought many beautiful messages to the congregations in song, as well as in sermon. These splendid songs strengthened the faith and zeal of the Christians and brought the soothing power of salvation to the hearts of many who were not heard before in the army of the Savior.

The meeting has been featured both morning and evening by large crowds, and a fine spirit of co-operation has been in evidence from the members of the city throughout the campaign. The revival services produced the following results. There were 26 additions to the church, 14 by letter and 12 by profession of faith. There was also professions of faith by thirteen children who have not yet united with the church. The amount of good done in the city cannot be valued in numbers, for the whole community received a great blessing from the services.

J. R. BAIN SUSTAINS INJURIES FROM FALL

While attempting to stop his freighted team Saturday afternoon, J. R. Bain was thrown from the wagon and dragged several yards, with the result being that he received a broken collar bone and several bruises. The accident occurred where the safety valve of the Tailor Shop boiler popped off scaring the team. Seeing the run away B-in made a dash after the wagon but failed to gain a foot hold and was thrown from the vehicle. He is resting easily at present.

Mr. and Mrs. J. L. McMurtry left Tuesday for a short trip to Kansas City and other points in Kansas.

BRONCHOS OUT TO WIN TITLE

COACHES STOCKING AND HUTTON ISSUE PLAYERS UNIFORMS, FIRST DRILL

That the Clarendon High School Bronchos are out to win the District Championship this year is easily discerned by any spectator who attends any of the workouts of the football squad at College Park. The boys are fairly bubbling over with spirit and are anxiously awaiting the first whistle which will send them thundering down the field for their first victory of this year's schedule. Both the coaches and the players are giving their best to the football fans of Clarendon in their effort to place upon the gridiron a winning team.

Uniforms were issued the boys a few days ago, and as soon as the players get adjusted to the added weight actual scrimmage will be added to the regular days schedule of practice. The uniforms issued to the boys are not the uniforms which will be worn in the regular games. These uniforms will be issued the boys only for the games, with the uniforms that they have now being used for practice purposes.

Visitors are invited to look over the 1930 machine and encourage the boys in any manner which might present itself. The squad is now preparing for their first tilt which will be played with the McLean eleven September 12.

Mrs. Clarence Whitlock returned Tuesday from Amarillo where she had been the guest of her parents, Mr. and Mrs. Otis Barnes.

Misses Clarice Fuller and Mildred Stewart spent the past week end in Pampa where they will teach the coming school term which begins on the 8th of Sept.

LOSS AGAIN SHOWN IN CREAM SHIPPED

AUGUST SHIPMENTS SHOW DECREASE OF APPROXIMATELY 43 CANS

Cream shipments for the city of Clarendon amounted to approximately 270 ten gallon cans during the month of August. This amount of cream shipped is decrease of something like 43 cans under the total of cans shipped from this city in the preceding month.

The total of August's shipments continues further the decline noted in the past few months of cream from the local stations. Last month's record being 43 ten gallon cans of cream under that of June shipments. It is thought that the drought has entered into the shortage of the commodity to a great extent.

The Express Company handled 227 of the total cans shipped from Clarendon while the remainder of the cream was shipped by the several truck lines which operate from the city to the nearby markets.

In the first week of August there was a total of 87 ten gallon cans of cream shipped from the local stations. This record was topped the second week with the total reaching 74 cans of the dairy product. The total again soared upward for a high peak in the third week of August when 82 ten gallon cans were recorded by the shippers. The fourth week's total dropped alarmingly when only 47 cans were shipped from the local stations to the various markets.

August's total brings the year's record to approximately 2,480 ten gallon cans of cream to be shipped from local cream buyers.

PANHANDLE PRESS ASSOCIATION

Donley County has a number of farmers who have made money this year off their melon crops and other produce—money enough to care for themselves and families and to spare. We know of one in particular who has made over twelve hundred dollars on less than fifty acres. That man has the heart of a champion, just like Bobby Jones—he just won't be beat.

One of the largest business institutions of the community has resumed operations this week in full blast—our public schools. There are more men and women on the pay roll of the schools than in any other single business in Clarendon, and these people as teachers are engaged in the greatest business of society today—the training and educating of our young people. Let us give full co-operation to the school board and faculty that this great business in our midst may achieve larger success in 1930-31 than in any year previous.

Bill collectors about town Monday found an unmistakable atmosphere of optimism among the business men of Clarendon. Sure, the crops are not what we would like, prices could be much better, but fall is just around the corner, the gins are beginning to hum and nearly everybody is getting busy for fall and winter business. Things could be a lot worse, and when we consider how some parts of Texas and other states are, it gives us great cause for thanksgiving. Let's make the most of what we have and be happy while we are doing it. Life has no sounder philosophy than that.

NAKED TRUTH, BUT NOT TOO NAKED

Experience teaches that tact and diplomacy build business better than bald statements of fact. A soft answer turneth away wrath. Kind words butter no parsnips, but every one's vanity blushes gratefully at a touch of conversational oleomargarine. You are engaged in chasing the slippery shekel, and though your unprintable opinion of some customer may be justified, the too frank expression of that opinion may put red ink on your balance sheet. The naked truth, Horace, but not too naked.—Spinal Colyums.

MAKING BUSINESS ATTRACTIVE

If you take two lunchrooms or refreshment stands along a leading motor route, and decorate one with a pleasing display of flowers and shrubs, while the other is left plain and unadorned, which one will get the business? Naturally it will go to the decorated one. People will think that a proprietor who takes so much pains to have a pleasing place will take equal pains with his food. It is just the same in the appearance of a business center. One that has neat and attractive buildings kept clean and fresh, and located in a town with trees and well kept grass will get more business. It will go ahead of a plain one where no attention is paid to appearance, and where there is no beauty in the community.—Haskell Free Press.

HERE'S THE PHILOSOPHY OF THE AVERAGE TEXAS NEWSPAPER MAN

A number of readers stopped me before the election to congratulate me on my column of last week, and one went so far as to say: "Thank goodness we have a newspaper that cannot be bought or browbeaten, and whose editor believes in saying what he thinks." I reprint that for one reason. That is because there will be a time when these gentlemen and I will see some public question from different angles. When that time comes they will be asking me how much I got for writing such and such, and who made me do so and so, just as they were doing about the papers that supported Sterling. I love the kind words, but I have been in this business long enough to know that sour ones may come at a later date. So I take both with a pinch of salt, and pursue my peaceful way believing in the fairness and sincerity of the average weekly paper.—Deck Wells, ir Wellington Leader.

A DANGEROUS PRACTICE

It is no uncommon thing to see automobiles, trucks and trailers parked at the side of the road, not entirely clear of the pavement. The practice of leaving vehicles thus parked is fraught with danger, not only to other people but to the owners of such vehicles. This is especially true if the vehicles are parked at the side of the road after dark and left standing without being properly lighted. A few nights ago a truck, loaded with lumber, was left parked right on the pavement near Borger. No warning lights were on the truck and soon after dark an automobile was driven into the rear of the truck, the pieces of lumber being driven almost entirely through the car, and the occupants escaped, by some miracle, with nothing more than scratches and bruises. Automobiles cause enough deaths under the most favorable conditions and anything which increases the hazards to automobile drivers should be discouraged in no uncertain manner.—Panhandle Herald.

A GOOD MAXIM TO FOLLOW

If you your lips would keep from slips,
Five things to observe with care:
To whom you speak, of whom you speak,
And what and when and where.

TWO MORE INDUSTRIES

Announcement of the reopening of the Western Packing plant at Amarillo and the contemplated removal of the Air-omatic Manufacturing factory from Wichita, Kas., to Amarillo, follows closely news of the stupendous railroad activity under way or planned for this section.

The world loves a winner and one usually has to reserve a seat in the band wagon if one expects to ride. The Panhandle-Plains country is the outstanding spot on an otherwise clouded national industrial map, and the rush has begun.

Lest we forget—and fail to give credit where credit is due—these material blessings are bestowed because of the inviting field offered by the Panhandle-Plains as a whole; Amarillo's share in them comes from its central location and distributing facilities.—Amarillo News.

IS NECESSITY A LUXURY?

Necessity drives us to hire a cheap bookkeeper to ball up the accounts.

Necessity drives us to move onto a side street where no customers pass.

Necessity drives us to save the advertising expense and suffer oblivion.

Once convinced that we are driven by Necessity, we put our brains on ice, put courage on half-time, and put in our days trying to wrap our big toe around our little one.

People without "drive" tell you they are being driven by necessity. It is their one luxury. Without it they would have to think, have to stand up and take their punishment. So they harness themselves up and rush blindly around backward until one of the Necessities hitches them up and cracks the whip.—Spinal Colyums.

DECENT

How is this for a creed?—
I will be decent—not particularly pious nor good, nor superior—but just plain decent.

I don't like dirt.
I don't like soiled clothes, nor muddy shoes, nor coarse speech.

I am not proper, nor fussy. I am decent.
I like clean things; a white table cloth, a clean plate, a tidy desk.

I like a man who sticks by his legal wife.
There are plenty of unclean and foul things and deeds and thoughts in this world of ours; but why cultivate them? Why not be decent?

I don't like dealers in scandal, ugly hints, "stab-in-the-back" gents.

I don't like anybody who talks about Uncle Sam. If he doesn't like this country, let him go to another.

Nor the fellow who is disloyal to his firm. Let him get out, then talk.

I like clean anger better than a grumpy frown.
I may be poor but I can be clean.
I may be ignorant, but I can be polite.

I may be wicked, but I don't know how to be coarse.
I can put up with almost anything but—dirt.
I will be decent.—Selected.

PERSONALS

Mrs. Marjorie McKillop will leave this week for Baylor University where she expects to enter school for the fall and winter term.

Mrs. Kelly Chamberlain and baby returned to their home last week after spending several weeks in Colorado.

Mrs. James Trent left Sunday evening for Austin, Texas, where she will represent the local Auxiliary in a State meeting of the American Legion and American Legion Auxiliary.

Miss Anna Moores returned to her home Thursday after having spent several days in Memphis as the guest of friends while attending to business affairs.

Mrs. Frank Stocking and son Frank, Jr., have returned to their home after having spent the past three months in Cleburne visiting with the parents of Mrs. Stocking.

Mrs. Dee Campbell and daughter, Theresa, of Pampa who have spent the past week visiting in Memphis, were guests of Mrs. Eula Cox Thursday. Mrs. Campbell was enroute to her home.

Rev. S. E. Allison and family are spending their vacation in El Paso having left the fore part of last week.

Rev. and Mrs. W. M. Murrell returned to their home last week after having spent a delightful vacation in Arkansas.

Mrs. L. M. Cousins and daughter Lee Christine arrived Saturday and are at home at the C. A. Burton apartment. Mrs. Cousins is an instructor in our local school.

Miss Elon Aikin has arrived to resume her duties as an instructor of art in the South Ward school.

Miss Aileen Ballew of Amarillo has spent the past week with her grandparents, Mr. and Mrs. L. Ballew and other relatives.

PROMPT DELIVERY SERVICE

One Town or Many

Electricity is required at different times for different purposes.

This simple fact explains why a widespread electric system, serving many communities over a wide area, can operate more efficiently than small plants each serving a single community. Serving a larger number of people, with a greater variety of demands, the widespread system keeps its facilities working over more hours of the day.

There is another important advantage of the widespread transmission system over the small plant serving a single community. The transmission system can meet increased demands at once. No delay is necessary for increased facilities, as so frequently is the case with the small plant.

Community growth is thus encouraged and hastened.

The West Texas Utilities Company places at the disposal of 116 prosperous cities, towns and communities in West Texas, the "Land of Opportunity", 100,000 horsepower of electrical energy—generated by three Major Generating Stations and 22 Auxiliary Plants, and distributed over a network of more than 2,500 miles of transmission lines.

Robinson Sunday. Mr. and Mrs. Hal Walker were visiting over the week end in the home of Mrs. Walker's parents, Mr. and Mrs. F. M. Griffin. Miss Ruth Richardson of Hedley visited with Mrs. C. P. Cunningham in the J. C. Hill home Friday night. Mr. and Mrs. Jim Bell were visiting relatives and shopping in Hedley Saturday afternoon. Master Chester Hill who has been visiting in the home of his uncle, J. C. Hill returned home Saturday afternoon. Quite a few of the people in our community have been attending the Baptist revival at Hedley. Rev. Jewel Sibley who is conducting the services preached his first sermon out here in the Bray school house about eight years ago. J. C. and C. N. Hill are prospecting up on the Plains this week.

HUDGINS

Mr. and Mrs. John Fowlkes visited with Mr. and Mrs. Bernice Christie Saturday night and Sunday. Mr. and Mrs. W. E. Christie and daughter, Miss Pearl, called in the O. L. Christie home Wednesday. Well we have had a few showers the past week but not enough to change the temperature very

"NO MEDICINE EVER HELPED AS DID KONJOLA"

Stubborn and Painful Stomach Ailment Readily Yields To Power of Famed Compound

MRS. EDNA BARNETT

"Each day for a year I was in misery," said Mrs. Edna Barnett, 713 North Pearl street, Dallas. "My system had become weak and run down from indigestion. Food failed to digest and I had a constant burning sensation in my throat and stomach. Gas formed and I often belched violently. My nerves were upset and little things upset me terribly. I did not sleep well at night. "The number of local people getting results attracted my attention to Konjola. I noticed a change for the better in my condition after I had taken the first bottle. I have taken four bottles to date and my health is again normal. I eat what I wish without a trace of indigestion or bloating. My nervous condition is much relieved and I sleep well at night. "No medicine ever helped as did Konjola." The files of Konjola contain thousands of such statements. It is recommended, however, that this medicine be given a thorough trial, in the average case over a six or eight week period. Konjola is sold in Clarendon at Douglas & Goldston drug store, and by all the best druggists in all towns throughout this entire section.

much and not enough to put very much moisture in the ground. Mr. O. L. Jacobs and sons and Alf Tims attended Sunday school at Windy Valley Sunday morning. Mr. J. L. Talley has been having water melons sent to Amarillo this week. Mrs. Gilbert Tims of Chamberlain visited with Mrs. L. C. Tims Friday evening. Mr. and Mrs. Jimmie Allie of Pampa visited the lady's parents, Mr. and Mrs. J. L. Talley Thursday. Mrs. Jim Hickman and son Lawrence of Clarendon spent the week end with her parents, Mr. and Mrs. M. M. McCracken. Mr. and Mrs. Newell Hudson and children of Happy, Texas, are visiting the lady's parents, Mr. and Mrs. M. M. McCracken, from here they will go to Wellington to visit Mr. Hudson's parents. Miss Lola Bryant of Clarendon visited her aunt, Mrs. J. L. Talley and visited the school at Hudgins Friday. Jimmie Milsap of Chamberlain called in the Morris Milsap home Thursday. Alf Tims spent Saturday night and Sunday with Donnie Jacobs. There was a large crowd present at the party in the B. B. Christie home Saturday night, all reported having a good time. We are sorry to report Mrs. O. D. Meador on the sick list last week. Hope she will soon be well again.

The Hudgins boys went to Windy Valley Wednesday and played ball. The score was 17 to 1 in favor of the Valley boys. Frank Behringer was sick Thursday, being unable to teach. Mrs. Milsap taught his room and Miss Johnnie Long taught the other room, but we are glad to report him well again and able to teach. Miss Oneta Thompson and Miss Florence Goodjion visited school at Hudgins Tuesday. Mr. and Mrs. Bernice Christie and Miss Florence Goodjion and Mr. and Mrs. John Fowlkes went to Groom Monday. Some few in this community commenced to pick cotton Monday.

Frank Behringer and Mrs. Milsap are attending the Institute at Clarendon this week. More fine dairy herds will be on exhibit at the Third Annual Southwest Dairy Show to be held at the State Fair of Texas, Oct. 19 to 26, than were ever shown in the South. The Regional Show of the American Jersey Cattle Club will be one of the features of the American Jersey Cattle Dairy Show. Texas will have three of the twenty-nine new members of Congress under the present reapportionment bill, bringing its total to twenty-one representatives.

NEWS RECEIVES LETTER FROM READER IN AFRICA

The News was the recipient of a letter Tuesday of this week that should be much prized by stamp collectors, for the reason that it was written and mailed in Portuguese West Africa. The letter was written by Hobart E. Stocking and calls the News to task for a story reprinted some weeks ago concerning the repainting of a picture. The story was reprinted as we received it and the totals seem to be out of line by a small trifle of some nine dollars. In any event, we feel that the readers of the News will like to read the letter, so we are carrying it herewith. The letter:

The Clarendon News, Clarendon, Texas, America de Norte. Gentlemen: Down in these latitudes where newspapers are not so common as lions nor so sagacious and brave in their actions as buffalo; where huge roan antelope, dear, kudu and burro-de-matu are more numerous in a single five-mile long valley than are printed words on the front page of a weekly news-organ, those few journals that do wander this far off the beaten track are likely to be subjected to a more critical, thorough survey than they must undergo in localities where the greater numbers of population move on two instead of four feet.

The attached article is a clipping from a May 1930 issue of The Clarendon News. The statement in itself is amusing but the real joke seems to be had at the expense of The Clarendon News. One is moved to judge the Artist, if he collected the amount of the statement, as a clever business-man and the erudition of the Board of Deacons quite becoming of those individuals one so often finds in those positions.

SOCIETY

Pierce-Peabody

People of Donley County and Clarendon were surprised Saturday when it was learned that Miss Mary Belle Peabody of Martin became the bride of Mr. Guy Pierce. The young couple motored to Hollis, Oklahoma, where they were married at 10 o'clock Saturday morning and drove back to this city where they will make their home.

Miss Peabody is the attractive and talented daughter of Mr. and Mrs. Will Peabody of the Martin community. She was reared and has grown into young womanhood near Martin, also receiving her education in the Donley County schools. Miss Peabody is one of the most popular young ladies of the entire county, having an unnumbered list of friends.

Mr. Guy Pierce is the son of Mr. and Mrs. S. A. Pierce of this city. He grew to manhood in Clarendon and enlisted in the U. S. Navy, where he served for eight years. Guy has been deputy sheriff under Sheriff Mosley for the past year and has proven to be one of the most competent piece officers in the Panhandle, and was recently elected sheriff of Donley County.

The romance was started about one year ago when the couple first met and has grown in its sincerity until its culmination last Saturday in Hollis, Okla. The happy couple will make their home until the first of the year with Mrs. Pierce's parents at Martin.

The News wishes this fine couple the most of happiness and success in their life together.

Hagerty-Naylor

Friends of Miss Mae Naylor were surprised to learn of her marriage to Mr. V. E. Hagerty at Frederick, Oklahoma, July 26, 1930. The announcement was received of the happy event only last week by members of Mrs. Hagerty's family. The marriage was kept a secret by the couple for a month without either friends or relatives of the couple knowing of the wedding.

Mrs. Hagerty was raised in Donley County, and has grown to young womanhood in Clarendon, where she has former a large host of friends. For the past several years she has been employed by the Southwestern-Bell Telephone Company in this city, and has been working as relief operator in a number of exchanges over the country. It was while she was working in New Mexico where she met Mr. Hagerty, that the romance began.

Mr. Hagerty is a lineman for the Southwestern-Bell Telephone Co., and he and Mrs. Hagerty will be at home to their many friends either in Borger or Stinson. The News joins the couples host of friends in wishing them a long and happy life together.

Hahn-Bulls

Friends of Miss Hazel Bulls and Mr. Homer H. Hahn will receive with much pleasure the announcement of their wedding on Saturday 6:00 p. m. at the Methodist parsonage in Amarillo. Rev. Bays of Polk Street Methodist church officiating.

Miss Hazel Bulls the attractive daughter of Mr. and Mrs. J. R. Bulls, has been reared in and near Clarendon and received her education in the Clarendon schools. She is a graduate of Clarendon High school, Clarendon College and has done post-graduate work in W. T. S. T. C. at Canyon and Texas Technological College at Lubbock. She is known rapidly and having the qualities for her attractiveness and pleasing personality making friends necessary to retain their friendships.

Mr. Hahn a native of Indiana, is in the research department of the Carbon Black Company of Amarillo and in Pampa.

Mrs. Hahn will continue her work in the Pampa Public schools and the happy couple who receives the felicitations of the News and their many friends will be at home at 434 Crest St. in Pampa, Texas.

Picnic

A group of happy Juniors with their sponsors, some 65 strong motored to the grove on the farm of Mr. C. C. Phelps for a picnic Friday afternoon. They had a delightful time playing games. But the crowning event was all the "red" lemonade and cookies they could eat.

This celebration came as a climax to the intensely interest-

ing race between the Juniors during the recent Baptist revival. The cars chosen by the Juniors for this race were the Cadillac and the Packard. The Cadillac group won by a nice margin, but both groups showed a fine mileage. The points for mileage were: Present 10, on time 10, attending the morning service 10, learning the daily memory verse 5, and securing the promise of a person to read the designated chapter daily 5 points, a new member 20 points.

An unusual feature of the race was that several members of the Cadillac group took several days from their side and worked for the Packards, helping them "fix flats."

This enthusiastic group of young people made a real contribution to the success of the meeting, advertising the meeting, helping in the song service and existing people in reading God's word.

Mrs. Boston Entertained with Outing

Mrs. U. J. Boston delighted the members of her Sunday school class with an outing at the country club on Monday afternoon as a reward for their regular attendance during the summer months.

Swimming was the principal diversion with games following. Then a sumptuous picnic spread that did not require much effort to tuck away.

Attending were Bobby Boston, A. J. Smith, Lowell LaFon, Billie McAdams, Wesley Strawn, Aubrey Brady, Woodrow Bulls and Billie Baker.

Young People's Department Picnic

About forty-five members of the Young People's department of the Methodist Sunday school mounted trucks and journeyed to Gun Boat Mountain on Monday evening.

The members of the class, taught by Miss Myrtle Armstrong furnished the refreshments of hot dogs and ice cream which were enjoyed to the utmost after the party had hiked over the immediate vicinity of Gun Boat and explored the most interesting parts of round-about returning home late in the evening.

Mrs. Meadow Hostess

A delightful and enjoyable party of last Monday afternoon was that given by Mrs. Elsie Meadow for Misses Mable Johnson and Julia Hahn at the Cooper swimming pool.

The young ladies had worked during the summer doing summer school work and Mrs. Meadow had promised this party early in the spring if they would accomplish a certain amount of work. This they did and Mrs. Meadow found it quite interesting first watching them swim and play in the water and then supervising their games on the lawn and watching their faces light up with pleasure when the dainty and pleasing refreshment course was served.

To enjoy this were: Julia Hahn and Mable Johnson, the honorees, Margaret Reavis, Minnie Bell Spurgeon, Helen Campbell, Billy and Catherine May, June Adams, Laverne and Loraine Spurgeon and Billy James and Leon Hatley.

Mrs. R. Woods Named Honoree

Mrs. R. Woods of Denison, Texas, was named honoree of a delightful affair on Tuesday by her friend, Mrs. Harry Ruddell, in whose home she and Mr. Woods have been entertained for the past few days.

Cooling drinks were served during the playing of bridge adding much to the comfort of the guests.

Mrs. D. O. Stallings was winner of high score, Mrs. Geo. Woods received a lovely guest-of-honor favor.

Dainty refreshments were served at the close of the games to: Mesdames Eva Rhodes, J. G. Sherman, Fred Rathjen, M. M. Noble, O. L. Jenkins, C. E. Killough, B. F. Kirtley, D. O. Stallings, Geo. Green, R. Woods of Denison, honoree and Miss Jessie Ingram.

An Enjoyable Outing

Taking advantage of the last summer holiday for the children the teachers of the Primary department of the Methodist Sunday school under the supervision of Mrs. W. W. Taylor entertained their pupils with an outing Tuesday to the river but due day afternoon.

The plans had been to take the boat to the river but due to the weather at the time they went to the outskirts of the city and there played games and enjoyed the picnic lunch returning late in the evening much refreshed and more eager to begin school that they might be with their friends daily.

A Pleasant Affair

Outings and picnics seemed to have met with the approval of a number of groups the past week due to the number held and no other kind of entertainment seems to give quite the thrill and exquisite pleasure as an outdoor affair.

Taking advantage of the coolness of the weather the following group of ladies held a watermelon feast at the river on Tuesday afternoon:

Mesdames Roy Couch, Joe Cannon, Buster Vaughn, Marvin Warren, George Garrison Vada Carpenter, Marvin Land, Miller and Miss Sue McDowell of Goodnight.

Miss Grace Mae Sample is Honoree

The blending of garden flowers in pastel tints made an artistic setting for the reception given by Miss Helen Martin for her friend, Miss Grace Mae Sample on Thursday afternoon at her home.

Miss Sample, who is to be an instructor of piano and pipe organ in the schools of our city for the coming term proved a most interesting person. Having spent the past six years in Egypt and the Orient, she has wealth of experiences to relate.

A large group of ladies called during the afternoon and enjoyed the hospitality of Miss Martin and the congeniality of the delightful affair.

During the afternoon Miss Pauline Shelton, a promising pianist delighted those present with a pleasing number. Miss Eunice Johnson in her usual charming manner gave an interpretation of

A Delightful Outing

On Saturday afternoon Mrs. O. T. Smith, Mrs. J. L. McMurtry, Mrs. W. W. Taylor and Mrs. C. B. Trent were hostesses to a group of girls who have been instrumental in helping to put over a local project in which the above mentioned ladies were interested and it was to compliment them that this delightful outing was given at the country club.

On arriving a swim was enjoyed before the out-door lunch was prepared and served only to be driven in-door by a light shower, but that did not dampen the ardor of the girls, who found amusement in dancing and other forms of pleasure.

To enjoy this were: Misses Elizabeth Kemp, Johnnie Dee Latson, Carroll Holden, Pauline Shelton, Pauline Sanford, Jean Bourland, Dorothy Jo and Vivian Taylor.

A. J. Smith, Alfred McMurtry and Drew Wilkerson were also members of the party.

Mrs. Brady Hostess

True to her usual way of giving truly lovely affairs, Mrs. Lillian Brady entertained on Tuesday for the members of her bridge club with a most pleasing party.

The rooms were artistically arranged with asters, dallas and snap dragons which set the color scheme for the afternoon as yellow and green.

Yellow and green predominated in the score cards, refreshments and prizes which went to Mrs. C. W. Bennett Jr., club high, Miss Agnes Caraway, guest high and Mrs. Charlie Bairfield cut.

Seated for the games were: Mesdames Sam Darden, C. W. Bennett, Jr., B. F. Kirtley, Paul Smithy, Cleo Norwood, Jim Haile and Miss Lotta Bourland, club members.

Mesdames Charles Bairfield, Clyde Price and Carroll Baldwin of Lamesa, Misses Norma Rhodes Clarice Fuller, Obie Crabtree and Agnes Caraway, Hazel Bulls, Betty Weatherly and Mildred Stewart invited guests.

Harold Bugbee Returns Home

Harold Bugbee, well known cowboy artist of the North Plains returned to his home the past week-end from a sketching trip to scenic points in South Texas, New Mexico and other points in of historic interest.

Mr. Bugbee is arranging for several late exhibits in the larger cities of Texas.

Tatum Family to Make Home in Wichita Falls

Mrs. E. R. Tatum and family are leaving this week to make their home in Wichita Falls much to the regret of their many friends here.

The Tatum are long time residents of this city and a family of which we could point with pride and one that will be greatly missed especially among the members of the Baptist church where they have been faithful workers.

Mrs. Lester Schull Entertains

The most enjoyable picnic given by Mrs. Lester Schull in some time was that on Wednesday afternoon when she took the members of her Sunday school class to the country club for an afternoon of pleasure.

The children played in the water and on the lawn until a most pleasing picnic lunch was spread which was thoroughly enjoyed, including the watermelons.

To enjoy this were Lalar Belle and Margaret Wilkerson, Mary Ella Robinson, Ethel Wilder, Joe Word, T. D., Donald and Zelda Ruth Nored.

Mesdames Lester Schull, T. D. Nored and R. Wilkerson.

1926 Book Club Opens Club Year

The 1926 Book club opened the club year with the study of "Fascination" by Alice Duer Miller, Tuesday afternoon at the country home of Mrs. W. C. Thornberry with Mrs. Rayburn Smith as assistant hostess.

Mrs. Fred Buntin was leader giving a short biography of Alice Miller with Mrs. Rolie Brumley giving a summary of the book in a most pleasing manner.

It was a pleasure to meet the members of the club again, some having been away the entire summer and a real social hour was enjoyed following the program.

Win-One Class Enjoy Social

Mrs. T. D. Nored and Mrs. Will Johnson were hostesses to members of the Win-One Class at the home of Mrs. Nored on Monday.

The rooms were attractively arranged with late summer flowers and the program opened with an instructive devotional which was brought by Mrs. R. Y. King.

During the business session numerous things were discussed and plans for raising money to use for the clothing of the two orphans supported by this class were decided upon.

Election of officers was held with the result as follows: Mrs. W. C. Thornberry, President; Mrs. J. S. Sherman, Vice President; Treasurer, Mrs. C. L. Benson; Secretary, Mrs. D. O. Stallings; Teacher, Mrs. J. T. Patman; assistant teacher, Mrs. R. Y. King.

A delicious ice course was served at the completion of the business and a social hour was enjoyed by Mrs. Don Martin, Mrs. Thornberry of Wichita Falls, Mrs. H. B. Naylor, Mrs. Rayburn Smith Mrs. R. Y. King, Mrs. M. M. Noble, Mrs. C. L. Benson, Mrs. A. L. Maves, Mrs. E. Wilkerson, Mrs. C. D. McDowell, Mrs. D. O. Stallings, Mrs. Bill Meadow, Mrs. R. C. Weatherly, Mrs. W. C. Thornberry and Mrs. Fred Russell.

Mr. and Mrs. F. J. Downey and children left Thursday of last week for Wellington where they will make their home. It was with much regret that the many friends of this family received the news of their removal to the above mentioned place.

W. M. S. Meets
The Women's Missionary Society of the First Christian church met in the home of Mrs. J. H. Casey with 12 members and two visitors present.

Topic of study—"Searching for Treasures in the Caribbean." Refreshments were served to the following members: Mesdames S. B. Arnold, Ed Carlson, Eva Humphrey F. C. Johnson, J. D. McAdams, J. R. Tucker, F. A. White, J. N. Wood, C. L. Knight, Tom Bullock, R. C. Bryan. Visitors, Mrs. M. W. Mosely, Mrs. Clarence Pipes and the hostess.

Woman's Auxiliary To Study India
The Woman's Missionary Auxiliary of the M. E. church South began their new study "India" on Wednesday afternoon when they met at the church. Mrs. R. Y. King is leader for this study and it promises to be real interesting and much interest was shown by the large group of ladies in attendance.

Episcopal Auxiliary Renews Work
After having been closed for the summer months the Episcopal Auxiliary of the M. E. church South began their new study "India" on Wednesday afternoon when they met at the church. Mrs. R. Y. King is leader for this study and it promises to be real interesting and much interest was shown by the large group of ladies in attendance.

POSTED NOTICE
Word ranch against wood hauling and trespassing of any kind. Commerce Trust Company, Kansas City, Mo. Chamberlain, Knorpp, Wheatly, Agents. (tf)

CARD OF THANKS
We are indeed glad to have the privilege of thanking everyone for their immediate and generous contributions to us after the loss of our home by fire.

Were it possible to thank each one personally we would be very glad but since they are so widely distributed it is impossible so we choose this means. We especially thank those of Ashtola, Martin and Clarendon who did so much in our behalf. Also the Masonic Lodge of Clarendon, and the Home Demonstration Club of Martin for their special gifts. R. L. Mason and Family.

IN CORRECTION
In last week's issue of the Clarendon News the name of W. E. Gregg was unintentionally omitted from the signatures under the Card of Thanks item of Mr. Charlie Gregg's death. We wish to bring attention to this oversight of the News as the fault was our own. Thank you.

pal Auxiliary began anew their work on Wednesday afternoon at the home of Mrs. L. S. Bagby with nine members who answered to roll call with a Biblical reading.

Mrs. C. W. Bennett acted as secretary in the absence of Mrs. L. L. Swann and recorded the reports made on the sale of the cook books, recently completed by this organization. Devotional was led by Mrs. A. R. Letts.

Mrs. Bagby served a most tempting two course afternoon luncheon, at the close of the meeting, from a table most attractively centered with pink asters which blended beautifully with the pink cover.

W. M. S. Elects
The W. M. S. of the Baptist church met at the church Wednesday afternoon and listened attentively to the lesson, 12th chapter of 1st Cor., which was brought by Mrs. W. C. Stewart.

The annual election of officers was held with the following results. Mrs. Wm. Gray, re-elected president; chairman of various Circles Vice Presidents, Mrs. Cap Lane, Recording Secretary; Mrs. A. T. Cole, corresponding secretary and Treasurer; Mrs. Allen Bryan, accompanist; Mrs. Van Kennedy, assistant accompanist. Rev. B. N. Shepherd, Bible leader.

Plans were laid for the entertainment of visitors of the Association Meeting on Sept. 15th, 16 and 17, also 22, and 23 of September.

Farewell Reception
With Mrs. Mollie E. Gray as hostess, a reception was given by members of the Baptist church Friday afternoon from three to five, honoring Mrs. E. R. Tatum, Miss Frances Tatum, Miss Mildred Sparks, Miss Fern Cauthen, and Miss Marjorie McKillop, who are leaving our city within the next few days. Mrs. Tatum and family are moving to Wichita Falls, where they will make their home in the future. Miss Fern Cauthen is leaving for Wichita Falls where she will enter training for the profession of nursing. Miss Marjorie McKillop will enter Baylor University.

Each of these have been active members of the Baptist church. Beautiful gifts were presented to each of the honorees as expressions of love and esteem.

The following program of music and readings was given during the afternoon:
Piano Solo—Miss Gertrude Shepherd.
Reading—Mrs. W. C. Stewart.
Vocal Solo—Miss Sarah Thompson.
Violin Solo—Miss Marjorie McKillop.
Reading—Miss Naomi Allison.
Vocal Solo—Miss Anna Moores.
Reading—Mrs. Joe Goldston.
Vocal Solo—Mrs. Rolle Brumley.
Piano Solo—Mrs. C. B. Stevenson.

At the close of the social hour punch was served. Those present besides the hostesses and guests of honor were: Mesdames T. M. Couch, W. T. Lowe, A. T. Cole, M. E. Thornton W. B. Sims, E. R. Crabtree, Joe Goldston, W. E. Holtzclaw, Richard Cannon, B. N. Shepherd, Geo. Doshier, C. A. Baldwin of Lamesa, Texas, W. C. Stewart, Geo. H. McCleskey, Mrs. Allen Bryan, Rolle Brumley, J. D. Swift, Joe Cannon, Paul May, H. J. Ward-

ROADS TO REDUCE AUTOMOBILE COSTS
AMERICAN MOTORISTS TO TRAVEL QUARTER TRILLION MILES THIS YEAR
By E. E. DUFFY

The average American motorist this year will travel between nine and ten thousand miles and will burn in the neighborhood of 600 gallons of gasoline.

Fortunately most of this traveling will be done over roads that have been improved if not hard surfaced. But much of this travel will be on roads which although they keep the motorist out of the mud still perform only half the function of the modern road.

There was a time, when automobiles first descended on an unsuspecting public like a flock of locusts, when keeping out of the mud was the prime consideration. But today, with American motorists piling up a quarter trillion miles of travel a year, the prime factor is that of building roads over which travel may be accomplished at the least possible cost to the motorist and the tax paying public.

Peculiarly, this matter of car and road economy has been neglected in countless communities. Unfortunately few motorists keep accurate car operation cost figures so that actual costs of operating over various types of highway surfaces can be determined.

This is one reason many communities permit themselves to become equipped with pavements that give a semblance of good service, but do not. Another reason is that few citizens take the trouble to ascertain how much of the community money goes for road and street maintenance.

For instance, a community may possess a considerable length of lightly surfaced thoroughfares which cost a great deal to maintain. It is decided to resurface and because the price is somewhat lower than that of first class rigid paving, a fairly thick coat of flexible material is installed. But the important item overlooked is that this new surfaced has a life only one third or one half as long as hard surfaced pavement, and an upkeep cost or three times greater.

Investigations have revealed that hard surfaced pavements, with a life of two or more decades, are by far the cheapest both to the individual motorist and the government. Studies have shown also that a pavement is no

low, Matt Bennett, C. G. Stricklin, C. B. Stevenson, D. L. McClellan, J. L. Allison, C. W. Taylor, Ida Lee Crabtree, Mary Lowe, Ruth Thompson, Getrude Shepherd, Ruth Crabtree, Elizabeth Stevens, Sarah Thompson, Gertrude Shepherd, Ruth Crabtree, Elizabeth Stevens, Ruth Thompson, Lotta Bourland.

ANNOUNCING
We have Lady Don's Baby Face Lotion, a marvelous bleach, a beautifier. Stocking's Drug Store

stronger than its base, and if the base is strong enough there is no need for top surfacing.

Obviously the yearly mileage of the average motorist is to continue growing. A few years ago the mileage was five thousand; today nine thousand; tomorrow it will be twelve thousand miles. All this means that the cost of the unit of travel must be reduced; his can only be done by building rigid pavements that save the motorist from one to two and a half cents per mile of travel over lower types.

PERSONALS
Mr. and Mrs. John Alexander and children of Olney, arrived here Tuesday for a visit in the home of Mr. and Mrs. G. L. Green.

Miss Bonnie Nell Gordon from Miami, is visiting Miss Josie Mae Davis, and sister, Mrs. Durwood Skelton.

Miss Helen Beck and Miss Temple Harris are with us again after having spent their vacation in their respective homes.

Mr. and Mrs. L. C. Seldon and niece, Miss Catherine Lloyd of Columbia, S. Carolina, who visited for a time with Mrs. Geo. B. Bagby have returned to their home.

Mrs. Wm. Spitzer, who has been ill for some time left Wednesday morning for Colorado and other points in pursuit of her much wanted health. She expects to be away about one year.

Mr. and Mrs. R. Woods of Denison, Texas left Wednesday morning for their home after a short visit with their friends, Mr. and Mrs. Harry Ruddell.

Mr. and Mrs. Fred Wewerka returned from their honeymoon trip on Tuesday evening going to Pampa on Wednesday when they will move immediately into the home waiting them.

Joe Bourland arrived Saturday night from Annapolis, where he has been attending the United States Naval Academy. Joe likes the service and will report back to that institution about the 20th.

George Moffitt of Chillicothe spent Tuesday night here attending to business matters in connection with the Clarendon Motor Company.

Mr. Arthur Sims of Fort Worth spent the past week end with his parents, Mr. and Mrs. W. B. Sims, Mrs. Olin Walker and daughter, Anna Marie of Amarillo are also guests in the Sims home.

Homer Mulkey spent the fore part of this week in Dallas making arrangements for the remainder of the pictures needed to complete his schedule for the present season.

Tom Thornton, manager of the Zeese Engraving Co., was in Clarendon today enroute home from points in Oklahoma. While here he visited with the News editor, an old friend.

Mr. and Mrs. Meredith Gentry returned Tuesday from their vacation spent in New Mexico, Colorado, and Utah. They report a very pleasant time with many interesting points along the route.

Miss Sybil Smallwood of Amarillo spent the past week-end here visiting in the home of Mr. and Mrs. Walter Clifford.

Miss Reuella Dubbs is spending this week in Amarillo visiting in the home of Mr. and Mrs. C. W. Dubbs and family.

Miss Mary Howren has returned from her summer's vacation spent in Europe and has resumed her duties as instructor in Mathematics in Clarendon College.

Growing animals not only need an abundant supply of proteins should be of the right kind. For example, experiments carried on at the U. S. Department of Agriculture farm at Beltsville, Md., show that vegetable or plant proteins are not so valuable in an egg-laying ration for hens as animal proteins such as meat scrap and fish scrap.

School Needs

Book covers will be furnished the children of Clarendon by the Donley County State Bank, the Lions Club and the Rexall Store FREE.

These will be given to you by your teacher. See that you get them.

QUICK RELIEF

Rheumatism Lumbago Neuralgia Headaches Colds

Relief From Curse Of Constipation A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the large, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day weight gain of 24 for 25c today at the nearest Rexall Drug Store. DOUGLAS & GOLDSTON DRUG CO.

When BABIES are Upset

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. It's gentle influence will ease and soothe the infant who cannot sleep. Its mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.

HARVEST TIME The growing season has almost ended for the crops of this section of the state and the time for harvest is drawing near. Is the time for the harvest of your savings approaching? Have you made a start in this direction? A small deposit is all that is needed to plant the seed. After that, the crop will care for itself. WHY WAIT LONGER? FARMERS STATE BANK

Some things people do to help the bowels whenever any bad breath, feverishness, biliousness, or a lack of appetite warn of constipation, really weaken these organs. Only a doctor knows what will cleanse the system without harm. That is why the laxative in your home should have the approval of a family doctor. The wonderful product, known to millions as Dr. Caldwell's Syrup Pepsin is a family doctor's prescription for sluggish bowels. It never varies from the original prescription which Dr. Caldwell wrote thousands of times in many years of practice, and proved safe and reliable for men, women and children. It is made from herbs and other pure ingredients, so it is pleasant-tasting, and can form no habit. You can buy this popular laxative from all druggists.

WHEN FOOD SOURS ABOUT two hours after eating many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been over-stimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid. The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. Results come almost instantly. It is the approved method. You will never use another when you know. Be sure to get the genuine Phillips Milk of Magnesia prescribed by physicians for correcting excess acids. 25c and 50c a bottle—any druggist. "Milk of Magnesia" has been the U. S. Registered Trade Mark of the Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

ITEMS OF INTEREST IN DONLEY

BRICE

The Methodist meeting which has been going on for the past ten days came to a close Wednesday night. There were several additions to the church.

Mr. Hill had as guests Sunday night, Mr. and Mrs. Sam James of Amarillo.

Mr. Hardy Roy and family spent last Sunday in the home of the lady's parents, Mr. and Mrs. G. B. Higginbotham of Goldston.

It was rather surprising to the majority of the Brice people to learn of the marriage of Miss Inez Tidwell of this place and Mr. Boyd Adams of Martin.

We had as a visitor from Chamberlain Tuesday, Mr. Amos Milsap.

Miss Billie Hughes left for Childress last Saturday where she is to enter school.

Ben Hill, Duke Osborn and Willie Tedder made a business trip to Memphis Wednesday.

Mr. Spitzer who owned a grocery store in North Brice sold out to Mr. Jeff Aduddell last week and he moved back to Clarendon. They are expecting to go to Colorado soon for Mrs. Spitzer's health. Mr. and Mrs. Sybil Aduddell are now in charge of the store.

Mr. T. C. Isham spent the fore part of the week at Quail visiting relatives.

Mr. Charlie Lewis and family were guests of Mr. Lewis' brother Mr. Bud Lewis of Leslie Wednesday night.

Charlie Gregg who is familiarly known as Grandpa Gregg died at the home of his son, Elsie Gregg, August 25th after a long illness. Rev. Allison of Clarendon preached his funeral in the auditorium at the Ashtola school house and was buried at Clarendon. Bro. Gregg had been a member of the Methodist church since he was 40 years old and has lived a devoted christian life, loved by all who knew him. He will be missed in his home, his church and his community.

There are two noticeable changes in the "tags" for 1931. They will not be marked "front" and "rear" like the present tags. A front and rear tag are required, but they are made just the same, making a saving to the state of \$7,000.

Another change has been made which is expected to make the numbers more easily read. As the Texas numbers now run into the million, it has been decided to use letters for hundred thousands.

A tag that would read 142101 under the old system will be

 The public, especially strangers and those with no local church affiliations, are cordially invited to these services.
 The circles of the Women's Auxiliary will meet Wednesday afternoon.

CHURCH CHAT

No view of Christ should be held which conflicts with Biblical statements. The Scriptures contain teaching regarding Christ so profound that its meaning is undiscovered to human intellect. Yet men should accept all God says, in faith. All around us are mysteries which the brainiest scientists fail to explain. Is it to be wondered that, in religion all is not easily comprehended? We must admit the truths of God's word, even at times, much is inexplicable to the finite mind.
 "Great is the mystery of godliness," God was manifest in the flesh (1 Tim. 3:16). Emmanuel; God with us (Matt. 1:23). In the beginning was the Word and the Word was with God. All things were made by Him and without Him was not anything made that was made (John 1:1-3). In Him dwelleth all the fullness of the Godhead bodily (Cor. 1:9). Christ is the center of the Christian faith. Christianity is not based upon theories, but upon the person of its Founder, who is the embodiment of the highest and best which humanity craves for. His life on earth was a perfect example of His own teaching. His character was stainless, His teaching infallible, and adapted to every land and age. Among the sons of men He stands alone, in unshared and unsharable sovereignty. In Him is the preeminence (Cor. 1:18). He is the "head over all things to the church, which is his body" (Eph. 1:22). Separate Christ from the two ordinances of the church, baptism and the Lord's Supper, and they become valueless and meaningless. He is "the way" to God's favour, family, and immortal bliss; "the truth" infallible and unchanging, "and the life" (John 14:6). Through Him we who were out of the way draw nigh to the Father. In Christ, our sins are put out of the way, whilst we have a seat at the King's table. In Christ we have an elder brother, of infinite power and unfailing love. In Him we have one who can be touched with the feeling of our infirmities, that hath been in all points tempted like we are and yet without sin (Heb. 4:15). Let Him be the subject matter and the very soul of preaching.
 In our two sermons Sunday we hope to present two lessons on Christ, in the morning our subject will be, "Where is Christ

HUGH BROWN SUFFERS BROKEN ARM AND LEG

As the result of an automobile accident Tuesday night at the intersection of Kearney and fourth streets, Hugh Brown, local citizen, suffered a broken arm and leg.
 Mr. Brown stepped off the curb at the Bide-A-Wee Miniature Golf Course and was run down by a Plymouth automobile driven by Jack Hays. Mr. Brown was drug about twenty-five yards before the machine could be stopped. He was extracted from beneath the car and immediately taken to the hospital where his injuries were examined and treated. It was at first feared that he was suffering for internal injuries, but an examination failed to find this the case. At last report Mr. Brown is resting very easy, and barring complications should recover soon.

LOCAL PEOPLE MAKE TRIP TO CARLSBAD

Leaving the city Thursday morning, Mr. and Mrs. B. C. Antrobus, Miss Sarah Williamson and Mr. and Mrs. T. G. Stargel made a visit to the Carlsbad Caverns in New Mexico. The party made the trip through the caverns Friday and returned to the city Sunday.

HILLCROFT GOLF CLUB CADDIES HOLD TOURNAMENT

The caddies of the Hillcroft Golf Club celebrated Labor Day, Monday, with a caddie tournament. The youngsters, working last week while the members were engaged in the city tournament felt the need of a golf tournament among themselves, and promptly arranged for it to be played on the local course. The caddies were divided into four flights and play was started. The medalist for the first flight was Milford Osborne, turning in a snappy 191 for the 36 holes.
 Floyd Dever showed the second flighters the way the game should be played in winning his heat.
 Little Earl Noble played a fine consistent game to take the lead in the third flight.
 The fourth flight was won by Billy Cooke, with young Cooke showing splendid form.

Mr. Reed Taylor of Wichita Falls transacted business in our city, Thursday of last week.

Rats are particular about food served to them in traps. Bread or doughnuts should be fresh, as rats will usually ignore them if even a little stale. Raw or cooked meats, bacon, fish, apples, melons, tomatoes, carrots, and nut meats also are good baits. Cheese is an excellent bait for mice but is generally not attractive to rats. Use fresh baits and change daily. A variety of baits used in successive traps gives better results than only one kind of bait. Baits are sometimes made more attractive to rats by sprinkling rolled oats, corn meal, or powdered milk lightly over the trap.

now and What is He Doing?" Sunday evening we will speak about "A certain Rich Man and His Last Will." You are invited to be present.
 W. E. Ferrell, Minister,
 First Christian Church, Clarendon, Texas.

JERICO

George Shoop and his nephew came home Friday. They have been visiting in Kansas.
 Cecil Brown made a business trip to Goodnight Thursday.
 Roy Brown, Jack, Brown, A. P. Brown, Jodie Helm, J. E. Osborn, Geo. Shoop and C. L. Spangler all met at the school house Saturday morning and gave the building and yard a good cleaning. School will begin here Thursday with Miss Myrtle Hall at teacher.

Mr. and Mrs. Carrol and family spent Sunday north of Alareed. Mr. and Mrs. Williams and family left Saturday for a visit with relatives in Oklahoma. Mr. and Mrs. Ollie Wardlaw of the Goldston community are here and Mr. Wardlaw is working in Mr. Williams place.

Miss Ernestine Osborn of Amarillo is spending this week end with Mr. and Mrs. I. E. Osborn. Mrs. Guy Brown and son left Saturday for Wheeler to visit Mr. and Mrs. Morgan.

Misses Alice and Kate Schaffer and Bro. John spent Friday and Saturday at Dalhart with their sister, Mrs. Kykendall.

Mr. and Mrs. V. J. Glazner and family spent Saturday night and Sunday with Mrs. Glazner's father, Mr. Wilson at Dalhart.

Mr. W. I. Ball and son, Mr. Headrick, Mr. Latham of Alareed played a game of golf with the Jericho men Thursday.

Mr. and Mrs. C. L. Spangler and family spent Sunday in the home of Mr. and Mrs. G. W. Bural near Lark.

Mr. and Mrs. Herbert Hunt are staying with Mr. and Mrs. J. E. Hunt this week.

Headrick, Mr. Latham was in Jericho Sunday.

Rev. Lusk will preach here Sunday morning and Sunday night every one urged to come.

CHAMBERLAIN

Mrs. Mary Webb and Mrs. E. L. Shafner and son of Canadian and La Verne Carr of Amarillo spent Wednesday night and Thursday in the W. W. Webb home.

Billy La Verne Ramby was operated on for appendicitis Thursday. At last account she was doing nicely.
