A Common Paper for Common People

War Bond Sales Net More Than Quota

The Donley County Second War Loan Drive Quota of \$208,000 went over the top with \$4,884.57 to spare.

This was a feat well done as \$64,001 was yet to be raised when tabulations came in at press time last week.

The Bond Rally Saturday afternoon played an important part for at that time some 25,000 was still needed, and after it was over, nearly \$30,000 in bonds were sold before the banks closed Saturday night.

At the rally, Col. K. Gowen Jr. of Amarillo Army Air Field made a very impressive talk that stirred the hearts and souls of everyone within hearing distance. The 25-piece band from that field, which accompanied Col. Gowen, put on a very commendable performance in keeping with the program.

This group was entertained at the First Christian Church with a dinner sponsored by the local chamber of commerce, after the program.

During this drive, the four banks of Donley County were assigned a separate quota of \$176,000, and they over subscribed this amount by \$54,000, giving a grand total of \$230,000.

It is the County Chairman's and the executive committee's desire to thank each and every man, woman and child for their assistance in this drive, and without the great number of smaller bonds, our quota could not have been met.

The following is a letter received this week from County Chairman, J. R. Porter.

The Donley County Leader
Clarendon, Texas
Dear Sirs:

I want to personally thank you and everyone connected with your newspaper for the splendid co-operation given in the recent bond drive. Without such news publicity and your loyal and faithful co-operation the drive could not have been put over, and I am not only thanking you for myself but for everyone that was connected with the drive.

The total amount of the bonds sold, cash value is \$212,884.57.

I am, with kindest regards,
Yours truly,
J. R. Porter

ENSIGN VISITS PARENTS IN CLARENDON TODAY

Here for one day only is Ensign Geo. W. McCleskey and Mrs. McCleskey. They are spending the day with his parents, Mr. and Mrs. Geo. H. McCleskey. The elder Geo. McCleskey came down from the Cactus plant near Dumas to share in the joys of a short reunion.

Ensign McCleskey, stationed for some time in the east, and later in Ireland, is on his way to the Pacific coast where he will continue to superintend the installation of anti-aircraft guns, it is said.

Clarendon District Conference To Be Held at Methodist Church, May 12th

The Clarendon District Conference of the Methodist Church will be held at the Methodist Church in Clarendon May 12, beginning at 10 a. m. Rev. G. T. Palmer, District Superintendent of the Clarendon District, will be in charge of the program of the day.

Rev. J. O. Quattlebaum Jr., will give the welcome address at the opening of the program. Dr. Harold G. Cooke, President of McMurry College, Abilene, will be the guest speaker at 11:30 a. m. Also expected to be on the morning program will be Mr. Hubert Thompson, Superintendent of the Methodist Home at Waco, and Rev. Hayden Edwards of Ft. Worth who is Hospital Commissioner.

At the noon hour the ladies of

FFA Encampment at Memphis Friday and Saturday

Approximately thirty Clarendon FFA members will attend the annual Memphis FFA District encampment at Memphis this weekend. They will compete with representatives of Memphis, Estelina, Lakeview, Quitaque, and Turkey for honors in baseball, basketball, tennis, table tennis, horseshoe and washer pitching, and in junior and senior chapter conducting.

Over 150 youths from the six schools are expected to attend the encampment. The local group will leave Clarendon at 1 p. m. Friday and return Saturday afternoon. The events will be held at the Memphis High School building.

Motorists Urged To Endorse Their Gas Coupons

Motorists in Donley County were urged by the Donley County War Price and Rationing Board to endorse their gasoline coupons in advance and thus avoid the inconvenience and delay, both to them and to their dealers, of having to do so at the filling station when they buy gasoline.

Failure to make the proper notations on the back of coupons before gasoline is delivered constitutes a violation of the mileage rationing regulations the board pointed out.

"License numbers and the abbreviation of the state should be written on the backs of all coupons before going to the station, or when the book is issued. This will save the time of the motorists and the attendants who must otherwise take the time to do this for each transaction. Without this endorsement, the filling stations are not to accept coupons," the War Price and Rationing Board explained.

"While this write-in requirement may seem burdensome, it is a valuable weapon in the hands of the Office of Price Administration in combating black market gasoline transactions. The endorsement is our only check on dealers practices. It is our main check on dealers practices."

"We must remember the reason for gasoline rationing—to conserve our tires by controlling mileage, to make them last until new ones can be produced", added the board. "We must not overlook any means of safeguarding the miles available in our tires for those who need car transportation in doing essential war jobs."

VISITS MOTHER
Mr. and Mrs. Grady Halbert and son Bill of Crowell spent the week end here with her mother, Mrs. David Johnson.

Opening Date For Canning Sugar Is May 6th

The Donley County War Price and Rationing Board has set the opening date of the issuance of home canning sugar allotments as Thursday, May 6th. You may apply for this allotment at any time you have the fruit to can, either in person or by mail, to the local board on Thursday or Friday. Certificates for canning sugar will not be issued on any other days of the week.

At the present time the allotment per person is ten pounds per year. You may use one pound per person for every four quarts of fruit up to ten pounds or you may use five pounds for canning and five pounds for jam, jellies, preserves, and fruit butter. Five pounds is the maximum per person per year for jam, jellies, preserves, and fruit butter.

When applying for the canning allotment you must have War Ration Book I of each person for whom you are applying. Please bear in mind that the clerks can only issue these certificates for canning sugar on Thursday and Friday of each week.

On May 20th and 21st, clerks will be in Hedley to issue certificates for canning sugar. The board urges everyone in or near Hedley to be there on the 20th and 21st as they are issuing all sugar at one time and therefore will not make another trip to Hedley.

RECEIVES NEW DUTY ASSIGNMENT

Mary S. Barnes of Clarendon was a member of a Women's Army Auxiliary Corps unit which left First WAAC Training Center at Fort Des Moines, Iowa recently for duty at the 5th WAAC Training Center, Monticello, Ark. She will be assigned to duty in connection with the training program there.

HELPING IN MEETING

Rev. J. O. Quattlebaum Jr. is helping in a meeting in Memphis this week. He will be here Sunday evening to deliver the Mother's Day sermon.

Sweet Potatoes Will Have Price Support

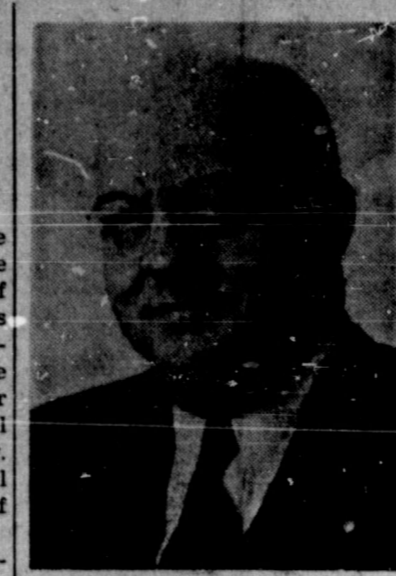

County agent H. M. Breedlove says that the nation will need all of the sweet potatoes that can be grown this year. This will help to make up the shortage of other foods for civilians, but they are needed especially for the fighting forces.

Texas has five dehydrating plants and the sweet potatoes will be dehydrated and sent to the foreign battle fields. These plants have been ordered by the Department of Agriculture that the entire output be reserved for war needs.

The price of sweet potatoes will be supported this year by a purchasing program set up by the Department of Agriculture, the county agent stated. The price announced to date will encourage producers to store and hold their potatoes for late sale. For example, those marketed in carload lots from August through November will bring \$1.15 per bushel. If held until December or January, the price will be \$1.30, and if the sale is deferred until February, March or April, they will bring \$1.45 per bushel.

The main problem for the late sale of the sweet potatoes will be the curing and storing. In storing potatoes the main thing is the proper ventilation, and being sure that the temperature is constant at 50 to 60 degrees fahrenheit.

"I think that the growers of Donley county can depend on a good sale of sweet potatoes for this year," Breedlove said, "and the market will be easily located. This commodity is very important to the war effort."

DR. HAROLD G. COOKE
President of McMurry College who will be guest speaker at the Clarendon District Conference of the Methodist Church which will be held in Clarendon May 12th, beginning at 10 a. m.

VISITS SISTER
Earnest Thompson spent the week end in Dallas visiting his sister Jo Ann Thompson.

CALLED TO VERNON
Mrs. G. T. Palmer was called to Vernon Thursday to be with her daughter, Mrs. Ernest Shepherd who is ill.

Reclassification of Grade II Tires

We are quoting a memorandum just received from the Washington Office by the Donley County War Price & Rationing Board in regard to the reclassification of Grade II tires effective May 1, 1943.

1. All tires now included in Grade I and Grade II are reclassified as Grade I. Eligibility for such tires may be established by any person having a total allowed mileage of 241 or more miles per month.

2. Consumers may purchase a Grade I tire on certificates calling for a Grade II tire, regardless of date issued.

3. Dealers or manufacturers may replenish with a Grade I tire on a Part B calling for a Grade II tire, regardless of date issued.

DOUGLAS H'LL BACK TO SEE MOTHER

Back again after a matter of several years is "Dug" Hill wearing a naval uniform signifying his choice of place to serve his country. He came back to see his mother, Mrs. O. C. Hill. Of course he will see other relatives and a lot of folks he knew when growing up here. He is stationed on the Pacific coast for the present.

Hedley 4-H Club Very Active

The Hedley 4-H Club meets every Monday in the local public school and there are twenty-five members in this club. County agent H. M. Breedlove says that this club is very active and the boys are carrying on demonstrations that will be very important to the war effort.

In the regular meetings certain phases of agriculture are discussed by the county agent and the boys hold field trips to put some of the theory into actual practice.

The principal demonstration being carried on by the boys are beef cattle, swine, victory gardens, field crops, poultry and dairying. This is a new club but promises to be one of the outstanding clubs in the county. The boys are now competing in a contest for four registered pigs, and the pigs will go to the four boys making the highest scores.

Annual F. F. A. Banquet Tonight

Approximately 175 boys, their fathers, and businessmen guests are expected to attend the annual F.F.A. Father and Son Banquet tonight at the Methodist Church. The group will gather in the south college building at 7:30 p. m. where they will inspect the local chapter rooms and then will move to the church for the banquet.

The annual banquet honoring the fathers and business men supporters will be prepared by the youths and the entire program will be rendered by them. Joe Smith, chapter president, will serve as toastmaster.

Eleven men will be signally honored by the local chapter tonight when they are initiated into honorary membership. These men are H. T. Burton, R. E. Drennan, H. M. Lane, Lee Bell, John White, C. L. Knight, C. B. Morris, E. S. Ballew, George Bagby, Burt Mayfield and Tom Tucker.

A group of high school girls, under the direction of Kathleen Grady, chapter sweetheart, will serve the meal.

DONLEY COUNTY MEN ACCEPTED FOR SERVICE

The following men were accepted at Lubbock, April 28 for army service:

E. J. Myers, Henry Chester Williams, William Floyd Wardlow, Lloyd Worth Johnson, Robert Sidney White, Theibert Pierce Jr., Mack Weldon Gregory, James Thomas Perdue, Wesley Dane Perdue, Kenneth R. Lyle, Willie Adell Myers, Billy Geyer Thornberry, Bill Dodge Cole, Truett Dean.

The following for the Navy: James Arthur Howard Jr., Clarence Parker Pipes Jr., Jess Gray Guill Jr.

Guy Dewey Shelly Jr., accepted for Marines.

CHAMBERLAIN SCHOOL TO PRESENT 3-ACT PLAY THIS FRIDAY NIGHT

The Leeper has been asked to announce that the students of the Chamberlain school will present a three-act play Friday night starting at 9 o'clock at the Chamberlain school house. The entertainment will be free to all and everyone is invited.

The title of the play is "Have A Heart."

The Cast:
Ted Watson, played by Douglas Lowe; Lou Mansfield, Louise Mann; Bo Larson, Adrian Myers; Mark Andrews, Wayne Lowe; Peggy Watson, Neta Aduddell; Fritz Vining, Nelda Lee Harrison.

ATTENDS MEETING

Mrs. Lee Holland attended the 7th District Federation of Women's Clubs at Amarillo Tuesday. Mrs. Holland was sent as delegate for the Pathfinder Club.

Enjoyable Chapel Program Presented To School Students Last Friday

Students of Clarendon High School and Jr. College were entertained last Friday with a delightful and enjoyable chapel program. The patriotic song, "Land of our Fathers", composed by Mrs. M. R. Word, was sung as a solo by Mary Margaret House.

Miss House then led the group in their first effort to learn the song which will be sung at Commencement. Mrs. Word was present and played the accompaniment.

A scene from a village school, depicting the typical "Goings-on" and the dance of the "Ten Pretty Girls" was another interesting number. Cora Lee Muse, accompanied by Nelda Sue Burton, sang during the dancing. Those taking part in the dancing were Margaret Wadsworth, Edith McCrary, Sara Beth Lowry, Marilyn Maher, Lois McCrary, Beverly Stricklin, Elizabeth Ann Beverly, Helen Porter, Kathleen Grady, Annie Re Porter, G. G. Reeves, Dwight Blair, Bob Word, Jack Riley, Bill Andis,

Near Fatal Accident Mars School Outing

Protect Your Gardens From Insects

Insects have caused a great deal of damage in local gardens during the past years, says county agent H. M. Breedlove. This can be easily overcome by checking the insects at the proper time and using the proper poisons.

"Any persons wanting information on how to control insects can come by my office," the county agent states, "and we will give an 'Insect Control Guide'. This pamphlet will show the various poisons used for the different kinds of insects that prey upon your gardens. This might help to save your garden or at least a big part of it. I suggest that all persons with gardens keep a close watch for insects and when they appear to come by the office and get this information."

Lest We Forget, Poppy Day Is May 29th

Faith in America with those who have died in the nation's service will be pledged anew on Poppy Day, May 29th, Mrs. Karl Adams, American Legion Auxiliary Poppy Chairman, said today as the Auxiliary continued preparations for its annual distribution of memorial poppies.

"The wearing of the poppy is a personal pledge that we will not 'break faith' with those who died but will carry on to the achievement of the things for which they gave their lives," said Mrs. Karl Adams.

"Millions of Americans will wear the poppy, this year as a tribute to the dead of both World Wars, and a mark of their determination to conclude this war with complete victory. The flower is a symbol of life given in service for America. The wearer makes an unspoken pledge to the nation's heroic dead that he will live as they died, serving America."

Poppies will be offered to everyone in Donley county by the women of the Auxiliary on Poppy Day. No price will be asked for the flowers, the pennies of children being just as welcome as the dollars of the wealthy. A poppy over every heart is the goal.

Contributions given to the Auxiliary's volunteer poppy workers will go in their entirety to the rehabilitation and child welfare funds of The American Legion's and Auxiliary's efforts for the disabled fighting men of both wars, and for the children of the dead and disabled.

Enjoyable Chapel Program Presented To School Students Last Friday

Billy Jack Shelley, Billy Lowe, Carroll Brumley and Bobby Harold Smith.

An A.B.C. Wedding in black face, written by Billie Jean Knox provided the hilarious part of the program. Bob Beatty acted as Justice of the Peace. The fashionable bride of Harry Blair was Lucille Wallace. Billie Jean Knox provided the flirtatious bridesmaid; Edna Mahaffey, the Maid of Honor; Billie Jo LaGrone, the groom's mother; Jack Ballew, the groom's father and Wayne Ray, the best man.

Billie Hardin, Mary Williams, Lois McCrary, Mary Christie and Ann Raney sang "Alone." Jean Williams, Katherine May, Billie Nell Warren and Frances Phelps, dressed in "Kid-Day" costumes, sang "School Days" and "An Apple For the Teacher." The entire Senior class promenaded the stage to end the program.

Monday was the day set by school officials for the Senior High School and Junior College picnic. It was also the day for the Sophomore and Junior Class picnics after school hours.

The seniors of the High School and the Junior College students, under the supervision of Dean R. E. Drennan and the class sponsors, left Monday morning in two trucks McClellan lake bound. It was a jolly, light-hearted group.

At four that afternoon the Sophomore and Junior classes, under the supervision of Supt. H. T. Burton and the class sponsors left in another large truck for McClellan lake north of Alnearred, and a favorite fishing, boating and outing spot of the Panhandle.

When this latter group arrived at the lake, they found other classes sunbathed but still going strong. Each of the school groups from here entered into the harmless revelry of swimming and boating, and dancing at the recreation hall near the lake.

Just about dark a group of soldiers who were spending the night in Clarendon arrived at the lake. Neither the students nor the teachers knew that the soldiers were coming to Clarendon, nor did they know they were coming to the lake.

A few minutes after the soldiers arrived, four of the Clarendon school girls got into an army jeep with two service men for a ride around the loop near the lake and back to the Hall. On the way round the loop, the jeep is said to have turned over several times resulting in serious injury to some of the occupants.

The more seriously injured is Arlene Dozier, daughter of Mr. and Mrs. Chas. N. Dozier of Clarendon. She suffered broken ribs, one of which penetrated a lung. One side of her face has serious injury and many body bruises and scratches. She is said to be recovering slowly.

Freida, daughter of Mr. and Mrs. Leonard Putman, received a broken leg and other lesser injuries. Laverne, daughter of Mr. and Mrs. P. Marshall has a broken arm and minor cuts and bruises. Helen Jo, daughter of Mr. and Mrs. Geo. Bullman was badly bruised and shocked.

The injured members of this school party were rushed to Clarendon Clinic hospital immediately by Lee Muse and a service man driving a jeep. The service man driving the jeep at time of the accident is said to have suffered a broken back, and was taken to an Amarillo hospital. Reports are that he died Wednesday, but this has not been confirmed.

FROM AMARILLO
Mr. and Mrs. Jim Cannon and daughters Delores and Mozelle of Amarillo, Mr. and Mrs. Curtis Jones and daughter Clouetta and son Anthony of Berger visited in the Clarence Peabody home over the week end.

VISIT PARENTS
Mr. and Mrs. Tom Connally and Mr. and Mrs. Chester Williams of Amarillo spent Tuesday with their parents, Mr. and Mrs. Henry Williams Chester left Wed. morning for Ft. Sill, Okla. for the service.

Ration Reminder

MEMBER OF
Panhandle Press Association

THE LEGISLATIVE GRAPEVINE

By Grady Hazlewood

The Senate having adjourned I spent Friday morning visiting the House in session. Here is a truly representative group of democracy in action. The three youngest members are each 23 years of age. Five oldest members are between the ages of 72 and 79 years. The membership is deadly serious and no punches are pulled. If humor is thought necessary to kill a bill then out it comes. Up for consideration and debate was a bill to paint all school buses red, white and blue. Many members thought this very impractical in view of the paint shortage. Finally, Rep. Celaya, in order to express his disapproval of such legislation at this time, sent up an amendment, later withdrawn, which provided that all members of the legislature must wear uniforms of red, white and blue bunting not more than 4 feet in length or 24 inches wide in order to exhibit their patriotism and to distinguish them from the general public. One member humorously observed that the public could already distinguish them from everyone else. The hard-working membership continued until Saturday noon and passed some of the most important legislation of the session.

Finally passed by the Senate was the House curfew bill which has now gone to the Governor's desk. Specifically this bill does the following: Prohibits the sale of liquor between the hours of 10

p. m. and 9 a. m. of every day, and, of course, all day Sunday; makes it unlawful for any person which includes patrons and visitors—to drink or consume, or, to have in their possession for the purpose of consumption, any whiskey or beer after the hour of 12:15 a. m. on week nights and the hour of 1:15 a. m. on Saturday nights, and before the hours of 7 a. m. on week days and 1 p. m. on Sundays. In other words, this bill makes it a criminal offense for the guest or visitor at a honky-tonk or other public place to drink, or, to have in his possession for the purpose of drinking, any beer or liquor after the hours above mentioned. This bill has one important provision that enforcement officers so much complained about not being in the old prohibition laws—it makes the purchaser or consumer equally guilty with the seller.

Also passed by both houses last week and now on the Governor's desk is a bill by the writer permitting recipients of old age pensions to earn up to \$250.00 per year without having any fear of being cut off the rolls, or, of having their pensions reduced. Heretofore, the Department of Public Welfare has followed the policy of reducing pensions or removing from the rolls altogether those who sought to help themselves. The legislature thought that during the present great man-power shortage these people should be

encouraged to work rather than discouraged, and that no harm could come from holding out some reward and incentive to those who may be physically able to perform much needed labor—that to encourage industry is a sound public policy. However, because of Federal regulations, this bill has no application to any person not already on the rolls. The grapevine is that a new executive director of Old Age Assistance will be appointed during the coming week.

Food Forecast For 1943

Beef animals, sheep and lambs, and pigs on Texas farms and ranches on January 1, 1943, were at an all-time high, according to figures released by V. C. Childs, principal agricultural statistician for the Austin office of the U. S. Department of Agriculture. Moreover, the record number of chickens on Texas farms stood 17 per cent above a year ago and 44 per cent above the ten year average. The average one hundred hens produced 1,047 eggs in February of this year compared with 985 in the corresponding month a year ago.

Employing these figures for an analysis of the current year's food outlook, County Agent H. M. Breedlove notes also an intention by Texas farmers to increase acreages in cereals and feed for 1943. For example, Breedlove says, sweet potato acreage promises to be 56 per cent above 1942. Regardless of reduced labor and shortages of machinery and equipment, farmers plan to plant two per cent more corn; four per cent more barley and rice; 15 per cent more peanuts, and increase the acreage of all sorghums 11 per cent above last year.

Unusually good calf crops and reduced death losses more than offset the increase of 29 per cent in marketing of Texas cattle and calves during 1942 over those of the preceding year. Indications are that the 1943 spring pig crop

will be about 30 per cent larger than that of a year ago, which in turn was 44 per cent greater than the 1941 spring production.

"Farmers were assisted in their patriotic efforts to meet the war needs for meat by bumper grain crops on the Plains, and by attractive prices for livestock," the County Agent says. "But it should

be pointed out that farmers now are squeezed between skyrocketing feed prices and ceiling prices on meat. Farmers will need extra labor for peak requirements, as well as favorable seasons. Given these, they will do their part to reach the war food goals set."

First Cannery Certified

Three cannery already have signed contracts for processing this year's vegetable crop in Texas.

Approved and certified by the State USDA War Board, the Henderson Pickle and Canning Company, Henderson; Delta Canning Company, Raymondville; and Eagle Pass Canning Company, Eagle Pass, have agreed to cooperate with growers in canning the 1943 vegetable pack.

Under terms of the contract, the companies will pay growers a rate equal to or in excess of the base prices established recently by the Department of Agriculture.

County USDA war boards in vegetable producing areas are cooperating with producers and processors in contracting for the acreage needed this year. After cannery have contracted to make purchases at the announced support prices, they are certified by the state USDA War Board for participation under this year's program.

Mrs. Ralph Keys and daughter, Mary Nell returned home Sunday after a visit with relatives at Dallas and Kaufman.

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION

STATE OF TEXAS
COUNTY OF DONLEY

By virtue of an execution issued out of the District Court of Donley County, Texas, on a judgment rendered in said court on the twenty-second day of March, 1943 in favor of W. J. Lewis and against C. W. Bain, in the case of W. J. Lewis vs. C. W. Bain et al, No. 2188 in such court, I did, on the 23 day of April, 1943 at ten o'clock a. m., levy upon the following described tract and parcel of land situated in the County of Donley, State of Texas, as the property of the said C. W. Bain, to wit: 108 acres of land, being the east 108 acres of land in the Southeast one-fourth (1/4) of Section No. 121, Block C-6, Certificate No. 1/157, issued to the G.C.&S.F. Ry. Co., Donley County, Texas, commonly known as the C. W. Bain place, and on the first day of June, 1943, being the first Tuesday of said month, between the hours of ten o'clock a. m. and four o'clock p. m. on said day, at the courthouse door of said County, I will offer for sale and sell at public auction for cash all the right, title and interest of the said C. W. Bain in and to said property in accordance with said judgment, writ of possession, order of sale, and execution.

Dated this, the first day of May, 1943.

No Flowers This Year
 The familiar Mother's Day flowers will never be missed today by the mother above or countless others like her. Mothers know their distant sons in the service still remember them, and proudly buy their own War Bond corsages to hasten the time when they can wear the flowers of peace again on Mother's Day.

GOLDSTON
 Beatrice Smith
 We are sorry to report that Mr. and Mrs. Roy Brock had the misfortune to have their home burn late Wednesday evening. All were away from home at the time. Only a few articles were saved.
 Mr. and Mrs. John Stewart and daughters visited in the H. C. Smith home Saturday night.
 Virgil Lee Adams spent Saturday night with Roy Lee Johnson. Donley Jones spent Thursday and Friday with Gladys Mae Johnson.
 Mrs. Roy Roberson and children visited in the H. C. Smith home Thursday evening.
 Mr. and Mrs. Lester Shields and daughter, Mr. and Mrs. Roy Roberson and family, Roy Lee Johnson, and Mr. and Mrs. H. C. Smith spent Sunday eve at Lake McClellan.
 A Red Cross quilting was held in the home of Mrs. Odell McBrayer Wednesday.
 Sally and Billie Ralph Higdon spent Saturday with Mr. and Mrs. Carl Tucker.
 Pfc. Eulan Higdon and wife are visiting his parents, Mr. and Mrs. W. C. Higdon and family.
 Mr. and Mrs. Edd Mooring and family visited in the Buck Parker home awhile Sunday evening.
 Mr. and Mrs. Murphy Brock, Mr. and Mrs. Joe Dilli and family and Mr. and Mrs. Edd Mooring and family visited Mr. and Mrs. Roy Brock Sunday evening.
 Mr. and Mrs. Claude Fulton and family had as their guests Thursday his parents, brothers and sisters and her sister and husband of Alanreed.
 Mr. and Mrs. Neely Hudson and son and Mr. and Mrs. Haskell Hay and son spent Sunday on a picnic on Mr. Porter's place.
 Mr. and Mrs. Coleman Howard visited in the John Stewart home Sunday.
 Helen Rhodes spent Monday night with Vilas Ann Ziegler.

New Support Prices Announced
 Support prices on No. 2 and No. 3 dry edible beans were announced this week through the state AAA office.
 Under previous instructions outlined by the War Food Administration only No. 1 beans were covered by the increased price support program, which also includes dry peas, peanuts, soybeans, and flaxseed.
 The price for No. 2 grade will be 15 cents below the No. 1 price while No. 3 beans will be purchased at a discount of 40 cents from the No. 1 price. Beans grading No. 3 will be purchased by the Commodity Credit Corporation if the supply of No. 3 grade is so large as to make purchases necessary to assure the maximum quantity of beans reaching consumption channels, AAA officials said.
 Grower support prices for No. 1 beans range from \$6.50 to \$7.50 per hundred pounds, depending on variety. Basis for the price is cleaned and bagged beans in carlots, f.o.b., carrier at country shipping points.
 The discounts for No. 2 and No. 3 beans apply also to the CCC loan program for dry edible beans.
 According to present plans, loans will be made on thresher-run beans stored either on the farm or in warehouses, AAA officials said.

HUDGINS
 Mrs. S. M. Harp
 There was the usual crowd out for Sunday school and singing Sunday.
 Next Sunday is Bro. Hansard's day to preach. Everyone come and hear him.
 There was a social at the school house Saturday night for Dane Perdue who is to enter the Armed forces this week.
 Mr. and Mrs. D. L. Jacobs and son of Dumas spent Saturday nite and Sunday with Mr. and Mrs. D. L. Jacobs.
 Mr. and Mrs. West and Joyce called in the Otto Elliott home Sunday afternoon.
 Those to visit in the J. L. Talley home Sunday were Mr. and Mrs. Emery Talley and children and N. M. McGlone.
 Imogene Elliott spent Sunday with Edna Mae Mills.
 Mr. and Mrs. L. C. Tims, Velma and Clyde took Sunday dinner in the John Perdue home.
 Ben and Floree Talley took dinner Sunday in the Webb home.
 Joyce West spent Friday night with Juandell Cruse of Clarendon.
 Mr. and Mrs. John Perdue and Mary Nell, Mr. and Mrs. L. C. Tims, Velma and Clyde called in the Ed Talley home Sunday afternoon.
 Sidney Harp spent Saturday night with Junior Putman of Martin.
 Dane Perdue spent Friday nite with Dan Tims.
 Mr. and Mrs. West and Joyce called in the Williams home Saturday night.
 Mary Nell Perdue and Erna Lea Elliott spent Friday night with Eureda Foster.
 Bro. and Mrs. Vernon Willard and children took supper Friday night with Mr. and Mrs. Cleo Stonecipher.
 Mr. and Mrs. Cleo Stonecipher, Mrs. Ida Whitt and Charlie Ann called in the Harp home awhile Thursday night.
 Mr. and Mrs. William Haire and children visited his brother Sun.
 Mr. and Mrs. O. L. Jacobs visited with Mr. and Mrs. L. O. Christie of Martin one day last week.

More Cotton Crops Covered By Insurance
 More than 56,000 cotton farms are covered by federal all-risk insurance this year.
 State AAA records indicate that 56,619 farms are carrying insurance compared to 54,252 during 1942 when Texas led the nation in applications signed.
 Of the total farms insured, approximately 47,000 are covered by 775 percent insurance while the remaining 9,000 are covered by 50 percent insurance. Under the Federal Crop Insurance program, either 50 or 75 percent of the farm's normal yield is insured, with producers indicating their percentage preference.
 Offered for the second year, cotton crop insurance protects the cotton from all unavoidable hazards, which include drought, insects, rain, hail and wind.
 Premiums which vary by farms, are due in the fall at about cotton picking time and may be paid by signing a commodity note which calls for payment either in cotton or the cash equivalent, in deductions from loss payments, or from the first check issued under the farm program.
 Mr. and Mrs. Roy Carhart of Panhandle spent Sunday visiting her brother and wife, Mr. and Mrs. Cal Merchant.

1926 BOOK CLUB

The 1926 Book Club met at the school auditorium to see a one-act play, "Columbine" by Mrs. John Knorpp and Mrs. Alfred McMurry. The play was very enthusiastically received.

The social and business meeting was at the home of Mrs. Allen Ryan with Mrs. Bryan and Mrs. Geo. Bagby hostesses. Mrs. Frank Phelan was elected for new Sec.-Treasurer to take the place of Mrs. Gattlin.

The Club was informed of the recent purchase of two War bonds. The social committee announced the date of the President dinner, May 18 in the Home Economic room at 8:30 p. m.

Delightful refreshments were served to members and one guest, Mrs. U. J. Boston.

MRS. ARTHUR BROGDEN HOSTESS TO WINDY VALLEY CLUB

The club met April 28th. Two quilts were quilted. Those present were Meses. Harvey Shaw, John Hutson, Cecil Mills, Nelson Seago, Boyde Wadell, W. F. Barker, Carl Barker, Dell Barker, Earl Barker, Mamie Barker, I. M. Noble, Alta Angel, Charlie Molder, Luke Crome, Clarence Ayers, Bert Ayers, Cap Anderson and the hostess, Mrs. Arthur Brogden.

A handkerchief shower will be given for Mrs. Bob McCay at the next meeting, May 12th.

Mrs. Bert Ayers will be hostess at the next meeting.

1930 NEEDLE CLUB

The 1930 Needle Club enjoyed an all day meeting in the home of Glyn Kirby Tuesday, May 4th.

A covered dish luncheon was served at the noon hour.

151 Red Cross kits were cut during the afternoon. Those present: guests, Mrs. Ray Wilson, Mrs. T. O. Kirby; members, Meses. Mabynd Andis, Betty Keys, Frances Hilliard, Dee Lane, Marguerite Carpenter, Nora Decker, Mozelle Wright, Alice Bain, Hattie Palmer, Ona Tatum, Glyn Kirby.

The next meeting will be May 18 in the home of Mrs. Dee Lane.

Mr and Mrs. Frank Thomas were in Amarillo Sunday.

WIN ONE S. S. CLASS

The Win One S. S. Class of the Methodist Church met in the home of Mrs. John Blocker Monday afternoon in regular monthly business and social meeting. The shirts for the Red Cross were turned in and army kits handed out to be made.

Delicious refreshments were served to Meses. Van Eaton, C. C. Powell, Sayer, A. A. Mayes, C. D. McDowell, R. C. Weatherly Tom Connally, Will Johnson, Lon Ruddled, W. W. Taylor and guest, Mrs. C. T. McMurry.

1937 BRIDGE CLUB

This Club met Monday night at the home of Mr. and Mrs. John R. Gillham. Garden flowers were used to make the rooms more beautiful.

In the games of bridge, Mr. and Mrs. Alfred Estlack received high score prize and Mr. and Mrs. G. W. Estlack, low.

Delicious refreshments of ice cream and cake were served to guests, Mr. and Mrs. L. T. Whitlock, Mr. and Mrs. Carl Bennett; and to members, Messrs. and Mesdames A. D. Estlack, G. W. Estlack, B. G. Watson, J. R. Gillham.

PATHFINDER CLUB

The program at the meeting in the home of Mrs. Louie Thompson on Friday, the 30th, was on Public Safety and the Soldiers' Life. This statement from Daniel Webster was the key-note: "Nothing will ruin the country if the people themselves will undertake its safety; and nothing can save it if they leave that safety in any hands but their own"

Since this was the last business session for the Club year, the financial report was given by the treasurer, Mrs. J. T. Patman. It was voted that another bond be bought—the second for the club year; also the \$5 English award to the pupil in the High School making the highest average for the four years; \$5 for the Soldier kits being made by the local Red Cross. The \$50 given annually to the City Library, as well as the running expenses for the year, completed the financial report.

The president spoke of the loss to the Club in the death of Mrs. B. L. Jenkins, who had been a

charter member of the club 32 years ago.

Program leader was Mrs. Van Kennedy who briefly discussed "Public Safety."

"The Soldier and His Health, Food, Uniform" proved very interesting as given by Miss Bettie Jane Smith. Equally interesting was "The Soldier and His House-keeping, Religion, Recreation" by Mrs. T. H. Ellis.

"The Spice of the Program" was a clever summary of public events in verse by Mrs. C. T. McMurry.

Brief plans were discussed for attendance of the incoming vice president, Mrs. Lee Holland, at the district Federation meeting in Amarillo on the 4th.

Announcement was made of the Guest day meeting on May 14 at the home of Mrs. J. L. McMurry to which invitations were being sent to all the Federated Clubs of the City. Mrs. Wes Izzard will be the guest speaker.

Mrs. Guy Stricklin took the place of her mother, Mrs. Wm. Gray, as associate hostess with Mrs. Thompson and they served twenty-three members.

PETE BROMLEY IS COMPENSATED WITH BIRTHDAY DINNER

Mr. and Mrs. Bill Bromley entertained with a surprise birthday dinner Wednesday, April 28th at 8 o'clock p. m. at their home northeast of Clarendon, complimenting their son Pete on his 16th birthday.

The truck-wagon dinner, which consisted of sourdough bread and all the trimmings that go with it, was served out in the pasture. The boys and girls were in Western style costumes. Mrs. E. W. Bromley, Pete's grandmother, rode horse back in a long riding skirt that she wore when a girl. Horse racing and riding also out door games were for amusement. Pete received many nice and useful gifts from the guests.

Those helping Pete celebrate his birthday were Ruth Patman, Kathleen and Melba Ruth Grady, Elise Norwood, Dorothy Jean Tatum, Edith Jo McCrary, Johnnie Johnson, Mary Ann Bromley, Beverly Grey Stricklin, Cora Lee Muse, Helen and Anna Ree Porter, Katherine Mosely of Pampa, Barbara Bell, Marilyn Maher, Patti Molesworth, Edith Sue Smith.

And Tommy Saye, Jimmy Douglas, Bob Bentley, Carroll Brumley, Wayne Ray, Carl Bennett, Robert Henry Naylor, Jack Ballew, Lee Shelly, Wayne Donnell, Manley Bryan, G. G. Reeves, Dwight and Harry Blair, Bert Smith Jr., Billy Lowe, Jack Kane of Brewster, Minn., Billy Thornberry and the honoree Pete Bromley.

Those helping in the amusement were Mr. and Mrs. McHenry Lane, Mr. and Mrs. H. M. Breedlove and son Mack, Mr. and Mrs. William Lewis, Bert Smith Sr., Mrs. E. W. Bromley and Mr. and Mrs. Bill Bromley.

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."

A very pleasing effect is obtained at the Semrad home by the large bright colored pots of plants on the porch.

The W. A. Massey home is made attractive by snow ball shrubs and red honeysuckle.

Roses are beginning to blossom in a number of gardens including those of Mrs. Homer Mulkey, W. A. Land and Reagan Bain.

A gay splash of color is presented by the small annual phlox in the yards of S. C. Bell and H. W. Lovell.

The corner of the City Park is more beautiful by the bright blue iris.

The victory gardens of Bill Patman, S. T. Merritt, Lee Holland and Frank Phelan seem to be growing and promise a crop of vegetables in the near future.

CASUALTY TOTALS ANNOUNCED

Announced casualties of the United States armed forces from the out-break of the war to date (whose next of kin have been notified) total 78,235. This total, arrived at by combining War and Navy reports, includes: dead 12,123; wounded 15,049; missing 40,435; prisoners of war 10,628.

Guests over the week end in the home of Mr. and Mrs. R. H. Elkins were Dr. and Mrs. J. H. Kelley and Robert K. Elkins, all of Pampa.

Mrs. H. K. Edwards of Crowell spent the week end with her mother, Mrs. R. H. Alexander. Mrs. Alexander accompanied her home for a visit.

Our Planes Can Take It

Clipping a telephone pole with the wing of his P-38 while straffing an Axis truck column in North Africa didn't stop Lt. W. J. Hoelle of San Mateo from piloting his plane safely home. Here he surveys the damage, striking evidence of the ruggedness of the equipment your Second War Loan Bonds help buy. U. S. Treasury Department

Australian Women Take Over on Farms

BRISBANE—Australian women and girls on the vast farm and grazing lands have taken over even the most difficult and trying tasks in order to release their menfolk for the armed forces.

Recently in "outback" Queensland, one aged male driver, assisted by a woman and three girls, drove a great herd of sheep more than 500 miles to a stock sale-yard.

Women and girls are doing most of the work on dairy farms and

are assisting some of the older men as boundary riders and wranglers on the great cattle stations or ranches. Most all of the fruit harvesting is now being done by women.

Mr. and Mrs. Jack Merchant and daughter Jacqueline of Pampa spent the week end with his parents, Mr. and Mrs. Cal Merchant.

Lt. James Bartlett and wife who has been visiting his parents, left for Monroe, La., where he is stationed.

LELIA LAKE

Mr. and Mrs. Doc Gibson and Mrs. Glenn Brock visited in Borger Saturday.

Miss Veta Ray Lewis returned Tuesday after a few days visit with relatives in Borger.

Mrs. J. C. Christal visited at Vernon Sunday.

Mrs. Tomlinson returned Friday from a visit at Plainview.

Mr. and Mrs. Billie Floyd and children of Amarillo spent week end with their parents here.

Mr. Winn of the Army Air Corps of Wichita Falls visited over the week end with friends here.

I. K. Rovee and his wife are here for a 16-day furlough. J. K. is stationed in Lubbock.

Mrs. Quin Aten and Shirley and Mrs. F. S. Clark and daughters spent last Wednesday in Amarillo. Mr. and Mrs. Bill Pool had business in Amarillo Friday.

Miss Lucy Stogner spent the week end in Amarillo Miss Lucy and Mrs. Sallie Noble sold their home here and Mrs. Noble moved to their new home in Amarillo last Thursday.

Carol Lewis went to Amarillo Monday.

Mr. and Mrs. William Green and baby left Monday for their home at Trinidad, Texas, after a visit with his parents, Mr. and Mrs. Geo. L. Green.

Mr. and Mrs. Frank Bourland spent Thursday in Amarillo.

"I Am An American"

Today millions like the two above are celebrating "I Am An American Day" in homes and communities all over the country. No matter whether they are native born or naturalized, their service stars, flags and War Bonds bespeak their loyalty in a year when American citizenship carries special significance, a year when we are fighting for the things it stands for. U. S. Treasury Department

The Truth About Farmers' Income

Income to the nation's farmers rose to a new high in 1942, but the increase was not evenly distributed, says H. M. Breedlove of the A&M College Extension Service. He explains that the net return from agricultural production to farm operators for their labor, capital investment, management and unpaid family labor was about 10 billion 200 million dollars, according to the U. S. Department of Agriculture. Benefits of the higher farm income were largely wiped out since prices paid by farmers for farm and home necessities reached the highest point in 20 years. Farmers make up 22 1/2 per cent of the population but receive only about 13% of the national income.

Farmers in different sections of the nation and growers of various crops shared unevenly in the increased income. Income from crops was up 37 per cent over 1941 but was considerably below the figures for the last war period. Certain crops relatively unimportant in Texas, such as flaxseed, soy beans, potatoes, winter cover crop and vegetable seeds brought growers about twice as much income in 1942 as in 1941. Income from cotton and cottonseed reached the highest point in 13 years and for Texas was 29 per cent over the previous year. For each dollar of this increase in cotton income 95 cents came from the sale of lint and only five cents from the sale of cottonseed. Livestock producers fared better with incomes about 39 per cent above 1941.

Breedlove says that for each \$100 of income received by Texas farmers in 1942, only \$5.67 was from government farm programs. For the nation as a whole, government payments to farmers were up 19 per cent during 1942, while government payments to Texas farmers were five per cent below 1941 and 30 per cent lower than in 1940.

Farm Cash Income On Increase

Farm cash income in Texas took another leap upward in March, as total income rose to 61 million dollars, a gain of 70 per cent over the same month of last year, Dr. F. A. Buechel, University of Texas Bureau of Business Research statistician has revealed. During the first three months of 1943, agricultural income has amounted to 169 million dollars, a gain of 52 per cent over the 111 million received by farmers during the same period of 1942, Dr. Buechel reported.

During the five year base period of 1928-1932, average cash income during March was approximately 18 million dollars, Dr. Buechel pointed out. The index figure for March, 1943, was thus 342.2—a gain of 242.3 per cent over the average for the base period.

Nearly one-third of the state's farm income during March was received in the Texas Panhandle, Dr. Buechel said. Increased marketings and higher prices of livestock—cattle, calves, hogs and sheep—were responsible for this gain in income.

Two other major crops which showed a favorable year to year comparison were milk—income was up 40 per cent during March from the same month of last year—and fruits and vegetables, which brought in twice as much income as in 1942.

Extension Service Meeting Held Tuesday

The district meeting of the Extension service for the month of May was held in the District court room on Tuesday, May 4th, and lasted during the entire day, says county agent H. M. Breedlove. The purpose of the meeting was to discuss certain phases of extension work that is being carried on in the counties and those phases of the work most vital to the war effort.

County agents from five adjoining counties attended the meeting and in addition to the agents present, Mr. G. E. Adams, Vice Director and State Agent from College Station was present at the meeting. Other specialists from the state office at College Station were Knox Parr, district agent; J. W. Potts, assistant state boys club agent; C. E. Bowles, organization and marketing specialist and M. C. Jaynes, cotton work specialist.

Each of the above men gave discussions of his phase of the work, and how it fit into the war effort. Mr. Knox Parr had charge of the district meeting.

These district meetings are held each month in the district to keep county agents well informed on the latest information so that they might pass it on to the farmers and ranchers in the county that they are serving.

GAS FOR VICTORY GARDENERS

Victory gardeners cultivating plots away from their homes are eligible for extra rations of gasoline this summer, if they can show need for extra mileage, the OPA has announced. Mileage rationing regulations are amended to provide up to 300 miles for six months for Victory Garden travel, if the car owner: (1) is regularly cultivating a tract of vegetables of 1,500 square feet or more; (2) cannot get to his garden any other way and shows his labor is necessary to it; (3) arranges, if possible to share his car with other gardeners.

Feed Grain Increases Needed This Year

Texas' 418,000 ranchmen and farmers have been sent an urgent plea to plant to the limit of critical warcrops and feed crops for livestock this year.

With spring planting well underway throughout the state, B. F. Vance, Chairman, Texas USDA War Board, declared this week that "this is the most important planting season in American history and the number of acres to be planted still can be increased."

Asking farmers "to take an extra degree of chance and plant in full the acreage that would be handled under the most favorable circumstances," he said the War Food Administration, Washington, already was working on plans to organize latent labor resources to harvest this year's crops, that plans for more harvesting machinery were being drafted and that continued price supports at fair levels to minimize risks in the market place were being planned.

He explained that the recent Food for Freedom sign-up campaign in which increases in oil crops were stressed in no way minimized the importance of other essential crops, such as feed grains and hay.

"Texas ranchmen and farmers are not being asked to change their plans this year at the expense of oil crops for which need is even greater than feed crops, but at the rate corn, wheat, oats and barley and other feed grains are being consumed, we will need all the acreage to these crops that can be planted," he said.

Mr. and Mrs. Geo. Wayne Estlack and daughter, Jacqueline Marie, and Mrs. J. C. Estlack visited Mr. and Mrs. Homer Estlack and son Allen Homer at Kadane Corner the week end.

Mr. and Mrs. Glenn White of Shamrock visited relatives in Clarendon Sunday.

A Message from

Henry Morgenthau, Jr., Secretary of the Treasury
to the Newspapers of the United States

FRANK TRIPP
ALLIED NEWSPAPER COUNCIL

MAY I ASK YOU TO EXPRESS TO NEWSPAPER PUBLISHERS OUR THANKS AND APPRECIATION FOR THE TRULY REMARKABLE CONTRIBUTION THEY ARE MAKING TO THE SECOND WAR LOAN. WE FEEL QUITE CERTAIN THAT NEVER BEFORE HAS ANY CAUSE RECEIVED SUCH COMPLETE AND EFFECTIVE SUPPORT FROM THE NEWSPAPERS OF THE COUNTRY, AND WE ARE GRATEFUL FOR IT.

H. MORGENTHAU JR., SECRETARY OF THE TREASURY

YOU'RE MEAN, DADDY!
WHY CAN'T WE GO RIDING?

It's Patriotic . . . and it's plain common sense . . . to keep your driving at minimum until victory comes.

Rubber, which can be used against the enemy in every battle area, is too precious to be used for anything but essential driving . . . for going to work . . . for necessary shopping . . . for travel to and from places without other transportation facilities.

Remember, the rubber-saving, gas-line-saving, legal speed-limit is 35 miles an hour. Remember, too, that a tire worn beyond the danger point cannot be re-capped.

So be sure to get the help of the Phillips 66 Service Man.

See him at least once a week. He will check the air pressure in your tires, inspect them for cuts and bruises, criss-cross them with the spare every 3000 miles, tell you when re-capping is advisable. He will check your radiator, battery, and air filter. Will lubricate your car from fan-drive to stop-light. Then, with Phillips 66 Poly Gas and Phillips 66 Motor Oil . . . your money, your car, and your tires will all go farther.

Millions of drivers know from experience that Phillips 66 Poly Gas is famous for pep and mileage. So next time you are ready to use a coupon or two, stop at the Orange and Black 66 Shield, and find out just how good today's Phillips 66 Poly Gas is.

CARE FOR YOUR CAR FOR YOUR COUNTRY

and primary State highways; that the funds authorized be distributed to the States on an equitable and fixed formula so that each State will know with certainty the amount of funds it will receive and can make plans therefor; that provision be made for doing the work by the contract method on plans and specifications prepared by the States and approved by the Federal road building agency to avoid delay, waste and extravagance; that we urge the Congress to act expeditiously on this matter so that State agencies will have the opportunity to make surveys, prepare plans and specifications and accomplish other preliminary work so projects may be started with a minimum of delay following conclusion of the war; and that copies of this resolution be sent to the Texas Congressional delegation and to Senator Kenneth McKellar, chairman of the Committee on Post Offices and Post Roads of the United States Senate, and to Representative J. W. Robinson, Chairman of the Committee on Roads of the House of Representatives.

(Passed by the Senate, the House, and signed by the Governor.)

Associations Buy War Bonds

Taking their part in the 13-billion dollar war financing drive, the 36 Texas production credit associations are investing approximately \$700,000 in War Bonds out of capital paid in by farmers and ranchers and earnings of the associations, according to President Virgil P. Lee of the Production Credit Corporation of Houston.

"In addition to this institutional investment, all of the associations," he said, "are participating in the War Bond financing in one way or another. Their 23,513 members, busy with essential war production, are buying bonds individually as well as through the investment of their associations' capital and surplus in bonds.

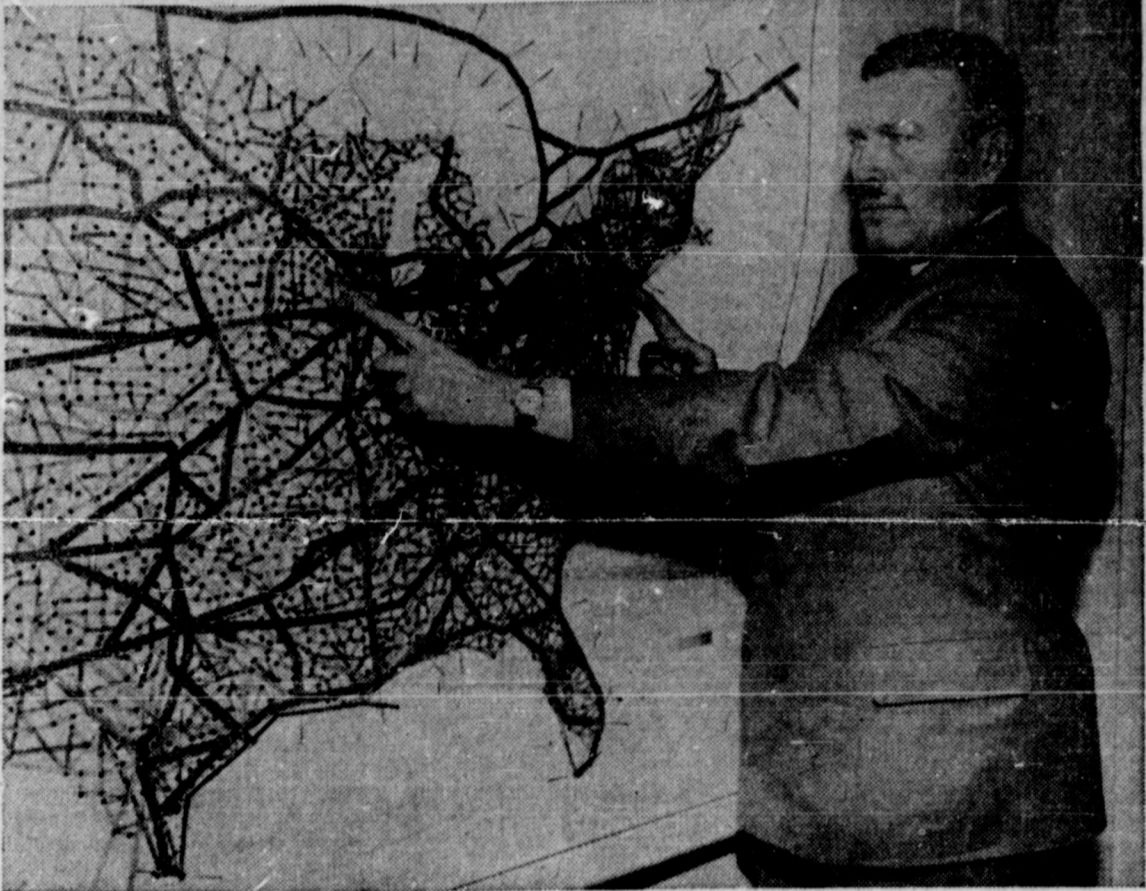

"Farmers and ranchers are ready to do their full part but their income is received at irregular intervals, which makes it difficult for them to participate in regular month-to-month buying," he said. "As they work out financing plans for the year, the associations are encouraging them to include regular bond purchases in their 1943 operating plans."

Old Age Assistance Rolls Show Decline

While the number on the Old Age Assistance rolls continued to decline during April, the cost of the program continued upward, figures released today by the State Department of Public Welfare revealed. The rolls dropped to 183,092, a net loss of 101. The department added 1,853 cases to the rolls, representing 1,674 new cases and 179 reinstated; 945 were removed from the rolls because of current ineligibility and 1,009 died during the month. Increased living costs brought 10,258 raises in grants in 15,897 reinvestigations of active cases. The net result of all changes was an increased cost of \$45,655 over April, the department distributing \$3,564,681 in an average payment of \$19.47 which compares with the average last month of \$19.21. The average authorized grant is \$3 above the average payment.

Pfc. Joseph T. Jones of Shepard Field spent Sunday evening with his mother, Mrs. Leona Jones.

AIR SPEED KING PLANS POST-WAR FLIGHT RULES

Pointing to network of existing and projected future airways, Colonel Roscoe Turner, only three-time winner of Thompson Trophy Races, now training pilots for Uncle Sam, endorses broad federal regulation of flight. Col. Turner—who 10 years ago flew coast-to-coast in record time of 11 hours 30 minutes—says terrific speeds of modern aircraft mean passage over many states in but a few minutes, making

mandatory "federal control of air flight as against state jurisdiction". As Vice-President of National Aviation Training Association, Col. Turner recently appeared before Interstate and Foreign Commerce Committee of U. S. House of Representatives and endorsed that Committee's Bill covering this subject and post-war aviation planning.

WAACS Offer Opportunity

Nine young West Texas women will be offered the opportunity of a lifetime, through enlistment in the U. S. Army Signal Corps, it was announced today by Lieut. Col. Marvin B. Durette, commander of the West Texas Recruiting and Induction District. The nine women chosen for the work will be well paid during their instruction course, Col. Durette revealed.

To be qualified for the enlistment, women must be from 21 to 45 years of age, with no dependents, and must be high school graduates. Those women passing the mental alertness test will be given a three months Signal Course as radio mechanics and operators, in regular Civil Service status, and while training will receive \$85 a month. After completing the basic course, certain succeeding courses will be given the women, Col. Durette said, and during this time, a salary of \$120 a month will be paid, before being ordered to active duty with the Women's Army Auxiliary Corps.

Col. Durette stated that while attending the Signal Corps Training School, which may be located in San Antonio, costs of lodging and sustenance must be borne by the women. Upon being called to active duty in the WAAC, all expenses will, of course, be furnished.

Col. Durette urged that all interested women contact their nearest U. S. Army Recruiting Station at once, as the training school will be opened within the next few days.

Safe Canning Methods

Only two methods of home canning are recommended by the Extension Service, A&M College of Texas, as being safe, preventing spoilage, and retaining the maximum amount of food value, flavor, texture, and color.

One method, says Winifred Jones, Extension specialist in food preservation is to process meats and vegetables, except tomatoes and ripe pimientos, in a pressure cooker. The other method is the water bath for fruits, tomatoes and ripe pimientos.

She explains that the pressure cooker offers the safest known method of canning the non-acid vegetable and meats because it destroys bacteria in these foods, including the most dangerous—the bacillus botulinus. If these bacteria are not destroyed in the spore stage they may grow and later produce a toxin or poison in the food.

"The worst part about this poison is that you usually cannot smell, taste or see it, yet one small bite could cause death or severe illness she says. The bacillus botulinus is destroyed by maintaining pressure at 240 to 250 degrees Fahrenheit. In an over or water bath the temperature of the food inside the jar never goes higher

New Guinea Boy Avenges a Death

PORT MORESBY, Papua—A New Guinea native boy, whose brother had been killed by Japs, asked the commander of an Australian unit by which he was employed as a carrier, to give him some hand grenades with short fuses—four-second ones. He got them, went into the Japanese lines and posed as a friendly non-combatant. He got a job in the Japanese mess, waited until all were gathered for a meal, tossed his "pineapples" and faded into the jungle. Later the Australians determined that the native boy was "even" for his brother's death. He had killed fifty of the enemy.

Mrs. and Mrs. W. P. Cagle Jr. of San Pedro, Calif., spent the week end with his sister and family, Mr. and Mrs. Van Kennedy and family.

Mrs. John Bass of Dalhart is visiting her sister, Mrs. Van Kennedy this week.

Misses Mattie and Irene Rhodes and Ben Chamberlain spent Sunday in Lubbock visiting Marvin Jones.

Post War Highway Planning

Senate Concurrent Resolution No. 42, Endorsing proposal of American Association of State Highway Officials for post-war highway construction through State agencies already established.

Whereas, this Nation is engaged in an armed conflict which is straining all its physical, spiritual and financial resources; and

Whereas, it is officially stated that before the end of this struggle approximately 65,000,000 citizens will be engaged in this gigantic effort, either as members of the armed forces or in war industries and other war activities; and

Whereas, in the prosecution of this war the nation has been converted from a peace-time to a war-time economy and it is deemed to be the best interest of the state and Nation to give consideration, even while at war, to the economic dislocations which will

follow termination of this struggle and to take whatever steps appear practicable to lessen the shock on the Nation's economy as the millions of citizens in military service and in war production industries return again to the pursuits of peace; and

Whereas, unless advance plans are made to provide gainful work for these millions of citizens, widespread unemployment will follow termination of the war; and

Whereas, Because of the heavy burden of war debt it will be necessary to maintain a high level of national income so that citizens will be in a position to liquidate war obligations; and

Whereas, It is recalled that lack of proper planning resulted in the improvident expenditure of millions of dollars in war relief programs during the depression in the early 1930's and that such expenditures did not result in works of lasting benefit to the people but were, in a sense, work doles; and

Whereas, The Federal Government is contemplating the expenditures of billions of dollars for

public works in the post-war years to speed a return to normalcy; and

Whereas, The American Association of State Highway Officials has presented to the Congress of the United States a proposal which contemplates the expenditure of One Billion Dollars a year for each of the three years after termination of hostilities; and

Whereas, Expenditures of funds for highway construction offers the best opportunity for providing widespread employment since approximately 80 percent of every dollar so spent is for labor; and

Whereas, Funds expended in highway construction provide facilities of lasting benefit to the people and are a capital investment which will pay dividends over the years and speed the development of Texas agriculturally, industrially and economically; and

Whereas, The National Government is now collecting many millions of dollars in direct highway user taxes from the people of Texas, which taxes should be returned to the people of the State for needed road construction, and expended under supervision of its own road building agency; now, therefore, be it

Resolved by the Senate, the House concurring, That we approve the proposal submitted by the American Association of State Highway Officials; that the funds so authorized be expended through the regularly established State and Federal road building agencies and that no new agencies, either State or Federal, be established to supervise such expenditures; that the authorization make provision for construction of farm to market roads, in addition to the improvement of city streets

"CHINS UP!"

We've

JUST BEGUN

To Fight!

If you're inclined to complain about rationing, or some other inconvenience, just think about the boys who are facing enemy bullets. We have it soft here on the home front. This is a tough War. It may be a long one. Let's pull in our belts and do our part here at home more cheerfully, more effectively.

TO THE PRODUCERS OF DONLEY COUNTY:

Walter J. Flynt, Secretary
Donley County ACA

The program of premeasurement is progressing very nicely in the county; however, much more time will be needed to carry out this program than was at first expected.

By premeasurement we mean that you will be sent a farm sketch or farm map of your farm on which we are asking that you make any measurements that must be made in order to plot the acreage of any crops on the aerial maps. If you intend to do this, it will be necessary for you to decide for certain where you will plant each crop, at least cotton and war crops. You will bring this map to the place designated in the letter for you to come to have your farm worked on, and we will do everything in our power to help you figure out your acreages in the crops where you want to plant them. If enough measurements are made so that we may plot the crops on the aerial map accurately, we will guarantee the acreage set up at that time. If this can be done, no further measurements will be necessary for 1943 on your part if no crops are changed from this plan.

In 1943 all farmers will be asked to measure and turn in their own farms in such a way that we may be able to plot these farms on the aerial map accurately. The premeasurement plan is designed to help you to either measure your farm or learn how to measure it. Your war goals which you set

up when you signed up with your community committeeman earlier in the year may be changed up until June 1st, but not after that date. If you feel that it is impossible for you to plant at least 90% of your war crop goal, (which is grain sorghums, soy beans, peanuts, vegetables for fresh market, etc.) please come in before that date and have us change this goal. Your Farm Plan Sheets will be sent to you in the very near future. The most of them will be sent out this week. Please check over these Plan Sheets on goals and let us know if you intend to change your goal on grain sorghums.

DRY FIFTY YEARS AGO IN TEXAS PANHANDLE

In the "Fifty Years Ago" column of the Dallas Morning News Monday, a quotation is made from a conversation from one of the Panhandle's best known old-timers of that day "Progress in the Texas Panhandle is being greatly retarded because of dry weather, Walter Dyer of Armstrong county stated here today," says the news item.

Walter Dyer was one of the fine old characters that pioneered in this section, and one of three Dyer brothers, all of whom left their imprint on our section of the country in leaving it better for their having lived here. Each of them passed on long ago.

Mrs. Lee Holland, Mrs. L. E. Thompson and Mrs. Carl Allmond were in Amarillo Tuesday. Mrs. Thompson visited her daughter, Jo Ann who is hostess on the Braniff Air Line from Dallas.

RED CROSS VOLUNTEER SERVICE

We believe that kindness and mercy and understanding will grow, must grow, that this planet may be a place for children and their children's children to live in peace and security.

Mrs. Clyde Bridges turned in 53 pairs of pajamas and 10 quilted quilts made by the ladies of the Hedley Community. These ladies certainly have done and are doing a wonderful amount of work. We wish that more people would visit the Production room here and see the lovely quilts that have been turned in. Mrs. Bridges also brought a box of second-hand clothing.

Mrs. E. S. Ballew turned in 50 hot water bottle covers made by the ladies of the Sims P.T.A.

The 1930 Needle Club have turned in 26 hot water bottle covers and 24 bedside pockets, made by the following ladies: Mrs. Edna Russell, Mrs. Betty Keys, Mrs. Mabyn Andis, Mrs. Alice Bain, Mrs. Nora Decker, Mrs. Maggie Hunt, Mrs. D. Lane, Mrs. Emma Ayers, Mrs. Jessie Phelps, Mrs. Mozelle Wright, Mrs. Glen Kirby, Mrs. Hattie Palmer, Mrs. Nina Armstrong, Mrs. Marie Bell, Mrs. Marguerite Wright, and Mrs. Ona Tatum. These articles are for the Army and Navy Hospital in Amarillo.

Mrs. J. F. Jones has knitted 6 more squares for afagans.

We need more used clothing, as our calls for those in distress in this county have taken about all that we had to give. Several families have lost everything they have owned by fire, and used clothing is more than appreciated by these people. Please look through your clothing and leave what you can spare at the Production room between the hours of 3:00 and 5:30 p. m.

Our material for the Soldier's Kits has arrived, and we hope to have them ready to distribute next week. The calls for these kits is urgent, and we are anxious to get out as many as we can.

HOME SERVICE

Mrs. C. A. Burton
In order to explain the delay in hearing from servicemen abroad and their delay in hearing from home, the Red Cross explains that about 20,000 pieces of overseas mail is handled every week; that mail must compete for cargo space with food and ammunition; that most mail ships sail only in convoys, and convoys sometimes take weeks to assemble.

Educational requirements have been changed for the WAVES and SPARS. Now two years of high school or business school is all that is necessary, and another change is that they are permitted to marry men in their own branches of service upon completion of their training.

A recent release through Red Cross from the War Department gives this statement: "The Army does not grant furloughs to individual soldiers to work on farms." This answers many of the questions recently asked. The release goes on to say that soldiers may be permitted to work on farms near their camps when a farm shortage or emergency exists at the discretion of the Commanding officer, where such action will not interfere with their training.

The Navy will grant no requests for release from service on the age 38 or over basis because the men are volunteers, and the Navy will grant no agricultural furloughs, but will consider a request for release to inactive duty, without pay, for a specified period for a man to engage in agricultural work.

Under certain specified conditions, men in the Army, 38 years of age or over, may be released from active service and transferred to the Enlisted Reserve Corps.

EXTRA FOOD FOR HOSPITALS

Hospitals can now get additional supplies of rationed foods that are needed in patient's diets by means of an application signed by whatever officer is in charge. Formerly, the OPA required the head physician to show the reason for the extra foods and the amount required.

Mr. and Mrs. H. T. Warner spent Monday at Amarillo shopping.

Mr. and Mrs. Will Johnson and daughter Mable and grandson Albert Louis Johnson attended the opening at McClellan Lake, Saturday.

Pioneer Buried Here Friday

Funeral services were conducted at the First Christian church here Friday afternoon for Richard Harvey Cline, 82, who passed away Thursday at the home of Mr. and Mrs. Ray Woods at Claude. Rev. Guy Ament, the pastor, had charge of the last rites.

Mr. Cline made his home in Clarendon for fifty-one years. He operated a laundry during his early years here. Later he was employed on a carpenter crew of the Denver railroad. He remained on this job for about forty years, retiring from active work some twelve years ago.

He is survived by his wife and the following children: Mrs. A. L. Jones, William B. and Clarence T. Cline of Amarillo. Also six grandchildren and seven great grandchildren.

Attending the casket were Joe Goldston, Geo. Norwood, Lee Bell, G. A. Anderson, L. T. Whitlock and Joe Horn.

Mr. Cline was a fine old character, highly respected and industrious through all of his active years. He attended strictly to his own affairs. He was charitable to his fellow man, harmed no one and passed on with the good will of all those who knew him.

Services Held For Walton Tucker

Funeral services were held Wednesday afternoon for Edwin Walton Tucker, aged 19, at the Methodist church with Rev. E. L. Moody and Rev. J. O. Quattlebaum, officiating. A military service was conducted by the Local American Legion at the cemetery.

Walton, son of Mr. and Mrs. Tom Tucker of this city, was born and raised in Clarendon and received his education here. He was in his second year of Junior College when he volunteered for service with Uncle Sam and was inducted Feb. 22nd, and was sent to Sheppard Field, Wichita Falls.

Walton was transferred from Sheppard Field to Denver, Colo., where he entered Denver University to study as an Aviation Cadet. On April 7th he was stricken with pneumonia and was taken to Fitzsimmons hospital where he remained until his death, Sunday, May 2nd.

He was a member of the First Baptist Church, joining that organization in 1933. He was popular and carried the admiration of

Dr. Keith S. Lowell
GENERAL PRACTICE AND SURGERY
Offices in Goldston Bldg.

his many school friends as well as others who had the pleasure of his acquaintance.

He is survived by his parents, Mr. and Mrs. Tom Tucker; a brother, Javan and a grandmother, Mrs. J. R. Cox, all of whom reside in Clarendon.

Pallbearers were J. R. Bulls, Odell Davis, Cap Morris, Forrest McCrary, Floyd Lumpkin and

G. G. Reeves. Honorary pallbearers were George Watson and G. D. Shelley.

Interment was in citizens cemetery with funeral arrangements under the direction of Funtin Funeral Home.

Mrs. C. T. McMurtry and Mrs. C. G. Stricklin were in Amarillo Wednesday.

Tubes Repaired

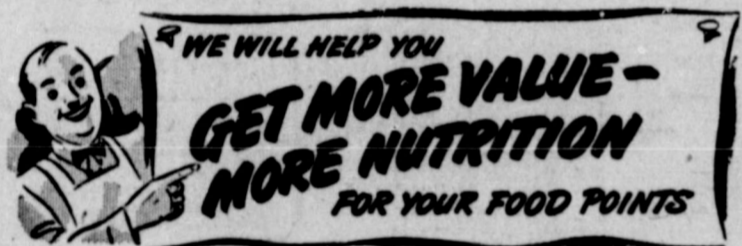

If you have an inner tube that is split or torn in two, bring it to us and we can repair it.

Tire Repairs

We can repair Tractor or Auto Tires of all kinds and sizes. We have the right type of equipment to repair them and give your tires a much longer life.
