CLARENDON, DONLEY COUNTY, TEXAS, NOVEMBER 4, 1943

A Common Paper for Common People

## Donley County Memorial Committee Organized at Hedley Tuesday Night

A meeting was held at Hedley Tuesday night for the purpose of organizing the Donley County Memorial Committee. The plan is to have every community in the county represented on this committee. The purpose of the committee is to raise funds to erect a permanent memorial honor roll for those in service during this war.

Present plans call for a complete listing of every man and woman from Donley County who have been in the service since Pearl Harbor Day. The estimated cost of such a monument will be approximately \$3,000.00, which represents about \$3.50 per name. It is believed that every man, woman and child in Donley County will be interested in helping to advance this proposition. Contributions are solicited and will be accepted at each bank in the county. Also every one who has members of the family in service is urged to turn in their names.

## Dairy Feed Payment Rates

Rates of payments which will be made to Donley county farmers and dairymen delivering whole milk and butterfat, to offset increases in dairy feed costs since September 1942, were recently announced according to information received by the county AAA office according to Mr. Simmons chairman, AAA committee. Payments will be made at the rate of 40 cents a hundredweight for whole milk and 5 cents a pound on butterfat. Payments on sales of butter will be made at 80 percent of the rate on butterfat.

Payments will be made by draft direct to the producer by the county AAA committee for the county in which the producer's farm is located upon the submission of satisfactory evidence of the quantity of milk or butterfat sold, according to Mr. Simmons. For dairy producers selling whole milk to cooperative associations, milk distributors, etc.: the statement normally furnished the producer will constitute satisfactory evidence, provided it shows the quantity of whole milk delivered. The receipts furnished by creameries for butterfat will be accepted as satisfactory evidence under the plan outlined by the AAA committee. Producers who retail milk will need to substantiate their claims by submission of customer's lists, number of cows and amount of feed bought. Producers who sell butter to consumers, local stores, etc., will need to obtain receipts from the buyers.

Payments for October will be made early in November and payments for November and December will be made early in January according to Mr. Simmons. The War Food Administration has announced that the present program will be in effect for October, November and December.

## Broncs Win Over Irish B Team

The Broncs repeated their winning streak again last Thursday night when they met the Shamrock B team on the home field. The score totaled 41-0, and the game was played by the second and third teams of the Clarendon squad. Adams was the spark plug of the locals, going over the goal stripe for most of the counters.

## VISIT SUNDAY IN SMITH HOME

Guests of Mr. and Mrs. Homer Smith were her parents, Mr. and Mrs. Andy Collins and her brothers, Doie and Fred of Memphis; and Mr. Smith's sister and husband, Mr. and Mrs. Pete Keslee.

## LIEUT. EARL L. EUDY COMPLIMENTED

This week the Leader office received the following letter from the Douglas Aircraft Company's Chicago Plant written by G. K. Swenson, paying a high tribute to young Lieut. Earl Eudy of this city. The letter follows:

October 28, 1943  
The Donley County Leader  
Clarendon, Texas  
Gentlemen:

Thought possibly you might be interested in one of your local boys who is fast becoming one of the most popular young officers stationed here at this mammoth airplane assembly plant where the C-54, largest transport land plane in the world, is being made.

First Lieutenant Earl L. Eudy from Clarendon, son of Mr. and Mrs. John Waters, is one of the staff of Major A. R. Holladay, the Resident Representative of the Army Air Forces at Douglas Aircraft Company's Chicago Plant.

Lt. Eudy's responsibilities are beyond conception. The state of Texas certainly should be proud to contribute this type of man to our armed forces.

The only thing we all regret here is that the Lieutenant can't wait for this war to be over so that he can get back to that Lone Star State.

Yours truly,  
G. K. Swenson

Manley Ozier of Amarillo visited his mother, Mrs. E. M. Ozier the week end on his way to visit his son, Blair who is in the service in Louisiana.

## Harley Sadler's Daughter Dies

Mrs. Gloria Louise Sadler Allen, 21, and the only child of Mr. and Mrs. Harley Sadler, died in childbirth in a Sweetwater hospital Friday.

No man in all Texas is better known and more loved and respected than Representative Harley Sadler, owner of the Sadler show troupe that has visited in Clarendon for many years.

Mrs. Allen was a graduate of the Sweetwater high school, Hardin Simmons University where she was a member of the Cowboy Band.

She is survived by her parents and her husband, First Lt. J. Richard Allen, instructor at Lubbock Air Field, who resigned from West Point Military Academy in 1942 to marry Miss Sadler.

## Northwest Texas Methodists To Meet In Lubbock November 9-11th

The 34th annual session of the Northwest Texas Methodist Conference which meets at Lubbock November 9th for a three-day session will review the year's work of around 220 pastors and assign them to charges for the ensuing fiscal year 1943-44. Bishop Ivan Lee Holt of Dallas will preside.

In addition to the pastors, retired members and nearly 220 lay delegates will be in attendance. Due to crowded hotel accommodations the session is being abbreviated this year. The first business session will begin at 2 p. m. Nov. 9th, and the last will probably close the conference late in the afternoon of Nov. 11th.

The Northwest Texas Conference, youngest of all in Texas, was organized at Stamford in 1909, and the first session was held at Clarendon with the late Bishop Atkins presiding. The conference has grown rapidly until it has become one of the largest in the Southwest.

The present districts and their superintendents are: Abilene, Dr. C. A. Bickley; Amarillo, Dr. Will C. House; Clarendon, Dr. George T. Palmer; Lubbock, Dr. O. P.

## Poppies to be Sold This Saturday

The American Legion Auxiliary Department of Texas has notified unit presidents to sell poppies Saturday, November 6th, according to Mrs. Karl Adams, poppy chairman of Aubyn E. Clark unit of The American Legion Auxiliary.

Recalling the service and sacrifice of the men who fought for America twenty-five years ago, Mrs. Adams said:

"Men are again being called upon to give their lives for America, as did our comrades in 1917 and 1918. Our own boys and our neighbors boys are among them. Our hearts are heavy at the thought that these young men must meet the same fate as those other young men we left beneath the poppies of France twenty-five years ago.

"To show that we honor and remember the dead of both wars we have another poppy sale. By wearing this little flower Sat. Nov. 6th, we express feelings we cannot put into words. We signify that we are carrying on in their spirit for the final triumph of the cause for which they laid down their lives.

"Poppies, made by disabled war veterans, will be offered on the streets all day Saturday by the women of the American Legion Auxiliary. I feel certain that they will be accepted eagerly and worn proudly by all citizens. I urge that these little red flowers, worn by all on this day Saturday, November 6th just five days before the 11th, will gladden every one's heart. Let's all do our bit for our boys who are coming home now disabled. Let's show them where our hearts will be on this 11th of November. It is also well for the public to remember that the war is not over for thousands of our fighting men who are now in hospitals; nor is it over for the wife and little children who need assistance. So this money, poppies are sold for, will help some child."

Contract has been awarded by OPA for 900 million of the new ration tokens and under the latest plans they are expected to be ready for use by February. The ration "coins" will be made of vulcanized fiber with a yellow center showing around the edges and two opposite faces of blue or red. The blue will be used with blue stamps for buying processed foods and the red with red stamps for foods rationed under the meat-fats program. Each token will have a value of 1 point, and will be used by consumers as change for ration stamps.

When the tokens are put in use the red and blue stamps will be valued at 10 points each, under present plans. A consumer buying rationed canned or processed foods or foods under the meat-fats program will tear from the ration book one or more stamps, according to the amount of the purchase, receiving tokens in change. As an example of how this will work, if a housewife buys a pound can of peas valued at 16 blue points, she will give the retailer two blue stamps worth ten points each, receiving four ration tokens in change. The tokens can be used any time to buy other items.

## WESLEY POWELL ENROLLS FOR BASIC FLIGHT TRAINING

Aviation Cadet Wesley Powell, son of Mr. and Mrs. C. C. Powell of Clarendon, is enrolled in the class of cadets currently taking basic flight instruction at the Independence Army Air Field at Independence, Kansas.

A member of the newly-arrived cadet class, he has successfully completed both the pre-flight and primary phases of the aviation cadet training program.

Mrs. Avila Vaughn and two sons of Lubbock, spent the weekend with her father, Mr. and Mrs. W. F. Barker and other relatives.

## Clark; Plainview, L. N. Lipscomb; Perryton, Dr. J. B. McReynolds; Stamford, Dr. Sam H. Young; Sweetwater, Dr. C. A. Long; Vernon, Dr. W. M. Pearce.

Rev. J. H. Hamblen, pastor at First Church, Abilene, enjoys the distinction of being the only Methodist pastor in this conference to service a charge for seven consecutive years, with the likelihood, say staunch members, that he will be returned for his eighth year.

## MAIL CHRISTMAS CARDS NOW

Christmas cards to soldiers overseas should be mailed at once, the War Department says. They must be sent in sealed envelopes as first class mail. Christmas cards mailed now will reach even the most remote APO's by December 25, according to the Army Postal Service.

Carl Morris, son of Mr. and Mrs. Cap Morris underwent an appendectomy at the Naval Air hospital at Hutchinson, Kansas. He is doing nicely.

Mr. Bill Thornberry and her father, Mr. Geyer and Mrs. A. L. Thornberry left for Dallas Friday. Mr. Geyer will receive medical treatment. Mrs. A. L. Thornberry will visit her daughter Estelle while there.

## RATIONING AT A GLANCE

By PEPPY BLOCKER

All tractor owners are urgently requested to check the condition of their tractor tires immediately and those who need new tires are asked to file applications for same at once. According to Cap Morris, local OPA Chairman, not enough applications were filed last month to use up the quota allotted Donley County; on the other hand, in the future it is most likely that some of the applications will have to be turned down. It is absolutely necessary that these applications be made now if every person needing new tractor tires is to receive them by the time they are needed for use. If you are a tractor owner, please do not wait until the day before you need to use it before filing application for tires; file now and be assured that your just needs will be available.

Foods covered by the amendment on rationing to effect jams, jellies, etc., includes all imitation as well as pure products but does not include citrus marmalade or fountain fruits or maraschino cherries. (afterthought: where could one obtain these items anyway?)

Contract has been awarded by OPA for 900 million of the new ration tokens and under the latest plans they are expected to be ready for use by February. The ration "coins" will be made of vulcanized fiber with a yellow center showing around the edges and two opposite faces of blue or red. The blue will be used with blue stamps for buying processed foods and the red with red stamps for foods rationed under the meat-fats program. Each token will have a value of 1 point, and will be used by consumers as change for ration stamps.

When the tokens are put in use the red and blue stamps will be valued at 10 points each, under present plans. A consumer buying rationed canned or processed foods or foods under the meat-fats program will tear from the ration book one or more stamps, according to the amount of the purchase, receiving tokens in change. As an example of how this will work, if a housewife buys a pound can of peas valued at 16 blue points, she will give the retailer two blue stamps worth ten points each, receiving four ration tokens in change. The tokens can be used any time to buy other items.

The ration tokens will be slightly larger than a nickel and smaller than a quarter, .88 of an inch in diameter, and about one-twentieth of an inch thick. They will be distributed in sealed boxes of 250 tokens each to food retailers through the 15,000 banks participating in the ration banking plan. Safeguards against counterfeiting the tokens have been included in the contract.

With use of the tokens, expectations are that War Ration Book Four will last at least three times as long as previous books. They will save many man-hours of labor and large amounts of scarce paper required for books. This also will reduce the calls made on thousands of volunteer workers who contribute their time in distributing the books. A substantial net saving in the cost of printing new ration books also will come from use of the tokens. The contract for manufacturing them went to the Osborne Register Co., Cincinnati, Ohio; they will cost approximately \$1.44 per thousand.

The tokens will make shopping a lot easier for housewives and also will be a tremendous help to grocers since they no longer will have to sort and total up a large mass of coupons.

Mr. Bill Thornberry and her father, Mr. Geyer and Mrs. A. L. Thornberry left for Dallas Friday. Mr. Geyer will receive medical treatment. Mrs. A. L. Thornberry will visit her daughter Estelle while there.

## New Industry To Clarendon

This new industry is to occupy the corner building owned by Mr. W. E. Davis, prominent rancher of near Brice, and for many years the headquarters of the popular firm of Hommel brothers.

The business will cover many needed materials for this section, and from this place of business will be distributed butane and propane gases and brings the gas line to the farm and ranch homes.

A full line of Oliver farm equipment, feeds, poultry feeds and remedies and a complete line of stock feed will be stocked.

This business is owned by Mr. Ray J. Noblitt. He and Mrs. Noblitt have resided in Amarillo for the past eighteen years.

"We got tired of the bigger town and looked the country over and selected Clarendon as the most inviting place to make our home," Mr. Noblitt said.

The good citizenship of Clarendon welcomes these new residents, and believe they will like this town better the longer they remain here.

Rev. J. O. QUATTLEBAUM, JR.

This coming Sunday, Nov. 7th will be the last Sunday of the Conference year at the local Methodist Church. Rev. J. O. Quattlebaum, Jr. has been pastor here for the past three years. Rev. Quattlebaum states that the heavy financial program in years has been taken care of and was complete two weeks before conference.

Rev. Quattlebaum enjoys a large acquaintance of friends, and has been popular not only with his own members, but with the community as well. He has been active in all civic affairs and has joined full heartedly with the Union Services of the town in which all pastors have enjoyed a very close fellowship.

Many friends and admirers of Rev. Quattlebaum are hoping that he will be returned here for another year when Conference meets in Lubbock November 9th.

## BALES COTTON GINNED SHOW INCREASE

According to W. M. Patman, special agent for the Department of the Census, 2306 bales of cotton were ginned in Donley county from the crop of 1943 prior to Oct. 18th as compared with 1250 bales for the crop of 1942.

## Broncs To Play Groom Tigers Friday

The Clarendon Broncs will meet the Groom Tigers Friday afternoon at the Groom field at 2 o'clock. This promises to be a good game as the Bronchos are out for another victory, and the Tigers will be out to get revenge for the licking they received here three weeks ago.

The probable starting lineup for the Broncs to be played against the Groom team will be Holland and Williams, ends; Mooring and Mann, tackles; Lovell and Bromley, guards; Bentley, center; Adams, Brumley, Carlile and Murri in the backfield.

## DONLEY CO. WAR CHEST FUND HAS QUOTA SET AT \$2,300.00

### T/SGT. H. M. McELRATH QUALIFIES FOR FLYING

T/Sgt. Horace M. McElrath, son of R. H. McElrath of Lelia Lake, and husband of Mrs. LaVerne McElrath, 634 Peck Avenue, San Antonio, has qualified for flying training as an Aviation Cadet, it was announced today from Brooks Field, Texas.

McElrath, who has served for four years in Brooks' Post Operations office, was associated with Geo. R. Cullen of Memphis, Texas, as a bookkeeper before joining the armed forces. He is a graduate of Lakeview High School.

## Home Nursing Course Ends

For the past six weeks, Miss Dolores Frey, a nurse from the Midwestern American National Red Cross, has been conducting Home Nursing classes; one at Ash-tola, four at Clarendon, one at Lelia Lake, and one at Hedley. The classes in Clarendon consist of seventy adults, meeting twelve hours during each week for six weeks. The second year Home Ec. girls, numbering eighteen, also took the course at their regular class period.

As the Home Nursing and First Aid courses are a part of the regular Homemaking Curriculum, the Home Economics Laboratory is well equipped with a hospital bed, and other hospital needs to keep the patient comfortable. Miss Berry volunteered her service to the Red Cross by donating the use of the Home Ec. rooms to Miss Frey in which to conduct her Clarendon classes.

The course was a very interesting and helpful one. It covered a broad scope of useful knowledge, with emphasis placed on sanitation. It provided information concerning good housekeeping and home making, how to meet emergencies, how to help protect yourself, your family, and your community from contagious diseases, how to follow the doctor's orders, and how to give simple treatments. It also brought out the important factors of child-raising. In fact the course has been most beneficial and those taking the course can help to make a much better home and community if they will only apply the knowledge gained.

The members completing the required number of hours, will receive a Red Cross pen and certificate.

## Donley Pioneer Dies Monday

Rites in tribute to the memory of Roy Kendall, 72, were conducted at the Griggs chapel in Amarillo at 4 p. m. by Dr. Earl G. Hamlett, pastor of the Polk Street Methodist church.

Mr. Kendall resided for many years in Donley county, most of that time being employed in railroad work. He resided with his family on East First street just prior to going to Amarillo where he was employed by the Santa Fe railway company for the past 23 years. The family resided at 608 Lincoln street.

Mr. Hugh Brown of Clarendon was one of the pallbearers. Surviving are his wife, Mrs. Joan Kendall. W. R. Kendall is the only son. The two daughters are Mrs. Homer Gettys and Mrs. Newell Wood and five grandchildren, all of Amarillo. Mr. Frank Kendall of Hedley is a brother.

The Rev. Kendall, father of Roy and Frank Kendall, came to Donley county more than forty years ago. They constructed the rock home on what has since been known as the John Blocker ranch across Salt Fork northeast of Clarendon. Rev. Kendall having acquired quite an acreage of pasture land at this location.

"If you are a resident of Donley County, Texas, you are charged with your share in the responsibility of winning this war. The County War Fund is the 'Victory Weapon' placed in your hands," stated Bud Knorrp, local War Fund chairman, as he announced the opening of this drive in Donley County today.

The national goal is set at \$125,000,000. Your State of Texas must raise \$4,885,781. Donley County is obliged to raise \$2,300. No other state has surpassed Texas in her gift of manpower to the military front; now let no state surpass her in her gift to the United agencies of the three fronts. Let's give a Texan's share!

The merging of the seventeen agencies for service and relief to the Military Front, the Home Front, and the United Nations Front means that you will have the opportunity to give but once a year to all of these organizations and only through your local agency which is your County War Fund. Give seventeen times as much as you would ordinarily give. Sixty-four percent of this fund goes to our own boys in the service.

Take YOUR Texan's share to any one of the Four banks in Donley County and leave your name with your share.

It is no longer a question of how much you have given; but how much have you left!

## Second Load of Fish Arrives

According to county agent H. M. Breedlove the second shipment of fish arrived in Donley county on the first of November. The fish were sent to Donley county from the Federal fish hatcheries of Lawton, Okla. Farmers and ranchers of Donley county receiving the fish were as follows: F. A. Finch of Hedley; Jack Roach of Clarendon; Rowe ranch of Clarendon, and Mrs. Laura Taylor of Lelia Lake.

The shipment consisted of 1,500 fish, the different kinds being 700 crappie and 800 bass.

The total number of fish sent to Donley county this year is 31,500. Some of the lakes that were stocked with fish are private lakes and closed to the public but several of the lakes will be open to the public for fishing in one year. The lakes open to the public is the Taylor lakes of Lelia Lake and the Johnston lake also of Lelia Lake.

## 30 DAYS' NOTICE ON STAMP 18

The public will be given 30 days' notice, should it become necessary to terminate shoe ration stamp 18. This announcement was made recently by OPA to "kill" scare-buying rumors that the validity period of stamp 18 might be cancelled with only 24 hours' notice to consumers.

## War Board Bans Anti-Freeze

The War Production Board has forbidden the sale of thousands of gallons of anti-freeze designed for sale to prevent auto and truck radiators from freezing.

The list includes 22 brands adjudged injurious to radiators, hoses, ignition systems and water pumps by the National Bureau of Standards.

WPB listed the trade names of the prohibited anti-freezes as: All-Weather, Chem-A-Cool, Frozone, Permazone, Wonder, Solv-Lo-Zone, Alcotex, Ever-Flo, Bird Antarctic, Flexo, Gold Seal, Security, Ant-Arctic, Neva-Freeze, Anti-Frost, Bond (Top Line), Freeze, No-Freeze, 60-Below, Lo-Temp, Never-Freeze and No-Boil. It said the types prohibited are made with inorganic salts, including calcium, magnesium or sodium chloride and petroleum distillates.

## WITH OUR ARMED FORCES

EDITORS NOTE—The following letter was written by J. A. Howard Jr. to his parents here, Mr. and Mrs. J. A. Howard. He is in the Navy and is located somewhere in the South Pacific. In his letter he mentions Kenneth Brown and J. B. Cole, two Clarendon boys. J. B. Cole receives the Donley County Leader which was subscribed for him by his sister, Mrs. Donald Ballew.

October 8, 1943

Dear Mom,

This is my day off so will catch up on my writing. I washed this morning, really gave my whites a good boiling but they aren't very white. You would be ashamed of them. But I just can't seem to get the hang of washing clothes but am learning fast. I also went swimming today, but lay in the sun most of the time as I am going to be as brown as the natives when I come home. The beaches are nice just like San Diego. The only difference is there are no bathing beauties, strictly G-I. I have been sent to another

Island since you last heard from me. My new address is at the bottom. I am still striking for you man, think maybe I can make a rate in three or four more months. I am liking or rather getting used to tropical magic, but what I would give to see a 10 foot snow. We have good movies, get the latest that are made. So we see them here about as soon as you see them in the States. The boys over there are not what you call home-sick, of course they miss everyone at home; but one of the things we miss is going somewhere on Saturday night. If we could only see an automobile, or a neon sign I think that would help.

I guess you would like to know a little about the natives. They like the Americans fine, and really hate the Japs. They speak a broken English and you can understand a little and make them understand by speaking broken English too, which is not so hard for the most of us. They have taken up American slang, and some of them have given themselves names like Mac, Bill, Joe, Ed, etc. They smoke pipes and cigarettes that the boys give them or trade them. They sell souvenirs, and incidentally know the value of the "buck" as well as we do. They like bright pieces of cloth and are al-

ways trying to trade us out of our mattress covers. I gave one a silver chain and he promised to make me a grass skirt. I also have some pictures I may send later.

I would like to send you something for Christmas but the coconuts are not ripe yet, and a lizard would die before it got there. Or I could send you a can of spam or corned beef, or would like a can of dehydrated potatoes. We have plenty of that. Oh yes, next time you are in town see if you can find me a dog chain and some dental floss.

You know I always told you that no matter where you go you will always see Clarendon represented. I was sitting at the movies the other night and heard someone call my name. I looked up and there was J. B. Cole. We were both equally surprised to see each other and asked each other how they ever got over here. We had quite a long chat mostly talking about home and exchanging news that we knew. He also told me that he had seen Kenneth Brown. J. B.'s camp is just across the road from mine, but Kenneth is at another camp not far from here. He loaned me several papers that he had gotten from home, and I certainly enjoyed reading them.

Well I guess that's about all for this time. Will write more in a few days. Tell everyone hello, and I would really appreciate a letter from anyone. I am fine so don't worry about me.

With all my love,  
Son

## Navy College Program V-12

On November 9, 1943, men between the ages of 17 and 22 who have graduated from high school or are in their final term of high school, will have another opportunity to try for candidacy in the Army Specialized Training Program and the Navy College Program V-12.

The tests, which will be given at high schools and colleges, will provide an opportunity for these men to qualify for training at the college level in fields of study for which the Army and Navy have vital needs. Graduates of the Program will serve as specialists, technicians and officers in the armed forces.

Applicants who will reach their 17th but not their 20th birthday by March 1, 1944, who qualify, and who express a preference for the Navy, Marine Corps, or Coast Guard, will be asked to report to Offices of Naval Officer Procurement for a physical examination and personal interview.

Those selected for the Navy Program may express a preference for colleges on the Navy list of contract institutions and the course of study they would like to pursue. Assignment to college and course of study, however, ultimately will be determined by the needs of the service. All students in the Navy College Program will be on active duty in uniform with pay under military discipline. The Navy pays all expenses including

tuition, housing, food, and everything but personal items.

All students may obtain full information on the tests from their school or college administrative officers who have received copies of the pamphlet, "Qualifying Test for Civilians." The back cover of this pamphlet is in the form of a detachable application which candidates for the tests will fill in and hand to the administrative official of the school or college in charge of the tests. Students may express a choice of service between Army and Navy on this form.

Young men who take this test and qualify will be performing a patriotic service by making themselves available for specialized training in fields vitally needed by the Army and Navy.

## INDIANS DECLARE WAR ON AXIS

The Cuna Indian tribe of Panama has been persuaded to declare war on the Axis and has gone to work gathering wild Gastilou rubber to help United Nations defeat the enemy. The tribal territory is a good source for some of the natural rubber that is needed to blend with synthetic rubber. The Indians, at first hostile to the rubber collection program, were persuaded to cooperate through the efforts of the Panamanian Government.

**MORE POWER!**

WE CHEERED, when Uncle Sam called on industry to work 24 hours a day, seven days a week, UNTIL THE WAR IS WON!

Continuous production, you see, is nothing new to us. We've always worked that way. It's one big reason why we were prepared to serve the army training camps, the flying schools, and the new war plants in West Texas—all in addition to serving your home and business.

We are proud that our service to you has not suffered despite the unforeseen problems created by the war. We believe it is a credit to the American way of doing things... a tribute to the American system of free initiative and free enterprise.

The electric industry throughout the nation is providing power where it's needed when it's needed... MORE THAN THE COMBINED TOTAL OF ALL THE ENEMY NATIONS!

This is in contrast to claims by proponents of socialization who predicted an immediate and disastrous shortage of electric power. The proof is:

- Today, in time of America's greatest need, the country's electric operating companies are supplying over 90% of all the power commercially generated;
- Last year they paid \$510,000,000 in taxes, enough money to equip 2,400,000 soldiers or build 9,273 fighting planes;
- The average home now gets over twice as much electricity for its money as it did 15 years ago.

It represents American genius at its best. In little more than two generations electric systems owned by the public (through millions of small stockholders) have become indispensable in American homes AND IN AMERICA'S WAR EFFORT.

It has been possible because America's electric companies have been built and operated the American way—by good business management.

**West Texas Utilities Company**

**THE TEMPLE OF TRUTH**  
By the Apostle

A young lady visiting here last summer went horseback riding. After she had ridden for some hours, she was asked how she liked the idea since it was her

first experience. Then she said, "I just don't see how anything filled with grass can be so hard!"

If there is one time that a lady should be left alone with her thoughts, it is when a passing car splashes mud on her new dress.

I know a sweet old grandma living here who is quite deaf. Sometimes, when the family is

away, the phone rings. Grandma takes down the receiver, says "hello, no one here except grandma and she can't hear." Then having done her chore, grandma rocks herself to sleep again.

Digging a well is one of the few jobs where you begin at the top. The boss says to "make this short this week on account of a lack of space." Beginning at the top of

the column is another job like the well digger's, only he is better paid than the column writer.

Despite critical shortages of manpower and material, the communication facilities of the U. S. have been expanded to handle millions of words more every day—probably the greatest and fastest exchange of intelligence the world has ever known.

**GOLDSTON**  
Beatrice Smith

Mr. and Mrs. Wilson Gray and daughter, Mrs. Kathleen Yankee, and Miss Margaret Kidd were Amarillo visitors last Friday.

Mr. and Mrs. Fred Helton of Amarillo visited in the Buck Parker home awhile Sunday night. Mr. and Mrs. Bill Littlefield and family spent Sunday with his parents. Mr. and Mrs. Littlefield of Jericho.

Mr. Buck Parker spent the week end in Amarillo. Mrs. Bill Littlefield returned home from Wichita Falls and Bowie after a few days visit with relatives.

Mr. and Mrs. Haskell Hay and Earl visited Mr. and Mrs. Elvis Burch of Dimmitt in the Sam Lowe home Sunday.

Mr. and Mrs. Roy Stewart and son of Chamberlain and Mr. and Mrs. H. M. Stewart were dinner guests of Mr. and Mrs. Dick Eichelberger Sunday. Mr. and Mrs. Neely Hudson and son visited in the Eichelberger home during the afternoon.

The Young Married Folks Sunday School class enjoyed a party at the school house Friday night. Bill Mooring spent Sunday evening with Hugh Stewart.

Mrs. Sophie Wardlow of Amarillo spent Sunday evening with her brother and family, Mr. and Mrs. Edd Mooring and family.

Mr. and Mrs. Jesse Vick and family spent Sunday visiting in Memphis.

Mrs. Haskell Hay entertained her Junior Sunday school class with a Halloween party at her home Friday night. Thirty two were present with their parents.

Mr. and Mrs. Claude Fulton are the proud parents of a baby boy. He arrived Monday of last week and his name is Jerry. Mr. and Mrs. Fulton are former residents of this community.

Mr. and Mrs. J. C. Cates of Spearman spent Friday night in the Adell Williams home.

**THE STATE OF TEXAS**  
TO H. B. PORTER, Defendant, Greeting:

You are hereby commanded to appear before the Honorable 100th District Court of Donley County at the Court House thereof, in Clarendon, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of December A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 1st day of November A. D. 1943, in this cause, numbered 2221 on the docket of said court and styled Cleo Snodgrass Porter Plaintiff, vs. H. B. Porter Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce because of cruel treatment and restoration of maiden name of Cleo Snodgrass as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Clarendon, Texas this 1st day of November A. D. 1943.

Attest:  
HELEN WIEDMAN  
Clerk District Court,  
Donley County, Texas

Milk is as much of a PROTECTOR in this war as ammunition. Don't waste a gallon, and don't feed it if you can feed something else! Security Call Feed Stores for 40 years, will do a profitable job of nourishing your baby calves. A 25 lb. pail will feed four calves for six weeks at about 17¢ a gallon to feed. That's ECONOMY, and leaves you more milk for market! Stop in for a pail of Security today!

Simpson's Mill & Feed Store  
Clarendon, Texas

*Sure, I'll take a Texan's Share*

Your County War Fund is another "Victory weapon."

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$4,885,781.00 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to stretch every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a Texan's share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front. Remember, President Roosevelt has said that a share in the National War Fund is a share in winning the war. Use this "Victory weapon." Give to your County War Fund.

THE 17 PARTICIPATING AGENCIES ARE:

- \* USO
- \* United Seamen's Service
- \* War Prisoners Aid
- \* Belgian War Relief Society
- \* British War Relief Society
- \* Dutch Relief Fund (Queen Wilhelmina Fund)
- \* French Relief Fund
- \* Friends of Luxembourg
- \* Greek War Relief Association
- \* Norwegian Relief
- \* Polish War Relief
- \* Russian War Relief
- \* United China Relief
- \* United Czechoslovak Relief Fund
- \* United Yugoslav Relief Fund
- \* Refugee Relief Trustees
- \* The United States Committee for the Care of European Children

## HILL-NICHOLS

In a double ring ceremony performed at 8:30 o'clock Friday evening, Oct. 22, Miss Margaret Hill became the bride of Sgt. Lacy E. Nichols of the Amarillo Army Air Field.

Chaplain V. L. Cameron, Lutheran, read the nuptials in Post Chapel No. 1 at the field.

The bride is a daughter of Mrs. Lucille Jameson of Pampa and the bridegroom is a son of Mr. and Mrs. Oscar A. Nichols of Greensboro, Md.

Before the ceremony, Sgt. Arthur L. McMillan sang "I Love You Truly" and "O Promise Me," accompanied at the piano by Pvt. J. Krammer.

The altar decorations were pom-pom chrysanthemums.

The maid of honor was Mrs. Rupert Stahlheber who wore a navy blue dress and corsage of white carnations. The bridesmaid, Miss Elsie Britton, wore a light blue suit accented with a white carnation corsage. Sgt. Edward A. Baber served as best man.

The bride, given in marriage by Sgt. John P. Marsh, wore a powder blue suit accented with black accessories. She carried a white Bible topped with gardenias.

Mrs. Jameson wore a dark blue suit and had a corsage of white carnations.

Mrs. Nichols attended Clarendon High School and Clarendon Junior College, and business college in Amarillo. She is employed as secretary to Capt. R. P. Snowden, a personnel officer at the Amarillo Field.

Sgt. Nichols is a graduate of Greensboro High School and attended Goldsby Business College in Wilmington, Del. Before entering military service, he was in the grocery business in Greensboro.

The couple is at home at 1540 East Seventh Ave., Amarillo.

## 1928 BOOK CLUB

A very unusual and interesting meeting of the 1928 Book Club was held Tuesday afternoon at the lovely home of Mrs. Elba Ballew with Mrs. J. G. Stewart as co-hostess.

The officers of the ensuing year were elected after which Mrs. Cap Morris acted as leader of a round table discussion of the book, "Generation of Vipers" by Philip Wylie.

Mrs. Morris discussed the life and style of the author and followed consecutively by Mrs. Cox who gave convincing reasons why she did not like the book. Mrs. Porter gave the good points of the book. In part, she said, "If we see the world through the author's eyes, we will strive to make this a better place in which to live."

"A Specimen of American Attitude," as written by Mr. Wiley, was interestingly discussed by Mrs. Ballew, and what Mr. Wiley thinks of our American institutions was reviewed by Mrs. Thornberry.

The hostesses Mrs. Ballew and Mrs. Stewart served delicious refreshments to twenty-two members and one guest, Mrs. Gordon Bain.

## KILL KARE KNEEDLE KLUB

The Kill Kare Kneedle Klub met in the home of Mrs. R. R. Dawkins last Thursday at 3:30 p. m. During the business session, Mrs. Brumley presided in the absence of Mrs. Bartlett. Mrs. Major Hudson was voted in as a new member.

The room was beautifully decorated with roses and dahlias.

Delicious refreshments were served to guests, Mrs. E. L. Moody, and Mrs. Fred Cook; and to members, Mesdames H. C. Brumley, Eva Draffin, G. C. Heath, Cap Lane, W. A. Massie, M. W. Mosley, H. Mulkey, E. H. Noland, Lon Rundell, Buel Sanford, F. White, Misses Etta and Ida Harned and the hostess, Mrs. Dawkins.

## ENTERTAIN WITH SUPPER

Mr. and Mrs. D. E. Leathers entertained a number of their friends with a Halloween supper. After the delicious meal, games of 42 were played until a late hour by Messrs. and Mesdames Howard King, Bill Poole, Luther Butler, Adell Williams, Willard Knox, Earl Myers, Quinn Aten, Sam Roberts, Rice Batson, Gus Rasco of Memphis, and Mrs. J. R. Williams, daughter of Mr. and Mrs. D. E. Leathers.

## WINDY VALLEY CLUB

This Club met Thursday, Oct. 28 and quilted on a quilt for the Red Cross. Five members were present. Those to receive polly anna gifts were Mrs. Kidd, Mrs. Swinney, Mrs. Crone.

The next meeting will quilt for the Red Cross, Nov. 10th.

## BOBBY BELL HAS BIRTHDAY PARTY

Mrs. Lee Bell entertained Saturday afternoon with a Halloween birthday party, honoring her son, Bobby, on his 4th birthday at the Bell home. The rooms were decorated in the Halloween colors. The dining table had a large jack-o-lantern as centerpiece surrounded by miniature lanterns filled with candy as favors. Many nice gifts were received by the honoree.

Indoor games were played until refreshments of orange punch and individual cakes were served to honoree, Bobby Bell and guests Sandra Jo Bownds, Hubert Kidd, Don Taylor, Wesley Mack Stewart, Marion Frank Combest.

## 1937 BRIDGE CLUB

The 1937 Bridge Club was entertained at the home of Mr. and Mrs. A. B. Turner Monday night. Three tables of auction were enjoyed with Mr. and Mrs. B. G. Watson winning high and Mr. and Mrs. J. R. Gillham low.

Lovely refreshments were served to Mr. and Mrs. Carl Bennett Jr., Mr. and Mrs. J. R. Gillham, Mr. and Mrs. A. D. Estlack, Mr. and Mrs. B. G. Watson, Mr. and Mrs. G. W. Estlack and the hosts, Mr. and Mrs. Turner.

Miss Ruth Richerson left for Austin on business Tuesday.

## WIN-ONE CLASS

The Win-One Class of the Methodist Church held its regular social meeting on Monday afternoon November 1st at the home of Mrs. G. T. Palmer.

Mrs. John Goldston, the president, presided over the business meeting. Mrs. J. R. Porter gave the devotional from the 199th Psalm. The members voted to have the outside woodwork of the church painted.

Mrs. Lon Rundell, chairman of the finance committee, reported \$154.16 as proceeds of the rummage sales, held recently.

Delightful refreshment plates were served to the following: Mesdames J. R. Porter, Frank Bourland, W. M. Patman, J. T. Patman, Lon Rundell, John Goldston, R. C. Weatherly, John Blocker Sr., S. T. Sayre, W. D. Van Eaton, and one guest, Mrs. Cal Merchant, and the hostess, Mrs. G. T. Palmer.

## HALLOWEEN PARTY

The Children's Department of the Christian Bible School enjoyed a Halloween party in the church basement, Saturday from 4 to 6 o'clock. Games, contests, singing, and Halloween costumes provided entertainment.

Sandwiches, cocoa and popcorn balls were served to about twenty-five children. Mesdames Clarence Pipes, Roy Clampitt, Vernon Reid, and Guy Shelley were hostesses.

## Church News

### ASSEMBLY OF GOD CHURCH

"B" book holders, third inspection, Oct. 31; "C" book holders, fourth inspection, Nov. 30; and "T" book holders inspection every 6 months or over 5,000 miles, whichever comes first. Speedometer reading should be written in on record.

### Used Commercial Vehicles

A certificate of transfer is required and must be signed by both seller and buyer and presented by buyer when he applies for gasoline at his local War Price and Rationing Board.

### Other Rationing

Donley County Leader, \$2 a year.

Scene from "SO PROUDLY WE HAIL" with Claudette Colbert, Paulette Goddard, Veronica Lake, showing at The Pastime Theatre, Saturday Night Prevue, Sunday & Monday, November 6, 7, 8th.

Sgt. Jimmy Goodman who is stationed at Westover Field, Mass. is spending several days with his parents, Mr. and Mrs. D. T. Goodman.

Pfc. Billy Goodman and wife of Lubbock, spent the week end with their parents.

Claude C. Kirby, noted attorney of Denver, visited his sister, Mrs. J. E. Hunt and other relatives over the week end.

Oscar Maxey, Cactus Plant employe, spent Sunday here with his family.

Mrs. J. A. Warren left Wednesday for a visit with her son, J. A. Warren Jr. and family in Borger, after which she will visit in Amarillo before returning home.

Mrs. Millard Word is at home after being at Canyon due to the illness and death of her father, Dr. Ingham.

Mr. and Mrs. W. E. Betts of Clovis, N. Mex. visited his sister, Mrs. C. A. Burton the weekend.

Mrs. James Patman and son Tom are visiting Mr. and Mrs. J. T. Patman this week.

Mrs. C. T. McMurtry and Mrs. Ted Hess were Amarillo visitors Friday.

Mrs. Clyde Martin visited her husband's mother, Mrs. W. D. Martin last week, also her parents Mr. and Mrs. W. B. Haile at White Deer.

Mrs. Monroe Harrington of Rogers, Ark. visited Mr. and Mrs. King Friday night.

Mrs. Nelson Riley and Mrs. Doc Adamson are at Belen, N. Mex. with Mrs. Riley who is sick.

Mrs. Ferral Floyd, Bessie Reynolds, Mrs. Knox visited relatives in Amarillo Wednesday.

## RED CROSS VOLUNTEER SERVICE

The war is exacting a cruel sacrifice from millions who forgot that peace and human brotherhood demand sacrifice, also. War will go on exacting its bloody sacrifices until we learn that Christ's law of sacrifice is the only law by which human life can be kept sweet, decent and sound: Sacrifice in the heart, in the home, in the parish, in the countryside, in the nation and world.

**Knitting**  
The following ladies took out sleeveless sweaters to make: Mrs. Hattie Palmer, Mrs. Frank Phelan, Mrs. B. F. Kirtley, Mrs. Geo. Norwood, and Mrs. J. W. Evans.

**Sewing**  
Mrs. Bill Patman took out 12 winter robes for the Win-A-One Sunday School Class to make for hospital use.  
The Production Room is open every afternoon from 3:00 to 5:30 p. m.

**HOME SERVICE**  
Mrs. C. A. Burton  
A recent release from Red Cross headquarters discusses again the functions of Home Service as follows: Communications, assisting with communications between the Servicemen and their families when common means of communication are not available or effective. Communicating through International Red Cross in situations where normal channels of communication are disrupted.

Information—supplying information concerning government regulations and legislation affecting service and ex-service men and their families and concerning International Red Cross and its regulations. Supplying information about assistance available for families.

**Benefits and Claims**—assisting servicemen and their dependents in applying for family allowances and ex-servicemen and their dependents in presenting claims for pensions and other government benefits.

**Reports**—assisting the military or naval authorities by obtaining social history material required for medical treatment, and by making reports on home conditions needed by Commanding Officers in deciding questions of discharge, furlough, or clemency.

**Financial Assistance**—providing financial assistance for basic maintenance on the basis of need to dependents of servicemen and to disabled ex-servicemen and their dependents during the temporary period when the application or claim for government benefits, including family allowances, allotments, pensions, and insurance benefits, is pending.

Repeated requests have come for information concerning Emergency Maternity and Infant Care Program. Texas has still not qualified for participation in that fund, much to our regret, though the majority of the states in the Union have.

Rev. and Mrs. J. O. Quattlebaum and daughter, Patti, were Amarillo visitors Tuesday.

Mr. and Mrs. Jno. W. Butler were down from Claude Tuesday visiting his brother, J. C. Butler and family and attending business matters.

## Wanted! Men and Women Who Are Hard of Hearing

To make this simple, no risk hearing test. If you are temporarily deafened, bothered by ringing buzzing head noises due to hardened or coagulated wax (cerumen), try the Ourine Home Method test that so many say has enabled them to hear well again. You must hear better after making this simple test or you get your money back at once. Ask about Ourine Ear Drops today at Douglas & Goldston Drug Co.

**Portable Pipelines Speed Fuel To Planes**

Portable pipelines through which it is possible to pump gasoline from tankers in a harbor virtually into the fuel tanks of a plane a thousand miles away have been developed by the Corps of Engineers in cooperation with private industry, according to the War Department.

The pipelines, which have passed the battle test in North Africa, are expected to revolutionize the transport not only of liquid fuels, but also of water to troops fighting in arid regions where water-holes are few and far between.

This new pipeline can be laid at the rate of 20 miles a day and can be moved to cover the most swiftly shifting fronts. Its use will free overloaded supply roads from the extra burden of tank truck convoys.

Using flexible joints, the pipe sections can be laid on top of any terrain accessible to trucks. The pumping stations are mounted on skids, and a complete station can be transported in two trucks. A special coupling allows the sections to be fitted together in a leak-proof connection in a few minutes.

The portable pipeline is economical, easily camouflaged, and hard to hit. It is said a 100-pound bomb must strike within four feet of an above-ground link to put it out of operation. Should the line be broken, the booster stations cut off the flow automatically. Gauges indicate the approximate location of the break which can be repaired or replaced quickly.

Engineer Petroleum Distribution Units are being trained at Camp Claiborne, La., to install and maintain pipelines, pumping stations, and storage tanks. In this training area there are more than 100 miles of pipeline and eight pumping stations so hidden from each other that crews maintain communication by field telephone or messenger. Other crews set up and tear down model units.

**HARMFUL ANTIFREEZE SOLUTIONS ENDANGER AUTOMOBILES - TRUCKS**

More than a half-million gallons of harmful and destructive antifreeze is included in the supply of antifreeze preparations for sale to the public, the Office of Defense Transportation estimates.

Warning that certain types of antifreeze solutions have been found highly destructive to radiators, ignition systems, and rubber connections in automobiles and trucks, the ODT urges operators not to allow such materials, regardless of cheapness, to be put into their vehicles. Where such solutions already have been put in, ODT advises that they be drained out immediately and replaced with safe antifreeze of the ethylene-glycol or alcohol type.

**BRITISH WOMEN GET SPIDER-WEB**

Collecting spider-web for precision sighting instruments is one of the duties performed by women in the British Auxiliary Territorial Service. October spider-web in Great Britain, according to experts, is most suitable for the sighting instruments. The collection requires a delicate touch and a steady hand. The woman web collector catches a spider with one hand and drops it from one hand to the other. As the spider falls, it spins a fine web. This strand is attached to a metal frame smeared with shellac, and the frames are stored for future use. When this fine strand is not enough, ATS craftswomen split a strand in two under the microscope.

"OF COURSE, WILBUR, MEAT IS SCARCE IN WARTIME, BUT I THINK YOU ARE OVERDOING IT JUST A BIT."

**NORTH AFRICA HELPS FEED TROOPS**

North Africa now is delivering fruits, vegetables, and meats to Allied Forces, supplying the new French army and feeding essential civilian workers, it was revealed recently. Flour, fruits, and vegetables from North Africa are being used in the Italian campaign, and French authorities are accumulating food supplies for use during and after the liberation of France. Following liberation of North Africa, Allied authorities supplied carefully budgeted seeds, fertilizers, sprays, binder twine, spare parts for farm machinery, and tractor fuel—supplies which have saved many times their weight in shipping space by enabling North Africans to get quickly back into agricultural production.

Mr. and Mrs. O. D. Kerr were here this week from Amarillo attending Mrs. Kerr's father, J. G. Teel, who is confined to his home with illness.

Ellis Chenault, Lelia Lake blacksmith, attended business matters here Monday.

W. M. Pickering was here from his farm in the Naylor community Tuesday.

**SET PRICE RANGE ON CATTLE**

The allowable range of prices for which each grade of live cattle can be sold to slaughterers has been set by Judge Fred M. Vinson, Director of the Office of Economic Stabilization. Within each grade price may fluctuate \$1. Price ranges per hundred-weight for various grades at Chicago are: choice, \$15 to \$16; good, \$14.25 to \$15.25; medium, \$12 to \$13; common, \$10 to \$11; cutter and canner and bologna bulls, 7.45 to \$3.45. The Price Administrator and the War Food Administrator are to determine and publish prices at other points in line with Chicago prices.

Connie Taylor, Hedley garage operator, was here on business Tuesday.

Mr. and Mrs. J. E. Burch and son Jesse of Dimmitt were here Sunday visiting friends.

Helen Louise Green of Dimmitt visited her parents, Mr. and Mrs. C. L. Green Sunday.

Mr. and Mrs. Odis Stilwell and daughter and Mrs. M. M. Morris and daughter of Memphis visited Mr. and Mrs. D. Smith Sunday.

Mrs. Ed Wagoner of Groom and Mrs. Ellen Whitman of Norman, Ill., spent last Wednesday with Mrs. A. H. Baker.

Mrs. T. E. Rush of San Antonio and Mrs. M. E. Cox of Panhandle spent several days with their mother, Mrs. A. H. Baker here.

Mrs. A. O. Bauer returned home from California last Saturday after an extended visit with her daughter, Mrs. Bernice Osborn at Pomona, and granddaughter, Mr. and Mrs. D. B. McCracken at Los Angeles. She visited a sister there also.

Lieut. F. F. Kinzer and wife of Ft. Smith, Ark., are visiting her mother, Mr. and Mrs. Karl Adams.

# Yeah? Who says so!

**THIS IS YOUNG MR. DOUBTING THOMAS, JR.** He is a symbol, and stands for millions of motorists who want facts, not claims, about motor oil quality.

With all automobiles growing older and no new ones in sight, facts about oil quality have never before been so important to car owners. That is why we briefly present these facts about a motor oil with a good name, which is backed by a great name.

Phillips offers a number of oils, in various grades to match varying demands and pocket-books. Of all these oils, we have specifically set one apart as our best. To make choice simple and easy for you, we frankly say that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

Play safe. Don't neglect either regular or seasonal draining and refilling. When you replace summer-thinned lubricant, or make the every-two-months recommended change, be sure to ask for Phillips 66 Motor Oil.

### CIVIL SERVICE ANNOUNCEMENT

Three years of experience involving contacts with business establishments or industrial concerns that would have provided the applicant with the knowledge of scrap metal products, may qualify you for the post of salvage representative, \$3200 per annum with the district office of the War Production Board, El Paso, Texas, Elmer G. Hayes, local civil service secretary said today upon the receipt of an open competitive civil service announcement for this job. The salvage representative contact various district plants, junk yards, automobile graveyards, etc. to determine sources and expedite the flow of scrap metal products made in war production, Mr. Hayes said.

Applicants will be rated on the basis of their experience. Interested persons not engaged in war work of equal skill should file an application before November 10, with the director, 10th civil service region, 210 S. Harwood St., Dallas, Texas.

Federal appointments are made in conformance with War Manpower Commission regulations.

**TO PROVIDE MORE SOAP**

An increase of about 9 percent in the nation's soap supply, without using additional fats and oil, is expected under adjusted soap formulas recently prescribed by the War Food Administration. The formulas call for a larger use of domestic non-fat materials, principally rosin, as a substitute for fats.

### Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

### CREOMULSION for Coughs, Chest Colds, Bronchitis

### Can Vitamins Change GRAY HAIR?

Impartial investigators have found vitamin Calcium Pantothenate of some value in changing gray hair, where a deficiency of this vitamin may have caused gray or graying hair.

For example, one test conducted by Good Housekeeping magazine on a number of people, showed 88% of those tested (all ages were included) had positive evidence of a return of some hair color.

Now thousands use GRAYVITA, which contains 10 mgm. of Calcium Pantothenate (the same amounts used in above tests) PLUS 450 U.S.P. units of B<sub>12</sub>, the vitamin necessary to healthy nerves. Try GRAYVITA. See what a difference it may make in the way you look. 30 day supply \$1.50, 100 day supply \$4.00.

Thousands Use GRAYVITA

## OPA & WFA Announce Eligibility For Slaughterers Without Permits Or Licenses of Operation

Farmers and other producers of livestock may easily determine whether or not they are eligible to slaughter without a WFA permit or license and to consume meat without giving up ration points under a simplified procedure announced jointly today by the OPA and WFA. Chief points in the joint action, according to district OPA director Howard R. Ghoslon, who said he had just received them, are as follows:

1. OPA changed its meat rationing regulation to simplify the requirements covering point-free home consumption of meat by livestock producers.

2. WFA authorized an individual to slaughter for home consumption without a license or permit if he is entitled under OPA regulations to consume the meat point-free.

"We are attempting to make the requirements covering home-slaughter and point-free meat consumption as clear and simple as possible, both to aid the farmer and to conserve meat supplies for civilian and military use," the two agencies explained. "It is of the utmost importance that livestock producers understand who may and who may not slaughter without a license and consume meat point-free."

"Farmers and others who produce livestock may, of course, continue to serve at their own table the meat they raise without giving up ration points. The simplified limitations make it clear, however, that those who are not bona fide producers of livestock are not entitled to eat more meat than their ration stamps will buy."

Under the OPA revision a person may consume meat without giving up ration points only if:

1. He raised the livestock from birth or,
2. He kept the livestock for a period of 60 days immediately before slaughter, or,
3. The weight has increased at least 35 per cent between the time

he acquires the livestock and the time of slaughter.

In all three instances, the raising of the livestock must take place on a farm or other place which the livestock producer operates.

In addition, to be considered eligible to slaughter and consume meat point-free, a person must have resided more than six months of each year on a farm which he operates, or he must have visited the farm for the purpose of giving personal attention

and supervision to the raising of the livestock on his premises for at least a third of the time during the period (one of those afore listed) on which he bases his claim to the right to consume the meat point-free.

If a person has his livestock custom-slaughtered, he must meet these same conditions, in order to get the meat from the slaughterer without giving up points. He also is required to give a certificate to the slaughterer containing the facts showing he is eligible to consume the meat point-free.

On June 1 of this year Western Union monthly receipts showed an average increase of 70 percent over January, 1940.

Section, published Weekly by The Donley County Leader for Clarendon High School and Clarendon Junior College

### CHAPEL PROGRAM

Chapel Friday was high-lighted by an unusual, interesting, and educational program concerning the Red Cross.

Students from the Junior High joined the high school and college students in group singing which was led by Mr. Drennan.

Billy Lowe gave an inspiring welcome talk in which he emphasized how much even the smallest contribution to the Red Cross can help.

The answer to the question: "What Is the Red Cross?" was given in ten striking definitions delivered respectively by Billie Jean Knox, Annie Ree Porter, Dick Reeves, LaRue Shadle, Marilyn Maher, Tommie Saye, Sue Burton, Lee Shelley, Manly Bryan and Charline Knox.

The College Girls' Quartette, the personnel of which is Billie Warren, Katherine May, Jean Williams, and Frances Pheips accompanied by Dorothy Kennedy, gave a lovely rendition of "Over There" followed by the memorable, sentimental hit of World War

I, "Rose of No Man's Land." Following this Bob Bentley gave an informative talk on "The Medical Corps" and its work.

Johnnie Johnson, dressed as a Red Cross nurse, a cute one too by the way, gave an impressive reading about the Red Cross Nurse. This was followed by a poem on Hallowe'en (which, you all know, was celebrated to the fullest extent) in that fashion that only Johnnie possesses.

The next number was ably given by one of our guests from Junior High, Dick Kennedy. Dick gave a very concise, but complete biography of Clara Barton, founder of the American Red Cross.

The Girls' Quartette from Junior High delighted everyone with the song fitted for the occasion, "There's a Star Spangled Banner Waving Somewhere." This quartette is composed of Arvazene Smith, Rubye Jo Kidd, Mary Ann Bromley, and Ardith Warren, accompanied by Delene Blair.

The climax of this program was the number given by Gene Bryan and Patsy Pittman, accompanied

by Mrs. Bryan, Patsy, the beautiful nurse, sang "Oh! Johnnie" which of course delighted the lovesick soldier, Gene Bryan, who responded with a tune which said, "I don't want to get well, I'm in love with a beautiful nurse."

Mrs. Stricklin, president of the Junior Red Cross, then gave a talk urging everyone to help his little part in the Red Cross drive that began on November first. She emphasized that every little bit helps and no amount is too insignificant to help. So, come on everybody, let's make our school membership 100%, shall we? That's the least we can do.

We shall be looking forward to our talent from Junior High favoring us again sometime soon.

### SENIOR DANCE

Last Friday night the Senior class sponsored a dance at the gym. The crowd was rather small, but everyone had a super time.

Some of the highlights of the dance were:

Ernest Thompson and Clyde Douglas were there.

It made it seem like old times to have them jitterbugging. Beverly Stricklin didn't dance much. Wonder what she was doing over there in the corner?

Carroll and Kathleen were there having a wonderful time as usual.

Lots of the boys took the hint about Backward Week.

Some of the girls were with their little brothers.

All in all, everyone had a wonderful time.

### SOUTH WARD

Mrs. Mears' room had a Hallowe'en party at the Melvin Cook home Saturday afternoon from four to six.

Miss McGowan's room was decorated for Hallowe'en in Jack-o-lanterns, witches, and black cats. Friday they bobbed for apples.

Mrs. Headrick's and Mrs. Stevens' room had a Hallowe'en party Friday. They made hats to wear to the party.

Miss Mongole's room is starting a unit on foods. They are now studying about wheat.

In Mrs. Prewitt's room Patsy Jones moved. Mrs. Bain won P.T.A. Thursday. There were 18 members present. Her room had charge of the program.

### CORRIDOR COMMENTS

Bob Bentley and Marilyn Maher have been seen together lately - what again????

Buddy Ryan and Edith McCrary - what happened to those two Sunday nights????

J. R. Morgan has been taking special dancing lately. Good luck, J. R.!!!!

All of us were glad to see Ernest Thompson on leave from Ruston, Louisiana, Clyde Douglas from the University of Texas, Roy Bulls from Salt Lake City, Utah, and Billy Mac Biffle from the Naval Training Station at Grand Prairie.

Jack Ballew is going strong again! This time it's Mary Ann Bromley - that's a good boy "Hammy."

We heard Clyda Wilson screaming last Friday night! She was with Donald Beard - what happened? Poor little cat!

Wayne Ray seemed to be having a good time Saturday night at Carroll's house. She came down from Amarillo again.

Barbara Bell seemed to be doing OK so far this week. She at

least has Billie Howerton in a swirl. Good deal, Barbara. Billie Warren and Jean Williams really get around - how about Saturday night? Good deal, girls.

Wacile Mason kinda goes in for "Jacks" doesn't she? Lois McCrary is happy now - she has hopes of seeing a certain Seabee soon.

### JUNIOR HIGH

In Miss Darden's room the seventh and eighth grades played football Sunday. Better luck next time, seventh grade.

Ladelle Cox spent the holidays at Tullia. Ladelle visited the museum at Canyon Sunday.

Gene Bryan spent Friday in Amarillo. Le Moine Patrick spent the week end in Amarillo.

Fred Molesworth has been absent, but is back this week.

Several seventh grade pupils pulled bolts during the holidays. Doris Sanders of Mrs. Lowry's room moved to Kermit, Texas.

### CARROLL BRUMLEY'S DANCE

At 8:30 p. m. on Saturday night at the home of Carroll Brumley there was a Hallowe'en dance. The house was decorated very nicely, and every one danced until about eleven o'clock. Then most of the couples went to the mid-night show. And since it was Hallowe'en, you can guess the rest! Everyone enjoyed himself very much.

Dutch Sheep Do Their Bit Even Dutch sheep are cooperating to annoy the enemy. Nazo authorities have discovered that sheep rub off the marks put on their ears to check on delivery quotas requisitioned from Dutch sheep-raisers.

Donley County Leader, \$2 a year.

### IN THE DISTRICT COURT OF DONLEY COUNTY, TEXAS

TOM REEDER vs. NO. 2218

OLETA REEDER

THE STATE OF TEXAS

To Oleta Reeder:

You are commanded to appear and answer the plaintiffs petition at or before 10 o'clock a. m. on the first Monday after the expiration of forty-two days from the date of issuance hereof, the same being Monday, the 6th day of December, 1943 before the Honorable 100th District Court of Donley County, Texas at the Court House in Clarendon, Texas.

Said suit was filed the 20th day of October, 1943.

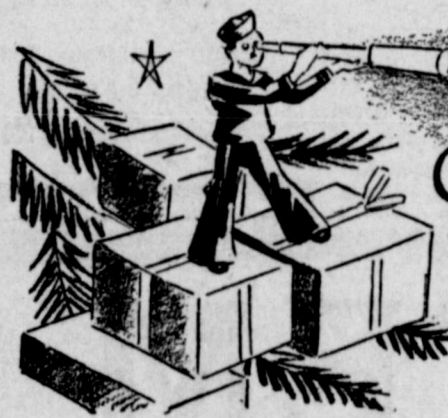

The style of the suit: Tom Reeder, Plaintiff, vs. Oleta Reeder, Defendant.

The suit is for a divorce of the bonds of matrimony now existing between Tom Reeder, Plaintiff and Oleta Reeder, Defendant and the statutory grounds of such divorce are cruel treatment.

Given under my hand and seal of said court at office in Clarendon, Texas, this 20th day of October, 1943 and issued this, the same date.

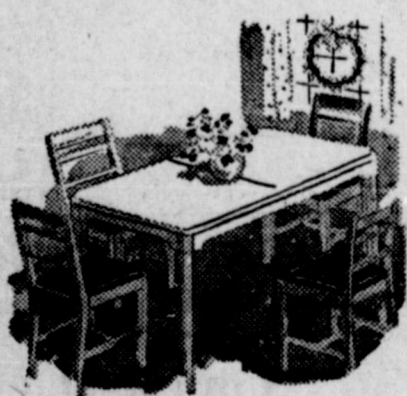

Clerk of District Court, Helen Wiedman, Donley County, Texas By Walker Lane, Deputy.

### White Potato Crop Promises To Set Record

Consumers may expect the largest supply of white potatoes this winter that they ever have had, if weather conditions remain favorable. Crop reports, according to the United States Department of Agriculture, indicate that farmers will turn out an all-time record of 469 million bushels of potatoes—98 million bushels more than last year.

This large crop presents a storage problem. Space must be found for 50 million bushels. Facilities that normally might have been available are being used for storing supplies for our armed forces.

The War Food Administration urges housekeepers who have a suitable storage place to buy and store a peck or more at a time. Potatoes are an excellent energy food, containing Vitamin C, Vitamin B1, iron and other important minerals. Storing them now will insure families against possible higher prices and diminishing supplies later.

Potatoes should be kept in a dark, dry place where the temperature does not rise above 60 degrees or fall below 40 degrees.

Potatoes should be carefully inspected for decay before storing, and all the bad ones removed. Bruised or cracked potatoes should be used first since they will not keep well. If potatoes are

kept at temperatures below 40 degrees for any length of time, some of the starch in them will turn to sugar, giving them a sweet taste. This may be eliminated by putting them in a warmer place for about a week, during which time the sugar turns back to starch and the natural flavor is restored.

### SGT. ROY L. BULLS GRADUATED FROM GUNNERY SCHOOL

Sgt. Roy L. Bulls, 20, son of Mr. and Mrs. J. R. Bulls of Clarendon, is now a first class aerial gunner, having graduated from the Wendover Aerial Gunnery and Fire Control School at Wendover Field, Utah. During his six-weeks course at Wendover, he received basic training, daily drill, lived under combat conditions, received training in the firing and maintenance of machine guns and all theoretical and practical courses vital to aerial gunnery. He will now be assigned to a tactical unit and receive actual experience in combat.

Sgt. Bulls, who, prior to entering the armed service was an operator at the Pastime Theatre, is now home on furlough to visit his parents. He is a graduate of Clarendon High School and attended Clarendon Jr. College.

Sgt. Bulls entered service February 10, 1943 at Ft. Sill, Okla., and has attended Army armament schools before being graduated from the gunnery school in Utah.

Mr. and Mrs. Cap Morris and family visited in Claude Sunday.

### SOLDIERS' NEW ALLOWANCE PAYMENTS

Soldiers' dependents must fill out and return a new, one-sheet dependency certificate to benefit by new rates provided by recent servicemen's allowance legislation, the War Department announced. All dependents now receiving family allowances are being sent copies of the new form. These should be filled out, witnessed, and returned to the Office of Dependency Benefits as soon as practicable to avoid possible discontinuance of allowances. Until new accounts can be set up, dependents now receiving family allowances will continue to receive their checks in the old amounts. After an account is converted, any sums accrued as a result of an increase in allowances will be included in the first check. The conversion from old to new accounts will take several months.

Mr. and Mrs. Hahn of Pampa, Mr. and Mrs. C. F. Bulls and family of Pampa, Mr. and Mrs. Ross Adamson of Hedley and Sgt. Roy L. Bulls of Salt Lake City were week end guests of their parents, Mr. and Mrs. J. R. Bulls.

Among those in Amarillo Saturday were Mr. and Mrs. Cap Morris and family, Mr. and Mrs. Dee Lowry, Mrs. Jim Patman, Mrs. Jack Molesworth and Miss Frey, also Mrs. C. G. Stricklin, Mrs. David Johnson and Jane Hillman.

Scene from "SALUTE TO THE MARINES" with Wallace Beery, showing at The Pastime Theatre Wednesday, Thursday & Friday, November 10, 11, 12th.

### MUST FILE REPORT OF FOREIGN HOLDINGS BY DEC. 1, 1943

Every person subject to the jurisdiction of the United States who owns any foreign bonds payable in U. S. dollars, no matter what their value, is required to file a report of his holdings with his nearest Federal Reserve Bank before December 1, 1943. Persons whose foreign assets have a value in excess of \$10,000 are required to file reports in the same manner.

Sgt. Keith Swinburn is home on a furlough from Frederick, Okla.

### FEAR JAPS HAVE RUINED QUININE PLANTATIONS

Fears that the Japanese are stripping the quinine forests of Java and that, for years after allied liberation of the island, the world may be without its great quinine production were expressed in a Melbourne, Australia Dutch-language publication by Netherlands East Indies experts. In peacetime, Java produced 95 percent of the world's supply of quinine, the most effective drug in the treatment of malaria.

### Post Hospital Busy On Job

Lubbock—Only a healthy army can fight and win a war.

Whether it's a splinter in a finger or a major operation, expertly trained doctors and nurses in the finest-equipped hospitals take immediate care of the soldier's aches and pains.

Such is the post hospital at South Plains Army Air Field. In spotless wards an efficient staff of doctors and nurses and attendants work 'round the clock administering to the needs of the soldiers at the field.

The soldier's first introduction to the post hospital usually is the day he is examined on entering the army. Next he visits the hospital for anti-toxins, shots to make him immune to smallpox, typhoid, tetanus.

Then until he needs medical aid, he is not likely to be around again soon. When he does need medical care, he gets it quickly. If a minor injury or illness he is treated and returned to duty or confined to quarters. If his case is more serious he will be kept in the hospital until well again.

Units of the post hospital, each specializing in a particular branch of medical science to treat and keep the soldier fit, include: The medical service for treating contagious diseases, pneumonia and other such lung troubles; the section which handles cases coming under the heading of general surgery, including eye, ear, nose and throat trouble, fractures, operations of various kinds; septic-surgery is the section which treats infectious wounds and other infec-

tions; the neuro-psychiatric section handles mental and nervous cases; and a complete dental clinic takes care of the soldier's teeth.

### CURIOUS ACCIDENT BEFALLS TEEL

While returning from looking after his extensive farming interests near Lakeview the last of the week, G. J. Teel had a "flat" between here and Brice. He changed tires and had put everything back under the lid of his Ford turtle except his car jack. That is the last he remembers, it is said. The next morning he was found by Lon Rundell and Cleo Woods sitting in his car where he had remained all night.

He was brought to Clarendon where it was found he had serious injuries compelling him to remain in bed since. A bruise across his back leads some to believe that possibly the turtle lid fell upon him. He is slowly improving.

Will Ragsdale left Sunday for Ft. Worth where he will work in a filling station.

The women of the Methodist Church observed the week of Prayer Wednesday.
