Clarendon Banks Indicate Stability Of Donley County

COMMUNITY PARTY PROGRAM IS READY

"SOMETHING NEW" IS ORDER OF PROGRAM COMMITTEE FOR JAN. 14TH

When Chairman Tom F. Connally of the program committee of the Community Party said he intended to have "something new and different" for the annual banquet this year sponsored by the Chamber of Commerce, he meant what he said and then he proceeded to arrange just that sort of program.

The big Party will be held at the Christian Church on the evening of January 14th, beginning at 7:30 o'clock, and the aim of the committee and the toastmaster is to carry out all the details of the program on schedule time, with not a lost moment. The toastmaster for the event is none other than Holman Kennedy, popular bank cashier of Clarendon and since he has agreed to do the job it goes without saying that it will be well done.

One feature of Chairman Connally's innovations is the use of a union chorus made up from the various churches of the city. They will sing selections that will bring back fond memories, such as "Juanita," "Old Black Joe," "Love's Old Sweet Song," etc. A special rehearsal will be held at the Christian Church on Sunday afternoon at five o'clock and all singers of the town are urged to be there promptly for a short practice.

The ladies of the Christian Church are preparing a splendid banquet menu and the plates will be only fifty cents. Committees will be on the streets several days in advance and all are urged to buy their tickets early so proper estimate of requirements may be made.

At the conclusion of the Party directors for the coming year of the Clarendon Chamber of Commerce will be elected. While some out of town visitors are expected there will be no schedule numbers other than by home people.

Here is the program:
Music—Junior Band.
Song, "Silent Night" by Union Chorus.

Invocation, Rev. Robt. S. McKee.
Eats.
"My Home Town and my Obligations to It"—Phifer Estlack.
Music—Double Quartet.

"Living at Home on Donley County Products"—Miss Buttrill.
"The Dairy and Poultry Industry in Connection with Farming"—T. H. Brown.
"The Cattle Industry and its Part in Connection with Farming"—Frank Bourland.
Music—High School Male Quartette.

"West Texas CC. and its Part in Promoting Better Farming Conditions"—T. D. Nored.
"Our Schools as an Asset in the Future Development of Donley Co."—S. W. Lowe.
Music—Double Quartette.

Review of the Major Activities of Clarendon CC. for 1931—Clyde Douglas.
Presenting Cup for Best Decorated Windows.
Introduction of Visitors.

Annual Election of Members Board of Directors of the Clarendon C. of C. for Coming Year.
Music—Union Chorus.
Adjournment.

Mr. and Mrs. Forester of Seymour, Texas, arrived on Sunday for a visit with their daughter, Mrs. Cecil Longley and Mr. Longley. Mr. and Mrs. Cecil Longley are leaving this week for Wellington where they will make their home. Mr. Longley will be proprietor of a tire shop, having sold his Star route interest here to Mr. Wilkerson of Plainview.

Friends of Mrs. E. B. Bowen will be pleased to know that she is rapidly recovering from her most recent illness.

REV. BYERLY TO CONDUCT REVIVAL

BORGER PASTOR WILL BEGIN CHRISTIAN CHURCH REVIVAL SUNDAY, 11TH

The First Christian Church with the Rev. L. O. Byerly of the Borger First Christian Church as guest evangelist will begin a series of Revival services at the Church in Clarendon on the evening of Monday, January 11th. Services will begin promptly at 7 o'clock each evening and will feature a splendid song service before the evening's message from Rev. Byerly.

The series of services will run through the evening of Friday, January 22nd.

Rev. Byerly's subject will be based on A. Preston Gray's "The Program of the New Testament Church." In this series of services the following questions will be answered, "Did God Leave the Program of His Church to Men?" and "Did He Give His People a Challenging, World-Wide Task?" These are just a few of the perplexing questions which naturally come to the minds of the laymen of the Church which will be answered in an interesting and intelligent manner by Rev. Byerly's throughout the campaign.

The members of the First Christian Church feel deeply appreciative and pleased with the announcement that the services of Rev. Byerly throughout the campaign, and feel assured that through him a great benefit will be derived from the series of services. The general public is cordially invited and urged to attend and help in the success of the revival.

METHODIST OF DISTRICT HOLD MISSIONARY MEETING

Snow and mud blocked roads seriously interfered with the attendance of preachers and laymen of Clarendon District at a "Kingdom Extension" meeting held here Wednesday at the Methodist Church. Nine visitors for other points and twenty-six in all were much interested in the two sessions held morning and afternoon with Boyd McKeown of Nashville, Tenn., representing the movement for the church at large. Presiding Elder C. A. Bickley of Lubbock and Dr. Watson of Amarillo were present for the meeting.

The ladies of the local church served a noon lunch in the basement to the gathering which was well worth-while, according to Presiding Elder M. M. Beavers and the pastor, Rev. E. E. Bowen.

Mr. and Mrs. Tommy Heatherly of Memphis announce the birth of a son on December 26th, 1931. The baby weighed 9 1/2 pounds, has been named Tommy Gene. Mrs. Heatherly will be remembered as Miss Kitty Speed, daughter of Mr. and Mrs. Charles Speed.

LITTLE THEATRE DIRECTORS TO MEET MONDAY AT 5 P. M.

All directors of the Clarendon Little Theatre are requested to meet next Monday afternoon at 5 o'clock at the Club Rooms in the City Hall Building for a business meeting.

Mr. Olin Castleberry spent Monday in Alanreed visiting with relatives and transacting business. He was accompanied home by his father who boarded the evening train for Ft. Worth where he will visit a time with relatives.

Mrs. E. W. Bromley was called to Amarillo on Wednesday due to the death of a sister, Mrs. McKenzie of Dumas. Mrs. McKenzie had undergone an operation in Amarillo on Monday, passing away on Wednesday.

Mrs. E. R. Boles Buried Saturday

The community was saddened last Friday afternoon when the news spread that Mrs. E. A. Boles had passed away at the Adair Hospital at 1:30 o'clock. She had been in ill health for some time and her death was not altogether unlooked for.

Mrs. Boles was born January 24th, 1856, at Provinsal, La. She came to Texas with her parents when she was only eight years of age. She was united in marriage to Mr. E. A. Boles on October 17th, 1873. Five children were born to this union and three children survive the departed mother, two sons having died in infancy.

The children surviving are A. E. Boles of Houston, Mrs. J. E. Kerbow of White Deer and Mrs. June Taylor of Clarendon.

Mrs. Boles was a useful and devoted servant of the Lord through the Methodist Church, having become affiliated with that faith when only eight years old.

Funeral services were held at the home of W. M. Patman and interment was made in the citizen's cemetery Saturday afternoon.

LIONS CLUB VOTE REDUCTION IN DUES

"SCANDALS OF 1932" WILL BE SPONSORED HERE

A sparkling bit of humor was sprinkled throughout the regular weekly meeting of the Clarendon Lions Club Tuesday during which a number of important business transactions were settled and announcements made concerning others.

Following the luncheon, roll call and reading of the minutes of the previous meeting Lion Douglas announced that the frame with the Lions decal therein was ready and would be placed in the Lions hospital room at the Adair hospital in the near future, also a metallic emblem would be fixed upon the door of the room.

Voices of appreciation were heard from Lions W. H. Patrick and Odos Caraway, hospital board members, for the splendid co-operation received from the Lions club for the fine furnishings installed in the Lions room of the hospital.

Lion Secretary, Ed Teer, reported that the note against the furnishings had been paid and this item was cleared up from the books.

Boss Lion Boykin stated that a number of the Lions on the member-at-large list should be urged to come in for regular attendance and a committee of Lions, Ed Teer, Homer Mulkey and A. L. Chase was named to take care of this matter.

The question of lowering the dues of the club was brought to the floor and after several minutes of discussion the plan was advanced on motion of Lion T. D. Nored that the dues be reduced from \$5 per month to \$4 except on the two months in which falls the Ladies Night programs at which times the dues will remain at the former charge of \$5.

Boss Lion Boykin presented the offer of the Panhandle Council of Crippled Children in Amarillo to produce the stage hit, "Scandals of 1932," in Clarendon under the auspices of the Clarendon Lions Club at some date the latter part of this month. The offer was received with much enthusiasm by the club members and following a round of jolly verbal bantering between the group it was voted unanimously to accept the offer and prepare to put the event over in grand style. The production is the annual crippled children's benefit musical revue staged each year in Amarillo, and this year's show was such an outstanding spectacle it has been decided to

B. L. JENKINS IN ECONOMICS TALK

ROTARY CLUB STARTS NEW YEAR OFF WITH INTERESTING PROGRAM

Vice-President O. L. Jenkins of the Clarendon Rotary Club presided last Friday noon as the members of that service club launched into the New Year's activities with a bright determination to make 1932 better than the year just passed. Only two members were absent to keep the attendance from reaching a perfect mark for the initial meeting in the year.

The Vocational Service Committee of the club was in charge of the program with Rotarian B. L. Jenkins chairman.

After a number of musical numbers by the club members the remainder of the program was turned over to the program committee for the day who presented Rotarian B. L. Jenkins as the speaker of the day delivering an interesting and well prepared address on the subject of "World Economics."

HIGHWAY PATROL TO WAR ON DONLEY LAW BREAKERS

Two Texas Highway Patrol officers have been stationed at Clarendon where they will make their headquarters for the next 60 days tracing autoists of Hall and Donley County who insist on driving with one light, one number and no tail light. These officers are placed here for the express purpose of tracking down the infractors of these rules and will vigorously enforce the law along these lines. The sheriff, Guy Pierce, states that it is the wish of the department here that every one will please see that their licenses are in place both front and rear and that both headlights are functioning as they should, together with a clear tail-light. Fines will be enforced upon the rule breakers when apprehended and according to the sheriff will amount to something like \$13.

Donley Co. Mutual Re-Elects Officers

The Donley County Mutual met last Saturday afternoon at 2 o'clock in the City Hall where various business matters were attended to and election was held for the Board of Directors of the organization. The existing board composed of Messrs. C. C. Powell, F. W. Rathjen and Odos Caraway were retained for the coming year and provisions made in the constitution that each year one member of the board would be changed in rotation according to their service on the board.

It was declared that the mutual was considered in good shape under the present conditions of the country.

Miss Loraine Patrick returned on Wednesday from a visit with her friend, Mrs. John O. Maberry of Sayre, Oklahoma.

stage it at various places over the Panhandle.

Former Lion Holman Kennedy was present for the luncheon and added a great deal to the merriment of the occasion.

A letter of appreciation from the Club pianist, Miss Dorothy White, who is convalescing at her home from an appendicitis operation was read in which she acknowledged the flowers sent by the club and expressed her desire to again meet with the group in the near future.

The club disbanded and made their way to the Adair Hospital where Lion Ira Merchant answered present and the meeting was adjourned. Lion Merchant was the first patient to be placed in the Lions room.

Local Citizen In Hospital Improving

Serious illness overtook three of Clarendon's citizens Saturday and Sunday when Mrs. J. T. Patman, Mrs. W. A. Wilson and Ira Merchant were rushed to the Adair Hospital where each underwent major operations. Each of the patients were reported at a late hour as progressing nicely and on the way to health again.

The bad weather and terrible road conditions over the week end brought to mind what a great good the local hospital is proving to the people of Clarendon and Donley County. As all three of the cases were of more or less sudden attacks it is not pleasant to think what might have been the outcome of these had the patients had to have been removed from the city to nearby sanitariums. Clarendon has a great institution on the hill south of the city and such examples as these prove more each day just what it is worth to the human lives of the community.

WASHINGTON COMMITTEE PLANNING

COUNTY-WIDE RALLY HERE FEBRUARY 22ND TO FEATURE BIG PARADE

Plans for celebrating the Washington Bi-Centennial in Donley County were brought further along in a meeting Tuesday afternoon of the Central Committee, held at the City Hall and presided over by the chairman, Rev. Robt. S. McKee.

Reports were heard from the several sub-committees and plans are shaping up to start the series of celebrations to be held in Clarendon on Monday, February 22nd. The plans include every school in the county, a big parade headed by the Clarendon High School Band with other features of the day's program in the making.

Every lodge, club and church in the county has been asked to name a committee to work with the Washington Bi-Centennial program plans, and many are now planning their own programs on the "Father of His Country" and all are showing a spirit of co-operation which speaks for the patriotism of the citizenship of Donley County.

One of the main points in the program of the celebration for the year is a strong effort at tree planting, both in town and in the country, and it is hoped to add greatly to the beauty and food supplies of Donley people by the planting of hundreds of shade and fruit trees. This is especially timely by the reason of the loss of many trees of both kinds in the late freeze last Spring. The plan also dovetails perfectly with the movement of the West Texas Chamber of Commerce in this territory to beautify and enhance through the planting of thousands of trees.

In the next few weeks the complete program of the big day on February 22nd, will be completed and ready for announcement.

Mr. and Mrs. James Trent left on Sunday for a two weeks stay in Hot Springs for the benefit of their health. They will stop enroute for a short visit with Mr. and Mrs. Greer of Ft. Worth.

Mr. and Mrs. Charlie Speed motored to Memphis on Sunday where they visited with Mr. and Mrs. Tommy Heatherly and son.

Mr. and Mrs. Ralph Kerbow and daughter, Dorothy, spent Sunday in Claude with Mrs. Kerbow's father.

Mr. Reed Taylor of Wichita Falls is spending a time in the home of his father.

NEW RULING WILL SAVE IN TAXES

BACK TAXES MAY BE PAID BY JAN. 31 WITHOUT EXTRA CHARGES MADE

By taking advantage of the new ruling handed down by the Supreme Court tax payers who are delinquent and those who have been delinquent in the past years may save the penalty and the interest on these by making payment of their taxes by January 31st, 1932. In a number of instances some Donley County citizens may save as high as three-fourths of the total payments on delinquent amounts and many will be able to save one-half by paying their taxes to date by the last day of January.

The ruling declares that the penalty attached to the properties together with the interest on the delinquent payments of taxes will be suspended and the taxpayer may pay only the fixed amount of taxes and be even with the state and county if these are paid by January 31st. However, after the specified date the suspension is void and the amount reverts back to the tax amount plus the interest and the penalty. The ruling does not include the city taxes.

A letter from the Attorney General to W. C. Alexander, Tax Assessor and Collector for the Clarendon Independent School District, is quoted in part to give a better understanding of the new rule.

"The Act before us not only releases all accrued penalties and interest on delinquent State taxes, but makes the remission apply to named districts and subdivisions of the State. This does not affect the validity of the Act. The districts named are merely subdivisions of the State and the Legislature has the same power to provide or change the remedies for the collection of taxes, including the remission of penalties, due its subdivisions as it has for the State at large."

"Since school districts are among the subdivisions named in the Act, you are advised that said Act applies to independent school districts and that all penalties and interest accruing on delinquent taxes are released, provided said taxes shall be paid on or before January 31, 1932."

It is believed that a great number of the citizens of Donley County will take advantage of this delinquent exemption period and thereby save a great deal of money by so doing. Mr. Alexander states that if about \$8,000 worth of taxes are paid the schools will be on a cash basis for the remainder of the school year. Investigate this order, by all means if you are on the delinquent list, for it will save you many precious dollars. Mr. Alexander invites any who might have a question to drop into see him and talk over the plan before the date expires.

Mrs. Rosa Rodriguez Buried Last Sunday

The earthly remains of Mrs. Rosa Rodriguez, long time resident of Clarendon, was laid to eternal rest last Sunday in the Citizens cemetery here with the funeral services being conducted by the Rev. B. N. Shepherd.

Mrs. Rodriguez was eighty-seven years of age and has lived in Clarendon for a period of something like twenty years. She is of Polish descent and possesses a life history of much romance and travel.

When coming to the United States the ship she was on was wrecked in a storm and as far as is known she was the only survivor. She was adopted by the Mexican family of Rodriguez and when reaching young womanhood married Juan her step brother. They moved to the Panhandle after a time in Mexico and work-

BANKS SHOWING TREND OF TIMES

POSITIONS CONTINUE STRONG DESPITE CONTINUED LOW ECONOMIC AILMENTS

While the majority of the citizens are bemoaning the hard times their feelings will no doubt be alleviated with a review of the situation as indicated in the statements issued by the three banks of Clarendon, at the December 31st call. While the deposits are not as high as customary the other departments are considered in very favorable conditions.

In the Loans and Discounts columns of the Clarendon Banks there shows a total of \$624,483.45. This is especially gratifying and shows that in spite of the country's condition the local people have been able to pay off more than \$100,000 in loans since the October call. The amount for that period was \$737,106.44, and for the call of one year ago totaled \$780,962.38.

In the deposits column the three Clarendon banks have \$737,763.56. This amount is somewhat lower than the calls revealed in the October and one year ago statements. In October the total was \$741,279.29, and one year ago \$1,158,818.45.

An increase is found in the cash column of the local banking houses who have reported a total of \$283,260.97. Last October found the cash item boasting \$175,217.04, with one year ago having the grand total of \$513,318.46.

The condensed statements of the banks will be found in this issue of The News.

SHERIFF PIERCE RECOVERS STOLEN GOODS IN AMARILLO

Sheriff Guy Pierce recovered the suits and overcoats stolen from Heath's Tailor Shop recently when he trailed the thieves to Amarillo capturing the negro offenders and bringing them back to Clarendon where they are now awaiting trial on charges of burglary. On a tip the local officers drove to Amarillo and into the flats where one of the colored thieves was spied. He started to run but the sheriff's gun was ample argument to stop. When Pierce came close the big buck wheeled striking the officer in the chest with his elbow. Attempting to strike the colored gentleman with his pistol the gun fired and grazed the negro's forehead, thereby ending all aspirations of the dusky fellow for further flight. The other party was caught coming out of a shine parlor on Sixth street. Confessions were forthcoming and all but one suit was collected and returned to their owners. Sheriff Pierce states that one of the negroes possessed a jail record and knew the ropes.

Mrs. Charles Trent returned on Friday from Seymour, Texas where she had spent the Christmas holidays with her parents, Mr. and Mrs. L. W. Drew. She was accompanied home by Beatrice O'Neal who also had spent Christmas with her parents. After a few days visit in the home of Mr. and Mrs. R. Wilkerson, Beatrice returned to her school duties at Hoover, Texas.

C. M. Doak and wife and daughter, Miss Lucille, of Wichita Falls and Mr. and Mrs. W. B. Ponder of Amarillo visited here Sunday in the home of Mr. and Mrs. Homer Mulkey.

Mrs. T. W. Welch was called to Oklahoma City on last Thursday due to the illness of her father.

ed for the late Col. Chas. Goodnight.

She was well known here and has relatives living at Kansas City, a daughter.

FREIGHT INCREASE NOW IN EFFECT

On all commodities, save and except agricultural products, the authorized increase in railroad freight rates is now in effect.

This should be of great help to the rail lines, and if there is no disposition to pass the increases back to the farmer, should be of no detriment to our section of the country.

GREAT UNDERGROUND SEASON

If a deep underground season in the Panhandle is indicative of fine crops in this territory, then 1932 should be one of the most prolific in its history. The continued rains and snows have given this section more reserve moisture in the earth than at all usual, and still they come.

With people fortified with food and feed, and breaking away from their fear and timidity as to the future, there is every reason to expect that the fall of 1932 will find conditions much bettered as a busy farming population gathers a bumper crop of diversified specifications.

RAIL CONSTRUCTION IN THE PANHANDLE

The building of one hundred and eight miles of rail lines in the Eastern Panhandle of Texas starts 1932 off with a fair outlook and will probably bring other notable construction along in its wake. If the T. & P. Railway gets under way its three hundred miles of lines in Western Panhandle territory, there ought to be much better times in this section than there is in other parts of the nation where there is no such outlay of millions.

All in all, there is every reason for Panhandle people to look for this territory to remain in the white spot of better business, even if the level is much lower than we have enjoyed in years past.

No section is down and out when millions for new rail lines are being spent in its confines.

1931 SET ONE FINE RECORD, AT LEAST

Not many records were set in 1931 of which Texas holds any great pride, and yet there stands one which every good citizen in the state will recognize as one notable and worthy. For the second time in the past five decades there were no lynchings in Texas during the twelvemonth period.

Lynchings in Texas have been of racial portent, and while many white citizens of impeccable character have been implicated, yet there is not one who isn't happy that the state had no such black mark entered against it in 1931. Of course, it must be kept in mind, that such lamentable outbursts of the mob spirit have not been restricted to Texas, nor even the Southern states, for since there has been a great movement of the colored race to Northern states, there have been many instances of the same spirit there as in the South.

Be it Texas or Illinois, Louisiana or New York, all right-thinking people will hail with satisfaction the absence of mob violence in any year's record. It bespeaks a better law and order attitude.

REACTIONARY MINDS IN MODERN TIMES

Of course, there are certain international conditions responsible for the shutting down of overseas commerce, but it is a fact that reactionary minds in this country have brought us to our present low level of business and gangrene of commerce.

Just how ordinary well-read people, can get so far off track in their thinking to become reactionaries of the Chinese type is beyond comprehension, but when such reactionary minds aspire to leadership, then the whole body politic and commercial suffers.

On every hand is example after example of towns and cities who have grown and prospered by aggressive leadership, but along side of these are examples almost as plentiful, of towns and cities who have lagged behind in the race for commerce and citizenship just because they have listened to the same kind of argument, and leadership which conceived and builded the Great Wall of China, shutting off contact with their neighbors, and stunting a nation for countless centuries.

This nation was not builded by the reactionary minds, nor can now receive anything at their hands but defeat and stagnation.

"TEXAS WEEK" A WORTHY PROJECT

When Mr. Wylie A. Parker, an educator of Dallas, conceived and set forth his plans for "Texas Week" to be ob-

served in this state every year in the week in which March 2nd falls, it appears to us that he has hit on a most worthy project and one in which every loyal son of the Lone Star State will participate with enthusiasm.

While the project is yet to be submitted to the Texas legislature, there is little doubt but what it will receive instant sanction and general state-wide popularity. In explaining the proposal, Mr. Parker says:

"In suggesting the annual observance of Texas Week, it is my belief that, by a review of the glories of the past and a contemplation of the accomplishments of the present, we shall find the inspiration to increase our worthiness as citizens, and the incentive to plan wisely and labor diligently for the future; to the end that the record of splendid achievements established by our illustrious and courageous Texas Pioneers may be continued unbroken for the benefit of those generations of unborn Texans who will succeed us."

Mr. Parker is right about it. We should have "Texas Week." It is worth while.

Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the 15th of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas Industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

Special To The Clarendon News

Too often we devote our energies to bringing in new industries and not helping those whom we already have here. When we can bring a new industry into this territory with our people now in the state of mind to buy our own manufactured products, it is almost assured of success from the start.

Recently, a firm who manufactures dresses for little girls came to Texas. It has been in operation for only sixty days and are now 2½ months behind on orders. They are employing about 25 white girls and about 10 Mexican girls for embroidery work. They have now contracted for 100 more machines, which will mean additional employment for about 125 more of our people.

There are numerous other opportunities in the manufacturing line that are without competition in Texas today. We have a list of these opportunities which is avail-

able at no cost to manufacturers who desire new locations.

What does a furniture factory mean to a community? The average number of employees would be about 68. The monthly payroll would average around \$5,420.00. The amount of raw material which is practically all purchased in the community is \$225,000.00 annually. The average wage in the furniture manufacturing business is a little higher than in other industries, being \$1,240.00 per year.

In the manufacture of furniture 44.3 per cent goes into material the wages are 25.9 per cent, the gross profits which includes sales expense and overhead is 29.8 per cent. It is about as near a 100 per cent retention for a community as any other industry.

Texas buy about \$50,000,000.00 worth of furniture annually, but the percentage that comes from Texas manufacturers is very small. The total furniture purchases of the United States annually is \$868,000,000.00. Texas was only able to sell, with her enormous market, \$3,848,000.00. The use of our own Southwest made furniture would mean millions of dollars retained in our own communities.

But when are we going to wake up? (Copyright, 1931, Southland Life Insurance Co.)

Hubby: "Dearie, the only promise that I could make would be that I'd never marry you again."

And then there was the tart who was so modest that she wouldn't look at herself with the naked eye.

He: "Darling, your cheeks are just like roses."
She: "And who is she?"

Ella: "I wonder why Grace insists on wearing her dresses so short."
Della: "Oh, she probably has two very good reasons."

"He says his wife's teeth are like stars."
"Is that so?"
"Yes, they come out at night."

"What can I do," asked the worried husband, "to keep my mother-in-law from my house?"
"Divorce her daughter."

Bessie: "Why does the moonlight figure so strongly in romance?"
Tessie: "That's about the only light that penetrates a great many love affairs."

He: "I love you. Can you return my love?"
She: "Yes, I have no use for it."

Senator LaFollette appears to be the leader of the idea of floating a big Government bond issue in behalf of relief for the unemployed, and as a general tonic to improve the internal condition of Uncle Sam. As the United States is already running behind in expenses so fast that Andy Mellon is hardly able to keep track of the deficit it might be well to stop and consider the plight of the fabled camel whose back was finally broken by "the last straw." Of course the United States is a very rich country but its credit has to be maintained with meticulous and patient care. The President and his supporters in Congress continue to insist that the business of private relief belongs to local communities.

Poor Home-Lighting Will Affect Your Boy's School Standing

THE kind of home-work your boy is able to do is, to a certain extent, governed by the efficiency of your home-lighting—and largely determines his progress in school. Are you giving him the benefit of the good light he needs? If not, his education will suffer.

If he finds concentration difficult . . . if he becomes drowsy quickly . . . if he complains of headaches, or if his eyes become bloodshot easily—it is entirely possible that poor lighting is the cause.

Lamps must be of sufficient wattage to give plenty of light, and fixtures must be so arranged as to produce no glare—either direct or indirect. Check your lamps and your lighting arrangements. . . . Are you giving your boy a fair chance?

Lamps, fixtures and electricity cost but little—and they may mean the difference between success or failure. Check yours today—or ask one of our Trained Employees to inspect your home. There's no obligation, of course.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

M. McIntyre Hood, Editor of the Oshawa (Ontario) Daily Times says:

That the best advertising which any city or town can have is found in the manner in which its citizens speak of it when they are away from home.

How often we find men and women who, when visiting elsewhere, are prone to criticize their own city to others. They declare it to be dead, that it has few attractions, and that they would not live in it if they could, find employment and a chance to live elsewhere.

These men and women may not realize it, but in condemning their own city, they are condemning themselves. No city can be any better or greater than the people who live in it. If they are dead, the city will be dead. If they do nothing to make it more attractive, then it will never be attractive.

Men and women who earn their living in a city should be loyal to that city. Their loyalty will help it to grow, will help it to be more attractive. After all, it is that loyalty in individuals, multiplied thousands of times over, that makes the kind of community spirit which makes some cities stand out as superior to all others.

If I were asked to name some of the attributes of good citizenship, I would place loyalty to the home city in the forefront. And one of the finest ways in which to express that loyalty is found in taking every opportunity to boost the home city, to tell the world that it is the finest place on earth. If every citizen made a habit of practicing civic loyalty in this way, then your city would soon become as good a place to live in as you say it is.

That "action speaks louder than words." There seems to be quite a bit of careless talk going on by a few careless people about Veterans legislation. Some of these careless people are self-seekers of publicity. It surely must be for that reason. It couldn't be on account of taxes because, when one stops to think what our taxes would have been if Germany had won the war, the tax is not so much. These same careless people never wore their country's uniform, and their principal business during the war was talk and make money.

Every once in a while you see one of these careless people breaking out in print challenging the good faith, good intentions and citizenship of veterans, and, with malice aforethought, attempting to defame them. If veterans haven't proven their citizenship, who has?

Some of these industrious, careless people seem to have two strings to their bows—one string plays the music to blacken the good names and good intentions of such organizations as the American Legion, Veterans of Foreign Wars and Disabled Veterans; the other string playing a tune, insidious in its whining, at the loyal, patriotic, honest members of Congress and people generally who stand up and say what

they think and carry out the obligations of a grateful country to its veterans.

Three kinds of people during the World War: Those who were physically fit and wore the uniform unless engaged in other necessary war work; second, the citizens who raised food and engaged in work necessary to supply the Army, and the third class—the slackers, the hot air merchants, and the fellows who tried to see how much they could make out of the war.

We often hear who won the war. I think I know who won it. It was the mothers, sisters, wives and sweethearts of the soldiers and sailors of the United States, Canada and England, France and all the Allies, for if it were not for them the soldiers could not have gone far. Their spirit of faith and love and sacrifice was beyond telling by tongue or pen. I wonder if our careless talkers ever think of what the war meant to them and what consideration the country owes them?

E. J. Breece, Editor of the Phoenixville (Pa.) Daily Republic, says:

"In the old days retail competition was confined to individual merchants; today it is community competition, especially in smaller towns and cities.

"That community which has realized the changed condition and taken advantage of it is reaping the benefit, even in these days of depressed business conditions. In southeastern Pennsylvania there are several outstanding examples of this ability to size up a changing condition and cope with it successfully.

"Merchants of at least a half-dozen communities, notably Upper Darby, which is a suburb of Philadelphia, West Chester, Phoenixville, Coatesville and the Old York Road district have banded themselves together for community business drives. The spirit of individual competition among the merchants of these communities, of course, continues, for without it there would be a stagnation of trade. But they have banded together to promote their communities as the ideal shopping centers; they are staging special weekly and bi-weekly merchandising events. This united effort has enabled them to compete with nearby large-city shopping districts with the result that their sales are holding up very close to the 1929 and 1930 figures.

"Community Promotion can be accomplished only through judicious advertising, in which the newspaper must play the most conspicuous part."

ON TEXAS FARMS
By W. H. Darrow,
Extension Service Editor

In Lubbock county, home demonstration club women prepared 13 hot beds for early gardens, and more are in the making.

From an irrigated plot of ground 2400 feet square Mrs. J. C. Busher, garden demonstrator for Wingate Home Demonstration Club in Rannels county has kept her family in fresh vegetables every month of 1931. She has had 37 varieties and from one to 22 different varieties each month. Her net profit is \$153.65.

A farmer should be straight in business but crooked in farming says C. E. Harris of Whiteflat Community, Motley county. For two years he has followed crooked terrace rows to find that he gets one-third of a bale of cotton to the acre, maize that outyields his neighbors' 300 pounds to the acre, gullies that are filled up, and land that doesn't blow so badly.

From an acre and a half of swampy ground that has grown nothing since the dry year of 1925, a Travis county farmer sold \$275 worth of tomatoes this year and dug 140 bushels of sweet potatoes. The surrounding slopes were terraced by the county agent,

keeping the overflow water on the hillsides.

An Upshur county farmer, boasting to the county agent of making six bales of cotton on 7½ recently terraced acres for a profit of \$119, had to confess that he had dropped the poultry demonstration because "there is no money in chickens". Whereupon the agent pulled out the records of another demonstrator who cleared \$232.40 from a start of 386 hens last year. With a poultry calendar under his arm the owner of the prize cotton patch went home to start another poultry demonstration.

Twenty-one cows in a demonstration dairy herd owned by Ernest Richter of DeWitt county paid him 35 cents an hour for doing the chores in October, or returned him a profit of \$2.23 for every dollar's worth of feed.

JUDGE BROWN OF WELLINGTON SEEKS DISTRICT JUDGESHIP

To the Voters of Donley County: Having decided to enter the race for District Judge, I am making my announcement at this time for that office. As I will not be able to see all of you personally, I trust it may not be amiss for me to say, for the information of all who do not know me, that I was born in this State, and have

spent my life in Texas, am a middle aged man, a lawyer by profession, am at present County Judge of Collingsworth County, and believe that my experience has qualified me to capably fill the office of District Judge. I believe in law enforcement, and that every law upon the statute books should be enforced without fear or favor. If you honor me by electing me to this office you may rest assured that my purpose will always be to render equal and exact justice to all, and to conduct the District Court upon that high plane that it should be conducted, and in such manner that every litigant will always feel that the court is, in fact, what the Constitution and laws designed that it should be—a place where justice is administered. Public office is a public trust, and if elected I promise you a term of faithful service, and to devote my entire time to discharging the duties of the office. I would be glad, if it were possible, to meet each one of you and personally solicit your votes, and will see as many of you as I can, but I know that I cannot see all of you personally, and I ask you to give me consideration and will appreciate your support just the same whether I get to see you personally or not. I respectfully ask your consideration, and if you can give me your support it will be sincerely appreciated, and if elected I will feel profoundly

grateful, and strive always and under all conditions to prove worthy of the trust reposed in me.

Respectfully,
Edward Brown.

LOST 20 LBS. OF FAT IN JUST 4 WEEKS

Mrs. Mae West of St. Louis, Mo., writes: "I am only 28 years old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back. (1)

GUY PIERCE ANNOUNCES FOR RE-ELECTION TO SHERIFF

Guy E. Pierce, present sheriff of Donley County, has consented to the wishes of his friends and the law abiding citizens of the county to run for re-election to the same office subject to election in the July primary. Mr. Pierce refers the voters to his record of the past four years while sheriff of Donley County. He believes he has discharged the duties of the office with a fair hand being justly tolerant with all the citizens of the county.

In asking for the position of Sheriff for the second term, Mr. Pierce states that it is his aim and intention to carry through the coming years the same conscientious service and protection to the citizens and property of Donley County as has been the case in the past term. There has been a minimum of criminal offenses under the regime of Sheriff Pierce, while in counties situated all around Donley many law breakers have flourished in various and sundry crimes.

Mr. Pierce asks that every voter give his candidacy close consideration and should they see fit to support him in the coming primary he will show his appreciation through a common sense non partisan discharge of the duties of the Sheriff's department.

Bridge Club Entertained Tuesday

Mrs. L. L. Swann was the genial hostess to members of the 1922 Bridge Club on Tuesday at her home. A red and white color scheme was used in the bridge accessories and was featured in the luncheon table with tall red lighted tapers which cast a soft glow over the low bowl of white carnations which centered the table as well as the other appointments essential to make the afternoon luncheon the success it was.

Good Will Club Has Busy Week

Members of the 1930 Good Will Club put all thoughts of work aside and truly enjoyed themselves for a time last week. The festivities of the week began on Wednesday, December 30th when Mr. and Mrs. Fred Russell entertained with '42' at their home. The home had been embellished with holly, mistletoe, evergreens and Christmas bells and lent an air of gaiety to the occasion for Mr. and Mrs. Si Johnson, Mr. and Mrs. Cecil Longley, Mr. and Mrs. Hick Johnson, Mr. and Mrs. A. O. Yates, Mr. and Mrs. Melvin Cooke, and Mr. and Mrs. R. Y. King.

Then on Thursday afternoon the members gathered at the home of Mrs. Will Johnson, with Mrs. Jonnie Johnson acting as hostess for a business session of the club during which the following officers were elected to guide the affairs of the club through another year of work. Mrs. Si Johnson, President; Mrs. Melvin Cooke, Secretary; Mrs. Will Johnson, treasurer; Mrs. L. B. Carlisle, reporter.

On Friday evening the same group enjoyed the hospitality of Mr. and Mrs. Cecil Longley when they entertained with '42' at their home on College Hill. The home was snug and cosy as the host and hostess invited

HOOVER HOTEL

There is a town almost in Indiana but partly in Ohio where in 1928 to mention any name but the name Hoover was to court "the run out of town." We clipped last week from the breezy NEWS published in that town the following: "Sunday night a celebration was held at the Ohio side council room, dubbed the "Hoover Hotel," since tramps and unfortunates have been given shelter there this winter. Ten or more were there Sunday night. They obtained a quantity of radiator alcohol, and proceeded to make merry and got so boisterous that neighbors heard the racket.

GOODNIGHT RANCH, HOME OF BUFFALO HERD, GOES FOR MORTGAGE, REPORT

GOODNIGHT, Jan. 6.—West Texas' famed ranch, founded in 1876 by the late Col. Charles C. Goodnight, cattle baron of the Panhandle, and for more than a half century the haven of Texas' last big buffalo herd, today was reported to have passed into the hands of mortgage-holders. Sale of the ranch, 40 miles from Amarillo, has placed in doubt the fate of the herd, the last remnant of the mighty beasts that once roamed the vast plains. The herd was first protected 54 years ago when the frontiersman and his wife established a refuge for the preservation of the shaggy animals. Cleo Hubbard, ranch manager, had not been notified today of the sale, and said he did not know into whose hands the management would pass nor their attitude toward the disposal of the herd of 245 animals.

MRS. LINNIE CAUTHEN ASKS RE-ELECTION AS TREASURER

Mrs. Linnie Cauthen has authorized The News to announce her candidacy for re-election as County Treasurer, to the voters of Donley County, subject to the action of the Democratic Primaries in July and August. Mrs. Cauthen has held the post for two terms, and while she realizes it is left with the people to decide whether or not she should be continued as Treasurer, yet she feels that she has made an exceptional record and therefore asks a careful consideration of her ability and fitness by Donley County voters. Auditors recently complimented Mrs. Cauthen very highly on her accurate work and she feels that since she has rendered satisfactory service she is even better qualified to serve the people of this county. Read her name in the announcement column and remember her claims when you go to vote.

Fourth Birthday Celebrated by Bobbie Bentley

Master Bobby Bentley, son of Mr. and Mrs. Bill Bentley of McLean, pleased a small group of his many friends in Clarendon by inviting them to the home of his grandparents, Mr. and Mrs. O. W. Latson, to help celebrate his fourth birthday.

The afternoon hours were filled with games that amuse youngsters of this age until a pleasing refreshment course was served to the following youngsters: Jimmy Boykin, Jackie Brady, Carl Marcellos Bennett, Jean Stargell, Bobby Stork, Phyllis Ray Ingram and Calvin Merchant.

Woman's Missionary Auxiliary

Members of the Woman's Missionary Auxiliary, M. E. Church south, met in the following homes on Wednesday for the purpose of electing officers for their respective Circles and for an interesting study of Stewardship.

Circle No. One in the home of Mrs. M. S. Parson, Circle No. Two with Mrs. David Johnson, Circle No. Three entertained in the home of Mrs. J. H. Hurn, while Mrs. Hick Johnson was hostess to the Belle Bennett circle.

The society will meet in a business session at the church on next Wednesday.

W. M. S. to Have Circle Meeting

The W. M. S. First Baptist church will meet in their respective circles on Monday as follows: West Circle in the home of Mrs. Joe Fowler; East Circle at the Church; South Circle with Mrs. J. L. Allison, and the Rex Ray Circle in the home of Mrs. Leck Goldston.

Contest Club Meets

On Wednesday afternoon members of the Contract Bridge Club were entertained in the home of Mrs. Charles Trent where tables had been arranged for the games. Playing began on the arrival of the guests and continued until the completion of three rubbers. Mrs. T. H. Ellis and Mrs. C. E. Miller were high score winners.

A dainty salad course was served to the following: Mrs. T. H. Ellis, Mrs. Earl Alexander, Miss Mary Cooke, Mrs. P. B. Gentry, Mrs. J. T. Sims, Jr., Mrs. C. E. Miller and Mrs. Kelly Chamberlain.

Mrs. Bill Bentley will return to her home in McLean on Friday. Mrs. Bentley has spent the past nine weeks in the home of her parents, Mr. and Mrs. O. W. Latson, but now Mrs. Latson has improved sufficiently for Mrs. Bentley to return to her home.

Mr. and Mrs. J. F. Reed Surprised

Mr. and Mrs. J. F. Reed were greatly surprised to have their children and grandchildren with them Christmas. Owing to the bad weather and sickness in some of the families, they were not looking for them; but as the snow went away and Christmas drew nearer they all began to gather in.

Wednesday evening D. F. Reed and wife of Baileyboro together with G. G. and Arnold, who were helping D. F. gather his bountiful crop all came. Then Christmas morning Clifford Reed of Panhandle motored to Amarillo and W. E. Reed and wife and two little girls came with him and brought with them well filled boxes and baskets of all kinds of good things to eat. Then C. A. Reed and wife of Clarendon and little Martha Nell came and they brought with them Leta Perl and J. B. (G. G.'s babies) so there was merriment in the air. And to add to the enjoyment Camille and Billy Joe, age 6 and 8, sang "Holy Night" and other Christmas songs.

This was the first time all had been home for two years. Santa Claus didn't forget them, he sent them a big box of candy which was very much appreciated by all.

O. E. S. Celebrates Anniversary

The banquet given in celebration of the thirty-third anniversary of the organization of the Clarendon Chapter of the Eastern Star Number twenty-six Wednesday evening at the Masonic Hall was a complete success in every way and at the appointed hour a bright and happy scene greeted the guests as they arrived in response to the cordial invitation to attend this celebration.

The hall as well as the tables were artistically arranged with vases of carnations with ferns and blooming potted plants.

During the course of the evening Miss Dorothy Kerbow pleased the guests with a nicely rendered piano solo. Little Miss Dorothy Ann Kennedy captivated her listeners with a delightful reading then Mrs. G. L. Boykin in her usual charming manner gave a pleasing number on the violin accompanied by Miss Fray Stallings who also ably accompanied Mrs. Rolle Brumley who charmed those present with a vocal number. Mrs. Boykin played an obligato for Mrs. Brumley.

About one hundred persons were served.

Mr. and Mrs. Glenn Shoemaker of Childress were guests in the J. W. Martin home on Sunday.

Mrs. Claude Parsons of Oklahoma City is visiting in the home of her sister, Mrs. Blanche Davis and Mrs. Sam Dyer.

Jimmy Boykin is Party Host

Master Jimmy Boykin, small son of Mr. and Mrs. G. L. Boykin, made a very genial host to a large number of his young friends, Wednesday afternoon, when he celebrated in honor of his fourth birthday anniversary.

The first part of the afternoon was spent among and with the many toys of the Boykin brothers and much enjoyment was derived from the building of block houses, garages to house the trucks, cars and son. Then Mrs. Sam M. Braswell entranced the children with her charming personality and the clever way in which she related a number of interesting stories.

Another attraction was the birthday cake which bore four lighted birthday candles. After the children enjoyed the beauty of the cake it was cut and served with a delicious refreshment course.

Master Jimmy was the recipient of a nice array of gifts much to his pleasure.

Those who were invited to celebrate this memorable occasion were: Jack Ballew, Carroll Bromley, Manley Bryan, Victor Smith, Ada Sue Smith, Anna Lee Porter, Helen Frances Porter, Jean Porter, Nelda Sue Burton, ton, Bobby and Stewart Broad, Bobby and Stewart Board, die Rathjen and Bobby Bentley, of McLean.

New Years Dance By Alfred McMurtry

To celebrate the passing of the old year and the coming of the new one, Alfred McMurtry invited a number of friends to his home Thursday evening where dancing and a general good time was enjoyed.

Highly colored balloons floated gaily about the entertaining rooms and as the boys captured these they found a girls name attached, who was his partner for the next dance. Radio and victrola music was used.

Favors of whistles helped to enliven the party as the hours of the old year passed quickly by and they greeted the new year with blast after blast from the whistles together with much cheering and merriment.

Grape juice and cookies bearing the inscription 1932 was served at a late hour to:

Misses Vera Nolan, Eugenia Ann Nolan, Marjorie White, Eleanor Morris, Berkeley Ryan, Evelyn Murphy, Geraldine Pratt, Jo Ella Stewart, Mary Travis Dyer, Lucile Andis, Lois Wallace, Elizabeth Kemp, Carroll Holder and Jean Bourland.

Messers Sam Cautchen, Price Whitlock, Willard Skelton, George Chamberlain, Bill Montgomery, Lou McClellan Jr., Hubert Reavis, Bill Green, Carroll Hudson, Pete Morris, Phillip Smith, Loyt Benson, Snooks Andis, Ardis Patman, Alexander Cooke, Kenneth Brown, Jonnie Blocker and Byrum Haile.

Miss Clarice Fuller has resumed her school duties at Pampa, after having spent the holidays in the home of Mr. J. O. Quattlebaum.

New Years Party By Elois Hill

Games of a varied nature furnished amusement for the group of young people who gathered at the home of Elois Hill on Friday evening and made merry until a late hour.

After the games and a business session, refreshments were served to: Dorothea Watson, Peggy Taylor, Rosalyn Bass, Anna Moores Swift, Dorothy Jo Ryan, Avis Lee McElvaney, Vivian Taylor.

Bobbie Boston, A. J. Smith, Drew Wilkerson, Billy Baker, Aubrey Brady, Andrew Harp, Lowell LaFon, Jack Latson, Houston Gat-tis and Charlie Murphy.

A New Years Party

An enjoyable watch party was given by members of the Sunday School Class of the Young Peoples Department of the Methodist church.

Games under the direction of Miss Murue Trostle were enjoyed throughout the evening with refreshments being served before the party attended the midnight matinee of the Pastime Theatre.

To enjoy this were: Bobbie Beatrice Lynch of McLean, Sarah Virginia McGowan, Peggy Taylor, Frances Arnold, Baulah McClenny, Lovit Beavers, Kedron Evans, Dollie Watters and Genella Eldridge.

Nickey Stewart, Walter Brady, Drew Wilkerson, A. J. Smith, Bonner Trostle, T. J. Mann, Homer Estlack, Aubrey Brady, George Wayne Estlack, Billy Johnson and Hollis Evans.

Christy Morris Entertains

Christy Morris entertained her Sunday School class last Wednesday night with a party. Many games were enjoyed during the afternoon and refreshments were served to the following:

Miss Mildred Galladay, Callie Walters, Harvey Lou Strawn, Dola Stephenson, Mary Smith, Lucy McMahan, Mary Ellen and Christy Morris. Because of the weather conditions many were unable to come.

Mrs. Miller Hostess To Bridge Club

On Friday afternoon Mrs. C. E. Miller was hostess to members of the Friday Bridge Club at her home where games of bridge were enjoyed during the entire afternoon.

A new year motif was introduced in the clever tally cards.

Seated for the games were: Mrs. Park L. Chamberlain, Mrs. Floyd Lumpkin, Miss Mildred Martin, Mrs. Forest Sawyer, Mrs. John T. Sims, Jr., Mrs. Ed Teer, Mrs. B. F. Kirtley, Miss Ineva Headrick, and Miss Dorothy Crovin of Houston.

Mothers' Club In Interesting Program

Mrs. Eva Draffen was hostess to members of the Mothers' Self Culture Club when they met in the club room on Friday afternoon for a delayed Christmas program. This program was to have been given at the regular meeting preceding Christmas but due to the heavy snow and the almost impossible condition of the streets the meeting was postponed and presented at this time.

Mrs. Cap Morris served as leader during the afternoon and gave a very interesting discussion on "Cathedrals", being followed by Mrs. Bill Bromley who gave the "Romance of Bells" an interesting study of the various bells and chimes. Mrs. J. D. Swift presented two chapters of the book now forming the basis of this year's study "Character Training."

A short recital of the pupils of Miss Pauline Shelton and Mrs. R. Wilkerson with the following numbers being given:

At the conclusion of the program and business session a salad course was served by the hostess assisted by her mother, Mrs. W. B. Sims.

Pathfinder Club To Meet

The Pathfinder Club will meet in the club room, Friday afternoon for the annual election of officers. All members urged to be present.

Entertainment at J. L. McMurtry Home

A new motif was reflected in all the appointments of the lovely dinner-bridge party given by Mr. and Mrs. J. L. McMurtry at their home, Saturday evening.

The guests seated at the dining table found a huge mound of snow molded to represent the world, around which were scattered new pennies, and on which sat a tiny doll holding a greeting for the year 1932 serving as the center piece and from which a bountiful dinner was served. The combination place cards and tally marked each place. An english walnut containing an optimistic wish for the New Year was cracked and read between courses. As the guests left the table each took a new penny to serve as their good-luck omen during this new year.

In the games of bridge which followed, Mr. Allen Jefferies played high for men and received a useful gift.

Attending were: Dr. and Mrs. T. H. Ellis, Dr. and Mrs. M. L. Rhodes, Mr. and Mrs. Fred Chamberlain, Mr. and Mrs. Louie Merrill, Mr. and Mrs. Allen Jefferies, and Mr. John Bugbee, Club members.

Mr. and Mrs. J. F. Blocker, and Mr. and Mrs. C. T. McMurtry, invited guests.

Leaguers Entertained On Friday

In the basement of the Methodist church on Friday evening a most amusing party was given by Mrs. Sam M. Braswell for members of the Junior-young Peoples League with about thirty juniors and young people attending.

Each guest cut out an animal of their own design, made New Year resolutions and joined in other amusing features planned for this entertainment.

An Enjoyable Club

With Mrs. C. W. Bennett, Jr. as hostess members of the Young Matron's Bridge Club spent an enjoyable afternoon with the cards in their chosen game, Auction bridge, on Thursday.

In the games Mrs. Sam Darden played high to receive a lovely favor.

Participating in the games were: Mrs. G. E. Norwood, Mrs. Williams, Mrs. Tren Stargell, Mrs. B. C. Antrobus, Mrs. Sam Darden, Mrs. Roy Ingram, Mrs. G. H. Simpson, and Mrs. Rex Reeves.

New Year is Welcomed With Gay Party

The Old year was again given a farewell and the New Year received a hearty welcome Thursday evening when Mr. and Mrs. M. M. Noble entertained in the home of Mrs. B. G. Smith, where Christmas decorations of holly, mistletoe and poinsettias together with sparkling icicles made an appropriate setting for the affair.

Dinner was served preceding the games of '42' which lasted until a late hour, but not quite until the New Year was officially announced though New Year greetings were exchanged before the group departed for their homes where the majority of them radioed the old year out and gave the New Year the heartiest of welcomes.

Attending this were: Mr. and Mrs. A. A. Mayes, Dr. and Mrs. J. G. Sherman, Mr. and Mrs. U. J. Boston, Mr. and Mrs. H. B. Kerbow, Mrs. Eva Rhodes, Mrs. B. G. Smith and Mrs. Bill Green, Club members. Mr. and Mrs. O. T. Smith and Mr. and Mrs. G. G. Kemp, invited guests.

Bridge Party by Mrs. Brittan

Mrs. Ppy Brittan of Ironton Texas, and a former resident of our city delighted her mother and many friends in Clarendon by spending the holidays here. During her stay in our city she has featured in the social activities of the holidays by entertaining her friends on several occasions, also by being present at a number of functions as well as guest-of-honor on one occasion. Then just before her going away she entertained her class friends, those who in the past have called themselves the "Old Maids", with a Chili-Bridge Party at the home of her mother, Mrs. O. L. Fink, on Wednesday evening.

The Chili was delicious and with its accompaniments made a most satisfactory meal. Bridge furnished entertainment for the remaining hours of the evening for:

Misses Lois and Wulfa Lee Alexander, Nadine Haile, Betty Walker, Edna Montgomery, Elinor Morris, Latrice Benson, Elrin Patrick, and Mrs. Meade Haile.

Home Ec Club in Business Session

A most satisfactory meeting of the Home Economics Club was held on Friday evening at the home of Mrs. J. D. Stocking where the president, Mrs. O. L. Fink, presided over a business session of the club at the conclusion of which Miss Martha Buttrill gave a splendid demonstration on hot-beds and under ground irrigation for the following members and invited guests who were present at this time:

Mesdames C. D. McDowell, T. R. Broun, G. A. Anderson, H. J. Eddington, J. C. Estlack, A. H. Baker, J. M. Acord, Lawler, Ralph Grady, Major Hudson, O. L. Fink, M. T. Crabtree, J. A. Tombs, W. M. Spitzer, W. D. Van Eaton, C. L. Benson, C. R. Skinner, A. L. Chase, and Miss Buttrill.

The next meeting will be held in the home of Mrs. G. A. Anderson.

MacDowell Chorus Begins Work On Cantata

At the regular weekly meeting of the MacDowell Church on Saturday afternoon, at the club room, the members began work on the Operetta, "In Old Japan," by W. Berwald, under the direction of its director, Mr. Sam M. Braswell, who was well pleased with this the first rehearsal.

This number will be one of the features of the program to be given by the entire MacDowell Club the latter part of the month. The next rehearsal will be in the ladies club room, Saturday afternoon at 4:00 o'clock, all members are urged to be present.

P.-T. A. to Have Thrift Program

On Tuesday afternoon at 3:30 o'clock the Sims P. T. A. will meet in the seventh ward building at which time the following program will be given.

Playette—by pupils of the third grade.
 Violin Solo—Mrs. G. L. Boykin.
 Talk on Thrift—Mr. T. F. Connally.

All members and pastors are urged to attend.

 Mr. and Mrs. B. C. Antrobus have returned from a holiday visit with the parents of Mrs. Antrobus in Iowa Park.

Mrs. Bob Lynch and daughter, Bobbie Beatrice, spent the past week end with Mr. and Mrs. O. D. Leisburg.

Mrs. M. P. Gentry Hostess to Club

Mrs. M. P. Gentry, Mrs. Ira Merchant, Mrs. Sam Dyer, Miss Loraine Patrick, Mrs. Ed Teer, Mrs. C. W. Bennett, Jr., Mrs. B. F. Kirtley, and Mrs. Claude Parsons, of Oklahoma City, were the members and invited guests of the Contract Club who enjoyed an afternoon of games in the home of Mrs. M. P. Gentry on Tuesday.

Though the meeting was quite informal and bidding was discussed freely and fully much to the pleasure and enlightenment of some of the players.

This group of women are becoming quite adept at the game though they have been playing Contract Bridge only a short time.

A delicious refreshment course was served at the close of the games.

An Enjoyable Watch Party

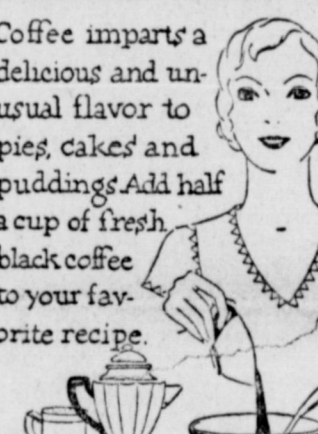

To bid farewell to the old year and a welcome to the New Year with as much pleasure as possible, was the object of the group of friends who gathered at the home of Miss Fannie Perry on Thursday evening with Miss Carrie Davis as associate hostess.

Games of '42' were indulged in in the early part of the evening with an enjoyable refreshment course being served before the group attended the mid-night matinee in a body, and as the old year faded they were enjoying a splendid picture on the screen of the Pastime Theatre.

To enjoy this were: Mr. and Mrs. Clyde Hudson, Mr. and Mrs. Marvin Warren, Miss Marue Trostle, Miss Lois Cox, Mr. Homer Bones, Mr. Sammie Perry and the hostesses Miss Fannie Perry and Miss Carrie Davis.

Hints for the Household

BY BETTY WEBSTER

Keep plenty of moisture in rooms.
 Have water tank in connection with hot air furnace and keep it filled.
 Have water pans either hanging or setting on radiators.
 Keep them filled with water.
 Keep living rooms at 70 degrees.
 Sleeping rooms need never be warmer than 68 degrees.
 These few simple rules will insure a much healthier atmosphere.

COOKING HINTS
Cranberry Salad
 2 cups cranberries.
 2 cups sugar.
 1 package lemon jello.
 ¼ cup boiling water.
 1 cup chopped celery.
 Some chopped nuts.
 Method: Cook the cranberries and sugar together 5 minutes. Dissolve jello in boiling water. Put the cooked cranberries into jello. Add celery and nuts. Mix well. Put in mold or individual molds. Chill and serve.

Chocolate Pudding
Children Love It
 1 tablespoon butter.
 ¼ cup sugar.
 1 egg.
 ½ cup milk.

1 cup flour (not heaping).
 ½ teaspoons Baking Powder.
 2 squares of chocolate or 4 tablespoons of cocoa.
 Vanilla to taste.
 Method: Cream the butter and sugar. Add melted chocolate of cocoa in sugar. Add beaten egg. Add milk, add flour and baking powder. Add vanilla. Mix well. place in mold or molds and steam 1 hour.
 The test when done: Stick a tooth pick or fork in pudding. When it comes out clean pudding is done.

Rules for Steam Mixtures
 Use a mold, preferably one with a tight lid. If there is no lid, tie a piece of greased brown paper over the top. Keep water boiling all the while mixture is cooking. Cooking varies from 1 to 6 hours.

Steak with Sweet Potatoes
 2 pounds round steak.
 Large onion.
 6 sweet potatoes.
 Large piece of butter.
 Steak fat.
 Method: Peel potatoes. Slice in half as for browned Irish potatoes. Cut round steak—1 inch thick. Pound. Dredge with flour, salt and pepper. Place steak in roaster or iron frying pan. Dot top with onion fat. Cook 30 minutes. Cut up onion and put over top. Place sweet potatoes in pan around meat, cover and return to oven. If meat is dry, add boiling water, cook 1 hour more. Serve on platter—surround meat with browned sweet potatoes.

Plain Cake
 1½ cups sugar.
 ½ cup butter.
 4 eggs.
 1 teaspoon vanilla.
 ½ cup milk.
 2 cups flour.
 1½ teaspoons baking powder.
 Method: Cream butter and sugar, add beaten yolks, add milk, add flour and baking powder, add vanilla. Last—fold in beaten whites.

HOUSEHOLD HINTS
A Good Duster
 A paint brush makes a good duster for elaborate furniture or corners. The bristles can not scratch or hurt the wood.

House Temperature Hints
 Houses during winter months should be kept at a moist even temperature. To do this one must have a thermostat or a thermometer.

Well, well, well, and here comes my dear friend Watson right back with an argument over my all-district team announced last week. Here is what O. C. Jr., handed to me to save two cents, instead of letting our mutual friend, Uncle Sam, get a chance to pick up a little extra change. OK, Customers! Hold your hats and don't stand up—here comes Oecy's missel.

January 5, 1932.

Mr. Sam Braswell, Jr.,
News
Clarendon, Texas

Dear Sam:

Well Sam I am sorry, but I disagree with you on your all-district team. So here comes mine. I hope you like it.

Brewer, Dalhart.....Left End
Chenault, Dalhart.....Left Tackle
Coffee, Miami.....Left Guard
Bourland, Memphis.....Center
Morris, Clarendon.....Right Guard
Stone, Hereford.....Right Tackle
Watson, Clarendon.....Right End
Yarberry, Dalhart.....Quarterback
Reid, Clarendon.....Left Half
Williams, Wellington.....Right Half
Nichols, Clarendon.....Full Back

Well what do you think of this team Sam? Of course you won't like it but everyone has their own opinion, you know. But I will wager that my team could beat yours, no hard feelings.

Yours truly,

O. C. Watson, Jr.

That is a mighty fine team, dear Watson, but you couldn't beat my team because you took seven of my players to mould your team with. However, just a few simple reasons why your men are not altogether desirable on all-round ability.

Merle Coffee is a good ordinary player but whatever has he shown to be of outstanding ability? This fellow Stewart of Memphis and a number of other players over the district have proven to be good players but nothing to rave about particularly. Now Stone of Hereford is no doubt the best man Hereford had last season, but the Whiteface failed to command any great attention, and the Dalhart team pushed over him without too much trouble. The Friona coach failed to mention Stone when reviewing the outstanding players in that particular section, so we must replace Behrens in his place because he showed enough at Wichita Falls to command a place on any body's all-conference team.

And let's see, now as to Tony, Watson is unquestionably one of the outstanding ends in the district on the defense, but there his prowess stops, and as this is a

team combining all around ability we must leave the home lad on the Honorable Mention list. And also O. C., why change Watson, if you choose him, from his regular position? He plays left end and you have him listed at the right wing position.

And now the quarterback position. Why pick Yarberry, he doesn't play quarter and never has. He's a half, and a good one, but why should you wish more power with Williams of Wellington and Nichols of Clarendon? Reid is your only fast man in the backfield, and needs a teammate. Think it over.

Anyone else? Send it in.

There is a good deal of talk about the good basketball teams in Donley County but none of them have come out with any concrete statements as to what kind of machines and who will supply the power for this season's court activities. Let the fans over the county know about your team—write it up and send it to Sport Slants care The Clarendon News.

TOM CONNALLY HOLES TEE SHOT

FIRST DODO OF THE YEAR IN CLARENDON REGISTERED LAST SATURDAY

To Tom F. Connally, veteran golfer with a sideline of buying grain in the off season, goes the honor of being the first local mashie swinger to join the ranks of the Hole-in-one club this year. Tom is of the opinion that his feat is indicative that the business conditions are on the up-and-up, for last year the depression also followed the links game and nary a single dodo was harvested.

The difficult and perfect shot was accomplished on the No. 4 canyon hole. The distance is 124 yards with a blind green. Mr. Connally used a Hagen five iron and a Reach Eagle ball. With these weapons the local grain magnet stepped upon the tee surveyed the yawning countenance of the welcoming canyon, swore dire threats at the supplementary members of his threesome who were pushing him hard for honors and click went the steel blade against the dimpled sphere. Chuckles arose from A. N. Wood and R. C. Weatherly, equally as 'veteran' as the grainman, as the ball started off to the right of the green, but apparently hearing the unkind sounds hooked into the sand at

Mrs. W. A. Tomlinson Gives New Years Banquet

A New Years Banquet was enjoyed in the home of Mr. and Mrs. W. A. Tomlinson Thursday evening at 7 o'clock. The home was gayly decorated with red and green and lighted with a soft glow of candles. A most delicious dinner was served, consisting of fried chicken, green beans, carrots, salad, baked potatoes,

the edge of the green and continued to gently curl its path into the elusive can.

Approaching the green no ball greeted the eye and soft oaths directed to the unkind workings of fate emitted from the man of "By Jacks" fame, but what was that trail on the fresh raked sands of the green which failed to pass the cup? Full of anticipation the services of R. C. Weatherly were required to lift the precious ball from the soft sands at the bottom of the hole in which nestled the contented ball.

Evidently being of no temperament to again play the providential game the clubs failed to function on the remaining fourteen holes of the match and both Mr. Wood and Mr. Weatherly downed the big bird hunter.

It is expected that numerous awards will be showed upon the shoulders of the local dodo expert in the near future.

celery, pickles, buns, coffee, cherry pie with cream and nuts. The place cards were silhouettes of the New Year and the program corresponded. The nut caps were of green and red. Rev. E. H. Kennedy and Miss Moody Kennedy Entertain

Thursday, December 31, marked another memorable day for the Kennedy brothers and sisters when Rev. E. H. Kennedy and Miss Moody Kennedy entertained in their spacious farm home on the last day of the year. The grand dinner at twelve proved the main attraction for Will Kennedy, and wife, George Kennedy and wife, E. L. Kennedy, Tom Kennedy and wife, E. H. Kennedy, Mrs. Aten and husband, Mrs. T. B. Lumpkin and Miss Moody Kennedy. With Mr. and Mrs. G. F. Leathers in the afternoon. All the neices and nephews with their families, with Mr. and Mrs. Loyd Shelton of Ashtola and Mr. and Mrs. Charles Doak and daughter Lucile of Wichita Falls were called for the evening meal. This affair was attended by some 35 guests. Various table games were played during the evening. Shortly before 12 o'clock a short devotional service was conducted by Rev. E. H. Kennedy and then a watch party to welcome the New Year. So much pleasure was derived from this gathering that it is to be an annual affair in the home of Rev. E. H. Kennedy and Miss Moody Kennedy.

Study Club Has Meeting

The Study Club met in the home of Mrs. Will Kennedy Tuesday afternoon. The subject was "Africa". In the absence of Mrs. Bynum Mrs. King discussed the adventures of the lost tribe of Islam. Mrs. D. M. AFTER 40 bowel trouble

Constipation may very easily become chronic after forty. And any continued constipation at that time of life may bring attacks of piles and a host of other unpleasant disorders.

Watch your bowels at any age. Guard them with particular care after forty. Whenever they need any help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proven perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it cannot grip; will not sicken you or weaken you; can be used without harm as often as your breath is bad, or when your tongue is coated; whenever a headachy, bilious, gassy condition warns of constipation.

COMMERCIAL DEPARTMENT OF CLARENDON COLLEGE

This week closes the first semester of work of the Commercial Department of the Clarendon Junior College and High School. A majority of the students are doing excellent work, and have made excellent progress in their courses.

This year, courses in Accounting, Commercial Law, Shorthand and Typewriting, and Business Administration are being offered in Clarendon Junior College. In the High School, courses are being offered in stenography and Typewriting.

During the second semester, it is the purpose of the instructor, R. H. Carver, to make the work as practical as possible. He is going to ask the business men of Clarendon to give their support in the following manner.

At the present time a number of the students have progressed sufficiently in typewriting to copy most any kind of typewriting work. If any of the business men of Clarendon have any extra typewriting work, the Typewriting Department of Clarendon College and High School will be glad to do some of it—free of charge just to get the experience. At times they can come to your office and do work; or they will be glad to call for the work and complete it on the College typewriters. Also they will be glad to do some of your mimeographing work. The only charges for the work on the mimeograph will be for the supplies.

A little later in the school year the shorthand students will be glad to get some work in dictation and typewriting—also free of

charge.

All this work will be under the careful supervision of the instructor. This co-operation can be made a benefit to the students and also to the business men of Clarendon. It will give your own boys and girls a chance to learn some of the practical phases of this work along with the theory. The instructor, as well as the entire Commercial Department, will greatly appreciate this co-operation from the business men of Clarendon.

CHEVROLET HOLDS HONOR POSITION FOR FIFTH YEAR

When the doors open Saturday to the National Automobile Show in Grand Central Palace, New York, Chevrolet will occupy the position of honor on the show floor for the fifth consecutive year.

Each year the National Automobile Chamber of Commerce

awards first place at the national shows to the member company which has done the largest dollar volume business in the previous 12 months.

The award is much coveted in the industry, because in addition to the distinction it conveys it also carries with it the right to first choice of exhibition space at the national shows in New York and Chicago.

Chevrolet first achieved the position of honor in 1928. Since then the company has consistently maintained its leadership.

Twenty-seven cowboys drove twelve hundred head of cattle to a market at Marfa recently.

What's New in the New Chevrolet Six

When you read what's new in the new Chevrolet Six, you, too, will agree it's the Great American Value for 1932. Syncro-Mesh and Free Wheeling combined for the first time in a low-priced car! Engine and chassis improvements that raise performance to new heights of power, speed and smoothness! The finest

Fisher bodies Chevrolet has ever introduced. And the same qualities of reliability and economy that have won the approval of millions of Chevrolet owners. All these you will find in the new Chevrolet Six at one of the lowest prices in the market! That's why the new Chevrolet Six is called the Great American Value for 1932!

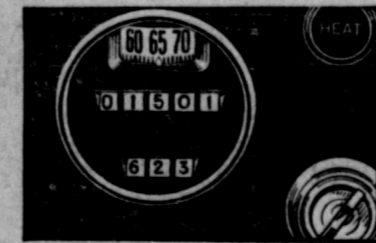

Syncro-Mesh Transmission
Syncro-Mesh permits you to shift gears with marvelous quickness, quietness and ease. It even enables you to shift rapidly from high back into second, any time you want to use the braking force of the engine.

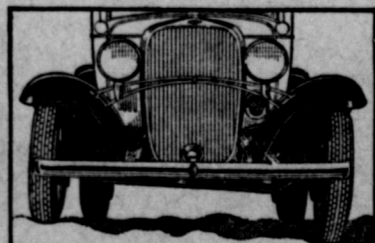

A Smoother, Improved Six-Cylinder Engine
Chevrolet now has down-draft carburetion, new cylinder head, manifold, counter-balanced crankshaft and rubber mounting, increasing power 20 per cent to 60 horsepower.

Simplified Free Wheeling
To take advantage of Chevrolet's Free Wheeling, simply press a button on the dash. Until you pull it out again, you "Free Wheel." You coast when your foot is off the accelerator. You shift with magical ease.

65 to 70 Miles an Hour with Faster Acceleration
Vital new features in Chevrolet's six-cylinder engine enable it to develop 65 to 70 miles an hour. Stop-watch tests show an acceleration from 0 to 35 miles in 6.7 seconds.

Stabilized Front-End Mounting
Chevrolet's exclusive method of mounting front fenders, lamps, double tie-bar and radiator securely to the frame stabilizes the front-end and insures steadiness when traveling over rough roads.

Smart New Fisher Bodies
Chevrolet's new Fisher bodies are the smartest ever to appear in the low-price field. Furthermore, Fisher craftsmen have added new elements of strength, quietness and solidity to the wood-and-steel construction.

Condition Of County Seen In Agents' Yearly Reports

Donley County Agents' Reports for Year of 1931 Reveal Wonderful Work in County.

However bad was the year of 1931 in most lines of endeavor it served as an incentive for the Donley County Demonstration and Agricultural agents to prove more than ever before the benefit of advanced methods of rural farming and house-keeping. Miss Martha Buttrill, demonstrator, and T. R. Broun, agent, early in the year sensing the hardships which since have become a reality the country over outlined a live-at-home program for the citizens of Donley to follow. This program has, without a question, proven the salvation for more than a few families of this county and for others the program has been a means whereby a steady income has been received while the food necessities have been taken care of at home.

A new mark was set in the county this summer and fall in the number of canning demonstrations, from which grew an enormous amount of canned goods of all kinds.

In the Agricultural work, Agent Broun sent Donley to the front with splendid exhibits in both the Tri-State and Dallas Fairs, placing high and carrying off fine premiums in each. Possibly the best work was the "Barter System" inaugurated this summer in which the local farmers traded all kinds of truck goods for wheat and various kinds of products grown elsewhere over the Panhandle. This afforded a great amount of favorable publicity and paves the way for a splendid market next summer and fall for Donley products.

The reports of the Demonstrator, Miss Martha Buttrill, and Agricultural Agent, T. R. Broun as prepared by them for the year 1930 are found below.

PROGRAM OF WORK

Grain Sorghum, 2 Demonstrations.
Alfalfa and Sweetclover, 20 Demonstrations.

Cotton, 25 Demonstrations.
Truck Crops, 25 Demonstrations. Insects, 5 Demonstrations. Terracing, 20,000 Acres. Poultry, 5 Demonstrations. Beef Feeding, 10 Demonstrations. Pig Feeding, 45 Demonstrations.

Grain Sorghum
Two demonstrations were arranged for certified seed growing. These two farmers planted seed that was furnished from bagged seed by the experiment station. The planting was done in late Spring and the crop was well isolated by a good distance from any other feed of the same kind. It was noticed that this crop was the most uniform in type and height of plants. These seed were certified by the State Inspector.

There were a total of six acres in the certified seed and it made a yield of one hundred and twenty two bushels.

Fifty seven farmers in the County planted their grain sorghum crop in certified seed that was bought from a seed grower at Lubbock. The total acreage in this work was 3605. This was so nicely demonstrated that this kind of seed was superior in quality to the hand picked seed that the majority of the farmers are convinced that it is cheaper and better crops can be grown by buying seed of this kind. The cost of seed was from five to eight cents per acre to buy certified seed and the yield was increased two and one half bushels per acre. There was also another nice advantage of having a uniform crop which could be easily gathered and more even in maturing. The value from this was 504,690 pounds at 40 cents per hundred lbs. is \$2,078.76 in the County, or to the fifty seven farmers.

Alfalfa And Sweetclover
Sixteen men sowed 320 acres of alfalfa and one lost his crop by dry weather and weeds. The purpose of this was to get farmers to grow some alfalfa on their farm where it could be grown and also change their farming to a more balanced farming by producing a better grade of feed and grazing for hogs.

There were 680 tons of hay produced at a cost of \$480 and the value of the hay was considered at ten dollars per ton, total value \$6,400.

Six farmers sowed fifty four acres of sweetclover for grazing. This was for a pasture for cows and hogs. The results of this work is shown in the results of the cows and hogs.

Cotton
There were twenty five farmers that planted 1400 acres of cotton of a pure seed, which was the direct influence of the effort that was put forth in twenty demonstrations. Quality was the main thought in these meetings and the results are shown in increased yield.

The 1400 acres were averaged on the increased yield and it was found that there were 37 lbs. to the acre more in production on account of pure seed being used than the average of gin run seed. Some have said that this 51,800 more pounds of cotton was that much more in the "Hole" but at the low price of five cents per lb. it was worth \$2,590.

Fourteen club boys planted 21 acres of cotton that produced three fourths of a bale to the acre, the value of this was \$476.17

Watermelons and Canteloupes
There were nine demonstrations on the Watermelons and ten on canteloupes. This got the interest of a total of 254 farmers and they followed the instruction that was received from these demonstrations, with the following successes.

There were 1160 acres of watermelons planted and 400 acres of canteloupes. The watermelons produced from four to nine tons to the acre of market melons. They began selling for \$18 per ton and gradually went down to \$7 per ton. There was an average of two tons per acre increased yield by pruning and spraying for the control of lice.

The canteloupe crop started on the market in the first week of August. The price was fifty cents per dozen and then dropped some as the month passed some of the crop sold at ten cents per dozen, in the field, at the last of the season.

There was a system of "Barter" started in the middle of the truck marketing. This was a trade that was worked up between the wheat farmers and the truck growers. They traded on the market value of the two products. Two daily papers gave a considerable space to the idea and it was announced in the radio several times.

There were several farmers that took their truck to the North and West to sell and a part of the load was traded for wheat or flour. It was found that thirty farmers got all of the wheat and flour that they wanted in this way, to supply their need for a year.

There were several other things that came in on this trading system such as calves, pigs and chickens. One individual trade was a collection of pot flowers, rose plants, and other lawn shrubs. This "Barter" idea was appreciated especially by the vegetable growers of the Lelia Lake Community. There were several farmers that got the benefit of cash sales that came in as a direct influence of the advertising. This amounted to more than twice as much as was exchanged on the barter.

Insect Control
Five demonstrations were given in the control of lice on the truck crops. 254 farmers started the fight on 1560 acres. There were 762 lbs. of poison used. The value of this work was an estimate and it was different with most every individual. A few got no benefit while others did fairly good then several controlled the pests with good success. This depended on the time that the work was started and how thorough it was done.

The cost was averaged at \$3.40 per acre. The increase yield per acre was forty five dozen canteloupe. The increase yield on watermelons was two tons per acre.

Club Boys Watermelons
Twelve club boys planted 21 acres of watermelons and produced 18760 lbs. The insect control was put on in the club work and the farmers and their neighbors took the idea and used it in their control of the crop.

Terracing
There were 114 farms that the terracing was supervised by the County Agent. There were 1692 acres of lines run by Club Boys. Eighteen men were trained to run lines for themselves and their neighbors.

The total acreage that was terraced was 16,920, in the County this year. This was through the cooperation of all agencies that helped in the work.

The value from the terracing was difficult to obtain because of the uneven distribution of rain fall. Some of the fields showed no increase while others showed three times as much in production. An average on twenty five farms showed a twelve per cent increase in yields.

There were none of the farms that had any noticeable damage to the crop from a heavy rain that caused a large acreage to be destroyed in the neighboring fields that were not terraced. This especially was noticed in the Chamberlain Community in June.

Poultry
Four demonstrations were started in poultry that went through the year with the following results: There were 2,334 birds in the four flocks. The total number of eggs produced were 31,057 dozen. The feed cost was \$2719.50 this was well taken care of by the egg salls which totaled \$4,658. There was also \$781 worth of birds sold. The average number of eggs per hen was 158 for the year. This is about double the number that the average is for the State, which is 74 per hen for the year. Five club boys finished with reports for the year. They started with baby chicks and kept a cost account. Their feed cost was \$11.05 for the year. They finished with 222 birds that had laid 3,804 eggs, which sold for \$39.10. The Club Boys sold \$66.20 worth of chickens.

Beef Cattle
Ten men completed their work in feeding calves with the following results: There were 238 calves started on creep feeding. They were fed \$862.84 worth of feed. There was 106 lbs. average additional weight put on each calf that cost \$3.25. These calves sold for \$7.00 to \$9.00 per head more by having the better growth and fat.

Club Boys Calves
Four Club Boys fed a calf each the total weight of the four was 1790 lbs. their total cost of feed was \$27.63. The calves cost \$10.23. The value was \$95.88.

Pigs
Eight demonstrations were given in pig feeding. There were thirty six farmers fed 1,013 pigs. A mixture of tankage and cotton seed meal was used to balance the grain that was fed. The best results were got from using the self feeder, with the grain in separate compartments from the protein mixture. In this feeding the pig could eat any time that it wanted feed. With the above feeding system the pigs would make a pound of gain for every three and one half pounds of grain that it eat. There were a total of 202,660 pounds of hogs produced with a feed cost of \$4,053. The value of these hogs was \$10,133.

Total cost \$1198.20, Total value \$3772.77, Total saving \$2574.57. Clothing Made by 4-H Club Girls

FACTS REGARDING CANADA
Supplied by the National Development Bureau Department of the Interior, Ottawa, Canada. Curling clubs exist in almost every large Canadian city and town.

Snowshoeing though generally supplanted by skiing is still a popular winter sport in certain parts of Canada.

No country in the world can offer a greater variety of winter recreation than Canada.

Ski club lodges are established in various districts throughout Canada.

Skating is a much enjoyed sport in Canada and many towns and cities maintain open-air rinks which are free to the public.

Exciting hockey games are to be seen in almost every part of the Dominion and many professional and amateur teams of high calibre take part in such contests.

Canada's delightful winter season, with crisp cold days, plenty of snow and an abundance of brilliant sunshine, provides an attractive setting for winter sports.

Skiing, skating, snowshoeing, toboggan, hockey and curling prevail in Canada under ideal conditions, during the greater part of the winter season.

Golf courses are in operation the year round at Vancouver and Victoria, British Columbia.

THE STITCH-IN-TIME STOOL
A brand new bedroom novelty is the hosiery footstool. It looks like an ordinary, dainty stool such as any modern woman might like to have in front of a comfortable bedroom chair. But this gay du-rène covered stool does not end by being merely a comfortable place to put one's tired feet. The front has a drawer with a brass handle. Inside this drawer is space for a dozen or so pairs of hosiery, and in the center is a complete darning outfit, by means of which one can take that often needed stitch-in-time.

Club Room Board Ends Splendid Year

The Club Room Board of 1931 is to be congratulated on finishing a very successful year under unusually adverse conditions.

No little part of the success is due Mrs. Elba Ballew as president and to her sound judgement in appointing her committee.

The club room is used several days of each week for various clubs, committees, etc., and the property committee with Mrs. J. T. Patman Chairman had seen that the rooms were left in splendid order and everything in good condition.

Probably the most active committee was the Finance Committee with Mrs. A. T. Cole as chairman. The committee has been very wide awake and certainly worthy of commendation. At the close of the year, 1930, the treasurer report showed cash on hand \$40.68.

During the year 1931 the finance committee reported \$163.15, the major part of which went for the purchase of a new piano for the Club Room, which was their goal for 1931. The following report shows the means used to raise the piano fund:

Advertising \$110.00 Picture Show Benefit 32.05 Forty Two Parties 19.10 Shrubs 2.00

Total \$163.15

The Purchasing Committee with Mrs. T. H. Ellis as Chairman, shopped splendid judgement in their collection of a piano and also all-concealing shades in the kitchen.

And Calendar Committee Mrs. Fink, Chairman, has kept the out on the dates of various occasions in order that no conflict would occur.

The new officers were elected for 1932 and will be in charge of future activities.

Cash on hand January 4th, 1932 shows a balance of \$26.23.

Report Submitted, Mrs. Elba Ballew, Pres. Anna Moores, Sec.

Mrs. Edgar Brittain returned to her home in Ironton, Texas after spending the holidays in the home of her mother, Mrs. O. L. Fink.

BRAY

Death entered our community very suddenly and unexpectedly Thursday afternoon at 2:00 o'clock when Dr. W. L. Hardcastle was stricken with apoplexy and lived only seven hours. This good man will be greatly missed by every one. He was always ready to lend a helping hand where ever needed. He made his home with his daughter, Mrs. Claude Hill, and passed away there. He leaves Mrs. Hill the daughter and only child and three grandchildren, W. O. Hill, C. S. Hill, and Mrs. C. P. Cunningham of Enid, Oklahoma, and three great-grandchildren to mourn their loss. He was eighty-two years, one month, and twenty days old.

The damp weather has stopped the cotton gathering. Most every one likes just a little being through gathering.

Those attending the funeral of Dr. W. L. Hardcastle from other places were: J. J. and Joe Hardcastle and Marion Johnston of Sunday, Texas, S. W. and Bert Robinson of Childress, and J. T. Hardcastle and wife of Dustin, Oklahoma.

CERTIFICATES WILL BE ISSUED THOSE COMPLETING REQUIRED COURSE

Mrs. Nora McMurtry is very anxious that as many students in Donley County as possible take advantage of the opportunity to avail themselves of a State Reading Course Certificate. The list of approved books from the State Department has been received and course will find a wealth of interesting novels of the highest therein the prospects for the type. Mrs. McMurtry asks the teachers to conduct contests over the county to see who will be the first to report a completed course and who will obtain the most reading certificates for this year.

The requirements to obtain a certificate signed by the State Superintendent, Hon. S. M. N. Marrs, follows:

Read any fifteen of the above under the direction of a teacher and report to her. The teacher makes a report to the County or City superintendent. The report if approved is then sent to Austin with request for certificate. A certificate with a single seal is offered for fifteen books read and reported and the report approved.

A certificate bearing two gold seals is awarded for thirty (30) books read, reported on, and approved from the above list.
