## Mayor Cagle Proclaims Clean-Up In City

### Clarendon Citizens Join In Celebration of Boys Week

#### CLEAN-UP WEEK IS MAY 1 TO 10

MAYOR W. P. CAGLE ISSUES  
FIRST PROCLAMATION ON  
CLEAN-UP CAMPAIGN

Elsewhere on this page will be found a proclamation from the hand of Mayor W. P. Cagle in which he has set aside a time for a city-wide Clean-Up campaign. The dates for the annual beautification drive as designated by the Mayor are given for Friday, May 1st, to May 10th.

All citizens are expected to enter into the clean-up spirit, and remove the year's accumulation of debris and trash from their property and pile it in a convenient and accessible place for the city wagons to pick up and carry to the dump grounds. Garbage wagons will be placed in the work hauling off the trash without any cost to the owners of the property.

The annual spring Clean-Up drive is something like 30 days behind the usual dates of the movement, but other interests have so taken up most of the time, and now that the designation has been made it is expected that a great deal of interest will be shown in making Clarendon again this summer the Athens of the Panhandle.

DONLEY COUNTY PIONEERS  
BURIED IN AMARILLO

The pioneers last Saturday afternoon at 3:30 when Mrs. A. J. Barnett, 88 years old, quietly passed to the great and peaceful beyond climaxing an illness of several weeks duration.

Mrs. Barnett was born and raised in South Texas and moved to Clarendon some twenty years ago later moving to the family home at Hedley. She was preceded in death some eight years ago by her husband. All of the children were with Mrs. Barnett at the end.

The funeral was held Sunday afternoon at 2 o'clock at the First Methodist Church at Hedley with the Rev. John A. Wheeler conducting. Later in the day interment was made at Amarillo where Mrs. Barnett will rest by the side of her husband.

The children present were Mrs. Maude Trawick of Houston, Mrs. Marion Sparks of Amarillo, and Mrs. T. M. Pyle of Longfellow. Active pallbearers were John Sims Clarendon, T. M. Pyle Clarendon, Eddie Knowles Hedley, Jimmie McDougal Hedley, Bob Blair Amarillo, and Marion Williams Amarillo.

#### WEST NOSES OUT EAST TEAM 7 TO 2

CEMETERY ASSOCIATION RECEIVES \$77.50 FROM BENEFIT BALL GAME

The Westerners, or better known as the Boykinites, dashed mud and a few hits over the victory aspirations of the band of East Whitlockers and were unkind enough to take advantage of the latter's misdeeds to capture the benefit ball game Tuesday afternoon 7 to 2.

A large crowd and a light rain was present to witness the sensational battle between the two widely heralded aggregations. To start the thing off right Stargel led off for the east with a ringing single to left center on the first ball pitched. Kerbow got a life on first. Stargel was thrown out and Braswell brought Kerbow in with the first score of the game with a single to left. That ended the East's act and the west team went out in order due to some poor base coaching and running. The East team calmed down and for the next three innings succumbed beautifully to the effective pitching of Stephenson. The West team didn't succumb so easily and took the lead in the second inning when Fitzgerald and Schull coasted across the home pan. In the third Merchant and Beach scored two more tallies with one each in the fourth, fifth and sixth innings. The east scoring its second run in the fifth inning off Fitzgerald, who finished the game for the Boykinites, Braswell and Jackson

#### News Visited By Interested Boys

As a part of the work of Boys' Week, Monday was given over to Business, with the boys being given an opportunity to visit and see at close range the workings of the business of their choice. The News was host to a highly interested group of boys conveyed by R. E. Drennan. The boys were first asked to register and were later given a Linotype slug with their names on each slug. Forms for the cylinder press were then shown the boys, with the press and folder being started to show them the last step in the publication of the News.

A job was on the small presses in the house and the operation of this was shown to the boys. The saw and the cutter were also shown to the boys although only the saw was put through its paces for the benefit of those interested. Just before leaving the shop the boys were each given a scratch pad which demonstrated the action of the cutter and stapler.

Those of the group to visit the News are: A. J. Smith, Arthur Chase, Wilson Kutch, Fred Jackson, Billy Jackson Walker, Joe Jackson, Robert Nichols, Lorn Aubrey Brady, Jimmy Bourland and Randall K. Acord.

#### Art Exhibit Is Most Successful

The most successful of all exhibitions of the handiwork of the art students in the lower grades of the Clarendon Public School system was seen last Friday in the South Ward and Junior High buildings. A conservative estimate places the attendance at 300 interested patrons of the school, who passed through the large room in the Junior High Building and who viewed the work of the three lower grades in their respective rooms in the South Ward building.

The showing was arranged in a tasteful manner with the work of the seven grades separately shown. The walls of one of the class rooms of the Junior High building was literally covered with the work of the fourth to the seventh grades. Four tables had been improvised across the benches in the room and these had hundreds of pieces of work.

The classes of work in the higher fourth grades was found to include cut lettering, water colors, pastel work, pen and ink drawings, studies from objects placed for their benefit, tying and darning, basket weaving, hand work of all sorts, including toys and many other useful articles.

The more elementary work was done in the lower grades, the increased difficulty of the projects being easily seen as the higher grades were reached. The patrons of this work were well pleased with the exhibition and showed their appreciation by giving the workers their special winners will be found elsewhere in this issue.

#### Local Golfers Beat Childress Sunday

Eleven members of the Childress Golf Club invaded the local course last Sunday afternoon and a few hours later were on their way home after losing to the local shooters by a score of 8 to 2 and one tied match. Most of the matches were closely contested and a fine time was enjoyed by all the players.

Players from Memphis and Hedley also were here to play over the course before the Greenbelt Tournament, these entering into the festivities of the afternoon.

O. C. Watson and son, returned last Saturday evening from Dallas, where George had been for treatment. The condition of George is reported as being greatly improved with fine results being seen since his return home.

#### TWILITE LEAGUE OPENS TOMORROW

GROCERS AND FILLING STATION TEAMS WILL PLAY FIRST GAME

Tomorrow afternoon at the new College Park baseball diamond at 6:00 o'clock the new city twilight Baseball League will be blasted open with the first contest being played between the powerful nines of the Filling Station crew and the Grocery Stores. The schedule has been completed for the first half of the city pennant race and will be found in another part of The News. Plans have been completed and teams organized and everything is in readiness for a summer here filled with plenty of amusement. No admission will be charged at any of the regular contests, and it is hoped by the league officials that a large number of the local fans will take advantage of this splendid type of amusement and help put the league over in fine style. Next Tuesday evening at 6:00 o'clock the game will be played between the Gimmers and the Dry Goods teams, other members of the league.

The Gassers will present a formidable nine tomorrow evening with their hurling ace, "Slim" Tidwell, slated to take the mound. Other players will include the Jackson, Tidwell, and Beach clans who will be supplemented by several other players.

The Grocers nine will take the field behind the pitching of Gus Stephenson, with Schull receiving, Braswell at first, Stargel short stop, Conner second, with other positions ably taken care of by Smithy, Kerbow, Rhodes, Bourland, Bain, Dyer, Buck, and several other first class ball players.

The game will be seven innings in length and will likely be called by Wesley Knorp or some other splendid umpire. Don't forget, six o'clock at the College Park and it costs nothing to witness these games.

#### CARS REPORTED STOLEN FROM CLARENDON CITIZENS

Automobile thievery has been on the increase lately with two of Clarendon's citizens being the loser for a few days, although both automobiles have been recovered. Morris was stolen the fore part of the week and was recovered in Amarillo last night.

#### DOUBLE FUNERAL HELD HERE MONDAY

ACCIDENT VICTIMS BURIED  
HERE FROM METHODIST  
CHURCH

Following an accident that claimed the lives of two victims and which injured several others on the highway some distance from Goodnight on last Thursday evening, the funeral services for Mrs. J. Harper and Mrs. Eva Belle Braswell were held here on Monday afternoon from the First Methodist Church. Rev. E. B. Bowen, pastor of this church was the officiating minister. Interment was had in the Citizens Cemetery.

The two victims of the accident were en route to Clarendon from Amarillo, where they had been for a short time making preparations to come here to make their home. The house and furnishings had been made ready and everything was in readiness for the move. The car in which they were riding was practically demolished.

Mrs. J. Harper was born in New Boston, Texas on May 14th, 1877 and was raised and lived all her life in Texas. She was first married to Mr. Muse, later marrying Mr. Harper, December 24th, 1901. The greater part of her life since 1901 was spent in Donley, Hall and Collinsworth Counties, she being counted as one of the pioneers of this section. She and Mr. Harper returned to Clarendon from Washington last October and have lived here since that time. At the time of her death she was a few weeks less than 54 years of age.

The second victim of the accident, Mrs. Eva Belle Braswell, was born in 1906 in Baylor County. She was reared in the Panhandle section of the state and was married to Leonard Braswell in 1923. Four children, Fred, aged seven, Eugene, aged four and Roy, aged two years, are left to mourn the passing of their mother.

Mrs. Harper leaves her husband, J. Harper, who lives here; a son, Lee Muse, and family, also of Clarendon; Mrs. Ruth Fowler and Miss Mae Harper of Oregon; Miss Dovie Harper of Clarendon and Mrs. Annie Shirley of New Boston, Texas. All of these latter named are daughters. Her mother, Mrs. N. L. Swaine, lives at Mount Vernon, Texas, a high hurdles, and Loyd Martin won fourth in the high jump.

Miss Lucille Andis is the third contestant who will make the trip to Austin, she having won her right to make the State Meet at Childress a short time past, winning third place in the Typing contests.

The boys debating team, George Bourland and Bill Woods, were eliminated in the semi-finals.

The entire list of Clarendon contestants showed up well and deserve the compliments of the citizens for their efforts even though some failed to place in the finals.

#### BOY'S WEEK IS ROTARY THEME

Rotarians D. R. Davis brought to mind the opening of the baseball season and announced that the junior league was to have its first game that evening. The club volunteered to furnish the necessary balls to keep the game running smoothly.

Nominations for officers were had and an election will be held May 22nd, the elected officers to serve the last half of the year.

Reports of the District Rotary Convention in Plainview were made by Rotarians C. C. Powell and Cecil Alexander. A wonderful convention embodying a splendid spirit and large attendance was reported by the attending Rotarians.

NICHOLS AND BRADY WIN  
FIRST, HUDSON SECOND  
AT CANYON

Clarendon contestants to the District Interscholastic League Meet at Canyon last Friday and Saturday carried off two first places, one second and one third place. Raymond Nichols received his ticket to the State meet at Austin when he heaved the shot 43 feet and 11 inches for the first place in the event. Carroll Hudson came out second in the 220' low hurdles to receive his transportation to the Capitol city.

Another first place was carried off by Clarendon when Aubrey Brady stepped out and won the Junior Declaration from a large field of contestants. Aubrey, however, is denied the right to go to Austin because the Junior division of the declamation ends with the district finals. F. L. Behrens placed third in the 120 high hurdles, and Loyd Martin won fourth in the high jump.

Miss Lucille Andis is the third contestant who will make the trip to Austin, she having won her right to make the State Meet at Childress a short time past, winning third place in the Typing contests.

### CLARENDON'S INITIAL BOY'S WEEK A SUCCESS

One of the finest movements ever instigated by the citizens of Clarendon is Boy's Week, now in progress in this city. Something like one hundred and fifty local youths have taken part in the activities of the week. One hundred and fifty red blooded American youngsters all taking a splendid amount of interest in the program outlined for their especial benefit.

It was very gratifying to the sponsors and the business men of the city Monday morning to show the future business executives of the city through their various businesses and plants and to explain to the group the inner workings of the different professions.

The local business men as a whole, although apparently busy have the interest of the youngsters at heart and enjoy having the boys visit their places of business and talk with them. If the truth were known we believe the grown ups received a greater kick from the visits Monday than did the boys. A greater amount of such activities between the business men of Clarendon and the boys would do much in the way of greater mutual understanding.

Yes, Boy's Week in Clarendon has been a success—may we have more such get-togethers—it's a fine thing for all concerned.

### ANNUAL CLEAN-UP TIME

The annual City of Clarendon Clean-Up Week has been designated for May 1st to May 10th. This year's Clean-Up period is some thirty days late, but now is a most appropriate time to begin our annual spring dressing up campaign.

Mayor W. P. Cagle today issued his proclamation designating next week as official Clean-Up period for the city, and it is his order and wish that all citizens within the city limits of Clarendon heed the proclamation to the extent that their business and home premises be cleared of all unsightly trash and accumulation. The clean-up weeks in the past have proved to be a great help to the attractiveness of the city, and such is the wish of the officials at this time.

Clarendon is noted for its attractiveness and cleanliness over all of West Texas, so let's all do our part in keeping this reputation heralded throughout the country, and try to do even a better job of it this year. Clarendon is by nature a beautiful city—let's give nature a bit of help and see just what our town can be like.

### WHY HE DID NOT DRINK

Dr. A. C. Mixon tells this pathetic story which is worth its weight in gold, many, many times over again: I read the other day of four young men riding in a pullman car chatting merrily together. At last one of them said, "Boys, I think it's time for drinks. Two of them consented. The other shook his head and said, No, I thank you. What, exclaimed his companions, have you become pious are you going to preach? Do you think you will be a missionary? No, he replied, fellows, I am not specially pious, and I may not become a missionary, but I have determined not to drink another drop, and I will tell you why. I had some business in Chicago with an old pawnbroker, and as I stood before his counter talking about it, there came in a young man about my age, and threw down upon the counter a little bundle. When the pawnbroker opened it, he found it was a pair of baby shoes, with the buttons a trifle worn. The old pawnbroker seemed to have some heart left in him, and he said, 'Look here, you ought not to sell your baby's shoes for drink.' 'Never mind, Cohen, baby is at home dead, and does not need the shoes. Give me ten cents for a drink.' Now fellows, I have a wife and baby at home myself, and when I saw what liquor could do in degrading that husband and father, I made up my mind that, God helping me, not a drop of that infernal stuff would ever pass my lips again."

The recent rains have insured the country of the finest season in a number of years. Practically every drop of water has gone into the ground. A recent trip to the Plains showed a wonderful wheat crop growing to a splendid stand with a brighter outlook than for some time. Everything seems to be breaking right for a fine fall, and as the gardens are coming along well the well worked and over emphasized depression seems headed for the proverbial fade-out act. We're still healthy and are living in the greatest country in the world, among the finest folks God ever made—so why not be glad we're living and throw a little more push behind the movement to brighter times and prosperity?

# A Safe Farm Program

## For Donley County and the Panhandle

### Feed      Food      Credit

The present agricultural conditions and the prospect for the prices of all agricultural commodities in the future suggest that a program of live at home for the farmer is imperative.

We wish to point out to the farmers of this territory that from our viewpoint the time has come when it behooves every farmer to grow his food and feed at home, consisting of fruit, vegetables, poultry, meat and milk, and have these products preserved in sufficient quantities to feed a family at least one year, and a two year supply of feed for all live stock. It is an utter impossibility to produce any one crop (particularly cotton) and meet your obligations. One crop programs have always proved disastrous.

We have no disposition to dictate to our farmer customers but it is our seasoned judgment and experience that unless a live at home policy is adopted harder times are ahead.

Therefore it will be the policy of the following banks to base their farm loans in the future, beginning in 1932, on whether or not the farmer is following the program as outlined above.

This statement is made at this time so farmers may plan their 1931 farming activities accordingly.

BLACKHEADS CAN BE REMOVED WITHOUT BRUISING

Blackheads should never be pressed out, for squeezing injures the delicate skin. Too often the blackhead refuses to respond to this unscientific treatment, leaving the tissue bruised or even broken by the pressure.

Here is a method many women use and find efficacious. Cleanse the face thoroughly with Dorothy Perkins Cream of Roses, a pure cleansing cream, and remove with soft gauze. Next, add enough water to Dorothy Perkins New Plex to soften it, make a paste, and apply lightly. New Plex is as soft and pliable as a cream, contains no gritty matter, and is easy to apply. It bleaches the skin, drawing out blackheads and other impurities and reviving circulation. Leave New Plex on until dry, then remove with a cloth saturated in cool water. Notice how smooth and clear your skin is, with a velvety texture after this application. The complete treatment is contained in "Dorothy Perkins Beauty Book." Come in for your copy.—Littles.

"POWDER IS GOOD BECAUSE IT COOLS THE SKIN AND TAKES UP THE OIL"

So said a professor of dermatology to an audience of fashionable women in St. Louis.

If a woman doesn't use face powder today she is considered careless, uncouth. And today doctors recommend the use of cosmetics. Of course, inferior powders, rouges, etc., irritate the skin, just as do bad soaps. Hence it is important to select a face powder which is made of pure ingredients and which agrees with the particular skin in question.

Dorothy Perkins Face Powder is a pure, smooth, velvety, adhering powder, so skillfully precipitated that it blends with the tone of the complexion and is almost invisible. Imparts a downy, enchanting childlike finish to the face.

# SPORTS SLANTS

By Sam Braswell, Jr.

Who! Say that was some bloody battle Tuesday afternoon at the College Park when the West players slid over the East team for a 7 to 2 win. Everybody enjoyed themselves and the finest thing was the amount turned over to the Cemetery Association Fund. Something over \$77.00 was cleared and this will be a big help toward keeping the grounds beautiful this summer as in the past.

One thing which was seen in the game Tuesday was the high class pitching turned in by the hurlers. Looks like the Grocery team will have a capable throwing staff in this city league, as will the other teams. Congratulations to Mr. Boykin on his team's victory. May there be another such contest soon.

Well, Customers, tomorrow (Friday) will see the opening game of the new city twilight league at the College Park at 6 o'clock. The Filling Station Gassers are scheduled to tangle up in a classic struggle with the Grocery Prune-Peddlers in the city curtain raiser. Each of the clubs boast of a strong and capable roster of players, and both are ranked as favorites to cop the city championship. A hurling duel is the prospect of tomorrow's game with Stephenson, Dyer and Braswell stacking their talents against the Gassers' ace, "Slim" Tidwell and Beach. No admission will be charged to any of the regular twilight league games and a good crowd is anticipated for the inauguration of the new city circuit in Clarendon.

Come out tomorrow afternoon and see a first class ball game between two splendid teams, and help the teams off to a good start. On next Tuesday afternoon at the same time the other two nines representing the Dry Goods Stores and the Gins will get into action and try to keep their standing at the top of the heap.

The project is going over and going over big so lets all get behind it and have some real entertainment this summer.

On next Thursday evening beginning at 7:30 o'clock in the American Legion Hall a county-wide domino tournament will be held to determine the champions of this county in the great old game. The tournament is under the supervision of the Cornwallis Domino Club of this city and appropriate awards will be made to the individual champion and to the team winning the doubles championship. A small entrance fee will be charged the players, the money to be spent for the winner's prizes. All domino players in Clarendon and Donley County are expected to enter the big tourney—so all you sharks be sure and make your arrangements to be present so there will be no question as to who is the big he after next Thursday night. All Entrants leave their names at the Rexall Store or the Clarendon News before next Thursday.

The baseball situation is settling down in the Texas and American Leagues, but the National circuit is having a harder time in becoming straightened out. As we predicted the Fort Worth Kittens are in there clawing for their second straight pennant and at present are enjoying a rather comfortable lead for this early stage of the grind. After soundly spanking the Spuders they have continued to slaughter the Dallas Steers and prolong the losing streak of the Shreveport cellerites. It looks like a great year for the Cats, although Houston and Wichita Falls are bound to pick up some

of their lost stride in the next few weeks of the season. Now that Babe Ruth is out due to injuries, the Yankees are slipping with Washington and Philadelphia hoisting their positions and averages. Cleveland is due to crack against harder competition and will soon hit the to-boggan.

The big surprise of the season in the senior league was the position of Boston this week at head of the standing. The Braves have been getting some excellent pitching and have been murder at the plate. Their pace has been too abnormal for the bean town entry and will undoubtedly hand the lead back to the rightful owners—the Cardinals and the Cubs. The big disappointment has been the failure of the Brooklyn Robins to beat anybody so far this year, however they are sure to make a come-back soon.

It was a clever move of Memphis' when she had Clarendon switched over into the football division with Shamrock and Wellington which left the Cyclones with such powerful competition as Turkey and Estelline to overcome before playing the winner of the Bronco, Irishmen, Tigers and Skyrrocket decision.

Several weeks ago Memphis' sportsmen made out the plan of the new division with Clarendon, Wellington, and Shamrock in the same section, but officials graciously declined the suggestion and placed the Bronchos and Cyclones in the same division—evening up the power between the two sections. Last week the Memphis crew held a meeting and transferred Clarendon into the north group, and announced the decision legally closed.

However, Supt. Burton, who is chairman of the Committee was not present and declares the action not official and the divisions will not be changed as Memphis had anticipated. Official action is expected in the near future.

Clarendon doesn't want out of Memphis' section nearly as bad as the Cyclones wish the Bronchos removed from their half of the section, and all efforts are being made to keep the Bronchos battling the Cyclones as in the past.

While it is a little early to begin talking of football, we should like for all the fans to get in behind the Bronchos and start pulling for them to win the district next year. The Brones are going to have a powerful team next year and with a little encouragement coaches Frank Stocking and John Hutton will place a wonderful eleven on the gridiron to carry the colors of the Maroon and White. The coaches have the material, now lets give them the backing they deserve. They do their work cheerfully and with no financial returns—so lets all return a lot of co-operation for their untiring efforts.

The junior baseball league has played its first game with the Stephenson coached nine of the west side defeating the Dyerites from the east side 5 to 4 last Friday afternoon at the Junior High School diamond. The youngsters are playing a fine band of ball this year and their games will be of interest to a great number

### JUDGING OF HOME ECONOMIC DRESSES

Saturday morning, April 25, all of the Home Economic girls assembled in the Home Economic Department to have their dresses judged by two judges, Miss Crowley of Memphis High School Home Economics Department and Mrs. Harry De Laney, formerly of Esteline Home Economics Department.

There were about eighty girls that took part in this affair. After the decision it was found third. In second year, which was simple wash dresses that Jo Ellen Stewart won first; Lois LaFon, second; and Clynell Gilbert, third. In second year, which was a tailored or sport suit, Gladys McCroxy, Dorothy Jo Taylor, Viola Jones and Carol Holder all placed. In third year, which was an evening dress or special occasion dress, Martha Thomas, Carol Holder and Josephine Murphy all placed.

We are proud to say that the three first places will be sent to Lubbock for the state clothing contest April 30.

Lubbock Chamber of Commerce has been sending us advanced greetings and convention plans. Included in these are a drive about the city followed by a tea at the Practice Cottage at Tech. A free picture show and banquet are also treats in store for the delegates, and 1000 girls from all over the state are expected.

### BAND NOTES

Adhering to the usual custom, the band will give a concert on Kearney Street Saturday afternoon. This concert is given in preparation for the trip to Pampa next week. Special rehearsals have been called and all members are urged to be present.

Since Gus has been directing the band here the members have found how very useful cows are. They make a noise like a saxophone and give milk, too.

### CANYON DISTRICT MEET

Our old C. H. S. was well represented at Canyon this year both in literary and track events. The track team won fifth in the meet.

### LITERARY EVENTS

**Junior Declamation**—George Chamberlain and Aubrey Brady. George did not have as good luck as did Aubrey for he did not place in the finals. Aubrey represented the spirit of the school and won first place.

### Debate

Girls—Ruth Price and Delphia Bones. The girls drew a "by" first and did not have to debate any one. On the second round however they were defeated by Hereford with two to one decision. Amarillo and Pollett went to the finals and Amarillo won.

Boys—George Bourland and Bill Wood. The boys drew a "by" first and did not have to debate. On the second round they defeated Pampa by all three votes and thereby going to the semifinals where they lost to Lazbuddy by two to one. Lazbuddy and Amarillo were the contestants in the finals and Amarillo won.

### HIGH SCHOOL HOME ECONOMICS MARKET

Last Saturday, April 25, the Home Economics girls had a market. They donated and dressed chickens. They sold quite a quantity of potato salad which they made themselves. Eggs and butter were also donated. The proceeds will go towards defraying the expenses of the girls who won first places in Saturday's judging to the State Educational Rally to be held in Lubbock, April 30 to May 2. Having the heaviest sale in dressed chickens, they are considering doing a poultry business next year.

### TYPING TEAM TO CANYON

Mr. Wells took his typing team, Lucille Andis and Jonnie D. Latson, to Canyon Friday to participate in the district meet. They left here about 9 o'clock, but because of slippery roads they were unable to get to Canyon until 12 o'clock. The contest was held at 1:00, and at 5 o'clock the winners were announced. In individuals Pampa won first, Amarillo second and Plainview third. In the team work, the Clarendon team won first, but because of the fact that they went to Childress they forfeited their rights to Amarillo.

On Thursday night the Home Economics Girls presented their annual style show. This is two fold in purpose. It shows the public the work of the classes in Home Economics and also the means of financing the delegates to the State Contest.

James Smith in his memories of sweethearts of the past was much enjoyed.

### JUDGE A. T. COLE SPEAKER IN CHAPEL

Wednesday morning Judge A. T. Cole addressed a gathering of high school and college boys in the college auditorium. The subject under discussion embraced the following terms: "plan your future life so that it will not be a disappointment." Following this the "speaker explained how that future life might be accomplished. In bringing out this accomplishment, in his speech, he alluded to a strong arm, a clear head, and a brave heart, as factors necessary to a life of success.

In order to make his point more practical, the speaker mentioned various and sundry personal experiences which were well calculated to form a lasting impression on the mind's of the boys. "Avoid being a man with the brain of a fifteen year old boy" will long remain in the minds of those present.

### T. C. U. CO-EDS COMMENT ON AGGIE'S CHOICE

FORT WORTH, April 28.—They certainly have high ideals; I wish I could live up to all of them.

This is the opinion of the majority of the girls of Jarvis Hall, Texas Christian University, when asked to comment concerning the "Ideal Girl" as selected by the boys of Texas A. & M.

The Aggie student body set up those standards for the Ideal Girl: She is a brunette, doesn't smoke, doesn't drink, doesn't swear, a smart dresser but economical, uses cosmetics, loves bridge and is a good mixer, loves children and her home, knows how to cook, comes of a good family, and is younger than her sweetheart.

The blondes and red-heads are not so keen about the "brunette" requirement. "It's not the color of a girl's hair or her beauty,

#### "EXCUSES"

One cannot fail to notice that, when asked for reasons why decision for Christ is delayed, or so few make shrdelutaoiGasss Christian work unattended to, so few make any frank confession of fault. Replies are usually of the nature of the excuse of the man in the parable: "I have bought a field, and I must needs go and see it; I pray thee have me excused." (Luke 14:18). So what is optimal is raised to the level of positive duty. A man wants to go that way instead of answering the call of Christ, so the wish is the father to the thought, and the excuse is offered "I must needs go."

It can scarcely be said that by callous wickedness men usually exclude themselves from the Kingdom of Christ, or neglect Christian duties. The more common reason is careless indifference. The affairs of the world are pressing. Men hear the divine summons, "Go work in my vineyard", but there are other calls they hear; there is other work to do.

Never yet was a good excuse that counts," says one of these. "It's her personality."

"That may be their paper ideal, but I'll be willing to bet not one out of ten would go with that type of girl," commented a scoffing co-ed.

More typical, however, was the comment: "I think the ideals set forth in the Aggie's choice are those held by ever worth while boy, and I believe a boy looks for those qualities in the girl he goes with."

### Our Weekly Church Chat

#### "EXCUSES"

Knowing that that day is coming we plead with men to be ready for it when it dawns. "OUR HOPE IN THE EVIL DAY" will be our subject Sunday morning, we feel sure you will like this one, so don't miss it. "THE WORLD WITHOUT AN EXCUSE" will be our evening subject, this will be of great interest to every one, especially the excuse maker! Come out and see what we have in store for those who make excuses. WE WANT YOU PRESENT.—W. E. FERRELL, Minister, First Christian Church, Clarendon, Texas.

offered for indifference to the claims of Christ, or the neglect of Christian duty. Men need to realize that to accept Christ and serve Him is the greatest business of life. "Seek ye FIRST His kingdom and his righteousness; and all these things shall be added unto you." (Matt. 6:23). Attention needs diverting from self, one's feelings, business or pleasure, and turned to the consideration of the reasonableness of religious requirements. Men need frequent reminders that with every pulse-beat they are getting worse; every breath is bringing them nearer to life's close. The last call will soon be heard; then, if they still have excuse to offer, they shall be numbered with the rejected. "For I say unto you, that none of those men which were hidden shall taste of my supper," (Luke 14:24). Those without the wedding garment, will be speechless. (Matt. 22:12). Those who reject Christ and His gospel will be without excuse. (Rom. 1:20) when He comes for His bride.

When Italo Pardini of San Francisco opened his butcher shop one morning, he found the following note left by thieves: "Here's your receipt for what we have taken, so you can keep your accounts straight."

**S. M. U. to Play St. Mary's Team Dec. 5**

SAN FRANCISCO, April 29.—St. Mary's College will meet the Southern Methodist University Mustangs of Dallas in an inter-sectional football game here Dec. 5. Louis LeFevre, graduate manager of St. Mary's, said Wednesday it would be a charity game for the benefit of the Children's Hospital of San Francisco. It will be the first appearance in this section of the Texans. St. Mary's, coached by Ed P. (Ship) Madigan, former associate of the late Knute Rockne, won recognition last year by winning a sensational game from the previously undefeated Fordham team, 20 to 12. The Southern Methodist game will be the first San Francisco meeting of representative eleven from the South and West.

T. M. Pyle and M. W. Mosely returned Saturday from a judicial trip to El Paso, having gone to that city the previous Tuesday. While there visits were made to the Mexican metropolis across the river.

The Rev. L. L. Swan has returned from Dallas where last Sunday he represented the District of North Texas in present-

ing Mr. Warwick Ackin to the Sacred Order of Deacons, the ordination taking place at "The Church of the Incarnation" with Bishop E. C. Seaman as the officiant.

Mr. and Mrs. D. P. Ross of Amarillo visited with old friends and

relatives in this city the fore part of the week.

Miss Eva Bowman of Phoenix, Arizona, was a visitor in the home of her aunt, Mrs. Frank Brown, the early part of this week.
