were standing "three feet in the railroad station," that a "lumber yard had washed away," and this \$ 330,853,925.00 flood was similar to the one three years ago "in which two persons were drowned.' Another account stated that the water in flood times often stood at the "top of counters in Clarendon business houses.' After reading such flights of Baronial Munchausenry, one would not have, been surprised to read that the Perhaps the water was stading nine feet above the weathervane on the courthouse. Now such reports cannot but damage HOME the reputation of Clarendon for be ing the most desirable place to live in the entire Panhandle. There is certainly some way in which to certainly some way in which to stop the spreading of such damag-ing publicity. If a strong letter of protest to the daily press will not bring it to an end, then the next step would be a new departure in jufisprudence—a suft brought by the Clarendon Chamber of Commerce against certain state dailies for damages for the publication of faise reports against the dignity and good name of the City of Claren-dem. Let us have no more of it. A. M. BEVILLE

WHITE POPULATION pared with ten years ago. The total population of the State, 4, 663,228, is an increase of 866,686 The negro population of Texas as shown by figures from the Bureau of the Census numbers 741,723, an increase of 51,674 during the tenyear period. Indians to the number of 2,110 are an increase of 1,408; Chinese 776, an increase of 181; Japanese 449, an increase of 109, while all other races in the State numbered 34, which was an increase of twenty-six during the

ten-year period. Mexicans are list-ed as "white." Indians Show Decrease

traces of Indian blood. Of the Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complex-ions; instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complex-ions; instead of the multitudes of "nerve wrecks," "rundown," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere. An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a tea-spoonful of limestone phosphate in it to wash from the stomach, liver, kid-neys and ten yards of bowels the pre-vious day's indigestible waste, sour fermentations and poisons, thus cleaning, sweetening and freshening the entire alimentary canal before

Negroes Decrease in South While the greatest number of negroes reside in Southern States its percentage of increase in this race is far less than that for the North and West. In the South there are nearly 9,000,000 negroes, an increase of less than 2 per cent compared with 1910. In Northern States there are 1,472,000, an in-crease of 43.3 per cent, and in the West 78,591, an increase of 55 per cent. A. R. Letts was a business visitor

the quality cigarette

BECAUSE we put the utmost quality into this one brand. Cameis are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Cameis the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper -secure foil wrapping-revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember-you must pay their extra cost or get lowered quality. If you want the smoothest, mellowest, mildest cigarette you can imagine-and one entirely free from cigaretty aftertaste,

Cigar Races

It's Camels for you.

ANOTHER CLARENDON CASE | PRESBYTERIAN CHURCH

It Proves That There's A Way Out Many Suffering Clarendon Folks

With the end of the June rain period, the growth of report of a case in unsightly vegetation was everydon. Another typical case. where to be observed. It was in Kidney ailments relieved in Claren-don with Doan's Kidney Pills. L. L. Taylor, proprietor of blacksmith shop, First St., Clarendon, gave the following statement on January 24th, 1911. "I had a lame back and the pain across my kid-neys was so bad it was difficult to straighten up. Every time I bent over, sharp twinges would shoot through my back. I had heard offer big prizes to those who would about Doan's Kidney Pills, so I offer big prizes to those who would gather the most trash and destroy All of us cherish the illusion that speed. it. But the fact that so many I can vouch for Doan's becitizens and organizations act cause I had not used a whole box cause I had not used a whole box before I was at work again. Doan's for the fact that Clarendon is known drove the pain and lameners away."

NO TROUBLE SINCE On April 29th, 1919 Mr. Taylor added: "I have had no further kidadded: "I have had no further kid-ney trouble since Doan's Kidney Pills cured me, and I praise them just as much today as when I first endorsed them. The cure Doan's gave me has lasted."
