

LEAGUE ASSEMBLY IS LARGEST EVER

NEAR THREE HUNDRED REPRESENTATIVES FROM N. W. TEXAS ARE HERE.

Two hundred seventy representatives of the Epworth Leagues of Northwest Texas are being entertained in Clarendon College this week. Members in charge of the event state that this is the largest attendance ever recorded for an assembly of this nature that has been held in this section of the state. The dormitories at the college are overflowing with tenants and many homes in the city have been pressed into service to care for the extra number that have come here for the six-day program.

The program as outlined in the last week's issue of The News is being carried to a successful conclusion. The Clarendon band met with them Monday evening and opened the program for the first night. At that time only a few more than two hundred had arrived on the scene of action and matters were comparatively easy for the folk in charge of caring for the delegates. The additions to the delegation were cared for through the efforts of Mrs. Lester Boykin and her corps of workers with the League work in Clarendon.

With very few exceptions the faculty is here and doing the work as scheduled in the last issue of The News. Some minor changes have been effected that have added much to the enjoyment of the occasion.

The Leaguers have had a full day's program ever since their arrival in the city. Their day starts with the morning watch at 6:30 in the morning and closes with the evangelistic services in the evening. These services are being conducted by Rev. Virgil Fisher of Amarillo and are attracting a great deal of attention from the persons attending.

The afternoons are given over to recreations of a various nature. Tuesday afternoon there was a baseball game between the clubs and the laymen. This elicited much fun and enthusiasm from those in attendance and assisted materially in passing away the afternoon. Wednesday afternoon, a series of socials were held in the dormitory, each room being made to contain a specific sort of social event. This afternoon, the Leaguers will journey to the Country Club grounds, where they will be entertained with a number of outdoor games and where they will be the recipients of a picnic spread on the grounds of the club.

Much fun and hilarity is expected for this occasion. Friday afternoon will see the close of the program so far as the entertainment is concerned. Friday afternoon will be turned to the stunts of the various districts and to the business sessions of the assembly. New officers will be selected and other matters of business will be completed at that time.

To date, the event has been a great success and the leaders of the conference are well pleased with the results obtained from the session. The final results of the assembly will be carried in the next issue of The News.

Mrs. H. R. Phillips and children Carolyn, Sue, Alice, and Iris, of Rotan were guests of Mr. and Mrs. Sam M. Braswell from Friday till Wednesday. Mrs. Phillips is a sister-in-law of Mrs. Braswell.

S. B. Carter of McLean was in Clarendon Monday, attending to business matters.

LIONS BENEFIT MONDAY EVENING

SPECIAL PROGRAM TO BE PRESENTED IN PASTIME WITH REGULAR SHOW.

The Clarendon Lions will present a selection of extra numbers on the Pastime program Tuesday evening of next week for the benefit program that will be given there at that time.

The Clarendon Municipal Band will present some numbers, as will the Barber Shon quartette. Miss Mary Jo Chamberlain will read and the entire program is expected to be one that will be greatly enjoyed. The picture will be one of Milton Sills' productions and is calculated to be a good one.

The proceeds of the program will be used to defray a part of the expenses of the delegate to the National Convention of the Lions International Convention that meets in the middle of the month of June.

Mrs. M. T. Crabtree and daughters, Misses Josephine and Olive, are in Wichita Falls this week, visiting friends and relatives.

JOINT CONCERT OF BANDS SATURDAY

CLARENDON BAND WILL JOIN HARLEY SADLER BAND IN CONCERT SATURDAY, 6:30.

A joint band concert will be presented Saturday afternoon at 6:30 by the Clarendon Municipal Band and Harley Sadler Band, on the lawn before the Sadler tent at the head of Kearney street. This arrangement was perfected Wednesday and will afford an opportunity for Clarendon and Donley County people to hear a fifty piece band consisting of some of the crack musicians of West Texas. Bandmasters Lindsey and Baker are arranging a program of unusual excellence and the concert will last for one hour.

The public is cordially invited and parking space will be at a premium.

PIONEER RESIDENT OF COUNTY BURIED TODAY IN HEDLEY

Friends of Mr. T. C. Johnson of Giles, one of the pioneer citizens of Donley County and one of the most prosperous and prominent farmers of the Giles section will be grieved to learn of his death at his home near Giles early Wednesday morning. Funeral services were held in Hedley this morning at 10:00 o'clock.

Mr. Johnson was a native of the state of Alabama, coming to Texas some twenty years ago and has made his home here since that time. Mr. Johnson was one of the leaders in his community and they will feel a distinct loss his untimely passing. He was 58 years of age at the time of his death.

Surviving him are seven children and the widow, Mrs. T. C. Johnson. T. E. Johnson is editor of the Amarillo Daily News and is a resident of Amarillo. Besides him, Miss Ruth Johnson and Haywood Johnson are also residents of Memphis; Charles Johnson, Jr., and Zelma Johnson make their home in Giles; and Mrs. Basil Frisbee is a resident of Carey.

The many friends of the family are joined by The News in offering sympathy to the bereaved family in the time of their great loss.

MRS. ELLA S. COLE MAKES SECOND OFFICIAL VISIT

Mrs. Ella S. Cole, successfully conducted a six day cooking school in Clarendon several weeks ago, was in the city this first day of the week, doing follow up work. Mrs. Cole specializes in electrical cookery.

During her second visit to Clarendon, Mrs. Cole was guest in the home of Mr. and Mrs. Bill Greene.

A-T PROSPECTS NEVER BETTER

CONTRACT DEPTH IS REACHED. PLANS UNDER WAY TO MAKE FURTHER DEPTH.

Cuttings carried to Amarillo geologists the latter part of last week near Goldston indicate that from the last work done in the A-T there is a splendid opportunity to make a well. Drilling operations have been hampered to some extent for the past few weeks by lack of water. Their supply has been hauled from nearby supplies, but not sufficient has been available to allow for more than one shift per day.

Drilling was stopped at the contract depth of 3500 feet, and will be held at that point for a short time pending the addition of more funds to complete the well to production. Further plans of the drillers will be announced when they are made public.

A granite wash formation was the last formation seen when the drilling operations were stopped. This has been the same for the last few weeks work on the well and the geologists state that they should in no condition stop the work when the well is so near the production stage.

LEON LEWIS, JR., TO WORK IN STATE BANKING DEPARTMENT

Leon O. Lewis, Jr., son of Mr. and Mrs. L. O. Lewis of this city, has accepted a position with the State Banking Department for the summer months. Leon has been a student in the Business Administration School of the University of Texas for the past two years and has made a very excellent record in his work. He is a member of two honorary business administration fraternities. Before entering the University, he was with the First National Bank of this city.

Leon will re-enter the University next fall and will complete his work toward his degree. He is to be congratulated on receiving the position with the State Banking Department. Only students of marked ability are given such employment.

CLARENDON BANKERS ATTEND ASSOCIATION MEETING, 25TH.

The Four County Bankers' Association met in Memphis Wednesday, May 25th, with a large attendance and unusually good interest. Banking conditions in the four counties, Childress, Collingsworth, Donley and Hall, were discussed in the program. A banquet was given for the visitors and was greatly enjoyed by all those present. Other entertainment features were given for the ladies who made the trip.

Clarendon people who attended the meeting were as follows: Mr. and Mrs. Holman Kennedy, Mr. and Mrs. Roy Clayton, Miss Mammie Graves, Clifford Allison, Jack SoRelle, Miss Elizabeth Morris, J. D. Swift, W. W. Taylor, and Kelly Chamberlain.

W. T. Clifford, who has been seriously ill for several days, was taken to a Ft. Worth sanitarium Saturday night. At last report from his relatives who accompanied him, he was somewhat better.

Mr. and Mrs. M. M. Noble have as their guests this week, Mr. and Mrs. S. L. Rannels and their son, Joe Neal, of Center, Texas. They arrived Wednesday.

Mrs. R. R. Burnett and little daughter, Martine, of Oklahoma City, are guests of Mrs. Burnett's mother, Mrs. E. W. Bromley.

PLANS FOR SCHOOL NOT ABANDONED

STATEMENT ISSUED TUESDAY TO CORRECT PUBLICATIONS EARLY IN WEEK.

The following article, clipped from the Amarillo Daily News-Globe of Wednesday of this week, is an answer to a statement carried in that paper of Tuesday. Some erroneous statements were made and Rev. Pearce is correcting these in so far as is possible. The article follows:

With a meeting between church and citizens' committees called here for next Tuesday, it was declared yesterday that plans for establishing the Methodist college in Amarillo have not been abandoned.

Dr. W. M. Pearce of Amarillo, chairman of the local committee, issued a statement from Clarendon emphatically denying plans for bringing the school here had been cast aside, and announcing the meeting in Amarillo Tuesday when local committees, church officials and Bishop John M. Moore of Dallas will confer on the future status of the college.

A statement out of Clarendon Monday to the effect that the college faculty had been released was President R. E. L. Morgan was planning to go to Oklahoma, prompted the statement from Dr. Pearce, who was in Clarendon in conference with President Morgan and others.

Dr. Pearce is chairman of the Amarillo committee which has been busy on a financial program for the school. The Rev. O. U. Clark of Vernon, chairman of the conference commission, will attend Tuesday's meeting, it was said.

Dr. Pearce said the report from Clarendon that the property of the college had been disposed of and the faculty dismissed was correct in part, but that it did not mean abandonment of plans for moving the school here.

All members of the faculty excepting President Morgan and Miss Moon, registrar and secretary, were released recently when it was seen the new school could not be opened in Amarillo this fall. Dr. Pearce said, "that does not mean we are not going ahead with plans for establishing the Amarillo college," he declared.

The meeting here Tuesday will be to hear reports from Amarillo business men who have been working on propositions to finance the school.

President Morgan declared he had no thought of resigning and that he would move to Amarillo within a week or two to be permanently located in order that he might take up his new work here.

Buildings of the Clarendon College have been placed on sale, and part of the property has been bought by the Clarendon public school system.

Out of the proceeds the conference will return \$21,000 to Clarendon citizens who made donations to the college two years ago, it was said.

MARTIN GIRLS' CLUB HAS INTERESTING MEETING.

The Girls Club of the Martin community held an interesting meeting Monday afternoon, in the home of Miss La Veda Wood. There were fifteen girls present, including four new members. The work of the day was a study of caps and aprons to be worn in cooking.

Plans were made for a picnic to be held next Thursday afternoon. The next meeting will be held in the home of Miss Mildred Pittman. The club will study pick breads and cream soups at that time.

FINAL PROGRAM C. C. GIVEN 30TH

CLARENDON COLLEGE CONFERS D. D. ON DR. SLOVER IN LAST COMMENCEMENT.

The usual spirit of happiness and gaiety which is associated with commencement and which has prevailed on this occasion at Clarendon College for twenty-eight years was utterly lacking in the twentieth and final commencement. The feeling that might be expected on the ending of twenty-nine years of effort was in evidence at each of the series of six programs which brought to a close the pioneer school of the Panhandle.

The graduating exercises for the academy division of the College were held Wednesday evening, May 25th. Reverend Gaston Foote of White Deer, a former student of the school, delivered a fine address to fourteen members of the class. Following his talk, Dean S. H. Condon presented diplomas to the five Eva Smith, Mildred True, Lora Ball, Ruth Laney, Pearl Gardner, Mildred Harp, Opal Dickett, Irl Smith, Jack Jarrell, Annie Mae Hanks, D. R. Thompson, Wilma Jarrell, Walter Parker, victims.

The program presented at the Methodist Church Thursday evening by the music department, under the direction of Dean Grover C. Morris, was received with enjoyment and enthusiasm by all those present. A varied and interesting program was presented by Miss Mary Katherine Headrick, piano; Russell Paige, tenor, and Richard Spiller, violin.

The Bernhard Players made their last appearance Friday evening, presenting two one-act plays. The really excellent acting and direction of these plays reflected credit to the talented young players and to their master coach, Mike Nell Parker. The first of the plays, "Parable of the Sower," was a comedy of very original plot. Miss Martha Blackburn and Cliff Hines proved to be a real team in playing this, Miss Blackburn directing. The second play was also good. It was presented by several other very talented members of the club: LeRoy Hodges, Chester Strickland, Lorraine Patrick and Texanna Kessler. This play, entitled "Rats," was directed by Miss Patrick. The Carl Venth Quintette, Mrs. Lester Boykin director, furnished an orchestra music between acts, adding much to the pleasure of the occasion. The house was well filled for this program.

The long and heated rivalry between the Panhandle and Addisonian Literary Societies was brought to an anti-climatic end Saturday evening. The speakers for the two societies, Clifford Osborn and Therman Harris and John Loftin for the Pans, were all good speakers and presented forceful arguments pro and con the modification of the Volstead Act. The Pans won in defending the present law.

The baccalaureate sermon was delivered Sunday morning by the Reverend W. M. Pierce of Amarillo and was heard by a large crowd. Reverend Pierce talked on the subject of taking a correct measure of one's own capabilities, emphasizing the danger of over rating one's own importance. The regular choir of the church furnished special music for the occasion. Dr. R. E. L. Morgan delivered a sermon to the under graduates at the Sunday evening service. The choir again furnished special music.

The final program was held at the College at ten o'clock Monday morning, at which time Clarendon College presented its first, last, and only B. A. degrees to nineteen graduates. The sad news of farewell burses, the atmosphere throughout the exercises, lifting on when Dr. Morgan, on behalf of the school, conferred the D. D. degree on Dr. G. S. Slover, President Emeritus; at that point the audience grew really enthusiastic. The Honorable Marvin Jones, Congressman from this district, delivered a splendid address, full of thought and inspiration. At the conclusion of the address, Dr. Morgan presented the diplomas and introduced the honor graduates, John Loftin and Therman Harris, first and second, respectively, and Miss Thelma Lowe, first of the girls. The conferring of Mrs. Jones's degree followed. Music for this program included a piano solo by Miss Julia Dean and the hymn, "Blest Be the Tie That Binds," sung by the audience. The invocation was made by Reverend Dr. Slover. The benediction was pronounced by Dr. Slover.

The following graduates composed the class of 1927: Carolyn Laney, Carolyn Bradley, Thelma Lowe, Ola Watts, Muriel Galloway, John Loftin, Mrs. W. T. Lackey, Mildred Clayton, Margaret Goldson, Russell Paige, Therman Harris, Julia Dean, Gwilt Roper, Willard A. Lewis, Linnie Waldron-Naylor, W. A. Clark, Jr., Ralph Randal, Arlie Carpenter, and W. V. Thomason.

W. C. Cren of Alanreed was a business visitor in the city Monday.

CLARENDON BOY SCOUTS GO TO CAMP WARNER.

Field Executive Edmond Knittle left the city Tuesday with a number of Clarendon Boy Scouts, bound for Camp Warner near Claude, to spend several days in out-door sports. The Scout camp, named for the donors of the land, Dr. and Mrs. Warner of Claude, was made possible by the gifts of people who are interested in scouting. A lodge and a hospital, a library, a swimming pool, and a great expanse of beautiful canyon provide for both pleasure and safety in Camp Warner. The boys are expecting a great time.

G. G. Kemp, owner and manager of the Clarendon Motor Company, furnished transportation for all boys who wished to go from this city. The following left Tuesday: Robert Green, Henry Wilder, O. C. Watson, Jr., Eugene Estlack, and Frank Adams. Names of others who have gone or who go in the next few days will be published later.

Work on the Scout membership drive, to enlist the services and support of business men and to establish the Panhandle Boy Scout Foundation, will be continued. At the present \$509 have been donated by Clarendon men.

Mr. and Mrs. Charles Corder of the Sunnyview community are parents of a son, born in Amarillo, Tuesday, May 31.

LIONS LUNCHEON IS GREAT EVENT

PRESENCE OF SADLER ENTERTAINERS MAKES THE HOUR PASS TOO QUICKLY.

Interest in the Clarendon Lions was at its height Tuesday of this week when the members and their guests met for the regular luncheon in the banquet room of the Antro Hotel. Some of the members were out of the city on business matters and the attendance was correspondingly small, but the enthusiasm of the gathering more than made up for the lack of numbers.

The members who made the trip to McAllen are recovering from their lapse of mind and have sufficiently recovered to be themselves again. The Boss Lion made his concluding reports that was deferred from last week and was received with acclaim by the Lions. He was visibly confused when one of the visiting Lions asked him concerning the payment of a certain debt incurred while on the trip to the city of McAllen.

The Boss Lion told the club of many things heard at McAllen that would be fine if they were adopted by the local organization. These things he passed to the president that is to be placed in the chair in the coming few weeks.

Couch Boykin, the new Secretary of the Chamber of Commerce made explanation of some publicity that has been received by Clarendon in the past few days. The Chamber of Commerce asks that this be overlooked since they have no knowledge of the matter.

Next came the introduction of guests for the day. Messrs. Gwilt Roper and John Edmonson were introduced as from Clarendon. The Sadler entertainers were then introduced after the owner of the show was called to the floor. They were: Ralph Baker, Howard Hack, Bartley Couch, Joseph Gofford and Harry Goldie. These were the troop that was held in the background ready for the entertainment of the Lions.

Mr. Hack gave as the first number a whistling solo. He gave the ever popular "Glowworm" as his selection. He was accompanied on the piano by Mr. Baker. Mr. Hack was later called to the floor and gave a very interesting and difficult clog dance that elicited many cheers from the Lions. Harry Goldie then favored the club with a vocal solo, with his own accompaniment on the ukulele. His forte is yodeling, and he is a past master in the art of making his voice do what he wants it to do. Bartley Couch is also a past master on the tenor banjo, showing the Lions how to make the instrument talk in his hands. His reading and song were also greatly enjoyed by the members. A duet with Joseph Gofford on the violin and Bart Couch with the banjo made the room ring with cheers when they had finished. The final number on their program was a duet by Harry Goldie and Bert Couch playing their own accompaniment and singing a Hawaiian song. The presence of these folks from the show was much appreciated by the entire gathering of the Lions.

A committee report from the members named last week to find a candidate for the Miami convention trip stated that arrangements had been completed for a benefit on next Monday evening in the Pastime Theater with some extra features involved. Boss Lion Watson was the man named by the committee to make the trip.

Adjournment in the usual manner.

MARVIN JONES TO VOCATIONAL CLASS SPEAK JUNE 27TH MAKES BIG RECORD

REPRESENTATIVE FROM THIS DISTRICT WILL APPEAR FIRST EVENING OF MEET.

The committee in charge of arrangements for the Colorado-to-Gulf Highway meeting, to be held here June 27 and 28, has received notice from Hon. Marvin Jones that he will appear on the first evening's program for a speech. Mr. Jones is very popular in this section of the state and he will no doubt make a distinct hit with those who hear him on that occasion.

Plans for the meeting are being completed as rapidly as possible and the programs will be ready for release to the press within a few days time. The program of entertainment will include a barbecue and swim at the Clarendon Country Club and a golf tournament at the Hillcroft Golf Club grounds. On Tuesday, there will be three luncheons held simultaneously to care for the crowds that are present for that event.

Ex-President Chase and the Chamber of Commerce officials are working on the program and expect to have something that will draw the largest attendance ever seen at one of these meetings.

PARSONS BROTHERS INSTALL PRESS THIS WEEK

One of the latest model presses made in this country, one that is applied especially to ladies clothing and the lighter apparel of men was installed in their place of business as if a flat-iron were used. One of the innovations found on this press is the lack of a cloth on the upper pressing buck. In the stead of a cloth, there is a fine gauze screen that takes the place of the cloth. This screen can be removed and the press will give the same results as if a flat-iron were used. The upper buck being heavily nicked and plated on the lower side and as smooth as the iron would be.

Mrs. Manly Ozier and her small son, Edward Blair, left this morning, after an extended visit in the home of Mr. and Mrs. E. M. Bozier. Before returning to their home at Brownwood, they will visit in Wichita Falls and Dallas.

Miss Susie Patterson arrived Friday evening from Wichita Falls, where she teaches, to visit her parents, Mr. and Mrs. G. S. Patterson. She left again Tuesday evening for Kenton, Tennessee, to visit her sister, Mrs. Leo Rippey.

KILLOUGH GOES TO HOUSTON MEETING

LOCAL SECRETARY-TREASURER ATTENDED CONVENTION OF FEDERAL LAND BANK.

The National Farm Loan Association of Clarendon was represented in Houston last week, May 18-20, at the celebration of the first ten years of service to Texas farmers and agriculture by the Federal Farm Loan Bank located in that city and the 350 National Farm Loan Associations in the State by Secretary-Treasurer C. E. Killough. In the last decade the lending agency which these officials represent has made more than 50,000 loans amounting to approximately \$156,000,000.

The Clarendon National Farm Loan Association has been operated for the past five years and have closed ninety six loans aggregating \$400,000.00, all of which has been applied to take up loans on farms and ranches in Donley County.

The subject of terracing farm lands was given a good deal of thought since in some parts of the State it is a paramount issue and one which vitally affects the Federal Land Bank as well as the farmers, since the rapid erosion of soils quickly depreciates the security offered for loans. Secretary-treasurers unanimously approved of the new activity recently instituted by the Bank known as the Conservation and Soil Terracing Department.

Mr. Killough made the trip in his car accompanied by Mrs. Killough, Miss Jane Killough, and Miss Julia Taylor. The party visited in Galveston, Ft. Worth, and Austin before returning to Clarendon.

CLARENDON SHRINERS ATTEND THE GOOD WILL CEREMONIAL.

Clarendon Shriners were well represented at the Good Will Ceremonial, which was held in Amarillo Friday, honoring Jimmy Guleke, Potentate of Khiva Shrine. Those who went from Clarendon were: Mr. and Mrs. D. O. Stallings, Mr. and Mrs. B. W. Moreman, A. T. Jafferis, John Blocker, Sam M. Braswell, Lee Casey and Homer Mulkey.

ALMOST FIVE THOUSAND DOLLARS REALIZED OUT OF PROJECTS FOR YEAR.

Under the guidance of G. L. Boykin, the Vocational Agriculture Class of the Clarendon High School has made a record that cannot be equaled by any other school of the state for the number of students and the amount of money realized in the work for one year. This work is an example of what can be done by the average farmer of Donley County and will show that the accomplishments of a great deal is not based entirely on luck alone. The following account was given out by Boykin at the close of his school year and is verified by figures kept by the members of the class.

Out of 34 pupils enrolled in vocational agriculture in the Clarendon High School during the past year a total of \$4498.91 was earned from their projects a requirement for a pupil taking the work. The projects were of the following farm enterprises, one hog raising netted a profit of \$83.50 from one brood sow, 11 in poultry netting a profit of \$394.73 from 570 hens, 4 dairy projects making \$728.19 from 9 cows, and several other enterprises including grains, sorghum, truck garden, corn, cotton and wheat, making a total of 34 from which the \$4498.91 was earned. This figure more than doubles the salary paid for the instructor besides providing the boys with the actual experience and allowing them to go to school and serving as a source of spending money so necessary to the welfare of the modern boy.

It is interesting to note from the records kept by the boys in the class that out of about 12 poultry enterprises the labor income per hour or the actual profit per hour was practically constant at about 40 cents, while the earnings per hen averaged \$1.00. The dairy projects ran somewhat higher and averaged close to \$75 per hour and about \$60.00 per animal for the period.

These records are based on accurately kept records and include all production costs common to the farmers of today including interest on investment and depreciation. The system of records used is sent out by the state department and was prepared by expert farm accountants and is easily maintained, the record containing a blank for each days entry.

Any farmer interested in this system of records can be supplied with the information by any member or a vocational agriculture class in Texas or by calling on the agriculture instructor.

"DAD" PELTZEL LEAVES TUESDAY FOR ARIZONA.

One of the most popular men of Clarendon, Edward Peltzel, Sr., better known to his many friends as "Dad," left Clarendon Tuesday at noon for Safford, Arizona, where he will make his home. Mr. Peltzel has been a citizen of Clarendon for the past fourteen years, having left here a number of times to return and call this his home. His reputation as a sailor is not excelled by any man in this section of the state. His shop was always a busy place, suits being made by hand after the measurements had been taken and the cloth bought for special suit orders. His going will leave a vacant place in Clarendon that has long been filled with this gentleman in a manner that will take many years to replace. To those who care to write him, his address will be Safford, Arizona, in care of the Odd Fellows Home in that city.

HATCHERY PLANS READY BY FALL

BUILDING WILL BE ERECTED AND READY FOR FIRST HATCH DECEMBER 15.

Local capital will be behind the hatchery that will be established in Clarendon the early part of the next months of this year. At least they will furnish the building and location for the starting of the hatchery here.

Mr. Thomason of Memphis will be the manager of the local hatchery, which will only do custom hatching and hatching of chicks for sale in the immediate vicinity. Two units of a huge incubator have been ordered and will be here ready for installation by early fall. The hatchery will be comparatively small to start with, handling only 10,000 eggs in each of the incubators at one hatching. It is probable that the plant will be enlarged to care for the demand if there is sufficient need for further development.

Present plans call for the first hatch to be started about December 15th of this year.

In after years it may be said that Clarendon won when she lost Clarendon College. We will write our own verdict.

Gas will be turned into the mains in Clarendon in September. This city's progress and development goes steadily forward.

"Thirty-six years without a crop failure," has been the record of Donley County. June rains will guarantee the continuation of that record.

The Clarendon News offers its congratulations to our contemporary, the Hall County Herald, and its splendid editor, Earl C. Johnson, on the celebration of its thirty-seventh anniversary the past week. The Herald is one of the old and respected publications of the Panhandle country and we wish for it long years of continued usefulness to Hall County and Memphis.

How many West Texas people know that the agricultural exhibit of the West Texas Chamber of Commerce won the gold medal and first prize at the Sesqui-Centennial exposition at Philadelphia the past fall, over fourteen states? Oil is a wonderful asset to our section of the state, but it is well to keep in mind that agriculture is the primary basis of our wealth and progress.

American hearts will respond to the sentiments of our Ambassador to France, Hon. Myron T. Herrick, in a Memorial Day address in Paris, who declared against the encroachments of bolshevism on these shores, demanding that this government take action against invasion by the adherents and teachers of that pernicious doctrine just as it would against the armed forces of any invading enemy. Bolshevism is the evil spirit of government and society, and America has no place for it or its apostles.

In the coming senatorial election The News editor is going to have a hard time selecting his candidate for the job. A long-time acquaintance with Senator Earl Mayfield and his wife and the fact that we believe he is entitled to re-election, lacks very little being offset by an early admiration for Hon. Tom Connally of Marlin, and an immense liking for Governor Dan Moody, whose conscientious achievements as governor are as refreshing as they are well known. It looks now as if the latter two will be in the race against Mayfield. The other possible candidates, Colquitt, Ferguson and Blanton are entirely negligible.

It is already apparent that the Democrats are in for a good drubbing at the hands of Calvin Coolidge in the coming presidential election. Neither Smith, McAdoo or Reed are satisfactory to enough people to get anywhere, and as yet there is no dark-horse Moses with enough following to create much interest. Anyway, the people of the United States can no longer be aroused by political promises of prosperity from either party. It's business foresight and thrift that does the trick in this country, as it has always been, and people can no longer be swayed by the demagogue. The people know.

LINDBURGH THE SOBER.

The greatest lesson that may be drawn from the startling achievements of Chas. Lindburgh, who crossed the Atlantic in a non-stop airplane flight, is from the character of the young man, himself.

Charles Lindburgh doesn't drink, he doesn't smoke and he gets off to bed around nine-thirty every night.

In these hurrying times a young man who has come to maturity with habits such as these deserves the highest praise and all our young people may well study his achievements and the life-habits upon which his achievements depend.

Most certainly it required a strong body, a well poised mind and a purposeful heart to span the Atlantic alone, in the full knowledge that never before had man been able to accomplish the feat. No out-of-condition body could have stood the strain of two days and a night of unremitting labor. No mind poisoned by alcohol and dizzy pleasures could have piloted the project and kept in subjection the desire for sleep and rest. No heart untrained in purpose and sapped of its courage could have supported the mind and body to the demands of such strain calling for unlimited reserve power in the effort.

Get it, boys and girls. Success in the world today is only for the trained bodied, the clean, pure minded, and the simple hearts of courage and usefulness.

Get it.

When you find a citizen who is opposed to a Chamber of Commerce in his town, or some like institution, you may just put it down that he is a fellow who never attends any public gatherings that are held for the benefit of his town. He is a fellow who never gets out and does gratis work in order that his town may grow and become better. He is a fellow who never circulates a petition of any kind for some worthy cause. He is a fellow who is never found on the school board, the city council, a director or leader in an amusement park, a clean-up campaign, nor any of the hundred things of this kind. If you doubt it, just put it to the test and watch. You will find him to be a fellow who goes to his place of business in the morning, goes to dinner over the same path, goes home the same way at night. Outside of that you never see him. Now sit down and make a list and see if this will hold good.—Paducah Post.

"OH, WHAT'S THE USE?"

A young man ran for the Legislature of Illinois and was badly swamped. He next entered business, failed, and spent several years paying up the debts of a worthless partner. He was in love with a beautiful young woman to whom he became engaged—she died.

Entering politics again, he ran for Congress, and was badly defeated. He tried to get an appointment to the United States Land Office, but failed. He became a candidate for the United States Senate, and was defeated. Then he became a candidate for the Vice-Presidency and was once more defeated.

One failure after another—bad failures—great setbacks. Then he became one of the greatest men of America—Abraham Lincoln.

Who says, "Oh, what's the use?"

—The Pennsylvanian.

MORE DAIRY COWS.

The Times last Sunday contained dispatches from Vernon and Quanah, telling of plans to bring pure-bred Jersey cows into Wilbarger and Hardeman Counties, to place with farmers. Such items have appeared, from time to time, from a number of Northwest Texas and Southwest Oklahoma counties. They indicate a healthy interest in dairying in this section. They promise of taking Northwest Texas out of the importing class, for dairy products, and putting it into the exporting class.

Texas has gained greatly in dairying in recent years, but it has far to go to assume its rightful place in that industry. It has everything that the recognized dairying states have, and much that they have not, to further that industry. We have not the inflated land values, upon which Minnesota and Wisconsin dairy farmers must pay interest; and if we have not the great market, close at hand, that they have, we have a market that can absorb far more dairy products than it now obtains from Texas sources. We have an excellent feed supply, close at hand. It is time we were becoming awake to the opportunity that dairying offers, in Northwest Texas—Wichita Daily Times.

BYRON SKELTON PRESIDENT 1927 ACADEMS OF TEXAS U.

Byron Skelton was elected permanent president of the 1927 senior class consisting of the combined academic men and women at a short meeting immediately after the Senior Swinoutte Friday night. A joint committee from both the senior academic men and the Cap and Gown members recommended two nominees for president, Byron Skelton and Edgar Townes.

These executives will assume their offices at commencement. They are permanent officers of the senior class of 1927. President Skelton will preside for the first time at the class reunion that is to be held at commencement in 1932. The officers have been elected to carry out any duties business of the class after its graduation from the University.

Skelton, the new president, is a member of Phi Beta Kappa, Pi Sigma Alpha, honorary political science fraternity, and Sigma Delta Pi, honorary Spanish fraternity. He is also a Cowboy, a member of the International Relations Club, and the Pre-Law Society. He was president of his class in the senior year and was senior class vice-president for the fall term. Skelton is intending to enter Harvard Law School next September. He has been a self-supporting student during his four years at the University.

This year after his graduation from high school Byron Skelton entered the University and has been there four years. While earning his own living, he has maintained a very high scholastic standing and has entered into many student activities. Election to Phi Beta Kappa is accorded to those who have the highest grades in school, and in recent years, to those who have coupled with scholastic accomplishments a large amount of work in student affairs.

—The Daily Texan.

Byron's many friends in Clarendon will be much interested in the above article clipped from the May 21st issue of the Daily Texan, official publication of the University of Texas. Byron is a graduate of Clarendon High School. He is the son of Mr. and Mrs. Skelton of Groom.

DEAN CONDRON PERFECTS INVENTION FOR FISHERMEN

Devotees of Isaac Walton in and around Clarendon should see Dean S. H. Condron for demonstration and description of a new invention which is going to reduce the pains and labors of fishermen the world over. The new device was perfected Tuesday of this week, and a practical demonstration of its labor-saving worth was had the same afternoon. The new invention is for the rapid and safe cleaning of scaly fish and should be in great demand in the Panhandle this season.

Brains always win in every field of endeavor, and Dean Condron has added his contribution in this latest device to hold the fish while the scales are removed and the operation of cleaning is completed. A heavy paper clip is attached to a rough finishing board, the tail of the fish is caught in the clip and the work proceeds with the fish firmly anchored. Dean Condron will be happy to demonstrate.

Mrs. G. L. Tipton, Mr. and Mrs. Angus Huckaby and little daughter Mary Sue, of Memphis were guests in the home of Mr. and Mrs. D. A. Davis Sunday. Mrs. Huckaby and Mrs. Tipton are sisters of Mrs. Davis.

DUROCK the perfect material for bathroom equipment

The Mudbury Lavatory

SMASH!—the bottle of iodine spilt over the white lavatory. How much permanent damage is done? None! The wash basin is made of Durock, and Durock cannot be stained by iodine, ink, or acids. Everything wipes off it as it does off a china plate—not a tinge of discoloration remains.

Pure white, glistening Durock is eternally beautiful—because it is not only stainproof, but it doesn't chip, crack, nor "crack", either; and it doesn't hold soil—it can always be washed clean as a whistle without scouring.

Durock is produced solely and exclusively by Thomas Maddock's Sons Company. Come in and inspect fixtures made of Durock that we now have on display.

The last word in the lavatory. All exposed parts of Durock—metal in joints, integral combination hot and cold water inlet giving a single stream of any desired temperature. Heavy, enamel base; anti-rust film; built-in overflow outlet, automatic shut-off.

Miss Lena V. Griswold, Bride-Elect,
is Complimented in Two Parties.

Two of the outstanding social af-
fairs of the week were given in
honor of Miss Lena V. Griswold,
bride-elect of Dr. Hubert Seale of
Denver, whose engagement was an-
nounced in a lovely party last week,
together with the date of the wed-
ding, June the ninth.

Mrs. F. L. Stallings and Miss Fray
Stallings Honor Miss Griswold.
The first of this week's parties
complimenting the bride-to-be was
given Saturday by Mrs. Lloyd Stal-
lings and Miss Fray Stallings, at the
former's home in College Heights.
After playing several games of rook
the guests went to the dining room.
There on a large table decorated in
the bride's chosen colors, orchid and
pink, they found twelve little dolls
made of clothes pins and dressed
as kitchen maids. To each doll was
tied a string leading away from the
table. Following the string, the
guest at last arrived at a place
where a kitchen gift was hidden.
These gifts were then presented to
the honoree. A salad course carry-
ing out the color scheme was served.
Those present within five minutes
of the honoree, Miss Griswold, Mrs. G.
L. Boykin, Mrs. O. T. Smith Mrs. S.
Sam M. Braswell, Mrs. H. R. Phillips
of Rotan, Mrs. Charles H. Dean, Jr.,
Mrs. Lee Nowlin, Miss Ruby Lee
Landers, Miss Julia Dean, Miss O.
rene Hudgins and the hostesses.

Mesdames Watts, Kerbow and
McMurtry Honor Miss Griswold

An indefinite postponement of the
wedding day and a long tenuous
prison was the severe sentence
passed on Miss Lena V. Griswold,
charged with producing a drought
by planning to marry. However,
Justice Boston, in whose court the
case was tried, mercifully prom-
ised to withdraw the sentence if
the defendant could produce even
a light shower within five minutes
by way of righting the wrong of
which she was accused. The throng
of women and girls who crowded
the court room through the long
and grueling trial cheered wild-
ly when the sentence was passed
and again when Justice Boston
extended mercy to the prisoner.

The charge was brought against
the defendant by popular demand,
as it is well known that many wed-
dings in a season will cause a
drought. Said defendant is sup-
posedly the first of a number
who will announce their engage-
ments and marry during this sum-
mer. While the evidence produced
by the Dishonorable L. Dyer, coun-
cil for the state, was for the most
part circumstantial, it was plain
from the first that conviction
would result. Contrary to the
custom of arraigned heroines, the
defendant, Miss Griswold, listen-
ed intently to every word spoken
by her accusers, and when the
sentence was read, both she and
her attorney, the Dishonorable P.
Smith, accepted it cheerfully.

Having offered the prisoner
terms, Justice Houston handed said
prisoner an umbrella, symbol of
rain and showers, and admonish-
ed her to produce a shower in
five minutes. As Miss Griswold
raised the umbrella above her
head and slowly opened it, the
long wanted shower fell about her
in large tissue-wrapped drops. She
was then forced by Sheriff E.
Rhode to run out and bring in Mrs.
J. L. McMurtry's "wash." The

"wash" turned out to be a huge
basket of miscellaneous gifts for
the bride-to-be, presented by the
large number of friends of Miss
Griswold and her mother who at-
tended the very cleverly planned
party given Tuesday afternoon by
Mrs. John Watts, Mrs. Bennett
Kerbow, and Mrs. J. L. McMurtry,
at Mrs. McMurtry's home. The
mock trial followed an amusing
program in which many of the
guests offered the honoree valu-
able advice on running her house-
hold to maintain peace and har-
mony.

Punch was served in the dining
room by Miss Ola Mae Watts, Miss
Anne Myra Bennett, and Miss Lu-
cy Noble. The large glass punch
bowl was surrounded by fern and
the table was lighted by pink can-
dles in crystal holders, the hold-
ers being tied with bows of or-
chid tulle. The young ladies pre-
siding at the punch bowl were
dressed in the honoree's chosen
colors, pink and orchid.

The guest list for this delight-
ful affair, the second of the week
to compliment Miss Griswold, was
as follows: Miss Lena V. Gris-
wold, honoree; Mesdames J. T.
Griswold, O. B. Hundley, John

Mr. and Mrs. Chamberlain
Entertain Bridge Club

Mr. and Mrs. F. E. Chamberlain
entertained members of their even-
ing bridge club at the Antro Hotel
Saturday evening, followed by
dinner at the Chamberlain home.
Decorative place cards and nut
baskets gave a note of color to the
small tables where a six course din-
ner was served.

The guests list included the fol-
lowing: Mrs. R. A. Chamberlain,
Mrs. Kate B. Carroll, Mr. and Mrs.
W. C. McDonald, Dr. and Mrs.
Harry Rhodes, Mr. and Mrs. A. T.
Jefferies, Dr. and Mrs. T. H. Ellis,
Mr. and Mrs. J. L. McMurtry, V.
Finch of Manton Oakum, England,
W. J. Lewis and M. L. Kelley, Jr.
Scott favors were won by Mrs. Ellis
and Mr. McMurtry. After the
awarding of the favors, an ice
course was served.

Farewell Party Honors
Misses Herd and Carlson.

Miss Benny Herd, who Tuesday
returned to her home in Henrietta
after spending the past several
months here in the home of her
aunt, Mrs. B. W. Moreman, and
Miss Irene Carlson, who leaves
here shortly to accept a position in
Frederick, Oklahoma, were honor
guests at delightful party at Mrs.
Odos Caraway's home Friday
evening. The party was given by members
of the Sunday School class of which
Misses Herd and Carlson are mem-
bers and the Christian Endeavor and
was a surprise to the honorees.

A number of interesting games
were played, after which Miss Herd
and Miss Carlson were given para-
sols and told to open them. When
they did so, a shower of dainty
handkerchiefs fell on each. An
ice course was served late in the
evening. The following were guests:
Miss Carlson, Miss Herd, Mr. and
Mrs. Will Dubbs, Mrs. C. M. Park-
er of Wichita Falls, Mrs. Roy Heav-
er of Arizona, Miss Lillian Murphy,
Miss Angeline Dubbs, Miss Esthel
Haning, Miss Vera Garland, Lo-
rena Steagall; and John Jenkins,
Roy Clappitt, Reagan Bain, Rae-
burn Steagall, Tom Tomlinson,
Hugh Eldridge, James Bain and
Haskin Moreman.

Mrs. Chase Hostess to
Bridge Club Saturday

Mrs. A. L. Chase was hostess to
the Saturday bridge club last week,
entertaining with two tables. Her
guests were: Mrs. Homer Glascoe,
Mrs. B. L. McClelland, Mrs. George
Ryan, Mrs. J. L. McMurtry, Mrs.
Odos Caraway, Mrs. W. H. Patrick,
Mrs. Charles Bugbee, Mrs. R. L.
Bigger and Mrs. C. G. Strickland.
Mrs. McMurtry made high score
and received a lovely favor, as did
Mrs. Glascoe for consolation. At
the conclusion of the game, a dainty
two course luncheon was served.

Camp Fire Girls Enjoy a
Sunrise Swim and Breakfast.

Members of the Cap Rock Climbers
Group of the Camp Fire Girls had
a most enjoyable sunrise swim
and breakfast at the Country Club,
bravely facing forth at 5:30 Friday
morning. The girls were accompa-
nied by their guardian, Miss Mamie
McLean, and their sponsors, Mrs.
C. C. Powell, Mrs. Charles Dean,
Jr., and Mrs. Sam M. Braswell, and
a special guest, Miss Oressa Teague.
Others in the party were: Miss Mil-
dred Egan, Miss Ola Mae Watts,
Miss Carolyn Laney, Miss Ruth Lan-
ey, Miss Mildred Cayton, Miss Wil-
ma Ernest, Miss Alice Gordon, Miss
Carolyn Bradley, Miss Margaret
Goldston, Miss Leslie Gresham, Miss
Muriel Galloway, Miss Julia Dean
and Miss Mattie Sue Howell.

Mr. and Mrs. Clyde Douglas and

little son returned Friday from a
visit of several days in Dallas and
Galveston, following the trip to the
Chamber of Commerce convention
at Wichita Falls.

Mrs. B. L. Jenkins Entertained at
Breakfast, Honoring Visitors.

Mrs. B. L. Jenkins was a charm-
ing hostess when she entertained
with a formal breakfast Tuesday
morning, honoring four visitors
from out of the city, Mrs. Topsy
Swearingen of Childress, Mrs.
John Ryan of Dallas, Mrs. R. R.
Burnett of Oklahoma City, and
Mrs. Henry Tice of Wellington.
Decorative place cards marked the
covers at the one large table and
the seven small ones, while garden
flowers were artistically used as
decoration for the house and as a
center-piece for the large table.
A three course breakfast was serv-
ed.

A delightful program was
given, with Miss Mamie F. Mc-
Lean as master of ceremonies.
First, Mrs. J. T. Patman rose to
toast Mrs. Swearingen; Mrs. Bur-
nett was toasted by Mrs. Ralph
Kerbow; and Mrs. Meredith Gentry
honored Mrs. Ryan. Each of the
honored guests responded in a gra-
cious manner. 'Reminiscences' con-
sisting of incidents of Mrs. Swear-
engen's life in Clarendon, was given
by Mrs. W. T. Hayter. Mrs.
James Trent then talked briefly
on 'The Season's Sensation, the
Transatlantic Flight'. Her talk
was followed by a discourse on
'The Advantages of Federated Clubs'
was discussed by Mrs. J. T. Sims.
One of the most pleasing numbers
on the program was Mrs. W. H.
Martin's vocal solo, 'When You and
I Were Young, Maggie,' which she
sang in compliment to the hostess,
whose christian name is Maggie.

Mrs. Martin was accompanied by
Mrs. J. L. McMurtry at the piano.
Mrs. J. R. Letts gave an interest-
ing talk on 'This Younger Gener-
ation.' Mrs. Jenkins then propos-
ed a toast to Mrs. Frank McCrary,
who had arranged the program for
the day. Mrs. G. B. Smith was the
prophetic politician of the occa-
sion and talked on presidential pos-
sibilities. Mrs. C. C. Powell told
an interesting story called, 'My
Most Embarrassing Moment.' Be-
fore the final number of the pro-
gram, each table was turned into
a broadcasting station and broad-
cast some piece of news. As the
last number, Mrs. Homer Ellis
sang 'Auld Lang Syne' with all
other guests joining her in the
chorus.

Mrs. Jenkins guests, besides the
honorees already named, were:
Mrs. W. T. Hayter, Mrs. Frank
McCrary, Mrs. J. R. Letts, Mrs.
R. A. Chamberlain, Mrs. F. E.
Chamberlain, Mrs. M. L. Kelly,
Mrs. J. T. Patman, Mrs. Homer
Glascoe, Mrs. James Trent, Mrs.
Charles Trent, Mrs. R. F. Morris,
Mrs. Joe Horn, Mrs. W. H. Mart-
in, Mrs. J. D. Jefferies, Mrs.
George Ryan, Mrs. Fred Patching,
Mrs. Holman Kennedy, Mrs. J. T.
Sims, Mrs. Homer Ellis, Mrs. Mer-
edith Gentry, Mrs. T. H. Ellis,
Mrs. Dorr Ellis, Mrs. G. L. Boy-
kin, Mrs. Sam Dyer, Mrs. A. L.
Chase, Mrs. Ralph Kerbow, Mrs.

FACTS about used car allowances

Most new car sales now in-
volve the trading-in of a
buyer's used car. More and
more people are asking:
"Why should my used car
seem to have several val-
ues? ... Why should deal-
ers in different makes of
cars offer me allowances
differing materially? ...
Does the largest allowance
offered mean the best deal
for me?"

Here are basic facts:

- 1 Your used car has seemingly different values because competitive dealers are bidding to sell you a new car.
- 2 Your used car has only one fundamental basis of value: what the dealer who accepts it in trade can get for it in the used car market.
- 3 The largest trade-in allowance which is offered on your used car is not necessarily the best deal for you. Sometimes it is; but sometimes it is not.
- 4 An excessive allowance may mean that you are paying an excessive price for the new car in comparison with its real value.
- 5 Judge the merits of the new car in comparison with its price, including all delivery and finance charges. Then weigh any difference in allowance offered on your used car.

WHEN YOU are ready to trade-
in your present car, remem-
ber that after all you are making a
purchase and not a sale. You are
buying a new car and simply
applying your present car as a
credit toward the purchase price
of a new car.

THE MISSISSIPPI FLOOD.

Flood records extending back more than a century reveal no more disastrous deluge than that which recently swept through the Mississippi Valley. Once more the control of the Mississippi presents itself as one of our most urgent national problems. That the issue is indeed one of national importance, one that must be considered again by Congress, follows from the very magnitude of the area involved.

The drainage of thirty-one states, about 40 per cent of the country's total area, flows into the Mississippi and thence into the sea. The waters that inundate its valley comes from states as widely separated as New York, Minnesota and Montana. Individual states cannot cope with the problem, for of the water that periodically devastates the Mississippi Valley less than 1 per cent originates in the states that suffer the greatest damage.

Read "The Mississippi Flood" in the June Monthly Magazine Section of The Clarendon News, which will be issued June 16.

MALARIA AND MOSQUITO CONTROL MONTH

In line with its policy of dedicating each month for a special health education program, the state board of health has designated the month of June as Malaria and Mosquito control month.

While a large number of towns have already gotten under way intensive mosquito control programs, numbers of smaller towns in malaria sections are unorganized, and are doing very little or nothing at all along lines of mosquito control, according to Dr. J. C. Anderson, state health officer, who stated that the cooperation of these small towns and rural sections, would be asked in the anti-malaria program.

"A field representative of the state health department", Dr. Anderson said, "would be available in assisting in the organization of mosquito-control work in localities desiring such service, insofar as the limited personnel of the department would permit."

Miss Ruby Lee Robertson, who has been with Little Mercantile Company for the past few weeks, has accepted a position in Gainesville. She left here Sunday for Sanger, where she will visit her parents before taking up the duties of her new position.

NOT TOO LATE TO HAVE BIRTHS REGISTERED

If your child is not registered, it is not too late to have this done, as children can be registered upon proper affidavits made by parents. Every child in the state should be registered, and many parents are now registering all of their children at the same time, together with their own birth records.

More than 7,000 birth certificates are received each month by the Vital Statistics Bureau, and approximately one-tenth of these do not give the child's Christian name, which necessitates the mailing of supplementary report blanks to parents of the unnamed child for this necessary information. Literature upon infant care and an engraved certificate of birth are also mailed parents upon request.

BIG CATTLE RAISERS TO EXHIBIT IN AMARILLO.

Amarillo, Texas, May 24.—Prospects for one of the greatest livestock shows ever held in the Southwest are good this year, according to division superintendents of the Amarillo Tri-State Exposition.

B. B. Holland, superintendent of the dairy division reports that five great Texas dairy herds; Texas A. & M., Taft Ranch, Ed C. Lassiter, Santa Gertrudis, Mistletoe Farms are assured. Flowerdale Farms, Dallas; Orville Ballington, Wichita Falls, are other big herds that seem assured.

Fairfield Farms, Topeka, Kansas, is sending a select herd of Ayrshires.

"The National Dairy Show is being held in Memphis, Tenn., Oct. 15-22, and the tendency of the breeders is to show the South this fall consequently we expect as many dairy cattle on exhibit as we can handle," said Mr. Holland recently.

Even greater progress toward a big show is being made in the Beef Cattle division, according to W. M. Gouley, superintendent of that division. Mr. Gouley anticipates having to demand greater space for his exhibit than has ever been used before. Big herds from over the Southeast have been entered for the show.

J. F. Ford, superintendent of the Boys' Club, declares that one carload of baby beaves will be entered here from Lubbock. He expects more than 100 hogs will be exhibited by Potter County Pig Club boys.

Plans are being made now for additional rooms for the livestock department and although each division will be greater and better than ever, C. H. Amacker, secretary, declares that adequate facilities for caring for the animals will be provided regardless of how many are entered.

Reverend and Mrs. Dallas D. Dennison of Texico are guests of Mr. and Mrs. Frank Bourland during the Epworth League Assembly. Both are ex-students of Clarendon College. Mrs. Dennison will be remembered as Miss Gladyn Condron, a niece of Mrs. Bourland's.

Carl Weiner of Amarillo was a visitor in the city Wednesday.

Miss Eva Patching is home from Amarillo, where she teaches, to spend the summer with her parents. Miss Ruth Patching is also home from McLean, having taught there the past term.

Oswald Vinson, a former student of Clarendon College, was back on the campus during the week-end, to visit with friends and to hear the inter-society debate.

Guilt Roper, former C. C. student who taught this year at Lorenzo, visited friends here during the week end and attended the last of the inter-society debates.

PARENT-TEACHERS CLOSE GOOD YEAR

THREE WHITE ASSOCIATIONS AND ONE COLORED DO MUCH FOR SCHOOLS.

One of the most successful years in the history of the Parent-Teachers Association in Clarendon was brought to an end with the closing of the books for this term. Each of the three white associations and the one colored association finished the school year free of debt and in some cases with a substantial bank account. Much of the credit accomplished through the work of the four Parent-Teachers organizations during the year, and the schools have enjoyed great benefits therefrom.

With Mrs. Clyde Atteberry as president, the High School Parent Teachers Association made an excellent showing this year. In the past two years they have put over \$900 into the one school, through contributions of mimeographs, pictures, books, a slide machine and lantern and payment of the electric and gas bills. Their earnings for this year were \$250, made by holding rummage sale, having benefit shows, assisting in the merchants pageant, and through programs. The membership of the Association for this year numbered fifty-nine active members. A delegate was sent to the District Convention. Officers for the past year were: president, Mrs. Atteberry; first vice-president, Mrs. E. O. McCaule; second vice-president, Mrs. W. H. Patrick; third vice-president, Mrs. O. M. Alexander; secretary, Miss Temple Harris; treasurer, E. L. Wickline. In the recent election the following officers were named for next year: president, Mrs. J. T. Sims; first vice-president, Mrs. R. H. Alexander; second vice-president, Mrs. E. Chamberlain; third vice-president, Mrs. Kate B. Carroll; secretary, Miss Lillian Abbott; treasurer, E. L. Wickline. It may be added here that the students of the High School put \$600 into the school this year.

The South Ward P. T. A. has had an equally successful year. They likewise finished the year out of debt and with a bank deposit. Among the things this association have done this year are to take the school census, pay athletic fees for the South Ward School, equip a rest room and buy scales, put the health program into the school, assist in the physical examinations for pupils, purchase two sets of reference books for the school, and pay their share on the expensive bell of the schools. The membership enrolled was one hundred or more, with over fifty members active throughout the year. Officers for the past year were: president, Mrs. Kate B. Carroll; vice president, Mrs. Russell Clark; secretary, Miss Orene Hudgins; treasurer, Miss Mae Lumpkin; corresponding secretary, Miss Sybil Smiley. The officers for next year are: president, Mrs. C. C. Powell; vice president, Mrs. J. L. McMurtry; second vice-president, Mrs. G. G. Kemp; treasurer, Miss Mae Lumpkin.

The Central Ward P. T. A. had seventy-two members, fifty of whom were \$1 members and twenty-three of whom were 50c members. Among the contributions this association has made to the school this year were equipment for the hospital room of the Central Ward School, \$100 worth of books, pictures, and prizes. The association helped with the physical examinations of the pupils, assisted in the merchants pageant, and held a number of rummage sales. Their earnings for the year were \$158.59, aside from their dues. All of this, but \$30, which is now in the treasury, was spent on school improvements. Officers of the Sims Parent Teachers Association, as the South Ward group is called, were: president, Mrs. W. W. Taylor; vice-president, Mrs. C. Powell; secretary, Mrs. J. D. Swift. The new officers are: president, Mrs. Clyde Atteberry; secretary, Mrs. B. G. Smith; vice-president, Mrs. O. C. Watson; second vice-president, Mrs. Steagall.

Much credit is due the Welfare Parent Teachers Association, which is composed of the colored parents of the town. This association has had a great part in making the school about one hundred per cent better than it was four years ago. By concerted effort, these colored parents, and the teacher, Jewell Shelton, have procured modern equipment for the school building and for the playground. They have bought books and are now engaged in trying to establish a little library in the school to be used by both adults and children. A sum of \$50.89 is now in the treasury. This amount will be spent, for the most part, on play ground equipment. Maude Martin was president for the past year, and Iola Burley was secretary. There are fifteen or twenty active workers in the association.

"Please say that the Parent-Teachers Association is not primarily a money-making organization—that it does not exist for the sole purpose of collecting and earning money," said one P. T. A. president, when she was interviewed concerning the work of her group for the year. The statement hardly seems necessary. Those who know anything of the great progress of the city school during the past several years know that the Parent-Teachers Associations have been among the strongest and most important factors. It is well known that every cent the P. T. A. collects comes back to the town multiplied tenfold in the improved schools.

Watch Elimination!

Good Health Depends Upon Good Elimination.

RETENTION of bodily waste in the blood is called a "toxic condition." This often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. Thousands have learned to assist their kidneys by drinking plenty of pure water and the occasional use of a stimulant diuretic. 50,000 users give Doan's signed endorsement. Ask your neighbor!

MY HOME TOWN

BY PHIFER ESTLACK

Clarendon, my home town, the Athens of the Panhandle, the city of shade trees, the paradise of flowers and happy, invites you to her doors.

Clarendon, county seat of Donley County, was first settled in 1876, and was for many years the fort of the pioneer, acting as a fort and link between Moberia and Tascosa. It made possible the facility and safety the long trail across the Great Panhandle Plains. Then came the desire for a new location and in 1887 Clarendon was moved to its present location. In 1901 Clarendon was incorporated and the population has increased from 1,946 in 1910 to something like 3,000 at the present date.

Clarendon is situated on the Ft. Worth & Denver railway, the Colorado to Gulf and Ozark Trail highways. Stage lines from north, south, east and west make it possible to reach Clarendon at almost any hour of the day. Clarendon is surrounded by a country formerly largely devoted to cattle raising, but now rapidly developing into a farming area, producing cotton, corn, cane, maize and wheat. Clarendon has three banks, an ice plant, weekly newspaper, grain elevator, sanitary dairy and about 125 general business establishments, these receiving a large amount of trade from the surrounding country.

Clarendon enjoys many of the conveniences of cities much larger. Paved streets, seven active churches, Sunday Schools, B. Y. P. U., Epworth League and Christian Endeavor. The country club, golf links, bathing pools, tennis courts and shady canyons makes Clarendon the mecca of those who wish recreation as well as a place for homes. Just a few miles away is the wonderful gorge known as Palo Duro Canyon. This patch of western scenery rivals in beauty and grandeur some of the most noted geographic phenomena of the southwest and affords a suitable place for recreation.

Clarendon is the home of good public schools, they are well equipped and furnish the pupils the best teachers to be had. 28 1-2 units of affiliation are offered, these covering nearly every phase of study offered anywhere. Nearly every student that sends off to college are among the honor students of their college, thus reflecting an excellent credit to Clarendon Public Schools. The plans of the near future are to raise the number of credits to equal any school in the state.

Both the school and the city have good electric lights and an abundance of pure water. The town is well supplied with good sidewalks and bridges, dips and culverts are put in where they are needed. The town is well supplied with water piped to the city limits. The strong water pressure combined with the new fire department makes possible the facility of extinguishing almost any fire the town might have. Besides this a sewer system is maintained at public expense and the sewer disposal plant is well off from the city. Situated as it is Clarendon has a drainage system that is perfect.

The Clarendon Chamber of Commerce was really begun a few years back. Ever since then its great aim and desire has been to promote the welfare of the farmer to higher and better things. It is constantly helping the farmer to get better prices for his products. It is safe to say that its work has not been done in vain.

The climate of Clarendon is healthful during both winter and summer. The winter climate is both moderate and healthful, being neither too hot nor too cold, but just right. The summer climate is almost perfect, the four elements are: a low thermometer, wide variation between night and day temperature, a good breeze and an absence of muggy air. From a standpoint of health it would be difficult to find a better place than Clarendon.

Clarendon is a city of smiling faces and hearty laughs. The handclaps are numerous, one finds in them a pressure that tells of eagerness, of earnestness, and of friendship. The days come and go, the stranger comes and is welcome, the sick and afflicted are cared for by willing hands, the needy and unfortunate are cared for by the relief funds of the city. It is a town of God, what more could be asked?

Clarendon is constantly making public improvements and in a few years will offer every advantage of a modern city. 34 blocks of new pavement have been added in the last few months and several more are expected. New homes are being erected daily, not only by town folks but by outsiders who have come to make Clarendon their home. She is always glad to have new comers and is constantly beckoning to them with open arms.

The days may come and the days may go. And old Clarendon folks may roam But after a while they will all come back. To Clarendon, their Home Sweet Home.

To the city of trees, where the skies are blue, To Clarendon, Texas, I welcome you.

NOTICE TO CREDITORS.

FOLLOW UP WORK OF BISHOPS CRUSADE MARKED SUCCESS

The follow up program of the Bishops Crusade of the Episcopal Church which was carried on in the local church, St. John the Baptist, came to a successful close with the service of Friday evening. The Venerable Hall Pierce of Amarillo, Archdeacon of Northwest Texas, was special crusader to Clarendon, and in the six days he spent here he did some really splendid work. His short, simple, but inspiring sermons, delivered at the evening services, were the principal feature of the program. Conferences for the young people and children were especially well attended.

Reverend L. L. Swan, rector of St. John the Baptist, says that he and all members of the congregation are well pleased with the outcome of the Archdeacon's visit and the week of services. They feel that a spiritual revival within the church which is the object of the Bishops Crusade, was effected in the follow up work here.

NEW OFFICERS ELECTED BY THE EASTERN STAR

The annual election of the officers of the Order of the Eastern Star was held last Thursday evening, at the regular meeting in the Masonic Hall. The following were elected and will be installed at the installation ceremony to be held June the second: Worthy Matron, Mrs. Lollie Bagby; Worthy Patron, Mr. Henry Youngblood; Associate Matron, Mrs. Minnie Taylor; secretary, Mrs. Maggie Weatherly; Treasurer, Mrs. Claudia Thompson; Conductress, Mrs. Vivian Kerbow; Associate Conductress, Mrs. Eva Rhode.

A called meeting of the local lodge of the Eastern Star has been called for this evening, Thursday, at which time the District Deputy Grand Matron, Mrs. Allie Halsey of Canadian, will make her annual visit and address the lodge. Mrs. Crabtree, Worthy Matron, urges that all members of the lodge be present.

Mrs. C. W. Galloway and Eunice Griggs spent the week-end and a few days of this week with their sister, Mrs. V. J. Drew, at Clinton, Oklahoma.

SECRETARIAL SCREENINGS

Our friends of the Clarendon News say they are going to give this column some such name as "The Unwise Sayings of an Illiterate Secretary" or "Our Sec. Says" or some other famous or infamous caption. At any rate what ever they say they are members of this organization and will have to share the blame for the infamy in this column because they are the ones that taught us how.

Now "folks", we have had the pick of North Texas in our midst this week among the Methodist belief and the largest crowd to ever attend a convention of this nature in this conference of the Methodist Church. We were proud to have them and want to congratulate those people that entertained and taught them, for they did it in grand style and in a manner that speaks well for the good will and friendship Clarendon has for the whole Panhandle and especially for this class of youngsters.

Well I am sorry I am not as proficient at making it rain as a former Secretary of this organization, but after talking to several Donley county farmers this week it seems to me as long as the windmills don't run dry most of us will live pretty well on eggs, chickens, hogs and dairy products. This class of farming is on the increase in Donley county and if we get more than the local demand can handle the Chamber of Commerce can find a market if the farmers will let us know they want it. I am not calling any names but three prosperous farmers of this county told me they might be around pretty soon. That is what we want, fellows, come around; it is a pleasure to serve you and that is what we are paid for.

You might as well get your gas stoves in shape because Clarendon is billed to be warmed by many a gas fire next winter.

G. L. Boykin.

SPILLER BABY IS LITTLE INJURED BY BITE OF DOG.

While playing in the C. L. Benson yard the fore part of this week, the baby of Mr. and Mrs. Spiller was injured and greatly scared when the playfulness of a dog became too much and one ankle was lacerated. The youngster was carried to medical attention immediately, where he was examined and found to be more scared than injured. The skin on either side of his leg was slightly broken, but no serious effects are expected of the injury.

P. M. WOODRING DIED AT LONG BEACH, MAY 25TH.
 News came last week that Mr. P. M. Woodring, former citizen of Clarendon, had died at his home in Long Beach, California, Wednesday, May 25th. Mr. Woodring came to Clarendon in 1918 for the school advantages offered by the town. He moved to California in 1923 and has returned to Clarendon only for brief visits. He was a member of the Odd Fellows' Lodge and was very active in that work during his residence in this city. He was about sixty-four years of age at the time of his death.

STATE VETERINARIAN VISITS FRIENDS HERE PAST WEEK.
 Dr. U. F. Williams, formerly of this section of the state and holder of many friends in Clarendon and surrounding territory, was here last week visiting with friends and making a tour of inspection of the ranches near here. Dr. Williams was appointed to the State Veterinarian office during the Ferguson regime and was reappointed a short time past by Governor Moody. A number of his friends here were instrumental in securing the appointment of Dr. Williams to this office here for the present term.

COUNTY COUNCIL MET SATURDAY, MAY 28TH.
 The County Council, composed of the officers of all home demonstration clubs, met at the Court House Saturday afternoon, for an important business session. Twenty-two members, representing six clubs, were present and much interest was shown in the several business matters that came before the group. General reports from all the clubs were heard, with special emphasis on the plans for financing the trip of a delegate from each club to the A. & M. Short Course. Most of the clubs will send a representative to Bryan for the short course, paying all her expenses. Other clubs are making an effort to devise a means of sending their delegates, in spite of discouraging conditions caused by the too dry weather.

The principal feature of the day's program was a talk by G. L. Boykin, Secretary of the Chamber of Commerce. Mr. Boykin urged that every home demonstration club in the county send a delegate to the July short course at A. & M., if it was at all possible, and that every woman who could, attend this valuable school. He also urged the ladies to begin now to make preparations for the county fair next fall.

The next regular meeting of the County Council will be held on the third Saturday of the month, instead of the fourth Saturday, as the Girls' Council will give a program on the fourth Saturday, with members of the women's clubs as guests.

UNIVERSITY ENCOURAGES THE PRACTICAL STUDY OF BOTANY.
 A wild-flower contest, to continue 10 years in the schools of the state, has been projected by the University of Texas with the purpose of familiarizing teachers and pupils with wild flowers of their own locality. Annual exhibits will be prepared by the schools to consist of 30 specimens, 10 each gathered in the fall, winter and spring, pressed and mounted according to directions announced by the professor of botany of the university, who is director of the contest. The scheme contemplates preparation of exhibits in triplicate and retention of one set by participating schools. The best exhibit in each county will be sent to the university. At the expiration of the 10-year period the university will have a collection of wild flowers from different parts of the state, and each school participating will possess an exhibit of 300 authentically identified wild flowers of its locality. The process of collection is purposely gradual in order that pupils may learn the specimens thoroughly, and that the numbers received at the university at any one time may not be too great.—School Life.

Mr. and Mrs. Nat Perrine and Nat Jr., left Tuesday morning for Temple. It was their intention to stop in Ft. Worth for the reunion of the Thirty-Sixth Division.

FIRST CHRISTIAN CHURCH.
 Algie B. Crocker, pastor. Our church, planning on making June 12th a big day, one that will be long remembered, and we want you to be our honored guests. How happy we would be to have all the old friends of Clarendon and neighboring towns to join with us on this Home Coming Service.

Here is a happy surprise for you. One of the pioneers of this country who blazed the trail for thousands of new comers, a buffalo hunter and Indian fighter, Brother Emmanuel Dabbs, is coming back to visit his many friends here. Our church wants you and he wants you to meet him here at the Home Coming Service.

Another surprise and a happy one, too, Emmanuel Dabbs, Jr., his grandson, pastor of Archer City Christian Church, and student in T. C. U. Fort Worth, will preach the home coming sermon. This feature alone will make the day worth while.

We are writing many letters throughout the Panhandle to old time friends of Bro. Dabbs, and urging them to meet him in Clarendon. This trip from Indiana will be the most outstanding one of his life, especially so if you join him June 12th. Come—come on the trains, come in your cars, and we will do the rest.

METHODIST CHURCH.

SADLER HOT SHOTS LOSE GAME TO ALL STARS HERE.
 Following their usual custom of staging a baseball game at some time during the week of their stay in the city they are playing, the Harley Sadler Hot Shots met the Clarendon All Stars players in a game Wednesday afternoon in the College Park. The game was close enough for the best enthusiastic fan up to the seventh inning. In the opening of the eighth the Sadler Hot Shots scored two runs and were closely followed by the Clarendon All Stars who also scored two runs in this inning. The matter from here to the first half of the tenth was a shut out game with the score tied up in a seemingly hard knot. The Sadler team scored another run in the first half of the tenth and were beaten when the Clarendon boys came to bat and ran in two scores to complete the battle. Final score was 4 to 3 favoring the Clarendon team. Parker for the All Stars proved to be the hero of the day when he struck out eighteen men.

The line-up follows:

Player	Pos.	Player	Pos.
All Stars		Hot Shots	
Parker	p	Patterson	p
Gunn	c	Stover	c
Braswell	s	Goldie	s
W. M. Emmons	1b	Hornbuckle	1b
J. R. Emmons	2b	Golforb	2b
H. A. Blanton	ss	Thrude	ss
Fitzgerald	3b	Foley	3b
R. Reeves	rf	Hefner	rf
B. White	cf	Couch	cf

Kelly substituted for Couch of the Hot Shots in the sixth inning. Boykin and Hack were umpires. Arrangements have been completed for a return game between these two teams to be played on the College Park Friday afternoon.

HARLEY SADLER PLAYERS SCORE ANOTHER HIT HERE.
 Harley Sadler and his high class company of players are here this week in their big tent pitched up at the head of Kearney street with the best talent and line of plays that have ever been shown in Clarendon. Harley Sadler is, in the opinion of The News, the only showman making this territory who honestly and sincerely endeavors to bring only clean, high-grade plays and vaudeville, and for that reason he and his players are prime favorites in West Texas, where the best amusement demand the best amusement for themselves and their children.

Harley Sadler is a real citizen of West Texas and is for every element of progress and good citizenship that enters into the warp and woof of this section of Texas.

LAKE KEMP FISHING IS GOOD SAY MESSERS TRENT.
 Charles and James Trent returned the latter part of last week from Lake Kemp, where they enjoyed two days of fishing last week. They have a boat with an outboard motor and are able to proceed to the best fishing grounds without the least bit of delay. On this last trip they succeeded in catching twenty-five of the finny tribe, the largest of which weighed between four and five pounds. Pictures of both of them show the string to be about as large as they are able to hold up when the opposite end of the line is attached to the car or some other stationary object.

EPISCOPAL AUXILIARY RECESSES FOR SUMMER.
 The Episcopal Auxiliary held its last meeting before the summer recess, Wednesday, at the home of Mrs. B. W. Chamberlain. The next meeting will be held in September.

BAPTIST W. M. S. HELD GENERAL MEETING, 1ST.
 A meeting of all circles of the Baptist Women's Missionary Society was held Wednesday afternoon at the church. A large number of members were present and an interesting session was held. It was announced that the next meetings of the different circles would be held in the following places: West Circle, in the home of Mrs. C. M. Lane; South Circle, in the home of Mrs. Harry Brunley; East Circle in the home of Mrs. M. E. Thornton.

Mr. and Mrs. E. L. Wickline and their son are visiting in Moody this week.

Miss Vivian Ballow of Amarillo is the guest of Mr. and Mrs. Elba Ballow this week.

Mrs. G. B. Bagby is visiting relatives and friends in Clarksville this week.

M. K. Brown of Pampa was here Monday to attend to business matters.

Jerome Stocking and Floyd Little left today at noon on a fishing trip in New Mexico and Colorado.

Mr. and Mrs. Frank Pound and their daughter, Miss Josephine Pound, left Wednesday for their ranch near Texline. They will spend the summer there.

Mrs. Attie Mae Lane and her little son, Matthew, Jr., and Mrs. J. W. Durham of Memphis are the guests of Mr. and Mrs. C. M. Lane this week.

Mr. and Mrs. J. C. Bishop of Louisville, Kentucky, left here Thursday night, after a visit of ten days in the home of Mr. and Mrs. P. A. Buntin. Mrs. Bishop is Mrs. Buntin's niece.

Dick Cooke went to Clovis Tuesday, to accept a position with the Murray Candy Factory in that city.

RED CROSS RECEIVES FURTHER DONATIONS.
 The following donations to the local fund of Red Cross relief work in the flooded area of the Mississippi were reported too late last week to be published with the long list: Mrs. J. D. Murphy \$10, Mrs. Mollie Gray \$5.00. Seventh Grade Pupils \$5.00.

Although Clarendon's quota of \$400.00 was raised some days ago, Mrs. Kate B. Carroll, Chairman of the Donkey County Chapter, and other local leaders in Red Cross work have continued their efforts, hoping to raise a much larger fund for aid in this, the greatest disaster the country has known. The sum of \$445 had been received the latter part of the week.

J. D. Stogner, C. C. Nash, J. W. Bland, H. Hoggard, A. D. Harris, R. H. Jones, and W. E. Reeves were among the business visitors in the city Monday. All are residents of Hedley.

Mrs. Dick Bain of Hedley was here Tuesday to shop.

IN CORRECTION
 T. E. Bailey of Giles was a business visitor in the city Monday.
