

Paved Highways for Donley County

THE CLARENDON NEWS

A City Auditorium for Clarendon

\$2.00 Per Year. All The Local News—While It Is News. CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, MAY 31, 1928. Established in 1878. New Series Vol. 39. NO. 22

JULY FIRST SET AS END FOR ENTRANCE

CHAMBER OF COMMERCE EXTENDS ENTRANCE DATE TO YARD CONTEST

Even though the time limit set for entrance into the Yard Contest for the year 1928 was set at June 1st, and with all conditions seeming to favor a large number of contestants by that date, the Chamber of Commerce has seen fit to add another month to the length of time for entering this event. The newer yards of the city would not have a sufficient length of time to prepare their yards by June 1st, and it was thought better to allow more time and consequently secure more entrants in all departments of the contest.

This year, the contest is divided into three classes, with three prizes to be given in each of the three classes of entry. To the time of the issue of this paper, the majority of the entries have been in the larger class of yards, calling for a front footage of seventy-five feet or more. The smaller yards have come into second place with the back yards falling behind for third place.

Prizes in any of the classes will not be chosen until following the close of the entry date of the contest, but these will be placed on display in a prominent place that the contestants may know what they are working for when the time limit is up. The closing date for the event has been set at August 18th, giving full time for the yards to be put in their best possible condition by the time the contest closes.

Phone your entry to the Chamber of Commerce and tell the Secretary the class or classes you are entering and proper record will be made. Judges will again be secured from out of town as was the case last year.

BAND MEMBERS JUBILANT AFTER TRIP TO MEMPHIS

Four members of the Clarendon band made the trip to Memphis Monday evening of this week to practice with the band in that city, returning in the same evening. Band director Lindsey stated to a member of the News force Tuesday and said that he feels much better over the Clarendon chances in the contest since the visit was made to the neighboring city. The overture to be played in the contest was played as well as some other selections that will be used by the Memphis group when they make their journey to Houston as the official band of that body. Messrs E. M. Lindsey, G. L. Boykin, Charles Dean and Ross Beville made the trip to Memphis. Charles Dean and E. M. Lindsey will make the Houston trip with the Memphis band.

DATES ARE CHANGED IN CLOSE OF LINEN CONTEST

Miss Eula Key, Home Demonstration Agent for Donley County states that the date for the Linen Contest to be staged by Potter, Armstrong and Donley Counties, has been changed from June 9th to June 16th due to some unforeseen incidents that made the change necessary. The rules for this contest were carried in the News some time past, together with a list of the entries that could be made. Miss Key asks further that all pieces to be entered in the contest be in hand not later than June 13th that they may be classified and arranged in a most pleasing manner.

CITY VALUATIONS SHOW INCREASE

IMPROVEMENTS IN PROPERTY AND NEW BUILDINGS GIVE BASIS FOR FIGURES

The tax renditions for the City of Clarendon will see an increase this year of approximately \$200,000 according to reports received from the office of the City Secretary the latter part of last week. Figures for the year just past show the renditions to be a little in excess of \$2,700,000. For this year the figures will be more than \$2,900,000, which shows a gain of the two hundred thousand mentioned above.

Improvements in existing property, erection of new homes and some changes in public service equipment in the city will bring the figures to a higher amount than that for 1927. In some instances the valuations have been changed to some extent, but this does not make such a large item, as might have been expected from the first.

The Equalization Board for the City of Clarendon will meet in the office of the Mayor in the City Hall June 6th and 7th for the purpose of determining the reasonable adjustments to be made equitable adjustment of the matters in question.

SAND LOT TEAM IS ORGANIZED HERE

CLARENDON SLUGGERS TO CARRY BANNER OF CLARENDON DURING SUMMER

A revival of interest in the great American game of baseball is seen in Clarendon with the organization of a number of amateur teams in the city. There seems to be baseball material aplenty going to waste here and the boys are snapping into the work with enthusiasm and are planning to bring home the bacon to Clarendon when the season closes. Nearby towns who have teams are being sought and the local club plans to take all comers and may be the best man win.

The Clarendon Sluggers is the team that has done the greatest bit of playing in the city to this time, taking over the park on the North side of the track near the location of the old Fair grounds and putting the infield in the best possible condition for the use of the players. To this time the players have been using a heterogeneous set of suits and presented a rather nondescript appearance as they took their places in the field. Their work has been good and the local business men have been asked this week to each give a uniform to the boys that they might at least be as nearly alike in appearance as possible. The result has been that the uniforms were ordered from the fore part of this week and that the boys will all be alike in appearance when they next tackle a team from other paces.

To this time, one game has been played with the Clarendon High School boys, who lost to the glorious tune of 17 to 9. Other games of a practice nature have been played with the Sluggers always coming out on top. They plan other games for the edification of the public and will possibly meet the team from Claude this week. Announcement as to this will be made at a later date. The present line-up of the Clarendon sluggers will be found as follows: O. Wilkerson, C. Moore, P. Andis, Carl, I. Tucker, R. B. Reavis, Peachey, ss; Melton, B. B. Don Martin, rf; Loyd Martin, cf; McCrary, lf and Hill Combust, ss. Reavis also takes the mound on occasion and is relieved by Combust at his chosen post of shortstop.

The Clarendon Sluggers will meet the Claude team Sunday afternoon at Claude. A good attendance is asked from residents of both the city of Clarendon and Claude.

Dr. and Mrs. J. W. Evans returned Thursday evening from Dallas, where they had spent several days.

MISS CLARENDON IS MYSTERY MISS

REWARD OFFERED TO PERSON WHO FINDS IDENTITY OF CITY'S CHOICE

Who is she? A question that will be upon the lips of Clarendon people the next two weeks when trying to unravel the mystery of Miss Clarendon to represent this city at the West Texas Chamber of Commerce Convention in Fort Worth the 18, 19 and 20th of June. Miss Clarendon will be announced at a program and crowning event given in her honor in the city of Clarendon on the evening of June 11th. In the meantime Sherlock Holmes of this city will endeavor to find out who she is and receive a handsome award. The Clarendon News will carry details next week and in the meantime if you can solve the mystery of this city's representation you will be handsomely rewarded.

NEWS WANT AD BRINGS RESULTS IN TWELVE HOURS

A want ad in the News of last week asked for information leading to the return of some horses that had strayed away from home. The horses, three of them had followed an urge of some sort and had strayed away from their home place. Some twelve hours from the time the paper was placed in the office, the missing stock was found and the owner was notified of their whereabouts.

JACK BOURLAND ACCEPTS ANNAPOLIS APPOINTMENT

Jack Bourland, one of Clarendon's boys, has recently had an offer from Marvin Jones for an appointment to the Naval Academy at Annapolis. The acceptance of the appointment is naturally dependent on his passing a physical examination and an examination in scholastics. The physical examination will be taken in June, and the announcement will be made following that date as to whether the young man will go further and take the literary examination.

J. W. OWENS REPORTS CONDITIONS GOOD TO SOUTH

J. W. Owens returned the latter part of last week from quite a continued jaunt to the south of this city. Mr. Owens seemed well pleased with the things he saw while on the trip remarking that all tanks were full of water and that the range seemed to be coming out as it had never done before this time. The route selected for travel by Mr. Owens was the new road site that is being pushed from Turkey to join the southern route to Silvertown near the Antelope Flat school. He reports further that some of the land in that section is selling and that prices are running from \$30 to \$35 per acre. Mr. Owens has large holdings in that part of the Panhandle, and is one of the men giving the right-of-way for the new planned road to open the South Plains country.

FIRE RATE IS CUT FIFTEEN CENTS

NEW KEY RATE OF CITY GIVES TOWN ADDITIONAL BENEFITS

Following closely on the heels of the many changes made in the fire fighting equipment of the city, the installation of a new pumper unit, the addition of a well of sufficient capacity to supply the needs of the city and a host of other items too many to give mention, the town has been completely reclassified as to rates and risks. Four representatives of the Fire Insurance Commission at Austin were recently in the city making a new fire map of the town and offering suggestions as to ways and means of bettering the rate of insurance in Clarendon.

The work of these members of the Fire Insurance Commission has been completed a little more than two weeks, and the first intimation of their work was seen the latter part of last week when the revised schedules were received by the accredited insurance agencies of the city. The new books are complete in all details and give the rates for the business section of the city and a part of the rates for the residence part of the town.

The new key rate for the city is 30 cents as against a former rate of 45 cents. An additional credit of six per cent is allowed from this rate to determine the actual rate of the city. A six per cent loss was registered the past year due to a high fire loss in the city, but such an occurrence is uncommon and is likely to be lifted should the fire records show a betterment for the coming twelve months time.

NEWS TAKES THREE PRIZES IN PRESS CONVENTION

The Clarendon News again proved to the editors of the state that there is something in the wind other than sand when three places in as many contests were won by this paper at the Texas Press Convention at the latter part of last week. In the past the News has ordinarily won a fair place in the Belo Contest and has taken place in the advertising contest staged as a part of the Association meeting by W. N. Beard of Fort Worth.

This year the News rose two places in the Belo Contest and topped off third, losing to the Memphis Democrat who took first place and to the Kerrville Mountain Sun which took second place among the contestants. In the advertising contest, the News fared better, taking second place in the contest for ads of thirty inches and under and copying a cash bonus of \$20. Here again, the Kerrville Mountain Sun took the lead over the News with ads of thirty inches and above, the News dropped to third place, with a cash prize of \$15, again losing to the Kerrville Mountain Sun by one place and to the San Marcos Record who took the first place. The job contest is not open to the News for two more years, and this honor was won by the Canyon News.

Miss Julia Taylor has spent the past week as guest of Miss Cecelia Ateberry in Pampa.

Mr. and Mrs. Edgar Betts of Claud were visitors in the C. A. Burton home Sunday and Monday.

County Superintendent Elmer A. Millsap and family and J. M. Boyd of Cooper, Texas, arrived here Friday of last week for a visit with A. L. Millsap and family. This is Mr. Boyd's first visit to Donley County and he expresses himself as well impressed with the diversified resources of this section.

PRESBYTERIAN CHURCH

Services may be expected at the Presbyterian Church next Sabbath as follows: Sabbath School at ten o'clock. Congregational worship at 11:00 A. M. and 5:30 P. M. All are cordially invited to worship with us.

MEMORIAL SERVICE TO BE HELD SUNDAY

METHODIST CHURCH IS GIVEN TO OBSERVATION OF MEMORIAL TO VETERANS

Under the auspices of the American Legion and Auxiliary, services are planned for the 11:00 hour at the Methodist Church on Sunday, June 3. There will be a special program for presentation to honor the veterans of all wars, special places being reserved for any who are in the city who have taken any part in any wars of the United States.

The following program has been arranged by the committee in charge of affairs and will be presented, opening at 10:45:

Prayer, Rev. W. M. Murrell. Anthem by Choir. Reading, Miss Eunice Johnson. Scripture Lesson. A ten to twelve minute address, Hon J. R. Porter.

Hymn, "America, the Beautiful". Sermon, Rev. S. E. Allison. Hymn, "The Star Spangled Banner". Benediction.

The American Legion Auxiliary, assisted by the Legion members of the city decorated all the known graves in both the Clarendon cemeteries on Wednesday of this week, this being Memorial Day. Flowers were furnished the members of the Auxiliary and were placed on the graves known to be those of veterans. This work was done early in the morning, since this has been set as the best time for the task in hand.

CLARENDON AYRSHIRES GET MORE PUBLICITY

G. L. Boykin, Manager of the Chamber of Commerce, received a letter Monday of this week from C. T. Conklin of the Ayrshire Breeder's Association at Brandon, Vermont, asking for a picture of the five Ayreshires recently brought into Donley County by C. L. Knight. Pictures taken of the five calves were recently broadcast over the state and the push of publicity gained such note as to secure a call from the headquarters of the association. The letter came from the Wichita Daily Times, and Mr. Boykin stated that the picture and all other needed data would be forwarded to the inquirer at the earliest possible moment.

NUMBERING WORK ALL COMPLETED

CLARENDON IS ONE OF MOST COMPLETELY NUMBERED TOWNS IN PANHANDLE

The work of numbering the homes and business houses in Clarendon has been completed and the city now stands as one of the most completely numbered towns in any part of the state. The city and all the citizens were very highly complimented on the response met by the men who did the work, and they state that they had never seen any town more ready and willing to cooperate with them than was Clarendon.

More than seven hundred numbers were placed in the city of Clarendon and only one direct refusal was met at the hands of the men distributing the numbers. The slight cost for the plate and their numbers, coupled with the beauty and utility of them made the refusal well nigh impossible. Folk living here should become accustomed to calling their houses by name and number that visitors may be more easily directed to any part of the town.

Some street names were changed, due to duplications in some of the subdivisions added since the first set of name were installed. Call on the office of the Secretary of the Chamber of Commerce and learn the name of the street you are living on, that you may direct visitors to your home more easily. Have all letters addressed to your street and number that the postoffice will have little difficulty when the Free Delivery system is started here.

The Commissioners of the city have the street names under advisement and will probably place these before the tourist season opens. The sign now in prospect is to be placed on a strong heavy plate welded to a pipe and sunk several feet in a concrete base. The names will be placed on the corners in a prominent position that may see them who pass that way.

ST. JOHN BAPTIST CHURCH (EPISCOPAL)

There will be services Sunday next at 11:00 o'clock, to which all are invited. Trinity Sunday Services. Litany, Pro-Anaphora and sermon. Church School and Bible Class at 9:45 A. M. All are urged to come and bring or send their children.

DONLEY COUNTY'S ENTRANT IN CONTEST IS JUDGED

Miss Altee Smith of the Extension Department of A. & M. College was in Clarendon Saturday of last week for the purpose of judging the Donley County entrant in the Living Room Contest of the state. Miss Smith made her examination and mailed her report in to the College from here. The Donley County winner was the final room to be judged in the district. Miss Smith praised the room highly and complimented Mrs. Dozier a great deal on her taste and work in making the place one to be proud of. Results on the State contest will probably be ready for publication by the middle or latter part of the month of June.

Mr. and Mrs. Selden Bagby, Mrs. L. S. Bagby and Geo. Bagby motored to Amarillo Sunday.

FIRST WEEK-END IS TRIP TO RANCH

SUMMER SCHOOL STUDENTS TREATED TO VISIT TO HISTORIC RESIDENCE

The first of a series of week end trips for the students in the Summer School of Clarendon Junior College was held last Saturday with the headquarters of the J. A. Ranch as the objective in view. The students packed themselves out early and made the ranch in good time. The usual tours of explorations were made with the "Big House" of the ranch with its curios and other attractions as the first stop.

Other tours were made that ended up at noon with the chuck wagon of the ranch. The lunches of the students were spread along with the food of the ranch hands and a general good time was enjoyed by all concerned. The students gathered some idea of the kind of food given the boys when they are on the round up and saw a little of the life they live while they are at work. The Saddle ponies of the ranch were all gathered that the students might see them and note the manner used in catching a mount for the afternoon's riding.

The operations of branding and marking the year's crop of calves was noted with a great deal of interest by many of the students, this being something new to a great many of them. The branding of the calves and the cutting of the cows and their offspring were treated at the hands of the branding iron and the marking knife made a deep impression on the minds of the visitors and they now realize what the operation will amount to.

Those making the trip to the ranch are as follows: Jewell Davis, Mary Sue Watters, Betty Walker, Harold O'Brien, Eugene Estlack, Paul Dubbs, Earl Wilson, Ellis Johnson, Julia Mae Caraway, Virginia Wisdom, Lois Alexander, Mary Frances Conway, Obie Crabtree, Jessie Burson, Eula Allen, Ruth Little, Mrs. Caraway, Maude Bedsoe, Eizie Patrick, Lattie Benson, Willie Vineyard, Henry Wilder, Alice Gordon, Aneline Dubbs, Ina Lane, Pansy Dawson, Maude Crawford, Frank Stocking, Miss Ineva Headrick, J. S. Hutton, L. B. Cooper, Mrs. R. L. Bigger, Rev. S. R. McClung, Benton Smith and Phifer Estlack.

The trip to be taken this week end will take the students to Dripping Springs, some miles out of Claude on the Palo Duro Canyon.

NEAR FATAL ACCIDENT WEST OF CLAUDE SUNDAY

Mrs. Will Cochran and two daughters of Childress were in an accident Sunday that almost proved fatal to Mrs. Cochran. The accident occurred a short distance west of Claude on the highway when a car from Pampa passed a truck in a great cloud of dust and met the car head-on. The Cochran car was overturned, pinning Mrs. Cochran underneath. She received numerous bruises and cuts on the face and body and one of her legs was fractured. The girls escaped with minor injuries. Miss Lucy Noble was in the other car, both the driver and Miss Noble escaping any injuries. Mrs. Cochran is in Clarendon at the present time, staying in the home of her niece, Mrs. C. E. Kilcoz, until her injuries have healed to a sufficient extent to allow her removal to Childress. It will be recalled that the husband of Mrs. Cochran was injured soon after the first of the year in Childress when he stepped from a moving car and was seriously injured. The driver of the Pampa car assumed all responsibility for the accident and has done his best to make things right following the unhappy incident. The Cochran car was badly damaged and was towed into the city for repairs.

Mrs. Cochran and daughters were returning from Hereford, where they had been for a visit with relatives.

Mrs. Irma Lewis left Monday evening for Claude, where she will visit for a time with friends.

CLARENDON PLACE CHOSEN FOR MEET

BAND AND DELEGATES HAVE HEADQUARTERS SELECTED FOR CONVENTION

Secretary-Manager G. L. Boykin of the Chamber of Commerce returned from Fort Worth the latter part of last week, where he had been to make arrangements for the Clarendon band and delegation during the West Texas Chamber of Commerce convention in that city during June. More music for the use of the band was also secured to place the Clarendon group in the best possible condition for the convention when it opens.

The Clarendon delegation headquarters will be found in the downtown office of the Fort Worth & Denver Road. These offices are located at 108 East 9th Street. This is one of the most centrally located stations in the city, being a little more than one block from the Texas Hotel, the headquarters of the West Texas Chamber of Commerce.

The band will in all probability be housed in the Terminal Hotel, directly across from the T. P. Station in Fort Worth. This is another advantageous location since all parades will be started from this part of Main Street. The concerts will be held in the T. P. reservation and which should be satisfactory to the band boys who play in the band.

FIRST AIR EXPRESS IS RECEIVED HERE SATURDAY

Agent Geo. L. Green of the American Railway Express Company in this city states that the first Air Express package for Clarendon was received here Saturday evening of last week. The package was shipped from Houston Saturday morning by plane, carried to Fort Worth during the day and took Denver train Number 1 on its route in this direction. The shipment consisted of a package of small parts for the Southwestern Bell Telephone and was delivered to the receivers here at 7:40 Saturday evening. This it is seen that twelve hour service may be secured from points in far distant sections of the state and nation by the use of Air Express. Lines radiate from Dallas and Fort Worth to Houston on the south and to Chicago and New York on the east and north.

Mr. and Mrs. Ralph Kerbow and daughter, Dorothy, spent the week end with relatives in Claude.

Mrs. T. M. Shaver, Miss Helen Martin and Mrs. J. W. Martin visited in Claude Sunday afternoon.

A. T. WELL STOPS ALL OPERATIONS

NEW STRATA OF WATER HIT AT 3,700 FOOT LEVEL CAUSES HALT

All operations have been stopped on the A. T. Well near Goldston for the past week or ten days since the last strata of water was struck at near the 3,700 foot level of the work. All obstructions had been passed through and the caves had been temporarily stopped and drilling was progressing at a nice rate when the new flow of water was encountered.

A new string of casing of a smaller diameter will be needed to stem the new flow before any further depth can be made. It had not been learned if further capital is to be placed in the A-T or if a new location will be made and a complete new well made with the present equipment. Mr. Reynolds, the present controller of the proposition, has made no statement other than to say that the well was shut down on account of the new flow of water and that a new string of casing would be needed before more depth could be made. The last contract on the well called for a depth of 4,000 feet or less in case production should be reached before that depth.

TOM BLANTON SPOKE HERE IN AMERICAN LEGION HALL

Tom Blanton of Abilene, candidate for the office of State Senator, spoke to a relatively small crowd in the American Legion Hall here Monday morning at 10:00 o'clock. Mr. Blanton is making his round of the state and came from Wellington to this city, leaving here to speak at Hedley and Memphis Monday. Due to the fact that the folk of the city and county are rather busily engaged with getting their affairs straightened out after the late rains, the attendance was smaller than might have been expected under other conditions.

Rev. and Mrs. F. T. Charlton are visiting in Amarillo this week with their daughter.

HEREFORD LOSES TO HILLCROFTERS

VISITORS PROVE EASY PREY AS HILLCROFT COURSE IS PLAYED SUNDAY

Following a series of disasters of various sorts, ranging from cold weather and wintry blasts to a time of flood, the Hillcroft team met the Hereford golf team here Sunday afternoon and trimmed them in a jolly manner, taking fifteen of their eighteen matches played. The match here was played in return for a similar event held in Hereford some time past, with the tables turned on the Hillcrofters when they visited the Hereford course.

Two matches in the play went to extra holes, these being played by Bill Cooke of the Clarendon club and D. Fox of Hereford and Lenode Goldston of Clarendon and Osborn of Hereford. Cooke won his match in nineteen holes while Goldston took twenty to subdue his man, Robert Weatherly, Junior, copped the low score of the day by shooting a seventy-five for the eighteen holes played. Other than this, the lowest score turned in was seventy-nine and the highest score was ninety-six.

The players and their winnings follow: Pittman 81, Merchant 85 won by Pittman four and two; Clark 84, M. Gentry 82 won by Gentry three and one; D. Fox 79, Bill Cooke 79 won by Cooke one up, nineteen holes; Marris 79, R. Weatherly, Jr., 75 won by Weatherly five and four; Rice 88, Wilson 82 won by Wilson four and two; Foster 88, B. Kerbow 81 won by Kerbow seven and six; Roden 83, Stricklin 82 won by Roden two and one; Wilkerson 87, Douglas 82 won by Douglas six and five; Posey 90, Wood 83 won by Wood four and three; Lange 87, Phillips Gentry 83 won by Gentry four and three; L. Foster 94, L. Casey 89 won by Casey four and three; Rossion 92, Perrine 80 won by Perrine seven and six; Bennett 89, R. Weatherly, Sr., 86 won by Weatherly three and two; Cockrell 94, Al Cooke 86 won by Cooke seven and five; Osborn 95, L. Goldston 95 won by Goldston 1 up, twenty holes; Patton 93, Reeves 87 won by Reeves five and three; Stambaugh 96, K. Lane 90 won by Lane 2 up; Shannon 87, Forrest Taylor 96 won by Shannon five and four.

A prize posted by Clyde Douglas for the player in the tournament who set the stake the greatest distance from number 1 tee was given to Roden of Hereford on a drive of approximately 285 yards. G. L. Boykin pushed the stake up another five yards but was not in the play so could not be eligible for the award.

BARTLETT AND FAMILY TO MOVE TO CHILDRESS

Announcement was found in the Sunday issue of the Childress Index of the opening of a studio in Childress by J. Roy Bartlett of this city. The announcement came as an absolute surprise to many of the friends of Mr. Bartlett in Clarendon, and all of them wish him well in his new venture in Childress. For the past few months, Mr. Bartlett has been the distributor for Nash Automobiles in Clarendon, having sold his studio here to Earl Alderson. The family will probably not leave Clarendon for thirty days. Mr. Bartlett is securing the use of a new building, erected to suit his needs and will possibly erect a home for himself and family in the city of Childress.

STORY HOURS TO START NEXT WEEK

TUESDAY EVENING ON THE OLD GRAMMAR SCHOOL GROUND IS TIME, PLACE

Resumption of the Pathfinder Story Hour on Tuesday evening of next week will see the beginning of the work of this body for the summer months. The plan of devoting one hour each week to telling stories to the younger ones of the city has spread with fine results to many of the cities of the Nation and the Pathfinders find it to be doing nicely here. The work has been handled here by the Pathfinders for the past four years with increasing interest each year. They are expecting a greatly increased interest and attendance this year.

The program of persons to hold the story hours and the sponsors for the next event was carried in the News of some weeks past. All of the people chosen to tell stories are gifted in their ability to hold an audience and it is reassuring to the parents that they know their youngsters will be well cared for at these meetings.

Seven o'clock will be the hour for the gathering, which will last one hour and be closed. Miss Helen Martin will have the first story hour and will be assisted by Mrs. C. C. Powell and Mrs. Walter Taylor as sponsors.

NATIONAL EDITORIAL ASSOCIATION — PANHANDLE PRESS ASSOCIATION

The editor of a weekly newspaper in a distant part of the state draws a very accurate picture of a type of citizen found in every community, both little and big. Here is the description: "There is a certain type of man in every community who poses as a good citizen. He breaks no laws, lives morally, pays his honest debts and is never tangled up with the law in any manner. But he lives of himself and for himself exclusively. When the call is issued for volunteers to put across a community movement and give a boost, he never answers. When calamity has befallen people in certain localities and charity flies to their rescue, he is never one of their number. When money is needed for a public enterprise his name is never on the list. When he sees some neighbor stuck in the mud he detours to avoid him. In fact, if he stood on the shore and saw the ship sinking, he would never offer to throw out a line. And, if all mankind was fashioned from this same kind of chap, what would happen? There would be no churches, no hospitals for the sick, no institutions for the unfortunate, no progress. If you are about to become a useless 'good citizen,' read this editorial again."—Grand Junction, (Col.) Daily Sentinel.

PROVIDING FUTURE PARKS

Looking to the future in park problems many of the cities require that when an addition is brought into the city that a certain percentage, generally five per cent of the area be designed as a park and that this park be deeded to the city. Having taken care of the park needs of the older parts of the city, this plan provides for parks for all future growth of the city. The parked areas are so arranged that they are benefit to the realtor putting on the addition. The plat of the addition must conform to the regulations of the city and the parked plot be acceptable to it.

Many cities have found that they are paying for lack of foresight in ground for public recreation. When they wake up to an acute need for more park space and they to distribute the parks so that all of the people will be accessible ready to them it is often the case that improved property must be bought at a high price. In wrecking buildings or in moving them great economic waste results.

The provisions that all additions or subdivisions must dedicate a certain part of the space to parks seems to be an equitable one. It is certain that these park areas can be more orderly and more cheaply acquired before development than after.—Plainview Evening Herald.

RESPECT "OLD GLORY"

To show proper respect to "Old Glory," the following code of flag etiquette should be observed:

The flag should be flown only from sunrise until sunset, hoisted briskly and lowered slowly and ceremoniously. When carried in parade or procession with another flag or flags, "Old Glory" should be on the marching right, or if there is a line of other flags then "Old Glory," may be in front of the center of that line.

When on display with another flag on crossed staffs, as against a wall, "Old Glory" should be on the right (the left as one faces it) with its staff in front of the other staff.

When a number of flags are grouped (as a battery of flags) then "Old Glory" should be in the center or at the highest point of the group.

When "Old Glory" is used otherwise than being flown from a pole or staff, it should be displayed flat whether indoors or out. When displayed horizontally or vertically as against a wall the Union should be uppermost and to its right, i. e., the observer's left. When displayed in a window as above, same rule applies, i. e., the Union (stars) to the left of the observer in the street.

When used over the middle of a street as a banner, "Old Glory" should be suspended vertically with the Union (stars) to the north on an east and west street, or to the east on a north and south street.

When used on a speakers' platform "Old Glory" should be displayed above and behind the speakers. It should not be used to cover the speakers' table nor to drape over the front platform. Use bunting for such decorations. If flag is flown from a staff it should be on the speaker's right.

When flown at half staff, it is first hoisted to the peak and then lowered to half staff, but before lowering for the day it is again raised to the peak.

When used to cover a casket the flag should be placed so that the Union (stars) is at the head over the left shoulder. The flag should not be lowered into the grave nor allowed to touch the ground. The casket should be carried foot first.

When used in church it should be displayed from a staff and on the congregation's right as they face the clergyman. If in the chancel then "Old Glory" should be on the clergyman's right as he faces the congregation and other flags on his left.

During the ceremony of raising or lowering the flag or when "Old Glory" is passing in parade or in review, all present should face the flag, stand at attention and salute. When not in uniform men should remove head dress with right hand and hold it at the left shoulder. Women should place right hand over the heart. The salute in the moving column is rendered as the flag passes you.

At the playing of the National Anthem (Star-Spangled Banner) the same salute is given and held until the last note of the anthem.

Holidays When the Flag Should Be Displayed at Full Staff

Lincoln's Birthday	Feb. 12	Independence Day	July 4
Washington's Birthday	Feb. 22	Labor Day, First Mon. in Sept.

CHRISTIAN ENDEAVORERS TO MEET UNDER ONE ROOF

The State Christian Endeavor Convention will be held in Amarillo June 13th-17th inclusive. The entertaining churches of the Convention are: Central Presbyterian Church, Rev. R. Thomsen Minister, First Christian Church, Rev. F. W. O'Malley, Minister, and West Amarillo Christian Church, Rev. W. O. Dallas, Minister. The convention headquarters will be in the Central Presbyterian Church at 11th and Harrison Streets.

One of the features of this Convention which will set it apart from others is that the whole convention will be under one roof. The new Central Presbyterian Church, will adequately care for all sessions, conferences, study classes, committee meetings and the Junior and Intermediate Sessions. The beautiful auditorium with its great organ, echo organ and chimes will be used for the main sessions.

The social program of the convention will be full of good things. The "Big Banquet" which is the main feature of the social things, to be held in "Fellowship Hall". This banquet will be on Saturday night, June 16th, and it is one of the features of the convention which is looked forward to with a great deal of pleasure because it is here the young people from over the state enter into a great fellowship meeting, singing their songs and giving their yells. Troubles and cares are forgotten. New friendships are made and old ones are renewed around this banquet board. A better place could not be found for this banquet than "Fellowship Hall". It will adequately take care of the needs for all the banquets and luncheons.

The educational program will include bible study each morning. There will also be conferences and study classes on Christian Endeavor

A Rented house is an Expensive sort of Makeshift for a Home

Rented houses are all right in their way, but it's not very good economy to spend a large percentage of your income every month and have nothing to show for it.

Isn't it wiser to select a lot to your liking, build thereon exactly the house you desire, and let the monthly payments make it yours—forever? Once the home is yours you'll never regret having bought it. Act quickly—phone 8 and let's talk it over.

Every 40 seconds of every working day somebody buys a Buick - Year after year it wins twice as many buyers as any other fine car

Buy your Buick with the knowledge that the overwhelming majority of America's fine car buyers are making the same wise selection and enjoying the same wonderful satisfaction.

This most brilliant of fine cars enjoys two-to-one leadership in its field and has maintained its leadership, not for a week or a month, but year in and year out since the early days of the industry.

The minute you see Buick you'll

know one reason for its popularity—it excels in beauty. The minute you drive it you'll discover a further reason—it excels in vibrationless performance. And when you compare values, you'll have the full story—for nowhere is there a car so fine and dependable at a price so remarkably low.

The judgment of America is mighty good judgment to bank on. And America, by a two-to-one vote tells you to buy a Buick.

SEDANS \$1195 to \$1995	COUPES \$1195 to \$1850
SPORT MODELS \$1195 to \$1525

NEW CREAM STATION Mary Hortense McClung arrived Tuesday, May 22nd, to brighten the home of Rev. and Mrs. McClung. At last report mother and baby were doing nicely.

Society

Trostle-Gossett

Friends of Roscoe Trostle of this city will be glad to learn of his marriage on last Thursday to Miss Bess Gossett of Shamrock. The ceremony was held in the Trostle country home at 11:30 May 24th with Rev. W. M. Murrell, Presiding Elder of the Clarendon District officiating. The immediate relatives of both contracting parties, together with a number of close friends were present to witness the ceremony. Immediately following the marriage, an old time wedding feast was spread, to the great gratification of all those present.

Late in the afternoon of the same day, the young couple left for Clarendon, Claude and other points for their honeymoon. They visited with relatives of the bride in Claude, later returning to Clarendon where they spent Sunday and met many of the former acquaintances of the groom at the League services Sunday evening. They will leave here the latter part of this week for Abilene, where they will attend the Epworth League Assembly.

The young couple expects to teach near Shamrock next winter and will make their home on the Trostle farm near that city. Following this they will probably attend school and further prepare themselves for the life that is ahead of them.

Miss Gossett is a graduate of the Shamrock High School of the class of '28 and is said to be one of the outstanding young ladies of that city.

The groom is well known to Clarendon people, having attended Clarendon College a number of years past. He was one of the ministerial students of the school and has great promise of becoming an outstanding figure in this part of the state.

The many friends of the young couple in Clarendon extend them the felicitations of the occasion and wish for them a long, happy and useful life.

Gartin-Upton

Miss Jessie Mable Upton, the daughter of J. L. Upton, was married Wednesday, May 16th to Mr. William L. Gartin, prominent young ranchman of Lingrith, New Mexico.

The ceremony was performed in the home of the bride's father by Rev. W. M. Murrell, Presiding Elder of the Clarendon District in the presence of the immediate relatives. The bride was very attractively attired in a lovely cream flat crepe with accessories to match. Mrs. Gartin is one of the attractive girls of Clarendon and has a wide circle of friends, she having been a student in the schools here for several years.

Shortly after the ceremony the couple left for Lingrith, New Mexico, where they will make their home.

Cousins-Reeves

A wedding of much interest to their friends in Clarendon was that of Miss Ruby Mae Reeves and Mr. Charles Cousins, which occurred May 28th at the Methodist parsonage, Rev. S. E. Allison officiating.

Miss Reeves is a very attractive young lady of McLean. Mr. Cousins is a brother of Mrs. Charles Lowry of this city and has a number of friends here who wish him and his happy bride much happiness in their life together.

Episcopal Auxiliary Meets

Mrs. G. B. Bagby was hostess to the members of the Episcopal Auxiliary Wednesday afternoon at her home. A number of interesting readings concerning the work of the society were given by various members.

A social hour was enjoyed later. With the next meeting, June 6th, at the home of Mrs. James Trent, the society will close for the summer months.

Bridge Benefit

One of the most successful bridge benefits given in the city was that of Tuesday afternoon in the home of Mrs. James Trent, which manifest the interest shown in the American Legion and was very gratifying to the members of the Auxiliary.

Ten tables were in the playing with several people donating to the cause.

The rooms were tastefully arranged with roses and honeysuckle as the decorations used. Refreshments were served at the close of the games.

Miss Ione Reid Honored

By Miss Mae Lumpkin

Honoring Miss Ione Reid of Blum Texas, who has been an instructor in the Amarillo Public Schools for the past year, Miss Mae Lumpkin entertained with a delightful bridge party Tuesday evening at her lovely home.

Beautiful floral decorations of roses and delphinium were used lavishly throughout the entertaining suite.

At the close of the games a lovely favor was presented the honor guest, Miss Reid. High score for ladies was held by Mrs. B. L. Jenkins, Jr. Consolation was drawn by Frank Stocking.

A lovely two course refreshment plate was served with clever candy corsages for ladies and but-

tonnaires for the gentlemen as the plate favors.

Those enjoying this lovely hospitality were: Mr. and Mrs. Fred Rathjen, Mr. and Mrs. Clyde Price, Mr. and Mrs. B. L. Jenkins, Jr., Miss Ione Reid, the honoree, Miss Fannie Florence Sims, Miss Katherine Patrick, Miss Naomi Allison, Miss Eula Key, Messrs. John Bugbee, Frank Stocking, J. S. Hutton, Ralph Bourland and Jerome Stocking.

Miss Fannie Florence Sims is Hostess

A much enjoyed party of last Thursday was that of Miss Fannie Florence Sims, when she entertained the members of the Thursday afternoon Club with Bridge.

Spring flowers were decoratively arranged in the entertaining rooms. In the games, Mrs. T. H. Ellis scored high.

A delightful plate luncheon was served to: Mrs. T. H. Ellis, Mrs. Merrill, Mrs. James H. Morris, Mrs. Park Chamberlain, Mrs. Earl Alexander, Mrs. Clyde Price, Mrs. L. L. Swan, Miss Anna Moores, Miss Nettie Sims, Miss Mae Lumpkin, Misses Mary and Frances Cooke.

Dinner Bridge Club Entertained

The evening Dinner Bridge Club members were guests of Mrs. W. H. Cooke Saturday evening.

A sumptuous three course dinner was served at the dining table which was beautiful with a centerpiece of exquisite pink roses. Miniature Colonial ladies were the clever place cards with dainty nut cups completing the pink and white color scheme.

Seated for the games in which Mrs. C. C. Powell was awarded high score favor and Mrs. R. A. Chamberlain consolation were: Mrs. W. H. Martin, Mrs. R. A. Chamberlain, Mrs. C. C. Powell, Mrs. Sella Gentry, Mrs. T. H. Ellis, Mrs. L. S. Bagby, Mrs. Cooke and Miss Frances Cooke.

Lovely Party Given

By Mrs. Earl Alexander

Many lovely parties of last week end was enjoyed by the socially prominent of the city among them was the lovely party given by Mrs. Earl Alexander at her beautiful new apartment, the interior of which was artistically arranged with beautiful roses and ferns.

After the games of auction bridge in which Mrs. T. H. Ellis received high score favor and Mrs. W. C. McDonald low, a delicious two course plate luncheon was served to: Mesdames Ralph Kerbow, Homer Ellis, T. H. Ellis, W. C. McDonald, Clyde Price, Selden Bagby, Holman Kennedy, Sam Dyer, O. L. Jenkins, Nat Perrine, Park Chamberlain, Charles Bell, Charles Trent, Clarence

Miller, Allen Bryan, Misses Mary Stocking, Willette Cole, Lotta Bourland, Mary and Frances Cooke.

Ladies Aid Meets in Home of Mrs. Wood

The Ladies Aid of the First Christian Church met in the home of Mrs. Nat Wood Wednesday afternoon with twelve members and one visitor present. Mrs. Frank White opened the meeting with a devout prayer.

Mrs. Eva Humphrey was leader for the afternoon, the lesson being the 13th Chapter of Matthew, at the close of which a short business session was held, followed by the serving of dainty refreshments by the hostess.

At the next meeting June 6th, the election of officers will be held and a large attendance of the members is urged to be present.

Mrs. McCrary Hostess to Club

In rooms fragrant with roses and other spring flowers gathered the members and a few invited guests of the Thursday Needle Club to spend an afternoon in needlework and pleasant conversation in the home of Mrs. A. R. Letts with Mrs. Frank E. McCrary as the charming hostess.

Those enjoying this hospitality were: Mesdames W. H. Martin, James Trent, F. C. Baldwin, R. F. Morris, A. L. Chase, R. A. Chamberlain, J. E. Mongole, H. C. Kerbow, J. T. Patman, L. S. Bagby and Miss Prachar.

Mrs. Porter Is Hostess

On Saturday afternoon at her lovely home, Mrs. J. R. Porter very charmingly entertained a group of friends with a bridge party.

A dainty refreshment course was served by the hostess at the conclusion of the games to: Mrs. H. B. Kerbow, Mrs. C. E. Killough, Mrs. M. M. Noble, Mrs. C. C. Powell, Mrs. Eva Rhode, Mrs. J. G. Sherman, Mrs. R. Wilkerson, Mrs. Sella Gentry, Mrs. Chas. Trent, Mrs. H. T. Burton, Miss Norma Rhodes, Miss Fray Stallings and Mrs. W. E. Colley of Vernon.

Mrs. Swift Entertains Thursday

Fancy needlework and a continual hum of delightful conversation was the pleasant diversion at the home of Mrs. J. D. Swift, who was hostess to the members of the Kill Kare Needle Club Thursday afternoon.

Many beautiful roses adorned the rooms in welcome to the guests.

Tea was served later by Miss Anna Moores from a table lovely with a centerpiece of pink roses, pink candles in silver holders and silver appointments.

Among those present were: Mesdames Geo. McClesky R. Wilker-

Holman Kennedy, Dr. and Mrs. O. L. Jenkins, Mr. and Mrs. Jimmy Miller, Mr. and Mrs. Philip Gentry, Mr. and Mrs. Selden Bagby, Mr. and Mrs. Sam Dyer, and Mr. and Mrs. Homer Ellis.

In the games of auction bridge Mrs. O. L. Jenkins was awarded high score prize for ladies, Nat Perrine for gentlemen and Mrs. Sam Dyer drew consolation.

Mr. and Mrs. Patrick Entertain
A lovely party of last week end was that given by Mr. and Mrs. W. H. Patrick on Saturday evening, honoring the members of the 500 Club.

An elaborate four course dinner was served at tables centered with pink roses and sprays. Pink tapers and dainty place cards completed the color scheme. High score prizes were won by Mrs. James Trent and Mr. F. E. Chamberlain. Consolation favors went to Mrs. Odos Caraway and Mr. Wesley Knorpp.

Those in attendance were: Mr. and Mrs. Odos Caraway, Mr. and Mrs. John Blocker, Mr. and Mrs. A. L. Chase, Mr. and Mrs. George Ryan, Mr. and Mrs. J. T. Sims, Mr. and Mrs. A. T. Jefferies, Mrs. James Trent, Mrs. Kate Carroll, Mr. John Sherman Bugbee, Mr. Louis Halloway and Mr. Wesley Knorpp.

Dr. and Mrs. Sherman Entertain With Forty-Two Party
Dr. and Mrs. J. G. Sherman were the delightful host and hostess to a number of their friends with a forty-two party at their home, Thursday evening.

The house was decorated with beautiful pink and white roses, pink also predominating in the lovely refreshments served at the conclusion of the games in which Judge Porter won high score and Mr. C. C. Powell low.

Those present: Mr. and Mrs. G. G. Kemp, Mr. and Mrs. H. B. Kerbow, Mr. and Mrs. M. M. Noble, Mr. and Mrs. J. T. Patman, Mr. and Mrs. J. R. Porter, Mr. and Mrs. C. C. Powell, Mr. and Mrs. R. Wilkerson, Mr. A. A. Mayes, Mrs. Eva Rhodes, Mrs. B. G. Smith and Mrs. W. E. Colley of Vernon, house guest of Dr. and Mrs. Sherman.

Mrs. W. W. Dodson accompanied Harper of Newlin home for a her uncle and aunt, Mr. and Mrs. week's visit.

Mrs. Claude Taylor and children of Goodnight spent Saturday night and Sunday with her parents, Mr. and Mrs. J. M. Moore.

Mrs. Jim Warren and children of Amarillo came Saturday for a visit with her parents, Mr. and Mrs. J. R. Mace.

The Ways and Means committee of the Lelia Lake P. T. A. wish to make the following report of their work for the school term just closed. \$247.49 was raised in the following manner: by carnival, box supper, sale of pies, peanuts, popcorn, candy, ice cream and from donations \$14.26, carried over from last year. Total, \$261.75. This amount was disposed of in the following ways: Science books, \$66.50; English books, \$28.33; History books, \$8.77; Grammar School library and equipment, \$34.88; Athletics, \$85.34; Track Meet and equipment, \$21.18; Expense for carnival, \$4.80; Flowers, \$5.00; State dues, \$5.00; Charter frame, paper sacks and register, \$1.95. Total, \$261.75. The committee wishes to thank the community for their loyal support in this work.

Respectfully submitted,
Committee.

BURKIY SECURES RELEASE FROM KIDNAPING CHARGE

W. A. Pierce, Harwood Beville and Frank Burkiy returned the latter part of last week from Ardmore, Oklahoma, where they had been to secure the release of Frank Burkiy on a charge of kidnaping. The charge was the outgrowth of the return of a boy from Oklahoma to Clarendon early in this year, the parents of the boy in Oklahoma preferring the charge against the men on the theory that they had no authority to return the boy to Texas. It was alleged that the boy was returned without his permission, but this was later given in writing after the state line had been crossed. The verbal word of the boy was used while in Oklahoma and was given in the presence of a number of peace officials of Oklahoma. The charge against Mr. Burkiy was made jointly with Adam Risley, the release of both men coming as a matter of the work of the sheriff of Donley County and others of this city. A complete release was secured for all the men concerned.

EPWORTH LEAGUERS CHOOSE OFFICERS FOR COMING YEAR

The Clarendon Epworth League selected the officers for the coming year at their regular session in the Methodist Church Sunday evening of this week. In addition to this, a committee was named to work up a delegation to attend the assembly that will be held at McMurry College June 4th to 8th. They hope to secure a good attendance from here.

The following officers were elected at the meeting Sunday evening: Robert Dillard, President; Phifer Estlack Vice-President; Eunice Johnson, Recording Secretary; Maude Bledsoe, Corresponding Secretary; Charles Summers, Treasurer; Hazel Bourland, Pianist and Gwendolyn Allison, Era Agent. The heads of the four departments will be appointed by President Dillard at a later date and will be announced when the appointments have been made.

Feel Miserable This Spring?
To Be Well Your Kidneys Must Function Properly.

SPRING find you tired, nervous and depressed? Are you stiff and achy, subject to nagging backache, drowsy headaches and dizzy spells? Are kidney excretions too frequent, scanty or burning in passage? Too often this indicates sluggish kidneys and shouldn't be neglected. Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and thus aid in the elimination of waste impurities. Doan's are endorsed everywhere. Ask your neighbor!

PERSONALS

Mr. and Mrs. E. A. Armstrong of Panhandle spent last Sunday visiting in the home of Mr. and Mrs. Clark Hemminger.

Edwin B. Patterson is expected in the city the latter part of this week for a visit in the home of Mr. and Mrs. G. S. Patterson.

Mrs. W. E. Hastings left Friday for her home after a short visit in the home of Mr. and Mrs. Gid Williams.

Rev. and Mrs. W. M. Murrell returned Wednesday from Abilene, where they had been for a visit and attending the commencement exercises of McMurry College.

Mrs. A. A. Mayes left Thursday morning for Birmingham, Virginia, where she will visit with her two sisters whom she has not seen for a number of years.

Miss Susie Patterson, an instructor in the schools of Wichita Falls, is now at the home of her parents, Mr. and Mrs. G. S. Patterson.

Mr. W. E. Colley arrived in Clarendon Saturday afternoon to join his wife and daughter who have been guests in the J. G. Sherman home for several days. They returned to their homes in Vernon Sunday evening.

B. Frank Bennett, Assistant Manager of the West Texas Chamber of Commerce, was in Clarendon a short time Saturday of last week. Mr. Bennett states that great plans are being made for the reception and care of the visitors at the convention in Fort Worth in next month.

Rev. M. Leo Rippy of Memphis Tennessee will be in the city the latter part of this week for a visit in the home of Mr. and Mrs. G. S. Patterson. After a few days here, Rev. Rippy will leave for Fayette, Missouri, where he will teach for a time in a pastor's Training School.

Mrs. R. L. Mallow, son and daughter of Sanger, Mr. and Mrs. D. H. Minick of Sanger were in Clarendon Wednesday of this week for a visit in the home of Mr. and Mrs. O. C. Watson. They were enroute to their home from a visit to other relatives in Borger.

The News is informed that further honor has been conferred on one of Clarendon's boys in that Leon O. Lewis, Jr., was selected as president of his class in the State University for the year 1928-29. Leon has been in the University for a number of years and has made an enviable record for himself since starting to school there. He will receive his degree from the School of Business Administration in June of this year.

morning at the Taylor home in this city. Mrs. Sarah Henderson, or Aunt Sally as she was better known, was eighty-six years old at the time of her death and had spent thirty-seven years of this time with the H. W. Taylor family in Clarendon. Death came after a short illness and the Taylor family feels the loss almost as keenly as though some one of the members of the family had passed into the great beyond. The body of the deceased was shipped to Jacksboro last Sunday morning, where she will be buried

alongside her husband and daughter, the only two known relatives of the old lady. Mr. and Mrs. H. W. Taylor, Mrs. Phil Engel and Mr. and Mrs. C. Goodnight accompanied the body to its final resting place and will visit some of the familiar spots near Jacksboro before returning to their several homes here. Deceased has been a member of the Methodist Church for a number of years. Little is known of her parentage with the exception of the fact that she was of mixed Mexican and Indian origin.

NAYLOR

Mr. and Mrs. W. D. Van Eaton of Clarendon visited with Mrs. Fanny Naylor and daughters Thursday afternoon.

Mr. A. O. Helm and daughters, Misses Hazel and Ava were Amarillo visitors Thursday. Their aunt, Mrs. Burton of Clarendon who was visiting in the Hefner home went with them.

Miss Lucine Johnson, who has been attending school at Chillicothe, is now at home for the summer.

Mrs. A. O. Hefner spent the week end with her sister, Mrs. Barton.

The Home Demonstration Club met Wednesday with Mrs. J. R. Bain with full attendance and having as guest our State Demonstrator in Clothing, much interest was shown and many items of importance were discussed. After the gracious hostess served dainty refreshments the club adjourned to meet with Mrs. John Naylor in June.

Bro. Hart of the Methodist Church filled his appointment Sunday. We are always glad to have Bro. Hart with us.

Mr. and Mrs. Wynne Bowlin and children of Hedley spent Sunday with Mr. and Mrs. Richmond Bowlin.

Mrs. Lewis Fields and son of Amarillo spent the week end with Mrs. Fields' mother, Mrs. Fanny Naylor.

All the farmers are busy planting and all expect a good crop for 1928.

Miss Louise Tidrow spent the week end visiting relatives and friends at Memphis.

Mr. and Mrs. A. E. Tidrow visited Mr. and Mrs. Byron Alexander at White Flat Sunday.

Grandma Hefner is visiting with friends at Ashtola. Although 90 years old Grandma is still able to visit and enjoy company.

HUDGINS

Sunday School at the regular hour with a good crowd present.

Brother Johnson of Lelia Lake preached after Sunday School.

Several from Lelia Lake attended preaching at Hudgins Sunday evening.

Mr. and Mrs. Milo Dotson of Memphis visited in the Dotson home Sunday.

Mr. and Mrs. Lott Kimbriel of Clarendon visited in the D. H. Kimbriel home Sunday.

Mrs. W. E. Christie is reported on the sick list this week.

The Hudgins school enjoyed a picnic at the ranch last Friday. School will close with a program next Friday night.

Mr. and Mrs. O. L. Jacobs, Mr. L. O. Christie, and Mrs. D. H. Perdue attended the funeral of Mr. B. F. Hill at Claude last Tuesday.

One of our teachers, Miss Lucille Temples, was taken very sick Friday. She was carried to Clarendon where she is under treatment. We wish for her a speedy recovery.

Miss Alice Behringer spent Saturday night with Miss Mattie Fletcher.

Miss Myrtle Pope of Goldston attended singing at Hudgins Sunday night.

Mr. Lee Usery of Lelia Lake attended Singing at Hudgins.

Mr. and Bee Chenault and Mrs. Reeves visited in the J. C. Perdue home Sunday evening.

Mr. and Mrs. William Pierce visited with Tom Perdue and family of Hereford last week end.

Mr. and Mrs. Kay Smith visited in the W. E. Christie home Sun-

day and attended singing at Hudgins.

Mr. and Mrs. Jimmie Allie spent last week in the J. L. Talley home. Mr. and Mrs. Pat Myers of the Chamberlain Community attended Sunday School at Hudgins Sunday.

RACE FOR COUNTY JUDGE

TO THE PEOPLE OF DONLEY: Believing that a statement of the Candidate's qualifications for the office sought, is always in order, I respectfully submit to you the following facts in regard to myself and my candidacy for the office of county judge of your county.

I am thirty-five years of age, was born and reared on a farm in Comanche county, Texas. I completed the first two years work in the academic departments of Baylor and Texas Universities, am a graduate of the law department of the University of Texas, having received my LL.B. degree at Texas in August 1920.

I am now and have been for a little more than seven years just past, county attorney of Donley County, actively engaged in the trial of causes both civil and criminal. For three years prior to entering the law school in September 1916 I was teaching in the rural public schools of this state. Since October 1920 I have resided in this county, have bought and paid for a home at Clarendon where I now reside with my family. My record here both as a citizen and an officer is well known to many of you.

Farming and stockraising are the basic industries of this county as well as the nation. Their progress, well-being and prosperity are inseparably tied to the advancement of the county itself and all other business therein. If elected as your county judge I shall use my every effort consistent with the laws of this state to further their growth.

The public schools of this county are a source of pride to its citizenship. Therefore, inasmuch as your county judge, by virtue of his office, is also your county superintendent, I desire to here state that should I be your county judge, it shall be my pleasure to painstakingly labor for the continued advancement and progress of your public schools.

The administration of the county's finances is a matter of vital concern to every citizen. And while the expenditure of county funds is primarily in the hands of your commissioners, yet the county judge as presiding officer of the Commissioners Court, is a co-worker and counselor of the commissioners and as such bears a large responsibility in regard to the spending of the county's money. If elected as your county judge I shall favor a sound and economical administration of the county's business in accord with the statutes and your best interest in the Commissioners court; dispatch of business everywhere and a speedy trial of all causes in the county court.

I am asking for a promotion at your hands in the democratic primary to be held on July 28th, 1928. Your vote and influence will be appreciated.

Respectfully submitted,
CURTIS E. THOMPSON.

J. L. LEVERETT, M. D., SPECIALIST
Paris, Texas
PELLAGRA—STOMACH TROUBLE

I have a NEW perfected treatment for Chronic Stomach trouble and Pellagra, superior to anything I have ever seen or tried in all of my 24 year's experience in the practice of medicine. I have so much faith and confidence in it that I will send a 28-day trial treatment to any sufferer, for half price, and give back the money if the patient is not benefited—the patient may be the judge. If you have gas, pains, or a distressed feeling in the stomach, nervousness, loss of weight, can't sleep, dizziness or a "Crazy" like swimming in the head, passing mucus from the bowel, burning skin, rash on arms and hands and exposed surfaces of the body, loss of strength and energy—then I have the remedy. Write for FREE diagnosis and long list of testimonials.

PILES
I also have a painless and harmless treatment for PILES, without the KNIFE. More than 1,300 cases treated during the 7 years, without a single bad after effect. Unless very bad, the patient never loses a day from work, or suffers any inconvenience, and gets better from the first treatment. Write for book on Rectal diseases and particulars about my treatment.

DEATHS FROM DROWNING

With the approach of warm weather the "call of the swimming pool" is not to be resisted. Swimming is incomparable as an exercise and recreation, young and old alike enjoy it, but there are many dangers in connection with this alluring sport. Remember that in the water, out of your depth, is no place to be taking hazardous chances.

All public swimming pools and beaches, whether or not an admission fee is charged, should have competent men engaged as life savers, and who are thoroughly conversant with the administration of first aid to the victim. The Schafer of prone pressure method is undoubtedly the best of all manual methods of resuscitation of those apparently drowned. Observe the following "don't's" if this happens under water, and there will be fewer deaths

A Little grit every day is as necessary for us as for hens

MAKING GOOD FARMERS BETTER

The community is full of good farmers, men who are conscientiously striving to get ahead.

Through systematic study of "better farming" we hope to be useful in helping those who will work with us to produce more and market to better advantage.

Better farming means merely more study—and we are here to help.

Farmers State Bank

"There is no Substitute for Safety"

This year from accidental drowning:

1. Don't try and break a record every time you go in swimming.
2. Don't go in swimming until at least two hours after eating a hearty meal.
3. Don't stay in after you begin to feel chilly.
4. Don't dive unless you know the depth of the water and be sure there are no submerged rocks or stumps. A slight blow on the head might incapacitate you, and if this happens under water, drowning most likely is the result.

IT'S NOT TOO LATE—

HOUSTON PLANNING MANY ENTERTAINING FEATURES

HOUSTON, TEXAS, May 29—How are you going to keep them down on the farm after they have seen Houston? is the revised wording of the gay Parce song of World War days, now that Houston has turned to mapping a real amusement program for the period of the Democratic National Convention in June.

Delegates from New York, Chicago, New Orleans and other metropolitan centers must be amused when they are not in the convention Coliseum, and amusements must be up to the standard "back home", executives of the entertainment committees have decreed, and playhouse managers in Houston agree. And, of course the boys from the smaller towns will share them.

"Big time" vaudeville and shows always are on tap in Houston, but an especial effort will be put forward at convention time to obtain bookings for the best available, say theater men. It won't be a difficult task to improve the pro-

grams, critics say, because they are now considered on par with most of the larger cities.

In addition to the theatrical offerings there will be a world's championship wrestling match between the title holder, Ed "Strangler" Lewis and Joe Malciewski who is regarded as the foremost contender; a gigantic rodeo featuring stags of the ranches, and fast baseball games between Houston's championship contending team and other clubs in the Texas League, the "cradle of the big leagues", and the fastest league of all the minors.

There are golf courses in profusion and all easily accessible, and within easy touring distance of the city are beaches upon which bathing beauties cavort.

There is a big time in the old town most any night, entertainment seeker in the bright lights area avow.

With Gen. J. F. Wolters' band committee joining the ranks of a score of other committees that have completed their plans for the convention, and others about to line up, too, Houston today has

HOUSTON BUILDS FOR DEMOCRATIC CONVENTION

Houston, Texas, is getting ready to entertain the first National convention of any major political party to be held in any former Confederate State since the Civil War, and the first ever to be held in the Southwest. The great convention hall will seat the 5,000 delegates, alternates and others having official connection with the convention, and in addition a changing crowd of 15,000 who will look at the sessions. It is thus even larger than New York's old Madison Square Garden, where the preceding National party convention was held, and suggestive of the scale on which the welcome of Houston is to be pitched.

WHITE CHILDREN WHO WERE CAPTIVES OF THE INDIANS

Clinton L. Smith and his brother, Jeff, of Hackberry, Texas, were captured 20 miles out of San Antonio by the Comanche Indians, Sunday morning, March 3, 1869. The two brothers had been herding sheep and saw the redskins skulking toward them when they attempted to make their escape. Clint and Jeff remained captives with the savages for more than four years.

How Indians treated white children who were taken as their captives will be told, in part, in the Monthly Magazine Section for the Clarendon News, June 21st.

swung into that stage of the convention program where there is nothing to be done except to rehearse and become letter perfect for the big event.

WHAT'S DOING IN WEST TEXAS

By West Texas Chamber of Commerce

Abilene—President Haynie of the WTCC has appointed members of the three standing committees of the Tenth Annual Convention, the Nominating, Credential, and Resolutions committees.

Junction—A \$50,000 vacationists hotel will be constructed near here.

Alpine—The annual Old Settlers and Cowboys Round-Up will be held here July 4 and 5 under auspices of the local chamber of commerce.

Levelland—The Levelland Chamber of Commerce is going to adopt a town slogan to advertise itself. Tornillo—C. E. Whitehead, former secretary at Balmorhea, will have charge of the Tornillo schools next year.

Valley Mills—Valley Mills' twentieth annual reunion and homecoming will be held July 12, 13 and 14.

Cleburne—Miss Mozelle Ford directed affairs of the local chamber of commerce while Sec.-Mgr. Patterson attended TCEA at Corpus Christi.

San Saba—The State Pecan Growers Association will meet here July 10, 11 and 12.

Marfa—Marfa is flooded with calls for summer tourist facilities; hotel and camp quarters needs are acute.

Stephenville—The Brazos Valley Pecan Growers Association will hold their fall session in this city.

Arlington—Arlington's newly paved business section will be open for traffic June 2.

Fort Worth—More than a score of West Texas towns have announced that they will close shop to attend the WTCC Tenth Annual Convention.

COMMON SCHOOL TRUSTEES NAMED FOR YEAR 1928-29

The following list will be of value to the business men of the county in that it will give the names of the trustees of the common school districts of Donley County and their addresses. Preserve this list for future reference as it will save considerable time and much effort on the part of the men with which the business men will have to deal in connection with the transaction of the school's business. It will be noted that the list does not include the names of the trustees of the Independent School Districts of Hedley, Lelia Lake and Clarendon. The list follows:

District 1, Sunnyview, S. W. Lamberson, Frank Hardin and Glen Williams, Clarendon Rt. 1, 2 teachers.

District 2, Boydston, R. H. Thomas, Charlie Smith and Roscoe Reagan, Groom, Texas, 2 teachers.

District 4, Giles, T. C. Johnson, A. G. Huffmaster and J. W. Bland, Giles, Texas, 4 teachers.

District 6, Windy Valley, W. B. Morgan, A. J. Bowling, and J. O. Wood, Hedley Rt. 1, 3 teachers.

District 7, Fairview, P. O. Naylor, R. E. Beach and A. E. Tidrow, Clarendon Naylor Rt., 2 teachers.

District 8, Goldston, John Stewart, W. M. Parker and H. B. Higginbotham, Clarendon, Texas, 4 teachers.

District 9, Jericho, Ernest Lamb, Geo. A. Shoop and A. P. Brown, Jericho, Texas, 1 teacher.

District 10, Smith, E. B. Smith, C. A. Crow, and A. Knight, Memphis, Texas, 2 teachers.

District 11, Bray, A. P. Dishman, B. A. Kiser, and J. G. Dunn, Hedley Rt. 2, 2 teachers.

District 12, Watkins, G. P. Polly, L. A. Kalka and J. W. Beck, McLean, Texas, 1 teacher.

District 13, Hackberry, H. S. Mahaffy, A. D. Arnold and J. A. Sullivan, Clarendon Naylor Rt., 1 teacher.

District 15, Whitefish, J. D. Fish, T. C. Finley and O. T. Kin-dor, Alarced, Texas, 1 teacher.

District 16, Skillett, C. F. Weaver, H. L. Hancock and W. T. Burr, McLean, Texas, 1 teacher.

District 17, Ashtola, H. W. Lovell, W. E. Gregg and M. S. Swinburn, Ashtola, Texas, 5 teachers.

District 18, Martin, A. M. Peabody, J. B. Turnbow and J. D. Acord, Clarendon Rt. 1, 3 teachers.

District 19, Bairfield, Wint Bairfield and R. F. Weidman, Clarendon Palo Duro Rt., 1 teacher.

District 20, Chamberlain, M. C. Rampsy, A. L. Milsap and W. S. Malone, Clarendon Brice Rt., 2 teachers.

District 21, Hudgins, O. L. Jacobs, L. M. Putman and O. D. Meador, Hedley Rt. 2, 2 teachers.

District 23, McKnight, J. H. Pierce, J. W. Gatewood and C. W. Williams, Hedley Rt. 1, 3 teachers.

District 24, Glenwood, Shelby S. Carpenter, Sam Spradling and M. M. Tipton, Clarendon, 1 teacher.

District 25, Pleasant Valley, P. H. Longan, J. W. Morrison and Zeb Morris, Clarendon, 1 teacher.

BOY SCOUTS ENJOY HIKE TO LELIA LAKE FRIDAY

Seven members of Troops Two and three of the Clarendon Boy Scouts trudged merrily into town late Saturday morning after a night spent under the stars at the Lelia Lake Camp Friday. These boys have been wanting a hike for the past two months, but weather conditions have prevented their taking the long desired outing. After much persuasion on their part and the right action on the part of the weather, the boys were rewarded with the hike and enjoyed it immensely. Aside from Hugh Lusk, the Scoutmaster, Trustt McClung and Ben Buck, the following Scouts made the trip: Jesse and Ernest Harp, Charlie Walker, Bob-

FOOTWEAR Clearance! ALL CORRECT STYLES IN THIS SELLING EVENT 300 pairs broken lots in our high grade "Fashion Plate" shoes— Consisting of Patents, Colored Kid and Satin— in Straps, Ties and Pumps— Former \$6.50, \$8.85 and \$10.00 values— ALL AT ONE PRICE \$4.95 Per Pair Hanna-Pope & Co. ASSOCIATED STORES

bie Bledsoe, George McClesky, Carol McClung and Grover Chapman. Other hikes will probably be tried in the near future.

WORMS IN YOUR PULLETS

Watch your growing pullets closely the next few months. Intestinal worms are causing the death of thousands of good pullets. Pullets, continually being bothered with colds, roup and chicken pox, nine times out of ten, are seriously infested with intestinal worms, like round worms, tape worms and pin worms, are indirectly the cause of much of the trouble with colds and roup. Worms sap the strength and dis-ease resisting power of the pullets, hence make them much more subject to all kinds of diseases. Suspect worms whenever you see unthriftiness, lameness, wabbly gait, twisted necks, pale combs and wattles or emaciation. Wormy pullets are always hungry yet poor, thin and lean. At the age of six weeks to three or four months round worms cause the most harm.

To determine whether or not the flock is affected, four or five unthrifty birds should be killed and the intestines examined. The intestines should be opened the whole length from gizzard to blind pouches.

We do not know of a treatment that is entirely satisfactory. Several patent preparations are on test and sometimes in the near future we will know more about their actual value. The tobacco treatment consists of feeding fine ground tobacco stems, fresh and of a 1-2 nicotine content. Mix 2 or 3 pounds with each 100 pounds of dry mash. Be sure to mix dust thoroughly with dry mash, this is very important for best results. Feed this for a period of 3 or 4 weeks, then skip one or two weeks and repeat the treatment.

Nicotine capsule treatment, also is satisfactory. These capsules may be purchased from most drug stores. Nicotine pills are also on the market. Your local druggist may carry a reliable line of worm remedies. Your local veterinarian, can help you get them.

No doubt the round worm is the most common and causes the greatest loss. Intestinal worms, are causing thousands and thousands of dollars damage and loss to the poultry flocks, is started to head off this tremendous waste and loss.

Sanitation, disinfection and cleanliness, are factors absolutely necessary to check the losses due to worm infestations.

Shortly after the beginning of the first treatment of tobacco dust, give the birds a dose of epsom salts, using one pound to six quarts of water for 125 adult

birds. Give as a drink at noon, allowing the birds no other liquid until the salt solution has been consumed.

OPEN PAVEMENT IN THREE DAYS

Three days after it was paved with concrete, a section of the Dixie Highway near Chicago was opened to heavy traffic. The pavement was built under the supervision of Major George A. Quinlan, superintendent of highways, Cook County, Illinois.

He was enabled to open this pavement with safety in such a short time by using a concrete "richer" in cement than is ordinarily employed for road construction. The Illinois highway specifications require the use of six sacks of cement to 12 cubic feet of sand, and twenty-one cubic feet of crushed stone. Major Quinlan used ten sacks of cement for these volumes of sand and stone.

Although a large proportion of the vehicles which used this pavement the first day it was opened consisted of inter-state motor buses and heavy dairy trucks, no damage resulted in the newly-placed concrete.

The pavement forms one strip of a stretch of concrete one and three-quarters miles long and 40 feet wide. The other strip will be built immediately. In the meantime, motorists will use the newly completed section, so that no further traffic detours will be necessary.

The first strip of pavement was open to traffic exactly one month after the old road, a brick pavement, was closed. The original pavement was torn up, excavating was completed, and the concrete was placed in this period of time.

Laboratory tests of the concrete used in this pavement indicate that it had a compressive strength of from 2500 to 3000 pounds per square inch at the end of three days.

The successful opening of this pavement three days after the last concrete was placed will probably result in the use of similar construction methods on other Cook County Highways. "While the cement content is increased and the work is slightly more expensive than the standard mixtures, the added expense is not great", says Major Quinlan. "Detour maintenance costs are cut down because of the time saved in the use of detours and in repairs, so that generally speaking the costs are equalized and the most desired ends of traffic facilities are attained".

The permanent school fund of Texas amounts to about \$76,000,000.

BEEF CLUB SHOW TO BE REPEATED IN MARCH 1929

The Panhandle Baby Beef Club Show, held this year in March in conjunction with the Panhandle Live Stock Raisers' Association, will again be held in that city during the same month of 1929. The show this year was such an unqualified success that the Board of City Development of Amarillo and the Association of the Panhandle cattlemen have again decided to stage the show for the benefit of the junior raisers of this section of the state.

As this year, the Panhandle Cattle Raisers Association is offering \$500 in cash prizes, ranging from the grand prize of \$50 down to \$5. An additional prize is being offered for the prize winning fifteen head of baby heaves from one county. Rules and regulations for the contest are the same as they were last year and may be obtained by writing to J. F. Ford, Box 2513, Amarillo, Texas. All registrations must be made before September 1st of this year and a record must accompany the entry of each contestant.

Mrs. W. B. Ponder returned to her home in Amarillo Friday of last week in company with Homer Mulkey after a visit here of some few days in the home of Mr. and Mrs. Mulkey.

Mr. and Mrs. Cal Merchant attended to business matters in Amarillo Friday of last week.

Years of Service in Model T Fords Expenditure of few dollars may enable you to get thousands of miles from your old car

THE Model T Ford is still a great car. It led the motor industry for twenty years and it is used today by more people than any other automobile. More than eight million Model T Fords are in active service in city, town and country, and many of them can be driven for two, three and five years and even longer at very small up-keep expense.

The cost of Model T parts and of necessary labor is unusually low because of established Ford policies.

New fenders, for instance, cost from \$3.50 to \$5 each, with a labor charge of \$1 to \$2.50. Tuning up the motor and replacing commutator case, brush and vibrator points costs only \$1, with a small charge for material. Brake shoes can be installed and emergency brakes equalized for a labor charge of only \$1.25. A labor charge of \$4 to \$5 will cover the overhauling of the front axle, rebushing springs and spring perches, and straightening, aligning and adjusting wheels.

The labor charge for overhauling the average rear axle runs from \$5.75 to \$7. Grinding valves and cleaning carbon can be done for \$3 to \$4.

A set of four new pistons costs only \$7. For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. Parts are extra.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

See the nearest Ford dealer, therefore, and have him estimate on the cost of re-conditioning your Model T Ford. He will tell you, in advance, exactly how much the complete job will cost.

OPEN HOUSE OF SANITARIUM IS INTERESTING EVENT

The open house and reception staged Tuesday evening of this week by the Wilder Sanitarium in commemoration of their second anniversary was fairly well attended. The reception room was decorated with pot plants in profusion and Mrs. Wilder and Mrs. Loyd Stallings welcomed the guests into the room. Following the registration, the guests proceeded through the private office of Dr. Wilder into the treatment and examination room, where various instruments were displayed and explained by Miss Ina Naylor.

The next room to be visited was the laboratory, presided over by Miss Nina Boyett, who demonstrated the tests for different substance in the blood, the microscope, the tubercle and many other germs. An instrument for diagnosing goitre was most interesting.

The visitors were then shown the library, where they were served punch from a bowl of ice. Misses Fray Stallings and Ruby Lee Landers presided over the bowl.

Inspection of the kitchen followed as a matter of course in the procedure in the tour. The workings of the X-Ray apparatus was attended by Dr. Wilder.

The upstairs division contained a room laid out in a model manner, ready for the reception of a patient. The operating room, the sterilizing room, the clean-up room, the nurses room and other objects of interest that are commonly a matter of mystery to the ordinary person not acquainted with such objects. This department was presided over by Mrs. R. Y. King and Mrs. Mae Womack, both registered nurses.

The guests passing through the sanitarium expressed their surprise many times at the equipment and materials needed to operate such a plant and numbers of them were heard to state that they did not know such a place was in Clarendon.

George W. Kemp and son, Haskell, returned to their homes here Wednesday of this week after some time spent in Dallas, where Mr. Kemp has been receiving medical attention.

DISTRICT MEET IS LUNCHEON TOPIC

LIONS TELL OF MOST IMPRESSIVE PART OF MEETING AT WICHITA FALLS

The Lions Luncheon Tuesday of this week was replete with short discussions on the District Convention recently closed in Wichita Falls. A good part of the members present Tuesday were those who had made their first trip to a state convention of the Lions and they were all agreeably impressed with the things they saw and heard while in the sessions of the meeting. Some of the Lions were impressed with the excellence of the golf course, some with the hospitality of the city and others with as many different things as there were members present.

A letter was read from Lion Braswell, in which he expressed his thanks to the Clarendon Club for the support to him at the District Convention, in paying to the lost cause. He presented Lion Erhard of Dallas to the Club and stated that he had told the new District Governor that the Clarendon Club would always be ready and willing to do their part in making the Lions Clubs of Texas stand in their rightful places among the other clubs of the state.

The greater part of the remainder of the hour was spent in short talks from all the visitors to Wichita Falls. Each of them responded and it is thought at times that the Lions would take some action on the reports given. The following Lions expressed themselves on the convention: O. L. Fink, G. A. Anderson, C. J. Douglas, J. R. Porter, G. Lester, Boykin, Kenny Lane, J. T. Patman, R. H. Beville, A. L. Chase, D. O. Stallings, H. C. Brantley, J. G. Sherman, Earl Alderson, Odos Caraway, J. R. Bartlett and Loyd Stallings.

With few exceptions, each of the Lions saw something that impressed him as being different from some of the other Lions who had spoken. Lion Mulkey then stated that his report was made that each of the Lions had added some little something to the one just preceding and that the report was most complete.

Lion Mulkey then gave the report of the model luncheon staged at the convention, stating that he believed the event passed off very nicely even though there was a small attendance on the event. He further presented Lion Erhard as the District Governor elect.

Lion Chase gave some figures on the growth of Lionism in Texas during the past year, stating that the number of clubs had grown from eighty four to 122, a net gain of thirty-eight clubs and the membership was now in excess of 5,600. The goal has been set at fifty new clubs during the year and 6,000 members actively engaged in Lions work in the state.

Lion Allison suggested the appointment of a committee to investigate the mud hole spoken about by Lions Ryan and Garrison. No action was taken but there was an unlimited amount of discussion had on this matter.

Introduction of guests followed, at which time Lion Reynolds of Pampa, and Messrs N. T. Thompson and Y. O. McAdams were presented. Lion Reynolds stated that he was glad to be in the city and that he would be glad to visit with the Lions any time he was here for a short time. Mr. Thompson stated that the Lions of Clarendon was one place that he thought could be called on to do anything they set out to do. He also stated that he had heard with approval of the greater part of the activities of the club and that he was glad to be able to visit with the organization.

The applications of W. A. Pierce and A. M. Taylor were presented to the club with the proper okay of the membership committee and each of these men were voted into the club unanimously.

The open house and celebration of the second anniversary of the Wilder Sanitarium was announced and the Lions invited to attend. A call was put for the Legion members present for a short session immediately following the luncheon. At this time plans were discussed for the proper celebration of Memorial Day.

The Secretary of the club was authorized to write letters of appreciation to the clubs of the Panhandle who had such a part in the candidacy of Lion Braswell for the office of District Governor of Texas. The Clarendon Plant and Floral Company will also receive a letter of appreciation from the club, telling them of the appreciation for the favors for the ladies that were so kindly presented by them.

COUNTY COUNCIL MET HERE LAST SATURDAY

Attendance on the County Council was very light when the women met here Saturday of last week for their usual and regular meeting for May. The rain falling earlier in the month has made the use of time very important and very few of the representatives of the clubs of the county were present for the meeting. Eight ladies representing four clubs of the county were here. The major activity attended to at this time was the selecting of "America, the Beautiful" as the County Song. The women were told that this song would probably be chosen as the national song for women's clubs in the near future.

CHILDRESS ATTORNEY ASKS DISTRICT JUDGE OFFICE

The News is authorized to publish the announcement of Clifford Davis of Childress for the office of District Judge. His past record shows that he is thirty-five years of age, has been practicing law for the past fourteen years and served in the 5th Division Regular Army in France. For the past eighteen months he has been City Attorney of Childress and has filled the office with satisfaction to the residents of that town. Mr. Davis further states that he will at all times endeavor with untiring diligence to fill the office of District Judge, without fear or favor. The candidate states that he plans to visit Donley County in the very near future and that he will try to see all the voters of the District before the Primary in July. Mr. Davis asks the consideration of all the voters of Donley County in the coming Primaries and will appreciate any efforts that may be put forth in his behalf.

HILLCROFTERS HAVE ONE IN GREEN BELT FINALS

Twelve members of the Hillcroft Golf Club gained entrance into the third annual tourney of the Green belt association in Memphis Monday of this week. This put Clarendon well in line for good chance at winning some of the prizes out up for the tournament. The Clarendon boys met with ill luck all the remainder of the days in the tourney and Meredith Gentry and Al Cooke were the last two to have a part in the event. These two went into the semi-finals Wednesday morning and Meredith lost his match. Meredith Gentry qualified in the second flight and Al Cooke was placed in the fourth flite. Allen Cook is back in Memphis today in the finals in his flight.

Those members of the Hillcroft Club placing in the tournament are as follows: First flight, Bill

Cooke, Ira Merchant, Van Kent and Walter Wilson; Second flight, Meredith Gentry; Third flight, Phillips Gentry, Lee Casey, Selden Bagby, Nat Perrine, and Bennett Kerbow; Fourth flight, Kenneth Kerbow and Allen Cooke.

Bennett Kerbow was named a member of the date and location

committee for the tournament in 1929. The report of this committee will not be made until a later date.

Miss Lela Clifford of Wichita Falls is visiting with her mother, Mrs. W. T. Clifford.
