

## Donley County Fair Oct. 14-15, Plans Mature

### DONLEY CO. FAIR PLANS MATURING

#### CASH AND SPECIAL PRIZE LISTS OFFER ATTRACTIONS FOR HEAVY ENTRIES.

Secretary-Manager Boykin of the Clarendon Chamber of Commerce and his helpers have practically completed all arrangements for the revival of the Donley County Fair which will be held here Friday and Saturday, October 14 and 15. Permission has been secured from the school trustees of the Clarendon Independent School District to use the Grammar School building and grounds at the head of Kearney Street for the Fair, the copy for the catalog is in the hands of the printer, and the hearty co-operation with which all have received the proposal of a county fair indicates a most successful two-day affair—one that will show Donley County resources to splendid advantage and reflect credit on all sections of the county.

Miss Eula Key, Home Demonstration Agent for Donley County, is throwing the full weight of her various clubs over the county into the preparation of canning, sewing and agricultural exhibits for the Fair and former excellence of such work in this section will be equalled and surpassed, in the opinion of those who know the grade of work being done this year under her direction.

The Poultry Division will be in charge of E. V. Quattlebaum, Superintendent; Henry Youngblood, secretary; Paul Shelton, The Cotton and Grains department will be under the direction of H. C. Brumley, superintendent; H. W. Taylor and H. B. Kerbow, Fruits and Vegetable section will be in charge of O. C. Watson, superintendent; H. J. Edington and Frank Whitlock. A competent corps of judges has been secured and all contests are expected to be very close.

A list of special prizes offered by Clarendon business men is also being secured by the Chamber of Commerce. These lists with the regular prize list will appear in next week's issue of The News.

Milton Price of Wichita Falls spent Saturday night and Sunday here with his parents, Mr. and Mrs. E. Price.

### HILLCROFTERS WIN FROM WELLINGTON

#### WELLINGTON PLAYERS ENTER-TAIN CLARENDON TEAM IN GRAND STYLE SUNDAY.

Sunday was a big day for the eight members of the Hillcroft Golf Club who fared forth to the tournament with Wellington. The Clarendon men not only had the satisfaction of winning six of the eight matches, but they were entertained most hospitably by their hosts. A chicken dinner was served at the Wellington Country Club, and other courtesies were extended to the visiting players.

Individual matches for the afternoon went according to the scores given below, the name of the Clarendon player coming first.

P. B. Gentry won from E. N. Lewis 3 up; R. C. Vinson won from Dr. Orr 7 up; M. P. Gentry won from John Glenn 1 up; H. Kennedy won from Ralph Lewis 2 up; H. Parsons won from A. L. Cochran 3 up; Walter Moreman won from J. M. Wells 1 up, 19 holes; W. A. Wilson lost to Pink Sullivan 1 up, 19 holes; and Lee Casey lost to E. W. Alley 6 up. Low score man for the afternoon was Homer Parsons, who shot 81.

### REGISTRATION OF HIGH SCHOOL PUPILS SATURDAY

In order to lighten the burdens of opening day, Monday, September 5th, Supt. Paul Morgan, desires The News to announce that registration for high school work will be opened Saturday afternoon, Sept. 3rd, in the office of the Junior College, which is the same room as used for the office by Clarendon College. Registration will be opened at 3 o'clock and sufficient teachers will be on hand to register all who come and to assist pupils in their courses. According to Mr. Morgan there will be more than two hundred enrolled in the high school the coming school year.

### RURAL SCHOOLS TO RECEIVE AID

#### \$8,000 MAY BE RECEIVED BY RURAL SCHOOLS BY CONSOLIDATION OF DISTRICTS.

That following items have been handed to the News this week from the office of the County Superintendent and will be of more than ordinary interest to the city and to the rural readers of the News. The matters contained in the article will be found to pertain to the Rural Schools of the county and to a considerable sum of aid that may be received by the schools of this county.

The article follows: At a meeting of the County Board of Education in the County Judge's office at Clarendon, Texas, Saturday, August 27th, they consolidated the Rural Schools of Donley County for High School purposes, in accordance with Section 8, Paragraph 1 of the Rural Aid Bill, passed by the first call session of the 40th Legislature and known as Senate Bill No. 7.

This does not in anywise effect the school that has been attached to another school, neither does it effect in any manner the question of transfers, and any pupil even though he does not belong to the district to which he is attached, can transfer to any district in the county as he has always done. Therefore, no one should be alarmed or think that any of their rights have been taken from them.

The classification was made as follows:

1. To Ashtola Common School District No. 17 is attached the following named School Districts:
  - (1) Bairfield, No. 19.
  - (2) Martin, No. 16.
  - (3) Boydston, No. 3.
2. To Goldston Common School District No. 18 is attached the following named School Districts:
  - (1) Jericho, No. 1.
  - (2) Whitefish, No. 15.
  - (3) Glenwood, No. 24.
  - (4) That part of Hackberry No. 13, lying north of the Salt Fork of Red River.
3. To Lelia Lake Independent School District of less than 500 scholastic is attached the following School Districts:
  - (1) Sunnyside, No. 1.
  - (2) That part of Hackberry, No. 13, south of the Salt Fork of Red River.

- (1) Chamberlain, No. 20.
- (2) Hudgins, No. 21.
- (3) Pleasant Valley, No. 25.
4. To Hedley Independent School District of less than 500 scholastic is attached the following named School Districts:
  - (1) Fairview, No. 7.
  - (2) Bray, No. 11.
  - (3) Watkins, No. 12.
  - (4) Windy Valley, No. 6.
5. To Giles Independent School District of less than 150 scholastic is attached the following named School Districts:
  - (1) Smith, No. 10.
  - (2) McKnight, No. 23.
6. Common School District No. 16, being the only remaining common school district, is so classed that it can take care of its own high school pupils, is therefore unattached to another district for high school purposes.

When a district has been attached to another district, \$500 is paid to the district to which it is attached and is paid for the next two years, provided the State Superintendent approves the plan of attachment made by the County Board of Education. The proposed plans of the Donley County Board was taken up with the State Superintendent, S. M. N. Marrs, and L. D. Borden, Chief Supervisor of Rural Schools, when J. R. Porter was in Austin on the 23rd day of this month, and both of these gentlemen assured the representative of the county that the plans would be approved, and if they are approved it means that this county will get \$8,000.00 for the schools of the county, that would not and could not be otherwise obtained.

The purpose of the bill is to provide more High School centers for the schools of the county.

BERRY B. COBB, REGISTRAR TO VISIT LOCAL LODGE 9TH.

Berry B. Cobb, Registrar of the El Paso Consistory, Scottish Rite Free Masonry, was in Clarendon Monday, working in the interest of the classes for the Stockwell Reunion in El Paso. While here, he made arrangements for his official visit to the local Lodge, September 9th.

### MEMPHIS BAND HERE TO ADVERTISE FAIR

The Memphis Gold Medal Band under the direction of Paul James was here Monday night with a party of Memphis Fair boosters headed by Secretary-Manager George Sager of the Memphis Chamber of Commerce. They were here on an advertising trip for the Annual Fair at Memphis which opens September 27th and runs three days. The band, a great favorite in this section, gave a concert in front of the Pastime Theatre, while George Sager and other Memphians distributed fair catalogs, boosted up the three day event, and invited Clarendon to send a queen to the pageant on the opening night of the Fair and local singers to participate in choral singing on that occasion. A coincidence of the appearance here of the Gold Medal band was that it rained as it has done on other visits to Clarendon.

### JUNIOR HIGH SCHOOL TO HAVE PROGRAM MONDAY, 5TH

An interesting program will mark the opening of Clarendon Junior High School, a newly established and very important unit in the public school system of the city. B. F. Hardy, Superintendent of Junior High, will be in charge of the exercises, and will introduce new members of his able teaching corps. The general public is invited to attend, and parents of the pupils of the school are especially urged to be present. The program begins at 9:00 a. m., and will be held in the building formerly used by the High School.

### LIONS BID REV. CROCKER ADIEU

#### REMOVAL OF POPULAR PASTOR FROM CITY CALLS FOR WORDS OF PRAISE.

One of the finest meetings that has been held by the Clarendon Lions Club for the past few months was that which was held Tuesday of this week. Many of the members continue to be absent from the city and the attendance is not what it should be when the cooler months of the year are resumed.

O. L. Fink was present for the first time since his arrival in the city and stated that he would attempt to be with the club every Tuesday and do what he could to make the club go forward. The remainder of the hour was taken with quite a bit of discussion on Lion Crocker and what he has meant to the city since he has held the position of pastor of the First Christian Church here. His friends in the club all passed their bouquets and in return received a few flowers in return from the departing member. The place of Lion Crocker will be missed and it is thought that it will be a long time before there is a man who is found to take his place.

Lion Boykin stated that it made him feel good to get out on the streets of the city and meet with the genuine co-operation that has been seen here since the fair was decided upon several weeks back. It seems that every business man in the city is interested in the movement and that many of them are taking advantage of the offer for a free space in the building at the fair. More than a dozen men have stated that they would have a booth engaged in the coal business and in draying. For the past several years he and his sons, Ben and Ralph, have been partners in the trucking business. Mr. Andis was highly respected and well liked by all his acquaintances and was especially popular among the business men of Clarendon. He had, also, a large number of friends in Hall County. He was Deputy Sheriff of Hall County four years before coming to Clarendon and was engaged in business there for a time. While he was not a member of a church, Mr. Andis was a Christian, having professed faith many years ago. His death followed a very brief illness. He became ill Saturday night and underwent an operation at an Amarillo hospital Sunday night. He was almost seventy-one years old at the time of his death. Surviving Mr. Andis are the following: his wife, Mrs. M. W. Andis; four daughters, Mrs. J. L. McFarling of Hedley, Mrs. W. A. Fronberger of Buchanan, New Mexico, Misses Gladys and Bernice Andis of Clarendon; six sons, Ben, Ralph, Carl, and Horace of Clarendon, Guy of Groom, and Cleo of Dallas; six step-children, Mrs. Arnold Price of Hominy, Oklahoma, Mrs. Lela

### COLLEGE AND HIGH SCHOOL OPEN 5TH

#### FINE PROGRAM TO MARK EVENT. MRS. PHOEBE K. WARNER SPEAKER.

Clarendon Junior College and Clarendon High School will have a joint opening exercise Monday morning, with an excellent program to mark the important event. Mrs. Phoebe K. Warner, one of the most interesting writers and speakers in the West, will be the principal speaker of the day. She has been associated with educational movements of the Panhandle since the very early days, and has done much for the young people of this section of the State. It is peculiarly fitting that she should take part in the opening of the Panhandle's newest public college. Her talks are usually informal and are always filled with valuable thought. Her address of Monday morning will be enjoyed by all who hear it.

On this occasion Dean H. T. Burton and Superintendent Paul Morgan will introduce the members of the faculty, and each of the teachers will make a few remarks. Miss Ruth Dennis, director of the public school music, and Miss Rita Foster, head of the public speaking department, will make their first public appearance in the city. Miss Dennis singing a solo and Miss Foster giving a reading. County Superintendent J. R. Porter, Homer Mulkey, representing the Lions Club, and J. T. Patman, President of the Chamber of Commerce, will also make short talks.

The entire citizenship of the city is urged to be present for this program, which will be held in the auditorium of the College and High School Building, beginning at 9:00 a. m. A large number of college students from all parts of the Panhandle are expected to be in attendance. Registration will be held Saturday and Monday afternoon, with the entire morning left open for the program.

### MR. M. W. ANDIS DIED IN AMARILLO MONDAY, 29TH.

Funeral services for Mr. M. W. Andis, who died in Amarillo Monday, August 29, were held at the First Methodist Church Wednesday afternoon. The Reverend J. H. Hamblen of Stamford and the Reverend A. L. Moore, pastor of the local church, were in charge of the last rites. The services were attended by a host of friends of the late Mr. Andis and his family, among whom were many people from out of the city. An unusually large and beautiful floral offering further attested to the love and esteem in which the deceased was held here and elsewhere.

Milton White Andis was born in Jefferson County, Virginia, October 27, 1856. He was married the first time in Kentucky, when he was in his early twenties. He and his wife came to Texas shortly after they were married. To them were born six children, all of whom are living. The family came to Clarendon in 1898 and Mrs. Andis died in 1901. Mr. Andis and Mrs. Serena Melton were married in 1908. To them were born two sons and two daughters.

Mr. Andis had lived in Clarendon since 1898, when he moved to this city from Hall County. He was a stock farmer during the first two years he lived in Donley County, but most of the time he has been engaged in the coal business and in draying. For the past several years he and his sons, Ben and Ralph, have been partners in the trucking business. Mr. Andis was highly respected and well liked by all his acquaintances and was especially popular among the business men of Clarendon. He had, also, a large number of friends in Hall County. He was Deputy Sheriff of Hall County four years before coming to Clarendon and was engaged in business there for a time. While he was not a member of a church, Mr. Andis was a Christian, having professed faith many years ago. His death followed a very brief illness. He became ill Saturday night and underwent an operation at an Amarillo hospital Sunday night. He was almost seventy-one years old at the time of his death.

Surviving Mr. Andis are the following: his wife, Mrs. M. W. Andis; four daughters, Mrs. J. L. McFarling of Hedley, Mrs. W. A. Fronberger of Buchanan, New Mexico, Misses Gladys and Bernice Andis of Clarendon; six sons, Ben, Ralph, Carl, and Horace of Clarendon, Guy of Groom, and Cleo of Dallas; six step-children, Mrs. Arnold Price of Hominy, Oklahoma, Mrs. Lela

### DR. REYNOLDS SELLS DENTAL OFFICE TO VERNON MAN

Dr. F. N. Reynolds announces the sale of his dental office and practice to Dr. J. G. Sherman of Vernon who will move here with his family and take charge on Wednesday of next week. Dr. Sherman will carry out Dr. Reynolds' plan of moving into the new suite up-stairs in the Goldston building and will open there next week.

Dr. Reynolds will devote his entire time to the promotion of his novelty check holder recently patented and put on the market, and his many friends here will be glad to know that he and his family will continue to live in Clarendon, as they have for the past six years. Dr. Sherman has been a successful practitioner in Vernon for the past sixteen years and comes to Clarendon with the highest recommendations. Dr. and Mrs. Sherman and their twelve year old son will occupy the S. H. Condron home.

### COUNTY COUNCIL TO MEET SATURDAY, 3RD.

The County Council, comprising the officers of all Home Demonstration Clubs of the County, will meet Saturday 3, in the office of Miss Eula Key, County Home Demonstration Agent, according to an announcement from that office this week. Miss Key urges that all officers of the County be present, as important plans for work of the Fall will be formulated. Definite plans for exhibits at the County Fair in October will be made. The meeting opens at two o'clock.

### THIRTY ENTRANTS IN YARD CONTEST

#### HARD FOUGHT BATTLE EXPECTED WHEN JUDGES VIEW THIRTY YARDS SEP. 10TH.

The last entrants to the Yard Beautiful contest for 1927 must be in the office of the Clarendon Chamber of Commerce today, or they will be left to see the others of the city walk away with the honors that might have rightly belonged to some other person in the town. When last seen, there were thirty yards entered in the contest, and all the other yards of the city with the exception of a very few were receiving care that has not been given them for many years in the past.

With very few exceptions, the yards of the town are now in a better condition and show more care and application than they have for the past five or more years. To be certain, there would be some yards that would put up a fine appearance whether there was a contest or not, but the majority of the places in the town are better than they would be under similar circumstances in other years. In many parts of the city, there are yards that have received very little attention in the past, and these are being cared for with the care a mother will give her baby. They are petted and moved and trimmed until there are many yards that look as though a carpet of great thickness has been spread over the top of the ground.

There are flowers in profusion everywhere. Flowers of all sorts and kinds. Vines are growing in profusion where there were no flowers or vines before and the town as a whole is brightening up until it seems the entire town might compete with other towns of the Panhandle for honors in this section of the state.

The judges for the contest have not been selected, and will probably remain unknown until after the contest has ended. These will be ladies from out of town who are well known for their work along this line and who are fully competent to judge a show of this nature. The point system will be used with five divisions grouped as follows: General Appearance, 30; Arrangement, 10; Care, 15; Condition, 15; Attractiveness, 30. These total 100 points for the perfect yard.

The contest will close on Saturday, September 10th and the prizes that are now on display at H. C. Kerbow & Sons will be distributed by the Chamber of Commerce at that time.

Mrs. H. N. Van Trease and Mrs. Wash Bangle of Tulsa were guests of Mr. and Mrs. C. W. Bennett Thursday and Friday of last week. Mrs. Van Trease also visited with her father, J. H. Rutherford.

Henderson of Lawton, Oklahoma, Jim Shephard of Hominy, George Shepherd, and Chester Melton of Seminole; and six grand-children.

### COUNTY INSTITUTE TO BE HELD HERE

#### TWO DAY INSTITUTE OF DONLEY COUNTY TEACHERS OPENS HERE FRIDAY.

Between fifty and seventy-five teachers of the county are expected in Clarendon for the County Institute which will be held here Friday and Saturday, September 3rd and 4th. Sessions will be held in the Administration Building of Clarendon Junior High School and Clarendon High School and will be under the general direction of Superintendent Paul Morgan. The greater part of the time will be spent on organization, says Mr. Morgan, as the school system of Clarendon and the consolidation of numerous schools of the county make such sessions urgent. A recent ruling of the Department of Education makes the County Institute possible. Schools that will take part in the two day meeting here are all the public schools of this city, Lelia Lake, Hedley, Martin, and a number of the smaller schools.

The program for the institute follows:

- I. Friday, General Assembly College Auditorium—9:00 a. m. Invocation, Rev. A. B. Crocker, Pastor, First Christian Church. Address of Welcome, Judge J. R. Porter, Clarendon, Texas. Response, Supt. R. L. Snider, Hedley, Texas. Vocal Solo, Miss Ruth Dennis, Clarendon Musical Director. Reading, Miss Fannie Florence Sims.
11. Recess—10:00 to 10:30.
111. Special Sections, 10:30 to 11:30.
  - Junior High School Section, Room 11, L. B. Cooper, Director.
  - Primary Section, Room 12, Miss Elizabeth Stevens, Director.
  - Senior High School and College Section, Room 10.
  - Athletics Section, Room 13, Dean H. T. Burton, Director.
- IV. Friday Afternoon General Assembly, College Auditorium, 1:30 p. m. Invocation, Rev. F. T. Charlton, Pastor First Presbyterian Church, Clarendon, Texas. Address. V. Recess, 2:30 to 3:00 p. m.
- VI. Special Sections.
  - Junior High School Section, Room 11, L. B. Cooper, Director.
  - Primary Section, Room 12, Miss Elizabeth Stevens, Director.
  - Senior High School and College Section, Room 10.
  - Athletics Section, Room 13, Dean H. T. Burton, Director.

### SUNDAY SCHOOL AND B. Y. P. U. WILL MEET IN MEMPHIS.

The Panhandle District Sunday School and B. Y. P. U. Convention will meet with the Memphis Baptist church September 8 and 9. Dr. W. Marshall Craig, pastor of the Gaston Avenue Baptist church, of Dallas, will be the principal speaker. Mr. T. C. Gardner will have charge of the B. Y. P. U. work and Mr. E. S. Hopkins the Sunday School work. Leon Waite of Canyon, president of the district, will direct the meeting. This district is composed of about forty counties and Memphis is expected and hoping for a large attendance. Good homes will be provided for all those attending.—Memphis Democrat.

Mr. and Mrs. Homer Ellis returned Friday from a vacation trip to Colorado, which they made in company with Mrs. Ellis' parents, Mr. and Mrs. H. D. Burris, and family of Littlefield.

### GAS LINE MAKING MILE EVERY DAY

#### MAIN LINE TO HAVE GAS AT CITY LIMITS BY LATTER PART OF SEPTEMBER.

J. C. Jones of Ranger, Texas, foreman of the pipe welding crew that is bringing the new line from a point North of Memphis to Clarendon, was in the city Saturday afternoon and made a call on the News office while here. Mr. Jones stated that the ditching contract, under a separate contract, was able to make one mile of ditch complete in one day. The pipe welding crew is capable of making one and one quarter miles of pipe per day.

With the work progressing as nicely in the future as it has in the past and with all considerations made for extremely bad weather, Mr. Jones stated that the main line of the company would be within the city limits of Clarendon by the latter part of the month of September.

Mr. Upham, part owner and manager of this section of the line, states that he wants the line to go forward as rapidly as possible, taking all precautions that the line shall be as nearly perfect as possible, to save delays or shut downs that might arise from weak places of flaws in the new line. He gave an example of one town in Indiana that the Upham Gas Company has been serving for the past twenty-seven years without one day's loss of time for a cut down of the gas supply. It is the aim of the company to furnish this sort of service to Clarendon when the line is completed.

The crew of Mr. Jones, counting all departments, amounts to twenty-five men. As soon as the line reaches near enough to Clarendon, this crew will make their headquarters here and will work out of here until the line is completed. Mr. Jones further stated that he was not connected in any manner with the crew that piped the gas into the city. This crew, it is supposed, will be in the city in ample time to put in the city lines that the producing end of the line may get to work as soon as possible. This part of the work and was not Mr. Jones was not connected with in a position to state when the crew would naturally stand to reason would start work in the city.

### LACY BOURLAND CADET COLONEL

#### CLARENDON BOY RECEIVES HIGHEST HONORS OFFERED BY A. & M. COLLEGE.

L. N. Bourland of Clarendon has been appointed Colonel of the A. & M. College cadet corps for 1927-28, the list of appointments and assignments in the cadet corps for the new year, just issued shows. This is the highest rank in the corps held by a student. Bourland is a candidate for B. S. degree in the school of arts and sciences and is business manager of the Battalion, student publication at A. & M., for the coming session.

Announcement of appointments to commissioned grades in the cadet corps for the new session is made in the first general order issued by Lieut. Col. Charles J. Nelson, new professor of military science and tactics and commandant at the College. These appointments are made with the approval of President T. O. Walton of the College and each appointment is made contingent upon the appointee's classification. Appointees to commissioned grades must be candidates for graduation. The list of appointees to commissioned grades for the new year is not complete, a number of places being as yet unfilled. These will be filled later as fourth year students not named so far, bring up their work so as to come within the proper classification.

Appointment to the rank of Colonel of the cadet corps obviates any comment on the college record of Lacy Bourland; he has the best all-round record of any candidate for graduation. Lacy is the son of W. M. Bourland. He attended the public schools of this city and graduated from Clarendon College when it was a junior school. During his two years in Clarendon College he distinguished himself in athletics, particularly, playing with the famous undefeated Bulldog team. He has attained many student honors.

# THE CLARENDON NEWS

There is no place in our sky for any banner of red not mingled with the white and blue.—Selected.

Get ready for the Donley County Fair which will be held in Clarendon, October 14-15. The Chamber of Commerce and its supporters hope this will be the first of a series of county fairs that will grow in power and importance as the years come and go. So far the response is most hearty and general.

Editor W. A. Smith of San Saba, former president of the Texas Press Association, will be a candidate for the nomination for Lieutenant-Governor in next year's Democratic primary. Billy Smith is an old-time Democrat and we believe that no man will make a better state official in the sought office, than he. More about Billy Smith, later.

Behind every tangible thing look for the intangible, which is more solid and essential. For it is not lust you need but love—not money, but abundance, which is a spiritual substance—not clothes, but self-expression—not bread, but truth—not beautiful objects, but a mind that can see beauty anywhere—not an amulet, but courage—not wine, but health and enthusiasm.—Dr. Frank Crane.

Clarendon's progressive Chamber of Commerce, through President Patman and Secretary-Manager Boykin, will have an exhibit at the Amarillo Tri-State Fair, that will reflect credit on Donley County and give added advertising to Clarendon's Junior College. If you, as a citizen of Clarendon or Donley County, can assist in making this exhibit better and more representative, you will earn the gratitude of the community and the thanks of these gentlemen.

Clarendon people should attend the opening of Clarendon's Junior College next Monday morning, which opening is simultaneous with the opening of the Clarendon Public Schools. It is probable that no junior college in Texas ever had a more favorable prospect at its opening than does Clarendon Junior College, and it will be a momentous occasion when it formally opens its doors. Let us turn out in community strength for the opening of Clarendon's greater schools next Monday morning.

The Tri-State Fair at Amarillo begins on Sept. 11th, and for the first time since its inception begins with its financial affairs in fine condition. The business men of Amarillo did a splendid piece of work when they raised the necessary twenty-five thousand dollars to place the fair on safe financial grounds, and their vision is appreciated over the entire territory. Clarendon people will be liberal in their patronage of the Fair, as they have always done.

Clarendon made a creditable showing at the district convention of the West Texas Chamber of Commerce over at Wellington last Thursday. Our sister city did herself proud in the matter of entertainment and one of the best regional conventions of the year was had. The deliberations of the meeting was given over to the most practical problems of this section—agricultural methods and promotion of poultry, dairying and hog raising. It was a worth-while meeting, in thorough keeping with the high standards of the parent organization.

## A Sale For The Table

We carry a complete line of fresh and canned vegetables, in fact, everything for the table. Some of our bargains are listed below:

### FRIDAY AND SATURDAY ONLY

1 Can each Sunkist Pears, Apricots and Peaches, all for	\$1.00

CASH OR 30 DAYS

**Shelton & Sanford**  
Groceries and Superior Feeds  
Phones 186 and 421

If you have a better grade of cotton, or corn, or grain, or fruits, or other produce, let the Clarendon Chamber of Commerce know of it. It is needed in making the Donley County exhibit what it ought to be at the Tri-State Fair at Amarillo, beginning Sept. 11th.

The News editor and family is just back from a vacation in the mountains of New Mexico, in company with other Clarendon friends. The late summer rains had set in with a vengeance up in the mountains and we were glad to get back into a little drier climate, but withal we had a most restful and enjoyable trip. On the return journey we visited the famous Calrsbad Cavern and we are still trying to get this stupendous spectacle of nature adjusted in our mind's eye. It is delightfully indescribable and no one should miss going through it who can possibly make the journey. New Mexico is rapidly "coming back" from its drought and depression of the past six or seven years, and her five-cent gasoline tax is providing funds to build a wonderful system of state highways, which are a joy to the tourist. We are glad to be neighbors to the state of New Mexico, but as usual we were in a hurry to get home after nearly three weeks' absence. No town or no people look as good to us as Clarendon and Clarendon people.

It will not be long until the school bell will ring again, calling the students from their vacation days to a life of earnest effort and hard work. The parents of these students have spent their money in having the best of buildings erected; in employing teachers who are competent in every respect; in seeing that nothing is left undone to train the child's mind properly while in the years of the formative period. The parents have done their part in the matter. There is also a responsibility resting upon the shoulders of the children. They must realize that school days are days of real work, of genuine preparation, of getting ready for life's battles in the coming years. They must remember that all of living is not in having a good time. That is all right for a portion of their lives, but there must be a serious side to it, a working side to it if they ever make the men and women that the nation expects them to make and which they must make if the duties of society of government, of that which is worth living for to them and to the world at large are filled. Too much can not be said in favor of good schools, and too much can not be said about the boys and girls buckling down to work when they are in the study halls of the schools and colleges which they attend.—Paducah Post.

We understand that the State Telephone Company have cut off all their rural lines in some towns where they operate and are considering the same thing in Estelline.

A utility company such as the Central Power & Light Company, which operate in our town, are just as anxious to see the town grow and prosper as we are, but when a utility company starts in to take conveniences away from the rural communities it is time for that company to take some orders from the town they operate in, as we see it. The State Telephone Company does not have a franchise in Estelline at the present and unless they are willing to put out real telephone service to both town and community surrounding, we would not be in favor of giving any kind of a franchise but take steps at once to get a telephone system that would do those things.

The telephone system should be one of the main factors in helping to hold that friendly co-operative spirit between the city and surrounding communities. If we allow our rural friends to be deprived of a telephone we can't expect much growth. No one who is accustomed to modern conveniences would care to move into a community where he could not have a telephone. It isn't right as we see it and if the company should undertake to cut off the rural lines or give such poor service they would force the farmers to have their telephones taken out, we believe an organized effort should be made to prevent it, and see that the service is continued.—Estelline News.

Is this, or is this not, another instance of where the Public Utilities are taking the "Public Be Damned" attitude?

### SCOUTS — ATTENTION

### SOUTHERN PROGRESS BLUE BOOK IS COMPLETE EDITION

The News has received this week, one of the most complete books we have ever seen showing the progress of the southern states of the Union. The book is 365 pages in thickness and is well illustrated with scenes from many towns and cities of the southern states. All data has been compiled and gathered into one comprehensive volume and presented in a concise and understandable manner that is pleasing for anyone to read. Comparative figures are given in most cases, showing where the greatest development has been made in the past ten to seventeen years. The book was issued by the manufacturers Record of Baltimore, Maryland and was sent the News with the compliments of the Central Power and Light Company.

### HOWARD STORE ROBBED AT LELIA LAKE FRIDAY NIGHT

A Mexican of about middle age was apprehended late Friday evening as he was attempting to make his getaway from the Howard & Sons store at Lelia Lake. Mr. Howard had been bothered so much of late by nocturnal visitors and had rigged up a bell that would ring in his home when the store was opened without his permission. When the bell rang last Friday evening, Mr. Howard entered the store and captured the marauder with his load of candy and dress goods. The burglar was placed in the county jail here and will probably be held until the October term of District Court meets, at which time he will be handled by that body.

### BOOK CLUB TO MEET SEPTEMBER SIXTH

The 1926 Book Club will hold its next meeting September 6, in the home of Mrs. G. L. Boykin, with Mrs. Charles Dean, Jr., as associate hostess. An interesting program is being prepared for the afternoon, and it is hoped that the entire membership will be present.

### ZURICK CAR SINKS IN QUICKSAND NEAR CLAYTON

The following item concerning an accident which overtook Mr. and Mrs. John Zurick of Clayton will be of interest to people of Clarendon, as Miss Zurick and John Zurick are former residents of this city and members of a family once prominent in the ranching industry in this section. The item was taken from The Clayton (New Mexico) News.

Car Stuck in Quick Sand  
Mr. and Mrs. John Zurick and Miss Jess Zurick, returning from the Ed Mitchell ranch Tuesday, drove their Cadillac coupe into Ute Creek, sticking in quicksand. While John and his wife walked to the Baca ranch for a team, Jess remained in the car and during that time the water came down so high that she escaped only by crawling over the top of the car, to the end of the engine and swimming out. John and Flo Baca, together with eight other men and six teams worked seven hours before they succeeded in getting the car out. A remarkable thing was that after the car had been in the water so long the engine started immediately. Miss Zurick is driving the car to Amarillo today to have it refinished on the inside where the water swept through.—Clayton, (N. M.) News.

Roy Beights of Denver, Colorado and D. M. Beights of Urbana, Illinois visited with friends in this city Saturday. D. M. Beights will be an instructor in the Business Administration Department of the University of Illinois during the coming school year. Both Roy and D. M. are former students of Clarendon College.

Mr. and Mrs. W. J. Manly returned Friday to their home in Fort Worth, after attending a family reunion in the home of Mr. Manly's mother, Mrs. J. P. Manly.

W. A. Tomlinson of Rhome, Texas, formerly of Donley County, was here the past week visiting relatives and friends. Mr. Tomlinson called at the News office Monday and pushed his figures up another year on the Home Town Paper.

# Electricity And Progress

Are talked about as one and the same thing today.

Electric Power is the world's greatest labor saver. The only way in which people can live at a higher material level is by making their work more useful and more productive. Electricity does this in the first place, and thus improves the lot of each individual. Later on Electricity enables that individual to carry on lifes work more easily and more agreeably.

The Increase in Electric Power in the United States has been 1,000 per cent since 1907.

The citizens of Clarendon have had a part in this development program of which they can justly feel proud, for in the enormous amount of money which has been spent in this program of expansion Clarendon has shared.

This company earnestly solicits your co-operation and suggestions toward making "Your Electric Servant" even more efficient.

# Central Power & Light Co.

Monty Garrison, Manager Phone 100  
"Courteous Service Always"  
Also the Company urges the expenditure of \$75,000,000 for advertising the South because it will pay ten-fold.

#### NEW CLASSIFIED RATE IN EFFECT SEPTEMBER FIRST

Effective in this issue, a new rate will be in effect in the classified readers of the Clarendon News. In the past, it has been the custom to make a charge of ten cents per line, approximating the length of each line as being six words. To expedite matters and make the figuring of the advertisements more easily understood by the reading and advertising public, a charge of two cents per word will be made for the first insertion, with a charge of one cent per word for subsequent insertions. The minimum charge of twenty-five cents will continue in effect with the enactment of the new rate for this nature of advertising. The change will not materially affect the cost, but will make the rate more easily understood and figured.

Mr. and Mrs. Ollie Wardlow and Mr. and Mrs. John Wardlow of Jericho attended the play Saturday night.

Mrs. Nanny has been on the sick list the last few days.

Mrs. Y. E. McAdams of Clarendon was out at the farm one day last week.

The play entitled 'The Girl in a Thousand,' which was put on by the girls of the Merry Maids Club Saturday night, was attended by a large crowd.

Mr. and Mrs. Dilli, accompanied by their relatives, Mr. and Mrs. Miller of Chicago, visited in Amarillo a couple of days last week.

Mr. and Mrs. Veazy visited relatives in Lakview Sunday, returning home Monday Morning.

J. M. Shannon and daughter Lela went to McLean Monday of this week.

Farmers are all busy working out their crops.

#### OLD PAPERS FOR SALE, 20c per 100, at Clarendon News office.

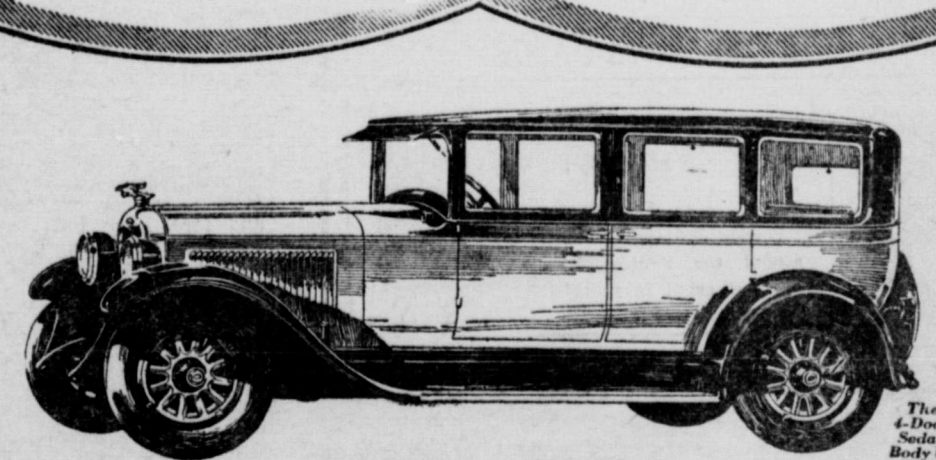

for the first insertion, with a charge of one cent per word for subsequent insertions. The minimum charge of twenty-five cents will continue in effect with the enactment of the new rate for this nature of advertising. The change will not materially affect the cost, but will make the rate more easily understood and figured.

Mrs. Carl Williams of Borger visited her father, J. H. Rutherford, and other relatives and friends here last week.

Miss Mary Beall McGee and Fred Rathjen Are Married, 29th.

Mrs. Marion C. McGee announces the marriage of her daughter Mary Beall

to Mr. Fred Rathjen on Monday, August one thousand nine hundred and twenty-seven

San Marcos, Texas. The above very interesting announcement was received in Clarendon today. One observes with pleasure that the 'arch home' note says Clarendon, Texas. The bride has a large following of friends here, who will welcome her return to the city; and Mr. Rathjen is one of the town's leading citizens and most popular business men.

Miss Mary Beall McGee became well known here as a member of the faculty of the High School. She was head of the mathematics department for two years, the last year of which she was the very efficient Principal of the school. Her charming personality made her equally popular in school and social circles.

Mr. Rathjen has been associated with the commercial interests in Clarendon for many years. He is owner of the Rathjen's Shoe Store. He is well liked and highly respected by all who know him.

Miss Ruth Averyt and Dee B. Wilson of Claude Married Here Sunday, 28th.

The marriage of Miss Ruth Averyt, daughter of Mr. W. H. Averyt of Claude, and Dee B. Wilson, also of Claude, was solemnized at 4:30 Sunday afternoon, in a beautiful wedding at the home of Mr. and Mrs. Ralph Kerbow of this city.

The home was attractively decorated with floor baskets of yellow and white garden flowers. An altar of banked ferns was arranged on the hearth, and in front of this stood tall floor baskets of flowers. Tall yellow tapers on the mantle lighted the altar with a soft glow.

The prenuptial music was unusually beautiful. Mrs. Robert Wilson, sister of the groom, sang 'At the Dawn', accompanied at the piano by her small daughter, Wyndeen. Then came the immortal 'Traumerei', played on the violin by Miss Annis Owens, who was accompanied by Miss Fray Stallings. Miss Owens and Miss Stallings also played the 'Wedding March' of 'From Yonder Chapel' by R. Deane Shure.

The double ring ceremony was used. Dr. J. T. Griswold officiating. The bride wore a lovely afternoon dress of velvet and georgette, in two tones of rustan. Her hat and other accessories were perfectly matched in the two tones. She carried an arm bouquet of pink rose buds.

Immediately after the ceremony, an informal reception was held. The yellow and white color scheme was developed with charming effect in the dining room, where punch and cake were served. White roses in a crystal bowl centered the dining table, at one end of which was the punch bowl and at the other, a three tiered wedding cake. Yellow candles in crystal holders lighted the table. Miss Alma Pafford, Miss Kathleen Mullino and Miss Anna Moores presided in the dining room.

Among the relatives and intimate friends who attended the wedding were the following from out of town: Mr. W. H. Averyt and his daughter, Miss Gladys Averyt; Mrs. F. G. Wilson, mother of the groom; Mr. and Mrs. Luck Pafford and daughters, Misses Alma, Delma, and Lillie B.; Mr. and Mrs. Sam Callahan; and Mrs. Floyd Wilson, of Claude; Mr. and Mrs. Robert Wilson and children; and Mr. and Mrs. S. E. Griffith of Amarillo; Mr. and Mrs. J. M. Dodson of Panama.

Mr. and Mrs. Wilson left Sunday evening on their wedding trip to New Mexico, following which they will be at home in Claude. Mrs. Wilson traveled in a black satin tulleur of beige trim, with beige accessories.

The bride is well known in Clarendon and enjoys a wide popularity in social circles of the city. She graduated from Clarendon College seven years ago and later studied in the New England Conservatory of Music, Boston. She is an accomplished musician and has taught both piano and violin in Clarendon, Panhandle, and Claude. During the months she taught here and in frequent visits to her sister, Mrs. Ralph Kerbow, she made many friends here. Mr. Wilson is a member of a prominent Armstrong County family. He has been engaged in the ranching and farming industry at Claude for a number of years, and is well known and popular there.

Bridge Party Given Wednesday Honoring Mr. and Mrs. Knorpp.

Mr. and Mrs. Wesley Knorpp, who

OPEN FOR BUSINESS In New Building 3 Blocks West of First National Bank.

Repairs for All Vehicles  
CLAUDE J. DAVIS  
Phone 442

are here for a visit after spending several months in Long Beach, California, were guests of honor at one of the outstanding social events of the week, a bridge party which was given by Mr. and Mrs. W. H. Patrick and Mrs. Kate B. Carroll, at the latter's home, Wednesday evening. Pink and white roses and a profusion of garden flowers added much to the attractiveness of the house, and the pink and white color scheme was again used in the ice course served at the conclusion of the games.

The guest list was as follows: Mr. and Mrs. Odos Caraway, Mr. and Mrs. Knorpp, Mr. and Mrs. Holman Kennedy, Mr. and Mrs. F. E. Chamberlain, Mr. and Mrs. C. H. Bugbee, Mr. and Mrs. J. L. McMurry, Mr. and Mrs. W. C. McDonald, Mr. and Mrs. J. B. McClelland, Mr. and Mrs. W. J. Lewis, Dr. and Mrs. M. H. Rhodes, Mr. and Mrs. John Blocker, Mr. and Mrs. A. T. Jefferies, Mrs. R. A. Chamberlain, Mrs. W. H. Martin, Mrs. H. B. Jones of Amarillo, Mrs. D. L. Knox of Jacksboro, and Misses Frances Cooke, Mae Lumpkin, Lorraine Patrick, Katherine Patrick, and Annie Bourland, John S. Bugbee, Carroll Knorpp, Louis Hallaway, Harold Bugbee, and A. L. Chase. The favors in the game were awarded to Mrs. Fred Chamberlain and Mr. Jones for high score, and to Mrs. Jones and Mr. Chase for consolation.

READ THE ADVERTISEMENTS.

Mrs. S. T. Sayre Hostess to W. M. S. in All Day Meeting

Mrs. S. T. Sayre was hostess to the Womens Missionary Society of the Methodist Church for an all day meeting, Tuesday, entertaining at her attractive ranch home North of Clarendon. A part of the day was spent in social activities, and at noon a picnic lunch was served in a beautiful grove near the house. The membership of the Society gave a handkerchief shower for Mrs. H. M. Faulkner, who will move to Esteline this week.

In addition to the delightful social meeting of the day, the Society made an intensive study of Moslem Women. Mrs. Nathan Cox led an interesting program and was assisted by: Mrs. E. J. Boston, Mrs. Carrie Wiedman, Mrs. Paul Shelton, Mrs. H. M. Faulkner, Mrs. O. L. Fink, Mrs. D. P. Ross, Mrs. R. H. Beville, and Mrs. J. H. Hurn. Mrs. G. L. Boykin played a violin solo, for which Miss Fray Stallings played the piano accompaniment.

About sixty-five members were present to enjoy the pleasant visit to Mrs. Sayre's home and the unusually good program. The meeting is said to have been one of the best that has been held this year.

Ralph Jennings of Denver, Colorado spent a few days of last week in the home of Mr. and Mrs. John Beverly. He was en route to Chicago to enter Christian Theological Seminary for the second year.

# THE Amarillo College of Music

ANNOUNCES

Mrs. Charles Dean, Jr.

Pianist and Teacher at Our

## Branch Studio in Clarendon

At the O. T. Smith Home  
Southeast of the Methodist Church.

We are standardizing our work by putting a score of branch studios throughout the Panhandle. The "Progressive Series of Piano Lessons" is used as text. Through this text and the supervising of the teaching of it we are able to give a definitely graded course of musical education. Credits given all who study in branch schools are on same basis as those at the main studios, and in 20,000 schools throughout the country.

Mrs. Dean will come to Amarillo every two weeks during the teaching season to attend a three-hour normal class session in the teaching of the Progressive Series. This class will be a "clearing house" of ideas and teaching methods for a large family of music teachers all working to the same end. We stand for a bigger and better program of music in Clarendon and want to be of service in every possible way.

On Tuesday, Sept. 13th, we announce a FACULTY RECITAL at the First Methodist Church at Clarendon. This will include teachers from Amarillo jointly with Mrs. Dean. The recital will be FREE.

For information or further particulars  
Phone Mrs. Dean at 187 or Studio phone 156, or write,  
call or phone

EMIL F. MYERS, Director  
Amarillo College of Music

1104 Polk Street, Amarillo, Texas.

### CARD OF THANKS

We wish to express our sincere appreciation to our friends for their sympathy and kindness to us in our bereavement, and for the beautiful floral offerings.  
Mrs. M. W. Andis and Family.

### CARD OF THANKS

We take this method of thanking those who so kindly assisted us and sympathized with us in the loss of our darling boy, Reuben, who was so suddenly taken away. We appreciate, too, the beautiful floral offerings. May God's richest blessings be upon you.  
Mr. and Mrs. J. D. Fish and Family.

### 30 FROM CITY AT DISTRICT MEETING

**BAND AND DELEGATES MADE GOOD SHOWING AT C. OF C. CONVENTION.**

Clarendon's participation in the District Convention of the West Texas Chamber of Commerce began when the Clarendon Municipal Band landed on the court house lawn in Wellington, early Thursday morning, and set the air ringing with the justly famous strains of "The Old Gray Mare". The thirty delegates from this city kept the spirited pace set by the band, and made an excellent showing, says Secretary-Manager, G. L. Boykin.

The Clarendon Band was one of the five which headed the big parade on the streets of Wellington, and with the Shamrock Band furnished entertainment for the luncheon at the Pigg-Alley Motor Company. By special request, the band gave a concert at the band stand, in the afternoon. A large crowd listened to the concert with evident enjoyment. After the first hour, members of the Wellington and Shamrock bands "sat in" for another hour, with Director E. M. Lindsey conducting.

B. M. Whitaker, Agricultural Manager of the W. T. C. of C., talking on "The Object of District Conventions"; Judge C. Y. Welch of Quanah, speaking on "Our Biggest Problems"; and the versatile Mayor Shepherd of Wichita Falls, made the outstanding addresses of the convention. Mayor F. P. Reid of Pampa acted as presiding officer.

C. C. Powell made an excellent short talk at the afternoon session, telling over four hundred delegates from all parts of the Panhandle of the exceptional opportunities and advantages offered to residents of Clarendon. He stressed the advantages of Clarendon's excellent schools and told the audience some of the plans for Clarendon Junior College. His remarks were received with enthusiasm.

The fight for the next convention resulted in Pampa's winning easily, with Panhandle as the strongest rival. Following the decision, the resolutions given below were read.

We, your committee on resolutions, beg to report the following:

1st. In the development of the great empire of West Texas, we are pleased to note that the idea of cooperative effort has been the one thing, not only needful, but sought to be obtained. In securing this accomplishment, the West Texas Chamber of Commerce has been outstanding and in fact invaluable. We are pleased to note that the organization has, at all times, been a watch tower of protection to the interests of the entire West, regardless of section or condition. We therefore give our renewed allegiance to the West Texas Chamber of Commerce, and our hearty endorsement of its policies, and we pledge our best efforts toward the

continued efforts of the organization.

2nd. The executive officers are serving with a loyalty and intelligence which is deservedly challenging the admiration of all Texas, and we feel it our duty, at this time, to congratulate the organization upon the wisdom, constructive ideas and untiring energy of all of the officers as well as the entire staff.

3rd. We feel that the North Plains Panhandle District, as well as the Eastern portion of the same, have in some respects differ from other sections composing the organization. However, in making this statement, we feel that these problems are not too great, and that they can and will be solved by this organization. We, therefore, recommend this convention as favoring the following ideas, and we recommend to the parent organization that they be given such consideration as the wisdom of that organization may suggest; as follows:

First: We believe that peculiar to this section the question of practical diversification is one of its pressing needs from an agricultural standpoint. We announce as peculiarly suitable the motto of "Diversification, Rotation and Cultivation," as being the keynote to success, development and prosperity, and we call upon the entire organization to cooperate in realization of the result to be obtained by conducting our agricultural interests accordingly.

Second: We believe that essential to the development of this great empire is the construction of permanent and connected highways. We believe that in providing the funds necessary for this purpose, it is essential to adopt a mode whereby a full dollar's worth in construction and maintenance may be obtained for each dollar spent. We believe this to be very important. We further believe that this organization should give its undivided support in obtaining first consideration in highways, to the D. C. D. Highway, and the Colorado-Gulf Highway, in that both of said highways traverse from north to south the entire Panhandle of Texas, and both should be maintained as great international highways. We trust that this organization will call the attention of the various officials to the idea here expressed.

Third: While we regret the depression which now retards the oil and gas development of our country, still we believe in its great possibilities and the ultimate wise solution of the problem, and we believe it advisable that the parent association give special attention to the question, and also pledge its hearty cooperation with the various companies now engaged in developing our oil and gas fields, and we believe that to each fair treatment and the right this can best be done by according to fair compensation for the money invested, and energy expended. In it advisable to raise objections to conditions which can not be overcome by legitimate enterprise which gives come. We believe in fostering any us a reasonable market for our products, and which is organized and conducted according to the laws of

our State and of the general government.

Fourth: While we deplore the recent, great and disastrous floods which have overrun and depopulated our rich and fertile valleys, still we believe when rightly understood, these disastrous conditions can easily be overcome and made to work to the great advantage of the nation, and the States affected. We believe that the only solution to the problem is the impounding of the flood waters at their various sources, and using the same to irrigate our rich and fertile lands. Like all other enemies to progression or to the country, we believe in capturing the enemy before its forces are united. We therefore recommend to the parent organization that this important question be called to the attention of our various representatives, to the end that those destructive forces, be captured at the source, and put to use as herein indicated. We earnestly insist that it is our opinion that it is useless to expend public moneys in building levees to hold the flood waters after they have been permitted to combine.

Fifth: We believe in public education, and the maintenance of such institutions, and the men who have shown themselves capable of conducting the same. While we recommend all of our great educational institutions, we desire to endorse especially our own West Texas State Teachers College located at Canyon, and the wise and loyal, as well as successful, administration of its president, Dr. J. A. Hill.

Sixth: We desire to thank the Wellington Chamber of Commerce on the splendid manner in which they feasted and entertained this Association, and we recommend that all towns aspiring to the honor of entertaining this Association take particular notice of their acts and doings.

Seventh: We desire, also, to thank the officers of this Association and all persons whose efforts have added

to our meeting, and the pleasures and benefits we have derived therefrom.

Eighth: We also thank the daily and weekly papers for the advertisement they have given us in making public this meeting, and for their general interest in the work of this Association.

Respectfully submitted,  
H. E. Hoover, Chairman.  
Chas. C. Cook, Secty.  
W. A. Palmer,  
Harry Koch,  
Frank M. Tatum,  
J. C. Wells, Committee.

These resolutions were adopted and an amendment by Carl Guin added, in urging that in future irrigation projects be favored over any other kind of water projects.

Mrs. Clarence Miller and small son, Richard, spent several days of last week with friends in Childress, returning home Sunday.

A. L. Hutchinson of Colorado Springs, Mr. and Mrs. Jim Hutchinson and children of Crystal Springs, Mississippi, and Miss Emma Bennett, also of Crystal Springs, visited in the home of Mr. and Mrs. C. W. Bennett Wednesday of last week.

**NOTICE TO CONTRACTORS**

The City Commission of the City of Clarendon will receive sealed bids until 1:00 o'clock a. m. on the 24th day of September, A. D. 1927, for the construction of a reinforced concrete and brick veneer building for a pump station.

Plans and specifications are on file at the office of the City Secretary, City of Clarendon.

The right is reserved to reject any or all bids received.

All bids to be accompanied by certified check in amount of ten per cent of bid.

Such contract will be let on the 24th day of September, 1927, at 9:00 o'clock a. m. or so soon thereafter as the bids received can be tabulated and considered, and such contract will be let in the Mayor's office in the City Hall in the City of Clarendon, Donley County, Texas.

H. W. TAYLOR,  
Mayor, City of Clarendon, Texas.

## WHAT'S DOING IN WEST TEXAS

West Texas Chamber of Commerce

**Pampa**—Pampa won the 1928 district convention of the Panhandle-North Plains region of the West Texas Chamber of Commerce following a close contest at the Wellington meet August 25. The 1927 gathering was one of the most successful held this year, with more than 421 registered delegates.

**Happy**—Construction is underway on Happy's new high school building. The contract calls for completion by the first of January.

**Midland**—A rodeo that is expected to draw the best riders from three states, and which offers the largest purse since pre-war days is scheduled to take place in Midland September 6, and 7. West Texas, Oklahoma, and New Mexico will send a large part of the attendants at the mammoth three day celebration. Relay races, street dancing, cowboy reunion, and rodeo attractions are among the high points of the entertainment.

**Iowa Park**—Parties interested in dairying and improving present dairy industry of Iowa Park territory have formulated plans for a definite organization to promote these interests. Election of officers, appointment of committees, methods of purchasing additional dairy cows, and sale of dairy products are the first problems that will be considered.

**Marfa**—A baker shop is to be opened here by two young men from Ozona, the new enterprise to start work about September 1.

**Hereford**—Operation of Hereford's new \$2,800 pumping unit has begun, following installation of new equipment. The pump has a capacity of nearly 1,200 gallons per minute.

**Ranger**—Ranger has invited officials

of the West Texas Chamber of Commerce to take part in Ranger's Homecoming Oil Jubilee to be held here October 21-22, celebrating the tenth anniversary of the discovery of oil in Eastland County. Prominent oil men of the State and Nation are expected to attend the celebration.

**Brady**—Brady is going ahead with preparations for her famous "Turkey Trot" fete. It is expected that the show will be one of the biggest and best yet held, as many visitors from far points will attend due to the fact that Cuero's annual turkey exhibition will not be held due to adverse crop conditions.

**El Paso**—Manager Homer D. Wade has issued invitations to Governors of two states and the governor of Chihuahua, Mexico, as well as other high officials of Texas and New Mexico, to attend an international highway conference in El Paso September 24, the occasion of Col. Lindbergh's visit to the Border City. The prime purpose of the proposed meeting is to coordinate better the highways that lead from West Texas and the Republic of Old Mexico, and New Mexico.

**Spur**—The Educational Committee of the West Texas Chamber of Commerce headed by Clifford B. Jones of Spur, is broadcasting to territory of the regional organization announcement of a profitable type of agricultural training easily available to its member towns. Under the Federal Smith-Hughes law, local chambers of commerce or local schools can secure services of a Texas Agricultural and Mechanical College graduate to teach vocational agriculture and promote agricultural

### PASTIME THEATRE BOOKS FINE PICTURES FOR YEAR

Following his usual custom of progressive nature, Mr. Homer Mulkey has booked for the Pastime Theatre, one of the most complete lines of pictures that has been seen in the city for a number of years. The entire run of Paramount pictures has been obtained for the year, and will start in earnest with the publication this week of the tenth annual Paramount Week. The first picture was shown Monday and Tuesday of this week and was found to be one of the most satisfactory pictures that has been in Clarendon for several weeks. The other line of pictures will be found to be the Metro-Goldwyn line, another of the leading lines produced in the American market today. In both lines of pictures, Mr. Mulkey has secured the best and will show all their pictures, including their specials that are produced at various times during the year.

**WANTED:** To buy young Jersey milk cow that will be fresh by September 15th. Phone 506. (36pd)

Mrs. H. F. Shaw of Healdton, Oklahoma is the guest of her brother, W. A. Massie.

### U. OF TEXAS RECEIVES ADDITION TO MAIN LIBRARY

Austin, Texas, Aug. 29—Following an appropriation made in April by the Board of Regents of the University of Texas for the purchase of books for the University library, a total of about 7,000 books is now being installed on the library shelves according to E. W. Winkler, librarian. The books were ordered from South America, Spain, Italy, Germany, England, Ireland, Canada and Mexico, besides the United States.

interest, with half or more of his expenses borne by the government. The amount of the salary paid by the government depends upon the amount of time the teacher devotes to agricultural work. The Smith-Hughes teachers often sponsor fairs, encourage distribution of good seed, terraces, help with insect control, conduct night schools with farmers and boys out of school, and do work of farm nature that is highly beneficial to any section.

### TRI-STATE VISITORS TO BE ROYALLY ENTERTAINED FREE

Visitors to the Tri-State Exposition in Amarillo, starting Sunday, September 11, and ending the following Saturday, will be entertained absolutely free by one of the highest-priced light opera companies now on the road, an organization which will cost the Exposition Management \$6,000.00 for performances. Directors of the Exposition have decided that Earnie Young's Review, a musical comedy entourage numbering between eighty and one hundred, people, mostly comedy young women who sing and dance—and how! shall be presented free to grand stand spectators each evening.

This means that the 3,000 seats in the huge amphitheatre at the fair grounds will be free—first come, first served. The only admission fee will be the 50c a head at the main gate to the grounds.

Boxes is the grand stand are to be reserved for season buyers for both matinees and evening, and the usual 75c admission fee will be charged in the grand stand for the Automobile Races, but for Earnie Young's extravaganza, each evening amphitheater will be free.

Young, being an authority on pulchritude, and knowing what the public wants in girl shows and reviews like he produces and puts on the road, sends word to the Fair Management that his 1927 edition is the niftiest thing he has ever brought out—colorful, tuneful, full of action, elaborately costumed and propped and with such a bevy of girls as he has never before assembled in any one troupe.

The Exposition Management also has extended invitations to Gov. Dan Moody of Texas, Gov. Dillion of New Mexico and Gov. Johnson of Oklahoma, to come to Amarillo for the inauguration of the Fair. Congressman Marvin Jones, Earnest O. Thompson, and officers and directors of the Exposition have extended the invitations. It is anticipated that these Executives will all be present when the Fair is launched September 11th.

### "LETTER OF RESIGNATION" STARTED BILL NYE TO FAME

Ever hear how Bill Nye was discovered to be a humorist? In 1881 Bill was a briefless lawyer, dabbling in country newspaper work at Laramie, Wyo., says an article in a recent issue of the Columbia (Mo.) Herald-Statesman. The thing which drew him out of his obscurity and eventually made him a famous humorist with a good sized fortune was the letter in which he resigned his place, as United States commissioner. That letter, which was reprinted everywhere, marked the advent of a new comic writer and the turn in the tide of Edgar Wilson Nye. Here is the famous epistle:

To the Department of Justice, Washington, D. C.—Several months ago I resigned as United States commissioner of this judicial district. The government did not accept my resignation, thus tacitly asserting that there was no one who was considered competent to take my place in holding up this corner of the national fabric.

I now once more resign. I do not do so because I am displeased with the government or because I am displeased with public life. There is no reason why the government and I should not continue to be friends, but, under new regime for United States commissioners of district courts, I am compelled to retire from the official capacity which I have so long filled with so much skill and credit, both to myself and the United States.

The Department of Justice now requires me to furnish a detailed statement of each month of all the business done by the commissioner with his official certificate attached thereof. I am also required to keep a large volume in my office as a record of the United States cases examined by me. I am to do this at my own expense that the honor and the moral tone of the nation may remain unsmirched.

All these requirements I could, of course, comply with, but I am cursed with the horrible apprehension that in the future I shall be required to do more of this till the expense will be more than I can meet. I could, of course, get little chores to do around town, enough for the necessary funds to buy the records, etc., but before another year the government may require me to buy a marble top center-table, and two or three paintings by the old masters in order to give the proper amount of terror to the criminals. This would compel me to go without a new overcoat and underclothes, of which I am badly in need. I had hoped that with the financial prosperity of the past year there would be one case, at least, for examination, for which I could raise \$8 or \$7, and which would ease this branch of the Department of Justice temporarily, but I have been disappointed all the way through. I could get along without the overcoat in order to get the required record this winter, but the underclothes I feel like I ought to have.

I might die suddenly while on the bench, and it would sound harshly if the telegrams were to state that when the post mortem was held the jury found a verdict that a United States commissioner had died from exposure and a temporary stagnation of underclothes.

Our winters here are quite severe and if the Department of Justice should some day require me, in my official capacity, to buy an upright piano and keep on file, I would have to clothe myself in my unswerving integrity and a pair of gold-bowed eye-glasses.

There is no question about the cheerfulness a piano would give in my office, especially if some lady were to be tried on some charge or another, for she could bang an overture out of the instrument while waiting for the United States attorney to come, and it would help him to kill time but the court would either have to lock itself in an adjoining closet till the defendant had gone or ask her to loan him her shawl during the trial.

You will see from these suggestions whither we are drifting. I will now turn the office over to the department. It consists of one pine box with some specimens of second hand chewing tobacco preserved in sawdust and a bald headed feather duster. The department will please send a receipt to me for these archives as I desire to have everything done correctly and with the usual amount of precision and delay.

The United States in my resignation, suffers a loss which it can ill afford, and the national superstructure becomes almost a tottering wreck. The proper man may be

## Prompt Settlement Life Insurance Claim

Clarendon, Texas, Aug. 30, 1927.  
Messrs. Powell & Patman,  
Clarendon, Texas.  
Gentlemen:  
I wish to acknowledge the receipt of a check for \$5,000.00 through your office from the Central States Life Insurance Company of St. Louis, Mo., settlement in full for Policy held by my brother, David Allison, whose death occurred August 9, 1927, just twenty-one days ago.  
Our family was under quarantine for several days after my brother's death and could not be seen to make proof of death or else the check would have come sooner I am sure.  
This policy was taken out through your agency only last March and I want to thank you for the promptness in which your Company has made settlement and to recommend the Central States Life Insurance Company to my friends.  
Yours very truly,  
(Signed) CLIFFORD ALLISON.

Life insurance is only the practical application of a simple business principle. There is always a financial side to any death. A little foresight in taking out life insurance will provide for this situation.

See Us for  
**INSURANCE**  
of All Kinds.  
**POWELL & PATMAN**

**ST. JOHN, THE BAPTIST  
CHURCH (EPISCOPAL)**  
Rev. L. L. Swan, Rector.  
The Twelfth Sunday After Trinity.  
Services  
Holy Communion and Sermon, 11  
a. m.  
Church School and Bible Class,  
9:45 a. m.  
All are cordially invited to wor-  
ship with us.

The Bishop will make a visita-  
tion to this mission Sunday eve-  
ning, Sept. 10, to administer the  
Apostolic rite of confirmation.  
Mrs. E. C. Herd visited friends in  
Helley Sunday.  
Miss Laura Brinson returned Tues-  
day from a two weeks vacation spent  
with friends in Dallas, Wichita Falls  
and Royce City.

## MUSIC COLLEGE TO HAVE STUDIO HERE

AMARILLO COLLEGE OF MUSIC  
OPENS BRANCH WITH MRS.  
DEAN AS HEAD.

Emil F. Myers was in Clarendon Tuesday of this week in the interest of the branch studio which the Amarillo College of Music is locating here. This will be one of a score of such studios located over the Panhandle. Mrs. Charles Dean, Jr., will have charge of the work here and will attend normal classes in Amarillo during the winter season, with the other teachers. "By using a definitely standardized text," Mr. Myers says, "we are granting credits in conjunction with thousands of other schools throughout the country who use the same text."  
The Amarillo school will give a series of recitals throughout the winter months, the first of which will be a faculty recital at the First Methodist Church on Tuesday night, September 13th. The public is invited to attend these recitals free of charge.

Mrs. Dean, a resident of this city, is one of the most accomplished musicians in the Panhandle. She plays both piano and pipe organ with brilliance and has a most enviable record as a teacher. She has done most of her work with R. Deane Shure, having studied with him when he was head of Clarendon College's Music Department, and later in Washington, D. C.  
She taught in Clarendon College for a time and has had private classes from time to time. Mrs. Dean takes an active part in the musical activities in Clarendon, giving generously of her time and talent. She also plays in regular and special musical programs of the First Methodist Church. Her abilities are well known in Clarendon and the Amarillo College of Music is to be congratulated upon securing her services as head of the studio in this city.

## MANLY FAMILY HELD REUNION LAST WEEK

A much enjoyed event of the past week was the reunion of the Manly family, held in the home of Mrs. J. P. Manly and Mr. and Mrs. Allen Bryan. All the children of Mrs. J. P. Manly, together with their families, assembled here and spent several days. They also spent a few days in Lelia Lake, at the home of Mr. and Mrs. H. K. Leathers. Those present were the following: Mrs. J. P. Manly and Mr. and Mrs. Allen Bryan of this city, Mr. and Mrs. H.

## SECRETARIAL SCREENINGS

CLARENDON CHAMBER OF  
COMMERCE  
G. L. BOYKIN, Secretary

The Donley County Fair premium list is complete with the possible exception of a few special premiums to be added. Several merchants have asked for booths at the Fair to exhibit their products and it is thought that these will number at least 12 or 15. Any business house in town that has not spoken for one, that wants one, should let the Chamber of Commerce know at once. The catalogue is in the hands of the printer this week and will be out soon.

The cooperation of the people of the entire county is asked to help create an interest in the Fair and better encourage the production of agriculture and livestock in the county.

The Secretary will be busy from now until the Tri-State Fair is over collecting material for the Donley County exhibit. The location of good material that any one knows about will be appreciated.

Boosters for the Hall County Fair were in town from Memphis visiting in the interest of their Fair. Clarendon wishes them success and will consider taking an exhibit there also.

Don't forget the date of the yard judging, Sept. 10th. Your yard will be numbered and scored by three judges from out of town and the highest total score will be declared the winner.

The Chamber of Commerce in cooperation with the Central Power and Light Co., has made a survey of Clarendon's resources and business data. Any interested party can secure a copy of this survey by calling at the Chamber of Commerce office. This survey includes those items that a business concern or industry would want to know concerning Clarendon should they be seeking a location here.

K. Leathers and children of Lelia Lake, Mr. and Mrs. C. Daughtry and daughter, Miss Sanford D. Young, of Fort Worth, Mr. and Mrs. W. J. Manly, also of Fort Worth, Mr. and Mrs. Claud Manly and children of Milwaukee, Wisconsin, Mr. and Mrs. J. P. Manly and children of Post.

Mr. and Mrs. O. L. Fink and children, Miss Florence and Kenneth, have returned to Clarendon to make their home, after spending a year away from here. They are occupying the old home of Mr. and Mrs. H. C. Kerbow.

TO BE sure Conoco Amalie is 100% pure Pennsylvania Oil. But it's even more than that. It is made from premium Pennsylvania Crude—from the famous Franklin Field. It is the cream of Pennsylvania Oils.

That's why it has the endorsement of 207 designers of automotive equipment. They know that it will stand up and fight friction under all operating conditions. It lubricates thoroughly and completely. It's economical because you have to change it less frequently.

No wonder Conoco Amalie is the recognized choice of lubricating experts. Try it. There's a grade for your motor.

You can get it at the Conoco sign.

## CONTINENTAL OIL COMPANY

Producers, Refiners and Marketers

of high-grade petroleum products in Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington and Wyoming

## MRS. MUF MERRELL TO OPEN DUNNING SYSTEM STUDIO

Announcement will be found in another part of the News of the opening of a studio for the teaching of the Dunning System of music for beginners. This studio will be opened by Mrs. Muf Sims Merrell in the S. S. Dubbs home, just west of the Junior High School Building. Mrs. Merrell is one of Clarendon's young ladies who has made her place in music circles in the Panhandle. She was a student in music in Clarendon College at the time of R. Deane Shure's tenure of office and is a graduate of the school of music here. In addition to this, Mrs. Merrill is a graduate of Kidd-Key College and has studied the Dunning System under Mrs. Wesley Porter Mason of Dallas, the leading exponent of this system in the South. Mrs. Merrell stated to the News reporter that she was doing all possible to bring the picture, "A Trip to Music Land" to Clarendon in the near future, that the parents of beginners in music might know what to expect

of the students who take this system of music training.

## PRESBYTERIAN CHURCH

Regular services may be expected on next Sabbath at the Presbyterian Church, the evening service beginning at eight o'clock.  
We extend to the public a hearty invitation to all of our services.

Enjoy golden hours of restful, refreshing sleep. Each night may be calm, peaceful undisturbed. Everyone may have them. Just by using Fly-Tox. Spraying the sleeping rooms. Killing the mosquitoes. Everyone knows mosquitoes are disease carriers. They must be killed. Health authorities advocate Fly-Tox. It is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Simple instructions on each bottle (blue label) for killing ALL household insects. Insist on Fly-Tox. It is safe, stainless, fragrant, sure.

## AN URGENT REQUEST

Those that have relatives and friends buried in the Citizens Cemetery that have not contributed to the upkeep of the grounds this year are urged to do so at once, as we are about out of funds. We would very much like to keep our sexton at work at least another month, but unless funds can be provided right away it will be necessary for us to let him go. A number of people have purchased lots in the Cemetery but have not as yet paid for them; and we request all who are owing for lots to please see Mr. F. A. Buntin and get the numbers of their lots and blocks then hand them to W. W. Taylor at the First National Bank, who will make and deliver your deed. Please give the matter your prompt attention and help us keep our Cemetery beautiful.

J. B. McClelland,  
H. Mulkey,  
W. W. Taylor,  
Trustees in charge.
