Clarendon Joins in Effort to Secure Lower Phone Rates

DELEGATION AT LUBBOCK TODAY

TELEPHONES ADDED BY LOW RATE REGARDED NECES- SARY TO BUSINESS

Answering a call sent out from the Ralls Chamber of Commerce, representatives from the towns in the Panhandle served by the Southwestern Associated Telephone Co., met in Lubbock at 2 p. m. this afternoon, to organize a concerted effort to secure lower phone rates.

The effort will likely be directed also to a movement to get many disconnected phones in the various towns and cities re-connected. High rates have caused the loss of hundreds of phones in every town represented, with the resulting curtailment of the value of connections for those who still maintain their phones.

Clarendon is represented by Joe Holland, member of the city commission; President Ray of the chamber of commerce, and Joe Goldston who left here early this morning for the meeting.

Presentation of the decision of the meeting will be made to the management of the Southwestern Associated Telephone Co., at their headquarters in Lubbock. Leaders in the movement are in hopes that proper downward revision of rates can be effected without the use of drastic measures, and that satisfactory rates and a profitable number of phone connections will result in every town, to the mutual advantage of all parties concerned.

Last Sad Rites Are Held for Mrs. Webb

Funeral services for Lyde Ellis Webb were conducted at 3:00 o'clock Tuesday afternoon from the parental home. Officiating were Rev. B. N. Shepherd, assisted by Rev. F. M. Allen, pastors respectively of Clarendon and Lelia Lake First Baptist churches. Mrs. Mary Roberts Warner of Amarillo sang "The Old Rugged Cross." Attending the casket were Messrs Elmer Kennedy, Kinch Leathers, Albert Tomlinson, Luther Butler, R. C. Weatherly, Jr., and Claude Morton, all of Lelia Lake.

Mrs. Webb was the daughter of C. H. Ellis, long-time postmaster of Lelia Lake and a niece of Dr. T. H. Ellis of Clarendon. She was born June 19, 1904 and was converted at the age of seventeen, becoming a member of the First Baptist Church. On April 25, 1922, she was married to Mr. Bascom Webb and sorrowfully coinciding with this happy occasion—just eleven years ago—the last sad rites were held.

Two winsome daughters, Betty Jo, and Peggy Jean, came to bless this always happy home. Besides the sorrowing husband and daughters a trio of sisters survive, namely Mesdames W. A. Kercher of Albuquerque, New Mexico; Irvin Gerlach of Silverton and Alvin Landers, now of Lelia Lake, and a like number of brothers, Eldridge of Borger, Dorr of Plainview, and Henry Ellis of Amallo.

The gorgeous and excessive array of floral offerings was a most worthy tribute of the love and esteem borne the deceased among her relatives and host of friends.

Death came, following a two month's illness, on April 23 at the Adair Hospital.

When the King of Shadow invaded this happy home with ruthless grasp, bore away its idol, a golden link in the household bond was severed, around the fireside just yesterday made bright with the music of her voice; nought now remains but a vacant chair, a desolate home and sweet memories now made sad. May the husband, daughters,

Scotch Foursome By Hillcroft Golf Club

Arrangements have been completed for a "Scotch" Foursome match by members and invited guests of the Hillcroft Golf club of this city. The membership has been divided into two groups, with A. N. Wood and Fred Buntin as captains. Each member will pay 50 cents for a luncheon fee for himself and his guest, the luncheon to be tendered after the Scotch foursome, which will be held Sunday, April 30.

A. N. Wood's group of members is composed of Bill Cooke, Wesley Knorpp, Kenneth Kerbow, T. F. Connally, R. C. Weatherly, U. J. Boston, John G. Hutton, McHenry Lane, Geo. H. McCleskey, Homer Parsons and Kelly Chamberlain.

Fred Buntin's group: Meredith Gentry, Phillips Gentry, Bennett Kerbow, Milus Little, Odus Jackson, Doss Palmer, Tom Murphy, Frank Stocking, Carl Parsons, Clyde Douglas and Dr. H. F. Harter.

STIRRING REVIVAL DRAWING CROWD

BOTH OLD AND YOUNG ARE SWAYED BY SPIRITUAL MESSAGES OF BAILEY

Excellent audiences have been attending the revival services at First Methodist church which have been under way since Easter Sunday, with Rev. W. G. Bailey, Methodist pastor at Plainview, doing the preaching. Two services are held each day, at 2:30 o'clock in the afternoons and at 8:00 o'clock at night.

Combining an intensely spiritual nature with a keen sense of humor and an ability to illustrate his points in a powerful, but wholly human manner, Rev. Bailey holds the attention of his audiences from his first word to the last. His sermons have already resulted in a stirring revival of religion among the members of not only the Methodist church but of other churches, many of whom are to be seen at each service.

The service of the First Baptist church last Sunday night was called in by the First Baptist church and its pastor, Rev. B. N. Shepherd, and a large number of its membership attended the revival service. On Tuesday night a special service for the young people was held, the center section of the auditorium being filled to overflowing by them. Following a searching, spiritual message by the preacher, a large number of young people and children dedicated their lives to God's service. It was a heart-warming and inspiring scene.

Rev. Bailey has addressed the school-children at the schools on two occasions, and is said to have gripped their attention and interest in an unusual way. Their attendance at the regular services at the church has been a testimony to the hold which he is able to exert on young life.

The services will continue until Sunday night and those who have not been hearing Rev. Bailey preach are urged to attend the few services yet to be held. Excellent singing, under the direction of Rev. Bailey Wilkins, of Claude, adds much to the enjoyment of the services.

METHODISTS ATTEND DISTRICT CONFERENCE

A delegation of Methodists went to McLean today to attend the Clarendon District Conference at McLean and will return tonight.

The delegation included Presiding Elder M. M. Beavers, Rev. and Mrs. E. B. Bowen, Mr. and Mrs. J. R. Porter, G. L. Boykin, Sam M. Braswell, W. T. Hayter and J. H. Hurn.

RE-FORESTATION QUOTA RECEIVED

21 YOUNG MEN OF COUNTY TO BE SELECTED; APPLI- CATIONS CLOSE MAY 15

The first information on the selection of young men of Donley county for the President's Re-forestation work reached the hands of Odos Caraway, chairman of the Donley County Relief Committee today from Austin headquarters from which the work will be directed.

Donley county's quota will be twenty-one (21) young men, between the ages of 18 and 25 years, unmarried, and now on the rolls of the county relief committee, who have dependents whom they are willing to help support.

The young men whose applications are approved by the local committee will be sent first to Amarillo, where they take physical examination at the U. S. Army Recruiting Office, going thence to Ft. Sill, Okla., for training in re-forestation work. Applications must be completed by May 15th, according to Mr. Caraway's instructions.

Governor Miriam Ferguson issued the following statement relative to the re-forestation work: "The opportunity afforded by this program to young men who, due to the depression, have never before been able to secure gainful employment, is, I confidently believe, the first of a progressive series of opportunities shortly to be made available to the American people.

"Prosperity is not just around the corner, but the privilege of going to work under a humanitarian conception of the 'New Deal' is clearly directly ahead of us, inspiring hope and confidence."

Sheriff Warns About Evasion Of Gas Tax

Sheriff Guy Pierce states that the new law against adulteration of gasoline and evasion of gasoline tax by such adulteration is going to be very easy to enforce and that his office expects to see that no violators are allowed to escape.

"I am aware of certain places where evasion of the gasoline tax is being practiced and want to give the parties who are doing it a fair break. But if it is not promptly stopped I shall proceed to take steps against them," he said. The law, as described in The News recently, has plenty of teeth and violators of it will find themselves in plenty of trouble, according to Sheriff Pierce.

The law was passed to stop the evasion of an estimated \$4,000,000 in taxes each year, and its provisions take into account practically all the known methods of beating the State of Texas out of gasoline taxes.

ENSEMBLE RECITAL TO BE GIVEN TUESDAY

Music Week in Clarendon will be opened with an Ensemble Recital given by a group of Mrs. Elizabeth Powell's piano pupils, Tuesday, May 2nd, at the College Auditorium.

The program, which begins at 8 p. m., consists of quartets, duets, and duos. Those taking part are: Annie Ree Porter, Nelda Sue Burton, June McMurry, Evelyn Ebermann, Dorothy Powell, Joy McCann, Kathryn Cornell, Barbara Smith, Pauline Shelton, Delphia Bones, Adaline Smith, Freddie Chamberlain, and Billie Cooke.

L. F. Reed and F. H. Hull, of Eureka, Kansas, were in Clarendon Thursday to look at some cattle which will be shipped to Kansas if purchased.

Your Home Merchants Serve You Best!

(An Editorial)

Many merchants of Clarendon have expressed appreciation of the recent series of Goodwill advertisements which appeared in The News over the signatures of the Chamber of Commerce and The Clarendon News.

With the objective of creating a spirit of loyalty to the home merchants, the advertisements laid emphasis on seven reasons why your home merchant serves you best: (1) Smaller stocks afford a selection of exclusive fashions, (2) Lower overhead costs afford better prices, (3) Eliminates cost and worry of travel to distant markets, (4) Quicker service can be obtained locally, (5) The source of material is the same regardless of where you buy, (6) At home your personal needs are best known and satisfied, by a personalized service, (7) Credit . . . when needed can be obtained more conveniently at home, where you are best known.

None of us could continue to live in Clarendon without our local merchants. Their support of schools, government and protection of life and property goes on throughout the year. They contribute daily and weekly to causes which the merchants in nearby cities never hear about. They carry as large and varied stocks as their volume of sales permits, and the volume is dependable on the extent to which home people buy from them. If their volume is divided with distant merchants, it is reflected in the variety and size of stock which they can put on display.

Our readers will agree with us that if our citizenship, through a fine spirit of loyalty to the home town, would resolve that the merchandise of home merchants is best for them because its purchase will help build a better town, they would soon see larger, finer stocks and in greater variety.

We make our bread and butter in Clarendon and the individual prosperity of each of us is dependent on local patronage of our own business or our employer's business. To say that "what I buy in another city would make no great difference" is not true unless you are the only one who buys elsewhere. The sum total of purchases made elsewhere mounts much higher than most of us realize.

Clarendon could become noted as a small city with big-city stock of merchandise if its people would make up their minds that, singly and collectively, they will buy what their neighbors buy provided it is bought in Clarendon. Such a spirit will make Clarendon grow. Lack of it will dig Clarendon's grave.

Think these things over the next time you feel a desire to buy anything in another city. Buy it at home, even if you must wait a few days for the merchant to get it for you. Above all, don't let a few failures to get just what you want wipe out your loyalty to your home town.

SAYS FARM FEED LOTS WILL PAY

KANSAS CATTLE FEEDER DE- SCRIBES HOW RENTERS FEEDING OWN GRAINS

"Any Donley County farmer can have a good cash income each year by feeding home-grown feedstuff to just a few head of cattle on his own farm," said L. F. Reed to a News reporter this week. "I am not expressing merely an opinion—I know that it can be done, because three renters on my own farms are doing it. One of them fed and sold just three head last year. This year he has six or seven head and next year he plans to feed 15 or 16 head. All my renters, like a great many other farmers in my part of the country are materially increasing their farm cash income by small-scale feeding—and are gradually increasing their operations." Mr. Reed continued. "The practice is growing each year."

"They have learned what is a valuable lesson to any farmer, anywhere—that the only way to get a real profit out of home-grown feed is to feed it at home and then sell it on foot. Donley county, I have understood, grows abundant feed crops with more than average certainty. I know that small farm feed lots, with anywhere from 3 to 15 or 20 head of cattle fattened in them, will bring in more cash for that feed than can possibly be obtained by any other method of disposing of it," he said.

Mr. Reed is in Clarendon to buy Donley county cattle to be fattened for market in Kansas in the blue-stem grass country, where the cattle are run on grass until time to put them in the feed-lots for finishing. His sons being newspaper men in Kansas, he dropped into The News office and after a time the talk turned to cattle feeding, with the observations by Mr. Reed as quoted.

(Editor's Note: The News has previously expressed the conviction that the practice of fattening cattle in small lots on farms would bring in more cash for the farmer than could be obtained by any other method of disposing of the feed.)

Peabody Witnesses Austin Next Week

Witnesses in the C. M. Peabody case which come up for trial at Austin next Monday morning will leave here Friday and Saturday, some going by auto and some by train.

The list includes Crockett Taylor, A. O. Yates, A. H. Baker, R. Y. King, W. T. Link, Glenn Allen, W. S. Bagby, G. L. Boykin, Allen Bryan, Stanley Carlile, M. W. Mosley, Walker Lane, Roy L. Clayton, A. T. Cole, Ira Merchant, Otis Barnes, Jess Davis, Leonard Reed, T. M. Pyle, C. D. McDowell, James Trent, Roy Wilson and J. T. Patman.

ODD FELLOWS TO ATTEND SPECIAL SERVICES SUNDAY

The Independent Order of Oddfellows and the Rebecca Lodge of Clarendon are planning to attend a special service at the First Christian Church next Sunday night. The order is celebrating its 115th anniversary and Rev. W. E. Ferrell, of the Christian Church will bring them a special lesson on Oddfellow work and "Does Morality Alone Save?"

Many people who belong to fraternal organizations have the idea that the lodge and its work takes the place of the Church and its program. The Oddfellows have always been opposed to this program or policy of certain members who do not yet fully understand Oddfellowship and Christianity. The speaker on this occasion is well versed in the laws and constitution of Oddfellowship, and promises to bring some interesting facts about the lodge and the Church programs. The public is cordially invited to attend this service.

Brunk's Comedians Here All Next Week

Fred G. Brunk's Comedians will open a week's engagement in Clarendon on Monday, May 1, in their big tent theatre which will be located on the grounds of the old grammar school building. It has been six years since

Fred G. Brunk's popular company has played in this district, having just finished a two-year stock engagement in Tucson, Arizona.

This season only the latest New York releases are being presented and the opening play, "She Knew What She Wanted," is a comedy repete with laughs and thrills. High class vaudeville is presented between acts and a feature orchestra offers a fifteen minute musical program before each performance. Plays, vaudeville and music are changed each night. On opening night one lady will be admitted free with each paid adult ticket. Doors will be opened at 7 p. m.; musical program at 7:45 and curtain promptly at eight o'clock.

LIONS CLUB NOW IN NEW GROUP

GOVERNOR NAMES MERCH- ANT TEMPORARY CHAIR- MAN UNTIL JULY MEET

The Clarendon Lions Club was informed at its Tuesday meeting that under the recent re-grouping of the clubs of District 2-T, it will be one of the five clubs of Group No. 3, composed of Pampa, McLean, Childress, Estelline and Clarendon.

Group meetings will be held quarterly, as heretofore, the next meeting to be held in July at a point yet to be selected. Ira Merchant, president of the Clarendon club, was named by District Governor C. Herbert Walker as temporary chairman. The permanent chairman will be elected at the next quarterly meeting.

R. H. Kirk, president of the Lamesa Lions club, was present at the luncheon, where he was introduced as the head of one of the liveliest clubs in District 2-T. He spoke to the club in a very interesting way, relating that he joined the Lions club with considerable reluctance, not believing that he could be worth much to the club nor it worth much to him. "But as I listened each week to the interesting programs and once each week laid aside the problems of my filling station business, I began to get a new idea of what useful citizenship means. I have since tried to perform every civic duty laid on me to the best of my ability and have come to love my fellow-citizen more and my home town more," he said.

Dr. W. M. Murrell, of Abilene, was present at the luncheon. He was an active member of the Lions club during the four years of his residence here as Methodist presiding elder and has been equally active since he went to Abilene. He has addressed many Lions clubs in that part of the state and is rated as one of Lionism's truest exponents wherever he is known. He expressed, in his characteristic jovial way, his keen pleasure at meeting again with the Clarendon Lions. "Than whom there are no finer Lions anywhere I have ever seen," he said.

The club was also addressed by Sam M. Braswell in the interest of a special effort to honor District Governor C. Herbert Walker by the addition of at least three new members by May 11, when the district convention will be held at Lubbock.

Wesley Knorpp returned Friday morning from Long Beach, Calif., where he spent several weeks over-seeing the reconstruction of his home which was practically wrecked by the earthquake.

AMARILLO LOSES TITLE AT CANYON

REAVIS, HIGH POINT MAN, ALMOST MATCHES STATE RECORD ON 220-YD. DASH

Repeating their brilliant performance at the Clarendon College Invitation Track and Filed Meet on April 1st, the Clarendon Bronchos took the District Track and Field title from Amarillo's Golden Sandies at Canyon last Saturday, with a total of 30.2 points to Amarillo's 28.7 points. The Pampa Harvesters won third place with a total of 21.2 points.

Other teams' scores were Friona, 15; Lefors, 13 (these 13 points were won by Stewart, the only entrant from Lefors); Dumas, 9; Canyon, 8; Perryton, 5; Vega, 5; Panhandle, 4.2; Happy, 3; Higgins, 2.7; Booker, 2; Spearman, 2; Lubbock, 1.

The Clarendon boys express the belief that the time records made might have been bettered had it not been for the fact that a sandstorm a day or so before the meet had drifted sand on the cinder track, making it somewhat slower than the super-excellent track on the Clarendon field.

They report an excellent reception at Canyon, and praised the hospitality of those in charge of the meet. The squad from Clarendon included Hubert Reavis, Lloyd Martin, O. C. Watson, F. L. Behrens, Delbert Linder, Frank Holtzaw, Norman McCrary and Walter Gorman.

Will Go To Austin

Five members of the Broncho Track Team qualified at Canyon for the State Meet at Austin, and will leave here next Thursday. The Track Meet at Austin will be held Friday and Saturday.

MEDAL IS OFFERED JUNIOR HI GRADS

SONS OF AMERICAN REVOLU- TION TO HONOR PUPIL OF HIGHEST QUALIFICATION

H. T. Burton, superintendent of city schools, has been advised by T. D. Hobart, of Pampa, who is chairman of the Sons of the American Revolution, of Texas, that he will award a medal to the member of the Junior High School graduating class who comes nearest measuring up to the following qualifications:

I.—Dependability, as evidenced by the record of the pupil in punctuality, truthfulness, honesty, trustworthiness and self-control.

II.—Co-operation, as evidence by the record of the pupil in respect for authority, respect for property, respect for rights of others, and courtesy.

III.—Leadership, as evidenced by what the pupil has done to make his school a better school.

IV.—Patriotism, as evidenced by loyalty to, and the knowledge of, the purpose expressed in the pre-ambles of the Constitution of the United States.

V.—No pupil shall receive the Sons of the American Revolution medal who is not clean in speech and in personal habits.

The method which will be followed in awarding the medal, as suggested by the Sons of the American Revolution, will include the nomination by the class of five of their number who, in their opinion, come nearest to the above qualifications, after which the principal and teachers of the Junior High School will select the pupil from among the five who, in their opinion, best measures up to the qualifications.

The pupil who is thus selected as the medalist will receive an honor of which he or she may justly be proud and which should be an incentive to right living and the highest type of citizenship.

THE RULE OF REHOBOAM

My father made your yoke heavy, and I will add to your yoke; my father also chastised you with whips, but I will chastise you with scorpions.

So spoke the young King Rehoboam when he took the throne of Israel upon the death of Solomon. It seems that the Rehoboams have taken charge of the House at Austin.

Anybody with the white-collar wages of \$2,500 a year is to feel the blow. Any business prosperous enough to be able to meet its pay roll will be staggered afresh with the tax gatherer's demands.

The House was not willing to cut its own salary. The House has refused to enact any of the major reorganizations in the interest of economy as recommended by the Graves committee.

Some members of the House deserve none of these strictures. Some of them have done their best for the beleaguered taxpayer. Some have a record beyond criticism.

Confidence is taking the place of fear to a very satisfying degree. It is evident in the daily exchange of greeting between business men, between farmers, between bankers.

Merchants are being advised of the withdrawal of quotations on certain sensitive manufactured products, prices of which are being revised upward almost daily.

Both cotton and wheat, customarily in sympathy with each other, have recorded satisfactory gains, bringing new hope to farmers, and to all whose welfare depends on them.

The likelihood of some sort of inflation program being set in motion by the Congress is having its effect on owners of dollars who feel that the abandonment of the gold standard is going to lessen the purchasing power of their dollars.

The owner of dollars that could be invested now is going to wish, in a few months unless all signs fail, that he had put them into some of the many investments that are now possible.

If you cannot do great things remember that you may do small things in a great way.

LEGISLATIVE NEWS SERVICE OF THE TEXAS PRESS ASSOCIATION AUSTIN

Austin—The Forty-third Legislature, now nearing the close of its regular session, will likely reduce the costs of State government from 25 to 30 per cent.

There are two constitutional amendments pending, which if adopted, will be of far reaching importance. One would arbitrarily limit total expenditures of the State and the other would abolish the fee system of compensating county officials.

In spite of failure to adequately meet conditions in many respects, the present session of the Legislature may be counted a success, if it adheres to its present apparent purpose to levy no new taxes and cut expenses and also submits these two amendments.

Appropriations for expenses of the Legislature were approximately \$500,000. This represents a reduction of about 30 per cent below the cost of the regular sessions since the pay of legislators was increased by constitutional amendment.

voted to make the pay of members \$9 per day, instead of the constitutional limit of \$10. The House refused to concur and fixed salaries of House members at \$10, and Senators at \$8.

The effort to again bring up a sales tax bill has failed for the time being. The House committee on revenue and taxation gave an adverse report on the Kayton bill.

The income tax bill which has passed the House seems to have little chance of passing the Senate.

The House took up the higher education appropriations bill last week and made drastic cuts in salaries and other items, going below the reductions already approved by the appropriations committee.

Despite the fact that State support of public schools has increased more than other costs of government and has far out-run the increases in taxable wealth and population, a demand for continued liberal support of approximately the same level as during the years of prosperity for public schools is being made.

Analysis of the State budget in the light of reductions already made, and provided the Legislature does not attempt to hold the school apportionment to prosperity levels, shows that legitimate needs of the government can be met without additional tax levies.

Sixty-two carloads of string beans were shipped in six days from Pohokey, Fla., this season.

Singing Convention at Bray Next Sunday

A singing convention will be held at Bray schoolhouse Sunday, April 30, according to information received by The News from C. W. Howard. All singers are cordially invited to attend the convention, and all who find it convenient are invited to bring dinner and spend the day.

Any singer who will render any special number is especially invited to do so. This feature of the convention should prove to be very enjoyable, as well as the group singing.

HEN HATCHES OWLS BUT SEEMS HAPPY

D. B. Pope, Jr., is responsible for a story that comes to The News about a hen, just an ordinary "chicken hen," which has hatched and is rearing a pair of young owls that are now about as big as frying-size chickens.

He was a visitor recently at the Park Creek camp on the JA ranch and hearing a squawking that seemed out of place among the chickens, wanted to know how come. "Come over here and I'll show you something you never saw before, I'll bet," said his host, Winks Adams.

They went over to a nest and looked down wide open throats of a couple of young owls that the hen had hatched from a couple of eggs Winks had put under her to satisfy her apparent yearning to start a family. Winks is feeding them wild meat, killing a rabbit every day for them. The News reporter failed to find out Wink's plans for their future. Possibly he intends to find out if owls are as "wise" as they are reputed to be.

CARD OF THANKS

With grateful hearts, we wish to thank the many friends of Lelia Lake and Clarendon for the numberless kindnesses shown us during the sickness and death of our loved one, Mrs. Bascom Webb, and for the many floral offerings. Especially do we feel grateful for the loyal spirit of friendship shown us by our Lelia Lake neighbors and friends. Though our hearts are torn because of our loss, yet we pause to thank God for such friends who showed in more ways than one that they have not forgotten to be like our Savior in "weeping with them that weep."

Bascom Webb and daughters, Betty Jo and Peggy Jean; C. H. Ellis, Mr. and Mrs. W. A. Kercheville, Dorr N. Ellis, Mr. and Mrs. Henry Ellis, Mr. and Mrs. Irvin Gerlach, Mr. and Mrs. Alvin Landers, Mr. and Mrs. W. B. Webb, Sr., Mr. and Mrs. Ed Palmer, Dr. T. H. Ellis and family, Miss Edith Ellis, of Amarillo.

LOCAL BEAUTICIANS ATTEND CONVENTION

Mr. and Mrs. Frank Whitlock, Mrs. Lucile Garrison and Mrs. Irene Mitchell went to Lubbock Monday afternoon to attend the Beauticians' convention there, which over one thousand beauty shop operators are expected to visit during the three day's session. Mr. Whitlock attended the convention there last year which he describes as the biggest and most educational of all similar meetings which he has ever attended. In connection with the convention an exposition of the latest equipment and beauty supplies is also staged.

WILL BROADCAST WEDNESDAY

Misses Ruth Price and Delphia Bones, and Mrs. Lester Schull, of this city, will broadcast a mixed program of music, readings and whistling, over radio station KGRS, at Amarillo, on Wednesday, May 3rd, from 3:30 until 4:00 p. m.

They invite their many friends to "tune in" on KGRS next Wednesday and hear the program.

Mrs. W. J. Parsons, who has spent the past ten days in our city looking after business interests and visiting friends and relatives, returned to her home in Amarillo, this morning.

Mrs. L. S. Bagby, Mrs. M. P. Gentry, and Selden Bagby left Thursday for Clarksville returning Monday. They were accompanied home by Mrs. Selden Bagby, who has been visiting her parents.

Making A Living On 25 Acres Is Described

COLLEGE STATION—If you have 25 acres of average Texas land and \$200 worth of the right kinds of livestock you can get three square meals a day for yourself and family of five for a year without being out any cash if you follow the Extension Service plan of living-at-home, declare authorities at Texas A. and M. College.

Such a living is worth about \$600 at current prices, they say pointing out that no other present farm enterprise can offer such certainty of a net \$24 per acre return. The plan is based on producing all the feed for necessary livestock including two horses, and all the human food that can be had from plants and animals under average Texas conditions. It assumes the ordinary work stock, farm implements, fences, buildings and native pasture that most farms already possess.

The plan, which any farmer can work toward in a short time, calls for 2 meat hogs, a flock of 50 hens, one beef animal, 4 milk cows, and if desired a few sheep. Under average conditions 6 acres would be devoted to sudan pasture in summer and small grain pasture in fall and winter, 12 acres in corn or grain sorghums or other grain crops, 4 acres in hay and ensilage, 2 acres in cane for syrup, field peas, sweet potatoes, peanuts and melons, one-half acre for garden and one-half acre for orchard.

Yearly food requirements for a family of five are given by the Extension Service as 2184 pounds of fresh and canned vegetables, 1456 pounds of fresh and canned, dried and preserved fruit, 728 pounds of protein from meat, cheese, eggs, nuts and peas and beans, 780 pounds of grains, 310 pounds of sweets, 234 pounds of fats, 365 gallons of milk, and a few miscellaneous foods.

With the exception of about \$100 needed for sugar, salt, flour, coffee and cans or jars for canning, all this may be produced from the crop-livestock unit in the living-at-home plan. The cash needed to supply the remainder, and the small amounts of cash needed for keeping the unit in operation may be obtained by sales of cream and poultry products supplied at certain seasons in excess of family requirements.

In making the living-at-home unit self sustaining, provision is made for securing the protein needed for hogs and chickens from skim milk; for getting the protein for balancing dairy cow and beef rations from pasture and cottonseed; and where bran or oats are needed in cow or poultry rations for trading corn or grain sorghums for the feed desired.

County farm and home demonstration agents are in a position to help with the details of the plan.

"HOW TO DESTROY YOUR CHURCH"

In looking over the attendance records and watching the small number of people who attend the regular Church services, it looks like so-called church members are trying to kill or destroy the church and its influence. To destroy the church, that is to make a good job of it we are outlining a sure policy.

I. Destroy The Confidence Of The Community

Tell the people that you are in the church by force of circumstances, but have no respect for the way in which its business is conducted. Publish the faults of your brethren, taking care to magnify them, make no effort to induce people to attend the church services. Take no part in the labors of the Sunday School or church work. Publish it on all occasions in the concern. Predict that it must fail, go down, blow up or never succeed.

II. Discourage Your Fellow-Members

Complain about everything they do and don't do. Convince to make yourself the head of a clique, and by their industry and your assistance help to keep the church in hot water generally. While doing this, lose no opportunity to complain of the BAD treatment that you are receiving. Be as much like Diotrephes and as little like Paul as you can. Discard charity and candor, take distrust into your bosom and make scheming your speciality.

III. Discourage Your Preacher

Absent yourself from one service every Sunday, or miss at least one in three; if he is not very strong, once in four times may answer. Neglect the prayer-meeting. Criticise him freely, praise him very sparingly, find fault plentifully, pray for him

very little or none. If he proposes to hold extra meetings, withhold your co-operation. Give yourself no concern whether his salary is paid or not. Never call on him socially, or allow him to think that his comfort or that of his family, is a matter of any importance in your eyes or consideration.

Many church members are feeling the effect of their program. Is this the method you have been following?

Sunday we are bringing a special message on "The Missing Man." Sunday night we bring the anniversary message to the Odd Fellows, our subject is, "Does Morality Alone Save." Try to attend both services.—W. E. Ferrell, Minister, First Christian Church, Clarendon, Texas.

Mr. and Mrs. Homer McElvany were called to Prague, Okla., Wednesday where Mr. McElvany's brother, W. R., died Tuesday night. The News lacks details as to the sad news, but joins the many friends of Mr. McElvany in sincere sympathy.

THE WIND AND THE OLD RANCH HOUSE

The wind comes down the draw, Old House, And sings in the locust boughs, Or through rattling panes As he looks for stains, I think of little hands Upon broken glass, And shadows of small feet that pass Over drifting sands.

Memory comes down my heart And, faltering, stammering, sings O' happy days, merry ways, Weariness, dreariness . . . Strangely, sadly sings Because of little shadow hands That are tangled in the strings. —Elvia Davenport.

Lovely Party

After rehearsal for the Little Theatre play, "The Last of Mrs. Cheyne," Mrs. Fred Chamberlain entertained several members of the cast with a buffet supper on Thursday evening. Pink tulips in a cut glass bowl centered the attractive table, where a sumptuous supper was enjoyed by Misses Mary Cooke, Katherine Patrick, Mary Jo Chamberlain, Messrs Carl Allmond, Dick Ritchie, Mr. and Mrs. Parke Chamberlain, Mr. and Mrs. Frank Stockett, and Mr. and Mrs. Kelly Chamberlain.

Richmond Bowlin Celebrates His 84th Birthday

On Tuesday of this week, Mrs. Richmond Bowlin of the Naylor community, assisted by her daughter, Mrs. H. L. Whitfield, was hostess to friends and neighbors in an all day gathering complimentary to her husband's birthday. Mr. Bowlin was the recipient of many useful presents and the hearty congratulations of his many friends on the passing of his many milestones of his life in splendid health and happiness. At twelve o'clock an elaborate dinner consisting of baked ham, chicken and dumplings, vegetables, salads, pies, cakes and coffee was served to the following guests: Misses Minnie Naylor, Lou Naylor, and Ava Naylor, Mr. and Mrs. K. C. Reed, Mr. and Mrs. W. M. Tipton, and Mr. Austin Selby of the Naylor community; Mrs. J. D. Stockett and Mrs. Jerome Stockett of Clarendon; Mrs. H. L. Whitfield, Mrs. M. C. Whitfield, Sydney Ray and Betty Jean Whitfield of Hedley.

Enjoyable Dance

Mike Stricklin was genial host to a group of his friends on Wednesday, when he entertained with a dance at the home of his parents, Dr. and Mrs. M. L. Stricklin. Though strictly informal, every one had a delightful time. Present for this affair were: Misses Pauline Shelton, Dorothy Jo Taylor, Jean Bourland, Pauline Sanford, Elizabeth Kemp, Travis Dyer, Nola Gordon, Dorothy Colbert, Berkeley Ryan, Helen Lawler, Carroll Holder, and Messrs George Bourland, Alfred McMurry, Bill Greene, Arthur Chase, Bill Wood, Elerly Watson, Carroll Hudson, Robert Green, Paul Greene, Fred Bourland, Bill Word, Henry Wilder.

Claudyne Rateliff Honored

Mrs. Claudyne Rateliff was honoree at a lovely party given by Miss Nova Cook on Thursday evening, at the home of her parents, Mr. and Mrs. Melvin Cook. A rainbow color motif was carried out in the attractive decorations and appointments of the refreshment course. Games of "Pounce" were introduced for entertainment, with high score going to Miss Ruth Donnell. Besides the honoree, the guests included Misses Marjorie Harlan, Delphia Bones, Virginia Wisdom, Joyce Link, Ruth Donnell, Nola Gordon, and Messrs Doyle Brazille, Lu McClellan, Bill Wood, and Clarke Hott.

Mr. and Mrs. James Cornelius

are receiving the congratulations of friends over the arrival of little Carolyn Anne, who was born Friday, April 21. She weighed 9 1/2 pounds.

Mrs. W. H. Martin Entertains Club

The 1912 Needle Club and a few friends were guests of Mrs. W. H. Martin at her home on Thursday afternoon. Tulips of brilliant hues and gay purple iris made beautiful bouquets which adorned the entertaining rooms. After a very pleasant afternoon, the hostess served a delectable salad course to: Mesdames L. L. Swan, H. B. Kerbow, Tom Kennedy, T. H. Ellis, Ralph Kerbow, Don Grandy, and James Trent, guests. Club members included Mesdames A. R. Letts, Anna Hall, J. B. Baird, B. L. Jenkins, Sr., Minnie Dyer, H. C. Kerbow, and A. A. Mayes.

Friendship Club

Mrs. J. H. Harris was cordial hostess to members of the Friendship Club and guests at her home on Tuesday afternoon. After the opening with the Lord's Prayer, Mrs. G. J. Teel read the Scripture lesson, from the Book of Proverbs. The roll call was answered by a verse from the Bible. The next meeting of the club will be with Mrs. Eva Womack, at the home of Mrs. Ralph Andis on May 9th.

Buffet Supper

Wholly informal but truly delightful was the Buffet Supper given by Mr. and Mrs. Ira Merchant on Saturday evening, preceding play practice. Mrs. Parke Chamberlain presided over the coffee service at the charmingly appointed table. Guests for the event included Misses Mary Jo Chamberlain, Katherine Patrick, Mrs. Meade Haile, Messrs Dick Ritchie, Meredith Gentry, Mr. and Mrs. Kelly Chamberlain, and Mr. and Mrs. Parke Chamberlain.

Episcopal Auxiliary

Meeting at the Parish House with Mrs. W. H. Patrick as hostess, the Woman's Auxiliary of the Episcopal Church spent a very profitable afternoon, Wednesday. Two quilts were put "on the rack" and finished. Later dainty refreshments were served.

American Legion Auxiliary Meets

At the April meeting of the Clarendon unit of the American Legion Auxiliary, Mrs. B. C. Antrobus was elected delegate and Mrs. L. L. Swan, alternate to the 18th District Convention to be held in Dalhart, April 29th and 30th. Mrs. James Trent, who is 18th District Chairman, will attend and preside at the business session. The local unit is planning to have a Forty-Two Benefit early in May.

Maxine Ellis Is Hostess

A happy occasion for Maxine Ellis and her friends was the celebration of her twelfth birthday at the home of her parents, Dr. and Mrs. T. H. Ellis on Saturday afternoon. Games of varied nature so enjoyable to children of this age were indulged in during the afternoon hours. Sandwiches, hot chocolate, and cake were served to the following: Jean and Ruth McDonald, Betty Jo and Peggy Jean Webb, Cassandra Morris, John Morris Ryan, Billie Cooke, and James Morris.

Ladies Aid

Mrs. R. T. Wilson was hostess to the Ladies Aid of the First Christian church on Wednesday afternoon. Eighteen members were present for the inspiring lesson led by Mrs. Frank Johnson. J. R. Tucker visited with his son, Bright Tucker, and family in Amarillo, returning Monday.

B. & P. Women Meet

The Woman's Club Room was the scene of the bi-monthly meeting of the Business and Professional Woman's Club on Tuesday evening with Lotta Bourland as hostess. Quite a few of the members attended the District One meeting of The Texas Federation of Business and Professional Woman's Clubs at Pampa this past weekend. After a short business meeting, a report of the convention was heard. Later an ice course was served to: Ruth Teat, Rhoda Wiedman, Mildred Martin, Fannie Perry, Norma Rhode, Julia Wiedman, Ruth Donnell, Helen Wiedman, Ida Harned, Carrie Davis, Lela Lamons, Julia Mae Caraway, Mantie Graves, Beatrice Antrobus, and Etta Harned.

Billy Mickey Allen Has Birthday Party

Billy Mickey Allen celebrated his sixth birthday Wednesday in a very enjoyable manner. His grandmother, Mrs. John Potts, gave him a party at her home, inviting several of his little friends. Billy Mickey received many pretty presents from the children. Games of various kinds were played throughout the afternoon, with favors in the form of balloons and suckers, being given them. Later ice cream packs and slices of the birthday cake were served to: Billy Ralph Andis, Lewis Chamberlain, Billy Norman, Jimmy Lumpkin, Basil Kirtley, Jr., Edward Ozier, Bobbie Joe Skelton, Jack Stevenson, Carl Blackman, John Ryan, Jerry Kerbow, Juanita Baker, Geraldine Ryan, Junior Cooper, and Billy Mickey Allen.

Mothers Club

The Mothes Self-Culture Club met at the home of Mrs. T. H. Ellis on Friday afternoon. A chapter in the book, "Child Psychology," which is being studied by the club was discussed by Mrs. Oscar Jenkins, following which Helen Frances Porter and Naomi Morris each told a story. The club is planning to have a "Forty-Two party honoring its husbands on the evening of May 4th at the club room. G. M. Richards and John Maddox, of Wellington, stopped over in Clarendon Wednesday on their way to Mr. Richards' farm in Armstrong county. Mr. Richards, former Clarendon resident, reported an excellent rain in Collingsworth Tuesday night, with a light hail.

CLARENDON CLUB WOMEN AT PAMPA

B. & P. W. CLUBS OF DIST. ONE HOLD CONFERENCE WITH 150 DELEGATES

Eleven members of the Clarendon Business & Professional Women's club attended the fifth annual conference of District One of the Texas Federation of B. & P. W. clubs which was held at Pampa April 22-23. The district includes the clubs of fifteen cities—Amarillo, Borger, (the newest club), Childress, Clarendon, Dalhart, Electra, Hereford, Lubbock, Levelland, Memphis, Pampa, Quanah, Plainview, Shamrock and Vernon. After registrations were made Saturday afternoon, a tea and reception at Schneider hotel was followed by a sight-seeing tour by the courtesy of the Pampa Lions Club, the visitors being shown the carbon-black plant (the largest in the United States). A banquet and dance Saturday night, a breakfast Sunday morning at which club reports were heard, attendance on church services at 11 o'clock, and a luncheon at noon provided a splendid program of entertainment and business for the visiting club-women, with prominent club leaders as speakers. In a spirited contest for the 1934 convention, in which Lubbock, Clarendon and Shamrock were contenders, Lubbock was selected. Local club women are already laying plans for an intensive effort to secure the convention, which had over 150 visitors this year, for Clarendon in 1935. Delegates from Clarendon were Misses Norma Rhode, Mildred Martin, Carrie Davis, Fannie Perry, Julia Mae Caraway, Onal Pyle, Lottie Lane, Helen Wiedman, Kathryn Stark and Mantie Graves, and Mrs. Bessie Smith. They are unanimous in expressions of appreciation of the many courtesies shown them by their hostesses at Pampa. Raw sugar, before it is sent through a refinery, is yellow.

GOLDSTON NEWS

(By Mrs. G. R. Grant)

Sunday School was held at the usual hour Sunday afternoon. We are having nice weather these days and not so much wind and sand. "THE LOGOS"

Miss Mary Francis Caraway, a graduate of Clarendon High School, has remembered her old school in sending to it a beautiful copy of "The Logos", the Incarnate Word College annual for 1932. It is a present that the library treasures very much and will keep always because of its value as a book and because it stands as a token of remembrance of one that has gone to school in C. H. S. in the past.

In 1932 Miss Caraway was a Princess in A Battle of the Flowers celebration. She has a full page picture as a princess in this annual. She will be a member of the graduation class of 1934. All of her old friends and fellow students hope that she will have another happy and prosperous year of school life and that she is graduated with honors in 1934.

SENIOR CLASS MEETING

On Wednesday morning of last week the Seniors held a class meeting to decide definitely their destination on Class Day, April 28th. It was decided to go to Dripping Springs. President McMurtry appointed Lucile Yates, Herbert Carlson, Drew Wilkerson as a committee to see about food for the picnic.

The announcement was made that class night has been changed from May 12 to May 5. The officers of the class met with Miss Headrick at noon, Wednesday, to make out the program for the event.

CAMP FIRE REPORT

The Kicuwa troop of the camp fire girls with their guardian, Miss Marie Thornton, went on a picnic last Friday. The girls intended to hike all of the way, but an empty wagon passed which looked altogether too inviting so they rode a good part of the way. Every girl carried a bundle of some sort which turned out to be something good to eat. After walking about a mile and a half, the Kicuwas spread the "cats" on the ground and enjoyed a feast. Soon after the lunch it began to sprinkle a few drops of rain so fearing a shower, the girls made their way home. Everyone declared that she had enjoyed the outing immensely and they hoped to have many more soon.

TRACK MEET

The track meet at Canyon Friday was quite successful as far as Clarendon was concerned. Clarendon won the meet. Hubert Reavis was high point man of the entire meet, winning three first places. These were 120 high hurdles, which he ran in 16.3 seconds; 220 low hurdles, which he ran in 25.8 seconds and 220 yds, which he ran in 21.9 seconds. Lloyd Martin also came home with honors. He won first place in high jump, jumping to the height of 5 feet and 8 inches. He won 4th in discus and 3rd in 120 yard high hurdles.

Three more of Clarendon's star track men came home with one honor apiece. O. C. Watson won second in high jump; Behrens second in high hurdles; and Delbert Linders second in shot put. Linders put the shot 45 feet and 8 inches.

All five of these men are eligible to go to the State Track Meet to be held in Austin on the fifth, sixth, and seventh of May. C. J. C. and C. H. S. are very proud of these men and hope that they will win at Austin in May.

MIKE STRICKLIN ENTERTAINS TAINS WITH A DANCE

On Wednesday, April 19, Mike Stricklin entertained a group of friends at his home with a dance. The members of the party were very hilarious even to the point of giving Mike a good whipping. He was quite unaware of any danger because his birthday had been on the previous day; nevertheless, he was "spanked" with a nice extra to "grow on". Due to the fact that the Stricklin home is an excellent place to dance and also that Mike is a good host everyone had a wonderful evening. Those present were: Pauline Shelton, Pauline Sanford, Dorothy Jo Taylor, Jean Bourland, Nola Gordon, Dorothy Colbert, Travis Dyer, Elizabeth Kemp, Berkley Ryan, Carol Holder, Helen Lawler, George Bourland, Bill Wood, Fred Bourland, Alford McMurtry, Bill Greene, Paul Greene, Arthur Chase, Henry Wilder, Elery Watson, Carol Hudson, Robert Green, Bill Word, and the host, Mike Stricklin.

SPEED IN FALLING

If one should fall from an airplane or balloon at a height however great, his velocity would never exceed 118 miles an hour at any point before reaching the earth, according to the conclusions of the Army Air Service as a result of experiments made with dummies.

This is contrary to the belief formerly held by most persons that a body continually increased in speed when falling from any distance. The fact is that this rapid increase of speed in the case of a body similar to that of man continues only until it has fallen about 1,200 feet, after which it maintains a constant rate, due to the resistance of the air.

This discovery also explodes the theory that a person falling from a great height would lose consciousness and perhaps be dead before striking the ground, for it is well known that aviators have driven their planes at speeds of more than 350 miles an hour on a straightaway course, and at much greater velocities when diving to make an "outside loop".

The knowledge that falling speed is limited is not of much practical benefit to one who falls from a great height, however, for the 118 miles an hour possible of attainment is quite sufficient to effectively put him out of business when he strikes the earth.

Express matter carried by airplanes in the United States has more than doubled within a year.

SPORTS

SPORT SPUTTERS
BY O. C. WATSON, JR.

The Amarillo Daily News Sunday, April 23, carried the headlines that the Clarendon Bronchos had crashed through to a district championship in the track and field meet at Canyon on Friday and Saturday. It did not, however, relate that only 8 boys from the local school made the trip. These eight boys were competing against the field, some schools having as many as twenty men in the meet, performed gallantly and with ability.

Blanketing the field the Bronchos got away to an early lead in the High Hurdles, when Reavis led the way to the tape, closely followed by Behrens and Martin. In the very good time of 16.3. It was this same lad Reavis who showed his heels to all competitors in the 220 low hurdles and the 220 dash, in the remarkable time of 25.2 and 21.9, respectively.

Other points were gathered by Martin, high jump and discus, Watson, high jump and Linders in the shot put, with a first and a tie for second in high jump, fourth in discus, second in the shot put. All total the 5 boys piled up 20 1/2 points.

In winning the meet the locals qualified 5 men to go to the State Meet at Austin, this being the maximum number any school is permitted to qualify. The boys merit your congratulations.

The "Sputters" would like to take this opportunity to correct an error which appeared in last week's News. The statement was made that Clarendon won the District Track and Field meet in 1926, but this is an error. Clarendon did not win first, Amarillo won first place, Clarendon being second, was nosed out by only a few points. By the Bronchos winning Saturday this is the first time in the history of the school that Clarendon High School ever won first, at the District Meet.

Maybe this district meet was just another track meet to you but to those who witnessed the event were very well pleased, and those who participated in the meet were honored. The Bronchos met their heart and soul into this meet and were determined to win and did win. If that had depended on backing from Clarendon to win I am afraid that the Bronchos would not have scratched. These boys not only fought for themselves and school, but for the whole city; however, most of you do not seem to realize this fact.

Why doesn't Clarendon back other sports other than football. With more backing the boys could do much better. Why not come up to the track some time during the next few weeks and watch the boys work out and encourage them so they might attain higher honors at the state meet at Austin, May 3, 4, 5. The Bronchos do not deserve all of the honor and credit for winning this

Real Relief from NEURALGIA

There is no known medicine that works quite like Bayer Aspirin for the awful head and face pains of neuralgia.

The speed of these tablets, and their perfect safety, makes them invaluable in relieving suffering of this severe kind.

Doctors know this peculiar efficacy of Bayer Aspirin in neuritic pain, and they insist on the tablets of Bayer manufacture.

Bayer Aspirin is safe. You could take it every day in the year without any ill effect. *It does not depress the heart.* So, stick to this proven product with proven directions. Safe, uniform, dependable.

district meet as some credit is due coaches Hutton and Stocking, who pushed their boys on to victory.

The teams placed as follows: Clarendon first, Amarillo second, Pampa third, Frisco fourth, and LeFors fifth with their one man track team. Out of the 26 counties entered some 50 schools were present.

The javelin was thrown at a distance of 188 feet and 2 inches, this was the only record that was broken, however this not only broke the District record but beat the state record by one foot, four inches.

The track was very soft, this checking the time on all of the races.

Prospects for the twilight league are looking brighter, as many are taking interest. This indoor baseball is very good recreation, and one does not have to be a professional to play, it is also a very interesting sport. To you who would be interested in organizing a league get in touch with the "Sputters" G. L. Bovkin or James Cornelius. I will try to give you more details next week.

With the close of school but a few weeks off, the spring training of football has discontinued, and will be discontinued until the school starts in September.

Liver Sufferers Amazed At Results Obtained From Remarkable New Treatment

Thousands Reporting Sargon Soft Mass Pills Have Brought Them Lasting Relief From Constipation—Sour Stomach—Sick Headaches—Gas—Bad Breath—Coated Tongue—Nervousness and Dizzy Spells After Everything Else Had Failed.

If Your Liver Is Not Performing Its Proper Functions—Sickness—Suffering and Ill Health Are the Inevitable Result.

Science Has Proved That Salts, Calomel, Mineral Waters, Oils, Laxative Pills, Herb Teas or Extracts Have No Effect Whatever on the Liver or Its Production of Bile.

sound digestion—gives you a new outlook on life itself.

Bile is nature's laxative and your stomach and bowels require at least one quart of fresh bile every day to keep them clean, pure, free from fermentation, gas and disease germs.

When your liver becomes sluggish the bile stagnates and stops flowing freely. The contents of your bowels become the breeding place for germs and poisons; your food does not digest—it just ferments and decays in the bowels. The blood absorbs these poisons and you suffer from constipation, gas, sick headaches, dizziness, nervousness and sour stomach.

Sargon Soft Mass Pills remove the cause of this condition in nature's way. They are not like any other medicine you have ever taken. They are so gentle, thorough and natural in their action there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all you gradually reduce the dose until you no longer require a laxative of any kind.

Insist on genuine Sargon Soft Mass Pills. Don't be misled. There are only two generally recognized substances which will actually stimulate a torpid or sluggish liver to cleanse and purify itself by increasing its production of bile. Sargon Soft Mass Pills contain both of these substances and no other advertised medicine on the American market today does contain them. . . . Only 60c for a full 30-day treatment. At your druggist, or write G. F. Willis, Inc., Atlanta, Ga.—(adv.)

School Notes

By SLOAN BAKER.

"The schools have not failed the people. Whether you regard their past performance or their present achievement they stand out as the largest single successful industry in the world. Quantitatively and qualitatively no progress of the last quarter-century is comparable to that of our peoples' schools.

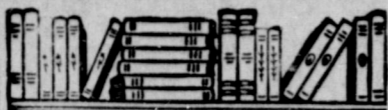

"Whatever the opponents of public education have said they have not been able to charge that it has produced a group of narrow specialists. That for which it is most criticised, the overcrowding of the curriculum, has in many instances been its merit rather than its defect. The various aptitudes and talents of boys and girls have been stimulated by the rich variety of this overcrowded curriculum.

"The diversity and availability of culture, then, is one of the great achievements of our educational system.

"The teaching profession above all is a spiritual profession and the weakness of American business today is its loss of its soul. We shall recapture our foreign trade when we rehabilitate our national spirit, when we rebuild our conception of fair play, and promote kindness to our neighbors and home and abroad; when we reconstruct our national ethics; when we ground the minds of youth (these citizens of tomorrow) in fundamental principles of business conduct and human behavior. This is your holy task. Only the love of man and fear of God will give you courage to achieve it."—President Bruce Payne, of George Peabody College for Teachers.

The State meeting held at the Austin Hotel in Austin last Wednesday in the interest of legislation which will hold the per capita appointment next year to \$16 was well attended by Superintendents of Independent Schools, County Superintendents, Trustees, Teachers and Patrons of schools. At this meeting fourteen trustees were appointed to represent the schools before the Texas Legislature, to favor the Kayton Tax Bill as one means of raising revenue to hold the per capita to \$16.

Library Notes

By MRS. C. A. BURTON

A recent addition to the library which will be of unusual interest to the more thoughtful book-lover is a drama, "The Barretts of Wimpole Street" by Rudolf Besier. This has been a great success in both London and New York. It is the beautiful love story of Elizabeth Barrett and Robert Browning. Elizabeth's father is a domestic tyrant, re-

presented to the House of Representatives, conferred with this committee last Wednesday, allowing this committee to present their cause to the legislature Wednesday, April 26th. A large lobby of school people will meet in Woolridge Park at 10:30 a. m. this date and march to the House of Representatives to present the cause of the schools. The spokesman for the schools will be able to present thousands of petitions from all over Texas to the Legislature to add weight to the lobby and to his plea.

The bill, the schools are most interested in, is the Kayton Sales Tax Bill. All food stuffs are exempt under its provisions, with a 2 per cent tax on all retail sales. Fifty per cent of the tax money raised in any city or county will revert back to lower the ad valorem tax. 25 per cent will go to the State General Fund and 25 per cent to the school fund. Twenty million dollars is the estimated revenue. Every one in Donley County who wants the schools to remain open next year for the full term should write their representatives at Austin to vote for this bill.

The County Board of Trustees will organize next Monday, May 1st. At this meeting the schools of the county will be classified.

Donley County Superintendent of schools represented this county at the school meeting in Austin last Wednesday.

Principals of all schools will present seventh grade diplomas this year to those pupils graduating into High School.

The Trustee-Teacher Association meeting are growing in interest as shown by the interest in the meeting at Glenwood last Monday night.

olved to prevent the marriage of his children; a warper and world-ved Puritan, who lacking purity must torture in purity's name. Elizabeth is the delicate lady, lying behind closed windows, ill and lacking the will to struggle. Browning is the mender of the broken will who will rescue her from her Victorian prison. The play is of unusual power.

Mr. Besier is an English Dramatist of Dutch descent, born in 1878. He is author of a dozen other successful plays, one in collaboration with H. G. Wells, and one with Hugh Walpole. The Sketch of London says, "It is one of the loveliest plays of modern England—a play that will live. While Walter Pritchard Eaton says, in the New York Herald Tribune: "A fascinating play. Among modern historical dramas 'his one must surely rank high.'"

Now for the list of the twenty-seven which we have in our library of the one hundred "Outstanding Novels of the 20th Century" as compiled by an experienced librarian, Miss Milard of Jamaica, N. Y. It is good to standardize on reading sometimes, so I am sure you will be interested in this list.

"The Old Wives' Tale"—Arnold Bennett; "The Great Hugger"—John Bojer; "The Green Ray Tree"—Louis Bromfield; "The Good Earth"—Pearl Buck; "The Crisis"—Winston Churchill; "Arrow of Gold"—Joseph Conrad; "Jolna"—Mazo De La Roche; "The Forsyte Saga"—John Galsworthy; "Barren Ground"—Ellen Glasgow; "Dark Journey"—Julian Green.

"The Three Black Pennys"—Joseph Hergeshimer; "Ring of the Loneuskolde"—Selma Lagerlof; "Babbitt"—Sinclair Lewis; "Call of the Wild"—Jack London; "Conrad in Quest of His Youth"—Leonard Merrick; "The Pit"—Frank Morris; "Scarlet Sister Mary"—Julia Peterkain; "The Companions"—J. B. Priestly; "Time of Man"—Elizabeth Madrox Roberts; "Giants in the Earth"—Ole Edward Rolvaag; "The Little French Girl"—Anne Douglas Sedgwick; "The Matriarch"—Gladys B. Stern; "Hounds of Seving"—Sylvia Thomson; "The Cathedral"—Hugh Walpole; "Ethan Frome"—Edith Wharton; "Bride of San Luis Rev"—Thornton Wilder; "The Virginian"—Owen Wister.

How many of them have you read? These are comparatively

new books, the larger number of them having been written within the last ten years. Besides these we have books by sixteen others in the list. Remember the library is yours to use and enjoy—for a membership fee so small that absolutely no one need be debarred.

A Kentucky court has ruled that having liquor in one's stomach does not constitute "possession" in the legal sense of the term, and is therefore not punishable under the Volstead law. It is good to know that there is some limit beyond which snoopers may not go. By this wise decision it is made plain that even if a man's house is no longer his castle, his stomach still is.

Farm Feed-Lot
 (Continued From Page One)

tion that Donley county farmers have it within their power to develop a new source of cash farm income in feeding small lots of cattle, either as baby heaves or older stuff. Mr. Reed's opinions were unreserved and are accurately quoted, and carry weight because they are based on actual observation of the experiments of renters on his own farms and of many of their neighbors. The News believes that the development of this form of cash farm income should command the serious and continuing interest of farmers, bankers and forward-looking business men alike. In this country of large cattle operations it has become customary to think of cattle in terms of car-load lots per feeder, which requires heavy investment of the feeder's money, or of a bank's money loaned to the feeder. There are enough farmers in Donley county who can finance themselves on small-scale cattle-feeding to enable them to make up pool cars of cattle when ready for market. There are other trustworthy farmers who might properly be assisted to some extent. Such a farm feed-lot industry has tremendous possibilities if fostered and encouraged by all who have a genuine interest in the prosperity of Donley county farmers. "Donley county" is a mouth-filling expression, but it would take on new meaning if every ton of grain-sorghums grown in the county were fed on the farms to livestock—and the difference in the cash received for the feed would fatten pocketbooks and bank accounts. Cattle-raising, too, would assume new proportions and added interest because of the injection into the picture of cattle-farmers whose operations could in no way affect, except favorably, the larger operators.

Joe Sloan after a two weeks visit with his parents, Mr. and Mrs. E. A. Sloan of this city, has returned to his home in Phoenix, Arizona.

National Editor of the Editor's Magazine-Bible

MARLEN E. PEW—NEW YORK

Since 1912 as editor of "Editor and Publisher", the publisher's Bible, Marlen Pew, for forty-five years an active writer, for the first time is coming to Texas. Many men will travel many miles any time to listen to any address delivered by Marlen Pew and no publisher or editorial writer in Texas can afford to allow anything short of disaster to prevent his hearing him at the Houston meeting of the Texas Press Association, June 8th. Marlen Pew is the editorial "big shot" if there is one.

father, sisters, and brothers, now bowed under the deep shadow feel that God does all things for the best and that he has seen proper to call back the beautiful soul of your loved one.

"Grief may be joy misunderstood; Only God discerns the good."

Those to attend the services from out of town were Mrs. Davenport, Mrs. Perkins and Mrs. Godwin of Littlefield, Miss Edith Ellis of Amarillo, Mr. Mobley of Plainview, Mrs. Emily Lynn of Phoenix, Arizona, W. A. Kercher-ville and children of Albuquerque, New Mexico; and a number of relatives and friends from Clarendon.

Birth And Death Information Needed

You doubtless found in your mail box, a few days ago, a post-card from the U. S. Census Bureau, stating that a test of the records of the Texas Bureau of Vital Statistics was being made, a part of which required your filling out the card with the requested information. Did you fill out the card, or did you throw it away?

Here is the reason for the test: Texas is the only state in the United States whose records of births and deaths is not accepted by the U. S. Census Bureau. However, the latter has agreed to accept Texas' statistics provided that 99 per cent, or more, of the deaths and births were recorded by local registrars.

The chief purposes of the registration of vital statistics may be summarized as affording (1) legal records for the protection of the rights of the individual and especially of the more helpless classes—infants and women—and for court purposes; (2) death records are absolutely necessary for effective results in all public health work—city, state, and national; (3) knowledge of the character and movement of the population, essential for enlightened legislation and study of the growth of the State.

In addition to the above, the registration has become absolutely necessary to those who have rendered military service, and have now or may have in the future such a claim, since the Federal government requires a certificate copy of the record when the claim is based on a birth or death.

In Donley County, with a population in 1930 of 10,262 (U. S. Census figure), the records of the Texas Bureau of Vital Statistics show a decline in birth and an increase in death rates. The births reported in 1930, 1931 and 1932 were respectively 261, 248 and 215. Deaths during the same year were respectively, 77, 66 and 96.

CUT ELECTRIC RATES

Borger, April 23.—Effective May 1, the Panhandle Power and May 1, the Panhandle Power & Light company has announced a reduction of electric rates which, according to their manager, C. H. Stahl, will save residents of Borger \$5,000 yearly. — Amarillo News.

Oklahoma Man Killed As Truck Overtakes

Tom Harman, about 45 years of age, of Garver, Okla., where he owned a telephone exchange, was killed last Thursday night about 6 o'clock on the highway curve three miles east of Hedley when the gasoline truck on which he was a passenger overturned.

The truck turned completely over, toward the left, throwing him out of the cab door and catching him under the tank full of gasoline. He was instantly killed. His body was brought to Clarendon, his wife arriving here about midnight, and was later taken to Quanah where his parents live. He was on his way to his parents' home to celebrate his birthday last Tuesday with them.

County Superintendent Sloan Baker went to Austin last week to attend a state-wide meeting in the interest of the Kayton sales tax bill, favored by school interests as the one means of assuring a \$16 per capita school apportionment for next year.

MRS. COUCH'S FATHER DIED SUNDAY NIGHT

W. P. Phillips, of Joshua, near Ft. Worth, died Sunday night after an illness of nearly a year's duration. He was the father of Mrs. T. M. Couch, who had been at his bedside for a week prior to his death.

T. M. Couch, Mr. and Mrs. Rhea Couch and Miss Gwendolyn Couch left by auto to attend the funeral, returning Wednesday. Mrs. Couch and her family have the sympathy of all their many friends.

Elder D. L. Hukel to Preach Here Sunday

Elder D. L. Hukel, of Aberrathy, will preach at both the morning and evening hours next Sunday at the Church of Christ in this city, the morning service to be held at 11:00 o'clock and the evening service at 8:00 o'clock.

Elder Hukel was minister of the local Church of Christ for about four years and has many warm friends and admirers here who will welcome the opportunity

to hear him preach again. The public is cordially invited to attend the services.
