Floats To Add Color To Celebration Parade

The parade for the celebration being held in Clarendon on the Second and Third of July promises to be a big success with businessmen going the limit to make a big show for all visitors.

Buddy Knorpp and Flip Breedlove are in charge of the parade and announced that the first parade being held on the Second of July will start at six o'clock in the evening. All persons taking part in the parade will assemble on the vacant lot at the depot at five thirty in the evening. The second parade will be held at one o'clock on the Third of July and all persons will assemble on the vacant lot at the depot at twelve thirty at noon.

The ranchers are furnishing the barbecue so the business men are putting on a real parade. Breedlove and Knorpp are well pleased with the cooperation on the parade. Some business firms have not been contacted to date but any person wanting to put a float in the parade is requested to contact one of the two above men at once.

Business men and individuals and clubs that have definitely promised to have floats in the parade are as follows: Murphy-Spicer Funeral Home; Piggly Wiggly Grocery; Norwood Pharmacy; West Texas Utilities; Thompson Hardware; E-Z Laundry; Clarendon Furniture Co.; Greene Dry Goods; Rexall Drug; Brooks Dry Goods Co.; First National Bank; Clifford & Ray; Farmers State Bank; Donley County State Bank; Household Supply; Geo. B. Bagby Ins.; Whitsell Drug; Hudson & Taylor; H&B Electric; Georges Cleaners; Noblitt Sales Co.; Rundell & Estlack; White Auto Store; Hodges Tractor Co.; Sweet Sixteen Club; Girl Scouts; Mulkey Theatre; Lions Club; Foxworth Galbraith Lumber Co.; the Kappa Sorority; and M-System grocery.

Next weeks issue of the Leader will carry a more complete list of all floats in the parade. Watch for your favorite float and then drop by the business or club sponsoring the float and tell them you enjoyed the float and interest they took in helping to make the parade a success. The parade will be headed by the American Legion and the Veterans of Foreign Wars who will be carrying the colors. The Clarendon Broncho Band will follow and head the long line of floats, cowboys, cowgirls and other persons who enter the parade.

RED MARK TO APPEAR THIS WEEK

It has been a long time since we have had time on press day to put that red mark on many of the papers to remind subscribers that their subscription had expired, but today we are going to take time as a number of subscribers are just a little bit too far behind and we will have to remove the names from our list if they are not paid before the next issue of the Leader is published.

Watch for the red mark in the upper left hand corner of your paper this week and if the red mark is there be sure to come in or mail your check or make some arrangement for the paper to keep coming as we don't want to cut your name off the list if you want the Leader.

The numerals to the right of your name stamped on the paper designate the time your paper expires; the first numeral is the month and the last figure is the year.

LEGION JR. BASEBALL TEAM DEFEATS DALHART

Coach George Thompson took his American Legion Jr. baseball club to Dalhart Tuesday and the boys brought home their first victory on the schedule by beating the Dalhartians 6 to 4 in a hotly contested game.

Bobby Everett of Hedley pitched the game for the local team and counted for 11 strike-outs. He didn't do so bad at the batting either as he swatted out the only home run of the game and Jerry Ramps was on base at the time, bringing in two runs.

Wilson Lane led the hitting with two for 3 and Jimmy Jenkins was outstanding for his ability to steal bases and stole five during the game.

The Clarendon starting line-up was as follows: Billy Bob Adams 2nd; Wilson Lane, cf; Guy Tatum, rf; Jimmie Jenkins, c; Gene Webb, lf; Jerry Ramps, ss; Jimmie Beard, fb; Mack Hurd, 3rd and Bobby Everett, p. Substitutes were J. P. Carlile for Adams; Rodney Youre for Lane and Buster Bain for Webb.

Others accompanying the boys to Dalhart were Rayburn Smith, Byrl Clinton, Charles Murphy and Sandy Sandifer.

The next scheduled game is with Dalhart here July 1th, but the locals are trying to get a game sooner if possible.

ICE CREAM SUPPER TO BE HELD SATURDAY EVENING AT CHRISTIAN CHURCH

The Young People of the Christian Endeavor will have an ice cream supper on the lawn by the church Saturday evening, June 26th, beginning at 6:30 and lasting until it is all gone. Come and eat home-made ice cream and home-made cake. The proceeds will help the young people to go to Christian Service Camp.

MASONIC LODGE TO INSTALL OFFICERS

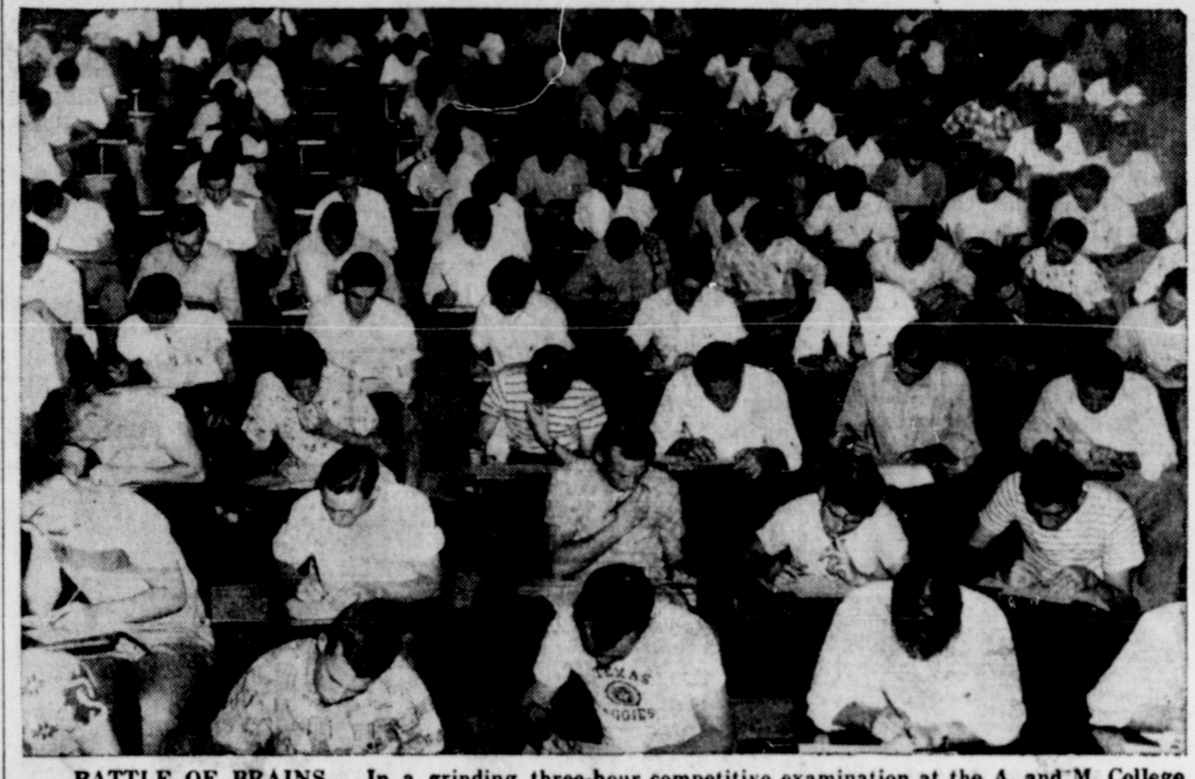

New officers will be installed Friday, June 25th at 7:30 p. m. All Master Masons are urged to attend. Election results were as follows: W.M. Frank Thomas, S.W. Quinn Aten, J.W. Wm. Johnson Jr., Treasurer, W. H. Patrick, Secretary L. E. Thompson, Tiler W. H. Skelton.

Interest Grows In Rodeo Queen Contest

The latest count of ballots for Rodeo Queen shows the candidates' standing as follows:

NAME	No. Votes
SYBIL HEAD	613
JO ANN BLACKWELL	521
JO ANN RITTER	687
JO RHEA	2781
SHIRLEY BRUMLEY	3001
BERNICE RATTAN	777
ALMA MURPHY	2845
JEAN BALLEW	355
DOROTHY TERRY	521

The contest ends at 10 o'clock A. M. on July 2nd. The winner will be introduced at the night performance of the rodeo and presented with a nice pair of boots by the Roping Club. All entrants in the contest will ride in the parades which will add much color to the occasion. Vote for your favorite. Each penny counts one vote.

BATTLE OF BRAINS... In a grueling three-hour competitive examination at the A. and M. College of Texas, 215 honor graduates of Texas high schools fought it out for fifty thousand dollars worth of college scholarships. The fifty winners, who will receive four-year Opportunity Awards at Texas A. and M. College, were announced today. Selected on the basis of need, scholarship, leadership and character, winners will receive \$200 to \$300 per year, plus an opportunity to earn other college expenses, for their full four years.

MOORE SERVICES AT CLAUDE SUNDAY

Funeral services for James Polk Moore, long time resident of Claude and frequent Clarendon visitor, were held Sunday afternoon at the Claude Methodist church with Rev. Rollo Davidson officiating.

Mr. Moore passed away at his home in Claude last Thursday.

Burial was in the Claude cemetery with the Womack Funeral Home in charge of arrangements.

FARMERS UNION MEMBERS HOLD MEETING JUNE 9

Donley County Farmers Union members met in the basement of the First Christian Church Wednesday night, June 9th. This is the first in a series of such meetings.

Chase Meakins, National Farmers Union representative discussed the refusal of the present Congress to consider agricultural legislation. Another subject Mr. Meakins discussed was the present position of the farmer in an inflated price structure.

J. J. Berg, panhandle wheat farmer and Farmers Union board member presented a film entitled "Seeds of Tomorrow." This very educational film emphasized the importance of planning of present day farm people so that there will be healthier happier people on the farms of tomorrow.

Harry C. Murry newly appointed Secretary-Treasurer of Texas Farmers Union, discussed the reorganization recently made in the state organization and assured the members present that all possible efforts would be made to get the much needed information out to the membership.

The meeting was thoroughly enjoyed by the members and visitors. The next meeting will be held some time in September.

Ladies of the Goldston and Chamberlain locals furnished the cakes and the ladies from Martin furnished the punch for refreshments.

CATTLE SPRAYING PROGRAM BIG SUCCESS

The cattle spraying program in Donley county is a big success and county agent H. M. Breedlove says that ranchers and farmers from all parts of the county have taken to the program. The results are so obvious that it is no longer a demonstration but just a job of keeping the cattle sprayed so that beef cattle will put on more pounds and the dairy cattle will give more milk.

Reports from the housewives are to the effect that when cattle are sprayed close to the house and the barns are sprayed that flies are very few during the entire summer. Donley county has certainly gone in for this program in big style.

Breedlove reports that to the best information he can get, there are now twenty two big power sprayers in the county. Rain does not effect DDT on the cattle after they are sprayed as bad as hot sunshine weather. Protection after spraying is usually from four to five weeks, depending on the weather. The horn fly is easy to kill and "we now have a method that is fool proof," Breedlove stated.

Mr. and Mrs. T. J. Dawkins and sons Winston and Edward of Albuquerque, N. M. visited in the R. R. Dawkins Home last Thursday.

Mrs. Lorene Goodman of Amarillo and Mrs. Helen Bianchi and small daughter Beverly of Sana Rosa, Calif. spent the week with their mother, Mrs. N. S. Percival.

Cutting Horse Contest Added To Fine Program of Celebration Events

4-H CLUB MEMBERS GIVEN EIGHT GILTS & ONE MALE UNDER SEARS, ROEBUCK SWINE PROGRAM

The Sears, Roebuck swine program got underway in Donley County this past Monday when eight 4-H club members met with county agent H. M. Breedlove at the E. S. Ballew Hampshire hog farm in Donley County. Eight gilts and one male were given to the 4-H club members by the Sears program to be handled under the supervision of the county agent.

When the gilts bring pigs, each boy will give one gilt from the litter to the county agent to be given to another 4-H club member.

Boys receiving the gilts were as follows: Arthur Shields, Hedley, Rt. 1; Vernon Goldston, Naylor Rt. 1; Tommy Hodnett, Clarendon, Rt. 1; Sidney Muse, Clarendon; Billy Hill, Clarendon; Jimmie Herd, Clarendon; Jimmie Owens, Hedley; Claud DeBord of Ashtola; and also Jimmie Owens of Hedley will keep the male hog to be used for the breeding of the gilts.

The boys were all given a chance to draw a number from a hat and this gave them their chance to pick a gilt. "It was a sight worth seeing to watch the boys selecting their hogs from the eight gilts available," Breedlove said.

E. S. Ballew, well known Hampshire swine breeder, was very liberal in picking eight of his best gilts for the boys to use as their foundation stock in this program. Mr. Breedlove complimented Mr. Ballew on his fine cooperation with his club boys and promises in the future some fine hogs for the people of the county to see in our future shows.

HOPPER POISON AVAILABLE TO ALL FARMERS

County agent H. M. Breedlove stated this morning that the grasshopper poison plant at Clarendon was open to all farmers desiring poison for the control of hoppers. The farmer is required to furnish three parts of ground bundles to one part of bran by the government. Breedlove says that the plant will also furnish all the poison to go with the poison bait.

Call by the office of the county agent when you want this poison because the foreman of the plant is not at the plant only when it is necessary to mix poison.

Mrs. A. L. Chase and son Arthur and Ardis Patman left Friday for Calif. for a two weeks vacation visit with relatives.

SERVICES HERE SATURDAY FOR D. L. VAUGHAN JR.

The body of Flight Officer Dewey L. Vaughan Jr. will arrive here Saturday morning on the Ft. Worth & Denver for funeral services and reburial.

Funeral services will be held at the Womack Funeral Chapel at 2 p. m. Saturday afternoon with Rev. J. A. Thomas officiating.

Vaughan died July 23, 1943 in Dakir North Africa when the B-26 bomber he was riding crashed. He had made 40 missions after going overseas in March, 1943 until the date of his death. He entered the service in July, 1941. He graduated from High school in Borger and attended Tech one term before volunteering for the service.

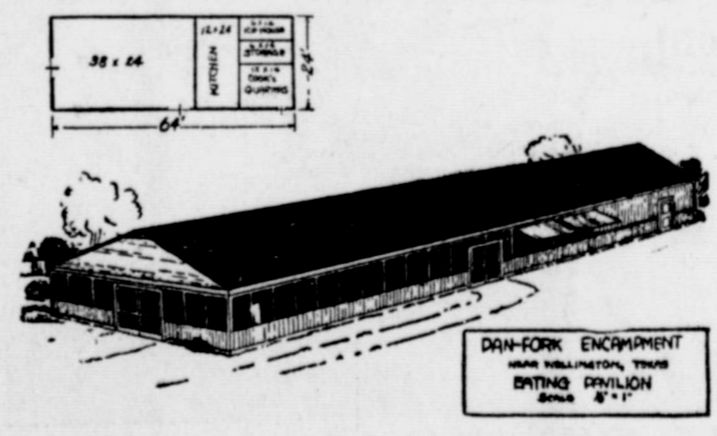

The local V.F.W. will meet the train Saturday morning, will act as pallbearers and will conduct a military service at the cemetery.

Survivors include the parents, Mr. and Mrs. D. L. Vaughan of Ashtola, three sisters, Mrs. Margaret Hawley of Borger, Mrs. Billie Gable, Sylcanga, Ala., and Mrs. Bobby Holland of Springer, New Mexico.

Burial will be in Citizens Cemetery with the Womack Funeral Home in charge of arrangements.

CANDIDATE RALLY AND PIE SUPPER AT MARTIN JUNE 30

It has been announced that there will be a candidate rally and pie supper at the Martin school house Wednesday night, June 30th. All candidates and everyone else are invited to come out and enjoy this get-together and enjoy the good pies that will be offered to those attending.

THIS LARGE MESS HALL is now completed and ready for use. It is equipped with a refrigeration, storage room, cook's quarters, kitchen and dining hall. It is equipped with gas and electricity and is adequate to care for 1000 people. This is the fourth major project completed at the Pan-Fork Baptist Encampment grounds located near Wellington, Texas. The Tabernacle, the water works, the R.E.A. lines and the Mess Hall make up four major projects. Camps to be held during July are: Girls—July 19-23 and Boys—July 26-30.

The annual rodeo which has been slated for July 2nd and 3rd will be held at the high school football stadium as first scheduled, it was announced by Roping Club officials.

The place of the rodeo has been in debate, since the holding of the rodeo at the football stadium has been contested by an injunction suit filed by W. H. Cooke, Jr. A hearing on the suit was to have been held this morning before Judge Luther Gribble of the 100th District Court.

R. Y. King, attorney representing Cooke, announced that Cooke would not press the injunction until after the rodeo this year, and that it probably would be heard during a regular term of court.

Another addition to the rodeo events announced this week is a

The Clarendon Roping Club and local ranchers will meet Friday evening at 8:30 in the county agent's office to discuss final plans concerning the rodeo and to iron out any difficulties confronting the committees. The public in general is invited.

cutting horse contest which will be held the morning of July 3rd beginning at 8:30 a. m. and ending promptly at 10:30 a. m. Lu McClellan and Wm. Lewis Jr. are in charge of the event. Admission will be 50 cents and all contestants are required to make their entry by Friday night.

The Rodeo Headquarters will be located in the first office west of the Rexall Store in the Goldston Bldg., and all contestants for all rodeo events will make their entries there.

Plans for a big parade on the 2nd and 3rd are progressing nicely according to Flip Breedlove. "We expect to have one of the nicest parades in years," he said, "and the business firms and others are certainly cooperating to the fullest extent."

The first booster trip that was made Tuesday of this week was well received everywhere the group visited and another long string of cars left early this morning to make the trip to the east in an effort to acquaint everyone with our celebration here.

William S. Greene announced that he had all the advertising material out on the two dances to be held and as far as he could learn, there will be a very nice crowd in attendance for both affairs. Bobby Burns' orchestra will play for the dance on Friday night and Ho Riley's orchestra will play for the dance on the night of the Third.

One of the most important phases of the celebration is the John Snider Barbecue which will be held beginning at 11 a. m., July 3rd. There have been no changes in this part of the program other than a broader statement that there would be plenty of grub for everyone.

It looks like the Enforcement committee comprised of Guy Wright, Ernest Kent and Bert Smith really mean business. They have a nice dunking tank located in front of the H-B Electric and we understand they intend to use it on those who fail to wear some type of western garb between now and the celebration dates.

NOTICE TO ALL PARENTS

If your child's grade is not taught in its home district for the coming term, it must be transferred on or before August 1st. Do not neglect this, for it will jeopardize the child as well as the school to which it attends. Make the transfer in the office of the County School Superintendent.

NEW WONDER DRUG
FOR PINK EYE

A new, easily applied liquid
sulfa preparation, marketed un-
der the name Trisulfanol, is
available for the treatment of
livestock affected by infectious
pink eye, according to Jerome D.
Stocking of Stocking's Drug
Store, distributor for Cutter
Laboratories, Berkeley, Calif.
"No agent has been found to
prevent pink eye, but use of sulfa
drugs has proved the most effec-
tive method for treatment," Mr.
Stocking declares. "Trisulfanol is
a combination of three sulfa
drugs, a powerful antiseptic, and
agents which promote healing
and relieve pain, in a propylene
glycol base which spreads the
antiseptics evenly over the in-
fected eye. It is readily applied
by means of an atomizer."
Pink eye has made an unusu-
ally early appearance this year, es-
pecially in drought areas, and
every indication points to ex-
tremely heavy outbreaks in many
areas throughout the country.
While mortality from pink eye is
low, the disease takes a heavy
annual toll in loss of body weight
and decreased milk production in
dairy herds.

A Texas Youth Sights Early For His Climb To National Prominence

AMARILLO, June 22 (Special)—It was September, 1924, and the first person to stir in the modest farm home there near Johnson City in the South-Central Texas Hill Country as the dawn fingered its way through the shaded valleys was a wiry, 15-year-old youth. It was to be a big day in his life. Today he was off to college along a high, hard road which was to lead him to not only

prominence in politics, but to leadership in his state's and nation's affairs in Washington.

The wiry, 15-year-old youth who rose early that September morning to hitch-hike across the Hill Country to San Marcos and enter college was Lyndon B. Johnson.

When this mere boy from the Hill Country got an audience with the elderly president of the college he wasted no words presenting his case. He left the president's office a few minutes later with a job—a janitor's job—with the promise of \$30 a month.

He was studious, steady, seriously determined to work hard, advance and get an education. He was a good mixer, made friends easily and kept them. He became a leader among students and in student activities. He won advancements. At 17 he was working in the college president's office as a secretary.

Open minded, strong in his convictions, young Johnson also at 17 began laying the groundwork for a great career in public service. A young lawyer of modest means announced in the district for state senator. The young student promptly took the "stump" for the candidate, launching a whirlwind speaking tour. The young lawyer won his seat in the senate.

Thus there began that September morning almost 24 years ago

a struggle by a determined youth to put himself in public service, and through sheer courage and determination it has paid off well for him and the countless thousands he has represented in Washington.

After taking his degree from college he turned to school teaching, serving as member of public school faculties at Cotulla, Pearsall and in Houston.

At 23 he took the position of secretary to Congressman Richard Kleberg in Washington. The young Texan's get-up-and-go-to-it'ness stamped him in the national capital as a leader, and he was elected head of the Texas delegation in Washington.

In 1935 he was appointed State Administrator of the National Youth Administration in Texas, the youngest such administrator in the nation.

Two years later he hit the high road back to Washington, this time as the Congressman from the 10th District, and at the age of 28 he took his seat among the nation's gray-haired veteran lawmakers as one of the youngest men to ever serve in the National House of Representatives.

As early as 1937 Congressman Johnson pleaded for national preparedness, and in addressing Texans six months before Pearl Harbor, said: "It is later than we think."

And now the Congressman at 39, and who is making a whirlwind tour of the state in a helicopter

dotated by World War II Veterans, placing his candidacy for Senator W. Lee O'Daniel's seat in the Senate before all the voters, is still emphasizing and re-emphasizing the need for preparedness. In fact Preparedness is one of the major planks in his platform.

Front line experience supports Congressman Johnson's plea for preparedness. The day after Pearl Harbor he asked leave from Congress and then volunteered for combat duty with the Navy. General Douglas McArthur personally decorated him with the Silver Star for gallantry in action on June 7, 1942, over Lae and Salamaue in the South Pacific.

Now, after 11 stirring years in the national capital as a Congressman from Texas, the young Texan is making the state in a dramatic speaking tour by helicopter, seeking a seat in the United States Senate.

The mere slip of a boy who left the modest farm home near Johnson City to hitch-hike across the hills to college is now a man experienced beyond, far beyond, his 39 years in national affairs.

Summarily speaking, Congressman Johnson believes that true representatives of the people must work to make this a prosperous land — with each man benefitting according to his labors.

He is a product of Texas individualism, a believer in free enterprise. His goal is prosperity for all, not merely for a privileged and clever few.

That is his goal. That is what Lyndon Johnson will work for if he wins a seat in the United States Senate.

PHONE 160 DAY OR NIGHT

From where I sit... By Joe Marsh

They let the Wives in!

The ex-GI's of our town entertained their wives the other night at one of their "feeds" of hamburger sandwiches and ice cold beer. (The girls had hinted that they'd like to see what went on when their husbands got together!)

Being wary, the boys provided chicken sandwiches and cake and cider—for those wives who might have other tastes. But though they were grateful for the choice, most of the wives agreed that hamburger sandwiches and beer were a mighty pleasant combination.

After the "feed" the husbands took their wives on at a game of darts, and later they played "Indications." The party broke up around ten, with the boys agreeing that it was mighty successful.

From where I sit, it's this companionship among young couples today, and their moderation in a sensible beverage like beer, that's won the younger generation such a wholesome reputation.

THE TEMPLE OF TRUTH

By the Apostle

DEFINITION.

The only difference between magnesia and amnesia is that the fellow who has amnesia does not know where he is going.

PROGRESS.

A town is like a wheelbarrow. It never moves ahead unless some one pushes it.

SUGGESTION.

If you cannot grin and bear disappointments, just drop the grin. You'll have to drop them anyway.

EXPLANATION.

A gossip is one who can't let bad enough alone.

REASON.
Many a man has quit his job on account of illness. His boss finally got sick of him.

DRUNK DRIVING.

The "grim reaper" generally cuts the wild oats you sow.

LOGIC.

The less you have to do with some folks, the less you are worse off.

FORECAST.

The weather forecast for tomorrow: Little change in temptation.

LUCK.

A kindly old lady reminded this writer this week that she was "nearly 80." "If I wasn't old, I'd be dead," she explained.

Sunday was "Pappy's Day." It's a big day for the men folks. And more especially when he gets something. This old man got

just what he needed all-round. Shirts, tie, pajamas, shorts and a big feed. Yep, folks, it was a great day.

So many people need sympathy nowadays that you shouldn't waste any on yourself.

A local woman says they have eaten so many fried chickens that they've taken the mattress their beds and started roost on the slats.

Faith will not die as long as seed catalogues are printed.

SAYS RETONGA GAVE HER GREAT RELIEF

Gas On Stomach, Muscular Aches and Pains, Sluggish Elimination, Weakened Feeling, All Promptly Relieved. Says Mrs. Era Manning in Discussing her Own Case.

"A good friend personally recommended Retonga to me and I can say that she did not praise this fine medicine half strong enough," gladly states Mrs. Era Manning, respected resident of 408 Barrera St., San Antonio, Tex. The mother of seven children, Mrs. Manning is a member of the Baptist Church. She gratefully continues:

"If meal time had never come it would have been all the same to me, for food seemed to sour in my stomach and burn inside me like acid. I suffered so much distress from gas on my stomach and bloating that sometimes I could hardly get my breath. I thought I was at the end of my row I felt so weakened and worn-

out. My shoulder and arm muscles pained and ached something awful and I had to rely on strong purgatives, my whole body seemed so full of toxic poisons.

"The very first bottle of Retonga gave me wonderful relief. I have a grand appetite now and can eat anything I want with no fear of distress from acid indigestion. I no longer rely on harsh purgatives, I sleep good, feel refreshed when I get up, and my housework is a pleasure instead of a drag. No one can be more thankful than I am for Retonga."

The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at Rexall Drug Store.—Adv.

HOW TEXAS INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

...AND HERE'S WHERE I COME IN

"You did the heavy work, and Nature furnished the natural resources, but I'm going to put these turnips to use!"

Yes, Nature provides the food for your table, provides the raw materials for your factory—and through use they become of value to mankind.

Natural gas, for example, is worth little under the ground. It must be gathered, processed and transported to places where people can use it before it becomes of value. This is the work of the United Gas companies—converting an otherwise valueless natural resource

into an efficient fuel for hundreds of cities, towns and industries. This is practical conservation, for it stimulates industrial development, creates jobs and benefits all the families in Texas.

Everyone who raises a garden is putting the Free Enterprise system into practice. Yes, you invest your money in seeds or plants, you invest your labors in preparing and cultivating the soil, and you enjoy the profits in fresh vegetables on your table. This is the American way—with every man's opportunities limited only by his willingness and ability to work.

KAPPA SUB-DEBS

The Kappa Sub-Deb Club met in the home of Anne Thompson, Wednesday, June 16, 1948. Amending the Constitution was discussed, but it was tabled till a later date. Committees were appointed and plans were made for a swimming party and weiner roast.

Lovely refreshments were served to the following members: Layma Tatum, Juanita Carpenter, Patsy Blair, Pat Pittman, Sybil Head, Jean Ballew, Lois Hommel, Mae Morris, Portia Hay, and Anne Thompson.

CLARENDON H. D. CLUB

The Club met in the home of Mrs. J. C. Estlack Friday in all day quilting. At the noon hour a delicious dinner was served at the large dining table. In the afternoon quilting was the main feature of the day.

Those bringing a covered dish for the dinner were Mesdames G. A. Anderson, G. L. Green, H. B. Hill, Henry Williams, A. W. Simpson and J. C. Estlack; guests

Mrs. Eva Humphrey, Mrs. Dillahay of Jacksonville, Miss Nell Hill and Mr. J. C. Estlack. Mrs. McDowell and Mrs. M. C. Rumpy came in the afternoon, and a surprise guest, Mrs. A. H. Baker from Mineral Wells.

PINK AND BLUE SHOWER

A pink and blue shower was given in honor of Mrs. Pete Carter of Dumas Saturday, June 19, in the home of Mrs. Bill Allen.

Several games were enjoyed with the winners giving their prizes to the honoree. After admiring the gifts and visiting with one another, a delicious refreshment plate was served to Mesdames Ross Darby, Amiel Carter, H. E. Carter, Jess Wood, Layton Gillespie, George Williams, Baxter Faust, Lacy Noble, M. D. Buchanan, Pete Carter, the honoree, Bill Allen and Loyd McCord, hostesses.

Those sending gifts were Demell Gillespie, J. T. Patman, Bill Patman, W. M. Montgomery, Leon Carter, Buck Hill, Pete Hearn and J. A. Howard.

*** Fashions ***

Quite the coolest, most effortlessly becoming design of the season is the brushed print, shown above as it appears in the May issue of a Good Housekeeping magazine. At left is shown how it looks as a dress, soft, fluttering. At right the same print adds up to an unexpected sleek suit with trim calculated lines, a scalloped jacket.

MRS. R. W. MOORE HONORED

The TEL S. S. Class of the First Baptist Church surprised Mrs. R. W. Moore with a covered dish luncheon at her home Tuesday, June 8. The occasion was her birthday. After singing happy birthday, led by Mr. Rumpy, the lunch was enjoyed by all. Mrs. Moore then cut the beautiful birthday cake presented her by Mrs. Ed Speed.

The gifts were opened and admired and the afternoon spent in visiting and piecing a quilt.

Guests were Rev. and Mrs. L. A. Sartain and son Bobby, Mr. and Mrs. J. Marvin Rumpy, and Mr. Moore.

Members present were Mesdames Barnes, Barton, Speed, Simpson, Bingham and grandson Charles, A. H. Moore, Horton, and the honoree, Mrs. R. W. Moore.

Mr. and Mrs. G. W. Bradshaw entertained with a Father's Day dinner Sunday at their home. Those present were her parents, Mr. and Mrs. B. R. Flowers and Mr. and Mrs. Ed Skypola, Mr. and Mrs. H. D. Blythe and daughter of Hereford and Mr. and Mrs. Elvie Kennedy and family of Clarendon and Mr. and Mrs. Bradshaw and sons.

Miss Neil Hill left Sunday afternoon for Paducah where she will have work.

DUPLICATE CONTRACT BRIDGE CLUB

The Duplicate Contract Bridge Club met Thursday with Miss Mary Coker at her home. All members were present, with Mrs. C. T. McMurtry winning high score with 13 match points.

After the games a refreshment plate was served to Mrs. McMurtry, Mrs. Frances Cooke Forrest of El Paso, Mrs. C. L. Benson Jr., Mrs. W. Warrin Fry, Mrs. Pat Slavin, Mrs. W. K. Hardin, Mrs. Sam Dyer members, and to Mrs. Claude Parsons of Oklahoma City, guest.

CONTRACT BRIDGE CLUB

Mrs. Pat Slavin was hostess to the Contract Bridge Club on Friday at her ranch home north of Clarendon. Mrs. Forrest Sawyer played high and Mrs. Carroll Knorpp won low score. A salad course was served to Mrs. Warrin Fry, Miss Mary Cooke, Mrs. Clyde Slavin, Mrs. Carroll Knorpp, Mrs. Walter Knorpp, Mrs. Floyd Lumpkin, Mrs. B. F. Kirtley, Mrs. Forrest Sawyer, Mrs. Ray Palmer, Mrs. William Lewis, Mrs. Lawrence Neece, members, and Mrs. Claude Moore, guest.

Guests for Father's Day in the Clyde Butler home Sunday were their children, Mr. and Mrs. Loran Rhoades and son of Amarillo, Mr. and Mrs. Earl Butler and son, Mr. and Mrs. J. R. Cowan and daughter of Borger, Mr. and Mrs. Glen Butler of Claude.

VISIT DOWN STATE

Mr. and Mrs. Doyle Phillips and her sister, Mr. and Mrs. Finis De Jarrett and their mother, Mrs. Drake made a trip to San Antonio to visit an older sister, also went to the Breckenridge Park and the Medina Lake; then came on to Weatherford to visit a cousin, Mr. and Mrs. A. A. Hubbard. (She will be remembered here as Iris Williamson); also visited relatives at Lipan. Mrs. Drake went back to her old home that she moved away from 46 years ago. They saw lots of very dry country and also saw a lot of pretty country.

Mrs. Glen Casey of Amarillo visited Mrs. W. A. Land Sunday.

VISIT IN DALE HOME

Those to enjoy chicken dinner in the Dale home Sunday were Mr. and Mrs. Jeff Aduddell and children of Memphis, Mrs. R. E. Moore and sons of Memphis, Mr. and Mrs. John Richie of Lelia Lake, Mr. and Mrs. D. L. Leeley of Hudgins, Mrs. N. Cross of Clarendon, Mr. and Mrs. Carroll Hudson and son, Mr. and Mrs. Willard Hudson and son, Mr. and Mrs. Major Hudson, all of Clarendon and hosts, Mr. and Mrs. Sam Dale and Lucille.

Mr. W. H. Elenberg of New Port, Texas visited his sister, Mrs. McCracken and Mrs. Jim Heckman last week. He has returned home.

Weekly SURPLUS NEWS

Still hitting on all cylinders while its ultimate fate is being decided by congress, the War Assets Administration will wind up the fiscal year June 30 with a flurry of sales in all parts of the southwest region. Largest of these liquidation clearances will involve \$500,000 worth of war surplus in Houston. A synchronized clearance will be staged at the following locations: War Assets warehouse No. 6, Reed Roller Bit plant, Hughes Tool Strut plant, the Goodyear Rubber Company, and WAA's Customer Service Center in Houston. Inspection is invited at all sites through July 2, and sale to all buyers is scheduled for July 9.

A survey of surplus property inventory indicated this week that the Grand Prairie region still contains approximately one third of the entire nation's government owned real property. That is, of an estimated two and a half billion dollars worth of real estate now in WAA inventory nationally, approximately \$875,000,000 worth is located in the five states of the southwest. Much of the large valuation is

due to the fact that the region contained nearly half of the nation's surplus airport property, a considerable part of which has been disposed of. And most of the remaining industrial property consists of so-called "scrambled facilities," difficult to dispose of because ownership of the land, buildings and improvements is divided between the government and other owners.

Nine chapels, located at Camp Joseph T. Robinson, Little Rock, Arkansas, are being offered to priority groups, including non-profit institutions such as churches. The churches are for offsite use only. Applications, submitted on special forms, will be considered at WAA's Grand Prairie office of real property disposal until June 25 for priorities and until July 15 for all others.

Southern Aircraft company of Garland, wartime maker of plane engines and other parts, will be cleared of approximately \$9,000 worth of government owned surplus on June 24 and 25. Anodizing and plating tanks, pumps, spray guns, drill presses, bending machines and other industrial machinery will be in the offering. The plant is open for inspection through June 23, and the competitive bid awards will be subject to veteran and other WAA priorities.

4 REASONS WHY

WE RECOMMEND THE **NEW Doughboy GATE**

- RIGID PERMANENCE** Die-formed sheet steel end and center members form the backbone of this NEW, post-war Doughboy Gate. Sturdy gussets provide rigid bracing at every point where members cross.
- FLEXIBILITY** Gate may be built to any width or height. Additional cross members, strand, woven or barbed wire, or ornamental iron or wood members, may be easily attached to reinforced perforations of metal members. Lower horizontal member of the Doughboy Gate provides adequate clearance for snow, weeds, etc.
- SURE-LOK LATCH** Gate may be easily opened in either direction by a 5-year old. Slam the gate as hard as you wish... two heavy-duty "U" shaped clasps securely hold the gate at top and bottom.
- BUILT-IN LEVELER** Heavy-duty double hasp hinges bear on both sides of the Doughboy Gate. New design permits easy, speedy leveling of gate should support post sag.

DOUGHBOY is the ideal gate for poultry, hogs, livestock, calf pens, barnyards... any place where rigid permanence and ease of operation is desired.

DONLEY COUNTY LEADS IN FEDERAL LAND BANK LOANS

Mr. Rayburn L. Smith, Secretary-Treasurer of the Donley County National Farm Loan Association reports that Donley County is again among the high ranking counties in number of Federal Land Bank loans closed.

According to the "Land Bank Exchange", an informative bulletin published by the Federal Land Bank of Houston, only two

associations in the state closed more loans in May than were closed in the local office.

Mr. Smith attributes the popularity of the Land Bank Loan for agricultural credit to the fine record of service to satisfied borrowers, many of whom have attained debt-free ownership of their farms with this long term, low cost loan.

Mrs. Price Bradley of Tulia spent the weekend with her daughter, Mrs. Bruce Riley.

In the good old days, when we would get behind with our work some of our neighbors would come over and help us out. Anyway, this week I was behind on what I was going to write about and one of my readers sent me in some help, so it looks like we still have the good old days. This Reader, who doesn't want her name used, reminded me to not get out on the highway with my truck overloaded. One of her friends did, and when the cop asked him how much he had on his truck he replied, "Three hundred acres." That could happen on my place too, this year.

Probably the rest of this column will be from the material sent in by this neighbor, and thanks for helping me out during my busy season.

She tells about visiting with a retired stock farmer, and his remark about the past, "We used to work so hard that I thought I never would get rested; now all I do is rest and I get just as tired of that." I always wished that I was financially able to retire and physically able to keep working.

She told me about the time that she was helping a weak little chicken out of its shell. She remarked "That poor thing can't

ever get out of that shell." Her young son was looking on and said, "It's a funny thing to me how he ever got in there."

Some old sayings, from a child lover, "It takes an awful little to make a little feller happy". A hard working man remarked that "Wasted time was cut out for lazy folks."

Thanks again for the above help, now I can see the bottom of the page. Wonder how Mr. Gerner's Johnson Grass is getting along. Last year he cut it off according to Lewis Norydke's platform for Governor in 1950. If it didn't stay cut off, I was afraid it might cost Lewis a vote. Anyway, it was sure hot on the days that he recommended the hoeing. Let us hear from you Mr. Gerner about the Johnson grass, and the watermelons.

I wanted to write something about the wheat crop, and about how the wheat farmers are taking it on the chin. I haven't heard anyone crying about it. Everyone is holding up fine, except me. I just don't feel good about it. I hate to run that old car another year, and I hate to disappoint Uncle Sam by not sending him a check this year. I don't mind it myself, but on account of Mama I did want to make something. Oh me. Maybe Uncle Jay will finally sell my old Caterpillar, what a salesman, what a salesman. Anyway, I am thankful for every peck, and now I have reached the bottom of the page.

SOME IRONIES OF SOIL CONSERVATION

The following are quotations from an editorial in "Agricultural Engineering for January 1948:

Soil erosion may be measured physically in tons of the best topsoil - - -

It may be interpreted economically in terms of real dollar values slipping through the fingers of farmers - - -

It may be classified socially as one of those abuses of new-found freedom which helps to weaken the foundation of freedom.

Neglect of their soil by land-owners just does not check with their reaction to other forms of capital losses. When one of their buildings is on fire, they don't ordinarily wait to see how far they can let it burn before trying to put out the fire.

And some farmers who are too civilized to deliberately leave their children or grandchildren in a burning building, seem to have little or no feeling about leaving them to the more prolonged agonies of a washed-out farm.

The only apparent answer is that these farmers, however much they may have heard about soil conservation, simply cannot or will not believe that the most valuable part of their farms is slipping away from them under their own eyes, without their seeing it happen.

Mr. and Mrs. Bob Oswald and three children of Clinton, Okla. spent the weekend with her parents, Mr. and Mrs. Buel Sanford. Mrs. Sanford returned home from a weeks visit with them.
