Williams Tells By Fred L. Williams

He'd Been There, All Right— A writer on The Dalhart Texan staff recently was moved to poetic inspiration by a few of the dust storms he had witnessed in Amarillo, as is evidenced by the following: Mary had a little lamb Its fleece WAS white as snow. It followed her to Amarillo one day, And now look at the darn thing!

Supreme Court, Please Note!— The American Lumberman comments as follows: In the shoe business there is a width called AAAA. It looks decidedly unconstitutional.

Disqualified Ballots— It is evident that there are quite a few citizens of Clarendon who do not fully understand the art of properly casting a ballot in an election.

H. J. Edgington, who acted as clerk at the city election Tuesday, stated that 21 ballots out of the 600-odd cast in the election were thrown out because the ballots were improperly scratched or not scratched at all.

Bright Remark— And the village wit comes forth with this wisecrack concerning the city election: "Well that was a big Pyle of Haile, wasn't it?"

Question of the Sexes— A press report from Sherman states that quite a number of Grayson County motorists were stumped by the sex question when filling out applications for drivers' licenses.

A negro woman wanted to know if sex meant waist measurement.

A Fish Story— Clarendon's most renowned piscatorial artist, none other than Dr. C. G. Stricklin, returned last week from a fishing trip at Port Isabel, way down on the Gulf of Mexico.

The paper also printed another story concerning the exploits of the angling Doctor. It was headed, "Fish Gets Best of Fisherman," and read as follows: "Dr. C. G. Stricklin of Clarendon, Texas, ardent angler, is spending a few days in Port Isabel, engaging in his favorite outdoor pastime. Dr. Stricklin has visited here previously and has enjoyed some splendid fishing."

How's It Done, Doc?— This department would like very much to get Doc's recipe for making the finny denizens of the deep bite. We spent a number of years around the golf, and have made something a little short of a million fishing trips there. And, we always had to go about a dozen times before we could get any of the fish to co-operate in making the party a success. Got to where we had— (Continued on Page Ten)

CAMPAIGN WORKERS SEEK BIG VOTE COUNT

Haile And Pyle Win City Offices

LOCAL PEOPLE ARE HURT IN WRECK

CAR OVERTURNS NEAR ESTELLINE SATURDAY NIGHT; THREE INJURED.

Two Clarendon residents and a Memphis youth were injured when the car in which they were traveling from Childress to Memphis overturned six miles east of Estelline Saturday night about 10 o'clock.

Miss Sanford said that the accident was caused by a fire in the back seat. When the fire was discovered an attempt was made to extinguish it, and it was thought that it had been smothered out.

County Tourney Held April 3-4

GILES AND LELIA LAKE TEAMS ARE WINNERS IN BASKETBALL MEET.

Playing a steady game of basketball, the Giles junior boys, Lelia Lake junior girls, Giles senior boys, and Lelia Lake senior boys, outlasted their opponents to win their respective divisions of the rural basketball tournament held in the new gymnasium at Lelia Lake Friday and Saturday.

Coach Raymond Wilson of Lelia Lake presented the trophies (Continued on Page Six)

IS YOUR FAVORITE IN THE LEAD?

Here's the list of the ACTIVE representatives in The NEWS' "Weekly Payroll" campaign, arranged alphabetically, showing a comparative standing. Because of the unusual race which has developed it is difficult from one report day until another to determine just which candidate is doing the best work.

Table with 2 columns: Name and Amount. Includes Arnold, Mrs. Porter, Naylor Rt. (267,000), Beard, Mrs. Johnnie, Clarendon (282,000), Cole, Miss Katherine, Clarendon (280,500), Grounds, Mrs. Wilton, Lelia Lake (268,000), Knight, Mrs. C. L., Clarendon (265,000), Merchant, Mrs. V. C., Clarendon (281,150), Murphy, Miss Lillian, Clarendon (281,125), Naylor, Mrs. T. E., Hedley (260,000), Yan Kie, Mrs. L. E., Pampa Rt. (120,000)

SUBSCRIBERS—IT'S ENTIRELY UP TO YOU AS TO WHO WILL WIN THE BEAUTIFUL NEW TERRAPLANE WHICH IS THE FIRST PRIZE OF THIS GENEROUS DRIVE. ALL HEARTS ARE SET ON FIRST PLACE, SO DO YOUR BEST TO HELP YOUR FRIEND AND FAVORITE WIN.

All free coupons must be in by Saturday night—

COURT REFUSES CHANGE OF VENUE IN LIESBURG CASE

FIVE CASES DISPOSED OF IN DISTRICT COURT SINCE THURSDAY.

District Judge A. J. Fires refused a motion by defense attorneys for a change of venue in the Liesburg murder case, scheduled for trial in the present term of district court, at a hearing this Thursday morning.

The state contended that no opinion-forming editorial comment was published in the newspaper, and that it was possible to select an unbiased jury.

The court held that the evidence as presented by the defense was insufficient to prove that prejudice existed to the extent that the defendant could not have a fair and impartial trial.

Three cases were disposed of Friday. E. V. Cooper was given three years each on two counts of passing forged instruments.

Harold Welch, a Robert Crossen pled guilty to burglarizing the Thomason filling station in January of this year, and were assessed four-year suspended sentences by Judge Fires.

Former Resident of City is Injured

MISS AILEEN BALLEW SUFFERS BRUISES IN AUTO CRASH.

Miss Aileen Ballew, former Clarendon resident, was injured in an automobile crash Thursday night near Bryan, according to a report in The Amarillo News Friday.

Miss Ballew was riding in a car with Miss Virginia Bruner, Mrs. Felix Mandell, Mrs. T. P. Curran and Mrs. C. A. Robertson, all of Amarillo, when the accident occurred. The News said the party was en route to Texas A. & M. College at College Station, where Miss Bruner was to have been a duchess at the A. & M. Cotton Style Pageant.

Miss Bruner suffered a crushed vertebrae, as did Mrs. Mandell. The condition of either is not considered serious.

Miss Ballew received only minor bruises, and Mrs. Robertson was also slightly bruised.

Rifle and Pistol Club Organized

A group of local gun enthusiasts held a meeting Monday night and organized the Clarendon Rifle and Pistol Club, according to a report by officials of the new organization.

M. P. Gentry was elected president; George Garrison, vice president; Keith Stegall, secretary; Guy S. Pierce, executive officer; and Dr. H. F. Harter, treasurer.

A small bore range will be established in the old Denver Hotel, and an outdoor range will be maintained at the JA Ranch.

Mrs. Fred Wewerka and son, Freddie, of El Reno, Oklahoma are visiting this week in the J. W. Martin home.

Hi-Jackers Stage Daylight Holdup

BANDIT PAIR OBTAINS \$2,000 FROM TOURISTS IN HOLD-UP NEAR JERICO SATURDAY.

Money, clothing and jewelry amounting to a total of \$2,000 were taken from a man and woman in a daring daylight robbery on Highway 66, five miles west of Jericho last Saturday afternoon, according to Guy Pierce, Donley County sheriff.

The victims of the robbery, Mr. and Mrs. Arthur Van Newell, who gave their home address as Rock Island, Ill., told officers that two men in a blue coupe took \$250 in cash, two diamond rings, two diamond ear-rings, and two suit cases at the point of a gun after forcing them to stop their car.

The Van Newells, according to their statement to officers, were (Continued on Page Ten)

Barn Destroyed By Flames Saturday

Fanned by a high south-west wind, fire of undetermined origin gutted a barn at the E. M. Ozier home in west Clarendon Saturday afternoon.

The building was completely engulfed in flames before the fire was discovered, and only prompt action of the department prevented more serious damage, as surrounding houses were smoldering when they arrived.

Manley Ozier had been burning trash in the morning, and it was thought that a spark had smoldered and later ignited the barn, it was said.

Articles Added To Museum Collection

Members of Les Beaux Arts Club announced this week that splendid progress is being made in the Donley County Historical Museum movement. The museum was opened to the public March 2, with a large number of relics on exhibit.

Following is a list of recent contributions, as compiled by officials in charge. A bull-tongue plow made in Honey Grove, Texas, 50 years ago; a broad axe for hewing logs for pioneer homes brought from Kentucky more than 100 years ago; an Indian doll and tom-tom; Zion's Pilgrim's Program. (Continued on Page Six)

Local Woman Wins Recipe Endorsement

Mrs. H. C. Brumley, Clarendon, Texas, has just been awarded a certificate of recipe endorsement by Better Homes & Gardens for her recipe for chili.

This certificate, which brings national recognition to Mrs. Brumley, is given by Better Homes & Gardens only to distinguished recipes which pass its testing kitchen's tests for dependability, excellence of taste, and family usefulness.

In addition to the signed certificate, Mrs. Brumley also received six copies of her endorsed recipe, each bearing the Better Homes & Gardens stamp of recipe endorsement, which she can give to her friends.

Local Women Attend Dallas Presbyterian

Mrs. G. L. Green, Mrs. F. E. Chamberlain and Mrs. B. P. Brents left at noon Tuesday for Dallas where they will attend the meeting of the Presbyterian. Mrs. Chamberlain is vice president of the Dallas Presbyterian, and Mrs. Green and Mrs. Brents will attend as delegates from the Woman's Auxiliary of the local Presbyterian Church.

ALAN REED WILL DEDICATE NEW GYM

BIG CELEBRATION PLANNED FOR FORMAL OPENING SATURDAY, APRIL 11.

Alanreed will dedicate its recently completed \$16,000 gymnasium and auditorium Saturday April 11, according to Bill Dillard, school superintendent. A complete program has been planned for the day, and a number of notables are scheduled to participate in the program.

The dedication program will begin at 9 o'clock Saturday morning. W. E. James, first assistant state superintendent, Austin, will deliver the principal dedicatory address. Other speakers on the program are J. D. Wilson, deputy state superintendent; W. B. Weathered, Gray County superintendent, and Eugene Worley, state representative from this district.

A barbecue and basket lunch is slated for the noon hour, and an old settlers picnic and round-up will be held in the afternoon. A faculty play will be presented on the stage of the auditorium that night.

A feature of the day will be an (Continued on Page Six)

SCHOOL TRUSTEES ARE RE-ELECTED

CARAWAY AND LATSON TO SERVE AGAIN; COUNTY RESULTS UNKNOWN.

Odos Caraway and O. W. Latson were re-elected to their offices as trustees in the Clarendon Independent School District election here Saturday. A total of 96 ballots was cast.

Caraway and Latson received 63 and 61 votes, respectively. Rayburn Smith received 30, Jerome Stocking, 26, W. M. Patman, I. G. C. Watson, Sr., 1 and Bennett Kerbow 1.

County Judge S. W. Lowe stated that no information was available at this time concerning the results of the county election which was held on the same day. Lowe said that the boxes must be opened and tabulated by the county commissioners before figures could be released, and that the court had not met since the election date.

SHERIFF ISSUES TRAFFIC WARNING

Sheriff Guy Pierce this week issued a warning to the motorists of Donley County to obey all traffic rules. Rigid enforcement of the law is promised, Pierce said, with local officers assisting the nine highway patrolmen stationed in Amarillo.

Speeding was especially stressed by Pierce, who also pointed out that drivers' license must be accessible to an officer at all times, which means the license must always be carried on the person or in the car driven.

Pierce also stated that out of state cars must bear a visitors' license plate after 30 days in Texas.

No child under 14 years old is eligible to drive a car under the law, Pierce added.

Mail Box Supports Are Being Built

R. Y. Rankin, section foreman for the state highway department, stated this week that the department is constructing new supports for all rural mail boxes on state highways in Donley County. Mail boxes are being repainted and names are being stenciled.

The work is being done in connection with general highway beautification work for the Centennial year.

SATURDAY MARKS END OF BIG VOTE PERIOD IN DRIVE

EVERY MINUTE COUNTS AS ONLY 3 DAYS LEFT FOR BIG VOTE COUNT.

Saturday night at 9 o'clock marks the close of the "FIRST PERIOD" in The News' big "Weekly Payroll" subscription drive. After that time and for the next two weeks, the second period will be in effect, which means a material reduction in the voting power of all subscriptions, while the third and last period will see the votes cut again.

All candidates are seething with bustle of preparation for the final dash, and with one accord are fighting valiantly and determinedly to reach the goal where the big prize automobile awaits.

As the clock ticks away the golden minutes between now and Saturday night each "tick" is a summons for "win or lose" to some candidate, and each of those loyal candidates, friends of yours, are depending on your promises of a subscription and there is no better time than NOW to give your support to the one you are most interested in seeing win the BIG major award of this campaign.

Candidates Attention The crucial test is now at hand. If you ever intend doing anything BIG in this race do it NOW. Instead of being second or third place, get up at the top and stay there. Now is the time to secure that insurmountable reserve of votes.

Never again after this Saturday night will it be possible to secure subscriptions and receive the maximum number of votes. To hold back subscriptions now or to rely on "promises" only means that you will have to take less votes on such orders. We are putting it to you SQUARELY—if you entertain any desire whatever of being declared winner of the automobile to be awarded on the 2nd of May—do not fail to turn in every subscription to your credit before the close of the first period, this Saturday night.

Count On Facts Only Here's a timely warning—do not try to figure out just how many votes it will take to win, for you will surely fail to get enough. You can't have too many votes. It will be better to win the prize of country newspapers with a million votes more than needed. (Continued on Page Ten)

New Policy Is Favored By Readers

The announcement made at the beginning of our circulation campaign that hereafter the subscription list of The Clarendon News will be operated strictly on a cash-in-advance basis has met with favorable response throughout Donley County. Many have personally expressed to us their dislike of the common practice of country newspapers of running up unauthorized subscription accounts and their approval of the cash-in-advance system under which all daily newspapers and the better class of weeklies are operated.

As previously announced this system will be placed in effect on The News subscription list May 2, and all names not paid in advance on that date will be removed from our list. However, if there are those who desire to receive The News but cannot pay their subscriptions by that date, if they will either write or call personally at this office and let us know when they expect to be able to pay it, their names will not be removed. Notices have been mailed to all whose subscriptions are delinquent and those from whom no reply is received will be dropped at the close of the campaign.

Watch the date following your name on the address label. If it is not paid to 6-1-36 or later, meaning June 1, 1936, and you have not given your subscription to one of the contestants by May 2 your newspaper will be stopped. If an error has been made in your date kindly call at the office or notify us and we shall gladly correct it. Renew now, help one of the contestants and avoid missing The News.

Nobody's Business

By JULIAN CAPERS, Jr.

Austin.—Utilizing the existing party machinery, built around the state Democratic executive committee and the county Democratic campaign organization recently named in Washington, has opened headquarters in the Austin Hotel, and begun a vigorous drive to get voters out to precinct conventions, May 2.

Headed by Roy Miller, of Corpus Christi, the campaign organization will concentrate on turning out a record vote for the Roosevelt-Garner ticket, after the national convention is held at Philadelphia, in June.

"Meanwhile, we are working thru the organization party machinery," said Miller, "to turn out an impressive attendance of Texas Democrats at the precinct and county conventions. We will also seek to raise sufficient funds to finance a suitable campaign headquarters in Philadelphia for the vice president, Mr. Garner, feeling that Texas will want to do the honors suitably for its only vice president in history. We anticipate a tremendous Democratic majority in Texas, and a strong Roosevelt-Garner delegation to the Philadelphia convention."

After the national convention, Miller's organization will begin its real job of raising funds in Texas for the Democratic war chest.

GAS RATE CASE

A sweeping victory for the Texas railroad commission and the gas consumers of Wichita Falls marked the decision of Judge W. Yarborough of 53rd district court here in the celebrated Wichita Falls gas rate case, but prolongation of the litigation was indicated it will appeal. Despite the finding of a jury, favorable to the company, after eight weeks of testimony, the court ordered refunds amounting to about \$4 million to Wichita gas consumers from December 1, 1933, and reduction of the gas rate from 67 1/2 cents to 61 cents per 1,000 cubic feet, the rates ordered by the railroad commission. Atty. Gen. Bill McCraw promised to expedite the appeal, in order to hasten the effectiveness of the reduction, if it is sustained. The Wichita Falls rate case, when

finally decided, probably will set a legal precedent for many other Texas cities seeking lower gas rates.

PENSION FACTS

Posturing office-seekers, who glibly promise "\$300 a month pensions for all of the old folks" and carp at the restrictions set up under the state law which require applications to show need for a pension, might well examine the constitutional amendment, the state law itself, and the regulations of the federal social security board, which puts up half of the pension money. Under the terms of the federal social security act, states qualifying for the federal constitution must meet the regulations of the board, which limits its aid to "aged, needy individuals." Any blanket pensioning of all persons over 65 by Texas or any other state would immediately deprive the pensioners of \$15 per month each, the federal contribution. Investigation of applicants, required by Texas law, is also a requirement of the social security board. The existing setup for pension administration in Texas was submitted by Director Orville Carpenter to the board in Washington, and its approval obtained, before it was organized, fulfilling another requirement for federal funds. Total applications for pensions have reached 145,000. Federal census figures indicate far fewer persons in Texas over 65, indicating that many of those who have applied for pensions will found ineligible.

Announcement of the appointment of Marvin Hall, young Brownsville attorney, as state campaign manager for Gov. James V. Allred in his race for re-election, is expected by insiders here to be made within the next ten days. Hall, an attorney for the state tax commission, is regarded as an able political strategist, with a wide acquaintance throughout the state among politically important folks.

GAME SAVERS

"If Sam Houston had lived in an air-conditioned apartment, eaten at a delicatessen and played ping-pong, he would have been a different sort of citizen," declared Ding Darling, famed wildlife conservationist, to 1,000 Texas sportsmen gathered in Austin to organize a state wildlife federation. "The conservation of wildlife, the development of hunting, fishing and outdoor recreation contribute an important factor in citizen self-reliance," Se-

(By Mrs. Richmond Bowlin)

Mr. and Mrs. E. V. Quattlebaum visited Friday night until bedtime with Mr. and Mrs. A. O. Hefner.

Ernest Wood was elected trustee Saturday to fill the place

nor Juan F. Trevine, game administrator of Chihuahua, Mexico, drew cheers when he said his government will adopt closed game seasons corresponding to Texas' and other border states, and would stop the slaughter of Mexican game by "game hogs." Henry W. Flagg, Galveston, was named president. Phil Sanders of Nacogdoches, vice president; Dr. G. E. Potter, Waco, treasurer; Will Tucker, Austin, temporary secretary. All groups concerned with game conservation and wildlife protection in Texas will be eligible for membership in the federation.

OIL NOTES

Texas oil men this week were watching the outcome of the proration controversy in the Rodessa field, following action of the Louisiana conservation department in granting a 20,000 barrel allowance to certain Louisiana wells in that field, while Texas wells are held to 400 barrels each. The oil is being sold to the East Texas Pipeline Co., of Dallas, headed by Freeman Buford. Senator Tom Connally has protested to Secretary Ickes, urging action by the federal authorities. Representative Sidney Latham, member of the house hot oil investigating committee, has won himself a \$5,000 job, it is reported, as attorney for the Texas Petroleum Council, as a result of his work with the probe body, and will not offer for re-election to the house from Longview, his home town, it is said.

LIBRARY NOTES

(By Mrs. C. A. Burton)

I dare say that the best known and best loved of all our Texas poets is Grace Noll Crowell of Dallas, poet laureate of Texas. Harper's will publish a new volume of her poetry about the middle of this month entitled "Light of the Years."

Mrs. John W. Key of Oak Cliff, under the pen name of Marlyn Marcellus, has recently had published a poetry anthology, "American Voices—1935." A symposium on Will Rogers entitled "Folks Say of Will Rogers" is to be published this month. It is a collection of stories and anecdotes about the great actor-humorist by people who knew him well, including President Roosevelt, Mrs. Dwight Morrow, and Irwin S. Cobb. One of our new books is "Six Feet Six," a life of Sam Houston for younger readers by Marquis James. Another Texas book for younger readers which we do not have is "The Father of Texas" by Eugene C. Barker. We hope (Continued On Page Nine)

of Mr. Kidd, whose time expired. Mr. and Mrs. A. E. Tidrow, son, J. D., and daughter, Jo Laverna, visited Sunday with Mr. and Mrs. Leroy Tidrow at Jericho.

Mr. and Mrs. Edwin Eanes spent Sunday with Mr. and Mrs. E. H. Estlack. Clarence Granger spent Sunday with Jimmie Hightower at Bray.

Mr. and Mrs. Verna Lusk of Clarendon spent Sunday with Mrs. Lusk's parents, Mr. and Mrs. A. O. Hefner.

Mrs. Sada Payne and little daughter, Bobbie Jean, of Clarendon visited in the neighborhood Monday. Mrs. Payne will be remembered as Miss Sada Gray, who taught here a few years ago.

There Would Be Three In All

By IRVIN S. COBB

OUT on the Pacific Coast, where the Japanese question and the prospect of a war with Japan are ever-living issues a group of the hands at a canning factory were spending part of their lunch

hour discussing these, to them, vital questions. First one and then another told what he would do in defense of his country when hostilities came. Sitting on a packing case was a lank Oregonian munching the last bites of his sandwich and taking no part in the discussion. The foreman addressed him.

"Look a-here, Jeff," said the foreman. "All these other fellows have been bragging about how brisk they'd be to enlist and what branch of the service they'd go into and so forth and so on, but you haven't said a word. How do you feel about it? If the Japs were to land an invading army in this country I suppose you'd go to the front, wouldn't you?"

"Yes, I'd go," said Jeff. "Me and the two others that I know of."

"What two others do you mean?" inquired the foreman.

"Why, the two that'll drag me there," said Jeff.

SEEK TO EQUALIZE PROPERTY TAXES THROUGH SURVEY

WEST TEXAS IS EXPECTED TO BENEFIT FROM STATE-WIDE WORK.

State Tax Commissioner R. B. Anderson recently made the statement that the state-wide tax survey on which an enthusiastic group is working here in Donley County, will add over the entire state assessed valuations to the state and county rolls \$120,000,000. On this basis the tax survey will pay for itself 100 times over and will, when completed, increase the tax revenue about \$900,000 a year to the state, and about \$750,000 to the counties. Ultimately this new revenue would wipe out the state's present deficit of around \$8,000,000, A. H. Baker, head of the work in Donley County, said.

"There is almost 3-4 of a billion dollars of unknown property on the tax rolls of the state and there is a shortage of about 15 million acres of land that are absolutely off the tax rolls. This tax survey is identifying this "unknown" property and the 15 million acres shortage is being accounted for, and if taxed on the average rendition that other acreage is now assessed and taxed we can reduce taxes 25 per cent and still collect as much as is now being collected.

"In many counties of the Panhandle the work on the state-wide tax survey has progressed to a point where the fact is definitely established that thousands of acres are escaping taxation every year and some that have never been on the tax rolls of the different counties. Especially is this true along the boundary lines of the counties where the lines have been shifted by recent resurveys. In a number of these counties it is found that the total number of acres being taxed varies each year, as much in some cases as 50,000 acres.

"This proves the fact that no attempt is being made to account for all the land in those counties. After this survey is completed it will be possible to tax every acre of land and all city property and equalize the taxable value of all the property and of all the taxpayers.

GOLIAD MARTYR

Colonel James Walker Fanin, leader of the Texas revolutionary force at Goliad 100 years ago, shared the martyrdom of 390 followers who were massacred by the enemy near historic Mission La Bahia on Palm Sunday, March 27, 1836. The mission, from which the men were marched as prisoners of war to be slain in nearby fields, will be the scene Friday, March 27, of a commemorative observance which will be one of the outstanding events of the Texas Centennial year.

"It is also being found that in thousands of cases, land owners are paying taxes on land used and occupied by highways which they could avoid by giving a deed to the county or state for that land which they will never be able to use.

"The survey, in progress for three months and which is to last for a year, has shown property owners, particularly in South Texas, are escaping taxation almost entirely as compared with West Texas.

Enough has been dug up already in the way of unassessed property and unfair rendition to cause Mr. Anderson to make the recent statement that 'If the entire state paid on the same basis as West Texas, whose counties are paying on the basis of 75 to 80 per cent of the value of all property

Centennial Year Events Stimulate Travel In Texas

Dallas, Texas, April 8.—Centennial year travel in Texas is underway in rapidly increasing volume, according to reports received from all parts of the state by the department of information for Texas Centennial celebrations. More out of state motor cars are reported on Texas highways today than at any time in the past. All travel agencies report greatly increased demands for service. In addition Texans are traveling in increased numbers, stimulated to do so by the many Centennial celebrations being held each month.

Record breaking crowds have attended all Centennial celebrations held to date. As the vacation season arrives thousands of Texas families are expected to take to the highways to "travel Texas" this summer. These travelers, augmented in number by thousands of out-of-state visitors, will make 1936 the greatest travel year in the Lone Star State's history.

in the Panhandle, that the state rate could be reduced from its present 62 cents to 10 cents," Baker said.

Smilin' Charlie Says

"Yeah! They laughed when I was called on for a speech but after I had talked for two hours--well you can imagine!"

Authentic Southwestern cowboy and range music will be used in "Cavalcade of Texas" the \$150,000 dramatic spectacle to be staged at the Texas Centennial Exposition in Dallas. David Guion, famous Texas composer, arranger of "Home On The Range," will supervise the musical score.

Canyon Prof. Asked To Summer Session

Prof. Stuart H. Condon, head of the department of government at West Texas State College and former dean of Clarendon College, has been invited to participate in the fifth annual summer session on international law which will be held at the University of Michigan June 29 to July 31.

Only 50 college professors from the entire United States have been invited. It is the first time that this honor has been conferred on a member of the West Texas State College faculty.

Marie Thornton of Wellington was in Clarendon this week-end for a visit with her mother, Mrs. M. E. Thornton.

Jo Ella Stewart of Paducah visited in Clarendon Sunday. Bond Papers at The News.

Centennial Fund Not To Buy Land

Washington, D. C. April 4.—Vice President Garner expressed the opinion Saturday none of the \$3,000,000 appropriation for the 1936 Texas Centennial should be used for land purchase.

Garner, chairman of the Federal Centennial Commission in charge of allocation of funds for the state-wide exposition, said he had suggested to the state commission that it use state funds to erect statues or monuments.

Ray Robbins spent the week-end in Canyon.

Barcus Antrobus, C. L. Benson and M. E. Bell left Friday for Hot Springs, Arkansas.

The road-runner, or paisano is the official bird of the Texas Centennial Exposition opening in Dallas June 6. It has been timed by motorists at running speeds of nearly fifty miles per hour. It is noted for its deadly enmity to rattlesnakes which it kills and eats.

The most complete collection of U. S. postage stamps ever displayed will be exhibited at the Federal Building of the Texas Centennial Exposition in Dallas. It will be part of the post office department's exhibit and is valued at over a million dollars.

Motorists Advised To Change Winter Oil

Good old horse sense goes a long way in the proper care of an automobile motor and in obtaining maximum mileage at a minimum cost, say the laboratory scientists of Gulf Oil Corp.-Gulf Refining Co. Stressing the need for proper grade motor oil and a gasoline especially refined for the spring season, Gulf urges motorists to heed these simple facts.

To begin with, it has been necessary to use a very light oil in the crankcase during the extreme winter weather just past. Even if this winter grade oil were in prime condition, it might not lubricate properly in warm weather. Moreover, frequent use of the choke, when practically pure gasoline has entered the cylinders, has tended to thin out the already light lubricant.

During cold weather when the motor has been running, the crankcase has contained warm, moist air which has condensed when the motor has cooled off. In extreme cases ice has formed on the bottom of the crankcase, or frozen in the oil pump. Sludge is nothing more nor less than a thick gooey mass which tends to block the screen on the oil pump and clog oil lines.

The need of changing motor oil with the changing seasons has been pretty well impressed upon the motoring public, but few car owners are aware that the Gulf refineries in various parts of the country, keeping an eye on the calendar and weather conditions, automatically change the proper-

Temporary State Soil Board Named

College Station, April 8.—Director H. H. Williamson of the Texas Extension Service has announced the temporary State Soil Conservation Domestic Allotment Board for Texas as follows: George C. Chance of Bryan, George Slaughter of Wharton, A. H. Montgomery of Darrouzett, Lipscomb County, and L. C. Trousdale of Houston.

Appointment was on the basis of one representative from each of the four major commodity boards that served in 1935, Chance being from the cotton board, Slaughter from the corn-hog board, Montgomery from the wheat board and Trousdale from the rice board.

Later in the year, as soon as the new farm program gets under way, a permanent board will be named by farmers, Williamson said. The temporary board was named since immediate action is necessary on important questions that must be passed on by a board for the secretary of agriculture's approval.

ties of gasoline to insure the best and most economical performance according to the season. The properties of Gulf gasoline are changed several times a year. Hence the term, "Keep in Step With the Calendar," used in Gulf advertisements currently appearing in The News.

DONLEY COUNTY AGENT EXPLAINS NEW FARM PROGRAM

BREEDLOVE OUTLINES THE WORKING PLAN OF SOIL CONSERVING ACT.

How the new Agricultural Adjustment Administration soil conservation program may work out in Donley County is explained briefly by H. M. Breedlove, county agent.

"Take a typical farm of 70 acres. Native pasture and the land around barn and house and lots cover a total of 13 acres, garden and orchard take up 2 acres. The remainder is normally divided between 40 acres in cotton, and 15 acres in feed, mostly grain sorghums and a little corn and cane.

"The soil depleting base would be 55 acres in this case. The minimum required to qualify for a grant calls for at least 20 per cent, or in this example 11 acres devoted to soil conserving or soil building crops or practices. This means that some cotton or feed land must be shifted to other uses. Since there is very little more feed than his stock needs, most of the shifting will have to be made from cotton acres.

"Suppose this farmer feels that he must have at least 30 acres of cotton to get along. That will give him 10 acres for soil improvement plantings, but he needs one more acre to qualify, so he takes out an acre of grain sorghum to make up his 11 soil conserving acres. He may plant these to legumes or pasture grasses, or to small grains to be pastured or turned under. There are other possibilities, but these are the chief ones.

"He finally decides on five acres of sudan grass pasture and six acres of cowpeas to be pastured and turned under. This helps the land and at the same time makes his feed supply safe. So with 30 acres of cotton, 14 acres of corn, grain sorghums and cane, six acres of cowpeas, five acres of sudan pasture, garden, orchard and a little native pasture, this farmer has a pretty fair farming system."

Dull Headaches Gone, Simple Remedy Does It

Headaches caused by constipation are gone after one dose of Adlerika. This cleans poisons out of BOTH upper and lower bowels. Ends bad sleep, nervousness. While they last SPECIAL 10c Trial Sizes on sale at Douglas & Goldston Drug Co. (Adv.)

Chamberlain Elected To Yearbook Staff

George Chamberlain of Clarendon was elected associate editor of The Cactus, University of Texas yearbook, for 1937, according to a report from university officials this week. He was elected to the office of associate editor without opposition.

Chamberlain, son of Mr. and Mrs. Fred Chamberlain of Clarendon, is a member of the Kappa Alpha fraternity.

Mr. and Mrs. R. E. Koiner of Pampa were in Clarendon for a week-end visit with Mrs. Koiner's parents, Mr. and Mrs. W. C. Stewart.

WPA Employees are Forbidden To Take Part In Campaigns

Amarillo, March 30.—Regulations of the Works Progress Administration provide that no administrative employee or worker shall take part in political campaigns. Each project superintendent in the 20 counties of the Panhandle, which comprise District 16, is being supplied with a copy of Administrative Order No. 65 from Mr. H. P. Drought, state administrator, according to information from A. A. Meredith, director of District 16 in Amarillo.

The portion of this administrative order reads as follows: "Any attempt by the sponsor's project superintendent or by the WPA project superintendent or by any other representative, agent or employee of the sponsor or the WPA to influence any WPA worker, directly or indirectly, in respect to any political candidate or issue, is absolutely forbidden."

Ralph White of Shamrock spent Sunday in Clarendon.

Why Gulf is the Gas for April

ALL READY for the Easter Parade! And Gulf is ready, too—with a new spring gasoline especially refined for April's warmer weather. Yes, gasoline must be changed with the season—or it doesn't give you top mileage. Switch to That Good Gulf—it's "Kept in Step with the Calendar." Which means that all of it goes to work—none of it goes to waste. For better April mileage try a tankful—at the Sign of the Orange Disc.

"Kept in Step with the Calendar"

THAT GOOD GULF GASOLINE

GULF

CHURCHES

At The First Baptist Church

THERE IS ALWAYS WORSHIP—FELLOWSHIP—SERVICE

We are in the midst of one of the most helpful series of services that Clarendon has ever had. Large crowds are attending the services commemorating the events leading up to the death, burial and resurrection of the Lord. That Christ arose from the dead is the foundation of the Christian structure. No fact of history has stronger evidence of truthfulness than this one. Personally, I think it is beautiful and Christ-like when the professed followers of Him who loved us and gave Himself for us come together to emphasize the doctrine upon which we are all agreed. The doctrine of the resurrection of Christ. Those who attend these services will not feel that we have had an "Easter Parade" when we climax the week with a happy song service Sunday evening at the Methodist Church.

Ring, happy bells of Easter time! Our happy hearts give back your chime. The Lord is risen! We die no more; He opens wide the heavenly door; He meets us, while to Him we climb At Easter time!

We will observe the Christian's Passover Feast at the Baptist Church Sunday morning, and have the regular training service at 6:45 in the evening. Let us make it a happy day.

—J. Perry King, Pastor.

FIRST METHODIST CHURCH

E. D. Landreth, Pastor

Easter, the greatest of all Christian days, the day of victory, joy and praise. Everybody will go to church Easter Sunday. Surely we must go to the house of God on this great day. Every church in the community will be extending a hearty welcome to every one in the name of our Resurrected and Victorious Christ. We hope to reach the goals in Sunday school at 9:45 a. m. The morning worship will be at 10:50 as usual. The choir will sing "Break Forth into Joy" by Caleb Simpter. Parents are invited to bring their children for baptism at the very beginning of the service. At the close of the service

GOLDSTON NEWS

(By Mrs. G. R. Grant)

There were not so many at Sunday school Sunday morning on account of the sand storm.

All of the fruit is believed to be killed, due to the freezing weather last week.

Mr. and Mrs. Frank Elmore and Mr. and Mrs. YanKie took Sunday dinner with Mr. and Mrs. W. H. Gray last Sunday.

Prof. and Mrs. Smith visited last Sunday with Mr. and Mrs. Joe Dilli.

Some 22 ladies attended the all-day quilting at Mrs. Grant's Tuesday. Two quilts were quilted out.

Mr. and Mrs. J. J. Goldston visited Mr. and Mrs. Leonard Goldston one day last week.

Mr. and Mrs. Jim Peggram visited Sunday afternoon with Mr. and Mrs. W. L. Goldston.

Mr. and Mrs. W. H. Morgan left Tuesday for California. Mr. and Mrs. Joe Thomas of Clarendon accompanied them.

Mr. Sam Dale and Mr. Neely Hudson are attending court his week.

Mr. and Mrs. R. V. Payne of Turkey spent the week-end in Clarendon at the home of Mrs. Payne's parents, Mr. and Mrs. F. E. Chamberlain.

An invitation will be given to people to unite with the church. The Easter Cantata, rendered by the choir singers of the community, will begin at 8 p. m. We are glad to be host to this great community chorus, and to the other participating churches.

FIRST PRESBYTERIAN CHURCH

Robt. S. McKee, Pastor.

ST. JOHN BAPTIST EPISCOPAL CHURCH

Newton C. Smith, Rector

On Good Friday, April 10, at 12 o'clock, a service of the Three Hours will be held.

Easter Day, Sunday, April 12, at 11 o'clock, the Easter Holy Communion will be read and the rector will preach a short sermon. A cordial invitation is extended to all to attend these services.

CENTENNIAL MAPS ARE RELEASED BY HIWAY OFFICIALS

IS MOST ELABORATE AND COMPLETE EVER ISSUED BY DEPARTMENT.

G. K. Reading, resident engineer for the Texas State Highway Department, presented The News with a copy of the new Centennial edition of the official map of the highway system of the state, recently issued by the state commission.

The map is said to be the most elaborate and complete ever to be issued by a highway body, and was prepared by State Highway Engineer Gibb Gilchrist with the counsel of State Highway Commission; Chairman Harry Hines and members D. K. Martin and John Wood.

Unfolded it is twenty-eight inches deep by thirty-four wide. The map proper is in soft yellow on a white background. United States highways are in red, with numbers in a red shield.

State highways are in black with numbers in a black oval. Various kinds of broken lines indicate all-weather gravel, improved earth, earth only, and conditionally designated roads. The highway mileage is shown between important points.

State parks are shown in green, lakes and bays in blue.

In corners of the square sheet, left by the peculiar shape of the state, are shown the State Highway Building, typical bits of Texas highway construction, the state capitol, several historic buildings, and architects' sketches of the buildings now being built in the Centennial Park at Dallas.

In the lower right-hand corner are the music and words to a song, "Texas Over All," composed by State Highway Engineer Gibb Gilchrist. Theme of the song is an invitation to visit the Lone Star State over which six

flags have waved. The back of the map, except for the title space and a brief history of the six famous flags, is entirely covered with pictures of modern Texas, so grouped as to give the effect of a great five-pointed star.

The pictures are printed from fine-screen copper halftone cuts with a dark green ink. By actual count there are 120 pictures used in the 28x34-inch space, each showing some bit of Texas industry, agriculture, history or beauty spot. Several unusual pictures of unusual scenes along the Pan-American highway in Northern Mexico are shown.

Among the views shown are Santa Anna Camp at the San Jacinto Battlefield, Lake Waco, a municipal golf course at Austin, the LaBahia Mission at Goliad, the Concepcion Mission and the Alamo at San Antonio, shiploading at Houston and Galveston, cotton fields, Frio Canyon, Randolph Field, oil fields, cattle ranches, the Fort Worth stockyards, White Rock Lake at Dallas, the Rio Grande, the Gulf and a Panhandle wheat field.

Mrs. George Carter of Clarendon spent Thursday in Memphis. Mrs. Carter attended the shower given for Miss Aline Reynolds.

Sales Pads at The News. Bond Papers at The News.

Gets the Crowd

Frank N. Watson, as director of information, has the task of informing the public the Texas Centennial Exposition will be in Dallas June 6 to Nov. 29. Apparently it is a task already well done for travel agencies set attendance at 12 million.

ENGINEER MAKES REPORT ON FLOOD CONTROL PROJECT

WILLIAMS SAYS RETARDING DAM SYSTEM WILL PREVENT FLOODS.

W. J. Williams of Plainview, official consulting engineer for the City of Clarendon, was a visitor here Monday. While here, Mr. Williams made a survey of the work being done on the flood control project, and submitted the following report:

April 6, 1936. "Hon. City Commission, Clarendon, Texas. "Gentlemen:

"I have made a complete inspection of the flood control project at Clarendon, this morning. All of the work has been finished and the job seems perfect except some work that is being done on widening the ditch between the railroad and the lake, and some work at the ends of the dams, to make them look smoother. If this finishing work were not done, no real difference in the efficiency of the job would

be noticed. "The dams and culverts are designed so that each one of them would only feed into the main stream, its share of the drainage, that can be handled without overtaxing the canal through town and the railroad bridge. These dams have been located at places where the storage capacity above them would be the greatest possible for the amount of work res-

No 'Pauper's Oath' Required To Obtain Aid Under Old Age Assistance Law

LIKES THE NEWS

The News this week received a letter from Houston Miller of Canadian, Texas, former Clarendon resident, and a check for his renewal subscription. Mr. Miller's letter said: "To The News and our friends in Clarendon we send best wishes. We have been in Canadian over six years, but still enjoy the 'Old Home Town Paper'. We are not acquainted with the present editor, but knew Old Sam. "Come over some time and the deer in our game preserve."

Court Refuses

(Continued From Page One) Claude and Childress on felony charges, according to Sheriff Pierce.

E. M. McCain, alias Reagan Smith, drew a four-year penitentiary sentence for the robbery of the Tom and Earl cafe here November 10, 1935, in the third case Friday.

Monday of this week, Johnnie Murphy was given two years on a charge of felony theft. Murphy was alleged to have stolen an automobile belonging to S. V. McKee on February 11, 1935. Parts of the car were found in Quanah and Bowie after it had been wrecked it was claimed. Murphy's attorneys have made known their intentions to file an appeal.

In the only trial set for Tuesday, Adam Risby pled guilty to a charge of driving while intoxicated, and was given a one-year suspended sentence.

Some people find nothing unanimous until they are alone.

Austin.—No "pauper's oath" is required to obtain assistance under the new law, Orville S. Carpenter, executive director of the Texas Old Age Assistance Commission, declared this week.

"It is unfair to consider a man or woman a pauper when he or she has \$5,000 or \$7,500 worth of property and has \$500 or \$1,000 in the bank. These are the maximum amounts of property and cash an applicant may have and still qualify for assistance. The larger amounts are for married applicants," he explained.

"Broader qualifications would keep us from receiving federal aid. If our law were changed to make everyone past the age of 65 eligible, we could not obtain funds from Washington. Co-operation of the federal government is limited to only those states giving aid to the needy.

"The National Social Security Act reads that it was passed for the purpose of giving financial assistance to states for helping aged needy individuals (Section 1, line 3)," Mr. Carpenter stated. "Our old age assistance set-up for administering the new law was created only after I had conferred with the Social Security Board in Washington.

"State legislators passed the Texas law in such form as to agree with the national ones. The Texas Old Age Assistance Commission and our entire plan are based on the state law and upon rules and regulations made by the federal government," he added.

"We have formulated our plan in such a way to be acceptable by the Social Security Board, which must pass upon our laws and plans before matching our payments dollar for dollar," the executive director said.

Alanreed Will

(Continued From Page One) "all-star" basketball game. Eugene Worley and W. E. Weathered will "choose up" for teams and the conflict will be staged on the gymnasium playing court in the afternoon.

The new Alanreed gymnasium and auditorium, just across the Donley County line in Gray County, was recently completed at a cost of \$10,000. The building is of brick and stucco, and a playing court, 78x44 feet is located in the center of the building. A stage is located at one end of the building. Two hundred and fifty folding chairs are available, and the bleachers will seat 300 persons.

An unusual feature of the new building is the fact that it is NOT a WPA project. It was built by the school district, and comes as the climaxing affair of the newly organized Alanreed Independent School District. The district recently consolidated with the two adjacent districts, and is now serving and transporting a very large district. The school has recently been classified and accredited as a first class high school.

The old school building was renovated last fall at a cost of \$2,500.

A large crowd is expected to attend the dedication ceremonies.

Articles Added

(Continued From Page One) res, very old; an old family album; a whiskey demi-john; a sod plow; a three-legged iron bake oven; a saddle made in 1842; a replica of an old covered wagon; a cowhide rope; a wildcat head; a Mexican fern; a collection of Indian arrow heads; History of St. John's Baptist Episcopal Church, Clarendon, 1887-1936, by Mrs. J. B. McClelland; a Grecian history.

These articles are being properly catalogued with the names of the donors.

The public is invited to visit the museum and enjoy the exhibits, according to officials, who also stated that they are still seeking other loans and donations as well as show cases for the exhibits.

Improvements, Not Payments, Form Greatest Value In Farm Program

ON TEXAS FARMS

By
MINNIE F. CUNNINGHAM
 Extension Service Editor

"The new farm act to be based on the conservation of our soil," comments The Farmer-Stockman in an editorial in March 15 issue, "will be just as valuable as we make it.

"If we take the attitude that the conservation of the soil is made the excuse for paying cash benefits to farmers, we will do merely those things necessary to get the money.

"But if we accept the act in the spirit in which it is being offered, it will mark the turning point in the farm industry of the Southwest.

"Up to this good day we have mined our soil of the store of fertility which nature put in it. Few of us have farmed to maintain the fertility. That farm is an exception which is as fertile as the day it was broken out.

"That sort of farming can't continue. Sooner or later it runs its course. The gullied hillsides and the dead, hard soils which contain no longer a proper store of humus testify to our destruction.

"In the past three to five years we have done, in total, a fine lot of fencing. But the known total of land terraced as compared to that needing terracing, does not comprise a record of which we can be proud. The big job is still ahead of us.

College Station, April 8.—Not how much money can be gotten out of the new agricultural program, but how much will it help improve sound farming is the fundamental question to be asked, according to A. L. Smith, who has charge for the extension service of putting into action plans made under the Soil Conservation and Domestic Allotment Act.

He suggests that every farmer map out his fields as he would like to farm them—to make the farm cropping plan that he knows would hold and build up the land, and which he has not used because of lack of money. "When that is done let each farmer investigate the new AAA soil conservation program to see how it fits. In most cases farmers will be surprised at how closely the new program fits their own plans," he adds.

To farmers who apply for them, after completing the program of approved soil conserving and soil building practices, grants of money will be made later in the year because soil conservation and sustained farm buying power are of vital importance to the nation. For this reason the government teams up with the farmer to help finance the job of making American farms secure, Smith points out.

Farmers whose farm plans for 1936 conform to the flexible soil conserving program may be paid at the rate of 5 cents per pound for the normal lint cotton yield on land shifted from this soil depleting crop to some crop or use that protects and restores the soil. Not more than 35 per cent of the base acreage of cotton may be shifted to form the basis of a payment, and that only if the total in the county does not exceed 25 per cent.

County Tourney

(Continued From Page One) to the winning teams in an appropriate ceremony at the close of the tournament. Mrs. Abe Westmoreland, coach of the Lelia Lake junior and senior girls accepted two of the basketball awards for two of her teams. Coach Harry Hartzog of Giles received the senior and junior boys' awards for the teams from Giles.

Madeline Cruse of Lelia Lake was high point player for both junior and senior girls. George Proffitt of Giles won high point honors for junior boys in the tournament. Willie Thomas of Giles made the highest number of points in the senior boys' division.

Hard knocks make us enjoy easy kicks.

most definite start in conserving the soil resources on each and every farm.

How To Reduce Varicose Veins

Rub Gently Upward Toward the Heart as Blood in Veins Flows That Way

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches.

If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at any first-class drug store and apply it night and morning as directed you should quickly notice an improvement. Continue to apply Emerald Oil until the veins and bunches are reduced.

Moore's Emerald Oil is a harmless, yet most powerful penetrator and two ounces last a very long time. Indeed, so powerful is Emerald Oil that old chronic sores and ulcers are often entirely healed. It has brought much comfort to worried people all over the country.

For generous sample send 10 cents (silver or stamps) to cover cost—mailing—packing to Dept. A.M., International Laboratories, Inc., Rochester, N. Y.

SOCIETY

MRS. FRED L. WILLIAMS, Editor

Bible Program At Book Club

The 1926 Book Club met at the club room Tuesday afternoon, April 7, with Nell Norwood and Cleotae Ray as hostesses. The business meeting was presided over by the president, Luma Smith.

After taking care of the business at hand, reports from the various committees were heard. Mrs. Charles Bairfield, the club's delegate to the meeting of Federated Clubs of the Seventh District which was held at Lubbock last week, gave a splendid report on her trip. The standing committees for the coming year were then appointed by Mrs. Bairfield. Mrs. B. P. Brents was elected to active membership in the club at this time and two other names were added to the associate roll.

Mildred Martin was program leader for the afternoon and the program was begun with a pantomime of the hymn, "Near the Cross," enacted by Sarah Virginia McGowan, LaVerne McMurry, June McMurry, Dorothy Kerbow, Anna Moores Swift, and Mary Frances Powell. The hymn was sung by Alma Landreth and Blanche Howze with Miss Martin accompanying.

Miss Martin gave a paper on "The Origin of the Bible," followed by a "Comparison of the Christian Faith With Other

Needle Club Meets With Mrs. Whitlock

Mrs. Clarence Whitlock entertained the 1930 Needle Club at her home in this city Tuesday afternoon, April 7. The Easter theme was carried out in the decorations and plate favors and the colors used were pink, yellow and green.

There was one guest at this meeting of the club, Mrs. Frank Whitlock, and the following club members were present: Mesdames Betsy Landers, Lucille Garrison, Mabyndis Andis, Ruby Couch, Marie Patterson, Aileen Estlack, Nora Decker, Emma Tyree, Marguerite Carpenter, Claudia Land, Glen Kirby, Josie Peabody, Frances Hilliard, and the hostess, Nadine Whitlock.

The next meeting of the club will be with Ruby Couch.

Faiths," given by Beatrice Antrobus. A pantomime of the hymn, "Beautiful Garden of Prayer," followed, and was enacted by Sarah Virginia McGowan, Lucille Simpson, whose topic for the afternoon was "Women of the Bible," told the stories of Hannah and Esther as the concluding number on the program.

The hostesses served a refreshment plate to the 24 club members present and to two guests, Mrs. H. C. Brumley and Mrs. Joe Goldston.

H. D. Club Meets With Mrs. Lott

Mrs. John Lott entertained the Clarendon Home Demonstration Club Friday afternoon, April 3rd. The president, Mrs. Fink, presided. The meeting was opened with the members repeating the Lord's Prayer, led by Mrs. Van Eaton. Mrs. Sloan Baker led the singing of "Ole Faithful" and "Beautiful Texas," with Mrs. Lawrence Whitlock at the piano.

Mrs. J. D. McAdams was elected to membership in the club at this time. After business session the social hour was spent in making quilt blocks and pleasant conversation.

Lovely refreshments were served to Mrs. Lawrence Whitlock, a guest, and club members, Mesdames G. A. Anderson, A. H. Baker, Sloan Baker, C. L. Benson, A. L. Chase, J. C. Estlack, O. L. Fink, M. A. Hahn, C. D. McDowell, L. R. Schull, W. D. Van Eaton, J. A. Tombs and hostess, Mrs. John Lott.

Club adjourned to meet in an all day meeting in the home of Mrs. J. C. Estlack with Mrs. Estlack and Mrs. Lott program leaders, April 17, 1936.

Mrs. Duncan Hostess To H. D. Club

The Chamberlain Home Demonstration Club met Thursday afternoon, April 2, in the home of Mrs. J. E. Duncan, with Mrs. Will Barbee presiding during the business session. Mrs. J. B. Estes led the group in prayer. Roll call was answered with the favorite Bible story of each member. Plans were made for the meeting of the club which will be held April 16 at the home of Mrs. Wilfred Andis with Mrs. Ivo Peabody assisting as hostess.

At the close of the business activities a delicious refreshment plate was served to the club members Mesdames John Aduddell, O. A. Hott, Aileen Skinner, J. B. Duckett, H. M. Reid, O. B. Rumpy, Ed Aduddell, Will Barbee, J. B. Estes, Ivo Peabody, R. P. Wilson, and the hostess, Mrs. J. E. Duncan, and the guest, Mrs. A. P. Markwood.

Mr. and Mrs. Dawkins Entertain

Mr. and Mrs. Bryan Dawkins entertained the members of the Jolly Group Club and several guests at their home last Thursday evening, April 2.

After the games of forty-two refreshments were served to the club members, Mr. and Mrs. Carl Tyree, Mr. and Mrs. Sloan Baker, Mr. and Mrs. Fred Russell, and to the guests, Mr. and Mrs. Homer McElvany, Mr. and Mrs. Coleman Huffman, Mr. and Mrs. Joe Ritter, and Mr. and Mrs. Lucian Bones.

S. & C. Club Meets With Mrs. Breedlove

Mrs. H. M. Breedlove was hostess to the Stitch and Chatter Club Tuesday afternoon, April 7. All the members were present for the afternoon of sewing and conversation with the exception of one.

Mr. and Mrs. Charles Bairfield drove to Wellington Sunday.

Texas Beauty Presents "Blue Bonnet Blue"

A new high note in fashions was struck last week when the Texas Centennial Celebrations presented beautiful "Blue Bonnet Blue" to the fashion world in a style show at the Waldorf Astoria hotel in New York City. Scores of leading stylists, designers, and fashion editors applauded when lovely Janice Jarrett, San Antonio girl known to the nation as America's most photographed girl, appeared in this striking Blue Bonnet gown designed especially for the occasion by Vogue. Decorating the luxurious lounge were 250 flowering Blue Bonnet plants gathered near San Antonio and Corpus Christi and air-expressed to New York.

Official adoption of "Blue Bonnet Blue" by fashion authorities has caused the lustrous State flower of Texas to be introduced into spring and summer fashions throughout the nation. Thus enthusiasm for the Texas Centennial Celebrations, already evident in many fields, motivates progress in the fashion world.

Joint Birthday Party Given

Jimmie Frank Heath, son of Mr. and Mrs. Frank Heath, and Jimmie Dean Howze, son of Mr. and Mrs. J. H. Howze, celebrated their birthdays together with a joint party at Jimmie Dean's home Wednesday afternoon, April 8. Jimmie Dean was six on this date, and Jimmie Frank is five today, Thursday, April 9.

Those who came to wish the two Jimmies a "Happy Birthday" and to enjoy their party were Myrne and Janice McDonald, Janet Stegall, Melanie Williams, Billy Joe Maynard, Wanette Stevenson, Mary Ann Bromley, Jackie Heath, Ira Jean Estlack, Juanita Carpenter, Bobby Clifford, Pat Maynard, James Morris, Bobby Brown, Gordon Simpson, John Miller Morris, Mae Morris, Dewey Tom Heath, Phyllis Ray and Wilda Fay Ingram, George Lynn Hitt, Billy Phillips, Alma Louise Murphy, and Vondel Hommel.

An Easter egg hunt provided amusement for the children and the remainder of the afternoon was spent in playing with toys. At the close of the games the candles on the two pink and white and green birthday cakes were lit and after the usual ritual had been performed the honorees and their guests enjoyed the ice cream and cake. Balloons were given as favors to all those present.

Mrs. W. B. Sims Entertains Club

The Kilkare Needle Klub met with Mrs. W. B. Sims Thursday afternoon, April 2. The afternoon was spent in sewing, chatting and exchanging ideas for fancywork. The ladies also inspected the beautiful quilts made by Mrs. Sims and Mrs. Draffin and the lovely handmade Normanby lace tablecloth made by Mrs. Sims.

In the late afternoon the hostess served refreshments to her guests, Mrs. Jack Walker and Mrs. W. A. Simpson, and to the members present, Mesdames Joe Cluck, J. R. Bartlett, Ava Draffin, J. Perry King, Cap Lane, Homer Mulkey, H. C. Brumley, Buel Sanford, W. C. Stewart, and Misses Etta Harned and Ida Harned.

The club will meet Thursday, April 16, with Mrs. Buel Sanford.

Campfire Girls Entertain Mothers

The campfire girls were hostesses to their mothers last Saturday, April 4, when they entertained with a delightful program at the home of their campfire guardian, Mary Frances Powell.

The program was as follows: Reading, "Ideals of Campfire," Naomi Morris; reading, "A Campfire Rosary," by Lorena Steagall; Bobbie Jo LaFon; tap dance, Bettie Jo Bain; explanation on honors, Margaret Fay Wadsworth; guitar song, Nelda Sue Burton and Annie Ree Porter; ballet dance, Charlotte Ann Tomb; piano solo, Sara Beth Lowry; ballet dance, June Adams; reading, "Rededication," Cassandra Morris; a talk to the mothers, Nellie Grady.

After the interesting program, delicious refreshments, punch, sandwiches, and candy, were served to the guests who spent an enjoyable evening.

Church Societies

Circle No. 1 of the Presbyterian Auxiliary met with Mrs. Keith Stegall Wednesday afternoon, April 8. The chairman of the circle, Mrs. Floyd Lumpkin, presided. Mrs. Sloan Baker led the devotional.

There were six members and one guest present. Circle No. 2 met at the home of Mrs. R. S. McKee with six members present. The devotional was led by Miss Mabel Mongole.

The Missionary Society of the Methodist Church met at the church Wednesday afternoon in a mission study of the book, "That Other America." There were 35 present at this meeting.

Following is the program to be given at the meeting of this organization to be held next Wednesday: Duet, "La Golandrina," by Mrs. J. L. McMurry and Mrs. E. D. Landreth; history of Mexico, by Mrs. C. A. Burton; story of the Mexican revolution, by Mrs. Rayburn Smith; devotional, by Mrs. Carrie Weidman. The members will answer the roll call with current events.

Mr. and Mrs. Allen Bryan and children were in Dallas this week.

Renaissance Program

The junior members of Les Beaux Arts Club met at the club room Wednesday afternoon, April 8, for their regular meeting. Hostesses for the afternoon were Rosalie Grady and Rosalyn Bass.

The program for the afternoon was on the Italian Renaissance and Willie Glenn Parten was leader. The following program was rendered: Petrarch, by Willie Glenn Parten; artists, Correggio, Michael Angelo, by Ruth Smith; church music, Palestrina, by Nellie Grady.

Pathfinder Meeting Time Changed

The Pathfinder Club will meet Friday afternoon, April 10, at 3:45 p. m., instead of at the usual time of 3:30, so that members may attend the pre-Easter services to be held at the Methodist Church on that afternoon.

Morgan-Yates Wedding

Miss Velma Morgan and Mr. Asa D. Yates were united in marriage Sunday afternoon, April 5, at 5 o'clock at the home of Rev. J. Perry King in this city. Rev. King officiated at the simple but impressive ceremony. Mr. and Mrs. Yates will make their home in Clarendon.

Mrs. James Cornelius and daughter, Carolyn Ann, are in Memphis visiting Mrs. Horace Duke, Mrs. Cornelius' mother.

Mrs. Eva Womack of Clarendon was in Memphis this week because of the illness of her son, A. Womack.

Fred Buntin left Tuesday for Fort Worth. He will be accompanied home by his father, P. A. Buntin, who has been in that city for several weeks.

Amateur Contest Is To Be Held Friday Night, April 17

On Friday evening, April 17, there will be a local amateur contest at the College Auditorium. Any fairly talented person in Donley County is eligible to enter, so all ye persons wishing to try for the prize money and show your talent, please get in touch with the Clarendon Junior College, Clarendon, Texas. It might be remembered that there will be a going; so come prepared. Each act to be given must not last over five minutes and not more than four persons can be in an act. No entrance fee is required for the contestants. Prizes are as follows: first place, \$5.00; second place, \$3.00; third place, \$2.00.

The admission to this amateur contest is fifteen cents for all students and twenty-five cents for adults. Everyone plan to come and enjoy a pleasant evening as well as to help on the athletic fund.

50,000 KIDS TO SING TWO FAVORITE SONGS OF FDR

Two favorite songs of President Franklin D. Roosevelt will be dedicated to the nation's chief when 50,000 Texas high school students and grade school pupils sing in a massed chorus at the Texas Centennial Exposition.

They are "Home On the Range" and "Yellow Rose of Texas," both of which will be broadcast on nation-wide hook-ups.

The chorus, largest group of singers ever massed at one time in the world's history, is being chosen from 1,500,000 school children from all over the state.

Two thousand school buses will bring the singers to Dallas. Their program will be a glorification of traditional songs and cowboy ballads of the Southwest.

Ambition: Exterior decorator.
Like school: Uh huh, I guess so.

Winners To Go To District Meet

At the district meet at Pampa on the 17 and 18, a number of Clarendon winners in the county meet will compete with other counties of the district. In the literary events, Clarendon will be well represented. The boys' debating team, Jimmy Bourland and Johnnie Lott, having no opponents in the county meet, will debate against teams at Pampa. We have a number of declaimers going to Pampa. R. W. Bingham winner at the senior boys' here; Ethelyn Drennan, senior girls, will participate in the meet.

DU-U-NO?

That Eloise Hill has a new crush on Raymond Cheves.

That Nellie and Rosa Lee took in a dance last Tuesday night out at the ranch.

That handsome Homer Tucker has really learned to smoke a cigarette.

That a certain young man told Mrs. Jane Kerbow was as cute as a pumpkin's ear. How do we know?

That Oscar Butler has a great stand-in at Mrs. McGowan's.

We had all better get small and develop a cute smile.

That our boys have started spring training. Hurrah—boys at work.

That Rayburn Smith has turned 'cage man' instead of a farmer. Tish, tish.

That Alex Cooke is getting quite witty!

That seniors and college—otherwise known as "rocks and posies."

That Arthur Chase wants a job playing old Texas hymns at the Texas Centennial this summer—Good luck!

That Miss Headrick is trying to develop some literary critics. Ho hum—what next?

Mrs. Doss Palmer and Mrs. Eva Atteberry were in Amarillo Saturday.

Annual Picnic Will Be Friday

The senior class and the two college classes will leave Friday morning on their annual picnic. It was voted that these classes should go together again this year and everyone seems to be satisfied with the plan. The site chosen for the picnic this year is Linguish Falls, a place near Silverton in the Caprock country.

The transportation and food committees for the high school senior and college picnic may be seen in any corner of any room at any time. As usual the finances seem to be puzzling them. Both committees are planning for a party one hundred and ten. Judging from the enthusiasm being shown by the students in their willingness to co-operate the teachers expect this to be one of the peppiest, most enjoyable picnics in years.

Centennial News

CHIEF RANGERETTE—That bright star of motion pictures, Miss Shirley Temple, donned a costume and steer-head boots to receive a commission appointing

OUR BOOK SHELF

The Saturday Review of Literature says of Anne Morrow Lindbergh's "North of the Orient," "A thoroughly charming book."

This book makes the reader see through Mrs. Lindbergh's candid eyes the perils, uncertainty, and danger of this fascinating trip.

Mrs. Lindbergh tells of their preparation, and personal experiences in such a way that one feels, after he has read the book, that he himself has experienced some of the suspense of forced landings, over-turned planes, and helping flood refugees.

her Chief of the Texas Centennial Exposition Rangerettes. It was presented by Governor Merriam of California on behalf of the World's Fair of 1936 at Dallas.

ONCE A CENTURY—AND ONLY ONCE—The Texas Centennial Exposition which opens June 6 will run only during 1936, General Manager W. A. Webb has declared.

"The year 1936 is Texas Centennial year in which the Texas Centennial Exposition commemorates a hundred years of Texas independence and progress," Mr. Webb said. "This anniversary of freedom is observed only once in a hundred years and we have

not even considered extending the exposition period into 1937. We will close November 29."

MARCH OF DEATH—The official march of the Texas Centennial Exposition, beginning at Dallas June 6, is based on the massacre of Col. James Fannin and 380 Texans, at Goliad on March 27, 1836.

CAR CARDS TELL NATION OF FAIR—Ten thousand car cards tell the nation's subway, street and elevated car riders of the Texas Centennial Exposition, which opens June 6 at Dallas. Rangerettes, hostesses for the exposition, put up the first cards in host city trolley cars, and the job over the country was taken up by the Barron G. Collier, Inc., car card advertising system, complimentary to the World's Fair of 1936.

The Texas mule is still vital to construction work in the Lone Star State. Recently heavy rains caused the miring of a huge tractor on the grounds of the Texas Centennial Exposition opening in Dallas June 6. Ten mules pulled it out after other tractors had failed.

For sparkling white teeth Use a water-proofed toothbrush—no other

Chief cause of dull-white teeth is a brush with low-grade bristles that turn limp when wet, can't really clean. For sparkling-white teeth, use Dr. West's brush. World's costliest bristles, water-proofed—cannot get soggy. Sterilized, sealed germ-proof in glass. 10 colors. Also Dr. West's Economy Toothbrush at 29¢

SUNNY VIEW
(By Pauline Riley)

We did not have singing last Sunday night due to the bad sandstorm.

Mr. W. W. Moreland spent Sunday with Mr. L. L. Moreland.

Mr. and Mrs. S. W. Lamberson and family visited relatives at Quail and Hedley Sunday.

Mrs. Ray Norman returned to her home in Amarillo Friday after spending a week with her parents, Mr. and Mrs. S. T. Clayton.

Mr. and Mrs. A. L. Cleveland and family of Quail spent Sunday with Mr. and Mrs. J. E. White.

Mr. and Mrs. Z. D. Davis and children visited Mr. and Mrs. R. E. Davis of Clarendon Sunday afternoon.

Jack Ballew spent Saturday night with his grandmother, Mrs. L. Ballew of Clarendon.

Mr. and Mrs. Adkins Mace visited Mr. and Mrs. A. E. Williams Sunday.

Mrs. H. L. Riley and children, H. L. and Dorothea, visited in the J. N. Riley home Thursday night.

Mr. and Mrs. Ernest Jones returned home Thursday night after a trip to the Medina Valley and other points in South Texas.

Miss Lopez Whitt entertained her pupils and young folks of this community with a party Friday night at the school house. Progressive bunco was played, Mrs. L. L. Moreland and Glenn Riley won prizes for high score. Those present were Misses Robbie Zoe Moreland, Cymantha Hester, Willie Nell and LaVern Lamberson, Kathleen, Orene and Pauline Riley, Edna Putman, Eula Haley and Ivon Ellis, and Mesdames Lloyd Moreland, W. H. Ellis, Irene Hester and Messrs. Clyde and Eugene Putman, Carol Stobbs, Harold Smith, Ernest Lamberson, Junior Davis, W. H. Ellis, Frank Cannon, Glenn Riley and Rick Allen, and the hostess, Miss Lopez Whitt. Everyone present enjoyed a very pleasant evening.

The pupils of Miss Whitt's room are preparing a play, "Aunt Jerushy On the War Path," the date will be named later. The cast of characters are as follows:

Sufficiency Fish, right off'n the

Library Notes—

(Continued from Page Two)

to add this life of Stephen F. Austin to our Texas shelf soon.

Our two copies of John Fox, Jr.'s "Trail of the Lonesome Pine" are being much in demand just now, due to the popularity of the recent screen version of this story of feuding in the Cumberland Mountains where family battles family for reasons long since forgotten. Natural color and natural backgrounds are used exclusively in the picturization.

A presentation copy of the first edition of Mark Twain's "The Prince and the Pauper" brought \$2,100 at an auction in New York recently, while a first edition of "Tom Sawyer" brought \$2,000.

A bronze bust of T. E. Lawrence was recently unveiled in the crypt of St. Paul's Cathedral, London, as a national memorial. At the same time plans were being made to have his three-room cottage in Dorset kept permanently just as it was left on the day of his fatal motorcycle accident. A collection of thirty-nine autograph letters of his written between 1931 and 1935 sold at an auction in New York for \$3,800.

John Masefield, poet laureate of England, spent two months in America, returning home in February. He spent most of his visit in California. While there he wrote a sonnet on the death of King George V and another commemorating Rudyard Kipling's burial in Westminster Abbey.

Sinclair Lewis' much talked of book, "It Can't Happen Here" was to have been screened, but the production has been indefinitely postponed by Metro-Goldwyn-Mayer Studio in Los Angeles. A script had been prepared, actors engaged, and filming was to have started in a few days. Lewis said he had been informed that the story of a dictatorship in the United States had been shelved on the ground that it might arouse "domestic and international political difficulties."

farm, Harold Smith; Elder Snuffels, an old hypocrite; Frank Cannon; Hiram Fish, the constable, by heck, W. H. Ellis; Bill Barker, manager of the carnival, Junior Davis; Aunt Jerushy, Hiram's better half, Pauline Riley; Little Sis Popkins, her hired girl, Ivon Ellis; Miss Stelly Etta Snapper, an old maid, Robbie Zoe Moreland; Madam Reeno de Beeno, a fortune teller, Cymantha Hester; Elsie Barker, a carnival queen, Louise Hall; chorus girls, Nell Lamberson and Margaret White.

'Klondike Annie' Coming to Pastime

Victor McLaglen and Mae West are pictured above in a scene from "Klondike Annie," which will show at the Pastime Theater here Wednesday and Thursday, April 15 and 16.

Engineer Makes—

(Continued From Page Five)

quired to build the dam, and the dams are so constructed that a flood which cannot be handled by the culverts, would be fed around the ends of the dams, which are rip-rapped with stone and concrete. And there is no possibility of serious damage to any of the dams by any kind of rain or storm.

Viking Press by Harutium Nokhudian, the Musa Dagh pastor who claimed that the story made him out a coward and a drunkard. The damage suit was dismissed in the New York Supreme Court.

Dr. Winifred E. Bain, assistant professor of education at Teachers College, Columbia University, was awarded the annual medal given by the Parents Magazine for the most helpful book for parents. The prize winning book was "Parents Look At Modern Education."

"These dams will operate to benefit the farms on which they are situated, stopping the gully-eroding and filling those already formed, by retarding the drainage and allowing the heavier materials to be deposited. Water will not be retained behind the dams long enough to drown crops, but will operate to store moisture and make a great increase in yields.

"These dams have been constructed with very flat slopes, and also the water will not be retained long enough to soften the banks, consequently very little repair work will be needed to keep them fully effective.

"I also wish to congratulate you on the amount of work you have accomplished under the supervision of Mr. Goldston who seems to have handled the men better than any supervisor I have known, and is responsible for a great deal of the efficient work that is noted. I have been associated with relief works since

the CCC camps were established in Randall County, but have not seen anything that compares with the amount of work you have accomplished with the forces available.

"Yours respectfully,
"W. J. Williams, Engineer,
Flood Control Project."

FIELD WORKER FOR FEDERAL WRITERS PROJECT IS HERE

E. B. EMERSON COMPILING DATA ON COUNTY FOR AMERICAN GUIDE.

E. B. Emerson of Pampa, field worker on the federal writers project, arrived in Clarendon Tuesday to begin his work in Donley County. Mr. Emerson is covering Donley, Wheeler, Gray and Collingsworth counties. He expects to complete his work here within a month.

The federal writers project is one of the professional and social service projects of the Works Progress Administration. The purpose of the federal writers project is the compiling of facts concerning the scenic, economic, educational, and historical features of each community in the United States. The result will be the publication of a national work known as the American Guide.

The American Guide will consist of five volumes, each volume relating to a certain region. Texas will be included in volume four. The Guide will be so arranged that it will provide a reference work of value to research workers, students, and all persons who wish to obtain information quickly concerning any town or county in the United States.

Donley County, in WPA District 16, of which headquarters are in Amarillo, is especially rich in historical features and the field supervisor of the federal writers project in this district is anxious that Donley County be fully represented. Among points of interest in this county are Clarendon, the JA Ranch, recent archaeological work directed by Mrs. Stuart Johnson (a WPA project), and the Clarendon Junior College.

All articles on Donley County will be submitted to the local field supervisor, 438 Amarillo Building, Amarillo. Articles will be prepared in triplicate, two copies remaining on file at Amarillo as the basis of any local or state guide that communities or states may later wish to prepare, the other copy being sent to state headquarters in San Antonio. From San Antonio, copy is sent to Washington.

Co-operation of Clarendon and Donley County citizens in granting interviews and making suggestions as to points of interest will be appreciated by the field worker, who said that he wished to make clear that his work is strictly a WPA project, and that he is not concerned with book-selling, the Texas Centennial, or any private money-making scheme.

Ice on the roads multiplies by eight the distance required for stopping a car, Hudson Motor Car Company engineers estimate.

Larger Allotments Of Food, Clothing To Relief Clients

Needy of 20 North Panhandle counties soon will receive larger allotments of food and clothing from the Texas Relief Administration, John Rowland, district commodities supervisor, announced Thursday.

Mr. Rowland said that 13,784,000 pounds of food, valued at \$1,137,480, has been allotted to Texas. The allotment includes peas, beans, prunes, rolled oats, enriched oat cereal, apples, cabbage and flour.

The North Panhandle area received food valued at \$500,000 during the five-month period ending March 1.

Hi-Jackers Stage

(Continued from Page One)

traveling east and had slowed their car in order to read road signs at the intersection of Highways 66 and 88, when the bandit car which was following pulled up in front of them and forced them to stop. One man jumped from the car, brandishing a gun, and ordered Van Newell to drive about 100 yards into a draw, where the robbery was perpetrated.

From the description of the high-jackers, Sheriff Pierce said that one of them was believed to be Pete Traxler, alias Pete Franco, who poses as a traveling salesman and is wanted in Oklahoma for the murder of two officers. He is about 27 years old, five feet, nine and one-half inches tall, weighs 145 pounds, has a scar on the left side of his face, and is a medium blonde.

The other man was described as being about five feet, seven inches in height, 35 years of age, dark complexion, and weighing about 135 pounds.

The Van Newells said that they were unable to discern the make of the automobile used by the bandit pair, but believed it to be a Dodge or Chevrolet. They said the license plates had been removed.

The robbery occurred about 2:15 o'clock.

Campaign Workers

(Continued from Page One)

essary, than to fall short a few thousand, representing but a few long-term subscriptions.

Don't let this happen to you. You would never forgive yourself the fatal error. There will be no need for regret if you but heed expert advice and back it up with a goodly number of subscriptions.

How Period Will End

The first period will end with the close of The News office this Saturday night. The time is set for 9 o'clock, but should any candidate be delayed and unable to report in full at that time, the time will be extended to meet the requirements that night.

CLARENDON PLANS CELEBRATION FOR CENTENNIAL YEAR

JULY 4 PIONEERS' ROUND-UP TO BE PUBLICIZED THROUGHOUT STATE.

Dallas, April 8.—The City of Clarendon has been added to the list of Texas cities which are planning Centennial year celebrations, according to officials of the department of information for Texas Centennial celebrations.

The Clarendon celebration was added to the official calendar of Centennial events, following receipt of information from J. M. Hill, secretary and manager of the Clarendon Chamber of Commerce, that citizens of Clarendon and Donley County have selected July 4 as the date for their Centennial celebration and pioneer's round-up.

The department of information is carrying on an extensive program of advertising and publicizing the state-wide Centennial celebrations and the state of Texas. The work is promoted through newspapers and magazines, radio, travel bureau activities, and club and school projects. Offices of the department are maintained in Dallas.

Clarendon's celebration will be included in all publicity activities of the department.

More than 175 Centennial celebrations, planned in all parts of the state, now are included on the official calendar. Centennial year officially was opened last November with the "opening shot" celebration held at Gonzales. A number of other celebrations have been held since that time and others, including the Centennial central exposition at Dallas, will be held at various times throughout the year.

Haile and Pyle

(Continued from Page One)

statement this week by Pyle.

Both of the incoming commissioners are well-known local men and are well qualified for their posts. Pyle was connected with the local city government for a number of years, and is conversant with the duties of the office. Haile is one of the city's most prominent citizens, and is familiar with the workings of city government.

Joe Holland acted as election judge, and W. M. Patman and H. J. Edington served as clerks for the election.

JOHNSON IS ELECTED MAYOR IN HEDLEY CITY ELECTION

C. E. Johnson was elected mayor of the City of Hedley at the city election there Tuesday, April 7. Aldermen elected were Chas. Barnett, J. M. Lynn, A. A. Cooper, L. Spalding, and J. T. Bain.

Williams Tells—

(Continued from Page One)

ed to drive 30 or 40 miles to go fishing, because we so seldom found the fish in a receptive mood.

And here he hops up and drives about 800 miles, and sure enough the mackerel show their appreciation by running the first time of the season the very week Doc arrives!

But it DOES leave you with a sort of "empty" feeling when one of them big 'uns takes off with your fishing tackle, doesn't it, Doc?

Needed a Hair Cut— City Commissioner Tom Conally tells a good one on a local tonsorial emporium (barber shop to you). Said he was in there the other day when a fellow came rushing in the door. A couple of the barbers arose and took their places behind their chairs, to await the newcomer's pleasure.

The fellow rushed up to R. Y. Rankin who was getting his wool (pardon—his hair) cut, and quoth as follows:

"Have you heard from those fellows yet?"

"No," replied Mr. Rankin, "But I'm expecting a call any minute."

"Well," said the fellow, "I'm going to run out to a barber shop and get a hair cut. I'll be back in a few minutes." And out he went.

Personally, we think the two barbers were justified in whatever they were calling the guy under their breath as they returned to their seats.

They Were Well Off—

"When the early Americans objected to taxation without representation," remarks The Dallas News, "they didn't realize how much worse it would be with taxation."

You Tell 'Em, Gramps!—

The Ochiltree County Herald waxes poetic over the old age pension plans under the heading, "Life Begins at Sixty-Five," as follows:

Cheer up Grandpa, don't you cry! You'll wear diamonds by and by. Uncle Sam has money mills. Made to grind out brand new bills.

He will help you in your cause With his old age pension laws. No more worry over bills, Butcher's duns, or doctor's pills. No more panic over rent. Leave that all to government.

Dine on squab and caviar. Sport a streamline motor car. When the blizzards bliz a bit, Off to Palm Beach gaily flit. Lead a life of pleasure bent, But you must spend every cent! Whoopee, Grandpa! Stay alive! Life begins at sixty-five!

Mrs. A. J. Guedin of Taft, arrived in Clarendon Friday and will remain several weeks visiting in the home of her daughter, Mrs. Fred Williams.
