Wheeler Mustangs To Battle Broncs Here Friday Nite

The Broncs and the Wheeler Mustangs will buck it out here Friday night in a conference tilt between the two teams that is scheduled to be a good one, according to the way the locals have been meeting their foes in the past.

Last week the Broncs were due to give the McLean Tigers a good shelling but barely eked out with a 10-6 victory. It seems that the local boys like to give the fans plenty for their money by playing a close game. Previously they have played much stronger teams and held them to a close margin. By all past data and dope, etc., the Broncs should take this game with several points to spare, but on the other hand they may have to hustle to barely win it.

Coch Naylor stated Wednesday that his boys were in good condition with the exception of Bulman who will be out quite some time and Harp who is nursing some very painful charlie horses. "If the game goes as it should, I hope to use at least two teams Friday night," Naylor said.

The probable starting line-up for the Broncs will be as it has been in the past games with the exception of Harp, who will be out and Whitsell who will probably be shifted into the backfield to exhibit his blocking ability.

The Bronc crew promises a good game, so all you football fans come on out and see them do their stuff Friday night at 7:30 at Broncho Field.

NUMBER OF FARMS AND LAND IN FARMS GIVEN IN COUNTY FOR 1945

The number of farms in the County of Donley, State of Texas, as shown by the preliminary count of returns of the 1945 Census of Agriculture was 761, as compared with 877 in 1940, and 1,140 in 1935. This was announced today by Weldon L. Boyles, supervisor for the 1945 farm census in the First Texas Census District with headquarters at Panhandle, Texas.

The total land in farms in Donley County, according to the preliminary 1945 census count, was 533,063 acres, as compared with 523,800 acres in 1940, and 568,581 acres in 1935. Average size of farms shown in the preliminary 1945 census count for Donley County was 700 acres, as compared with 597 acres in 1940 and 499 acres in 1935.

In announcing the 1945 census totals of farms and land in farms in Donley County, Supervisor Boyles pointed out that the figures are preliminary and subject to correction. Final tabulations of Donley County farm census returns will be made by the Bureau of the Census and announced from Washington when completed, Mr. Boyles said.

M. F. MANCHESTER AND J. B. LOVE TO OPEN ELECTRIC SHOP SOON

M. F. Manchester and J. B. Love plan to open an electric store and shop soon in the cafe room of the Clarendon Hotel.

Manchester has resigned his position as pastor of the local Church of Christ in order to take on this new line of work. Love has moved to Clarendon from Ft. Worth where he has been employed at a bomber plant. They plan to stock all kinds of electrical equipment as soon as it comes available and will maintain a repair department for all electrical work.

Watch the Leader for their advertisement announcing their opening date within the near future.

LT. MURRELL LANDRETH RECEIVES DISCHARGE

AMARILLO—2nd Lt. Murrell G. Landreth, son of Rev. and Mrs. E. D. Landreth of Clarendon, has been honorably discharged from the Army Air Forces at the Separation Center here after 3 years of service.

Prior to his discharge he had been assigned to duty as pilot at Amarillo field.

LOCAL YOUTH WITH CARRIER FORCE

Clyde M. McCrary, S1/c USNR, son of Mr. and Mrs. J. C. McCrary of Clarendon, has been aboard the U.S.S. Watts, one of our new 2100 ton destroyers since last March until her present cruise as part of Admiral Halsey's Carrier Task Force, in the waters off the Japanese homeland. Prior to entering the Navy he was employed by the Public Construction Co. as a driver.

SGT. HERMAN BARNES GIVEN DISCHARGE

Sgt. Herman B. Barnes, 28, Naylor Route, Clarendon, who entered the services 13 March 1942, has been given an honorable discharge from the army.

Sgt. Barnes was employed in farming previous to his entrance into the army.

Barnes was stationed in the European Theater of War for 18 months. During this time, he won the ETO Ribbon with 6 Battle Stars.

Overseas Mailing To Continue

Tuesday was the last day on which overseas Christmas packages may be mailed to army men without a request. Service men in transit could not receive packages, and special provisions have been made to see that they get their packages. Postmaster J. C. Estlack explains.

Packages must be limited in weight to the customary five pounds. All packages to be sent at parcel post rates must be tied with string, have a parcel post sticker, must be unsealed and have the address written on the package as well as on the sticker.

If packages do not meet the above requirements they must be sent by first class mail at three cents an ounce. First class packages must be sealed, tied and have a sticker.

"If the clerk at the window asks you to wrap the package as required by post office specifications," said Postmaster J. C. Estlack today, "he takes it for granted that you would like the package to reach its destination and is in no way personally concerned with the wrappings except for carrying out his duty as required by the post office."

Although it may appear that the postoffice clerks are of malicious intent when they refuse to send a package improperly wrapped, it actually is for the benefit of both the sender and the receiver.

Those who receive notification of an overseas address of an armyman who has just been sent over, may mail a Christmas package to him after today upon providing the postoffice with evidence of the change of address.

There is no deadline on mailing overseas packages to men in the navy. Postmaster J. C. Estlack stressed.

SGT. WELBORN D. MILLER RECEIVES DISCHARGE

DAVIS—MONTHAN FIELD, Tucson, Ariz.—Sgt. Welborn D. Miller, 28, husband of Mrs. Anna L. Miller of Clarendon, was recently honorably discharged from the Army Air Forces at this separation center.

Before joining the service in September 1942, Sgt. Miller was assistant agronomist at Panhandle A&M College, Goodwell, Okla.

HERSHEL THORNE HERE VISITING FAMILY

Hershel W. Thorne Gm 3/c arrived in the states October 11th. He's the husband of Lorene Thorne. He has served 18 months of sea duty and has been stationed in Balboa, Panama for the past 16 months. He stated he was very happy to be back in the U.S.A. again.

T/SGT. JIMMIE GOODMAN RECEIVES DISCHARGE

T/Sgt. Jimmie Goodman informed his parents here, Mr. and Mrs. Dewey Goodman, that he received his discharge on October 4th at Westover Field, Mass. He was released under the point system.

Sgt. Goodman served as a gunner aboard a heavy bomber in the European theater of operations for several months and was a prisoner of the Germans for some time in Rumania after being shot down over that country.

He plans to enter Civil Service in Massachusetts where his wife's parents live.

CPL. LEON VINSON RECEIVES DISCHARGE

Cpl. Leon Vinson, son of Mrs. L. E. Vinson of this city, received his discharge from the armed service October 10th and will be a civilian again for the present time, although he may join up again after a little rest period. He has spent over 30 months overseas and wears four battle stars. He was with the seventh army in Europe.

The following letter is self-explanatory:

October 10, 1945

Mr. Andrew Jay, Commander Aubyn E. Clark Post 126 The American Legion Clarendon, Texas Dear Friend:

This will acknowledge receipt of your letter of October 5th which just arrived.

As you know, I have given these Post Office matters considerable attention since coming to Washington and have repeatedly contacted the proper officials. Clarendon has been designated now as eligible but as yet no funds have been appropriated either for the purchase of a site or the actual construction of the building.

I talked with those who are in charge and was told that when funds are available bids will be taken in accordance with the regular government procedure but until that time they are not in position to receive any offers. At the proper time, however, complete information will be released and you are assured I will do everything I can to follow through.

With kindest regards and best wishes, I am

Sincerely yours, Gene Worley

In the regular meeting of Post 126 Tuesday night, a drive was organized to raise money to buy the Johnson Lake site near Lella Lake where the Legion plans to build a recreational playground. Approximately \$1600 was collected or promised there during that meeting. Committees will be appointed to work the entire county within the next thirty days to complete the acquisition on necessary funds.

Officers Jay, Allen and Stanley were unable to attend the meeting.

BAND PARENTS TO HOLD RUMMAGE SALE SATURDAY

The Band Parents will hold a rummage sale for the benefit of the band at the Clarendon Hotel Saturday, Oct. 20th. Anyone having old clothing that they would like to donate for this purpose is asked to bring them to the hotel Friday from 2 to 5 or call Mrs. Bob Head and she will call for them.

COUNTY-WIDE MEETING OF SCHOOL TEACHERS THURSDAY, OCT. 18

According to Ruth M. Rieher, County Supt. of Schools, there will be a county-wide meeting of all teachers in the meeting room at the court house this Thursday, Oct. 18th at 8 p. m. All teachers are urged to be present.

SHOW TIME CHANGED AT PASTIME THEATRE

Lee Bell, manager of the Pastime Theatre, states that due to an overwhelming demand, the week day show times has been changed with an earlier matinee time in the afternoon.

The new schedule from Monday thru Friday is 3:30 for the Matinee and the night shows are at 7 and 9 p. m.

The Saturday and Sunday show times will remain the same except that on Saturday night beginning at 11:30 there will be a midnight matinee which is a prelude of the Sunday and Monday feature.

Mr. Bell is trying this new schedule for a while to see how it works out as a number of patrons have asked for the show beginning at 3:30 instead of at 5:30.

Government Fish For Donley Co.

Charles Reed, County Agent, reports that Federal Fish trucks made its annual run and delivered free fish to Donley County producers requesting fish.

Billy Lewis received 2,200 bass and sun fish; A. O. Hott received 50 channel cat; Joe McMurtry received 15 channel cat; Colie Huffman received 275 bass and sunfish; Wes Knorrp received 2,200 channel cat and sunfish; Bill Thornberry received 550 bass and sunfish.

LELLA LAKE—Ed Gerner received 2,200 sunfish and bass; W. B. Ayers received 50 channel cat; Joe Johnston received 300 channel cat.

HEMLEY—Alva Simmons received 2,500 bass and sunfish; J. W. Noel received 550 sunfish and bass and Jake Masterson received 300 sunfish and bass.

Persons with farm tanks or year round water supply suitable for fish are requested to make application at county agent's office for free government fish. All applications must be submitted by this office before August 1, 1946. Only one delivery is made each year and only one application can be submitted by this office per year. Turn in your request to county agent prior to August 1, 1946.

ROY BULLS NEW ASSISTANT MANAGER OF PASTIME THEATRE

Lee Bell, manager of the Pastime Theatre, has announced that he has employed Roy Bulls as assistant manager of that firm.

Roy is taking over his new assignment under the apprenticeship program. He spent several months overseas with the Air Corps and was discharged recently.

He was formerly employed by the Pastime as an operator before he entered the service, but comes back to his old job as trainee for assistant manager and as a relief operator of the projector machines.

BAND PARENTS TO SELL HOT DOGS AT BALL GAME THIS FRIDAY NIGHT

Members of the Band Parents organization will be at their usual stand at the football game Friday night and will have hot dogs and other eats and drinks for sale. They say to go light on your supper and try one of those good old hot dogs and fill up "up" there. Proceeds are for the benefit of the band.

MAJOR ELERY WATSON RECEIVES DISCHARGE FROM AIR CORPS

Major Elery W. Watson, son of Mr. and Mrs. B. F. Watson of Clarendon, was honorably discharged from the Army Air Forces at the Alexandria (La.) Army Air Field Separation Center. It was announced by Col. Joseph W. Baylor, Station Commander today.

Major Watson, veteran of four years service, graduated in the second class of navigators to be trained by the army at Hickam Field, Hawaii in June, 1941. As a flying fortress navigator he was stationed at Guadalcanal thirteen days after the initial landing by the marines, and from this base saw extensive service throughout the South Pacific as group navigator for The Fifth Group of the 13th Air Force. Major Watson has amassed 125 discharge points by earning the Distinguished Flying Cross with one cluster, the Air Medal with four clusters, and the Presidential unit citation. Since returning from overseas Major Watson has served as staff navigator at the Alexandria Army Air Field, and before entering the service was Physical Education Director for the Cheley Colo. Camps, Estes Park, Colo.

C. B. JONES OPENS CLARENDON AUTO STORE

Clarence B. Jones of Graham has purchased the stock of the Tedder Auto store from J. Fred Smith and has re-opened the business under the new firm name of Clarendon Auto Store.

Mr. Jones is new in this type of business as he has been with the AAA agricultural program, but states he has a larger stock of merchandise on order and was building up his present stock each day.

Mrs. Jones will be in the business with him. At the present time Mr. and Mrs. Jones have an apartment at the Frank Whitlock residence.

SGT. GARLAND HOLLAND RECEIVES DISCHARGE

Sgt. Garland L. Holland, son of Mrs. Eleanor Holland of Ashtola, received an honorable discharge at Fort Sam Houston, Texas, on the 10th of October. Sgt. Holland was inducted on April 5, 1943 and served 29 months in the army. He spent 18 months in England and France, and after V-E Day, he was moved to the British West Indies. He was stationed with the 315th Troop Carrier Group in England and later moved with the 315th to Amiens, France, to haul cargo to the front. He served as Radio operator, radio mechanic and radar mechanic.

Sgt. Holland received a Distinguished Unit Citation for "D-Day" June 6, 1944, and Battle Stars for service in Normandy, North France, Ardennes, Central Europe, and Germany. He also received a Good Conduct Medal and ribbons for European and American theaters of war.

BARNEY LEE HORTON ABOARD USS CECIL

Aboard the USS Cecil—Barney Lee Horton, motor machinist's mate, third class, 19, USNR, of Clarendon and a son of Mr. and Mrs. W. L. Horton of this city, aided in the disembarkation of troops of the 1st Cavalry Division from this attack transport in Tokyo Bay in the initial stages of the occupation.

The Cecil participated in operations at Kwajalein, Hollandia, Tarawa, Aitape, Guam, Iwo Jima, and Okinawa.

By War Fund Reporter

The National War Fund is a federation of leading war-related appeals, with the exception of the Red Cross, for providing comforts, hospitality and entertainment for our armed forces and merchant marine, and supplementary emergency relief to war victims and refugees in Europe, China and the Philippines.

Your community war fund is part of a great nation-wide team. NFW works through its affiliated state organizations, which in turn work with county committees. Every town and township in the United States—more than 40,000 of them—have campaign committees at work.

In almost every community in Donley County the same committee is serving on the drive this year that have worked before. There has already been great progress made in meeting the Quota set up for our county. The quota is \$2,475.00 and not the amount printed last week in the Leader. Your reporter made the error.

Your contributions for the National War Fund this year will be of the spirit as well as of the purse. It is not a question of doing what we can, but of doing what we must on the cause of the full-est possible help for those in need at home and abroad.

CPL. EARL L. SUE BACK IN STATES

Mr. and Mrs. Sue received word Thursday that their son, Cpl. Earl L. Sue had arrived in the states October 12th and was now at Fort Sam Houston waiting for his discharge, and plans to be home soon. He served 23 months in Europe.

Broncs Defeat McLean Tigers Friday Night

The Clarendon Bronchos battled the McLean Tigers on the Tiger's own field Friday night in an exciting game which culminated in a 10-6 victory for the local club. Considering the 210 yards gained by the Tigers in the game, in comparison with the 85 yards that the Broncs pushed forward, it is imminent that the local club had all the good fortune on its side. The Tigers also made 14 first downs to the Broncs' 3, and led in penetrations of the opposing twenty-yard line by one.

Sidney Harp drove across the goal line for the touchdown in the second quarter, and the extra point, placed kicked by Blackman, gave the Broncs a lead of 7-0. In this same quarter, Raymond Adams signaled a fair catch on a high punt from the Tigers, and according to rules of football, gained for his team a fifteen yard penalty on McLean because he was tackled after making the fair catch. This placed the ball on McLean's thirty yard line from where "Chick" Blackman kicked the ball thirty-eight yards to float squarely between the up-rights with a good margin to spare for three extra points. It was a beautiful kick and quite a feat in high school football. This put the Broncs in the lead with a score of 10-0 which they held until the last quarter when the Tigers drove down the field steadily to score for their six points. Preston, their hard running back who was responsible for almost all of McLean's gain, ran the ball over. The try for point was blocked.

This was the Broncs' third conference game and second victory. They are in good shape for Wheeler here Friday night and stand a good chance of chalking up a third.

S/SGT. CHARLES DERRICK BACK IN UNITED STATES

With the return to the United States of the 43rd Infantry Div., S/Sgt. Charles F. Derrick of Clarendon and a son of Mr. and Mrs. Romeo Derrick, is once more setting foot on American soil.

Sgt. Derrick embarked for overseas duty in June, 1943. He began his acquaintance with the enemy at Guadalcanal by seeing the ship from which he had just debarked go down, victim of an aerial torpedo.

As a member of the famous 82nd Chemical Mortar Battalion, he started his personal combat experiences with the 43rd and 25th Infantry Divisions in the "Munda Campaign." He went all the way "Up the line," via Bougainville, New Britain, and Luzon, to Japan proper.

Sgt. Derrick served as a member of the Occupation Troops on the Island of Honshu, and has the pleasure of going home with his oldest combat friends, The 43rd Winged Victory Division.

LIBRARY NOTES

By Mrs. C. A. Burton

Mrs. Lee Holland delighted the heart of the librarian by phoning her to get any two books she chose as a memorial to her two children, Ben Hill, who has been in his country's service for many months and Mrs. Eloise Moss of Amarillo, whose husband serves his country in the armed forces. Both these young people had been constant readers in our library when in school here some years ago. We hope many more mothers will do likewise—making a beautiful living memorial to their children during their lives—a memorial which will be enjoyed by dozens—even hundreds—of other people.

Children's Book Week, which was first celebrated in 1919, will be from Nov. 11th through the 17th this year, and the theme will be again, "United Through Books." What a splendid time to put a book in the library in the name of each child in your home!

National Bible Week is this week, October 15-21, and reminds us that our nation was founded on the Bible.

Staff Sgt. Dashiell Hammet, creator of "The Thin Man," is a civilian again. He served two and a half years in the Aleutians. Lt. Sam Byrd, who played

"Dude" in "Tobacco Road," and whose first novel, "Small Town South" won the Houghton-Mifflin prize, is returning from the Pacific where he has completed his second novel.

Dr. Lin Yutang, the Chinese author has returned to New York after a tour of Canada. The one thing which impressed him most was a home for the aged which he visited. "We do not have such things in China," he said. "Our aged are kept in our homes—not only parents and grandparents, but uncles and aunts and cousins."

"A Bell for Adam," John Hershey's Pulitzer prize winning best seller, is already on the screen.

H. G. Wells, is over years old and is now ill, in London of an incurable malady. He is writing a book on his ailment which will be an important contribution to the scientific study of the disease.

The librarian of Independence, Missouri, Public Library, says when she took charge of this library she found young Harry Truman an omnivorous reader. He knew just what he wanted, how to find it, and how to use it.

As proof of the fact that President Truman still has a warm spot in his heart for this library there is on display a beautiful set of "The Writings of George Washington, Bicentennial Edition," a gift from the President while he was Vice President.

Suffering Humanity Looks Toward National War Fund For Relief

AUSTIN—With the return to normal living in Europe based upon the experience of the critical fall and winter head, Winthrop W. Aldrich, president of the National War Fund, advised Judge Ben H. Powell, president of the United War Chest of Texas, of the desperate need of continued American help through the final victory campaign of the National War Fund.

Mr. Aldrich has just returned from a trip to Europe where he visited England, France, Holland, Czechoslovakia and Germany.

"In my opinion," Mr. Aldrich reported, "Mass starvation and death by freezing are not likely to occur in Europe this winter, but there will be great suffering unless the people receive more than the necessities of life in addition to essential food and clothing, unless these necessities are provided by the agencies of the National War Fund."

"Some people ask why private relief is necessary, and if governments are not meeting the needs

of their people. The answer is the fact that governments and government agencies are striving desperately to restore the basic economy—to provide transportation, coal and mass food supplies, to reopen ports and to set up means of distribution. It must also be borne in mind that many of the liberated countries of Europe existed under military government for weeks after their liberation. Also, the assets and resources of government are not always readily freed after war.

"The result of war is abnormality. Nothing is normal in a country that has been in the path of a great war. The economy is not normal. The health of the people is far from normal. The psychology of the people is not normal."

"In all the suffering areas of Europe one notices the lack of the ordinary essentials of life, such as shoes, clothing, soap, kitchen utensils, small tools, needles, nails—all the things which one requires for a bare normal existence."

Released by U. S. War Department, Bureau of Public Relations.
JAP OFFICERS BRING IN THEIR SWORDS—On Cebu Island Lieut. Gen. Katakaka sends emissaries to discuss surrender with Maj. Gen. William H. Arnold of the Americal Division. Right, Military Police search Japanese officers for weapons. This is the first step in the surrender of Nips in Korea.

"Privately supported relief agencies of the National War Fund are managing to get substantial quantities of these materials in, and are meeting needs that are not met by any other agencies. The work of these agencies is enormously important, and in my opinion, the extent of their work in the next few months may fix the pattern of living in Europe next spring. The people of Europe who have been aided by voluntary American philanthropy are well aware of the help they

have received. They are most grateful to the American people." "The member agencies of the National War Fund have contributed not only to alleviation of human suffering but to good will among nations. It is most important that we continue this work to help those who are desperately trying to rebuild their lands and their lives."

Mrs. I. R. Lister of Pampa visited her sister, Mrs. Henry Tatum Saturday.

Century Book About Texas On The Press

"A Century of Texas Statehood" will be off the press within the next 90 days, in plenty of time for the book to be a Christmas gift to lovers of the stirring story of Texas, according to a statement issued today by its author, A.

Garland Adair, Curator of History in the Texas Memorial Museum located on the campus of the University of Texas.

Chapters, he says, have been given to such subjects as, Texas Under Six Flags, The Capitols of Texas, a Century of Texas Governors, United States Senators and other elective state officers, and other matters of historic value. The chapter on the Governors of Texas is illustrated with pictures of the chief executives of the Lone Star State as found in the rotunda of the present capitol. There are other illustrations taken from collections in the Texas Memorial Museum which will be found to be most timely as they relate to the subjects discussed.

Many who have seen the advance prospectus of the work declare that it is a book that should be found in every Texas home and school library.

Orders at \$2.00 per copy are now being solicited, in order that the publisher may know just how many books to print. During the stress of the post war era with its limitations on book paper, it is almost necessary to know in advance just how many will be required, Adair said.

Distribution is through The Texas Authors Guild, Capitol Station, Austin, Texas. The Guild advises "Send no money, but state the number of copies you desire and your order will be sent to your address, C.O.D."

MOOS OF THE MOMENT

BY UNCLE BOB

of the Kraft Dairy Farm Service

All you good dairymen whose herds are on a fall freshening program are no doubt at this time converting a part of your barns into maternity wards and practicing up on your floor-pacing.

Calves need a good, clean place in which to arrive into this world. A well ventilated box stall, with deep fresh bedding is best, but if you do not have such a place, good bedding provided in a clean place away from the rest of the herd is next best.

Most important to the cow and to the calf is the care the cow gets at calving time, the extension people remind us. How productive a cow will be in her milking time, for one thing, depends a great deal on proper feeding before and after calving.

As you know, cows should be fed liberally in their dry time, but grain should be reduced about two weeks before calving. Light, laxative feeds, such as oats and bran with perhaps some linseed meal, are recommended.

Extension dairymen advise watching a cow carefully when the calf is due. Most calves are born without assistance, but it is best to be on hand, in case trouble should develop.

If weather is extremely cold, the cow should be blanketed for several days, to protect her from drafts. It's a good idea to give the cow a drink of warm water immediately after calving.

This subject was discussed in the September-October Kraftman which you can get by writing me at 500 Peshtigo, Chicago 90, Ill. For additional information write for one of the following bulletins: Special Circular "Care at Calving Time Is Important," University of Wisconsin, Madison, Wis.; Bulletin B-69, Texas A & M College, College Station, Tex.; Circular 152, Polytechnic Institute, Auburn, Ala.

When a man reaches the point where he has to have steak made into hamburgers to chew it, he can get a new set of store teeth, but I haven't heard of any upper plates for cows.

Tisn't necessary to brush your cows' teeth daily to keep them in shape, but you can save some wear

and tear on their molars by grinding their grain. And tests at the colleges show this grinding helps in some other important ways.

Wisconsin reports grinding not only saves chewing labor, but keeps whole grain from passing through the cow's body undigested. Grinding also conserves on barn storage space.

When whole shelled corn or corn on the cob was fed, more than 10% did not digest. Such grain does not produce milk or help keep the cow's body in good condition.

Experiments seem to indicate that there is an actual increase in milk volume when feed is ground, over the amount produced when the cow is fed unground grain.

You'll get some valuable help on this subject from Circular 286, Extension Service, University of Wisconsin, Madison, Wis.*

A friend of mine says that one day last winter when he went out to his barn he thought his cows had grown warts overnight, but he found they merely had bad cases of goose pimples. Seems he hadn't got around to plugging up a few cracks in the barn.

Hope you have placed high on your list of "things to do this fall" the matter of barn repair. Replacing window panes, closing up cracks, fixing sagging doors and whitewashing inside your barn give big results.

Wind whistling in your chimney may sound nice when you are sitting by a warm fire, but wind whistling through a barn at milking time is something else. The feed which your cows get won't produce milk if it has to be used to keep the cows warm.

Whitewashing rafters, posts and sidewalls is a mighty important step in your sanitation program. Clean barns help produce No. 1 filter pads, and clean stanchions, clean floors and clean cows carry on the same good work.

*NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state; but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

Hunters To Have Plenty 12-Gauge Shotgun Shells

Duck, pheasant and other small game hunters will have plenty of 12-gauge shotgun shells on hand this fall for their favorite sport, according to an announcement just issued in Washington by the Office of Surplus Property, Department of Commerce.

Over forty million rounds of twelve-gauge shells, frozen for military use since the start of the war, will be sold this month to dealers throughout the eleven United States Regional Offices of the Office of Surplus Property.

The sale will begin October 13, 1945.

Supplies of shotgun shells for civilian use have been extremely short and the return of this ammunition to dealers shelves in time for the hunting seasons will be welcomed by sportsmen the country over. The shells will also be useful to farmers and ranchers for crop and livestock protection.

The ammunition being sold is of the standard commercial type

used by hunters and includes both "Bird Shot" and "Buckshot." The majority quantity of the shells are loaded with "Birdshot", or 1 1/2 ounce No. 8 chilled shot, with a standard powder load of three drams. The remainder are loaded with 00 Buckshot - 9 pellets long - range powder load of 3 3/4 drams.

Prices on the shells loaded with birdshot are as follows:

Wholesalers — \$25.93 per 1000 shells.

Chain and Mail Order House—\$28.52 per 1000 shells.

Retailer—\$32.41 per 1000 shells. Opa retail ceiling \$42.90 per 1000 shells or \$1.07 per box of 25.

Shells prices on the shells loaded with buckshot are as follows:

Wholesaler — \$33.42 per 1000 shells.

Chain and Mail Order House—\$36.76 per 1000 shells.

Retailer—\$41.78 per 1000 shells. OPA retail ceiling \$55.20 per 1000 shells or \$1.38 per box of 25 shells.

To effect equitable distribution, minimum and maximum quantities which may be purchased have been established.

Dealers can obtain full information on details of this offering by contacting the Regional OSP

Office, 609 Neil P. Anderson Building, Fort Worth, Texas.

Bronze Star Soldier Rejoins U. S. Army

Technical Sergeant Frederick Heinrichs, 25-year-old Infantry platoon leader of the Forty-fourth Division, did a lot of thinking on the liner, "Queen Elizabeth", on the voyage from the European Theater of Operations to the United States.

When he boarded the ship, Sergeant Heinrichs, who was awarded the Bronze Star for capturing a household of Germans and a machine-gun nest, was thinking only of rejoining his wife and child. By the time the liner docked in New York, he was thinking about his future career, wondering how he would support his little family.

"I have no job to go back to and I have a wife and child to care for," he said. "Frankly, I'm worried about what awaits me. I'd like to stay in the Army. At my rating, I can support my wife and child comfortably. I've had a

taste of the wartime Army and now I'd like to have a crack at the peacetime Army."

Sergeant Heinrichs, whose family lives at 196-08 99th Avenue, Hollis, Long Island, New York, is only one of thousands of Selective Service soldiers who are seriously considering enlisting in the Regular Army. Many have al-

ready done so.

Men now in the Army who enlist or reenlist in their present arm or service have the privilege of retaining their grades and seniorities. Physically qualified civilians between the ages of 17 and 34 years, inclusive, also may enlist in the Regular Army and may

select the arm or service and overseas theater in which they wish to serve.

Soldiers signing up for the Regular Army as "guardians of victory" receive reenlistment furloughs in the United States and may choose the overseas theater in which they wish to serve.

Civilians can enlist at their nearest U. S. Army recruiting Station. Soldiers may sign up by visiting special recruiting officers at their post, camp or station.

Lightning Strike Thrice?

YES NO

Even if it scores a knockout first crack, lightning can still jolt the same spot some more! It often does. Another accurate weather fact is that you'll step up your aging car's chances this Winter by OIL-PLATING the engine's insides. You want Conoco Nth motor oil for this protective OIL-PLATING.

Conoco Nth oil's great wear-fighting method is this: it employs the magnet-like action of its added ingredient to make metal and lubricant join up! This creates OIL-PLATED surfaces—no longer all bare to frictional wear and corrosion. Hence there's less cause for carbon—sludge—breakdown. And surfaces kept OIL-PLATED even at a standstill are ready for quick safe Winter starts. Your engine and battery both say, "Conoco Nth for Winter—today!"

NOW 4 POINTS FOR USED FATS

Help Increase Supplies of Soap and Other Peacetime Products By Saving More Used Fats

Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So . . .

If you want more soap and soap flakes . . . if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counters . . . you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!

These fats are vitally necessary to help speed greater supplies of soaps and hundreds of other things—like new cars, electric washers, irons, refrigerators and tires. Industry must have these fats . . . to help get to you more quickly the peacetime products you've been longing to have for years!

So skim and scrape and scoop just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So help meet this nation's need by continuing to save used fats. If you can't find a store that accepts used fats, call Home Demonstration or County Agent

DON'T.
Don't mail a letter in an air mail envelope unless you put 8 cents worth of stamps on it. That's postal regulations. For instance, if you mail a drop letter in the local post office, the postage is one cent. If the envelope is a colored air mail envelope, the postage is 8 cents. The one receiving the letter will likely have to pay the excess postage due.

GARDEN CLUB

"Guest Day" was observed Monday afternoon by the Garden Club when members of the group met at the Women's Club Rooms.

Hostesses for the occasion were Mesdames Jim McMurtry, A. L. Chase, U. J. Boston, W. A. Riney and H. W. Hanks.

Dahlias and purple irises were used in artistic arrangement throughout the clubroom.

An interesting and varied program was presented under the direction of Mrs. Rayburn Smith.

Mrs. Rolle Brunley sang "Lassie O' Mine" by Bowles and as an encore sang "Sylvia" by Speaks. A piano solo, "Valse Caprice" by Newland and "Twelfth Street Rag" by Berlin was played by Sybil Head.

Mrs. Joe Ritter read "A Funny Story" which was graciously received by the guests.

A vocal solo "In the Garden of Yesterday" by Deppen, was sung by Mrs. Landreth.

A decorative feature of interest was the following table arrangements: "Bride's table," by Mrs. H. C. Brunley.

"Wild grasses and shell birds" by Mrs. Will Johnson.

"Autumn" by Mrs. Joe Goldston.

"Thanksgiving" by Miss Harlan.

"Christmas Mantel decoration" by Mrs. W. W. Taylor.

Orange punch was served from a lace-covered table centered with pink dahlias and silver lace vine. Mrs. Phelan presided at the punch bowl.

Approximately fifty members and guests attended.

JUNIOR H. D. CLUB

The Junior H. D. Club met at the club room Thursday afternoon in a business meeting with Mrs. Bill Larimer and Mrs. Curtis Mears as hostesses. Both the 1930 Needle Club members and Junior H. D. Club members were combined and will be the Junior H. D. Club. Plans were made to entertain their husbands Thursday the 25th with a 7 o'clock dinner at the Clubroom.

Those present were Mesdames Henry Tatum, Ralph Decker, Roy Blackman, Guy Wright, Slick Naylor, Dexter Todd, Lee Bell, Clyde Wilson and the hostesses, Mrs. Larimer and Mrs. Mears.

WOMENS SOCIETY OF CHRISTIAN SERVICE

Circle No. 1 of the Womens Society of Christian Service met in the home of Mrs. C. D. McDowell Wednesday afternoon with 11 members present. Mrs. Bill Ray and Mrs. R. Y. King gave a chapter each from "The Cross Over Africa." Mrs. McDowell served a lovely refreshment at the close of the meeting.

PATHFINDER CLUB

The Pathfinder Club met in regular session in the Club room Friday October 12 with Mrs. Ernest Hunt and Mrs. Joe Ritter as hostesses.

Bronze and red Dahlias were used as decorations.

The president Mrs. Lee Holland was in charge of the business. Mrs. Clifford Davis was elected to membership of the club. Mrs. Basil Hurst was welcomed as a new member.

Mrs. C. B. Morris in a very charming and entertaining manner reviewed the book "The Queen was in the Kitchen" by Daphne McVicker.

Hostesses served dainty refreshments carrying out the patriotic motive. Guests were Mesdames, Abe Cole, B. G. Watson and Regan Bryan. Members attending were Mesdames, Carl Almont, Lena Antrobus, U. J. Boston, L. N. Cox, Ed Dishman, O. W. Elliott, Marguerite Goodner, Lee Holland, J. H. Howze, Ernest Hunt, R. Y. King, Pete Kunz, E. D. Landreth, O. D. Lowry, Curtis Mears, C. D. McDowell, C. B. Morris, J. L. Naylor, J. L. Patman Joe Ritter, Oscar Thomas, A. T. Cole, Van Kennedy, S. W. Lowe, J. R. Porter and Miss Ruth Donnell.

1926 BOOK CLUB

The 1926 Book Club met Tuesday at the Clubroom with Miss Lucile Polk and Mrs. C. E. Bairfield as hostesses.

The Club had a guest reviewer, Mrs. O. W. Elliott, who reviewed "Leave Her To Heaven" by Ben Ames Williams.

A lovely luncheon plate was served to the following members, Mesdames Bill Bromley, Rolle Brunley, Glenn Hoggatt, Cap Morris, Frank Phelan, J. R. Porter, W. E. Ray, L. T. Shelton, Rayburn Smith, J. G. Stewart, W. C. Thornberry, B. G. Watson, Frank White, A. B. Turner, Barcus Antrobus, Delene Bagby, Homer Bones.

1912 NEEDLE CLUB

Several hours were spent in fancy needle work Thursday afternoon when Mrs. A. A. Mayes entertained the Needle Club at her home. Visiting and pleasant conversation was also enjoyed until the hostess, Mrs. Mayes, served a lovely plate luncheon to guests, Mrs. Browder from Fort Worth and Mrs. Lena Antrobus; Club members, Mesdames Eva Rhode, Crockett Taylor, A. R. Letts, J. T. Sims, R. A. Chamberlain, J. T. Patman, L. S. Bagby, A. L. Chase and hostess, Mrs. Mayes.

CLARENDON H. D. CLUB

The Clarendon H. D. Club will meet Friday October 19 at the home of Mrs. Earl Lea at 3 p. m. instead of at the Clubroom as had been planned.

KILL KARE KNEEDLE KLUB

The Needle Club was entertained in the home of Mrs. W. B. Sims Thursday afternoon. Mrs. Sims and Mrs. Draffin were hostesses. Pot plants and cut flowers were used to decorate the guest rooms. Mrs. Sam Lowe, president, presided at the business meeting. Plans were made and discussed for the year. Needle work and visiting were enjoyed.

A delicious plate luncheon was served to Mesdames W. A. Land, H. Mulkey, H. C. Brunley, E. H. Noland, Ed Speed, Grover Heath, Sam Lowe, Bob Hay, W. D. Kidd, Major Hudson, R. R. Dawkins and Misses Ida and Etta Harned and hostesses, Mrs. Sims and Mrs. Draffin.

The club will meet October 25 at the home of Mrs. R. R. Dawkins.

NEWLY WEDS HONORED

Flight Officer and Mrs. Henry Miller Jr. were honored with an open house Saturday eve in the Goldston home.

In the dining room the table was laid with a hand made lace cloth which was centered with a beautifully decorated cake, which was served with punch to the guests.

Many lovely gifts were received by F. O. and Mrs. Miller.

A large crowd attended. Hostesses for this lovely occasion were Mrs. A. B. Stephens and Mrs. Harley Longan.

SILVER TEA GIVEN BENEFIT LEPER WORK

The silver tea given by the United Council of Church Women for the benefit of Leper work was one of the loveliest and inspirational of the entire season.

All who were present felt inspired by the book review of "Who Walk Alone"—a story of a Spanish American war veteran leper—given so splendidly by Mrs. U. J. Boston. The entire Council felt indebted to Mrs. Boston, Mrs. Landreth and Mrs. Hurst added beautiful music to the program and Miss Jeanie Porter cleverly told the story of "Pete and Wilbur." A way all may make daily contributions for this most worthy cause.

Punch was served to about 75 guests and members from the lovely appointed tea table.

HARMONY CLASS

The Harmony Class met at the home of Mrs. H. Warner, with Mrs. Warner being assisted by Mrs. Bill Ray and Mrs. Paul Shelton. The meeting was opened by the president, Mrs. Dee Lowry. Mrs. H. W. Hanks gave the devotional, after which a social hour was enjoyed.

A business discussion followed. A lovely plate refreshment, coffee and tea was served to one guest, Mrs. Will Johnson and to members, Mesdames Dee Lowry, Walter Hutchins, O. C. Watson, Althea Ellis, Geo. Darden, Lee Holland, E. D. Landreth, H. W. Hanks, Frank White Jr., Homer Bones, Chas. Lowry.

BIRTHDAY PARTY

Mrs. Cordie Thompson entertained with a birthday party celebrating the 11th birthday of her son Jimmy Monday from 4 to 6 p. m. Various games were played. Jimmy received a nice gift from each guest. After they were admired, Mrs. Thompson cut the large birthday cake and served with lovely refreshments to Donald Smith, Teddy Shelley, Billy Carl Pittman, Albert Lewis Johnson, Robert Olin Bain, Jack and Fred Clifford, Jerry Price and Jimmy Thompson.

BAND PARENTS MEET

The Band Parents had their regular meeting in the band room Monday night. The incoming president, Mrs. Walter Clifford, presided over the meeting. Sixteen members were present.

FRIENDSHIP CLUB

The Friendship Club will meet October 23rd at the home of Mrs. H. Tyree.

Miss Billie LaGrone returned home Wednesday night from Austin where she graduated from a cosmetology class and will start work at Tillie's Beauty Shop soon.

Mr. and Mrs. Harold White left Sunday for their home at Galveston after a visit with his parents, Mr. and Mrs. F. A. White and other relatives.

Mrs. Homer Glascoe returned home Monday night from a two weeks visit with her brother-in-law Mr. Harry Broad who is seriously ill at Escanaba, Mich.

Homemaking Department

By School Reporter

The first week we spent in organizing our work, getting acquainted with the department, and giving it a thorough cleaning where the girls learned to wash windows, sweep, mop and wax.

The first year girls then took up a unit on "Being Friends of Children." We studied the characteristics of a healthy child, disease and minor accidents of children. Each girl had to demonstrate a treatment for some minor accident. After studying play equipment, each girl constructed a toy out of any material she had available—blocks, rag dolls, wooden wagons, stick horses with cloth heads, and other similar toys, were made. Then we gave a child's party; each girl brought a child. We played suitable games for their age, read and told stories, played with the homemade toys and served them orange ade and cookies which the girls made.

The second year girls took up canning and canned peaches, tomatoes, peas and carrots by the different methods. About the time we finished this unit, Clarendon had a county fair. Each girl brought handwork or canned goods she had made during the summer and we borrowed the first year girls' toys and set up a booth at the fair. Also we used the canned goods we had prepared in the laboratory.

In the third year Homemaking we first took a unit on "Sharing Family and Community Life." Just as we finished the study of hospitality in the home and sharing community life, a project was offered us. This was to serve sixty football boys a dinner after the game between Clarendon and Le-fors. As our third year class is small, we had to call on the other classes for help and succeeded very nicely with the dinner and also made money for our department.

Late in the six weeks we organized a Future Homemakers of Texas Club and are looking forward to an active year. The second six weeks we will entertain with the F.F.A. at a Halloween party.

MIDWAY

Mrs. Johs Goldston

Cpl. Dan Keller left this past Friday for the reprocessing center at San Antonio, after a six weeks furlough. He is now awaiting his discharge.

Flight Officer and Mrs. Henry Miller Jr. arrived Friday night enroute to Hondo where they will remain until further orders. They had spent a twenty day honeymoon, sight-seeing in St. Louis, New York, Atlantic City and other points in the East. They also visited F. O. Miller's father and a brother in Pa.

Miss Marguerite Thompson who was here from Calif. last week, sold her farm, Cleo Woods being the purchaser. He is turn resold it to Loyd Moreland.

Mr. and Mrs. Moreland will make it their home. Harold Longan is home now. He has received his discharge from the army.

Mrs. Edith Longan accompanied Harold to Lubbock and Plainview Tuesday where they will visit relatives. Mr. and Mrs. Holley have purchased the farm where the Lowerys lived and have purchased the Knight Dairy barns. They have moved it to the farm. A new well with electric pump and other modern improvements are being installed.

Friends and neighbors gathered in the Goldston home Sat. night to honor F. O. and Mrs. Henry Miller Jr., who spent one night with her mother, enroute to a honeymoon trip at points of interest in the East and a visit with F. O. Miller Jr.'s father in Pa., to Hondo where he awaits orders. Mrs. A. B. Stephens and Mrs. Harley Longan were hostesses.

Mrs. Dan Keller accompanied the Millers to Hondo where she will go on to San Antonio to be with her husband, Cpl. Keller who awaits orders there. Mrs. Keller will visit with Mr. and Mrs. Edwin Eanes while in San Antonio.

Dan Keller Jr. is spending the week in the country with his Goldston grandmother. Mr. Louis Davis is expected in this week from Calif., Mrs. Davis having arrived several days back and is visiting with her mother in Amarillo.

Pfc. J. T. Stone was up Saturday and Sunday from Sheppard Field.

Mr. and Mrs. Forrest Doshier of Claude and Mr. and Mrs. Douglas Doshier of Childress, visited Mrs. Genoa Doshier Sunday.

Sid Doshier of Amarillo visited Mrs. Genoa Doshier Monday.

Mr. and Mrs. E. A. Tipton and Mrs. Lorene and husband Hershel Thorne motored to Carlsbad, N. M. over the weekend and enjoyed a trip through the caverns while there.

Church News

METHODIST CHURCH H. W. Hanks, Pastor Sunday school at 9:45. Preaching at eleven. The Intermediates meet at 6:30. Preaching at 7:15. Let each one be in his or her place. We should have twice as many in all our services as we are now having. Let each of us put forth an honest and earnest effort to increase the attendance. We are very anxious for all our service men to take their places in the life of the church. We welcome you. Many of you have gone through much suffering and danger to help preserve to us our religious freedom. We appreciate the work you have done. We want you to feel free to make any suggestions you think should be made in our church program. We are sincere when we say we are indeed thankful to have you back among us.

I will preach at Goldston at ten Sunday morning. It will be necessary to start on time as I must be back in Clarendon to preach at eleven. We are to have the fourth quarterly conference for Clarendon circuit at three o'clock here in Clarendon next Saturday, Oct. 20th. Let all the officials and any others who are interested be present at this meeting.

Mrs. Egerton who has been visiting her sister-in-law, Mr. and Mrs. Pete Kunz, left Monday for her home in New Mexico.

The Oil Strike Explained

The oil strike was further explained to the public today by S. W. Lowe, local representative of the Sinclair Refining Company, when he released a letter on the subject from Mr. H. F. Sinclair.

The letter says:

"This letter is sent to you because we believe that as a citizen and a stockholder you should have the facts with relation to the strike in the oil industry that began on September 19th last.

"We have an agreement with the Oil Workers International Union, CIO which called the strike against our operations, providing among other things that there shall be no strikes, slow downs or lockouts during the term of the agreement, which does not expire until May 31, 1946.

"In violation of these covenants

and the War Labor Disputes Act, the Oil Workers International Union called a strike at our East Chicago, Indiana, Refinery on September 19th. In the period between that date and October 2nd, all of our refineries were struck and practically all of our pipeline systems, a large part of our producing operations, and many natural gasoline plants. The demand refusal of which brought about the strike was for 52 hours pay for 40 hours of work.

"Under the 48 hour week employees have been making the following earnings: Common Labor—at 96 cents an hour—\$216.32 a month, or \$2596 a year; Stillmen—at \$1.52 1/2 an hour—\$543.63 a month, or \$4123.60 a year; at the average earnings of refinery labor—\$1.27 an hour—employees have been making \$286.17 a month, or \$3434.00 a year.

"It is such hourly rates as these that were under the union demand to be increased 30 per cent.

"In addition to their wages our employees are granted sick leave with pay—three weeks at full pay and twelve weeks at half pay—vacations with full pay—one or two weeks depending upon length of service—pensions and \$1,000 Life Insurance for which the Company pays the entire cost.

"The strike disrupted operations over a period of two weeks—it has delayed conversion to

NAVY, COAST GUARD AMPHIBIOUS CRAFT BROUGHT MARINES TO IWO JIMA

Peace-Time operations and postponed making available to the public improved gasoline in increasing quantities—it will interfere with carrying out our program for the re-employment of more than 3,000 of our people in Military Service."

The Maytag Company recently purchased a minority interest in the Globe-American Corporation of Kokomo, Indiana, which will produce Dutch Oven gas ranges exclusively for Maytag. Fred Maytag II, and Maytag Vice Presidents George Umbreit and Roy A. Bradt have been elected to the Globe-American board of directors.

No date has been announced as to when the new products will be made available to the public, al-

though President Maytag expressed an opinion that the gas range and the frozen food locker would be on the market about the first of the year. No date has been revealed when the automatic washers and driers will be ready for distribution.

Samples of postwar models of Maytag conventional type washers have just been released to each of the more than 7,000 dealers representing the company throughout the United States, and

the arrival of the local display model is expected soon. An immediate start was made after V-J day on reconversion and assembled machines were stock-piled until enough had accumulated for

simultaneous shipment to all dealers.

Veterans To Have Old Jobs Back At United Gas Co.

The United Gas companies have jobs for all their employees in the armed services whenever they come back. This was the substance of a letter sent recently to all employees of the United Gas companies, serving in the armed forces, it was announced today.

With the letter went a questionnaire, asking the employe if he wished to return, whether he wanted his old job back, and whether he felt that he had developed through military training to a point where he could handle other lines of work.

"With but few exceptions practically all of the hundreds who have returned answers to the questionnaire said that they wanted to come back," the company statement said. "A large number of employes want their old jobs back. Many others said their experience had broadened 'em so that they felt competent for larger responsibilities."

O. C. Watson Jr. of San Francisco is here on furlough visiting his wife and two children and his parents, Mr. and Mrs. O. C. Watson. He arrived Sunday night and will enjoy a 30-day furlough.

New Household Appliances Added To Maytag Line

Addition of an automatic type washer, an automatic clothes drier, both gas and electric, a gas range and an electric frozen food locker to the Maytag line of household appliances was revealed to Clarendon Furniture Co. Maytag dealer, located at Clarendon in a letter received today from President Fred Maytag II.

The announcement followed a series of conferences of Maytag branch managers and distributors held at the home office in Newton at which the new products were previewed. They will be added to the line of conventional type washers and ironers produced by the 50-year old company, which manufactured and sold more than 4,000,000 washers before converting to war production in 1942.

THE FACT IS

DOCTORS SAVE 97% OF THE WAR WOUNDED.

THE PRICE OF AN ELECTRIC CLOCK IS 50% LESS TODAY THAN IN 1930. G-E ENGINEERING MEANS MORE GOODS FOR MORE PEOPLE AT LESS COST!

GENERAL ELECTRIC

Yes, he does ride cheap!

Riding the rods or running a business, it's easy enough when you don't have to pay the freight. You simply get a free ride at somebody else's expense.

Maybe you run a store or service station or dress shop. Would you like to have a next-door competitor who has little or no rent, or taxes, or interest to pay, and who is kept in business partly by your tax money?

Yet this is what happens with government and political electric power systems. They ride free, contribute no federal taxes; often get your money from the public treasury at little or no interest and make up losses out of other departmental tax funds from pocket of taxpayers.

Meanwhile, on the average, America's business-managed government regulated electric companies help the people turn in taxes—about 25c out of every dollar collected to help support our government. And these companies—owned and operated by millions of folks like you—meet through proper management all other obligations without benefit of special government privileges and subsidies.

Today, these tax-paying, self-supporting companies supply over 80% of the tremendous amount of electric power produced in America... more than all the enemy countries put together ever had... and enough to have met the gigantic demands of war and still take care of all civilian needs without rationing.

Better yet—at a time when most things cost more—business-managed companies still deliver electricity at low pre-war prices. This record is your assurance that cheap, plentiful, dependable electric power will be yours in the post-war era ahead.

Hereford Pilot Falls In France

HEREFORD—Lt. Richard Harold Parsons, son of Mr. and Mrs. Grady Parsons of Hereford, was killed in action when the B-26 Marauder plane he was piloting crashed and burned near Lisieux, France, on Aug. 7, 1944.

The message announcing Lieutenant Parsons' death on that date came a year after his parents had received the message he was missing in action. The letter explained that no further information had been received.

Lieut. Parsons was born in Donley County July 31, 1923. He moved to Hereford with his parents in 1936 and graduated from Hereford High School in 1941. He entered Amarillo Junior College in the fall of 1941.

Lieut. Parsons' wife lives in Pampa; other survivors besides his parents are a sister, Cadet Nurse Ella Mae Parsons of Northwest Texas Hospital, Amarillo, and a brother, Jack Parsons of Hereford.

Mr. and Mrs. R. O. Shannon were here Monday from down Hedley way, shopping and attending other business matters.

Victor Smith left Monday for Hot Springs, N. M. for the benefit of his health, which has been failing now for some time.

Mr. and Mrs. John Harlan were down from Amarillo the weekend visiting relatives here.

Guests in the home of Mr. and Mrs. Lee Holland Tuesday were Mrs. Hollands mother and sister, Mrs. J. F. Bradley and Mrs. Bessie Simmons of Amarillo. Mr. T. W. Scott, Pfc. and Mrs. Ralph Weaver and son Billy Mack of Canyon.

ASHTOLA LADY RECEIVES LETTER FROM FRANCE

Mrs. T. A. Nelson of Ashtola received the following letter from a young girl in France. The letter was written in appreciation for a dress that was sent to France through the Red Cross and bore the name of Mrs. Nelson and her address.

Dear Mrs. Nelson:
Thank you ever is much for the nice dress that you sent me though a little short. I am 13

years old and it was very kind of you. I go to school and there I am learning english. Some body helps me to write this letter but I hope to write one, all alone, in a year or two.

Sincerely your grateful
Micheline Pernet

WORTH WHILE COMMENTS

BY COUNTY AGENT Charles O. Reed

USDA forecast cotton production at 2,000,000 bales or 100,000 bales less than September 1st report. This is smallest cotton crop in Texas since 1895. There are 6,250,000 acres in cotton in 1945. Corn is estimated to make 68,112,000 bushels and is lower than 10 year average of 77,000,000 bushels.

Grain sorghums is forecast at 68,130,000 bushels and is 4 1/4 million bushels below September 1st estimate. The average is 38 1/2 million bushels but 1944 production was 97 million bushels. Drought on South Plains caused large acreage to be planted late, and only a late frost can make a grain crop.

The condition of ranges and pasture feeds declined sharply during September due to continued drought. Rains in late September improved grazing prospects in West and South Texas, and the High Plains area completed seeding of small grain for grazing. October 1st condition of ranges is 76% as compared to 85% this time last year and 20 year (1924-1943) average of 81%.

The condition of range cattle is listed at 82%, 85% September 1, 1945. 84% last year and 20 year average of 83%.
