Fans Are Ready For Boxing Meet Friday Night With Abilene

Local boxing fans have purchased practically all tickets for what is expected to be one of the best boxing events of the year here Friday night with the Y.M.C.A. boys from Abilene battling the locals.

Coach Bill Bentley talked with the Abilene coach late Wednesday evening and learned that the Abilene group would definitely consist of 13 boys for sure and possibly more. It was first believed that around 18 boys would make the trip but the number has been cut down due to sickness.

There is much interest in this event as there will be plenty of action among the heavier weights and the locals will really have to go in there with a lot of spunk and ability to win according to all the dope we can gather.

One of the main highlights will be the match between Kenneth Davis and Jack Turner. Both boys have seen plenty of action and have both fought in golden gloves contests, making very good showings.

According to the last matching, the following boys will be matched, with the Clarendon boxer's name first:

Kenneth Davis—Jack Turner
Raymond Adams—Howard McCraine.

Troy Wiley — Stanley Thompson.

Dudley Trussell—Bill Todd
Charlie Johnson—Elton Poor
Gilbert Stewart—Bob Hawkins
Dan Whittell—Hugh White
Gene Bulman—Edward Whittell.

Garth Carter—Henry Ford
J. P. Carille—Lacy Boles
Gordon Moore—Julius Taylor
Glenn Sanders—T. R. Baack
R. E. Lawrence—Jimmy Morton.

It is very probable that there will be more boys come up than has been anticipated at this time, but in case they don't the fans will have plenty of opportunity to get their money's worth seeing the above bouts.

The time of the meet is 8 p. m. at the Pastime Theatre building.

DODGERS TO PLAY MEMPHIS IN PRACTICE GAME SUNDAY

The Clarendon Dodgers are scheduled to play the Memphis baseball club here Sunday afternoon at 2:00 in a practice game.

The team reported a good practice session last Sunday afternoon and elected W. B. Howerton as their captain. Manager Edd Howerton and Howerton are asking that all the fans be sure to be on hand for all games and get behind the locals as they are going to do their best to produce a winning team this year.

Intermural Tournament Planned For Sometime Around April 15th

Coach Bill Bentley stated this week that plans were underway at this time to hold an intermural boxing tournament here around April 15th, with the event lasting either two or three nights.

The purpose of the event is to pick the winning boys in every class weight within our own town. This will give the boys a better idea as to how they stand and will also make it easier to match the boys in out of town meets.

The tournament will be run off in two brackets. The grade school will start in at the 60 lb. weight with 6 lb. jumps through 147 lbs. The high school will start at 90 pounds and go through 175 lbs.

Bentley also stated that sweaters and jackets would be given for 1st place winners.

Watch for further announcement in next week's Leader regarding details.

PROCLAMATION

WHEREAS, From Monday, April 7, 1947 through Saturday, April 12, 1947, has been proclaimed by the President of the United States, as Army week in honor of American Soldiers living and dead, who did so much to make the peace possible; to call attention to the new peace time pattern of National Defense; to make the public Army's "conscious" and acquaint them with the Army's assignments at home and abroad.

NOW THEREFORE, I, C. B. MORRIS, Mayor, of the City of Clarendon, by the authority vested in me do hereby proclaim from Monday 7, April 1947, thru Saturday 12, April 1947, as Army week in honor of our Soldiers both living and dead.

C. B. MORRIS, Mayor

LICENSE TAG SALES ABOVE LAST YEAR

Officials at the County Tax office stated Wednesday that a total of 1,840 license plates had been sold to date. This figure includes passenger car, farm and commercial and exceeds the number of all sold last year by 146 pairs of tags. They reported a very busy day last Saturday registering 146 vehicles and thought perhaps the busy rush was over but when the final count was made on Monday evening they had delivered 228 on the last day.

The 146 tags which were sold over the last year figure will mean quite a nice sum to the county in additional revenue as all this money is retained here in the county since the total figure does not exceed the 100,000 mark.

CLYDE J. DOUGLAS AT NORWOOD DRUG NO. 2

George Norwood, owner of the Norwood Drug, announced this week that Clyde J. Douglas has been placed in charge of the prescription department in the No. 2 store located next door to the City Hall.

Mr. Douglas has had a number of years experience as a pharmacist and only recently disposed of his drug interests here. He states that he is happy to be back on the job again after taking a much needed rest for a few weeks.

Mrs. Reed Smith was called to Paducah Wednesday morning on account of her son-in-law, Mr. Bennett having had his neck broken in an accident Sunday.

CAP MORRIS RE-ELECTED MAYOR IN CLOSE RACE

City politics warmed up to a near boiling point Tuesday in the Mayor's race with 337 voters going to the polls to cast their vote. Cap Morris was re-elected mayor with a total count of 164 votes and only 3 votes above his nearest opponent Sam Darden who was running on a write-in ticket. He received 161 votes; O. C. Watson received 11 votes and W. C. Larimer received one vote on the write-in ballot.

Our Mayor election seems to be following a close trend toward tight races. Two years ago Mr. Morris tied his opponent in the first election and won the race in the called election. This time it was very close to the same thing as the write-in candidate lacked only the three votes tying it up again. Anyway it shows that the people are turning out better and are expressing their opinion with their votes; something they should always do regardless.

Donley County's Annual Dairy Show will be held Wednesday, April 9th. J. W. Ridgway, noted official judge and classifier will place the animals in the local show. All exhibitors are urged to have their stock in place by 9:30 A. M. and the judging will start at 10 a. m.

The exhibit will be held on the vacant block just south of Piggy Wiggly.

There will be classes for Holstein and Jersey females born after July 1, 1946, born between January 1, 1946 and July 1, 1946, those born between July 1, 1945 and Jan. 1, 1946, those born between Jan. 1, 1945 and July 1, 1945, those born between July 1, 1944 and Jan. 1, 1945, those born between July 1, 1943 and Jan. 1, 1944, those born before July 1, 1943. The bull classes will be the same except the two younger classes are shown as one, that is all animals born after Jan. 1, 1946 will be shown in one class.

A large number of out of town groups are expected to attend the show and a free lunch will be served at noon Wednesday by the Clarendon Lions Club and Clarendon Chamber of Commerce to all parties attending and participating in the show. Borden Milk Company will furnish the ice-cream and cold drinks for this occasion.

Judge J. W. Ridgway will place the animals and will also officially classify a number of animals so that people will understand the value and procedure of official classification. He will classify the registered Jerseys in the herds of J. R. Gillham, J. R. Hall, F. C. Crofford, Wayne Morrow, and Frank Cannon on Tuesday, April 8th.

Approximately twenty head of the top cattle in the local show will be trucked to the Plainview Dairy Show following the close of the local event Wednesday afternoon.

Any person in Donley County is eligible to show their animals in the show. Cattle need not be registered to participate in the affair, but no cross-bred animals may be shown.

Bond Election Seen As Only Out To School Problem

SERVICES HELD FOR GOODNIGHT WOMAN

Funeral services were held Wednesday afternoon at the Goodnight Baptist church for Mrs. Nellie Hudson with Rev. A. B. Moseley officiating.

Mrs. Hudson, age 75, died Monday night in a Lubbock hospital. She is survived by two sons and two daughters. A sister, Mrs. K. R. Doshier of Clarendon also survives.

Burial was in the Goodnight Cemetery.

Hail & Rain Fall Measures .27 Inch

The first April shower for the year fell Wednesday afternoon bringing with it a deluge of hail stones that measured as large or larger than golf balls. According to the official weather station at the FW&D Depot, the total moisture measured .27 inch. This moisture came at a very opportune time for the wheat and grass lands.

Some seemed to think that the hail damaged the prospective fruit crop considerably as the ground was nearly covered with blooms where such fruit trees were already blooming. There are lots of trees yet that haven't started blooming and they probably received very little damage.

School Trustee Election This Saturday

The school trustee election which is scheduled for this Saturday, April 5th, is expected to be very quiet with only three candidates listed on the ballot with three vacancies to be filled. Those names to appear on the ballot are Dale Hill, L. L. Wallace and W. B. Smith. Smith is up for reelection and the other two going off the board are J. R. Porter and Carroll Knorrp.

Even though there are only three names on the ballot, every one should go down and cast their vote of confidence and let these men know you are behind them. The voting place is at the school tax office in the Farmers State Bank building.

A Prayer For Army Week

By Maj. Gen. Luther B. Miller
Chief of Chaplains, U. S. Army

Almighty God our heavenly Father, Who art a Shield and Buckler to all those that put their trust in Thee, bless us Thy servants and the Army in which we serve; lead us and guide us by Thy good Spirit, strengthen and defend us by Thy might, that we may be to our land a sure defense against every enemy; support us in the day of battle, and in the time of peace keep us safe from all evil; endow us with courage and loyalty, and grant that in all things we may serve Thee without reproach. Let the light of Thy countenance, O God, shine upon our comrades departed, that they, increasing in knowledge and love of Thee, may go on from strength to strength, in the life of perfect service, in Thy heavenly kingdom. Grant to us who, at this Eastertide, are still in our pilgrimage and who walk as yet by faith, that having served Thee with constancy here on earth, we may at length fall asleep peacefully in Thee and awake in Thy presence. Amen.

SCHOOL TO BE STARTED FOR VETERANS

This is to notify you that there is to be a Distributive Education Class starting in the near future, provided we have at least twenty boys interested. If you have not filled out your 1950 form, please come to the County Superintendent's office and have this done. This is a class that will concern the study of book-keeping, auditing, business English, salesmanship, marketing, window display, business law, and many other subjects pertaining to the operation and management of a business.

The instructor who has been approved by the State Board to teach this class, is Max Rumpy.

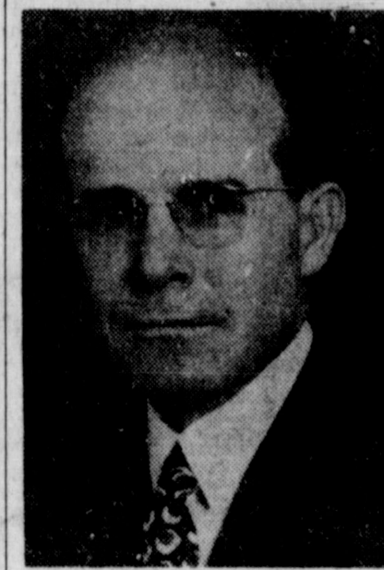

Mrs. J. T. Sims, Miss Nettie Sims, Mrs. C. T. McMurtry, Mrs. L. S. Bagby, Mrs. Day, Miss Mary Howren, Maxine Ellis, Mrs. Frank White Jr., Mrs. U. J. Boston, attended an art lecture by Dr. Palmer of Atlanta, Ga. at Memphis Saturday. Dr. Palmer displayed several famous paintings and gave a lecture on each.

Another Clue As to Whom Is Mr. Hush

(Special Reporter)

You still have time to rack your brain. So gnash your teeth and hear the pain. And guess this man in this guessing game. His initials are - - oh no - can't tell. Cuz' if we did you'd know him well; But he is tall—is that a clue? Well it's not so much but will have to do; But if you'll search—you'll probably find Another clue—but it may take time.

If this has you stumped don't give up because next week's issue of the Leader will carry the last clue as to the identity of this prominent Clarendon citizen that most of you know well. Mail all answers to Mrs. Willard Hudson and the first 3 correct answers will receive a luscious homemade cake. These will be awarded to the winners if they are present at the Major Bowes program, April 11th at the College Auditorium.

Baptist Revival Begins April 6th

Revival services will be held twice daily at the First Baptist Church beginning this coming Sunday, April 6th and running for two weeks.

This is a part of the Simultaneous Revival which will embrace practically every Baptist church in Donley and Hall counties.

Dr. A. J. Quinn who has just been elected as District Missionary in District Ten will be the evangelist. Dr. Quinn has been pastor of the First Baptist Church of Dalhart for the past two years.

As the custom of the First Baptist Church has always been, the public is again most cordially invited to attend these services, stated Rev. Hal Upchurch, local pastor.

Time for morning and evening service will be announced later.

Mrs. Julia Scoggins of Claude has returned to her home from a weekend visit with her daughter and family, Mr. and Mrs. Ernest Hunt.

R. L. Alexander who has been working in the County Agent's office has been elected administrator officer at Matador. He took over his duties the first of April.

MUSEUM PROBLEM BECOMES MOST PRESSING

The ladies who have fostered and guided the destinies of the Donley County Museum up to this time, are now met with a serious problem. That problem is one of finding space where the Museum articles may be stored temporarily during the remodeling of the school building where the wonderful museum exhibit has been for the past several years.

An appeal is being made for some one to come to the rescue with space for storage temporarily. If space cannot be found for storage, it is feared that the Museum will be discontinued.

The Donley County Museum contains hundreds of priceless specimens, among them the pioneer furniture, clothing, weapons, implements and many other articles. Hundreds of ancient and modern artifacts of white and Indian races are in the collection. Some prehistoric fossil material that is priceless is to be found in the large collection.

If you have any space, even room to store only a part of the collection, please contact Miss Mary Howren at once.

A group of representative citizens from the Clarendon School district met last Friday night at the College auditorium and decided that the only possible solution to the present school building problem would be a small bond election.

The entire set-up was explained in detail to the citizen group for their suggestions and ideas and the only solution found was the small bond election to make up the difference needed to replace the building which burned two weeks ago. It was also the idea of the group to replace the former structure with a building which would be adequate to meet future demands as well as the present, and it was only under these terms that they were in favor of proposing a bond election.

At the present time the school board is awaiting action of the Insurance companies to see how much money they will receive and when pieced together with the material they will be able to get out of the gym building at McLean and the proposed cost of replacing the building, they can then set a figure for the bond election.

In order to call a bond election, a petition will have to be circulated and when finished, carry the names of 10 percent of the qualified voters in the district. After this has been done, an election can be called for 30 days after the filing of the petition.

"We want the people to be thinking about the seriousness of the matter which has arisen and want everyone's support whatever proposition is worked out to benefit our children and our grandchildren the most," one school board member stated.

He added further that our school buildings and equipment were outmoded at the present time and that this would be the best opportunity to bring everything up to a modern standard.

Dr. and Mrs. J. Gordon Stewart left Tuesday night for Dallas where he will attend a medical convention. Mrs. Stewart will visit part time with her parents, Mr. and Mrs. Easterling at Abbot.

Last call for entrees! Last call for Entrees! All entrees for the P.T.A. Major Bowes program will have to be entered by Monday, April 7th. Our schedule is really full now but as the saying goes "there is always room for one more" and far be it from us to pass up good entertainment.

I've been looking over the entrees and I really didn't know we had so much talent in Clarendon. It's really going to be a wonderful program and it's something to look forward to. We are expecting a big crowd and the 50 and 25 cent admission that will be charged is for improvements for the school cafeteria.

Don't forget the date—it's April 11th, and don't forget too, that the three persons present that were the first three to write in an answer as to whom Mr. Hush is will be awarded a cake. Read about Mr. Hush again in this issue of the Leader. It carries another poem with another clue as to who he is. You should know!

Tickets are on sale now and the school children will be given tickets to sell and we ask that you help them with these sales, as a child in each grade will be awarded a prize for selling the most tickets.

LIBRARY NOTES

By Mrs. C. A. Burton

Several new books have been given us lately. Mrs. Charlie Speed sent us some of the Book-of-the-Month books: "Days and Nights" by Constantine Senuov; "Then and Now" Somerset Maugham; "Now I Lay Me Down to Sleep," Bemelmans; "The Egg and I" Betty McDonald; "Britan-

la Mews," Margery Sharp; Mrs. Whitsell brought a mystery, "Death Points a Finger," Will Levinew; Mrs. Allensworth, "Nicodemus," Dorothy Walworth; Some one else sent "Pride and Prejudice," Jane Austen; "The Way of All Flesh," Samuel Butler; "And Tell of Time," Laura Krey. Some of these are familiar, but are needed replacements, since books wear out unbelievably fast when in constant use. Others are new to us and most

welcome.

The death of a loved writer comes to us almost as a personal loss—This was true to many readers of the 79 books written by Grace Livingston Hill. To me as to many others I am sure, it was hard to think of her as old, yet she was 81. One commentator called her the "evangelist author", and such she was. She always made her books end happily, because she said there was enough sadness and sorrow in the world. Her publishers say that 4,000,000 copies of her books were sold and they counted "The Enchanted Barn" the most popular. "Where Two Ways Meet," her 78th book was published in January, and her 80th remains unfinished at her home in Philadelphia.

The literary world and especially Oklahoma regret the going of John Oskinson, who died at his home at Vinita. His best known "Brothers Three" and two others of his stories are on our shelves. He began his career as an author when a boy on his father's ranch in the old Indian Territory—while riding the prairies with the cowboys on his mule named Jack. As "the only mule-mounted cowboy in the world" he and Jack made a comedy team which later brought literary results. His first success was a prize of \$250 offered by Century Magazine while he was at Harvard. Though he traveled widely in this country and abroad, his stories and books were of Oklahoma and the southwest.

"Native American Humor" edited by James R. Aswell is an anthology covering the span from colonial days to Mark Twain. Editor Aswell wanted to bring real humor, not the stale gag type—he presents Washington Irving, Albert Pike, David Crockett, Josh Billings, Bill Nye, Arteruas Word, and men of that type who are truly representative.

The Sonnets of Mary Stuart, Queen of Scots translated for the first time from the original French by Clifford Box, will be published soon by the Philosophical Library of New York.

MacKinlay Kantor has a new book, "But Look, the Morn"—a picture of a Western City, Iowa boy.

Those who read George Stewart's "Storm"—a book-of-the-month selection 3 years ago, will be interested to know that he has a new novel called "Fire," to be published in 1948. Stewart has helped fight two great forest fires in the Pacific coast region in the past six months in his search for background.

George Santayana, who is living in Rome, has completed the third and final volume of his autobiography, "Persons and

Places"—which will probably not be published till after his death.

GENERAL EISENHOWER
ON ARMY WEEK

"The million and more men and women in our Army are instruments of the nation's will for security and peace," General of the Army Dwight D. Eisenhower, Chief of Staff, stated during his fellow Americans in the observ-

ance of Army Week.

Army Day, usually observed on April 6, the date of the United States entry into World War I, was set by President Truman's proclamation for April 7, since April 6 is Easter Sunday.

Citing the loyalty and courage of "free men who, throughout seventeen decades of our history, have served the United States that we might stand strong and safe among the nations of the world," General Eisenhower said "your Army is a part of the people. It is composed of your sons. It is a faithful implement of Democracy."

The number of disabled veterans awaiting induction into training for vocational rehabilitation continued to decline during January 1947, Veterans Administration said.

Veterans Administration estimated the World War II veterans population for March 1 at nearly 14,500,000 and the total veteran population at approximately 18,378,000.

POSSUM FLATS . . . BISCUIT STOP!

Easter Sunrise Service at Lawton Sunday, April 6th

LAWTON, Okla.—With visiting worshippers expected from every state in the union, and with the entire country being reached by a nationwide radio broadcast originating from the Holy City of the Wichitas, the Wichita Mountain Easter Sunrise service of 1947 is expected to offer the story of the life and death of Christ to more persons than ever before Sunday, April 6th.

From a hillside in the small but rugged Wichita mountains, the most elaborate religious ceremony in the world will be presented to what is expected to be

more than 200,000 persons who will be congregated on another hill across a valley from the Holy City stage. Last year, the crowd was estimated officially at upwards of 200,000. This year, preparations and interest exhibited indicate that the worship service is continuing to grow rapidly in scope.

At 12:00 midnight Saturday, night, the prologue will begin. In this part of the program, various religious themes and stories will be portrayed. Three hours later, the sunrise service will begin, with the life and death of Christ, 66 scenes in all. Early scenes will include the birth of Christ, his early teachings, some of his miracles, the calling of his disciples, and the triumphal entry into Jerusalem.

Then, toward sunrise, the arrest, trial, and crucifixion of the Saviour will be shown to the throng. At sunrise, as the great Easter climax, the resurrection of Christ will be represented.

Rev. Mark Wallock, founder and director of the service, is remaining at home during preparations this year, as a result of a serious heart attack. His many lieutenants, a great percentage of the citizens of Lawton, Okla., are carrying on for him physically. He is, as usual, guiding the spirit and the overall preparation of the service, which he insists that participants refrain from calling a pageant or a "show." He admonishes all persons that the Easter

service is a religious worship service, open to all persons, all churches, all races. As in past years, his influence has caused the elimination of any phase which might appear commercial or profit-making in connection with the sunrise service, which is supported by unsolicited contributions.

The number of persons in the east this year will be near 1,000. Hundreds of persons are used as members of the multitude which is seen when Christ is shown preaching; or as angels which flood the entire Holy City in certain scenes.

Parking space will be no problem, and Lawtonians are busy making arrangements to see that proper traffic policing will be on hand to avoid congestion and danger. The natural amphitheater which accommodates the crowd provides space for half a million persons in the crowd. Those in charge are visualizing the day when that space proves not enough.

Far Eastern Occupation Team To Visit Amarillo

A six man team recently returned from occupational duty in Korea and Japan will arrive in Amarillo April 7th, on a two day visit.

These men represent the six US Army Divisions which are currently performing our occupational commitments in the Far east. International Harvester has reduced prices to save users of its products \$20,000,000 a year. The reductions apply to a selected list of various products made by the Company.

In making its announcement to the general public last week, International Harvester said:

"We believe there is nothing more important to this country than to lower the prices of goods people buy.

"The American people have insisted that the government withdraw from its attempts to control prices in peacetime. That places the responsibility where it belongs—in the hands of business and industry.

"Because we believe price reduction is vital, we are willing to assume the risks involved."

As International Dealers we will do our part. We will pass International Harvester's price reductions to our customers.

And now a word of gratitude to our friends who have patiently waited for the new machines they need. As most of our customers are aware, International Harvester has done everything possible—and some things that seemed impossible—to maintain and increase production.

The outlook is somewhat better. Soon we hope to supply equipment to all of those who have cooperated so faithfully with us.

Meanwhile, the same top-quality International Service and Parts that have kept equipment operating for our customers during the difficult years are available from us. We urge our friends to continue to use these facilities to obtain maximum operating economy.

International Harvester is doing its part with quality, increased production and reduced prices.

We will do our part in this territory

Portable flame throwers to sunglasses is the range of a miscellaneous non-priority offering of surplus property on bid sale until April 15 through the Grand Prairie regional office of War Assets Administration. Other materials offered are pilot "black-out" suits, camera assemblies, tank goggles, gas masks and several types of fire extinguishers. Most of the property is located at installations in West Texas. Some samples, however, may be inspected at the Grand Prairie WAA plant.

Thousands of automotive truck parts are now being offered for sale in a national sale by War Assets Administration. Covering almost the whole assembly of standard brand trucks, the parts will be sold in lots on a sealed-bid basis. The parts are located over the nation and will be sold f.o.b. location. The Grand Prairie regional office of WAA announced the bids will be opened April 2nd in the Detroit WAA office.

The State of Texas, through the State Board of Control, has purchased 2,660 men's white coveralls and 904 women's white coveralls for use in state hospitals. After being allowed a discount of 40 per cent, the state paid \$4,197.48 for the coveralls.

Fort McIntosh at Laredo, Texas, a troop training fort during

the war, has been transferred to the city of Laredo for a nominal consideration and will be converted into an educational institution, the Grand Prairie office of War Assets Administration announced.

Ten thousand tons of bituminous coal at Camp Maxey, Texas, is for sale by the Grand Prairie office of War Assets Administration. The coal is being offered on a competitive basis through a continuous sale. The coal is "stove size" and was mined near Henrietta, Oklahoma.

33 per cent of all government

surplus sold by War Assets Administration over the nation for the period November through February. Manufacturers and other industrial users came next with veterans of World War II third, according to national figures released through the Grand Prairie regional WAA office.

ADD COUNTY, STATE, SECTIONAL AWARDS IN 4-H LEADERSHIP

Complying with the request of State 4-H Club leaders made through the Extension Subcommittee on 4-H Club Work, awards on county, state and sectional

levels have been added to the previous national recognition in the 4-H Leadership program for 1947.

The object of this program is to encourage, through 4-H Club Work, the development of leadership qualities essential to a progressive and wholesome rural life.

The new awards, which are for one boy and one girl winner each in their county, state and extension section, comprise gold medals of honor, gold watches and trips to the 1947 National 4-H Club Congress, Chicago, respectively.

National awards, which remain

the same as in previous years, are \$200.00 college scholarships to the first place boy and girl and \$100.00 scholarships to the second place boy and girl, which together with the new awards are provided by Edward F. Wilson. In addition, the first place boy and girl will each be presented a silver trophy by H. A. Moses, to be held for one year.

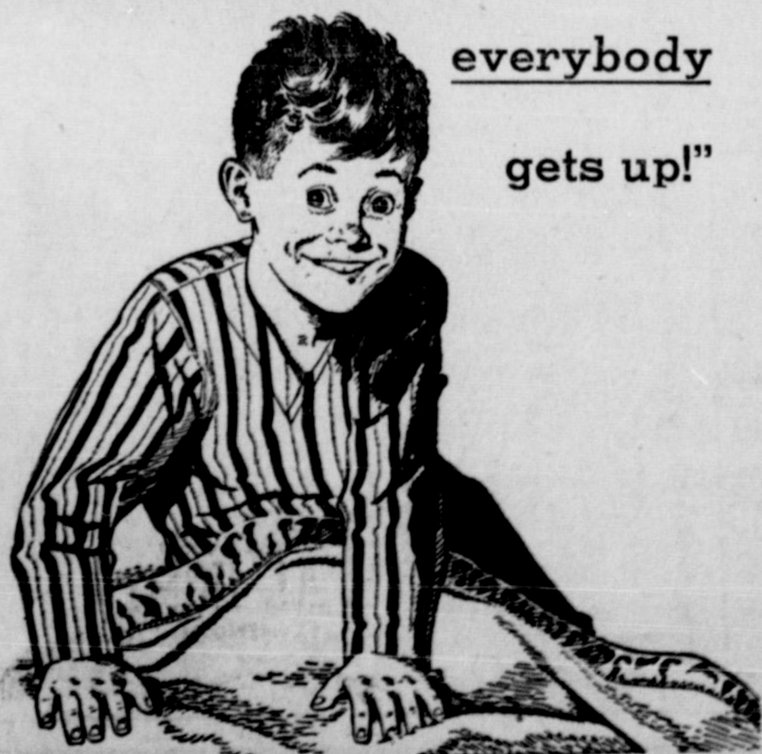

More than 900,000 veterans have withdrawn temporarily or permanently from vocational rehabilitation or job-training since the inception of these two programs, Veterans Administration said.

"My Pop knows when everybody gets up!"

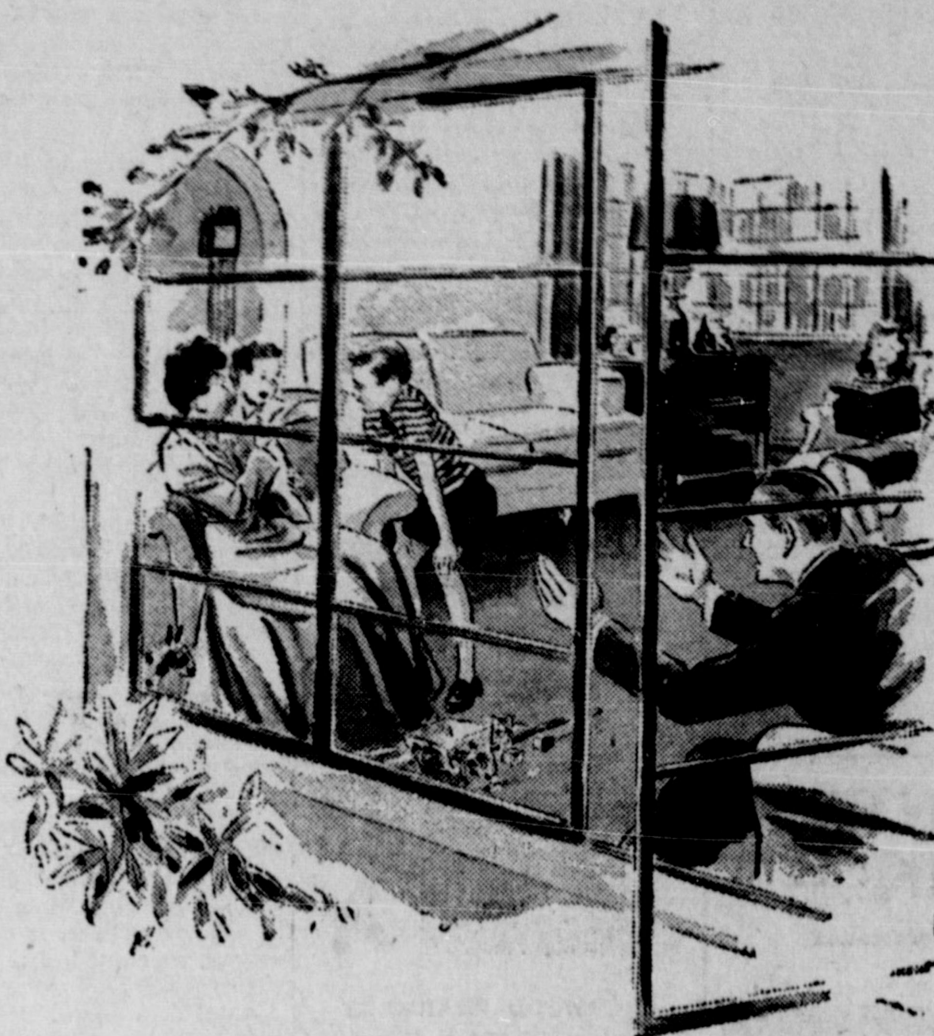

No, Tommy's Dad is not a snooper. It's part of his job to know what time you and your neighbors start turning on lights, ranges, shavers, percolators and toasters in the morning. For these all call for more electricity, and he's the man who tells the power-plants when to send more current through the wires.

TRAFFIC COP OF THE ELECTRIC LINES
If a bad storm breaks, Tommy's father detours your electricity, so storm damage won't black out your community. If tomorrow will be colder, or cloudy, you'll need more current... he'll have it ready. Whenever you and your neighbors and the factories in your town are using a lot for lights and heat and appliances, he sends more into the wires. When the town sleeps, he orders less. As a *Load Dispatcher*, he holds one of the most important jobs in your electric company.

NEXT-DOOR NEIGHBORS TO EVERYBODY
are these helpful men who see that you get all the lowest electricity you want, when you want it. They have to know the hour-by-hour needs of every neighborhood... and that's where they draw on the intimate knowledge of the community that the electric company has gained over many years. It's the skill and experience of electric company people like Tommy's Dad—and the common sense business methods they use—that have built up for Americans the most and the best electric service in the world.

SUGGESTION.

Why not have the United Nations organization take over the Greece and Turkey problem. Then the oil companies of all nations could share in the spoils of the far East. Why make Uncle Sam the goat?

POWER OF MONEY.

Money does not always bring happiness, but if you have plenty of it, you can always choose the misery you enjoy the most.

COMEDY OF LIFE.

Men often have silly notions in their heads. Women wear them

on top of their heads.

PUZZLED.

With all of this hulla-ba-loo about the atomic bomb, one is caused to wonder if splitting the atom was really a wise crack.

FINANCIAL SHUFFLE.

With the nation-wide investigation of income tax payments, it is evidently better to give than to deceive.

CHANGING WORLD.

Women are often given credit for changing their minds most often, but spring is always a close second.

ADVICE.

The Clarendon Flying Service is planning to start night-flying lessons for the benefit of the high school and college boys, so they can take advantage of the smoother air after sundown. The weather conditions the past two months, especially in the late afternoon, have prevented the boys from taking their scheduled lessons.

Old Betsy has a pair of new wings! Fred Smith and Joe Jones flew her to Amarillo last week for relicense, but the air was so rough they decided to borrow a PT to fly back. They went up for Betsy the next morning.

The Lowell's ran into the storm that swept across the Midwest last Monday and Tuesday. They landed on two inches of ice at a Chicago airport Tuesday, however they made the trip in 6½ hours flying time.

Mr. and Mrs. Jimmie Ragsdale, who operate the Childress Flying Service, flew in from Amarillo Friday night just ahead of the thunderstorm. They decided the

day morning. Tom Swint made his solo cross-country flight to Lubbock and Plainview Saturday morning.

Jimie Dean Howze is a new student with the Clarendon Flying Service.

L. L. Wallace and Joe Jones plan to fly to the factory at Coffeyville, Kan., this week, for their 1947 Funk demonstrator.

The last meeting of the Donley County Aviation Club was deferred due to the flu epidemic. A party has been planned for this (Thursday) evening.

PATHFINDER CLUB

Pathfinder Club met Friday afternoon, March 28, in the Club Rooms to hear a program on Poetry and Short Story.

Mrs. R. Y. King was leader of the program and very cleverly introduced the following: Mrs. L. N. Cox, who read Poetry. She chose her selections from favorite American poets who wrote of Nature and Romance and who gave us a lesson in every poem. Mrs. Curtis Mears, who brought a Short Story in the form of a dramatic reading. It was an interesting story, fitting and appropriate, and skillfully given. Mrs. O. W. Elliott, talented musician, gave a piano selection for the last number on the program.

The hostesses, Mrs. J. R. Porter and Mrs. H. T. Burton, served a delicious salad course to Mrs. H. W. Hanks and Mrs. T. M. John-

son, visitors, and to approximately twenty members.

LES BEAUX ART CLUB GUEST OF MEMPHIS CLUB

On Friday, March 29th Les Beaux Art Club of Clarendon was the guest of Les Beaux Art Club of Memphis in the lovely home of Mrs. Chas. Kinsloe.

Dr. Carlton Palmer and Mrs. Palmer of Atlanta, Ga. were guest artists of the club.

They presented a display of sixty original paintings by famous artists, and Dr. Palmer gave a very interesting descriptive lecture on each picture.

Punch was served from a lovely table covered with a gorgeous hand-made lace cloth—the work of the hostess, Mrs. Kinsloe.

Mrs. Morris assisted the hostess and Mrs. Dickey in receiving at the door. Mrs. Dickey is president

BICYCLE HIKE

A group of girls went on a bicycle hike Saturday. They rode out to Mr. and Mrs. Nollie Simmons' farm home where they had their picnic lunch. After lunch, Mr. and Mrs. Simmons took them out to Gun Boat hill where they had an enjoyable time.

Those going on the hike were Bettie Ann Speed, Patsy Estlack, Biffie Blair, Annette Thomas, Doris Crawford, Jimmie Smith, Norma Ann Bobbitt and Shirley Barker.

McCOY—MONDEN

Mr. and Mrs. Bob McCoy announce the marriage of their daughter Melba Jean to Gene Monden. The wedding was an event of March 29th at 7 o'clock in the Hale Baptist Church at Spring Creek. Rev. Doyle performed the ceremony.

Mrs. Monden wore an aqua dress with black accessories. For something old she carried a hand painted silk handkerchief which was a gift of an old friend; for something new, a rainbow pin, a gift of her parents; something borrowed, three strands of pearls belonging to the maid of honor, and something blue was the blue in her handkerchief.

Their only attendants were Mr. and Mrs. I. J. Howard and the groom's father, Mr. L. B. Monden. Mrs. Howard, maid of honor, wore a two piece dress of black and white with black accessories.

The couple will make their home at Borger. Mrs. Monden is a senior of Borger high school and will graduate in May. Mr. Monden is employed by Skelly Oil after spending four years in the Army Air Corps.

COMING BACK HOME FOR WEEK END

Back this weekend for a short visit with grandparents will be Mr. and Mrs. Max Rhea and son "Mulligan Stew" of Lubbock. Max is taking advantage of his G.I. schooling at Tech and is taking on landscaping for a side line. They have purchased a home in Lubbock and expect to become permanent residents of that bustling city.

REVIVAL NOW IN PROGRESS

A revival is now in progress at Later Rain Baptist Church, Bro. and Sister J. H. Fowler officiating. Evangelist Rev. Okie Hightower, 14 years in service for the Master. All are welcome. The new church is located on North Koogle St. near the intersection of the Amarillo highway west of town.

Mr. and Mrs. Mathers of Miami and Mrs. J. W. Collins and son J. W. Collins Jr. of Amarillo were guests in the J. L. McMurtry home Sunday.

Spring is here with its winds and its rains. Gardening near with its aches and its pains. And yet, with all our labors, we grow most weeds. But we can brag to our neighbors about our great deeds.

It is said: that a bootlegger in the Panhandle was caught with several quarts of whiskey hidden in a hen's nest. A certain famous Panhandle lawyer, now living, proved to the jury that, inasmuch as the hen had been seen going in and out of the hen house by several witnesses, and no one had seen the man going in or out, the hen had laid the whiskey in the nest, instead of the bootlegger. Would that be circumstantial evidence?

The Bill-Collectors Song
Open the Door Richard, and get out your purse,
There won't be anything in it, if prices get any worse.

When one group goes out with guns and stops milk trucks, and pours the milk out on the ground, taking it from the mouths of little babies, because of some little grievance. When another group shuts down all the telephone lines, and people suffer pain, and I hear in at least one case die, because of not being able to get a call through, and all this because of among other things some Christmas candy. And another group, because of some minor difficulty in a local community, the building of much needed homes was shut down over a large area. It is time for us all to take ourselves by the "Nap of the neck" and turn ourselves around, and "Kick ourselves" in the "Seat of

the Pants." If we all fail to do what is right, then we are all going to have to wake up, and all pass some laws that will make us all behave, and that will make all our personal rights, of which we are so proud, coincide with the personal rights of our fellow-man.

Easter is here, with its songs and its sonnets.
Gay colored frocks, and queer Easter bonnets.
The Mothers hide eggs for the Jacks and the Jills,
While Father looks sad, as he counts up the Bills.

I think Mama is going to put me to work, soon as I get over this spell of Spring Fever, so I may not have time to go ahead with "Plowin' Out The Corners" during the Summer. If I had any Readers, and they would promise to help me out by sending me in some things that I could use, we might keep it going. What do you say?

A Plea For The Museum

The Museum Committee wish to inform all those who have treasures in the Museum and every one else interested that the late fire did no damage to that room of the building. We are very fortunate that for the second time in its history the Museum has escaped destruction.

But, since the building is to be reconstructed and rebuilt, it is necessary for us to move our location, and we have no where to go. So we are appealing to our friends to assist us in finding a new site for exhibition purposes. If this is impossible, we beg that you who have valuables in the Museum come for them and keep them until we can secure a place. And we ask this great favor—do you have a corner in your cellar or storage room for a case or two? There are several glass showcases, an organ, an old piano, a number of tables, and many priceless antiques and geologic specimens that we wish to preserve.

In next week's paper we will announce the time when the Museum will be opened for you to come for your valuables.
Mrs. C. C. Powell
Miss Mary H. Howren.

Mrs. R. C. Weatherly who spent the winter in California with her children, returned home Monday and states that she certainly is glad to be back home.

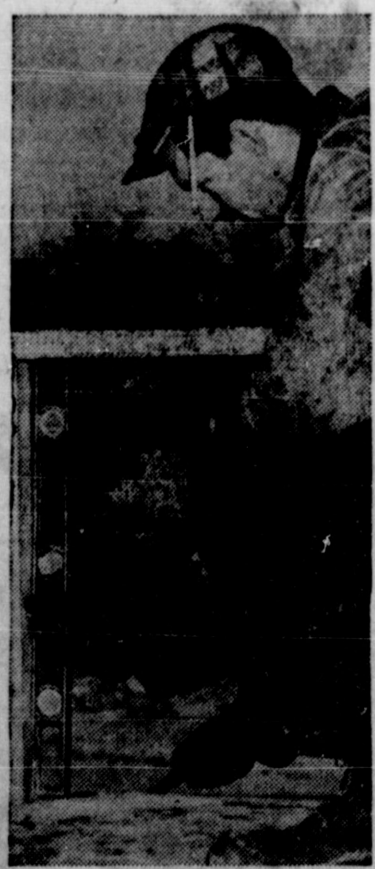

Mrs. Alfred Estlack and daughters Ira Jean, Patsy and Barbara, and Mrs. Victor Smith and daughter Arvazene were Amarillo visitors Monday.

Mrs. A. D. Estlack and Patsy and Mrs. Geo. Thompson were in Memphis Tuesday.

Willard Skelton has returned home from a business trip to Dallas last week.

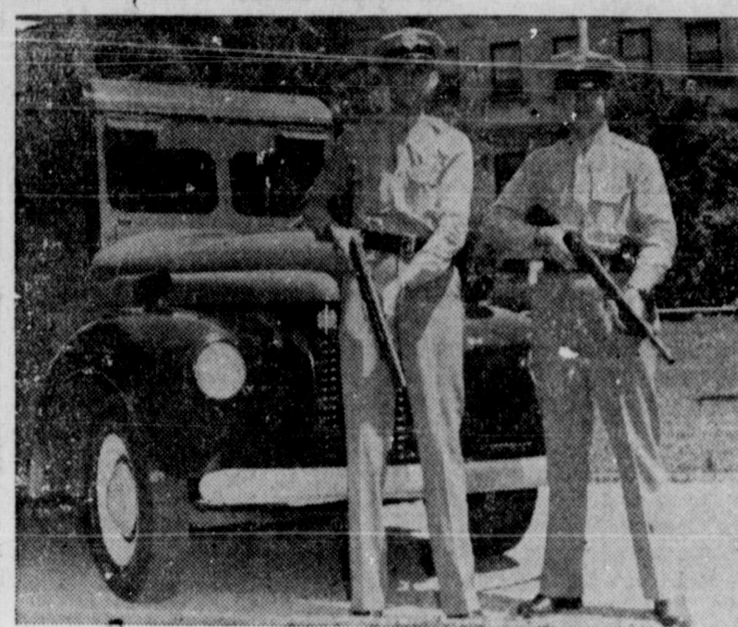

Jimmy Lumpkin has been given a place here in the County Agent's office.

14-day Wonder House

For a family of four facing eviction 13 days hence, a Barrington, Ill., family construction firm speeded a new home to completion with a day to spare. Handling the level is George Ertter, World War I veteran, checking a back porch railing installed by his son, Earl, kneeling. Ertter and his three World War II veteran sons started the business with the aid of a Veterans Administration-approved business loan.

VETERANS NOW GUARD PAYROLLS

Two Mississippi veterans have started a unique postwar business, the Jackson Armored Car Service. Edwin C. Humphreys, left, and R. R. Hornbeak are president and secretary-treasurer, respectively. Founded on a Veterans Administration approved business loan, the service employs three other veterans.

A group of the Senior Girl Scouts enjoyed a wiener roast picnic at the City Park Tuesday evening. Mrs. Elba Ballew was in charge.

Mr. and Mrs. L. W. Davidson and daughter Nancy of Bremerton, Washington are visiting in the home of his sister and brother in law, Mr. and Mrs. Simmons Powell. Mr. and Mrs. Powell will accompany them to Dallas where they will visit their mother and sister.

Mrs. Mildred Rittter and R. L. Alexander spent last week at Spur attending a meeting. The whole day was spent at the Spur experiment station.

Mrs. Abe Cole and daughter Ann are spending the Easter Holidays with her sister, Mrs. T. E. Gristy at Colorado Springs.

Harry Edward Blair from the University of Texas at Austin will spend the Easter Holidays with homefolks.

Palo Duro Bill Law

Gov. Beauford Jester Saturday morning signed the Palo Duro park bill, he advised retiring president Pinky Vineyard of the Amarillo Chamber of Commerce. Mr. Vineyard earlier had called Governor Jester to request that the bill be signed. The act permits the Texas State Parks board to issue revenue bonds in the sum of \$300,000 to retire liens on the 15,000-acre tract comprising the park. The bonds are to bear interest not to exceed 3 per cent and are to be retired from park revenues.

The bill was sponsored by the state parks board, the Amarillo and Canyon chambers of commerce and Rep. Blake Timmons and Senator Grady Hazlewood.

DARDEN THANKS VOTERS

I wish to take this means of expressing my appreciation to those of you who went to the polls Tuesday and wrote my name in for Mayor of Clarendon. I want you to know I certainly appreciated your support and I want those who did not vote for me to know I hold no hard feelings as I believe in every man or woman casting their vote for their choice of candidates. I enjoyed the short campaign and the vote of confidence I received. Thanks again,
SAM DARDEN

METHODIST CHURCH

We certainly had a good day yesterday. Mrs. Landreth's special Sunday morning was very inspiring. And Cora Lee Muse thrilled all of us Sunday night with her special song. We appreciate each of these very much. Remember let each one be in place next Sunday. May all of us work to make Easter Sunday a red letter day. Remember we are all anxious to meet our financial goal. Several have already paid in on this special offering. Please bring or send your offering on this next Sunday. This is a needy and worthy cause. It is one in which each of us is interested. So let's meet it and get it entirely out of the way.

Remember our revival meeting. It begins May 18 and runs thru May 25. Be much in prayer and work for a real spiritual awakening.

FIRST CHRISTIAN CHURCH

Geo. B. Forrester, Minister

The Sermon Topic Sunday morning will be "Is Easter Just Easter?"

All Easters do not have the same significance. To be sure the triumph of our Lord is at the heart of the matter, but because the needs of humanity vary and because the circumstances of our world change, some Easters have special importance. Easter 1947 may be such an Easter. Come to this service and hear the greatest fact in history.

Christian Endeavor 6:30, will present a short drama, and will be well worth the time for your attendance. Come remain for worship.

This being the first Sunday, we will have our regular sing at 2:30 to which all music lovers are especially invited.

More than 20 young people were present for our first social event and such a success. We are having our second on this Thursday following a fried chicken dinner at 6:30 and this will be a

regular program at proper intervals. All young people are earnestly urged to come and join us in this fine fellowship. Every possible means to afford wholesome recreation for the youth of Clarendon is being planned. Come to Sunday school. Bring your father and mother. Remain for morning worship.

ENLISTMENTS NEEDED FOR MEDICAL CORPS

Prior to 1914 tetanus (lock jaw) killed between 80 and 90 per cent of all its victims. In World War I Army Medical Doctors and American techniques reduced this mortality to less than 10 per cent, while in World War II

tetanus inoculations practically ended this danger for American Soldiers.

Today the New Regular Army Medical Corps is experimenting with cancer and a definite cure for this dreaded disease.

The Medical Department pioneered the use of sulfa, penicillin, streptomycin and the treatment of burns and skin diseases often fatal in years past. The Medical Corps is open to all men between the ages 17 to 35 who enlist in the New Regular Army for three years.

For additional information about the Medical Department of the New Regular Army, contact the local Recruiting Office, Legion Hall, Clarendon, Texas.

Mr. and Mrs. W. A. Ragsdale returned home this week after accompanying Mr. and Mrs. L. O. Cockerham to their home at Springtown and visiting relatives at Cooper, Charleston and Paris. Mr. and Mrs. Cockerham brought them home.

Clyde Hudson left Amarillo by plane Saturday for Kansas City, where he joined a group of 75 dealers, who are making a tour of the Minneapolis-Moline factory at Minneapolis this week. He expects to return Saturday.

A NEW PLEDGE

Bobbie Smith, son of Mrs. Paul Smith of Clarendon, is a new pledge of Delta Kappa Pi Fraternity at Doane College. This fraternity was originally organized in 1883, but has been re-activated again by 34 new "charter" members. Members have written to an

alumni brother for the original charter, symbols, motto, etc.

HEDLEY MAN ROBBED AT AMARILLO

N. C. Hale, 55, of Hedley, woke up in St. Anthony Hospital Monday night, found he had been slugged and robbed, but doesn't recall how it happened.

He told city police he remembers going to the Mayfair Nightclub and having several drinks with "two or three" men. After

that point, he's blank, officers said.

Hale suffered bruises on his face and head. City detectives learned he was brought to the hospital shortly after 10 p. m. by an unidentified taxicab driver. The Hedley man reports the loss of his billfold and \$45.

Mrs. R. M. Morris visited her children at Amarillo Sunday.

Chats With Fellow Amputee

Harold Russell, double amputee veteran and featured actor in the film, "Best Years of Our Lives," chats with a fellow amputee, Joseph Sheridan, during a recent visit to the Boston, Mass., Branch Office of the Veterans Administration. Russell is an advertising student, under the GI Bill of Rights, at Boston University.

Spring Football Training Starts Next Monday

Coach McKnight announced yesterday that the regular Spring football training would start next Monday, April 7th.

The spring training period is held each year in order that the coach can kinda get an idea of the material that he will possibly have to work with the coming fall and also to further acquaint the boys with the fundamentals of the game.

According to latest information there will be eight lettermen back with the squad this year and only three of this number are out of the regular line-up.

McKnight stated that he was looking forward to the boys coming up from Junior High school and felt quite confident that he could scrape up a pretty fair team with the material in view at the present time.

Those boys reporting for the spring training are to report to the main high school building Monday afternoon as the dressing room has been moved since the fire.

Coach McKnight is to be assisted by Raymond Adams in the Spring training. Raymond coached the Jr. High boys last year and did a mighty fine job.

Breedlove To Attend Irrigation School Soon

A school on irrigation will be held at Texas Tech College on the 8th, 9th and 10th of this month and county agent H. M. Breedlove will attend this school. The school is sponsored by the Extension Service for county agents interested in irrigation in their counties. Due to the interest in Donley county in irrigation Breedlove is going to receive the latest information on the handling of irrigation water and types of soils for irrigation.

Schools of this type will be held over the state from time to time on the latest information on different types of agriculture.

DISTRICT F.F.A. JUDGING CONTESTS TO BE HELD HERE SATURDAY

The milk and crop judging contests of the Green Belt F.F.A. District will be held here Saturday, April 5th. Ten schools are expected to participate in each of the contests according to J. R. Gillham, Vocational Agriculture instructor. Childress, Estelline, Turkey, Quitaque, Clarendon, Lakeview, Wellington, Quail, Memphis, and Samnorwood are each expected to be represented in the contests.

Billy Smith, Glen Sanders, Ralph Nichols, and Odell Lagrone will represent the local chapter in the crop judging and Mike Smith, Gilbert Stewart, Jack Stone, James Moore, Duane Littlefield, and Kenneth Davis will participate in the milk judging event.

Mr. and Mrs. F. H. Bourland and Mrs. Gullede of McLean were guests of Mr. and Mrs. Frank Bourland Sunday.

May 3rd Set For Boys Ranch Day In Donley County

Saturday, May 3rd, has been set for Boys Ranch Day in Donley County, according to J. R. Gillham, chairman of the Lions Club committee which is making arrangements for the event. The Clarendon Lions Club is sponsoring the event.

Everyone in Donley County knows of the wonderful work that is being done at Boys Ranch and many have desired to do what they could to help this enterprise in their small way. Every person in the county may help on this special day if they desire.

Trucks will be parked between the Donley Hotel and the depot and any person desiring to give old clothing for boys, shoes, feed, poultry, livestock, bedding, home canned or bought groceries, or any other item to be hauled to the ranch are requested to take the same to the trucks.

Details of the plan will be announced at a later date, but the committee in charge of the event hopes everyone will help in making the offering from Donley County for the worthy cause at Boys Ranch a big one.

Cpl. and Mrs. Ecton D. Kile of Ft. Bliss, Texas were the guests of Mr. and Mrs. Guy Wright and children Tuesday evening and night. Mrs. Kile and Mrs. Wright were old school friends.

Mr. and Mrs. Robert Linders and children of Amarillo spent the weekend with her parents, Mr. and Mrs. C. C. Powell.

240 Miles Of Terrace Lines Run Todate

Terracing has been in full swing in Donley County since the first of the year and county agent H. M. Breedlove has run a total of 240 miles of terrace lines under the 1947 program. The terraces

have been built by farmers in the county who own terracing machines. The total amount of money paid for the terracing is \$17,672.70 to this time. \$3,332.34 has been paid for diversion terraces.

According to Breedlove most of the terracing is just about over because farmers have begun to prepare their land for farming this year. More terracing will get underway after the harvesting of

the wheat crop.

By the end of the year it is estimated that over 325 miles of terraces will be constructed in the county.

Mr. and Mrs. Buss Bell attended Sigmund Romberg concert at Amarillo Sunday night.

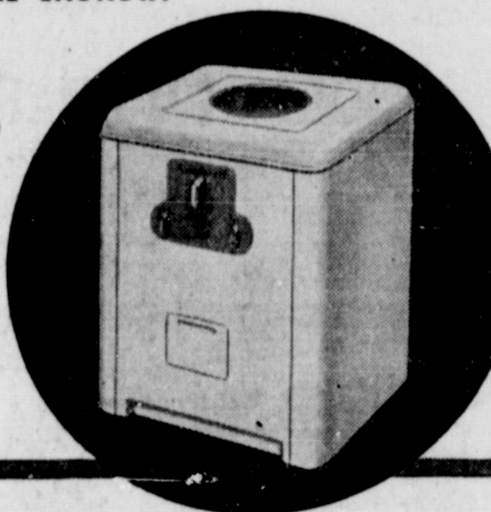

Mrs. Hal Upchurch and Mrs. A. H. Moore were Hedley visitors Tuesday.
