Voting Light Here In General Election

Approximately a third of the qualified voters that voted in the first primary this year went to the polls Tuesday to cast their ballot for their favorite candidate in the general election.

Congressman Gene Worley was re-elected to that position in the 18th district and received a total of 514 votes here in Donley county. His opponent, Frank T. O'Brien, Republican challenger, received 134 votes. Worley is leading nearly three to one in the latest tabulations over the entire district with a number of counties incomplete.

The only local competition was in the Justice of the Peace for Precinct 2 race. In the write-in campaign to fill the vacancy left due to the death of R. C. Weatherly, G. A. Anderson received the majority of votes with a total of 133. Mr. Anderson had previously been appointed to serve in Mr. Weatherly's place. Others receiving votes for this position were J. K. Morton 36, Erskine Butler 1, C. Huffman 3, J. H. Headrick 3.

All of the above returns are based on incomplete returns with 7 of the boxes still out in the county.

All three of the amendments listed on the ballot carried here. For No. 1 there were 368 for and 119 against. No. 2, 264 for and 178 against. No. 3, 319 for and 73 against.

Legion Auxiliary To Sell Poppies This Saturday

The American Legion Auxiliary will sell Poppies on the streets of Clarendon Saturday, November 9th according to Mrs. Dale Hill, chairman of Poppy committee.

These Poppies are made by the Ex-Service men in our Veterans hospitals, then bought by local American Legion Auxiliary and sold by them. All proceeds of sale used for Veterans or his family.

The past year Clarendon Auxiliary contributed from their Poppy fund the following: \$10.00 to State Child Welfare fund which is used for children of Veterans; \$25.00 for Christmas cheer. (every Veteran in our Veteran hospital receives a package from the Legion Auxiliary at Christmas season); \$30.00 sent Veterans Hospital in Amarillo for Treasure Chest, which is extra supplies to be given patients there by our State Auxiliary Hospital representative; a total of 53 ash trays sent to Veterans Hospital in Amarillo; yarn bought for a sweater to be knitted and sent the tubercular hospital at Legion, Texas; material bought for childrens stuffed toys; a total of 50 gifts made and donated for Gift Shop in Amarillo Veterans Hospital, where the patients with children at home may go and select a gift to be packed and sent by him with no expense to him.

So please keep this sale of Poppies in mind and help the American Legion Auxiliary to help care for these Ex-service men and their families who have given so much for us.

Mr. and Mrs. Frank White Sr. returned home Thursday night from an enjoyable visit down in Old Mexico and relatives at San Angelo, Rising Star, Colorado City. They also visited down in the Rio Grande valley.

Frank White was in Ft. Worth the weekend on business.

Price Control Board Closed Here Nov. 4th

The Price Control Board at Clarendon, serving the counties of Hall, Armstrong and Donley closed on November 4, 1946. Mr. Masterson, Chairman of the local board announced Monday.

"This step marks the conclusion of almost five years of unprecedented patriotic service by Board members, citizens of Hall, Armstrong, and Donley counties, who, through their thousands of hours of volunteer work, have prevented inflationary dangers from taking effect and saw that their neighbors had an equal right to their fair share of scarce commodities during the days of rationing," Mr. Masterson said.

"Members of Clarendon's Price Control Board stayed on the job for more than a year after the end of the war. Production has had a chance to catch up with demand. Now that President Truman has announced the program for accelerating the remaining wartime controls, Price Administrator Paul A. Porter has determined that the remaining functions of local boards can be continued by the District OPA Office at Fort Worth, Texas."

Mr. Masterson gave the following information as the conducting of OPA business in the future:

1. Trade and consumer inquiries about price control formerly handled by Price Control Boards should be addressed to the OPA District Office in Fort Worth.
2. Certificates of Transfer covering sales of used passenger automobiles may be obtained from principal auto dealers. Dealers should request additional supplies from the OPA Regional Mail Center at Dallas, Texas.

3. Sugar rationing has been administered from the District Office since last January. In the future, sugar forms required by the trade and consumers may be obtained from the District Office.

4. Pending compliance actions by the board will be transferred to the District Office.

5. The local board office will be closed for the transaction of public business as of Nov. 4th. However, the paid clerical personnel will continue on duty during the month of November in order to transfer records to the District Office and to perform the many other duties involved in closing the board.

6. As in the past, supervision of rent control will be administered by the Fort Worth Area Rent Office.

LEAVE FOR HOME

Mrs. Emily Dillehay and Mrs. Annie Puyear who have been visiting in the Henry Williams home the past two weeks, left Wednesday for their homes—Mrs. Dillehay to Jacksonville, Cherokee County, while Mrs. Puyear will visit her daughter, Mrs. Kenneth Koonce at Henderson. The ladies are sisters of Mr. Williams. They say that the Texas Panhandle weather is rather unpredictable.

Honor Roll of Service Men & Women Of Donley County To Be Dedicated By American Legion Monday

SHAMROCK FOOTBALLERS SUFFER 2ND DEFEAT IN WEEK

The Shamrock football players were on the bottom of the list as far as the local gridsters were concerned this past week. First the Broncos gave them a nice and hard to take defeat and then the Colts added injury upon injury by defeating the Junior Irish 28 to 0 on a rain soaked field Tuesday afternoon. The Colts simply outplayed the Irish from start to finish and didn't give them any opportunity whatever.

Every one of the Colts were in there doing his very best and was delivering the goods as far as blocking, tackling and toting that pigskin were concerned.

A large crowd was expected out for this game but due to the weather the time was changed from a night game to an afternoon game and most of the fans that went up to witness the muddy battle retreated at the half and let the boys have it out between themselves.

Donley County U.S.O. Quota Is Set at \$480.00

Military authorities have requested the Government to continue the U.S.O. Program for another year to aid in the wholesome recreation program for thousands of young soldiers who make up the armed forces of the Nation in the various areas where our men are in training or in occupational zones or in hospitals.

The representatives of the Government have visited Clarendon and asked Donley County for a quota of \$480.00. This is a small amount in comparison with the amounts that were raised in this county during the War, and should be quickly raised.

The American Legion is sponsoring the drive to raise this fund. L. C. (Shy) Johnson has accepted the chairmanship and committees have been appointed to solicit the citizenship for donations. This solicitation will begin soon.

Scores of ex-service people over the county can bear testimony of the helpfulness of the U.S.O. during their months and years of service. Let us remember that we still have hundreds of thousands of men making up our Army, Navy and Air Corps. Please meet these committees with a smile and a generous gift for the U.S.O.

Mr. and Mrs. Lu McClellan Jr. from Pampa spent the weekend visiting relatives in Ashtola and Clarendon.

QUIET HALLOWEEN EXPERIENCED HERE

According to all information received, this was the quietest Halloween to be remembered in Clarendon as far as pranks and destruction were concerned. The younger set is to be highly complimented for their conduct in every respect.

The main entertainment for the night was the Carnival at the school house sponsored by the P.T.A., and that organization reported a most successful evening from the monetary standpoint and also from the enjoyment of those who attended.

The highlight of the evening was the crowning of the Carnival Queen which was held at the Jr. High auditorium at 9 p. m. Miss Eric Etta Cannon was the top candidate and had the honor of occupying the royal chair with all the other contestants acting as Princesses.

STORES TO CLOSE FOR ARMISTICE DAY

Local business firms plan to close their doors here next Monday in observance of Armistice Day as has been the custom in past years. This year a special program has been planned and a large turnout is expected.

Those business firms who cannot see fit to close for the entire day are being asked by the American Legion to close their doors between 10:30 a. m. and 12 noon for the dedication program at the court house.

Gymnasium To Cost Only \$757 At Present Location

The Clarendon School Board received a letter this week from the War Department stating that the local schools could buy the Gymnasium at the McLean prisoner of War camp for only \$757 as it stands on the grounds there. This includes the main structure which is around 110 x 125 feet, lighting, heating and plumbing fixtures.

According to school officials, this is the best buy that Clarendon could run up against anywhere as the material is said to have cost around \$15000 when the building was erected.

A good, first class gym has been needed here for a long time and this building is large enough to take care of all requirements and it will afford more inducement for the young men and women from out around Clarendon to come here for their high school and college work, the school officials added.

Memorial Dedication To Highlight Armistice Day Program-11:00 a. m.

PARSON & LAMKIN BUY TYLER ELECTRIC

H. B. Parson and H. B. Lamkin Jr., both of Wellington, have purchased the Tyler Electric and took over management of the business last week. The firm will be known in the future as the H-B Electric and will feature the same type of service and merchandise as the previous firm in the past.

Both men have a family and are both ex-service men. They will move to Clarendon just as soon as living quarters can be found and in the meantime they are driving back and forth to Wellington each night.

CLARENDON CLINIC-ADAIR HOSPITAL

Dismissals: Mrs. Harold Mithelman and daughter Donna Kay; Mrs. R. H. Alexander and daughter Sharron Ann; Mrs. G. D. Stephens, Amarillo; Thomas Looper, Amarillo; Mrs. Joe Hall, Marie Cash, A. J. Mathews, Jim Henson.

Surgical Patients: Jim Rob Hancock, Lelia Lake; Mrs. H. W. Orr, Phillips; Mrs. C. W. Imel, Hedley; Mrs. W. T. Roberts, Mrs. Leon Carter.

Patients remaining from last week: Mrs. W. M. Montgomery, Doyce Graham, Miss Inez Skinner, Mrs. Cesero Cardinas and daughter Viola.

New Arrivals: A son Ross Layton to Mr. and Mrs. Abilene Freeze.

Monday, November 11th at Eleven o'clock a program sponsored by the Clarendon and Hedley posts will be given, honoring the service men and women of the county, and presenting the Memorial Plaque which has been installed inside the Court House to the citizenship of the county. The program will be given on the Court House lawn if the weather permits. In case of bad weather—at the Methodist Church.

Prayer by Rev. H. W. Hanks.

The following program is scheduled: business houses - that remain open Monday are asked to close from 10:30 until 12:00 o'clock. All service men and women of the county are asked to be present and in uniform if possible. All citizens of the county are urged to attend. The High School and Junior College will attend in a body with the G.I. students leading the group. Music will be furnished by the School Band.

The program will begin at 11:00 o'clock with the presentation of Colors by the Hedley Legion Post. The Chairman of the Donley County Memorial Committee will present the Memorial to the citizens of Donley County and the Service Men and Women. The response and address will be made by Lt. Col. Charles B. Robinson of the Reserve Officer's Corps, Chaplain, — followed by music from the Band.

After the ceremony the plaque may be viewed in the main hallway of the Court House. This Honor Roll was made possible by donations from all the citizens of Donley County and is dedicated to the Service Men and Women of World War I and II.

Veterans Slated To Enroll Tuesday Night For Vocational Course

FIRST FREEZING WEATHER REGISTERED HERE

The first freezing temperature to be registered this fall at the official weather station at the airport was Wednesday morning with a low of 32 degrees. There was plenty of frost and ice on automobiles standing out in the weather. Another heavy frost was reported this morning with the low reading of 33 degrees.

The unwanted moisture at this time, that fell the first part of the week totaled 1.30 inches. Feed and cotton will suffer quite a loss from the wet spell, it is understood. Farmers are wanting lots of warm sunshine now above anything else.

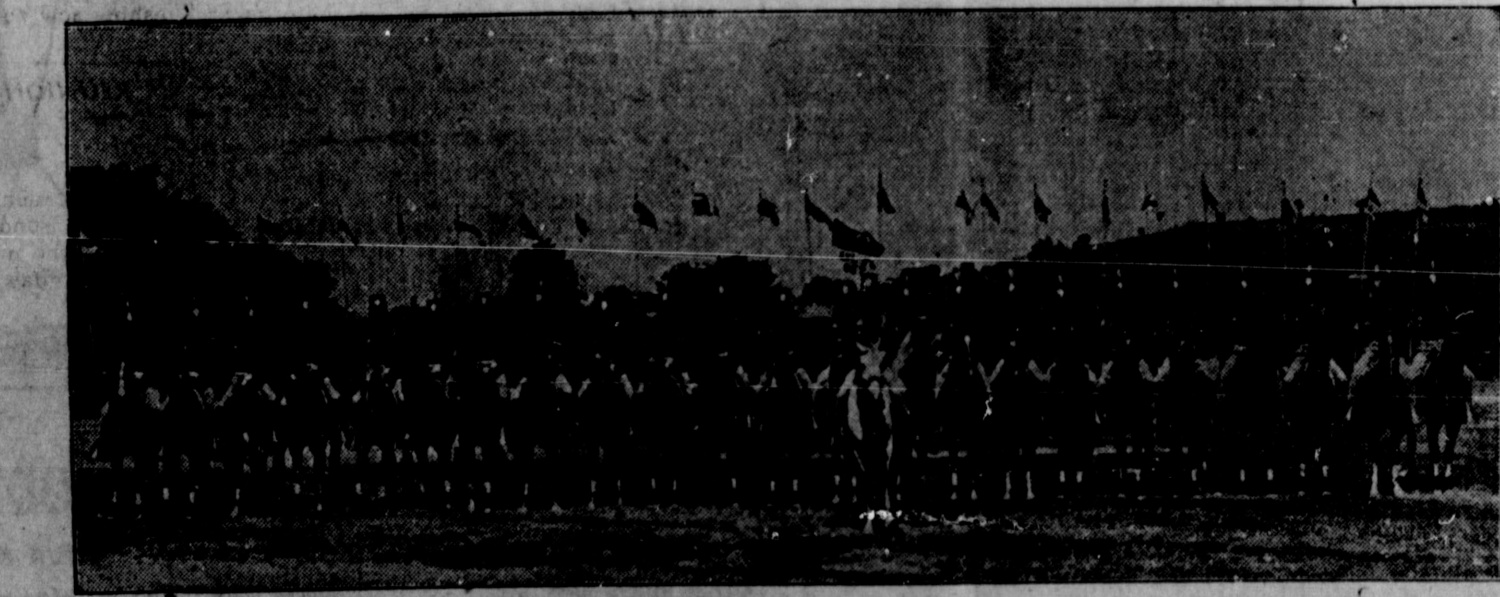

HOLD FAMILY REUNION IN VICTOR SMITH HOME SUNDAY

A family reunion was held in the Victor Smith home Sunday. Music and singing was the main recreation throughout the day.

A turkey dinner was served to the following: Mrs. Bell Smith of Fresno, Calif.; Mr. and Mrs. Frank Goforth, Los Angeles, Calif.; Mr. and Mrs. Grady Starkey, Peggy and James, Quitaque; Mr. and Mrs. Earl Goforth and Don Frank, Amarillo; Mr. and Mrs. Hug Bowen, Lyndal and Beth of Wellington; Miss Beth Starkey, Lubbock; Mr. and Mrs. Elmer Goforth and Danny, Amarillo; Mr. Clifton Hunter, Wellington; Mr. and Mrs. Basil Smith, Arvazene Smith and the host and hostess.

Veterans expecting to enroll in the vocational course for veterans being sponsored in this county by the County School Board in cooperation with The Veterans' Administration and the State Board for Vocational Education are asked to meet at the Clarendon College Auditorium, Tuesday, November 12, at 7:30 p. m. Twenty veterans will be enrolled in an agricultural unit at that time, and the course will be started either the last of the week or the first of the succeeding week. The board has only one man who meets the qualifications set up to serve as instructor in the work and only one unit will be started in the agriculture field at this time, and it is doubtful if another qualified man can be secured before next summer. The first twenty men who have their claim numbers and certificates of eligibility will be the men selected to fill the first unit.

All veterans in the county who expect to participate in any one of the three programs sponsored in the county (Agricultural, Trades and Industries, or Distributive education) are asked to be sure to attend this meeting. A representative of the Veterans Administration and a representative of the state board for vocational education will be present at the meeting and should be able to answer any questions concerning the program. It is probable that the county board will be able to offer a unit in the trade and industry field for those veterans interested in this work at an early date.

RIDERS OF RILEY—One of the most colorful units in the entire Army is the Dragoon Riders of the Cavalry Squadron (Horse), who are currently in demand throughout Kansas, Nebraska and North Dakota as crowd thrillers. Carrying on the tradition of the old cavalry in today's mechanized Army, the Dragoons wear the same uniform and stage the same spectacular musical rides as the old 2nd Dragoons of the Indian fighting days.

LIBRARY NOTES

By Mrs. C. A. Burton

As stated last week, Book Week is from the 10th to 16th of this month with the slogan "Books Are Bridges." The Children's Book Council, a non-profit organization, organizes and publishes Book Week, and it is financed by the Association of Children's Book Editors.

Books are bridges to so many things: to lands around the world; to an understanding of other people; to realms of imagination and joy; to facts and in-

formation; to the world of native; to the wonders of science and industry; to an appreciation of the past; to the building of the future.

Angelo Patri said, "Children reared without knowledge of good books are being deprived of one of the most valuable of all human activities. The condition of the public library is a fair measure of a community's conscience, intelligence, and progress." How do we measure? Visitors always comment most favorably on our books—but what about our serious lack of space?

The most popular foreign writ-

er in Soviet Russia is Jack London, whose printings have reached ten and a half million copies, so says an A.L.A. Bulletin.

Harnett Kane's new biographical novel, "New Orleans Woman" is to be dramatized for Broadway production. He is Louisiana's best known author—was much in evidence at the Dallas Book Fair a year ago.

Houston inaugurated the plan "to honor the dead by benefitting the living," and as a result almost 200 volumes have been given as memorials, and another 100 volumes have been given in honor of individuals who are still living. A few volumes have come to us through this plan—we hope for more.

Through the Carnegie Corporation and the American Library Association, a history of the distribution of books during World War II is being prepared. The most popular books for the bulk of the soldiers were current best sellers, mysteries and humorous books, but the Army Library Service provided more solid fares, also, serious fiction, poetry, scientific books and technical and reference works. More than 250 million copies of popular magazines were sent overseas, not including individual subscriptions and copies sold in Army exchanges.

The Exhibit for the Week at the Congressional Library is John Elliott's "Indian Bible"—the first complete Bible to be printed in North America—in 1663. Within a year after beginning to preach to the Indians, John Elliott was preaching in their own language, and he soon began the translation.

The American Book Center for War Devastated Libraries is now shipping a weekly total of 20,000

volumes of books and periodicals. The Center is serving libraries in 34 countries, has handled more than 500,000 volumes since March. It is estimated that more than 1,000,000 volumes will have been shipped within the year. The Center is a private, non-profit organization, sponsored by 12 national library associations.

Our latest acquisition is "We Dropped the A-Bomb" by two of the men who did it, Merle Miller, and Abe Spitzer. They give a thrilling account of what happened over Hiroshima and Nagasaki, what the terrific explosion was like—what they think about how it is going to affect the course of history.

PLOWIN' OUT THE CORNERS

By UNCLE ZEB

EDITORS NOTE—The following article is a new feature being tried out in this issue of the Leader. The writer is a prominent farmer in this trade area and would appreciate any comment you have to make. If you like the column or have any comment to make, please address your letter to Uncle Zeb in care of the Donley County Leader. What you have to say about it will govern whether it shall be continued as a weekly feature.

All thru the spring and summer the price of cotton went higher and higher, and the speculators made more and more money, but just about the time the Farmers were ready to harvest the bottom started falling out of the market. The Farmers started hollering, and the farm organizations started working, and the Congressmen started investigating, and it

looks like something may be done to help. Just because this sort of thing has always happened is no reason why we should let it continue. There are a lot of things most of us don't like about the so-called New Deal, but we will have to admit that the average man has more voice now than ever before.

Heard a man fussing about having to pay a dollar an hour to get his feed shocked, when he used to get it done for a dollar a day, and that does sound like a lot of difference. But if I remember right that dollar a day was a heck of a lot harder for us to pay than the wages of today. So I hope people never have to work that cheap again, and if they do I'll bet my last years straw hat that we will have more trouble paying it than we do now.

Made a swing down thru Donley County and seen some of the most beautiful feed, and met some of the most wonderful people. Of course, I liked the people better than the feed but they were both swell.

I never did think a Radio man would know which end of a horse his Antenna was on, but "Uncle Jay" of the Trading Post, and other farm programs sound like a real Farmer and Cattleman, even to the point of "lambasting" his neighbor George Young. Anyway he has some good farm programs.

Alcoholics Anonymous, an organization to save people from the ravages of Alcohol has started operation in this area, and according to reports about a hundred victims are helping each other back to a normal life. What a great and wonderful, and worthy organization this must be. Millions and millions of dollars are wasted and billions and billions of earnings lost each year from this curse, to say nothing of the lives, the grief, and the broken

One Republican candidate said that the Texas Democrats that stayed in Texas, both in an out of office were the salt of the earth or words to that effect, but the ones we picked to hold the office that he wanted, were just simply awful. Sounds like he don't think much of our judgment in pickin' men, or maybe when they get up there and start running around with these other partys they go to the bad. I swore off politics last summer and here I go again. I never will

learn anything about politics, I just get more confused. Forgot myself the other day and poured my coffee out in the saucer to cool. My little nephew poured out his cocoa in his saucer the next meal, and when his mother scolded him he said that was the way Uncle Zeb drank his. Kinda made me feel bad, guess I'll have to quit doing these things before children.

Forces of Attraction Hold the Moon "Up" in the Sky....and OIL-PLATE Your Engine!

THE moon isn't really "up" in the sky, but it is held from flying off into space by gravitational attraction between it and the earth.

Exploring the realms of molecular attraction, Conoco chemists have been able to bring America new and better oils. In fact, the force of molecular attraction bonds a special ingredient in Conoco Nth motor oil to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs . . . prevents it from all draining down to the crankcase, even overnight, you get these benefits:

- added protection when your engine starts up
added protection from corrosive action
added protection from wear that leads to fouling sludge and carbon
added smooth, silent miles

That's why to OIL-PLATE now . . . at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co.

GARDEN CLUB ENTERTAINS WITH COFFEE

The Garden Club entertained guests at their last meeting of the year with a coffee at the home of Mrs. J. L. McMurtry with Mrs. J. H. Howze, Mrs. H. C. Brumley, Mrs. R. S. Brumley, Mrs. J. F. Blocker, Mrs. H. T. Warter, Mrs. W. A. Riney and Mrs. J. W. Dawkins as joint hostesses on Thursday morning Oct. 31st. Shoes were used as a motif for decorations. Each member selected flowers from her own yard and arranged them as she liked in a shoe of her own choosing for a container. Shoes of all sizes and of various materials, ranging from leather to dainty crystal and china were selected.

There were roses, iris, chrysanthemums, marigolds, dahlias, autumn daisies, ornamental berries and grasses included in the showing. The display was most interesting and beautiful.

To add variety to the program, Julia Dean Evans, formerly of Clarendon and now prominent in music circles of this section, who is doing Achapela Choir work in Amarillo schools was invited to bring her choir for the occasion.

She very graciously did so and gave a beautiful program consisting of the following numbers, "Out of the Silence," "Lo A Voice," "Deep River," "Smoke Gets in Your Eyes," "Night and Day," "Red Chariot" and "Battle Hymn of the Republic."

The rendition showed splendid

talent and the excellent work on the part of the 20 members of the choir and the director as well.

The table was most attractive with the mirrored top reflecting China shoes containing dainty chrysanthemums in white and pastel shades of pink and blue. Small cakes decorated in the same shades to represent flower baskets and mints cut in the shape of shoes were served with coffee to about 75 members and guests.

LES BEAUX ART CLUB

Les Beaux Art Club met at the club room on Friday, Nov. 1st with Mrs. Loyd Benson acting as hostess.

Mrs. Frank White Jr. called the meeting to order and asked Mrs. Kunz to introduce the guest speaker for the afternoon.

Mr. J. O. McGuire, landscape artist of Amarillo gave an interesting talk and answered questions pertaining to landscape architecture, also displayed photographs and drawings of different designs which he had done.

Refreshments were served to approximately 30 members and guests.

Mrs. J. D. Stocking's name, by request, was placed on associate roll and Mrs. Eugene Letts became an active member of the club.

Next meeting will be Friday, Dec. 6th.

U. S. ARMY'S SUPER-TANK IS A VERITABLE MOBILE FORT—This monster weapon, demonstrated recently at the Aberdeen (Md.) proving grounds, weighs 100,000 tons. It moves on double treads, each 18 inches wide, and mounts a high velocity 105-millimeter cannon and a 50-calibre machine gun. It is operated by a crew of four men.

HAYNES-GORDON

Miss Mary Ruth Haynes, daughter of Mr. and Mrs. R. W. Haynes of Burleson and Mr. H. Carlton Gordon Jr., son of Mrs. H. C. Gordon of Burleson were married at 5 p. m. Sunday at the First Methodist Church in Burleson. Rev. W. L. Porterfield of Big Spring read the ceremony, assisted by Rev. A. W. Gordon, uncle of the bridegroom.

The groom resided in Clarendon and received part of his school here when his father was pastor of the local Methodist church. He served overseas with the 1st Marine Division after volunteering for service with a group of young men of his age here.

1926 BOOK CLUB

Mrs. Walter Clifford and Mrs. C. B. Morris were hostesses to the 1926 Book Club at the club room Tuesday, November 5th. During the business meeting preceding the program, the following officers were elected for next year:

President, Mrs. Frank Phelan; vice president, Mrs. C. W. Bennett; recording secretary, Mrs. L. T. Shelton; corresponding secretary, Mrs. J. R. Porter; treasurer, Mrs. M. R. Allensworth; parliamentarian, Mrs. O. D. Lowry; federation counselor, Miss Lucile Polk.

For the program, Mrs. O. D. Lowry read a group of poems by A. A. Milne and "The Submerged Husband" by an unknown author. Dr. Laura Lowell gave an interesting talk on aeronautics, beginning with a brief history of aircraft, and ending with a description of jet propelled and atomic powered planes. To conclude the program, Mrs. Rolle Brumley conducted a parliamentary drill.

The hostesses served delicious refreshments to 24 members and one guest.

CLARENDON H. D. CLUB

Mrs. M. C. Rampy entertained the club at her home Friday afternoon. The house decorations were beautiful roses and other garden flowers. Mrs. Estlack, president, presided at the business meeting. The Club Collect was read by Mrs. Rampy. Officers were elected. Mrs. G. A. Anderson, president; Mrs. Clyde Butler, vice-pres.; Mrs. Bob Hay, Sec-treas. Plans were discussed for the annual Xmas dinner to be December 13th at the home of Mrs. J. C. Estlack.

The hostess, Mrs. Rampy, served a lovely refreshment to guest, Mrs. Luther Puyear from Jacksonville; club members, Mesdames Ed Speed, Clyde Butler, R. Bryson, Henry Williams, A. L. Chase, Claude Darden, J. C. Estlack and hostess, Mrs. Rampy.

HALLOWEEN PARTY

Mr. and Mrs. J. B. Lane entertained 50 children with an old-fashioned Halloween party in their home in Ashtola Thursday night. There was a gypsy in a candle lighted room, and the bravest ventured in to have their fortunes told. Ghosts kept appearing and were tackled by a few stout fourth-grade boys. The witch took a first grader riding on her broom. Seven very wet youngsters received gala prizes for winning in the apple bobbing contest. Relay races, bingo and out door games were enjoyed by young and old.

The Lane's served appropriate refreshments to the 50 costumed children, the teachers, Viola Graham and Hazel Brandon, and a number of parents.

Mr. and Mrs. Paul Jones of Amarillo, Mrs. Cook of Dallas and Tom Goodner of Lubbock spent the weekend with Mrs. Marguerite Goodner.

HOMEMAKING PARTY

The F.H.A. girls entertained with a Halloween party in the Homemaking department last Wednesday night. The department was decorated with the usual Halloween colors.

Everyone enjoyed playing bingo, for which prizes were given to the lucky persons.

Delicious refreshments of hot spiced tea and Halloween decorated cookies were served to about twenty-three F.F.A. boys and F.H.A. girls by the hostesses, Jeannine Waldrop, Jo Roberts, Jo Rhea, Ira Jean Estlack, Juanelle Stevenson, Portia Hay, De-

lene Blair, Faye Pierce.

WIN ONE S. S. CLASS

The Win One S. S. Class of the Methodist Church met Monday afternoon in the home of Mrs. Eva Rhode with business and social hour. Mrs. J. R. Porter gave the devotional. At the business meeting plans were discussed to give Eugenia Williams, the class orphan, a Xmas gift.

The hostess, Mrs. Rhode, served lovely refreshments to Mesdames J. T. Patman, A. A. Mayes, Tom Connally, C. C. Powell, Frank Bourland, John Blocker, J. R. Porter and Rhode.

BUSY WOMEN S. S. CLASS

This class met in all day meeting and quilting Friday at the home of Mrs. R. T. Brown. A quilt was quilted and a lovely covered dish luncheon was served to 9 members at the noon hour.

PRE-NUPTIALS ANNOUNCED

Mr. and Mrs. W. D. Kidd of this city are this week announcing the approaching marriage of their daughter Billie C. Kidd to Lt. Warren L. Halliwell of Ft. Bliss, Texas.

KILL KARE KNEEDLE KLUB

The Kill Kare Kneedle Klub will meet in an all day covered dish luncheon at the home of Mrs. W. A. Land November 14th.

Miss Della Wood shopped in Amarillo Saturday.

Hear Rubinstein

Those hearing Rubinstein, the great pianist, at Amarillo Monday night were Mrs. J. H. Howze and son Jimmy, Miss Mary H. Howren, Mrs. Marguerite Goodner, Mrs. Allen Bryan and son Gene, Mrs. H. R. Beck, Mrs. J. L. McMurtry, Mrs. Pete Kunz, Mrs. Oliver Elliott, Miss Mantie Graves, Mrs. Millard Word, Mr. and Mrs. Rolle Brumley and daughter Shirley, Mr. and Mrs. Lloyd Shelton.

Mr. and Mrs. J. O. Deshazo had for weekend guests his father and wife, Mr. and Mrs. J. M. Deshazo of Hedley.

Mr. and Mrs. Aubry Deshazo of Childress visited his brother, Mr. and Mrs. J. O. Deshazo and family.

The Church of the Living

Christ is calling all members to be Faithful witnesses of the Gospel. To be faithful and loyal to Christ and the church is surely the greatest virtue. When this is true the promise of Christ will be fulfilled: "Seek ye first the kingdom of God and His righteousness, and all these things shall be added unto you."

Come and worship in spirit and in truth.

9:45 a. m.—Sunday School
11:00 a. m.—Morning worship
Sermon: "Our God in Education."

6:00 p. m. — Young Peoples League.

7:00 p. m.—Evening Worship.
Sermon: "Jesus calls for followers."

Let us remember that Sunday is the Lord's Day. Come and refresh your spirit in God's house of worship. Bring others into the church.

The period of November 10th to December 11th, is the time for the United Church Canvass. A Canvass concerns more than just an asking of financial aid for our Church. It concerns mainly a re-birth of the soul and giving of the fire that helps one to become a real Christian. The Church is ready to serve you, are you ready to serve Her?

Mr. and Mrs. A. G. Lane Jr. and daughter Pat of Borger spent the weekend visiting his parents, Mr. and Mrs. A. G. Lane Sr.

Mr. and Mrs. Owen Pyeatt and children of Memphis visited Sunday with their son and wife and baby, Mr. and Mrs. Gayle Pyeatt.

J. C. Estlack, Postmaster, was in Amarillo Monday for eye treatment.

J. M. Walker

Dr. John M. Walker, pastor of the Steele Creek Presbyterian Church, near Charlotte, North Carolina, will be the speaker on the Presbyterian Hour, next Sunday morning, November 10, at 7:30 a. m., over an independent network of southeastern radio stations.

Born in Burlington, North Carolina, Dr. Walker took his college education at Davidson, where he received his B. A. degree in 1907. He received his theological training in Union Seminary in Richmond, and his first pastorate was of the Leaksville and Spray churches in his native state. After that, Dr. Walker was pastor for six years in Marlinton, West Virginia, and for the past twenty-six years has been leading the work of his present church, which is one of the outstanding country churches in the Southern Presbyterian Assembly.

The subject of Dr. Walker's address will be "Sustained Enthusiasm."

This radio broadcast can be heard in Clarendon over radio station KGNC, Amarillo.

BROKEN BEAM CONTROLS SOAP DISPENSER

Soap dispenser buttons can contaminate the hands of surgeons; light beams can't.

With a new electronic soap dispenser, developed and designed jointly by G. E. and the E. J. Scarry Company of Denver, Colorado, the only thing that touches the surgeon's hands is a light beam. When his hands break the light beam, a light-sensitive photoelectric relay causes a current to flow which, when amplified, electrically operates the soap dispenser mechanism.

The dispenser resembles a small, rectangular cabinet, and has a recess cut in from the top, large enough to accommodate a person's hands and wrists. Across this recess the light beam is directed. When this beam is broken, the dispenser operates and one measure of soap, approximately one teaspoonful, is ejected from the spout.

This soap dispenser is a small example of how control mechanisms furnish the brains for anything from a tiny mechanical device to a huge motor. In this case the hands cut a light beam; when this happens the photoelectric relay energizes a solenoid; the solenoid in turn operates the pump which squirts the soap into the waiting hands.

Applied to steel mills, which require motors of 1000 hp or higher, it is the control which permits the rolling of ingots or plates to a predetermined thickness down to an accuracy of a thousandth of an inch.

A Game of Names

Joseph Henry Jackson, of San Francisco has invented a new game—the idea is to think up fictitious place names that go with abbreviations of state names. For instance: Shapeless, Mass.; Cola, La.; and Goodness, Me. Pennsylvania offers a rich variety, ranging from Poison, Penn., to Grandpa, Pa. These days someone is bound to think of Income, Tex. Of course about Illinois, Mr. Jackson, awards first place to Deathly, Ill. We like Proan, Conn.; Coea, Colo.; Either, Ore.; Rockand, R. I.; and Faarmerina, Del.

And then there's always that model of simplicity, Mr. Jackson, that you failed to mention: Bee, O.

FOR MERITORIOUS SERVICE IN PRESS RELATIONS—Lt. Col. Aubrey L. Thomas, former chief of the press section, War Department Division of Public Relations, has been awarded the Legion of Merit for exceptionally meritorious service. The presentation was made by Maj. Gen. Floyd L. Parks (left), chief of the Public Relations Division. Col. Thomas served in the press section since September, 1943, and was cited for "exercise of tact and understanding of both the problems of the War Department and of newspaper correspondents."

During World War I Col. Thomas volunteered with the French field service in 1916 and served with the French in the Champagne. When America entered the war he enlisted in the U. S. Army in France and continued with the AEF until 1919. For his World War I service he was awarded the Croix de Guerre, the American Field Service Medal and the Verdun Medal. Col. Thomas attended Princeton University and entered newspaper work in Atlantic City. Subsequently he was employed by the Philadelphia Public Ledger and the Baltimore Sun.

Mr. and Mrs. W. W. Crawford shopped in Amarillo Tuesday. Lonnie Hahn from Amarillo was in Clarendon Friday.

From where I sit... by Joe Marsh

Who Gets Off Easiest—Men or Women?

Maybe you saw that poll on who has the easiest life—men or women? Of course, the men voted that the women did, and the women vice versa.

It would be the same in our town—take any family. Thad Phibbs envies his Missus spending the day at home, with no hot office to attend to. And Sue envies Thad his luncheons with the boys; and his evening glass of beer with friends (while she cleans up the dishes in the kitchen).

Of course, none of it goes very

deep. Thad knows way deep down that the Missus has plenty of work running a house; and Sue knows Thad's friendly glass of beer is well-deserved relaxation after a long hard day's work.

From where I sit, most husbands and wives may grumble now and then—but they know in their hearts it's a case of live and let live, give and take, that comes out pretty even in the end.

What does it take to run a baby?

Plenty—and plenty of electricity, too. A hungry young citizen needs food—lots of it—often. That food needs preparation—refrigeration—reheating.

Baby needs hot water—lots of it—often. So does his wardrobe. And because Mother worries about germs, she boils practically everything but Baby himself.

Clocks must be dependable when there's a baby in the house. Lights must go on—quick—when he cries out in his sleep. Rooms must be kept warm—the list is endless.

Today's mothers are luckier than those of 20 years ago. With electricity ready at all times—in any quantity—to help with the household chores, mothers have more time to enjoy their youngsters. Never before has electricity done so many tasks for so little cost. Actually, the average family today gets twice as much electricity for its money as it did 20 years ago. Your friends and neighbors in this company—and your own increased usage—helped make that possible.

Weekly SURPLUS NEWS WAA

All roads throughout the Panhandle will lead to Hereford next Wednesday, Nov. 13 as the War Assets Administration throws open the doors of the former wartime Prisoner of War Camp in a huge "site sale".

Lumber, plumbing and heating equipment and supplies; electrical equipment and fittings, all stockpiled by WAA to offer for sale to aid in alleviating the critical housing shortage for World War II veterans, will be offered November 13, 14, 15, 18 and 19 to holders of HH priorities.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly always the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

For the opening five days of the sale each holder of an HH Priority will be limited to buying materials not to exceed an amount sufficient to complete construction of one five-room dwelling.

If you are a veteran of World War II and want to buy a typewriter, listen—

War Assets Administration sells typewriters only to veterans—no others. A veteran must first be certified by WAA, a simple procedure of presenting an honorable discharge. This certificate will permit him to buy one typewriter.

At this moment the Fort Worth regional WAA office has on hand several hundred more typewriters than there are veteran applications.

If you are a World War II veteran, and want to buy a surplus typewriter, apply at once to the WAA office in Fort Worth, in person or by mail, at the T&P building. WAA hasn't been issuing any certificates for typewriters since May 31—this chance to be certified is a change in policy and will last only until Dec. 1.

Other items on the veteran set-aside list, like typewriters for exclusive sale to veterans, include office furniture, wrist watches, sleeping bags and other hard-to-get items, on which certificates now are available.

Veterans throughout the Panhandle area who have not previously applied to War Assets Administration for the necessary certification to participate in surplus property disposals will have two days Wednesday and Thursday, Nov. 13 and 14, during which WAA field representatives will be in Amarillo.

Doyle Smith and James L. Adkins from the Fort Worth WAA regional office will be at the Old Library building, 6th and Taylor Sts. each day from 9 to 12 and 1 to 5 in the interests of veterans of this area who seek to be certified or desire current information on surplus property available in coming sales.

J. P. Alexander Buried at Hedley

Funeral services were held at the Presbyterian church at McLean Wednesday morning for J. P. Alexander with Rev. Floyd Grady officiating.

Mr. Alexander, age 84, died at McLean Monday night where he had lived for 10 years, moving there from Hedley, where he had resided since 1901.

He is survived by his wife; four daughters, Mrs. T. J. Coffey, Lubbock; Mrs. Ernest Thompson, Quanah; Mrs. Alton Johnson, Vernon; and Mrs. Lou Wood of Stinnett; and four sons, Alva of Amarillo; Odes of Wichita Falls; Oscar of Albuquerque, and Don of McLean.

Interment was in the Rowe cemetery at Hedley with the Womack Funeral Home in charge of arrangements.

W. D. Kidd is convalescing after two weeks' illness.

Lee Shelley of Lubbock was visiting in Clarendon the weekend.

Veterans' News

Contact offices of the Veterans Administration are fast becoming familiar places to war veterans of the Southwest, judging by the reports of Contact Representatives.

From January through September of 1946, a total of two million contacts were handled by VA representatives in Texas, Louisiana and Mississippi.

More than 1,334,000 were personal contacts.

Some 391,444 veterans phoned in questions and requests for information, while 279,752 contacts involved correspondence.

The desire for information on new veterans legislation enacted by Congress in August drew large numbers of ex-servicemen to VA contact offices during September. Veterans getting ready to go back to school in September also paid thousands of calls to VA offices for guidance.

Another phase of contact activity—that of preparing benefit applications—went forward as usual with Contact Representatives preparing 41,138 applications in August and 35,373 in September.

World War II veterans entering business on VA-guaranteed loans are setting out on some unusual enterprises.

A Jackson, Miss., Air Corps veteran operates a complete children's shop. Down in New Orleans, La., a former artilleryman has opened a frozen food factory. Two former nurses in Seguin, Texas, have bought and are now managing a hospital.

Mrs. W. K. Adams of Hereford is visiting her mother, Mrs. J. O. Thompson.

Faye Kidd returned to St. Anthony Hospital in Amarillo after a week end visit with her parents here. Mr. and Mrs. W. D. Kidd. Faye is a student nurse.

R. B. Carter Rites Held Wednesday

Funeral services were held Wednesday afternoon at the First Baptist church at Goodnight for Robert Byron Carter with Rev. A. B. Moseley officiating. Mr. Carter, age 42, died at his home at Goodnight Sunday night.

Mr. Carter, member of a pioneer Armstrong County family, was the Democratic nominee for county commissioner of precinct 4 in Armstrong County. He had lived in that locality since 1919 and enjoyed a wide acquaintance in Clarendon and among the farmers living in the west part of Donley County.

He is survived by his widow whom he married in July of 1942. Other survivors include his mother, Mrs. Martha Carter, Goodnight; four brothers, Grady L. Carter, Fort Worth; M. J. Carter, Sunray; B. F. Carter and James Carter, both of Pampa, and six sisters, Mrs. S. Barham, Lefors; Mrs. W. C. Hubbard, Goodnight; Mrs. W. C. Maples, Guymon, Okla.; Mrs. Kenneth McDonald, Centralia, Ill.; Mrs. A. L. Carter, Rotan; and Mrs. Ed Arrington, Goodnight.

Palbearers were C. M. Hudson, Lloyd Reid, Clyde W. Hudson, R. T. Gilbert and David Burrow.

Interment was in the cemetery at Goodnight with the Womack Funeral Home in charge of arrangements.

"Site Sale" Purchaser

Joseph F. Jones of Clarendon was reported by War Assets Administration to have been among the first day purchasers at the "Site Sale" at Pantex Ordnance Plant during this past week. Jones purchased a space heater, together with a metal table and copper wire connectors for \$37.71.

Bob Terry who is attending Texas Tech at Lubbock spent the weekend with Bud Moore.

Mr. and Mrs. Glen White of Shamrock attended the football game Friday night also visited relatives while in Clarendon.
