Broncs To Tangle With Eagles At Chillicothe Friday Night

The Broncs will have a good opportunity to test their strength this Friday night when they journey to Chillicothe to tangle with the Eagles in a non-conference game.

The Eagles have been picked as the pre-season outstanding team in that district and won their first game last Friday night from the Paducah team which is said to be quite strong this year, and the Eagles won the game by a short margin of one touchdown.

The Broncs will enter the game minus one regular player and maybe another. Gene Bulman, an outstanding lineman for the Broncs who really put in a good game last Friday, had the lowest feelings of any man on the team when an X-ray revealed he had broken four toes in practice Monday afternoon and which means that he will probably be out the remainder of the season. Whitsell, another regular is nursing an infected finger and it is not very probable that he will see any action Friday night.

Outside of these injuries the remainder of the Broncs squad is up in good trim for the game, and will be in there doing their best. Coach McKnight has been putting the boys through a stiff routine all week and states that they are looking much better and were handling the ball quite a bit better.

A mighty nice crowd was out to see their first game last week and it sure would be great if a good portion of those fans could go along with the Broncs this Friday night. They always need all the backing they can get, and especially when they are away from home.

CONSUMERS FOOD LOCKER PLANT BUILDING PERMIT HAS BEEN APPROVED

Fort Worth, Texas—The application of the Donley County Consumers for construction of a \$13,566 food locker plant in Clarendon, Texas, has been approved by the Civilian Production Administration, Walter P. Camp, district CPA manager, has announced. The project was granted as essential to the increased preservation of food, Camp stated.

Charged with the responsibility of authorizing essential commercial and industrial construction so that more materials can be channeled into G. I. housing, Camp stated that since March 26, the freeze date on all construction, proposed non-housing structures valued at \$6,907,012 in the Fort Worth area have been denied.

Veterans Meeting Scheduled For Tuesday Night

All veterans who are farming, who are working as clerks, salesmen, mechanics, or any other similar type of work, and who are interested in the vocational training program for veterans should meet at the College Auditorium, Tuesday night, September 24th at 7:30 p. m. This meeting is for all veterans in Donley County, who are in the above listed professions and who are interested in participating in the vocational program which will require approximately 42 hours per month and will pay the veteran \$65 to \$90 per month depending upon whether or not he is married.

Every veteran who is interested is requested to attend the meeting regardless of whether or not he has completed drawing his unemployment or self employment benefits. The courses will be started as soon as twenty or more veterans get their form 1953 in and approved.

According to Zane Brewer, Vocational Supervisor of the work who met with the county school board Saturday, each veteran will receive one year and the length of time he spent in the service up to 48 months, which is the maximum length that any veteran can be approved.

FORMER CLARENDONITE VISITS FRIENDS HERE

Bill Murray, former J. A. ranch cowboy and one-time Clarendon baseball player visited old friends here Sunday. It was his first trip back in 37 years. Murray was a school boy in the public school here at the turn of the century and left Clarendon for Fort Stockton in 1909 where he is now serving as county commissioner for Pecos county. A brother, Gentry Murray, from Pampa accompanied him. The brothers were members of a pioneer Donley county family.

Mrs. Mary Davis Buried Sunday

Funeral services were held Sunday afternoon at the Methodist Church at Claude for Mrs. Mary D. Davis with Rev. H. W. Hanks officiating, assisted by Rev. Ray Lee.

Mrs. Davis, age 81 years, passed away at a local hospital Friday morning Sept. 13th.

Mrs. Davis is survived by four daughters, Mrs. R. A. Baker and Mrs. J. A. Black of Amarillo, Mrs. Lee Curry, Summerfield; and Mrs. D. L. O'Connor of Danbury, Conn. She is also survived by one sister, Mrs. G. W. Robertson, Ralls; 12 grandchildren and 16 great grandchildren.

Mrs. Davis, wife of the late W. A. Davis, was the last surviving charter member of the First Methodist Church at Claude. Founded about 1889, the Church was one of the first organized in the Panhandle.

Known as "Aunt Mary" to a host of friends over the area, Mrs. Davis presided at a special note-burning celebration sponsored by the church in February, 1945. The celebration was occasioned by final payments of indebtedness outstanding against the Methodist organization.

At the ceremony, Claude Howe, then chairman of the board of stewards, enumerated the indebtedness carried by each promissory note. As the oldest member of the congregation, Mrs. Davis burned each instrument, signifying financial progress by the church.

Mr. Davis was an early-day peace officer and political figure in Claude. He served two terms as sheriff, 1906 to 1910. He was deputy sheriff of the county for many years.

Mrs. Davis came to Armstrong County about the time Claude was founded. She arrived there from Collin County shortly after the first railroad service was placed in operation in Armstrong. She was preceded a short time by Mr. Davis, who drove a wagon through from the old home near McKinney. The Davis family was one of the first in the wave of settlers which hit Armstrong County in 1838.

Her first home was a dugout, one mile south and one mile east of the present site of Claude. There she and Mr. Davis planted one of the first fruit orchards in the Panhandle-Plains.

Some two thousand apple trees were in the original plantings, creating one of the major attractions in the vicinity.

For many years, she was an active member of the Order of the Eastern Star and the Rebekah Lodge. Mr. Davis was a leading member of the Masonic Order in the Panhandle during the early days.

To enable her children to attend old Clarendon College, Mrs. Davis moved the older members of the family to Clarendon in 1916. Mr. Davis remained on the farm, on which he had filed about 1888, and visited the family every week end.

About 1924 he sold the old home place and moved to Clarendon, where he died in 1940. He was justice of peace in Donley County at the time of his death.

Burial was in the Claude Cemetery with the Womack Funeral Home in charge of arrangements.

BOBBITT INFANT BURIED SUNDAY AFTERNOON

Graveside services were held at the Citizens Cemetery Sunday afternoon for the infant daughter of Mr. and Mrs. H. G. Bobbitt, with R. D. Banks officiating. The infant lived only a few hours after birth Sept. 15.

Surviving besides the parents are two brothers Leonard and Emmett Carroll and one sister Norma Ann.

Burial was in Citizens Cemetery with the Womack Funeral Home in charge.

SHERIFF WARNS DOVE HUNTERS

Sheriff Guy Wright issued a warning the first of the week to all dove hunters shooting from automobiles and along public roads, after receiving several complaints from land owners since the opening of dove season Sept. 1st. During the past week-end three stock animals were shot on different places not far from town and the Sheriff stated that this type of hunting must stop and that anyone being reported in the future would be prosecuted.

Besides being dangerous to human life, this type of hunting is quite costly some times to the land owner when he loses a valuable animal. If you plan to hunt, be sure to get permission from the owner before you start, the sheriff added.

OUT-OF-TOWN RELATIVES AND FRIENDS ATTENDING FUNERAL HERE MONDAY FOR NANCY NELL LA GRONE

Out-of-town relatives to attend the funeral of Nancy Nell La Grone here Monday were her aunts, Mr. and Mrs. D. T. Mr. and Mrs. E. Bryson had for weekend guests their uncle, Mr. and Mrs. H. A. Coleman and a cousin, Jim Edwards of Dallas, her sister, Mrs. N. F. Nicknell and son Wilton from Goodnight. They left for their home Tuesday, Mrs. W. S. Hearne accompanied them home for a two weeks visit.

Army Plane Crashes Near Goldston Wednesday Evening, Killing Pilot

An Army P-51 plane crashed about 8 p. m. Wednesday evening on the Risley farm about three miles east of Goldston, killing the pilot instantly. The local airfield received a call stating that the pilot was overdue at his destination which was given as Okla. City, and asked that a search be made from here. A searching party was out until after 1 p. m. last night but no signs of the plane could be found. Mairice Risley told Constable

Murder Charge Filed In Fatal Accident

Thomas Henry Fender, 21, driver of a speeding car which caused the death of a six-year-old girl and injuries to five other persons in a grade-crossing accident late Saturday night in Amarillo, was released from the county jail Monday morning after posting \$2,000 bond on a charge of murder without malice. Fender had been taken to the county jail at noon Sunday after his release from St. Anthony's hospital after treatment for shock and a cut above his right eye.

Killed in the accident, which occurred at the Santa Fe crossing on highway 66 east of the city, was little Nancy Nell La Grone, daughter of Mr. and Mrs. C. C. La Grone of Clarendon. The injured were Fender, who lives at 900 Kentucky; Thelma Bishop, 18, student nurse at Northwest Texas hospital; Miss Iva Davis, 47, Clarendon; Kenneth Reed, 20, 2103 Lipscomb, and Mrs. Billie Jo Reed, 19, also of 2103 Lipscomb.

Miss Davis was in St. Anthony's Monday with a compound fracture of the right leg between the knee and ankle. Miss Bishop was reported resting well at Northwest Texas. She suffered a cut on the forehead, another being one ear and two teeth knocked out, hospital attendants said. The other injured persons were released following emergency treatment.

Witnesses said Reed, driving a 1931 Buick coupe in which Mrs. Reed, Miss Davis and Nancy were passengers, had stopped at the crossing to let the train pass, when Fender whipped around another car driven by C. W. Howell of Borger, who was slowing down for the crossing, and crashed into the rear of the Reed car, driving it forward into the path of the engine.

The car was carried about 200 feet before the train came to a halt. N. R. Sparks of 2116 Fillmore, the conductor, said the train was not going more than 20 miles per hour when the automobile was knocked into its path.

Don Barker Named District F.F.A. Officer

Don Barker, son of Mr. and Mrs. Carl Barker of the Hudgins community, was named vice-president of the Greenbelt District of Future Farmers of America at Lakeview, Tuesday afternoon. The Greenbelt association is composed of ten schools with some 500 F.F.A. members.

In addition to the regular district meeting, the annual district banquet was held at Lakeview Tuesday night and nine future farmers of Clarendon and their adviser J. R. Gillham attended the meeting.

Jack Spencer, Barker, Durwood Skelton, Glen Sanders, Travis Ivey, Kenneth and Jack Stone, Lawrence Taylor, and Ralph Nichols were the local members attending the district event.

Rev. E. D. Landreth has returned home from attending the District Supt. meeting of the entire Methodist Church at Grand Rapid, Mich.

COLTS TO PLAY LEFORS JUNIORS SEPT. 26

Raymond Adams, coach of the Junior High Colts stated yesterday that he had matched a game for the locals with the Lefors Junior squad on Thursday night, Sept. 26th at the local field.

Coach Adams stated that the Colts were showing good form and were very much enthused over their coming game with the Lefors boys.

Bronchos Win Season Opener

The Clarendon Bronchos opened their 1946 season with a big pitch, stampede or whatever you want to call it, last Friday night and trampled the Estelline Bulldogs with a score of 55-0.

Approximately 1,000 fans were out in the misty fog to give the Broncs some real backing. The Broncs had lots of spirit and showed that they had been working hard in preparation for the game.

The Broncs drew blood in every quarter of the game, scoring twice in the first quarter, three times in the second, and twice each in the third and fourth quarters. Only one extra point was converted.

The scoring started only a few plays after the game was opened when Chilton skirted around left end from the 11 yard line for the counter. Mayo followed a little later with a plunge through center from the 3-yard line for the second quarter. Early in the second quarter, captain George Bulman went over from the 4 yard line for the 6 points and converted his own extra point. Chilton scored again with an end sweep from the 15 yard line. For the fifth tally, Harp intercepted an Estelline pass and sprinted through the group for 44 yards and over the goal strip for 6 points. The half ended as Bulman pushed the pigskin to the 1 yard line, just one play short of another score.

During the third quarter Bulman and Mayo each scored again and in the fourth quarter Harp and Bulman scored six points each to bring the total to 55.

The scoring display by the Broncs backs was a sight that was enjoyed by all Clarendon fans, but let's not forget the excellent work that the Clarendon line was doing all the way through the game and the blocking that was put forth by the blocking backs who were not carrying the ball. Our line is something to be proud of if they keep showing as well as they have today. The tougher teams such as Shamrock and Wellington are not going to push those boys around very much, for they intend to do some pushing themselves.

The Estelline team offered no threat throughout the entire game, but this was probably due to their inexperience, etc., as they had some fair sized boys in their line-up.

The Broncs piled up 419 yards rushing to Estelline's 48 and made 15 first downs to their three.

GIRL SCOUTS BEGIN FALL ACTIVITIES

The Clarendon Girl Scout organization began its Fall activities this week with a two-day training school for leaders and troop committee members. This school, conducted by Miss Ida Mae McClure, Area Executive, was attended by 17 women.

Meetings with the Brownie Scouts, Intermediate and Senior Girl Scouts were held in the Girl Scout room at Clarendon College.

At the board meeting on Tuesday night M. L. Thornberry, president, called for reports of all committees. Nineteen Scouts from Clarendon attended the Area Camp at Camp Ceta Glen. Plans were made for a Brownie Investiture on Saturday, Sept. 21. On October all of the Girl Scouts will hold a candlelight Investiture in the Episcopal Church.

Several board members plan to attend an Area meeting on October 15 in Childress. The Regional Conference to be held in San Antonio on October 28-29-30 will be attended by one member of the Clarendon Board.

Miss McClure commended the Clarendon Girl Scouts for their fine achievements since their organization in April of this year.

Leaders of the troops are Mrs. G. W. Estlack, Mrs. Bert Smith, Mrs. Joe Jones, Miss Maxine Ellis, Mrs. Bill Thornberry, Mrs. Warrin Fry, Miss Jo Word, and Mrs. Bill Bentley.

TEXAS-OKLA. SINGING CONVENTION TO BE HELD HERE SEPTEMBER 29

The fall meeting of the Texas-Oklahoma singing association will be held in Clarendon, Sept. 28th and 29th, according to Newton Waldron, one of the officials of the organization. The meeting will be held at the Methodist Church.

A similar meeting was held here last fall and was enjoyed by a capacity crowd at each of the sessions. A number of rooms will be needed for visiting delegates on the night of Sept. 28th and any one who can possibly take care of any of the singers will please notify J. R. Gillham of the same.

Mr. and Mrs. Huey Davidson and daughter Kathleen of Sterling, Texas were weekend guests of Mr. and Mrs. W. C. Mooney and family.

Services Held Monday For Nancy La Grone

Funeral services were held at the First Baptist Church Monday afternoon for Nancy Nell La Grone with Rev. J. W. Reynolds of Tyler officiating.

Little Nancy Nell, age 5 years, lost her life Saturday night when the automobile in which she was riding was knocked in front of a freight train at Amarillo last Saturday night. Nancy Nell would have attained her sixth birthday Sept. 25th.

She is survived by her parents, Mr. and Mrs. Jake LaGrone, three sisters, Mrs. Billie Jo Reed, Amarillo; Laura Ruth and Cora Belle LaGrone, both of Clarendon; four brothers, Jerry, Brack, Odell and Tommy LaGrone, all of Clarendon; and her grandparents, Mr. and Mrs. W. A. LaGrone of Comanche.

Flower girls were Iva Jean McAnear, Sadie Beth Ewing, Barbara Estlack, Donna Lane, Patsy Estlack, Loretta Mooney and Tommie Mae Dunlap.

Burial was in Citizens Cemetery with the Murphy-Spicer-Buntin Funeral Home in charge of arrangements.

The Donley County Fair will be held in the "Shine" Martin garage, a new building now being finished for Mr. Martin's new business. Mr. Martin says this is a good way to start off his garage business, a county fair in his new building.

The fair and horse show will be held this Saturday, Sept. 21st. Prize money of \$25.00, \$15.00 and \$10.00 will be given for the best community exhibits. Mr. Carroll Lewis is preparing the Lelia Lake exhibit; Raymond Everetts, the Hedley exhibit; Mr. Vaughn, the Naylor exhibit, and other communities are being contacted as this article goes to press. John Gillham will have all his boys bring in farm products to put on display, and H. M. Breedlove says if the weather clears up in the next few days we can expect a good fair this coming Saturday.

The horse show will be under the direction of Joe McMurtry and will be held in the Football park. The horse show starting time is nine o'clock in the morning and all horses are to be at the football park at this time. The races will be held at two thirty in the afternoon at the Clarendon roping club pens. A race track has been graded for this occasion and a big time is promised to all that attend these events. A price of 25c for children and 50c for adults will be charged for the horse show and the races to help pay the premium money. LIBRARY NOTES

By Mrs. C. A. Burton

Books wear out — especially popular books. And the "Bobbysey Twins," are popular—if you are not sure of that, ask the youngsters. So among the new books this week are "The Bobbysey Twins," and "The Bobbysey Twins on the Pony Trail."

Then we have a few new ones for the boys and girls and also for the grown-ups. "Our classics, "Little Women," "Little Men," and "Eight Cousins" are in tatters, so we have a

new copy of each. May the day never come when these stories by Miss Alcott are not loved.

The Beverly Gray books by Clair Blank have been enjoyed so we have two new ones, "Beverly Gray, Sophomore," and "Junior." "The Black Stallion" by Forby came, but "The Black Stallion Returns" has not arrived.

"Front Page History of the Second World War," the New York Herald Tribune chronology will be a worthwhile reference in years to come. "Chicken Every Sunday" and "Three O'clock Dinner" by Rosemary Taylor look interesting, and so does "Blind Adventure" by Monroe L. Fox.

"Come Jack" by Robert H. McCullough is a good looking dog story, and dog stories appeal to young and old. Our copy of "Papa Was a Preacher" is replaced by a new one. J. Frank Dobie has written nothing quite so good as his "A Texan in England," reminiscences of his year at Oxford as Exchange Professor. A few Boy Scout books which have been ordered have not arrived.

In addition to these Woodrow Bulls, who was a lieutenant in the Navy in our recent unpleasantness "brought me two books on the Navy, Naval Officer's Guide," and "Navigation and Nautical Astronomy." He is an old-time friend of the library, so brought these as he was disposing of the accumulation of Naval literature.

Kenneth Roberts has a new book, "Lydia Bailey," which is to be a Literary Guild selection. It is said to be a story about pirate wars in Tripoli.

A new literary scandal is Edmund Wilson's "Memoirs of Hecate County," which has been banned in many states. Doubleday Doran are the publishers, and they asked Wilson to eliminate some parts of the story. He refused, and no more copies will be published.

Oscar Serlin, producer of "Life With Father" leaves for England shortly to arrange for a London production of the play. "Life With Father" is worth reading—

GROUND FORCES WINTER EQUIPMENT TEST IN ARCTIC—Winter's cold and snow, as illustrated here, will be a daily companion to 4,000 Army Ground Forces troops taking part in winter equipment tests to be held in Alaska and Camp McCoy, Wisconsin, between October 1 and April 30, 1947. Three separate task forces will determine the extent to which existing equipment will function and what new equipment is required for the ground team to fight under all winter conditions. Task forces "Williwaw" and "Frigid" are being assembled for early departure for Adak, Alaska, and Fairbanks, Alaska, while task force "Frost" already is at Camp McCoy. Left, equipped with heavy clothing to offset extremes of cold the pictured soldier is representative of 4,000 Ground Forces troops to test equipment in Alaska and at Camp McCoy, Wisconsin. Right, in a practical test showing a patient being brought to a first aid station on an improvised litter toboggan.

from our shelves—even if we can't see the play. Erich Maria Remarque whose "Arch of Triumph" was his first book in many years, is working on two new novels. They, too, will probably be war stories, as were his books soon after World War I which we have, because of the fact that his father was killed by the Nazis in Germany.

WASHINGTON NEWS LETTER

By Cong. Eugene Werley

Peiping, like many other Chinese cities, is surrounded by a high wall of tremendous thickness and all entrances to the city are guarded. The Communist Army was very active in that area and the Nationalist forces were taking no chances of a surprise attack. The type of Chinese in the north seemed to be different from those in the south. The northern Chinese are larger in size and seem to be more versatile. Weather in the northern part is often severe in winter while it is generally temperate farther south.

Again came conferences with our American representatives and about daylight a day later, we were leaving for Tokyo 1400 miles to the east. We had been "advised" at Peiping not to fly closer than twelve miles over Port Arthur, which is a heavily fortified Russian base in lower Manchuria. You will probably recall that a number of our Navy planes had been shot at or shot down by the Russians when they came any closer than the twelve mile limit. Having no desire to either be shot at or shot down, we skirted Port Arthur from 12 to 15 miles but our binoculars helped us to see the port and facilities reasonably well. It seems more than strange that our former allies, the Russians, would adopt such an attitude, particularly when we allow them full permission to fly in or over our own installations either in Europe or the Far East or the U. S. We have nothing to hide but apparently they have.

We made an unscheduled landing at Seoul in Korea and spent a short time there with our own occupation forces. As usual, I inquired if there were any Texans about and of course found Texas well represented. One member of the Committee was from a small Middle-Western state but, much to his own dismay, he seldom found a home state boy.

In Korea our forces occupied the southern half with the Russian forces in the northern half. The Russians put our forces on notice they were not to come north of 38 degrees, a boundary which is the dividing line of the occupation forces. While the Commanding Officer informed us there had been no recent conflicts between the two forces, we were given to understand that the entrance of any of our people into the Russian Zone would be most vigorously opposed. It is important to point out that the USSR has an occupation force of better than two hundred thousand soldiers, plus a strong air force, in their zone compared to the handful we have in the American Zone.

Leaving Korea, our next scheduled point was Nagasaki on the southwestern tip of the Japanese chain of islands. We had hoped to see where one of the two atomic bombs was dropped. However, the weather was very bad over Nagasaki so we turned north to

Hiroshima and saw where one single atomic bomb had killed at least sixty thousand people. Save for a few concrete and steel buildings, absolutely nothing was left of Hiroshima in the area where the bomb hit. I have seen the shambles left in several of the big German cities but the destruction there was not as complete as the destruction of Hiroshima. In addition, the German cities were destroyed by thousands upon thousands of block-busting bombs and incendiaries whereas Hiroshima felt the force of only one bomb. It should of course be borne in mind that the construction in Japan is entirely different from the modern German towns but one important thing to remember is that the concussion from the bomb itself and the radioactive properties destroyed sixty thousand lives. Just compare this with the population of Amarillo, for example, and then wonder what sort of defense we could use against an enemy attacking with atomic bombs.

Next Week: Tokyo

Miss Anna Moores and her niece Anna Moores Swift returned home Saturday night from a three weeks vacation. They visited New York, Niagara Falls, Toronto and Quebec, Canada while on their trip.

Mrs. J. L. McMurtry, Mrs. Ray Palmer and Mrs. Simmons Powell spent the weekend in Dallas. Mrs. McMurtry and Mrs. Palmer attended the wedding of Joan Lewis. Mrs. Powell visited her sister, Mrs. Ed Gordon.

The Force that Holds Up the Rainbow Natural Bridge..
OIL PLATES Your Engine!

ONE of America's wonders is the tremendous Rainbow Natural Bridge in Utah. Weighing millions of tons, it's held up by the mighty forces of attraction that exist between molecules of stone.

By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring motorists new and better oils. For example, under laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

Because molecular attraction holds Conoco OIL-PLATING up where it belongs

... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

- added protection when your engine starts up
added protection from corrosive action
added protection from wear that leads to fouling sludge and carbon
added smooth, silent miles

KNOTTY RESIDENTS.
One fellow, in speaking of the knotty lumber being brought through here on trucks, allows as how he can tell where the lumber comes from. He looks at the kind of squirrels that come out of the knot holes. If it is a blue with tassels on his ears, that is a mountaint squirrel and the lumber is from N. M. If the animal is of the red fox type, he knows the lumber is from east Texas.

JOAN LEWIS IS BRIDE OF GEORGE LISTON TATUM

Church of the Incarnation at Dallas was the scene Saturday evening, Sept. 14, for the marriage of Joan Lewis, daughter of Mr. and Mrs. William Jenks Lewis of Dallas and Clarendon, to John Corley Tatum, son of Mr. and Mrs. George Liston Tatum of Corsicana.

Rev. Gresham Marmion read the double-ring service at 8:30 o'clock. A hedge of huckleberry in front of the chancel and extending up to the altar was topped with a row of yellow daisies. An arrangement of white lilies decorated the altar.

Proceeding the entrance of the bridal party, a quartet sang Bortniansky's "Lord, Grant Thy Servant," and "The Lord's Prayer." The "Bridal Chorus" from Wagner's "Lohengrin" was sung by a full vested choir.

Miss Alice Tatum of Corsicana, the bridegroom's sister, was maid-of-honor. Bridesmaids were Mrs. G. L. Tatum, Jr. of Chicago, Mrs. William J. Lewis, Jr. of Clarendon, Mrs. John S. Young of Dallas, sister of the bride, Mrs. William Henry Gibbons, Jr., of Houston, sister of the bride, Miss Lenora Rose of Dallas and Miss Betsy Dawley of Dallas.

The bridesmaids wore low-necked period gowns of chartreuse faille and poke bonnets of brown velvet trimmed with chartreuse ostrich feathers. They carried brown velvet muffs with sprays of yellow daisies. Miss Tatum carried an old fashioned laced edged bouquet of yellow roses and wore an off-the-face hat of chartreuse ostrich feathers.

Willie Ann Newbury, daughter of Mr. and Mrs. Edward Lee Newbury of Lexington, Ky., was flower girl and gownned exactly like the bridesmaids.

George Liston Tatum, Jr., of Chicago was his brother's best man. Serving as ushers were William Jenks Lewis, Jr., of Clarendon, brother of the bride, John S. Young, William Henry Gibbons, Jr., Maurice Adam of Dallas, James Fortson of Corsicana and William Clarkson, III, of Corsicana.

Given in marriage by her father, the bride was attired in an original model gown of brocade, fashioned with a high round neckline and long fitted sleeves. An applique of brocade outlined the deep sheer yoke of the fitted bodice and her skirt extended in-

to a regal train. The entire dress was embroidered in tiny seed pearls.

Her veil of imported bridal illusion fell from a halo of heirloom Rosepoint lace. She carried a bouquet of white orchids with streamers of lilies of the valley.

Following the ceremony, the bridal party was honored at a reception in the home of the bride's parents, 4449 Belfort Place. Formal arrangements of white roses and lilies decorated the dining room, and bouquets of yellow roses and daisies were used in the receiving rooms. The tiered wedding cake, surrounded by a garland of yellow roses, was placed in a bower in the garden. Mrs. John Joseph Dorie of Dallas and Mrs. David Hannah, Jr., of Houston cut the cake. Miss Betty Cranfill of Dallas presided at the bride's book.

The couple left on a wedding trip to Denver, Colo., and the Panhandle. Mrs. Tatum traveled in an Autumn wine tailored suit with brown accessories and a white orchid corsage. They will be at home in Corsicana after October 1st.

Mrs. Tatum attended Vassar College, Poughkeepsie, N. Y., and received her degree from the University of Texas, where she was a member of Kappa Alpha Theta Sorority and Phi Beta Kappa.

Mr. Tatum attended the University of Texas, where he was a member of Sigma Nu Fraternity, and served as a pilot in the U. S. Army Air Forces.

Out-of-town guests attending the wedding were Mrs. John Corley, Mexia, and Mrs. William Tatum, Corsicana, both grandmothers of the bridegroom; Mrs. James Fortson and Mrs. William Clarkson, III, of Corsicana; Mr. and Mrs. Walter Knorpp, Mr. and Mrs. Fred Chamberlain, Mrs. Tom Goodner, Mrs. J. L. McMurry and Mrs. Ray Palmer, all of Clarendon.

"The G.I. Bill made it relatively easy for them to get capital. But it takes more than capital to make a success of a small business. It takes experience, good judgment, and a lot of hard work. There is always an element of risk. A large percentage of small businesses fail within a year. In most cases, that is due to lack of preparation on the part of the new owners.

Veterans News

Officials in the Dallas Branch Office of the Veterans Administration are making strenuous efforts to help every disabled veteran seeking education to get into the crowded schools of the Southwest this fall.

All schools in Texas, Louisiana and Mississippi have been contacted within recent days and urged by VA to give preference to disabled ex-soldiers when classes are enrolled late in September.

General Bradley, Veterans Administrator, has taken a personal interest in helping disabled veterans to finish their schooling and has directed that every resource to this end be used.

A list of schools in the Southwest which have indicated they are able to give preference to disabled veterans is now being compiled by VA.

Nearly 10,000 disabled veterans of Texas, Louisiana and Mississippi were in training or enrolled in schools at the beginning of August. This is more than seven times the total number—1,252—enrolled a year ago.

VA's loan guarantee officers had some words of advice this week for veterans who want to start small businesses on a GI loan. One experienced loan officer summed it up this way—

"If you are thinking about going into business for yourself, Mr. Veteran, walk—don't run—to your bank or lending agency for that GI loan. And before that—think things out carefully.

"There are many indications that this is an especially good time to start a small business, and it is understandable that many veterans should want to

HAS RESUMED PRACTICE
 Office Hours—1:30 p. m. to 5:00 p. m.

"Doggone, Mrs. Spaniel, you've got a fortune there!"

"Wonder how much, friend Foxhound?"
 "I'd say a hundred bucks apiece, charming lady!"
 "Flatterer! Why, when my grandpa was a pup, he brought only \$25. That was 20 years ago, of course, but he became a Champion!"
 "My good woman, don't you realize how much prices have gone up since then? Look at hamburger, for instance..."
 "Oh, Mister, how I'd love to look at hamburger!"

"Stop it—please! My point is that the price of nearly everything has gone way up in the last 20 years. Except electricity. And us dogs don't use electricity. That's unfair. I'm going to raise a howl about it!"
 "But we do use electricity in lots of ways. It cooks our food and warms our baths and whisks our spare hairs off the furniture."
 "H-m—guess you're right, gorgeous gal... And it'll please you to know that the average family gets twice as much electricity for its money today as it did 20 years ago!"
 "Twenty years ago—when Grandpa was a pup—and hamburger was... how much did you say hamburger was?"
 "I'll have to scratch up the exact figure for you. But now I must run along and pick up a scent. Electricity and I—forgive me—do a great deal of work for a cent. Yip, yip! Good day, Mrs. Spaniel."

Though this story's all fun, its facts are all true. Many things are scarce and expensive these days, but electricity is plentiful and cheap. One reason it's so cheap is because of your wider use—but another big reason is because America's business-managed electric companies constantly seek and find new ways to keep it so.

PRICE CONTROL NEWS

Why Were Prices Not Rolled Back to June 30 Levels?
 Prices were not rolled back completely to June 30 levels for two reasons:

(a) Immediately after the new Bill was signed by the President, OPA began making some price adjustments that were delayed during the June 30-July 25 period in which there was no price control.

(b) The new Act requires OPA to make adjustments in many prices. Some prices will be rolled back only to a point that takes these adjustments into account.

New Restaurant Prices

Restaurant prices returned to the same levels as of June 30. For items or meals made up entirely or in major part of decontrolled commodities, restaurants may adjust their prices to cover their current cost, plus their June 30, 1946, average margin profit. Restaurants may now serve meals at prices higher than the most expensive ones served in their base period. They must file their new prices with their local price control board within six days after they first use them.

Community-Priced Commodities

In general, all commodities which were community-priced prior to June 30 and which still remain under control, will be community-priced on new lists as

quickly as possible. Retailers will post the new lists. Fresh fruits and vegetable lists were issued July 30, effective August 1. Dry grocery lists were revised and new lists issued August 5. Eggs, poultry, butter and cheese are exempt.

The highest legal ceiling price for oranges is now 14c per pound.
