MAYOR JONES GETS ARMY CALL; FIVE COUNTY YOUTHS DRAFTED

The Mayor of Clarendon, Joe Jones, has been called back into active service in the Army Air Corps, and five young men of Donley County have had their draft notices.

Mayor Jones, a B-17 gunner veteran of World War II, has been since the war a technical sergeant in the inactive reserve. He was notified Tuesday that he and nine other men from Texas and Oklahoma should report to Brooks Field in San Antonio Monday. He will not know the results of the physical and processing until Tuesday night.

If Mayor Jones is accepted he will go in as a line chief specialist with the non-commission rank of technical sergeant.

Don Morgan, Billy Neal Bogard, J. E. Johnson, S. J. Smith, and Jack Owens have all had their physicals and are awaiting further notice from the army.

National Farm Loan Stockholders To Get 10 Per Cent Dividend

A dividend of ten per cent on capital stock will be paid to stockholders of the Donley County National Farm Loan Association at the Fair Building in Clarendon August 23 at 8 p. m., Rayburn L. Smith, secretary-treasurer, has announced.

Two directors for a term of three years will be elected at the meeting. The ten per cent dividend checks will be delivered to all stockholders. Dividends returned to members the past year have reduced the average cost of money to 3.41 per cent, a fact which Mr. Smith says is of much interest to farmers and ranchers who are using this member-owned credit organization.

A chicken barbecue with all the fixings will be served picnic style. Flip Breedlove will barbecue the chickens. All members and guests are asked to furnish a half chicken for each member in their party. These will be left at the Donley County Frozen Food Lockers in Clarendon or the Moreman Lockers in Hedley not later than August 21. All other food will be furnished by the association.

Joe David and his string band will present some music. Quizmaster Charles Raines will conduct a quiz show and cash prizes are to be given for correct answers.

Mr. Smith says, "Not only all stockholders, but everyone interested is invited to attend; enjoy a nice social gathering and learn more of the benefits of the Federal Land Bank Loan way of financing agricultural operations."

Oldtimers To Hear Johnny Linn of Radio Station KGNC

Oldtimers will get together Friday at Tate Grove to hear Johnny Linn of KGNC make the main address to the Donley County Pioneer Association.

If one has lived in Donley County twenty years, he is considered an oldtimer by the association. Anyone else wishing to come is invited, and should take a picnic lunch.

Bill Scales is program chairman while Charles Raines and Otis Owens are the masters of ceremony. Alva Simmons will make the welcome address and Frank Finch is to give the response. Mrs. Clyde Bridges will present the history of the picnic since its start. String band music with arrangements by Walter Johnson and special music by Mrs. Joe Crawford will also be on the program. Miss Myrtle Reeves will give an old time recitation.

Other members working on special committees are Frank Murray, Walter Moss, Slats DeBord, Bill Jones, Frank Jones, Tom Bain, Frank Kendall, Mrs. Eva Hill and Mrs. Bill Scales.

Calvin Stapp of Odessa, Texas, one of the boys at Boys' Ranch, was caught just as he was about to leave his perch on the back of a bucking calf. He and all the other boys are putting in a lot of time practicing for their big rodeo.

TALENTED YOUNG LADY HELPS IN PINCH

During the absence this week of Mr. and Mrs. George Wayne Estlack, who are on a fishing trip in Colorado, your Donley County Leader readers are most fortunate in that a talented and trained young lady comes in and pinch hits for the fishing crew.

This young lady reporting is none other than Mrs. Helen Porter Lowe, the wife of our popular city attorney, William J. Lowe. Mrs. Lowe received her newspaper training as a writer in The University of Texas.

Man Found Dead In Tent On JA

Randolph Ross Wilkerson, 55, of Wellington was found dead at the side of his cot in a small tent nine miles south of the John Rhea camp on the JA ranch Thursday, August 10.

Wilkerson had been contracted by the ranch to bale hay only a short time before his death. An inquest was held by Justice of the Peace G. A. Anderson and it was decided that cause of the death was a heart attack resulting from over-exhaustion.

Local arrangements were made here by Murphy-Spicer Funeral Home and then the body was carried overland to Wellington where funeral services were held Sunday at 3 p. m.

Survivors are his widow, Mrs. Bertha Wilkerson; and two sisters, Mrs. Wiley Whitley of Memphis and Mrs. John Higenfelt of Canyon.

Last Rites For Carl Pool Held In Methodist Church

Carl R. Pool, 34, son of Mr. and Mrs. Jess P. Pool and a native of Donley County, died Friday night, August 11 in a San Angelo hospital following an illness of several months.

Funeral services were held in the First Methodist Church at 3 p. m. Sunday with the Rev. John A. English in charge.

Burial was in Citizens Cemetery. Pallbearers were Olin Bain, Roscoe Land, Fletcher Curry, M. R. Allensworth, Seth L. Swinney, and J. R. Porter.

Mr. Pool was born and reared at Hedley. He received his early education in Donley County schools and was graduated at Pampa High School.

He had been a resident of San Angelo for some time. He was a salesman for the Goodyear Tire and Rubber Co.

Surviving relatives include the widow, Mrs. Adelia Pool; a son, Ronald Keith; a daughter, Brinda Sue, all of San Angelo; his parents, Mr. and Mrs. Popl; two sisters, Miss Ila Pool, Pampa; and Mrs. Carl Willingham, Lubbock; and a brother, Bill Pool, Lelia Lake.

Funeral and burial services were under the direction of Murphy-Spicer Funeral Home.

Drilling to Start on Goldston Wildcat By September 1

A wildcat oil well, two miles east and one mile north of the Goldston school, will be started on or before September 1. Drilling contracts call for 5500 feet, through 1000 feet granite wash, to impenetrable granite, or to production.

Option contracts provide the well will be drilled on Section 40 owned by C. T. McMurtry and will be within 320 feet of the south line of section 36, owned by the E. B. Johnson estate.

If drilling starts by September 1 the contractors will get rights to oil and gas leases for four sections.

T. A. Kirk of Colorado City and Henry Ford, Jr. are the drilling contractors.

Football Fans To See Five Home Games

T. O. Harrell, new head coach of the Clarendon High School football team, has announced the 1950 football schedule.

At present the schedule is September 15, Claude, here; Sept. 22, Quanah, there; Sept. 29, McLean, here; Oct. 6, Wellington, here; Oct. 13, Canyon, there; Oct. 20, Shamrock, here; Oct. 27, Lefors, there; Nov. 3, Boys Ranch, here; and Nov. 10, Memphis, there.

Five of the nine games for the season are conference games. They are McLean, Wellington, Shamrock, Lefors, and Memphis.

Two hundred and fifty season ticket books are on sale now to the public for \$3.00. For the fans who buy each ticket separately the five home game tickets will cost \$3.75.

SCHOOL WATER TO BE ANALYZED BY STATE

Water from the five school buildings in Clarendon will be examined for contamination by the State health department.

Vials have been sent to school officials in which to place the water for analysis. They will then be sent to Austin to the state laboratory and tests will be run on them.

Miss Ruth Richerson, county superintendent, says that if anything is impure about the water, the county with the aid of the state health department will pay the costs of having it purified.

ROXIE LOVE PATTERSON DIES AT TUCUMCARI, N. M.

Mrs. Roxie Love Patterson, 57, of Clarendon died at Tucumcari General Hospital Thursday, August 10, following a short illness.

Funeral services were held at the Martin school Friday with the Rev. Ernest Phillips officiating. Burial was in Citizens Cemetery.

Pallbearers were Bill Barker, George Bulman, Pete Land, Guy Sibley, F. C. Crofford and Charlie Hearn.

She is survived by her husband, Ezra E. Patterson of Clarendon; three sons, Ezra E. Patterson Jr. of San Antonio, Robert Patterson of Hobbs, N. M., Lyndle S. Patterson of Clarendon; five grandsons; five sisters, Mrs. R. R. House, Tucumcari, Mrs. T. L. Cowden of Wichita Falls, Mrs. R. E. Simpson of Lamesa, Mrs. J. Marvin Dorn of Colorado City and Mrs. Eva B. Patty of Dallas; and a brother, Walter H. Morrow of Clarendon.

Murphy-Spicer Funeral Home was in charge of the funeral and burial arrangements.

BORGER MAN GETS TWO FINGERS BROKEN

Ted Lewis, employee of the Cressline Oil Company, Borger, broke the ends of two fingers on his right hand as he tried to adjust the fan belt on a truck here late Monday afternoon.

Lewis was taken to the Adair Hospital for treatment. Monday night he was taken back to Borger.

Pre-School Football Training Brings Out Nine Lettermen

Head Coach T. O. Harrell and Assistant Coach Ray Moore started fall training for the 1950 football squad Tuesday morning with only nine lettermen returning for the workouts.

"Prospects are not too rosy," said Coach Harrell after seeing the tough schedule the team will have to meet. "With three-fourths of the squad non-lettermen there won't be many games won," remarked Harrell.

Harrell comes to Clarendon after coaching a year and a half at Crandall. A man who has had honorable mention for All-American, he graduated from Western State in Colorado. While in the V-12 training program, he also played football at Southern Methodist University, The University of Texas, and Southwestern University. He was in the navy for forty-five months, two years of which were in V-12.

Mr. and Mrs. Harrell are to live in the Rayburn Smith apartment after September 1.

FREE VACCINE AVAILABLE FOR ALL DONLEY STUDENTS

"Free vaccine for smallpox will be given to every school child in Donley County by the Texas State Department of Health," announced Miss Ruth Richerson, county superintendent, in an interview Monday.

It is a state law that all school age children shall be vaccinated before starting to school. Miss Richerson said, "With free vaccine being given out, there should be no excuses for not having been vaccinated."

Vaccine will be available at the county health officer's office, Dr. J. Gordon Stewart, although each individual may take the vaccine to the doctor of their choice.

NEWS AND ADS REQUESTED EARLY NEXT WEEK

Due to the fact that the main Linotype operator of the Leader will be absent next week, all copy and news is requested to be handed in early. If you will be so kind as to help us in this matter it will mean a lot to the force who are holding down the job.

National Highway Prospects Take Brighter Outlook

Prospects of a national highway going through Clarendon and Donley County became brighter Wednesday when a petition was presented the state highway commission at Austin seeking a new designation for sections of US highway 287 and state highway 203 in the eastern Panhandle.

W. S. Whaley, manager of the Clarendon Chamber of Commerce, was in Amarillo Monday completing the list of signatures to the petition. Whaley says the new route will follow the old Ozark Trail, from Amarillo to Fort Smith, Ark.

US 366, if petition is granted, will make connections at Fort Smith with national highways which go to the East Coast, Whaley said, thus offering a new route to east-bound nation-wide travel.

Jean Reneau Taken To Plainview Polio Center

Jean Reneau, seven year old daughter of Mr. and Mrs. Scott F. Reneau, is in the Plainview Polio Center with the bulbar type poliomyelitis.

Jean was taken to Plainview Thursday after the family doctor, Paul Laird, M. D., diagnosed the case. She has been in an iron lung since that time. Her father said Tuesday that she was improving slightly, but still taking oxygen. He also stated that a polio victim from Hedley, Boyd Stout, had been dismissed Sunday.

Lelia Lake School To Open Aug. 28

Craig Johnson, superintendent of the Lelia Lake School, announced Wednesday that the 1950-51 school term will begin August 28.

Two new teachers have been added to the staff. They are Chester Hill and Mrs. Bob Word of Clarendon. Other teachers are Mrs. Rice Batson, Mrs. Lester Myers, Mrs. Nelson Seago, Mrs. William J. Lowe, and Mr. and Mrs. Craig Johnson.

New Buildings And Houses Give Prosperous Appearance To City

Go a block or two in any direction in Clarendon these days and there before you is a new business house, a new service station, a new church or someone's house in the process of being built.

For instance, drive east on highway 287 and there lighted up like a drive in theater is the new Davis Bumper to Bumper, just recently completed. Turn west on the same highway and there one may see the new Health building behind Blair & Moss Pharmacy.

Two blocks further the new Noblitt Sales Co. Garage attracts attention. To the left a little way is a new Speed-built house with natural wood trimming. One can drive out the Brice highway and see the Pentecostal Church under construction. It is a 30 x 60 feet concrete block building. The building will include an auditorium and perhaps two educational rooms for Sunday school.

Just west of the Youth Canteen a small cottage is being built by Mrs. J. H. Easterling. It has four rooms and a bath. Directly east of the Ralph Keys house is a conventional bungalow type house built by Roy Clampt. It has two bedrooms, living room-dining room combination, kitchen, bath and small basement.

On the lots south of the Baptist parsonage are two G. I. bungalows being built by Gene Baxter, Maurice Hart and Eddie Forest have purchased these two bedroom houses. They should be completed within five weeks.

The white stucco, brick and redwood trimmed, ranch style house of K. K. Day has attracted much attention. This seventy foot house has three bedrooms, den, living room, dining room, kitchen, and two baths. The eye catcher of this house is the picture window and glass brick corner of the dining room. The garage is attached.

On the same street west of the Day's new house is one that Bill Lane has only recently completed for himself. It is a U-shaped ranch style house with three bedrooms. It also has a large picture window.

Behind the Frank Bourland home is a semi-ranch style house which is nearing completion and is owned by Gene Baxter. Scalloped native stone flower walls at the front of the house add to its attractiveness. Another unusual part of its construction is a crushed marble roof and a granite floor in the den. There are two bedrooms, two baths, living and dining room, living porch or den, kitchen, and utility porch. The garage is attached.

Although one can't see much of the new Doss Palmer house, the lot is being cleared and made ready for a red Roman brick ranch style house just north of the home of Shine Martin and south of George Bagby. There will be two bedrooms, a den, living and dining room, kitchen, utility porch, and double garage. There will also be a full basement.

The public is cordially invited to attend.

Free Chest X-Rays To Be Given Soon

Free chest X-rays will be given the people of Donley County by the State department of Health Sept. 26, 27, and 28.

County Chairman Judge W. J. Williams asks that the people of Donley keep these dates in mind and take advantage of the opportunity. He says that weekly articles will appear in this paper with all the details. It will pay you to be interested.

BONES AND HOLLANDS PURCHASE NEW HOMES

Mr. and Mrs. Homer Bones have bought the Joe Holland home which is located directly north of the Allen J. Bryan home. The Bones' plan to move into their new house at the end of this week.

The Joe Hollands have purchased the house where the Basil Hursts lived. Mr. Holland also obtained the house which the Bones owned. He will rent this to Pete Hopkins who is employed by the L. L. Wallace Burial Vaults.

GROOM TO PLAY HEDLEY IN SHAUGHNESSY PLAY-OFF NEXT SUNDAY AT HEDLEY

The Shaughnessy play-off for championship of the Cap Rock League begins next Sunday with third place Groom playing second place Hedley at Hedley at 3 p. m. Fourth place Washburn will play first place Panhandle at Panhandle Sunday.

Hedley defeated Groom last Sunday at Groom by the score of 15 to 9. Bobby Everett and Junior Hill divided the pitching for Hedley. Bill Britton did all the pitching for Groom. Anglin, Groom short stop, hit a home run with two on base, Brick Stone and L. D. Messer both homered for Hedley. This was a play off game for second place in the regular league standing.

PHARMACIST TO MOVE TO CLARENDON SEPT. 1

Mr. and Mrs. Edwin Woody of Childress will move to Clarendon September 1. Mr. Woody, who has recently sold The Main Drug Co. in Childress, is the pharmacist with Albert Townsend at Townsend Drug.

The Woodys have one son, Donald, who is in the army. They will live in the Charles Speed rent house directly west of the Charles Speed home.

A ten million dollar suit has been filed in Donley County by Nellie Kuteman, formerly of Hedley, as plaintiff against L. R. Spires, et al as defendants. The suit involves title to 12,465 acres of prospective oil-rich Kent County land located north of Scurry County.

William J. Lowe, local attorney, is representing Barnsdall Oil Company, Seaboard Oil Company of Delaware, Sunray Oil Corporation, and M. P. Long and T. W. Prentice, executors of the last will and testament of L. H. Wentz, deceased, defendants in the suit.

Nellie Kuteman alleges in her petition that on or about the 21st day of September, 1942, she executed a deed conveying the land to L. R. Spires, and that L. R. Spires on June 14, 1948 leased the land to a company under whom the defendants claim their rights.

She also alleges that on July 3, 1941, she was adjudged to be a person of unsound mind by order of the county court of Kent County; and that on October 4, 1948, she was adjudged to be a person of sound mind and restoring her to competency; and that if she executed a deed to L. R. Spires on September 21, 1942, she was a person of unsound mind.

The defendant alleges in his answer that L. R. Spires entered into a contract with Nellie Kuteman on September 8, 1942, for the purchase of the land and that the District Court of Donley County, Texas on September 21, 1942, decreed that the plaintiff Mrs. Nellie Kuteman was absolutely sane and of sound mind and body at the time the contract of purchase and sale was executed by her and the defendant, has been continuously so from such date until this trial and has here demonstrated conclusively through her own testimony and that of other witnesses that she is sound in body and mind at the date of this trial, understood fully at all times the nature and character of the said contract of purchase and sale, the properties, considerations and matters involved." It then ordered that the contract wherein Nellie Kuteman was seller and L. R. Spires was purchaser, should be specifically performed. L. R. Spires paid her the purchase price and Nellie Kuteman gave him a deed to the land, and this is the deed that Nellie Kuteman is seeking to set aside.

The defendant further alleges in his answer that the order entered in Kent County on July 3, 1941, was only an application for receivership of the property pending guardianship; that this proceeding was terminated and dismissed on January 8, 1942, by order of the court; that Nellie Kuteman was not served with citation, was never notified, did not know of the proceeding, and did not appear before the court on July 3, 1941, and the orders on July 3, 1941, and October 4, 1948, by the County Court in Kent County are not proof and are not admissible in evidence of the mental capacity of Nellie Kuteman on September 21, 1942, the date on which she deeded the land to L. R. Spires.

The defendant further alleges in his answer that the order entered in Kent County on July 3, 1941, was only an application for receivership of the property pending guardianship; that this proceeding was terminated and dismissed on January 8, 1942, by order of the court; that Nellie Kuteman was not served with citation, was never notified, did not know of the proceeding, and did not appear before the court on July 3, 1941, and the orders on July 3, 1941, and October 4, 1948, by the County Court in Kent County are not proof and are not admissible in evidence of the mental capacity of Nellie Kuteman on September 21, 1942, the date on which she deeded the land to L. R. Spires.

TO SPOT CHECK CATTLE IN DONLEY FOR TB.

The Bureau of Animal Industry has notified county agent H. M. Breedlove that a veterinarian will be in Donley county for a period of four weeks to spot check cattle in the county for TB. This service is free to the people of the county and must be done every five years for the county to be credited as TB free area.

The veterinarian will arrange his own program of work but any one requesting this service can contact the county agent and he will turn in the names to the inspector. The TB testing will be under way this week and last for a period of four weeks.

Old Timer Hears Clarendonite On Radio Program

San Bernardino, Calif. August 4, 1940

Mr. Joe Jones Clarendon, Texas Dear Mr. Jones:

I am a regular listener to Welcome Travelers program. Imagine my surprise when I heard you say you were from Clarendon, Texas.

In 1894 my father Sam Anderson, my mother, my brother Lee Anderson and my sister Grace Anderson moved from Claude to Clarendon. At that time Prof. W. R. Silvey was principal of the Grade School. Among the businesses I remember were Henry Taylor's Hardware Store, Buck Ramsey's Drug Store, Dr. Stocking's Drug Store, Johnny Griffin's Grocery, Jim Cain's Saloon, Frank Borcher's Saloon, Ben Chamberlain's Hardware, Morris Rosenfield's Clothing

Store, I. E. Jones - Gus Jacques Grocery, Mike Strassburg's Barber Shop, Dr. J. S. Morris, A. M. Beville Insurance, W. P. Blake newspaper publisher, First National Bank, D. W. Van Horn, Pres., W. H. Patrick, cashier, Charles Lewis, postmaster. I could go on ad infinitum.

My first wife, nee Ada Graves, and I were married in the Baptist Church by the Rev. L. Tomme. My daughter, now Mrs. J. C. Phelps of Colton, Calif. was born in the old Clarendon Hotel, across

from the R. R. depot which was then run by her mother, Mrs. J. W. Pirtle. Incidentally, 2 or 3 months ago, Claude Pirtle (step brother of my first wife) and his nephew Ben Sheppard of Memphis called on us. Claude is a machinist on Sao Packy at Fresno, I think it is. Sheppard is a salesman in one of the shoe departments in the Harris Department store here in San Bernardino.

My father had a grocery and hardware store next door to the First Nat. Bank. Among my schoolmates were Nick Brown, Price Baker, Ed Hall, June and Walter Taylor, Minnie Beverly, Roy and Fred Stocking, Guy Sparks. Cuba Blackwell (brother of Lloyd) lives here in San Bernardino.

You are at liberty to show this letter to any of the old timers or others who might be interested.

Other schoolmates coming to mind are Toad Caraway and his sister Eva, Gertie Humphreys, Wayne Richerds, John Kelly, Maggie Kelly, Bill Jones. Since you have read this far, I wish to thank you for being interested enough to read this rambling letter.

Yours sincerely S. B. (Ben) Anderson 750 Adell St. San Bernardino, Calif.

I might add that I have passed my 70th birthday and am the sole survivor of my father and mother's family. My wife and I have run a small grocery here for over 11 years.

The law stipulates: "Such a license does NOT entitle the holder to capture any of the wild game birds or wild animals of this state. He must procure his primary stock either from a game breeder in this state or from a game breeder in some other state or from the Republic of Mexico or from some other country."

Enclosures for "wild squirrels, wild prairie chickens, wild quail, wild chachalacas or wild pheasants shall not contain more than forty acres. For deer, antelope, turkey or any wild migratory bird, the enclosure shall not exceed three hundred twenty acres."

Mrs. John L. Norris, daughter of Mr. and Mrs. H. T. Burton, returned to her home in Midland Friday. Mr. and Mrs. Norris accompanied the Burtons on a fishing trip to Colorado two weeks ago. Mrs. Norris visited with her parents another week before returning to Midland.

Harry Blair Jr., Bill Swanson, and Miss Jo Foster of Houston visited Mrs. Harry Blair during the week end and Monday morning left for Colorado and New Mexico. Sharon Blair, daughter of Mr. and Mrs. Dwight Blair of Austin came with them to visit her grandparents.

Mrs. Lola Barns has returned home after a two months visit with her sons, Bert and Ned, in Albuquerque and her daughters in Raton. She also visited in Melrose and Pueblo, New Mexico, and Trinidad, Colo.

FIRST OF THE FINE CARS IN VALUE

BIG MOMENT- with a Double Impact

It's a big moment when any new car rolls up to your door and you start out fresh and spanking bright.

Think, then, what it's going to mean when that new car, is a ROADMASTER like this one pictured here.

You'll swing wide the door and slide into a car that's truly fine—and looks it.

You'll put foot to treadle and touch off the might of a great, 152-horsepower Fireball straight-eight that's ready to master any road—or anything it meets there.

You'll have the silken magic of Dynaflo Drive to simplify your

driving, ease your way. A handsome flexible steering wheel, automatic windshield washers, soft Foamtex cushions, and many other items that are "extras" elsewhere are standard equipment here.

But even while you enjoy all that, you've a still deeper satisfaction enriching your pleasure.

For here you have not only a fine car, but a sound and frugal investment as well.

You have paid less per pound than any comparable car costs—and automotive men will tell you price per pound is the soundest measure there is of solid, thoroughgoing merit.

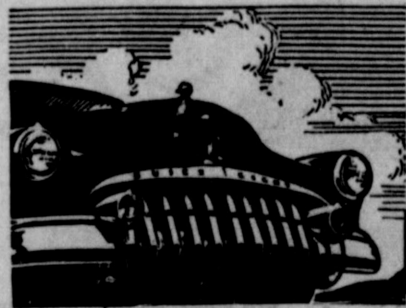

You've bought quality—top quality—all the fine things a fine car should provide. But you haven't spent a penny more than a fine car need cost.

And that can mean a lot. For instance—

Drop in on your Buick dealer. Try out a ROADMASTER. Match it, feature by feature and point by point, with any other fine car on the road.

Then get the price.

You may well find that you can get not only a new ROADMASTER for the sum you had in mind—but maybe a new fur coat for your wife as well!

FOUR-WAY FOREFRONT. This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

PLOWIN' Out the CORNERS

by Uncle Zeb

Just about the grandest thing that I have ever attended was the Farm Bureau chicken barbecue at Lelia Lake last Friday afternoon. Never in all my life did I ever slip my lips around any more delicious chicken, thanks to Mr. Breedlove their county agent. To go along with it was some of the best sauce that I ever

tasted. Thanks to Mr. Holly Wood, Mr. Lee Shaller, and others for inviting us down. It was a grand opportunity to renew old friendships and make new ones with the good folks of this community, and also to locate some watermelon patches for future raiding. The only thing that I can't figure out is why these swell folks would invite that Chicken Eatin' (Sleeping at the home plate) Uncle Jay.

I could understand why Senator Hazelwood would be there, and I could appreciate the warning that he gave us in his talk as to the things that are going to happen to us as a free people if we do not send some statesmen to Washington to run our government. Or better still he wants us

to wake up from our sleep and start running our government and run the political rats out of our corn crib. While the Communists were sharpening their knives to carve us up we were paying 10% of the receipts to have everything of a military nature; everything with a larger barrel than a "Nigger-shot" sold, wrecked or sunk. While the politicians dreamed of more votes and the people dreamed of more "Doles", and the munitions makers dreamed of how as they could make a lot of money making us some more planes and guns, the bears were slipping up on us un-awares. Anyway, something along this line is about what the Senator was telling us and he is so right. Maybe if some of the people keep telling us the truth we will wake up and demand; not a New Deal, or any other kind of a "Deal" but a plain and fancy old time Re-shuffle, as a

reader suggested not long ago.

Had a nice letter from a reader in Columbus, Ohio. She is our former neighbor, Mrs. Alice Boone. She says: "If I had been in Texas a few days ago I would have baked you a birthday cake." I hope she doesn't forget this when she does come visiting these parts. I don't mind folks being late with their good intentions.

Brother Barr sends me a clipping for my Ain't Smoking Right Now Scrap Book about a fellow who even quit growing the stuff because he didn't want to contribute to the habit. Reckon I ought to make this fellow a member of the Society???

If you love your children and treat them right and fair, they will usually always love and respect you. If you love your neighbors; treat them fair and honest, and keep your big fat nose out of their business you will almost

nearly always be loved by your neighbors. I can't help thinking that we fail somewhere along this line in dealing with our neighbor nations. Will Rogers said that: "All the nations of Europe hate us; the only thing that they hate more than us is each other."

We send our boys half way around the world to shoot at some Communist soldiers while the politicians hesitate to fire them off the government pay roll or send Registered Communists agitators back to Joe. It doesn't make sense.

Lubbock voted two to one to remain Dry. Wasn't it just a few years ago that some of the folks in Amarillo claimed that they couldn't afford to go dry; the losses in business and taxes would ruin the town. And they tell me Lubbock will pass the Friendly City in two years. They might talk that one over a friendly glass of beer. To me, every traffic death caused by liquor on

the roads in and out of Amarillo is partly due to the folks who signed their names to page ads begging the good folks to vote wet for the sake of a better Amarillo.

MRS. JACK BALLEW
(Gittings Studio, Dallas)

Carolyn Hooker And Jack Ballew Marry In Dallas August 6

Miss Carolyn Hooker and Jack Hariton Ballew were married in a double-ring ceremony Sunday, August 6, by Dr. Lance Webb, assisted by Dr. Stanley Hayne, in the University Park Methodist Church, Dallas.

The bride is the daughter of Mr. and Mrs. James Walter Hooker, Dallas, and the groom is the son of Mr. and Mrs. Elba Ballew, Clarendon.

The bride wore a white nylon tulle gown fashioned with a wide oval neckline banded in hand-run Alencon lace and over collars of pleated illusion. The full leg-of-mutton sleeves terminated at the elbow, where a band of lace

and pleating was repeated. A deep band of matching lace on the underskirt showed through the layered tulle skirts, which formed a chapel-length train.

Her veil of Brussels lace was designed in a wide circle and fell to her waist. A colonial bouquet of stephanotis and white rosebuds centered with white orchids was carried by the bride.

The bridal attendants were identically dressed in gowns of coral nylon tulle and lace designed with a tight-fitting bodice and a full dirndl tulle skirt.

Miss Dorothy Boyenhard acted as maid of honor, while bridesmaids were Miss Annette Nash, Miss Nan Whistler of Fort Worth, and Miss Jean Ballew, sister of the groom, of Clarendon. Gene Clampitt, wearing a white tulle over coral taffeta dress, was flow-

er girl.

Carl Bennett of Clarendon was best man. Howard F. Cottingham, Robert L. Cottingham and Don Hooker, brother of the bride, were groomsmen. Guests were ushered by William Walton, Wayne Best, Gordon Smith, and Bill Bertram of Fort Worth.

Scene of the reception was the home of the bride's parents. Assisting in serving the guests were Miss Pat Evertt, Bryan, Miss Carla Ann Yetter, and Mrs. William T. Troth.

For her going-away suit, Mrs. Ballew chose an electric blue gabardine suit, gold hat and gloves, and black purse and shoes. A corsage of white orchids were pinned at her shoulder.

The bride is a graduate of Hillcrest High School and attended Texas Technological College at Lubbock where she was a member of Las Vivarachas Social Club.

Mr. Ballew graduated from Clarendon High School in 1945. He then attended New Mexico Military Institute at Roswell and finished there. He received his bachelor of arts degree from West Texas State College at Canyon and then did graduate work at Texas A&M College. While at A&M he also served as an instructor.

The couple will make their home in Fort Worth where Mr. Ballew is employed with the Swift Meat Packing Co.

Thornberys Observe Golden Anniversary

The W. C. Thornberry home southwest of Clarendon was the scene Tuesday afternoon for the celebration of Mr. and Mrs. A. L. Thornberry's fiftieth wedding anniversary.

Flower arrangements of gold dahlias and other seasonal flowers were placed throughout the house. The serving table was laid with an imported Italian cut work cloth and was centered with an arrangement of yellow and talisman roses and yellow chrysanthemums. Gold wedding bells and yellow tube roses were also in the bouquet. Ribbons and malines were chartreuse.

Mrs. Mike Thornberry served the traditional tiered wedding cake and Cynthia Ann Thornberry served the punch from a milk glass service. Assisting in the house party were Mrs. Clarence Davis, Mrs. Martin Thornberry, and Mrs. W. C. Thornberry.

In 1881 A. L. Thornberry and family left their home in Green-

up, Ky., and came to Texas. The railroad was only built as far as Gainesville and they had to take the stage to Henrietta.

The family lived in Henrietta two years and then A. L. Thornberry bought a tract of land along Wichita River twelve miles from Wichita Falls. In a few years a colony of Illinois people settled near and wanted a post office. It was obtained and was named Thornberry. Next came a schoolhouse where Sunday School was also held every Sunday. A Methodist minister from Iowa Park came to preach once a month and then later twice a month. Later a Methodist Church was built.

In 1893 Levi Carey, his wife and step-daughter, Iola, left Amsterdam, N. Y., for Texas hoping the warm climate would be beneficial. He bought land nine miles from Wichita Falls in what is now known as Friberg Community. The nearest Sunday School was at Thornberry five miles away. As Levi Carey was interested in church work, he took his family every Sunday and that is where Iola met her future husband.

Andrew L. Thornberry and Iola Auchampaugh were married in her home Aug. 15, 1900, on her step-father's fiftieth birthday and also a wedding anniversary of an aunt and uncle.

For a honeymoon they went over in what was then called Indian Territory and camped out along a creek where there were large trees. A number of young people made up the party, all go-

ing in covered wagons drawn by horses.

The Thornberys began house-keeping on his farm in Thornberry and lived there two years. They then bought land in Waggoner pasture in the Friberg Community where they lived until 1918. Then they moved to Wichita Falls and stayed there for twenty-one years. In 1925, Mr. Thornberry bought a small ranch five miles west of Clarendon and his son, William and his family, moved on the ranch.

In 1939, the Thornberys and two unmarried children, Martin and Estelle, moved to the ranch near Clarendon where they are now living. Martin is ranching with his father and Estelle is married and lives at Plainview. Mike Thornberry, another son is a druggist in Hedley. There are four grandchildren and one great grandson.

Out of town guests for the occasion were M. A. Thornberry, Andrews; Rebecca Gossett and Mrs. Sibyl Barnes of Odessa; Mr. and Mrs. T. C. Thornberry, Goodnight; Mr. and Mrs. Arthur Stephenson, Mr. and Mrs. Roy Stephenson, Evelyn and Frances May, Mr. and Mrs. Willie Stephenson, all of Claude; Mary Lou Briley, Walters, Okla.; Mary Cole, Wichita Falls; Mr. and Mrs. H. T. Thornberry, Wichita Falls; Mr. and Mrs. U. J. Boston, Amarillo; Mr. and Mrs. C. E. Davis, Plainview; and Mr. and Mrs. M. L. Thornberry, Cynthia Ann and Mike of Hedley.

LUNCHEON GIVEN IN BURTON HOME

Mrs. H. T. Burton and her daughter, Mrs. John L. Norris of Midland, entertained some of Mrs. Norris' friends with a luncheon last week at the Burton home.

The luncheon table was brightened with an attractive arrangement of dahlias set upon a mirror. Runners of ivy were placed around the flowers. Mrs. C. B. Morris assisted Mrs. Burton in the serving.

Canasta was played following the meal. Mrs. Lowell R. Stuckman of Pontiac, Mich. won high score prize and Mrs. Norris took low score honors.

Guests were Mrs. Stuckman, Mrs. Redell Henson, Mrs. Harice Green, Mrs. Burrel N. Rhea and Mrs. William J. Lowe.

KAPPA MEETING

The Kappa Sub-Debs met Wednesday afternoon in the home of Alice McCrary.

Plans for Rush Week were discussed and Rushees were voted on.

Delicious punch and cookies were served to June Allred, Mary Lou Barker, Nellie Jon Heathington, Doris Smith, Doris Wallace, Mary Edna Elmore, Sandra Bownds, Nell Bentley, Doris Knorrp, Jo Anne Ritter, and the hostess, Alice McCrary.

ICE CREAM SUPPER HONORS NEWLY WEDS

Mr. and Mrs. Jack H. Ballew, son and daughter-in-law of Mr. and Mrs. Elba Ballew, were entertained with an ice cream sup-

per in the Ballew home Saturday night.

Ice cream, cake, and cold drinks were served to Mr. and Mrs. Pete McMahon of Canyon, Mrs. Burrel N. Rhea of Amarillo, Mr. and Mrs. Harold Darby of Tulsa, Okla., Mr. and Mrs. Bob Word, Mr. and Mrs. Carl M. Bennett, Mr. and Mrs. Arvis Davis, Mr. and Mrs. Wm. J. Lowe, Miss Johnnie Johnson, Bobby Parker, Billy Neal Bogard, Miss Mary Neal Davis and Maurice Risley.

West All-Stars Defeat East 14-13

Jimmy Jenkins and Gene White, both of Clarendon, saw action at Childress last Friday night when the West edged by the East by one point after touchdown, 14-13. It was the first annual Greenbelt All-Star Football Classic. The West scored all of their points in the third period with Jenkins making the touchdown that tied the score, and then the extra point was made, edging past the East by one point.

The toe of Bobby Price, Haskell's standout left guard, booted the West to victory, aiming through the goal posts on both extra point attempts.

The favored Easterners posted a 13-0 advantage at the halftime and seemed on their way to the victory, but the heavier Western eleven powered back to two quick touchdowns.

The West's line play seemed to be the difference with Charles Radford of Quanah leading the attack. The West backfield was directed and led by a flashy Dumas lad, Ray McKown.

The East tallied early in the first period with a pair of Oklahomaans, Cleon Failes of Mangum,

and Gerald Smith of Elk City, doing the heavy work.

Taking a punt on their own 47, the East moved on the ground down to the 5. Danny Powell of Archer City, the East's most outstanding back for the night, took the snap from center on fourth down, leaped high and passed to Vernon's Johnny Crouch in the end zone for the score. The extra point try was low.

Immediately the West started a drive which carried to the East 26 where it was stopped when Graham's H. C. Knox intercepted a pass by McKown. Kenneth Buckley of Childress had moved the ball into East territory on a 25-yard gallop.

In the second period the East was aided to its second score by the timely recovery of a fumble. Billy Bookout of Wichita Falls covered the ball on the East 24. Bookout took a short pass from Powell a few plays later and streaked for the goal line 70 yards away. He was knocked out of bounds on the one. On the next play Powell passed again to Crouch for the second and final East tally.

The extra point conversion was successful.

Opening the big third period the West got its first break when McKown recovered Smith's fumble on the East 46. Melvin Eldridge of Phillips and McKown drove quickly to the three with Eldridge sweeping right end on a pitchout for the score. Price booted the placement.

Two punt exchanges later the West moved to tally again.

Jimmy Jenkins of Clarendon intercepted a flat pass from Powell and moved 45 yards downfield to score the touchdown which gave the West an unexpected tie.

Price again went through the placement kicking motions which won the game for the West.

In the final quarter Dale Smith of Claude saved the day for the West by recovering a fumble on the West's two-yard line. A 70-yard punt put the West out of danger. The drive which had ended so sadly for the East was sparked by Eilly Bookout's pony-express running and the passing combination of Powell to Crouch.

Gene White did a commendable job while playing in the line. He and Jimmy Jenkins did a fine job, and Clarendon and Donley

County are proud that they were chosen to play in the first Greenbelt All-Star Football Classic.

Coyote Program To End August 21

The coyote program for this past year will end this coming Monday, August 21. H. M. Breedlove, county agent, says this contest was put on in the county to encourage trappers and men with dogs to catch more coyotes.

Every farmer and rancher in Donley County is eligible for the prize regardless of how he caught the coyotes, (except Gov't. trappers).

The coyotes must have been caught in 1949-50, and been caught by the man bringing in the ears. They will be brought to the office of the county agent on Monday, the 21st of August, from one o'clock in the afternoon until five o'clock. The person catching the most coyotes in 1949-50 will receive thirty dollars.

The Lions Club of Hedley and Clarendon sponsored this program and are giving the prize money.

A committee will be in Breedlove's office to inspect the coyote ears and to award the money to winner.

This is a permanent program and will be carried on each year regardless of whether the same organizations sponsor it.

Remember the date and time of bringing in the coyote ears because that is the only time that they will be inspected and the award made.

Mayor & Wife Talk On National Radio Program In Chicago

Clarendon's popular young flying mayor, Joe Jones, and his lovely Swedish-American wife entertained a nationwide radio audience when they starred on the NBC coast-to-coast "Welcome Travelers" broadcast recently in Chicago.

Joe told of the life of a mayor over the air. "Some of the tasks that mayors are compelled to do are rather odd," said Joe. "One I remember in particular. During the water shortage in Clarendon, one of my constituents telephoned me that she had no water for her bath and that she wanted me to get her some. Well, I did, but not without a lot of trouble."

"Welcome Travelers" Emcee Tommy Bartlett then asked Jones what he did in his spare time.

"I operate an airport and do some flying. In fact, flying—full time for Uncle Sam during the war—was responsible for my meeting my wife. On one of the missions our B-17 was forced down in Sweden, where we were interned. During our stay there, the future Mrs. Jones and I met and became engaged."

Mrs. Jones says that her most interesting experience has been converting from a Swede to a Texan. "This is the first Swedish-Texas draw I have ever heard," quipped Bartlett.

The Joneses were in Chicago on a belated honeymoon, so "Welcome Travelers" presented them with a belated wedding gift: a beautiful set of Poppytrail Dinnerware. Mrs. Jones received a set of Bogoff jewelry, while Joe Jones got a Tommy Travelers Kit.

Misses Beatrice and Barbara Gidley of Chicago, who are spending the summer in Borger with relatives, spent the week end with their aunt, Mrs. Henry Williams, and Mr. Williams. The girls are twin daughters of Mr. and Mrs. Ben F. Gidley of Chicago.

LARGE NUMBER ATTEND DONLEY FARM BUREAU CHICKEN BARBECUE

The Donley County Farm Bureau held its annual chicken barbecue at the Lelia Lake school house last Friday night, and two hundred and fifty farmers and ranchers and business men attended. Holly Wood, president of the local organization in Donley County, stated that this was one of the best barbecues held in the county.

A menu of barbecued chicken, beans, dried peaches, onions, pickles, coffee, ice tea and bread gave all present all that they could eat. The ladies in charge of the cooking were Mrs. Glen Williams, chairman; Mrs. Lee Shaller, Mrs. H. R. King and Mrs. Ernie White. H. M. Breedlove was in charge of the barbecuing, and was assisted by a large number of men.

The program consisted of a talk by County Judge W. J. Williams, songs by a trio composed of the Moss sisters of Hedley and Miss Seago of Lelia Lake. Senator Grady Hazlewood of Amarillo gave a good talk on organization, and was followed on the program by Uncle Jay of radio station KGNC, who gave a reading of the "Mighty Casey at the Bat."

Mr. Wood wants to thank every one who helped to put on the barbecue and promises that it will even be bigger next year.

Boys' Ranch Rodeo Sept. 3rd To Include All "Hands"

Just about every boy at the famous Boys' Ranch near Amarillo will have a hand in their coming Sixth Annual Rodeo. The rodeo will be held at the Ranch on Sunday, September 3rd, and it promises to be a tip-top show.

All the boys, from the Peepees to the Seniors, are practicing hard every day to be sure of being in top form for the big event. Calf, steer and bronc riding will be on the program along with trick riding and roping, jumping and ribbon roping.

In addition to the fast-moving rodeo, there will be a full-scale barbecue that will be free to everyone attending the show. Charlie Lowe, well-known barbecue chef, will be in charge of the feed.

The entire rodeo will be put on by the boys themselves and they are being coached and trained by Bill Baker of Kansas City, who was chosen the best all-around cowboy at the Ranch last year.

Everyone is invited to attend the Sixth Annual Rodeo and Barbecue on Sunday, September 3rd, and the boys hope to see all of their friends there.

Triumph of Anatomic Design

Is a tremendous success!

Place your order now with your nearest Kaiser-Frazer dealer!

Way back in February, the first models of the brilliant new 1951 Kaiser were publicly presented in major cities across the nation. The reaction was immediate. Spontaneous enthusiasm from all who saw this great new car. Then, beginning on May 10th, the 1951 Kaiser was put to the acid test: it was offered generally for sale to the American public in dealer showrooms from coast-to-coast. The result? Everywhere, new owners are acclaiming its spectacular, low-slung beauty... its landscape-sweeping Control Tower Vision... its easy-to-enter High Bridge Doors... its road-hugging low center of gravity... the sensational performance of its new Supersonic Engine. The unprecedented demand for these new cars

clearly establishes the 1951 Kaiser as the value leader in the medium price field. Indeed, a majority of buyers of new 1951 Kaisers are trading in late models of other makes... to own the only really new car you can buy! Despite extended work-days and the huge facilities of the Willow Run plant, the list of unfilled orders for spectacular new 1951 Kaisers lengthens every day. Therefore, we suggest that an order placed now assures you of earliest possible delivery of the most exciting new car in America!

One glance and you know it's the newest car in America! One mile behind the wheel and you'll want to own it!

A Tribute to a Friend

By Mrs. J. A. Howe

Mr. John Edgar Mongole, who went to his eternal reward Thursday, Aug. 6, was my friend. He was also a friend of my family and of a great many other families.

Even acquaintances liked Mr. Mongole, but only real friends could appreciate the rare dignity and worth of this fine, unassuming man.

He had a quiet poise and serene assurance which came from his faith in God. His practice of Christian principles was well known to all who had at any time been associated with him.

He was kind, just, and generous in all of his dealings and never spoke ill of a neighbor. He gave of his substance to all worthy causes, and to the Presbyterian Church with its agencies and institutions.

Mr. Mongole came from West Virginia to Texas in 1890. In 1892 he came to Donley County and did ranch work for the late J. D. Jeffries.

In 1899, he was married to Miss Maggie Muir at the Muir home in Windy Valley. After two more years of work for Mr. Jeffries, the Mongoles bought a farm of their own in Gray County near White Deer.

They became charter members of the White Deer Presbyterian Church and Mr. Mongole, being adjudged an exemplary man of wisdom and discretion, was elected, ordained, and installed as a ruling elder. Having already been ordained, he was re-elected to the same position when he came to the Clarendon Church.

During his residence at the White Deer farm, Mr. Mongole took part in the early day civic affairs of the town and county. In

1919 after he became almost totally deaf and had lost the sight of one eye, Mr. Mongole bought a home and moved his family to Clarendon where they have lived ever since.

The farm was left in care of a fine family, some of whom are still living there. The relationship between Mr. Mongole and the young man who still runs the farm was like that of father and son.

Two representatives of this family and four much-loved nephews were pallbearers for this man whose earthly life ended after more than 90 years.

In spite of his physical handicaps, Mr. Mongole was always happy and kept his interest in life and other people.

Until the last two years his hobbies were keeping a large garden and flock of chickens. Even during the last few months, he still enjoyed playing dominoes and reading his Bible daily.

All these things show the character of the man. His friends agree with the pastors of his church that Mr. Mongole was a "Christian gentleman and a prince among men."

Mr. Deaton was able to visit friends in Claud Tuesday. He is still ill at the home of his daughter, Mrs. John White.

James Reed Lovell and Louva Hunt visited friends in Plainview Tuesday.

Mr. and Mrs. J. M. Graham visited relatives in Hall County Sunday.

Jimmy Jenkins returned to his home in Lubbock after spending

several weeks with Gene White. Mr. and Mrs. John White attended the East-West football game at Childress Friday in which Gene participated.

Mr. and Mrs. Clarence Penrod and Mrs. Lillie Penrod of Denver, Colo. visited Mr. and Mrs. Leo Wallace Saturday.

Mrs. Leo Wallace and Patsy Darlene and Shirley Wilson returned Friday from a weeks scenic tour through New Mexico and Colorado. They accompanied the Girl Scout Troop and all returned an enjoyable trip.

H. W. Lovell Jr. and Bill McCalley of Cotter, Ark. spent the week end with Mr. and Mrs. H. W. Lovell.

James Reed Lovell and Billy Lee Ramsey spent Tuesday at Plainview with Joe Tom Lovell.

Visitors in the W. A. Poovey home the week end were Messrs. and Mesdames John Dial of Channing, Everett Miller of Phillips, Earl Butler and son of Borger, and Willard Cook and son of Borger.

Mrs. H. E. Tolleson was hostess to the quilting club Thursday. Mrs. A. J. Garland will have her quilting August 23.

Mrs. James Tolbert and Mrs. H. A. Graham had their brothers and families visit them last week. Mr. and Mrs. Marion Lilly and children of Preston, Wash. visited this week with Mr. and Mrs. Burk DeBord.

Mrs. Burk DeBord visited friends in Hedley Sunday, among which was Mrs. Tom Messer.

Mr. and Mrs. Wayne Ewing and two daughters of Phillips spent the week end with the C. C. LaGrone family. Cora Belle LaGrone returned to Phillips with the Ewings to spend the week.

Texas Public School System Will Be On Higher Level During 1950-51 School Year

AUSTIN—Texas' already vastly improved public school system will be on an even higher level during the 1950-51 school year it was predicted here today.

More classroom facilities and more and better trained teachers will be available, it was pointed out by L. P. Sturgeon, state associate commissioner of education.

Under the new Gilmer-Aikin laws which went into effect last fall the teaching staff was increased by 2,000 and more than half of the school districts of the state added to their classroom facilities.

An additional 1,500 teachers will be hired for the next school year, Sturgeon said. A survey disclosed many more schools will increase their facilities Sturgeon also said.

Increase in pay for teachers has added to their morale and made the profession far more attractive to young people, Sturgeon pointed out. More young people are

preparing for careers as teachers and these better trained instructors will be available in larger numbers next year to replace retiring instructors and those less adequately trained, according to Sturgeon.

School districts which met the requirements of state law in order to receive additional financial aid from the state had a teacher for every twenty-five pupils in average daily attendance during the last school year, but many districts were forced to put pupils on a half-time basis.

"This will be partly alleviated during the 1950-51 school year by the construction of more classrooms and the availability of more teachers," Sturgeon said.

"This will add to the great benefits derived by a great many of our school children in the last school term through their being in smaller classes, where they could get more personal attention.

"During the 1948-49 school year a survey conducted by the Texas State Teachers Association disclosed that more than half of the classrooms in the entire state were badly over-crowded.

Sturgeon also had high praise for the state's teachers.

"While the pay increases under the Gilmer-Aikin laws averaged only \$500 for teachers, their morale is at the highest in the history of Texas," he said.

"I can see that in their interest in and their attendance of professional meetings I have attended throughout the entire state.

"Superintendents are almost unanimous in their reports of the willingness of teachers to accept additional assignments and to participate in extra-curricular activities.

"Teachers are satisfied and are proud of their profession. That means better education for our children in rooms presided over by well-trained instructors. It is only reasonable that happy, efficient teachers can do far more in imparting knowledge than dissatisfied, inefficient persons.

Increased enrollment in courses leading to degrees in education in the state's colleges was also pointed to by Sturgeon as an indication of the attractiveness of the teaching profession in Texas schools now, with its resulting benefits to the children.

Don Small from Amarillo visited his grandmother, Mrs. Kate Vinson, several days last week.

Mrs. W. C. Larimer and Mrs. T. T. Allred visited Mrs. Bill Adams, who was in the hospital in Groom, last week.

Mrs. Burrel N. Rhea and son, William Porter, have moved to Amarillo to be with Mr. Rhea. He is a pharmacist at the new Cretney No. 2 on Washington.

Lowell R. Stuckman of Pontiac, Mich. is visiting in the J. R. Porter home this week. Mrs. Stuckman has been visiting her father this summer.

Mr. and Mrs. Herman Vinson and family visited Mrs. Kate Vinson Saturday night.

Mr. and Mrs. H. L. McElvany of Amarillo were in Clarendon Sunday visiting Mr. and Mrs. C. L. Benson and daughters.

Mr. and Mrs. L. N. Cox and Ladelle, J. H. Hurn and Mae Morris returned from Denton Sunday. The girls went down to see about entering TSCW.

Mr. and Mrs. Paul Montgomery of Memphis visited in the home of the William S. Greene's Sunday afternoon.

COUNTY WOMEN ASK COURT FOR HOME DEMONSTRATION AGENT

With hopes of obtaining a Home Demonstration agent for Donley County, twenty women representing five communities and two demonstration clubs appeared before the Commissioners' Court Monday afternoon and presented their petition.

A previous meeting of the women had been held Saturday afternoon with Miss Fern Hodge of Vernon, district home demonstration agent, instructing them how to organize and present their plea before the court. She also told the history of the work and told the women of the helpfulness of such an agent.

Mrs. J. C. Gibbs was chosen as chairman and spokesman of the group. The court composed of Richard Cannon, J. R. Bulls, George Preston, W. P. Murray and headed by County Judge W. J. Williams heard the petition, but gave no immediate decision.

Judge Williams says the court will have to consider the monetary wisdom of the project from all sides. He told the ladies a demonstration agent brought to this county would probably raise taxes, although some state aid is given.

Another hearing with the court will be held August 28 and a decision will be reached at that time.

Delegates appearing at court were Mrs. Gibbs, chairman; Mrs. E. V. Quattlebaum, Mrs. Lucille Eanes, and Mrs. F. S. McCrary of Midway; Mrs. William Jordan, and Mrs. Guy Sibley of Martin; Mrs. Burk DeBord and Mrs. Viola Graham of Ashstola; Mrs. W. H. McDonald and Mrs. O. D. Moss of Goldston; Mrs. Doc Mann and Mrs. D. B. Koen of Chamberlain; Mrs. Melvin Rumpy of the Senior Home Demonstration Club; Mrs. Bob Head and Mrs. Bob

Williams of the Junior Home Demonstration Club; and several others.

FARM NEWS

From the County PMA Committee

REPORT ON COTTON MEASUREMENT

At this time we are through with measuring all the cotton farms except for a few small farms around Clarendon, Lelia Lake, and Hedley. We want to thank everyone for being so cooperative in helping us to get the job done, and we might add that our task could not have been accomplished without the help of the farmer. At the present time our crew consists of Willis Thomas, Edward Sawyer, and Richard Gilbreth. The other boys who have finished their work are: Carter Huffman, Lloyd Leeper, Aubrey Cherry, Johnnie Everett, R. L. Stone, Roy Bevers, Glen Bevers, Eldon Marshall, Hollis Carrol, Tommy Murphy, Guy

Tatum, Ray Heckman, Vernon Goldston, and Jack Brooks.

FALL CONSERVATION PRACTICES

It's time for the farmers of Donley County to check up on their 1950 Conservation plans and prepare to carry out the practices that are still to be completed this year. It won't be long until crops will be in and farmers will be able to get on the land for many practices that still have to be completed, particularly the dirt-moving practices. Where work is to be done by contractors, it would be well to check with contractors without delay to make arrangements for whatever help may be needed. The same holds for materials such as grass and legume seed, lime, phosphate, and potash. "This is the time to line up equipment and materials for those fall conservation practices—tomorrow may be too late."

CORRECTION PLEASE

In last week's news article we told you that Donley County received a wheat allotment of 30,018 acres of wheat. We made a mistake however, and we want to take this time to correct it. The allotment is 38,018 acres instead of 30,018 acres. We cheated ourselves out of 8,000 acres.

WHEAT ALLOTMENTS

We are computing our wheat allotments at this time, and our plans are to have them in the mail next week. Producers who plant both cotton and wheat will be happy to know that they will be eligible for price support on their cotton even if they overplant on what because there will be no Marketing Quota on wheat for 1951.

ACP AND THE HOUSEWIFE

To farmers "ACP" stands for the Agricultural Conservation Program but to the housewife "ACP" is a symbol of better living. While farmers benefit from the soil saved through erosion control and conservation practices, the housewife benefits from the assurance of an abundant, continued production from the land. To the housewife, the "A" may well stand for "abundance."

The soil and water conservation practices carried out each year on about 3 million farms have been major factors in bringing about the tremendous increase in agricultural production. Total production has doubled in the past 50 years; but well over half that increase has come in the last 10 years. While U. S. population has reached 150 million per capita, food consumption is up 10 percent from the average for the pre-war years 1935-39. The "C" may stand for "Continued Abundance" since the land is being protected from washing and blowing away and the soil is being built up so that it will continue to produce even more abundantly. The "P" may stand for protection—protection against food shortages, protection to health through adequate and balanced diets, and protection in the reserves both in the ground and in the granaries and warehouses above the ground. In the long run the housewife has the greatest stake of all in the ACP, assuring her that there will continue to be plenty so that she can continue to prepare nutritious, balanced and palatable meals for her family.

'Trouble-Shooters' of West Texas Utilities Company To Receive Orders by Radio

Now "trouble-shooters" of the West Texas Utilities Company local office will get their orders by radio.

The work of linemen, installation men, emergency repairmen, and substation operators in the Clarendon area will be directed by two-way radio. According to an announcement by Allan Shahan, district manager, the Utilities Company has received authority from the Federal Communications Commission covering the operation of a two-way, high frequency, FM radio system. The FCC license was issued on the basis of "public welfare." The new system will ma-

terially help the WTUCo. in its efforts to maintain and provide uninterrupted electric service," said Mr. Shahan.

At present, the system will consist of a 150-watt central station, and 108-watt mobile units. The 150-watt central station is located in the West Texas Utilities Company Office in Clarendon. The antenna of the station will extend 14.9 feet above the 100 foot antenna tower which has been erected at the West Texas Utilities Company plant.

The central station, which has been assigned call letters KKC986 and which according to FCC regulations, will operate on an assigned frequency of 37,740 KC with a maximum variance of .01% from assigned frequency allowed, cannot be heard on standard radio receivers. Only receivers designed to use this frequency will be able to pick up signals from this station.

A dispatcher located at the local office will operate the central station. C. M. Lowry WTUCo.'s local manager, pointed out that this dispatcher will maintain two-way communications with the operators of mobile units operating in this area. A number of service and line-trucks, as well as passenger cars, operating in the Company's Childress district, of which Clarendon is a part, have been equipped with mobile 108-watt two-way radios. These mobile units have a range of from thirty to sixty miles, depending upon the surrounding terrain. They can communicate with each other as well as with the central stations.

"In case of disaster, public need, national emergency, or in instances when existing means of communication fail," Lowry said, "the mobile units provide emergency communications with all communities of the surrounding area."

Recent surveys conducted by WTUCo.'s engineers under FCC experimental license show how this system can aid the company in rendering better service to the public by speeding the handling of many orders, varying from routine to emergency switching orders.

Who Owns The Federal Land Bank and The National Farm Loan Associations?

All of the capital stock of the Federal Land Bank of Houston is owned by Texas national farm loan associations.

The national farm loan associations in turn are owned by over 30,000 individual farmers and ranchers of Texas.

Each association elects its own board of directors and officers. Their business, therefore, is handled by homefolks who know and understand local conditions.

Let us tell you more about this home-owned financial organization.
