Lelia Lake Community Exhibit First At County Fair Friday & Saturday

The Donley County Fair and Horse Show held here the past week end was acclaimed one of the best and a large crowd of visitors complimented exhibits in every department.

In the community exhibits, Lelia Lake placed first; Ashtola 2nd; Naylor 3rd; Martin 4th and Midway 5th. All community exhibits were described as above average and made good pickings for Flip Breedlove to select from to put up the county exhibit at the Tri-State Fair at Amarillo.

In the cake division the results were as follows: Plain cakes—Lelia Lake Home Economics Club 1st; Mrs. Eva Phelps 2nd; Decorated cakes: Mrs. Pete Riley 1st and Bobbie Dishman 2nd.

In the Home Economics display, the Hedley FHA placed 1st; Lelia Lake FHA 2nd and the Clarendon FHA 3rd.

MARTIN W. M. U. TO SPONSOR XMAS TREE PROGRAM SUNDAY

The Martin W.M.U. will sponsor a Christmas Tree program Sunday evening, Sept. 25th, from 7 to 7:20 p. m., where gifts are to be brought and placed on the tree for the Indian children of the Baptist Home Mission Field. Gifts such as school supplies, toilet articles, handkerchiefs, etc. will be appreciated. All ladies of the Martin community are especially urged to be present and bring a gift, stated T. H. Harmonson, pastor.

Mr. and Mrs. J. B. Hilborn of Pampa were guests Wednesday night in the A. O. Heffner home.

11½ Blocks of Paving Paid For; Several More Shaping Up

Street paving continues to grow. Eleven and one-half blocks are paid complete and thirteen additional blocks are in process of being filled in.

Work on the first streets that were begun is coming along at a good rate on shaping the base and conditioning it for the asphalt topping. Application of asphalt will probably begin in the next ten days.

The original plans of the City for paving were based on thirty-foot center paving only. With this in mind, the cost of paving alleys and intersections was such that from fifty to seventy-five blocks could be paid from the Street Improvement Fund. Since property owners have been contacted for paving, most of them have requested forty-eight foot paving. This additional width increases the cost of alleys and intersections appreciably, and at the same time requires great quantities of gravel to be hauled to take care of the extra width. When both these added cost are considered, there is sufficient Street Improvement Fund money

1956 Ford Cars And Trucks Go On Display Tomorrow

Safety features offered for the first time by any automobile company, power equal to the Thunderbird, and lower body silhouettes are available in 1956 Ford cars which will be on display tomorrow, Friday, September 23rd at the Palmer Motor Company.

The new Fords will be built in four series offering 18 body styles, two more than in 1955. They are available in 13 solid exterior colors, or 21 two-tone combinations, stated Ray Palmer, local Ford Dealer.

Mr. Palmer is inviting the public to come in and see the new Ford Cars and Trucks Friday and Saturday. There will be favors for everyone, he added.

CLUB POOL TO BE DRAINED

It was announced this week that today will be the last day that Country Club members may be able to enjoy a nice cool swim in the Country Club pool. It will be drained Friday to close the season this year.

First 1955 Cotton Ginned Here

The two local gins and the Lelia Lake gin, all received their first bales of cotton this past week end. The West Texas Gin ginned a bale for J. B. Leonard last Friday. It was grown in Spade Flat and the field weight was 2180 pounds. It turned out a 510 pound bale with 1060 pounds of seed. Leroy Luttrell, who lives about 9 miles northeast of town, brought his cotton in Saturday and it was ginned at the Paymaster Gin. The field weight was 2180 and turned out a 524 lb. bale with 900 pounds of seed.

Ronald Castner took his bale to the Paymaster Gin at Lelia Lake Saturday also. The field weight of the bale was 1630 and it turned out a 460 lb. bale with 800 pounds of seed. This cotton was grown on the Quinn Aten farm near the gin at Lelia Lake.

All three gins ginned the cotton free and each of the farmers will receive 35 cents per pound for their first bales. Additional premiums, which will be split three ways, will be presented at a later date.

Services Held Friday For Pioneer Lady

Funeral services were held Friday afternoon at the Murphy Funeral Chapel for Mrs. Lucile Moncre VanEaton with Dr. E. D. Landreth of Amarillo, officiating. Mrs. VanEaton, 93, passed away in an Amarillo hospital last Thursday following a lengthy illness. She was the wife of the late W. D. VanEaton, prominent Donley County rancher, who preceded her in death in 1935. She was a charter member of the Order of Eastern Star in Clarendon and was a member of the First Methodist Church. She had been a resident of Donley County since 1904.

Lucile Moncre VanEaton, second daughter of Wm. Cassius and Allenia Macon Moncre of Richmond, Virginia, was born at Ellerslie, Va., May 12, 1862. She came to Texas in June 1887 where she married W. D. VanEaton, October 15, 1888. To this couple were born two daughters, Annie Maud, now Mrs. B. W. James of Dallas, and Archer, now Mrs. Joe H. McMurtry of Clarendon; other survivors include two grand children and two great grandchildren; a sister Mrs. Elgin Styll, Richmond, Va.

Pallbearers were Frank Bourland, Jerome Stocking, Allen Jeffery, Lee Holland, Walter Taylor and Fred Patching.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

18th District Legion Convention To Convene Here Saturday & Sunday

Legion Speaker

J. EARL RUDDER
State Land Commissioner

Services Held Sunday For O. A. Churchman

Graveside services were held here Sunday afternoon for O. A. Churchman with Rev. Ernest Phillips officiating.

Mr. Churchman, 62, died Friday evening enroute to a Sudan hospital following a heart attack. He had been a resident of Sudan the past year, moving from Clarendon at that time.

Survivors include his wife, Mrs. O. A. Churchman, Sudan; three sons, G. C. and Lloyd V. Churchman of Amarillo and Ferrell D. Churchman, Sudan; two daughters, Mrs. Ralph Morrow, Amarillo and Mrs. Eula Mae Flowers, Las Vegas, Nev.; his mother, Mrs. S. D. Churchman, Clarendon; three sisters, Mona Churchman, Clarendon; Mrs. Z. L. Salmon, Brice and Mrs. O. B. Rumpy, Lakeview; and one brother, Glenn Churchman, Clarendon.

Pallbearers were Vadie Carpenter, Joe Ritter, C. H. Long, John Rhea, J. W. Hatley and Boone Adams.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Members of the local American Legion and Auxiliary are all set to extend a rousing welcome to those attending the 18th district convention to be held here Saturday and Sunday. Pat Slaviv, Commander of the American Legion; Ruth Richerson, president of the Auxiliary, and Rayburn Smith, general chairman of the convention have been working this week with various committees, members and delegations to make this one of the greatest gatherings yet.

Registration will start at 10 A. M. Saturday at the Legion Hall and will continue throughout the day. Mayor and Mrs. H. T. Burton will be in charge of registration. Both need no introduction to people of the district, for they have taken part in public work for many years and are well known throughout the area. A Workshop will be conducted at 2 P. M. in the Auxiliary room at the Legion Hall for members of the Auxiliary. The purpose of this meeting is to acquaint officers and members with their work.

A parade is slated for 3 P. M. Saturday. Taking part will be the Clarendon High School Band. Bands from other towns in the district have been invited to participate also and if enough arrive for competition, prizes will be awarded.

All Auxiliary members will be honored at a tea to be held in the Auxiliary rooms of the Legion Hall from 4 P. M. to 6 P. M. While the tea is in progress, members of the 40 & 8 will hold a meeting beginning at 5 P. M. Both will be dismissed in time for the 6 o'clock dinner to be served at Lions Club Hall. J. R. Porter will extend the Welcome to the group.

Dancing at the Legion Hall will begin at 9 P. M. with music by the Sandie Swingsters. Music promises to be good, the Swingsters having just completed an engagement at Yellowstone National Park. The public is ex-

tended an invitation to attend the dance and welcome the visitors.

A short business session is scheduled at 10 A. M. Sunday at the Legion Hall. J. Earl Rudder of Austin, State Land Commissioner and head of the Veterans Land Board, will be the principal speaker for the occasion. Rudder, named to the state post when Bascom Giles resigned, will speak on the future operation of the Veterans Land program in Texas. The group will be dismissed by 10:50 A. M. to allow visitors and local people to attend the church of their choice.

Members of the American Legion will convene at 2:00 P. M. Sunday afternoon at the Legion Hall for their final business session, with the Auxiliary meeting at the same hour in the High School Auditorium. Mrs. Lavern Tekell of Borger is the 18th District President of the Auxiliary.

The major item of business for the Legion will be the election of a commander and vice commander for the district. Paul Spillman of Wellington, who has one year to serve on his term, recently was elected state vice commander representing the Fifth Division and consequently must step down as district commander.

We extend a cordial welcome to all attending the Convention and hope that their stay here will be a pleasant one.

RANDALL CHOATE IS CITY GAS MANAGER

Announcement was made this week of the appointment of Randall Choate as manager of the City Gas Co. here to succeed Henry Tatum who has been the local manager the past several years. Mr. Choate has been with the City Gas Company the past two years and moved here from Canyon. Mr. Choate took over the management of the local office Wednesday, Sept. 14.

Bronchos To Meet Pirates At Lefors Friday Night In First Conference Go

Local FFA Sweeps Top Honors in County Pig and Lamb Shows

Dannis Gibson, showed his heavy hampshire barrow to the grand championship of the annual Donley County Fair Pig Show Saturday, Sept. 17th. James Mahaffey won the reserve championship with his heavy duroc, and Carl Talley ranked third with his Poland China. Other breed champions were shown by Don Mills, on spotted Poland China, Jimmy Graham on Yorkshire, and Jerry Swinney on chester white. Don Rumpy, Lelia Lake F.F.A. member, exhibited the champion Berkshire. Mahaffey had the top pen of three and Gene Elmore was second. C. B. Smith, Panhandle Vocational Agriculture Instructor, judged the show.

Mahaffey, Jimmy Gattis, Doyce Graham, Claude DeBord, Dannis Gibson, Jimmy Graham, Donald Mills, Carl Talley, John Payne, Douglas Allee, Milton Mann, Harold Lindley, Robert Crawford, Keith Schollenbarger, Darrell Leffew, Jearld Anderson, Jimmy Phillely, Jerry Swinney, and Gene Elmore were members of the Clarendon Chapter exhibiting at the pig show.

Jimmy Phillely exhibited the champion and reserve champion wether lambs and Harold Holland the champion ram lamb. The lambs were all southdown and shropshire breeding.

The Bronchos will invade Lefors for their first conference game of the season Friday night to tangle with the high rated Pirates. Coach Ray Moore announced that the game time had been set at 8 o'clock whereby more Broncho boosters could make the trip.

At the beginning of the season the Pirates were picked to win the district and they have been doing right well so far toward that end although this will be their first conference game also. Lefors is said to have the fastest hitting team in the district and it will be up to the Bronchos to remove some of that spark Friday night. The Bronchos are expected to put up a stiff battle, win or lose, and local fans will be there in a strong number to give them that hometown support to help them win if possible.

The only casualty on the Bronco squad reported so far by Coach Moore is Doyce Graham who will be out this week with a side-injury.

The probable starting line-up for the Bronchos as released by coach Moore will be as follows, starting with left end: E. Baten, K. Evans, B. Hicks, K. Pittman, C. DeBord, C. Mann, C. Evans; Backfield, Mills, Behrens, Phillely and Payne.

An extended effort is being made to get as many fans to go to Lefors as possible so try to make your arrangements to be there backing the Bronchos also. Remember game time is 8 o'clock Friday evening.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The Edgar Rice Burroughs books are always popular with the sixth and seventh grade boys. We have "Swords of Mars." The Library has an edition of "David Crockett" by V. F. Taylor that third and fourth grade will find readable. It was copyrighted in April, and then another reprint in May. "Giant of the Rockies" by Elisa Bialk is another story for boys that gives the facts of the Lewis & Clark Expedition and relates the adventures of "John Colter" who was one of the recruits for the expedition from Virginia. He never returned to his native state, but this is "must-reading" for all adventure fans.

"Six Gun—The Story of a Texas Ranger" by Bruce Grant. The story centers around the capture of Sam Bass. Bruce Grant was born in 1893 at Wichita Falls, Texas. He has been a writer since he served in World War I. There are quite a few books and stories he has published.

I may have mentioned before that we have the "Search for the Missing Twins" — a Vicki Barr story by Helen Wells.

There were ninety-one expiration cards this month. The last of May the school children come in droves for membership. The duration is three months. Now we have the college students seeking their theme material. I can help them some with this but our English Literature biographies, and such are a limited supply.

The Mayor and City Council of the City of Dallas and the Board of Trustees and Library Staff sent a formal invitation to the opening of their new Dallas Public Library for Sunday, Sept. 25th. I received formal invitations to all the new Texas Libraries, and open House programs from some of the National programs. I appreciate their consideration but expense has to be considered, too.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

BACK TO THE CAPITAL CITY

The Rogers family arrived back in the Capital City at 11:59 p. m., September 8th. It was the end of a long day and a long trip. There is a common expression in this section of the country that a trip to the south or southwest is "down hill". This no doubt finds its origin in the fact that the top side of a map is north and the lower side south. Although the Panhandle is well over 2 thousand feet higher above sea level than most of the eastern section, I must admit that the Rogers family found the trip home to the Panhandle "down hill and easy sailing all the way". The trip back to Washington was up hill all the way and I don't know whether the children dragging their feet had anything to do with it, but it was sure a hard pull. This is true no matter how the trip is made. I had been all ways but one so we came back that route. We left Texas at Texarkana, crossed Louisiana, Mississippi, Alabama, turned north through Georgia into the Carolinas, both North and South, anti-goggin' across the State of Virginia to Richmond and north to Washington, D. C. Our last day on the road is one of the most important ones in our life, not only because we arrived back in

Washington safely, but because it is the birthday of our youngest. We started the day at Seneca, South Carolina, which is about 40 miles from Greenville. First on the schedule was the fanfare and trumpet blowing that always takes place in the Rogers household on everyone's birthday, including the old man's. Mary Catherine was seven. Four of her birthdays have been celebrated on the road. Her mother told her that she was the only girl she had ever known who had had birthdays all over the United States. This pleased Mary C. very much.

Many interesting things happened on the trip, some humorous and some otherwise. We drove into a filling station in a southern town and the minute the wheels stopped, Robert the eight year old was out and gone as was his usual practice. Just as we started to leave Jean counted heads and found only five. She jumped out of the car in a startled manner and said, "Where is Robert?" A short, fat negro attendant grinned and said, "He quit!" Jean said, "I'm talking about my Robert, not yours". We found him at the funny book stand and departed in good order.

HIGHWAYS

A trip through seventeen states and the District of Columbia makes one feel that he is pretty well versed on the highway situation. It is not difficult to point out many of the highway defects in the several states. However, it is very difficult to provide an over-all solution to the many

arms of the problems involved. The Texas highways, in my opinion, are far and away ahead of most states. In many of the other states the highways are poor and the traffic regulations are cumbersome. There must be some drastic changes, about which much complaint can be expected. However, we would be foolish to spend money on a gigantic highway program without using a little foresight to correct some of the mistakes that have been made in trying to do patchwork on antiquated systems. The program must be a well planned program, fully recognizing the increased traffic that can be expected from the increased production of automobile equipment and the inevitable increase in the population. Had such a program been presented at the last Congress, it would have been adopted.

I feel confident that in the early days of the coming Congress adequate authorizing legislation will be placed on the law books so that this program can be commenced without delay.

THE FOREIGN SITUATION

It is interesting to note that soundings are being made by some large concerns in this country relative to trade with Russia. You can expect more of these. Russia and Red China are two vast markets for manufactured goods. This has been recognized in England for a long time. Some of those who are secretly advocating unlimited trade in this field might remember what a good scrap iron customer Japan was before 1941.

Mrs. Grace Siebert Pence was a visitor here last week. Mrs. Pence will be remembered as Grace Siebert who left here as a school girl in 1903. She was the daughter of the late J. D. Siebert. Mrs. Pence visited among her old school friends. Her home is now in Cleveland, Ohio.

Don Thornberry, son of Mr. and Mrs. W. C. Thornberry, left this week to enroll as a junior at State College, Las Cruces, New Mexico.

Anything less is an old-fashioned truck!

New Chevrolet Task-Force Trucks

Most modern trucks on the road! If you don't get all the advantages they offer, you stand to lose money on the job today . . . and again at trade-in-time!

Most modern power—V8 or 6
In most new Chevrolet truck models, you have your choice of V8* or 6. Chevrolet's new truck V8's have the shortest-stroke of any V8 in any leading truck! That means less friction and wear per mile. And all Chevrolet truck engines have a modern 12-volt electrical system for quicker starting, better ignition and a greater electrical reserve.

The truck driver's "dream cab"
With wide panoramic windshield, concealed Safety Step and High-Level ventilation system.

Work Styling—a Chevrolet exclusive
Two fresh, functional styling treatments—one for light- and medium-duty models, another for heavy-duty. Your Chevrolet truck will do your job better—and look better!

Most modern features throughout
Advanced suspensions! More rigid, ladder-type frames! Tubeless tires standard on 1/2-ton models! Come in and see all the ways you're way ahead with new Chevrolet trucks!

*V8 standard in L.C.F. models, an extra-cost option in all others except Forward Control models.

Chevrolet Truck Work Styling is well illustrated in these four models ranging from the Low Cab Forward and Come Carrier at left to the pickup and tractor-trailer unit at right.

Year after year, America's best selling truck!

THE LION'S TALE By Carl Allmond

All members were pleased with the meal this week, after eating watermelon last Tuesday night. Boss Lion Lowe either bought too many watermelons or not enough Lions showed up. There were several hundred pounds left over. It just so happened that a college class party was in the making, and the melons were donated to them. What the teachers couldn't eat, the kids did; "Two birds with one throw."

Boss Lion Lowe also asked that everyone be on hand at the College Auditorium Thursday night 7:30, for a demonstration of the Dale Carnegie course. This means civilians as well as Lions. You are not obligated in any way; just be there, and it means \$1.00 per person for the Club. Everyone over 15 years of age is welcome. How about making a fast buck for the Club?

Lion McCully suggested that everyone attempt to make the trip to Lefors for our first conference game, Friday night at 8:00. If you saw the first two games, it will be hard to stay away.

Last week's daily paper announced a few allotments for hospitals, and stated that other allotments were delayed until December. Lion Porter was instructed by the board to contact the State man for this territory, concerning our chances for being approved in time for the December allotment. According to Porter the reply was favorable for his visit.

Program Chairman Drennan presented Warren Freeman, Amarillo florist, for our program. Mr. Freeman made the trip to California with the boys from

SANDRA YOUREE

Miss Sandra Youree will reign as Queen of the 4th Annual Cotton Festival to be held in Hedley Friday and Saturday, October 21-22nd until her successor is crowned the first night of the Festival. Miss Youree, the daughter of Mr. and Mrs. W. V. Youree, is 18 years old and a senior in Hedley High School.

The Midway of this years Festival will start two days before the Festival dates and contract has been let with Leerights Midway Shows of Sundance, Wyoming. This is one of the largest Carnivals to show in this section of the country lately boasting five or more rides, two shows and twenty other attractions.

Most of last years free attractions plan to be back and several new ones. Among the new attractions are the Tejas Indian Dancers of Borger. This group is made up of twenty Boy Scouts of first class or higher rating and recruited from 14 different units. They will give their dances Saturday morning of the Festival, be in grand parade at 1:30 P. M. and perform again in the afternoon.

The Cotton Council of America have given their aid to this years Festival, Cotton John and Red Muse, of Radio and TV Station KGNC of Amarillo will cover the Festival, Lions District Governor Dub Nelson of Childress will help the Hedley Lions in this event, State Senator Andy Rogers of Childress and Representative

Boys Ranch, and showed his colored pictures of the trip.

Tuesday's guests were Oliver Abel, Billy R. Hill, Gordon Simpson and Allen Homer Estlack, all of Clarendon.

Elbert Reeves of Matador will be on hand to help out and tell the people what is going on down in Austin. The Festivals have been mighty good in the past but this promises to be the greatest.

Mr. and Mrs. Ralph Decker visited last week in Childress with their daughter and family, Mr. and Mrs. Hayden Baker and family.

Mr. and Mrs. J. D. Riley and family of Amarillo and Pete Bromley of Alpine were week end guests in the Bill Bromley home.

Mr. and Mrs. J. F. Blocker are in Dallas this week where they are visiting in the home of their daughter and husband, Mr. and Mrs. Rex J. Jones.

Some Youths Do Not Need Hunt Permit

AUSTIN—Persons under seven years of age do NOT need regular licenses to hunt or fish in Texas, according to the Executive Secretary of the Game and Fish Commission.

In a clarifying statement, he said some confusion has been caused through a new state law exempting persons sixty-five years of age or older from buying hunting and fishing licenses which has a companion measure decreasing that persons under sixteen years of age did not have to buy licenses. An old law exempting residents under seven years of age was not repealed hence this statute still prevails.

The Executive Secretary emphasized that young and old in the free category must obtain exempt licenses when hunting deer because of the deer tagging law affecting all hunters.

Dinner guests Sunday in the home of Mr. and Mrs. L. N. Cox were Mr. and Mrs. Joe Dilli of Lubbock, Mr. and Mrs. C. J. Van Zandt of Mobeetie, and Mr. and Mrs. J. H. Hurn.

J. N. Weaver, who underwent major surgery at Northwest Texas Hospital in Amarillo Monday, is reported getting along as well as could be expected at this time. His many friends wish him a speedy recovery.

FARM NEWS

from the County ASC Committee

PARITY

The word parity means "equality" or "equal value." Congress has defined parity price for agricultural products as the price that will give these products equal value or equal purchasing power in terms of goods and services bought by the farmers that they had in the base period. In other words, the prices needed to put commodities sold by farmers on a "par" with commodities bought by farmers.

FINAL LOAN RATE FOR 1955-CROP COTTON ANNOUNCED

The U. S. Department of Agriculture has announced that the average loan rate for the 1955-crop upland cotton, basis Middling 7/8 inch, will be 31.70 cents per pound gross weight.

BUYER'S COTTON QUOTA RESPONSIBILITIES OUTLINED

If cotton is not properly identified as "penalty free", the buyer is obligated to collect or deduct the penalty from the purchase price of such cotton when marketed.

Penalty-free 1955-crop usually will be identified to the buyer by the use of a marketing card; however, a marketing card may not be used to identify cotton from a farm other than the one indicated by the serial number on the card. Instructions for the use of marketing cards are printed on the back of each card.

Complete information with respect to the use of marketing cards, marketing certificates, and loan documents may be obtained from the county ASC office. Misuse of a marketing card, marketing certificate, or loan document may subject the producer and buyer to court action for such acts.

Free Dale Carnegie Program Sept. 22nd

A free Dale Carnegie program will be presented tonight (Thursday), September 22nd at 7:30 p.m. at the College Auditorium.

This program is entirely free to the public, and the Clarendon Lions Club is inviting everyone regardless of their interest in taking the Dale Carnegie course.

The program, among other matters of interest, will consist of memory demonstrations. The program is planned to be of interest to everyone, and is highly entertaining.

The Clarendon Lions Club is sponsoring the Dale Carnegie course which will begin in a few weeks, and if anyone is interested in taking the course, please contact Dr. H. R. Beck, the chairman of the committee, or Bill Lowe, President of the Lions Club.

The Dale Carnegie class is limited to forty persons. Only one class is being planned for Clarendon, and since the first full class is almost enrolled, you should make your reservations to take the course as soon as possible.

.53 Inch Moisture Recorded Here

Tommy Saye, official weatherman, reported .53 inch moisture from the rain that fell Saturday evening and night. The amount varied over the county with some points receiving an inch or more. It was enough to help crops to some extent.

Bronchos Defeat Mustangs 19-14

The Bronchos, trailing in the scoring department throughout practically the entire game, came through with an 85 yard march in the last minutes to defeat the Claude Mustangs 19-14.

The Mustangs gave the Bronchos a rough time of it all the way. They scored their first counter early in the first quarter and plunged for their extra point.

The Bronchos followed up about midway of the first period with their first tally with Payne tossing a pass to Eddie Joe Baten. The try for extra failed. The Mustangs took to the air in the second period connecting with one good for 51 yards and a TD, and then added the extra point.

A short time later Jimmy Philley skirted right end for 15 yards and the 6 points. Their try for the extra point failed again. The Bronchos final drive started on the Mustangs 15 yard line and finished up with Mills going around left end for seven yards and the tally. Payne plunged over for the extra.

The Mustangs held the upper hand throughout most of the first half but the Bronco line came back in the second period to hold the Mustangs to much less yardage on ground plays.

Donley Co. To Hold Policy Development Meeting Sept. 26

A county wide policy development meeting will be held at Lelia Lake Gym, Monday night, September 26th, at 7:30 P. M., sponsored by Donley County Farm Bureau.

"The purpose of the meeting, is to help improve our Farm Economy, by a general discussion of issues that are of great importance to us as ranchers and farmers," stated Lee Shaller, Sec. Treas. of the Donley County Farm Bureau.

"Possibly you have an idea that might be of much benefit to our program. From such discussions as these, some good plans have been formulated," Mr. Shaller said.

Stanley Garnett, District 1 Director of Texas Farm Bureau, will be in charge of the meeting, and Odell Frazer, Area Representative for Farm Bureau, will

be here to assist Mr. Garnett. "You will please bear in mind that this is to be an open meeting for the benefit of ranchers and farmers and not necessarily Farm Bureau members; however if you are not a member of Farm Bureau, your membership is solicited and will be appreciated," Mr. Shaller concluded.

Dates For Free Chest Xray Set For Oct. 25-26th

The State Health Department will send their mobil Xray unit to Donley County again this year on October 25 and 26 for the purpose of providing free chest Xrays to all residents aged 15 years and older. The unit is being sponsored by the Tuberculosis division of the State Health Department but the films are carefully studied and all diseases that can be identified such as heart disease and cancer are reported to each persons doctor.

Mrs. John Head has accepted the assignment as General Chairman for this years arrangements and a concerted attempt will be made to get the greatest possible number of persons Xrayed as this is a free public service which may well save ones life.

NEW PARKING POLICY FOR BALL GAMES

It was announced this week that a new parking policy for the parking of cars inside the football field has been inaugurated. A charge of 50 cents per car will be made in addition to general admission tickets for each person in the car. The money derived from the car parking will be used to pay for camera equipment and filming of the ball games. Coaches can use these films to show the players their mistakes.

Mrs. Winnie Wester took her daughter, Miss Jeanette Stogner, to Denton Tuesday where Jeanette enrolled as a senior at TSCW.

Jack W. Minor To Sales Manager

DETROIT — The promotion of Jack W. Minor, Director of Advertising and Merchandising for Dodge Division, Chrysler Corporation, to the newly-created post

of Sales Manager in charge of advertising, merchandising and related sales activities, was announced today by Byron J. Nichols, vice-president and general sales manager. His new duties will concern themselves with all phases of these activities for both

Dodge passenger cars and Dodge trucks, Mr. Nichols announced.

In his new capacity as sales manager, Mr. Minor's responsibilities will be broadened to include dealer relations, customer and public relations, as well as working directly with the Dodge Dealers' Advisory Council, coordinating factory and dealer cooperation and activities.

Notwithstanding his youthful 35 years of age, Mr. Minor has had extensive and varied experience in the advertising, merchandising and sales fields. He is a native of Kansas City. Prior to three and one-half years' service in the U. S. Navy during World War II, he attended the University of Kansas. Minor is married, has two daughters, and resides in Birmingham, Michigan.

PLOWIN' Out the CORNERS by Uncle Zeb

Mr. James Mullins, a very congenial salesman for an investment company, with offices at Lubbock, Texas reads our column and gives us the following little saying as one of his favorites; "A man that decides to be his own lawyer, has a fool for a client."

It has been our custom to include a poem once in awhile for those that keep a Scrap Book. The following was called to our attention and we pass it along to all of you. It is called;

ONE ROSE
By Nancy J. Colvin
I'd rather have a single rose Presented by a friend,
Than have the choicest flowers When my work on earth doth end.

A little flower, a pleasant smile, And kind words said to me Mean more than long drawn eulogies When life has ceased to be.

That loving smile received today From friends I know are true, Mean more than tears at my funeral

When my work on earth is through.
So, Thank You, for your flower today,
Whether pink, or white, or red; I would rather have one flower now
Than a truck load when I'm dead.

When we read something like the poem above it sort of makes us want to get on the phone and call some of those we love and tell them now that we do appreciate them, or write a letter or something. We should do these things more often, shouldn't we.

Speaking of Scrap Books, we have a very dear little friend who is putting some things together in her book. This little lady is around nine or ten years old now and some three years back suffered a terrible and agonizing appointment with polio. In this time she has made a marvelous adjustment and day by day is progressing toward a normal life in every way. First, let's all breathe a little prayer for this brave girl; then could each one that reads this send her a little something to help fill up her scrap book? That would help a lot.

Her name is Betty Mae Dunn, and the address is Claude, Texas. This summer Betty attended the

summer camp sponsored by Texas Lions Clubs located at Kerrville, Texas. She had a great time, and with the things she collected on this trip a few letters, little poems, cards or just about anything from some of you would make her Scrap Book bulge at the seams. Anyway, thanks Betty for being such a sweet brave little girl and most of all for being one of our friends.

Just about everyone has been trying to get me back on national politics with our comments in this column. We doubt that we want to be mis-led. Last time we took part in any national talk on politics we got ourselves so worked up on the subject until we could hardly see the woods for the trees. It's pretty easy to do

and somehow we think we had rather just think with our readers on the little every day things of life and leave politics alone. What do some of you as our readers think?

North Dakota and South Dakota were admitted to the Union on the same date, November 2, 1889.

Democratic national committee—to replace ousted Wright Morrow.

A nominating committee will make a recommendation on Sept. 21st. Its choice will be revealed at a meeting of the State Executive Committee in Ft. Worth on Sept. 22nd.

Discussed for the place have been former Cong. Lloyd M. Bentsen, Jr. of McAllen; Cong. Joe Kilgore, also of McAllen; Rep. J. O. Gillham of Brownfield; and James E. Wheat of Woodville. Wheat now is secretary of the State Executive Committee.

Possibility that State Chairman George W. Sandlin might get the nod also has been discussed.

Gov. Allan Shivers has indicated his desire that the new committeeman be someone who will work with the National Committee.

National Chairman Paul M. Butler said that the new member must have voted for Adlai Stevenson in 1952 and be acceptable to Governor Shivers, House Speaker Sam Rayburn, and U. S. Sen. Lyndon Johnson.

State Chairman Sandlin will address a meeting of the Democratic Club of Ft. Worth on the same date the committee meets. He will reply to the speech made to the same group by Morrow just before the state committee voted Morrow out. Morrow has severely criticized Sandlin. The invitation to speak was extended Sandlin in order to show that the club, while conservative, was not dominated by the ultra-ultra conservative backers of Morrow.

Candidates Active

Friends of Agri. Commr. John White met in Austin over the week-end to encourage his entry into the governor's race. White is one of several under consideration by the Loyalist forces.

Brown Bailey, Midland attorney and leader in the effort, said the group conferring with White

was not allied with any political faction. "We simply want White to run," he said.

Reuben Senerfitt of San Saba is the only announced candidate for governor so far. He's busy building his fences. Active also is State Sen. Jimmy Phillips of Angleton, although as yet unannounced. Another possible is James P. Hart, former chancellor of the University of Texas. And Will Wilson, associate justice of the supreme court.

Not to be overlooked is Coke Stevenson, former governor. It appears there may be a build-up urging him to enter. Stevenson has been inactive politically since his 87-vote defeat by Lyndon Johnson in the Senate race seven years ago.

Look for House Speaker Jim Lindsey of Texarkana—in the attorney general's race. Also being talked for that job, if Hart runs for governor, is Will Wilson. He would not run against Hart.

New Veterans Land Plan

Texas' veterans land program is off to a fresh start.

Under new laws the board places responsibility for administration squarely on the shoulders of the land commissioner. Ex-officio members, the governor and attorney general, are charged only with policy-making functions.

Commr. J. Earl Rudder said he was ready to accept the responsibility.

Local advisory committees,

blueprinted in the 54th Legislature's reform laws, are already being formed. These committees, appointed by commissioners courts, will provide a check on findings of state appraisers.

Land purchasers who are delinquent in their payments, have been notified to pay up or forfeit their land. Many delinquencies involve block deals believed to be of questionable nature.

Rudder indicated the board should be able to start considering loan applications again soon. All the original \$100,000,000 was exhausted under the administration of his predecessor, Bascom Giles. Some, however, has been recovered by court action.

Giles has been sentenced to the state penitentiary on charges of complicity to theft and consenting to accept a bribe.

Starm-Warning Net Set Largest storm-warning net in the world is being installed in 16 Texas cities.

Radar sets, obsolete for mili-

tary use, were donated by the U. S. Air Force. Procedure for use was developed by the U. S. Weather Bureau, Texas Department of Public Safety and the state division of Civil Defense and Disaster Relief.

Installation sites are Austin, Donley County Leader, \$2.50 year

San Antonio, Corpus Christi, Brownsville, Victoria, Galveston, Houston, Beaumont, Ft. Worth, Wichita, Falls, Lubbock, Midland, San Angelo, and Amarillo. Others may be added soon.

Parent - Teacher Talk

"A welcome" to P.T.A. was extended to both the old and the new members by Mrs. T. M. Caldwell, Jr. at the P.T.A. meeting Thursday afternoon at the Jr. High Auditorium. The meeting was the first regular one of the 1955-56 school year.

During the business session it was announced that the room getting the most P.T.A. members from now through October would receive a \$5.00 prize from the P.T.A. Mrs. Ballew's room won the room count and the dollar with twelve parents present. Three other rooms, Mrs. Guy's, Mrs. Sandifer's and Mrs. Mears', tied for second place with eleven present each. An announcement was also made in regard to the P.T.A. magazines. Now is the time to subscribe to these magazines, The Texas Parent-Teacher

and the National Parent-Teacher. Anyone wishing to subscribe to these publications may contact Mrs. Jack Gray at 202-J.

The speakers for the afternoon were Superintendent W. W. Pinkerton and Principal Stina Cain. Both speakers gave a brief outline on what they considered important toward the development of a better school system and how we, the people, could help. They urged good cooperation between the parents and teachers so there would be a better understanding of the problems of each. They also asked the people to attend P.T.A. and become better acquainted with our schools.

We all enjoyed these men coming to P.T.A. and speaking to us. Let's all pledge our support to our school officials and help them help our youth.

After the business session and the program, the parents and teachers then went to their respective rooms where the children's work was on display. Mrs.

Mears' room had a very interesting display, a Hobby Show. Each child in her room had brought their collections to school where everyone could see and admire them.

The next P.T.A. meeting will be October 20th at 3:00 P. M. This had been planned for a night meeting, but since a football game will be played that night it was changed to an afternoon meeting. The program for the meeting will be Parents, Teachers and Youth Look at Our Schools. This will be a panel discussion with Mrs. Frank Phelan, Ruth Ann King, Jack Ballew and R. E. Drennan taking part. Let's remember the date and attend P. T. A. See you there.

—Reporter.

Wesley Parr Knorpp, son of Mr. and Mrs. W. Carroll Knorpp of Clarendon, will return to Tucson next week to resume his studies at the Southern Arizona School for Boys. Wes will be a junior at the ranch prep school this year, having entered as a freshman in the Fall of 1953. Classes will start Monday, September 26.

"DO NOT JUDGE FROM MERE APPEARANCES"

—*(Author's name below)—

The average cost of a prescription is just about the charge for a good meal. This is a tribute to the pharmaceutical industry that spends millions on research yet keeps ultimate costs so low.

Some medicines appear to be expensive. Judging by appearances a dozen capsules may not seem to be worth as much as six dollars. Your Physician knows their higher cost and true value. When he prescribes them for you he knows that your eventual cost will be much lower because they will do you more good in less time. Trust his judgment. We will cooperate by pricing them fairly.

YOUR PHYSICIAN CAN PHONE 36 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us, or let us deliver promptly without extra charge. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Due to the dry weather the District equipment used for seeding cover crops has not been very busy. A number of Donley County Soil Conservation District co-operators have expressed their intention to seed some cover crops "if we get a good rain before it is too late," and others are going to drill rye or rye and a legume in their cotton land any-

way, with the hope that they will get enough rain to grow a cover before the "blow" season starts.

For those that have summer fallowed land—to kill the johnson grass or for other reasons—it might be well for them to go ahead and dust rye in, and thus avoid the rush for equipment if it does rain. Where the land has been summer fallowed, a light rain of as little as one half inch would likely get the crop up, and with a reserve of moisture in the ground, there would be little chance of losing it. D. L. Vaughn is one that has dusted in rye for a cover crop on summer fallowed land.

For the first time in several years, farmers will be allowed to haul cotton burs from the gins in the Donley District back to their farms. This was made possible by the installation of special equipment in the gins to destroy the pink boll worms. If the farmers will rig their cotton trailers similar to the way they would if they were hauling silage from the field, a load of burs could be brought back to the farm for each load of cotton taken to the gin, and with little loss of time. These burs could be piled on the farm, and distributed on the land during the winter after the harvest season is completed. These burs

will be very valuable to the land, both for soil protection and soil improvement. Under certain conditions, A C P cost-sharing might be available in helping to carry out the above program.

Additional information on cover crops and other soil conservation practices may be obtained in the office of the Donley Soil Conservation Service technicians who are assisting the District.

From where I sit... by Joe Marsh

...Makes a Man Healthy, Wealthy—and Tired!

Sandy Peterson's nephew Pete has gone back to college. He worked on Sandy's farm a couple of months last summer to get hardened up for football.

He seemed to enjoy farm life all right—but like most city kids it took him some time to get used to a farmer's schedule.

Sandy claims that when he went in to wake Pete—on the first morning—the boy looked up startled and asked what time it was. Sandy replied it was four-fifteen. "Gee," Pete murmured, "if we're going to do a day's work tomorrow you'd better get to bed!"

From where I sit, we must have heard a million stories like that. But they show how some people assume their customs are the only proper ones. To most city folks getting up at 4:15 seems odd, because they don't do it. Just like some people don't think enjoying a glass of beer is "right"... because they happen to prefer another beverage and haven't waked up to the fact that everyone has a right to his own choice.
