## Services Held Tuesday For Accident Victim

Funeral services were held Tuesday afternoon at the First Baptist Church for Emmet Randall Thompson, 7-year old son of Mr. and Mrs. Emmet J. Thompson, with Rev. L. A. Sartain officiating.

Death came to young Emmet Sunday morning as he was playing with a rope suspended from a door frame. While playing with the rope he had tied it around his neck and then apparently tripped, falling to the floor. Dr. Paul C. Laird stated that the jolt in falling apparently broke his neck. His mother found him unconscious about 10:30 Sunday morning and he was rushed to the Adair hospital where the resuscitator, recently purchased by the Fire Department, was used on him for two hours and ten minutes. Dr. Laird reported that his life would probably have been saved by the new machine if the spinal cord had not been damaged.

Emmet was a pupil in the second grade. He was born in Clarendon on August 10, 1941 and had lived here all his life.

Survivors include his mother and father, Mr. and Mrs. Emmet J. Thompson; his grandmother, Mrs. Myrtle Cowan; his grandfather, Mr. J. T. Talley; a great grandmother Mrs. Ada Lee Wallace, all of Clarendon and a great grandfather, G. W. Cowan of Estelline.

Pallbearers were Alfred Ivey, Chester Talley, Frank Reid, G. W. Bradshaw, Bud Anderson and Leslie Butler.

Flower girls were selected from the 2nd Grade and were as follows: Linda Carol Dodson, Linda Jo Self, Patsy Watters, Nancy Oneal, Joyce Paulk, Bobbie Lou Johnson, Georgia Bell Harmon, Martha Hawthorne, Joyce Taylor, Patricia Spurgeon, Suzanna Sandifer, Elaine Behrens.

Burial was in Citizens Cemetery with the Womack Funeral Home in charge of arrangements.

## Sheriff Warns BB Gun Toters

Sheriff Guy Wright reported yesterday that he had received a number of complaints in regard to youngsters who were going just a bit too far with their air rifle shooting. Stray bb's from the rifles have made contact with chickens, animal pets and a few people, the Sheriff stated.

He suggested that parents of youngsters, shooting these air rifles, check into their own situation at home and inform their youngsters as to what caution should be taken and the limitations of their hunting grounds as a stray bullet from an air rifle could very easily put out an eye or cause unforeseen damage to property.

## W. H. Patrick Celebrates 84th Birthday

The past week end and the first of this week were very enjoyable hours for W. H. Patrick, president of the First National Bank, as Monday was the date of his 84th birthday. Sunday he was honored with a family dinner at his home here and again on Tuesday, he and J. T. Patman were both honored by the Clarendon Lions Club and both were presented with beautiful birthday cakes with lighted candles.

Those enjoying the dinner in his honor Sunday were his wife,

W. H. PATRICK

his two daughters, Mr. and Mrs. Harold Bugbee and Miss Elgin Patrick; Mrs. R. L. Hearne, John Bugbee and Bob McNaughton.

Mr. Patrick came to Clarendon in 1898. He organized the First National Bank in 1900 and has been president of that well-known institution since 1925. He is still active in the operation of the bank here and holds the title of being the oldest active banker in the Panhandle and one of the oldest in the state.

## PERMANENT INJUNCTION IS GRANTED

According to the records of the District Court proceedings in a hearing before Judge Luther Gribble Friday, the temporary injunction asking that the school board refrain from granting the use of the ball park for rodeo purposes, was made permanent.

It will be recalled that Bill and Mary Cooke asked for this injunction last season immediately prior to the annual 4th of July Rodeo, alleging that the cause of the close proximity to their home that such rodeo entertainment was objectionable because of stench, noise, dust and other unpleasant features.

Since the school board has been enjoined from granting the use of the ball park for Rodeo purposes, plans are already underway that will insure a very successful rodeo feature and celebration next 4th of July.

Mrs. Paul C. Laird and Mrs. Bill Green Jr. were Amarillo visitors Monday.

## Donley Behind In Terracing Program

Winter moisture is good but sleet and snow has put the terracing program in Donley County far behind than its usual schedule stated county agent H. M. Breedlove. The month of January and February were so bad that it was impossible to run terrace lines except a few days at a time between blizzards. The terracing program is now in full swing in the county and Breedlove says it is sure a race to get the job done so that farmers can start listing their land for planting in May.

Mr. Carman Rhode of the Soil Conservation Service has two terracing crews in the field and he and Mr. Patrick are also running terrace lines. Breedlove is running terrace lines and that makes five crews in the county running lines every day that the weather will permit. With these agencies working every day possible, it is hoped to get most of the lines run for those requesting terracing.

Grass planting is now in full swing and the SCS has its grass drill busy every day trying to get the planting made before it is too late in the spring and also to take advantage of the moisture. The board of supervisors of the soil conservation district have ordered another grass drill and it will be available in the county in the very near future. Much land not suited for farming is now being turned back to grass and a livestock program fitted into the farming operations. Breedlove stated that a good balanced farming operation must include livestock and the grass planting program of SCS fits into this program in good shape.

## Local Boxers Take Quail 12 to 4

The Clarendon boxing team stepped back into the winning bracket last Friday night by taking 12 out of 16 bouts over the more inexperienced team from Quail. Even though the local boxers won the majority of bouts, the fights were closer than the score indicates as the judges scores were almost even on several occasions.

The results were as follows with the Clarendon boxer being named first:

- 57 lbs.—Jack Moore was dec. by Robert Shields.
- 71 lbs.—Gordon Moore dec. Darrel Morris.
- 75 lbs.—Don Moore dec. Marion Finley.
- 75 lbs.—Weldon Talley dec. Billy Shields.
- 85 lbs.—Bill Dale Hill dec. Billy Blades.
- 86 lbs.—Tommy Blasingame dec. Donald Johnson.
- 97 lbs.—Gerald Mulanax dec. Lesley Davis.
- 95 lbs.—Billy B. Adams dec. Ronald Daughtry.
- 95 lbs.—Bill Porter dec. Jasper Peoples.
- 118 lbs.—Leon Mulanax was dec. by Wallace Blasingame.
- 125 lbs.—Leldon McBrayer was dec. by Earl Patterson.
- 125 lbs.—Joe Shadle Ko'ed Lloyd Parker 1st round.
- 137 lbs.—Travis Mulanax ko'ed Jack Robertson 1st round.
- 174 lbs.—Sidney Muse was dec. by Billy R. Lowe.
- 158 lbs.—Rockey Risenhoover dec. Jimmy Pegram.
- 225 lbs.—Bob Clifford dec. Billy Williams.

## BAND PARENTS TO MEET MONDAY NIGHT

The Band Parents organization will hold a regular meeting Monday evening at 7:30 at which time a covered dish supper will be held in conjunction. The group will meet at the Jr. High cafeteria instead of the band room. All parents of youngsters either in the band or orchestra are urged to remember the date and be present.

## Schools To Close All Day Friday For Teachers Meeting

Schools in the twenty-six county area of the Panhandle will close all day Friday, as more than 2300 teachers hold their annual spring meeting.

Opening at 9 o'clock in the Municipal Auditorium, Amarillo,

DR. HENRY H. HILL

the Northwest Texas Conference for Education will have as its theme this year, "Education America Needs." Outstanding educators and speakers have been engaged by President Joe A. Gibson, Superintendent of Childress Schools. Dr. Henry H. Hill, President of George Peabody College for Teachers, Nashville, Tennessee, will deliver the chief address of the morning, "Artists in the Classroom." Also on the opening general session will appear Dr. L. D. Haskey, Dean of the College of Education, University of Texas, speaking on "Education America Needs"; Mrs. Sara C. Caldwell, President of the Department of Classroom Teachers, National Educational Association; and Joe C. Humphrey, President of Texas State Teachers Association.

Dr. D. M. Wiggins, President, Texas Technological College, speaking on "Security Versus Individualism" and the Amarillo High School A Cappella Choir, directed by Mrs. Julia Dean Evans, will be the outstanding numbers on the night program.

Noon and afternoon special sectional meetings, embracing the interests of every public school and college teacher in the district will fill the afternoon.

## FIVE NAMES TO APPEAR ON LELIA LAKE SCHOOL BOARD TICKET

A member of the Lelia Lake School board announced this week that the following five names would be placed on the ballot as candidates for membership on the board: V. P. Darnell, Leo Smith, James Smith, Bill Mooring and O. O. Hill. Two members will be elected from the five named and the election date will be Saturday, April 2nd.

## LARGE CROWD EXPECTED FOR FIREMANS BALL TONIGHT

All indications point toward a large attendance for the Firemans Ball which will be held tonight at the Opera House and the boys on the volunteer fire squad are hoping for the biggest crowd ever as they still lack a few dollars in raising the amount needed to pay for the new Resuscitator. They are urging everyone to come on out and celebrate St. Patrick's Day as well as help pay for this new machine they have obtained for free public use.

The price of admission is \$1.50 per person or if you don't like to dance, you can still leave your contribution at the Rexall Drug and it will be gratefully received.

## Farm Bureau Pie Supper March 24th

Mr. Holly Wood, president of the Donley County Farm Bureau announced this morning that a pie supper would be held at the Lelia Lake school house on Thursday night, March 24th at 7:30 p. m.

Mr. Carl Kuper, district director for Farm Bureau, will be the principal speaker and will give information on the operations of the Farm Bureau in Washington and the state. Mr. and Mrs. Blankenship of Dalhart will also accompany Mr. Kuper and show films of travels in Alaska and also pictures of the National Farm Bureau Convention.

All ladies are requested to bring a pie. This meeting is not confined to Farm Bureau members but every one is invited. Mr. Wood requests that the entire family come out to enjoy a good evening.

## NEW CAUTION SIGNS PLANTED NEAR GRADE SCHOOLS

Through the courtesy of the local Coca-Cola Bottling plant and the Lions Club three new signs have been set along three approaches to the Elizabeth Stevens Ward and the Jr. High to remind the public that they are entering a school zone. Every precaution is needed in safe guarding the lives of our youngsters and it is hoped that everyone will take notice of these new signs and slow down in the immediate school zones and other traffic lanes where our youngsters are crossing.

## RED CROSS DRIVE BOGGED DOWN

As far as contributions are concerned the annual Red Cross Drive is mired down deep, very deep, according to a report from county drive chairman, Rev. W. Warrin Fry.

"We need over \$1,500 to reach our goal and very little of that amount has come in to date and we want to urge everyone to send your check or bill to any of the banks or hand it too any of the leaders right away," Rev. Fry stated.

## Girl Scout Week, March 12-18th

By Mrs. J. C. Gibbs  
This week the world pays homage to over one half million Girl Scouts and their sponsors composed of all nationalities of the world for their work in helping to develop fine, upstanding young womanhood. The Girl Scout movement was brought to this country by Mrs. Juliette Gordon Lowe 37 years ago this month and has steadily grown into a wonderful, strong, national and international organization.

In Clarendon, we have two intermediate and one Brownie troop now functioning. The girls and their sponsors are very anxious to develop their organization into a strong member of the sisterhood. They are now working on their share of the "Youth Center." They have recently installed a cook stove. Mr. Paul Schull and his cabinet making class are making a combined cabinet and snack-bar for us. These items are going to be very helpful in carrying on the work of Scouting, and we hope to continue to improve our meeting place, not only for the Girl Scouts but for all the Youth of the town who are interested in the "Youth Center."

The Girl Scouts will sell cookies on the street Saturday afternoon. This money will be used to buy material for our work and to further improve our meeting place which was so kindly furnished by the Lions Club of Clarendon to the Youth of the town. Buy cookies and help the Girl Scouts of Clarendon!

## Revival To Start Sunday At First Methodist Church

Sunday morning at ten fifty o'clock there will begin a series of Revival services under the direction of the Pastor, Stanley W. Hayne. Services are to be held each evening at seven thirty o'clock at which time there will be a Gospel sermon. Each morning at ten o'clock there will be a service beginning with Tuesday morning and continuing through Friday. The topic at these services will be "The Person and Work of the Holy Spirit." This is a fundamental doctrine of the Methodist Church.

The Pastor is to be assisted by

EARL W. WARD  
Song Leader & Youth Worker

Mr. Earl W. Ward of Waco, Texas, who is a trained song leader and worker with children and Young People. A graduate of Baylor University and of the University of Southern California, Mr. Ward has been a successful worker in his chosen field for a number of years. There will be services for children each afternoon at four o'clock, and for the Young People before the evening service.

The people of Clarendon are cordially invited to attend these services. They will be without denominational bias and will present the simple fundamentals of the Christian Gospel. Clarendon needs a revival of genuine heartfelt religion to stem the tides of secularism and indifference to the great truths of God's Word.

## GRAND JURY RETURNS SIX INDICTMENTS

According to Walker Lane, district clerk, six indictments were returned by the Grand Jury last week with all six counts being against three men. The jurors were in session from the 9th thru the 11th.

L. C. Anderson, Hedley, was indicted on three counts of disposing of mortgaged property. Mearl Williams was indicted on two counts of forgery. George W. Evans was indicted for car theft.

Mr. and Mrs. Alvin Landers were Amarillo visitors Thursday.

## Clarendon Boxers To Meet McLean Here Friday Nite

Friday night, March 18 at 8:00 p. m. in the College gymnasium the Clarendon boxers will be after the McLean Tigers with revenge in their eyes. The two teams have met on their respective grounds twice and McLean has emerged victorious each time. The bouts have always been very close and difficult for any referee or judge to render a favorable decision.

It has been a privilege to play host to such a clean and well conducted group of youngsters that are brought from McLean each time. The visiting team promises to consist of boys ranging from the 85 lb. class to the heavier group of boys in the high school bracket.

Tickets will be on sale at the Clarendon Furniture Store today and Friday. It will be advisable to make arrangements to get them early. The usual rush for the choice center section seats start immediately after the tickets go on sale.

The originally scheduled bout with Shamrock on the following Friday night, March 25th has been moved forward to be held Tuesday night, March 22nd. There will be one day advance ticket sale. Your reserved seats may be made on Tuesday, the day of the fights at the Clarendon Furniture Store.

## March of Dimes Campaign In Texas Complete Success

The 1949 March of Dimes campaign fund in Donley County was increased to approximately four hundred dollars this week with the remittance from the Hedley group. Mrs. Harrison Hall is Chairman for the Hedley division.

Mrs. Johnnie Blocker, general chairman for Donley County, is in receipt of a report from the State Chairman advising that the state of Texas considered this year's campaign a complete success. It is gratifying to know that in the event of an outbreak of polio in this county, our funds would be increased by either the state or national departments if necessary.

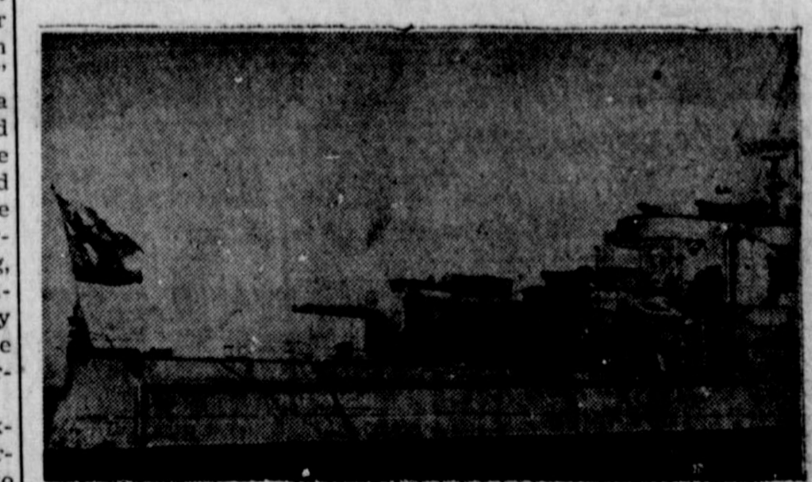

Although the campaign is officially closed, if there is anyone who has failed to mail their check, it will still be received and applied on this year's receipts.

## BROTHER OF LOCAL MAN BURIED WEDNESDAY

Funeral services were held Wednesday morning in the Blackburn-Shaw Memorial chapel at Amarillo for Lawrence Knorpp, 87 year old retired farmer and cattleman, with Rev. E. B. Fincher officiating.

Lawrence Knorpp, brother of Wesley Knorpp of Clarendon, moved to Groom in 1909 and later moved to Amarillo in 1919.

## Russians Return Lend-Lease Cruiser

LEWES, Del.—Soviet sailors stand on the deck of the Murmansk, formerly the light cruiser USS Milwaukee, as the vessel approaches Cape Henlopen, off Lewes, Del., March 8. The ship, lent to the Soviet Navy in 1944 under Lend-Lease is being returned to U. S.

## Protestant Bulgarian Ministers Sentenced

SOFIA—Nicola Naumov (front row), Baptist Minister, and Yanko Ivanov (second row) Methodist, hear their sentences in Bulgaria's spy trial of Protestant churchmen. The two men were among the four top defendants to receive sentences of life imprisonment and fines of 1,000,000 Leva (about \$3,750). All the fifteen Ministers on trial confessed abjectly to charges of spying for the U. S. and Britain and black market dealings.

Mr. and Mrs. Coleman Shields visited in the J. W. Shields home at Lelia Lake Sunday.

**CITY-COUNTY LIBRARY NOTES**  
By May L. Prewitt  
The Library received a cash gift from the Mother's Club this week which will be used in purchasing books for the smaller readers. This order will be mailed this week, and should be for use after three weeks. All orders since Christmas have been slow in being filled.  
For the adult readers our new book is "Dolly Madison, Her Life and Times" by Katherine Anthony. These historical biographies are quite popular reading. Dolly Madison was an extraordinary woman, and the daughter of Quaker parents. At the time of her marriage to the forty-three-year old Madison, she was a widow of twenty-six living in Philadelphia with her young son. She fitted at once into the social and political world of the period.  
Fred Gipson, who wrote "Hound Dog Man" is having Day Dreams of remodeling his modest four room cottage, and owning 1000 acres rather than only 12 acres. However, he does not approve of installment buying, and may live in his present home for

some time, he states. He frankly says he would enjoy living as care free as "Blackie."  
There are orders out for several recent best sellers, but my readers will have to be patient as the shipments are never prompt any more. However, there is some excellent material in the non-fiction section—"Peace of Mine" was on the shelf more than a year before being checked, and now there is a waiting list. Somebody happened to create interest that I could not stimulate by suggestions. There is an unusual supply of material in the Library, so the readers from other places say when they come here to live, and read at our Library. It is small, but has been carefully selected.

## PATHFINDER CLUB

The Pathfinder Club met Friday, March 11th in the Clubroom with Mrs. L. N. Cox and Mrs. C. E. Bairfield as hostesses. Mrs. Basil Hurst was elected delegate to the Federated Club Convention to be held in Lubbock in April.

After the club sang "The Eyes of Texas", Mrs. J. G. Stewart, leader of the Texas Day program, told of the Giant World of Texas taken from "Inside U. S. A." by John Gunther and the Holiday Magazine. Miss Alice McCrary, a guest, delighted the club members with Legends of the Blue Bonnets and a poem, "The Blue Bonnets of Texas." Mrs. Clyde Hudson then gave humorous stories about the Oddities of Texas. We all agreed after this enjoyable program that it was great to live in this fabulous state of Texas.

Ice cream and cake were served to Mesdames Carl Allmond, C. E. Bairfield, H. T. Burton, L. N. Cox, O. W. Elliott, S. W. Hayne, Lee Holland, Basil Hurst, R. Y. King, Pete Kunz, O. D. Lowry, J. L. McMurtry, J. W. Murphy, C. B. Morris, Ray Palmer, J. T. Patman, W. H. Patrick, J. R. Porter, Paul Shelton, J. G. Stewart, Millard Word, Frank Phelan Jr., Clyde Hudson and Misses Mable Mongole, Ruth Richerson and guests, Misses Mildred Martin of El Reno, Okla., Loyd Richerson, Alice McCrary, Mary Howren, Grace F. Brown of Kansas City, Missouri and Mrs. Rufus White.

## WIN ONE CLASS

The Win One Class of the Methodist Church met in a social and business meeting this past Tuesday in the home of Mrs. Rayburn Smith, Mrs. John Goldston co-hostess. The social hour was spent piecing a quilt top which will be quilted later.

In the business meeting, the president and vice president being absent, Mrs. John Goldston acted as chairman. The check for clothing for the adopted orphan girl was to be sent in by Mrs. Porter, chairman of the orphanage committee.

It was voted for the class to have the kitchen and hall at the parsonage painted and papered.

Dr. Jenkins and Mrs. Hefner were guests. Dr. Jenkins made a very interesting talk to the class. Dr. Jenkins has carried on the wonderful work of Mrs. Jenkins in this class since her passing, and has been a power of inspiration to the class, besides always giving liberally to all of its projects.

The devotional was given by Mrs. Hayne.

Guests, Dr. Jenkins, Mrs. Hefner and Mrs. Ballew; members, Mesdames Bourland, Powell, Bartlett, Porter, Cook, Blocker, Hayne, Benson, Patman, Rhoades and hostesses Mrs. Smith and Mrs. Goldston.

## NOTICE

Les Beaux Arts Club members are urged to turn in their "Guest list names" to Mrs. Kunz or Mrs. Walker Lane by March 21.

## LES BEAUX ARTS CLUB

The Les Beaux Arts Club met March 4th at the home of Mrs. J. D. Swift. Business meeting was held and members answered roll call.

An art book was presented to club by Mrs. Claude Moore in memory of Mrs. Bagby. Club voted to put all "art" books in library.

The program for the afternoon was Design in China.

Mrs. Evans discussed origin, and Mrs. Kunz displaying and discussing Lennox and Haviland china.

Many beautiful pieces of china, both old and modern were shown. Fifteen members and two guests enjoyed refreshments and a social hour.

## KILL KARE KNEEDLE KLUB

The Needle Club was entertained in the home of Mrs. J. R. Bartlett with Mrs. Major Hudson as co-hostess. Several hours of needle work and talking were enjoyed until delicious refreshments with St. Patrick colors were served to Mesdames H. C. Brumley, F. A. White, S. W. Lowe, Gene Noland, H. Mulkey, R. R. Dawkins, Buel Sanford, Frank Whitlock, Clarence Piercy, and Misses Ida and Etta Harned and hostesses, Mrs. Bartlett and Mrs. Hudson.

## CLARENDON H. D. CLUB

The Clarendon H. D. Club will meet at the home of Mrs. J. C. Estlack in an all day meeting and quilting Friday, March 18. The business meeting will open at 2:30 p. m. and there will be an exchange of flower seed.

Mrs. M. C. Rumpy, president, announced the following committees for the coming year:

Program — Mrs. O. C. Watson, Mrs. G. L. Green, Mrs. Cottingham, Mrs. Antrobus and Mrs. Austin Rhoades.

Flower — Mrs. Henry Williams, Mrs. Wm. Payne, Mrs. C. D. McDowell and Mrs. E. Bryson.

Finance — Mrs. Clyde Butler, Mrs. Bertha Benson, Mrs. A. W. Simpson, Mrs. A. L. Chase, Mrs. D. F. Wadsworth.

Menu — Mrs. G. A. Anderson, Mrs. J. C. Estlack, Mrs. Laura Taylor, Mrs. Joe Terry and Mrs. Horace Hill.

## 1926 BOOK CLUB

The 1926 Book Club met at the Women's Club Rooms on Tuesday afternoon. Mrs. Walter Clifford and Mrs. Frank Phelan Sr. were hostesses to the club members and about twenty-five guests.

The rooms were beautifully decorated in spring flowers. A delicious salad plate was served.

Mrs. Elba Ballew reviewed the latest book by Lloyd C. Douglas, "The Big Fisherman." She caught the true spirit of the author in her excellent presentation of the book.

## THE FOOTLIGHTS CLUB

The Footlights Club met in the home of Joyce Eddings on Tuesday afternoon, March 8. Joyce presented the program, "Girls Have a Hard Time."

Delicious refreshments were served by the hostess and her mother.

## GOODNIGHT 4-H CLUB

The Goodnight 4-H Club met on Friday, March 11, 1949 at the Goodnight Schoolhouse with Mrs. L. S. Newberry and Mrs. Cleo Hubbard.

Committees were elected to decide on party time and place. We had a business meeting.

Our next meeting will be held on Friday, March 25th at the Goodnight Schoolhouse.

Reporter, Irene Moss

## JR. H. D. CLUB

The Jr. Home Demonstration Club met for its regular meeting Thursday, March 10th in the beautiful home of Mary Wallace. Plans were made for the husband's party March 24th. After completion of the business meeting, lovely refreshments were served to guest: Svea Jones and members Ruth Jenkins, Dessa Day, Ola Williams, Marguerite Carpenter, Margaret Naylor, Moselle, Wright, Ruby Blackman and hostesses Oma Bentley and Mary Wallace.

—Reporter.

## MARTIN QUILTING CLUB

Martin Quilting Club met at the home of Mrs. Blanche Higgins. Two quilts were quilted. Sixteen members were present and one visitor.

Members present were Lizzie Morrow, Ruby Jordan, Helen Land, Nola Hill, Lela Bulman, Lois Stevenson, Anna Waldrop, Bessie Helton, Lois Sibley, Emma Davis, Gracie Crofford, Ruthie Gray, Della Barker, Eunice Land,

and hostess Blanche Higgins. Everyone enjoyed a delicious lunch at the noon hour.

Next quilting will be at the home of Mrs. G. W. Bradshaw March 24th, hoping to see all members present.

—Reporter.

## BIRTHDAY DINNER

Relatives of Mrs. W. D. Shelton could not bring themselves to overlook her birthday Sunday, March 13th. Each prepared a dish and drove to her house to find everyone surprised to see the other.

Those enjoying this event were Mrs. L. E. Morenan of Amarillo, Mrs. E. W. Bromley, Mrs. W. I. Raines, Mrs. Clyde Bridges, Mr. and Mrs. Sam Robertson and Sammy of Amarillo, Mrs. L. T. Shelton, Douglas and Sandra Shelton.

## "OLEOITIS"

Every time I tint a bowl of oleo, I begin thinking;

"This is the land of freedom. We shout it from the house tops, we beam it to foreign lands. Yet here are millions of housewives performing this onerous task because our government has interfered with the color scheme in our culinary department."

Now they tell us the tax will be repealed and we may have it already mixed any color but yellow. It doesn't matter that we want it yellow, Congress must have a finger in the fat.

It's high time the margarine mixers armed themselves with "butter paddles" and descended upon Capitol Hill.

A Belligerent Housewife Signed

T. S. G.

## CARD OF THANKS

We wish to thank our many dear friends for the many kind deeds and the beautiful floral offering in the loss of our precious loved one. May God bless everyone of you.

Mr. and Mrs. E. J. Thompson Mrs. J. R. Cowan & Children Mr. J. F. Talley & Children

Mr. and Mrs. Carl C. Cox from Sheldon, Mo. are visiting her sister and family, Mr. and Mrs. Claude Darden.

Mrs. Bill Todd and Mrs. D. T. Smallwood of Brice were Amarillo visitors Saturday.

Mrs. Monica Harvey returned home Tuesday from Amarillo where she visited with her son and wife, Mr. and Mrs. Bob Harvey and had medical service. Mr. and Mrs. Harvey are moving to Arkansas from Amarillo.

Mrs. W. B. Smith and daughter Genevieve from Shamrock spent the week end visiting Mrs. A. L. Chase.

**Donley County ACA Farm News**

Things are a bit confused this week for A.C.A. The office looks as bare as a "picked bird" without all of its partitions. Perhaps we should take time to explain the reason for this to those who have not been in the office lately. We are moving the office from its present location to the last green barracks building on the block south of the Piggly Wiggly grocery store. We do not know when we will do the actual moving, but it will possibly be next week. Anyway, if you can't find us here, look for us at the new location. We guarantee to be someplace, ready to help you.

You might be interested to know that the fellows in the county are beginning to receive their checks from the State Office. Four hundred and thirty-six applications for payment have been sent in and two hundred and ten checks have been returned. If you have not yet received your check, try to be patient; we are sure that you will receive it within the near future.

The weather is sure playing tricks on us these days. That makes our work and the producers' work very irregular. However the terrace business is very good. In the last two weeks we have issued more approvals for terracing than we have any other practice. Aside from terracing we have issued approvals for deep plowing, crop residue management, applying Superphosphate, and two of the more popular practices are seeding grass for new pastures, and drainage ditches.

Your reporter suggests that when you are Martin way, be sure to stop and watch John Gillham's Sprinkler System at work. When the sprinklers are on, they

provide a pretty picture besides being helpful to the producer. John Hermesmeier was in the office the other day. He says the wheat farmers up his way have never seen a situation like they are in now. The top layer of the ground is dry and cracked open. There seems to be a hard crust over everything, but when they dig down a few inches, the earth is soft and moist. He reports that the producers would sure like to see a good rain to relieve their plight.

Don't forget, if you have any problems or would like to have assistance to carry out any practices on your farm, come to the office and see us. We are here to help you, and we will do everything in our power to help you.

Mrs. J. A. Warren returned home Sunday from Amarillo where she had been for several days, visiting relatives and looking after property interests.

James Earl Hott of Houston was here Monday visiting his parents, Mr. and Mrs. A. O. Hott, and incidentally keeping his annual appointment with Uncle Sam, Tax Department.

Mrs. Bill Greene and small daughter Judith Ann visited her parents, Mr. and Mrs. J. O. Adams at Leslie Friday.

Jimmie D. Howze will come home Friday from Austin College to spend the spring vacation.

Mrs. Eva Draffin is visiting her brother, Mr. and Mrs. Arthur Sims at Ft. Worth and her aunt, Mrs. Silvey at Dallas.

Mr. and Mrs. Glen Riley and children of Belen, N. M. left Sunday night for their home after a weekend visit with relatives.

Mrs. J. T. Roberts visited relatives and friends in Quanah and Denton last week.

**The Lion's Roar**

By O. D. Lowry

The Lions Club held its regular meeting at the club hall Tuesday March 15. There were 77 Lions, guests and visitors present for this meeting. Percentage was 67. Guests and visitors were: W. P. Brown, Lloyd Johnson, Mr. Harrington, Lee Shelley, L. Moore of Claude, and Texas Ranger Roger Kelley.

The application for reinstatement of Lee Shelley was approved by unanimous vote of the club. Welcome to our club Lion Shelley.

The program honored the birthdays of Lions Patman and Patrick. The club sang happy birthday as Lion Connally and charter members Burton, Porter and Chase presented birthday cakes to Lions Patman and Patrick. Lion Patrick spoke briefly of early days in Clarendon and surrounding territory. Lion Dee Lowry read a poem honoring these Lions. Many more happy birthdays Lions Patrick and Patman.

Lions the buddy system will work if each of you will contact your buddy and insist on his attendance.

Mr. and Mrs. Homer McElvany of Amarillo spent the weekend visiting their daughter and family Mr. and Mrs. C. L. Benson.

Mr. and Mrs. Dick Vallance and family visited at Weatherford with his mother, Mrs. Bernice McBride, the week end, returning home Monday.

James Earl Hott and Mrs. G. G. Gregory and young daughter of Houston are visiting their parents, Mr. and Mrs. A. O. Hott.

Mr. and Mrs. W. L. Landers of Amarillo visited Thursday night with their son and family, Mr. and Mrs. Alvin Landers.

**"We get faster handling of larger payloads ... with our new 145-horsepower Ford Model F-7 BIG JOBS!"**

**THE ACTUAL** operation cost for our fleet of Ford F-7 Big Jobs is the same as the two-ton trucks they replaced, but we get faster handling of larger payloads," reports Mr. H. B. McCuiston of Beaumont, Texas. "We find our new 145-horsepower Ford Model F-7 Big Jobs are more versatile, more capable. They are far superior to the two-ton trucks."  
 Sensational reports on the new F-7 and F-8 Ford Big Jobs are coming in from everywhere. Men who know trucks claim 6,000 miles per month, for months on end, with no time out ... gross loads of 50,000 lbs. ... power that leaves other trucks eating dust ... passenger-car type of driving ease and comfort ... gasoline economy that even smaller two-ton trucks cannot excel on comparable runs. Come in and let us give you more facts on the Mr. Big of big-time trucking—the Ford Big Job.

**★ Brand New 145-Horsepower Ford V-8 Truck Engine**  
**★ New Heavy Duty Quadrax Axles; Single-Speed on F-7 and F-8 or Two-Speed on F-8**  
**★ Big Tires; up to 10.00-20 on F-8, up to 9.00-20 on F-7**  
**★ New Heavy Duty Five-Speed Transmissions**  
**★ Big Rear Brakes, Power Actuated, 16-in. by 5-in. on F-8**  
**★ Built and Warranted for the following ratings:**

|              | Gross Vehicle Weight | Gross Train Weight |
|--------------|----------------------|--------------------|
| '49 FORD F-7 | 19,000 lbs.          | 35,000 lbs.        |
| '49 FORD F-8 | 21,500 lbs.          | 39,000 lbs.        |

Justice Department Employee Arrested as Spy

NEW YORK, N. Y.—Federal attorneys called for Grand Jury indictment against Judith Coplon, 27-year-old Justice Department employe, on charges of stealing government secrets. Valentine Gubitchev, 32, a Russian engineer was seized with her on a bus after being trailed from Washington by FBI agents. Miss Coplon, a native of Brooklyn and honor graduate of Barnard College, pleaded innocent. Gubitchev claimed diplomatic immunity. He is in a jail cell in lieu of \$100,000 bail. Miss Coplon's trial was set for April 1 and she was released in \$20,000 bail.

RAYMOND FARR MERCURY FOUND IN AMARILLO

The 1948 Mercury belonging to Raymond Farr which was stolen here the night of March 5th was found parked in the residential section of Amarillo this past Friday. It was understood that the car had been parked there several days before it was investigated and officers believe that someone from Amarillo had happened along and needed a ride home as the car was not damaged in any way. At the present Mr.

Farr has one too many cars as he had already purchased a new vehicle before his Mercury was reported found.

Geo. Bagby is at home after a visit with his brother and wife, Mr. and Mrs. Seldon Bagby at Clarksville and also at Dallas for medical check-up.

Mrs. Lena Antrobus and Mrs. O. C. Watson left Thursday (today) for Ft. Worth where they will visit relatives and Mrs. Watson will have a medical checkup.

Received a swell letter from E. J. Hayes of Hickory, Okla. Mama learned a bunch of her "Smart" from Mr. Hayes, when she used to go to school to him in Oklahoma, some years ago. She also taught her first school with him as Supt. And in the little over twenty years that Mama and I have kept house together there is little doubt that if I have picked up any enlightenment at all, part of it stems back to the teachings of this good man. Anyway, summer before last we visited them a little while, and I fell in love with him and his lovely bride of fifty odd summers. Getting down to the point, I sent him a honorary membership in the ASRN Society, and he seemed to appreciate it a lot, and sends me the following agreement:  
Uncle Zeb

Super Agitator My Appreciated Friend, I have received your card notifying me that I had been made an Honorary member in the "Free Inhalers and deep breathers", having forsaken the coffin-weed (in fact I never did smoke). Now, I am exceedingly gratified to know that I have been considered worthy of this high honor, and do hereby obligate myself to never bring any reproach on the great order.  
In witness my hand and seal  
E. J. Hayes (seal)

Thanks Mr. Hayes for the nice letter, and for telling us about your trip to Texarkana. The town with the state line running down main street; for telling us about the combination post office and courthouse built on the line, the judge holding Texas cases on one side of the room and Arkansas cases on the other. Thanks and thanks and we may take you up on that visit again this summer.

Dr. Hill in discussing the organization of Alcoholics Anonymous in some of our public schools, makes the following statement as he shocks us with facts that this need exists in our own Panhandle of Texas. "It's me, O Lord, standin' in the need of prayer", Tain't my teacher, tain't the schools, it's me, O Lord.

Been expecting a bill all week for the nice things the Student Editor said about me in the Claude News last week. Anyway, all my life I have been trying to fool people; make them think I was a good fellow, and maybe at last, if he was telling the truth, I finally succeeded in putting it over on at least one person. True or false, thick, or thin, I say thanks for the kind words, and if the bill is not too large, I'll pay it.

Foreythe Sowder gives me the following information on a couple of our good friends; It seems that Frank Bagwell and "Goose" Ramey were attending a REA convention in New York City, and were strolling down one of the main streets looking first up one side of the street at the tall buildings, then twisting their pecks way around to see the tops of the buildings on the other side. The antics of the tall six-footers was too much for a little short plump native woman who asked: "You guys seeing anything?" "We been lost ever since we've been here," replied Frank. "Where ya' guys from, anyway?" asked the native. "Just across the line in New Jersey," spoke up Goose. "You're just like all Texans," she fired back, "Won't tell the truth about anything."

Just last week heard the answer to the old question as to what made a Preacher's children so mean, and what do you reckon it was? That's it: "Playing with the Deacon's children." And I guess we could add to that the reason for the Deacon's children being bad, was playing with our little ones. Oh me.

I guess it is a good thing someone bragged on me a little, poured a little oil on the troubled waters, so to speak. No one, not even Mama, told me the significance of March 10th. Now I feel too badly about it to give the answer myself. Maybe, after all I ought to give up writing this little column, even though it is my first love, and my most cherished chore. It is so hard to forget the insult and try to go ahead. Maybe I can, March 10th, and no one remembers, and such a few years back. Thanks Editor for those kind words, they were my only comfort, on that trying day.

SHOW NEW PLYMOUTH AUTO AT DEALERS' ON MARCH 18

The new line of Plymouth automobiles, with outstanding mechanical improvements and up-to-the-minute styling, make their appearance in dealer showrooms here and throughout the United States Friday, local Plymouth dealers announced today.

Completely redesigned and streamlined, the new Plymouth contains a 97-horsepower engine which is smoother, livelier, and more economical. Other changes make notable contributions to beauty, safety, and passenger comfort. Wheelbase has been increased for a better ride and more road stability but at the same time the over-all length has been reduced for ease of handling. Although lower and narrower, the new bodies provide greater interior room for passengers. The car's appearance reflects a complete change from last year's models. The Plymouth may be seen at the Donley Motor Co. and Heath Motor Co.

Mr. and Mrs. Sam Roberts, Mrs. Floyd Parker and Mr. and Mrs. Junior Mann spent Sunday in the home of Mr. and Mrs. Ray Roberts of Amarillo.

Geo. Thompson and Joe Jones went by plane to Amarillo to attend the air luncheon at noon Saturday.

## United Gas Co. To Expand And Improve Its Facilities In Texas

United Gas will spend nearly 30 million dollars this year to expand and improve its facilities in Texas, Louisiana, Mississippi, Oklahoma, southern Alabama and northwestern Florida, according to plans announced Tuesday by N. C. McGowen, president.

"Many of the residents of the area we serve will share in the benefits of this construction program in one way or another," Mr. McGowen said. "Much of the expenditures for material and equipment will be made with

firms in this area, and the drilling program will be of direct benefit to royalty owners, land owners and producers in these states."

United Gas Corporation and its subsidiaries, all with headquarters in Shreveport, invested more than 23 million dollars in extensions of service and development of oil and gas fields during 1948, he said, and this year's construction budget of \$29,987,676 will bring the total spent on similar projects since 1930 to more than 250 million dollars.

The distribution divisions of United Gas, with approximately \$6,000,000 set aside for construction, expect to extend natural gas service to 25,500 additional cus-

tomers during 1949, and to provide 22 communities with gas service for the first time, according to present plans. A number of other communities will be served by non-affiliated distribution companies which will be provided gas from United's transmission system.

United Gas Pipe Line Company, the transmission subsidiary, contemplates construction expenditures of more than \$15,000,000 during the year. These will cover major additions to capacity of existing transmission lines, extension of new lines to communities not previously served, and construction of gas processing facilities for the production of natural gasoline and other liquid hydrocarbons.

A project to expand the capacity of the firm's large gasoline plant at Carthage, Texas, is scheduled for completion during the year. The enlarged plant will have more than double the original capacity for extraction of various petroleum liquids from the wet gas produced in the Carthage field.

The producing subsidiary, Union Producing Company, has a budget of more than \$8,000,000 for acquisition of leases, exploratory drilling, gas and oil field improvement and recycling operations, including the drilling of about 100 wells in the area.

## Koreans Increase Production Under Land Reform

SEOUL—Carrying baskets on their heads, Korean women bring noonday lunch to their farmer husbands in the fields. Under new land reforms sponsored by the Military Government, Korean farmers can now buy the land which their ancestors tilled as tenants. The program has met with much criticism both from the left and the right, but the farmers approve and have given their answer in increased production of food.

## Donley County Jersey Herd Wins National Recognition

COLUMBUS, Ohio—The herd of registered Jersey cattle owned by John R. Gillham, Clarendon, Texas, is announced by The American Jersey Cattle Club from its headquarters in Columbus, as having completed a year's work in official Herd Improvement Registry testing with an average production of 9,111 pounds milk and 466 pounds butterfat per cow. The herd contained an average of 34 milking cows during the year.

All tests on this herd were conducted by the Texas A&M Col-

lege and verified by The American Jersey Cattle Club.

In accomplishing this production the Gillham herd has joined the group of Jersey herds in which the cows have produced more than two times the amount of butterfat obtained from the average dairy cow in the United States.

The population of Cairo, Egypt, is made up of people following so many different religions that every day is "the Sabbath" for someone.

The Navy has a new device which will automatically and continuously record a ship's course.

From where I sit... by Joe Marsh

## Never Too Late To Learn

Cappy Miller's young son, Squint, is forever coming up with new ideas. Now they're not all world beaters, but Cappy is usually willing to give them a try.

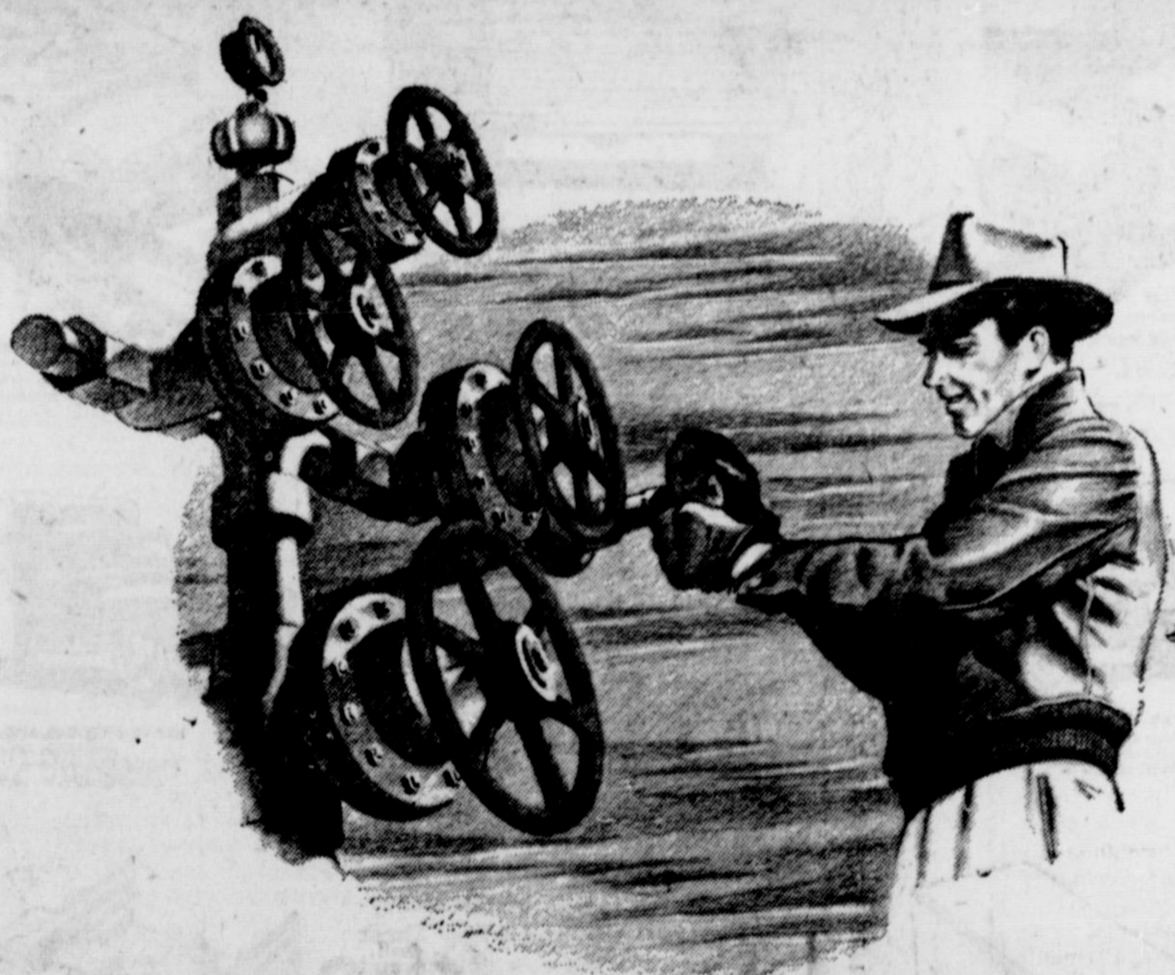

Seems Squint found a new way to clear brush. They take two tractors, about thirty feet apart, and connect them with a heavy chain weighted down on the ground with old iron. First they both go parallel in one direction, then they go back over the same swath in the opposite direction and up comes the brush—roots and all. Worked fine and saved time.

That's why things go so well at the Miller farm. Cappy is open-minded, tolerant of new ideas and new ways of doing. He doesn't think his way is the only way.

From where I sit, a little tolerance will make things go better for all of us. You respect my views and I'll respect yours—whether it's on farming, politics, or choosing between an ice cream soda or a temperate glass of beer.

## HE'S TAKING THE Chill OFF A THOUSAND HOMES

It's 6:00 A.M.... temperature 48 degrees... and far out in a gas field, a United Gas well attendant opens a flow valve to move an additional million cubic feet of natural gas through our pipe lines. Its destination is a big electric power plant... a paper mill... a great city where home heating equipment is going into action to take off the morning chill. United Gas dispatchers are constantly instructing well attendants to increase or decrease the volume of gas moving into our vast, integrated pipe line system. Dispatching is a 24-hour-a-day job, but is only one of many functions of the United Gas organization... all of which have the ultimate purpose of assuring a continued dependable supply of natural gas to our customers.

Dispatching offices located at key points over the United Gas system receive reports of gas pressures in all major lines of the area every hour of the day and night.

Analysis of the various reports may indicate the need for increasing or decreasing the flow of gas from particular wells, or for speeding or slowing compressors.

United's short wave radio hookup and its own 2,000 miles of telephone lines enable dispatchers to maintain close control over gas pressures in pipe lines all over the system.

## RAIL SHIPMENTS OF POULTRY AND EGGS

AUSTIN—Rail shipments of turkeys from Texas stations totaled 123 carloads in December, the University of Texas Bureau of Business Research reported.

This compares with 136 carloads in November 1948 and 247 in December 1947.

Egg shipments totaled 78 carloads in December, 63 in November, and 24 in November 1947.

Eggs received by rail at Texas stations totaled 28 carloads in December, 39 in November, and 46 in December 1947.

## WEEDS AND PESTS TAKE A LICKING WHEN YOU USE A MASSEY-HARRIS NO. 2 SPRAYER

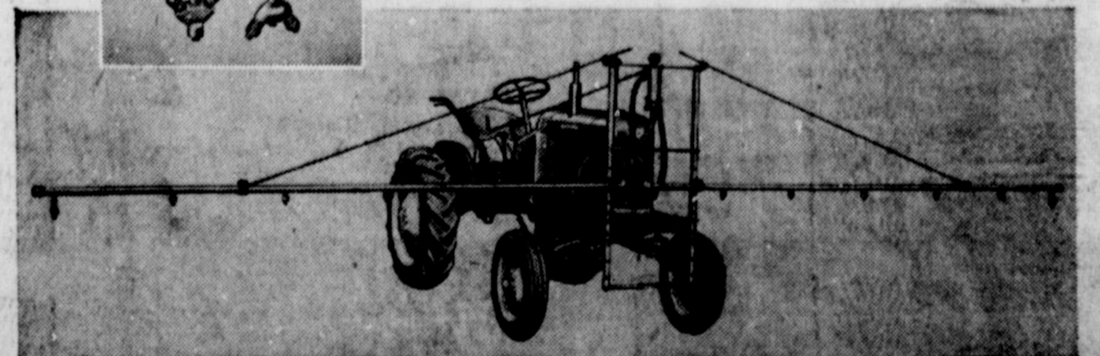

... and the result is clean, high yielding fields... crops that produce better because they're stronger, healthier. In the new Massey-Harris No. 2 low gallonage sprayer you have a front-mounted tool custom designed to reduce weed, insect and cultivating expense.

The pump on the No. 2 is P.T.O. driven... small, compact, out of the way. Made of bronze it resists corrosion, lasts longer. You control pump and boom pressure right from your place on the tractor seat. Booms are specially toughened aluminum, 20 or 30 feet long, with nozzles spaced 20 inches apart. Nozzles are of all brass with removable tips and screens... the bases remain in the boom. Ample filtering capacity means reduced clogging, fewer stops in the field.

Stop in soon for complete details. Let's talk over this new method of applying 2, 4-D and D.D.T.

Special corn drops with reversible nozzle adaptors are available for spraying row crops with 2, 4-D or D.D.T.

Johnson Welding & Machine Works Clarendon, Texas

years ago, if he loved God, he would have replied, Yes. You ask, "Who is God?" Answer—Venus or Mars. A Deity of wine, or revelry, or war, or sensuality, he did not hate; but if you had placed before him the full character of God in the Bible, as the Apostles did, he would have turned away in anger. Go, now, and converse with the enfeebled Asiatic concerning his enmity to God, and he will look at you in astonishment. He is willing to give up his life in the service of his God. But ask this Deity, and he will name one of lust, cruelty, and pollution. If you name one who loves justice, purity, and humility, he cannot bear to hear you. Just so it is in the land of Bibles and of light, so it is in this free land of America. Go to the Universalist, and ask him if he hates God. He is indignant at the question. He thinks he loves his kind Creator ardently; he thinks he never did hate God. And it is true that he does love a God. But

place before him the God of the Bible—one who says "Depart to the wicked, one who will see their torment ascend for ever and ever;" and he will tell you he hates such a God. Just so it is with the thousands of Deist, in this land of today. He gives to God a character which he thinks rational; he loves that character, it resembles, in some main points, the man who frames it. He cannot think that the carnal mind is enmity against God, for he esteems God a Being who has done, and will do, very much in accordance with a plan which he himself esteems rational and proper. You may go to one thousand religious Deists, and you rarely find two of them believing alike. Just so it is with the religious divisionist, of this modern time; he has molded him a God of his own, he has exchanged the God of Unity, in the Bible, for a God of peace, he has exchanged, "Thus saith the Lord, for, This is what I like. He has, in many instances, molded him a God of popularity and satisfactory notions, too numerous to discuss. All because, he is prone to evil. (Continued next week). (Adv.)

Something To Remember

If you want to fatten a chicken, feed it Corn, wheat, Kaffir or Milo, but if you want Eggs, and lots of them, feed Chic-O-Line, or Wes-Tex, 18 or 20% Protein Egg Mash, a Tried and Proven feed that brings results—new low prices that will interest you, and make the old hens cackle.

Why experiment? Feed the feed that has stood the test for years. Just a cold blooded business proposition, and remember we give Green Stamps on all Cash feed sales - - ask for them.

Your feed grinding and mixing appreciated.

Southern Baptists Set Baptism Record

Southern Baptists set a baptism record in 1948, with reports indicating that the denomination's 26,823 churches immersed 312,246 persons during the year.

Porter Routh, statistical officer of the Southern Baptist Convention, said that the baptisms pushed the membership of the churches to 6,491,981. Sunday school enrollment jumped more than 300,000 during the year to bring the total enrolled in weekly Bible study to 4,308,374.

Gifts for all causes channeled through the churches reached \$156,605,521, a gain of almost \$25,000,000 over 1947. Of the total given, \$214,855,222 was used for local church work, and \$31,750,299 was used for missions, education, and benevolences.

**SCRIPTURE QUOTATION.**

My favorite is Psalm 56:4. When you need a friend, read it. It's trite any time.

**PROSPERITY.**

Talking with some of the best gardeners of old Donley the past week, it developed that they had planted sweet corn, English peas, beans, beets, radishes, spinach and some had ventured further than that. This section is a real garden spot if given an even break with the insects, and these days insect protection may be had for a few cents. Ask your county agent or druggist. Even the grocers keep a limited stock of bug dust.

**Texas 4-H Clubs All Set For 1949 Garden Program**

More than 4,700 Texas 4-H Club boys and girls who pledged their "hands to larger service" last year are expected again to enroll in the 1949 National 4-H Garden program. Announcement of this state's acceptance of the program has been made by the National Committee on Boys and Girls Club Work. The activity is conducted under the direction of the Cooperative Extension Service.

Last year nearly 375,000 4-H Club members ranging in age from 10 to 21 years planted and tended approximately 80,000 acres of garden, according to reports of State Club leaders. Born

of wartime necessity, the National 4-H Garden contest was first launched in 1942. Peacetime has not lessened the incentive to produce, because 4-H'ers continue to raise a large variety of fruits and vegetables which keeps the home table supplied and reduces the family outlay for food.

Records are kept of costs, progress and money returns as part

of the 4-H requirements. County Extension agents and local Club leaders organize and encourage the youth to learn how to care for and manage a well-planned garden, carry out a program of disease control, and market surplus produce. In an effort to "make the best better," products are exhibited at county, district and state fairs, as well as in commun-

ity competition.

Each 4-H Club member enrolled in the garden program has an opportunity to win one of four county medal awards provided by Allis-Chalmers. Also a state award of an all-expense trip to the 1949 National Club Congress in Chicago, and a chance to become a candidate for one of eight \$300 scholarships.

BUICK SALES & SERVICE

UP IN SMOKE

By Pete Cartrell  
(CPS Correspondent)

It is rather difficult to believe in these days that there once was a law on the books of a European town that provided the death penalty for smoking.

For a while, however, the use of tobacco was regarded with the same horror that we now feel toward opium or heroin; and there are periodical suggestions now that some legal measures be taken to curb the human appetite for

smoke. Appetites, though, don't lend themselves to restriction by law. Prohibition has made that fairly clear. And restrictions in general are not in line with American concepts of personal liberty.

This writer, liking an occasional cigarette or pipeful, is certainly far from being one of the boosters of restrictions on tobacco production and sale, but he is beginning to chafe at some of the excesses indulged in in the name of smoking.

The increasing number of people who do their smoking by the pack or carton, and the increasing number of teenagers who allow smoking to be an incurable habit are reasons for some alarm when one looks at the facts about nicotine.

Nicotine is an efficiently lethal compound, capable of doing away with a normal human being in short order and by means of only a relatively small dosage. Many heavy smokers consume three to four times a deadly amount of nicotine every day; they remain among the living simply because through continual heavy consumption of the drug they have become immunized to its normal lethal effects.

It is encouraging at least to think that someone starting out on an introduction to heavy tobacco smoking would probably be violently sick before he had

WTU CO.'s NEW TWO-WAY RADIO SYSTEM—"Station KGHQ calling Car J-3, calling Car J-3". That's the call when Carl Hudson, upper left, WTU Co. local manager, Childress, Texas, contacts Bob Adams, WTU Co. Serviceman to give emergency instructions over the new short wave radio system, which went into operation recently.

Pictured center is the 194.8 ft. antenna of the 250 watt central station located in Southwest Childress. WTU Co. now has seven vehicles operating in the Childress district which are equipped with mobile two-way radios.

reached a stage where his consumption of nicotine would plow him under.

There is about 2.5% of nicotine in average cigarettes, up to 1.5% in cigarettes called "nicotine free". How much of the nicotine gets into the tobacco smoke and then into the smoker's mouth depends on the tobacco and on the rate of burning; a fast smoker gets a lot more nicotine, up to 55% of the tobacco's content, and a slow smoker absorbs little, maybe as low as 15%.

Thus it appears that a person who smokes a lot at a nervous,

accelerated pace gets a double blow from the tobacco; he takes in a high volume of smoke, and with an even greater volume of nicotine than those who use moderation.

Tobacco can be pleasant, but its overuse brings on a natural habituation which means less and less pleasure from it unless the volume smoked is continually increased. Harm to the eyesight, angina, coronary thrombosis, neuralgia, nervous disorders, and injury to the procreative organs are a few of the evils which science has racked up to the

credit of tobacco excess.

With this in mind it seems that deliberate efforts to start the whole population smoking young, and to keep it smoking at a rapid pace are at the least unethical.

Yet the tactics of tobacco and cigarette advertisers seem more and more to aim at the younger element of the population—in short, to get 'em while they're young, and never let 'em go.

Does this call for some sort of protest or doesn't it? An advertiser who portrays a group of high school kids happily downing a few pints of whiskey would go to jail. Yet the cigarette advertiser can focus his appeal on any age group, through practically any advertising medium.

We Americans puff millions of dollars up in smoke every year, more millions than the annual loss from fires. We're becoming a more nervous nation because of it, and we're engaged in the process of educating the younger generation to an enjoyment of tobacco excess.

It's high time to call for moder-

ation here as in drinking, and it's high time to call a halt on improperly slanted tobacco advertising. The protest obviously has to come from the general public, this meaning you.

YOUR DOCTOR'S ORDERS

... Are speedily, skillfully transformed into the medications required for a quick recovery, in our prescription department.

Rely on your physician's diagnosis and prescription. Rely on us to fill the prescription correctly.

NORWOOD PHARMACY

RELIABLE PRESCRIPTION SERVICE

Phone No. 1

good telephone manners are fun!

Most children enjoy doing things right. When they're shown the right way to use the telephone with proper consideration and courtesy—they're naturally better telephone users. Telephone neighbors will appreciate their consideration—and each member of their own family will enjoy a fair share of telephone service. This assures friendlier and better telephone service for everyone.
