Operation "Haylift" To Rescue Snowbound Cattle

FALLON, Nevada—Soundphoto—U. S. Airforce C-82 "Flying Boxcars" are loaded with hay at Fallon Airport as the U. S. Air Force flew to the rescue of 210,000 snowbound and starved cattle in eastern Nevada. Hay and cottonseed cake will be flown to Ely, Neva., 210 miles east of Fallon, where planes will be directed to starving cattle herds.

District Basketball Tournament To Start This Week-end

The district 2A Basketball Tournament will be held in the Clarendon College gymnasium this weekend and next, February 4-5th and 11-12th. Clarendon will open the district play against Wellington at 2 p. m. Two games will be played each afternoon and evening of the tournament. The evening games are scheduled to start at 7 p. m. with the exception of the 11th when the awards are to be made and the game time has been set to begin at 6 p. m. The winner of the conference is determined by the double round robin play off. The tournament will be a single round robin affair to decide who will play the conference winner. If the winner of the round robin tournament is the same as the conference winner there will be no need of a play-off.

Two trophies will be awarded to first and second place winners. Ten miniature gold basketballs will be given to the members of the championship team and to the boys picked by the coaches to represent the all district squad.

M. B. (Bo) Graham and Bill Teel, both of Amarillo, will referee the games. The admission price has been set at 50¢ for adults and 25¢ for students.

It is a known fact that district 2A has the stiffest competition in this region, consequently some of the best basketball games can be witnessed during the tournament. The Broncos have an excep-

tionally good team this year and stand a good chance to emerge as winners of the tournament. You can help a lot toward the Broncos winning by being there and giving them your full support.

The schedule for the two week-end play is as follows:

- Friday Afternoon, Feb. 4** Clarendon vs Wellington Shamrock vs Lefors
- Friday Evening, Feb. 4** Memphis vs McLean Clarendon vs Lefors
- Saturday Afternoon, Feb. 5** McLean vs Wellington Memphis vs Wellington
- Saturday Evening, Feb. 5** Shamrock vs McLean Memphis vs Clarendon
- Friday Afternoon, Feb. 11** Shamrock vs Wellington Memphis vs Lefors
- Friday Evening, Feb. 11** McLean vs Wellington Clarendon vs Shamrock
- Saturday Evening, Feb. 12** Wellington vs Lefors Clarendon vs McLean Memphis vs Shamrock

NOTE: All afternoon games begin at 2:00 p. m. and all evening games begin at 7:30—except the last Saturday. Since there are three ball games, the starting time will be 6:00 p. m. for the first game.

Miss Lee Patten who suffered a stroke Tuesday morning is reported doing nicely at this time.

"Axis Sally" Goes On Trial For Treason

WASHINGTON, D. C.—Soundphoto—Mildred E. Gillars, the American-born "Axis Sally" is in the U. S. Marshall's wagon on the way back to district jail for the night. At her treason trial Miss Gillars listened as the Government played records of her voice in a wartime attack on "Roosevelt and his Jewish friends" and a plea to U.S. troops to surrender to the Germans.

Grass Identification Team Organized

Donley County 4-H Club boys have a new slogan, "Your Range is No Better Than Your Grasses", so a grass identification team has been organized by county agent H. M. Breedlove. The team consists of four 4-H Club boys, Tommy Hodnett, Truett Koen, Bill Porter and Robert Koen. The boys meet with the county agent and are learning to identify grasses as to their rating, native, warm or cool season, introduced or native, perennial or annual, the rating as to their value or placing among the better or poorer grasses on range land.

Breedlove has thirty-five grasses fixed on the wall of his office and all rated and fixed for the boys to study. There has only been one meeting of the team up to this time but three meetings a week are scheduled before the Amarillo Fat Stock Show, where they will go into their first competition in grass identification.

The Amarillo show this year is featuring a grass identification contest and the above named 4-H Club members from Donley County will represent this section at the show to compete with teams from all over the state. J. Gould of the Donley County SCS is assisting Breedlove in getting the boys ready for the contest.

This team of boys will go on from year to year and appear in contests over the state and the team will be added to by other boys who are interested in grasses.

"If we have a large number of boys coming out for the grass team, then we will have more than one team," Breedlove stated. Any adults in the county are invited to look over the list of grasses in Breedlove's office, and will be assisted with any information they desire.

Mr. Gould, with SCS, is a range specialist and has contributed very much in the training of the grass team.

PANHANDLE PASTORS' AND LAYMEN'S CONFERENCE

Monday and Tuesday, Feb. 7 and 8 the Panhandle Pastors' and Laymen's Conference will meet at Wayland College, Plainview. The Bible Lecturer this year is Dr. George Humphries and the Preacher is Dr. E. S. James of Vernon.

Many other pastors and laymen from this section of the state will also be on the program. All men of this section are invited to attend.

Mrs. W. E. Tyler and baby are at home from the hospital at Amarillo.

Funeral Services Held Monday Morning For Mrs. Lollie Bagby

Funeral services were held Monday morning at the St. John the Baptist Episcopal Church for Mrs. Lollie Selden Bagby with Rev. E. W. Henshaw officiating, assisted by Rev. Warren Fry. Graveside services were conducted at Clarksville, Texas Tuesday morning where she was taken by the Murphy-Spicer Funeral Home for burial.

Mrs. Bagby, age 71 years, died at her home Saturday morning following a cerebral hemorrhage. She had been a resident of Donley County for 45 years and was an active member of St. John the Baptist Episcopal Church and the Eastern Star. It was Mrs. Bagby's willingness and untiring efforts that made the Donley County Museum an interesting exhibition of the early days in this part of the country. A large number of the museum pieces that Mrs. Bagby was instrumental in rounding up, were returned to their owners or stored when the old college dormitory burned and there was no place for the museum when the structure was rebuilt. Mrs. Bagby was the wife of the late George B. Bagby who preceded her in death in 1924.

Survivors include two sons, George B. Bagby of Clarendon and William Selden Bagby of Clarksville; two brothers, John Selden, San Francisco, Cal., and Joe Selden, Jackson, N. C.; one daughter-in-law, Mrs. Ann Bagby.

Ballbearers were Walter Taylor, Simmons Powell, Alvin Landers, Walter Clifford, Bill Clifford, Carl Bennett, Jr., M. P. Gentry, Phillip Gentry, John T. Sims and Jerome Stocking.

Funeral arrangements were under the direction of the Murphy-Spicer Funeral Home.

Get Ready For Garden Time

Now is the time to get those garden tools ready and spade or blow up that garden just as soon as it is dry enough. County agent H. M. Breedlove says that spring is just around the corner even though we think of it as a long ways off by the snow and sleet that covers the ground.

"When the ground becomes dry enough to spade or plow," Breedlove said, "be sure to get the garden ready and work it deep so that all of the moisture that falls this spring will go deep and from the looks of things now we might have a big year for that family garden. Barnyard fertilizer will prove helpful where it is applied; one wagon load is about right for the average size family garden where it is applied along the row.

"If you can not get barnyard fertilizer then try commercial fertilizer at planting time by applying three to five pounds of 5-10-5 to every 100 feet of row. The commercial fertilizer can be applied about one week in advance of planting in the row so that it will have time to break down and become available to the plants, then plant in the row where the fertilizer has been distributed."

The time to start that spring garden is now, and if any information is needed be sure to call by the office of the county agent.

COLDEST WEATHER HERE SUNDAY MORNING

The coldest weather of the winter so far was registered at the Airport weather station about 2 a. m. Sunday morning. It was a nice warm 1.8 degrees above the zero mark, but at any rate it was cold enough to freeze water pipes all over the city.

Very little moisture has been recorded since last Thursday. The weather has been damp and disagreeable with .03 of an inch being recorded yesterday. The total precipitation for January was 4.41 inches.

C of C & Lions To Hold Joint Banquet Tues. Nite

Rex Bradford Is Golden Glove Winner

Clarendon had one fighter to win and another to lose in the Golden Glove tournament at Amarillo last week.

Rex Bradford, alternate winner at the Pampa meet, fought three times in the 135 lb. High School division during the week and won all three fights. He defeated Kenneth Hamilton of Amarillo on Wednesday night; dec. Lyle Baldwin of Phillips on Friday night and then won a close decision over Gene Cook of Wellington in the finals Saturday night. Cook scored a second-round knockdown against Bradford but Rex came back and poured it on Cook for the remainder of the fight.

Danna Howerton was the other contestant from Clarendon and fought in the open class. He won the decision over Robert Aycock of Plainview Tuesday night but lost on a Tko decision to Johnny Hernandez of Amarillo on Thursday night.

March of Dimes Drive To Continue

Mrs. Peppy Blocker announced yesterday that the March of Dimes drive which ended February 1st had been postponed until February 10th. The drive is being continued as a result of the bad weather as a number of people haven't had the opportunity to contribute.

The coin boxes will be left at three business firms, the City Gas office, West Texas Utilities and the City office and anyone wishing to mail in their contribution may send it to box 66, Clarendon, Texas. The expected goal here in Donley County has been only half reached, so you are urged to send in your contribution right away if you haven't already done so, Mrs. Blocker said.

COUNTY AGENT TO SEND OFF ORDER FOR FRUIT TREES

County agent, H. M. Breedlove announced this week that a large number of farmers had been requesting that he order fruit trees again this year as he has done in previous years, so if you are interested in buying any type of fruit trees and want to save money, now is the time to get your order in at his office.

Fruit trees may be obtained at a much cheaper price when there is a larger quantity, and Mr. Breedlove is ready to help you in this way by pooling all the orders together and having them shipped to his office at which time you will be notified. Breedlove stated that he would need your order within the next week if you want to buy your trees in this manner.

CLARENDON BRONCOETTS DEFEATED BY McLEAN

The Clarendon Bronchoetts played the McLean girls last Saturday night in the Clarendon College gym. The starting lineup for the Bronchoetts was Moore, Davis, and Wade as forwards; Wilson, Morris, Maxey as guards; the substitutes for the game was Selmon, Emmons, Tankersley and Bobby Emmons. Selman had high score with 12 points and Davis was second with 4 points. The score at the end of the game was 35 to 18 in favor of McLean.

Mr. and Mrs. Alfred McMurtry left Monday for Dallas where Mrs. McMurtry will receive a medical check-up.

C-C Membership Drive Now Underway

A kick-off breakfast was held Tuesday morning at the Donley Hotel Coffee Shop to start the annual Membership drive of the local Chamber of Commerce organization with fourteen members of the membership and finance committees present for the breakfast, at which time plans for the drive were made. The membership drive went into full force and by Wednesday morning 17 new members had been turned in. The committee will try to contact every business firm and interested parties, so anyone missed is urged to speak up and one of the committeemen will be around to fix you up.

Those in attendance for the breakfast were:

W. S. Whaley, local manager; Geo. Thompson, Chairman; Ray Noblitt, R. E. Drennan, Lee Bell, Sandy Sandifer, Bill Todd, Emmett Simmons, Jack Brooks, Geo. Schollenberger, Redell Henson, Mike McCully, Frank Phelan Jr., Carl Allmond, J. W. Murphy, another member of the committee, was out of town and unable to attend.

TAKE SCRAMBLE CALVES TO HOUSTON SHOW

Mr. Tom Seay, the Clarendon Agricultural Teacher, left last Friday for the Houston Fat Stock Show which is to take place this week. He was accompanied by Vernon Goldston and Bob Clifford, F.F.A. boys who took their scramble calves back for the show. Vernon Goldston was selected by the H.F.S.S. Scramble Committee to enter the Calf Scramble of 1949.

Reports from the boys say that the temperature in Houston when they arrived at 4 o'clock Saturday morning was 14 degrees and the ground was covered with 3 inches of snow—the coldest on record in Houston.

W. S. Whaley, manager of the local Chamber of Commerce, announced yesterday that everything was in readiness for the Chamber of Commerce and Lions Club banquet which has been slated for next Tuesday night at 7 p. m. at the Lions Club Hall and all indications pointed toward a very good attendance and one of the best meetings of this type in many years.

The main speaker of the evening will be Fred Wemple of Midland. Mr. Wemple is the new Chairman of the State Highway Commission and will be accompanied here by Delbert Downing, manager of the Midland Chamber of Commerce.

"A very good program has been outlined for the evening and we want to remind all of you men to be sure and bring the women along as this will be ladies night also," Mr. Whaley added.

This meeting will be a joint affair of both the Chamber of Commerce and Lions Club. Any and all who are not members of either organization are invited to attend the banquet also. This will also be the regular weekly meeting of the Lions Club as the luncheon on Tuesday will not be held.

Tickets for the banquet have been circulated by a committee this week and if you have been missed you can get the number you need at the Chamber of Commerce office in the State Bank Building.

DR. JACK E. COX DIES AT CLOVIS

Dr. Jack E. Cox, 41 years old, osteopathic physician and surgeon, died early Sunday morning at his home in Clovis, N. M. He has been in ill health for quite some time.

Dr. Cox practiced in Montana and here in Clarendon for about 15 years prior to moving to Clovis early last fall. Funeral services and burial were to be held in Lewistown, Montana.

Survivors include the widow, Mrs. Violet L. Cox, a daughter Joan and a son Jack D. Cox, his father, Walter Cox, all of Clovis, Houston.

Grim Warning Delivered By Chinese Priest

SAN FRANCISCO—Soundphoto—"Don't make five hundred million Chinese your enemies by letting them fall into the hands of the Communists," pleads the Rev. John T. S. Mao, 36 (right), chancellor of the Archdiocese of Nanking, as he arrived here aboard the liner General Meigs. He is shown pointing out San Francisco landmarks to (from top) Peter T. H. Mao, brother of the priest; Beatrice Young, Jeanne Chen and Helena Young.

Texas & Panhandle Press Associations

ASHTOLA

Shirley Wilson spent Tuesday night with Annette Thomas. Mr. and Mrs. Doyce Graham and children visited Tuesday with her parents at Hudgins. Mr. and Mrs. Eldon Holland and daughter visited her parents, Mr. and Mrs. D. L. Vaughan Sun. Mrs. Zellie Swearingen and children spent Saturday night with her daughter and family, Mr. and Mrs. Weldon Ledford. Bob Word is home for a few days before enrolling at Texas Tech at Lubbock for his senior work. Mrs. Millard Word was in Canyon last week due to the illness of an aunt. In an accident at the S. J. Ranch, Nooge Allen and Bill Thompson received injuries. Bill Thompson's collar bone was broken, and both were unable to work for several days. In going down an icy hill with a loaded wagon, the mules became frightened when they could not hold the load, and ran away. Doyce and Harold Graham were in Memphis Monday. Douglas Tomlinson was fitted for his brace at Scottish-Rite hospital in Dallas Wednesday and allowed to come home after six months of being hospitalized. Mr. and Mrs. J. G. McAnear and children spent Sunday with Mr. and Mrs. D. T. Smallwood.

Mr. and Mrs. J. L. Davee of Amarillo were guests in the P.M. Marshall home Sunday. Mr. and Mrs. Hubert Rhoades and daughter spent Sunday with Mr. and Mrs. Austin Rhoades. James Reed Lovell, an SMU student, spent the time between semesters with his parents, Mr. and Mrs. Ben Lovell. The Quilting Club met Thursday with eight members present. At the next meeting on February 10th, Ruby White will be hostess. Mrs. J. L. Davee of Amarillo visited Mrs. S. G. Evans Saturday. Billy Joe Marshall spent the weekend with homefolks.

Something To Remember

If you want to fatten a chicken, feed it Corn, wheat, Kaffir or Milo, but if you want Eggs, and lots of them, feed Chic-O-Line, or Wes-Tex, 18 or 20% Protein Egg Mash, a Tried and Proven feed that brings results—new low prices that will interest you, and make the old hens cackle.

Why experiment? Feed the feed that has stood the test for years. Just a cold blooded business proposition, and remember we give Green Stamps on all Cash feed sales -- ask for them.

Your feed grinding and mixing appreciated.

LELIA LAKE

Mrs. H. R. King

Mr. and Mrs. D. E. Leathers and Johnny spent Sunday in Amarillo with Mr. and Mrs. J. R. Williams and Sharon. They helped Sharon celebrate her birthday. Lynn Leathers returned Sunday from Ft. Worth where he attended the Fat Stock Show. Mr. and Mrs. John McCauley of Amarillo spent the weekend

with their parents here. Mr. and Mrs. Wiley Reynolds spent the weekend with their parents in Clovis, N. M.

Otis Ivey and Roland Shields made a business trip to Ft. Worth last weekend.

Mrs. Nelson Seago returned Sunday from Wichita Falls where she has been with her mother, Mrs. Fannie Noble, who is in the Wichita Falls Clinic hospital.

Mrs. Carolyn Alexander spent the weekend in Hedley with her grandparents, Mr. and Mrs. Knowles.

Miss Romaine Anderson suffered a broken arm Friday, after a fall on the ice.

The basketball teams attended a tournament in Hedley Friday and Saturday. The boys won first place and the girls won fourth. Both teams made a good showing and we are proud of them.

Mrs. E. W. Chenault entertained a number of Wayne's friends last Wednesday, honoring his eighth birthday. They played games, took pictures, and had an enjoyable time. Refreshments of cocoa and birthday cake were served to Louise Ivey, Norma and Nadine Murphy, Wayne Aten, Ellen Murphy, David Bynum, Bonnie Lowe, and the honoree Wayne Chenault.

Mr. and Mrs. J. E. Kidd Jr. of Amarillo spent the weekend with her mother, Mrs. Evelyn Murphy and family.

RUBINOFF AND HIS VIOLIN SIGNED FOR CONCERT IN SHAMROCK

Eastern Panhandle and Oklahoma residents are assured of a musical highlight on February 15th, when Rubinoff and his Violin, internationally famed popular concert artist, appears at Clark Auditorium in Shamrock under sponsorship of the Shamrock Jaycees.

The famed musician will bring to Shamrock for his concert the fabulous Stradivarius Violin which, insured for \$100,000, is reputed to possess the most beautiful tonal qualities in the entire world; and a brand new program of famous favorites loved by the American people, such

as Chopin's Polonaise, Debussy's Clair de Lune, Gershwin's Rhapsody in Blue, and delightful popular numbers, such as Don't Fence Me In, arranged by Rubinoff in several different manners.

Out of town people may obtain reservations by mailing self addressed stamped envelopes with money orders or checks to E. R. Gobble, Box 609, Shamrock, Texas. Reserved seats are \$2.88; General admission for lower floor and

just three rows in balcony are \$2.40 and rear of balcony \$1.80. All prices include Federal taxes. Only the seating capacity of the auditorium will be sold, thereby assuring all ticket holders of the seat to which they are entitled. Tickets are also on sale at all Shamrock Drug Stores.

Everything about it tells you this new **CHEVROLET** is the most Beautiful BUY of all

Styleline De Luxe 2-Door Sedan

You'll find that now more than ever before Chevrolet merits the title of being "first for quality at lowest cost"; and that it is, indeed, the most beautiful buy of all, in all these features and in all these ways.

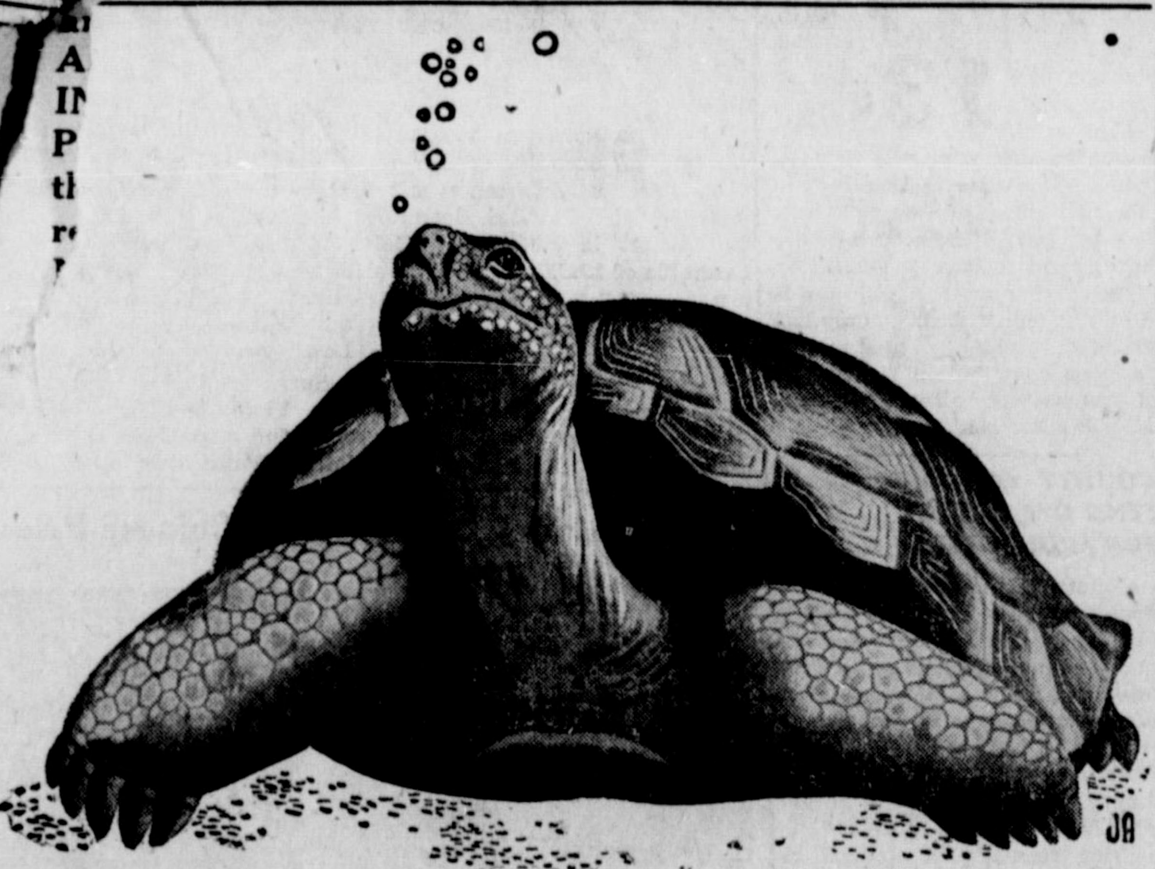

Chevrolet is the only car bringing you all these fine-car advantages at lowest cost! Completely new Bodies by Fisher • New, ultra-fine color harmonies, fixtures and fabrics • New Super-Size Interiors with "Five-Foot Seats" • New Panoramic Visibility with wider curved windshield

and 30% more glass area all around • New Center-Point Design with Center-Point Steering, Lower Center of Gravity, Center-Point Seating and Center-Point Rear Suspension • Improved Valve-in-Head engine for power, acceleration, smoothness and economy • Certi-Safe Hydraulic Brakes with New Braking Ratios • Extra-Strong Fisher Unisteel Body Construction • Improved Knee-Action Ride with new Airplane-Type Shock Absorbers • The Car that "Breathes" for New All-Weather Comfort (Heater and defroster units optional at extra cost)

First for Quality **CHEVROLET** at Lowest Cost

Clarendon Motor Co.

CLARENDON, TEXAS

Maybe you're the "slow" one!

Have you been a little slow about giving your engine the extra protection it needs for winter-weather driving? It's easy to change now to winter-grade Conoco Nth Motor Oil and the extra protection of an engine that is OIL-PLATED!

Because free-flowing Conoco Nth actually fastens extra lubricant right to cylinder walls. This extra OIL-PLATING protects working parts from winter's grinding "dry-friction" starts... from metal-eating combustion acids... and from power-robbing sludge and carbon due to wear. So stop trouble before it starts...

Oil-Plate for Extra Protection!

CITY-COUNTY LIBRARY NOTES
By May L. Frewitt

This cold stay-at-home weather has been a great incentive for reading. The demand for books has exceeded any previous month. The magazine stand is rather dejected with its vacant spots, and the book shelves have numerous wide open spaces between the editions.

Most of you likely read Mr. Nordyke's "Random Thoughts" the past week and noticed that he and Mrs. Nordyke each commented on the play "Mister Roberts." It is undoubtedly one of the greatest hits in several years. Mr.

Nordyke frankly admitted that words were used that he would hesitate to say even should he mash his thumb or miss a bus. The book has not been very popular with our readers, but is in the library.

These pint size books are becoming very popular since so many are reprints of the best editions. Mr. Hemmingway's "Call To Arms," and numerous other popular copies are on the market. Some writers failed to check the outside jackets for their editions and several states barred them from sale. There was 24 million western stories, 11 million light romance, and 4 million short sport stories during 1948 of these pocket editions.

In the "Literary Boom Notes in Texas" of the Amarillo News, "Hound-Dog-Man" by Mr. Fred Gibson, of Mason County, is discussed, and since he has nationwide fame, don't neglect to read this book as there are 2 copies.

"The Young Lions" by Irwin Shaw is a recent publication to be added to our shelves. It is written in a grand manner, with its gallery of characters chosen from our familiar world and takes

them step by step, with accumulating tension through the changes and uncertainties of civilian life as we remember it from 1938, and then takes them thru the mass ordeals of warfare. Irwin Shaw's long a-awaited first novel is an impressive achievement and a memorable experience.

"Assorted Sisters" by Florence Crannell Means is a Literary Guild selection for our teen age girls. From a sheltered Indian Reservation 15-year-old Mary Locke moves to a crowded neighborhood in Denver, where her father is the new director of the settlement house. Here thru her loveliness she makes friends with Mei-Lee, a lovely Chinese refugee, and Marita, a proud Spanish-American girl. They form the "Assorted Sisters," and are later joined by a Negro girl, Caro—Race problems are introduced in quite a few of our recent books. Please do not forget we can use current magazines as quickly as you read them.

Mr. and Mrs. J. L. McMurtry left Monday for Mineral Wells where they will receive medical treatment and rest for two months.

MIDWAY
Mrs. John Goldston

The snow this past week has been greatly appreciated by farmers and ranchers. While it has caused a lot of suffering among the cattle, it means more pasture later, and it has been good on the wheat crops.

Mr. and Mrs. Edwin Eanes visited Sunday afternoon with Mr. and Mrs. Gene Chamberlain in the Goldston home in Clarendon. Mrs. Pete Riley is spending this week in Memphis to be near the hospital as the roads are in such a bad condition here.

Mr. Charles Longan has been ill with a cold. Mrs. Edith Longan spent a few days with her.

Mr. and Mrs. Marvin Jones and Mrs. Jones of Clarendon went to Memphis Monday for a medical checkup.

Mrs. Longan returned from Plainview this past week where she had been visiting her daughter, Mrs. A. B. Stephens.

Mr. and Mrs. Frank Hardin left last Friday for Hot Springs, N.M. to spend the winter.

Mr. Settle has been seriously ill in a Groom hospital. He has returned to his home now, improv-

ing some.

Mr. and Mrs. Cecil Beach of Plainview visited with her sister, Mrs. Longan this past Friday.

Mr. and Mrs. J. T. Stone and son visited with Mr. and Mrs. Harley Longan Sunday.

Mrs. Edith Longan spent Thurs. and Friday with Mr. and Mrs. Harold Longan.

Mr. and Mrs. Al Word spent Wednesday with her parents, Mr. and Mrs. Loyd Moreland. Little Miss Ann Word is spending the bad weather with her grandparents so she can get to school.

Mr. and Mrs. Rosco Land visited Sunday with Mr. and Mrs. Hill. Mr. and Mrs. Pete Land of Martin also visited Mr. and Mrs. Hill Sunday evening.

HUDGINS
Mrs. Carl Barker

Mr. and Mrs. Dan Tims of Levelland spent the weekend with their parents.

Those to call in the W. O. Elliott home Sunday afternoon were Mr. and Mrs. Marva Lee Mayes, and Mr. and Mrs. Jack Foster of Clarendon, Mrs. Ozell Johnson and baby of Arizona, and Jack Brogdon.

MR. & MRS. ROLLE BRUMLEY SURPRISED WITH SHOWER

An affair of unusual beauty was the surprise shower given at the home of Mr. and Mrs. H. C. Brumley, January 27th, commemorating Mr. and Mrs. Rolle Brumley on their twenty-fifth wedding anniversary.

A profusion of silvered magnolia leaves and sweetgum balls decorated the dining room, and the table distinctive with its white Chinese hand-embroidered linen cloth was centered with an elaborately decorated three-tier cake, iced in white and adorned with white roses, wedding rings, and dotted with tiny silver balls. In the center of the cake was a miniature bridal pair.

Miss Shirley Brumley presided over the silver coffee service.

Mr. Edwin Eanes showed colored slides of the Rolle Brumley home and family, also his collection of Colorado scenes.

Many lovely pieces of sterling flatware were presented to Mr. and Mrs. Brumley.

Guests who attended were Messrs. and Mesdames Lloyd Shelton, Jack Brooks, Rayburn Smith, Bill Bromley, Carl Bennett, Frank White Jr., Edwin Eanes, F. L. Goldston, Joe Goldston, Dr. H. R. Beck, Frank Blair, and Mr. Allen Bryan.

CUE AND CURTAIN CLUB

Doris Jean Wallace was hostess to the Cue and Curtain Club Monday evening, January 31.

Reports by Mary Edna Elmore, Laddie Cox, Mae Morris, Alice McCrary, and Jane Johnson were made on the Speech Carnival which these ladies attended in December at Canyon.

A very interesting talk on Television was made by Darrell Proctor.

Delicious refreshments of cakes, sandwiches, and cookies were served by the hostess and her mother to the following members: Mae Morris, Laddie Cox, Joan Swink, Sam Patterson, Mary Ann Landers, Patsy Estlack, Wilson Lane, Jackie Brooks, Darrell

Proctor, Mary Edna Elmore, Alice McCrary, Willeta Riney, Sandra Shelton, Patsy Blair, John Miller Morris, Bill Porter, Jane Johnson, Lynn Leathers, Inelle Cox, and the sponsor, Mrs. Jolly Johnson.

KAPPA SUB-DEB CLUB

The Sub-Debs met on Wednesday evening, January 19, at 7:00 in the home of Fanchon Allred. During the business meeting, it was decided to donate five dollars to the March of Dimes. The program, given by Patsy Blair, was a very interesting report on "Little White House" Memorial, at Warm Springs, Georgia.

Delicious refreshments were served to the following: Jo Anne Sibley, Jo Ann Ritter, Nancy Bennett, Shirley Brumley, Lois Hommel, Sybil Head, Jane Johnson, Mary Edna Elmore, Alice McCrary, Mae Morris, Anne Thompson, Patsy Blair, Louva Hunt, Layma Tatum, Doris Wallace, Juanita Carpenter, Jean Balgiew, Portia Hay, the sponsor, Mrs. Rufus White, and the hostesses, Nell Bentley and Fanchon Allred.

42 PARTY AND SHOWER

The Chamberlain Club entertained with a 42 party and shower honoring Mr. and Mrs. J. D. Jones, Jr. the night of January 21 at the Chamberlain school house with Mrs. Alfred Ivey and Mrs. A. O. Hott, hostesses.

Those attending were Mr. and Mrs. Dennis Lindley, Mr. and Mrs. R. W. Moore, Mr. and Mrs. John Heathington and Nelly Jon, Mr. and Mrs. Theron Holland, Mr. and Mrs. Amos Carter, Mr. and Mrs. Gilbert Mann, Mr. and Mrs. Roy Blackman, Mr. and Mrs. Frank Reid, Mr. and Mrs. D. B. Koen, Mrs. Richard Cannon, Mrs. Frank Cannon, Mr. and Mrs. Guy Sibley, Mr. and Mrs. A. J. Fowler, Memphis, Mr. and Mrs. J. B. Smith, Lelia Lake, Mr. and Mrs. A. O. Hott, Mr. and Mrs. Alfred Ivey, Mr. and Mrs. J. D. Jones, Sr., and Mr. and Mrs. H. A. Harrison.

A number who were unable to attend sent gifts.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and sympathy during our hours of bereavement. May God's richest blessings be with each of you always.

The R. P. Wilson Family.

Lawrence Cowan left Saturday for his home at Tucson after a three week visit with his mother, Mrs. Cowan, also his brother, Mr. and Mrs. C. B. Cowan. Mrs. Cowan and Lawrence visited her daughter, Mr. and Mrs. Don Carreker at Okla. City and also relatives and friends at Wellington.

Mrs. L. L. Cornelius had for weekend guests her sister, Mrs. Mary Walker of Chickasha, Okla. and nephew and wife, Mr. and Mrs. Fred Ryan and two children.

FOOD... through the ages..

Broncs Defeated By McLean, 34-31

By Wilson & Crofford

The Clarendon Bronchos again met the McLean Tigers in a rip-roaring game last Saturday night. The Bronchos played a splendid game all the way. The starting lineup was Jenkins and Bulman as guards; Wilson and Littlefield as forwards and Heatherly as center. The substitutes for the game were J. P. Carlile and Ardis Mooring. Bulman was high point man with 14 points. Jenkins and Wilson tied for second with 4 points each.

At the beginning of the ball game, Haynes from McLean turned his ankle and was forced to sit a part of the game out but he played again in the last half.

These Clarendon Bronchos are really on the ball this year, although they have lost a few games, the winners had to play hard to win over these Bronchos.

Watson was McLean's high point man with 18 points.

At the end of the ball game the score was tied with 29 to 29. In the last minute Jenkins had a free throw but by hard luck missed it, so the boys had to play a three minute overtime. At the end of the three minutes overtime the score was 34 to 31 in favor of the Tigers.

In the past not many people have turned out to back these boys up. This month will be the

last of basketball this year, so COME ON Clarendon, get behind your team, THE CLARENDON BRONCHOS!

Mrs. Geo. Thompson and Mrs. Dick Vallance were Memphis visitors Tuesday.

HELP STARTS BY CHANGING LUBRICANTS

If you have been having trouble starting the old bus just bring it to us and let us give it that WINTERIZING SERVICE that will help to make it's starting on cold mornings much easier.

In Cold Weather it is very important to change to a lighter weight lubricant . . . in the motor . . . transmission and differential as thick summer lubricants cause your car to be sluggish all the way around and will allow the many working parts to wear more than they should . . . causing a repair bill within the near future.

We take pride in servicing your car during the kind of weather we are now experiencing so just drive in and tell us what you need.

STARTING THE NEW YEAR RIGHT

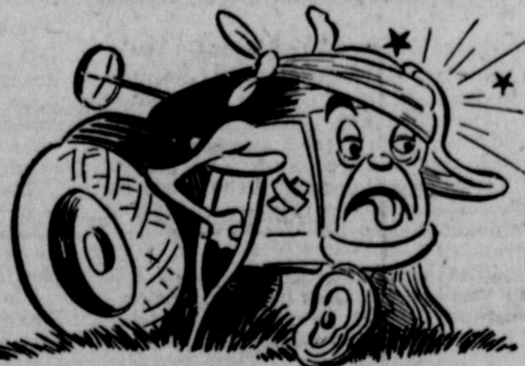

seem disappointed because beer-joints are selling to minors. They were taken in by their promises during the recent wet-dry election. Reckon they thought a leopard could change his spots. The worst enemy to the enforcing of prohibition laws, are these Damps and Semi-drys. No young boy is going to take up drinking because of the town Sot that wobbles up and down the streets all week and sleeps in the gutter or the jail at night. If he takes up drink because of seeing someone else do it, it will be because he saw some well thought of, probably some Sunday going church member, some successful business man take a drink. The young boy never intends to become that Sot, but many a time he excuses his first few drinks on the ground that the good old brother So and

So drinks and gets by with it. The trouble is he hasn't seen the last chapter in Mr. So and So's life. Anyway, if we are in this in-between class of drinkers we ought to be all the more careful that no young person might find out about it. A father that is a Sot is apt to disgust his children a large part of the time with the stuff, but a giggling, dram-drinking Papa is apt to impress his son. His son then might become a Sot.

I never talk about any group but that I start feeling guilty and ashamed for the way that I do myself. The man that is "Full to the brim" with gin is not half as bad a character as some of us that go about full of hatred toward everyone. A man can lie in the gutter and sleep off all the effects of beer, but we that are full of envy, selfishness and hatred have a long hard battle ahead for us. Not that the two necessarily go together, but I had rather be Drunk before the Bar, and have my heart filled with love than to be the Judge of the court and have a heart calloused with hate. Anyway, I am talking about myself, and this might not apply to anyone else.

You remember my writing about getting a Christmas card from one of my old school teachers, now living in Amarillo. Anyway, I had three men teachers that stood out like Sore Toes in my life. I always give them all the credit for my not being put in jail until even this time of my life. Their names were John Quincy Adams (no relation to the President and years and years younger), C. L. Nickell of Celeburne, Texas, of whom I wrote about seeing last summer, and W. O. Puett of Amarillo, Texas. The latter being the only one that has taken any exceptions to my references to them as my Old Teachers. Mr. Puett demands an apology and claims from the standpoint of age that I am the oldest. I knew that the third grade gave me a lot of trouble, but I didn't remember it being that bad. Anyway, I apologize for using the word "Old", and I am sorry about the whole thing, but I still give these three men all the above credit, and the fact that I was ill-mannered enough to refer to one of my former teachers as Old was due to some poor instructing that I received in between the times that the above teachers taught me. Anyway,

thanks for the letter and I am more than glad to apologize.

SOCIAL SECURITY CLAIMS ARE BASED ON WHAT THE RECORDS SHOW

"Bought and paid for but not received."

Those were the words used by John R. Sanderson, manager of the Amarillo office of the Social Security Administration, to describe what happens when a worker fails to show his social security card to each new employer.

"When the end of a calendar quarter rolls around," Mr. Sanderson continued, "the company has to make its report of social security numbers, names, wages, and taxes. If you have shown your social security card to your boss, your name and number will be shown correctly, and you will have that much more to your credit in your old-age and survivors insurance account."

Social security claims are based on what the records show. Wages that are not credited can't be used in determining whether a worker is insured. And wages that weren't credited won't fatten the monthly benefit checks.

"Since employees reap the benefits of social security, while your employer gets nothing but the job of keeping the records, paying the tax and making the reports," Mr. Sanderson concluded, "I urge you to show your card to him the first day you report on a new job. By doing this, you not only help him, but you will protect your own social security account."

Mr. and Mrs. Kenneth Reid and small son Garry of Amarillo spent Saturday night with her parents, Mr. and Mrs. LaGrone.

82d DIVISION CHUTISTS TO TEST NEW PLANE—Paratroopers like these will put the new C-119 cargo and troop transport through its paces during an air show at Hagerstown, Md., in March. They will demonstrate loading of personnel and equipment aboard the plane which can transport 42 soldiers with their combat equipment, or nine tons of cargo, for 2,000 miles.

Coffee For Exam Students
CANYON — Students at West Texas State College crammed for dead week examinations last week over cups of coffee furnished by the Student Senate. The senate provided free coffee for all students at the Student Center during the week of examinations.

Mr. and Mrs. L. T. Shelton, Douglas and Sandra and Lynn Leathers attended the Southwestern Exposition and Fat Stock Show at Ft. Worth Friday thru Sunday. They were very fortunate in missing the worst weather, both going and coming.

Mr. and Mrs. Marvin Land and son Tommy of Tucuman, N. M. are visiting his parents, Mr. and Mrs. V. A. Land. Mr. Land is seriously ill and not improving.

Mr. and Mrs. Bill Lane were business visitors at Claude Tues.

Mr. and Mrs. Bob Harvey of Amarillo visited her sister, Mrs. Joe Terry and his mother, Mrs. Monica Harvey. Mrs. Harvey accompanied them home for medical checkup.

Mrs. Bill Sullivan and children are visiting at Pampa this week.

SMU Ministers' Week Program Feb. 7-10th

DALLAS — A cross-section of the religious ministry of the Southwest will be represented on the Southern Methodist University campus Feb. 7-10 during SMU's annual Ministers' Week. Usual attendance averages more than 1,000 ministers, according to Dr. E. B. Hawk, Dean of the Perkins School of Theology and director of the program. "Ministers of all faiths attend yearly," Dr. Hawk stated.

Three outstanding religious leaders will lecture during the week. Dr. John A. Mackay, president of Princeton Theological Seminary, will deliver the Fonden Lectures on Missions. Bishop Gerald H. Kennedy of Portland, Ore., will deliver the Peyton Lectures on Preaching; and Dr. William W. Sweet, chairman of the faculty of the Perkins

School of Theology, will give the Jackson Lectures on The Bible. The SMU Ministers' Week program was begun in 1936 for the purpose of promoting unity of thought and purpose in forwarding Christianity.

Mrs. Will Johnson left for Fort Worth to visit her daughter, Mr. and Mrs. Ben Daniels.

Mr. and Mrs. Dwight Blair were in Amarillo Monday on business.

That's Golden Goodness in them thar loaves...

loaves of
MANN'S Malted Milk BREAD

Leaders of FIREMEN'S UNION

Leaders of ENGINEERS' UNION

NEEDLESS EXTRA ENGINE CREW

This is a diesel ... a modern locomotive that means better service to you.

Leaders of two unions think it's a feather-bed ... a "make-work" grab that means less service to you.

Leaders of unions representing railroad engineers and firemen seek to force railroads to add extra, needless men on diesel locomotives. This is sheer waste—a "make-work" program which would mean fewer improvements and higher costs—for YOU!

Railroads use modern diesel locomotives because they are one of the means of giving faster, better service to you.

Two men compose the crew of a diesel. They occupy a clean, comfortable cab at the front. The engineer handles the throttle. The fireman sits and watches the track ahead. With no coal to shovel, he has practically nothing else to do.

No Benefit To You

Now the leaders of the Brotherhood of Locomotive Engineers and the Brotherhood of Locomotive Firemen and Enginemen want to use the diesel locomotive as a means of forcing a feather-bedding scheme on the railroads. The extra men they propose to add to the diesel crews are not needed. There is no work for them.

The union leaders are fighting among themselves about which union should furnish these extra, needless men. The Brotherhood of Locomotive Engineers have even threatened a strike. You may not be interested in this dispute of these two unions, but you would be vitally concerned if these groups succeed in putting through this feather-bedding scheme, because it would mean a slowing up of the improvement program of the railroads—of which the diesel is the outstanding symbol. Diesel crews are among the highest-paid railroad employees—real aristocrats of labor! Their pay is high by any standard. Granting these demands, therefore, would mean that the railroads would be paying out millions in unearned wages to those in the very highest pay brackets.

We'd Like To Spend This Money On You

You know how much the diesel has meant to you in increased speed, comfort and convenience. The railroads have many more of them on order for even greater improvement in service to you. But needless drains of money, such as this present demand of the unions for needless men on diesels, reduce the ability of the railroads to spend money on better service for you.

Proud as the railroads are of the diesel, it is only a small part of their improvement program. Since the War, literally billions of dollars have been spent on improvement of tracks and stations, on new passenger and freight cars, as well as on diesel locomotives, and on the many other less conspicuous details of railroad that contribute to improved service.

Feather-Bedding Means Less Service To You

But brazen feather-bedding schemes like the one now proposed would, if successful, divert large sums of money from our present improvement programs. Even worse, they make improvements like the diesel worthless, by making the cost of their operation prohibitive. These demands are against YOUR interests—as well as those of the railroads. They are schemes to "make work". Neither you nor the railroads should be forced to pay such a penalty for progress.

That's why the railroads are resisting these "make work" demands to the last ditch—and why they are telling you about them.

Veterans' News

The next few years will see an increased demand for college graduates in the fields of medicine, psychology, kindergarten and elementary school teaching and certain phases of electricity. At the same time, competition will grow keener for positions in the fields of engineering, chemistry, pharmacy, law and personnel relations. These conclusions were contained in a study prepared for the Veterans Administration by the Occupational Outlook Service, Bureau of Labor Statistics, U. S. Department of Labor. The study is being used by VA advisers and guidance officers as an aid in counseling disabled veterans planning to take educational and training courses.

Veterans enrolled under the GI Bill in on-the-job training courses or in schools below the college level who desire leave of absence, should apply for it at their training establishment or school, and not at the Veterans Administration. In the past, these veterans were required to make application at the appropriate VA regional office. Now, they must obtain approval from their employer-trainer or school official before going on leave. Advance leave is provided only in cases of emergency. Leave is accrued at the rate of two and one-half days a month throughout training—including that time during which the veteran is on approved leave of absence. However, it may not be accrued beyond 30 days. Veterans training on-the-job or in below-college-level courses under Public Law 16 (for the disabled) must continue to apply for leave at VA.

Questions and Answers

Q—Who chooses the institution or establishment in which a veteran trains?
A—For vocational rehabilitation training under Public Law 16, VA selects the facility with concurrence of the trainee. Under Public Law 346 (GI Bill), the veteran chooses the training institution, but may have the guidance of VA if he desires it.
Q—Will Veterans Administration accept collect telephone calls from physicians who wish to ascertain whether they will be paid for emergency treatments given veterans?
A—Yes.
Q—Does my converted National Service Life Insurance have a cash surrender value?
A—Yes. All converted policies have cash surrender values, paid-up insurance and automatic extended term insurance values, together with policy loan provisions, effective after the policy has been in force one full year.
Q—Is VA pension, compensation, or retirement pay reduced

during hospitalization for veterans who have dependents?
A—It is not, provided the necessary proof of relationship has been established. Veterans should make certain that such proof is established promptly. Any additional allowance or increased compensation for aid and attendance, however, will be discontinued upon hospitalization.

Mr. and Mrs. George Gray and family of Stinnett visited with Mrs. J. C. Sibley and Mrs. Lena Dilli Sunday.

Police Overwhelmed In Native Killings

DURBAN, South Africa—Soundphoto—Commercial Road in Durban resounds to the battle cries of the embattled factions as police charge a mob of Native Negroes intent on beating Indian residents. The race rioting resulted in more than a hundred dead, thousands hurt.

SERVICES FRIDAY FOR MRS. G. F. LANE

Funeral services have been set for 3 p. m. Friday afternoon at the First Christian Church for Mrs. Nancy Ella Lane with Rev. Thomas Gray officiating.

Mrs. Lane, age 67 years, passed away at her home in Childress early this morning following a lengthy illness. She had been a resident of Clarendon for a long number of years prior to moving to Childress some 4 years ago.

She is survived by her husband G. F. Lane of Childress, four daughters, Mrs. Nador Hadley, Childress; Mrs. Rosie Garthwait and Mrs. Lillie Shelton, Amarillo; Mrs. Jessie Vaughn, Borger. Four sons, George of Borger, Vernon of Childress, Robert of Amarillo, and W. A. Lang of Ft. Worth, 23 grand children and 7 great grand

children.

Burial will be in Odd Fellow Cemetery, Clarendon with funeral arrangements under the direction of the Murphy-Spicer Funeral Home.

COTTON GINNING REPORT

According to W. M. Patman, Special Agent, the Census report shows that 9,381 bales of cotton were ginned in Donley County from the crop of 1948 prior to January 16th as compared with 7,249 bales for the crop of 1947.

Bill Reid and friend, Morgan Eoff, both students of Texas Tech spent Thursday night in the home of Lloyd Reid.

Cora Bell LaGrone is visiting relatives in Amarillo this week.

Re-Burial And Memorial Services To Be Held For S/Sgt. David F. McCleskey

Services in honor of the memory of S/Sgt. David Finley McCleskey will be held February 10th at 10 a. m. at Ft. Sam Houston National Cemetery, Ft. Sam Houston, Texas. He was killed in a bombing mission over Frankfurt, Germany, March 9, 1945.

S/Sgt. McCleskey was born May 27, 1917, in Rush Springs, Okla. When he was a small boy, the family moved to Weatherford, Texas, where they resided two years before moving to Clarendon, Texas, where his home was at the time of his death.

He was a graduate of Clarendon High School and attended Clarendon Jr. College. He entered the service of the U. S. Air Force, January 19, 1943. He received his training at Sheppard Field Wichita Falls, Texas, Scott Field, Ill., Ft. Meyers Florida, Barksdale Field Shreveport, La., and Lake Charles Army Air Field, Lake Charles, La. He went over-seas with the 9th Air Corps as radio operator of the bomber in Sept., 1944. He was awarded the Purple Heart and the Distinguished Air Medal for Bravery.

He was a member of the First Baptist Church of Clarendon. Surviving were his wife and little son, Michael Finley, his father and mother, Mr. and Mrs. George H. McCleskey, all of Clarendon; his brother, George W. McCleskey, of Lubbock, Texas; his grandmother, Mrs. J. M. Winston, of Weatherford, Texas; one uncle, Ned McCleskey, of Clovis, New Mexico, and several aunts and other relatives and a host of friends.

The Lion's Roar

By D. Lowry

The regular meeting of the Clarendon Lions Club was held Tuesday, Feb. 1 in the Lions Club Hall. This was an evening meeting honoring the birthday of Melvin Jones, the founder of Lionism. Attendance was good. There were twenty guests and visitors from Memphis, Hedley, and Clarendon.

The applications for membership of Frank Hommel, Shelby Bell, Shine Martin, Maurice Hart, and the reinstatement of Claude Moore and A. L. Chase were approved by unanimous vote of the club. The club welcomes these new Lions. This brings our number up to 102 members. Included in the members present were charter members J. R. Porter, H. T. Burton, A. L. Chase and Odos Caraway.

Deputy Dist. Governor Raines of Hedley spoke briefly to the club and Lion N. W. Durham of Memphis installed new members in the Memphis, Hedley, and Clarendon Clubs. Lion Hershell Combs of Memphis awarded a key to Lion Frank Phelan Jr. and a master key to O. D. Lowry.

It was announced that the Feb. 8th meeting of the club will be a night meeting in connection with the Chamber of Commerce banquet to be held at the club hall on the same date. Tickets for this banquet may be secured from Lions Lee Bell, R. E. Drennan, and W. S. Whaley.

The program consisted of readings by Darrell Proctor and Jane Johnson and piano numbers by Lois Marie Hommel and Sybil Head.

A zone meeting was held immediately following the regular meeting.

Lions, one hundred members at the regular club meetings would be a feather in our caps.

Donley County Farm News

The Donley County Agricultural Conservation Association received word this last week from the state office that the present plans are to have a complete cotton acreage report from the counties. Unless the plans are changed (and this seems unlikely) most of the farmers realize what is going to have to be done in Donley County. We would like to start now by urging every farmer in the county to let us know where he is farming and his correct address. This is extremely important to each farmer in order that he may receive all the information we have from time to time. We are well aware that a great many farmers will ignore this but the fact remains, it will have to be done eventually and the sooner it is done the less chance there will be for costly mistakes.

Our records for the cotton and wheat acreage and production in Donley County are incomplete for the last four to five years. At

the time of this article there are no requirements for reports of wheat acreage and production but it is a logical assumption that eventually there will be such requirements. Due to this fact it would be wise for the wheat producers in Donley County to let us know which farm they are farming and their correct mailing address. All of this information may be sent in by mail and will not inconvenience those farmers living in the distant parts of the county.

At the present time it is only

requested that the farmers give us this information and we hope that the required information will come in without causing the farmers and the government unnecessary expense and trouble.

CLEARANCE SALE FEATURED BY LOCAL FIRM

In keeping with their usual custom of modern merchandising, the firm of Hudson & Taylor is featuring a wall to wall Clearance Sale in a double page advertisement in this issue of the Leader. In putting on this sale Mr. Taylor stated that it was their desire to offer their broad line of merchandise at greater reductions along with the merchandising tactics in larger cities. We want our home people to have the same opportunity to save just as they have the opportunity to do in other places, he added.

Read their double-page ad in this issue of the Leader and see what they have to offer.

E. S. Ballew To Enter Four Hampshires At New Mexico Sale

E. S. Ballew, Clarendon, will enter four Hampshires in the Southwestern Swine Breeders Association sale Feb. 7, at Clovis, New Mexico.

Consigned by Ballew are three bred gilts, Miss Hi Glory, granddaughter of Steam Roller; Paymaster Mable, daughter of the reserve age sow at the 1948 Texas state fair; and Miss Silver 7th, half sister to the grand champion over all breeds in the fat barrow show at the 1948 Texas fair. His fourth entry is the boar, Golden Steamer.

Seventy-four head have been consigned to the sale already by 17 breeders, according to Ray Worrell, association secretary. Representing the six leading breeds, swine will be judged for place in sale at 9:30 a. m.

The sale itself is slated to start at 1:30 p. m. on Clovis fair grounds. Everett P. Brown, herdsman for New Mexico State College, department of agriculture, will judge.

Breeds in the show include Hampshires, with five bred gilts and five boars; Durocs, 12 boars, seven open gilts and 22 bred gilts; two Chester whites, one bred gilt and one boar; Poland China, one bred gilt and two boars; Herefords, eight bred gilts; spotted Poland Chinas, 11 bred gilts, one boar.

Catalogs for the sale may be obtained at Clovis Chamber of Commerce or by writing Secretary Worrell, Route 2, Clovis.

Robert S. Calvert Appointed State Comptroller

AUSTIN — Robert S. Calvert, recently appointed by Governor Beauford H. Jester to fill out the unexpired term of the late Geo. H. Sheppard as State Comptroller, has just about the most important job in Texas' state government.

As State Comptroller, it is Calvert's duty to supervise the collection of several hundred million

ROBERT S. CALVERT

dollars per year in taxes. He acts as the state's bookkeeper, and writes several million state checks every year in paying the debts of the state which amount to over four hundred million dollars per year.

Calvert knows his job—having been in the Comptroller's office

for eighteen years as financial statistician from 1940 to 1944 and chief clerk until his elevation to his present position.

Governor Jester paid tribute to both George H. Sheppard and Calvert when he issued the following statement when he announced the appointment:

"I feel I can pay no higher tribute to the late beloved, George H. Sheppard than to name as his successor his long time friend, trusted assistant and highly capable chief clerk, Bob Calvert."

"The office of Comptroller is one of the most important in our State government. Here we must have a man of absolute integrity who will conduct this office as a business office, which it is, rather than a political office, which it is not. There are many fine men in this State who could meet this exacting standard, but Mr. Calvert brings the added and valuable asset of experience in conducting the affairs of the Comptroller's Office as the righthand man of the lamented and respected public servant Mr. Sheppard."

"I know that in selecting Bob Calvert I am acting as Mr. Sheppard would have me act and in the manner that is best for the office and for the people of Texas. Mr. Calvert's own distinguished record of faithful public service bears out this judgment."

Robert S. Calvert was born in McLennan County April 27, 1892. He was educated in the public schools of Brownwood and Howard Payne College.

From 1911 until 1930, he lived at Sweetwater where he was employed by a railroad, a utility and the First National Bank.

In World War I, Calvert served in France and Germany with the Photo-Reconnaissance Air Service.

When George H. Sheppard was appointed State Comptroller in 1930, he brought Calvert to Austin with him to serve as financial statistician in that office.

Calvert married Miss Josie Moody of Sweetwater. They have one daughter, Josephine.

The new Comptroller is active in church, fraternal and civic affairs — being chairman of the Board of Deacons of the Central Christian Church of Austin; a member of the Masonic Lodge, Scottish Rite, Shrine; American Legion and Lions Club.

Lumber Production In Southern Pine Mills

AUSTIN—Lumber production in Southern pine mills slipped 2 per cent from November to December, reports from the Southern Pine Association to the University of Texas Bureau of Business Research showed.

Average weekly production in December increased 1 per cent

from a year earlier to 189,617 board feet. After adjustment for seasonal variation, the Bureau's index of lumber production dipped 2 per cent from November to 66 per cent of the prewar (1935-39) base period.

Weekly shipments were 11 per cent under November, and unfilled orders on December 31 were 18 per cent below the previous month and 31 per cent under a year earlier.

Opening a gate valve to tie in a new pipe line.

6 GOES INTO 18 *Hundreds* OF TIMES

Yes, in hundreds of locations on the United Gas system, pipe lines of two to twelve inches in diameter have been "tied in" to main transmission lines measuring from eight to 24 inches in diameter. Some of the smaller lines bring additional gas to the system, adding new sources of supply for our customers. Some take gas out of the system, which means dependable natural gas service is provided for still more homes and factories. In many instances, it is necessary to make the connection without interrupting the flow of gas through the main line, a process pipeliners call "hot tapping." This is one of many functions of the United Gas organization... all of which have the ultimate purpose of assuring a continued dependable supply of natural gas to our customers.

Cutting a hole from two to twelve inches in diameter in a pipe full of high pressure natural gas is "touchy" business.

A short stub of pipe is welded to the side of the line before the hole is cut. To the stub is connected a gate valve and a machine that extends a long-shafted bit through the gate valve to the side of the line to be entered.

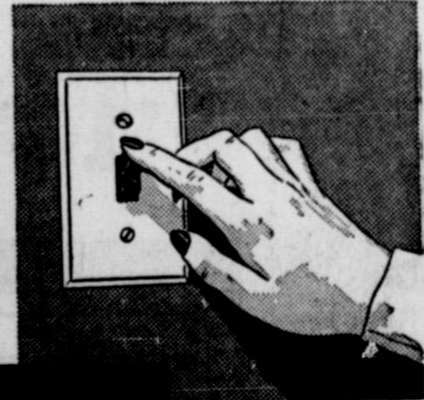

The bit cuts a circular section from the larger pipe and removes the section through the gate valve.

After the valve is closed, the "tapping" machine is removed, the new smaller line is flanged up to the valve, and the line is ready for service.

UNITED GAS ...

New Bible Courses Offered At West Texas State

CANYON—The Bible Department at West Texas State College in Canyon is offering four new courses during the spring Semester, which began Feb. 1. The courses are "How the Bible Came to this Generation"; "Biblical Teachings on the Christian Home and Marriage"; "The Book of Revelation"; and "Life of the

Apostle John." Other courses this semester are "Old Testament Survey" and "Biblical Poetry." Bible Courses now offered are through courtesy of the Baptist General Convention of Texas which provides the teacher and building adjacent to the campus. A maximum of 12 credit hours in Bible is allowed by the college toward graduation. Instruction given is without regard to the particular belief of any denomination.

Prof. John B. Hunter who also serves as Baptist Student Secretary. He holds the A. B. degree from Mercer University of Georgia, and the Bachelor of Divinity and Master of Theology degrees from Southwestern Baptist Theological Seminary in Fort Worth. Mr. Hunter sometimes accepts pulpit appointments on week-ends and through this means has an opportunity to get acquainted with people of the region served by the college.

In charge of Bible teaching is

Health Notes

AUSTIN — Observation of the first National Children's Dental Health Day on February 7th has been approved and commended to Texans by an Official Memorandum signed by Governor Beauford H. Jester.

The dental health of children is of prime importance to their general well-being and Dr. Geo. W. Cox, State Health Officer, says that every child should be under the regular care of a competent dentist from the time he is thirty months of age.

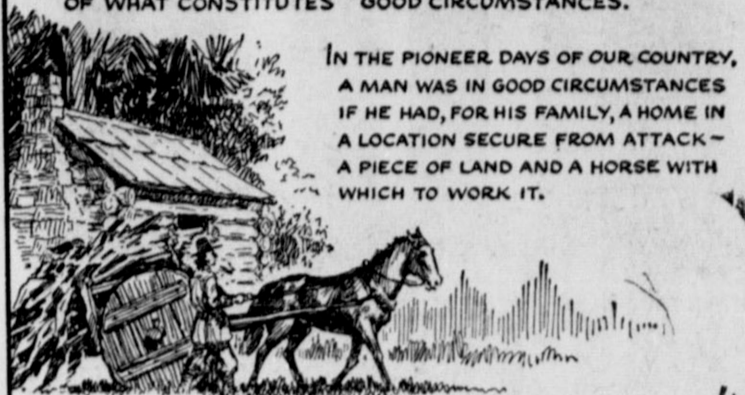

"Much can be done in the way of tooth decay prevention by dentists of today," Dr. Cox said, "and studies are under way at present which may lead to still further advances in the control of dental caries. Two Texas cities with almost identical fluoride content in their city water supplies are being used in one experiment. Sodium fluoride is being added to the supply of one city, and the results in the reduction of dental caries checked against that of the city whose water supply is not treated."

"This experiment has been in progress only 29 months and it is too early to establish a positive

OUR DEMOCRACY — by Mat

GOOD CIRCUMSTANCES

EACH GENERATION IN AMERICA HAS HAD ITS OWN MEASURE OF WHAT CONSTITUTES "GOOD CIRCUMSTANCES."

IN THE PIONEER DAYS OF OUR COUNTRY, A MAN WAS IN GOOD CIRCUMSTANCES IF HE HAD, FOR HIS FAMILY, A HOME IN A LOCATION SECURE FROM ATTACK — A PIECE OF LAND AND A HORSE WITH WHICH TO WORK IT.

LATER ON, AS AMERICA DEVELOPED, AND THE SECURITY OF ITS HOMES BECAME ESTABLISHED,

"GOOD CIRCUMSTANCES" CAME TO EMBRACE MORE HOME COMFORTS AND CONVENIENCES — GLASS WINDOW PANES, FRANKLIN STOVES, CHINA DISHES — MORE SUBSTANTIAL TOOLS TO WORK WITH.

BUT THROUGHOUT OUR HISTORY THE CONCEPT OF "GOOD CIRCUMSTANCES" HAS CENTERED AROUND THE HOME AND FAMILY. IT HAS EMBRACED THE OPPORTUNITY TO PROVIDE THE SUBSTANCE OF LIVING, TO NURTURE THE BONDS OF LOVE AND AFFECTION AND TO PLAN CONFIDENTLY TOWARD THE FAMILY'S FUTURE WELL-BEING.

evaluation, but the results checked so far have demonstrated a decided tendency to caries reduction in the city where sodium fluoride is added to their drinking water."

Early training of children in good dental hygiene will materially aid them in keeping their teeth and gums in good condition, and their regular visits to the

dentist will enable him to make any corrections as soon as they are needed.

85 Businesses Failed In Texas During 1948

AUSTIN—A total of 85 businesses failed in Texas during 1948, reports from Dun and Bradstreet to the University of Texas Bureau of Business Research showed.

For the year 1947, business fatalities totaled 55. There were 10 business failures in December, 9 in November, and 6 in December 1947.

Average liabilities per failure were \$51,000, compared to \$33,000

in November, and \$11,000 in December 1947.
