## Clarendon Youths Top State Shows

Members of the Clarendon and Lelia Lake F.F.A. Chapters completely dominated the swine shows at two major fairs in Texas during the past week. Sammy Wells, Bobby Longan, Dannis Gibson, Carl Talley and Adviser J. R. Gillham took 17 head of barrows to the Texas State Barrow Show at McKinney Thursday night, and participated in the show there Friday and Saturday. A large number of barrows from over the entire state participated in the show. The local youths were the most successful they had ever been at any one show. They exhibited the champion hamshire pen of barrows, champion Poland China barrow, reserve champion Poland China barrow, champion Poland China pen of barrows, reserve champion Poland China pen of barrows, grand champion barrow of the show, reserve grand champion barrow of the show, grand champion pen of barrows of the show, and reserve grand champion barrow of the show. The local group of youths won \$740 of the \$1100 premium money offered at the show. Gibson exhibited the champion hamshire pen of barrows; Carl Talley exhibited the 1st and 2nd heavy Poland barrows, 1st heavyweight Poland pen of barrows, champion Poland pen of barrows, and grand champion pen of barrows. Jimmy Phillely had 1st lightweight Poland, 1st lightweight pen of Polands, champion Poland, reserve champion Poland pen, grand champion barrow, and reserve champion pen of barrows. Wells, Mann, and Longan exhibited the reserve champion Poland barrow, the reserve grand champion barrow, and 2nd light Poland pen of barrows.

Bobby Lee, Lelia Lake F.F.A. Adviser carried Wayne Aten, Grady Wilkinson of Lelia Lake, and James Mahaffey of Clarendon to the Heart of Texas Fair. They entered 18 head of barrows. James Mahaffey had 1st, 2nd, and 3rd lightweight Poland barrows, 1st pen, champion Poland and Champion Poland Pen, reserve grand champion barrow and reserve grand champion pen of barrows. Sammy Wells had 6th lightweight Duroc, 2nd duroc lightweight pen; Bobby Longan had 4th lightweight berk; Jimmy Graham had 1st heavy Chester, and champion Chester; Wayne Aten had 8th place light duroc; Claude DeBord had 5th place light Chester, and Grady Wilkinson had 6th and 7th light cheser, 2nd light cheser pen and reserve cheser pen of barrows. Wells and Longan had 1st and 8th light Hampshires, champion hamshire, 1st light hamp pen and champion hamshire pen of barrows.

The almost clean sweep of the two major shows is one of the best records ever turned in by any club group in the history of either of the two shows, and the combined winnings set a new record for even the win minded Clarendon group.

## City Makes Hospital Board Appointments

At a meeting of City Officials the past week, appointments were made for the City-County hospital board. The City named three men, Charlie Bairfield, Kelly Chamberlain and Roy Bartlett. The County Commissioners were scheduled to name three men to the board also but due to one of the Commissioners being called out of town due to a death in the family, their appointments were postponed until their regular meeting next Monday. After they name three members the City and County will name a seventh member to complete the board.

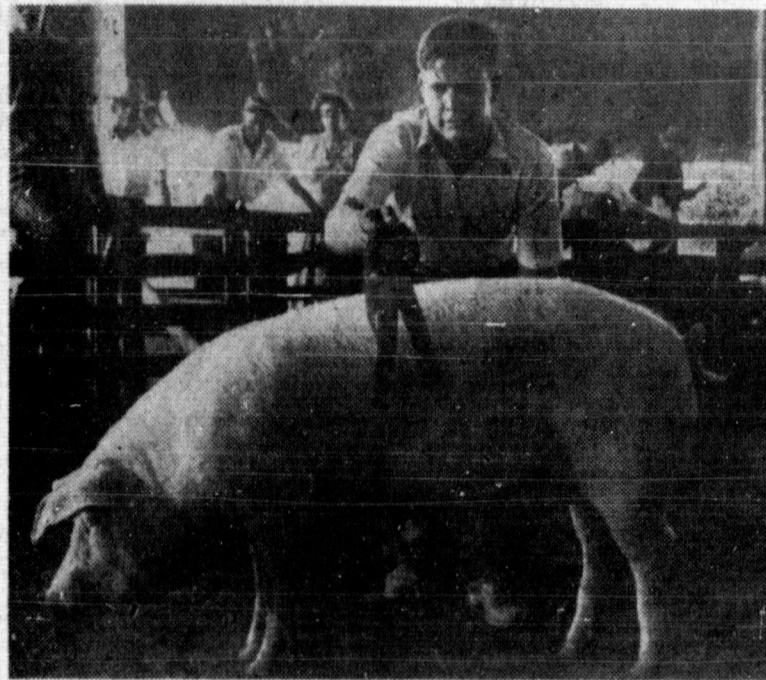

At this same meeting the City officials also named members to represent Clarendon in the Greenbelt Water Association. They are J. R. Porter, Carroll Knorpp and Cap Morris.

Leader—Local rate, \$3.00 a year.

These three pigs were among the champions shown by members of the Clarendon and Lelia Lake Future Farmers at the Heart of Texas Fair at Waco during the past weekend. James Mahaffey (picture No. 2) is shown with his first place lightweight and champion Poland China Barrow. The Barrow was also Reserve grand champion over all breeds. Mahaffey also showed 2nd and 3rd lightweight Polands, 1st lightweight Poland pen, champion Poland pen and reserve grand champion pen of the show. Grady Wilkinson of Lelia Lake is shown with Jimmy Graham's champion cheser white (picture No. 1). The pig placed 1st in the heavyweights and went on to win the breed championship. Wayne Aten of Lelia Lake is shown (picture No. 3) with the champion hamshire barrow exhibited by Bobby Longan. Longan also had 1st lightweight hamshire pen and champion hamp pen of the show. Wilkinson and Aten are members of the Lelia Lake F.F.A. Chapter, and Mahaffey, Graham, and Longan are members of the Clarendon Chapter.

## "Ghosts & Goblins" To Hold Sway at Lelia Lake Night of October 31st

"Ghosts and goblins" of Lelia Lake are scheduling a trick-or-treat collection for overseas relief Wednesday night, October 31st, under the sponsorship of young people.

Young people of the community plan to make Halloween of 1956 an occasion of sharing with hungry people through the Christian Rural Overseas Program (CROP). Replacing the usual self-centered trick-or-treat appeal, the young folks will make house to house calls seeking contributions for the CROP campaign.

CROP identification tags and labels on sealed money containers will be used to identify the youths taking part in the collection.

Proceeds will send government surplus dairy foods and grains overseas through Church World Service to feed hungry people. Government surplus foods are supplied free of charge to approved voluntary relief agencies. Handling and distribution of the surplus food costs less than a penny a pound.

Heading the Halloween project for CROP are the M.Y.F. and B. T. U.

## J. R. PORTER SUFFERS HEART ATTACK

J. R. Porter, prominent local lawyer, suffered a heart attack at his home about 6:30 Monday morning. At last report Wednesday afternoon he was reported doing as well as could be expected and spent a restful night Tuesday night.

## Donley F. F. A. Youths Head Greenbelt District

Two Donley County F.F.A. members were chosen to top posts in the Greenbelt F.F.A. District in their organization meeting at Hedley, September 27th. Roddy Seago of Lelia Lake was chosen district president and Doyce Graham, Jr., of Clarendon was chosen district secretary. Seago has been one of the student leaders of his school and one of the top F.F.A. members in the district for the past two years. Graham was chosen as the outstanding F.F.A. member in the Greenbelt District last year and is one of the top F.F.A. members in the entire area, having ranked third in the area last spring.

The district set up their program of work. The district leadership contests were set for the 17th of November at Childress, and the District F.F.A. Banquet was set for December 15th at Wellington. The local chapter plans to participate in each of the events set up in the district.

## Principal of North Ward School Here Dies

Funeral services were held Wednesday afternoon in Pampa for Robert H. McPherson, 53, principal of the Clarendon North Ward School. Burial was in Fairview Cemetery, Pampa.

Mr. McPherson had been principal of the local Colored school for several years and had made many friends among both races during his time here.

Survivors are his wife, Georgia; one son, Briscoe of Oklahoma City; two brothers, James and Wylie, both of San Jose, Calif.; and five grandchildren.

## Jr. High Colts Romp Past Kittens 26-6

The Jr. High Colts received their first taste of victory for the season last Thursday night when they journeyed to McLean and defeated the Kittens 26-6. In running up this victory coach Jack Johnson used 38 Colts throughout the game.

Ronnie Hall crossed the goal stripe twice and added two extra points; Neal Carter toted over for one and Bill Hermesmeyer carried over for the other tally.

Colts outstanding in the defense department were Hicks, Morris, Armstrong, Abel, and Messer.

The Colts will be idle this week and their next game will be October 11th at Lefors.

## Hedley Cotton Festival Only Week Away

The big Hedley Cotton Festival will get underway with a calendar full of activities one week from tomorrow, Friday, October 12th. The festival is scheduled to unfold into full bloom on Saturday with an unusually large crowd in prospect.

Clifford Johnson, Hedley Banker, reports everything running smoothly in preparation for the event and extends a cordial invitation to all residents of this area to make their plans to attend a part or all of the celebration. A full outline of the program is in the making for publication next week.

Mr. and Mrs. Frank Phelan, Jr. and children went to Oklahoma City Tuesday to attend a Coca-Cola meeting.

## Revival In Progress At First Baptist Church

The First Baptist Church of Clarendon is really having a Revival according to Bro. Van, their pastor. The attendance has been large at each service. Visitors are coming to hear Dr. Jackson, the Evangelist, and to listen to Sam Patterson, the Singer, from many miles distance. These men are so well known that the church expects many visitors each service. There has also been a great many decisions of life made during the services. Bro. Van says he is reminded of the sayings, "Old Time Religion", "Brush Arbor", and other common expressions used when a church is being revived.

The church is expecting over 500 in Sunday School the last day of the Revival, Oct. 7, and 250 in Training Union that evening. Bro. Van stated that there were only a few days more of this meeting.

Everything is being done to make this meeting convenient for everyone to come, and Bro. Van said he invites all to come and worship together during this time.

## IOOF LODGE MEETING

The Clarendon Odd Fellow Lodge No. 381, at their next regular meeting night, Monday, October 8, 1956 at 8 p. m., a roll call of all members will be held at the request of the Grand Master. Refreshments will be served and all members are urged to attend.

Mrs. F. A. Fitzgerald's mother, Mrs. Strange, of Plainview, fell recently and broke her hip. She is doing as well as could be expected with Mrs. Fitzgerald and her sister caring for her.

## BRONCS TO PLAY WELLINGTON THERE FRIDAY NIGHT

### Local Dealer Attends Showing Of New Plymouths

Mr. and Mrs. Roy Bartlett were in Fort Worth last Friday where they attended the big showing of the new 1957 Plymouth and Dodge automobiles, along with over 300 Dodge-Plymouth dealers from Texas, Oklahoma, and New Mexico.

October 30 has been announced as the date when all 1957 Plymouth and Dodge vehicles will be displayed for the first time in dealer showrooms, Mr. Bartlett stated.

Completely new styling and mechanical changes have been made in all Plymouth and Dodge cars and Dodge trucks. Sales and service personnel of dealerships represented at the meeting will begin an intensive series of training programs to indoctrinate themselves with the new models prior to public announcement, Mr. Bartlett added. On their way to Ft. Worth, Mr. and Mrs. Bartlett visited with Mr. and Mrs. Glenn Reiger at Decatur. The Reigers are former Clarendon residents.

### Bronc B Squad Game Here Tonight

Coach Tom Jinks announced yesterday that the Broncho B squad would tangle here tonight with the Irish B squad from Shamrock. Game time has been set for 7:30.

This game will give local fans an idea of the material which will be coming along to make up the Broncho squad or help fill the gaps next year. The local boys have been showing up "pretty good" in practice sessions and should give the Shamrock boys plenty of competition. Watch them play tonight and give them your support.

### Local Banks Show Slight Decrease In Deposits

According to condensed statements as of Sept. 26, 1956, the two local banks show only a slight decrease in total deposits as compared with statements published June 30th of this year. Total deposits on Sept. 26th were \$4,849,091.86 as compared with \$4,935,515.30 on June 30th. This is a decrease of only \$86,423.44.

At the same time, the two banks showed a slight increase in total loans. The total Sept. 26th for both banks was \$2,574,124.12 as compared with \$2,534,150.58 on June 30th, an increase of \$39,973.54.

### GREENBELT DISTRICT OF FFA MEETS AT HEDLEY

The Greenbelt district of Future Farmers of America met at Hedley, Sept. 26th. The purpose of the meeting was to organize activities and to elect officers for the coming year. Each chapter in the district was represented by two voting delegates. The officers elected were as follows:

President, Roddy Seago, Lelia Lake; Vice-Pres., Oscar Maddock, Memphis; Secretary, Doyce Graham, Clarendon; Treasurer, Neil White, Quail; Parliamentarian, John Lee Styhens, Hedley; Reporter, Harvey Bradley, Samnorwood; 2nd vice-pres., A. C. Grey, Wellington; Adviser, B. G. Lee, Lelia Lake.

The Greenbelt District plans to have an outstanding program the coming year.

Mr. and Mrs. Gordon Moore and son are making their home in Clarendon having come some two weeks ago from Montezuma, Georgia where they have been the past two years.

The Bronchos will take to the road again Friday night with their opponents being the Wellington Skyrockets. This will be another pretty rough assignment for the Bronchos but barring all bad breaks they will have about an even chance to win.

The Bronchos will be staging a comeback after the mauling they received from the Perryton Rangers who are a strong outfit in AA competition. Wellington is in class AA again this year but probably wish they were still in district play with Clarendon. They downed Lefors last week and so did Shamrock. We dumped Shamrock by a nice tune and if everything figures out as it should, the Bronchos have an opportunity to gain back some of their prestige this week.

The probable starters for the Bronchos as reported by coach Jinks will be as follows starting at left end: Baten, Mann, DeBord, Richerson, Graham, Pittman and Cosper. Payne at quarter, Behrens at full, Vallance at right half and Phillely at left half. This lineup could vary quite a bit as a number of the Bronchos have had the flu and virus infection this week.

Make your plans to go along Friday night and give the Bronchos your support. They have been playing some good ball in view of the competition and should have a good opportunity to be at the top or close in district play.

### Leader Newspress Has New Dentures

Usually when trouble strikes, it comes full fold. That's what happened Monday night in the Leader plant and could explain the possibility of some subscribers receiving the Leader a bit late this week. We hope to have all our press runs finished sometime tonight (Wednesday).

About mid way of our first press run, a shaft holding one of the big cog wheels that drive the press broke. It dropped down and scattered teeth out of two other cog wheels. It was a terrible sight to a printer who has already put in a hard day. Somewhere around two a. m. Tuesday morning we had all the drive mechanism disassembled and ready for the welder.

Thanks to Johnie Johnson, the press has a new set of dentures. He built a new set of teeth on the cog wheels with his welding torch and had them ready late Tuesday afternoon. The drive mechanism was reassembled, a couple or three hours were spent in retiming the press and we finally finished another four page run in the wee hours of the morning.

If we are successful in getting off two more press runs by sometime tonight (Wednesday) most everyone should receive their Leader as usual Thursday morning - - - if one of the crew can wake up early enough to get them up to the Post Office.

### 1957 Fords Now On Display

For the first time in its 53-year history, Ford Motor Company will produce two sizes of Ford cars, the company announced this week. The 19 new models unveiled by Ford dealers Wednesday morning have the highest performance engines ever offered in the low price field, stated Ray Palmer, local Ford dealer.

The new Ford line divides into two basic sizes, Fairlane and Custom, plus the station wagon series, each with its own body and chassis. In addition, the Fairlane series has been expanded to offer "Fairlane 500" models, which have extra luxury features. Palmer is inviting the public to view the new Fords now on display at his show room here.

Mr. and Mrs. Geo. Thompson visited Wednesday last with the Odell LaGrones in Amarillo.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The Library seems a very quiet place after all the great summer rush. September usually sends the college students for the beginning of their themes, but to date they have not been in. This English instructor may not assign those themes as Mrs. Goodner did.

Our Book Club editions came this week. They are "The Lost Wagon" by Jim Kjelgaard and "The Family Nobody Wanted" by Helen Doss. "The Lost Wagon" is an Oregon Trail pioneer story, and the writer is an Arizona resident, but travels widely in his quest for material. It is a 1955 edition. "The Family Nobody Wanted" you have likely read as it is a 1954 factual story. A friend gave us "Goodbye to Uncle Tom" by J. C. Turnas. As stated this book is "an invitation to park your prejudices and wade into one of the most vital issues facing Americans today." We are very happy to have this book added to our shelf as the writer has done extensive research to secure material for this book.

"Life Looks Up" is by Charles B. Templeton. It is rather modern in its statements, but if you read through the discussions there will be helpful lessons. Other writers probably stress spirituality more strongly, but it is helpful reading. This book was recommended to me as a memorial, and is excellent for the purpose. It was given in memory of Mr. Bull. "Meditations" by Grace Noll Crowell was given in me-

memory of Mrs. J. R. Cox from a memorial fund donated for several books for her. It is devotions for women. Some books ordered two months ago have not been re-

ceived. One on the "Life of Sousa" has been discussed with the book store I purchase from in the East. It is a memorial for Mr. C. Bugbee and the Librarian has corresponded with me in regard to this. Some of our children's books that were to have been dedicated to the memory of Scott Humphrey were not received until this week and I had secured substitutes. We can use these anyway, as we have so many children readers, and Mothers who read to their children.

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

### A CONGRESSMAN'S DESK TOP

Yours truly finds it rather embarrassing at times when he calls upon some of his colleagues and sees the immaculate manner in which they keep their desks. Understand that this is not the general rule, but applies to about 4 or 5 out of the 435 Members. My embarrassment stems from the fact that my desk always looks like a "hurrah's nest" (this is an old saying, and I suppose it is still good). What I mean is that the top of my desk is usually piled high in disorder. At the present time it inventories as follows: unanswered mail, documents, committee hearings, gavels, ash trays (although I don't smoke), pen sets, engagements, itineraries, stub pencils, notes (some promissory), newspapers, books, unfinished letters, telegrams, law books, several letter openers, one telephone, one buzzer, one poll tax list of Collingsworth County, two paper weights, two jet airplane models, a toy frying pan that was given to me by Ed Chenoweth of Colorado advertising the Arkansas-Frying Pan Reclamation Project, a small bale of cotton, various and sundry other articles, and some odds and ends that just happened.

My system is somewhat annoying to the girls in the office. Whenever I am out of the office

for as much as a day, they religiously clean off the desk and place everything in apple pie order. After my return, it usually takes about 10 minutes to get my system back in operation. I have been asked to explain how I can do this so quickly. My only answer is that my ability in this particular field must come naturally, because I have no set plan for this procedure. Actually, this custom probably dates back to my association with an older and very able lawyer with whom I was acquainted during my early days of practice. He had developed a system of putting all of his work, records, law books, etc., on his desk. People wondered how he ever found anything. He explained that it was very simple. He had his desk divided like a section of land—that is, the NE quarter, the NW quarter, the SE quarter, and the SW quarter. When he filed any item, whether it be a document, a piece of paper, a memorandum, a book or otherwise, he only had to remember which quarter he had filed it in. I have seen him when one of his clients would come in and say, "Judge, I wrote you a letter about two weeks ago concerning a certain subject." The wheels in the Judge's head would begin to click, and he would say, "Oh, yes. I filed that in the SE quarter." He would then plunge into that quarter section of the desk and promptly come up with the document in question. I must admit that I have never become as adept as the Judge in developing this system. I am always surprised at some of the things I find on my desk when I clean it off. He

never was.

I often wonder what he would do under the present day programs if an Internal Revenue man should come in and demand that he produce some of the records that are required by federal law and regulation to be preserved for at least two years. I have always suspected that he would have told the federal agent that the records were in the NE quarter and that full permission was granted to the agent to find them. Had this ever happened, I would have then wondered what the agent would do, because I know that no one could have found anything on that desk other than the Judge. However, the answer to the question is lost to posterity, because the Judge has passed on. His life was spent before the full impact of federal bureaucratic rules, edicts, regulations, directives, etc., became the order of the day. Which is all probably for the best, because I am dead certain that the Judge would never have complied with all of the present day requirements, and I certainly would not have wanted to see a gentleman and a scholar of his fine qualities in trouble with the law—especially the federal law.

Since clean desk tops in the Congress seem to be the exception rather than the rule, I have suspected that some of the Members who brag about their desk neatness are, perhaps, slaves of the habit of stuffing all unfinished business into the desk drawers, thereby hiding the real evidence. I had thought seriously of adopting this practice, but after giving it all due thought and consideration, I have decided against it for two reasons. First, I am firmly convinced that a cluttered desk top indicates activity—past, present and future. In the second place, my desk drawers are al-

## Added Attractions To Highlight Silver Jubilee Texas Prison Rodeo

HUNTSVILLE—Plans for the Silver Jubilee of the Texas Prison Rodeo include several extra inmate events plus a number of added attractions from outside the Walls. Inmates, performers, and fans alike, are determined to make this Silver Anniversary of their Big Show the best in its colorful history.

More than two million fans have witnessed the justly famed Prison Rodeo since the first chute was opened before a handful of spectators back in 1931. During the past five years the "Biggest Show of its Kind on Earth" has won honors in broken attendance records. Over 120,000 spectators enjoyed the 1955 version of this big fall event.

The main purpose of this annual event is to raise money for the education and recreation of the inmates of the Texas Prison System. These and other necessary phases of the penitentiary rehabilitation program have never been provided by the State. All proceeds go to the Prisoners' Educational and Recreational

Fund which pays for all the rehabilitative activities carried on under the guidance of the Texas Prison Board and prison management. These worthwhile programs, returning better men to society, have grown apace with the rodeo.

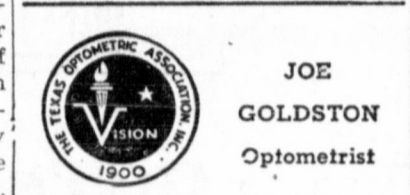

"Most people who attend the rodeo year after year already know of the good quality of the entertainment," states Governor Allan Shivers, "but we want them to know also that by their support, each person attending contributes a special part to the building of a better rehabilitation program within the prison system. All inmates of the system receive physical, mental, and spiritual benefits from this program, which is the prison's most vital function."

Most contests in each thrills-packed performance, bear the same names as those staged at professional rodeos. However, convict riders have invented hair-raising such as the "Mad Scramble" in which ten chutes open

simultaneously, spewing forth ten mad Brahman bulls. This event is unparalleled in rodeo shows the world over. Bull riding is filled with hazards. Being thrown under the flying hooves is just one of the many possibilities. For pure unadulterated excitement this event is unsurpassed.

Take equal quantities of range-wild stock and rough and tough convict riders with more guts than sense, buck out 80 head of stock in about 35 minutes and most anything can happen, and usually does. Each performance adds to the fame of the Texas Prison Rodeo as the fastest, rowdiest, ruggedest rodeo, unmatched anywhere for the rough recklessness of the convict riders, and the wild, savage, unbroken, untamed temper of the stock.

This year's event and the many to follow will continue to provide good fun, good will, and good fellowship for all enthusiastic Texans who love a rodeo.

vancement of Colored People have ended, temporarily, in Texas.

A stop order was issued at the request of Attorney General John Ben Shepperd by Dist. Judge Otis T. Dunagan of Tyler. Hearings will be held Friday (Sept. 28).

Investigations of the NAACP, a New York corporation with 112 branch offices in Texas, have been going on quietly for several months. Climax came with the filing of charges alleging numerous violations of Texas laws.

Specifically charged were efforts to register Negro students in Texas schools, contrary to the laws of the State; inciting racial prejudice, picketing, riots and other unlawful acts, contrary to public peace; engaging in political activities; operating without a permit; evasion of taxes; practic-

ing law without a license; and coercing Negro students and their parents.

"Transaction of business in Texas, by a foreign corporation, is 'only a privilege which the State of Texas may confer, extend, or withhold,'" said Shepperd.

This is not "in any manner" a suit against the Negro citizens of Texas, Shepperd pointed out. "It is limited to the NAACP as a foreign corporation, and their affiliated organizations. For over 100 years the white and colored races have lived together in Texas peacefully and in harmony. Were it not for the activities of the NAACP they would now, and in the future, continue to do so."

Dr. H. Boyd Hall, state NAACP president, said the move indicated that Texas is entering "an era of persecution." NAACP officials immediately called a 17-state meeting for St. Louis.

Although the principal headquarters of the NAACP is in Dallas, the suit was filed in Tyler because a number of defendants are in that area.

### STATE INCOME UP

State income jumped nearly \$75,000,000 during the past year but increasing expenditures are expected to consume it all and more too.

Revenues totaled \$913,422,792 during the fiscal year, State Compt. R. S. Calvert reported.

A state budget spokesman said the present spending pattern and new demands will likely require a new tax bill at the next session of the Legislature.

Requiring more money are growths in public schools, junior and senior colleges, prisons and hospitals. Proposals for increases in teacher retirement benefits and aid to disabled persons are to be voted on in November.

Gap is estimated variously from \$5,000,000 to \$30,000,000.

### ROAD MONEY EARMARKED

For the first time, right-of-way on Texas' interstate highway system will be purchased with federal-state money instead of city and county money.

An initial fund of \$19,366,100 for such purchases has been established by the State Highway Commission. Texas put up 10 per

cent; the federal government 90 per cent.

Included in the current program are 637 miles of new work costing an estimated \$256,000,000.

### OIL FLOW CUT

Reduction of 75,160 barrels daily in Texas' permissive oil flow was ordered for October by the Railroad Commission.

This trims the allowable to \$3,279,697 barrels daily with wells operating 15 days during the month. One commissioner, Olin Culberson, wanted to go to a 16-day pattern. He expressed unhappiness with the depressing influence of imports on the Texas allowable.

### JOBS FOR HANDICAPPED

Texas employers put more handicapped persons on jobs last year than ever before — 24,445. Applications increased, however,

from 6,727 to 14,004.

Laurence R. Milton, chairman of the Texas Committee for Employment of the Physically Handicapped announced the figures.

Gov. Allan Shivers presented merit awards to three employers for their consistent hiring of handicapped persons. These were Sears Roebuck, Hammond Laundry and Machinery Co. of Waco, and Howard Aero Inc. of San Antonio.

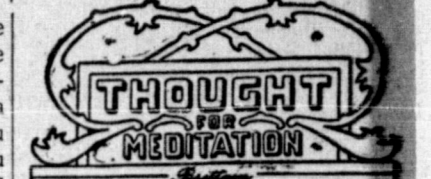

Earl Brown Jr., Abilene, was designated the handicapped person of the year. A special award went to Adolph L. Stein Jr., Kelly Air Force Base.

The All-Weather Training Unit at the Naval Air Station Moffett Field, California, chalked up a year's intensive flying without a single accident. Logging an impressive 14,047 accident-free hours, the unit averages 25 flights a day in all types of weather.

## PATHFINDER

Pathfinder met the afternoon of September 28 with Mrs. Pete Kunz and Mrs. Ernest Hunt hostesses.

Miss Ruth Richerson, president, presided over the business session. Mrs. E. P. Shelton was re-elected to membership. She had previously dropped membership due to illness.

Opening the program, Mrs. C. B. Morris gave the invocation. Club Collect was read after which Mrs. Wm. J. Lowe led the group in the Pledge of Allegiance. The program was entitled "Flower Arrangements and Corsages."

Mrs. J. L. McMurtry gave an interesting discussion of flower arrangement using flowers from her garden in some ten containers for demonstration. Among the specimen used were dahlias, jack beans, snowberries, pyracantha and others. She stressed the importance of choosing a container suitable to floral coloring and type of bloom. One of the most outstanding arrangements was that displayed on the dining room table in which fruit and flowers were used in an epergne. Mrs. McMurtry also gave some pointers on the preparation of stems after cutting to make the arrangement more lasting.

Mrs. Forrest Sawyer discussed the making of corsages. She brought with her various shades and kinds of roses, small chrysanthemums and other flowers and very expertly demonstrated the making of the corsage using

wiring and foliage. As she made the corsages she pinned them on several members, stressing the need to choose colors becoming to costume. She discussed the materials needed to make corsages at home.

Refreshments were served by the hostesses, Mrs. Kunz and Mrs. Hunt to one guest, Mrs. Walter Lowe and to members Mesdames Carl Allmond, John Bass, George Benson, Fred Buntin, H. T. Burton, Stina Cain, A. T. Cole, Wm. S. Greene, J. H. Howze, Clyde Hudson, Wm. J. Lowe, R. Y. King, Royce McCluskey, C. D. McDowell, C. T. McMurtry, J. L. McMurtry, C. B. Morris, J. T. Patman, Forest Sawyer, Heckle Stark, S. W. Lowe, and Misses Mable Mongole and Ruth Richerson. —Reporter.

## GOOD NEIGHBOR CLUB

The Good Neighbor Club met in the home of Mrs. Helton Friday, September 28th. A delicious lunch was served by the hostess to 8 members, one visitor, Dona Turner. Two visitors came after lunch, Mrs. Spradlin and Mrs. Hutchins. One quilt was almost finished. Mrs. Davis received a polyantha gift.

The next meeting will be Friday, October 12th with Mrs. Easterling. Everyone remember to come. —Reporter.

## BRIDGES — DUNCAN

Mrs. Mabel Bridges became the bride of Paul H. Duncan Thursday, September 29, at the Baptist Parsonage in Hedley. Rev. J. S. Tipton officiated.

Mrs. Duncan comes from a pioneer family having lived here all her life. Mr. Duncan was reared in Lelia Lake. His home has been in Dallas a number of years. At the present time he operates the Hedley Theatre.

## HOMEMAKERS CIRCLE

The Homemakers Circle of the Woman's Society of Christian Service met in the Methodist Church for a luncheon on Sept. 25th. Hostesses for the occasion were Mrs. S. M. Fedric, Mrs. Wm. O. Mooring.

Mrs. Carrol Hudson, chairman, introduced Mrs. W. W. Pickering who gave a devotional on "Love." She announced the District meeting to be on October 2nd and some tips on how to make money by selling stationery for the Circle. Also a report on the Rummage Sale to be every Saturday.

Year books were ready for all prospective members.

Geraldine Ryan explained the W.S.C.S., its meaning and the work it does. Each plate had a small flag representing countries where our fields are. The purpose of W.S.C.S. was read in unison by all attending. Mrs. Ryan also explained our goals for 1956-1960.

Mrs. Dick Shelton sang "Oh Eyes that Are Weak", accompanied by Mrs. Bob Moss.

Mrs. Hudson told of Nursery, Pledge Cards and our monthly meetings for the coming year. The Benediction was given by Mrs. Hudson, then it was repeated in unison.

Officers for the year are: Ruth Hudson, Chairman; Vice Chairman, Geraldine Ryan; Secretary, Anita Shelton; Treasurer, Francis Long. —Reporter.

## BETA SIGMA PHI

Mu Gamma Chapter of Beta Sigma Phi met Thursday night, September 27, at Patching Club House. Juanita Phelps, president, presided. Plans for the Area Council meeting to be held here Sunday, September 30, were discussed and completed. The group voted to pay another scholarship for a college girl. Two members asked for a leave of absence—Dee Williams and Ann Reeves.

Installation of officers was held installing Frieda Gray as Vice-President, Kay Bain as Recording Secretary, and Mrs. C. B. Morris as sponsor. The program was presented by Ann Reeves and Juanita Phelps. Hostesses for the evening were Jane Bownds and Doris Louise Hays. —Reporter.

## MU GAMMA, BETA SIGMA PHI HOSTS COUNCIL MEETING

Mu Gamma Chapter of Beta Sigma Phi was host chapter for the Area Council meeting held in Clarendon Sunday, September 30th. Registration was held at the Legion Hall with seventy-nine attending representing chapters in Amarillo, Stratford, Borger, Spearman, Plainview, Hereford, and Clarendon.

Coffee and donuts were served and the group adjourned to attend church services. Lunch was served at the noon hour in Lions Club Hall. Main speaker for the luncheon was Mrs. Louise Hughes from the International Offices in Kansas City. Also on program were the Melodears of Quail, composed of nine girls who entertained with musical selections.

Following lunch, a Forum conducted by Jane Bownds was held at the Legion Hall. Tea was served before the candlelight closing ritual conducted by Lois Scholtenberger.

Juanita Phelps was mistress of ceremonies for the day. The birthday theme was carried out in decoration and in the program commemorating the twenty-fifth birthday of Beta Sigma Phi. —Reporter.

## WIN ONE S. S. CLASS

The Win One Methodist Sunday School Class met Monday afternoon, Oct. 1st, in their customary social gathering at the home of Mrs. J. R. Bartlett, hostess, with Mrs. H. J. Derrick, co-hostess. The newly elected officers for the coming year were installed. Mrs. R. Y. King received the presidency from Mrs. John Bass, and opened the business session. This was followed by a devotional service led by Mrs. John Bass. A social hour ensued when refreshments were served.

The following members were present: Mesdames John Bass, R. Y. King, Justin Cook, J. R. Bartlett, H. J. Derrick, W. M. Payne, Eva Rhode, John Goldston, Ella McDowell, George Hillis, W. W. Taylor, Frank Bourland, J. T. Patman, Bertha Benson, Eva Allgren, C. R. Cross and Miss Mary Howren.

The class adjourned to meet again socially on the first Monday in November. —Reporter.

## F. H. A. ELECTS OFFICERS

The Future Homemaker of America, Clarendon chapter, met in the homemaking department recently.

Our president, Margaret Cushing, called the meeting to order. Officers working with her this year are: Vice president, Glenda Borden; Secretary, Barbara Koontz; Treasurer, Pat Knox; Sargent-at-Arms, Nedra Hodge; Parliamentarian, Joyce Eddings; Historian, Georgia Harmon; Reporter, Beth Lamberth; Song leader, Phyllis Hill; Pianist, Paula Vanderburg.

The following mothers were elected to serve as F.H.A. mothers: Mrs. Dale Hill, Mrs. Leon Davis.

Forty-nine members answered roll call at this first meeting. The standing committees were appointed and plans were made for informal initiation of freshman. —Reporter.

## GIRLS AUXILIARY

The Girls Auxiliary met Sept. 26th at the Baptist Church. The meeting was called to order by Paula Vanderburg. One song was sung, "Let Others See Jesus in You." Martha Risley read the Scripture, then Elaine Behrens led us in prayer. The minutes of the previous meeting were read by Pat Spurgeon and were approved.

We elected Shirley Vick for our Prayer Chairman. The program was turned over to Betty Parker. We had two new members, Shirley Vick and Oveta Garman. We closed with a prayer by Betty Parker. —Reporter.

## KIL KARE KNEEDLE KLUB

Mrs. Buel Sanford was hostess to the Kil Kare Klub in the home of Mrs. Frank Whitlock Thursday afternoon, September 27. Dahlias added an attractive decoration to the entertaining rooms.

After a very pleasant social hour spent in visiting, the hostess served delicious refreshments of cake, ice cream, and candy to members Mesdames Homer Mulkey, G. C. Heath, Major Hudson, E. H. Noland, S. W. Lowe, J. R. Bartlett, R. O. Thomas, Cap Lane, M. C. Rumpy, and Misses Ida and Etta Harned. —Reporter.

## JR. H. D. CLUB

The Jr. H. D. Club met Thursday afternoon, September 27, in Patching Club House. Leona Henson, president, opened the meeting by asking Mary Belle DeBord to lead members—in saying the club pledge. Roll call was answered with "How I Like the New Style Hats." During the business meeting Mrs. Jeanette Thompson was voted a new member of the club.

As there was no further business the meeting was turned over to Cula Jo Trout who brought a very interesting program on "Fashions."

Lovely refreshments were served by the hostesses, Sadie Head and Oma Bentley, to Lucille Swinney, Leona Henson, Mary Belle DeBord, Cula Jo Trout, Helen Land, Nora Decker, Oma Tatum, Noma Lewis, Clara Finley, and Poll Schull. —Reporter.

## M. Y. F. REPORT

On Sunday, September 30, the Lelia Lake M.Y.F. met at the church. Rod Seago called the meeting to order and William Chamberlain gave the opening prayer.

We decided to meet at the church on October 31 and take donations for the CROP FUND, overseas relief fund.

Jean Fox gave the program, "Well, What About It?" from the "Roundtable." Those assisting Jean with the program were Jessie Lee White, Rod Seago, Carolyn Castner, John Bob Butler, Jerry Don White, Lacy Lee Noble, and Betsy Chamberlain.

There were 13 members present and Mrs. J. A. McDonald, Mrs. Will Chamberlain and Mrs. Lacy Noble.

The meeting was dismissed with the M.Y.F. Benediction. —Reporter.

Mrs. and Mrs. Bobby Holland of Amarillo spent the week end in the C. W. Martin home.

Mr. and Mrs. Joe Brown of Amarillo visited the week end with their parents, Mr. and Mrs. C. R. Brown and Mr. and Mrs. Carrol Lewis.

**World War I Reunion To Be Held at Childress October 6th & 7th**

Veterans of Co. H. 142nd Infantry of World War One will hold their 6th Annual Reunion in Childress, Texas on Oct. 6th and 7th in the Veteran's Building.

Co. H is composed of all men who enlisted in Co. B that was organized here in Clarendon, and of those who enlisted in Co. D of Quanah, and both companies were consolidated into one known as Co. H 142nd Infantry and went into actual combat 38 years ago on Oct. 8th at 4:30 A. M. on the Muse Argone front in the little town of St. Etienne, and a hill which was named Barton's hill in honor of Major Thomas D. Barton.

Company B was organized in Clarendon, under the command of E. A. Simpson now of Amarillo, Texas. And Co. D was organized in Quanah, Texas, under Capt. J. E. Wiley who passed away last month.

Registration will start Saturday evening the 6th at the Veterans Building and a chicken barbecue supper awaits those who attend, and a splendid program has been arranged for that night.

Sunday morning at 10 A. M. Memorial Services will be held and the names of all deceased members will be read.

President Roy Guthrie, of Memphis, Texas will preside at the Memorial services, and the Sunday evening business session assisted by the Sec. & Treasurer, Capt. H. Craig of Childress.

Mr. and Mrs. Benny Darnell of Amarillo were week end guests in the home of his parents, Mr. and Mrs. Pete Darnell. Other guests in the Darnell home Sunday were Mr. and Mrs. Basil Smith.

**4-H Club Boys & Guests Enjoy Ranch Style Meal**

Forty-nine 4-H Club boys, mothers, dads and sisters and brothers enjoyed a big ranch style meal on the Will Chamberlain ranch in the Midway community this past Saturday. H. M. Breedlove, in charge of 4-H Club work in the county, said that the feed was in the form of a small club rally and get-together for club members and families.

Club boys William Chamberlain, Ted Shaller and Wendell Luttrell cleared the location for the feed and made preparations before hand and did a swell job. Breedlove started cooking for the meal about two in the afternoon and Chuck Floyd, Ellis Harrison, and Chuck Longan arrived early to help in the preparation of the food. The menu consisted of chicken fried steak, pinto beans, lettuce and tomato salad, onions, pickles, coffee, and a big peach cobbler and five freezers full of home-made ice cream. The above was cooked in dutch ovens regular ranch style and after fishing and playing all afternoon every one cleaned up all the food in good style. After the feed every one went up to the Chamberlain home where county agent Breedlove showed three picture shows on films secured from the Texas A&M College Extension Service film library.

The ranch style feed will become a regular activity for the 4-H Club boys and plans now are in operation for a big 4-H Club trip to the mountains next summer for a week outing with club members and all the parents that can be persuaded to go with them. Thanks to Mr. and Mrs. Will Chamberlain for being wonderful hosts to the boys and their parents.

**FARM NEWS**

from the County ASC Committee

**FARMERS GIVEN FURTHER OPPORTUNITY TO REVISE 1956 ACREAGE RESERVE AGREEMENTS**

"Farmers who did not fully understand the 1956 Acreage Reserve Soil Bank Program at the time of entering into agreements to revise or cancel such agreements", Secretary of Agriculture Ezra Taft Benson said on September 21, 1956.

"It has become apparent that, as a result of delay in the passage of the Soil Bank legislation, some farmers did not have opportunity to fully understand the program in view of the short time available to put it into effect for 1956 as required by law", Secretary Benson explained. "Consequently, there was misunderstanding on the part of some farmers as to their obligations under the agreements they signed."

"There are cases where farmers understood that the agreement did not require them to reduce their acreage unless they expected to be compensated under the agreement and that the only loss for failure to make a reduction in their acreage would be a forfeiture of the compensation. As a result, a number of farmers did not dispose of crops growing on land designated for the Acreage Reserve by the deadline for so doing and do not expect compensation under the program. These farmers will be released from their agreements."

"Other farmers disposed of only a portion of the crops growing on their Acreage Reserve, believing that they would be entitled to payment on that part of the acreage which they disposed of. These farmers will be permitted to enter into revised agreements covering the portion of their crop that was actually placed in the Acreage Reserve."

"This action is being taken with respect to the 1956 acreage reserve program because it was a new program which was put into operation so speedily that some farmers misunderstood some of the details", the Secretary emphasized. "It is not to be regarded as a precedent which will follow in connection with 1957 and subsequent programs."

**1956 CONSERVATION RESERVE ACREAGE**

Those producers who have grain sorghum or other crops not harvested that provide good cover crops to protect the land may sign agreements now for 1956 and the next 5 year period. This year 1956 cannot come under the contracts unless the present crop has not been harvested or grazed. October 15 is the last day when farmers may sign Conservation Reserve contracts to be effective in 1956.

**NO HARVEST FROM LAND IN 1957 ACREAGE RESERVE**

Land from which a crop of any kind is harvested during the calendar year 1957 may not be put in the Acreage Reserve or the Conservation Reserve of the Soil Bank for 1957. Land put in the Soil Bank is not to be cropped during the period for which the land is under contract.

Only farms with "old grower" acreage allotments for cotton and wheat, allotment crops for Donley, are eligible to take part in the Acreage Reserve. One-year agreements for land placed in the Acreage Reserve are signed by the farm operator.

Generally all farm land regularly cropped or in a rotation, except that placed in the Acreage Reserve, is eligible to be put in the Conservation Reserve. Contracts for land in the Conservation Reserve are for periods varying from 3 to 15 years depending on the kind of conservation practice to be carried out on the land, and the wishes of the farmer.

**RESULTS OF COUNTY COMMITTEE ELECTION FOR 1957**

The County Committeemen elected by the Community Committee delegated on September 26th are as follows: Ross Springer, Chairman; Leo Smith, Vice-Chairman; Forrest E. Sawyer, Regular Member. H. Slaton Mahaffey and Winfred C. (Jiggs) Mann were chosen as 1st and 2nd Alternates.

Mrs. C. T. Williams returned home last week after a trip to California.

Mr. and Mrs. Hubert Kidd of Abernathy visited awhile Saturday night in the C. W. Martin home.

**Mighty Rangers Bust Broncs 45-7**

The Clarendon Bronchos put up a valiant fight last Friday night against the powerful Class AA Perryton Rangers but went down by a pretty fair tune under their onslaught during the last half of play. The final score was 45-7, but the game was much better than the score indicated as practically all the ranger scores came on single play runs.

The Rangers led 6-0 at the end of the first quarter and 19-0 at the half. Six points of that total was made after the horn had blown but the play was in progress and a Ranger player intercepted a Bronc pass and raced 75 yards for the tally. The Rangers added four more touchdowns in the third period but the Broncs tightened up to hold them scoreless in the fourth and add their only tally of the game. Behrens plunged over from the 2 yard line and Mills kicked the extra point.

The Broncs played some fine football but the Rangers had them outweighed and outmaneuvered with a plentiful supply of reserves.

**Large Attendance At Annual NFLA Meeting**

Approximately one hundred and thirty attended the annual meeting of the Donley County National Farm Loan Association at the American Legion Hall in Clarendon Thursday night, October 27th. The group enjoyed a delicious barbecued chicken feed prepared by Flip Breedlove, assisted by Pete Land and Rev. C. M. Ryan. Following the meal, the business session of the meeting was presided over by J. R. Gillham, chairman of the board. Secretary Rayburn Smith introduced Alva Simmons, Frank Hommel, C. B. Morris, C. L. Harris, and J. R. Gillham, the members of the board of directors. Gillham reported on the general status of the association and its policies, and Secretary Smith gave a report of the activities of the association during the past year. Simmons and Morris were re-elected to the board for a three year term.

County Agent H. M. Breedlove presented a series of short films for entertainment of the group at the conclusion of the business meeting. The board held an organizational meeting following the annual meeting and J. R. Gillham was re-elected chairman of the board; C. B. Morris, vice-chairman; Rayburn Smith, secretary-treasurer, and Juanita Phelps, office secretary.

**Clarendon F. F. A. Members To Attend State Fair**

Thirty members of the Clarendon F.F.A. accompanied by their adviser J. R. Gillham, will attend State F.F.A. Day at the Texas State Fair Saturday. The group will attend a special matinee of Ice Capades of 1956; Saturday at noon the group will be a part of the thousands that the State Fair Officials will serve a special free lunch; and a portion of the group will attend the Texas Tech-Texas A&M game that night. The group will return to Clarendon Sunday.

Approximately 30,000 Texas F.F.A., F.H.A. and 4-H members will be guests of the State Fair Saturday. A major portion of the local group will have stock on exhibit at the fair during the junior show but will be unable to attend at that time. A small group of the local chapter members will care for the animals during the show and the group making the trip this weekend will devote their time to seeing the fair.

Jackie Estlack and Harlene Smith visited in the home of Mr. and Mrs. John Patterson at Groom Saturday morning.

# PLOWIN' Out the CORNERS

Cal Farley Says:  
"Showing suspicion of a boy you are trying to help is like call-

ing a dog and throwing rocks at him at the same time."  
The above is a wonderful thought and comes from a man that could well be termed an expert in this field. Too, this thought can be turned into almost any field of our thinking. Sometimes we brag about our many charities when at the same time we have no sincere love for those we are helping. We find folks who shout long and loud about their missionary work with other peoples but mostly they wouldn't want to be caught dead with

these same folks. Anyway, we know from our own experiences that our worst and most real problem as an individual is in conquering the wrong attitudes of our own heart. We catch ourselves standing in an air of obedience when our hearts are full of rebellion. We find our hands going up with the "I Done Its" when our hearts are as cold as were the feelings of the Pharisees in the day of Christ. The seriousness of this weakness as it applies to myself is that I can many times fool the world. Often we even deceive our ourselves and get to believing we are something pretty special. But when we stop to think we know that there is One that reads the throbs of our heart; these are His signals. Yes, from the Dot and Dash signals of our heart throbs our permanent records are written upon which we will some day give our final accounting.

Back to Boys Ranch and to Mr. Farley and his work. We have written a lot in this column about this work and we have seen it first hand. We have seen it come to the rescue of several boys who were on the brink of serious trouble. We have asked for their help and have received it for several young boys. We would like to remind everyone of our readers to remember the Ranch between now and Christmas. If you would like to send your gift through this column we will place your name on our special honor roll and list the gifts from time to time.

Shades of the past - - These sandstorms beginning already this year. The other day we heard a fellow ask the loan man for a lien on his farm; "No, I can't do it, I guess, cause in this dusty weather you sure couldn't give a clear title to it." Now, ain't that the whole truth?  
Speaking of the Soil, Sandstorms, and the Dry Weather, it's getting to where you have to find a real honest to goodness old-timer nowadays in order to find a fellow who will believe that we will make a good crop Next Year. This is bad because we have always had the reputation of being one of the best Next Year countries in the nation.  
We read the following little poem someplace and we think it just about expresses the way we

feel toward those who are the very spirit of kindness. It is called:  
**IN APPRECIATION**  
I cannot thank you as I would  
For all you've done for me;  
I cannot find the words I should  
To tell you fittingly.  
Your kindness has meant so much  
That only One I know  
Can e'er repay a service such  
As this one here below.  
Therefore to Him I delegate  
What I cannot express.  
May God repay you—early, late,  
For all your kindnesses.  
May the above be our Scrap Book suggestion for right now. So many tell us that they are keeping a scrap book of clippings

from this column. That makes us feel real warm inside and makes us try even more to be worthy of all your kindnesses.

## Test Drive Today's New Flite-Fuel

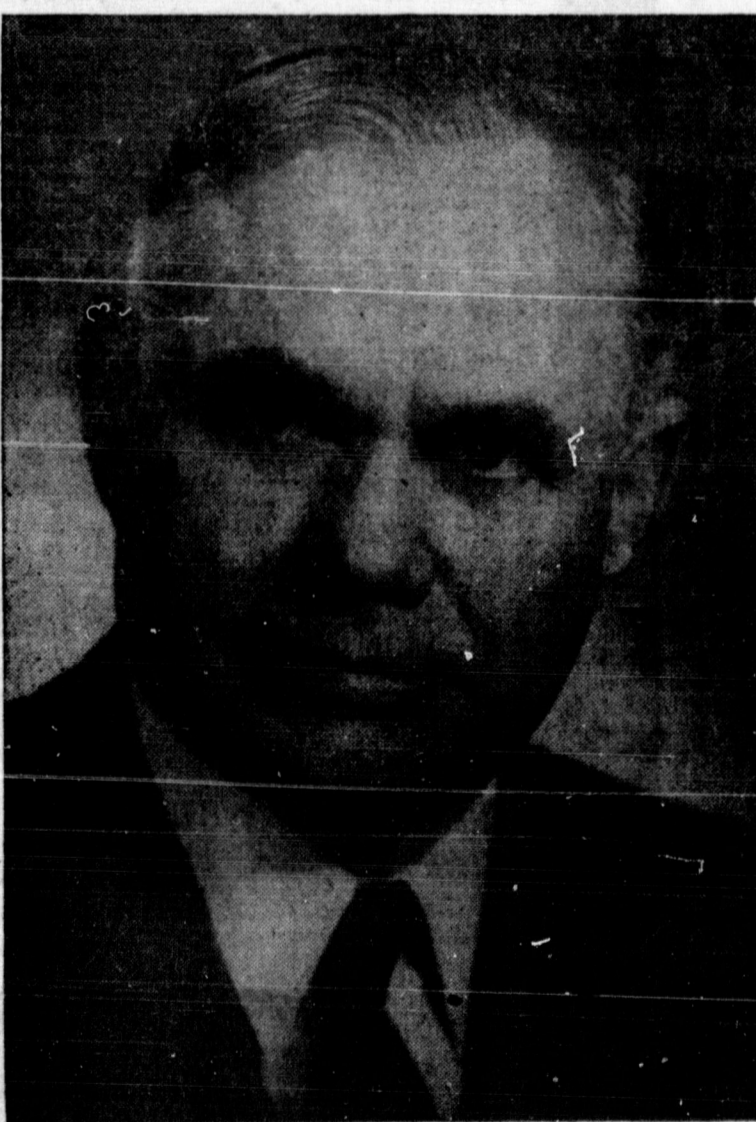

DISCOVER WHY WE SAY:  
**IT'S PERFORMANCE THAT COUNTS!**

- Check off these Performance Advantages of **Flite-Fuel**
- Higher anti-knock
  - Easy starting
  - Fast acceleration
  - Clean-burning
  - More mileage

Claims of gasoline performance are one thing—actual performance something entirely different. That's why we make this suggestion: you've got nothing to lose and a lot to gain by test driving Phillips 66 FLITE-FUEL. Let your car's performance be the judge.  
You'll discover ease of starting and responsiveness that you may never have suspected your motor could deliver. You'll benefit from the smoothness of advanced high octane. You'll get the advantages of controlled volatility and positive anti-stalling, and more miles per gallon, too. No other gasoline gives you the combination of high performance components you get in FLITE-FUEL.  
Why not give FLITE-FUEL a try? Fill up today at any station where you see the familiar orange and black Phillips 66 Shield.

## Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 5. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep up OUT of war.

That's why I still like Ike—better than ever!

Yours truly,  
 Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Haft, Director.)

## DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Continued dry weather is sure raising the irrigation fever to a high pitch. The areas near Jericho, Hedley, and Lelia Lake are the centers of activities, judging from the requests for assistance coming into the Soil Conservation Service office in Clarendon. Because the area around Jericho is nearly level and the soil more suitable to furrow irrigation, initial assistance there has consisted in locating the high points and determining the suitability of the slope for irrigation. Those putting down test wells, or planning to drill near previous test wells near Jericho are: L. D. Littlefield, A. P. Brown, George Shoope, and Eldred James. The depth of present wells in this part

of the District indicate, all the wells will be in the neighborhood of 600 feet deep with a pumping level of from 250 to 300 feet. Irrigation water is expensive pumped from that depth.

Those who are intending to put down wells in the vicinity of Lelia Lake and Hedley are: W. H. Wiggins, Gene Martin, Luther Butler, Clyde Slavin, and G. F. Leathers. In most cases, sprinklers are the most satisfactory method of irrigating in this part of the District. A sandier soil and uneven, steeper slopes makes row

irrigation impractical in most cases. However this area has the advantage of shallower water, most of the wells running less than 200 feet deep, and pumping levels from 100 to 150 ft. depths. The Soil Conservation Service, as part of its assistance to the Donley Soil Conservation District,

is able to give technical assistance on irrigation problems to co-operators with the District.

FROM A NEW 'INNER CAR' PROVED IN ACTION

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low . . . that it takes the bumps without a bobble, the curves without the pitch . . . and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

# A new kind of FORD with the mark of tomorrow

Lowest family car on the road

Only four feet eight inches tall

Wow! over 17"

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts. It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet . . . stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Ford's library-like quiet is built in. And the new "Inner Ford" is why. For never before

in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.
